ITEM 5. INTEREST IN SECURITIES OF THE ISSUER.

Items 5(a) and (b) of the Schedule 13D are hereby amended to read in their entirety as follows:

(a)-(b) At the date hereof, Continental has the sole power to vote and dispose of 325,505 shares of the Class A Common, 1,508,234 shares of the Class B Common, and 802,860 Warrants. The Warrants entitle holders to purchase one share of the Class B Common at a price of \$12.74 per share. The Class A Common held by Continental represents approximately 27.1% of the 1,200,000 shares of Class A Common outstanding as of September 30, 1995, based on information provided by the Company. The Class B Common held by Continental represents approximately 3.4% of the 43,967,378 shares of Class B Common outstanding as of September 30, 1995, based on information provided by the Company. The Warrants held by Continental represent approximately 7.7% of the 10,383,571 Warrants outstanding as of September 30, 1995, based on information provided by the Company. Assuming exercise of the Warrants, the Class B Common and Warrants held by Continental represent approximately 5.2% of the 44,770,238 shares of Class B Common which would be assumed to be outstanding upon such exercise.

As set forth in Item 5(d) and 6, the TPG Parties have certain understandings and agreements regarding the voting and disposition of the securities of the Company held by them with GPA Group plc, an Irish public limited company ("GPA"), Continental and Mesa Airlines, Inc., a New Mexico corporation ("Mesa"). As a result of these agreements and understandings, the TPG Parties together with each of GPA, Continental and Mesa comprise a group within the meaning of Section 13(d)(3) of the Exchange Act, and each may be deemed to beneficially own

7

8
the securities of the Company owned by the other. Information concerning the ownership of Class A Common, Class B Common and Warrants by each of the TPG Parties, GPA and Mesa is contained in separate Schedules 13D, as amended, being filed by each of the TPG Parties, GPA and Mesa. In an amendment to its Schedule 13D filed on November 20, 1995, GPA reported that on November 14, 1995 it sold 900,000 shares of Class B Common to Salomon Brothers Inc at a price of \$16.51 per share by means of a block trade on the New York Stock Exchange with a settlement date of November 17, 1995. In the same amendment, GPA reported that it continued to hold 1,384,615 Warrants.

On the basis of information contained in the Schedules 13D filed by the TPG Parties, GPA and Mesa and the amendment to its Schedule 13D filed by GPA, following this sale of Class B Common by GPA, Continental, the TPG Parties, Mesa and GPA, as a group, beneficially own 1,200,000 shares of the Class A Common, 8,704,429 shares of the Class B Common, and 4,897,538 Warrants. The aggregate amount of Class A Common beneficially owned by the group represents 100% of the 1,200,000 shares of Class A Common outstanding as of September 30, 1995, based on information provided by the Company. The aggregate amount of Class B Common beneficially owned by the group represents approximately 19.8% of the 43,967,378 shares of Class B Common outstanding as of September 30, 1995, based on information provided by the Company. The aggregate amount of Warrants beneficially owned by the group represents approximately 47.2% of the 10,383,571 Warrants outstanding as of September 30, 1995, based on information provided by the Company. Assuming exercise of the Warrants, the aggregate amount of Class B Common and Warrants beneficially owned by the group represents approximately 27.8% of the 48,864,916 shares of Class B Common which would be assumed to be outstanding upon such exercise.

Except as described herein, Continental does not have the sole or shared voting power to vote or the sole or shared power to dispose of any shares of Class A Common, Class B Common or any of the Warrants.

To the knowledge of Continental, none of the individuals named in Item 2 has the sole or shared power to vote or the sole or shared power to dispose of any shares of Class A Common, Class B Common or any of the Warrants.

ITEM 6. CONTRACTS, ARRANGEMENTS, UNDERSTANDINGS OR
RELATIONSHIPS WITH RESPECT TO SECURITIES OF THE ISSUER.

Item 6 of the Schedule 13D is hereby amended by adding the following paragraph immediately prior to the final paragraph thereof.

Pursuant to the Stockholders' Agreement and the GPA Voting Agreement,

the parties to such agreements have agreed, inter alia, to vote, or recommend the voting of, the shares of Class A Common and Class B Common held by each of them in favor of the election of a director of the Company designated by GPA during the term of such agreements, provided that GPA shall own at least two percent of the voting equity securities of the Company "(on a fully diluted basis)" and provided further that such director designee is reasonably acceptable to

8

9

AmWest or its designated assignees. Pursuant to the First Amendment to the Stockholders' Agreement, dated as of September 6, 1994 (filed as Exhibit 1 to this Amendment and incorporated herein by this reference), and the First Amendment to the GPA Voting Agreement, dated as of September 6, 1994 (filed as Exhibit 2 to this Amendment and incorporated herein by this reference), inter alia, the parenthetical term "(on a fully diluted basis)" in each of the agreements has been defined to provide that the percentage of voting equity securities of the Company modified by such term shall be determined (i) as if the 10,384,615 Warrants issued upon consummation of the Plan shall have been exercised for 10,384,615 shares of Class B Common as of the date of such determination and (ii) excluding from such determination any potential dilutive effect of certain warrants, options or rights issued subsequent and related to the confirmation of the Plan.
