ITEM 1.03. Bankruptcy or Receivership.

On December 9, 2002 (the "Petition Date"), UAL Corporation (the "Company"), United Air Lines, Inc. and 26 other direct and indirect wholly-owned subsidiaries (collectively the "Debtors," and each individually as a "Debtor") filed voluntary petitions to reorganize their businesses under Chapter 11 of the United States Bankruptcy Code (the "Bankruptcy Code") in the United States Bankruptcy Court for the Northern District of Illinois, Eastern Division (the "Bankruptcy Court"). The Bankruptcy Court is jointly administering these cases as "In re UAL Corporation, et al., Case No. 02-B-48191." Since the Petition Date, the Debtors have continued to operate their businesses and manage their properties as debtors in possession pursuant to Sections 1107(a) and 1108 of the Bankruptcy Code. On December 13, 2002, as required by the Bankruptcy Code, the United States Trustee for the Northern District of Illinois appointed an official committee of unsecured creditors.

On September 7, 2005, the Company filed the Debtors' Joint Plan of Reorganization and a related Disclosure Statement. On October 20, 2005, the Company filed the Debtors' First Amended Joint Plan of Reorganization (the "First Amended Plan") and a related First Amended Disclosure Statement (the "First Amended Disclosure Statement"). On October 21, 2005, the Bankruptcy Court approved the adequacy of information in the First Amended Disclosure Statement and authorized the Debtors to send the First Amended Disclosure Statement, the First Amended Plan and ballots to creditors entitled to vote on the First Amended Plan. On January 19, 2006, the Company filed the Debtors' Second Amended Joint Plan of Reorganization (the "Plan of Reorganization" or the "Plan").

On January 20, 2006, the Bankruptcy Court entered an order (Docket No. 14813) (the "Confirmation Order") approving and confirming the Plan of Reorganization. Capitalized terms used but not defined herein will have the respective meanings ascribed to such terms in the Plan of Reorganization. The effective date of the Plan of Reorganization is anticipated to be on or about February 1, 2006 (the "Effective Date"). A copy of the Plan of Reorganization as confirmed by the Bankruptcy Court and a copy of the Confirmation Order are attached as Exhibits 2.1 and 2.2, respectively, to this Current Report on Form 8-K and are incorporated herein by reference.

The following is a summary of the material terms of the Plan of Reorganization. This summary highlights only certain provisions of the Plan and is not a complete description of that document. Therefore, this summary is qualified in its entirety by reference to the full text of the Plan of Reorganization.

A. Plan of Reorganization

The Plan of Reorganization permits the Debtors to continue their businesses as a going concern. The purpose of the Plan of Reorganization is to provide the Debtors with a capital structure that can be supported by cash flows from operations and a solid foundation on which the Company can compete. The Plan contemplates substantive consolidation of the Estates of all of the Debtors other than UAL for all purposes related to the Plan, including, without limitation, for purposes of voting, confirmation, and distribution.

If the Plan is consummated, on the Effective Date or as soon as reasonably practicable thereafter, the Debtors will make distributions in respect of certain Classes of Claims and Interests as provided in the Plan.

B. Treatment of Claims and Interests

The Plan divides all Claims and Interests against each Debtor into various Classes. As the Plan was approved to allow for substantive consolidation of all Debtors other than UAL, the United Debtor Classes were consolidated as set forth below. The following tables summarize the Classes of Claims and Interests under the Plan of Reorganization, as consolidated, the treatment of such Classes and the projected recovery under the Plan, if any, for such Classes, including an assumed reorganization value of the New UAL Common Stock equal to approximately \$15 per share). The chart is not a complete description of any Class of Claims or Interests. For a

more detailed discussion of the treatment of Claims and Interests against each of the Debtors, see Article IV of the Plan of Reorganization.

C. Contracts

The Debtors intend to continue performing their obligations under the terms of their postpetition contracts and honor their obligations under non-executory agreements to the extent required by law. Confirmation of the Plan constituted the Bankruptcy Court's approval of the proposed treatment of executory contracts and unexpired leases as set forth below, and determination that the Debtors have exercised reasonable business judgment in determining whether to assume or reject each of their executory contracts and unexpired leases.

1. Executory Contracts and Unexpired Leases

Each executory contract or unexpired lease to which any Debtor is a party will be deemed automatically rejected in accordance with the provisions and requirements of Sections 365 and 1123 of the Bankruptcy Code as of the Effective Date, unless any such executory contract or unexpired lease (i) has been previously assumed by the Debtors by Final Order of the Bankruptcy Court, (ii) is the subject of a motion to assume pending on or before the Effective Date, (iii) is listed on the schedule of "Assumed Executory Contracts and Unexpired Leases" in Exhibit 3 of the Plan Supplement, (iv) is an Interline & Alliance Related Agreement, (v) is a Revenue Related Agreement, (vi) is an Intercompany Contract, (vii) is an Employment Agreement, (viii) is an Indemnification Obligation, (ix) is a Collective Bargaining Agreement, (x) is a Postpetition Aircraft Agreement, (xi) is an agreement in connection with Aircraft Equipment that is a new or renegotiated agreement, including leases or mortgages, that is entered into subsequent to the date of the Plan and prior to the Effective Date, other than currently existing Postpetition Aircraft Agreements, (xii) is a Municipal Bond Lease, (xiii) is a Foreign Agreement; (xiv) is an executory contract or lease that is required to be assumed pursuant to and as contemplated by the GE Master MOU; or (xv) is otherwise assumed pursuant to the terms of the Plan, except that with respect to clauses (iv) through (xiii) above, such executory contracts and unexpired leases will be treated as set forth below.

2. Interline & Alliance Related Agreements, Revenue Related Agreements, and Intercompany Contracts

Each Interline & Alliance Related Agreement, Revenue Related Agreement and Intercompany Contract to which any Debtor is a party will be deemed automatically assumed in accordance with the provisions and requirements of Sections 365 and 1123 of the Bankruptcy Code as of the Effective Date to the extent such contracts and leases are executory, unless such executory contract or unexpired lease (i) has been previously rejected by the Debtors by Final Order of the Bankruptcy Court, (ii) is the subject of a motion to reject pending on or before the Effective Date, (iii) is listed on the schedule of "Rejected Interline & Alliance Related Agreements, Revenue Related Agreements, and Intercompany Contracts" in Exhibit 6 of the Plan Supplement, (iv) is not an executory contract or an unexpired lease on the Effective Date or (v) is otherwise rejected pursuant to the terms of the Plan.

3. Employment Agreements and Indemnification Obligations

a. Employment Agreements

Each Employment Agreement with a director, officer, or employee entered into prior to the Petition Date who was employed by any of the Debtors in such capacity on or after the Petition Date will be deemed automatically rejected in accordance with the provisions and requirements of Sections 365 and 1123 of the Bankruptcy Code as of the Effective Date to the extent such contracts are executory, unless such executory contract (i) has been previously assumed by the Debtors by Final Order of the Bankruptcy Court, (ii) is the subject of a motion to assume pending on or before the Effective Date, (iii) is listed on the schedule of "Assumed Employment Agreements and Indemnification Obligations for Current Employees" in Exhibit 7 of the Plan Supplement or (iv) is otherwise assumed pursuant to the terms of the Plan.

Unless otherwise indicated in the Plan, if the Debtors reject an Employment Agreement, any Indemnification Obligation that may be contained in such Employment Agreement will also be deemed rejected automatically.

b. Indemnification Obligations

Each Indemnification Obligation to a director, officer, or employee that was employed by any of the Debtors in such capacity on or after the Petition Date will be deemed automatically assumed in accordance with the provisions and requirements of Sections 365 and 1123 of the Bankruptcy Code as of the Effective Date to the extent each such obligation is executory, unless such obligation (i) has been previously rejected by the Debtors by Final Order of the Bankruptcy Court, (ii) is the subject of a motion to reject pending on or before the Effective Date, (iii) is listed on the schedule of "Rejected Employment Agreements and Indemnification Obligations for Current Employees" in Exhibit 8 of the Plan Supplement or (iv) is otherwise rejected pursuant to the terms of the Plan. The Debtors may honor each Indemnification Obligation to a director, officer, or employee that was no longer employed by any of the Debtors in such capacity on or after the Petition Date, unless such obligation (i) has been previously rejected by the Debtors by Final Order of the Bankruptcy Court, (ii) is the subject of a motion to reject pending on or before the Effective Date, (iii) is listed on the schedule of "Rejected Employment Agreements and Indemnification Obligations for Former Employees" in Exhibit 10 of the Plan Supplement or (iv) is otherwise rejected pursuant to the terms of the Plan. Unless otherwise indicated in the Plan, if the Debtors reject an Indemnification Obligation, any Employment Agreement that may contain such Indemnification Obligation will be deemed rejected, but only to the extent of such Indemnification Obligation.

c. Reaffirmation

The Debtors and Reorganized Debtors reserve the right, in their sole and absolute discretion, to honor and/or reaffirm obligations with respect to Employment Agreements and Indemnification Obligations (to the extent of third-party insurance coverage or in the best interests of the Company) that are rejected pursuant to the Plan or otherwise.

4. Foreign Agreements

Each Foreign Agreement in which any Debtor is a party will be deemed automatically assumed in accordance with the provisions and requirements of Sections 365 and 1123 of the Bankruptcy Code as of the Effective Date to the extent such contracts and leases are executory, unless such executory contract or unexpired

lease (i) has been previously rejected by the Debtors by Final Order of the Bankruptcy Court, (ii) is the subject of a motion to reject pending on or before the Effective Date, (iii) is listed on the schedule of "Rejected Foreign Agreements" in Exhibit 12 of the Plan Supplement, (iv) is not an executory contract or an unexpired lease on the Effective Date or (v) is otherwise rejected pursuant to the terms of the Plan.

5. Municipal Bond Leases

a. Conditionally Assumed and Conditionally Rejected Municipal Bond Leases

As of the Effective Date, all Municipal Bond Leases listed on the schedule of "Conditionally Rejected Municipal Bond Leases" in the Plan Supplement will be deemed rejected on a conditional basis, and all Municipal Bond Leases not listed on the schedule of "Conditionally Rejected Municipal Bond Leases" in the Plan Supplement will be deemed assumed on a conditional basis, in accordance with the provisions and requirements of Sections 365 and 1123 of the Bankruptcy Code. However, the Debtors and the Reorganized Debtors reserve the right to alter, amend, modify, or supplement the list of "Conditionally Rejected Municipal Bond Leases" in Exhibit 13 of the Plan Supplement at any time through and including forty-five (45) days after the date that a Final Order is entered disposing of all controversies at issue in a Municipal Bond Adversary Proceeding.

b. Chicago Municipal Bond Adversary Proceeding

Solely with respect to the Chicago Municipal Bond Adversary Proceeding, if and to the extent that a Final Order is entered disposing of all controversies at issue in the Chicago Municipal Bond Adversary Proceeding, the conditional assumption or rejection of any Municipal Bond Lease at issue in the Chicago Municipal Bond Adversary Proceeding, whichever is applicable, will become final.

c. Municipal Bond Adversary Proceedings Other Than Chicago

(i) California Statewide Communities Development Authority Special Facility Revenue Bonds 1997 Series A (SFO Municipal Bond Adversary Proceedings)

Notwithstanding anything else to the contrary in the Plan, the Municipal Bond Leases at issue in the SFO Municipal Bond Adversary Proceedings (the "SFO Leases") will be assumed if a Final Order is entered in the SFO Municipal Bond Adversary Proceedings in favor of the defendants holding that the SFO Leases are "true leases."

In the event that a Final Order in the SFO Municipal Bond Adversary Proceedings is entered in favor of United, HSBC Bank USA, National Association, as indenture trustee for Series 1997A SFO Bonds, will be entitled to: (a) a Class 2B-2 Other Secured Claim to the extent of the SFO Security Interest; and (b) a Class 2E-6 Other Unsecured Claim, as applicable, for any amounts owed by the Debtors exceeding the value of the SFO Security Interest.

In the event that the U.S. Supreme Court either (a) denies a petition for certiorari with respect to the SFO Recharacterization Opinion, or (b) affirms the SFO Recharacterization Opinion, then the automatic stay of the Bankruptcy Code will be deemed modified without further order of the Bankruptcy Court authorizing the indenture trustee to disburse the SFO Construction Fund in the manner required by the SFO indenture.

(ii) Regional Airports Improvement Corporation Revenue Bonds Issue of 1984 and Facilities Lease Refunding Revenue Bonds Issue 1992 (LAX Municipal Bond Adversary Proceedings)

Notwithstanding anything else to the contrary in the Plan, the Municipal Bond Leases at issue in the LAX Municipal Bond Adversary Proceedings (the "LAX Leases") will be assumed if a Final Order is entered in the LAX Municipal Bond Adversary Proceeding in favor of the defendants holding that the LAX Leases are "true leases."

If and only to the extent that a Final Order is entered in the LAX Municipal Bond Adversary Proceedings finding that each such LAX Lease is a “secured financing,” such Municipal Bond Lessor shall be entitled to: (a) Class 1B-2 and 2B-2 Other Secured Claims, as applicable, to the extent of the value of United’s leasehold in that certain terminal lease at issue in the LAX Municipal Bond Adversary Proceedings (the “LAX Security Interest”); and (b) Class 1E-3 and 2E-6 Other Unsecured Claims, as applicable, for any amounts owed by the Debtors exceeding the value of the LAX Security Interest.

Notwithstanding anything else to the contrary in the Plan, the Special Facilities and Ground Lease dated October 1, 1992 between the City and County of Denver and United (the “Denver Lease”) will be assumed if a Final Order is entered in the Denver Municipal Bond Adversary Proceeding in favor of the defendants.

In the event that a Final Order in the Denver Municipal Bond Adversary Proceeding is entered in favor of United, HSBC Bank USA, National Association, as paying agent, will be entitled to: (a) a Class 2B-2 Other Secured Claim to the extent of the value of the collateral subject to the Denver Lease if the financing qualifies as a secured financing under applicable law; and/or (b) a Class 2E-6 Other Unsecured Claim, as applicable, for any amounts owed by the Debtors exceeding the value of the collateral or the entire amount of such Claim if the financing does not qualify as a secured claim under applicable law.

(iv) New York Industrial Development Agency Special Facility Revenue Bonds, Series 1997 (JFK Municipal Bond Adversary Proceeding)

The conditional assumption or conditional rejection of each Municipal Bond Lease in the JFK Municipal Bond Adversary Proceeding will become final if and to the extent that (a) a Final Order is entered in the JFK Municipal Bond Adversary Proceeding finding that each such Municipal Bond Lease is a “true lease,” and (b) a Final Order is entered disposing of all controversies at issue in the JFK Municipal Bond Adversary Proceeding, including, without limitation, with respect to whether each such Municipal Bond Lease found to be a “true lease” is “independent” or “severable” from the other Municipal Bond Leases or agreements at issue in the JFK Municipal Bond Adversary Proceeding.

If and only to the extent that a Final Order is entered in the JFK Municipal Bond Adversary Proceeding finding that each such Municipal Bond Lease is a “secured financing,” such Municipal Bond Lessor will be entitled to: (a) a Class 2B-2 Other Secured Claim to the extent of the value of collateral subject to the Municipal Bond Lease under Section 506 of the Bankruptcy Code if such Municipal Bond Lessor qualifies as a secured creditor under applicable non-bankruptcy law; and (b) a Class 2E-6 Other Unsecured Claim, as applicable, for any amounts owed by the Debtors exceeding the value of the collateral or for the entire amount of such Claim if the Municipal Bond Lessor does not qualify as a secured creditor under applicable non-bankruptcy law.

6. CBAs

a. Assumption of CBAs

Each Collective Bargaining Agreement to which any Debtor is a party, as modified and/or amended from time to time, including by and through the Section 1113 Restructuring Agreements, will be deemed automatically assumed in accordance with the provisions and requirements of Sections 365 and 1123 of the Bankruptcy Code as of the Effective Date, except that nothing in the Plan will be deemed as an assumption of any pension plan, retirement plan, savings plan, health plan, or other employee benefit plan discontinued or terminated during the Chapter 11 Cases. The assumption and the Cure of the Collective Bargaining Agreements, in accordance with the terms of the Section 1113 Restructuring Agreements, will be in full satisfaction of all Claims and Interests arising under all previous Collective Bargaining Agreements between all parties to the Plan or their predecessors-in-interest. Upon assumption of the Collective Bargaining Agreements and the Section 1113 Restructuring Agreements, the following

Proofs of Claim will be deemed withdrawn, disallowed, and forever barred from assertion automatically and without any further notice to or action, order, or approval of the Bankruptcy Court: (i) all Proofs of Claim filed by the Debtors' Unions and (ii) all Proofs of Claim filed by Union-represented employees pertaining to rights collectively bargained for or disposed of pursuant to the Collective Bargaining Agreements in the ordinary course of business, including, without limitation, Claims on account of grievances, reinstatement, and pension obligations. However, such treatment will be without prejudice to the respective Union's pursuit, payment, or satisfaction of such Claims in the ordinary course under the relevant assumed Collective Bargaining Agreement. The Debtors reserve the right to seek adjudication of any Collective Bargaining Agreement-related dispute that concern distributions, claims, restructuring transactions, or other aspects of the Plan between the Debtors and the relevant Union in the Bankruptcy Court, and in the event the Debtors seek such adjudication, ALPA reserves the right to contest the jurisdiction of the Bankruptcy Court to hear and determine such disputes. All specifically-denominated pre-petition grievances set forth on the schedules attached to each Union's Proof of Claim and pending on the Effective Date, including all awards and settlement amounts owing and unpaid in connection therewith, will be processed and paid (pursuant to such awards and settlements) in the ordinary course, as part of the assumption of each Union's Collective Bargaining Agreement.

b. Distribution on Account of Unsecured 1113 Claim

All distributions pursuant to the Distribution Agreements will be made as though those distributions were on account of Claims or Interests.

7. Postpetition Aircraft Agreements

Subject to the Debtors' right to terminate or reject any Postpetition Aircraft Agreement prior to Consummation of the Plan pursuant to the terms of such Agreement: (i) each Postpetition Aircraft Agreement will remain in place after the Effective Date; (ii) the Reorganized Debtors will continue to honor each such Agreement according to its terms; and (iii) to the extent any Postpetition Aircraft Agreement requires the assumption by the Debtors of such Agreement and the Postpetition Aircraft Obligation arising thereunder, each such Postpetition Aircraft Agreement and Postpetition Aircraft Obligation will be deemed assumed as of Consummation of the Plan. Nothing in the Plan will limit the Debtors' right to terminate such contracts in accordance with the terms thereof. To the extent that subsequent to the date of the Plan and prior to the Effective Date the Debtors enter into new Postpetition Aircraft Agreements for Aircraft Equipment not currently subject to a Postpetition Aircraft Agreement, the Claims or obligations arising thereunder will be treated as Postpetition Aircraft Obligations.

8. Postpetition Contracts and Leases

Except to the extent otherwise provided herein with respect to Postpetition Aircraft Agreements and subject to the modification provisions of the Plan, all contracts and leases entered into after the Petition Date by any Debtor will be performed by the Debtor or Reorganized Debtor liable thereunder in accordance with the terms and conditions of such contracts and leases in the ordinary course of its business. Accordingly, such contracts and leases and other obligations (including any executory contracts and unexpired leases assumed other than pursuant to the Plan) will survive and remain unaffected by entry of the Confirmation Order.

9. Assumed Executory Contracts and Leases

Entry of the Confirmation Order by the Bankruptcy Court constituted approval of the assumption or conditional assumption of the executory contracts and unexpired leases to be assumed under the Plan as of the Effective Date, or as of a conditional assumption becoming final pursuant to the Municipal Bond Lease provisions of the Plan or, with respect to the Debtors' agreements with the City of Chicago, the earlier of either (i) the Effective Date or (ii) ninety (90) days after the Court's entry of the Confirmation Order, pursuant to Sections 365 and 1123 of the Bankruptcy Code. Each executory contract and unexpired lease that is assumed will vest in and be fully enforceable by the applicable Reorganized Debtor in accordance with its terms, except as may be modified by the provisions of the Plan, any order of the Bankruptcy Court authorizing or providing for its assumption, or applicable law.

Except as otherwise provided in the Plan, the provisions (if any) of each executory contract or unexpired lease to be assumed pursuant to the Plan that are or may be in default will be satisfied solely by the Cure, or by an agreed-upon waiver of the Cure. Except with respect to executory contracts and unexpired leases in which the Debtors and the counterparties to such executory contracts and unexpired leases have stipulated in writing to payment of the Cure, all requests for payment of the Cure must be filed with the Claims Agent and served upon counsel to the Debtors on or before the Cure Bar Date.

Any request for payment of the Cure that is not timely Filed and served will be disallowed automatically and will be forever barred from assertion and will not be enforceable against any Debtor or Reorganized Debtor, any Estate, or property of any Debtor or Reorganized Debtor without the need for any objection by the Debtors or the Reorganized Debtors and without any further notice to or action, order, or approval of the Bankruptcy Court, and the Claim for the Cure will be deemed fully satisfied, released and discharged, notwithstanding any amount or information included in the Schedules or a Proof of Claim filed prior to the entry of the Confirmation Order. Nothing will prevent the Debtors or the Reorganized Debtors, in their sole and absolute discretion, from making a Cure payment despite the failure of the relevant counterparty to file and timely serve such request for payment of such Cure. The Debtors or the Reorganized Debtors may settle any Cure without any further notice to or action, order, or approval of the Bankruptcy Court except as provided in Plan Oversight Committee provisions of the Plan. If and to the extent that the Debtors and a counterparty to an executory contract or unexpired lease have stipulated in writing to payment of the Cure, the Debtors will pay such Cure as agreed.

Except as otherwise provided in the Plan of Reorganization, if the Debtors or the Reorganized Debtors object to a Cure or any potential contractual obligation under any executory contract or unexpired lease that is assumed, the Bankruptcy Court will determine the Allowed amount of such Cure and any such potential contractual obligation. If there is a dispute regarding (i) Cure, (ii) the ability of the Reorganized Debtors or any assignee to provide "adequate assurance of future performance" within the meaning of Section 365 of the Bankruptcy Code, or (iii) any other matter pertaining to assumption, Cure will occur as soon as reasonably practicable following the entry of a Final Order resolving the dispute and/or approving the assumption (and, if applicable, assignment). The Debtors and Reorganized Debtors reserve the right to reject any executory contract or unexpired lease no later than fifteen (15) days after the later of (i) the Debtors or Reorganized Debtors and the counterparty to such executory contract or unexpired lease agree in writing to the amount of the Cure, or (ii) the entry of a Final Order establishing the Cure.

The provisions of each executory contract or unexpired lease to be assumed pursuant to the Plan that are or may be in default will be satisfied in a manner to be agreed to by the relevant Debtor or Reorganized Debtor. Pursuant to Section 365(b)(2)(D) of the Bankruptcy Code or otherwise, no Cure will be allowed for a penalty rate or other form of default rate of interest.

Any and all proofs of claim based upon executory contracts or unexpired leases that have been assumed in the Chapter 11 Cases or under the terms of the Plan will be deemed disallowed and expunged.

10. Rejected Executory Contracts and Unexpired Leases

Entry of the Confirmation Order by the Bankruptcy Court constituted approval of the rejection or conditional rejection of the executory contracts and unexpired leases to be rejected under the Plan as of the Effective Date, or as of a conditional rejection becoming final pursuant to the Municipal Bond Lease provisions of the Plan, pursuant to Sections 365 and 1123 of the Bankruptcy Code. The rejection of the executory contracts or unexpired

leases of any counterparty is not intended to be and will not be construed as an indication of the unwillingness of the Debtors and Reorganized Debtors to do business with the counterparty, and the Debtors and Reorganized Debtors reserve the right to negotiate and enter into any contract or lease with any counterparty at any time without any further notice to or action, order, or approval of the Bankruptcy Court.

Except as otherwise provided with respect to the Municipal Bond Leases, all executory contracts and unexpired leases to be rejected pursuant to the Plan will be deemed automatically rejected in accordance with the provisions and requirements of Sections 365 and 1123 of the Bankruptcy Code as of the Effective Date, or such earlier date as the Debtors may have terminated their performance under such executory contract or unexpired lease, unless another effective date of rejection is set forth in the Plan Supplement for such executory contract or unexpired lease.

On or after the Effective Date, the Debtors and the Reorganized Debtors reserve their rights to initiate, file, prosecute, enforce, or litigate to judgment (and/or abandon, settle, compromise, release, or withdraw) any and all such claims, rights, and Causes of Action, including, without limitation, such claims, rights, and Causes of Action on account of indemnification, breach of confidentiality, breach of contract, and breach of express or implied warranty that they may have under any executory contract or unexpired lease, notwithstanding the rejection of such executory contract or unexpired lease.

A non-Debtor party to an executory contract or unexpired lease whose executory contract or unexpired lease is being or has been rejected under the Plan may request that the Debtors assume such executory contract or unexpired lease by sending a written notice to the counsel to the Debtors, which notice will include a waiver of any defaults (including payment defaults) and any right to any Cure under such executory contract or unexpired lease. The Debtors or the Reorganized Debtors may, in their sole and absolute discretion, assume such executory contract or unexpired lease without any further notice to or action, order, or approval of the Bankruptcy Court.

All Proofs of Claim with respect to Claims arising from the rejection of executory contracts or unexpired leases pursuant to the Plan or otherwise, other than Municipal Bond Leases, if any, must be Filed with the Claims Agent and served upon counsel to the Debtors no later than thirty (30) days after the earliest of (i) the date of entry of an order (including, without limitation, the Confirmation Order) of the Bankruptcy Court approving such rejection, (ii) the date of service of a notice that the executory contract or unexpired lease has been rejected, and (iii) the effective date of rejection. All Proofs of Claim with respect to Claims arising from the conditional rejection of Municipal Bond Leases pursuant to the Plan must be Filed with the Claims Agent and served upon counsel to the Debtors no later than thirty (30) days after a conditional rejection becoming final pursuant to the Municipal Bond Lease provisions of the Plan. Any Proofs of Claim arising from the rejection of an executory contract or unexpired lease that are not timely Filed and served will be disallowed automatically and will be forever barred from assertion and will not be enforceable against any Debtor or Reorganized Debtor, any Estate, or property of any Debtor or Reorganized Debtor without the need for any objection by the Debtors or the Reorganized Debtors and without any further notice to or action, order, or approval of the Bankruptcy Court, and the Claim for rejection of the executory contract or unexpired lease will be deemed fully satisfied, released, and discharged, notwithstanding any amount or information included in the Schedules or a Proof of Claim filed prior to the entry of the Confirmation Order. Rejection of any executory contract pursuant to the Plan, or otherwise, will not constitute a termination of pre-existing obligations owed to the Debtors.

11. Modifications, Amendments, Supplements, Restatements, or Other Agreements

Unless otherwise provided, each executory contract and unexpired lease that is assumed, whether or not such executory contract or unexpired lease relates to the use, ability to acquire, or occupancy of real property, will include (i) all modifications, amendments, supplements, restatements, or other agreements made directly or indirectly by any agreement, instrument, or other document that in any manner affect such executory contract or unexpired lease, and (ii) all executory contracts or unexpired leases appurtenant to the premises, if any, including all easements, licenses, permits, rights, privileges, immunities, options, rights of first refusal, powers, uses, reciprocal easement agreements, and any other interests in real estate or rights in rem related to such premises, unless any of the foregoing agreements has been rejected pursuant to an order of the Bankruptcy Court or is otherwise rejected as part of the Plan.

Modifications, amendments, supplements, and restatements to executory contracts and unexpired leases entered into before the Petition Date that have been executed by the Debtors during the Chapter 11 Cases, and actions taken in accordance therewith, (i) do not alter in any way the pre-petition nature of the executory contract or unexpired lease entered into before the Petition Date, or the validity, priority or amount of any Claims against the Debtors that may arise under such contracts and leases, (ii) are not and do not create a postpetition contract or lease, (iii) do not elevate to administrative expense priority any Claims of the counterparty to the executory contracts and unexpired leases against any of the Debtors, and (iv) do not entitle any entity to a Claim under any Section of the Bankruptcy Code on account of the difference between the terms of any executory contract or unexpired lease entered into before the Petition Date and modification, amendment, supplement, or restatement.

12. Reservation of Rights

Other than with respect to Postpetition Aircraft Agreements, notwithstanding any other provision of the Plan, the Debtors and Reorganized Debtors reserve the right to alter, amend, modify, or supplement any list of executory contracts, including, but not limited to, the list of "Assumed Executory Contracts and Unexpired Leases," "Rejected Executory Contracts and Unexpired Leases," "Rejected Interline & Alliance Related Agreements, Revenue Related Agreements, and Intercompany Contracts," the "Rejected Current Employment Agreements and Indemnification Obligations," and the "Rejected Former Employment Agreements and Indemnification Obligations," in the Plan Supplement at any time through and including thirty (30) days after the Effective Date, except that the Debtors will not alter, amend, or modify the list of Assumed Executory Contracts and Unexpired Leases to remove the Debtors' executory contracts and/or unexpired leases with the following parties: (a) Allegheny County Airport Authority, (b) the City of Phoenix, (c) Sacramento County, (d) Sabre Inc. and (e) the City of Des Moines. The Debtors also will not alter, amend or modify their decision to either assume or reject the Debtors' unexpired leases and executory contracts with the Massachusetts Port Authority following Confirmation of the Plan and the effective date of such rejection or assumption in connection with the Plan will be the Effective Date.

Notwithstanding Confirmation of the Plan, any such agreement that governs the rights of the Holder of a Claim will continue in effect solely for purposes of (a) allowing a Servicer to make distributions on account of such Claims pursuant to the Plan, (b) permitting such Servicer to maintain any rights and/or liens it may have against property other than the Reorganized Debtors' property (except for distributions under the Plan) for fees, costs, and expenses pursuant to such Indenture or other agreement, and (c) preserving any claims by or on behalf of bondholders, indenture trustees, paying agents, or similarly situated parties against any entity (other than the Debtors, Reorganized Debtors, and any Released or Exculpated Parties) that arise under or are related to such agreement and preserving any obligations of such entities thereunder. However, nothing in the preceding sentence will affect the discharge of Claims against or Interests in the Debtors pursuant to the Bankruptcy Code, the Confirmation Order, or

the Plan, or result in any expense or liability to the Reorganized Debtors nor impose any duty on any indenture trustee, paying agent, or similarly situated party to assert any Claim against any entity under any indenture.

F. Effect of Confirmation

1. Discharge of Claims and Termination of Interests

Pursuant to Section 1141(d) of the Bankruptcy Code, and except as otherwise specifically provided in the Plan or in the Confirmation Order, the distributions, rights, and treatment that are provided in the Plan will be in complete satisfaction, discharge, and release, effective as of the Confirmation Date (but subject to the occurrence of the Effective Date), of Claims and Causes of Action of any nature whatsoever, including any interest accrued on Claims from and after the Petition Date, whether known or unknown, against, liabilities of, liens on, obligations of, rights against, and Interests in, the Debtors or any of their assets or properties, regardless of whether any property will have been distributed or retained pursuant to the Plan on account of such Claims, rights, and Interests, including, without limitation, demands, liabilities, and Causes of Action that arose before the Confirmation Date, any liability (including withdrawal liability) to the extent such Claims relate to services performed by employees of the Debtors prior to the Confirmation Date and that arise from a termination of employment or a termination of any employee or retiree benefit program regardless of whether such termination occurred prior to or after the Confirmation Date, and all debts of the kind specified in Sections 502(g), 502(h), or 502(i) of the Bankruptcy Code, in each case whether or not (i) a Proof of Claim or Interest based upon such debt, right, or Interest is Filed or deemed Filed pursuant to Section 501 of the Bankruptcy Code, (ii) a Claim or Interest based upon such debt, right, or Interest is allowed pursuant to Section 502 of the Bankruptcy Code, or (iii) the Holder of such a Claim, right, or Interest has accepted the Plan. With respect to the United States of America or any Governmental Unit thereof or the State of California, the satisfaction, discharge and release will not exceed that provided for under 11 U.S.C. § 1141(d), and is limited to the liabilities that are Claims within the definition set forth in 11 U.S.C. § 101(5). Nothing in this Plan releases, discharges, enjoins or precludes the enforcement of any liability to the United States of America or any Governmental Unit thereof or the State of California under federal or state law to which any entity would be subject as the owner or operator of property after the date of entry of the Confirmation Order. The Confirmation Order will be a judicial determination of the discharge of all Claims against, liabilities of, and Interest in the Debtors, subject to the Effective Date occurring.

2. Compromise and Settlement of Claims and Controversies

Pursuant to Section 363 of the Bankruptcy Code and Bankruptcy Rule 9019 and in consideration for the distributions and other benefits provided pursuant to the Plan, the provisions of the Plan will constitute a good faith compromise of all Claims or controversies relating to the contractual, legal, and subordination rights that a Holder of a Claim may have with respect to any Allowed Claim, or any distribution to be made on account of such an Allowed Claim. The entry of the Confirmation Order will constitute the Bankruptcy Court's approval of the compromise or settlement of all such Claims or controversies, and the Bankruptcy Court's finding that such compromise or settlement is in the best interests of the Debtors, their estates, and Holders of Claims and is fair, equitable, and reasonable. In accordance with the provisions of the Plan, pursuant to Section 363 of the Bankruptcy Code and Bankruptcy Rule 9019(a), without any further notice to or action, order, or approval of the Bankruptcy Court, the Debtors may compromise and settle Claims against them and Causes of Action against other Entities, in their sole and absolute discretion, and after the Effective Date, such right will pass to the Reorganized Debtors.

3. Final Resolution of Reserved Rights

Notwithstanding any asserted or prior reservations of rights, on the Confirmation Date, any and all objections to or reservations of rights to object to, the Claims and distributions provided for under the Section 1113 Restructuring Agreements, the PBGC Settlement Agreement, or the SAM Distribution, or any other distribution provided for under the Plan will be deemed to have been overruled, and any and all parties in interest are forever barred from objecting to or challenging any such distributions, except for any objection or challenge pending as of the Confirmation Date. Entry of the Confirmation Order will be deemed as a Bankruptcy Court order allowing the SAM Distribution and any and all objections thereto will be deemed withdrawn.

4. Releases by the Debtors

Pursuant to Section 1123(b) of the Bankruptcy Code, and except as otherwise specifically provided in the Plan or the Plan Supplement, for good and valuable consideration, including the service of the MB Exculpated Parties and the Released Parties to facilitate the expeditious reorganization of the Debtors and the implementation of the restructuring contemplated by the Plan, on and after the Effective Date, the MB Exculpated Parties and the Released Parties will be deemed released and discharged by the Debtors, the Reorganized Debtors, and the Estates from any and all claims, obligations, rights, suits, damages, Causes of Action, remedies, and liabilities whatsoever, including, without limitation, any derivative claims asserted on behalf of the Debtors, whether known or unknown, foreseen or unforeseen, existing or hereinafter arising, in law, equity or otherwise, that the Debtors, the Reorganized Debtors, the Estates, or their Affiliates would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of the Holder of any Claim or Interest or other Person or Entity, based upon or relating to, or in any manner arising from, in whole or in part, the Debtors, the Chapter 11 Cases, the purchase, sale, or rescission of the purchase or sale of any security of the Debtor, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in the Plan, the business or contractual arrangements between any Debtor and any MB Exculpated Party or Released Party, the restructuring of Claims and Interests prior to or in the Chapter 11 Cases, the negotiation, formulation, or preparation of the Plan and Disclosure Statement, or related agreements, instruments, or other documents, upon any other act or omission, transaction, agreement, event, or upon any other occurrence taking place on or before the Effective Date other than claims or liabilities arising out of or relating to any act or omission of a MB Exculpated Party or Released Party that constitutes a failure to perform the duty to act in good faith, with the care of an ordinarily prudent person and in a manner the MB Exculpated Party or Released Party reasonably believed to be in the best interests of the corporation (to the extent such duty is imposed by applicable non-bankruptcy law) where such failure to perform constitutes willful misconduct or gross negligence.

5. Exculpation

Except as otherwise specifically provided in the Plan, no Exculpated Party will have or incur, and each Exculpated Party will be released and exculpated from, any Exculpated Claim, except for gross negligence or willful misconduct, but in all respects such Entities will be entitled to reasonably rely upon the advice of counsel with respect to their duties and responsibilities pursuant to the Plan. The Debtors (and each of their respective Affiliates, agents, directors, officers, employees, advisors, and attorneys) are deemed to have participated in good faith and in compliance with the applicable provisions of the Bankruptcy Code with regard to the distributions of the securities pursuant to the Plan, and therefore are not, and on account of such distributions will not be, liable at any time for the violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of the Plan or such distributions made pursuant to the Plan. The exculpation does not impair the post-Effective Date Claims of the United States of America or any Governmental Unit thereof or the State of California with respect to its police and regulatory powers, or to any cause of action or claim under the Internal Revenue Code.

6. Releases by Holders of Claims and Interests

Except as otherwise specifically provided in the Plan, on and after the Effective Date, Holders of Claims and Interests (a) voting to accept the Plan, or (b) abstaining from voting on the Plan and electing not to opt out of the release contained in this paragraph (which by definition, does not include Holders of Claims and Interests who are not entitled to vote in favor of or against the Plan and in fact do not so vote) will be deemed to have conclusively, absolutely, unconditionally, irrevocably, and forever, released and discharged the Released Parties from any and all Claims, obligations, rights, suits, damages, Causes of Action, remedies, and liabilities whatsoever, including any derivative Claims asserted on behalf of a Debtor, whether known or unknown, foreseen or unforeseen, existing or hereafter arising, in law, equity or otherwise, that such Person or Entity would have been legally entitled to assert (whether individually or collectively), based on or relating to, or in any manner arising from, in whole or in part, the Debtors, the Debtors' restructuring, the Debtors' Chapter 11 Cases, the purchase, sale, or rescission of the purchase or sale of any security of the Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in the Plan, the business or contractual arrangements between any Debtor, any Released Party, the restructuring of Claims and Interests prior to or in the Chapter 11 Cases, the negotiation, formulation, or preparation of the Plan and Disclosure Statement, or related agreements, instruments, or other documents, upon any other act or omission, transaction, agreement, event, or other occurrence taking place on or before the Effective Date

other than Claims or liabilities arising out of or relating to any act or omission of a Released Party that constitutes a failure to perform the duty to act in good faith, with the care of an ordinarily prudent person and in a manner the Released Party reasonably believed to be in the best interests of the corporation where such failure to perform constitutes willful misconduct or gross negligence. The vote or election of a trustee or other agent under this paragraph acting on behalf of or at the direction of a Holder of a Claim or Interest will bind such Holder to the same extent as if such Holder had itself voted or made such election. The following parties will be deemed to have opted out of the release on their abstaining ballots: (1) the Illinois Department of Revenue, (2) the State of California, and (3) the City of Chicago.

7. Chicago Municipal Bond Release

Pursuant to the Chicago Municipal Bond Settlement Order and the Chicago Municipal Bond Settlement Agreement, on and after the Effective Date, the Chicago Municipal Bond Released Parties, including but not limited to the Trustees and the Designated Holders (as those terms are defined in the Chicago Municipal Bond Settlement Agreement) will be conclusively, absolutely, unconditionally, irrevocably, and forever, released and discharged from any and all Claims, obligations, rights, suits, damages, Causes of Action, remedies, and liabilities whatsoever, including any derivative Claims asserted on behalf of a Debtor, whether known or unknown, foreseen or unforeseen, existing or hereafter arising, in law, equity or otherwise, of any Person or Entity, including the Holders (as defined under the Chicago Municipal Bond Settlement Agreement) (whether individually or collectively), based on or relating to, or in any manner arising from, in whole or in part, the Chicago Municipal Bond Agreements, the Chicago Municipal Bond Settlement Agreement, that certain Amended and Restated Airport Use Agreement and Terminal Facilities Lease dated as of January 1, 1985 between the City of Chicago and United, and any other agreement relating to the Chicago Municipal Bonds other than Claims or liabilities arising out of or relating to any act or omission of a Chicago Municipal Bond Released Party that constitutes willful misconduct or gross negligence.

8. Injunction

Except as otherwise expressly provided in the Plan or for obligations issued pursuant to the Plan, all Entities who have held, hold, or may hold Claims against or Interests in the Debtors or against the Released Parties and Exculpated Parties are permanently enjoined, from and after the Effective Date, from: (i) commencing or continuing in any manner any action or other proceeding of any kind on account of or in connection with or with respect to any such Claim against or Interest in the Reorganized Debtors, the Exculpated Parties, the Released Parties, any statutory committee or members thereof, and the employees, agents, and professionals of each of the foregoing (acting in such capacity); (ii) enforcing, attaching, collecting, or recovering by any manner or means any judgment, award, decree or order against those Entities listed in subparagraph (i) above on account of or in connection with or with respect to any such Claim against or Interest in the Reorganized Debtors, the Exculpated Parties, the Released Parties, any statutory committee or members thereof, and the employees, agents, and professionals of each of the foregoing (acting in such capacity); (iii) creating, perfecting, or enforcing any encumbrance of any kind against those Entities listed in subparagraph (i) above, or the property or estates of those Entities listed in subparagraph (i) above on account of or in connection with or with respect to any such Claim against or Interest in the Reorganized Debtors, the Released Parties, the Exculpated Parties, any statutory committee or members thereof, and the employees, agents, and professionals of each of the foregoing (acting in such capacity); (iv) asserting any right of setoff, subrogation, or recoupment of any kind against any obligation due from those Entities listed in subparagraph (i) above or against the property or Estates of those Entities listed in subparagraph (i) above on account of or in connection with or with respect to any such Claim against or Interest in the Reorganized Debtors, the Exculpated Parties, the Released Parties, any statutory committee or members thereof, and the employees, agents, and professionals of each of the foregoing (acting in such capacity) unless such Holder has filed a motion requesting the right to perform such setoff on or before the Confirmation Date, and notwithstanding an indication in a Proof of Claim or Interest or otherwise that such Holder asserts, has, or intends to preserve any right of setoff pursuant to Section 553 of the Bankruptcy Code or otherwise; and (v) commencing or continuing in any manner any action or other proceeding of any kind on account of or in connection with or with respect to any such Claim against or Interest in the Reorganized Debtors, the Released Parties, the Exculpated Parties any statutory committee or members thereof, and the employees, agents, and professionals of each of the foregoing (acting in such capacity) released or settled pursuant to the Plan. The injunction will not impair the rights of the Texas Comptroller of Public Accounts under 28 U.S.C. § 1341.

9. Setoffs

Except as otherwise expressly provided for in the Plan, each Debtor and Reorganized Debtor, as applicable, pursuant to the Bankruptcy Code (including, without limitation, Section 553 of the Bankruptcy Code), applicable non-bankruptcy law, or as may be agreed to by the Holder of a Claim, may setoff against any Allowed Claim or Interest and the distributions to be made pursuant to the Plan on account of such Allowed Claim or Interest (before any distribution is made on account of such Allowed Claim or Interest), any Claims, rights, and Causes of Action of any nature that such Debtor or Reorganized Debtor, as applicable, may hold against the Holder of such Allowed Claim or Interest, to the extent such Claims, rights, or Causes of Action against such Holder have not been otherwise compromised or settled on or prior to the Effective Date (whether pursuant to the Plan or otherwise), except that neither the failure to effect such a setoff nor the allowance of any Claim or Interest pursuant to the Plan will constitute a waiver or release by such Debtor or Reorganized Debtor of any such Claims, rights, and Causes of Action that such Debtor or Reorganized Debtor may possess against such Holder. In no event will any Holder of Claims or Interests be entitled to setoff any Claim or Interest against any Claim, right, or Cause of Action of the Debtor or the Reorganized Debtor, unless such Holder has filed a motion with the Bankruptcy Court requesting the authority to perform such setoff on or before the Confirmation Date, and notwithstanding any indication in any Proof of Claim or Interest or otherwise that such Holder asserts, has, or intends to preserve any right of setoff pursuant to Section 553 or otherwise. This provision will have no effect on the setoff rights of the indenture trustees in connection with municipal bond issuances, the Illinois Department of Revenue, and the Texas Comptroller of Public Accounts. And nothing in the Plan will impair the setoff rights of the United States of America or any Governmental Unit thereof. To the extent that the setoff limitations apply to the claims that are the subject of that action known as *United Bizjet Holdings, Inc. v. Gulfstream Aerospace Corporation and Gulfstream Aerospace Limited Partnership*, Case No. 04-2698, pending in the United States District Court for the Northern District of Illinois, Eastern Division, Gulfstream Aerospace Corporation and Gulfstream Aerospace Limited Partnership will have complied with the requirements of the Plan of Reorganization.

10. Release of Liens

Except as otherwise provided in the Plan, including with respect to any Reinstated Secured Aircraft Claims, or in any contract, instrument, release, or other agreement or document created pursuant to the Plan, on the Effective Date and concurrently with the applicable distributions made pursuant to the Plan, all mortgages, deeds of trust, Liens, pledges, or other security interests against any property of the Estates will be deemed fully released, discharged, and all of the right, title, and interest of any Holder of such mortgages, deeds of trust, Liens, pledges, or other security interests will revert to the applicable Debtor and its successors and assigns.

11. Tax Escrow

Upon the Effective Date, LaSalle Bank National Association is authorized and directed to disburse all funds in the Tax Escrow Account to Reorganized United for use in Reorganized United's general operations, and once such disbursement is made, the Tax Escrow Agreement will terminate, all without any notice to parties-in-interest and without any further notice to or action, order, or approval of the Bankruptcy Court.

12. Ownership and Control

Four Star Insurance Co. Ltd. and Kion de Mexico, S.A. de C.V., both incorporated outside of the United States, and Covia LLC, ULS Ventures, Inc., and United Air Lines Ventures, Inc., each incorporated within the United States, are wholly-owned direct and indirect subsidiaries of the Debtors and have not commenced cases under Chapter 11 of the Bankruptcy Code nor similar proceedings in any other jurisdiction. These wholly-owned subsidiaries continue to operate in the ordinary course of business outside of bankruptcy.

The Plan contemplates the reorganization of the Debtors and the resolution of the outstanding Claims against and Interests in the Debtors pursuant to Section 1121(a) of the Bankruptcy Code. In general, but subject to the specific provisions set forth in the Plan, the obligations owed to Unsecured Creditors of the Debtors will be converted into New UAL Common Stock to be issued by Reorganized UAL, and existing common and preferred Interest Holders of UAL will receive no distribution on account of their existing Interests, which will be cancelled.

The Plan contemplates substantive consolidation of the Estates of the United Debtors (i.e., all of the Debtors other than UAL) for all purposes related to the Plan, including, without limitation, for purposes of voting, confirmation, and distribution. Unless substantive consolidation has been approved by an order of the Bankruptcy Court, the Plan shall serve as a motion by the Debtors seeking entry of an order by the Bankruptcy Court substantively consolidating the Estates of the United Debtors and the Confirmation Order authorizing substantive consolidation shall constitute an order of the Bankruptcy Court approving the substantive consolidation of the United Debtors. In the event that the Bankruptcy Court substantively consolidates some but not all of the United Debtors, the Debtors reserve the right to proceed with confirmation without substantive consolidation or with partial substantive consolidation as allowed by the Bankruptcy Court. In the event that the Bankruptcy Court does not substantively consolidate any of the United Debtors' Estates, the Plan provides for twenty-eight Subplans of reorganization for each of the Debtors. Subject to the Debtors seeking substantive consolidation pursuant to ARTICLE VI.F of the Plan, the confirmation requirements of Section 1129 of the Bankruptcy Code must be satisfied separately with respect to each Subplan and whether substantive consolidation is ordered will have no impact on a Creditor's distribution. The Debtors reserve the right to (a) request that the Subplans be confirmed or (b) withdraw some or all Subplans. Subject to the preceding sentence, the Debtors' inability to confirm any Subplan or the Debtors' election to withdraw any Subplan(s) shall not impair the confirmation of any other Subplan(s), or the consummation of any such Subplan.

Pursuant to Section 1125(b) of the Bankruptcy Code, a vote to accept or reject the Plan cannot be solicited from a Holder of a Claim until the Disclosure Statement has been approved by the Bankruptcy Court and distributed to Holders of Claims. In the Chapter 11 Cases, the Disclosure Statement was approved by the Bankruptcy Court by order entered on October 21, 2005. The Disclosure Statement contains, among other things, a discussion of the Debtors' history, businesses, properties and operations, projections for those operations, risk factors associated with the business and Plan, a summary and analysis of the Plan, and certain related matters including, without limitation, the securities to be issued pursuant to the Plan.

ALL HOLDERS OF CLAIMS ARE ENCOURAGED TO READ THE PLAN AND THE DISCLOSURE STATEMENT IN THEIR ENTIRETY BEFORE VOTING TO ACCEPT OR REJECT THE PLAN. IN THE EVENT THE BANKRUPTCY COURT DOES NOT SUBSTANTIVELY CONSOLIDATE THE UNITED DEBTORS' ESTATES, THE VOTES TO ACCEPT OR REJECT THE PLAN BY HOLDERS OF CLAIMS SHALL BE DEEMED AS VOTES TO ACCEPT OR REJECT THE SUBPLANS OF REORGANIZATION SET FORTH HEREIN AND SUCH VOTES SHALL BE TABULATED IN ACCORDANCE WITH THE TERMS OF THE SUBPLANS.

Confirmation Pursuant to Sections 1129(a)(10) and 1129(b) of the Bankruptcy Code: Section 1129(a)(10) of the Bankruptcy Code shall be satisfied for purposes of Confirmation by acceptance of the Plan by a Class. The Debtors shall seek Confirmation of the Plan pursuant to Section 1129(b) of the Bankruptcy Code with respect to any Impaired Class presumed to reject the Plan, and reserve the right to do so with respect to any other rejecting Class of Claims or Interests, as applicable, and/or to modify the Plan in accordance with ARTICLE XIII of the Plan.

G. Controversy Concerning Impairment: If a controversy arises as to whether any Claims or Interests, or any Class of Claims or Interests, are Impaired pursuant to the Plan, the Bankruptcy Court shall determine such controversy on or before the Confirmation Date.

**ARTICLE VI.
PROVISIONS FOR IMPLEMENTATION OF THE PLAN**

A. Corporate Existence: Except to the extent that a Debtor ceases to exist pursuant to the Plan, each Debtor shall continue to exist after the Effective Date as a separate corporate entity or limited liability company, with all the powers of a corporation or limited liability company pursuant to the applicable law in the jurisdiction in which each applicable Debtor is incorporated or formed and pursuant to the respective certificate of incorporation and bylaws (or other formation documents in the case of a limited liability company) in effect prior to the Effective Date, except to the extent such certificate of incorporation and bylaws (or other formation documents in the case of a limited liability company) are amended by the Plan or otherwise, and

to the extent such documents are amended, such documents are deemed to be pursuant to the Plan and require no further action or approval.

B. Vesting of Assets in the Reorganized Debtors: Except as otherwise provided in the Plan or any agreement, instrument, or other document relating thereto, on or after the Effective Date, all property in each Estate and any property acquired by any of the Debtors pursuant to the Plan shall vest in each respective Reorganized Debtor, free and clear of all liens, Claims, charges, or other encumbrances (except for liens, if any, granted to secure the New Credit Facility, Claims pursuant to the DIP Facility that by their terms survive termination of the DIP Facility, or as otherwise provided in the Plan). Except as may be provided in ARTICLE XV.D.2 of the Plan, on and after the Effective Date, each Reorganized Debtor may operate its business and may use, acquire, or dispose of property and compromise or settle any Claims or Interests without supervision or approval by the Bankruptcy Court and free of any restrictions of the Bankruptcy Code or Bankruptcy Rules, other than those restrictions expressly imposed by the Plan and the Confirmation Order.

C. Sales of New UAL Common Stock on Behalf of Holders of Unsecured Convenience Class Claims and Unsecured Retiree Convenience Class Claims: On or as soon as reasonably practicable after the Distribution Date, to facilitate the payment of the Unsecured Convenience Class Distribution and the Unsecured Retiree Convenience Class Distribution, the Reorganized Debtors shall fund the Unsecured Convenience Class Account and Unsecured Retiree Convenience Class Account with New UAL Common Stock equal to the Unsecured Convenience Class Reserve and the Unsecured Retiree Convenience Class Reserve, respectively. Subject to any measures (including timing delays) necessary or advisable to ensure an orderly market for such stock, the Reorganized Debtors, or one or more third-party brokers or dealers, will effectuate sales of the New UAL Common Stock that is placed in the Unsecured Convenience Class Account or Unsecured Retiree Convenience Class Account on behalf of the Holders of Allowed Unsecured Convenience Class Claims or Allowed Unsecured Retiree Convenience Class Claims. After such sales are consummated the Reorganized Debtors will effectuate the Unsecured Convenience Class Distribution and Unsecured Retiree Convenience Class Distribution in accordance with the Plan.

D. Restructuring Transactions: On or prior to the Effective Date or as soon as reasonably practicable thereafter, the Debtors or the Reorganized Debtors, as applicable, may take all actions as may be necessary or appropriate to effect any transaction described in, approved by, contemplated by, or necessary to effectuate the Plan, including, without limitation, the Roll-Up Transactions. Without limiting the foregoing, such transactions may include: (i) the execution and delivery of appropriate agreements or other documents of merger, consolidation, or reorganization containing terms that are consistent with the terms of the Plan and that satisfy the requirements of applicable law; (ii) the execution and delivery of appropriate instruments of transfer, assignment, assumption, or delegation of any property, right, liability, duty, or obligation on terms consistent with the terms of the Plan; (iii) the filing of appropriate certificates of incorporation, merger, or consolidation with the appropriate governmental authorities pursuant to applicable law; and (iv) all other actions that such Debtors and Reorganized Debtors determine are necessary or appropriate, including the making of filings or recordings in connection with the relevant Roll-Up Transactions. In the event a Roll-Up Transaction is a merger transaction, upon the consummation of such Roll-Up Transaction, the

merged party shall cease to exist as a separate corporate entity and thereafter the surviving Reorganized Debtor shall assume and perform the obligations of each constituent Reorganized Debtor pursuant to the Plan. Implementation of the Roll-Up Transactions shall not affect any distributions, discharges, exculpations, releases, or injunctions set forth in the Plan.

E. Corporate Action: Upon entry of a Confirmation Order, each of the matters provided for by the Plan involving the corporate structure of the Debtors or corporate or related actions to be taken by or required of the Debtors shall, as of the Effective Date, be deemed to have occurred and be effective as provided in the Plan (except to the extent otherwise indicated), and shall be authorized, approved and, to the extent taken prior to the Effective Date, ratified in all respects without any requirement of further action by stockholders, Creditors, directors, members or managers of the Debtors. Without limiting the foregoing, such actions may include: the adoption and filing of the Reorganized UAL Charter and Reorganized UAL Bylaws; the appointment of directors and officers for the Reorganized Debtors; the Rights Offering, if any; the adoption and/or implementation of the Management Equity Incentive Plan, the Director Equity Incentive Plan, and the execution, delivery, and performance of the New Credit Facility.

F. Substantive Consolidation

1. The Plan contemplates substantive consolidation of the United Debtors solely for all of those purposes and actions associated with confirmation and consummation of the Plan, including, without limitation, for purposes of voting and Confirmation. Unless substantive consolidation has been approved by a prior order of the Bankruptcy Court, the Plan shall serve as a motion by the Debtors seeking entry of an order by the Bankruptcy Court substantively consolidating the Estates of the United Debtors and the Confirmation Order authorizing substantive consolidation shall constitute an order of the Bankruptcy Court approving the substantive consolidation of the United Debtors. On the Confirmation Date, and effective on and after the Effective Date, the Estate of each of the United Debtors (i.e., all Debtors other than UAL) shall be substantively consolidated into the Estate of United for all purposes associated with confirmation and consummation of the Plan, including, without limitation, for purposes of voting and Confirmation. In the event that the Bankruptcy Court substantively consolidates some but not all of the United Debtors, the Debtors reserve the right to proceed with confirmation with no or partial substantive consolidation consistent with the Bankruptcy Court's order.

2. On and after the Effective Date, (a) all assets and liabilities of the United Debtors shall be treated as though they were merged into the United Estate solely for purposes of the Plan, (b) no distributions shall be made under the Plan on account of Intercompany Claims or Interests between and among any of the Debtors, (c) for all purposes associated with Confirmation, including, without limitation, for purposes of tallying acceptances and rejections of the Plan, the Estates of the United Debtors shall be deemed to be one consolidated Estate for United, (d) all guarantees of any United Debtor of the obligations of any other United Debtor shall be eliminated so that any Claim against any United Debtor and any guarantee thereof executed by any other United Debtor and any joint and several liability of any United Debtor shall be one obligation of the United Debtors, and (e) each and every Claim filed or to be filed in the Chapter 11 Cases of the United Debtors shall be deemed filed against the United Debtors, and shall be Claims against and obligations of the United Debtors.

3. Substantive consolidation shall not affect: (a) the legal and organizational structure of the United Debtors; (b) pre and post-Petition Date guarantees, Liens, and security interests that are required to be maintained (i) pursuant to any Postpetition Aircraft Agreement, (ii) under the Bankruptcy Code or in connection with contracts or leases that were entered into during the Chapter 11 Cases or executory contracts or unexpired leases that have been or will be assumed, or (iii) pursuant to the Plan; (c) Intercompany Claims and Interests between and among the Debtors; and (d) distributions from any insurance policies or proceeds of such policies.

4. In the event that the Bankruptcy Court does not order substantive consolidation of the United Debtors, then except as specifically set forth in the Plan: (a) nothing in the Plan or the Disclosure Statement shall constitute or be deemed to constitute an admission that one of the Debtors is subject to or liable for any Claim against any other Debtor; (b) Claims against multiple Debtors shall be treated as separate Claims with respect to each Debtor's Estate for all purposes (including, without limitation, distributions and voting), and such Claims shall be administered as provided in the Plan; and (c) the Debtors shall not, nor shall they be required to, resolicit votes with respect to the Plan, nor will the failure of the Bankruptcy Court to approve substantive consolidation of the United Debtors alter the distributions set forth in the Plan. In the event that the Bankruptcy Court does not order substantive consolidation, the Plan provides for twenty-eight Subplans of reorganization and the confirmation requirements of Section 1129 of the Bankruptcy Code must be satisfied separately with respect to each Subplan.

G. Certificate of Incorporation and Bylaws: The certificates of incorporation and bylaws (or other formation documents relating to limited liability companies) of the Debtors shall be amended as may be required to be consistent with the provisions of the Plan and the Bankruptcy Code. The certificate of incorporation of Reorganized UAL shall be amended to, among other things: (i) authorize 1,000,000,000 shares of New UAL Common Stock; (ii) authorize a certain number of shares of serial preferred stock; (iii) authorize 5,000,000 shares of New UAL Convertible Preferred Stock; (iv) authorize one (1) share of Class Pilot MEC Junior Preferred Stock; (v) authorize one (1) share of Class IAM Junior Preferred Stock; (vi) pursuant to Section 1123(a)(6) of the Bankruptcy Code, include (a) a provision prohibiting the issuance of non-voting equity securities for two (2) years, but only to the extent required by Section 1123(a)(6) of the Bankruptcy Code, and (b) a provision setting forth an appropriate distribution of voting power among classes of equity securities possessing voting power, including, in the case of any class of equity securities having a preference over another class of equity securities with respect to dividends, adequate provisions for the election of directors representing such preferred class in the event of default in the payment of such dividends; and (vii) include restrictions on the direct or indirect transferability of the New UAL Common Stock. On or as soon as reasonably practicable after the Effective Date, each of the Reorganized Debtors shall file new certificates of incorporation with the secretary of state (or equivalent state officer or entity) of the state under which each such Reorganized Debtor is or is to be incorporated. After the Effective Date, each Reorganized Debtor may file a new, or amend and restate its existing, certificate of incorporation, charter, and other constituent documents as permitted by the relevant state corporate law.

H. Effectuating Documents, Further Transactions: On the Effective Date or as soon as reasonably practicable thereafter, the Debtors, the Reorganized Debtors, and the officers, members of the board of directors, and managers thereof are authorized to and may issue,

execute, deliver, file, or record such contracts, securities, instruments, releases, and other agreements or documents and take such actions as may be necessary or appropriate to effectuate, implement, and further evidence the terms and conditions of the Plan and the securities issued pursuant to the Plan in the name of and on behalf of the Reorganized Debtors, without the need for any approvals, authorizations, or consents except for those expressly required pursuant to the Plan.

I. Assumed Executory Contracts and Unexpired Leases: Entry of the Confirmation Order by the Bankruptcy Court shall constitute approval of the assumption or conditional assumption of the executory contracts and unexpired leases to be assumed under the Plan as of the Effective Date, or as of a conditional assumption becoming final pursuant to ARTICLE VII.E.2 or ARTICLE VII.E.3 above, or, with respect to the Debtors' agreements with the City of Chicago, the earlier of either (i) the Effective Date, or (ii) ninety (90) days after the Court's entry of the Confirmation Order, pursuant to Sections 365 and 1123 of the Bankruptcy Code. Each executory contract and unexpired lease that is assumed shall vest in and be fully enforceable by the applicable Reorganized Debtor in accordance with its terms, except as may be modified by the provisions of the Plan, any order of the Bankruptcy Court authorizing or providing for its assumption, or applicable law.

The provisions (if any) of each executory contract or unexpired lease to be assumed pursuant to the Plan that are or may be in default shall be satisfied solely by the Cure, or by an agreed-upon waiver of the Cure. **Except with respect to executory contracts and unexpired leases in which the Debtors and the counterparties to such executory contracts and unexpired leases have stipulated in writing to payment of the Cure, all requests for payment of the Cure must be filed with the Claims Agent and served upon counsel to the Debtors on or before the Cure Bar Date; provided, however, that Sabre Inc. shall be entitled to file such Claim for Cure up to forty-five (45) days after the Effective Date, without prejudice to its right to seek additional time to file such Claims for Cure.**

Any request for payment of the Cure that is not timely Filed and served shall be disallowed automatically and shall be forever barred from assertion and shall not be enforceable against any Debtor or Reorganized Debtor, any Estate, or property of any Debtor or Reorganized Debtor without the need for any objection by the Debtors or the Reorganized Debtors and without any further notice to or action, order, or approval of the Bankruptcy Court, and the Claim for the Cure shall be deemed fully satisfied, released and discharged, notwithstanding any amount or information included in the Schedules or a Proof of Claim filed prior to the entry of the Confirmation Order; provided, however, that nothing shall prevent the Debtors or the Reorganized Debtors, in their sole and absolute discretion, from making a Cure payment despite the failure of the relevant counterparty to file and timely serve such request for payment of such Cure. The Debtors or the Reorganized Debtors may settle any Cure without any further notice to or action, order, or approval of the

Bankruptcy Court except as provided in ARTICLE XV.D.2 of the Plan. If and to the extent that the Debtors and a counterparty to an executory contract or unexpired lease have stipulated in writing to payment of the Cure, the Debtors will pay such Cure as agreed.

If the Debtors or the Reorganized Debtors object to a Cure or any potential contractual obligation under any executory contract or unexpired lease that is assumed, the Bankruptcy Court shall determine the Allowed amount of such Cure and any such potential contractual obligation. If there is a dispute regarding (i) Cure, (ii) the ability of the Reorganized Debtors or any assignee to provide “adequate assurance of future performance” within the meaning of Section 365 of the Bankruptcy Code, or (iii) any other matter pertaining to assumption, Cure shall occur as soon as reasonably practicable following the entry of a Final Order resolving the dispute and/or approving the assumption (and, if applicable, assignment). The Debtors and Reorganized Debtors reserve the right to reject any executory contract or unexpired lease no later than fifteen (15) days after the later of (i) the Debtors or Reorganized Debtors and the counterparty to such executory contract or unexpired lease agree in writing to the amount of the Cure, or (ii) the entry of a Final Order establishing the Cure; provided, however, that such reserved right to reject executory contracts shall not apply to the executory contracts between the Debtors and Sabre Inc. identified in the list of “Assumed Executory Contracts and Unexpired Leases” in Exhibit 3 of the Plan Supplement.

The provisions of each executory contract or unexpired lease to be assumed pursuant to the Plan that are or may be in default shall be satisfied in a manner to be agreed to by the relevant Debtor or Reorganized Debtor. Pursuant to Section 365(b)(2)(D) of the Bankruptcy Code or otherwise, no Cure shall be allowed for a penalty rate or other form of default rate of interest.

Any and all proofs of claim based upon executory contracts or unexpired leases that have been assumed in the Chapter 11 Cases or under the terms of the Plan shall be deemed disallowed and expunged.

J. Rejected Executory Contracts and Unexpired Leases: Entry of the Confirmation Order by the Bankruptcy Court shall constitute approval of the rejection or conditional rejection of the executory contracts and unexpired leases to be rejected under the Plan as of the Effective Date, or as of a conditional rejection becoming final pursuant to ARTICLE VILE.2 or ARTICLE VILE.3 above, pursuant to Sections 365 and 1123 of the Bankruptcy Code. The rejection of the executory contracts or unexpired leases of any counterparty is not intended to be and shall not be construed as an indication of the unwillingness of the Debtors and Reorganized Debtors to do business with the counterparty, and the Debtors and Reorganized Debtors reserve the right to negotiate and enter into any contract or lease with any counterparty at any time without any further notice to or action, order, or approval of the Bankruptcy Court.

Except as otherwise provided with respect to the Municipal Bond Leases, all executory contracts and unexpired leases to be rejected pursuant to the Plan shall be deemed automatically rejected in accordance with the provisions and requirements of Sections 365 and 1123 of the Bankruptcy Code as of the Effective Date or such earlier date as the Debtors may have terminated their performance under such executory contract or unexpired lease, unless another effective date of rejection shall be set forth in the Plan Supplement for such executory contract or unexpired lease; provided, however, that the effective date of rejection for executory contracts or unexpired leases may be later than the Effective Date of the Plan.

On or after the Effective Date, the Debtors and the Reorganized Debtors reserve their rights to initiate, file, prosecute, enforce, or litigate to judgment (and/or abandon, settle, compromise, release, or withdraw) any and all such claims, rights, and Causes of Action, including, without limitation, such claims, rights, and Causes of Action on account of indemnification, breach of confidentiality, breach of contract, and breach of express or implied warranty that they may have under any executory contract or unexpired lease, notwithstanding the rejection of such executory contract or unexpired lease.

A non-Debtor party to an executory contract or unexpired lease whose executory contract or unexpired lease is being or has been rejected under the Plan may request that the Debtors assume such executory contract or unexpired lease by sending a written notice to the counsel to the Debtors, which notice shall include a waiver of any defaults (including payment defaults) and any right to any Cure under such executory contract or unexpired lease. The Debtors or the Reorganized Debtors may, in their sole and absolute discretion, assume such executory contract or unexpired lease without any further notice to or action, order, or approval of the Bankruptcy Court.

All Proofs of Claim with respect to Claims arising from the rejection of executory contracts or unexpired leases pursuant to the Plan or otherwise, other than Municipal Bond Leases, if any, must be Filed with the Claims Agent and served upon counsel to the Debtors no later than thirty (30) days after the earliest of (i) the date of entry of an order (including, without limitation, the Confirmation Order) of the Bankruptcy Court approving such rejection, (ii) the date of service of a notice that the executory contract or unexpired lease has been rejected, and (iii) the effective date of rejection. All Proofs of Claim with respect to Claims arising from the conditional rejection of Municipal Bond Leases pursuant to the Plan must be Filed with the Claims Agent and served upon counsel to the Debtors no later than thirty (30) days after a conditional rejection becoming final pursuant to ARTICLE VII.E.2 or ARTICLE VII.E.3 above. **Any Proofs of Claim arising from the rejection of an executory contract or unexpired lease that are not timely Filed and served shall be disallowed automatically and shall be forever barred from assertion and shall not be enforceable against any Debtor or Reorganized Debtor, any Estate, or property of any Debtor or Reorganized Debtor without the need for any objection by the Debtors or the Reorganized Debtors and without any further notice to or action, order, or approval of the Bankruptcy Court, and the Claim for rejection of the executory contract or unexpired lease shall be deemed fully satisfied, released, and discharged, notwithstanding any amount or information included in the Schedules or a Proof of Claim filed prior to the entry of the Confirmation Order.** Rejection of any executory contract pursuant to the Plan, or otherwise, shall not constitute a termination of pre-existing obligations owed to the Debtors. In particular, the Debtors, notwithstanding any state or non-bankruptcy law to the contrary, expressly reserve and do not waive any right to receive, or any continuing obligation of a contract counter-party to provide, warranties or continued maintenance obligations on goods previously purchased by the Debtors from contract counter-parties to rejected executory contracts.

K. Modifications, Amendments, Supplements, Restatements, or Other Agreements: Unless otherwise provided, each executory contract and unexpired lease that is assumed, whether or not such executory contract or unexpired lease relates to the use, ability to acquire, or occupancy of real property, shall include (i) all modifications, amendments, supplements, restatements, or

other agreements made directly or indirectly by any agreement, instrument, or other document that in any manner affect such executory contract or unexpired lease, and (ii) all executory contracts or unexpired leases appurtenant to the premises, if any, including all easements, licenses, permits, rights, privileges, immunities, options, rights of first refusal, powers, uses, reciprocal easement agreements, and any other interests in real estate or rights in rem related to such premises, unless any of the foregoing agreements has been rejected pursuant to an order of the Bankruptcy Court or is otherwise rejected as part of the Plan.

Modifications, amendments, supplements, and restatements to executory contracts and unexpired leases entered into before the Petition Date that have been executed by the Debtors during the Chapter 11 Cases, and actions taken in accordance therewith, (i) do not alter in any way the pre-petition nature of the executory contract or unexpired lease entered into before the Petition Date, or the validity, priority or amount of any Claims against the Debtors that may arise under such contracts and leases, (ii) are not and do not create a postpetition contract or lease, (iii) do not elevate to administrative expense priority any Claims of the counterparty to the executory contracts and unexpired leases against any of the Debtors, and (iv) do not entitle any entity to a Claim under any Section of the Bankruptcy Code on account of the difference between the terms of any executory contract or unexpired lease entered into before the Petition Date and modification, amendment, supplement, or restatement.

L. Reservation of Rights: Neither the exclusion nor inclusion of any contract or lease by the Debtors on any exhibit in the Plan Supplement, nor anything contained in the Plan, shall constitute an admission by the Debtors that any such contract or lease is in fact an executory contract or unexpired lease or that any Debtor or Reorganized Debtor, or their respective Affiliates, has any liability thereunder.

Nothing in the Plan shall waive, excuse, limit, diminish, or otherwise alter any of the defenses, Claims, Causes of Action, or other rights of the Debtors and the Reorganized Debtors under any executory or non-executory contract or any unexpired or expired lease.

Nothing in the Plan shall increase, augment, or add to any of the duties, obligations, responsibilities, or liabilities of the Debtors and the Reorganized Debtors under any executory or non-executory contract or any unexpired or expired lease.

Other than with respect to Postpetition Aircraft Agreements (which are governed by ARTICLE VII.G of the Plan), and except as provided in ARTICLE XV.D.2 of the Plan, notwithstanding any other provision of the Plan, the Debtors and Reorganized Debtors reserve the right to alter, amend, modify, or supplement any list of executory contracts, including, but not limited to, the list of "Assumed Executory Contracts and Unexpired Leases," "Rejected Executory Contracts and Unexpired Leases," "Rejected Interline & Alliance Related Agreements, Revenue Related Agreements, and Intercompany Contracts," the "Rejected Current Employment Agreements and Indemnification Obligations," and the "Rejected Former Employment Agreements and Indemnification Obligations," in the Plan Supplement at any time through and including thirty (30) days after the Effective Date; provided, however, the Debtors shall not alter, amend, or modify the list of Assumed Executory Contracts and Unexpired Leases to remove the Debtors' executory contracts and/or unexpired leases with the following parties: (a) Allegheny County Airport Authority; (b) the City of Phoenix; (c) Sacramento County; (d) Sabre Inc., and (e) the City of Des Moines; provided further, however, the Debtors shall not

alter, amend or modify their decision to either assume or reject the Debtors' unexpired leases and executory contracts with the Massachusetts Port Authority following Confirmation of the Plan and the Effective Date of such rejection or assumption in connection with the Plan shall be the Effective Date.

If there is a dispute regarding whether a contract or lease is or was executory or unexpired at the time of assumption or rejection, then the Debtors shall have thirty (30) days following entry of a final non-appealable order resolving such dispute to alter their treatment of such contract or lease.

M. Nonoccurrence of Effective Date: In the event that the Effective Date does not occur, the Bankruptcy Court shall retain jurisdiction with respect to any request to extend the deadline for assuming or rejecting executory contracts or unexpired leases, including, without limitation, assuming or rejecting unexpired leases pursuant to Section 365(d)(4) of the Bankruptcy Code.

N. Personnel Regulations Series 15: To the extent that Personnel Regulations Series 15, the Debtors' written personnel policies governing certain of their employees, is deemed to be an executory contract, notwithstanding the disclaimer that such document expressly provides that it does not create any contractual rights and can be modified at any time, the Debtors reject such agreement upon the Effective Date with all counterparties who are individuals. The Debtors shall issue a modified version of Personnel Regulations Series 15 as soon as reasonably practicable after the Effective Date. All Claims of any individual on account of the Personnel Regulations Series 15 and any similar regulations accruing prior to the Effective Date are deemed disallowed and expunged pursuant to the terms of the Plan.

**ARTICLE VIII.
PROCEDURES FOR TREATMENT OF DISPUTED, CONTINGENT,
AND UNLIQUIDATED CLAIMS PURSUANT TO THE PLAN**

A. Allowance of Claims and Interests: Except as expressly provided in the Plan or in any order entered in the Chapter 11 Cases prior to the Effective Date (including the Confirmation Order), no Claim or Interest shall be deemed Allowed, unless and until such Claim or Interest is deemed Allowed pursuant to the Bankruptcy Code or the Bankruptcy Court enters a Final Order in the Chapter 11 Cases allowing such Claim or Interest. Except as expressly provided in the Plan or in any Final Order entered in the Chapter 11 Cases prior to the Effective Date (including the Confirmation Order), on and after Confirmation each Reorganized Debtor shall have and retain any and all rights and defenses such Debtor had with respect to any Claim or Interest as of Petition Date, including, without limitation, the Causes of Action referenced in ARTICLE VI.AA of the Plan (as such rights or defenses may have been altered pursuant to applicable law).

B. Claims Administration Responsibilities: The Reorganized Debtors or their designees shall have the responsibility for administering, disputing, objecting to, compromising, or otherwise resolving all Claims against and Interests in the Debtors. After the Effective Date, the Reorganized Debtors shall have the exclusive authority to, in their sole and absolute discretion, initiate, file, prosecute, enforce, abandon, settle, compromise, release, or withdraw, or litigate to judgment objections to Claims or Interests; administer Claims and Interests; and make distributions (if any) on account of Claims and Interests, all without any further notice to or action, order, or approval of the Bankruptcy Court. From and after the Effective Date, the

Debtors and Reorganized Debtors may settle or compromise, in their sole and absolute discretion, any Disputed Claim or Interest without any further notice to or action, order, or approval of the Bankruptcy Court. From and after the Effective Date, the Reorganized Debtors or their designees shall have sole authority for administering and adjusting the claims register in the Chapter 11 Cases. The Reorganized Debtors or their designees may alter and otherwise adjust such claims register to reflect the Allowed or disallowed amounts of any Claims or Interests in the Chapter 11 Cases without any further notice to or action, order, or approval of the Bankruptcy Court. Notwithstanding the foregoing, the Plan Oversight Committee shall have those rights and powers set forth in ARTICLE XV.D.2 of the Plan.

C. Estimation of Claims and Interests: Except with respect to those Claims that are covered by the Bankruptcy Court's previous order authorizing certain estimation procedures, which estimation procedures (as amended or modified) are specifically incorporated herein, the Debtors or the Reorganized Debtors, as applicable, may at any time, request that the Bankruptcy Court estimate any contingent, disputed, or unliquidated Claim or Interest pursuant to Section 502(c) of the Bankruptcy Code for any reason regardless of whether such Debtors or Reorganized Debtors have previously objected to such Claim or Interest or whether the Bankruptcy Court has ruled on any such objection, and the Bankruptcy Court shall retain jurisdiction to estimate any Claim or Interest at any time during the litigation of any objection to any Claim or Interest, including during the pendency of any appeal relating to such objection. In the event that the Bankruptcy Court estimates any contingent, disputed, or unliquidated Claim, that estimated amount shall constitute a maximum limitation on such Claim, and the relevant Debtor or Reorganized Debtor may elect to pursue any supplemental proceedings to object to any ultimate distribution on such Claim; provided, however, that no party may affirmatively file a motion seeking to estimate the allowed claim of Atlantic Coast Airlines, Inc., or any successor, including Independence Air, Inc. (the "Independence Air Claim"), unless the Independence Air Claim becomes liquidated as a result of a decision on appeal, in which case the Debtors and Reorganized Debtors reserve their rights to file a motion to seek estimation of the Independence Air Claim, but no party can seek to estimate the Independence Air Claim except to the extent permitted by Section 502(c) of the Bankruptcy Code, and the final estimated amount of such claim shall be the maximum amount allowed but subject to Section 502(j) of the Bankruptcy Code. All of the aforementioned Claims or Interests and objection, estimation and resolution procedures are cumulative and not exclusive of one another. Claims and Interests may be estimated and subsequently compromised, settled, withdrawn, or resolved by any mechanism approved by the Bankruptcy Court. Notwithstanding Section 502(j) of the Bankruptcy Code, in no event shall any Holder of a Claim that has been estimated pursuant to Section 502(c) of the Bankruptcy Code or otherwise be entitled to seek reconsideration of the estimation of such Claim unless the Holder of such Claim has filed a motion requesting the right to seek such reconsideration on or before twenty (20) days after the date such Claim is estimated. Notwithstanding the foregoing, the Plan Oversight Committee shall have those rights and powers set forth in ARTICLE XV.D.2 of the Plan.

D. Adjustment to Claims Without Objection: Any Claim that has been paid and/or satisfied pursuant to the terms of the Plan, or any Claim that has been amended or superceded, may be adjusted and/or expunged on the official claims register by the Claims Agent in the sole and absolute discretion of the Debtors or the Reorganized Debtors, as applicable, without a claims

objection having to be Filed and without any further notice to or action, order, or approval of the Bankruptcy Court.

E. Unsecured Retiree Convenience Class Claims: Regardless of whether or not a Holder of an Unsecured Retiree Convenience Class Claim has filed a Proof of Claim, such Holder shall be deemed to have an Allowed Unsecured Retiree Convenience Class Claim or an Allowed Other Unsecured Claim (if such Holder exercises its Retiree "Opt-Out Rights" (as defined in the Solicitation Procedures) against United in the amount listed by the Debtors on such Holder's Ballot; provided, however, that if a Holder of an Unsecured Retiree Convenience Class Claim opts out of the Unsecured Retiree Convenience Class and asserts a Claim that is greater than the amount listed on the first page of such Holder's respective Ballot, the Debtors reserve the right to challenge the amount of such Claim.

F. Disallowance of Claims: Any and all Claims held by Entities from which property is recoverable under Section 542, 543, 550, or 553 of this title or that is a transferee of a transfer avoidable under Section 522(f), 522(h), 544, 545, 547, 548, 549, or 724(a) of this title, shall be deemed disallowed pursuant to Section 502(d) of the Bankruptcy Code, and Holders of such Claims may not vote to accept or reject the Plan or receive any distributions on account of such Claims, both consequences to be in effect until such time as such Causes of Action against that Entity have been settled or a Final Order with respect thereto has been entered and all sums due to the Debtors by that Entity have been turned over to the Debtors or the Reorganized Debtors, as applicable. Any and all Proofs of Claim (other than Proofs of Claim of the United States of America or any Governmental Unit thereof, and the Debtors reserve their rights to object to such Claims) Filed after the relevant Bar Date shall be disallowed and expunged for all purposes, and Holders of such Claims may not vote to accept or reject the Plan or receive any distributions on account of such Claims, unless such Creditors request on or before the Confirmation Hearing that the Bankruptcy Court deem such late claim as being timely filed pursuant to Bankruptcy Rule 9006. All Claims (other than Proofs of Claim of the United States of America or any Governmental Unit thereof, and the Debtors reserve their rights to object to such Claims) Filed after the relevant Bar Date that are (i) not deemed timely filed pursuant to Bankruptcy Rule 9006 on or before the Confirmation Hearing or (ii) not the subject of a request that the Bankruptcy Court deem such late claim as being timely filed pursuant to Bankruptcy Rule 9006 as of the Confirmation Hearing shall be deemed disallowed and expunged as of the Effective Date without any further notice to or action, order, or approval of the Bankruptcy Court. All Claims filed on account of an Indemnification Obligation to a director, officer, or employee shall be deemed disallowed and expunged as of the Effective Date to the extent such Indemnification Obligation is assumed pursuant to this Plan without any further notice to or action, order, or approval of the Bankruptcy Court.

G. Offer of Judgment: The Debtors or the Reorganized Debtors, as applicable, are authorized to serve upon a Holder of a Claim or Interest an offer to allow judgment to be taken against the respective Debtor or Reorganized Debtor, as applicable, on account of such Claim or Interest, and, pursuant to Rules 7068 and 9014 of the Federal Rules of Bankruptcy Procedure, Federal Rule of Civil Procedure 68 shall apply to such offer of judgment. To the extent the Holder of a Claim or Interest must pay the costs incurred by the Debtors or the Reorganized Debtors after the making of such offer, the Debtors or the Reorganized Debtors, as applicable,

are entitled to setoff such amounts against the amount of any distribution to be paid to such Holder without any further notice to or action, order, or approval of the Bankruptcy Court.

H. Amendments to Claims: A Claim may be amended prior to the Confirmation Date only as agreed upon by the Debtors and the holder of such Claim, or as otherwise permitted by the Bankruptcy Court, the Bankruptcy Code, the Bankruptcy Rules or applicable law; provided, however, that any amendments to Claims of the United States of America or any Governmental Unit thereof filed in advance of the Confirmation Date shall be deemed timely Filed. After the Confirmation Date except as provided in ARTICLE VII.J, a Claim may not be filed or amended without the prior authorization of the Bankruptcy Court, and any such new or amended Claim filed after the Confirmation Date shall be deemed disallowed in full and expunged without any action by the Debtors, or the Reorganized Debtors, unless the Claim holder has obtained prior Bankruptcy Court authorization for the filing; this sentence does not apply to the Claims of the United States of America or any Governmental Unit thereof, and the Debtors or Reorganized Debtors reserve all their rights to dispute such Claims (including on timeliness grounds). The Debtors shall give notice to the Plan Oversight Committee of any agreed amendments to Claims under this paragraph.

ARTICLE IX. PROVISIONS GOVERNING DISTRIBUTIONS

A. Distributions for Claims and Interests Allowed as of the Effective Date

1. Timing: Except as otherwise provided in the Plan, as may be ordered by the Bankruptcy Court, or as determined by the Debtors, all distributions under the Plan shall be made on a Periodic Distribution Date.

2. Accrual of Interest, Dividends, or Rights: For purposes of determining the accrual of interest, dividends, or rights with respect to any other payment from and after the Effective Date unless the terms of such securities set forth otherwise, the New Credit Facility and the New UAL Plan Securities shall be deemed issued as of the Effective Date regardless of the date on which they are actually dated, authenticated, or distributed; provided, however, that the respective Reorganized Debtor shall withhold any actual payment or distribution until such distribution is made and no interest may accrue or otherwise be payable on any such withheld amounts.

3. No Interest: Unless otherwise specifically provided for in the Plan or agreed to by the Debtors, the Confirmation Order, the DIP Facility, or a postpetition agreement in writing between the Debtors and a Holder of a Claim, postpetition interest shall not accrue or be paid on Claims, and no Holder of a Claim shall be entitled to interest accruing on or after the Petition Date on any Claim or right. Additionally, and without limiting the foregoing, interest shall not accrue or be paid on any Disputed Claim with respect to the period from the Effective Date to the date a final distribution is made on account of such Disputed Claim, if and when such Disputed Claim becomes an Allowed Claim. Nothing in this paragraph, the Plan, or the Confirmation Order limits the rights of the United States of America or any Governmental Unit thereof to interest under 11 U.S.C. § 1129(a)(9)(C), 11 U.S.C. § 506(b), 11 U.S.C. § 503, 11 U.S.C. § 1129(a)(9)(A), and as otherwise provided for under applicable law.

4. Allocation Between Principal and Accrued Interest: The aggregate consideration paid to Holders with respect to their Allowed Claims shall be treated pursuant to the Plan as allocated first to the principal amount of such Allowed Claim (to the extent thereof) and, thereafter, to the interest, if any, accrued thereon through the Effective Date; provided, however, that the United States of America or any Governmental Unit thereof reserves the right to argue without prejudice that this provision should not and does not apply to its Claims.

B. Distribution Agent: The Distribution Agent shall make all distributions required pursuant to the Plan except with respect to a Holder of a Claim whose distribution is governed by an agreement and is administered by a Servicer, which distributions shall be deposited with the appropriate Servicer, who shall deliver such distributions to the Holders of Claims in accordance with the provisions of the Plan and the terms of the governing agreement. Distributions on account of such Claims shall be deemed complete upon receipt by the appropriate Servicer or indenture trustee.

C. Delivery of Distributions

1. Delivery of Distributions in General: Except as provided in ARTICLE IX.G, distributions to Holders of Allowed Claims and Allowed Interests shall be made to those Holders of such Allowed Claims and Allowed Interests of record as of the Distribution Record Date. Except as otherwise provided in the Plan, and notwithstanding any authority to the contrary, distributions to Holders of Allowed Claims shall be made by the Distribution Agent or the appropriate Servicer, as appropriate, in such Entity's sole and absolute discretion, (a) in accordance with Federal Rule of Civil Procedure 4, as modified and made applicable by Bankruptcy Rule 7004; (b) to the signatory set forth on any of the Proofs of Claim or Interest filed by such Holder or other representative identified therein (or at the last known addresses of such Holder if no Proof of Claim or Interest is filed or if the Debtors have been notified in writing of a change of address); (c) at the addresses set forth in any written notices of address changes delivered to the Distribution Agent after the date of any related Proof of Claim or Interest; (d) at the addresses reflected in the Schedules if no Proof of Claim has been filed and the Distribution Agent has not received a written notice of a change of address; (e) in the case of a Holder whose Claim is governed by an agreement and administered by a Servicer, at the addresses contained in the official records of such Servicer; or (f) on any counsel that has appeared in the Chapter 11 Cases on the Holder's behalf. Except as provided in ARTICLE VI.Y, distributions to the various Classes of Claims pursuant to the Plan shall not be subject to levy, garnishment, attachment, or like legal process by any Holder of Claims (other than the United States of America or a Governmental Unit thereof), so that each Holder of Claims shall have and receive the benefit of the distributions in the manner set forth in the Plan. Neither the Debtors, the Reorganized Debtors, nor the Distribution Agent shall incur any liability whatsoever on account of any distributions so long as such distributions are made to Holders of Allowed Claims and Allowed Interests of record as of the Distribution Record Date or to Servicers, if applicable.

2. Timing and Calculation of Amounts to be Distributed: Subject to any reserves or holdback established pursuant to the Plan, on the appropriate Periodic Distribution Date or as soon as reasonably practicable thereafter, each Holder of an Allowed Claim against or Allowed Interest in the Debtors shall receive the distributions provided for Allowed Claims or Allowed

Interests in the applicable Class as of such date. If and to the extent that there are Disputed Claims or Disputed Interests, distributions on account of such Disputed Claims or Interests shall be made pursuant to the provisions set forth in the Plan.

3. Foreign Currency Exchange Rate: As of the Effective Date, any Unsecured Claim asserted in currency(ies) other than U.S. dollars shall be automatically deemed converted to the equivalent U.S. dollar value using the exchange rate as of Monday, December 9, 2002, as quoted at 4:00 p.m., mid-range spot rate of exchange for the applicable currency as published in The Wall Street Journal, National Edition, on December 10, 2002.

4. Minimum Distribution

a. Fractional Securities; Fractional Dollars: Notwithstanding any other provision of the Plan, payments of fractions of shares of New UAL Common Stock shall not be made and any such distributions shall be deemed to be zero. Notwithstanding any other provision of the Plan, the Distribution Agent shall not be required to make distributions or payments of fractions of dollars. Whenever any payment of Cash of a fraction of a dollar pursuant to the Plan would otherwise be called for, the actual payment may reflect a rounding of such fraction to the nearest whole dollar (up or down), with half dollars or less being rounded down.

b. De Minimis Distributions: Neither the Distribution Agent nor any Servicer shall have any obligation to make a distribution on account of an Allowed Claim from the New UAL Stock Reserve or otherwise if (i) the aggregate amount of all distributions authorized to be made from such New UAL Stock Reserve or otherwise on the Periodic Distribution Date in question is or has an economic value less than \$10,000,000, except the final distribution, or (ii) if the amount to be distributed to the specific Holder of an Allowed Claim on the particular Periodic Distribution Date does not constitute a final distribution to such Holder and is or has an economic value less than \$25.00. The Debtors may agree with their Unions to establish a mechanism for making de minimis distributions of Cash proceeds rather than New UAL Common Stock.

c. Undeliverable Distributions

(i) In General: If any distribution to a Holder of an Allowed Claim or Allowed Interest is returned to a Distribution Agent as undeliverable, no further distributions shall be made to such Holder unless and until such Distribution Agent is notified in writing of such Holder's then-current address, at which time all currently due missed distributions shall be made to such Holder without interest. Undeliverable distributions shall remain in the possession of the Reorganized Debtors until such time as a distribution becomes deliverable, and shall not be supplemented with any interest, dividends, or other accruals of any kind. As soon as reasonably practicable, a Distribution Agent shall make all distributions that become deliverable.

(ii) Reallocation and Reversion: All distributions under the Plan that are Unclaimed for a period of six (6) months after distribution thereof shall be

deemed Unclaimed property under Section 347(b) of the Bankruptcy Code and Unclaimed distributions of stock shall be reallocated to the other recipients of New UAL Common Stock in the same proportion such recipients are otherwise entitled to under the Plan and Unclaimed distributions of cash shall revert in the Reorganized Debtors; provided, however, that the Reorganized Debtors file with the Bankruptcy Court a list of such Unclaimed property within five (5) months of distribution. Upon such vesting or reallocation, the Claim of any Holder or its successors with respect to such property shall be discharged and forever barred notwithstanding any federal or state escheat laws to the contrary. The provisions of the Plan regarding undeliverable distributions shall apply with equal force to distributions made pursuant to any Indenture or Certificate (but only with respect to the initial distribution by the Servicer to Holders that are entitled to be recognized under the relevant Indenture or Certificate, and not with respect to persons to whom those recognized Holders distribute) issued by the Debtors, notwithstanding any provision in such Indenture or Certificate to the contrary and notwithstanding any otherwise applicable escheat, abandoned, or unclaimed property law; provided, however, the Debtors reserve the right to request an accounting or similar report from DTC and reclaim any Unclaimed distributions from DTC after one (1) year.

D. Manner of Payment Pursuant to the Plan: Any payment in Cash to be made pursuant to the Plan shall be made at the election of the Reorganized Debtor by check or by wire transfer.

E. Time Bar to Payment: Checks issued by the Distribution Agent (or Servicer, if applicable) on account of Allowed Claims shall be null and void if not negotiated within one-hundred and twenty (120) days from and after the date of issuance thereof; provided, however, that the Reorganized Debtors file with the Bankruptcy Court a list of such un-negotiated checks within ninety (90) days of issuance. Requests for reissuance of any check shall be made directly to the Distribution Agent by the Holder of the relevant Allowed Claim with respect to which such check originally was issued, and shall be made on or before the later of: (i) the subsequent Periodic Distribution Date that is at least forty-five (45) days after such Claim becomes an Allowed Claim; or (ii) one-hundred and fifty (150) days after the date of issuance of such check. After such dates, Claims for the reissuance of checks shall be discharged and forever barred, and the Reorganized Debtors shall retain all funds related thereto for distribution to the beneficiaries of the Reorganized Debtors in accordance with the terms of the Plan.

F. Disputed Claims

1. Reserve of New UAL Common Stock: On the Effective Date, the Reorganized Debtors shall maintain in reserve shares of New UAL Common Stock as the New UAL Stock Reserve. Nothing in the Plan shall require the Reorganized Debtors to establish reserves of New UAL Common Stock on account of agreements, programs, and plans set forth in ARTICLE VI.S of the Plan, which agreements, programs, and plans shall remain in place after the Effective Date and which the Debtors shall continue to honor. The Distribution Agent shall withhold in the New UAL Stock Reserve any dividends, payments, or other distributions made on account of, as well as any obligations arising from, the property initially withheld in the New UAL Stock Reserve, to the extent that such property continues to be withheld in the New UAL Stock

Reserve at the time such distributions are made or such obligations arise, and such dividends, payments, or other distributions shall be held for the benefit of Holders of Disputed Claims whose Claims, if allowed, are entitled to distributions under the Plan. As Disputed Claims and Interests are Allowed, (a) the Distribution Agent shall distribute, in accordance with the terms of the Plan, New UAL Common Stock to Holders of Allowed Unsecured Claims, and (b) the New UAL Stock Reserve shall be adjusted. The amount of New UAL Common Stock withheld as a part of the New UAL Stock Reserve shall be equal to the number of shares the Reorganized Debtors estimate is necessary to satisfy the distributions required to be made pursuant to the Plan when each Disputed Claim is ultimately determined to be an Allowed Claim or is disallowed. Notwithstanding anything in the applicable Holders' Proof of Claim or otherwise to the contrary, the Holder of a Disputed Claim shall not be entitled to receive or recover a distribution under the Plan on account of a Claim in excess of the amount: (a) stated in the Holder's Proof of Claim, if any, as of the Distribution Record Date; or (b) except with respect to a Claim on account of a municipal bond, if the Claim is contingent or unliquidated as of the Distribution Record Date, the amount that the Debtors elect to withhold on account of such claim in the New UAL Stock Reserve; this sentence does not apply to Claims of the United States of America or any Governmental Unit thereof for interest (and the Debtors reserve all rights with respect thereto). The Distribution Agent may (but is not required to) request estimation for any Disputed Claim that is contingent or unliquidated. Nothing in the Plan or Disclosure Statement shall be deemed to entitle the Holder of a Disputed Claim to postpetition interest on such Claim; provided, however, that this sentence does not impair the right of the United States of America or any Governmental Unit thereof to interest on a Disputed Claim as provided in ARTICLE IX.A.3 of the Plan. For purposes of any post-Confirmation vote of New UAL Common Stock, the Distribution Agent or Servicer, as applicable, shall be deemed to have voted any New UAL Common Stock held in the New UAL Stock Reserve in the same proportion as all outstanding shares properly cast in such post-Confirmation vote. Notwithstanding the foregoing, the Plan Oversight Committee shall have those rights and powers set forth in ARTICLE XV.D.2 of the Plan.

2. Tax Reporting Matters: Subject to definitive guidance from the Internal Revenue Service or the courts to the contrary (including the receipt by the Reorganized Debtors of a private letter ruling if the Reorganized Debtors so request or the receipt of an adverse determination by the Internal Revenue Service upon audit, if not contested by the Reorganized Debtors), the Reorganized Debtors shall treat the New UAL Stock Reserve as a single trust, consisting of separate and independent shares to be established with respect to each Disputed Claim, in accordance with the trust provisions of the Internal Revenue Code, 26 U.S.C. §§ 641 et seq., and, to the extent permitted by law, shall report consistently with the foregoing for federal, state, and local tax purposes; provided, however, that nothing in this paragraph, the Plan, or the Confirmation Order constitutes a finding that such treatment and reporting is correct. All Holders of Unsecured Claims shall report, for federal, state, and local tax purposes, consistently with the foregoing. In addition, the Reorganized Debtors are hereby authorized, on behalf of the Holders of Claims and Interests, to request an expedited determination of tax liability for all taxable periods of the New UAL Stock Reserve ending after the Effective Date through the termination of the New UAL Stock Reserve in accordance with the Plan.

3. Payments and Distributions on Disputed Claims: Notwithstanding any provision in the Plan to the contrary, except as otherwise agreed by a Debtor or Reorganized Debtor (for Claims against the Reorganized Debtors), no partial payments and no partial distributions shall be made with respect to a Disputed Claim or Interest until the resolution of all such disputes in connection with such Disputed Claim by settlement or Final Order. On the Periodic Distribution Date that is no less than thirty (30) calendar days after the Disputed Claim or Disputed Interest becomes an Allowed Claim or Allowed Interest, the Holder of such Allowed Claim or Allowed Interest shall receive all payments and distributions to which such Holder is then entitled pursuant to the Plan. Notwithstanding the foregoing, any Person or Entity who holds both an Allowed Claim and a Disputed Claim (or an Allowed Interest and a Disputed Interest) shall not receive the appropriate payment or distribution on the Allowed Claim (or Allowed Interest) except as otherwise agreed to by such Debtor or Reorganized Debtor, as applicable, unless and until all objections to the Disputed Claim or Disputed Interest have been withdrawn or resolved by settlement or Final Order and the Claims or Interests have been allowed; provided, however, that with respect to any separately-filed Claim of the United States of America or any Governmental Unit thereof that is a Disputed Claim, as each such Disputed Claim becomes an Allowed Claim, such Allowed Claim shall be paid in accordance with the provisions of the Plan, notwithstanding the fact that other Disputed Claims of the United States of America or any Governmental Unit thereof have not been Allowed. In the event that there are Disputed Claims or Interests requiring adjudication and resolution, the Debtors and Reorganized Debtors reserve the right to establish appropriate reserves for potential payment of such Claims or Interests. Subject to ARTICLE IX of the Plan, all distributions made pursuant to the Plan on account of an Allowed Claim shall be made together with any dividends, payments, or other distributions made on account of, as well as any obligations arising from, the distributed property as if such Allowed Claim had been an Allowed Claim on the dates distributions were previously made to Holders of Allowed Claims included in the applicable Class; provided, however, that in the event Atlantic Coast Airlines, Inc. or any successor, including Independence Air, Inc., asserts an Administrative Claim that is a Disputed Claim, and such Administrative Claim is not resolved at the time that the Unsecured Claim of Atlantic Coast Airlines, Inc. is resolved by a Final Order, then notwithstanding anything to the contrary in this subsection, the Debtors shall make distributions as provided in the Plan on such Unsecured Claim.

4. Compliance Matters: In connection with the Plan, to the extent applicable, each Debtor, each Reorganized Debtor, and the Distribution Agent shall comply with all tax withholding and reporting requirements imposed on it by any Governmental Unit, and all distributions pursuant to the Plan shall be subject to such withholding and reporting requirements. Notwithstanding any provision in the Plan to the contrary, each Debtor, each Reorganized Debtor, and the Distribution Agent shall be authorized to take all actions necessary or appropriate to comply with such withholding and reporting requirements including, without limitation, liquidating a portion of the distribution to be made under the Plan to generate sufficient funds to pay applicable withholding taxes, depositing distributions into 401(k) accounts, or establishing any other mechanisms they believe are reasonable and appropriate. For tax purposes, distributions received with respect to Allowed Claims shall be allocated first to the principal amount of Allowed Claims, with any excess allocated to unpaid interest that accrued on such Claims.

The Debtors reserve the right to allocate all distributions made under the Plan in compliance with all applicable wage garnishments, alimony, child support and other spousal awards, liens and encumbrances.

G. Surrender of Cancelled Instruments or Securities: On or before the Effective Date, or as soon as reasonably practicable thereafter, and except as otherwise expressly agreed by the Debtors and applicable Holders, each Holder of a Certificate shall surrender such Certificate to the Distribution Agent, or, with respect to indebtedness that is governed by an agreement and administered by a Servicer, the respective agreement with the Servicer, and such Certificate shall be cancelled solely with respect to the Debtors and such cancellation shall not alter the obligations or rights of any non-Debtor third parties, including any issuers of municipal bonds, vis-à-vis one another with respect to such instruments; provided, however, that ARTICLE IX.G of the Plan shall not apply to any Claims or Interests Reinstated pursuant to the terms of the Plan or any municipal bonds; provided further, however, that the Reorganized Debtors' obligations and rights, if any, under such municipal bonds and any Indentures or other instruments and documents related thereto shall be treated as set forth in ARTICLE VI.Y of the Plan. No distribution of property pursuant to the Plan shall be made to or on behalf of any such Holder unless and until such Certificate is received by the Distribution Agent or the respective Servicer or the unavailability of such Certificate is reasonably established to the satisfaction of the Distribution Agent or the respective Servicer pursuant to the provisions of ARTICLE IX.I of the Plan. Any Holder who fails to surrender or cause to be surrendered such Certificate, or fails to execute and deliver an affidavit of loss and indemnity acceptable to the Distribution Agent or the respective Servicer prior to the first anniversary of the Effective Date, shall (i) have its Claim or Interest discharged, (ii) be forever barred from asserting any such Claim or Interest against the relevant Reorganized Debtor or its property, (iii) be deemed to have forfeited all rights, Claims, and Interests with respect to such Certificate, and (iv) not participate in any distribution under the Plan, and all property with respect to such forfeited distribution, including any dividends or interest attributable thereto, shall revert to the Reorganized Debtors, notwithstanding any federal or state escheat laws to the contrary. The foregoing shall not apply to indenture trustees, other Servicers or their Holders in connection with any claims in the Retained Aircraft, Rejected Aircraft, or Public Debt Aircraft Classes, which shall, instead, abide by the procedures and deadlines established in the relevant indenture or other governing agreement and applicable non-bankruptcy law with respect to surrender of certificates, instruments, or notes, provision of indemnity to the indenture trustee due to the inability to surrender, forfeiture of distributions due to failure to surrender, and related matters; provided, however, that the Reorganized Debtors' obligations and rights, if any, under such indentures and documents related thereto shall be treated as set forth in ARTICLE VI.Y of the Plan.

H. Services of Indenture Trustees, Agents and Servicers: The services, with respect to consummation of the Plan, of Servicers under the relevant agreements that govern the rights of Creditors shall be as set forth elsewhere in this Plan, and the Reorganized Debtors shall reimburse any Servicers for reasonable and necessary services performed by it (including reasonable attorneys' fees) as contemplated by, and in accordance with, this Plan, without the need for filing an application with, or approval by, the Bankruptcy Court.

I. Lost, Stolen, Mutilated, or Destroyed Debt Certificates: Any Holder of Allowed Claims or Interests evidenced by a Certificate that has been lost, stolen, mutilated, or destroyed shall, in

lieu of surrendering such Certificate, deliver to the Distribution Agent: (i) an affidavit of loss acceptable to the Distribution Agent setting forth the unavailability of the Certificate; and (ii) such additional indemnity as may reasonably be required by the Distribution Agent to hold the Distribution Agent harmless from any damages, liabilities, or costs incurred in treating such Holder as a Holder of an Allowed Claim. Upon compliance with this procedure by a Holder of an Allowed Claim or Interest evidenced by such a lost, stolen, mutilated, or destroyed Certificate, such Holder shall, for all purposes pursuant to the Plan, be deemed to have surrendered such Certificate. The foregoing shall not apply to indenture trustees, other Servicers or their Holders in connection with any claims in the Retained Aircraft, Rejected Aircraft, or Public Debt Aircraft Classes), which shall, instead, abide by the procedures and deadlines established in the relevant indenture or other governing agreement and applicable non-bankruptcy law with respect to surrender of certificates, instruments, or notes, provision of indemnity to the indenture trustee due to the inability to surrender, forfeiture of distributions due to failure to surrender, and related matters; provided, however, that the Reorganized Debtors' obligations and rights, if any, under such indentures and documents related thereto shall be treated as set forth in ARTICLE VI.W of the Plan.

J. Claims Paid or Payable by Third Parties

1. Claims Paid by Third Parties: To the extent a Creditor (i) receives a distribution on account of a Claim and (ii) receives payment from a party that is not a Debtor or a Reorganized Debtor on account of such Claim, such Creditor shall, within thirty-days of receipt thereof, repay and/or return the distribution to the applicable Reorganized Debtor, to the extent the Creditor's total recovery on account of such Claim from the third party and under the Plan exceeds the amount of the Claim as of the date of any such distribution under the Plan. A Creditor's failure to timely repay and/or return such distribution shall result in the Creditor owing the applicable Reorganized Debtor an additional one percent (1%) of such amount owed for each Business Day after the thirty-day grace period specified above until the amount is repaid.

2. Claims Payable by Third Parties: The Claims Agent shall reduce in full or part a Claim on the official claims register, without a claims objection having to be Filed and without any further notice to or action, order, or approval of the Bankruptcy Court, to the extent that the Creditor receives payment on account of such Claim from a party that is not a Debtor or a Reorganized Debtor; provided, however, that to the extent the non-debtor party making the payment is subrogated to the Creditor's Claim, the non-debtor party shall have a thirty-day grace period to notify the Claims Agent of such subrogation rights. To the extent that one or more of the Debtors' insurers agrees to satisfy a Claim (if and to the extent adjudicated by a court of competent jurisdiction), then immediately upon such insurers' agreement, such Claim may be expunged (to the extent of any agreed upon satisfaction) on the official claims register by the Claims Agent without a claims objection having to be Filed and without any further notice to or action, order, or approval of the Bankruptcy Court.

K. Payment of Fees of Indenture Trustees and Effect on Indenture Trustees' Claims

1. Payment of Fees of Indenture Trustees: In full and final settlement of potential objections to Confirmation of this Plan by the MB Indenture Trustees,(4) United shall direct PBGC to assign a portion of PBGC's unfunded benefit liability claim (as authorized pursuant to the PBGC Settlement Agreement) for the benefit of the MB Indenture Trustees in an amount reasonably calculated to generate \$12 million in net proceeds, and as soon as reasonably practicable after the Effective Date United shall sell New UAL Common Stock distributed under the Plan on account of such assigned portion of the Unsecured PBGC Claim. The net proceeds of such sale shall be used to pay the reasonable fees and expenses of the MB Indenture Trustees, including reasonable fees and expenses of their counsel and advisors, incurred in connection with the Chapter 11 Cases. Reorganized United shall continue to pay, as and when invoiced to Reorganized United, the reasonable fees and expenses of the MB Indenture Trustees including those that are incurred after the Effective Date for any purpose consistent with the respective indentures, including but not limited to fees and expenses related to the Municipal Bond Adversary Proceedings (including but not limited to any cure claim, perfection, or collateral valuation disputes arising therefrom), lease rejection, construction fund litigation, preference claims, and administrative and other claims, from any remaining proceeds of the sale of the New UAL Common Stock as set forth above. Upon the conclusion of all proceedings involving the MB Indenture Trustees, any remaining net proceeds may be used for general corporate purposes of Reorganized United. If the net proceeds of the sale described above are insufficient to satisfy the reasonable fees and expenses of the MB Indenture Trustees, Reorganized United shall pay such fees and expenses, provided however, Reorganized United is required only to provide the MB Indenture Trustees with an amount equal to the amount that a Creditor with a hypothetical \$400 million Claim would receive, in aggregate fees and expenses, in which case the MB Indenture Trustees shall divide such fees and expenses on a pro rata basis (based on the aggregate of all such fees and expenses). Notwithstanding the foregoing, any rights and/or liens that any MB Indenture Trustee may hold pursuant to an indenture against property or distributions issued under the Plan for the satisfaction of such MB Indenture Trustee's fees, costs and expenses are expressly preserved, consistent with ARTICLE VI.Y of the Plan.

2. Effect on Indenture Trustees' Claims for Their Fees and Expenses: To the extent the claims, if any, of each respective MB Indenture Trustee that have been filed in the Chapter 11 Cases include an amount for such MB Indenture Trustee's fees and expenses, such claims shall be reduced by the amount such MB Indenture Trustee receives from United consistent with ARTICLE IX.K.1 of the Plan in order to ensure that the Debtors are not required to pay twice for the same liability, *i.e.*, the reasonable fees and expenses of the MB Indenture Trustees.

(4) Even though certain of the MB Indenture Trustees are members of the Creditors' Committee, any action taken by the Creditors' Committee to object to the Plan shall not be construed as an objection by any of the MB Indenture Trustees for purposes of this regardless of the respective position taken by the MB Indenture Trustees with respect to such Creditors' Committee Plan objection.

L. Treatment of Secured Claims on Municipal Bond Leases and Cancellation of Municipal Bonds

1. Notwithstanding ARTICLE V.G of the Plan or any other provision contained in the Plan, if any party to a Municipal Bond Adversary Proceeding shall be entitled to a Class 1B-2 or Class 2B-2 Other Secured Claim arising under or related to a Municipal Bond Lease, such party shall be entitled to contest the Reorganized Debtors' proposed treatment of such Secured Claim on the grounds that such treatment did not leave such claim Unimpaired; provided, however, a challenge to such treatment must be made by filing an appropriate pleading with the Bankruptcy Court within 30 days after the later of (i) the date on which an order entered regarding the Secured Claim amount becomes a Final Order, and (ii) the date on which the Reorganized Debtor serves on the applicable indenture trustee in writing the Class 1B-2 or Class 2B-2 treatment selected for such Secured Claim. Neither Confirmation of the Plan, occurrence of the Effective Date, nor substantial consummation of the Plan shall render any such challenge moot or otherwise prejudice or impair the rights of the party making such challenge.

2. Notwithstanding ARTICLE VI.Y, the indentures related to the bonds at issue in the SFO Municipal Bond Adversary Proceeding, the Denver Municipal Bond Adversary Proceeding and the LAX Municipal Bond Adversary Proceeding shall not be cancelled as to the Debtors under the terms of ARTICLE VI.Y (if at all) until (i) a Final Order has been entered in the applicable Municipal Bond Adversary Proceeding and (ii) if applicable, the Reorganized Debtor provides notice of Class 2B-2 treatment (other than Reinstatement) selected for any Secured Claims arising from or related to the relevant Municipal Bond Leases; provided, however, the Debtors or Reorganized Debtors shall have no obligations, if any, with respect to such indentures until after (a) a Final Order has been entered in the applicable Municipal Bond Adversary Proceeding and, (b) if such Final Order has been entered in favor of United (1) a Final Order has been entered regarding the Secured Claim amount, if any, and (2) the Reorganized Debtor has served on the applicable MB Indenture Trustee a notice in writing the Class 2B-2 treatment selected for such Secured Claim.

**ARTICLE X.
EFFECT OF CONFIRMATION OF THE PLAN**

A. Findings of Fact and Conclusions of Law: Upon entry of the Confirmation Order, the Bankruptcy Court shall be deemed to have made and issued pursuant to Bankruptcy Rule 7052, made applicable to this proceeding pursuant to Bankruptcy Rule 9014, the following findings of fact and conclusions of law as though made after due deliberation and upon the record at the Confirmation Hearing. Any and all findings of fact in the Plan shall constitute findings of fact even if they are stated as conclusions of law, and any and all conclusions of law in the Plan shall constitute conclusions of law even if they are stated as findings of fact.

1. Jurisdiction and Venue: On the Petition Date, the Debtors commenced the Chapter 11 Cases by filing voluntary petitions for relief under Chapter 11 of the Bankruptcy Code. The Debtors were and are qualified to be debtors under Section 109 of the Bankruptcy Code. Venue in the Northern District of Illinois was proper as of the Petition Date and continues to be proper. Confirmation of the Plan is a core proceeding under 28 U.S.C. § 157(b)(2). The Bankruptcy Court has subject matter jurisdiction over this matter pursuant to 28 U.S.C. § 1334

and the Bankruptcy Court has exclusive jurisdiction to determine whether the Plan complies with the applicable provisions of the Bankruptcy Code and should be confirmed.

2. Solicitation Procedures Order: On October 21, 2005, the Bankruptcy Court entered the Solicitation Procedures Order, that, among other things, (i) approved the Disclosure Statement as containing adequate information within the meaning of Section 1125 of the Bankruptcy Code and Fed. R. Bankr. P. 3017; and (ii) approved certain procedures and documents for soliciting and tabulating votes with respect to the Plan.

3. Publication of Solicitation Notice: As evidenced in the Affidavit of Publication provided to the Bankruptcy Court, the Debtors published the Solicitation Notice in The Wall Street Journal (National Edition) on October 31, 2005; USA Today (National and Global Editions) on October 31, 2005; Chicago Tribune on October 30, 2005; The International Herald Tribune on November 2, 2005; Los Angeles Times on October 31, 2005; San Francisco Chronicle on October 31, 2005; Rocky Mountain News on October 31, 2005; Washington Post on October 31, 2005; and the Toronto Star on October 31, 2005.

4. Voting Report: Prior to the Confirmation Hearing, the Debtors filed a voting report with the Bankruptcy Court. All procedures used to distribute solicitation materials to the applicable Holders of Claims and Interests and to tabulate the Ballots were fair and conducted in accordance with the Solicitation Procedures Order, the Bankruptcy Code, the Bankruptcy Rules, the local rules of the Bankruptcy Court, and all other applicable rules, laws, and regulations. Pursuant to Sections 1124 and 1126 of the Bankruptcy Code, at least one Impaired Class entitled to vote on the Plan has voted to accept the Plan.

5. Judicial Notice: The Bankruptcy Court takes judicial notice of the docket of the Chapter 11 Cases maintained by the Clerk of the Bankruptcy Court and/or its duly appointed agent, including, without limitation, all pleadings and other documents on file, all orders entered, and all evidence (that was not subsequently withdrawn) and arguments made, proffered or adduced at the hearings held before the Bankruptcy Court during the pendency of the Chapter 11 Cases (including the Confirmation Hearing). Resolutions of objections to Confirmation explained on the record at the Confirmation Hearing are hereby incorporated by reference. All entries on the docket of the Chapter 11 Cases shall constitute the record before the Court for purposes of the Confirmation Hearing.

6. Transmittal and Mailing of Materials; Notice: Due, adequate, and sufficient notice of the Disclosure Statement, Plan, Plan Supplement and Confirmation Hearing, along with all deadlines for voting on or objecting to the Plan has been given to (a) all known Holders of Claims and Interests; (b) parties that requested notice in accordance with Bankruptcy Rule 2002; (c) all parties to unexpired leases and executory contracts with the Debtors, and (d) all taxing authorities listed on the Debtors' Schedules or in the Debtors' Claims database, in substantial compliance with Bankruptcy Rules 2002(b), 3017 and 3020(b) and the Solicitation Procedures Order, and such transmittal and service were adequate and sufficient. Adequate and sufficient notice of the Confirmation Hearing, as continued from time to time, and other bar dates and hearings described in the Solicitation Procedures Order was given in compliance with the Bankruptcy Rules and Solicitation Procedures Order, and no other or further notice is or shall be required.

7. Solicitation: Votes for acceptance and rejection of the Plan were solicited in good faith and complied with Sections 1125 and 1126 of the Bankruptcy Code, Rules 3017 and 3018 of the Bankruptcy Rules, the Disclosure Statement, the Solicitation Procedures Order, all other applicable provisions of the Bankruptcy Code and all other applicable rules, laws and regulations. The Debtors and their respective directors, officers, agents, affiliates, representatives, attorneys and advisors have solicited votes on the Plan in good faith and in compliance with the applicable provisions of the Bankruptcy Code and the Solicitation Procedures Order and are entitled to the protections afforded by Section 1125(e) of the Bankruptcy Code and the exculpation provisions set forth in ARTICLE X of the Plan.

8. Burden of Proof: The Debtors, as proponents of the Plan, have met their burden of proving the elements of Sections 1129(a) and 1129(b) of the Bankruptcy Code by a preponderance of the evidence, which is the applicable evidentiary standard in the Bankruptcy Court. The Bankruptcy Court also finds that the Debtors have satisfied the elements of Section 1129(a) and 1129(b) of the Bankruptcy Code by clear and convincing evidence.

9. Bankruptcy Rule 3016(a): The Plan is dated and identifies the entities submitting it, thereby satisfying Bankruptcy Rule 3016(a).

10. Compliance with the Requirements of Section 1129 of the Bankruptcy Code: The Plan complies with all requirements of Section 1129 of the Bankruptcy Code as follows:

a. Section 1129(a)(1)—Compliance of the Plan with Applicable Provisions of the Bankruptcy Code: The Plan complies with all applicable provisions of the Bankruptcy Code as required by Section 1129(a)(1) of the Bankruptcy Code, including, without limitation, Sections 1122 and 1123.

(i) Proper Classification: Pursuant to Sections 1122(a) and 1123(a)(1) of the Bankruptcy Code, Article III of the Plan designates Classes of Claims and Interests, other than Administrative Claims and Priority Tax Claims, which are not required to be classified. As required by Section 1122(a) of the Bankruptcy Code, each Class of Claims and Interests contains only Claims or Interests that are substantially similar to the other Claims or Interests within that Class.

(ii) Specification of Unimpaired Classes: Pursuant to Section 1123(a)(2) of the Bankruptcy Code, Article III of the Plan specifies all Claims that are not Impaired.

(iii) Specification of Treatment of Impaired Classes: Pursuant to Section 1123(a)(3) of the Bankruptcy Code, Article III of the Plan specifies the treatment of all Claims and Interests that are Impaired.

(iv) No Discrimination: Pursuant to Section 1123(a)(4) of the Bankruptcy Code, Article III of the Plan provides the same treatment for each Claim or Interest within a particular Class, as the case may be, unless the Holder of a particular Claim has agreed to less favorable treatment with respect to such Claim.

(v) Additional Plan Provisions: Pursuant to Section 1123(a)(5) of the Bankruptcy Code, the Plan provides adequate and proper means for the Plan's implementation. The Reorganized Debtors will have, immediately upon the Effective Date of the Plan, sufficient Cash to make all payments required to be made on the Effective Date pursuant to the terms of the Plan. Moreover, ARTICLE VI and various other provisions of the Plan specifically provide adequate means for the Plan's implementation, including, without limitation: (a) the continuation of the corporate existence of the Debtors and the vesting of assets in the Reorganized Debtors; (b) the amendment of the certificates of incorporation, charter, and bylaws of the Debtors as required to be consistent with the provisions of the Plan and the Bankruptcy Code; (c) the cancellation of the Old Preferred Stock and the Old UAL Common Stock; (d) the authorization and issuance or distribution of the New Credit Facility, the New UAL Plan Securities, and the execution of related documents; (e) the selection of the initial directors and officers of the Reorganized Debtors; and (f) the sources of Cash for distributions under the Plan.

(vi) Voting Power of Equity Securities: Selection of Officer Director or Trustee under the Plan: The certificates of incorporation, charter, and bylaws of the Debtors and the Reorganized Debtors comply with Section 1123(a)(6) and Section 1123(a)(7).

b. Section 1129(a)(2)—Compliance with Applicable Provisions of the Bankruptcy Code: The Debtors, as proponents of the Plan, have complied with all applicable provisions of the Bankruptcy Code as required by Section 1129(a)(2) of the Bankruptcy Code, including, without limitation, Sections 1125 and 1126 and Bankruptcy Rules 3017, 3018 and 3019. In particular, the Debtors are proper debtors under Section 109 of the Bankruptcy Code and proper proponents of the Plan under Section 1121(a) of the Bankruptcy Code. Furthermore, the solicitation of acceptances or rejections of the Plan was (i) pursuant to the Solicitation Procedures Order; (ii) in compliance with all applicable laws, rules, and regulations governing the adequacy of disclosure in connection with such solicitation; and (iii) solicited after disclosure to Holders of Claims or Interests of adequate information as defined in Section 1125(a) of the Bankruptcy Code. Accordingly, the Debtors and their respective directors, officers, employees, agents, affiliates and Professionals have acted in "good faith" within the meaning of Section 1125(e) of the Bankruptcy Code.

c. Section 1129(a)(3)—Proposal of Plan in Good Faith: The Debtors have proposed the Plan in good faith and not by any means forbidden by law. In determining that the Plan has been proposed in good faith, the Court has examined the totality of the circumstances surrounding the filing of the Chapter 11 Cases, the Plan itself, and the process leading to its formulation. The Chapter 11 Cases were filed, and the Plan was proposed, with the legitimate purpose of allowing the Debtors to reorganize and emerge from bankruptcy with a capital structure that will allow them to satisfy their obligations with sufficient liquidity and capital resources.

d. Section 1129(a)(4)—Bankruptcy Court Approval of Certain Payments as Reasonable: Pursuant to Section 1129(a)(4) of the Bankruptcy Code, the payments to be

made by the Reorganized Debtors for services or for costs in connection with the Chapter 11 Cases or the Plan, including the fees, expenses and indemnities payable pursuant to the New Credit Facility, are approved. In addition, fees and expenses incurred by Professionals retained by the Debtors or the Creditors' Committee shall be payable according to the Orders approving such firms' retention.

e. Section 1129(a)(5)—Disclosure of Identity of Proposed Management, Compensation of Insiders and Consistency of Management Proposals with the Interests of Creditors and Public Policy: Pursuant to Section 1129(a)(5) of the Bankruptcy Code, the Debtors have disclosed the identity of the proposed directors and officers of the Reorganized Debtors following Confirmation of the Plan and the identity and compensation of insiders who will be employed or retained by the Reorganized Debtors.

f. Section 1129(a)(6)—Approval of Rate Changes: The Debtors' current businesses do not involve the establishment of rates over which any regulatory commission has or will have jurisdiction after Confirmation. Section 1129(a)(6) of the Bankruptcy Code is thus not applicable to these Chapter 11 Cases.

g. Section 1129(a)(7)—Best Interests of Creditors and Interest Holders: The liquidation analyses included in Exhibit 27 of the Plan Supplement, and the other evidence related thereto that was proffered or adduced at or prior to, or in affidavits in connection with, the Confirmation Hearing, is reasonable. The methodology used and assumptions made in such liquidation analysis, as supplemented by the evidence proffered or adduced at or prior to, or in affidavits filed in connection with, the Confirmation Hearing, are reasonable. With respect to each Impaired Class, each Holder of an Allowed Claim or Interest in such Class has accepted the Plan or will receive under the Plan on account of such Claim or Interest property of a value, as of the Effective Date, that is not less than the amount such Holder would receive if the Debtors were liquidated under Chapter 7 of the Bankruptcy Code.

h. Section 1129(a)(8)—Conclusive Presumption of Acceptance by Unimpaired Classes: Acceptance of the Plan by Each Impaired Class: As discussed above, the Holders of DIP Facility Claims, Secured Aircraft Claims, Other Secured Claims, Other Priority Claims, and United Debtors Common Stock Interests are Unimpaired and are deemed conclusively to have accepted the Plan pursuant to Section 1126(f) of the Bankruptcy Code. In addition, at least one Impaired Class that was entitled to vote has voted to accept the Plan. Because the Plan provides that the United Subordinated Securities Claims are impaired and because no distributions shall be made to Holders of such Claims, such Holders are deemed conclusively to have rejected the Plan pursuant to Section 1126(g) of the Bankruptcy Code and, therefore, are not entitled to vote to accept or reject the Plan.

i. Section 1129(a)(9)—Treatment of Claims Entitled to Priority Pursuant to Section 507(a) of the Bankruptcy Code: The treatment of Administrative, Priority Tax, and Other Priority Claims under Article II of the Plan satisfies the requirements of Section 1129(a)(9) of the Bankruptcy Code.

j. Section 1129(a)(10)—Acceptance By At Least One Impaired Class: At least one Impaired Class has voted to accept the Plan. Accordingly, Section 1129(a)(10) of the Bankruptcy Code is satisfied.

k. Section 1129(a)(11)—Feasibility of the Plan: The Plan satisfies Section 1129(a)(11) of the Bankruptcy Code. Based upon the evidence proffered or adduced at, or prior to, or in affidavits filed in connection with, the Confirmation Hearing, the Plan is feasible and Confirmation of the Plan is not likely to be followed by the liquidation, or the need for further financial reorganization, of the Debtors, the Reorganized Debtors or any successor to the Reorganized Debtors under the Plan. Furthermore, the Reorganized Debtors will have adequate capital to meet their ongoing obligations.

l. Section 1129(a)(12)—Payment of Bankruptcy Fees: In accordance with Section 1129(a)(12) of the Bankruptcy Code, ARTICLE XV.C of the Plan provides for the payment of all fees payable under 28 U.S.C. § 1930(a). The Reorganized Debtors have adequate means to pay all such fees.

m. Section 1129(a)(13)—Retiree Benefits: In accordance with Section 1129(a)(13) of the Bankruptcy Code, Article VI.R of the Plan provides that following the Effective Date of the Plan, the payment of all retiree benefits as defined in Section 1114 of the Bankruptcy Code shall continue at the levels established pursuant to subsections (e)(1) or (g) of Section 1114 of the Bankruptcy Code, except as may be modified at any time prior to the Effective Date, for the duration of the periods the Debtors have obligated themselves to provide such benefits.

n. Section 1129(b)—Confirmation of Plan Over Nonacceptance of Impaired Class: Classes 1F, 1G, 1H, 1I, and 2I will receive no distribution and retain no property under the Plan and are conclusively presumed to have rejected the Plan pursuant to Section 1126(g) of the Bankruptcy Code. The Plan, however, satisfies the requirements of Section 1129(b) of the Bankruptcy Code with respect to the deemed rejecting classes. To determine whether a plan is “fair and equitable” with respect to a class of interests, Section 1129(b)(2)(C)(ii) of the Bankruptcy Code provides that “the holder of any interest that is junior to the interests of such class will not receive or retain under the plan on account of such junior interest any property.” There are no classes junior to the deemed rejecting classes that will receive any distribution under the Plan. Therefore the Plan satisfies the requirements of Section 1129(b).

11. Principal Purpose of the Plan Is Not Avoidance of Taxes: The principal purpose of the Plan is not the avoidance of taxes or the avoidance of the application of Section 5 of the Securities Act of 1933 (15 U.S.C. § 77e).

12. Releases and Discharges: The releases and discharges of Claims and Causes of Action described in the Plan, including releases by the Debtors and by Holders of Claims, constitute good faith compromises and settlements of the matters covered thereby and are consensual. Such compromises and settlements are made in exchange for consideration and are in the best interest of Holders of Claims, are fair, equitable, reasonable, and are integral elements of the resolution of the Chapter 11 Cases in accordance with the Plan. Each of the discharge,

release, indemnification and exculpation provisions set forth in the Plan (i) is within the jurisdiction of the Court under 28 U.S.C. §§ 1334(a), 1334(b) and 1334(d); (ii) is an essential means of implementing the Plan pursuant to Section 1123(a)(6) of the Bankruptcy Code; (iii) is an integral element of the transactions incorporated into the Plan; (iv) confers material benefit on, and is in the best interests of, the Debtors, their estates and their creditors; (v) is important to the overall objectives of the Plan to finally resolve all Claims among or against the parties-in-interest in the Chapter 11 Cases with respect to the Debtors; and (vi) is consistent with Sections 105, 1123, 1129 and other applicable provisions of the Bankruptcy Code.

13. Preservation of Rights of Action: Entry of a Confirmation Order shall constitute a finding that it is in the best interests of the Creditors and Interest Holders of the Debtors' Estates that the provisions in ARTICLE VIAA of the Plan be approved.

14. Disclosure: Agreements and Other Documents: The Debtors have disclosed all material facts regarding: (i) the adoption the New Certificates of Incorporation, or similar constituent documents; (ii) the selection of directors and officers for the Reorganized Debtors; (iii) the New Credit Facility; (iv) the distribution of Cash; (v) the issuance of the New UAL Plan Securities; (vi) the adoption, execution and implementation of employment, retirement and indemnification agreements, incentive compensation programs, retirement income plans, welfare benefit plans and other employee plans and related agreements; (vii) the adoption, execution and implementation of the other matters provided for under the Plan involving corporate action to be taken by or required of the Reorganized Debtors; (viii) the adoption, execution and delivery of all contracts, leases, instruments, releases, indentures and other agreements related to any of the foregoing; and (ix) the Rights Offering.

15. Approval of New Credit Facility: The New Credit Facility is an essential element of the Plan, and entry therein is in the best interests of the Debtors, their estates and their creditors. The Debtors have exercised reasonable business judgment in determining to enter the New Credit Facility and have provided adequate notice thereof. The New Credit Facility has been negotiated in good faith and at arm's-length among the Debtors, the New Credit Facility Agents and the New Credit Facility Lenders, and any credit extended, letters of credit issued for the account of and loans made to the Reorganized Debtors by the New Credit Facility Lenders pursuant to the New Credit Facility shall be deemed to have been extended, issued and made in good faith.

16. Confirmation Hearing Exhibits: All of the exhibits presented at the Confirmation Hearing have been properly received into evidence and are a part of the record before the Bankruptcy Court.

17. Objections to Confirmation of the Plan: All objections to Confirmation filed with the Bankruptcy Court have been withdrawn, settled, overruled, or otherwise resolved.

18. Issuance of New UAL Plan Securities: The Debtors (and each of their respective affiliates, agents, directors, officers, members, managers, employees, advisors, and attorneys) have, and upon Confirmation of the Plan shall be deemed to have, participated in good faith and in compliance with the applicable provisions of the Bankruptcy Code and applicable law with regard to the distribution of the New UAL Plan Securities under the Plan (including, without

limitation, any awards made under the Management Equity Incentive Plan and the Director Equity Incentive Plan), and therefore are not, and on account of such distributions will not be, liable at any time for the violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of the Plan or such distributions made pursuant to the Plan. Upon entry of the Confirmation Order, all provisions of the Plan addressing distribution of the New UAL Plan Securities, including, but not limited to, ARTICLE VI.L.6 of the Plan, shall be deemed necessary and proper.

19. Issuance of New UAL PBGC Securities: For purposes of the Securities Act and the rules and regulations thereunder and Section 1145 of the Bankruptcy Code, PBGC, and any transferee or assignee of any New UAL PBGC Securities, all or any portion of any Unsecured PBGC Claim or any New UAL Common Stock issued with respect to any Unsecured PBGC Claim, including any assignee on account of the Debtors' directing the PBGC to assign for the benefit of (and allocated among) the pre-1997 PDG transactions a portion of the Unsecured PBGC Claim, is deemed not to be an affiliate of Reorganized UAL or any of its subsidiaries or an issuer or underwriter of any of the New UAL Plan Securities.

20. Securities Act and Trust Indenture Act Status of Reinstated Instruments Under Public Debt Aircraft Settlement Agreement: For purposes of the Securities Act and the Trust Indenture Act, the amendments to and restructuring of the pass-through trust agreements, indentures, certificates, notes, and other documentation for the Aircraft Equipment financing transactions contemplated by the Public Debt Aircraft Settlement Agreement do not involve the offer or sale of securities or require registration or qualification of the amendatory or restructured documents or instruments under the Trust Indenture Act or the Securities Act, and the relevant certificates, notes, or other securities remain freely tradable by the holders thereof without the need of further actions or registration under the Securities Act to the same extent as had no amendments or restructuring taken place.

B. Discharge of Claims and Termination of Interests: Pursuant to Section 1141(d) of the Bankruptcy Code, and except as otherwise specifically provided in the Plan or in the Confirmation Order, the distributions, rights, and treatment that are provided in the Plan shall be in complete satisfaction, discharge, and release, effective as of the Confirmation Date (but subject to the occurrence of the Effective Date), of Claims and Causes of Action of any nature whatsoever, including any interest accrued on Claims from and after the Petition Date, whether known or unknown, against, liabilities of, liens on, obligations of, rights against, and Interests in, the Debtors or any of their assets or properties, regardless of whether any property shall have been distributed or retained pursuant to the Plan on account of such Claims, rights, and Interests, including, without limitation, demands, liabilities, and Causes of Action that arose before the Confirmation Date, any liability (including withdrawal liability) to the extent such Claims relate to services performed by employees of the Debtors prior to the Confirmation Date and that arise from a termination of employment or a termination of any employee or retiree benefit program regardless of whether such termination occurred prior to or after the Confirmation Date, and all debts of the kind specified in Sections 502(g), 502(h), or 502(i) of the Bankruptcy Code, in each case whether or not (i) a Proof of Claim or Interest based upon such debt, right, or Interest is Filed or deemed Filed pursuant to Section 501 of the Bankruptcy Code, (ii) a Claim or Interest based upon such debt, right, or Interest is allowed pursuant to Section 502 of the Bankruptcy Code, or (iii) the Holder of such a Claim, right, or Interest has accepted the Plan; provided.

however, that with respect to the United States of America or any Governmental Unit thereof or the State of California, the satisfaction, discharge, and release provided for under this paragraph or, to the extent applicable, ARTICLE X.J of the Plan: (1) shall not exceed that provided for under 11 U.S.C. § 1141(d); and (2) is limited to the liabilities that are Claims within the definition set forth in 11 U.S.C. § 101(5); provided further, however, notwithstanding anything to the contrary in this paragraph, nothing in this Plan releases, discharges, enjoins or precludes the enforcement of any liability to the United States of America or any Governmental Unit thereof or the State of California under federal or state law that any entity would be subject to as the owner or operator of property after the date of entry of the Confirmation Order. The Confirmation Order shall be a judicial determination of the discharge, as set forth in this paragraph, of all Claims against, liabilities of, and Interest in the Debtors, subject to the Effective Date occurring.

C. **Subordinated Claims**: The allowance, classification, and treatment of all Allowed Claims and Interests and the respective distributions and treatments under the Plan take into account and/or conform to the relative priority and rights of the Claims and Interests in each Class in connection with any contractual, legal, and equitable subordination rights relating thereto, whether arising under general principles of equitable subordination, Section 510(b) of the Bankruptcy Code or otherwise. Pursuant to Section 510 of the Bankruptcy Code, the Debtors reserve the right to re-classify any Allowed Claim or Interest in accordance with any contractual, legal, or equitable subordination relating thereto.

D. **Compromise and Settlement of Claims and Controversies**: Pursuant to Section 363 of the Bankruptcy Code and Bankruptcy Rule 9019 and in consideration for the distributions and other benefits provided pursuant to the Plan, the provisions of the Plan shall constitute a good faith compromise of all Claims or controversies relating to the contractual, legal, and subordination rights that a Holder of a Claim may have with respect to any Allowed Claim, or any distribution to be made on account of such an Allowed Claim. The entry of the Confirmation Order shall constitute the Bankruptcy Court's approval of the compromise or settlement of all such Claims or controversies, and the Bankruptcy Court's finding that such compromise or settlement is in the best interests of the Debtors, their estates, and Holders of Claims and is fair, equitable, and reasonable. In accordance with the provisions of the Plan, pursuant to Section 363 of the Bankruptcy Code and Bankruptcy Rule 9019(a), without any further notice to or action, order, or approval of the Bankruptcy Court, the Debtors may compromise and settle Claims against them and Causes of Action against other Entities, in their sole and absolute discretion, and after the Effective Date, such right shall pass to the Reorganized Debtors.

E. **Final Resolution of Reserved Rights**: **Notwithstanding any asserted or prior reservations of rights, on the Confirmation Date, any and all objections to or reservations of rights to object to, the Claims and distributions provided for under the Section 1113 Restructuring Agreements, the PBGC Settlement Agreement, or the SAM Distribution, or any other distribution provided for under the Plan shall be deemed to have been overruled, and any and all parties in interest are forever barred from objecting to or challenging any such distributions; provided, however, that nothing in this paragraph shall extinguish an objection or challenge pending as of the Confirmation Date; provided further, however, that entry of the Confirmation Order shall be deemed as a Bankruptcy Court order**

allowing the SAM Distribution and any and all objections thereto shall be deemed withdrawn.

F. **Releases by the Debtors:** Pursuant to Section 1123(b) of the Bankruptcy Code, and except as otherwise specifically provided in the Plan or the Plan Supplement, for good and valuable consideration, including the service of the MB Exculpated Parties and the Released Parties to facilitate the expeditious reorganization of the Debtors and the implementation of the restructuring contemplated by the Plan, on and after the Effective Date, the MB Exculpated Parties and the Released Parties are deemed released and discharged by the Debtors, the Reorganized Debtors, and the Estates from any and all claims, obligations, rights, suits, damages, Causes of Action, remedies, and liabilities whatsoever, including, without limitation, any derivative claims asserted on behalf of the Debtors, whether known or unknown, foreseen or unforeseen, existing or hereinafter arising, in law, equity or otherwise, that the Debtors, the Reorganized Debtors, the Estates, or their Affiliates would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of the Holder of any Claim or Interest or other Person or Entity, based upon or relating to, or in any manner arising from, in whole or in part, the Debtors, the Chapter 11 Cases, the purchase, sale, or rescission of the purchase or sale of any security of the Debtor, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in the Plan, the business or contractual arrangements between any Debtor and any MB Exculpated Party or Released Party, the restructuring of Claims and Interests prior to or in the Chapter 11 Cases, the negotiation, formulation, or preparation of the Plan and Disclosure Statement, or related agreements, instruments, or other documents, upon any other act or omission, transaction, agreement, event, or upon any other occurrence taking place on or before the Effective Date other than claims or liabilities arising out of or relating to any act or omission of a MB Exculpated Party or Released Party that constitutes a failure to perform the duty to act in good faith, with the care of an ordinarily prudent person and in a manner the MB Exculpated Party or Released Party reasonably believed to be in the best interests of the corporation (to the extent such duty is imposed by applicable non-bankruptcy law) where such failure to perform constitutes willful misconduct or gross negligence.

G. **Exculpation:** Except as otherwise specifically provided in the Plan, no Exculpated Party shall have or incur, and each Exculpated Party is hereby released and exculpated from any Exculpated Claim, except for gross negligence or willful misconduct, but in all respects such Entities shall be entitled to reasonably rely upon the advice of counsel with respect to their duties and responsibilities pursuant to the Plan. The Debtors (and each of their respective Affiliates, agents, directors, officers, employees, advisors, and attorneys) have, and upon Confirmation of the Plan shall be deemed to have, participated in good faith and in compliance with the applicable provisions of the Bankruptcy Code with regard to the distributions of the securities pursuant to the Plan, and therefore are not, and on account of such distributions shall not be, liable at any time for the violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of the Plan or such distributions made pursuant to the Plan. Nothing in this paragraph impairs the post-Effective Date Claims of the United States of America or any

Governmental Unit thereof or the State of California with respect to police and regulatory powers, or to any cause of action or a claim under the Internal Revenue Code.

H. Releases by Holders of Claims and Interests: Except as otherwise specifically provided in the Plan, on and after the Effective Date, Holders of Claims and Interests (a) voting to accept the Plan, or (b) abstaining from voting on the Plan and electing not to opt out of the release contained in this paragraph (which by definition, does not include Holders of Claims and Interests who are not entitled to vote in favor of or against the Plan and in fact do not so vote) shall be deemed to have conclusively, absolutely, unconditionally, irrevocably, and forever, released and discharged the Released Parties from any and all Claims, obligations, rights, suits, damages, Causes of Action, remedies, and liabilities whatsoever, including any derivative Claims asserted on behalf of a Debtor, whether known or unknown, foreseen or unforeseen, existing or hereafter arising, in law, equity or otherwise, that such Person or Entity would have been legally entitled to assert (whether individually or collectively), based on or relating to, or in any manner arising from, in whole or in part, the Debtors, the Debtors' restructuring, the Debtors' Chapter 11 Cases, the purchase, sale, or rescission of the purchase or sale of any security of the Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in the Plan, the business or contractual arrangements between any Debtor, any Released Party, the restructuring of Claims and Interests prior to or in the Chapter 11 Cases, the negotiation, formulation, or preparation of the Plan and Disclosure Statement, or related agreements, instruments, or other documents, upon any other act or omission, transaction, agreement, event, or other occurrence taking place on or before the Effective Date other than Claims or liabilities arising out of or relating to any act or omission of a Released Party that constitutes a failure to perform the duty to act in good faith, with the care of an ordinarily prudent person and in a manner the Released Party reasonably believed to be in the best interests of the corporation (to the extent such duty is imposed by applicable non-bankruptcy law) where such failure to perform constitutes willful misconduct or gross negligence. The vote or election of a trustee or other agent under this paragraph acting on behalf of or at the direction of a Holder of a Claim or Interest shall bind such Holder to the same extent as if such Holder had itself voted or made such election. The following parties shall be deemed to have opted out of releases provided for in this paragraph on their abstaining ballots: (1) the Illinois Department of Revenue, (2) the State of California; and (3) the City of Chicago.

I. Chicago Municipal Bond Release: Pursuant to the Chicago Municipal Bond Settlement Order and the Chicago Municipal Bond Settlement Agreement, on and after the Effective Date, the Chicago Municipal Bond Released Parties, including but not limited to the Trustees and the Designated Holders (as those terms are defined in the Chicago Municipal Bond Settlement Agreement) shall be conclusively, absolutely, unconditionally, irrevocably, and forever, released and discharged from any and all Claims, obligations, rights, suits, damages, Causes of Action, remedies, and liabilities whatsoever, including any derivative Claims asserted on behalf of a Debtor, whether known or unknown, foreseen or unforeseen, existing or hereafter arising, in law, equity or otherwise, of any Person or Entity, including the Holders (as defined under the Chicago Municipal Bond Settlement Agreement) (whether individually or collectively), based on or relating to, or in any

manner arising from, in whole or in part, the Chicago Municipal Bond Agreements, the Chicago Municipal Bond Settlement Agreement, that certain Amended and Restated Airport Use Agreement and Terminal Facilities Lease dated as of January 1, 1985 between the City of Chicago and United, and any other agreement relating to the Chicago Municipal Bonds other than Claims or liabilities arising out of or relating to any act or omission of a Chicago Municipal Bond Released Party that constitutes willful misconduct or gross negligence.

J. Injunction: Except as otherwise expressly provided in the Plan or for obligations issued pursuant to the Plan, all Entities who have held, hold, or may hold Claims against or Interests in the Debtors or against the Released Parties and Exculpated Parties are permanently enjoined, from and after the Effective Date, from: (i) commencing or continuing in any manner any action or other proceeding of any kind on account of or in connection with or with respect to any such Claim against or Interest in the Reorganized Debtors, the Exculpated Parties, the Released Parties, any statutory committee or members thereof, and the employees, agents, and professionals of each of the foregoing (acting in such capacity); (ii) enforcing, attaching, collecting, or recovering by any manner or means any judgment, award, decree or order against those Entities listed in subparagraph (i) above on account of or in connection with or with respect to any such Claim against or Interest in the Reorganized Debtors, the Exculpated Parties, the Released Parties, any statutory committee or members thereof, and the employees, agents, and professionals of each of the foregoing (acting in such capacity); (iii) creating, perfecting, or enforcing any encumbrance of any kind against those Entities listed in subparagraph (i) above, or the property or estates of those Entities listed in subparagraph (i) above on account of or in connection with or with respect to any such Claim against or Interest in the Reorganized Debtors, the Released Parties, the Exculpated Parties, any statutory committee or members thereof, and the employees, agents, and professionals of each of the foregoing (acting in such capacity); (iv) asserting any right of setoff, subrogation, or recoupment of any kind against any obligation due from those Entities listed in subparagraph (i) above or against the property or Estates of those Entities listed in subparagraph (i) above on account of or in connection with or with respect to any such Claim against or Interest in the Reorganized Debtors, the Exculpated Parties, the Released Parties, any statutory committee or members thereof, and the employees, agents, and professionals of each of the foregoing (acting in such capacity) unless such Holder has filed a motion requesting the right to perform such setoff on or before the Confirmation Date, and notwithstanding an indication in a Proof of Claim or Interest or otherwise that such Holder asserts, has, or intends to preserve any right of setoff pursuant to Section 553 of the Bankruptcy Code or otherwise; and (v) commencing or continuing in any manner any action or other proceeding of any kind on account of or in connection with or with respect to any such Claim against or Interest in the Reorganized Debtors, the Released Parties, the Exculpated Parties any statutory committee or members thereof, and the employees, agents, and professionals of each of the foregoing (acting in such capacity) released or settled pursuant to the Plan; provided, however, that nothing in this section shall impair the rights of the Texas Comptroller of Public Accounts under 28 U.S.C. § 1341.

K. **Protection Against Discriminatory Treatment:** Consistent with Section 525 of the Bankruptcy Code and the Supremacy Clause of the U.S. Constitution, all Entities, including, without limitation, Governmental Units, shall not discriminate against the Debtors or the Reorganized Debtors or deny, revoke, suspend, or refuse to renew a license, permit, charter, franchise, or other similar grant to, condition such a grant to, discriminate with respect to such a grant against, the Debtors or the Reorganized Debtors, or another Entity with whom such Debtors or Reorganized Debtors has been associated, solely because any of the Debtors or the Reorganized Debtors is or has been a debtor under Chapter 11, has been insolvent before the commencement of the Chapter 11 Cases, or during the Chapter 11 Cases but before the Debtor or the Reorganized Debtor is granted or denied a discharge, or has not paid a debt that is dischargeable in the Chapter 11 Cases.

L. **Setoffs:** Except as otherwise expressly provided for in the Plan, each Debtor and Reorganized Debtor, as applicable, pursuant to the Bankruptcy Code (including, without limitation, Section 553 of the Bankruptcy Code), applicable non-bankruptcy law, or as may be agreed to by the Holder of a Claim, may setoff against any Allowed Claim or Interest and the distributions to be made pursuant to the Plan on account of such Allowed Claim or Interest (before any distribution is made on account of such Allowed Claim or Interest), any Claims, rights, and Causes of Action of any nature that such Debtor or Reorganized Debtor, as applicable, may hold against the Holder of such Allowed Claim or Interest, to the extent such Claims, rights, or Causes of Action against such Holder have not been otherwise compromised or settled on or prior to the Effective Date (whether pursuant to the Plan or otherwise); **provided, however,** that neither the failure to effect such a setoff nor the allowance of any Claim or Interest pursuant to the Plan shall constitute a waiver or release by such Debtor or Reorganized Debtor of any such Claims, rights, and Causes of Action that such Debtor or Reorganized Debtor may possess against such Holder. In no event shall any Holder of Claims or Interests be entitled to setoff any Claim or Interest against any Claim, right, or Cause of Action of the Debtor or the Reorganized Debtor, unless such Holder has filed a motion with the Bankruptcy Court requesting the authority to perform such setoff on or before the Confirmation Date, and notwithstanding any indication in any Proof of Claim or Interest or otherwise that such Holder asserts, has, or intends to preserve any right of setoff pursuant to Section 553 or otherwise; **provided, however,** (a) this provision shall have no effect on the setoff rights of: (i) the indenture trustees in connection with municipal bond issuances; (ii) the Illinois Department of Revenue; and (iii) the Texas Comptroller of Public Accounts; and (b) nothing in the Plan shall impair the setoff rights of the United States of America or any Governmental Unit thereof. To the extent that this paragraph applies to the claims that are the subject of that action known as *United Bizjet Holdings, Inc. v. Gulfstream Aerospace Corporation and Gulfstream Aerospace Limited Partnership*, Case No. 04-2698, pending in the United States District Court for the Northern District of Illinois, Eastern Division, Gulfstream Aerospace Corporation and Gulfstream Aerospace Limited Partnership has complied with the requirements of the Plan.

M. **Recoupment:** In no event shall any Holder of Claims or Interests be entitled to recoup any Claim or Interest against any Claim, right, or Cause of Action of the Debtor or the Reorganized Debtor, unless such Holder has performed such recoupment on or before

the Confirmation Date, notwithstanding any indication in any Proof of Claim or Interest or otherwise that such Holder asserts, has, or intends to preserve any right of recoupment; provided, however, (a) this provision shall have no effect on the recoupment rights of: (1) the indenture trustees in connection with municipal bond issuances; (2) the counter-parties to assumed Interline and Alliance Related Agreements, but only to the extent a particular counter-party's recoupment rights are expressly provided for under the assumed Interline and Alliance Related Agreement with that counter-party; or (3) the Illinois Department of Revenue; and (b) nothing in this Plan shall impair the recoupment rights of the United States of America or any Governmental Unit thereof.

N. **Release of Liens:** Except as otherwise provided in the Plan, including with respect to any Reinstated Secured Aircraft Claims, or in any contract, instrument, release, or other agreement or document created pursuant to the Plan, on the Effective Date and concurrently with the applicable distributions made pursuant to ARTICLE IX of the Plan, all mortgages, deeds of trust, Liens, pledges, or other security interests against any property of the Estates shall be deemed fully released, discharged, and all of the right, title, and interest of any Holder of such mortgages, deeds of trust, Liens, pledges, or other security interests shall revert to the applicable Debtor and its successors and assigns.

O. **Tax Escrow:** Upon the Effective Date, LaSalle Bank National Association is authorized and directed to disburse all funds in the Tax Escrow Account to Reorganized United for use in Reorganized United's general operations, and once such disbursement is made, the Tax Escrow Agreement shall terminate, all without any notice to parties-in-interest and without any further notice to or action, order, or approval of the Bankruptcy Court.

P. **Document Retention:** On and after the Effective Date, the Reorganized Debtors may maintain documents in accordance with their current document retention policy; provided, however, that the Debtors and Reorganized Debtors reserve the right to alter, amend, modify, or supplement such policy in the ordinary course of business.

Q. **Reimbursement or Contribution:** If the Court disallows a Claim for reimbursement or contribution of an entity pursuant to Section 502(e)(1)(B) of the Bankruptcy Code, then to the extent that such Claim is contingent as of the time of allowance or disallowance, such Claim shall be forever disallowed notwithstanding Section 502(j) of the Bankruptcy Code, unless prior to the Effective Date: (i) such Claim has been adjudicated as noncontingent; or (ii) the relevant Creditor has Filed a noncontingent Proof of Claim on account of such Claim and has requested a determination from the Court that such Claim is no longer contingent.

R. **Special Tax Provisions:** To the extent applicable, Section 346 of the Bankruptcy Code shall apply to any taxes that may potentially result from, or may be related to, the events, transactions and occurrences of the Plan and these Cases.

S. **Ownership and Control:** The Consummation of the Plan shall not constitute a change of ownership or change in control, as such terms are used in any statute, regulation, contract or agreement, including, but not limited to, any employment, severance or termination, or insurance agreements, in effect on the Effective Date and to which either of the Debtors is a party or under any applicable law of any applicable Governmental Unit. Notwithstanding the foregoing, the

Debtors and Reorganized Debtors reserve the right to selectively waive this provision of the Plan; provided, however, that this paragraph shall not bind or prejudice the United States of America or any Governmental Unit thereof.

T. Return of Deposits: All utilities, that received a deposit during these Cases, including, without limitation, gas, electric, telephone, and sewer, shall return such Deposits to the Debtors and/or the Reorganized Debtors, as the case may be, either by setoff against postpetition indebtedness or by cash refund, within 45 days following the Effective Date.

U. References to Plan Provisions: The failure specifically to include or to refer to any particular provision of the Plan in the Confirmation Order shall not diminish or impair the effectiveness of such provision, it being the intent of the Bankruptcy Court that the Plan be confirmed in its entirety.

V. Confirmation of Less than All Subplans: In the event that the Bankruptcy Court does not order substantive consolidation, the Debtors may seek confirmation of any or all Subplans, but the Debtors' inability to confirm any Subplan or the Debtors' election to withdraw any Subplan shall not impair the confirmation of any other Subplan or the consummation of any such Subplan. In the event that the Bankruptcy Court does not confirm the UAL Subplan, the Debtors reserve the right to incorporate a new UAL Corporation after the Effective Date as the Debtors' holding company to replace UAL.

**ARTICLE XI.

To the extent that the DIP Lenders or the DIP Facility Agent have filed or recorded publicly any Liens and/or security interests to secure the Debtors' obligations pursuant to the DIP Facility, the DIP Lenders or the DIP Facility Agent, as applicable, shall, at the Debtors' expense, perform all acts reasonably required and/or reasonably requested by the Debtors or the Reorganized Debtors to cancel and/or extinguish such publicly filed Liens and/or security interests.

B. Professional Claims

1. Final Fee Applications: All final requests for payment of Claims of a Professional shall be filed no later than forty-five (45) days after the Confirmation Date. After notice and a hearing in accordance with the procedures established by the Bankruptcy Code and prior Final

Upon the Confirmation Date, any requirement that Professionals comply with Sections 327 through 331 of the Bankruptcy Code in seeking retention or compensation for services rendered after such date shall terminate, and the Reorganized Debtors may employ and pay any Professional in the ordinary course of business without any further notice to or action, order, or approval of the Bankruptcy Court.

C. Substantial Contribution Compensation and Expenses Bar Date: Any Person who requests compensation or expense reimbursement for making a substantial contribution in the Chapter 11 Cases pursuant to Sections 503(b)(3), (4), and (5) of the Bankruptcy Code must file an application with the Bankruptcy Court and serve such application on counsel for the Debtors and as otherwise required by the Bankruptcy Court, the Bankruptcy Code, and the Case Management Procedures on or before the Administrative Claim Bar Date or be forever barred from seeking such compensation or expense reimbursement.

D. Any request for payment of an Administrative Claim pursuant to this ARTICLE XI.D of the Plan (other than a request for payment of an Administrative Claim of the United States of America or a Governmental Unit thereof for taxes for which a return or stamp is required (including any related penalties and interest)) that is not timely Filed and served shall be disallowed automatically without the need for any objection by the Debtors or the Reorganized Debtors, except that a tardily filed request by the United States of America or any Governmental Unit thereof for payment of an Administrative Claim may be filed if permitted by the Bankruptcy Court for cause. The Reorganized Debtors, in their sole and absolute discretion, may settle any Administrative Claim or pay any Administrative Claim in the ordinary course of business without any further notice to or action, order, or approval of the Bankruptcy Court. In the event that the Debtors or the Reorganized Debtors object to an Administrative Claim, the Bankruptcy Court shall determine the Allowed amount of such Administrative Claim. Notwithstanding the foregoing, no request for payment of an Administrative Claim need be filed with respect to an Administrative Claim,

which previously has been Allowed by Final Order of the Bankruptcy Court. **ARTICLE XII.
CONDITIONS PRECEDENT TO CONFIRMATION
AND CONSUMMATION OF THE PLAN**

A. Conditions to Confirmation: The following are conditions precedent to Confirmation of the Plan that must be satisfied or waived in accordance with ARTICLE XII.C of the Plan:

1. The Bankruptcy Court shall have entered a Confirmation Order, in form and substance acceptable to the Debtors, approving the Disclosure Statement with respect to the Plan as containing adequate information within the meaning of Section 1125 of the Bankruptcy Code.
2. The most current version of the Plan Supplement and all of the schedules, documents, and exhibits contained therein shall have been filed in form and substance acceptable to the Debtors.
3. The proposed Confirmation Order shall be in form and substance acceptable to the Debtors.

B. Conditions Precedent to Consummation: The following are conditions precedent to Consummation of the Plan that must be satisfied or waived in accordance with ARTICLE XII.C of the Plan:

1. The Bankruptcy Court shall have entered one or more Final Orders (which may include the Confirmation Order) authorizing the assumption and rejection of executory contracts and unexpired leases by the Debtors as contemplated by ARTICLE VII of the Plan.
2. The New Credit Facility shall have been executed and delivered by all of the Entities that are parties thereto, and all conditions precedent to the consummation thereof shall have been waived or satisfied in accordance with the terms thereof, and funding pursuant to the New Credit Facility shall have occurred.
3. The Confirmation Order shall have become a Final Order in form and substance acceptable to the Debtors.
4. The most current version of the Plan Supplement and all of the schedules, documents, and exhibits contained therein shall have been filed in form and substance acceptable to the Debtors.
5. The Confirmation Date shall have occurred.
6. The board of directors of Reorganized UAL shall have been selected.

7. Pursuant to the Chicago Municipal Bond Settlement Order and the Chicago Municipal Bond Settlement Agreement, the New UAL ORD Settlement Bond documents shall be reasonably acceptable to Stark Investment LP.

C. Waiver of Conditions Precedent: The Debtors, in their sole and absolute discretion, may waive any of the conditions to Confirmation of the Plan and/or Consummation of the Plan set forth in ARTICLE XII of the Plan at any time, without any notice to parties-in-interest and without any further notice to or action, order, or approval of the Bankruptcy Court, and without any formal action other than proceeding to confirm and/or consummate the Plan; provided, however, that prior to any such waiver, the Debtors shall consult with the Creditors' Committee with regard to such waiver. The failure to satisfy or waive any condition to the Confirmation or Consummation Date may be asserted by the Debtors, in their sole and absolute discretion, regardless of the circumstances giving rise to the failure of such condition to be satisfied (including any action or inaction by the Debtors in their sole and absolute discretion). The failure of the Debtors, in their sole and absolute discretion, to exercise any of the foregoing rights shall not be deemed a waiver of any other rights, and each such right shall be deemed an ongoing right, which may be asserted at any time. Nothing in this paragraph shall limit or alter in any manner the rights or obligations of the Debtors under the Chicago Municipal Bond Settlement Agreement.

D. Effect of Non-Occurrence of Conditions to Consummation: If the Consummation of the Plan does not occur, the Plan shall be null and void in all respects and nothing contained in the Plan or the Disclosure Statement shall: (i) constitute a waiver or release of any Claims by or against, or any Interests in, such Debtor or any other Entity; (ii) prejudice in any manner the rights of such Debtor or any other Entity; or (iii) constitute an admission, acknowledgment, offer, or undertaking of any sort by such Debtor or any other Entity.

E. Satisfaction of Conditions Precedent to Confirmation: Upon entry of a Confirmation Order, each of the conditions precedent to Confirmation of the Plan, as set forth in ARTICLE XII.A of the Plan, shall be deemed to have been satisfied or waived in accordance with the Plan.

F. Likelihood of Satisfaction of Conditions Precedent to Consummation: Each of the conditions precedent to Consummation of the Plan, as set forth in ARTICLE XII.B of the Plan, is reasonably likely to be satisfied.

ARTICLE XIII. MODIFICATION, REVOCATION OR WITHDRAWAL OF THE PLAN

A. Modification and Amendments: Subject to certain restrictions and requirements set forth in Section 1127 of the Bankruptcy Code and Bankruptcy Rule 3019 and those restrictions on modifications set forth in the Plan, each of the Debtors expressly reserves its respective rights to alter, amend, modify, revoke, or withdraw the Plan or any Subplan with respect to such Debtor, one or more times, prior to the Plan's substantial consummation. The Debtors reserve the exclusive right to alter, amend, or modify the Plan, any Subplan, the Plan Supplement, or any exhibits included therein at any time prior to entry of the Confirmation Order. After the entry of the Confirmation Order and prior to Consummation of the Plan, the Debtors or the Reorganized Debtors, as applicable, may initiate proceedings in the Bankruptcy Court to amend or modify the

Plan, or remedy any defect or omission, or reconcile any inconsistencies in the Plan, the Disclosure Statement, or the Confirmation Order, in such matters as may be necessary to carry out the purposes and intent of the Plan.

Modifications of or amendments to the Plan Supplement may be Filed with the Bankruptcy Court any time prior to entry of the Confirmation Order. Any such modification or supplement shall be considered a modification of the Plan and shall be made in accordance with ARTICLE XIII of the Plan. Upon its Filing, the Plan Supplement may be inspected: (i) in the office of the clerk of the Bankruptcy Court or its designee during normal business hours, (ii) at the Bankruptcy Court's website at <http://www.ilnb.uscourts.gov>, and (iii) at the Debtors' private website at <http://www.pd-ual.com>. The documents contained in the Plan Supplement are an integral part of the Plan and shall be approved by the Bankruptcy Court pursuant to the Confirmation Order.

B. Effect of Confirmation Order on Modifications: Entry of a Confirmation Order shall mean that all modifications or amendments to the Plan since the solicitation are approved pursuant to Section 1127(a) of the Bankruptcy Code and do not require additional disclosure or resolicitation under Rule 3019.

C. Revocation or Withdrawal of Plan: The Debtors reserve the right to revoke or withdraw the Plan or any Subplan prior to the Confirmation Date and to file subsequent plans of reorganization. If a Debtor revokes or withdraws the Plan or any Subplan, or if Confirmation or Consummation does not occur, then (i) the Plan shall be null and void in all respects, (ii) any settlement or compromise embodied in the Plan (including the fixing or limiting to an amount certain any Claim or Interest or Class of Claims or Interests), assumption or rejection of executory contracts or unexpired leases effected by the Plan, and any document or agreement executed pursuant to the Plan, shall be deemed null and void, and (iii) nothing contained in the Plan shall (a) constitute a waiver or release of any Claims by or against, or any Interests in, such Debtor or any other Entity; (b) prejudice in any manner the rights of such Debtor or any other Entity; or (c) constitute an admission, acknowledgement, offer or undertaking of any sort by such Debtor or any other Entity.

**ARTICLE XV.
MISCELLANEOUS PROVISIONS**

A. Immediate Binding Effect: Subject to ARTICLE XII.B of the Plan and notwithstanding Bankruptcy Rules 3020(e), 6004(g) or 7062, or otherwise, immediately upon the entry of the Confirmation Order, the terms of the Plan and the Plan Supplement shall be immediately effective and enforceable and deemed binding upon the Debtors, the Reorganized Debtors, and any and all Holders of Claims or Interests (irrespective of whether such Claims or Interests are impaired under the Plan or whether the Holders of such Claims or Interests accepted or are deemed to have accepted the Plan), all entities that are parties to or are subject to the settlements, compromises, releases, discharges, and injunctions described in the Plan or herein, each Person acquiring property under the Plan, and any and all non-Debtor parties to executory contracts and unexpired leases with the Debtors.

B. Additional Documents: On or before the Effective Date, the Debtors may file with the Bankruptcy Court such agreements and other documents as may be necessary or appropriate to effectuate and further evidence the terms and conditions of the Plan. The Debtors, Reorganized Debtors, and all Holders of Claims or Interests receiving distributions pursuant to the Plan and all other parties in interest shall, from time to time, prepare, execute, and deliver any agreements or documents and take any other actions as may be necessary or advisable to effectuate the provisions and intent of the Plan.

C. Payment of Statutory Fees: All fees payable pursuant to Section 1930(a) of Title 28 of the United States Code, as determined by the Bankruptcy Court at the hearing pursuant to Section 1128 of the Bankruptcy Code, shall be paid for each quarter (including any fraction thereof) until the Chapter 11 Cases are converted, dismissed or closed, whichever occurs first.

D. Post-Effective Date Committees

1. Dissolution of Committees: Upon the Effective Date, all statutory committees appointed in the Chapter 11 Cases shall dissolve automatically, except with respect to

applications for Professional Claims, and members shall be released and discharged from all rights, duties, responsibilities, and liabilities arising from, or related to, the Chapter 11 Cases and under the Bankruptcy Code.

2. Plan Oversight Committee

a. Plan Oversight Committee Existence: On the Effective Date, the Creditors' Committee shall be dissolved, all existing members of the Creditors' Committee shall be released and discharged from office, and there shall be created the Plan Oversight Committee, which shall be deemed a successor-in-interest to the Creditors' Committee for all purposes and which shall be subject to the jurisdiction of the Bankruptcy Court.

b. Plan Oversight Committee Membership

(i) The Plan Oversight Committee shall consist of three members, who previously were members of the Creditors' Committee, selected by the Creditors' Committee. The Creditors' Committee shall notify the Debtors, in writing, of the identities of the three members of the Plan Oversight Committee at least five (5) business days prior to the Confirmation Hearing.

(ii) In the event any member of the Plan Oversight Committee assigns all or substantially all of its Claim or releases the Debtors from any further distribution on its Claim, such assignment or release shall constitute the resignation by such member from the Plan Oversight Committee, unless otherwise agreed to by the Reorganized Debtors and each remaining member of the Plan Oversight Committee. In the event of a resignation or removal of a member of the Plan Oversight Committee for any reason, a replacement shall be designated by the remaining members of the Plan Oversight Committee. If the Reorganized Debtors object to the selection of the initial or replacement members of the Plan Oversight Committee, they may apply to the Bankruptcy Court for appropriate relief, and pending a determination by the Bankruptcy Court, the proposed members shall not be given access to additional confidential or proprietary information concerning the Reorganized Debtors.

c. Plan Oversight Committee Governance: The Plan Oversight Committee shall have the power to adopt rules of procedure and may choose one of its members to act as chairman. The Plan Oversight Committee shall act by majority vote of its members.

d. Plan Oversight Committee Standing in the Bankruptcy Case: The Plan Oversight Committee, post-Effective Date, has standing to participate in the following Bankruptcy Court proceedings:

- (i) any appeal from or motion related to the Confirmation Order;
- (ii) matters related to proposed modifications or amendments to the Plan;

- (iii) all applications for allowance of compensation to professional persons;
- (iv) any action to enforce, implement or interpret the Plan, to compel the Debtors to make distributions under the Plan, or to adjust the New UAL Stock Reserve;
- (v) any appeal from a material matter in the Chapter 11 Cases, to the extent that (A) the Plan Oversight Committee has moved to estimate or objected to such Claim pursuant to ARTICLE XV.D.2.e(ii) below, or (B) the Committee has moved to estimate or objected to such Claim prior to the Confirmation Date, and the Plan Oversight Committee's position in such estimation or objection proceeding is materially different from the position of the Reorganized Debtors;
- (vi) any Avoidance Actions, to the extent that the Plan Oversight Committee's position is materially different from the position of the Reorganized Debtors; and
- (vii) the following claim objections:
 - (A) claim objections by the Plan Oversight Committee pursuant to ARTICLE XV.D.2.e(ii) below; and
 - (B) any claim objections originally filed by the Creditors' Committee before the Confirmation Date to the extent that (1) the Plan Oversight Committee's position in such proceeding is materially different from the position of the Reorganized Debtors and (2) the claim objection would satisfy the requirements of ARTICLE XV.D.2.e(ii) below if brought by the Plan Oversight Committee after the Effective Date.
- (viii) an objection to the Reorganized Debtors' assumption of an executory contract or unexpired lease after the Effective Date that had previously been rejected pursuant to the Plan, to the extent that the cure associated with such decision is inconsistent with the Debtors' businesses plan; and
- (ix) such other matters as may be agreed upon in advance and in writing by the Reorganized Debtors in their reasonable discretion and the Plan Oversight Committee.

e. Claims Objections, Avoidance Actions, Plan Dates, and Other Matters

- (i) Every month for the first six months after the Effective Date and periodically as appropriate thereafter (but no less than quarterly for the twelve month period beginning on the seventh month after the Effective Date), the Reorganized Debtors shall report to and consult with the Plan Oversight Committee concerning:

(ii) The Plan Oversight Committee may request that the Debtors or Reorganized Debtors, as appropriate, estimate or object to any particular Claim (or category of similar types of claims) with an estimated or with a face amount in excess of \$1,000,000, failing which the Plan Oversight Committee, for good cause shown and after giving the Debtors or Reorganized Debtors a reasonable period of time and opportunity, but in no event less than thirty (30) days, object to such Claim, may file a motion seeking to commence such an objection or estimation on behalf of the estate, and the Debtors or Reorganized Debtors shall cooperate in all reasonable respects in connection with the foregoing; provided, however, that the Plan Oversight Committee shall not object to any Claim (A) previously settled between the Debtors or Reorganized Debtors and the respective Creditor pursuant to Court order, or (B) to which the Reorganized Debtors, in their reasonable business judgment, have determined that it is not appropriate to object. The Plan Oversight Committee shall have no liability to any party for any action or omission to act with respect to Claims.

(iii) The Debtors or Reorganized Debtors, as appropriate, shall report to and consult with the Plan Oversight Committee regarding their decision to (A) alter the treatment (i.e., from assume to reject and vice versa) of an executory contract or unexpired lease (or category of related or similar contracts) after the Confirmation Date, or (B) pay a late asserted cure claim, in either event if the cure Claim or rejection damage Claim exceeds \$1,000,000.

(v) The Debtors or the Reorganized Debtors, as appropriate, shall give the Plan Oversight Committee advance notice if the Distribution Date is later than sixty (60) days after the Effective Date.

f. Plan Oversight Committee Compensation, Expense Reimbursement, and Professional Representation

(i) Plan Oversight Committee Member Expense Reimbursement: The members of the Plan Oversight Committee shall serve without compensation, but they shall be reimbursed by the Reorganized Debtors for their reasonable and necessary out of pocket expenses incident to the performance of their duties within thirty (30) days of their submission of a detailed invoice, without further order of Court. In the event that the Reorganized Debtors or the Plan Oversight Committee objects to the amount of expenses requested by a member to be reimbursed, the Reorganized Debtors shall pay any undisputed portion and the objecting party shall file an objection to the balance with the Bankruptcy Court, which shall determine the amount to be paid.

(ii) Professional Compensation: The Plan Oversight Committee may retain such attorneys, accountants and other professionals as are reasonable and necessary to assist the Plan Oversight Committee in the performance of its duties; provided, however, that the Plan Oversight Committee shall provide the Reorganized Debtors with five (5) business days advance notice of any such retention. Such professionals shall be compensated and reimbursed by the Reorganized Debtors for their reasonable fees and necessary out of pocket expenses on written invoice within thirty days of submission of such invoice, without further order of Court. In the event that the Reorganized Debtors or the Plan Oversight Committee objects to the amount of fees and/or expenses sought by Committee's professionals, the Reorganized Debtors shall pay any undisputed portion and the objecting party shall file an objection to the balance with the Bankruptcy Court, which shall determine the amount to be paid.

g. Exculpation of Post Confirmation Committee: Except for their own gross negligence or willful misconduct, the members of the Post Confirmation Committee shall not be liable to, and shall be exculpated under the Plan for any liability to, any person or entity for any act taken or omitted by them and may, in good faith, exercise or fail to exercise any of their rights, duties, obligations or powers, nor shall the Committee's agents (in their capacity as such) be responsible for any recitals, representations or warranties contained in, or for the execution, validity, genuineness, effectiveness or enforceability of the Plan, the Disclosure Statement or any exhibit thereto or be liable to any person or entity for any action taken or omitted by them in the Chapter 11 Cases or otherwise in connection with their duties.

h. Plan Oversight Committee Duration: Notwithstanding anything contained herein to the contrary, the Plan Oversight Committee shall be dissolved and its members discharged and released by order of the Bankruptcy Court at the earliest of (a) upon completion of the functions assigned the Plan Oversight Committee, (b) upon approval of its own application to the Bankruptcy Court, or (c) once 80% of the total equity reserved for the unsecured creditor body under the Plan has been distributed to such creditors; provided, however, that notwithstanding the foregoing, upon notice to the Plan Oversight Committee and a hearing at any time after the First Distribution Date, the Reorganized Debtors may apply to the Bankruptcy Court for the dissolution of the Plan Oversight Committee for good cause shown.

i. Rights and Powers of the Plan Oversight Committee:

(i) Notwithstanding anything contained in the Plan to the contrary, the rights and powers of the Plan Oversight Committee are strictly limited to those matters expressly enumerated in ARTICLE XV.D.2, and such rights and powers may only be exercised in a manner consistent with the terms and conditions set forth therein. Accordingly, nothing in ARTICLE XV.D.2 of the Plan (nor in any other section of the Plan) shall confer on the Plan Oversight Committee the right to intervene in the claims objection, avoidance action, or other proceedings in any way related to the Plan or the administration of the Post-Confirmation Estate under Section 1109 of the Bankruptcy Code, Bankruptcy Rule 7024, or otherwise. The Plan Oversight Committee may not seek leave of court to expand its role beyond that set forth in ARTICLE XV.D.2 of the Plan without the prior written consent of the Reorganized Debtors, which may be withheld in the Reorganized Debtors' sole and absolute discretion.

(ii) Except as otherwise expressly and specifically provided in the Plan or as agreed to by the Reorganized Debtors, (A) the Plan Oversight Committee is bound by the terms of the Plan and cannot seek to modify, terminate, alter, or amend any terms of the Plan, and (B) the Plan Oversight Committee is bound by any and all order(s) entered in the Chapter 11 Cases and cannot seek to modify, terminate, alter, amend, appeal, or vacate any such orders.

E. Reservation of Rights: Except as expressly set forth in the Plan, the Plan shall have no force or effect unless the Bankruptcy Court shall enter the Confirmation Order. None of the filing of the Plan, any statement or provision contained in the Plan, or the taking of any action by any Debtor with respect to the Plan, the Disclosure Statement, or the Plan Supplement shall be or shall be deemed to be an admission or waiver of any rights of any Debtor with respect to the Holders of Claims or Interests prior to the Effective Date.

F. Successors and Assigns: The rights, benefits, and obligations of any Entity named or referred to in the Plan shall be binding on, and shall inure to the benefit of any heir, executor, administrator, successor or assign, affiliate, officer, director, agent, representative, attorney, beneficiaries, or guardian, if any, of such Entity.

2. After the Effective Date, the currently existing Bankruptcy Rule 2002 service list will be disregarded and any filings shall be served pursuant to the case management order as the same may be amended or modified. Entities that wish to be served with all filings in this case must file an electronic appearance with the Bankruptcy Court in the Chapter 11 Cases. Notwithstanding the foregoing, all parties must continue to comply with the case management order in the Chapter 11 Case, the Local Rules for the Northern District of Illinois, and the Federal Rules of Bankruptcy Procedure.

3. Notice of Entry of the Confirmation Order: In accordance with Bankruptcy Rule 2002 and 3020(c), within five business days of the date of entry of this Confirmation Order, the Reorganized Debtors (or their agents) shall provide the Notice of Confirmation by United States mail, first class postage prepaid, by hand, or by overnight courier service to all parties having been served with the Solicitation Notice; provided, however, that no notice or service of any kind shall be required to be mailed or made upon any person to whom the Debtors mailed a Solicitation Notice, but received such notice returned marked "undeliverable as addressed," "moved, left no forwarding address" or "forwarding order expired," or similar reason, unless the Debtors have been informed in writing by such person, or are otherwise aware, of that person's new address. To supplement the notice described in the preceding sentence, within fifteen days of the date of this Order the Debtors shall publish Notice of Confirmation once in The Wall Street Journal. Mailing and publication of the Notice of Confirmation in the time and manner set forth in the preceding paragraph are good and sufficient under the particular circumstances and in accordance with the requirements of Bankruptcy Rules 2002 and 3020(c), and no further notice is necessary.

H. **Term of Injunctions or Stays**: Unless otherwise provided in the Plan or in the Confirmation Order, all injunctions or stays in effect in the Chapter 11 Cases pursuant to Sections 105 or 362 of the Bankruptcy Code or any order of the Bankruptcy Court, and extant on the Confirmation Date (excluding any injunctions or stays contained in the Plan or the Confirmation Order) shall remain in full force and effect until the Effective Date. All injunctions or stays contained in the Plan or the Confirmation Order shall remain in full force and effect in accordance with their terms. Notwithstanding the foregoing, nothing herein shall bar the taking of such other actions as are necessary to effectuate the transactions specifically contemplated by the Plan or by the Confirmation Order.

I. Entire Agreement: Except as otherwise indicated, the Plan and the Plan Supplement (as amended from time to time) supersede all previous and contemporaneous negotiations, promises,

covenants, agreements, understandings and representations on such subjects, all of which have become merged and integrated into the Plan.

J. **Governing Law:** Unless a rule of law or procedure is supplied by federal law (including the Bankruptcy Code and Bankruptcy Rules) or unless otherwise specifically stated, the laws of the State of Illinois, without giving effect to the principles of conflict of laws, shall govern the rights, obligations, construction and implementation of the Plan, any agreements, documents, instruments, or contracts executed or entered into in connection with the Plan (except as otherwise set forth in those agreements, in which case the governing law of such agreement shall control), and corporate governance matters; provided, however, that corporate governance matters relating to Debtors not incorporated in Illinois shall be governed by the laws of the state of incorporation of the applicable Debtor.

K. **Exhibits:** All exhibits and documents included in the Plan Supplement are incorporated into and are a part of the Plan as if set forth in full in the Plan. Such exhibits and documents included in the Plan Supplement shall be filed with the Bankruptcy Court on or before the Plan Supplement Filing Date. After the exhibits and documents are filed, copies of such exhibits and documents can be obtained by contacting Poorman-Douglas at the number above or by downloading such exhibits and documents from the Debtors' private website at <http://www.pd-ual.com> or the Bankruptcy Court's website at <http://www.ilnb.uscourts.gov>. Except as provided in ARTICLE VI.N, to the extent any exhibit or document is inconsistent with the terms of the Plan, unless otherwise ordered by the Bankruptcy Court, the non-exhibit or non-document portion of the Plan shall control. Any amendment to such exhibits or documents shall be deemed an amendment to the Plan. Any amendment to the Plan shall be deemed an amendment to the exhibits or documents. Unless otherwise provided in the Plan, the Debtors reserve the right to amend or modify such exhibits or documents up to the Effective Date.

L. **Nonseverability of Plan Provisions:** All provisions of the Plan are integral thereto and no provision may be deleted or modified without the Debtors' consent, in their sole and absolute discretion.

M. **Plan and Confirmation Order Mutually Dependent:** The provisions of the Plan and the Confirmation Order are nonseverable and mutually dependent.

N. **Closing of Chapter 11 Cases:** The Reorganized Debtors shall, promptly after the full administration of the Chapter 11 Cases, file with the Bankruptcy Court all documents required by Bankruptcy Rule 3022 and any applicable order of the Bankruptcy Court to close the Chapter 11 Cases.

O. **Section Headings:** The Section headings contained in the Plan are for reference purposes only and shall not affect in any way the meaning or interpretation of the Plan.

P. **Waiver or Estoppel:** Each Holder of a Claim or an Interest shall be deemed to have waived any right to assert any argument, including, without limitation, the right to argue that its Claim or Interest should be Allowed in a certain amount, in a certain priority, secured or not subordinated by virtue of an agreement made with the Debtors and/or their counsel, the Creditors' Committee and/or its counsel, or any other Person, if such

agreement was not disclosed in the Plan, the Disclosure Statement, or papers filed with the Bankruptcy Court prior to the Confirmation Date; provided, however, that this paragraph shall not apply to the United States of America or any Governmental Unit thereof.

Q. Conflicts: Except as set forth in the Plan, to the extent that any provision of the Disclosure Statement, the Plan Supplement, or any other order referenced in the Plan (or any exhibits, schedules, appendices, supplements, or amendments to any of the foregoing), conflict with or are in any way inconsistent with any provision of the Plan, the Plan shall govern and control; provided, however, that to the extent that any provision of the Disclosure Statement, the Plan Supplement, any other order referenced in the Plan, or the Plan (or any exhibits, schedules, appendices, supplements, or amendments to any of the foregoing), conflict with or are in any way inconsistent with any provision of the Confirmation Order (including any amendments or supplemental agreements approved in the Confirmation Order), the Confirmation Order (including any amendments or supplemental agreements approved in the Confirmation Order) shall govern and control.

ORDER CONFIRMING DEBTORS’ SECOND AMENDED JOINT PLAN OF
REORGANIZATION PURSUANT TO CHAPTER 11 OF THE UNITED STATES
BANKRUPTCY CODE [Related to Docket No. 14813]

The Debtors’ Second Amended Joint Plan of Reorganization Pursuant to Chapter 11 of the United States Bankruptcy Code, filed by the above-captioned debtors and debtors-in-possession (the “Debtors”) on January 18, 2006, as amended and/or modified (the “Plan”)(1) [Docket No. 14813], a copy of which is attached hereto as Exhibit A, having been transmitted to Holders of Claims and Interests, entitled to vote thereon; and it appearing that this Court has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334; and it appearing that this proceeding is a core proceeding within the meaning of 28 U.S.C. § 157(b)(2); and it appearing that venue is proper in this District pursuant to 28 U.S.C. §§ 1408 and 1409; and it appearing that proper and adequate notice has been given under the circumstances and that no other or further notice is necessary; and after due deliberation and sufficient cause appearing therefor, it is hereby FOUND, DETERMINED, ORDERED AND ADJUDGED THAT:

1. The Plan, attached hereto as Exhibit A, is confirmed.

(1) All capitalized terms not expressly defined herein shall have the meaning ascribed to them in the Plan.

2. Votes for acceptance and rejection of the Plan were solicited in good faith and such solicitation complied with Sections 1125 and 1126 of the Bankruptcy Code, Bankruptcy Rules 3017 and 3018, the Disclosure Statement, all other applicable provisions of the Bankruptcy Code and all other applicable rules, laws and regulations.

3. The Plan complies with Section 1129 of the Bankruptcy Code.

4. Pursuant to Rule 3020(c)(1) of the Bankruptcy Rules, the following provisions in the Plan are hereby approved:

- (a) **Releases by the Debtors: Pursuant to Section 1123(b) of the Bankruptcy Code, and except as otherwise specifically provided in the Plan or the Plan Supplement, for good and valuable consideration, including the service of the MB Exculpated Parties and the Released Parties to facilitate the expeditious reorganization of the Debtors and the implementation of the restructuring contemplated by the Plan, on and after the Effective Date, the MB Exculpated Parties and the Released Parties are deemed released and discharged by the Debtors, the Reorganized Debtors, and the Estates from any and all claims, obligations, rights, suits, damages, Causes of Action, remedies, and liabilities whatsoever, including, without limitation, any derivative claims asserted on behalf of the Debtors, whether known or unknown, foreseen or unforeseen, existing or hereinafter arising, in law, equity or otherwise, that the Debtors, the Reorganized Debtors, the Estates, or their Affiliates would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of the Holder of any Claim or Interest or other Person or Entity, based upon or relating to, or in any manner arising from, in whole or in part, the Debtors, the Chapter 11 Cases, the purchase, sale, or rescission of the purchase or sale of any security of the Debtor, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in the Plan, the business or contractual arrangements between any Debtor and any MB Exculpated Party or Released Party, the restructuring of Claims and Interests prior to or in the Chapter 11 Cases, the negotiation, formulation, or preparation of the Plan and Disclosure Statement, or related agreements, instruments, or other documents, upon any other act or omission, transaction, agreement, event, or upon any other occurrence taking place on or before the Effective Date other than claims or liabilities arising out of or relating to any act or omission of a MB Exculpated Party or Released Party that constitutes a failure to perform the duty to act in good faith, with the care of an ordinarily prudent person and in a manner the MB Exculpated Party or Released Party reasonably believed to be in the**

best interests of the corporation (to the extent such duty is imposed by applicable non-bankruptcy law) where such failure to perform constitutes willful misconduct or gross negligence.

- (b) **Exculpation:** Except as otherwise specifically provided in the Plan, no Exculpated Party shall have or incur, and each Exculpated Party is hereby released and exculpated from any Exculpated Claim, except for gross negligence or willful misconduct, but in all respects such Entities shall be entitled to reasonably rely upon the advice of counsel with respect to their duties and responsibilities pursuant to the Plan. The Debtors (and each of their respective Affiliates, agents, directors, officers, employees, advisors, and attorneys) have, and upon Confirmation of the Plan shall be deemed to have, participated in good faith and in compliance with the applicable provisions of the Bankruptcy Code with regard to the distributions of the securities pursuant to the Plan, and therefore are not, and on account of such distributions shall not be, liable at any time for the violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of the Plan or such distributions made pursuant to the Plan. Nothing in this paragraph impairs the post-Effective Date Claims of the United States of America or any Governmental Unit thereof or the State of California with respect to police and regulatory powers, or to any cause of action or a claim under the Internal Revenue Code.
- (c) **Releases by Holders of Claims and Interests:** Except as otherwise specifically provided in the Plan, on and after the Effective Date, Holders of Claims and Interests (a) voting to accept the Plan, or (b) abstaining from voting on the Plan and electing not to opt out of the release contained in this paragraph (which by definition, does not include Holders of Claims and Interests who are not entitled to vote in favor of or against the Plan and in fact do not so vote) shall be deemed to have conclusively, absolutely, unconditionally, irrevocably, and forever, released and discharged the Released Parties from any and all Claims, obligations, rights, suits, damages, Causes of Action, remedies, and liabilities whatsoever, including any derivative Claims asserted on behalf of a Debtor, whether known or unknown, foreseen or unforeseen, existing or hereafter arising, in law, equity or otherwise, that such Person or Entity would have been legally entitled to assert (whether individually or collectively), based on or relating to, or in any manner arising from, in whole or in part, the Debtors, the Debtors' restructuring, the Debtors' Chapter 11 Cases, the purchase, sale, or rescission of the purchase or sale of any security of the Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in the Plan, the business or contractual arrangements between any Debtor, any Released Party, the restructuring of Claims and Interests prior to or in the

Chapter 11 Cases, the negotiation, formulation, or preparation of the Plan and Disclosure Statement, or related agreements, instruments, or other documents, upon any other act or omission, transaction, agreement, event, or other occurrence taking place on or before the Effective Date other than Claims or liabilities arising out of or relating to any act or omission of a Released Party that constitutes a failure to perform the duty to act in good faith, with the care of an ordinarily prudent person and in a manner the Released Party reasonably believed to be in the best interests of the corporation (to the extent such duty is imposed by applicable non-bankruptcy law) where such failure to perform constitutes willful misconduct or gross negligence. The vote or election of a trustee or other agent under this paragraph acting on behalf of or at the direction of a Holder of a Claim or Interest shall bind such Holder to the same extent as if such Holder had itself voted or made such election. The following parties shall be deemed to have opted out of releases provided for in this paragraph on their abstaining ballots: (1) the Illinois Department of Revenue, (2) the State of California; and (3) the City of Chicago.

- (d) **Chicago Municipal Bond Release:** Pursuant to the Chicago Municipal Bond Settlement Order and the Chicago Municipal Bond Settlement Agreement, on and after the Effective Date, the Chicago Municipal Bond Released Parties, including but not limited to the Trustees and the Designated Holders (as those terms are defined in the Chicago Municipal Bond Settlement Agreement) shall be conclusively, absolutely, unconditionally, irrevocably, and forever, released and discharged from any and all Claims, obligations, rights, suits, damages, Causes of Action, remedies, and liabilities whatsoever, including any derivative Claims asserted on behalf of a Debtor, whether known or unknown, foreseen or unforeseen, existing or hereafter arising, in law, equity or otherwise, of any Person or Entity, including the Holders (as defined under the Chicago Municipal Bond Settlement Agreement) (whether individually or collectively), based on or relating to, or in any manner arising from, in whole or in part, the Chicago Municipal Bond Agreements, the Chicago Municipal Bond Settlement Agreement, that certain Amended and Restated Airport Use Agreement and Terminal Facilities Lease dated as of January 1, 1985 between the City of Chicago and United, and any other agreement relating to the Chicago Municipal Bonds other than Claims or liabilities arising out of or relating to any act or omission of a Chicago Municipal Bond Released Party that constitutes willful misconduct or gross negligence.
- (e) **Injunction:** Except as otherwise expressly provided in the Plan or for obligations issued pursuant to the Plan, all Entities who have held, hold, or may hold Claims against or Interests in the Debtors or against the Released Parties and Exculpated Parties are permanently enjoined, from and after the Effective Date, from: (i) commencing or

continuing in any manner any action or other proceeding of any kind on account of or in connection with or with respect to any such Claim against or Interest in the Reorganized Debtors, the Exculpated Parties, the Released Parties, any statutory committee or members thereof, and the employees, agents, and professionals of each of the foregoing (acting in such capacity); (ii) enforcing, attaching, collecting, or recovering by any manner or means any judgment, award, decree or order against those Entities listed in subparagraph (i) above on account of or in connection with or with respect to any such Claim against or Interest in the Reorganized Debtors, the Exculpated Parties, the Released Parties, any statutory committee or members thereof, and the employees, agents, and professionals of each of the foregoing (acting in such capacity); (iii) creating, perfecting, or enforcing any encumbrance of any kind against those Entities listed in subparagraph (i) above, or the property or estates of those Entities listed in subparagraph (i) above on account of or in connection with or with respect to any such Claim against or Interest in the Reorganized Debtors, the Released Parties, the Exculpated Parties, any statutory committee or members thereof, and the employees, agents, and professionals of each of the foregoing (acting in such capacity); (iv) asserting any right of setoff, subrogation, or recoupment of any kind against any obligation due from those Entities listed in subparagraph (i) above or against the property or Estates of those Entities listed in subparagraph (i) above on account of or in connection with or with respect to any such Claim against or Interest in the Reorganized Debtors, the Exculpated Parties, the Released Parties, any statutory committee or members thereof, and the employees, agents, and professionals of each of the foregoing (acting in such capacity) unless such Holder has filed a motion requesting the right to perform such setoff on or before the Confirmation Date, and notwithstanding an indication in a Proof of Claim or Interest or otherwise that such Holder asserts, has, or intends to preserve any right of setoff pursuant to Section 553 of the Bankruptcy Code or otherwise; and (v) commencing or continuing in any manner any action or other proceeding of any kind on account of or in connection with or with respect to any such Claim against or Interest in the Reorganized Debtors, the Released Parties, the Exculpated Parties any statutory committee or members thereof, and the employees, agents, and professionals of each of the foregoing (acting in such capacity) released or settled pursuant to the Plan; provided, however, that nothing in this section shall impair the rights of the Texas Comptroller of Public Accounts under 28 U.S.C. § 1341.

5. This Court retains jurisdiction with respect to all matters arising from or related to the implementation of this Order.

6. Notwithstanding the possible applicability of Bankruptcy Rules 6004(g), 7062, 9014, or otherwise, the terms and conditions of this Order shall be immediately effective and enforceable upon its entry.

7. All time periods set forth in this Order shall be calculated in accordance with Bankruptcy Rule 9006(a).
