Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

The Company's Restated Certificate of Incorporation (the "Certificate of Incorporation") provides that no director will be personally liable to the Company or any of its stockholders for monetary damages for breach of fiduciary duty as a director, except for liability for (i) any breach of the director's duty of loyalty to the Company or

its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under Section 174 of the Delaware General Corporation Law (the "GCL") or (iv) for any transaction from which a director derived an improper personal benefit.

The Certificate of Incorporation also provides that each person who was or is made a party or is threatened to be made a party or is involved in any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (hereinafter a "proceeding"), by reason of the fact that he or she, or a person of whom he or she is the legal representative, is or was a director, officer, or employee, of the Company or is or was serving at the request of the Company as a director, officer, or employee of another corporation or of a partnership, joint venture, trust or other enterprise shall be indemnified and held harmless by the Company to the fullest extent authorized by the GCL, as the same exists or may hereafter be amended, against all expense, liability and loss actually and reasonably incurred or suffered by such person in connection therewith. Such indemnification shall continue as to a person who has ceased to be a director, officer, or employee and shall inure to the benefit of his or her heirs, executors and administrators. Under provisions of the Certificate of Incorporation, notwithstanding anything to the contrary, the Company shall not be obligated to indemnify a director, officer, or employee for costs and expenses relating to proceedings (or any part thereof) instituted against the Company by such director, officer, or employee (other than proceedings pursuant to which such director, officer, or employee is seeking to enforce such director's, officer's, or employee's indemnification rights hereunder). The right to indemnification includes the right to be paid by the Company the expenses incurred in defending any such proceeding in advance of its final disposition.

The right to indemnification set forth in the Certificate of Incorporation is not exclusive of any other right which any person may have or hereafter acquire under any statute, provision of the Certificate of Incorporation, by-law, agreement, vote of stockholders or disinterested directors or otherwise.

In addition, the Certificate of Incorporation provides that the Company may maintain insurance, at its expense, to protect itself and any director, officer, employee or agent of the Company or another corporation, partnership, joint venture, trust or other enterprise against any such expense, liability or loss, whether or not the Company would have the power to indemnify such person against such expense, liability or loss under the GCL.

Item 7. Exemption from Registration Claimed.

Not applicable.

Item 8. Exhibits.

See the accompanying Exhibit Index for a list of Exhibits to this Registration Statement.

Item 9. Undertakings.

(a) The undersigned registrant hereby undertakes:

(1) to file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) to reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement. Notwithstanding the foregoing, any increase or decrease in the volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the

maximum aggregate offering price set forth in the “Calculation of Registration Fee” table in the effective registration statement; and

(iii) to include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) of this section do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Company pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the Registration Statement;

(2) that, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; and

(3) to remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Company’s annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan’s annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

SIGNATURES

Pursuant to the requirements of the Securities Act of 1933, as amended, the registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-8 and has duly caused this Registration Statement to be signed on its behalf by the undersigned, thereunto duly authorized, in Elk Grove Township, State of Illinois, on February 28, 2006.

Registration Statement on Form S-8

Ladies and Gentlemen:

We are providing this letter in our capacity as special counsel to UAL Corporation, a Delaware corporation (the "Company"), in connection with the filing by the Company of a Registration Statement on Form S-8 under the Securities Act of 1933, as amended (the "Act"), with the Securities and Exchange Commission (the "Commission") covering the offering of up to 246,865 shares of common stock of the Company, par value \$0.01 per share (the "Shares"), pursuant to the UAL Corporation 2006 Management Equity Incentive Plan (the "MEIP").

For purposes of this letter, we have examined such documents, records, certificates, memoranda and other instruments deemed necessary as a basis for this opinion.

Based upon and subject to the assumptions and limitations stated in this letter, it is our opinion that the Shares are duly authorized and, when (i) the Registration Statement related to the Shares becomes effective under the Act, (ii) the Shares have been duly issued in accordance with the terms of the MEIP upon receipt of the consideration to be paid therefor (assuming in each case the consideration received by the Company is at least equal to \$0.01 per share), and (iii) the certificates representing the Shares comply as to form with the bylaws of the Company and the Delaware General Corporation Law and bear all necessary signatures and authentications, the Shares will be validly issued, fully paid and nonassessable.

Our opinion expressed above is subject to the qualification that we express no opinion as to the applicability of, compliance with, or effect of any laws except the General Corporation Law of the State of Delaware.

We have relied without independent investigation upon an assurance from the Company that the number of Shares which the Company is authorized to issue under the Restated Certificate of UAL Corporation exceeds the number of shares outstanding and the number of

shares which the Company is obligated to issue (or had otherwise reserved for issuance) for any purposes other than issuances in connection with the MEIP by at least the number of Shares which may be issued in connection with the MEIP, and we have assumed that such condition will remain true at all future times relevant to this opinion. We have assumed that the Company will cause certificates representing Shares issued in the future to be properly executed and delivered and will take all other actions appropriate for the issuances of such Shares. Our opinion assumes that the Registration Statement related to the Shares will become effective under the Act before any Shares covered by such Registration Statement are sold.

We hereby consent to the filing of this opinion with the Commission as Exhibit 5.1 to the Registration Statement. In giving this consent, we do not thereby admit that we are in the category of persons whose consent is required under Section 7 of the Act or the rules and regulations of the Commission.

We do not find it necessary for the purposes of this opinion, and accordingly we do not purport to cover herein, the application of the securities or "Blue Sky" laws of the various states to the issuance and sale of the Shares.

This opinion is limited to the specific issues addressed herein, and no opinion may be inferred or implied beyond that expressly stated herein. We assume no obligation to revise or supplement this opinion should the present laws of the State of Delaware be changed by legislative action, judicial decision or otherwise.

This opinion is furnished to you in connection with the filing of the Registration Statement and is not to be used, circulated, quoted or otherwise relied upon for any other purpose.

Sincerely,

/s/ Kirkland & Ellis LLP
