ASSIGNMENT AND ACCEPTANCE

ASSIGNMENT AND ACCEPTANCE

Dated: _____, 200__

Reference is made to the Revolving Credit, Term Loan and Guaranty Agreement, dated as of December 24, 2002 (as restated, amended, modified, supplemented and in effect from time to time, the "Credit Agreement"), among UNITED AIR LINES, INC., a Delaware corporation, as a Debtor and a Debtor-in-Possession (the "Borrower"), the Guarantors named therein, the Lenders named therein, JPMORGAN CHASE BANK ("JPMorgan Chase") and CITICORP USA, INC. ("CUSA"), as co-administrative agents (together, the "Agents") for the Lenders and JPMorgan Chase as paying agent (in such capacity, the "Paying Agent"). Capitalized terms used herein and not otherwise defined shall have the meanings assigned to such terms in the Credit Agreement. This Assignment and Acceptance between the Assignor (as set forth on Schedule I hereto and made a part hereof) and the Assignee (as set forth on Schedule I hereto and made a part hereof) is dated as of the Effective Date (as set forth on Schedule I hereto and made a part hereof).

1. The Assignor hereby irrevocably sells and assigns to the Assignee without recourse to the Assignor, and the Assignee hereby irrevocably purchases and assumes from the Assignor without recourse to the Assignor, as of the Effective Date, an undivided interest (the "Assigned Interest") in and to all the Assignor's rights and obligations under the Credit Agreement in a principal amount as set forth on Schedule I.
2. The Assignor (i) makes no representation or warranty and assumes no responsibility with respect to any statements, warranties or representations made in or in connection with the Credit Agreement or any other of the Loan Documents or the execution, legality, validity, enforceability, genuineness, sufficiency or value of the Credit Agreement, any other of the Loan Documents or any other instrument or document furnished pursuant thereto, other than that it is the legal and beneficial owner of the interest being assigned by it hereunder and that such interest is free and clear of any adverse claim; (ii) makes no representation or warranty and assumes no responsibility with respect to the financial condition of the Borrower, or the performance or observance by the Borrower of any of its obligations under the Credit Agreement, any of the other Loan Documents or any other instrument or document furnished pursuant thereto; and (iii) requests that the Agents evidence the Assigned Interest by recording the information contained on Schedule I in the Register which reflects the assignment being made hereby (and after giving effect to any other assignments which have become effective on the Effective Date).
3. The Assignee (i) represents and warrants that it is legally authorized to enter into this Assignment and Acceptance and that it is an Eligible Assignee; (ii) confirms that it has received a copy of the Credit Agreement, together with copies of the most recent financial statements delivered pursuant to Section 5.01 thereof, and such other documents and information as it has deemed appropriate to make its own credit analysis; (iii) agrees that it will, independently and without reliance upon the Paying Agent or the Agents, the Assignor or any other Lender and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under the Credit Agreement; (iv) appoints and authorizes the Paying Agent or the Agents to take such action as agent on its behalf and to exercise such powers under the Credit Agreement and the other Loan Documents as are delegated to the Paying Agent or the Agents by the terms thereof, together with such powers as are reasonably incidental thereto; (v) agrees that it will be bound by the provisions of the Credit Agreement and will perform in accordance with its terms all the obligations which by the terms of the Credit Agreement are required to be performed by it as a Lender;

(vi) if the Assignee is organized under the laws of a jurisdiction outside the United States, attaches the forms prescribed by the Internal Revenue Service of the United States certifying as to the Assignee's exemption from United States withholding taxes with respect to all payments to be made to the Assignee under the Credit Agreement; and (vii) has supplied the information requested on the administrative questionnaire heretofore supplied by the Paying Agent.

4. Following the execution of this Assignment and Acceptance, it will be delivered to the Paying Agent, together with a processing and recordation fee of \$3,500, for acceptance by it and recording by the Paying Agent pursuant to Section 10.03 of the Credit Agreement, effective as of the Effective Date (which Effective Date shall, unless otherwise agreed to by the Paying Agent (in writing), be within ten (10) Business Days after the execution of this Assignment and Acceptance).

5. Upon such acceptance and recording, from and after the Effective Date, the Paying Agent shall make all payments in respect of the Assigned Interest (including payments of principal, interest, fees and other amounts) to the Assignee, whether such amounts have accrued prior to the Effective Date or accrue subsequent to the Effective Date. The Assignor and Assignee shall make all appropriate adjustments in payments for periods prior to the Effective Date by the Paying Agent or with respect to the making of this assignment directly between themselves.

6. From and after the Effective Date, (i) the Assignee shall be a party to the Credit Agreement and, to the extent provided in this Assignment and Acceptance, have the rights and obligations of a Lender thereunder, and (ii) the Assignor shall, to the extent provided in this Assignment and Acceptance, relinquish its rights and be released from its obligations under the Credit Agreement provided that Assignor hereby represents and warrants that the restrictions set forth in Section 10.03 of the Credit Agreement pertaining to the minimum amount of assignments have been satisfied.

7. This Assignment and Acceptance shall be governed by, and construed in accordance with, the laws of the State of New York.

IN WITNESS WHEREOF, the parties hereto have caused this Assignment and Acceptance to be executed by their respective duly authorized officers on Schedule I hereto.
