### AMOUNT AND TERMS OF THE COMMITMENT

Section 2.01. The Advances. The Liquidity Provider hereby irrevocably agrees, on the terms and conditions hereinafter set forth, to make Advances to the Borrower from time to time on any Business Day during the period from the Effective Date until 12:00 Noon (New York City time) on the Expiry Date (unless the obligations of the Liquidity Provider shall be earlier terminated in accordance with the terms of Section 2.04(b)) in an aggregate amount at any time outstanding not to exceed the Maximum Commitment.

Section 2.02. Making the Advances. (a) Interest Advances shall be made in one or more Borrowings by delivery to the Liquidity Provider of one or more written and completed Notices of Borrowing in substantially the form of Annex I attached hereto, signed by a Responsible Officer of the Borrower, in an amount not exceeding the Maximum Available Commitment at such time and shall be used solely for the payment when due of the Stated Portion of interest on the Class C-II Certificates at the Stated Interest Rate therefor in accordance with Section 3.6(a) of the Intercreditor Agreement. Each Interest Advance made hereunder shall automatically reduce the Maximum Available Commitment and the amount available to be borrowed hereunder by subsequent Advances by the amount of such Interest Advance

(subject to reinstatement as provided in the next sentence). Upon repayment to the Liquidity Provider in full of the amount of any Interest Advance made pursuant to this Section 2.02(a), together with accrued interest thereon (as provided herein), the Maximum Available Commitment shall be reinstated by the amount of such repaid Interest Advance, but not to exceed the Maximum Commitment; provided, however, that the Maximum Available Commitment shall not be so reinstated at any time if (i) a Liquidity Event of Default shall have occurred and be continuing and (ii) there is a Performing Note Deficiency.

(b) A Non-Extension Advance shall be made in a single Borrowing if this Agreement is not extended in accordance with Section 3.6(d) of the Intercreditor Agreement (unless a Replacement Liquidity Facility to replace this Agreement shall have been delivered to the Borrower in accordance with said Section 3.6(d)) by delivery to the Liquidity Provider of a written and completed Notice of Borrowing in substantially the form of Annex II attached hereto, signed by a Responsible Officer of the Borrower, in an amount equal to the Maximum Available Commitment at such time, and shall be used to fund the ABN AMRO Sub-Account of the Class C-II Cash Collateral Account in accordance with said Section 3.6(d).

(c) A Downgrade Advance shall be made in a single Borrowing upon a downgrading of the Liquidity Provider's short-term unsecured debt rating issued by either Rating Agency below the Threshold Rating (as provided for in Section 3.6(c) of the Intercreditor Agreement) unless a Replacement Liquidity Facility to replace this Agreement shall have been delivered to the Borrower in accordance with said Section 3.6(c), by delivery to the Liquidity Provider of a written and completed Notice of Borrowing in substantially the form of Annex III attached hereto, signed by a Responsible Officer of the Borrower, in an amount equal to the Maximum Available Commitment at such time, and shall be used to fund the ABN AMRO Sub-Account of the Class C-II Cash Collateral Account in accordance with said Section 3.6(c).

(d) A Final Advance shall be made in a single Borrowing upon the receipt by the Borrower of a Termination Notice from the Liquidity Provider pursuant to Section 6.01 hereof by delivery to the Liquidity Provider of a written and completed Notice of Borrowing in substantially the form of Annex IV attached hereto, signed by a Responsible Officer of the Borrower, in an amount equal to the Maximum Available Commitment at such time, and shall be used to fund the ABN AMRO Sub-Account

of the Class C-II Cash Collateral Account (in accordance with Section 3.6(i) of the Intercreditor Agreement).

(e) Each Borrowing shall be made on notice in writing (a "Notice of Borrowing") in substantially the form required by Section 2.02(a), 2.02(b), 2.02(c) or 2.02(d), as the case may be, given by the Borrower to the Liquidity Provider. If a Notice of Borrowing is delivered by the Borrower in respect of any Borrowing no later than 12:00 Noon (New York City time) on a Business Day, the Liquidity Provider shall, upon satisfaction of the conditions precedent set forth in Section 4.02 with respect to a requested Borrowing, before 12:00 Noon (New York City time) on the first Business Day next following the day of receipt of such Notice of Borrowing or on such later Business Day specified in such Notice of Borrowing, make available to the Borrower, in accordance with its payment instructions, in U.S. dollars and immediately available funds, the amount of such Borrowing. If a Notice of Borrowing is delivered by the Borrower in respect of any Borrowing after 12:00 Noon (New York City time) on a Business Day, the Liquidity Provider shall, upon satisfaction of the conditions precedent set forth in Section 4.02 with respect to a requested Borrowing, before 12:00 Noon (New York City time) on the second Business Day next following the day of receipt of such Notice of Borrowing or on such later Business Day specified by the Borrower in such Notice of Borrowing, make available to the Borrower, in accordance with its payment instructions, in U.S. dollars and in immediately available funds, the amount of such Borrowing. Payments of proceeds of a Borrowing shall be made by wire transfer of immediately available funds to the Borrower in accordance with such wire transfer instructions as the Borrower shall furnish from time to time to the Liquidity Provider for such purpose. Each Notice of Borrowing shall be irrevocable and binding on the Borrower.

(f) Upon the making of any Advance requested pursuant to a Notice of Borrowing, in accordance with the Borrower's payment instructions, the Liquidity Provider shall be fully discharged of its obligation hereunder with respect to such Notice of Borrowing, and the Liquidity Provider shall not thereafter be obligated to make any further Advances hereunder in respect of such Notice of Borrowing to the Borrower or to any other Person. Following the making of any Advance pursuant to Section 2.02(b), (c) or (d) hereof to fund the ABN AMRO Sub-Account of the Class C-II Cash Collateral Account, the Liquidity Provider shall have no interest in or rights to the Class C-II

Cash Collateral Account, any Sub-Account thereof, such Advance or any other amounts from time to time on deposit in the Class C-II Cash Collateral Account or any Sub-Account thereof; provided that the foregoing shall not affect or impair the obligations of the Subordination Agent to make the distributions contemplated by Section 3.6(e) or (f) of the Intercreditor Agreement. By paying to the Borrower proceeds of Advances requested by the Borrower in accordance with the provisions of this Agreement, the Liquidity Provider makes no representation as to, and assumes no responsibility for, the correctness or sufficiency for any purpose of the amount of the Advances so made and requested.

Section 2.04. Adjustments or Termination of the Maximum Commitment. (a) Automatic Adjustments. Promptly following each date on which the Required Amount is (1) reduced as a result of a reduction in the Pool Balance of the Class C-II Certificates or otherwise, (2) increased as a result of an increase in the Stated Interest Rate or (3) subsequent to such an increase described in clause (2), reduced pursuant to the definition of "Stated Interest Rate", clause (y) of the definition of Maximum Commitment shall automatically be reduced or increased, as the case may be, to an amount equal to the Stated Portion of the Required Amount (as calculated by the Borrower). The Borrower shall give notice of any such automatic reduction or increase of the Maximum Commitment to the Liquidity Provider within two Business Days thereof. The failure by the Borrower to furnish any such notice shall not affect such automatic reduction or increase of the Maximum Commitment.

(b) Termination. Upon the making of any Provider Advance or Final Advance hereunder or the occurrence of the Termination Date, the obligation of the Liquidity Provider to make further Advances hereunder shall automatically and irrevocably terminate, and the Borrower shall not be entitled to request any further Borrowing hereunder.

Section 2.05. Repayments of Interest Advances or the Final Advance. Subject to Sections 2.06, 2.07 and 2.09 hereof, the Borrower hereby agrees, without notice of an Advance or demand for repayment from the Liquidity Provider (which notice and demand are hereby waived by the Borrower), to pay, or to cause to be paid, to the Liquidity Provider on each date on which the Liquidity Provider shall make an Interest Advance or the

Final Advance, an amount equal to (a) the amount of such Advance (any such Advance, until repaid, is referred to herein as an "Unpaid Advance"), plus (b) interest on the amount of each such Unpaid Advance as provided in Section 3.07 hereof; provided that if (i) the Liquidity Provider shall make a Provider Advance at any time after making one or more Interest Advances which shall not have been repaid in accordance with this Section 2.05 or (ii) this Liquidity Facility shall become a Downgraded Facility or Non-Extended Facility at any time when unreimbursed Interest Advances have reduced the Maximum Available Commitment to zero, then such Interest Advances shall cease to constitute Unpaid Advances and shall be deemed to have been changed into an Applied Downgrade Advance or an Applied Non-Extension Advance, as the case may be, for all purposes of this Agreement (including, without limitation, for the purpose of determining when such Interest Advance is required to be repaid to the Liquidity Provider in accordance with Section 2.06 and for the purposes of Section 2.06(b)). The Borrower and the Liquidity Provider agree that the repayment in full of each Interest Advance and Final Advance on the date such Advance is made is intended to be a contemporaneous exchange for new value given to the Borrower by the Liquidity Provider.

Section 2.06. Repayments of Provider Advances. (a) Amounts advanced hereunder in respect of a Provider Advance shall be deposited in the ABN AMRO Sub-Account of the Class C-II Cash Collateral Account, invested and withdrawn from the ABN AMRO Sub-Account of the Class C-II Cash Collateral Account as set forth in Sections 3.6(c), (d) and (f) of the Intercreditor Agreement. The Borrower agrees to pay to the Liquidity Provider, on each Regular Distribution Date, commencing on the first Regular Distribution Date after the making of a Provider Advance, interest on the principal amount of any such Provider Advance as provided in Section 3.07; provided, however, that amounts in respect of a Provider Advance withdrawn from the ABN AMRO Sub-Account of the Class C-II Cash Collateral Account for the purpose of paying interest on the Class C-II Certificates in accordance with Section 3.6(f) of the Intercreditor Agreement (the amount of any such withdrawal being (y) in the case of a Downgrade Advance, an "Applied Downgrade Advance" and (z) in the case of a Non-Extension Advance, an "Applied Non-Extension Advance" and, together with an Applied Downgrade Advance, an "Applied Provider Advance") shall thereafter (subject to Section 2.06(b)) be treated as an Interest Advance under this Agreement for purposes of determining the Applicable Liquidity Rate for interest payable

thereon; provided further, however, that if, following the making of a Provider Advance, the Liquidity Provider delivers a Termination Notice to the Borrower pursuant to Section 6.01 hereof, such Provider Advance shall thereafter be treated as a Final Advance under this Agreement for purposes of determining the Applicable Liquidity Rate for interest payable thereon. Subject to Sections 2.07 and 2.09 hereof, immediately upon the withdrawal of any amounts from the ABN AMRO Sub- Account of the Class C-II Cash Collateral Account on account of a reduction in the Required Amount, the Borrower shall repay to the Liquidity Provider a portion of the Provider Advances in a principal amount equal to the Stated Portion of such reduction, plus interest on the principal amount prepaid as provided in Section 3.07 hereof.

(b) At any time when an Applied Provider Advance (or any portion thereof) is outstanding, upon the deposit in the ABN AMRO Sub-Account of the Class C-II Cash Collateral Account of any amount pursuant to clause "third" of Section 2.4(b) of the Intercreditor Agreement, clause "third" of Section 3.2 of the Intercreditor Agreement or clause "fourth" of Section 3.3 of the Intercreditor Agreement (any such amount being a "Replenishment Amount") for the purpose of replenishing or increasing the balance thereof up to the Stated Portion of the Required Amount at such time, (i) the aggregate outstanding principal amount of all Applied Provider Advances (and of Provider Advances treated as an Interest Advance for purposes of determining the Applicable Liquidity Rate for interest payable thereon) shall be automatically reduced by the amount of such Replenishment Amount and (ii) the aggregate outstanding principal amount of all Unapplied Provider Advances shall be automatically increased by the amount of such Replenishment Amount.

(c) Upon the provision of a Replacement Liquidity Facility in replacement of this Agreement in accordance with Section 3.6(e) of the Intercreditor Agreement, amounts remaining on deposit in the ABN AMRO Sub-Account of the Class C-II Cash Collateral Account after giving effect to any Applied Provider Advance on the date of such replacement shall be reimbursed to the Liquidity Provider, but only to the extent such amounts are necessary to repay in full to the Liquidity Provider all amounts owing to it hereunder.

Section 2.07. Payments to the Liquidity Provider Under the Intercreditor Agreement. In order to provide for payment or repayment to the Liquidity Provider of any amounts hereunder, the Intercreditor Agreement provides that amounts available and

referred to in Articles II and III of the Intercreditor Agreement, to the extent payable to the Liquidity Provider pursuant to the terms of the Intercreditor Agreement (including, without limitation, Section 3.6(f) of the Intercreditor Agreement), shall be paid to the Liquidity Provider in accordance with the terms thereof. Amounts so paid to the Liquidity Provider shall be applied by the Liquidity Provider to Liquidity Obligations then due and payable in such manner as it shall deem appropriate.

Section 2.08. Book Entries. The Liquidity Provider shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrower resulting from Advances made from time to time and the amounts of principal and interest payable hereunder and paid from time to time in respect thereof; provided, however, that the failure by the Liquidity Provider to maintain such account or accounts shall not affect the obligations of the Borrower in respect of Advances.

Section 2.09. Payments from Available Funds Only. All payments to be made by the Borrower under this Agreement shall be made only from the Stated Portion of amounts that constitute Scheduled Payments, Special Payments or payments under Section 9.1 of the Participation Agreements and Sections 6 and 7 of the Note Purchase Agreement and only to the extent that the Borrower shall have sufficient income or proceeds therefrom to enable the Borrower to make payments in accordance with the terms hereof after giving effect to the priority of payments provisions set forth in the Intercreditor Agreement. The Liquidity Provider agrees that it will look solely to such amounts to the extent available for distribution to it as provided in the Intercreditor Agreement and this Agreement and that the Borrower, in its individual capacity, is not personally liable to it for any amounts payable or liability under this Agreement except as expressly provided in this Agreement, the Intercreditor Agreement or any Participation Agreement. Amounts on deposit in the ABN AMRO Sub-Account of the Class C-II Cash Collateral Account shall be available to the Borrower to make payments under this Agreement only to the extent and for the purposes expressly contemplated in Section 3.6(f) of the Intercreditor Agreement. Amounts on deposit in the other Sub-Account in respect of the Class C-II Certificates shall not be available to make payments under this Agreement.

Section 2.10. Extension of the Expiry Date; Non-Extension Advance. No earlier than the 60th day and no later

than the 40th day prior to the then effective Expiry Date (unless such Expiry Date is on or after the date that is 15 days after the Final Maturity Date for the Class C-II Certificates), the Borrower shall request that the Liquidity Provider extend the Expiry Date for a period of 364 days after the then effective Expiry Date (unless the obligations of the Liquidity Provider are earlier terminated in accordance with the terms hereof). The Liquidity Provider shall advise the Borrower, no earlier than 40 days and no later than 25 days prior to the then effective Expiry Date, whether, in its sole discretion, it agrees to so extend the Expiry Date. If the Liquidity Provider advises the Borrower on or before the 25th day prior to the Expiry Date then in effect that such Expiry Date shall not be so extended, or fails to irrevocably and unconditionally advise the Borrower on or before the 25th day prior to the Expiry Date then in effect that such Expiry Date shall be so extended (and, in each case, if the Liquidity Provider shall not have been replaced in accordance with Section 3.6(e) of the Intercreditor Agreement), the Borrower shall be entitled on and after such 25th day (but prior to the then effective Expiry Date) to request a Non-Extension Advance in accordance with Section 2.02(b) hereof and Section 3.6(d) of the Intercreditor Agreement.

### ARTICLE III

#### OBLIGATIONS OF THE BORROWER

Section 3.01. Increased Costs. Subject to the ABN AMRO Fee Letter, the Borrower shall pay to the Liquidity Provider from time to time such amounts as may be necessary to compensate the Liquidity Provider for any increased costs incurred by the Liquidity Provider which are attributable to its making or maintaining any LIBOR Advances hereunder or its obligation to make any such Advances hereunder, or any reduction in any amount receivable by the Liquidity Provider under this Agreement or the Intercreditor Agreement in respect of any such Advances or such obligation (such increases in costs and reductions in amounts receivable being herein called "Additional Costs"), resulting from any change after the date of this Agreement in U.S. federal, state, municipal, or foreign laws or regulations (including Regulation D), or the adoption or making after the date of this Agreement of any interpretations, directives, or requirements applying to a class of banks including the Liquidity Provider under any U.S. federal, state, municipal, or any foreign laws or regulations (whether or not having the force of law) by any court, central bank or monetary authority charged with the

interpretation or administration thereof (a "Regulatory Change"), which: (1) changes the basis of taxation of any amounts payable to the Liquidity Provider under this Agreement in respect of any such Advances (other than Excluded Taxes); or (2) imposes or modifies any reserve, special deposit, compulsory loan or similar requirements relating to any extensions of credit or other assets of, or any deposits with other liabilities of, the Liquidity Provider (including any such Advances or any deposits referred to in the definition of LIBOR Rate or related definitions). The Liquidity Provider agrees to use reasonable efforts (consistent with applicable legal and regulatory restrictions) to change the jurisdiction of its Lending Office if making such change would avoid the need for, or reduce the amount of, any amount payable under this Section that may thereafter accrue and would not, in the reasonable judgment of the Liquidity Provider, be otherwise disadvantageous to the Liquidity Provider.

The Liquidity Provider will notify the Borrower of any event occurring after the date of this Agreement that will entitle the Liquidity Provider to compensation pursuant to this Section 3.01 as promptly as practicable after it obtains knowledge thereof and determines to request such compensation, which notice shall describe in reasonable detail the calculation of the amounts owed under this Section. Determinations by the Liquidity Provider for purposes of this Section 3.01 of the effect of any Regulatory Change on its costs of making or maintaining Advances or on amounts receivable by it in respect of Advances, and of the additional amounts required to compensate the Liquidity Provider in respect of any Additional Costs, shall be prima facie evidence of the amount owed under this Section.

Section 3.02. Capital Adequacy. Subject to the ABN AMRO Fee Letter, if (1) the adoption, after the date hereof, of any applicable governmental law, rule or regulation regarding capital adequacy, (2) any change, after the date hereof, in the interpretation or administration of any such law, rule or regulation by any central bank or other governmental authority charged with the interpretation or administration thereof or (3) compliance by the Liquidity Provider or any corporation controlling the Liquidity Provider with any applicable guideline or request of general applicability, issued after the date hereof, by any central bank or other governmental authority (whether or not having the force of law) that constitutes a change of the nature described in clause (2), has the effect of requiring an increase in the amount of capital required to be

maintained by the Liquidity Provider or any corporation controlling the Liquidity Provider, and such increase is based upon the Liquidity Provider's obligations hereunder and other similar obligations, the Borrower shall pay to the Liquidity Provider from time to time such additional amount or amounts as are necessary to compensate the Liquidity Provider for such portion of such increase as shall be reasonably allocable to the Liquidity Provider's obligations to the Borrower hereunder. The Liquidity Provider agrees to use reasonable efforts (consistent with applicable legal and regulatory restrictions) to change the jurisdiction of its Lending Office if making such change would avoid the need for, or reduce the amount of, any amount payable under this Section that may thereafter accrue and would not, in the reasonable judgment of the Liquidity Provider, be otherwise materially disadvantageous to the Liquidity Provider.

The Liquidity Provider will notify the Borrower of any event occurring after the date of this Agreement that will entitle the Liquidity Provider to compensation pursuant to this Section 3.02 as promptly as practicable after it obtains knowledge thereof and determines to request such compensation, which notice shall describe in reasonable detail the calculation of the amounts owed under this Section. Determinations by the Liquidity Provider for purposes of this Section 3.02 of the effect of any increase in the amount of capital required to be maintained by the bank and of the amount allocable to the Liquidity Provider's obligations to the Borrower hereunder shall be prima facie evidence of the amounts owed under this Section.

Section 3.03. Payments Free of Deductions. All payments made by the Borrower under this Agreement shall be made free and clear of, and without reduction for or on account of, any present or future stamp or other taxes, levies, imposts, duties, charges, fees, deductions, withholdings, restrictions or conditions of any nature whatsoever now or hereafter imposed, levied, collected, withheld or assessed, excluding Excluded Taxes (such non-excluded taxes being referred to herein, collectively, as "Non-Excluded Taxes" and, individually, as a "Non-Excluded Tax"). If any Non- Excluded Taxes are required to be withheld from any amounts payable to the Liquidity Provider under this Agreement, the amounts so payable to the Liquidity Provider shall be increased to the extent necessary to yield to the Liquidity Provider (after payment of all Non-Excluded Taxes) interest or any other such amounts payable under this Agreement at the rates or in the amounts specified in this Agreement. The Liquidity

Provider agrees to use reasonable efforts (consistent with its internal policy and legal and regulatory restrictions) to change the jurisdiction of its Lending Office if making such change would avoid the need for, or reduce the amount of, any such additional amounts that may thereafter accrue and would not, in the reasonable judgment of the Liquidity Provider, be otherwise disadvantageous to the Liquidity Provider. From time to time upon the reasonable request of the Borrower, the Liquidity Provider agrees to provide to the Borrower two original Internal Revenue Service Forms 1001 or 4224, as appropriate, or any successor or other form prescribed by the Internal Revenue Service, certifying that the Liquidity Provider is exempt from or entitled to a reduced rate of United States withholding tax on payments pursuant to this Agreement.

Section 3.04. Payments. The Borrower shall make or cause to be made each payment to the Liquidity Provider under this Agreement so as to cause the same to be received by the Liquidity Provider not later than 1:00 P.M. (New York City time) on the day when due. The Borrower shall make all such payments in lawful money of the United States of America, to the Liquidity Provider in immediately available funds, by wire transfer to ABN AMRO Bank N.V., New York, NY, ABA # 026009580, Account Name: ABN AMRO Bank, N.V. - Chicago Branch, Account # 651-0-010111-42, Reference: Continental Airlines, Inc.

Section 3.05. Computations. All computations of interest based on the Base Rate shall be made on the basis of a year of 365 or 366 days, as the case may be, and all computations of interest based on the LIBOR Rate shall be made on the basis of a year of 360 days, in each case for the actual number of days (including the first day but excluding the last day) occurring in the period for which such interest is payable.

Section 3.06. Payment on Non-Business Days. Whenever any payment to be made hereunder shall be stated to be due on a day other than a Business Day, such payment shall be made on the next succeeding Business Day and no additional interest shall be due as a result (and if so made, shall be deemed to have been made when due). If any payment in respect of interest on an Advance is so deferred to the next succeeding Business Day, such deferral shall not delay the commencement of the next Interest Period for such Advance (if such Advance is a LIBOR Advance) or reduce the number of days for which interest will be payable on such Advance on the next interest payment date for such Advance.

Section 3.07. Interest. (a) Subject to Section 2.09, the Borrower shall pay, or shall cause to be paid, without duplication, interest on (i) the unpaid principal amount of each Advance from and including the date of such Advance (or, in the case of an Applied Provider Advance, from and including the date on which the amount thereof was withdrawn from the ABN AMRO Sub-Account of the Class C-II Cash Collateral Account to pay interest on the Class C-II Certificates) to but excluding the date such principal amount shall be paid in full (or, in the case of an Applied Provider Advance, the date on which the ABN AMRO Sub-Account of the Class C-II Cash Collateral Account is fully replenished in respect of such Advance) and (ii) any other amount due hereunder (whether fees, commissions, expenses or other amounts or, to the extent permitted by law, installments of interest on Advances or any such other amount) which is not paid when due (whether at stated maturity, by acceleration or otherwise) from and including the due date thereof to but excluding the date such amount is paid in full, in each such case, at a fluctuating interest rate per annum for each day equal to the Applicable Liquidity Rate (as defined below) for such Advance or such other amount as in effect for such day, but in no event at a rate per annum greater than the maximum rate permitted by applicable law; provided, however, that, if at any time the otherwise applicable interest rate as set forth in this Section 3.07 shall exceed the maximum rate permitted by applicable law, then any subsequent reduction in such interest rate will not reduce the rate of interest payable pursuant to this Section 3.07 below the maximum rate permitted by applicable law until the total amount of interest accrued equals the amount of interest that would have accrued if such otherwise applicable interest rate as set forth in this Section 3.07 had at all times been in effect.

(b) Except as provided in clause (e) below, each Advance will be either a Base Rate Advance or a LIBOR Advance as provided in this Section. Each such Advance will be a Base Rate Advance for the period from the date of its borrowing to (but excluding) the third Business Day following the Liquidity Provider's receipt of the Notice of Borrowing for such Advance. Thereafter, such Advance shall be a LIBOR Advance; provided that the Borrower (at the direction of the Controlling Party) may convert the Final Advance into a Base Rate Advance on the last day of an Interest Period for such Advance by giving the Liquidity Provider no less than four Business Days' prior written notice of such election.

(c) Each LIBOR Advance shall bear interest during each Interest Period at a rate per annum equal to the LIBOR Rate for such Interest Period plus the Applicable Margin for such LIBOR Advance, payable in arrears on the last day of such Interest Period and, in the event of the payment of principal of such LIBOR Advance on a day other than such last day, on the date of such payment (to the extent of interest accrued on the amount of principal repaid).

(d) Each Base Rate Advance shall bear interest at a rate per annum equal to the Base Rate plus the Applicable Margin for such Base Rate Advance, payable in arrears on each Regular Distribution Date and, in the event of the payment of principal of such Base Rate Advance on a day other than a Regular Distribution Date, on the date of such payment (to the extent of interest accrued on the amount of principal repaid).

(e) Each Unapplied Downgrade Advance (i) during the period from and including the date of the making of such Unapplied Downgrade Advance through but excluding the Expiry Date (or, if earlier, the date of repayment thereof or of conversion thereof into a Final Advance), shall bear interest in an amount equal to the Investment Earnings on amounts on deposit in the ABN AMRO Sub-Account of the Class C-II Cash Collateral Account for such period plus .35% per annum on the amount of such Unapplied Downgrade Advance from time to time during such period, payable in arrears on each Regular Distribution Date and (ii) thereafter, shall be a LIBOR Advance and shall bear interest in accordance with clause (c) above.

(f) Each amount not paid when due hereunder (whether fees, commissions, expenses or other amounts or, to the extent permitted by applicable law, installments of interest on Advances but excluding Advances) shall bear interest at a rate per annum equal to the Base Rate plus 2.00% until paid.

(g) Each change in the Base Rate shall become effective immediately. The rates of interest specified in this Section 3.07 with respect to any Advance or other amount shall be referred to as the "Applicable Liquidity Rate".

Section 3.08. Replacement of Borrower. From time to time and subject to the successor Borrower's meeting the eligibility requirements set forth in Section 6.9 of the Intercreditor Agreement applicable to the Subordination Agent, upon the effective date and time specified in a written and

completed Notice of Replacement Subordination Agent in substantially the form of Annex VI attached hereto (a "Notice of Replacement Subordination Agent") delivered to the Liquidity Provider by the then Borrower, the successor Borrower designated therein shall be substituted for as the Borrower for all purposes hereunder.

Section 3.09. Funding Loss Indemnification. The Borrower shall pay to the Liquidity Provider, upon the request of the Liquidity Provider, such amount or amounts as shall be sufficient (in the reasonable opinion of the Liquidity Provider) to compensate it for any loss, cost, or expense incurred by reason of the liquidation or redeployment of deposits or other funds acquired by the Liquidity Provider to fund or maintain any LIBOR Advance (but excluding loss of anticipated profits) incurred as a result of:

(1) Any repayment of a LIBOR Advance on a date other than the last day of the Interest Period for such Advance; or

(2) Any failure by the Borrower to borrow a LIBOR Advance on the date for borrowing specified in the relevant notice under Section 2.02.

Section 3.10. Illegality. Notwithstanding any other provision in this Agreement, if any change in any applicable law, rule or regulation, or any change in the interpretation or administration thereof by any governmental authority, central bank or comparable agency charged with the interpretation or administration thereof, or compliance by the Liquidity Provider (or its Lending Office) with any request or directive (whether or not having the force of law) of any such authority, central bank or comparable agency shall make it unlawful or impossible for the Liquidity Provider (or its Lending Office) to maintain or fund its LIBOR Advances, then upon notice to the Borrower by the Liquidity Provider, the outstanding principal amount of the LIBOR Advances shall be converted to Base Rate Advances (a) immediately upon demand of the Liquidity Provider, if such change or compliance with such request, in the judgment of the Liquidity Provider, requires immediate repayment; or (b) at the expiration of the last Interest Period to expire before the effective date of any such change or request.

Section 7.05. Indemnification; Survival of Certain Provisions. The Liquidity Provider shall be indemnified hereunder to the extent and in the manner described in Section 10.1 of the Participation Agreements and Section 6 of the Note Purchase Agreement. In addition, the Borrower agrees to indemnify, protect, defend and hold harmless the Liquidity Provider from, against and in respect of, and shall pay on demand, all Expenses of any kind or nature whatsoever (other than any Expenses of the nature described in Sections 3.01, 3.02 or 7.07 hereof or in the ABN AMRO Fee Letter (regardless of whether indemnified against pursuant to said Sections or in such Fee Letter)), that may be imposed, incurred by or asserted against any Liquidity Indemnitee, in any way relating to, resulting from, or arising out of or in connection with any action, suit or proceeding by any third party against such Liquidity Indemnitee and relating to this Agreement, the ABN AMRO Fee Letter, the Intercreditor Agreement or any Financing Agreement; provided, however, that the Borrower shall not be required to indemnify, protect, defend and hold harmless any Liquidity Indemnitee in respect of any Expense of such Liquidity Indemnitee (i) to the extent such Expense is attributable to the gross negligence or willful misconduct of such Liquidity Indemnitee or any other Liquidity Indemnitee, (ii) that is ordinary and usual operating overhead expense, and (iii) to the extent such Expense is attributable to the failure by such Liquidity Indemnitee or any

other Liquidity Indemnitee to perform or observe any agreement, covenant or condition on its part to be performed or observed in this Agreement, the Intercreditor Agreement, the ABN AMRO Fee Letter, the Tax Letter or any other Operative Document to which it is a party. The indemnities contained in such Section 10.1, and the provisions of Sections 3.01, 3.02, 3.03, 3.09, 7.05 and 7.07 hereof, shall survive the termination of this Agreement.

Section 7.06. Liability of the Liquidity Provider. (a) Neither the Liquidity Provider nor any of its officers, employees, directors or affiliates shall be liable or responsible for: (i) the use which may be made of the Advances or any acts or omissions of the Borrower or any beneficiary or transferee in connection therewith; (ii) the validity, sufficiency or genuineness of documents, or of any endorsement thereon, even if such documents should prove to be in any or all respects invalid, insufficient, fraudulent or forged; or (iii) the making of Advances by the Liquidity Provider against delivery of a Notice of Borrowing and other documents which do not comply with the terms hereof; provided, however, that the Borrower shall have a claim against the Liquidity Provider, and the Liquidity Provider shall be liable to the Borrower, to the extent of any damages suffered by the Borrower which were the result of (A) the Liquidity Provider's willful misconduct or negligence in determining whether documents presented hereunder comply with the terms hereof, or (B) any breach by the Liquidity Provider of any of the terms of this Agreement, including, but not limited to, the Liquidity Provider's failure to make lawful payment hereunder after the delivery to it by the Borrower of a Notice of Borrowing strictly complying with the terms and conditions hereof.

(b) Neither the Liquidity Provider nor any of its officers, employees, director or affiliates shall be liable or responsible in any respect for (i) any error, omission, interruption or delay in transmission, dispatch or delivery of any message or advice, however transmitted, in connection with this Agreement or any Notice of Borrowing delivered hereunder, or (ii) any action, inaction or omission which may be taken by it in good faith, absent willful misconduct or negligence (in which event the extent of the Liquidity Provider's potential liability to the Borrower shall be limited as set forth in the immediately preceding paragraph), in connection with this Agreement or any Notice of Borrowing.

Section 7.07. Costs, Expenses and Taxes. The Borrower agrees to pay, or cause to be paid (A) on the Effective Date and

on such later date or dates on which the Liquidity Provider shall make demand, all reasonable out-of-pocket costs and expenses (including, without limitation, the reasonable fees and expenses of outside counsel for the Liquidity Provider) of the Liquidity Provider in connection with the preparation, negotiation, execution, delivery, filing and recording of this Agreement, any other Operative Agreement and any other documents which may be delivered in connection with this Agreement and (B) on demand, all reasonable costs and expenses (including reasonable counsel fees and expenses) of the Liquidity Provider in connection with (i) the enforcement of this Agreement or any other Operative Agreement, (ii) the modification or amendment of, or supplement to, this Agreement or any other Operative Agreement or such other documents which may be delivered in connection herewith or therewith (whether or not the same shall become effective) or (iii) any action or proceeding relating to any order, injunction, or other process or decree restraining or seeking to restrain the Liquidity Provider from paying any amount under this Agreement, the Intercreditor Agreement or any other Operative Agreement or otherwise affecting the application of funds in the Cash Collateral Accounts. In addition, the Borrower shall pay any and all recording, stamp and other similar taxes and fees payable or determined to be payable in connection with the execution, delivery, filing and recording of this Agreement, any other Operative Agreement and such other documents, and agrees to save the Liquidity Provider harmless from and against any and all liabilities with respect to or resulting from any delay in paying or omission to pay such taxes or fees.

Section 7.08. Binding Effect; Participations. (a) This Agreement shall be binding upon and inure to the benefit of the Borrower and the Liquidity Provider and their respective successors and assigns, except that neither the Liquidity Provider (except as otherwise provided in this Section 7.08) nor (except as contemplated by Section 3.08) the Borrower shall have the right to assign its rights or obligations hereunder or any interest herein without the prior written consent of the other party, subject to the requirements of Section 7.08(b). The Liquidity Provider may grant participations herein or in any of its rights hereunder (including, without limitation, funded participations and participations in rights to receive interest payments hereunder) and under the other Operative Agreements to such Persons as the Liquidity Provider may in its sole discretion select, subject to the requirements of Section 7.08(b). No such participation by the Liquidity Provider, however, will relieve

the Liquidity Provider of its obligations hereunder. In connection with any participation or any proposed participation, the Liquidity Provider may disclose to the participant or the proposed participant any information that the Borrower is required to deliver or to disclose to the Liquidity Provider pursuant to this Agreement. The Borrower acknowledges and agrees that the Liquidity Provider's source of funds may derive in part from its participants (other than Continental). Accordingly, references in this Agreement and the other Operative Agreements to determinations, reserve and capital adequacy requirements, increased costs, reduced receipts, additional amounts due pursuant to Section 3.03(a) and the like as they pertain to the Liquidity Provider shall be deemed also to include those of each of its participants (subject, in each case, to the maximum amount that would have been incurred by or attributable to the Liquidity Provider directly if the Liquidity Provider, rather than the participant, had held the interest participated).

(b) If, pursuant to subsection (a) above, the Liquidity Provider sells any participation in this Agreement to any bank or other entity (each, a "Transferee"), then, concurrently with the effectiveness of such transfer, the Transferee shall (i) represent to the Liquidity Provider (for the benefit of the Liquidity Provider and the Borrower) either (A) that it is incorporated under the laws of the United States or a state thereof or (B) that under applicable law and treaties, no taxes will be required to be withheld with respect to any payments to be made to such Transferee in respect of this Agreement, (ii) furnish to the Liquidity Provider and the Borrower either (x) a statement that it is incorporated under the laws of the United States or a state thereof or (y) if it is not so incorporated, two copies of a properly completed United States Internal Revenue Service Form 4224 or Form 1001, as appropriate, or other applicable form, certificate or document prescribed by the Internal Revenue Service certifying, in each case, such Transferee's entitlement to a complete exemption from United States federal withholding tax in respect to any and all payments to be made hereunder, and (iii) agree (for the benefit of the Liquidity Provider and the Borrower) to provide the Liquidity Provider and the Borrower a new Form 4224 or

Form 1001, as appropriate, (A) on or before the date that any such form expires or becomes obsolete or (B) after the occurrence of any event requiring a change in the most recent form previously delivered by it and prior to the immediately following due date of any payment by the Borrower hereunder, certifying in the case of a Form 1001 or Form 4224 that such Transferee is entitled to a complete exemption from United States federal withholding tax on payments under this Agreement. Unless the Borrower has received forms or other documents reasonably satisfactory to it (and required by applicable law) indicating that payments hereunder are not subject to United States federal withholding tax, the Borrower will withhold taxes as required by law from such payments at the applicable statutory rate.

(c) Notwithstanding the other provisions of this Section 7.08, the Liquidity Provider may assign and pledge all or any portion of the Advances owing to it to any Federal Reserve Bank or the United States Treasury as collateral security pursuant to Regulation A of the Board of Governors of the Federal Reserve System and any Operating Circular issued by such Federal Reserve Bank, provided that any payment in respect of such assigned Advances made by the Borrower to the Liquidity Provider in accordance with the terms of this Agreement shall satisfy the Borrower's obligations hereunder in respect of such assigned Advance to the extent of such payment. No such assignment shall release the Liquidity Provider from its obligations hereunder.

Section 7.09. Severability. Any provision of this Agreement which is prohibited, unenforceable or not authorized in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition, unenforceability or non-authorization without invalidating the remaining provisions hereof or affecting the validity, enforceability or legality of such provision in any other jurisdiction.

Section 7.10. GOVERNING LAW. THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

Section 7.11. Submission to Jurisdiction; Waiver of Jury Trial; Waiver of Immunity. (a) Each of the parties hereto hereby irrevocably and unconditionally:

- (i) submits for itself and its property in any legal action or proceeding relating to this Agreement or any other Operative Agreement, or for recognition and enforcement of any judgment in respect hereof or thereof, to the nonexclusive general jurisdiction of the courts of the State of New York, the courts of the United States of America

for the Southern District of New York, and the appellate courts from any thereof;

- (ii) consents that any such action or proceeding may be brought in such courts, and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same;
- (iii) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form and mail), postage prepaid, to each party hereto at its address set forth in Section 7.02 hereof, or at such other address of which the Liquidity Provider shall have been notified pursuant thereto; and
- (iv) agrees that nothing herein shall affect the right to effect service of process in any other manner permitted by law or shall limit the right to sue in any other jurisdiction.

(b) THE BORROWER AND THE LIQUIDITY PROVIDER EACH HEREBY AGREE TO WAIVE THEIR RESPECTIVE RIGHTS TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING OUT OF THIS AGREEMENT OR ANY DEALINGS BETWEEN THEM RELATING TO THE SUBJECT MATTER OF THIS AGREEMENT AND THE RELATIONSHIP THAT IS BEING ESTABLISHED, including, without limitation, contract claims, tort claims, breach of duty claims and all other common law and statutory claims. The Borrower and the Liquidity Provider each warrant and represent that it has reviewed this waiver with its legal counsel, and that it knowingly and voluntarily waives its jury trial rights following consultation with such legal counsel. THIS WAIVER IS IRREVOCABLE, AND CANNOT BE MODIFIED EITHER ORALLY OR IN WRITING, AND THIS WAIVER SHALL APPLY TO ANY SUBSEQUENT AMENDMENTS, RENEWALS, SUPPLEMENTS OR MODIFICATIONS TO THIS AGREEMENT.

(c) The Liquidity Provider hereby waives any immunity it may have from the jurisdiction of the courts of the United States or of any State and waives any immunity any of its properties located in the United States may have from attachment or execution upon a judgement entered by any such court under the

United States Foreign Sovereign Immunities Act of 1976 or any similar successor legislation.

Section 7.12. Execution in Counterparts. This Agreement may be executed in any number of counterparts and by different parties hereto on separate counterparts, each of which counterparts, when so executed and delivered, shall be deemed to be an original and all of which counterparts, taken together, shall constitute but one and the same Agreement.

Section 7.13. Entirety. This Agreement, the Intercreditor Agreement and the other Operative Agreements to which the Liquidity Provider is a party constitute the entire agreement of the parties hereto with respect to the subject matter hereof and supersedes all prior understandings and agreements of such parties.

Section 7.14. Headings. Section headings in this Agreement are included herein for convenience of reference only and shall not constitute a part of this Agreement for any other purpose.

Section 7.15. Transfer. The Liquidity Provider hereby acknowledges and consents to the Transfer contemplated by the Assignment and Assumption Agreement.

Section 7.16. LIQUIDITY PROVIDER'S OBLIGATION TO MAKE ADVANCES. EXCEPT AS EXPRESSLY SET FORTH IN THIS AGREEMENT, THE OBLIGATIONS OF THE LIQUIDITY PROVIDER TO MAKE ADVANCES HEREUNDER, AND THE BORROWER'S RIGHTS TO DELIVER NOTICES OF BORROWING REQUESTING THE MAKING OF ADVANCES HEREUNDER, SHALL BE UNCONDITIONAL AND IRREVOCABLE, AND SHALL BE PAID OR PERFORMED, IN EACH CASE STRICTLY IN ACCORDANCE WITH THE TERMS OF THIS AGREEMENT.

IN WITNESS WHEREOF, the parties have caused this Agreement to be duly executed and delivered by their respective officers thereunto duly authorized as of the date first set forth above.

## ARTICLE II

### AMOUNT AND TERMS OF THE COMMITMENT

Section 2.01. The Advances. The Liquidity Provider hereby irrevocably agrees, on the terms and conditions hereinafter set forth, to make Advances to the Borrower from time to time on any Business Day during the period from the Effective Date until 12:00 Noon (New York City time) on the Expiry Date (unless the obligations of the Liquidity Provider shall be earlier terminated in accordance with the terms of Section 2.04(b)) in an aggregate amount at any time outstanding not to exceed the Maximum Commitment.

Section 2.02. Making the Advances. (a) Interest Advances shall be made in one or more Borrowings by delivery to the Liquidity Provider of one or more written and completed Notices of Borrowing in substantially the form of Annex I attached hereto, signed by a Responsible Officer of the Borrower, in an amount not exceeding the Maximum Available Commitment at such time and shall be used solely for the payment when due of the Stated Portion of interest on the Class C-II Certificates at the Stated Interest Rate therefor in accordance with Section 3.6(a) of the Intercreditor Agreement. Each Interest Advance made hereunder shall automatically reduce the Maximum Available Commitment and the amount available to be borrowed hereunder by

subsequent Advances by the amount of such Interest Advance (subject to reinstatement as provided in the next sentence). Upon repayment to the Liquidity Provider in full of the amount of any Interest Advance made pursuant to this Section 2.02(a), together with accrued interest thereon (as provided herein), the Maximum Available Commitment shall be reinstated by the amount of such repaid Interest Advance, but not to exceed the Maximum Commitment; provided, however, that the Maximum Available Commitment shall not be so reinstated at any time if (i) a Liquidity Event of Default shall have occurred and be continuing and (ii) there is a Performing Note Deficiency.

(b) A Non-Extension Advance shall be made in a single Borrowing if this Agreement is not extended in accordance with Section 3.6(d) of the Intercreditor Agreement (unless a Replacement Liquidity Facility to replace this Agreement shall have been delivered to the Borrower in accordance with said Section 3.6(d)) by delivery to the Liquidity Provider of a written and completed Notice of Borrowing in substantially the form of Annex II attached hereto, signed by a Responsible Officer of the Borrower, in an amount equal to the Maximum Available Commitment at such time, and shall be used to fund the ING Sub-Account of the Class C-II Cash Collateral Account in accordance with said Section 3.6(d).

(c) A Downgrade Advance shall be made in a single Borrowing upon a downgrading of the Liquidity Provider's short-term unsecured debt rating issued by either Rating Agency below the Threshold Rating (as provided for in Section 3.6(c) of the Intercreditor Agreement) unless a Replacement Liquidity Facility to replace this Agreement shall have been delivered to the Borrower in accordance with said Section 3.6(c), by delivery to the Liquidity Provider of a written and completed Notice of Borrowing in substantially the form of Annex III attached hereto, signed by a Responsible Officer of the Borrower, in an amount equal to the Maximum Available Commitment at such time, and shall be used to fund the ING Sub-Account of the Class C-II Cash Collateral Account in accordance with said Section 3.6(c).

(d) A Final Advance shall be made in a single Borrowing upon the receipt by the Borrower of a Termination Notice from the Liquidity Provider pursuant to Section 6.01 hereof by delivery to the Liquidity Provider of a written and completed Notice of Borrowing in substantially the form of Annex IV attached hereto, signed by a Responsible Officer of the

Borrower, in an amount equal to the Maximum Available Commitment at such time, and shall be used to fund the ING Sub-Account of the Class C-II Cash Collateral Account (in accordance with Section 3.6(i) of the Intercreditor Agreement).

(e) Each Borrowing shall be made on notice in writing (a "Notice of Borrowing") in substantially the form required by Section 2.02(a), 2.02(b), 2.02(c) or 2.02(d), as the case may be, given by the Borrower to the Liquidity Provider. If a Notice of Borrowing is delivered by the Borrower in respect of any Borrowing no later than 12:00 Noon (New York City time) on a Business Day, the Liquidity Provider shall, upon satisfaction of the conditions precedent set forth in Section 4.02 with respect to a requested Borrowing, before 12:00 Noon (New York City time) on the first Business Day next following the day of receipt of such Notice of Borrowing or on such later Business Day specified in such Notice of Borrowing, make available to the Borrower, in accordance with its payment instructions, in U.S. dollars and immediately available funds, the amount of such Borrowing. If a Notice of Borrowing is delivered by the Borrower in respect of any Borrowing after 12:00 Noon (New York City time) on a Business Day, the Liquidity Provider shall, upon satisfaction of the conditions precedent set forth in Section 4.02 with respect to a requested Borrowing, before 12:00 Noon (New York City time) on the second Business Day next following the day of receipt of such Notice of Borrowing or on such later Business Day specified by the Borrower in such Notice of Borrowing, make available to the Borrower, in accordance with its payment instructions, in U.S. dollars and in immediately available funds, the amount of such Borrowing. Payments of proceeds of a Borrowing shall be made by wire transfer of immediately available funds to the Borrower in accordance with such wire transfer instructions as the Borrower shall furnish from time to time to the Liquidity Provider for such purpose. Each Notice of Borrowing shall be irrevocable and binding on the Borrower.

(f) Upon the making of any Advance requested pursuant to a Notice of Borrowing, in accordance with the Borrower's payment instructions, the Liquidity Provider shall be fully discharged of its obligation hereunder with respect to such Notice of Borrowing, and the Liquidity Provider shall not thereafter be obligated to make any further Advances hereunder in respect of such Notice of Borrowing to the Borrower or to any other Person. Following the making of any Advance pursuant to Section 2.02(b), (c) or (d) hereof to fund the ING Sub-Account of

the Class C-II Cash Collateral Account, the Liquidity Provider shall have no interest in or rights to the Class C-II Cash Collateral Account, any Sub-Account thereof, such Advance or any other amounts from time to time on deposit in the Class C-II Cash Collateral Account or any Sub-Account thereof; provided that the foregoing shall not affect or impair the obligations of the Subordination Agent to make the distributions contemplated by Section 3.6(e) or (f) of the Intercreditor Agreement. By paying to the Borrower proceeds of Advances requested by the Borrower in accordance with the provisions of this Agreement, the Liquidity Provider makes no representation as to, and assumes no responsibility for, the correctness or sufficiency for any purpose of the amount of the Advances so made and requested.

Section 2.03. Fees. The Borrower agrees to pay to the Liquidity Provider the fees set forth in the ING Fee Letter.

Section 2.04. Adjustments or Termination of the Maximum Commitment. (a) Automatic Adjustments. Promptly following each date on which the Required Amount is (1) reduced as a result of a reduction in the Pool Balance of the Class C-II Certificates or otherwise, (2) increased as a result of an increase in the Stated Interest Rate or (3) subsequent to such an increase described in clause (2), reduced pursuant to the definition of "Stated Interest Rate", clause (y) of the definition of Maximum Commitment shall automatically be reduced or increased, as the case may be, to an amount equal to the Stated Portion of the Required Amount (as calculated by the Borrower). The Borrower shall give notice of any such automatic reduction or increase of the Maximum Commitment to the Liquidity Provider within two Business Days thereof. The failure by the Borrower to furnish any such notice shall not affect such automatic reduction or increase of the Maximum Commitment.

(b) Termination. Upon the making of any Provider Advance or Final Advance hereunder or the occurrence of the Termination Date, the obligation of the Liquidity Provider to make further Advances hereunder shall automatically and irrevocably terminate, and the Borrower shall not be entitled to request any further Borrowing hereunder.

Section 2.05. Repayments of Interest Advances or the Final Advance. Subject to Sections 2.06, 2.07 and 2.09 hereof, the Borrower hereby agrees, without notice of an Advance or demand for repayment from the Liquidity Provider (which notice

and demand are hereby waived by the Borrower), to pay, or to cause to be paid, to the Liquidity Provider on each date on which the Liquidity Provider shall make an Interest Advance or the Final Advance, an amount equal to (a) the amount of such Advance (any such Advance, until repaid, is referred to herein as an "Unpaid Advance"), plus (b) interest on the amount of each such Unpaid Advance as provided in Section 3.07 hereof; provided that if (i) the Liquidity Provider shall make a Provider Advance at any time after making one or more Interest Advances which shall not have been repaid in accordance with this Section 2.05 or (ii) this Liquidity Facility shall become a Downgraded Facility or Non-Extended Facility at any time when unreimbursed Interest Advances have reduced the Maximum Available Commitment to zero, then such Interest Advances shall cease to constitute Unpaid Advances and shall be deemed to have been changed into an Applied Downgrade Advance or an Applied Non-Extension Advance, as the case may be, for all purposes of this Agreement (including, without limitation, for the purpose of determining when such Interest Advance is required to be repaid to the Liquidity Provider in accordance with Section 2.06 and for the purposes of Section 2.06(b)). The Borrower and the Liquidity Provider agree that the repayment in full of each Interest Advance and Final Advance on the date such Advance is made is intended to be a contemporaneous exchange for new value given to the Borrower by the Liquidity Provider.

Section 2.06. Repayments of Provider Advances. (a) Amounts advanced hereunder in respect of a Provider Advance shall be deposited in the ING Sub-Account of the Class C-II Cash Collateral Account, invested and withdrawn from the ING Sub-Account of the Class C-II Cash Collateral Account as set forth in Sections 3.6(c), (d) and (f) of the Intercreditor Agreement. The Borrower agrees to pay to the Liquidity Provider, on each Regular Distribution Date, commencing on the first Regular Distribution Date after the making of a Provider Advance, interest on the principal amount of any such Provider Advance as provided in Section 3.07; provided, however, that amounts in respect of a Provider Advance withdrawn from the ING Sub-Account of the Class C-II Cash Collateral Account for the purpose of paying interest on the Class C-II Certificates in accordance with Section 3.6(f) of the Intercreditor Agreement (the amount of any such withdrawal being (y) in the case of a Downgrade Advance, an "Applied Downgrade Advance" and (z) in the case of a Non-Extension Advance, an "Applied Non-Extension Advance" and, together with an Applied Downgrade Advance, an "Applied Provider Advance") shall

thereafter (subject to Section 2.06(b)) be treated as an Interest Advance under this Agreement for purposes of determining the Applicable Liquidity Rate for interest payable thereon; provided further, however, that if, following the making of a Provider Advance, the Liquidity Provider delivers a Termination Notice to the Borrower pursuant to Section 6.01 hereof, such Provider Advance shall thereafter be treated as a Final Advance under this Agreement for purposes of determining the Applicable Liquidity Rate for interest payable thereon. Subject to Sections 2.07 and 2.09 hereof, immediately upon the withdrawal of any amounts from the ING Sub-Account of the Class C-II Cash Collateral Account on account of a reduction in the Required Amount, the Borrower shall repay to the Liquidity Provider a portion of the Provider Advances in a principal amount equal to the Stated Portion of such reduction, plus interest on the principal amount prepaid as provided in Section 3.07 hereof.

(b) At any time when an Applied Provider Advance (or any portion thereof) is outstanding, upon the deposit in the ING Sub-Account of the Class C-II Cash Collateral Account of any amount pursuant to clause "third" of Section 2.4(b) of the Intercreditor Agreement, clause "third" of Section 3.2 of the Intercreditor Agreement or clause "fourth" of Section 3.3 of the Intercreditor Agreement (any such amount being a "Replenishment Amount") for the purpose of replenishing or increasing the balance thereof up to the Stated Portion of the Required Amount at such time, (i) the aggregate outstanding principal amount of all Applied Provider Advances (and of Provider Advances treated as an Interest Advance for purposes of determining the Applicable Liquidity Rate for interest payable thereon) shall be automatically reduced by the amount of such Replenishment Amount and (ii) the aggregate outstanding principal amount of all Unapplied Provider Advances shall be automatically increased by the amount of such Replenishment Amount.

(c) Upon the provision of a Replacement Liquidity Facility in replacement of this Agreement in accordance with Section 3.6(e) of the Intercreditor Agreement, amounts remaining on deposit in the ING Sub-Account of the Class C-II Cash Collateral Account after giving effect to any Applied Provider Advance on the date of such replacement shall be reimbursed to the Liquidity Provider, but only to the extent such amounts are necessary to repay in full to the Liquidity Provider all amounts owing to it hereunder.

Section 2.07. Payments to the Liquidity Provider Under the Intercreditor Agreement. In order to provide for payment or repayment to the Liquidity Provider of any amounts hereunder, the Intercreditor Agreement provides that amounts available and referred to in Articles II and III of the Intercreditor Agreement, to the extent payable to the Liquidity Provider pursuant to the terms of the Intercreditor Agreement (including, without limitation, Section 3.6(f) of the Intercreditor Agreement), shall be paid to the Liquidity Provider in accordance with the terms thereof. Amounts so paid to the Liquidity Provider shall be applied by the Liquidity Provider to Liquidity Obligations then due and payable in such manner as it shall deem appropriate.

Section 2.08. Book Entries. The Liquidity Provider shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrower resulting from Advances made from time to time and the amounts of principal and interest payable hereunder and paid from time to time in respect thereof; provided, however, that the failure by the Liquidity Provider to maintain such account or accounts shall not affect the obligations of the Borrower in respect of Advances.

Section 2.09. Payments from Available Funds Only. All payments to be made by the Borrower under this Agreement shall be made only from the Stated Portion of amounts that constitute Scheduled Payments, Special Payments or payments under Section 9.1 of the Participation Agreements and Sections 6 and 7 of the Note Purchase Agreement and only to the extent that the Borrower shall have sufficient income or proceeds therefrom to enable the Borrower to make payments in accordance with the terms hereof after giving effect to the priority of payments provisions set forth in the Intercreditor Agreement. The Liquidity Provider agrees that it will look solely to such amounts to the extent available for distribution to it as provided in the Intercreditor Agreement and this Agreement and that the Borrower, in its individual capacity, is not personally liable to it for any amounts payable or liability under this Agreement except as expressly provided in this Agreement, the Intercreditor Agreement or any Participation Agreement. Amounts on deposit in the ING Sub-Account of the Class C-II Cash Collateral Account shall be available to the Borrower to make payments under this Agreement only to the extent and for the purposes expressly contemplated in Section 3.6(f) of the Intercreditor Agreement. Amounts on deposit in the other Sub-Account in respect of the Class C-II

Certificates shall not be available to make payments under this Agreement.

Section 2.10. Extension of the Expiry Date; Non-Extension Advance. No earlier than the 60th day and no later than the 40th day prior to the then effective Expiry Date (unless such Expiry Date is on or after the date that is 15 days after the Final Maturity Date for the Class C-II Certificates), the Borrower shall request that the Liquidity Provider extend the Expiry Date for a period of 364 days after the then effective Expiry Date (unless the obligations of the Liquidity Provider are earlier terminated in accordance with the terms hereof). The Liquidity Provider shall advise the Borrower, no earlier than 40 days and no later than 25 days prior to the then effective Expiry Date, whether, in its sole discretion, it agrees to so extend the Expiry Date. If the Liquidity Provider advises the Borrower on or before the 25th day prior to the Expiry Date then in effect that such Expiry Date shall not be so extended, or fails to irrevocably and unconditionally advise the Borrower on or before the 25th day prior to the Expiry Date then in effect that such Expiry Date shall be so extended (and, in each case, if the Liquidity Provider shall not have been replaced in accordance with Section 3.6(e) of the Intercreditor Agreement), the Borrower shall be entitled on and after such 25th day (but prior to the then effective Expiry Date) to request a Non-Extension Advance in accordance with Section 2.02(b) hereof and Section 3.6(d) of the Intercreditor Agreement.

### ARTICLE III

#### OBLIGATIONS OF THE BORROWER

Section 3.01. Increased Costs. Subject to the ING Fee Letter, the Borrower shall pay to the Liquidity Provider from time to time such amounts as may be necessary to compensate the Liquidity Provider for any increased costs incurred by the Liquidity Provider which are attributable to its making or maintaining any LIBOR Advances hereunder or its obligation to make any such Advances hereunder, or any reduction in any amount receivable by the Liquidity Provider under this Agreement or the Intercreditor Agreement in respect of any such Advances or such obligation (such increases in costs and reductions in amounts receivable being herein called "Additional Costs"), resulting from any change after the date of this Agreement in U.S. federal,

state, municipal, or foreign laws or regulations (including Regulation D), or the adoption or making after the date of this Agreement of any interpretations, directives, or requirements applying to a class of banks including the Liquidity Provider under any U.S. federal, state, municipal, or any foreign laws or regulations (whether or not having the force of law) by any court, central bank or monetary authority charged with the interpretation or administration thereof (a "Regulatory Change"), which: (1) changes the basis of taxation of any amounts payable to the Liquidity Provider under this Agreement in respect of any such Advances (other than Excluded Taxes); or (2) imposes or modifies any reserve, special deposit, compulsory loan or similar requirements relating to any extensions of credit or other assets of, or any deposits with other liabilities of, the Liquidity Provider (including any such Advances or any deposits referred to in the definition of LIBOR Rate or related definitions). The Liquidity Provider agrees to use reasonable efforts (consistent with applicable legal and regulatory restrictions) to change the jurisdiction of its Lending Office if making such change would avoid the need for, or reduce the amount of, any amount payable under this Section that may thereafter accrue and would not, in the reasonable judgment of the Liquidity Provider, be otherwise disadvantageous to the Liquidity Provider.

The Liquidity Provider will notify the Borrower of any event occurring after the date of this Agreement that will entitle the Liquidity Provider to compensation pursuant to this Section 3.01 as promptly as practicable after it obtains knowledge thereof and determines to request such compensation, which notice shall describe in reasonable detail the calculation of the amounts owed under this Section. Determinations by the Liquidity Provider for purposes of this Section 3.01 of the effect of any Regulatory Change on its costs of making or maintaining Advances or on amounts receivable by it in respect of Advances, and of the additional amounts required to compensate the Liquidity Provider in respect of any Additional Costs, shall be prima facie evidence of the amount owed under this Section.

Section 3.02. Capital Adequacy. Subject to the ING Fee Letter, if (1) the adoption, after the date hereof, of any applicable governmental law, rule or regulation regarding capital adequacy, (2) any change, after the date hereof, in the interpretation or administration of any such law, rule or regulation by any central bank or other governmental authority charged with the interpretation or administration thereof or

(3) compliance by the Liquidity Provider or any corporation controlling the Liquidity Provider with any applicable guideline or request of general applicability, issued after the date hereof, by any central bank or other governmental authority (whether or not having the force of law) that constitutes a change of the nature described in clause (2), has the effect of requiring an increase in the amount of capital required to be maintained by the Liquidity Provider or any corporation controlling the Liquidity Provider, and such increase is based upon the Liquidity Provider's obligations hereunder and other similar obligations, the Borrower shall pay to the Liquidity Provider from time to time such additional amount or amounts as are necessary to compensate the Liquidity Provider for such portion of such increase as shall be reasonably allocable to the Liquidity Provider's obligations to the Borrower hereunder. The Liquidity Provider agrees to use reasonable efforts (consistent with applicable legal and regulatory restrictions) to change the jurisdiction of its Lending Office if making such change would avoid the need for, or reduce the amount of, any amount payable under this Section that may thereafter accrue and would not, in the reasonable judgment of the Liquidity Provider, be otherwise materially disadvantageous to the Liquidity Provider.

The Liquidity Provider will notify the Borrower of any event occurring after the date of this Agreement that will entitle the Liquidity Provider to compensation pursuant to this Section 3.02 as promptly as practicable after it obtains knowledge thereof and determines to request such compensation, which notice shall describe in reasonable detail the calculation of the amounts owed under this Section. Determinations by the Liquidity Provider for purposes of this Section 3.02 of the effect of any increase in the amount of capital required to be maintained by the bank and of the amount allocable to the Liquidity Provider's obligations to the Borrower hereunder shall be prima facie evidence of the amounts owed under this Section.

Section 3.03. Payments Free of Deductions. (a) All payments made by the Borrower under this Agreement shall be made free and clear of, and without reduction for or on account of, any present or future stamp or other taxes, levies, imposts, duties, charges, fees, deductions, withholdings, restrictions or conditions of any nature whatsoever now or hereafter imposed, levied, collected, withheld or assessed, excluding Excluded Taxes (such non-excluded taxes being referred to herein, collectively, as "Non-Excluded Taxes" and, individually, as a "Non-Excluded

Tax"). If any Non-Excluded Taxes are required to be withheld from any amounts payable to the Liquidity Provider under this Agreement, the amounts so payable to the Liquidity Provider shall be increased to the extent necessary to yield to the Liquidity Provider (after payment of all Non-Excluded Taxes) interest or any other such amounts payable under this Agreement at the rates or in the amounts specified in this Agreement. The Liquidity Provider agrees to use reasonable efforts (consistent with its internal policy and legal and regulatory restrictions) to change the jurisdiction of its Lending Office if making such change would avoid the need for, or reduce the amount of, any such additional amounts that may thereafter accrue and would not, in the reasonable judgment of the Liquidity Provider, be otherwise disadvantageous to the Liquidity Provider. From time to time upon the reasonable request of the Borrower, the Liquidity Provider agrees to provide to the Borrower two original Internal Revenue Service Forms 1001 or 4224, as appropriate, or any successor or other form prescribed by the Internal Revenue Service, certifying that the Liquidity Provider is exempt from or entitled to a reduced rate of United States withholding tax on payments pursuant to this Agreement.

(b) All payments (including, without limitation, Advances) made by the Liquidity Provider under this Agreement shall be made free and clear of, and without reduction for or on account of, any Taxes. If any Taxes are required to be withheld or deducted from any amounts payable to the Borrower under this Agreement, the Liquidity Provider shall (i) within the time prescribed therefor by applicable law pay to the appropriate governmental or taxing authority the full amount of any such Taxes (and any additional Taxes in respect of the payment required under clause (ii) hereof) and make such reports or returns in connection therewith at the time or times and in the manner prescribed by applicable law, and (ii) pay to the Borrower an additional amount which (after deduction of all such Taxes) will be sufficient to yield to the Borrower the full amount which would have been received by it had no such withholding or deduction been made. Within 30 days after the date of each payment hereunder, the Liquidity Provider shall furnish to the Borrower the original or a certified copy of (or other documentary evidence of) the payment of the Taxes applicable to such payment.

Section 3.04. Payments. The Borrower shall make or cause to be made each payment to the Liquidity Provider under

this Agreement so as to cause the same to be received by the Liquidity Provider not later than 1:00 P.M. (New York City time) on the day when due. The Borrower shall make all such payments in lawful money of the United States of America, to the Liquidity Provider in immediately available funds, by wire transfer to Northern Trust Company of New York, One World Trade Center, Suite 3941, New York, New York 10048, Account No. 105981-20010, Account Name: ING Lease (Ireland) B.V., as agent for ING Bank N.V.

Section 3.05. Computations. All computations of interest based on the Base Rate shall be made on the basis of a year of 365 or 366 days, as the case may be, and all computations of interest based on the LIBOR Rate shall be made on the basis of a year of 360 days, in each case for the actual number of days (including the first day but excluding the last day) occurring in the period for which such interest is payable.

Section 3.06. Payment on Non-Business Days. Whenever any payment to be made hereunder shall be stated to be due on a day other than a Business Day, such payment shall be made on the next succeeding Business Day and no additional interest shall be due as a result (and if so made, shall be deemed to have been made when due). If any payment in respect of interest on an Advance is so deferred to the next succeeding Business Day, such deferral shall not delay the commencement of the next Interest Period for such Advance (if such Advance is a LIBOR Advance) or reduce the number of days for which interest will be payable on such Advance on the next interest payment date for such Advance.

Section 3.07. Interest. (a) Subject to Section 2.09, the Borrower shall pay, or shall cause to be paid, without duplication, interest on (i) the unpaid principal amount of each Advance from and including the date of such Advance (or, in the case of an Applied Provider Advance, from and including the date on which the amount thereof was withdrawn from the ING Sub-Account of the Class C-II Cash Collateral Account to pay interest on the Class C-II Certificates) to but excluding the date such principal amount shall be paid in full (or, in the case of an Applied Provider Advance, the date on which the ING Sub-Account of the Class C-II Cash Collateral Account is fully replenished in respect of such Advance) and (ii) any other amount due hereunder (whether fees, commissions, expenses or other amounts or, to the extent permitted by law, installments of interest on Advances or any such other amount) which is not paid when due (whether at stated maturity, by acceleration or otherwise) from and including

the due date thereof to but excluding the date such amount is paid in full, in each such case, at a fluctuating interest rate per annum for each day equal to the Applicable Liquidity Rate (as defined below) for such Advance or such other amount as in effect for such day, but in no event at a rate per annum greater than the maximum rate permitted by applicable law; provided, however, that, if at any time the otherwise applicable interest rate as set forth in this Section 3.07 shall exceed the maximum rate permitted by applicable law, then any subsequent reduction in such interest rate will not reduce the rate of interest payable pursuant to this Section 3.07 below the maximum rate permitted by applicable law until the total amount of interest accrued equals the amount of interest that would have accrued if such otherwise applicable interest rate as set forth in this Section 3.07 had at all times been in effect.

(b) Except as provided in clause (e) below, each Advance will be either a Base Rate Advance or a LIBOR Advance as provided in this Section. Each such Advance will be a Base Rate Advance for the period from the date of its borrowing to (but excluding) the third Business Day following the Liquidity Provider's receipt of the Notice of Borrowing for such Advance. Thereafter, such Advance shall be a LIBOR Advance; provided that the Borrower (at the direction of the Controlling Party) may convert the Final Advance into a Base Rate Advance on the last day of an Interest Period for such Advance by giving the Liquidity Provider no less than four Business Days' prior written notice of such election.

(c) Each LIBOR Advance shall bear interest during each Interest Period at a rate per annum equal to the LIBOR Rate for such Interest Period plus the Applicable Margin for such LIBOR Advance, payable in arrears on the last day of such Interest Period and, in the event of the payment of principal of such LIBOR Advance on a day other than such last day, on the date of such payment (to the extent of interest accrued on the amount of principal repaid).

(d) Each Base Rate Advance shall bear interest at a rate per annum equal to the Base Rate plus the Applicable Margin for such Base Rate Advance, payable in arrears on each Regular Distribution Date and, in the event of the payment of principal of such Base Rate Advance on a day other than a Regular Distribution Date, on the date of such payment (to the extent of interest accrued on the amount of principal repaid).

(e) Each Unapplied Downgrade Advance (i) during the period from and including the date of the making of such Unapplied Downgrade Advance through but excluding the Expiry Date (or, if earlier, the date of repayment thereof or of conversion thereof into a Final Advance), shall bear interest in an amount equal to the Investment Earnings on amounts on deposit in the ING Sub-Account of the Class C-II Cash Collateral Account for such period plus .35% per annum on the amount of such Unapplied Downgrade Advance from time to time during such period, payable in arrears on each Regular Distribution Date and (ii) thereafter, shall be a LIBOR Advance and shall bear interest in accordance with clause (c) above.

(f) Each amount not paid when due hereunder (whether fees, commissions, expenses or other amounts or, to the extent permitted by applicable law, installments of interest on Advances but excluding Advances) shall bear interest at a rate per annum equal to the Base Rate plus 2.00% until paid.

(g) Each change in the Base Rate shall become effective immediately. The rates of interest specified in this Section 3.07 with respect to any Advance or other amount shall be referred to as the "Applicable Liquidity Rate".

Section 3.08. Replacement of Borrower. From time to time and subject to the successor Borrower's meeting the eligibility requirements set forth in Section 6.9 of the Intercreditor Agreement applicable to the Subordination Agent, upon the effective date and time specified in a written and completed Notice of Replacement Subordination Agent in substantially the form of Annex VI attached hereto (a "Notice of Replacement Subordination Agent") delivered to the Liquidity Provider by the then Borrower, the successor Borrower designated therein shall be substituted for as the Borrower for all purposes hereunder.

Section 3.09. Funding Loss Indemnification. The Borrower shall pay to the Liquidity Provider, upon the request of the Liquidity Provider, such amount or amounts as shall be sufficient (in the reasonable opinion of the Liquidity Provider) to compensate it for any loss, cost, or expense incurred by reason of the liquidation or redeployment of deposits or other funds acquired by the Liquidity Provider to fund or maintain any LIBOR Advance (but excluding loss of anticipated profits) incurred as a result of:

(1) Any repayment of a LIBOR Advance on a date other than the last day of the Interest Period for such Advance; or

(2) Any failure by the Borrower to borrow a LIBOR Advance on the date for borrowing specified in the relevant notice under Section 2.02.

Section 3.10. Illegality. Notwithstanding any other provision in this Agreement, if any change in any applicable law, rule or regulation, or any change in the interpretation or administration thereof by any governmental authority, central bank or comparable agency charged with the interpretation or administration thereof, or compliance by the Liquidity Provider (or its Lending Office) with any request or directive (whether or not having the force of law) of any such authority, central bank or comparable agency shall make it unlawful or impossible for the Liquidity Provider (or its Lending Office) to maintain or fund its LIBOR Advances, then upon notice to the Borrower by the Liquidity Provider, the outstanding principal amount of the LIBOR Advances shall be converted to Base Rate Advances (a) immediately upon demand of the Liquidity Provider, if such change or compliance with such request, in the judgment of the Liquidity Provider, requires immediate repayment; or (b) at the expiration of the last Interest Period to expire before the effective date of any such change or request.

(e) The Borrower shall have received a certificate, dated the date hereof, signed by a duly authorized representative of the Liquidity Provider, certifying that all conditions precedent to the effectiveness of Section 2.01 have been satisfied or waived.

Section 4.02. Conditions Precedent to Borrowing. The obligation of the Liquidity Provider to make an Advance on the occasion of each Borrowing shall be subject to the conditions precedent that the Effective Date shall have occurred and, prior to the date of such Borrowing, the Borrower shall have delivered a Notice of Borrowing which conforms to the terms and conditions

of this Agreement and has been completed as may be required by the relevant form of the Notice of Borrowing for the type of Advances requested.

Section 7.03. No Waiver; Remedies. No failure on the part of the Liquidity Provider to exercise, and no delay in exercising, any right under this Agreement shall operate as a waiver thereof; nor shall any single or partial exercise of any right under this Agreement preclude any other or further exercise thereof or the exercise of any other right. The remedies herein provided are cumulative and not exclusive of any remedies provided by law.

Section 7.04. Further Assurances. The Borrower agrees to do such further acts and things and to execute and deliver to the Liquidity Provider such additional assignments, agreements, powers and instruments as the Liquidity Provider may reasonably require or deem advisable to carry into effect the purposes of this Agreement and the other Operative Agreements or to better assure and confirm unto the Liquidity Provider its rights, powers and remedies hereunder and under the other Operative Agreements.

Section 7.05. Indemnification; Survival of Certain Provisions. The Liquidity Provider shall be indemnified hereunder to the extent and in the manner described in Section 10.1 of the Participation Agreements and Section 6 of the Note Purchase Agreement. In addition, the Borrower agrees to indemnify, protect, defend and hold harmless the Liquidity Provider from, against and in respect of, and shall pay on demand, all Expenses of any kind or nature whatsoever (other than any Expenses of the nature described in Sections 3.01, 3.02 or 7.07 hereof or in the ING Fee Letter (regardless of whether indemnified against pursuant to said Sections or in such Fee Letter)), that may be imposed, incurred by or asserted against any Liquidity Indemnitee, in any way relating to, resulting from, or arising out of or in connection with any action, suit or proceeding by any third party against such Liquidity Indemnitee and relating to this Agreement, the ING Fee Letter, the Intercreditor Agreement or any Financing Agreement; provided, however, that the Borrower shall not be required to indemnify, protect, defend and hold harmless any Liquidity Indemnitee in respect of any Expense of such Liquidity Indemnitee (i) to the extent such Expense is attributable to the gross negligence or willful misconduct of such Liquidity Indemnitee or any other Liquidity Indemnitee, (ii) that is ordinary and usual operating

overhead expense, and (iii) to the extent such Expense is attributable to the failure by such Liquidity Indemnitee or any other Liquidity Indemnitee to perform or observe any agreement, covenant or condition on its part to be performed or observed in this Agreement, the Intercreditor Agreement, the ING Fee Letter, the Tax Letter or any other Operative Document to which it is a party. The indemnities contained in such Section 10.1, and the provisions of Sections 3.01, 3.02, 3.03, 3.09, 7.05 and 7.07 hereof, shall survive the termination of this Agreement.

Section 7.06. Liability of the Liquidity Provider. (a) Neither the Liquidity Provider nor any of its officers, employees, directors or affiliates shall be liable or responsible for: (i) the use which may be made of the Advances or any acts or omissions of the Borrower or any beneficiary or transferee in connection therewith; (ii) the validity, sufficiency or genuineness of documents, or of any endorsement thereon, even if such documents should prove to be in any or all respects invalid, insufficient, fraudulent or forged; or (iii) the making of Advances by the Liquidity Provider against delivery of a Notice of Borrowing and other documents which do not comply with the terms hereof; provided, however, that the Borrower shall have a claim against the Liquidity Provider, and the Liquidity Provider shall be liable to the Borrower, to the extent of any damages suffered by the Borrower which were the result of (A) the Liquidity Provider's willful misconduct or negligence in determining whether documents presented hereunder comply with the terms hereof, or (B) any breach by the Liquidity Provider of any of the terms of this Agreement, including, but not limited to, the Liquidity Provider's failure to make lawful payment hereunder after the delivery to it by the Borrower of a Notice of Borrowing strictly complying with the terms and conditions hereof.

(b) Neither the Liquidity Provider nor any of its officers, employees, director or affiliates shall be liable or responsible in any respect for (i) any error, omission, interruption or delay in transmission, dispatch or delivery of any message or advice, however transmitted, in connection with this Agreement or any Notice of Borrowing delivered hereunder, or (ii) any action, inaction or omission which may be taken by it in good faith, absent willful misconduct or negligence (in which event the extent of the Liquidity Provider's potential liability to the Borrower shall be limited as set forth in the immediately preceding paragraph), in connection with this Agreement or any Notice of Borrowing.

Section 7.07. Costs, Expenses and Taxes. The Borrower agrees to pay, or cause to be paid (A) on the Effective Date and on such later date or dates on which the Liquidity Provider shall make demand, all reasonable out-of-pocket costs and expenses (including, without limitation, the reasonable fees and expenses of outside counsel for the Liquidity Provider) of the Liquidity Provider in connection with the preparation, negotiation, execution, delivery, filing and recording of this Agreement, any other Operative Agreement and any other documents which may be delivered in connection with this Agreement and (B) on demand, all reasonable costs and expenses (including reasonable counsel fees and expenses) of the Liquidity Provider in connection with (i) the enforcement of this Agreement or any other Operative Agreement, (ii) the modification or amendment of, or supplement to, this Agreement or any other Operative Agreement or such other documents which may be delivered in connection herewith or therewith (whether or not the same shall become effective) or (iii) any action or proceeding relating to any order, injunction, or other process or decree restraining or seeking to restrain the Liquidity Provider from paying any amount under this Agreement, the Intercreditor Agreement or any other Operative Agreement or otherwise affecting the application of funds in the Cash Collateral Accounts. In addition, the Borrower shall pay any and all recording, stamp and other similar taxes and fees payable or determined to be payable in connection with the execution, delivery, filing and recording of this Agreement, any other Operative Agreement and such other documents, and agrees to save the Liquidity Provider harmless from and against any and all liabilities with respect to or resulting from any delay in paying or omission to pay such taxes or fees.

Section 7.08. Binding Effect; Participations. (a)EEThis Agreement shall be binding upon and inure to the benefit of the Borrower and the Liquidity Provider and their respective successors and assigns, except that neither the Liquidity Provider (except as otherwise provided in this Section 7.08) nor (except as contemplated by Section 3.08) the Borrower shall have the right to assign its rights or obligations hereunder or any interest herein without the prior written consent of the other party, subject to the requirements of Section 7.08(b). The Liquidity Provider may grant participations herein or in any of its rights hereunder (including, without limitation, funded participations and participations in rights to receive interest payments hereunder) and under the other Operative Agreements to such Persons as the Liquidity Provider

may in its sole discretion select, subject to the requirements of Section 7.08(b). No such participation by the Liquidity Provider, however, will relieve the Liquidity Provider of its obligations hereunder. In connection with any participation or any proposed participation, the Liquidity Provider may disclose to the participant or the proposed participant any information that the Borrower is required to deliver or to disclose to the Liquidity Provider pursuant to this Agreement. The Borrower acknowledges and agrees that the Liquidity Provider's source of funds may derive in part from its participants (other than Continental). Accordingly, references in this Agreement and the other Operative Agreements to determinations, reserve and capital adequacy requirements, increased costs, reduced receipts, additional amounts due pursuant to Section 3.03(a) and the like as they pertain to the Liquidity Provider shall be deemed also to include those of each of its participants (subject, in each case, to the maximum amount that would have been incurred by or attributable to the Liquidity Provider directly if the Liquidity Provider, rather than the participant, had held the interest participated).

(b) If, pursuant to subsection (a) above, the Liquidity Provider sells any participation in this Agreement to any bank or other entity (each, a "Transferee"), then, concurrently with the effectiveness of such transfer, the Transferee shall (i) represent to the Liquidity Provider (for the benefit of the Liquidity Provider and the Borrower) either (A) that it is incorporated under the laws of the United States or a state thereof or (B) that under applicable law and treaties, no taxes will be required to be withheld with respect to any payments to be made to such Transferee in respect of this Agreement, (ii) furnish to the Liquidity Provider and the Borrower either (x) a statement that it is incorporated under the laws of the United States or a state thereof or (y) if it is not so incorporated, two copies of a properly completed United States Internal Revenue Service Form 4224 or Form 1001, as appropriate, or other applicable form, certificate or document prescribed by the Internal Revenue Service certifying, in each case, such Transferee's entitlement to a complete exemption from United States federal withholding tax in respect to any and all payments to be made hereunder, and (iii) agree (for the benefit of the Liquidity Provider and the Borrower) to provide the Liquidity Provider and the Borrower a new Form 4224 or Form 1001, as appropriate, (A) on or before the date that any such form expires or becomes obsolete or (B) after the occurrence of any event

requiring a change in the most recent form previously delivered by it and prior to the immediately following due date of any payment by the Borrower hereunder, certifying in the case of a Form 1001 or Form 4224 that such Transferee is entitled to a complete exemption from United States federal withholding tax on payments under this Agreement. Unless the Borrower has received forms or other documents reasonably satisfactory to it (and required by applicable law) indicating that payments hereunder are not subject to United States federal withholding tax, the Borrower will withhold taxes as required by law from such payments at the applicable statutory rate.

(c) Notwithstanding the other provisions of this Section 7.08, the Liquidity Provider may assign and pledge all or any portion of the Advances owing to it to any Federal Reserve Bank or the United States Treasury as collateral security pursuant to Regulation A of the Board of Governors of the Federal Reserve System and any Operating Circular issued by such Federal Reserve Bank, provided that any payment in respect of such assigned Advances made by the Borrower to the Liquidity Provider in accordance with the terms of this Agreement shall satisfy the Borrower's obligations hereunder in respect of such assigned Advance to the extent of such payment. No such assignment shall release the Liquidity Provider from its obligations hereunder.

(d) Notwithstanding the other provisions of this Section 7.08, if at any time after the date hereof the Borrower shall withhold taxes as required by law from any payments made to the Liquidity Provider, the Liquidity Provider may assign all (but not less than all) of its rights and obligations under this Agreement to the New York Branch of ING Bank N.V. ( the "ING Transferee"); provided, that it shall be a condition to any such transfer that (i) the ING Transferee enters into an agreement in form and substance reasonably satisfactory to the Borrower pursuant to which the ING Transferee assumes all of the obligations of the Liquidity Provider hereunder, under the Intercreditor Agreement, the ING Fee Letter and the Tax Letter, (ii) the ING Transferee delivers an opinion to the Borrower and each of the Rating Agencies in form and substance reasonably satisfactory to the Borrower opining that this Agreement, the Intercreditor Agreement, the ING Fee Letter and the Tax Letter are enforceable obligations of the ING Transferee, (iii) the Liquidity Provider shall have delivered to the Borrower a Ratings Confirmation with respect to such transfer from each Rating Agency, (iv) the ING Transferee shall satisfy each of the

requirements in respect of a Transferee set forth in Section 7.08(b) and (v) the Liquidity Provider shall pay all fees and expenses (including, without limitation, legal fees and disbursements) of the Borrower in connection with such transfer. Upon the satisfaction of the conditions set forth in this Section 7.08(d), the ING Transferee shall be deemed to be the Liquidity Provider with the rights and obligations of the Liquidity Provider hereunder and under the other Operative Agreements.

Section 7.09. Severability. Any provision of this Agreement which is prohibited, unenforceable or not authorized in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition, unenforceability or non-authorization without invalidating the remaining provisions hereof or affecting the validity, enforceability or legality of such provision in any other jurisdiction.

Section 7.10. GOVERNING LAW. THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

Section 7.11. Submission to Jurisdiction; Waiver of Jury Trial; Waiver of Immunity. (a) Each of the parties hereto hereby irrevocably and unconditionally:

(i) submits for itself and its property in any legal action or proceeding relating to this Agreement or any other Operative Agreement, or for recognition and enforcement of any judgment in respect hereof or thereof, to the nonexclusive general jurisdiction of the courts of the State of New York, the courts of the United States of America for the Southern District of New York, and the appellate courts from any thereof;

(ii) consents that any such action or proceeding may be brought in such courts, and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same;

(iii) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form and mail), postage prepaid,

to each party hereto at its address set forth in Section 7.02 hereof, or at such other address of which the Liquidity Provider shall have been notified pursuant thereto; and

(iv) agrees that nothing herein shall affect the right to effect service of process in any other manner permitted by law or shall limit the right to sue in any other jurisdiction.

(b) THE BORROWER AND THE LIQUIDITY PROVIDER EACH HEREBY AGREE TO WAIVE THEIR RESPECTIVE RIGHTS TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING OUT OF THIS AGREEMENT OR ANY DEALINGS BETWEEN THEM RELATING TO THE SUBJECT MATTER OF THIS AGREEMENT AND THE RELATIONSHIP THAT IS BEING ESTABLISHED, including, without limitation, contract claims, tort claims, breach of duty claims and all other common law and statutory claims. The Borrower and the Liquidity Provider each warrant and represent that it has reviewed this waiver with its legal counsel, and that it knowingly and voluntarily waives its jury trial rights following consultation with such legal counsel. THIS WAIVER IS IRREVOCABLE, AND CANNOT BE MODIFIED EITHER ORALLY OR IN WRITING, AND THIS WAIVER SHALL APPLY TO ANY SUBSEQUENT AMENDMENTS, RENEWALS, SUPPLEMENTS OR MODIFICATIONS TO THIS AGREEMENT.

(c) The Liquidity Provider hereby waives any immunity it may have from the jurisdiction of the courts of the United States or of any State and waives any immunity any of its properties located in the United States may have from attachment or execution upon a judgement entered by any such court under the United States Foreign Sovereign Immunities Act of 1976 or any similar successor legislation.

Section 7.12. Execution in Counterparts. This Agreement may be executed in any number of counterparts and by different parties hereto on separate counterparts, each of which counterparts, when so executed and delivered, shall be deemed to be an original and all of which counterparts, taken together, shall constitute but one and the same Agreement.

Section 7.13. Entirety. This Agreement, the Intercreditor Agreement and the other Operative Agreements to which the Liquidity Provider is a party constitute the entire agreement of the parties hereto with respect to the subject

matter hereof and supersedes all prior understandings and agreements of such parties.

Section 7.14. Headings. Section headings in this Agreement are included herein for convenience of reference only and shall not constitute a part of this Agreement for any other purpose.

Section 7.15. Transfer. The Liquidity Provider hereby acknowledges and consents to the Transfer contemplated by the Assignment and Assumption Agreement.

Section 7.16. LIQUIDITY PROVIDER'S OBLIGATION TO MAKE ADVANCES. EXCEPT AS EXPRESSLY SET FORTH IN THIS AGREEMENT, THE OBLIGATIONS OF THE LIQUIDITY PROVIDER TO MAKE ADVANCES HEREUNDER, AND THE BORROWER'S RIGHTS TO DELIVER NOTICES OF BORROWING REQUESTING THE MAKING OF ADVANCES HEREUNDER, SHALL BE UNCONDITIONAL AND IRREVOCABLE, AND SHALL BE PAID OR PERFORMED, IN EACH CASE STRICTLY IN ACCORDANCE WITH THE TERMS OF THIS AGREEMENT.

IN WITNESS WHEREOF, the parties have caused this Agreement to be duly executed and delivered by their respective officers thereunto duly authorized as of the date first set forth above.

SECTION 2.1. Agreement to Terms of Subordination; Payments from Monies Received Only. (a) Each Trustee hereby acknowledges and agrees to the terms of subordination set forth in this Agreement in respect of each Class of Certificates and agrees to enforce such provisions and cause all payments in respect of the Equipment Notes and the Liquidity Facilities to be applied in accordance with the terms of this Agreement. In addition, each Trustee hereby agrees to cause the Equipment Notes purchased by the related Trust to be registered in the name of the Subordination Agent, as nominee of such Trustee, to be held in trust by the Subordination Agent solely for the purpose of facilitating the enforcement of the subordination and other provisions of this Agreement.

(b) Except as otherwise expressly provided in the next succeeding sentence of this Section 2.1, all payments to be made by the Subordination Agent hereunder shall be made only from amounts received by it that constitute Scheduled Payments, Special Payments, payments under Section 9.1 of the Participation Agreements or payments under Sections 6 and 7 of the Note Purchase Agreement, and only to the extent that the Subordination Agent shall have received income or proceeds therefrom to enable it to make such payments in accordance with the terms hereof. Each of the Trustees and the Subordination Agent hereby agrees and, as provided in each Trust Agreement, each Certificateholder, by its acceptance of a Certificate, and each Liquidity Provider, by entering into the Liquidity Facility to which it is a party, has agreed to look solely to such amounts to the extent available for distribution to it as provided in this Agreement and to the relevant Deposits and that none of the Trustees, Owner Trustees, Loan Trustees, Owner Participants nor the Subordination Agent is personally liable to any of them for any amounts payable or any liability under this Agreement, any Trust Agreement, any Liquidity Facility or such Certificate, except (in the case of the Subordination Agent) as expressly provided herein or (in the case of the Trustees) as expressly provided in each Trust Agreement or (in the case of the Owner Trustees and the Loan Trustees) as expressly provided in any Operative Agreement.

SECTION 2.2. Trust Accounts. (a) Upon the execution of this Agreement, the Subordination Agent shall establish and maintain in its name (i) the Collection Account as an Eligible Deposit Account, bearing a designation clearly indicating that the funds deposited therein are held in trust for the benefit of the Trustees, the Certificateholders and the Liquidity Providers, and (ii) as a sub-account in the Collection Account, the Special Payments Account as an Eligible Deposit Account, bearing a designation clearly indicating that the funds deposited therein are held in trust for the benefit of the Trustees, the Certificateholders and the Liquidity Providers. Upon such establishment and maintenance under Section 3.6(f) hereof, the Cash Collateral Accounts shall, together with the Collection Account, constitute the "Trust Accounts" hereunder.

Sub-Account's Required Amount (less the amount of any repayments of Interest Drawings under such Liquidity Facility while subclause (B)(i) above is applicable) shall be deposited in such Sub-Account, and (C) if, with respect to any particular Liquidity Facility, neither subclause (A) nor subclause (B) of this clause "fourth" are applicable, to pay in full the outstanding amount of all Liquidity Obligations then due under such Liquidity Facility (other than amounts payable pursuant to clause "second" or "third" of this Section 3.3) shall be distributed to such Liquidity Provider, pari passu on the basis of the amounts of such deficiencies and/or unreimbursed Liquidity Obligations;

fifth, if subclause (A) or (B) of clause "fourth" above is applicable, then the Liquidity Provider with respect to such Liquidity Facility shall be paid the excess of (x) the aggregate outstanding amount of unreimbursed Advances (whether or not then due) under such Liquidity Facility over (y) the Stated Portion of the Required Amount for the relevant Class (less the amount of any Interest Drawings under such Liquidity Facility while subclause (A)(i) or (B)(i), as the case may be, of clause "fourth" above is applicable), pari passu on the basis of such amounts in respect of each Liquidity Provider;

sixth, such amount as shall be required to reimburse or pay (i) the Subordination Agent for any Tax (other than Taxes imposed on compensation paid hereunder), expense, fee, charge or other loss incurred by or any other amount payable to the Subordination Agent in connection with the transactions contemplated hereby (to the extent not previously reimbursed), shall be applied by the Subordination Agent in reimbursement of such amount, (ii) each Trustee for any Tax (other than Taxes imposed on compensation paid under the applicable Trust Agreement), expense, fee, charge, loss or any other amount payable to such Trustee under the applicable Trust Agreements (to the extent not previously reimbursed), shall be distributed to such Trustee, and (iii) each Certificateholder for payments, if any, made by it pursuant to Section 5.2 hereof in respect of amounts described in clause (i) above, shall be distributed to the applicable Trustee for the account of such Certificateholder, in each such case, pari passu on the basis of all amounts described in clauses (i) through (iii) above;

seventh, such amount remaining as shall be required to pay in full Adjusted Expected Distributions on the Class A Certificates shall be distributed to the Class A Trustee;

eighth, such amount remaining as shall be required to pay in full Adjusted Expected Distributions on the Class B Certificates shall be distributed to the Class B Trustee; and

SECTION 3.4. Other Payments. Any payments received by the Subordination Agent for which no provision as to the application thereof is made in this Agreement shall be distributed by the Subordination Agent (i) in the order of priority specified in Section 3.3 hereof and (ii) to the extent received or realized at any time after the Final Distributions for each Class of Certificates have been made, in the manner provided in clause "first" of Section 3.3 hereof.

SECTION 3.5. Payments to the Trustees and the Liquidity Providers. Any amounts distributed hereunder to any Liquidity Provider shall be paid to such Liquidity Provider by wire transfer of funds to the address such Liquidity Provider shall provide to the Subordination Agent. The Subordination Agent shall provide a Written Notice of any such transfer to the applicable Liquidity Provider, as the case may be, at the time of such transfer. Any amounts distributed hereunder by the Subordination Agent to any Trustee which shall not be the same institution as the Subordination Agent shall be paid to such Trustee by wire transfer funds at the address such Trustee shall provide to the Subordination Agent.

SECTION 3.6. Liquidity Facilities. (a) Interest Drawings. If on any Distribution Date, after giving effect to the subordination provisions of this Agreement, the Subordination Agent shall not have sufficient funds for the payment of any amounts due and owing in respect of accrued interest on the Class A Certificates, the Class B Certificates, the Class C-I Certificates or the Class C-II Certificates (at the Stated Interest Rate for such Class of Certificates), then, prior to 12:00 noon (New York City time) on the Business Day following such Distribution Date, the Subordination Agent shall request a drawing (each such drawing, an "Interest Drawing") under each Liquidity Facility with respect to such Class of Certificates in an amount equal to the lesser of (i) the Stated Portion (with respect to such Liquidity Facility) of an amount sufficient to pay the amount of such accrued interest (at the Stated Interest Rate for such Class of Certificates) and (ii) the Maximum Available Amount under such Liquidity Facility, and shall pay such amount to the Trustee with respect to such Class of Certificates in payment of such accrued interest.

(b) Application of Interest Drawings. Notwithstanding anything to the contrary contained in this Agreement, (i) all payments received by the Subordination Agent in respect of an Interest Drawing under the Class A Liquidity Facilities and all amounts withdrawn by the Subordination Agent from the Class A Cash Collateral Account, and payable in each case to the Class A Certificateholders, shall be promptly distributed to the Class A Trustee, (ii) all payments received by the Subordination Agent in respect of an Interest Drawing under the Class B Liquidity Facilities and all amounts withdrawn by the Subordination Agent from the Class B Cash Collateral Account, and payable in each case to the Class B Certificateholders, shall be promptly distributed to the Class B Trustee, (iii) all payments received by the Subordination Agent in respect of an Interest Drawing under the Class C-I Liquidity Facilities and all amounts withdrawn by the Subordination Agent from the Class C-I Cash Collateral Account, and payable in each case to the Class C-I Certificateholders, shall be promptly distributed to the Class C-I Trustee, and (iv) all payments received by the Subordination Agent in respect of an Interest Drawing under the Class C-II Liquidity Facilities and all amounts withdrawn by the Subordination Agent from the Class C-II Cash Collateral Account, and payable in each case to the Class C-II Certificateholders, shall be promptly distributed to the Class C-II Trustee.

(c) Downgrade Drawings. If at any time the short-term unsecured debt rating of any Liquidity Provider issued by either Rating Agency is lower than the Threshold Rating, within 10 days after receiving notice of such downgrading (but not later than the expiration date of the Liquidity Facility issued by the downgraded Liquidity Provider (the "Downgraded Facility")), such Liquidity Provider or Continental may arrange for a Replacement Liquidity Provider to issue and deliver a Replacement Liquidity Facility to the Subordination Agent. If a Downgraded Facility has not been replaced in accordance with the terms of this paragraph, the Subordination Agent shall on such 10th day (or if such 10th day is not a Business Day, on the next succeeding Business Day) (or, if earlier, the expiration date of such Downgraded Facility) request a drawing in accordance with and to the extent permitted by such Downgraded Facility (such drawing, a "Downgrade Drawing") of all available and undrawn amounts thereunder. Amounts drawn pursuant to a Downgrade Drawing shall be maintained and invested as provided in Section 3.6(f) hereof. The Liquidity Provider may also arrange for a Replacement Liquidity Provider to issue and deliver a Replacement Liquidity Facility at any time after such Downgrade Drawing so long as such Downgrade Drawing has not been reimbursed in full to the Liquidity Provider.

(d) Non-Extension Drawings. If any Liquidity Facility with respect to any Class of Certificates is scheduled to expire on a date (the "Stated Expiration Date") prior to the date that is 15 days after the Final Maturity Date for such Class of Certificates, then, no earlier than the 60th day and no later than the 40th day prior to the then Stated Expiration Date, the Subordination Agent shall request that such Liquidity Provider extend the Stated Expiration Date for a period of 364 days after the Stated Expiration Date (unless the obligations of such Liquidity Provider thereunder are earlier terminated in accordance with such Liquidity Facility). The Liquidity Provider shall advise the Borrower, no earlier than 40 days and no later than 25 days prior to such Stated Expiration Date, whether, in its sole discretion, it agrees to so extend the Stated Expiration Date. If, on or before such 25th day, such Liquidity Facility shall not have been so extended or replaced in accordance with Section 3.6(e), or if the Liquidity Provider fails irrevocably and unconditionally to advise the Borrower on or before the 25th day prior to the Stated Expiration Date then in effect that such Stated Expiration Date shall be so extended, the Subordination Agent shall, on such 25th day (or as soon as possible thereafter), in accordance with and to the extent permitted by the terms of the expiring Liquidity Facility (a "Non-Extended Facility"), request a drawing under such expiring Liquidity Facility (such drawing, a "Non-Extension Drawing") of all available and undrawn amounts thereunder. Amounts drawn pursuant to a Non-Extension Drawing shall be maintained and invested in accordance with Section 3.6(f) hereof.

(e) Issuance of Replacement Liquidity Facility. (i) At any time, Continental may, at its option, arrange for a Replacement Liquidity Facility to replace any Liquidity Facility (including any Replacement Liquidity Facility provided pursuant to Section 3.6(e)(ii) hereof) for any Class of Certificates with cause or without cause, provided that neither ABN AMRO nor ING shall be replaced by Continental as a Liquidity Provider with respect to any Class of Certificates prior to the fourth anniversary of the Closing Date except for cause, for its ceasing to meet the Threshold Ratings or for any failure to extend the Expiry Date of any Liquidity Facility in accordance with Section 2.10 of such Liquidity Facility and Section 3.6(d) hereof. If such

Replacement Liquidity Facility is provided at any time after a Downgrade Drawing or Non-Extension Drawing has been made, all funds on deposit in the relevant Sub-Account of the relevant Cash Collateral Account will be returned to the Liquidity Provider being replaced.

(ii) If any Liquidity Provider shall determine not to extend any of its Liquidity Facility in accordance with Section 3.6(d), then such Liquidity Provider may, at its option, arrange for a Replacement Liquidity Facility to replace such Liquidity Facility during the period no earlier than 40 days and no later than 25 days prior to the then effective Stated Expiration Date of such Liquidity Facility.

(iii) No Replacement Liquidity Facility arranged by Continental or a Liquidity Provider in accordance with clauses (i) or (ii) above, respectively, shall become effective and no such Replacement Liquidity Facility shall be deemed a "Liquidity Facility" under the Operative Agreements (in each case other than insofar as necessary to permit the repayment of amounts owed to the replaced Liquidity Provider), unless and until (A) each of the conditions referred to in clause (iv) below shall have been satisfied, (B) if such Replacement Liquidity Facility shall materially adversely affect the rights, remedies, interests or obligations of the Class A Certificateholders, the Class B Certificateholders, the Class C-I Certificateholders or the Class C-II Certificateholders under any of the Operative Agreements, the applicable Trustee shall have consented, in writing, to the execution and issuance of such Replacement Liquidity Facility and (C) in the case of a Replacement Liquidity Facility arranged by a Liquidity Provider under Section 3.6(e)(ii), such Replacement Liquidity Facility is acceptable to Continental.

(iv) In connection with the issuance of each Replacement Liquidity Facility, the Subordination Agent shall (x) prior to the issuance of such Replacement Liquidity Facility, obtain written confirmation from each Rating Agency that such Replacement Liquidity Facility will not cause a reduction of any rating then in effect for any Class of Certificates by such Rating Agency (without regard to any downgrading of any rating of any Liquidity Provider being replaced pursuant to Section 3.6(c) hereof), (y) pay all Liquidity Obligations (including, without limitation, any unreimbursed Advances) then owing to the replaced Liquidity Provider (which payment may be made as provided in clause (ix) of Section 3.6(f) hereof, pursuant to a drawing under the Replacement Liquidity Facility, or otherwise) and (z) cause the issuer of the Replacement Liquidity Facility to deliver the Replacement Liquidity Facility to the Subordination Agent, together with a legal opinion opining that such Replacement Liquidity Facility is an enforceable obligation of such Replacement Liquidity Provider.

(v) Upon satisfaction of the conditions set forth in clauses (iii) and (iv) of this Section 3.6(e), (w) the replaced Liquidity Facility shall terminate, (x) the Subordination Agent shall, if so requested by Continental or the Liquidity Provider being replaced, execute and deliver the Replacement Liquidity Facility and any associated Fee Letter, (y) each of the parties hereto shall enter into any amendments to this Agreement necessary to give effect to (1) the replacement of the applicable Liquidity Provider with the applicable Replacement Liquidity Provider and (2) the replacement of the applicable Liquidity

Facility with the applicable Replacement Liquidity Facility and (z) such Replacement Liquidity Provider shall be deemed to be a Liquidity Provider with the rights and obligations of a Liquidity Provider hereunder and under the other Operative Agreements and such Replacement Liquidity Facility shall be deemed to be a Liquidity Facility hereunder and under the other Operative Agreements.

(f) Cash Collateral Accounts; Withdrawals; Investments. In the event the Subordination Agent shall draw all available amounts under any Class A Liquidity Facility, any Class B Liquidity Facility, any Class C-I Liquidity Facility or any Class C-II Liquidity Facility pursuant to Section 3.6(c), 3.6(d) or 3.6(i) hereof, or in the event amounts are to be deposited into a Sub-Account pursuant to subclause (B) of clause "third" of Section 2.4(b), subclause (B) of clause "third" of Section 3.2 or subclause (B) of clause "fourth" of Section 3.3, amounts so drawn or to be deposited, as the case may be, shall be deposited by the Subordination Agent in the relevant Sub-Account of the Class A Cash Collateral Account, the Class B Cash Collateral Account, the Class C-I Cash Collateral Account or the Class C-II Cash Collateral Account, respectively. All amounts on deposit in any such Sub-Account shall be invested and reinvested in Eligible Investments in accordance with Section 2.2(b) hereof. Investment Earnings on amounts on deposit in each Sub-Account of the Cash Collateral Accounts shall be deposited in the Collection Account prior to giving effect to the distributions below on each Distribution Date commencing on the first Distribution Date after any such deposit into such Sub-Account. The Subordination Agent shall deliver a written statement to Continental and the relevant Liquidity Provider one day prior to each Distribution Date setting forth the aggregate amount of Investment Earnings held in each Sub-Account of the Cash Collateral Accounts as of such date. In addition, from and after the date funds are so deposited, the Subordination Agent shall make withdrawals from such account as follows:

(i) on each Distribution Date, the Subordination Agent shall, to the extent it shall not have received funds to pay accrued and unpaid interest due and owing on the Class A Certificates (at the Stated Interest Rate for the Class A Certificates) from any other source, withdraw from each Sub-Account of the Class A Cash Collateral Account, and pay to the Class A Trustee, an amount equal to the lesser of (x) the Stated Portion of an amount necessary to pay accrued and unpaid interest (at the Stated Interest Rate for the Class A Certificates) on such Class A Certificates and (y) the amount on deposit in such Sub-Account;

(ii) on each Distribution Date, the Subordination Agent shall, to the extent it shall not have received funds to pay accrued and unpaid interest due and owing on the Class B Certificates (at the Stated Interest Rate for the Class B Certificates) from any other source, withdraw from each Sub-Account of the Class B Cash Collateral Account, and pay to the Class B Trustee, an amount equal to the lesser of (x) the Stated Portion of an amount necessary to pay accrued and unpaid interest (at the Stated Interest Rate for the Class B Certificates) on such Class B Certificates and (y) the amount on deposit in such Sub-Account;

(iii) on each Distribution Date, the Subordination Agent shall, to the extent it shall not have received funds to pay accrued and unpaid interest due and owing on the Class C-I Certificates (at the Stated Interest Rate for the Class C-I Certificates) from any other source, withdraw from each Sub-Account of the Class C-I Cash Collateral Account, and pay to the Class C-I Trustee, an amount equal to the lesser of (x) the Stated Portion of an amount necessary to pay accrued and unpaid interest (at the Stated Interest Rate for the Class C-I Certificates) on such Class C-I Certificates and (y) the amount on deposit in such Sub-Account;

(iv) on each Distribution Date, the Subordination Agent shall, to the extent it shall not have received funds to pay accrued and unpaid interest due and owing on the Class C-II Certificates (at the Stated Interest Rate for the Class C-II Certificates) from any other source, withdraw from each Sub-Account of the Class C-II Cash Collateral Account, and pay to the Class C-II Trustee, an amount equal to the lesser of (x) the Stated Portion of an amount necessary to pay accrued and unpaid interest (at the Stated Interest Rate for the Class C-II Certificates) on such Class C-II Certificates and (y) the amount on deposit in such Sub-Account;

(v) on each date on which the Pool Balance of the Class A Trust shall have been reduced by payments made to the Class A Certificateholders pursuant to Section 2.4, 3.2 or 3.3 hereof or pursuant to Section 2.03 of the Escrow and Paying Agent Agreement for such Class, the Subordination Agent shall withdraw from each Sub-Account of the Class A Cash Collateral Account an amount equal to the excess, if any, of the amount on deposit in such Sub-Account over the Required Amount for such Sub-Account and shall first, pay such amount to the relevant Class A Liquidity Provider until the Liquidity Obligations (with respect to the Class A Certificates) owing to such Liquidity Provider shall have been paid in full, and second, deposit any remaining amount in the Collection Account;

(vi) on each date on which the Pool Balance of the Class B Trust shall have been reduced by payments made to the Class B Certificateholders pursuant to Section 2.4, 3.2 or 3.3 hereof or pursuant to Section 2.03 of the Escrow and Paying Agent Agreement of such Class, the Subordination Agent shall withdraw from each Sub-Account of the Class B Cash Collateral Account an amount equal to the excess, if any, of the amount on deposit in such Sub-Account over the Required Amount for such Sub-Account and shall first, pay such amount to the relevant Class B Liquidity Provider until the Liquidity Obligations (with respect to the Class B Certificates) owing to such Liquidity Provider shall have been paid in full, and second, deposit any remaining amount in the Collection Account;

(vii) on each date on which the Pool Balance of the Class C-I Trust shall have been reduced by payments made to the Class C-I Certificateholders pursuant to Section 2.4, 3.2 or 3.3 hereof or pursuant to Section 2.03 of the Escrow and Paying Agent Agreement for such Class, the Subordination Agent shall withdraw from each Sub-Account of the Class C-I Cash Collateral Account an amount equal to the excess, if any,

of the amount on deposit in such Sub-Account over the Required Amount for such Sub-Account and shall first, pay such amount to the relevant Class C-I Liquidity Provider until the Liquidity Obligations (with respect to the Class C-I Certificates) owing to such Liquidity Provider shall have been paid in full, and second, deposit any remaining amount in the Collection Account;

(viii) on each date on which the Pool Balance of the Class C-II Trust shall have been reduced by payments made to the Class C-II Certificateholders pursuant to Section 2.4, 3.2 or 3.3 hereof or pursuant to Section 2.03 of the Escrow and Paying Agent Agreement for such Class, the Subordination Agent shall withdraw from each Sub-Account of the Class C-II Cash Collateral Account an amount equal to the excess, if any, of the amount on deposit in such Sub-Account over the Required Amount for such Sub-Account and shall first, pay such amount to the relevant Class C-II Liquidity Provider until the Liquidity Obligations (with respect to the Class C-II Certificates) owing to such Liquidity Provider shall have been paid in full, and second, deposit any remaining amount in the Collection Account; and

(ix) if a Replacement Liquidity Facility for any Class of Certificates shall be delivered to the Subordination Agent following the date on which funds have been deposited into any Sub-Account of the Cash Collateral Account for such Class of Certificates, the Subordination Agent shall withdraw all amounts on deposit in such Sub-Account and shall pay such amounts to the replaced Liquidity Provider until all Liquidity Obligations owed to such Person shall have been paid in full, and shall deposit any remaining amount in the Collection Account.

(g) Reinstatement. With respect to any Interest Drawing under any Liquidity Facility for any Trust, upon the reimbursement of the applicable Liquidity Provider for all or any part of the amount of such Interest Drawing, together with any accrued interest thereon, the Maximum Available Amount of such Liquidity Facility shall be reinstated by an amount equal to the amount of such Interest Drawing so reimbursed to the applicable Liquidity Provider but not to exceed the Maximum Stated Amount for such Liquidity Facility; provided, however, that such Liquidity Facility shall not be so reinstated in part or in full at any time if (i) a Liquidity Event of Default shall have occurred and be continuing and (ii) a Performing Note Deficiency exists. In the event that, with respect to any particular Liquidity Facility, (i) funds are withdrawn from the related Sub-Account pursuant to clauses (i), (ii), (iii) or (iv) of Section 3.6(f) hereof or (ii) such Liquidity Facility shall become a Downgraded Facility or a Non-Extended Facility at a time when unreimbursed Interest Drawings under such Liquidity Facility have reduced the Maximum Available Amount thereunder to zero, then funds received by the Subordination Agent at any time other than (x) any time when a Liquidity Event of Default shall have occurred and be continuing with respect to such Liquidity Facility and a Performing Note Deficiency exists or (y) any time after a Final Drawing shall have occurred with respect to such Liquidity Facility, shall be deposited in such (or the applicable) Sub-Account as provided in clause "third" of Section 2.4(b), clause "third" of Section 3.2 or clause "fourth" of Section 3.3, as applicable, and applied in accordance with Section 3.6(f) hereof.

(h) Reimbursement. The amount of each drawing under the Liquidity Facilities shall be due and payable, together with interest thereon, on the dates and at the rates, respectively, provided in the Liquidity Facilities.

(i) Final Drawing Upon Termination Notice. Upon receipt from a Liquidity Provider of a Termination Notice with respect to any Liquidity Facility, the Subordination Agent shall, not later than the date specified in such Termination Notice, in accordance with and to the extent permitted by the terms of such Liquidity Facility, request a drawing under such Liquidity Facility of all available and undrawn amounts thereunder (a "Final Drawing"). Amounts drawn pursuant to a Final Drawing shall be maintained and invested in accordance with Section 3.6(f) hereof.

(j) Reduction or Increase of Maximum Stated Amount. Promptly following each date on which the Required Amount of the Liquidity Facilities for a Class of Certificates is (i) reduced as a result of a reduction in the Pool Balance with respect to such Certificates, (ii) increased as a result of an increase in the Stated Interest Rate or (iii) subsequent to such an increase, reduced pursuant to the definition of "Stated Interest Rate", the Subordination Agent shall, if any such Liquidity Facility provides for reductions of the Maximum Stated Amount of such Liquidity Facility and if such reductions are not automatic, request such Liquidity Provider for such Class of Certificates to reduce such Maximum Stated Amount to an amount equal to its Stated Portion of the Required Amount with respect to such Liquidity Facility (as calculated by the Subordination Agent after giving effect to such payment). Each such request shall be made in accordance with the provisions of the applicable Liquidity Facility.

(k) Relation to Subordination Provisions. Interest Drawings under the Liquidity Facilities and withdrawals from the Cash Collateral Accounts, in each case, in respect of interest on the Certificates of any Class, will be distributed to the Trustee for such Class of Certificates, notwithstanding Sections 3.2, 3.3 and 3.6(h) hereof.

#### ARTICLE IV

##### EXERCISE OF REMEDIES

SECTION 4.1. Directions from the Controlling Party. (a) (i) Following the occurrence and during the continuation of an Indenture Default under any Indenture, the Controlling Party shall direct the Subordination Agent, which in turn shall direct the Loan Trustee under such Indenture, in the exercise of remedies available to the holders of the Equipment Notes issued pursuant to such Indenture, including, without limitation, the ability to vote all such Equipment Notes in favor Accelerating such Equipment Notes in accordance with the provisions of such Indenture. Subject to the Owner Trustees' and the Owner Participants' rights, if any, set forth in the Indentures with respect to Leased Aircraft to purchase the Equipment Notes and the provisions of the next paragraph, if the Equipment Notes issued pursuant to any Indenture have been Accelerated following an Indenture Default with respect thereto, the Controlling Party may sell, assign, contract to sell or otherwise dispose of and deliver all (but not less than all) of such Equipment Notes to any Person at public or private sale, at any

location at the option of the Controlling Party, all upon such terms and conditions as it may reasonably deem advisable in accordance with applicable law.

(ii) Subject to the Owner Trustees' and the Owner Participants' rights, if any, set forth in the Indentures with respect to Leased Aircraft to purchase the Equipment Notes, and notwithstanding the foregoing, so long as any Certificates remain Outstanding, during the period ending on the date which is nine months after the earlier of (x) the Acceleration of the Equipment Notes issued pursuant to any Indenture or (y) the occurrence of a Continental Bankruptcy Event, without the consent of each Trustee, (A) no Aircraft subject to the Lien of such Indenture or such Equipment Notes may be sold if the net proceeds from such sale would be less than the Minimum Sale Price for such Aircraft or such Equipment Notes, and (B) with respect to any Leased Aircraft, the amount and payment dates of rentals payable by Continental under the Lease for such Aircraft may not be adjusted, if, as a result of such adjustment, the discounted present value of all such rentals would be less than 75% of the discounted present value of the rentals payable by Continental under such Lease before giving effect to such adjustment, in each case, using the weighted average interest rate of the Equipment Notes issued pursuant to such Indenture as the discount rate.

(iii) At the request of the Controlling Party, the Subordination Agent may from time to time during the continuance of an Indenture Default (and before the occurrence of a Triggering Event) commission Appraisals with respect to the Aircraft subject to such Indenture.

(iv) After a Triggering Event occurs and any Equipment Note becomes a Non-Performing Equipment Note, the Subordination Agent shall obtain Appraisals with respect to all of the Aircraft (the "LTV Appraisals") as soon as practicable and additional LTV Appraisals on or prior to each anniversary of the date of such initial LTV Appraisals; provided that if the Controlling Party reasonably objects to the appraised value of the Aircraft shown in such LTV Appraisals, the Controlling Party shall have the right to obtain or cause to be obtained substitute LTV Appraisals (including LTV Appraisals based upon physical inspection of the Aircraft).

(b) The Controlling Party shall take such actions as it may reasonably deem most effectual to complete the sale or other disposition of such Aircraft or Equipment Notes. In addition, in lieu of any sale, assignment, contract to sell or other disposition, the Controlling Party may maintain possession of such Equipment Notes and continue to apply monies received in respect of such Equipment Notes in accordance with Article III hereof. In addition, in lieu of such sale, assignment, contract to sell or other disposition, or in lieu of such maintenance of possession, the Controlling Party may, subject to the terms and conditions of the related Indenture, instruct the Loan Trustee under such Indenture to foreclose on the Lien on the related Aircraft.

SECTION 4.2. Remedies Cumulative. Each and every right, power and remedy given to the Trustees, the Liquidity Providers, the Controlling Party or the Subordination Agent

specifically or otherwise in this Agreement shall be cumulative and shall be in addition to every other right, power and remedy herein specifically given or now or hereafter existing at law, in equity or by statute, and each and every right, power and remedy whether specifically herein given or otherwise existing may, subject always to the terms and conditions hereof, be exercised from time to time and as often and in such order as may be deemed expedient by any Trustee, any Liquidity Provider, the Controlling Party or the Subordination Agent, as appropriate, and the exercise or the beginning of the exercise of any power or remedy shall not be construed to be a waiver of the right to exercise at the same time or thereafter any other right, power or remedy. No delay or omission by any Trustee, any Liquidity Provider, the Controlling Party or the Subordination Agent in the exercise of any right, remedy or power or in the pursuit of any remedy shall impair any such right, power or remedy or be construed to be a waiver of any default or to be an acquiescence therein.

SECTION 4.3. Discontinuance of Proceedings. In case any party to this Agreement (including the Controlling Party in such capacity) shall have instituted any Proceeding to enforce any right, power or remedy under this Agreement by foreclosure, entry or otherwise, and such Proceedings shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Person instituting such Proceeding, then and in every such case each such party shall, subject to any determination in such proceedings, be restored to its former position and rights hereunder, and all rights, remedies and powers of such party shall continue as if no such Proceedings had been instituted.

SECTION 4.4. Right of Certificateholders to Receive Payments Not to Be Impaired. Anything in this Agreement to the contrary notwithstanding but subject to each Trust Agreement, the right of any Certificateholder or any Liquidity Provider, respectively, to receive payments hereunder (including without limitation pursuant to Section 2.4, 3.2 or 3.3 hereof) when due, or to institute suit for the enforcement of any such payment on or after the applicable Distribution Date, shall not be impaired or affected without the consent of such Certificateholder or such Liquidity Provider, respectively.

SECTION 4.5. Undertaking for Costs. In any Proceeding for the enforcement of any right or remedy under this Agreement or in any Proceeding against any Controlling Party or the Subordination Agent for any action taken or omitted by it as Controlling Party or Subordination Agent, as the case may be, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. The provisions of this Section do not apply to a suit instituted by the Subordination Agent, a Liquidity Provider or a Trustee or a suit by Certificateholders holding more than 10% of the original principal amount of any Class of Certificates.

## ARTICLE V

## DUTIES OF THE SUBORDINATION AGENT;

## AGREEMENTS OF TRUSTEE

SECTION 5.1. Notice of Indenture Default or Triggering Event. (a) In the event the Subordination Agent shall have actual knowledge of the occurrence of an Indenture Default or a Triggering Event, as promptly as practicable, and in any event within 10 days after obtaining knowledge thereof, the Subordination Agent shall transmit by mail or courier to the Rating Agencies, the Liquidity Providers and the Trustees notice of such Indenture Default or Triggering Event, unless such Indenture Default or Triggering Event shall have been cured or waived. For all purposes of this Agreement, in the absence of actual knowledge on the part of a Responsible Officer, the Subordination Agent shall not be deemed to have knowledge of any Indenture Default or Triggering Event unless notified in writing by one or more Trustees, one or more Liquidity Providers or one or more Certificateholders.

(b) Other Notices. The Subordination Agent will furnish to each Liquidity Provider and Trustee, promptly upon receipt thereof, duplicates or copies of all reports, notices, requests, demands, certificates, financial statements and other instruments furnished to the Subordination Agent as registered holder of the Equipment Notes or otherwise in its capacity as Subordination Agent to the extent the same shall not have been otherwise directly distributed to such Liquidity Provider or Trustee, as applicable, pursuant to the express provision of any other Operative Agreement.

SECTION 5.2. Indemnification. The Subordination Agent shall not be required to take any action or refrain from taking any action under Section 5.1 (other than the first sentence thereof) or Article IV hereof unless the Subordination Agent shall have been indemnified (to the extent and in the manner reasonably satisfactory to the Subordination Agent) against any liability, cost or expense (including counsel fees and expenses) which may be incurred in connection therewith. The Subordination Agent shall not be under any obligation to take any action under this Agreement and nothing contained in this Agreement shall require the Subordination Agent to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it. The Subordination Agent shall not be required to take any action under Section 5.1 (other than the first sentence thereof) or Article IV hereof, nor shall any other provision of this Agreement be deemed to impose a duty on the Subordination Agent to take any action, if the Subordination Agent shall have been advised by counsel that such action is contrary to the terms hereof or is otherwise contrary to law.

SECTION 5.3. No Duties Except as Specified in Intercreditor Agreement. The Subordination Agent shall not have any duty or obligation to take or refrain from taking any action under, or in connection with, this Agreement, except as expressly provided by the terms of this Agreement; and no implied duties or obligations shall be read into this Agreement against the Subordination Agent. The Subordination Agent agrees that it will, in its individual capacity

and at its own cost and expense (but without any right of indemnity in respect of any such cost or expense under Section 7.1 hereof) promptly take such action as may be necessary to duly discharge all Liens on any of the Trust Accounts or any monies deposited therein which result from claims against it in its individual capacity not related to its activities hereunder or any other Operative Agreement.

SECTION 5.4. Notice from the Liquidity Providers and Trustees. If any Liquidity Provider or Trustee has notice of an Indenture Default or a Triggering Event, such Person shall promptly give notice thereof to all other Liquidity Providers and Trustees and to the Subordination Agent, provided, however, that no such Person shall have any liability hereunder as a result of its failure to deliver any such notice.

##### THE SUBORDINATION AGENT

SECTION 6.1. Authorization; Acceptance of Trusts and Duties. Each of the Class A Trustee, the Class B Trustee, the Class C-I Trustee and the Class C-II Trustee hereby designates and appoints the Subordination Agent as the agent and trustee of such Trustee under each applicable Liquidity Facility and authorizes the Subordination Agent to enter into each applicable Liquidity Facility as agent and trustee for such Trustee. Each of the Liquidity Providers and the Trustees hereby designates and appoints the Subordination Agent as the Subordination Agent under this Agreement. WTC hereby accepts the duties hereby created and applicable to it as the Subordination Agent and agrees to perform the same but only upon the terms of this Agreement and agrees to receive and disburse all monies received by it in accordance with the terms hereof. The Subordination Agent shall not be answerable or accountable under any circumstances, except (a) for its own willful misconduct or gross negligence (or ordinary negligence in the handling of funds), (b) as provided in Section 2.2 hereof and (c) for liabilities that may result from the material inaccuracy of any representation or warranty of the Subordination Agent made in its individual capacity in any Operative Agreement. The Subordination Agent shall not be liable for any error of judgment made in good faith by a Responsible Officer of the Subordination Agent, unless it is proved that the Subordination Agent was negligent in ascertaining the pertinent facts.

SECTION 6.2. Absence of Duties. The Subordination Agent shall have no duty to see to any recording or filing of this Agreement or any other document, or to see to the maintenance of any such recording or filing.

SECTION 6.3. No Representations or Warranties as to Documents. The Subordination Agent in its individual capacity does not make nor shall be deemed to have made any representation or warranty as to the validity, legality or enforceability of this Agreement or any other Operative Agreement or as to the correctness of any statement contained in any thereof, except for the representations and warranties of the Subordination Agent, made in its individual capacity, under any Operative Agreement to which it is a party. The Certificateholders, the Trustees and the Liquidity Providers make no representation or warranty hereunder whatsoever.

SECTION 6.4. No Segregation of Monies; No Interest. Any monies paid to or retained by the Subordination Agent pursuant to any provision hereof and not then required to be either distributed to any Trustee or any Liquidity Provider as provided in Articles II and III hereof or deposited into one or more Trust Accounts need not be segregated in any manner except to the extent required by such Articles II and III and by law, and the Subordination Agent shall not (except as otherwise provided in Section 2.2 hereof) be liable for any interest thereon; provided, however, that any payments received or applied hereunder by the Subordination Agent shall be accounted for by the Subordination Agent so that any portion thereof paid or applied pursuant hereto shall be identifiable as to the source thereof.

SECTION 6.5. Reliance; Agents; Advice of Counsel. The Subordination Agent shall not incur liability to anyone in acting upon any signature, instrument, notice, resolution, request, consent, order, certificate, report, opinion, bond or other document or paper believed by it to be genuine and believed by it to be signed by the proper party or parties. As to the Pool Balance of any Trust as of any date, the Subordination Agent may for all purposes hereof rely on a certificate signed by any Responsible Officer of the applicable Trustee, and such certificate shall constitute full protection to the Subordination Agent for any action taken or omitted to be taken by it in good faith in reliance thereon. As to any fact or matter relating to the Liquidity Providers or the Trustees the manner of ascertainment of which is not specifically described herein, the Subordination Agent may for all purposes hereof rely on a certificate, signed by any Responsible Officer of the applicable Liquidity Provider or Trustee, as the case may be, as to such fact or matter, and such certificate shall constitute full protection to the Subordination Agent for any action taken or omitted to be taken by it in good faith in reliance thereon. The Subordination Agent shall assume, and shall be fully protected in assuming, that each of the Liquidity Providers and each of the Trustees are authorized to enter into this Agreement and to take all action to be taken by them pursuant to the provisions hereof, and shall not inquire into the authorization of each of the Liquidity Providers and each of the Trustees with respect thereto. In the administration of the trusts hereunder, the Subordination Agent may execute any of the trusts or powers hereof and perform its powers and duties hereunder directly or through agents or attorneys and may consult with counsel, accountants and other skilled persons to be selected and retained by it, and the Subordination Agent shall not be liable for the acts or omissions of any agent appointed with due care or for anything done, suffered or omitted in good faith by it in accordance with the advice or written opinion of any such counsel, accountants or other skilled persons.

SECTION 6.6. Capacity in Which Acting. The Subordination Agent acts hereunder solely as agent and trustee herein and not in its individual capacity, except as otherwise expressly provided in the Operative Agreements.

SECTION 6.7. Compensation. The Subordination Agent shall be entitled to reasonable compensation, including expenses and disbursements, for all services rendered hereunder and shall have a priority claim to the extent set forth in Article III hereof on all monies collected hereunder for the payment of such compensation, to the extent that such compensation shall not be paid by others. The Subordination Agent agrees that it shall have no right against

any Trustee or Liquidity Provider for any fee as compensation for its services as agent under this Agreement. The provisions of this Section 6.7 shall survive the termination of this Agreement.

SECTION 6.8. May Become Certificateholder. The institution acting as Subordination Agent hereunder may become a Certificateholder and have all rights and benefits of a Certificateholder to the same extent as if it were not the institution acting as the Subordination Agent.

SECTION 6.9. Subordination Agent Required; Eligibility. There shall at all times be a Subordination Agent hereunder which shall be a corporation organized and doing business under the laws of the United States of America or of any State or the District of Columbia having a combined capital and surplus of at least \$100,000,000 (or the obligations of which, whether now in existence or hereafter incurred, are fully and unconditionally guaranteed by a corporation organized and doing business under the laws of the United States, any State thereof or of the District of Columbia and having a combined capital and surplus of at least \$100,000,000), if there is such an institution willing and able to perform the duties of the Subordination Agent hereunder upon reasonable or customary terms. Such corporation shall be a citizen of the United States and shall be authorized under the laws of the United States or any State thereof or of the District of Columbia to exercise corporate trust powers and shall be subject to supervision or examination by federal, state or District of Columbia authorities. If such corporation publishes reports of condition at least annually, pursuant to law or to the requirements of any of the aforesaid supervising or examining authorities, then, for the purposes of this Section 6.9, the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published.

In case at any time the Subordination Agent shall cease to be eligible in accordance with the provisions of this Section, the Subordination Agent shall resign immediately in the manner and with the effect specified in Section 8.1.

SECTION 6.10. Money to Be Held in Trust. All Equipment Notes, monies and other property deposited with or held by the Subordination Agent pursuant to this Agreement shall be held in trust for the benefit of the parties entitled to such Equipment Notes, monies and other property. All such Equipment Notes, monies or other property shall be held in the Trust Department of the institution acting as Subordination Agent hereunder.

## ARTICLE VII

### INDEMNIFICATION OF SUBORDINATION AGENT

SECTION 7.1. Scope of Indemnification. The Subordination Agent shall be indemnified hereunder to the extent and in the manner described in Section 9.1 of the Participation Agreements and Section 7 of the Note Purchase Agreement. The indemnities contained in such Sections of such agreements shall survive the termination of this Agreement.

## ARTICLE VIII

## SUCCESSOR SUBORDINATION AGENT

SECTION 8.1. Replacement of Subordination Agent; Appointment of Successor. The Subordination Agent may resign at any time by so notifying the Trustees and the Liquidity Providers. The Controlling Party may remove the Subordination Agent for cause by so notifying the Subordination Agent and may appoint a successor Subordination Agent. The Controlling Party shall remove the Subordination Agent if:

- (1) the Subordination Agent fails to comply with Section 6.9 hereof;
- (2) the Subordination Agent is adjudged bankrupt or insolvent;
- (3) a receiver or other public officer takes charge of the Subordination Agent or its property; or
- (4) the Subordination Agent otherwise becomes incapable of acting.

If the Subordination Agent resigns or is removed or if a vacancy exists in the office of Subordination Agent for any reason (the Subordination Agent in such event being referred to herein as the retiring Subordination Agent), the Controlling Party shall promptly appoint a successor Subordination Agent.

A successor Subordination Agent shall deliver (x) a written acceptance of its appointment as Subordination Agent hereunder to the retiring Subordination Agent and (y) a written assumption of its obligations hereunder and under each Liquidity Facility to each party hereto, upon which the resignation or removal of the retiring Subordination Agent shall become effective, and the successor Subordination Agent shall have all the rights, powers and duties of the Subordination Agent under this Agreement. The successor Subordination Agent shall mail a notice of its succession to the Liquidity Providers and the Trustees. The retiring Subordination Agent shall promptly transfer its rights under each of the Liquidity Facilities and all of the property held by it as Subordination Agent to the successor Subordination Agent.

If a successor Subordination Agent does not take office within 60 days after the retiring Subordination Agent resigns or is removed, the retiring Subordination Agent or one or more of the Trustees may petition any court of competent jurisdiction for the appointment of a successor Subordination Agent.

If the Subordination Agent fails to comply with Section 6.9 hereof (to the extent applicable), one or more of the Trustees or one or more of the Liquidity Providers may petition any court of competent jurisdiction for the removal of the Subordination Agent and the appointment of a successor Subordination Agent.

Notwithstanding the foregoing, no resignation or removal of the Subordination Agent shall be effective unless and until a successor has been appointed. No appointment of a

successor Subordination Agent shall be effective unless and until the Rating Agencies shall have delivered a Ratings Confirmation.

##### SUPPLEMENTS AND AMENDMENTS

SECTION 9.1. Amendments, Waivers, etc. (a) This Agreement may not be supplemented, amended or modified without the consent of each Trustee (acting, except in the case of any amendment pursuant to Section 3.6(e)(v)(y) hereof, with the consent of holders of Certificates of the related Class evidencing interests in the related Trust aggregating not less than a majority in interest in such Trust or as otherwise authorized pursuant to the relevant Trust Agreement), the Subordination Agent and each Liquidity Provider; provided, however, that this Agreement may be supplemented, amended or modified without the consent of any Trustee if such supplement, modification or amendment cures an ambiguity or inconsistency or does not materially adversely affect such Trustee, the Liquidity Providers or the holders of the related Class of Certificates; provided, further, however, that if such supplement, amendment or modification would (x) directly or indirectly modify or supersede, or otherwise conflict with, Section 2.2(b), Section 3.6(e), Section 3.6(f)(other than the last sentence thereof), or the second sentence of Section 10.6 (collectively, together with this proviso, the "Continental Provisions") or (y) otherwise adversely affect the interests of a potential Replacement Liquidity Provider or of Continental with respect to its payment obligations under any Lease or Owned Aircraft Indenture, then such supplement, amendment or modification shall not be effective without the additional written consent of Continental. Notwithstanding the foregoing, without the consent of each Certificateholder and each Liquidity Provider, no supplement, amendment or modification of this Agreement may (i) reduce the percentage of the interest in any Trust evidenced by the Certificates issued by such Trust necessary to consent to modify or amend any provision of this Agreement or to waive compliance therewith or (ii) modify Section 2.4, 3.2 or 3.3 hereof, relating to the distribution of monies received by the Subordination Agent hereunder from the Equipment Notes or pursuant to the Liquidity Facilities. Nothing contained in this Section shall require the consent of a Trustee at any time following the payment of Final Distributions with respect to the related Class of Certificates.

(b) In the event that the Subordination Agent, as the registered holder of any Equipment Notes, receives a request for its consent to any amendment, modification, consent or waiver under such Equipment Notes, the Indenture pursuant to which such Equipment Notes were issued, or the Lease, Participation Agreement or other related document, (i) if no Indenture Default shall have occurred and be continuing, the Subordination Agent shall request instructions from the applicable Trustee(s) and shall vote or consent in accordance with the directions of such Trustee(s) (in the case of each such Trustee, with respect to the Equipment Notes held in such Trust) constituting, in the aggregate, directions with respect to the requisite principal amount of Equipment Notes under such Indenture and (ii) if any Indenture Default (which, in the case of any Indenture pertaining to a Leased Aircraft, has not been cured by the applicable Owner Trustee or the applicable Owner Participant, if applicable, pursuant to Section 4.03 of such Indenture) shall have occurred and be continuing with respect to such Indenture, the

Subordination Agent will exercise its voting rights as directed by the Controlling Party, subject to Sections 4.1 and 4.4 hereof; provided that no such amendment, modification or waiver shall, without the consent of each Liquidity Provider, reduce the amount of rent, supplemental rent or stipulated loss values payable by Continental under any Lease or reduce the amount of principal or interest payable by Continental under any Equipment Note issued under any Indenture in respect of an Owned Aircraft.

SECTION 9.2. Subordination Agent Protected. If, in the reasonable opinion of the institution acting as the Subordination Agent hereunder, any document required to be executed pursuant to the terms of Section 9.1 affects any right, duty, immunity or indemnity with respect to it under this Agreement or any Liquidity Facility, the Subordination Agent may in its discretion decline to execute such document.

SECTION 9.3. Effect of Supplemental Agreements. Upon the execution of any amendment, consent or supplement hereto pursuant to the provisions hereof, this Agreement shall be and be deemed to be and shall be modified and amended in accordance therewith and the respective rights, limitations of rights, obligations, duties and immunities under this Agreement of the parties hereto and beneficiaries hereof shall thereafter be determined, exercised and enforced hereunder subject in all respects to such modifications and amendments, and all the terms and conditions of any such supplemental agreement shall be and be deemed to be and shall be part of the terms and conditions of this Agreement for any and all purposes. In executing or accepting any supplemental agreement permitted by this Article IX, the Subordination Agent shall be entitled to receive, and shall be fully protected in relying upon, an opinion of counsel stating that the execution of such supplemental agreement is authorized or permitted by this Agreement.

SECTION 9.4. Notice to Rating Agencies. Promptly following its receipt of each amendment, consent, modification, supplement or waiver contemplated by this Article IX, the Subordination Agent shall send a copy thereof to each Rating Agency.

Whenever any notice in writing is required to be given by any Trustee or Liquidity Provider or the Subordination Agent to any of the other of them, such notice shall be deemed given and such requirement satisfied when such notice is received. Any party hereto may change the address to which notices to such party will be sent by giving notice of such change to the other parties to this Agreement.

SECTION 10.4. Severability. Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

SECTION 10.5. No Oral Modifications or Continuing Waivers. No terms or provisions of this Agreement may be changed, waived, discharged or terminated orally, but only by an instrument in writing signed by the party or other Person against whom enforcement of the change, waiver, discharge or termination is sought and any other party or other Person whose

consent is required pursuant to this Agreement and any waiver of the terms hereof shall be effective only in the specific instance and for the specific purpose given.

SECTION 10.6. Successors and Assigns. All covenants and agreements contained herein shall be binding upon, and inure to the benefit of, each of the parties hereto and the successors and assigns of each, all as herein provided. In addition, the Continental Provisions shall inure to the benefit of Continental and its successors and assigns, and (without limitation of the foregoing) Continental is hereby constituted, and agreed to be, an express third party beneficiary of the Continental Provisions. Upon the occurrence of the Transfers contemplated by the Assignment and Assumption Agreements, the Trustee of each Class shall (without any further act) be deemed to have transferred all of its rights, title and interest in and to this Agreement to the trustee of the Successor Trust of the same Class and, thereafter, the trustee of each Successor Trust shall be deemed to be the "Trustee" of such Successor Trust with the rights and obligations of a "Trustee" hereunder and under the other Operative Agreements and each reference to a Trust of any Class herein shall be deemed a reference to the Successor Trust of such Class.

SECTION 10.7. Headings. The headings of the various Articles and Sections herein and in the table of contents hereto are for convenience of reference only and shall not define or limit any of the terms or provisions hereof.

SECTION 10.8. Counterpart Form. This Agreement may be executed by the parties hereto in separate counterparts, each of which when so executed and delivered shall be an original, but all such counterparts shall together constitute but one and the same agreement.

SECTION 10.9. Subordination. (a) As between the Liquidity Providers, on the one hand, and the Trustees and the Certificateholders, on the other hand, this Agreement shall be a subordination agreement for purposes of Section 510 of the United States Bankruptcy Code, as amended from time to time.

(b) Notwithstanding the provisions of this Agreement, if prior to the payment in full to the Liquidity Providers of all Liquidity Obligations then due and payable, any party hereto shall have received any payment or distribution in respect of Equipment Notes or any other amount under the Indentures or other Operative Agreements which, had the subordination provisions of this Agreement been properly applied to such payment, distribution or other amount, would not have been distributed to such Person, then such payment, distribution or other amount shall be received and held in trust by such Person and paid over or delivered to the Subordination Agent for application as provided herein.

(c) If any Trustee, any Liquidity Provider or the Subordination Agent receives any payment in respect of any obligations owing hereunder (or, in the case of the Liquidity Providers, in respect of the Liquidity Obligations), which is subsequently invalidated, declared preferential, set aside and/or required to be repaid to a trustee, receiver or other party, then, to the extent of such payment, such obligations (or, in the case of the Liquidity Providers, such Liquidity Obligations) intended to be satisfied shall be revived and continue in full force and effect as if such payment had not been received.

(d) The Trustees (on behalf of themselves and the holders of Certificates), the Liquidity Providers and the Subordination Agent confirm that the payment priorities specified in Sections 2.4, 3.2 and 3.3 shall apply in all circumstances, notwithstanding the fact that the obligations owed to the Trustees and the holders of Certificates are secured by certain assets and the Liquidity Obligations may not be so secured. The Trustees expressly agree (on behalf of themselves and the holders of Certificates) not to assert priority over the holders of Liquidity Obligations due to their status as secured creditors in any bankruptcy, insolvency or other legal proceeding.

(e) Each of the Trustees (on behalf of themselves and the holders of Certificates), the Liquidity Providers and the Subordination Agent may take any of the following actions without impairing its rights under this Agreement:

(i) obtain a Lien on any property to secure any amounts owing to it hereunder, including, in the case of the Liquidity Providers, the Liquidity Obligations,

(ii) obtain the primary or secondary obligation of any other obligor with respect to any amounts owing to it hereunder, including, in the case of the Liquidity Providers, any of the Liquidity Obligations,

(iii) renew, extend, increase, alter or exchange any amounts owing to it hereunder, including, in the case of the Liquidity Providers, any of the Liquidity Obligations, or release or compromise any obligation of any obligor with respect thereto,

(iv) refrain from exercising any right or remedy, or delay in exercising such right or remedy, which it may have, or

(v) take any other action which might discharge a subordinated party or a surety under applicable law;

provided, however, that the taking of any such actions by any of the Trustees, the Liquidity Providers or the Subordination Agent shall not prejudice the rights or adversely affect the obligations of any other party under this Agreement.

SECTION 10.10. GOVERNING LAW. THIS AGREEMENT SHALL IN ALL RESPECTS BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK, INCLUDING ALL MATTERS OF CONSTRUCTION, VALIDITY AND PERFORMANCE.

SECTION 10.11. Submission to Jurisdiction; Waiver of Jury Trial; Waiver of Immunity.

(a) Each of the parties hereto hereby irrevocably and unconditionally:

(i) submits for itself and its property in any legal action or proceeding relating to this Agreement or any other Operative Agreement, or for recognition and enforcement

of any judgment in respect hereof or thereof, to the nonexclusive general jurisdiction of the courts of the State of New York, the courts of the United States of America for the Southern District of New York, and the appellate courts from any thereof;

(ii) consents that any such action or proceeding may be brought in such courts, and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same;

(iii) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form and mail), postage prepaid, to each party hereto at its address set forth in Section 10.3 hereof, or at such other address of which the other parties shall have been notified pursuant thereto; and

(iv) agrees that nothing herein shall affect the right to effect service of process in any other manner permitted by law or shall limit the right to sue in any other jurisdiction.

(b) EACH OF THE PARTIES HERETO HEREBY AGREES TO WAIVE ITS RESPECTIVE RIGHTS TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING OUT OF THIS AGREEMENT OR ANY DEALINGS BETWEEN THEM RELATING TO THE SUBJECT MATTER OF THIS AGREEMENT AND THE RELATIONSHIP THAT IS BEING ESTABLISHED, including, without limitation, contract claims, tort claims, breach of duty claims and all other common law and statutory claims. Each of the parties warrants and represents that it has reviewed this waiver with its legal counsel, and that it knowingly and voluntarily waives its jury trial rights following consultation with such legal counsel. THIS WAIVER IS IRREVOCABLE, AND CANNOT BE MODIFIED EITHER ORALLY OR IN WRITING, AND THIS WAIVER SHALL APPLY TO ANY SUBSEQUENT AMENDMENTS, RENEWALS, SUPPLEMENTS OR MODIFICATIONS TO THIS AGREEMENT.

(c) The Liquidity Provider hereby waives any immunity it may have from the jurisdiction of the courts of the United States or of any State and waives any immunity any of its properties located in the United States may have from attachment or execution upon a judgement entered by any such court under the United States Foreign Sovereign Immunities Act of 1976 or any similar successor legislation.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed by their respective officers thereunto duly authorized, as of the day and year first above written, and acknowledge that this Agreement has been made and delivered in the City of New York, and this Agreement has become effective only upon such execution and delivery.

Upon the effectiveness of the Exchange Offer Registration Statement, the Company shall promptly commence the Exchange Offer, it being the objective of such Exchange Offer to enable each Holder (other than Participating Broker-Dealers) eligible and electing to exchange Registrable Certificates for Exchange Certificates (assuming that such Holder is not an affiliate of the Company within the meaning of Rule 405 under the 1933 Act, acquires the Exchange Certificates in the ordinary course of such Holder's business and has no arrangements or understandings with any person to participate in the Exchange Offer for the purpose of distributing the Exchange Certificates) to trade such Exchange Certificates from and after their receipt without any limitations or restrictions under the 1933 Act and without material restrictions under the securities laws of a substantial proportion of the several states of the United States.

In connection with the Exchange Offer, the Company shall or shall cause the Trustees to:

(i) mail to each Holder a copy of the Prospectus forming part of the Exchange Offer Registration Statement, together with an appropriate letter of transmittal and related documents;

(ii) keep the Exchange Offer open for not less than 30 days after the date notice thereof is mailed to the Holders (or longer if required by applicable law);

(iii) use the services of DTC for the Exchange Offer with respect to Initial Certificates evidenced by global certificates;

(iv) permit Holders to withdraw tendered Registrable Certificates at any time prior to the close of business, New York City time, on the last Business Day on which the Exchange Offer shall remain open, by sending to the institution specified in the notice, a telegram, telex, facsimile transmission or letter setting forth the name of such Holder, the principal amount of Registrable Certificates delivered for exchange, and a statement that such Holder is withdrawing its election to have such Registrable Certificates exchanged;

(v) use its best efforts to ensure that (i) any Exchange Offer Registration Statement and any amendment thereto and any Prospectus forming part thereof and any supplement thereto complies in all material respects with the 1933 Act and the rules and regulations thereunder, (ii) any Exchange Offer Registration Statement and any amendment thereto does not, when it becomes effective, contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading and (iii) any Prospectus forming part of any Exchange Offer Registration Statement, and any supplement to such Prospectus (as amended or supplemented from time to time), does not include an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements, in light of the circumstances under which they were made, not misleading; and

(vi) otherwise comply in all respects with all applicable laws relating to the Exchange Offer.

As soon as practicable after the close of the Exchange Offer, the Company shall or shall cause the Trustees to:

(i) accept for exchange Registrable Certificates duly tendered and not validly withdrawn pursuant to the Exchange Offer in accordance with the terms of the Exchange Offer Registration Statement and the letter of transmittal which is an exhibit thereto;

(ii) cancel or cause to be canceled all Registrable Certificates so accepted for exchange by the Company; and

(iii) promptly cause to be authenticated and delivered Exchange Certificates to each Holder of Registrable Certificates equal in amount to the Registrable Certificates of such Holder so accepted for exchange.

Interest on each Exchange Certificate will accrue from the last date on which interest was paid on the Registrable Certificates surrendered in exchange therefor or, if no interest has been paid on the Registrable Certificates, from the Closing Date. The Exchange Offer shall not be subject to any conditions, other than that the Exchange Offer, or the making of any exchange by a Holder, does not violate applicable law or any applicable interpretation of the Staff. Each Holder of Registrable Certificates (other than Participating Broker-Dealers) who wishes to exchange such Registrable Certificates for Exchange Certificates in the Exchange Offer shall represent that (i) it is not an "affiliate" of the Company within the meaning of Rule 405 under the 1933 Act, (ii) any Exchange Certificates to be received by it were acquired in the ordinary course of business and (iii) it has no arrangement with any Person to participate in the distribution (within the meaning of the 1933 Act) of the Exchange Certificates.

(b) Shelf Registration. (i) If, because of any change in law or applicable interpretations thereof by the Staff, the Company is not permitted to effect the Exchange Offer as contemplated by Section 2(a) hereof, or (ii) if for any other reason the Exchange Offer Registration Statement is not declared effective within 180 days after the Closing Date or the Exchange Offer is not consummated within 210 days after the Closing Date (a "Registration Default"), or (iii) if any Holder (other than a Purchaser) is not eligible to participate in the Exchange Offer or (iv) upon the request of any Purchaser (with respect to any Registrable Certificates which it acquired directly from the Company) following the consummation of the Exchange Offer if such Purchaser shall hold Registrable Certificates which it acquired directly from the Company and if such Purchaser is not permitted, in the opinion of counsel to such Purchaser, pursuant to applicable law or applicable interpretation of the Staff to participate in the Exchange Offer, the Company shall, at its cost:

(A) as promptly as practicable, file with the SEC a Shelf Registration Statement relating to the offer and sale of the Registrable Certificates by the Holders from time to time in accordance with the methods of distribution elected by the Majority Holders of such Registrable Certificates and set forth in such Shelf Registration Statement, and use its best efforts to cause such Shelf Registration Statement to be declared effective by the SEC by the 180th day after the Closing Date (or promptly in the event of a request by any Holder pursuant to clause (iii) above or any Purchaser pursuant to clause (iv) above). In the event that the Company is required to file a Shelf Registration Statement upon the request of any Holder (other than a Purchaser) not eligible to participate in the Exchange Offer pursuant to clause (iii) above or upon the request of any Purchaser pursuant to clause (iv) above, the Company shall file and have declared effective by the SEC both an Exchange Offer Registration Statement pursuant to Section 2(a) with respect to all Registrable Certificates and a Shelf Registration Statement (which may be a combined Registration Statement with the Exchange Offer Registration Statement) with respect to offers and sales of Registrable Certificates held by such Holder or such Purchaser after completion of the Exchange Offer. If the Company files a Shelf Registration Statement pursuant to Section 2(b)(i) or (ii) hereof, the Company will no longer be required to effect the Exchange Offer;

(B) use its best efforts to keep the Shelf Registration Statement continuously effective, in order to permit the Prospectus forming part thereof to be usable by Holders, until the end of the period referred to in Rule 144(k) (or one year from the Closing Date if such Shelf Registration Statement is filed upon the request of any Purchaser pursuant to clause (iv) above) or such shorter period as shall end when all of the Registrable Certificates covered by the Shelf Registration Statement have been sold pursuant to the Shelf Registration Statement; and

(C) notwithstanding any other provisions hereof, use its best efforts to ensure that (i) any Shelf Registration Statement and any amendment thereto and any Prospectus forming part thereof and any supplement thereto complies in all material respects with the 1933 Act and the rules and regulations thereunder, (ii) any Shelf Registration Statement and any amendment thereto does not, when it

becomes effective, contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading and (iii) any Prospectus forming part of any Shelf Registration Statement, and any supplement to such Prospectus (as amended or supplemented from time to time), does not include an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements, in light of the circumstances under which they were made, not misleading.

The Company further agrees, if necessary, to supplement or amend the Shelf Registration Statement if reasonably requested by the Majority Holders with respect to information relating to the Holders and otherwise as required by Section 3(b) below, to use all reasonable efforts to cause any such amendment to become effective and such Shelf Registration Statement to become usable as soon as practicable thereafter and to furnish to the Holders of Registrable Certificates copies of any such supplement or amendment promptly after its being used or filed with the SEC.

The Company shall be allowed a period of five days, beginning on the first day a Registration Default occurs, to cure such Registration Default before the Company will be required to comply with the requirements of Section 2(b).

(c) Expenses. The Company shall pay all Registration Expenses in connection with the registration pursuant to Section 2(a) or 2(b) and, in the case of any Shelf Registration Statement, will reimburse the Holders or Purchasers for the reasonable fees and disbursements of one firm or counsel designated in writing by the Majority Holders to act as counsel for the Holders of the Registrable Certificates in connection therewith. Each Holder shall pay all expenses of its counsel, other than as set forth in the preceding sentence, underwriting discounts and commissions and transfer taxes, if any, relating to the sale or disposition of such Holder's Registrable Certificates pursuant to the Shelf Registration Statement.

(d) Effective Registration Statement. (i) The Company will be deemed not to have used its best efforts to cause the Exchange Offer Registration Statement or the Shelf Registration Statement, as the case may be, to become, or to remain, effective during the requisite period if the Company voluntarily takes any action that would result in any such

Registration Statement not being declared effective or in the Holders of Registrable Certificates covered thereby not being able to exchange or offer and sell such Registrable Certificates during that period unless (A) such action is required by applicable law or (B) such action is taken by the Company in good faith and for valid business reasons (not including avoidance of the Company's obligations hereunder), including, without limitation, the acquisition or divestiture of assets, so long as the Company promptly complies with the requirements of Section 3(j) hereof, if applicable.

(ii) An Exchange Offer Registration Statement pursuant to Section 2(a) hereof or a Shelf Registration Statement pursuant to Section 2(b) hereof will not be deemed to have become effective unless it has been declared effective by the SEC; provided, however, that if, after it has been declared effective, the offering of Registrable Certificates pursuant to a Registration Statement is interfered with by any stop order, injunction or other order or requirement of the SEC or any other governmental agency or court, such Registration Statement will be deemed not to have been effective during the period of such interference, until the offering of Registrable Certificates pursuant to such Registration Statement may legally resume.

(e) Increase in Interest Rate. In the event that no Registration Event has occurred on or prior to the 210th day after the Closing Date, the interest rate per annum payable in respect of the Initial Certificates shall be increased by 0.50%, effective from and including such 210th day, to but excluding the earlier of (i) the date on which a Registration Event occurs and (ii) the date on which there cease to be any Registrable Certificates, which additional interest shall be paid through a combination of an increase in the interest rate per annum borne by the Equipment Notes of 0.50% and, if applicable, an increase in the interest rate per annum payable on the Deposits of 0.50% pursuant to the Depositary Agreements. In the event that the Shelf Registration Statement ceases to be effective at any time during the period specified by Section 2(b)(B) hereof for more than 60 days, whether or not consecutive, during any 12-month period, the interest rate payable in respect of the Initial Certificates shall be increased by 0.50% per annum from the 61st day of the applicable 12-month period such Shelf Registration Statement ceases to be effective until such time as the Shelf Registration Statement again becomes effective (or, if earlier, the end of the period specified by Section 2(b)(B) hereof), which

additional interest shall be paid through a combination of an increase in the interest rate per annum borne by the Equipment Notes of 0.50% and, if applicable, an increase in the interest rate per annum payable on the Deposits of 0.50% pursuant to the Depositary Agreements.

3. Registration Procedures. In connection with the obligations of the Company with respect to the Registration Statements pursuant to Sections 2(a) and 2(b) hereof, the Company shall:

(a) prepare and file with the SEC a Registration Statement, within the time period specified in Section 2, on the appropriate form under the 1933 Act, which form (i) shall be selected by the Company, (ii) shall, in the case of a Shelf Registration, be available for the sale of the Registrable Certificates by the selling Holders thereof and (iii) shall comply as to form in all material respects with the requirements of the applicable form;

(b) prepare and file with the SEC such amendments and post-effective amendments to each Registration Statement as may be necessary under applicable law to keep such Registration Statement effective for the applicable period; cause each Prospectus to be supplemented by any required prospectus supplement, and as so supplemented to be filed pursuant to Rule 424 under the 1933 Act;

(c) in the case of a Shelf Registration, (i) notify each Holder of Registrable Certificates when a Shelf Registration Statement with respect to the Registrable Certificates has been filed and advise such Holders that the distribution of Registrable Certificates will be made in accordance with the method elected by the Majority Holders; (ii) furnish to each Holder of Registrable Certificates included within the coverage of the Shelf Registration Statement at least one copy of such Shelf Registration Statement and any post-effective amendment thereto, including financial statements and schedules, and, if the Holder so requests in writing, all reports, other documents and exhibits (including those incorporated by reference) at the expense of the Company, (iii) furnish to each Holder of Registrable Certificates included within the coverage of the Shelf Registration Statement, to counsel for the Holders and to each underwriter of an underwritten offering of

Registrable Certificates, if any, without charge, as many copies of each Prospectus, including each preliminary Prospectus, and any amendment or supplement thereto as such Holder or underwriter may reasonably request in order to facilitate the public sale or other disposition of the Registrable Certificates; and (iv) subject to the last paragraph of Section 3, consent to the use of the Prospectus or any amendment or supplement thereto by each of the selling Holders of Registrable Certificates included in the Shelf Registration Statement in connection with the offering and sale of the Registrable Certificates covered by the Prospectus or any amendment or supplement thereto;

(d) use its best efforts to register or qualify the Registrable Certificates or cooperate with the Holders of Registrable Certificates and their counsel in the registration or qualification of such Registrable Certificates under all applicable state securities or "blue sky" laws of such jurisdictions as any Holder of Registrable Certificates covered by a Registration Statement and each underwriter of an underwritten offering of Registrable Certificates shall reasonably request in writing to cooperate with the Holders in connection with any filings required to be made with the NASD, and do any and all other acts and things which may be reasonably necessary or advisable to enable such Holders to consummate the disposition in each such jurisdiction of such Registrable Certificates owned by such Holders; provided, however, that in no event shall the Company be required to (i) qualify as a foreign corporation or as a dealer in securities in any jurisdiction where it would not otherwise be required to qualify but for this Section 3(d) or (ii) take any action which would subject it to general service of process or taxation in any such jurisdiction if it is not then so subject;

(e) in the case of a Shelf Registration, notify each Holder of Registrable Certificates promptly and, if requested by such Holder or counsel, confirm such advice in writing promptly (i) when a Shelf Registration Statement has become effective and when any post-effective amendments and supplements thereto become effective, (ii) of any request by the SEC or any state securities authority for post-effective amendments and supplements to a Shelf Registration Statement and Prospectus or for additional information after the Shelf

Registration Statement has become effective, (iii) of the issuance by the SEC or any state securities authority of any stop order suspending the effectiveness of a Shelf Registration Statement or the initiation of any proceedings for that purpose, (iv) at the closing of any sale of Registrable Certificates if, between the effective date of a Shelf Registration Statement and such closing, the representations and warranties of the Company contained in any underwriting agreement, securities sales agreement or other similar agreement, if any, relating to such offering cease to be true and correct in all material respects, (v) of the receipt by the Company of any notification with respect to the suspension of the qualification of the Registrable Certificates for sale in any jurisdiction or the initiation or threatening of any proceeding for such purpose, (vi) of the happening of any material event or the discovery of any material facts during the period a Shelf Registration Statement is effective which makes any statement made in such Registration Statement or the related Prospectus untrue or which requires the making of any changes in such Registration Statement or Prospectus in order to make the statements therein (in the case of the Prospectus in light of the circumstances under which they were made) not misleading and (vii) of any determination by the Company that a post-effective amendment to a Registration Statement would be appropriate;

(f) (A) in the case of the Exchange Offer, (i) include in the Exchange Offer Registration Statement a "Plan of Distribution" section covering the use of the Prospectus included in the Exchange Offer Registration Statement by broker-dealers who have exchanged their Registrable Certificates for Exchange Certificates for the resale of such Exchange Certificates, (ii) furnish to each broker-dealer who desires to participate in the Exchange Offer, without charge, as many copies of each Prospectus included in the Exchange Offer Registration Statement, including any preliminary prospectus, and any amendment or supplement thereto, as such broker-dealer may reasonably request, (iii) include in the Exchange Offer Registration Statement a statement that any broker-dealer who holds Registrable Certificates acquired for its own account as a result of market-making activities or other trading activities (a "Participating Broker-Dealer"), and who receives Exchange Certificates for Registrable Certificates pursuant to the

"If the undersigned is not a broker-dealer, the undersigned represents that it is not engaged in, and does not intend to engage in, a distribution of Exchange Certificates. If the undersigned is a broker-dealer that will receive Exchange Certificates for its own account in exchange for Registrable Certificates, it represents that the Registrable Certificates to be exchanged for Exchange Certificates were acquired by it as a result of market-making activities or other trading activities and acknowledges that it will deliver a prospectus meeting the requirements of the 1933 Act in connection with any resale of such Exchange Certificates pursuant to the Exchange Offer; however, by so acknowledging and by delivering a prospectus, the undersigned will not be deemed to admit that it is an "underwriter" within the meaning of the 1933 Act"; and

(y) a statement to the effect that by a broker-dealer making the acknowledgment described in subclause (x) and by delivering a Prospectus in connection with the exchange of Registrable Certificates, the broker-dealer will not be deemed to admit that it is an underwriter within the meaning of the 1933 Act; and

(B) to the extent any Participating Broker-Dealer participates in the Exchange Offer, use its best efforts to cause to be delivered at the request of an entity representing the Participating Broker-Dealers (which entity shall be one of the Purchasers, unless it elects not to act

(i) unless any Registrable Certificates are in book entry form only, in the case of a Shelf Registration, cause the Trustees to cooperate with the selling Holders of Registrable Certificates to facilitate the timely preparation and delivery of certificates representing Registrable Certificates to be sold free from any

restrictive legends; and cause such Registrable Certificates to be in such denominations (consistent with the provisions of the Pass Through Trust Agreements or the Successor Pass Through Trust Agreements, as the case may be) and registered in such names as the selling Holders or the underwriters, if any, may reasonably request at least one Business Day prior to the closing of any sale of Registrable Certificates;

(j) in the case of a Shelf Registration, upon the occurrence of any event or the discovery of any facts, each as contemplated by Sections 2(d)(i)(B) or 3(e)(ii)-(vi) hereof, use its best efforts to prepare a post-effective amendment to a Registration Statement or an amendment or supplement to the related Prospectus or file any other required document so that, as thereafter delivered to the purchasers of the Registrable Certificates, such Prospectus will not contain at the time of such delivery any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading. The Company agrees to notify each Holder to suspend use of the Prospectus as promptly as practicable after the occurrence of such an event, and each Holder hereby agrees to suspend use of the Prospectus as promptly as practicable upon receipt of such notice until the Company has amended or supplemented the Prospectus to correct such misstatement or omission, provided that the Company shall cause such suspension not to last more than 30 days per occurrence or more than 60 days in aggregate in a calendar year. At such time as such public disclosure is otherwise made or the Company determines that such disclosure is not necessary, in each case to correct any misstatement of a material fact or to include any omitted material fact, the Company agrees promptly to notify each Holder of such determination and to furnish each Holder such numbers of copies of the Prospectus, as amended or supplemented, as such Holder may reasonably request;

(k) obtain a CUSIP number for all Exchange Certificates, or Registrable Certificates, as the case may be, of each Trust not later than the effective date of an Exchange Offer Registration Statement or Shelf Registration Statement, as the case may be, and provide the Trustees with printed certificates evidencing the Exchange Certificates or

the Registrable Certificates, as the case may be, held in book entry form, in a form eligible for deposit with DTC;

(l) (i) cause the Pass Through Trust Agreements or Successor Pass Through Trust Agreements, as the case may be, to be qualified under the Trust Indenture Act of 1939, as amended (the "TIA"), in connection with the registration of the Exchange Certificates, or Registrable Certificates, as the case may be, (ii) cooperate with the Trustees and the Holders to effect such changes to the Pass Through Trust Agreements or Successor Pass Through Trust Agreements as may be required for the Pass Through Trust Agreements or Successor Pass Through Trust Agreements, as the case may be, to be so qualified in accordance with the terms of the TIA and (iii) execute, and use its best efforts to cause the Trustees to execute, all documents as may be required to effect such changes, and all other forms and documents required to be filed with the SEC to enable the Pass Through Trust Agreements or Successor Pass Through Trust Agreements, as the case may be, to be so qualified in a timely manner;

(m) in the case of a Shelf Registration, enter into such customary agreements (including underwriting agreements in customary form) and take all other customary and appropriate actions (including those reasonably requested by the Holders of a majority in principal amount of Registrable Certificates being sold) in order to expedite or facilitate the disposition of such Registrable Certificates and in such connection whether or not an underwriting agreement is entered into and whether or not the registration is an underwritten registration:

(ii) obtain opinions of counsel to the Company (who may be the general counsel of the Company) and updates thereof (which counsel and opinions (in form, scope and substance) shall be reasonably satisfactory to the managing underwriters, if any, or if there are no such managing underwriters, to the Holders of a

majority in principal amount of the Registrable Certificates being sold) addressed to each selling Holder and the underwriters, if any, covering the matters customarily covered in opinions requested in sales of securities or underwritten offerings and such other matters as may be reasonably requested by such Holders and underwriters;

(iii) obtain a "cold comfort" letter and updates thereof from the Company's independent certified public accountants addressed to the underwriters, if any, and will use its best efforts to have such letter addressed to the selling Holders of Registrable Certificates, such letter to be in customary form and covering such matters of the type customarily covered in "cold comfort" letters in connection with similar underwritten offerings as the Holders of a majority in principal amount of the Registration Certificates being sold shall request;

(iv) enter into a securities sales agreement with the Holders and an agent of the Holders providing for, among other things, the appointment of such agent for the selling Holders for the purpose of soliciting purchases of Registrable Certificates, which agreement shall be in form, substance and scope customary for similar offerings;

(v) if an underwriting agreement is entered into, cause the same to set forth indemnification provisions and procedures substantially equivalent to the indemnification provisions and procedures set forth in Section 5 hereof with respect to all parties to be indemnified pursuant to said Section; and

(vi) deliver such other documents and certificates as may be reasonably requested by Holders of a majority in principal amount of Registrable Certificates being sold, and as are customarily delivered in similar offerings.

The above shall be done at (i) the effectiveness of such Registration Statement (and, if appropriate, each post-effective amendment thereto) if appropriate in connection with any particular disposition of Registrable Certificates

and (ii) each closing under any underwriting or similar agreement as and to the extent required thereunder. In the case of any underwritten offering, the Company shall provide written notice to the Holders of all Registrable Certificates of such underwritten offering at least 30 days prior to the filing of a prospectus supplement for such underwritten offering. Such notice shall (x) offer each such Holder the right to participate in such underwritten offering, (y) specify a date, which shall be no earlier than 10 days following the date of such notice, by which such Holder must inform the Company of its intent to participate in such underwritten offering and (z) include the instructions such Holder must follow in order to participate in such underwritten offering;

(n) in the case of a Shelf Registration, make available for inspection by representatives of the Holders of the Registrable Certificates and any underwriters participating in any disposition pursuant to a Shelf Registration Statement and any counsel or accountant retained by such Holders or underwriters, all financial and other records, pertinent corporate documents and properties of the Company reasonably requested by it, and cause the respective officers, directors, employees, and any other agents of the Company to make reasonably available all relevant information reasonably requested by any such representative, underwriter, counsel or accountant in connection with a Registration Statement, in each case as is customary for similar due diligence examinations; provided, however, that any information that is designated in writing by the Company, in good faith, as confidential at the time of delivery of such information shall be kept confidential by such representatives, underwriters, counsel or accountant, unless such disclosure is made in connection with a court proceeding or required by law, or such information becomes available to the public generally or through a third party without an accompanying obligation of confidentiality; and provided further that the foregoing inspection and information gathering shall, to the extent reasonably possible, be coordinated on behalf of the Holders and the other parties entitled thereto by one counsel designated by and on behalf of such Holders and other parties;

(o) (i) a reasonable time prior to the filing of any Exchange Offer Registration Statement, any Prospectus forming a part thereof, any amendment to an Exchange Offer Registration Statement or amendment or supplement to a Prospectus, provide copies of such document to the Purchasers, and use its best efforts to reflect in any such document when filed such comments as any of the Purchasers or their counsel may reasonably request; (ii) in the case of a Shelf Registration, a reasonable time prior to filing any Shelf Registration Statement, any Prospectus forming a part thereof, any amendment to such Shelf Registration Statement or amendment or supplement to such Prospectus, provide copies of such document to the Holders of Registrable Certificates, to the Purchasers, to counsel on behalf of the Holders and to the underwriter or underwriters of an underwritten offering of Registrable Certificates, if any, and use its best efforts to reflect such comments in any such document when filed as the Holders of Registrable Certificates, their counsel and any underwriter may reasonably request; and (iii) cause the representatives of the Company to be available for discussion of such document as shall be reasonably requested by the Holders of Registrable Certificates, the Purchasers on behalf of such Holders or any underwriter and shall not at any time make any filing of any such document of which such Holders, the Purchasers on behalf of such Holders, their counsel or any underwriter shall not have previously been advised and furnished a copy or to which such Holders, the Purchasers on behalf of such Holders, their counsel or any underwriter shall reasonably object;

(p) in the case of a Shelf Registration, use its best efforts to cause the Registrable Certificates to be rated with the appropriate rating agencies at the time of effectiveness of such Shelf Registration Statement, unless the Registrable Certificates are already so rated; and

(q) otherwise use its best efforts to comply with all applicable rules and regulations of the SEC and make generally available to its security holders, as soon as reasonably practicable after the effective date of a Registration Statement, an earnings statement which shall satisfy the provisions of Section 11(a) of the 1933 Act and Rule 158 thereunder.

In the case of an Exchange Offer Registration Statement or Shelf Registration Statement, the Company may request the Depositary to furnish to the Company such information regarding the Depositary as the Company may from time to time reasonably request, and the Company may (as a condition to the inclusion of any such information in a Registration Statement) require the Depositary to provide written representations as to the accuracy in all material respects of any such information so furnished.

In the case of a Shelf Registration Statement, the Company may (as a condition to such Holder's participation in the Shelf Registration) require each Holder of Registrable Certificates to furnish to the Company such information regarding such Holder and the proposed distribution by such Holder of such Registrable Certificates as the Company may from time to time reasonably request and the Company may exclude from such registration the Registrable Certificates of any Holder that fails to furnish such information within a reasonable time after receiving such request.

In the case of a Shelf Registration Statement, each Holder agrees that, upon receipt of any notice from the Company of the happening of any event or the discovery of any facts, each of the kind described in Sections 2(d)(i)(B) or 3(e)(ii)-(vi) hereof, such Holder will forthwith discontinue disposition of Registrable Certificates pursuant to such Shelf Registration Statement until such Holder's receipt of the copies of the supplemented or amended Prospectus contemplated by Section 3(j) hereof, and, if so directed by the Company, such Holder will deliver to the Company (at the Company's expense) all copies in its possession other than permanent file copies then in such Holder's possession, of the Prospectus covering such Registrable Certificates current at the time of receipt of such notice. If the Company shall give any such notice to suspend the disposition of Registrable Certificates pursuant to a Shelf Registration Statement as a result of the happening of any event or the discovery of any facts, each of the kind described in Sections 2(d)(i)(B) or 3(e)(ii)-(vi) hereof, the Company shall be deemed to have used its best efforts to keep the Shelf Registration Statement effective during such period of suspension provided that the Company shall use its best efforts to file and have declared effective (if an amendment) as soon as practicable an amendment or supplement to the Shelf Registration Statement and shall extend the period during which the Registration Statement shall be maintained effective pursuant to this Agreement by the

number of days during the period from and including the date of the giving of such notice to and including the date when the Holders shall have received copies of the supplemented or amended Prospectus necessary to resume such dispositions.

4. Underwritten Offering. The Holders of Registrable Certificates covered by a Shelf Registration Statement who desire to do so may sell such Registrable Certificates in an underwritten offering. In any such underwritten offering, the investment banker or bankers and manager or managers that will administer the offering will be selected by, and the underwriting arrangements with respect thereto will be approved by, the Holders of a majority of the Registrable Securities to be included in such offering; provided, however, that (i) such investment bankers and managers and underwriting arrangements must be reasonably satisfactory to the Company and (ii) the Company shall not be obligated to arrange for more than one underwritten offering during the period such Shelf Registration Statement is required to be effective pursuant to Section 2(b)(B) hereof. No Holder may participate in any underwritten offering contemplated hereby unless such Holder (a) agrees to sell such Holder's Registrable Certificates in accordance with any approved underwriting arrangements, (b) completes and executes all reasonable questionnaires, powers of attorney, indemnities, underwriting agreements, lock-up letters and other documents required under the terms of such approved underwriting arrangements and (c) at least 20% of the outstanding Registrable Certificates are included in such underwritten offering. The Holders participating in any underwritten offering shall be responsible for any expenses customarily borne by selling securityholders, including underwriting discounts and commissions and fees and expenses of counsel to the selling securityholders.

5. Indemnification and Contribution. (a) The Company agrees to indemnify and hold harmless each Holder and each person, if any, who controls any Holder within the meaning of either Section 15 of the 1933 Act or Section 20 of the 1934 Act, from and against all losses, claims, damages and liabilities (including, without limitation, any legal or other expenses reasonably incurred by any Holder or any such controlling person in connection with defending or investigating any such action or claim) caused by any untrue statement or alleged untrue statement of a material fact contained in any Registration Statement (or any amendment thereto) pursuant to which Exchange Certificates or Registrable Certificates were registered under the 1933 Act,

including all documents incorporated therein by reference, or caused by any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, or caused by any untrue statement or alleged untrue statement of a material fact contained in any Prospectus (as amended or supplemented if the Company shall have furnished any amendments or supplements thereto), or caused by any omission or alleged omission to state therein a material fact necessary to make the statements therein in light of the circumstances under which they were made not misleading, except insofar as such losses, claims, damages or liabilities are caused by any such untrue statement or omission or alleged untrue statement or omission based upon Depository Information or based upon information relating to any Holder furnished to the Company in writing by any selling Holder expressly for use therein; provided, however, that the foregoing indemnity agreement with respect to any preliminary Prospectus shall not inure to the benefit of any Person from whom the Person asserting any such losses, claims, damages or liabilities purchased Registerable Certificates, or any person controlling such seller, if a copy of the final Prospectus (as then amended or supplemented if the Company shall have furnished any amendments or supplements thereto) was not sent or given by or on behalf of such seller to such purchaser with or prior to the written confirmation of the sale of the Registerable Certificates to such Person, and if the final Prospectus (as so amended or supplemented) would have cured the defect giving rise to such losses, claims, damages or liabilities. In connection with any underwritten offering permitted by Section 4, the Company will also indemnify the underwriters participating in the distribution, their officers and directors and each Person who controls such Persons (within the meaning of the 1933 Act and the 1934 Act) to the same extent as provided above with respect to the indemnification of the Holders, if requested in connection with any Registration Statement.

(b) Each Holder agrees, severally and not jointly, to indemnify and hold harmless the Company and the other selling Holders, and each of their respective directors, officers who sign the Registration Statement and each Person, if any, who controls the Company and any other selling Holder within the meaning of either Section 15 of the 1933 Act or Section 20 of the 1934 Act to the same extent as the foregoing indemnity from the Company to the Holders, but only with reference to information relating to such Holder furnished to the Company in writing by

such Holder expressly for use in any Registration Statement (or any amendment thereto) or any Prospectus (or any amendment or supplement thereto).

(c) In case any proceeding (including any governmental investigation) shall be instituted involving any person in respect of which indemnity may be sought pursuant to either paragraph (a) or paragraph (b) above, such person (the "indemnified party") shall promptly notify the person against whom such indemnity may be sought (the "indemnifying party") in writing and the indemnifying party, upon request of the indemnified party, shall retain counsel reasonably satisfactory to the indemnified party to represent the indemnified party and any others the indemnifying party may designate in such proceeding and shall pay the fees and disbursements of such counsel related to such proceeding. In any such proceeding, any indemnified party shall have the right to retain its own counsel, but the fees and expenses of such counsel shall be at the expense of such indemnified party unless (i) the indemnifying party and the indemnified party shall have mutually agreed to the retention of such counsel or (ii) the named parties to any such proceeding (including any impleaded parties) include both the indemnifying party and the indemnified party and representation of both parties by the same counsel would be inappropriate due to actual or potential differing interests between them. It is understood that the indemnifying party shall not, in connection with any proceeding or related proceedings in the same jurisdiction, be liable for the fees and expenses of more than one separate firm (in addition to any local counsel) for all such indemnified parties and that such fees and expenses shall be reimbursed as they are incurred. Such firm shall be designated in writing by the Majority Holders in the case of parties indemnified pursuant to paragraph (a) above and by the Company in the case of parties indemnified pursuant to paragraph (b) above. The indemnifying party shall not be liable for any settlement of any proceeding effected without its written consent but, if settled with such consent or if there be a final judgment for the plaintiff, the indemnifying party agrees to indemnify the indemnified party from and against any loss or liability by reason of such settlement or judgment. Notwithstanding the foregoing sentence, if at any time an indemnified party shall have requested in writing an indemnifying party to reimburse the indemnified party for fees and expenses of counsel as contemplated by the second and third sentences of this paragraph, the indemnifying party agrees that it shall be liable for any settlement of any proceeding effected

without its written consent if (i) such settlement is entered into more than 90 days after receipt by such indemnifying party of the aforesaid request and (ii) such indemnifying party shall not have reimbursed the indemnified party for such fees and expenses of counsel in accordance with such request prior to the date of such settlement, unless such fees and expenses are being disputed in good faith. No indemnifying party shall, without the prior written consent of the indemnified party, effect any settlement of any pending or threatened proceeding in respect of which such indemnified party is or could have been a party and indemnity could have been sought hereunder by such indemnified party, unless such settlement includes an unconditional release of such indemnified party from all liability on claims that are the subject matter of such proceeding.

(d) If the indemnification provided for in paragraph (a) or paragraph (b) of this Section 5 is unavailable to an indemnified party or insufficient in respect of any losses, claims, damages or liabilities, then each indemnifying party under such paragraph, in lieu of indemnifying such indemnified party thereunder, shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages or liabilities in such proportion as is appropriate to reflect the relative fault of the indemnifying party or parties on the one hand and of the indemnified party or parties on the other hand in connection with the statements or omissions that resulted in such losses, claims, damages or liabilities, as well as any other relevant equitable considerations. The relative fault of the Company and the Holders shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company or by the Holders and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The Holders' respective obligations to contribute pursuant to this Section 5(d) are several in proportion to the respective aggregate principal amount of Registrable Certificates of such Holder that were registered pursuant to a Registration Statement.

(e) The Company and each Holder agree that it would not be just or equitable if contribution pursuant to this Section 5 were determined by pro rata allocation or by any other method of allocation that does not take account of the equitable considerations referred to in paragraph (d) above. The amount

paid or payable by an indemnified party as a result of the losses, claims, damages and liabilities referred to in paragraph (d) above shall be deemed to include, subject to the limitations set forth above, any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this Section 5, no Holder shall be required to indemnify or contribute any amount in excess of the amount by which the total price at which Registrable Certificates were sold by such Holder exceeds the amount of any damages that such Holder has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the 1933 Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The remedies provided for in this Section 5 are not exclusive and shall not limit any rights or remedies which may otherwise be available to any indemnified party at law or in equity.

The indemnity and contribution provisions contained in this Section 5 shall remain operative and in full force and effect regardless of (i) any termination of this Agreement, (ii) any investigation made by or on behalf of any Holder or any person controlling any Holder, or by or on behalf of the Company, its officers or directors or any person controlling the Company, (iii) acceptance of any of the Exchange Certificates and (iv) any sale of Registrable Certificates pursuant to a Shelf Registration Statement.

6. Miscellaneous. (a) Rule 144 and Rule 144A. For so long as the Company is subject to the reporting requirements of Section 13 or 15 of the 1934 Act, the Company covenants that it will file the reports required to be filed by it under Section 13(a) or 15(d) of the 1934 Act and the rules and regulations adopted by the SEC thereunder, that if it ceases to be so required to file such reports, it will upon the request of any Holder of Registrable Certificates (i) make publicly available such information as is necessary to permit sales pursuant to Rule 144 under the 1933 Act, (ii) deliver such information to a prospective purchaser as is necessary to permit sales pursuant to Rule 144A under the 1933 Act and it will take such further action as any Holder of Registrable Certificates may reasonably request, and (iii) take such further action that is reasonable in the circumstances, in each case, to the extent required from time to

time to enable such Holder to sell its Registrable Certificates without registration under the 1933 Act within the limitation of the exemptions provided by (x) Rule 144 under the 1933 Act, as such Rule may be amended from time to time, (y) Rule 144A under the 1933 Act, as such Rule may be amended from time to time, or (z) any similar rules or regulations hereafter adopted by the SEC. Upon the request of any Holder of Registrable Certificates, the Company will deliver to such Holder a written statement as to whether it has complied with such requirements.

(b) Other Registration Rights. The Company may grant registration rights that would permit any Person the right to piggyback on any Shelf Registration Statement, provided that if the managing underwriter, if any, of an offering pursuant to such Shelf Registration Statement delivers an opinion of the selling Holders that the total amount of securities which they and the holders of such piggyback rights intend to include in any Shelf Registration Statement materially adversely affects the success of such offering (including the price at which such securities can be sold), then the amount, number or kind of securities to be offered for the account of holders of such piggyback rights will be reduced to the extent necessary to reduce the total amount of securities to be included in such offering to the amount, number or kind recommended by such managing underwriter; and provided further that such piggyback registration rights shall in no event materially adversely affect the interests of any Holder.

(c) Trustees. The Trustees shall take such action as may be reasonably requested by the Company in connection with the Company satisfying its obligations arising under this Agreement.

(d) No Inconsistent Agreements. The Company has not entered into nor will the Company on or after the date of this Agreement enter into any agreement which is inconsistent with the rights granted to the Holders of Registrable Certificates in this Agreement or otherwise conflicts with the provisions hereof.

(e) Amendments and Waivers. Except as otherwise expressly permitted in the Pass Through Trust Agreements or the Successor Pass Through Trust Agreements, the provisions of this Agreement, including the provisions of this sentence, may not be amended, modified or supplemented, and waivers or consents to departures from the provisions hereof may not be given unless the Company has obtained the written consent of Holders of at least a majority in aggregate principal amount of the outstanding

Registrable Certificates affected by such amendment, modification, supplement, waiver or departure; provided, however, that no amendment, modification, supplement or waiver or consent to any departure from the provisions of Section 5 hereof shall be effective as against any Holder of Registrable Certificates unless consented to in writing by such Holder.

(f) Notices. All notices and other communications provided for or permitted hereunder shall be made in writing by hand-delivery, registered first-class mail, telex, telecopier, or any courier guaranteeing overnight delivery (i) if to a Holder, at the most current address given by such Holder to the Company by means of a notice given in accordance with the provisions of this Section 6(f), which address initially is, with respect to the Purchasers, the address set forth in the Purchase Agreement; and (ii) if to the Company, initially at the Company's address set forth in the Purchase Agreement and thereafter at such other address, notice of which is given in accordance with the provisions of this Section 6(f).

All such notices and communications shall be deemed to have been duly given; at the time delivered by hand, if personally delivered; five Business Days after being deposited in the mail, postage prepaid, if mailed; when answered back, if telexed; when receipt is acknowledged, if telecopied; and on the next Business Day if timely delivered to an air courier guaranteeing overnight delivery.

Copies of all such notices, demands, or other communications shall be concurrently delivered by the person giving the same to the Trustees, at the address specified in the Pass Through Trust Agreements or the Successor Pass Through Trust Agreements, as the case may be.

(g) Successors and Assigns. This Agreement shall inure to the benefit of and be binding upon the successors, assigns and transferees of each of the parties, including, without limitation and without the need for an express assignment, subsequent Holders; provided that nothing herein shall be deemed to permit any assignment, transfer or other disposition of Registrable Certificates in violation of the terms hereof or of the Purchase Agreement or the Pass Through Trust Agreements or Successor Pass Through Trust Agreements. If any transferee of any Holder shall acquire Registrable Certificates, in any manner, whether by operation of law or otherwise, such

Registrable Certificates shall be held subject to all of the terms of this Agreement, and by taking and holding such Registrable Certificates, such Person shall be conclusively deemed to have agreed to be bound by and to perform all of the terms and provisions of this Agreement, including the restrictions on resale set forth in this Agreement and, if applicable, the Purchase Agreement, and such Person shall be entitled to receive the benefits hereof. Upon the occurrence of the transfers contemplated by the Assignment and Assumption Agreements (as defined in the Pass Through Trust Agreements), the trustee of each Original Trust shall (without any further act) be deemed to have transferred all of its rights, title and interest in and to this Agreement to the trustee of the corresponding Successor Trust and, thereafter, the trustee of each Successor Trust shall be deemed to be the "Trustee" of such Successor Trust with the rights and obligations of a "Trustee" hereunder.

(h) Third Party Beneficiaries. The Holders shall be third party beneficiaries to the agreements made hereunder and to the obligations of the Company hereunder and shall have the right to enforce such agreements and obligations directly to the extent any such Holder deems such enforcement necessary or advisable to protect its rights hereunder.

(i) Counterparts. This Agreement may be executed in any number of counterparts and by the parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

(j) Headings. The headings in this Agreement are for convenience of reference only and shall not limit or otherwise affect the meaning hereof.

(k) GOVERNING LAW. THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK.

(l) Severability. In the event that any one or more of the provisions contained herein, or the application thereof in any circumstance, is held invalid, illegal or unenforceable, the validity, legality and enforceability of any such provision in every other respect and of the remaining provisions contained herein shall not be affected or impaired thereby.

(m) Termination. This Agreement shall terminate and be of no further force or effect when there shall not be any Registrable Certificates outstanding, except that the provisions of Sections 2(c), 2(e), 5, 6(h) and 6(k) hereof shall survive any such termination.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the date first written above.

DEPOSIT AGREEMENT (Class A) dated as of March 21, 1997 (as amended, modified or supplemented from time to time, this "Agreement") between FIRST SECURITY BANK, NATIONAL ASSOCIATION, a national banking association, as Escrow Agent under the Escrow and Paying Agent Agreement referred to below (in such capacity, together with its successors in such capacity, the "Escrow Agent"), and CREDIT SUISSE FIRST BOSTON, NEW YORK BRANCH, a banking institution organized under the laws of Switzerland acting through its New York Branch, as depositary bank (the "Depositary").

W I T N E S S E T H

WHEREAS, Continental Airlines, Inc. ("Continental") and Wilmington Trust Company, not in its individual capacity except as otherwise expressly provided therein, but solely as trustee (in such capacity, together with its successors in such capacity, the "Pass Through Trustee") have entered into a Pass Through Trust Agreement dated as of March 21, 1997 (as amended, modified or supplemented from time to time in accordance with the terms thereof, the "Pass Through Trust Agreement") relating to Continental Airlines Pass Through Trust 1997-1A-0 pursuant to which the Continental Airlines Pass Through Trust, Series 1997-1A-0 Certificates referred to therein (the "Certificates") are being issued;

WHEREAS, Continental and Credit Suisse First Boston Corporation, Morgan Stanley & Co., Incorporated, Chase Securities Inc. and Goldman, Sachs & Co. (collectively, the "Initial Purchasers" and, together with their respective transferees and assigns as registered owners of the Certificates, the "Investors") have entered into a Certificate Purchase Agreement dated as of March 12, 1997 (the "Certificate Purchase Agreement") pursuant to which the Pass Through Trustee will issue and sell the Certificates to the Initial Purchasers;

WHEREAS, Continental, the Pass Through Trustee, certain other pass through trustees and certain other persons concurrently herewith are entering into the Note Purchase Agreement, dated as of the date hereof (the "Note Purchase Agreement"), pursuant to which the Pass Through Trustee has agreed to acquire from time to time on or prior to the Delivery Period Termination Date (as defined in the Note Purchase Agreement) equipment notes (the "Equipment Notes") issued to finance the acquisition of aircraft by Continental, as lessee or as owner, utilizing a portion of the proceeds from the sale of the Certificates (the "Net Proceeds");

WHEREAS, the Escrow Agent, the Initial Purchasers, the Pass Through Trustee and Wilmington Trust Company, as paying agent for the Escrow Agent (in such capacity, together with its successors in such capacity, the "Paying Agent") concurrently herewith are entering into an Escrow and Paying Agent Agreement, dated as of the date hereof (as amended, modified or supplemented from time to time in accordance with the terms thereof, the "Escrow and Paying Agent Agreement"); and

WHEREAS, the Initial Purchasers and the Pass Through Trustee intend that the Net Proceeds be held in escrow by the Escrow Agent on behalf of the Investors pursuant to the Escrow and Paying Agent Agreement, subject to withdrawal upon request of and proper certification by the Pass Through Trustee for the purpose of purchasing Equipment Notes, and

that pending such withdrawal the Net Proceeds be deposited by the Escrow Agent with the Depositary pursuant to this Agreement, which provides for the Depositary to pay interest for distribution to the Investors and to establish accounts from which the Escrow Agent shall make withdrawals upon request of and proper certification by the Pass Through Trustee.

NOW, THEREFORE, in consideration of the obligations contained herein, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereto hereby agree as follows:

SECTION 1.1 Acceptance of Depositary. The Depositary hereby agrees to act as depositary bank as provided herein and in connection therewith to accept all amounts to be delivered to or held by the Depositary pursuant to the terms of this Agreement. The Depositary further agrees to hold, maintain and safeguard the Deposits and the Accounts (as defined below) during the term of this Agreement in accordance with the provisions of this Agreement. The Escrow Agent shall not have any right to withdraw, assign or otherwise transfer moneys held in the Accounts except as permitted by this Agreement.

SECTION 1.2 Establishment of Accounts. The Escrow Agent hereby instructs the Depositary, and the Depositary agrees, to establish the separate deposit accounts listed on Schedule I hereto and to establish such additional separate deposit accounts as may be required in connection with the deposits contemplated by Section 2.4 hereof (each, an "Account" and collectively, the "Accounts"), each in the name of the Escrow Agent and all on the terms and conditions set forth in this Agreement.

SECTION 2.1 Deposits. The Escrow Agent shall direct the Initial Purchasers to deposit with the Depositary on the date of this Agreement (the "Deposit Date") in Federal (same day) funds by official check or checks or wire or other transfer to: Credit Suisse First Boston, New York Branch, Reference: Continental 1997-1, and the Depositary shall accept from the Initial Purchasers, on behalf of the Escrow Agent, the sum of US\$437,876,000. Upon acceptance of such sum, the Depositary shall (i) establish each of the deposits specified in Schedule I hereto maturing on the respective dates set forth therein (including any deposit made pursuant to Section 2.4 hereof, individually, a "Deposit" and, collectively, the "Deposits") and (ii) credit each Deposit to the related Account as set forth therein. No amount shall be deposited in any Account other than the related Deposit.

SECTION 2.2 Interest. (a) Each Deposit shall bear interest from and including the date of deposit to but excluding the date of withdrawal at the rate of 7.461% per annum (computed on the basis of a year of twelve 30-day months) payable to the Paying Agent on behalf of the Escrow Agent semi-annually in arrears on each April 1 and October 1, and on the date of the Final Withdrawal (as defined below), commencing on October 1, 1997 (each, an "Interest Payment Date"), all in accordance with the terms of this Agreement (whether or not any such Deposit is withdrawn on an Interest Payment Date). Interest accrued on any Deposit that is withdrawn pursuant to a Notice of Purchase Withdrawal (as defined below) shall be paid on the next Interest Payment Date, notwithstanding any intervening Final Withdrawal (as defined below).

(b) The parties hereto further acknowledge and agree that upon any increase in the rate of interest on the Equipment Notes (as defined in the Pass Through Trust Agreement) (such increase referred to as a "Rate Increase") pursuant to the terms of the Registration Rights Agreement (as defined below), the rate of interest borne by each Deposit in accordance with Section 2.2(a) above shall increase by the amount of such Rate Increase, and upon any subsequent decrease in the rate of interest on the Equipment Notes (such decrease referred to as a "Rate Decrease") pursuant to the terms of the Registration Rights Agreement, the rate of interest borne by such Deposit shall decrease by the amount of such Rate Decrease. For the purposes of this Section 2.2(b), "Registration Rights Agreement" means the Exchange and Registration Rights Agreement dated the date hereof among Continental, the Pass Through Trustee, certain other pass through trustees and the Initial Purchasers.

SECTION 2.3 Withdrawals. (a) On and after the date seven days after the establishment of any Deposit, the Escrow Agent may, by providing at least one Business Day's prior notice of withdrawal to the Depository in the form of Exhibit A hereto (a "Notice of Purchase Withdrawal"), withdraw not less than the entire balance of such Deposit, except that at any time prior to the actual withdrawal of such Deposit, the Escrow Agent or the Pass Through Trustee may, by notice to the Depository, cancel such withdrawal (including on the scheduled date therefor), and thereafter such Deposit shall continue to be maintained by the Depository in accordance with the original terms thereof. Following such withdrawal the balance in the related Account shall be zero and the Depository shall close such Account. As used herein, "Business Day" means any day, other than a Saturday, Sunday or other day on which commercial banks are authorized or required by law to close in New York, New York, Houston, Texas, Wilmington, Delaware or Salt Lake City, Utah.

(b) The Escrow Agent may, by providing at least 20 days' prior notice of withdrawal to the Depository in the form of Exhibit B hereto (a "Notice of Final Withdrawal"), withdraw the entire amount of all of the remaining Deposits together with the payment by the Depository of all accrued and unpaid interest on such Deposits to but excluding the specified date of withdrawal (a "Final Withdrawal"), on such date as shall be specified in such Notice of Final Withdrawal. If a Notice of Final Withdrawal has not been given to the Depository on or before July 6, 1998 and there are unwithdrawn Deposits on such date, the Depository shall pay the amount of the Final Withdrawal to the Paying Agent on July 31, 1998.

(c) If the Depository receives a duly completed Notice of Purchase Withdrawal or Notice of Final Withdrawal complying with the provisions of this Agreement, it shall make the payments specified therein in accordance with the provisions of this Agreement.

SECTION 2.4 Other Accounts. On the date of withdrawal of any Deposit, the Escrow Agent, or the Pass Through Trustee on behalf of the Escrow Agent, shall be entitled to re-deposit with the Depository any portion thereof and the Depository shall accept the same for deposit hereunder. Any sums so received for deposit shall be established as a new Deposit and credited to a new Account, all as more fully provided in Section 2.1 hereof, and thereafter the provisions of this Agreement shall apply thereto as fully and with the same force and effect as if such Deposit had been established on the Deposit Date except that (i) such Deposit may not be

withdrawn prior to the date seven days after the establishment thereof and (ii) such Deposit shall mature on July 31, 1998 and bear interest as provided in Section 2.2. The Depository shall promptly give notice to the Escrow Agent of receipt of each such re-deposit and the Account Number assigned thereto.

SECTION 3. Termination. This Agreement shall terminate on the fifth Business Day after the later of the date on which (i) all of the Deposits shall have been withdrawn and paid as provided herein without any re-deposit and (ii) all accrued and unpaid interest on the Deposits shall have been paid as provided herein, but in no event prior to the date on which the Depository shall have performed in full its obligation hereunder.

SECTION 4. Payments. All payments (including, without limitation, those payments made in respect of Taxes (as defined and provided for below)) made by the Depository hereunder shall be paid in United States Dollars and immediately available funds by wire transfer (i) in the case of accrued interest on the Deposits payable under Section 2.2 hereof or any Final Withdrawal, directly to the Paying Agent at Wilmington Trust Company, Wilmington, DE, ABA# 031- 100-092, Account No. 41605-0, Attention: Monica Henry, Reference: Continental 1997-1A, or to such other account as the Paying Agent may direct from time to time in writing to the Depository and the Escrow Agent and (ii) in the case of any withdrawal of one or more Deposits pursuant to a Notice of Purchase Withdrawal, directly to or as directed by the Pass Through Trustee as specified and in the manner provided in such Notice of Purchase Withdrawal. The Depository hereby waives any and all rights of set-off, combination of accounts, right of retention or similar right (whether arising under applicable law, contract or otherwise) it may have against the Deposits howsoever arising. All payments on or in respect of each Deposit shall be made free and clear of and without reduction for or on account of any and all taxes, levies or other impositions or charges (collectively, "Taxes"). However, if the Depository or the Paying Agent (pursuant to Section 2.04 of the Escrow and Paying Agent Agreement) shall be required by law to deduct or withhold any Taxes from or in respect of any sum payable hereunder, the Depository shall (i) make such deductions or withholding, (ii) pay the full amount deducted or withheld (including in respect of such additional amounts) to the competent taxation authority and (iii) if the Taxes required to be deducted or withheld are imposed by Switzerland or any political subdivision thereof, pay such additional amounts as may be necessary in order that the actual amount received by the designated recipient of such sum under this Agreement or the Escrow and Paying Agent Agreement after such deduction or withholding equals the sum it would have received had no such deduction or withholding been required. If the date on which any payment due on any Deposit would otherwise fall on a day which is not a Business Day, such payment shall be made on the next succeeding Business Day, and no additional interest shall accrue in respect of such extension.

SECTION 5. Representation and Warranties. The Depository hereby represents and warrants to Continental, the Escrow Agent, the Pass Through Trustee and the Paying Agent that:

(a) it is a bank duly organized and validly existing in good standing under the laws of its jurisdiction of organization and is duly qualified to conduct banking business in the State of New York through its New York Branch;

(b) it has full power, authority and legal right to conduct its business and operations as currently conducted and to enter into and perform its obligations under this Agreement;

(c) the execution, delivery and performance of this Agreement have been duly authorized by all necessary corporate action on the part of it and do not require any stockholder approval, or approval or consent of any trustee or holder of any indebtedness or obligations of it, and such document has been duly executed and delivered by it and constitutes its legal, valid and binding obligations enforceable against it in accordance with the terms hereof;

(d) no authorization, consent or approval of or other action by, and no notice to or filing with, any United States federal or state governmental authority or regulatory body is required for the execution, delivery or performance by it of this Agreement;

(e) neither the execution, delivery or performance by it of this Agreement, nor compliance with the terms and provisions hereof, conflicts or will conflict with or results or will result in a breach or violation of any of the terms, conditions or provisions of, or will require any consent or approval under, any law, governmental rule or regulation or the charter documents, as amended, or bylaws, as amended, of it or any similar instrument binding on it or any order, writ, injunction or decree of any court or governmental authority against it or by which it or any of its properties is bound or any indenture, mortgage or contract or other agreement or instrument to which it is a party or by which it or any of its properties is bound, or constitutes or will constitute a default thereunder or results or will result in the imposition of any lien upon any of its properties; and

(f) there are no pending or, to its knowledge, threatened actions, suits, investigations or proceedings (whether or not purportedly on behalf of it) against or affecting it or any of its property before or by any court or administrative agency which, if adversely determined, (i) would adversely affect the ability of it to perform its obligations under this Agreement or (ii) would call into question or challenge the validity of this Agreement or the enforceability hereof in accordance with the terms hereof, nor is the Depository in default with respect to any order of any court, governmental authority, arbitration board or administrative agency so as to adversely affect its ability to perform its obligations under this Agreement.

SECTION 6. Transfer. Neither party hereto shall be entitled to assign or otherwise transfer this Agreement (or any interest herein) other than (in the case of the Escrow Agent) to a successor escrow agent under the Escrow and Paying Agent Agreement, and any purported assignment in violation thereof shall be void. This Agreement shall be binding upon

the parties hereto and their respective successors and (in the case of the Escrow Agent) permitted assigns. Upon the occurrence of the Transfer (as defined below) contemplated by the Assignment and Assumption Agreement (as defined below), the Pass Through Trustee shall (without further act) be deemed to have transferred all of its right, title and interest in and to this Agreement to the trustee of the Successor Trust (as defined below) and, thereafter, the trustee of the Successor Trust shall be deemed to be the "Pass Through Trustee" hereunder with the rights of the "Pass Through Trustee" hereunder, and each reference herein to "Continental Airlines Pass Through Trust 1997-1A-0" shall be a reference to "Continental Airlines Pass Through Trust 1997-1A-S". The Escrow Agent and the Depository hereby acknowledge and consent to the Transfer contemplated by the Assignment and Assumption Agreement. For the purposes of this Section 6, "Transfer" means the transfer contemplated by the Assignment and Assumption Agreement; "Assignment and Assumption Agreement" means the Assignment and Assumption Agreement to be entered into between the Pass Through Trustee and the trustee of the Successor Trust, substantially in the form of Exhibit D to the Pass Through Trust Agreement; and "Successor Trust" means the Continental Airlines Pass Through Trust 1997-1A-S.

SECTION 7. Amendment, Etc. This Agreement may not be amended, waived or otherwise modified except by an instrument in writing signed by the party against whom the amendment, waiver or other modification is sought to be enforced and by the Pass Through Trustee.

SECTION 8. Notices. Unless otherwise expressly provided herein, any notice or other communication under this Agreement shall be in writing (including by facsimile) and shall be deemed to be given and effective upon receipt thereof. All notices shall be sent to (x) in the case of the Depository, Credit Suisse First Boston, 11 Madison Avenue, New York, NY 10010, Attention Robert Finney and Kevin Kappell (Telecopier: (212) 325-8319) or (y) in the case of the Escrow Agent, First Security Bank, National Association, 79 South Main Street, Salt Lake City, UT 84111, Attention: Corporate Trust Services (Telecopier: (801) 246-5053), in each case, with a copy to the Pass Through Trustee, Wilmington Trust Company, 1100 North Market Street, Wilmington, DE 19890, Attention: Corporate Trust Administration (Telecopier: (302) 651-8882) and to Continental, Continental Airlines, Inc., 2929 Allen Parkway, Suite 2010, Houston, TX 77019, Attention: Executive Vice President and Chief Financial Officer (Telecopier: (713) 520-6329) (or at such other address as any such party may specify from time to time in a written notice to the parties hereto). On or prior to the execution of this Agreement, the Escrow Agent has delivered to the Depository a certificate containing specimen signatures of the representatives of the Escrow Agent who are authorized to give notices and instructions with respect to this Agreement. The Depository may conclusively rely on such certificate until the Depository receives written notice from the Escrow Agent to the contrary.

SECTION 9. Obligations Unconditional. The Depository hereby acknowledges and agrees that its obligation to repay each Deposit together with interest thereon as provided herein is absolute, irrevocable and unconditional and constitutes a full recourse obligation of the Depository enforceable against it to the full extent of all of its assets and properties.

SECTION 10. Entire Agreement. This Agreement (including all attachments hereto) sets forth all of the promises, covenants, agreements, conditions and understandings between the Depository and the Escrow Agent with respect to the subject matter hereof and supersedes all prior and contemporaneous agreements and undertakings, inducements or conditions, express or implied, oral or written.

SECTION 11. Governing Law. This Agreement, and the rights and obligations of the Depository and the Escrow Agent with respect to the Deposits, shall be governed by, and construed in accordance with, the laws of the State of New York and subject to the provisions of Regulation D of the Board of Governors of the Federal Reserve System (or any successor), as the same may be modified and supplemented and in effect from time to time.

SECTION 12. Waiver of Jury Trial Right. EACH OF THE DEPOSITARY AND THE ESCROW AGENT ACKNOWLEDGES AND ACCEPTS THAT IN ANY SUIT, ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT SUCH PARTY IRREVOCABLY WAIVES ITS RIGHT TO A TRIAL BY JURY.

SECTION 13. Counterparts. This Agreement may be executed in one or more counterparts, all of which taken together shall constitute one instrument.

SECTION 14. Head Office Obligation. Credit Suisse First Boston hereby agrees that the obligations of the Depository hereunder are also the obligations of Credit Suisse First Boston's Head Office in Zurich, Switzerland. Accordingly, any beneficiary of this Agreement will be able to proceed directly against Credit Suisse First Boston's Head Office in Zurich, Switzerland if Credit Suisse First Boston's New York Branch defaults in its obligation to such beneficiary under this Agreement.

SECTION 15. Last Deposit. Notwithstanding anything to the contrary in this Agreement, (i) the last Deposit listed on Schedule I hereto ("Last Deposit") shall not bear interest, but otherwise shall be treated as a "Deposit" for all purposes of this Agreement, (ii) the Escrow Agent may not withdraw any Deposit (other than the Last Deposit) unless the Last Deposit shall have been withdrawn prior to or concurrently with such Deposit and (iii) for so long as the Last Deposit shall not have been withdrawn in accordance with Section 2.3 hereof, the other Deposits shall be deemed to bear additional interest from and including the date hereof to but excluding the date of withdrawal of the Last Deposit in an amount equal to \$4,564.72 per day (computed on the basis of a year of twelve 30-day months).

IN WITNESS WHEREOF, the Escrow Agent and the Depositary have caused this Deposit Agreement to be duly executed as of the day and year first above written.

DEPOSIT AGREEMENT (Class B) dated as of March 21, 1997 (as amended, modified or supplemented from time to time, this "Agreement") between FIRST SECURITY BANK, NATIONAL ASSOCIATION, a national banking association, as Escrow Agent under the Escrow and Paying Agent Agreement referred to below (in such capacity, together with its successors in such capacity, the "Escrow Agent"), and CREDIT SUISSE FIRST BOSTON, NEW YORK BRANCH, a banking institution organized under the laws of Switzerland acting through its New York Branch, as depository bank (the "Depository").

W I T N E S S E T H

WHEREAS, Continental Airlines, Inc. ("Continental") and Wilmington Trust Company, not in its individual capacity except as otherwise expressly provided therein, but solely as trustee (in such capacity, together with its successors in such capacity, the "Pass Through Trustee") have entered into a Pass Through Trust Agreement dated as of March 21, 1997 (as amended, modified or supplemented from time to time in accordance with the terms thereof, the "Pass Through Trust Agreement") relating to Continental Airlines Pass Through Trust 1997-1B-0 pursuant to which the Continental Airlines Pass Through Trust, Series 1997-1B-0 Certificates referred to therein (the "Certificates") are being issued;

WHEREAS, Continental and Credit Suisse First Boston Corporation, Morgan Stanley & Co., Incorporated, Chase Securities Inc. and Goldman, Sachs & Co. (collectively, the "Initial Purchasers" and, together with their respective transferees and assigns as registered owners of the Certificates, the "Investors") have entered into a Certificate Purchase Agreement dated as of March 12, 1997 (the "Certificate Purchase Agreement") pursuant to which the Pass Through Trustee will issue and sell the Certificates to the Initial Purchasers;

WHEREAS, Continental, the Pass Through Trustee, certain other pass through trustees and certain other persons concurrently herewith are entering into the Note Purchase Agreement, dated as of the date hereof (the "Note Purchase Agreement"), pursuant to which the Pass Through Trustee has agreed to acquire from time to time on or prior to the Delivery Period Termination Date (as defined in the Note Purchase Agreement) equipment notes (the "Equipment Notes") issued to finance the acquisition of aircraft by Continental, as lessee or as owner, utilizing a portion of the proceeds from the sale of the Certificates (the "Net Proceeds");

WHEREAS, the Escrow Agent, the Initial Purchasers, the Pass Through Trustee and Wilmington Trust Company, as paying agent for the Escrow Agent (in such capacity, together with its successors in such capacity, the "Paying Agent") concurrently herewith are entering into an Escrow and Paying Agent Agreement, dated as of the date hereof (as amended, modified or supplemented from time to time in accordance with the terms thereof, the "Escrow and Paying Agent Agreement"); and

WHEREAS, the Initial Purchasers and the Pass Through Trustee intend that the Net Proceeds be held in escrow by the Escrow Agent on behalf of the Investors pursuant to the Escrow and Paying Agent Agreement, subject to withdrawal upon request of and proper certification by the Pass Through Trustee for the purpose of purchasing Equipment Notes, and

that pending such withdrawal the Net Proceeds be deposited by the Escrow Agent with the Depositary pursuant to this Agreement, which provides for the Depositary to pay interest for distribution to the Investors and to establish accounts from which the Escrow Agent shall make withdrawals upon request of and proper certification by the Pass Through Trustee.

NOW, THEREFORE, in consideration of the obligations contained herein, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereto hereby agree as follows:

SECTION 1.1 Acceptance of Depositary. The Depositary hereby agrees to act as depositary bank as provided herein and in connection therewith to accept all amounts to be delivered to or held by the Depositary pursuant to the terms of this Agreement. The Depositary further agrees to hold, maintain and safeguard the Deposits and the Accounts (as defined below) during the term of this Agreement in accordance with the provisions of this Agreement. The Escrow Agent shall not have any right to withdraw, assign or otherwise transfer moneys held in the Accounts except as permitted by this Agreement.

SECTION 1.2 Establishment of Accounts. The Escrow Agent hereby instructs the Depositary, and the Depositary agrees, to establish the separate deposit accounts listed on Schedule I hereto and to establish such additional separate deposit accounts as may be required in connection with the deposits contemplated by Section 2.4 hereof (each, an "Account" and collectively, the "Accounts"), each in the name of the Escrow Agent and all on the terms and conditions set forth in this Agreement.

SECTION 2.1 Deposits. The Escrow Agent shall direct the Initial Purchasers to deposit with the Depositary on the date of this Agreement (the "Deposit Date") in Federal (same day) funds by official check or checks or wire or other transfer to: Credit Suisse First Boston, New York Branch, Reference: Continental 1997-1, and the Depositary shall accept from the Initial Purchasers, on behalf of the Escrow Agent, the sum of US\$148,333,000. Upon acceptance of such sum, the Depositary shall (i) establish each of the deposits specified in Schedule I hereto maturing on the respective dates set forth therein (including any deposit made pursuant to Section 2.4 hereof, individually, a "Deposit" and, collectively, the "Deposits") and (ii) credit each Deposit to the related Account as set forth therein. No amount shall be deposited in any Account other than the related Deposit.

SECTION 2.2 Interest. (a) Each Deposit shall bear interest from and including the date of deposit to but excluding the date of withdrawal at the rate of 7.461% per annum (computed on the basis of a year of twelve 30-day months) payable to the Paying Agent on behalf of the Escrow Agent semi-annually in arrears on each April 1 and October 1, and on the date of the Final Withdrawal (as defined below), commencing on October 1, 1997 (each, an "Interest Payment Date"), all in accordance with the terms of this Agreement (whether or not any such Deposit is withdrawn on an Interest Payment Date). Interest accrued on any Deposit that is withdrawn pursuant to a Notice of Purchase Withdrawal (as defined below) shall be paid on the next Interest Payment Date, notwithstanding any intervening Final Withdrawal (as defined below).

(b) The parties hereto further acknowledge and agree that upon any increase in the rate of interest on the Equipment Notes (as defined in the Pass Through Trust Agreement) (such increase referred to as a "Rate Increase") pursuant to the terms of the Registration Rights Agreement (as defined below), the rate of interest borne by each Deposit in accordance with Section 2.2(a) above shall increase by the amount of such Rate Increase, and upon any subsequent decrease in the rate of interest on the Equipment Notes (such decrease referred to as a "Rate Decrease") pursuant to the terms of the Registration Rights Agreement, the rate of interest borne by such Deposit shall decrease by the amount of such Rate Decrease. For the purposes of this Section 2.2(b), "Registration Rights Agreement" means the Exchange and Registration Rights Agreement dated the date hereof among Continental, the Pass Through Trustee, certain other pass through trustees and the Initial Purchasers.

SECTION 2.3 Withdrawals. (a) On and after the date seven days after the establishment of any Deposit, the Escrow Agent may, by providing at least one Business Day's prior notice of withdrawal to the Depository in the form of Exhibit A hereto (a "Notice of Purchase Withdrawal"), withdraw not less than the entire balance of such Deposit, except that at any time prior to the actual withdrawal of such Deposit, the Escrow Agent or the Pass Through Trustee may, by notice to the Depository, cancel such withdrawal (including on the scheduled date therefor), and thereafter such Deposit shall continue to be maintained by the Depository in accordance with the original terms thereof. Following such withdrawal the balance in the related Account shall be zero and the Depository shall close such Account. As used herein, "Business Day" means any day, other than a Saturday, Sunday or other day on which commercial banks are authorized or required by law to close in New York, New York, Houston, Texas, Wilmington, Delaware or Salt Lake City, Utah.

(b) The Escrow Agent may, by providing at least 20 days' prior notice of withdrawal to the Depository in the form of Exhibit B hereto (a "Notice of Final Withdrawal"), withdraw the entire amount of all of the remaining Deposits together with the payment by the Depository of all accrued and unpaid interest on such Deposits to but excluding the specified date of withdrawal (a "Final Withdrawal"), on such date as shall be specified in such Notice of Final Withdrawal. If a Notice of Final Withdrawal has not been given to the Depository on or before July 6, 1998 and there are unwithdrawn Deposits on such date, the Depository shall pay the amount of the Final Withdrawal to the Paying Agent on July 31, 1998.

(c) If the Depository receives a duly completed Notice of Purchase Withdrawal or Notice of Final Withdrawal complying with the provisions of this Agreement, it shall make the payments specified therein in accordance with the provisions of this Agreement.

SECTION 2.4 Other Accounts. On the date of withdrawal of any Deposit, the Escrow Agent, or the Pass Through Trustee on behalf of the Escrow Agent, shall be entitled to re-deposit with the Depository any portion thereof and the Depository shall accept the same for deposit hereunder. Any sums so received for deposit shall be established as a new Deposit and credited to a new Account, all as more fully provided in Section 2.1 hereof, and thereafter the provisions of this Agreement shall apply thereto as fully and with the same force and effect as if such Deposit had been established on the Deposit Date except that (i) such Deposit may not be

withdrawn prior to the date seven days after the establishment thereof and (ii) such Deposit shall mature on July 31, 1998 and bear interest as provided in Section 2.2. The Depository shall promptly give notice to the Escrow Agent of receipt of each such re-deposit and the Account Number assigned thereto.

SECTION 3. Termination. This Agreement shall terminate on the fifth Business Day after the later of the date on which (i) all of the Deposits shall have been withdrawn and paid as provided herein without any re-deposit and (ii) all accrued and unpaid interest on the Deposits shall have been paid as provided herein, but in no event prior to the date on which the Depository shall have performed in full its obligation hereunder.

SECTION 4. Payments. All payments (including, without limitation, those payments made in respect of Taxes (as defined and provided for below)) made by the Depository hereunder shall be paid in United States Dollars and immediately available funds by wire transfer (i) in the case of accrued interest on the Deposits payable under Section 2.2 hereof or any Final Withdrawal, directly to the Paying Agent at Wilmington Trust Company, Wilmington, DE, ABA# 031- 100-092, Account No. 41606-0, Attention: Monica Henry, Reference: Continental 1997-1B, or to such other account as the Paying Agent may direct from time to time in writing to the Depository and the Escrow Agent and (ii) in the case of any withdrawal of one or more Deposits pursuant to a Notice of Purchase Withdrawal, directly to or as directed by the Pass Through Trustee as specified and in the manner provided in such Notice of Purchase Withdrawal. The Depository hereby waives any and all rights of set-off, combination of accounts, right of retention or similar right (whether arising under applicable law, contract or otherwise) it may have against the Deposits howsoever arising. All payments on or in respect of each Deposit shall be made free and clear of and without reduction for or on account of any and all taxes, levies or other impositions or charges (collectively, "Taxes"). However, if the Depository or the Paying Agent (pursuant to Section 2.04 of the Escrow and Paying Agent Agreement) shall be required by law to deduct or withhold any Taxes from or in respect of any sum payable hereunder, the Depository shall (i) make such deductions or withholding, (ii) pay the full amount deducted or withheld (including in respect of such additional amounts) to the competent taxation authority and (iii) if the Taxes required to be deducted or withheld are imposed by Switzerland or any political subdivision thereof, pay such additional amounts as may be necessary in order that the actual amount received by the designated recipient of such sum under this Agreement or the Escrow and Paying Agent Agreement after such deduction or withholding equals the sum it would have received had no such deduction or withholding been required. If the date on which any payment due on any Deposit would otherwise fall on a day which is not a Business Day, such payment shall be made on the next succeeding Business Day, and no additional interest shall accrue in respect of such extension.

SECTION 5. Representation and Warranties. The Depository hereby represents and warrants to Continental, the Escrow Agent, the Pass Through Trustee and the Paying Agent that:

(a) it is a bank duly organized and validly existing in good standing under the laws of its jurisdiction of organization and is duly qualified to conduct banking business in the State of New York through its New York Branch;

(b) it has full power, authority and legal right to conduct its business and operations as currently conducted and to enter into and perform its obligations under this Agreement;

(c) the execution, delivery and performance of this Agreement have been duly authorized by all necessary corporate action on the part of it and do not require any stockholder approval, or approval or consent of any trustee or holder of any indebtedness or obligations of it, and such document has been duly executed and delivered by it and constitutes its legal, valid and binding obligations enforceable against it in accordance with the terms hereof;

(d) no authorization, consent or approval of or other action by, and no notice to or filing with, any United States federal or state governmental authority or regulatory body is required for the execution, delivery or performance by it of this Agreement;

(e) neither the execution, delivery or performance by it of this Agreement, nor compliance with the terms and provisions hereof, conflicts or will conflict with or results or will result in a breach or violation of any of the terms, conditions or provisions of, or will require any consent or approval under, any law, governmental rule or regulation or the charter documents, as amended, or bylaws, as amended, of it or any similar instrument binding on it or any order, writ, injunction or decree of any court or governmental authority against it or by which it or any of its properties is bound or any indenture, mortgage or contract or other agreement or instrument to which it is a party or by which it or any of its properties is bound, or constitutes or will constitute a default thereunder or results or will result in the imposition of any lien upon any of its properties; and

(f) there are no pending or, to its knowledge, threatened actions, suits, investigations or proceedings (whether or not purportedly on behalf of it) against or affecting it or any of its property before or by any court or administrative agency which, if adversely determined, (i) would adversely affect the ability of it to perform its obligations under this Agreement or (ii) would call into question or challenge the validity of this Agreement or the enforceability hereof in accordance with the terms hereof, nor is the Depository in default with respect to any order of any court, governmental authority, arbitration board or administrative agency so as to adversely affect its ability to perform its obligations under this Agreement.

SECTION 6. Transfer. Neither party hereto shall be entitled to assign or otherwise transfer this Agreement (or any interest herein) other than (in the case of the Escrow Agent) to a successor escrow agent under the Escrow and Paying Agent Agreement, and any purported assignment in violation thereof shall be void. This Agreement shall be binding upon

the parties hereto and their respective successors and (in the case of the Escrow Agent) permitted assigns. Upon the occurrence of the Transfer (as defined below) contemplated by the Assignment and Assumption Agreement (as defined below), the Pass Through Trustee shall (without further act) be deemed to have transferred all of its right, title and interest in and to this Agreement to the trustee of the Successor Trust (as defined below) and, thereafter, the trustee of the Successor Trust shall be deemed to be the "Pass Through Trustee" hereunder with the rights of the "Pass Through Trustee" hereunder, and each reference herein to "Continental Airlines Pass Through Trust 1997-1B-0" shall be a reference to "Continental Airlines Pass Through Trust 1997-1B-S". DEPOSIT AGREEMENT (Class C-I) dated as of March 21, 1997 (as amended, modified or supplemented from time to time, this "Agreement") between FIRST SECURITY BANK, NATIONAL ASSOCIATION, a national banking association, as Escrow Agent under the Escrow and Paying Agent Agreement referred to below (in such capacity, together with its successors in such capacity, the "Escrow Agent"), and CREDIT SUISSE FIRST BOSTON, NEW YORK BRANCH, a banking institution organized under the laws of Switzerland acting through its New York Branch, as depository bank (the "Depository").

W I T N E S S E T H

WHEREAS, Continental Airlines, Inc. ("Continental") and Wilmington Trust Company, not in its individual capacity except as otherwise expressly provided therein, but solely as trustee (in such capacity, together with its successors in such capacity, the "Pass Through Trustee") have entered into a Pass Through Trust Agreement dated as of March 21, 1997 (as amended, modified or supplemented from time to time in accordance with the terms thereof, the "Pass Through Trust Agreement") relating to Continental Airlines Pass Through Trust 1997-1C-I-0 pursuant to which the Continental Airlines Pass Through Trust, Series 1997-1C-I-0 Certificates referred to therein (the "Certificates") are being issued;

WHEREAS, Continental and Credit Suisse First Boston Corporation, Morgan Stanley & Co., Incorporated, Chase Securities Inc. and Goldman, Sachs & Co. (collectively, the "Initial Purchasers" and, together with their respective transferees and assigns as registered owners of the Certificates, the "Investors") have entered into a Certificate Purchase Agreement dated as of March 12, 1997 (the "Certificate Purchase Agreement") pursuant to which the Pass Through Trustee will issue and sell the Certificates to the Initial Purchasers;

WHEREAS, Continental, the Pass Through Trustee, certain other pass through trustees and certain other persons concurrently herewith are entering into the Note Purchase Agreement, dated as of the date hereof (the "Note Purchase Agreement"), pursuant to which the Pass Through Trustee has agreed to acquire from time to time on or prior to the Delivery Period Termination Date (as defined in the Note Purchase Agreement) equipment notes (the "Equipment Notes") issued to finance the acquisition of aircraft by Continental, as lessee or as owner, utilizing a portion of the proceeds from the sale of the Certificates (the "Net Proceeds");

WHEREAS, the Escrow Agent, the Initial Purchasers, the Pass Through Trustee and Wilmington Trust Company, as paying agent for the Escrow Agent (in such capacity, together with its successors in such capacity, the "Paying Agent") concurrently herewith are entering into an Escrow and Paying Agent Agreement, dated as of the date hereof (as amended, modified or supplemented from time to time in accordance with the terms thereof, the "Escrow and Paying Agent Agreement"); and

WHEREAS, the Initial Purchasers and the Pass Through Trustee intend that the Net Proceeds be held in escrow by the Escrow Agent on behalf of the Investors pursuant to the Escrow and Paying Agent Agreement, subject to withdrawal upon request of and proper certification by the Pass Through Trustee for the purpose of purchasing Equipment Notes, and

that pending such withdrawal the Net Proceeds be deposited by the Escrow Agent with the Depository pursuant to this Agreement, which provides for the Depository to pay interest for distribution to the Investors and to establish accounts from which the Escrow Agent shall make withdrawals upon request of and proper certification by the Pass Through Trustee.

NOW, THEREFORE, in consideration of the obligations contained herein, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereto hereby agree as follows:

SECTION 1.1 Acceptance of Depository. The Depository hereby agrees to act as depository bank as provided herein and in connection therewith to accept all amounts to be delivered to or held by the Depository pursuant to the terms of this Agreement. The Depository further agrees to hold, maintain and safeguard the Deposits and the Accounts (as defined below) during the term of this Agreement in accordance with the provisions of this Agreement. The Escrow Agent shall not have any right to withdraw, assign or otherwise transfer moneys held in the Accounts except as permitted by this Agreement.

SECTION 1.2 Establishment of Accounts. The Escrow Agent hereby instructs the Depository, and the Depository agrees, to establish the separate deposit accounts listed on Schedule I hereto and to establish such additional separate deposit accounts as may be required in connection with the deposits contemplated by Section 2.4 hereof (each, an "Account" and collectively, the "Accounts"), each in the name of the Escrow Agent and all on the terms and conditions set forth in this Agreement.

SECTION 2.1 Deposits. The Escrow Agent shall direct the Initial Purchasers to deposit with the Depository on the date of this Agreement (the "Deposit Date") in Federal (same day) funds by official check or checks or wire or other transfer to: Credit Suisse First Boston, New York Branch, Reference: Continental 1997-1, and the Depository shall accept from the Initial Purchasers, on behalf of the Escrow Agent, the sum of US\$111,093,000. Upon acceptance of such sum, the Depository shall (i) establish each of the deposits specified in Schedule I hereto maturing on the respective dates set forth therein (including any deposit made pursuant to Section 2.4 hereof, individually, a "Deposit" and, collectively, the "Deposits") and (ii) credit each Deposit to the related Account as set forth therein. No amount shall be deposited in any Account other than the related Deposit.

SECTION 2.2 Interest. (a) Each Deposit shall bear interest from and including the date of deposit to but excluding the date of withdrawal at the rate of 7.42% per annum (computed on the basis of a year of twelve 30-day months) payable to the Paying Agent on behalf of the Escrow Agent semi-annually in arrears on each April 1 and October 1, and on the date of the Final Withdrawal (as defined below), commencing on October 1, 1997 (each, an "Interest Payment Date"), all in accordance with the terms of this Agreement (whether or not any such Deposit is withdrawn on an Interest Payment Date). Interest accrued on any Deposit that is withdrawn pursuant to a Notice of Purchase Withdrawal (as defined below) shall be paid on the next Interest Payment Date, notwithstanding any intervening Final Withdrawal (as defined below).

(b) The parties hereto further acknowledge and agree that upon any increase in the rate of interest on the Equipment Notes (as defined in the Pass Through Trust Agreement) (such increase referred to as a "Rate Increase") pursuant to the terms of the Registration Rights Agreement (as defined below), the rate of interest borne by each Deposit in accordance with Section 2.2(a) above shall increase by the amount of such Rate Increase, and upon any subsequent decrease in the rate of interest on the Equipment Notes (such decrease referred to as a "Rate Decrease") pursuant to the terms of the Registration Rights Agreement, the rate of interest borne by such Deposit shall decrease by the amount of such Rate Decrease. For the purposes of this Section 2.2(b), "Registration Rights Agreement" means the Exchange and Registration Rights Agreement dated the date hereof among Continental, the Pass Through Trustee, certain other pass through trustees and the Initial Purchasers.

SECTION 2.3 Withdrawals. (a) On and after the date seven days after the establishment of any Deposit, the Escrow Agent may, by providing at least one Business Day's prior notice of withdrawal to the Depository in the form of Exhibit A hereto (a "Notice of Purchase Withdrawal"), withdraw not less than the entire balance of such Deposit, except that at any time prior to the actual withdrawal of such Deposit, the Escrow Agent or the Pass Through Trustee may, by notice to the Depository, cancel such withdrawal (including on the scheduled date therefor), and thereafter such Deposit shall continue to be maintained by the Depository in accordance with the original terms thereof. Following such withdrawal the balance in the related Account shall be zero and the Depository shall close such Account. As used herein, "Business Day" means any day, other than a Saturday, Sunday or other day on which commercial banks are authorized or required by law to close in New York, New York, Houston, Texas, Wilmington, Delaware or Salt Lake City, Utah.

(b) The Escrow Agent may, by providing at least 20 days' prior notice of withdrawal to the Depository in the form of Exhibit B hereto (a "Notice of Final Withdrawal"), withdraw the entire amount of all of the remaining Deposits together with the payment by the Depository of all accrued and unpaid interest on such Deposits to but excluding the specified date of withdrawal (a "Final Withdrawal"), on such date as shall be specified in such Notice of Final Withdrawal. If a Notice of Final Withdrawal has not been given to the Depository on or before July 6, 1998 and there are unwithdrawn Deposits on such date, the Depository shall pay the amount of the Final Withdrawal to the Paying Agent on July 31, 1998.

(c) If the Depository receives a duly completed Notice of Purchase Withdrawal or Notice of Final Withdrawal complying with the provisions of this Agreement, it shall make the payments specified therein in accordance with the provisions of this Agreement.

SECTION 2.4 Other Accounts. On the date of withdrawal of any Deposit, the Escrow Agent, or the Pass Through Trustee on behalf of the Escrow Agent, shall be entitled to re-deposit with the Depository any portion thereof and the Depository shall accept the same for deposit hereunder. Any sums so received for deposit shall be established as a new Deposit and credited to a new Account, all as more fully provided in Section 2.1 hereof, and thereafter the provisions of this Agreement shall apply thereto as fully and with the same force and effect as if such Deposit had been established on the Deposit Date except that (i) such Deposit may not be

withdrawn prior to the date seven days after the establishment thereof and (ii) such Deposit shall mature on July 31, 1998 and bear interest as provided in Section 2.2. The Depository shall promptly give notice to the Escrow Agent of receipt of each such re-deposit and the Account Number assigned thereto.

SECTION 3. Termination. This Agreement shall terminate on the fifth Business Day after the later of the date on which (i) all of the Deposits shall have been withdrawn and paid as provided herein without any re-deposit and (ii) all accrued and unpaid interest on the Deposits shall have been paid as provided herein, but in no event prior to the date on which the Depository shall have performed in full its obligation hereunder.

SECTION 4. Payments. All payments (including, without limitation, those payments made in respect of Taxes (as defined and provided for below)) made by the Depository hereunder shall be paid in United States Dollars and immediately available funds by wire transfer (i) in the case of accrued interest on the Deposits payable under Section 2.2 hereof or any Final Withdrawal, directly to the Paying Agent at Wilmington Trust Company, Wilmington, DE, ABA# 031- 100-092, Account No. 41607-0, Attention: Monica Henry, Reference: Continental 1997-1C-I, or to such other account as the Paying Agent may direct from time to time in writing to the Depository and the Escrow Agent and (ii) in the case of any withdrawal of one or more Deposits pursuant to a Notice of Purchase Withdrawal, directly to or as directed by the Pass Through Trustee as specified and in the manner provided in such Notice of Purchase Withdrawal. The Depository hereby waives any and all rights of set-off, combination of accounts, right of retention or similar right (whether arising under applicable law, contract or otherwise) it may have against the Deposits howsoever arising. All payments on or in respect of each Deposit shall be made free and clear of and without reduction for or on account of any and all taxes, levies or other impositions or charges (collectively, "Taxes"). However, if the Depository or the Paying Agent (pursuant to Section 2.04 of the Escrow and Paying Agent Agreement) shall be required by law to deduct or withhold any Taxes from or in respect of any sum payable hereunder, the Depository shall (i) make such deductions or withholding, (ii) pay the full amount deducted or withheld (including in respect of such additional amounts) to the competent taxation authority and (iii) if the Taxes required to be deducted or withheld are imposed by Switzerland or any political subdivision thereof, pay such additional amounts as may be necessary in order that the actual amount received by the designated recipient of such sum under this Agreement or the Escrow and Paying Agent Agreement after such deduction or withholding equals the sum it would have received had no such deduction or withholding been required. If the date on which any payment due on any Deposit would otherwise fall on a day which is not a Business Day, such payment shall be made on the next succeeding Business Day, and no additional interest shall accrue in respect of such extension.

SECTION 5. Representation and Warranties. The Depository hereby represents and warrants to Continental, the Escrow Agent, the Pass Through Trustee and the Paying Agent that:

(a) it is a bank duly organized and validly existing in good standing under the laws of its jurisdiction of organization and is duly qualified to conduct banking business in the State of New York through its New York Branch;

(b) it has full power, authority and legal right to conduct its business and operations as currently conducted and to enter into and perform its obligations under this Agreement;

(c) the execution, delivery and performance of this Agreement have been duly authorized by all necessary corporate action on the part of it and do not require any stockholder approval, or approval or consent of any trustee or holder of any indebtedness or obligations of it, and such document has been duly executed and delivered by it and constitutes its legal, valid and binding obligations enforceable against it in accordance with the terms hereof;

(d) no authorization, consent or approval of or other action by, and no notice to or filing with, any United States federal or state governmental authority or regulatory body is required for the execution, delivery or performance by it of this Agreement;

(e) neither the execution, delivery or performance by it of this Agreement, nor compliance with the terms and provisions hereof, conflicts or will conflict with or results or will result in a breach or violation of any of the terms, conditions or provisions of, or will require any consent or approval under, any law, governmental rule or regulation or the charter documents, as amended, or bylaws, as amended, of it or any similar instrument binding on it or any order, writ, injunction or decree of any court or governmental authority against it or by which it or any of its properties is bound or any indenture, mortgage or contract or other agreement or instrument to which it is a party or by which it or any of its properties is bound, or constitutes or will constitute a default thereunder or results or will result in the imposition of any lien upon any of its properties; and

(f) there are no pending or, to its knowledge, threatened actions, suits, investigations or proceedings (whether or not purportedly on behalf of it) against or affecting it or any of its property before or by any court or administrative agency which, if adversely determined, (i) would adversely affect the ability of it to perform its obligations under this Agreement or (ii) would call into question or challenge the validity of this Agreement or the enforceability hereof in accordance with the terms hereof, nor is the Depositary in default with respect to any order of any court, governmental authority, arbitration board or administrative agency so as to adversely affect its ability to perform its obligations under this Agreement.

SECTION 6. Transfer. Neither party hereto shall be entitled to assign or otherwise transfer this Agreement (or any interest herein) other than (in the case of the Escrow Agent) to a successor escrow agent under the Escrow and Paying Agent Agreement, and any purported assignment in violation thereof shall be void. This Agreement shall be binding upon

the parties hereto and their respective successors and (in the case of the Escrow Agent) permitted assigns. Upon the occurrence of the Transfer (as defined below) contemplated by the Assignment and Assumption Agreement (as defined below), the Pass Through Trustee shall (without further act) be deemed to have transferred all of its right, title and interest in and to this Agreement to the trustee of the Successor Trust (as defined below) and, thereafter, the trustee of the Successor Trust shall be deemed to be the "Pass Through Trustee" hereunder with the rights of the "Pass Through Trustee" hereunder, and each reference herein to "Continental Airlines Pass Through Trust 1997-1C-I-0" shall be deemed to be a reference to "Continental Airlines Pass Through Trust 1997-1C-I-S". The Escrow Agent and the Depository hereby acknowledge and consent to the Transfer contemplated by the Assignment and Assumption Agreement. For the purposes of this Section 6, "Transfer" means the transfer contemplated by the Assignment and Assumption Agreement; "Assignment and Assumption Agreement" means the Assignment and Assumption Agreement to be entered into between the Pass Through Trustee and the trustee of the Successor Trust, substantially in the form of Exhibit D to the Pass Through Trust Agreement; and "Successor Trust" means the Continental Airlines Pass Through Trust 1997-1C-I-S.

SECTION 7. Amendment, Etc. This Agreement may not be amended, waived or otherwise modified except by an instrument in writing signed by the party against whom the amendment, waiver or other modification is sought to be enforced and by the Pass Through Trustee.

All notices shall be sent to (x) in the case of the Depository, Credit Suisse First Boston, 11 Madison Avenue, New York, NY 10010, Attention Robert Finney and Kevin Kappell (Telecopier: (212) 325-8319) or (y) in the case of the Escrow Agent, First Security Bank, National Association, 79 South Main Street, Salt Lake City, UT 84111, Attention: Corporate Trust Services (Telecopier: (801) 246-5053), in each case, with a copy to the Pass Through Trustee, Wilmington Trust Company, 1100 North Market Street, Wilmington, DE 19890, Attention: Corporate Trust Administration (Telecopier: (302) 651-8882) and to Continental, Continental Airlines, Inc., 2929 Allen Parkway, Suite 2010, Houston, TX 77019, Attention: Executive Vice President and Chief Financial Officer (Telecopier: (713) 520-6329) (or at such other address as any such party may specify from time to time in a written notice to the parties hereto). On or prior to the execution of this Agreement, the Escrow Agent has delivered to the Depository a certificate containing specimen signatures of the representatives of the Escrow Agent who are authorized to give notices and instructions with respect to this Agreement. The Depository may conclusively rely on such certificate until the Depository receives written notice from the Escrow Agent to the contrary.

SECTION 9. Obligations Unconditional. The Depository hereby acknowledges and agrees that its obligation to repay each Deposit together with interest thereon as provided herein is absolute, irrevocable and unconditional and constitutes a full recourse obligation of the Depository enforceable against it to the full extent of all of its assets and properties.

SECTION 10. Entire Agreement. This Agreement (including all attachments hereto) sets forth all of the promises, covenants, agreements, conditions and understandings between the Depository and the Escrow Agent with respect to the subject matter hereof and supersedes all prior and contemporaneous agreements and undertakings, inducements or conditions, express or implied, oral or written.

SECTION 11. Governing Law. This Agreement, and the rights and obligations of the Depository and the Escrow Agent with respect to the Deposits, shall be governed by, and construed in accordance with, the laws of the State of New York and subject to the provisions of Regulation D of the Board of Governors of the Federal Reserve System (or any successor), as the same may be modified and supplemented and in effect from time to time.

SECTION 12. Waiver of Jury Trial Right. EACH OF THE DEPOSITARY AND THE ESCROW AGENT ACKNOWLEDGES AND ACCEPTS THAT IN ANY SUIT, ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT SUCH PARTY IRREVOCABLY WAIVES ITS RIGHT TO A TRIAL BY JURY.

SECTION 13. Counterparts. This Agreement may be executed in one or more counterparts, all of which taken together shall constitute one instrument.

DEPOSIT AGREEMENT (Class C-II) dated as of March 21, 1997 (as amended, modified or supplemented from time to time, this "Agreement") between FIRST SECURITY BANK, NATIONAL ASSOCIATION, a national banking association, as Escrow Agent under the Escrow and Paying Agent Agreement referred to below (in such capacity, together with its successors in such capacity, the "Escrow Agent"), and CREDIT SUISSE FIRST BOSTON, NEW YORK BRANCH, a banking institution organized under the laws of Switzerland acting through its New York Branch, as depository bank (the "Depository").

W I T N E S S E T H

WHEREAS, Continental Airlines, Inc. ("Continental") and Wilmington Trust Company, not in its individual capacity except as otherwise expressly provided therein, but solely as trustee (in such capacity, together with its successors in such capacity, the "Pass Through Trustee") have entered into a Pass Through Trust Agreement dated as of March 21, 1997 (as amended, modified or supplemented from time to time in accordance with the terms thereof, the "Pass Through Trust Agreement") relating to Continental Airlines Pass Through Trust 1997-1C-II-0 pursuant to which the Continental Airlines Pass Through Trust, Series 1997-1C-II-0 Certificates referred to therein (the "Certificates") are being issued;

WHEREAS, Continental and Credit Suisse First Boston Corporation, Morgan Stanley & Co., Incorporated, Chase Securities Inc. and Goldman, Sachs & Co. (collectively, the "Initial Purchasers" and, together with their respective transferees and assigns as registered owners of the Certificates, the "Investors") have entered into a Certificate Purchase Agreement dated as of March 12, 1997 (the "Certificate Purchase Agreement") pursuant to which the Pass Through Trustee will issue and sell the Certificates to the Initial Purchasers;

WHEREAS, Continental, the Pass Through Trustee, certain other pass through trustees and certain other persons concurrently herewith are entering into the Note Purchase Agreement, dated as of the date hereof (the "Note Purchase Agreement"), pursuant to which the Pass Through Trustee has agreed to acquire from time to time on or prior to the Delivery Period Termination Date (as defined in the Note Purchase Agreement) equipment notes (the "Equipment Notes") issued to finance the acquisition of aircraft by Continental, as lessee or as owner, utilizing a portion of the proceeds from the sale of the Certificates (the "Net Proceeds");

WHEREAS, the Escrow Agent, the Initial Purchasers, the Pass Through Trustee and Wilmington Trust Company, as paying agent for the Escrow Agent (in such capacity, together with its successors in such capacity, the "Paying Agent") concurrently herewith are entering into an Escrow and Paying Agent Agreement, dated as of the date hereof (as amended, modified or supplemented from time to time in accordance with the terms thereof, the "Escrow and Paying Agent Agreement"); and

WHEREAS, the Initial Purchasers and the Pass Through Trustee intend that the Net Proceeds be held in escrow by the Escrow Agent on behalf of the Investors pursuant to the Escrow and Paying Agent Agreement, subject to withdrawal upon request of and proper certification by the Pass Through Trustee for the purpose of purchasing Equipment Notes, and

that pending such withdrawal the Net Proceeds be deposited by the Escrow Agent with the Depositary pursuant to this Agreement, which provides for the Depositary to pay interest for distribution to the Investors and to establish accounts from which the Escrow Agent shall make withdrawals upon request of and proper certification by the Pass Through Trustee.

NOW, THEREFORE, in consideration of the obligations contained herein, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereto hereby agree as follows:

SECTION 1.1 Acceptance of Depositary. The Depositary hereby agrees to act as depositary bank as provided herein and in connection therewith to accept all amounts to be delivered to or held by the Depositary pursuant to the terms of this Agreement. The Depositary further agrees to hold, maintain and safeguard the Deposits and the Accounts (as defined below) during the term of this Agreement in accordance with the provisions of this Agreement. The Escrow Agent shall not have any right to withdraw, assign or otherwise transfer moneys held in the Accounts except as permitted by this Agreement.

SECTION 1.2 Establishment of Accounts. The Escrow Agent hereby instructs the Depositary, and the Depositary agrees, to establish the separate deposit accounts listed on Schedule I hereto and to establish such additional separate deposit accounts as may be required in connection with the deposits contemplated by Section 2.4 hereof (each, an "Account" and collectively, the "Accounts"), each in the name of the Escrow Agent and all on the terms and conditions set forth in this Agreement.

SECTION 2.1 Deposits. The Escrow Agent shall direct the Initial Purchasers to deposit with the Depositary on the date of this Agreement (the "Deposit Date") in Federal (same day) funds by official check or checks or wire or other transfer to: Credit Suisse First Boston, New York Branch, Reference: Continental 1997-1, and the Depositary shall accept from the Initial Purchasers, on behalf of the Escrow Agent, the sum of US\$10,000,000. Upon acceptance of such sum, the Depositary shall (i) establish each of the deposits specified in Schedule I hereto maturing on the respective dates set forth therein (including any deposit made pursuant to Section 2.4 hereof, individually, a "Deposit" and, collectively, the "Deposits") and (ii) credit each Deposit to the related Account as set forth therein. No amount shall be deposited in any Account other than the related Deposit.

SECTION 2.2 Interest. (a) Each Deposit shall bear interest from and including the date of deposit to but excluding the date of withdrawal at the rate of 7.42% per annum (computed on the basis of a year of twelve 30-day months) payable to the Paying Agent on behalf of the Escrow Agent semi-annually in arrears on each April 1 and October 1, and on the date of the Final Withdrawal (as defined below), commencing on October 1, 1997 (each, an "Interest Payment Date"), all in accordance with the terms of this Agreement (whether or not any such Deposit is withdrawn on an Interest Payment Date). Interest accrued on any Deposit that is withdrawn pursuant to a Notice of Purchase Withdrawal (as defined below) shall be paid on the next Interest Payment Date, notwithstanding any intervening Final Withdrawal (as defined below).

(b) The parties hereto further acknowledge and agree that upon any increase in the rate of interest on the Equipment Notes (as defined in the Pass Through Trust Agreement) (such increase referred to as a "Rate Increase") pursuant to the terms of the Registration Rights Agreement (as defined below), the rate of interest borne by each Deposit in accordance with Section 2.2(a) above shall increase by the amount of such Rate Increase, and upon any subsequent decrease in the rate of interest on the Equipment Notes (such decrease referred to as a "Rate Decrease") pursuant to the terms of the Registration Rights Agreement, the rate of interest borne by such Deposit shall decrease by the amount of such Rate Decrease. For the purposes of this Section 2.2(b), "Registration Rights Agreement" means the Exchange and Registration Rights Agreement dated the date hereof among Continental, the Pass Through Trustee, certain other pass through trustees and the Initial Purchasers.

SECTION 2.3 Withdrawals. (a) On and after the date seven days after the establishment of any Deposit, the Escrow Agent may, by providing at least one Business Day's prior notice of withdrawal to the Depository in the form of Exhibit A hereto (a "Notice of Purchase Withdrawal"), withdraw not less than the entire balance of such Deposit, except that at any time prior to the actual withdrawal of such Deposit, the Escrow Agent or the Pass Through Trustee may, by notice to the Depository, cancel such withdrawal (including on the scheduled date therefor), and thereafter such Deposit shall continue to be maintained by the Depository in accordance with the original terms thereof. Following such withdrawal the balance in the related Account shall be zero and the Depository shall close such Account. As used herein, "Business Day" means any day, other than a Saturday, Sunday or other day on which commercial banks are authorized or required by law to close in New York, New York, Houston, Texas, Wilmington, Delaware or Salt Lake City, Utah.

(b) The Escrow Agent may, by providing at least 20 days' prior notice of withdrawal to the Depository in the form of Exhibit B hereto (a "Notice of Final Withdrawal"), withdraw the entire amount of all of the remaining Deposits together with the payment by the Depository of all accrued and unpaid interest on such Deposits to but excluding the specified date of withdrawal (a "Final Withdrawal"), on such date as shall be specified in such Notice of Final Withdrawal. If a Notice of Final Withdrawal has not been given to the Depository on or before July 6, 1998 and there are unwithdrawn Deposits on such date, the Depository shall pay the amount of the Final Withdrawal to the Paying Agent on July 31, 1998.

(c) If the Depository receives a duly completed Notice of Purchase Withdrawal or Notice of Final Withdrawal complying with the provisions of this Agreement, it shall make the payments specified therein in accordance with the provisions of this Agreement.

SECTION 2.4 Other Accounts. On the date of withdrawal of any Deposit, the Escrow Agent, or the Pass Through Trustee on behalf of the Escrow Agent, shall be entitled to re-deposit with the Depository any portion thereof and the Depository shall accept the same for deposit hereunder. Any sums so received for deposit shall be established as a new Deposit and credited to a new Account, all as more fully provided in Section 2.1 hereof, and thereafter the provisions of this Agreement shall apply thereto as fully and with the same force and effect as if such Deposit had been established on the Deposit Date except that (i) such Deposit may not be

withdrawn prior to the date seven days after the establishment thereof and (ii) such Deposit shall mature on July 31, 1998 and bear interest as provided in Section 2.2. The Depository shall promptly give notice to the Escrow Agent of receipt of each such re-deposit and the Account Number assigned thereto.

SECTION 3. Termination. This Agreement shall terminate on the fifth Business Day after the later of the date on which (i) all of the Deposits shall have been withdrawn and paid as provided herein without any re-deposit and (ii) all accrued and unpaid interest on the Deposits shall have been paid as provided herein, but in no event prior to the date on which the Depository shall have performed in full its obligation hereunder.

SECTION 4. Payments. All payments (including, without limitation, those payments made in respect of Taxes (as defined and provided for below)) made by the Depository hereunder shall be paid in United States Dollars and immediately available funds by wire transfer (i) in the case of accrued interest on the Deposits payable under Section 2.2 hereof or any Final Withdrawal, directly to the Paying Agent at Wilmington Trust Company, Wilmington, DE, ABA# 031-100-092, Account No. 41608-0, Attention: Monica Henry, Reference: Continental 1997-1C-II, or to such other account as the Paying Agent may direct from time to time in writing to the Depository and the Escrow Agent and (ii) in the case of any withdrawal of one or more Deposits pursuant to a Notice of Purchase Withdrawal, directly to or as directed by the Pass Through Trustee as specified and in the manner provided in such Notice of Purchase Withdrawal. The Depository hereby waives any and all rights of set-off, combination of accounts, right of retention or similar right (whether arising under applicable law, contract or otherwise) it may have against the Deposits howsoever arising. All payments on or in respect of each Deposit shall be made free and clear of and without reduction for or on account of any and all taxes, levies or other impositions or charges (collectively, "Taxes"). However, if the Depository or the Paying Agent (pursuant to Section 2.04 of the Escrow and Paying Agent Agreement) shall be required by law to deduct or withhold any Taxes from or in respect of any sum payable hereunder, the Depository shall (i) make such deductions or withholding, (ii) pay the full amount deducted or withheld (including in respect of such additional amounts) to the competent taxation authority and (iii) if the Taxes required to be deducted or withheld are imposed by Switzerland or any political subdivision thereof, pay such additional amounts as may be necessary in order that the actual amount received by the designated recipient of such sum under this Agreement or the Escrow and Paying Agent Agreement after such deduction or withholding equals the sum it would have received had no such deduction or withholding been required. If the date on which any payment due on any Deposit would otherwise fall on a day which is not a Business Day, such payment shall be made on the next succeeding Business Day, and no additional interest shall accrue in respect of such extension.

SECTION 5. Representation and Warranties. The Depository hereby represents and warrants to Continental, the Escrow Agent, the Pass Through Trustee and the Paying Agent that:

(a) it is a bank duly organized and validly existing in good standing under the laws of its jurisdiction of organization and is duly qualified to conduct banking business in the State of New York through its New York Branch;

(b) it has full power, authority and legal right to conduct its business and operations as currently conducted and to enter into and perform its obligations under this Agreement;

(c) the execution, delivery and performance of this Agreement have been duly authorized by all necessary corporate action on the part of it and do not require any stockholder approval, or approval or consent of any trustee or holder of any indebtedness or obligations of it, and such document has been duly executed and delivered by it and constitutes its legal, valid and binding obligations enforceable against it in accordance with the terms hereof;

(d) no authorization, consent or approval of or other action by, and no notice to or filing with, any United States federal or state governmental authority or regulatory body is required for the execution, delivery or performance by it of this Agreement;

(e) neither the execution, delivery or performance by it of this Agreement, nor compliance with the terms and provisions hereof, conflicts or will conflict with or results or will result in a breach or violation of any of the terms, conditions or provisions of, or will require any consent or approval under, any law, governmental rule or regulation or the charter documents, as amended, or bylaws, as amended, of it or any similar instrument binding on it or any order, writ, injunction or decree of any court or governmental authority against it or by which it or any of its properties is bound or any indenture, mortgage or contract or other agreement or instrument to which it is a party or by which it or any of its properties is bound, or constitutes or will constitute a default thereunder or results or will result in the imposition of any lien upon any of its properties; and

(f) there are no pending or, to its knowledge, threatened actions, suits, investigations or proceedings (whether or not purportedly on behalf of it) against or affecting it or any of its property before or by any court or administrative agency which, if adversely determined, (i) would adversely affect the ability of it to perform its obligations under this Agreement or (ii) would call into question or challenge the validity of this Agreement or the enforceability hereof in accordance with the terms hereof, nor is the Depositary in default with respect to any order of any court, governmental authority, arbitration board or administrative agency so as to adversely affect its ability to perform its obligations under this Agreement.

SECTION 6. Transfer. Neither party hereto shall be entitled to assign or otherwise transfer this Agreement (or any interest herein) other than (in the case of the Escrow Agent) to a successor escrow agent under the Escrow and Paying Agent Agreement, and any purported assignment in violation thereof shall be void. This Agreement shall be binding upon

the parties hereto and their respective successors and (in the case of the Escrow Agent) permitted assigns. Upon the occurrence of the Transfer (as defined below) contemplated by the Assignment and Assumption Agreement (as defined below), the Pass Through Trustee shall (without further act) be deemed to have transferred all of its right, title and interest in and to this Agreement to the trustee of the Successor Trust (as defined below) and, thereafter, the trustee of the Successor Trust shall be deemed to be the "Pass Through Trustee" hereunder with the rights of the "Pass Through Trustee" hereunder, and each reference herein to "Continental Airlines Pass Through Trust 1997-1C-II-0" shall be deemed to be a reference to "Continental Airlines Pass Through Trust 1997-1C-II-S". The Escrow Agent and the Depositary hereby acknowledge and consent to the Transfer contemplated by the Assignment and Assumption Agreement. For the purposes of this Section 6, "Transfer" means the transfer contemplated by the Assignment and Assumption Agreement; "Assignment and Assumption Agreement" means the Assignment and Assumption Agreement to be entered into between the Pass Through Trustee and the trustee of the Successor Trust, substantially in the form of Exhibit D to the Pass Through Trust Agreement; and "Successor Trust" means the Continental Airlines Pass Through Trust 1997-1C-II-S.

SECTION 7. Amendment, Etc. This Agreement may not be amended, waived or otherwise modified except by an instrument in writing signed by the party against whom the amendment, waiver or other modification is sought to be enforced and by the Pass Through Trustee.

SECTION 8. Notices. Unless otherwise expressly provided herein, any notice or other communication under this Agreement shall be in writing (including by facsimile) and shall be deemed to be given and effective upon receipt thereof. All notices shall be sent to (x) in the case of the Depositary, Credit Suisse First Boston, 11 Madison Avenue, New York, NY 10010, Attention Robert Finney and Kevin Kappell (Telecopier: (212) 325-8319) or (y) in the case of the Escrow Agent, First Security Bank, National Association, 79 South Main Street, Salt Lake City, UT 84111, Attention: Corporate Trust Services (Telecopier: (801) 246-5053), in each case, with a copy to the Pass Through Trustee, Wilmington Trust Company, 1100 North Market Street, Wilmington, DE 19890, Attention: Corporate Trust Administration (Telecopier: (302) 651-8882) and to Continental, Continental Airlines, Inc., 2929 Allen Parkway, Suite 2010, Houston, TX 77019, Attention: Executive Vice President and Chief Financial Officer (Telecopier: (713) 520-6329) (or at such other address as any such party may specify from time to time in a written notice to the parties hereto). On or prior to the execution of this Agreement, the Escrow Agent has delivered to the Depositary a certificate containing specimen signatures of the representatives of the Escrow Agent who are authorized to give notices and instructions with respect to this Agreement. The Depositary may conclusively rely on such certificate until the Depositary receives written notice from the Escrow Agent to the contrary.

SECTION 9. Obligations Unconditional. The Depositary hereby acknowledges and agrees that its obligation to repay each Deposit together with interest thereon as provided herein is absolute, irrevocable and unconditional and constitutes a full recourse obligation of the Depositary enforceable against it to the full extent of all of its assets and properties.

SECTION 10. Entire Agreement. This Agreement (including all attachments hereto) sets forth all of the promises, covenants, agreements, conditions and understandings between the Depository and the Escrow Agent with respect to the subject matter hereof and supersedes all prior and contemporaneous agreements and undertakings, inducements or conditions, express or implied, oral or written.

SECTION 11. Governing Law. This Agreement, and the rights and obligations of the Depository and the Escrow Agent with respect to the Deposits, shall be governed by, and construed in accordance with, the laws of the State of New York and subject to the provisions of Regulation D of the Board of Governors of the Federal Reserve System (or any successor), as the same may be modified and supplemented and in effect from time to time.

SECTION 12. Waiver of Jury Trial Right. EACH OF THE DEPOSITARY AND THE ESCROW AGENT ACKNOWLEDGES AND ACCEPTS THAT IN ANY SUIT, ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT SUCH PARTY IRREVOCABLY WAIVES ITS RIGHT TO A TRIAL BY JURY.

SECTION 13. Counterparts. This Agreement may be executed in one or more counterparts, all of which taken together shall constitute one instrument.

SECTION 14. Head Office Obligation. Credit Suisse First Boston hereby agrees that the obligations of the Depository hereunder are also the obligations of Credit Suisse First Boston's Head Office in Zurich, Switzerland. Accordingly, any beneficiary of this Agreement will be able to proceed directly against Credit Suisse First Boston's Head Office in Zurich, Switzerland if Credit Suisse First Boston's New York Branch defaults in its obligation to such beneficiary under this Agreement.

IN WITNESS WHEREOF, the Escrow Agent and the Depository have caused this Deposit Agreement to be duly executed as of the day and year first above written.

WHEREAS, the Initial Purchasers and the Pass Through Trustee intend that the Net Proceeds be held in escrow by the Escrow Agent on behalf of the Investors, subject to withdrawal upon request by the Pass Through Trustee and satisfaction of the conditions set forth in the Note Purchase Agreement for the purpose of purchasing Equipment Notes, and that pending such withdrawal the Net Proceeds be deposited on behalf of the Escrow Agent with Credit Suisse First Boston, a Swiss bank acting through its New York branch, as Depository (the "Depository") under the Deposit Agreement, dated as of the date hereof between the Depository and the Escrow Agent relating to the Pass Through Trust (as amended, modified or supplemented from time to time in accordance with the terms thereof, the "Deposit Agreement") pursuant to which, among other things, the Depository will pay interest for distribution to the Investors and establish accounts from which the Escrow Agent shall make withdrawals upon request of and proper certification by the Pass Through Trustee;

WHEREAS, the Escrow Agent wishes to appoint the Paying Agent to pay amounts required to be distributed to the Investors in accordance with this Agreement; and

WHEREAS, capitalized terms used but not defined herein shall have the meanings ascribed to such terms in the Pass Through Trust Agreement.

NOW, THEREFORE, in consideration of the obligations contained herein, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereto hereby agree as follows:

SECTION 1. Escrow Agent.

Section 1.01. Appointment of Escrow Agent. Each of the Initial Purchasers, for and on behalf of each of the Investors, hereby irrevocably appoints, authorizes and directs the Escrow Agent to act as escrow agent and fiduciary hereunder and under the Deposit Agreement for such specific purposes and with such powers as are specifically delegated to the Escrow

Agent by the terms of this Agreement, together with such other powers as are reasonably incidental thereto. Any and all money received and held by the Escrow Agent under this Agreement or the Deposit Agreement shall be held in escrow by the Escrow Agent in accordance with the terms of this Agreement. This Agreement is irrevocable and the Investors' rights with respect to any monies received and held in escrow by the Escrow Agent under this Agreement or the Deposit Agreement shall only be as provided under the terms and conditions of this Agreement and the Deposit Agreement. The Escrow Agent (which term as used in this sentence shall include reference to its affiliates and its own and its affiliates' officers, directors, employees and agents): (a) shall have no duties or responsibilities except those expressly set forth in this Agreement; (b) shall not be responsible to the Pass Through Trustee or the Investors for any recitals, statements, representations or warranties of any person other than itself contained in this Agreement or the Deposit Agreement or for the failure by the Pass Through Trustee, Investors or any other person or entity (other than the Escrow Agent) to perform any of its obligations hereunder (whether or not the Escrow Agent shall have any knowledge thereof); and (c) shall not be responsible for any action taken or omitted to be taken by it hereunder or provided for herein or in connection herewith, except for its own willful misconduct or gross negligence (or simple negligence in connection with the handling of funds).

Section 1.02. Instruction; Etc. The Initial Purchasers, for and on behalf of each of the Investors, hereby irrevocably instruct the Escrow Agent, and the Escrow Agent agrees, (a) to enter into the Deposit Agreement, (b) to appoint the Paying Agent as provided in this Agreement, (c) upon receipt at any time and from time to time prior to the Termination Date (as defined below) of a certificate substantially in the form of Exhibit B hereto (a "Withdrawal Certificate") executed by the Pass Through Trustee, together with an attached Notice of Purchase Withdrawal in substantially the form of Exhibit A to the Deposit Agreement duly completed by the Pass Through Trustee (the "Applicable Notice of Purchase Withdrawal" and the withdrawal to which it relates, a "Purchase Withdrawal"), immediately to execute the Applicable Notice of Purchase Withdrawal as Escrow Agent and transmit it to the Depositary by facsimile transmission in accordance with the Deposit Agreement; provided that, upon the request of the Pass Through Trustee after such transmission, the Escrow Agent shall cancel such Applicable Notice of Purchase Withdrawal, and (d) if there are any undrawn Deposits (as defined

in the Deposit Agreement) on the "Termination Date", which shall mean the earlier of (i) July 1, 1998 and (ii) the day on which the Escrow Agent receives notice from the Pass Through Trustee that the Pass Through Trustee's obligation to purchase Equipment Notes under the Note Purchase Agreement has terminated, to give notice to the Depository (with a copy to the Paying Agent) substantially in the form of Exhibit B to the Deposit Agreement requesting a withdrawal of all of the remaining Deposits, together with accrued and unpaid interest on such Deposits to the date of withdrawal, on the 35th day after the date that such notice of withdrawal is given to the Depository (or, if not a Business Day, on the next succeeding Business Day) (a "Final Withdrawal"), provided that if the day scheduled for the Final Withdrawal in accordance with the foregoing is within 10 days before or after a Regular Distribution Date, then the Escrow Agent shall request that such requested Final Withdrawal be made on such Regular Distribution Date (the date of such requested withdrawal, the "Final Withdrawal Date"). If for any reason the Escrow Agent shall have failed to give the Final Withdrawal Notice to the Depository on or before July 6, 1998, and there are unwithdrawn Deposits on such date, the Final Withdrawal Date shall be deemed to be July 31, 1998.

Section 1.03. Initial Escrow Amount; Issuance of Escrow Receipts. The Escrow Agent hereby directs the Initial Purchasers to, and the Initial Purchasers hereby acknowledge that on the date hereof they shall, irrevocably deliver to the Depository on behalf of the Escrow Agent, an amount in U.S. dollars ("Dollars") and immediately available funds equal to \$437,876,000 for deposit on behalf of the Escrow Agent with the Depository in accordance with Section 2.1 of the Deposit Agreement. The Initial Purchasers hereby instruct the Escrow Agent, upon receipt of such sum from the Initial Purchasers, to confirm such receipt by executing and delivering to the Pass Through Trustee an Escrow Receipt in the form of Exhibit A hereto (an "Escrow Receipt"), (a) to be affixed by the Pass Through Trustee to each Certificate and (b) to evidence the same percentage interest (the "Escrow Interest") in the Account Amounts as the Fractional Undivided Interest in the Pass Through Trust evidenced by the Certificate to which it is to be affixed. The Escrow Agent shall provide to the Pass Through Trustee for attachment to each Certificate newly issued under and in accordance with the Pass Through Trust Agreement an executed Escrow Receipt as the Pass Through Trustee may from time to time request of the Escrow Agent. Each Escrow Receipt shall be

registered by the Escrow Agent in a register (the "Register") maintained by the Escrow Agent in the same name and same manner as the Certificate to which it is attached and may not thereafter be detached from such Certificate to which it is to be affixed prior to the distribution of the Final Withdrawal (the "Final Distribution"). After the Final Distribution, no Escrow Receipts shall be issued and the Pass Through Trustee shall request the return to the Escrow Agent for cancellation of all outstanding Escrow Receipts.

Section 1.04. Payments to Receiptholders. All payments and distributions made to holders of an Escrow Receipt (collectively "Receiptholders") in respect of the Escrow Receipt shall be made only from amounts deposited in the Paying Agent Account ("Account Amounts"). Each Receiptholder, by its acceptance of an Escrow Receipt, agrees that (a) it will look solely to the Account Amounts for any payment or distribution due to such Receiptholder pursuant to the terms of the Escrow Receipt and this Agreement and (b) it will have no recourse to Continental, the Pass Through Trustee, the Paying Agent or the Escrow Agent, except as expressly provided herein or in the Pass Through Trust Agreement. No Receiptholder shall have any right to vote or in any manner otherwise control the operation and management of the Paying Agent Account or the obligations of the parties hereto, nor shall anything set forth herein, or contained in the terms of the Escrow Receipt, be construed so as to constitute the Receiptholders from time to time as partners or members of an association.

Section 1.05. Mutilated, Destroyed, Lost or Stolen Escrow Receipt. If (a) any mutilated Escrow Receipt is surrendered to the Escrow Agent or the Escrow Agent receives evidence to its satisfaction of the destruction, loss or theft of any Escrow Receipt and (b) there is delivered to the Escrow Agent and the Pass Through Trustee such security, indemnity or bond, as may be required by them to hold each of them harmless, then, absent notice to the Escrow Agent or the Pass Through Trustee that such destroyed, lost or stolen Escrow Receipt has been acquired by a bona fide purchaser, and provided that the requirements of Section 8-405 of the Uniform Commercial Code in effect in any applicable jurisdiction are met, the Escrow Agent shall execute, authenticate and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Escrow Receipt, a new Escrow Receipt or Escrow Receipts and of like Escrow Interest and bearing a number not contemporaneously outstanding.

In connection with the issuance of any new Escrow Receipt under this Section 1.05, the Escrow Agent may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Pass Through Trustee and the Escrow Agent) connected therewith.

Any duplicative Escrow Receipt issued pursuant to this Section 1.05 shall constitute conclusive evidence of the appropriate Escrow Interest in the Account Amounts, as if originally issued, whether or not the lost, stolen or destroyed Escrow Receipt shall be found at any time.

The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Escrow Receipts.

Section 1.06. Additional Escrow Amounts. On the date of any Purchase Withdrawal, the Pass Through Trustee may re-deposit with the Depository some or all of the amounts so withdrawn in accordance with Section 2.4 of the Deposit Agreement.

Section 1.07. Resignation or Removal of Escrow Agent. Subject to the appointment and acceptance of a successor Escrow Agent as provided below, the Escrow Agent may resign at any time by giving 30 days' prior written notice thereof to the Investors, but may not otherwise be removed except for cause by the written consent of the Investors with respect to Investors representing Escrow Interests aggregating not less than a majority in interest in the Account Amounts (an "Action of Investors"). Upon any such resignation or removal, the Investors, by an Action of Investors, shall have the right to appoint a successor Escrow Agent. If no successor Escrow Agent shall have been so appointed and shall have accepted such appointment within 30 days after the retiring Escrow Agent's giving of notice of resignation or the removal of the retiring Escrow Agent, then the retiring Escrow Agent may appoint a successor Escrow Agent, which shall be a bank which has an office in the United States with a combined capital and surplus of at least \$100,000,000. Upon the acceptance of any appointment as Escrow Agent hereunder by a successor Escrow Agent, such successor Escrow

Agent shall enter into such documents as the Pass Through Trustee shall require and shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring Escrow Agent, and the retiring Escrow Agent shall be discharged from its duties and obligations hereunder. No resignation or removal of the Escrow Agent shall be effective unless a written confirmation shall have been obtained from each of Moody's Investors Service, Inc. and Standard & Poor's Rating Group, a division of McGraw-Hill Inc., that the replacement of the Escrow Agent with the successor Escrow Agent will not result in (a) a reduction of the rating for the Certificates below the then current rating for the Certificates or (b) a withdrawal or suspension of the rating of the Certificates.

Section 1.08. Persons Deemed Owners. Prior to due presentment of a Certificate for registration of transfer, the Escrow Agent and the Paying Agent may treat the Person in whose name any Escrow Receipt is registered (as of the day of determination) as the owner of such Escrow Receipt for the purpose of receiving distributions pursuant to this Agreement and for all other purposes whatsoever, and none of the Escrow Agent or the Paying Agent shall be affected by any notice to the contrary.

Section 1.09. Further Assurances. The Escrow Agent agrees to take such actions, and execute such other documents, as may be reasonably requested by the Pass Through Trustee in order to effectuate the purposes of this Agreement and the performance by the Escrow Agent of its obligations hereunder.

## SECTION 2. Paying Agent.

Section 2.01. Appointment of Paying Agent. The Escrow Agent hereby irrevocably appoints and authorizes the Paying Agent to act as its paying agent hereunder, for the benefit of the Investors, for such specific purposes and with such powers as are specifically delegated to the Paying Agent by the terms of this Agreement, together with such other powers as are reasonably incidental thereto. Any and all money received and held by the Paying Agent under this Agreement or the Deposit Agreement shall be held in the Paying Agent Account (as defined below) for the benefit of the Investors. The Paying Agent (which term as used in this sentence shall include reference to its affiliates and its own and its affiliates' officers, directors, employees and

agents): (a) shall have no duties or responsibilities except those expressly set forth in this Agreement, and shall not by reason of this Agreement be a trustee for the Escrow Agent; (b) shall not be responsible to the Escrow Agent for any recitals, statements, representations or warranties of any person other than itself contained in this Agreement or for the failure by the Escrow Agent or any other person or entity (other than the Paying Agent) to perform any of its obligations hereunder (whether or not the Paying Agent shall have any knowledge thereof); and (c) shall not be responsible for any action taken or omitted to be taken by it hereunder or provided for herein or in connection herewith, except for its own willful misconduct or gross negligence (or simple negligence in connection with the handling of funds).

Section 2.02. Establishment of Paying Agent Account. The Paying Agent shall establish a deposit account (the "Paying Agent Account") at Wilmington Trust Company in the name of the Escrow Agent. It is expressly understood by the parties hereto that the Paying Agent is acting as the paying agent of the Escrow Agent hereunder and that no amounts on deposit in the Paying Agent Account constitute part of the Trust Property.

Section 2.03. Payments from Paying Agent Account. The Escrow Agent hereby irrevocably instructs the Paying Agent, and the Paying Agent agrees to act, as follows:

(a) on each Interest Payment Date (as defined in the Deposit Agreement) or as soon thereafter as the Paying Agent has confirmed receipt in the Paying Agent Account from the Depository of any amount in respect of accrued interest on the Deposits, the Paying Agent shall distribute out of the Paying Agent Account the entire amount deposited therein by the Depository. There shall be so distributed to each Receiptholder of record on the 15th day (whether or not a Business Day) preceding such Interest Payment Date by check mailed to such Receiptholder, at the address appearing in the Register, such Receiptholder's pro rata share (based on the Escrow Interest in the Account Amounts held by such Receiptholder) of the total amount of interest deposited by the Depository in the Paying Agent Account on such date, except that, with respect to Escrow Receipts registered on the Record Date in the name of DTC, such distribution shall be made by wire transfer in immediately available funds to the account designated by DTC.

(b) upon the confirmation by the Paying Agent of receipt in the Paying Agent Account from the Depository of any amount in respect of the Final Withdrawal, the Paying Agent shall forthwith distribute the entire amount of the Final Withdrawal deposited therein by the Depository. There shall be so distributed to each Receiptholder of record on the 15th day (whether or not a Business Day) preceding the Final Withdrawal Date by check mailed to such Receiptholder, at the address appearing in the Register, such Receiptholder's pro rata share (based on the Escrow Interest in the Account Amounts held by such Receiptholder) of the total amount in the Paying Agent Account on account of such Final Withdrawal, except that, with respect to Escrow Receipts registered on the Record Date in the name of DTC, such distribution shall be made by wire transfer in immediately available funds to the account designated by DTC.

(c) If any payment of interest or principal in respect of the Final Withdrawal is not received by the Paying Agent within five days of the applicable date when due, then it shall be distributed to Receiptholders after actual receipt by the Paying Agent on the same basis as a Special Payment is distributed under the Pass Through Trust Agreement.

(d) the Paying Agent shall include with any check mailed pursuant to this Section any notice required to be distributed under the Pass Through Trust Agreement that is furnished to the Paying Agent by the Pass Through Trustee.

Section 2.04. Withholding Taxes. The Paying Agent shall exclude and withhold from each distribution of accrued interest on the Deposits and any amount in respect of the Final Withdrawal any and all withholding taxes applicable thereto as required by law. In addition, the Paying Agent shall remit or cause to be remitted such amounts as would be required by Section 1446 of the Internal Revenue Code of 1986, as amended, as if the agreements of the Initial Purchasers set forth in this Agreement were characterized as a partnership engaged in a U.S. trade or business for U.S. federal income tax purposes and shall withhold or cause to be withheld such amounts from amounts distributable to or for the benefit of Receiptholders or beneficial owners of interests in Escrow Receipts that are not United States persons within the meaning of section 7701(a)(30) of the Internal Revenue Code of 1986, as amended ("Non-U.S. Persons"). In this regard, the Paying Agent shall cause the appropriate withholding agent to withhold with respect to such distributions in the manner

contemplated by Section 10.04 of Revenue Procedure 89-31 and Treasury Regulation 1.1445-8(b)(3)) by filing a notice with the National Association of Securities Dealers, Inc. substantially in the form of Exhibits C and D on or before the date 10 days prior to the Record Date. The Paying Agent shall mail such notice to the National Association of Securities Dealers no later than the date 15 days prior to the Record Date. Investors that are not United States Persons agree to furnish a taxpayer identification number ("TIN") to the Paying Agent and the Paying Agent shall provide such TINs to the appropriate U.S. withholding agent. The Paying Agent agrees to act as such withholding agent (except to the extent contemplated above with respect to withholding amounts as if the agreements of the Initial Purchasers as set forth in this Agreement were characterized as a business engaged in a U.S. trade or business for U.S. federal income tax purposes) and, in connection therewith, whenever any present or future taxes or similar charges are required to be withheld with respect to any amounts payable in respect of the Deposits or the escrow amounts, to withhold such amounts and timely pay the same to the appropriate authority in the name of and on behalf of the Receiptholders, that it will file any necessary withholding tax returns or statements when due, and that, as promptly as possible after the payment thereof, it will deliver to each such Receiptholder appropriate documentation showing the payment thereof, together with such additional documentary evidence as such Receiptholder may reasonably request from time to time. The Paying Agent agrees to file any other information reports as it may be required to file under United States law. Each Receiptholder or beneficial owner of an interest in an Escrow Receipt that is a Non-U.S. Person, by its acceptance of an Escrow Receipt or a beneficial interest therein, agrees to indemnify and hold harmless the Escrow Agent and the Paying Agent from and against any improper failure to withhold Taxes from amounts payable to it or for its benefit other than an improper failure attributable to the gross negligence or willful misconduct of the Escrow Agent or the Paying Agent, as the case may be.

Section 2.05. Resignation or Removal of Paying Agent.

Subject to the appointment and acceptance of a successor Paying Agent as provided below, the Paying Agent may resign at any time by giving 30 days' prior written notice thereof to the Escrow Agent, but may not otherwise be removed except for cause by the Escrow Agent. Upon any such resignation or removal, the Escrow Agent shall have the right to appoint a successor Paying Agent. If no successor Paying Agent shall have been so appointed and

shall have accepted such appointment within 30 days after the retiring Paying Agent's giving of notice of resignation or the removal of the retiring Paying Agent, then the retiring Paying Agent may appoint a successor Paying Agent, which shall be a bank which has an office in the United States with a combined capital and surplus of at least \$100,000,000. Upon the acceptance of any appointment as Paying Agent hereunder by a successor Paying Agent, such successor Paying Agent shall enter into such documents as the Escrow Agent shall require and shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring Paying Agent, and the retiring Paying Agent shall be discharged from its duties and obligations hereunder.

Section 2.06. Notice of Final Withdrawal. Promptly after receipt by the Paying Agent of notice that the Escrow Agent has requested a Final Withdrawal or that a Final Withdrawal will be made, the Paying Agent shall cause notice of the distribution of the Final Withdrawal to be mailed to each of the Receiptholders at its address as it appears in the Register. Such notice shall be mailed not less than 20 days prior to the Final Withdrawal Date. Such notice shall set forth:

- (i) the Final Withdrawal Date and the date for determining Receiptholders of record who shall be entitled to receive distributions in respect of the Final Withdrawal,
- (ii) the amount of the payment in respect of the Final Withdrawal for each \$1,000 face amount Certificate (based on information provided by the Pass Through Trustee) and the amount thereof constituting unused Deposits and interest thereon, and
- (iii) if the Final Withdrawal Date is the same date as a Regular Distribution Date, the total amount to be received on such date for each \$1,000 face amount Certificate (based on information provided by the Pass Through Trustee).

Such mailing may include any notice required to be given to Certificateholders in connection with such distribution pursuant to the Pass Through Trust Agreement.

SECTION 3. Payments. If, notwithstanding the instructions in Section 4 of the Deposit Agreement that all

amounts payable to the Escrow Agent under the Deposit Agreement be paid by the Depository directly to the Paying Agent or the Pass Through Trustee (depending on the circumstances), the Escrow Agent receives any payment thereunder, then the Escrow Agent shall forthwith pay such amount in Dollars and in immediately available funds by wire transfer to (a) in the case of a payment of accrued interest on the Deposits or any Final Withdrawal, directly to the Paying Agent Account and (b) in the case of any Purchase Withdrawal, directly to the Pass Through Trustee or its designee as specified and in the manner provided in the Applicable Notice of Purchase Withdrawal. The Escrow Agent hereby waives any and all rights of set-off, combination of accounts, right of retention or similar right (whether arising under applicable law, contract or otherwise) it may have against amounts payable to the Paying Agent howsoever arising.

SECTION 4. Other Actions. The Escrow Agent shall take such other actions under or in respect of the Deposit Agreement (including, without limitation, the enforcement of the obligations of the Depository thereunder) as the Investors, by an Action of Investors, may from time to time request.

SECTION 5. Representations and Warranties of the Escrow Agent. The Escrow Agent represents and warrants to Continental, the Investors, the Paying Agent and the Pass Through Trustee as follows:

- (i) it is a national banking association duly organized and validly existing in good standing under the laws of the United States of America;
- (ii) it has full power, authority and legal right to conduct its business and operations as currently conducted and to enter into and perform its obligations under this Agreement and the Deposit Agreement;
- (iii) the execution, delivery and performance of each of this Agreement and the Deposit Agreement have been duly authorized by all necessary corporate action on the part of it and do not require any stockholder approval, or approval or consent of any trustee or holder of any indebtedness or obligations of it, and each such document has been duly executed and delivered by

it and constitutes its legal, valid and binding obligations enforceable against it in accordance with the terms hereof or thereof except as such enforceability may be limited by bankruptcy, insolvency, moratorium, reorganization or other similar laws or equitable principles of general application to or affecting the enforcement of creditors' rights generally (regardless of whether such enforceability is considered in a proceeding in equity or at law);

- (iv) no authorization, consent or approval of or other action by, and no notice to or filing with, any United States federal or state governmental authority or regulatory body is required for the execution, delivery or performance by it of this Agreement or the Deposit Agreement;
- (v) neither the execution, delivery or performance by it of this Agreement or the Deposit Agreement, nor compliance with the terms and provisions hereof or thereof, conflicts or will conflict with or results or will result in a breach or violation of any of the terms, conditions or provisions of, or will require any consent or approval under, any law, governmental rule or regulation or the charter documents, as amended, or bylaws, as amended, of it or any similar instrument binding on it or any order, writ, injunction or decree of any court or governmental authority against it or by which it or any of its properties is bound or any indenture, mortgage or contract or other agreement or instrument to which it is a party or by which it or any of its properties is bound, or constitutes or will constitute a default thereunder or results or will result in the imposition of any lien upon any of its properties; and
- (vi) there are no pending or, to its knowledge, threatened actions, suits, investigations or proceedings (whether or not purportedly on behalf of it) against or affecting it or any of its property before or by any court or administrative agency which, if adversely determined, (A) would

adversely affect the ability of it to perform its obligations under this Agreement or the Deposit Agreement or (B) would call into question or challenge the validity of this Agreement or the Deposit Agreement or the enforceability hereof or thereof in accordance with the terms hereof or thereof, nor is the Escrow Agent in default with respect to any order of any court, governmental authority, arbitration board or administrative agency so as to adversely affect its ability to perform its obligations under this Agreement or the Deposit Agreement.

SECTION 6. Representations and Warranties of the Paying Agent. The Paying Agent represents and warrants to Continental, the Investors, the Escrow Agent and the Pass Through Trustee as follows:

- (i) it is a Delaware banking company duly organized and validly existing in good standing under the laws of its jurisdiction of incorporation;
- (ii) it has full power, authority and legal right to conduct its business and operations as currently conducted and to enter into and perform its obligations under this Agreement;
- (iii) the execution, delivery and performance of this Agreement has been duly authorized by all necessary corporate action on the part of it and does not require any stockholder approval, or approval or consent of any trustee or holder of any indebtedness or obligations of it, and such document has been duly executed and delivered by it and constitutes its legal, valid and binding obligations enforceable against it in accordance with the terms hereof except as such enforceability may be limited by bankruptcy, insolvency, moratorium, reorganization or other similar laws or equitable principles of general application to or affecting the enforcement of creditors' rights generally (regardless of whether such enforceability is considered in a proceeding in equity or at law);

- (iv) no authorization, consent or approval of or other action by, and no notice to or filing with, any United States federal or state governmental authority or regulatory body is required for the execution, delivery or performance by it of this Agreement;
- (v) neither the execution, delivery or performance by it of this Agreement, nor compliance with the terms and provisions hereof, conflicts or will conflict with or results or will result in a breach or violation of any of the terms, conditions or provisions of, or will require any consent or approval under, any law, governmental rule or regulation or the charter documents, as amended, or bylaws, as amended, of it or any similar instrument binding on it or any order, writ, injunction or decree of any court or governmental authority against it or by which it or any of its properties is bound or any indenture, mortgage or contract or other agreement or instrument to which it is a party or by which it or any of its properties is bound, or constitutes or will constitute a default thereunder or results or will result in the imposition of any lien upon any of its properties; and
- (vi) there are no pending or, to its knowledge, threatened actions, suits, investigations or proceedings (whether or not purportedly on behalf of it) against or affecting it or any of its property before or by any court or administrative agency which, if adversely determined, (A) would adversely affect the ability of it to perform its obligations under this Agreement or (B) would call into question or challenge the validity of this Agreement or the enforceability hereof in accordance with the terms hereof, nor is the Paying Agent in default with respect to any order of any court, governmental authority, arbitration board or administrative agency so as to adversely affect its ability to perform its obligations under this Agreement.

SECTION 7. Indemnification. Except for actions expressly required of the Escrow Agent or the Paying Agent hereunder, each of the Escrow Agent and the Paying Agent shall in all cases be fully justified in failing or refusing to act hereunder unless it shall have been indemnified by the party requesting such action in a manner reasonably satisfactory to it against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. In the event Continental requests any amendment to any Operative Agreement (as defined in the Note Purchase Agreement), the Pass Through Trustee agrees to pay all reasonable fees and expenses (including, without limitation, fees and disbursements of counsel) of the Escrow Agent and the Paying Agent in connection therewith.

SECTION 8. Amendment, Etc. Upon request of the Pass Through Trustee and approval by an Action of Investors, the Escrow Agent shall enter into an amendment to this Agreement, so long as such amendment does not adversely affect the rights or obligations of the Escrow Agent or the Paying Agent, provided that upon request of the Pass Through Trustee and without any consent of the Investors, the Escrow Agent shall enter into an amendment to this Agreement for any of the following purposes:

(1) to correct or supplement any provision in this Agreement which may be defective or inconsistent with any other provision herein or to cure any ambiguity or correct any mistake or to modify any other provision with respect to matters or questions arising under this Agreement, provided that any such action shall not materially adversely affect the interests of the Investors; or

(2) to comply with any requirement of the SEC, applicable law, rules or regulations of any exchange or quotation system on which the Certificates are listed, any regulatory body or the Registration Rights Agreement to effectuate the Exchange Offer; or

(3) to evidence and provide for the acceptance of appointment under this Agreement of a successor Escrow Agent, successor Paying Agent or successor Pass Through Trustee.

SECTION 9. Notices. Unless otherwise expressly provided herein, any notice or other communication under this Agreement shall be in writing (including by facsimile) and shall

be deemed to be given and effective upon receipt thereof. All notices shall be sent to (a) in the case of the Investors, as their respective addresses shall appear in the Register, (b) in the case of the Escrow Agent, First Security Bank, National Association, 79 South Main Street, Salt Lake City, UT 84111, Attention: Corporate Trust Services (Telecopier: (801) 246-5053), (c) in the case of the Pass Through Trustee, Wilmington Trust Company, 1100 North Market Street, Wilmington, DE 19890, Attention: Corporate Trust Administration (Telecopier: (302) 651-8882) or (d) in the case of the Paying Agent, Wilmington Trust Company, 1100 North Market Street, Wilmington, DE 19890, Attention: Corporate Trust Administration (Telecopier: (302) 651-8882), in each case with a copy to Continental, Continental Airlines, Inc., 2929 Allen Parkway, Suite 2010, Houston, TX 77019, Attention: Executive Vice President and Chief Financial Officer (Telecopier: (713) 520-6329) (or at such other address as any such party may specify from time to time in a written notice to the other parties). On or prior to the execution of this Agreement, the Pass Through Trustee has delivered to the Escrow Agent a certificate containing specimen signatures of the representatives of the Pass Through Trustee who are authorized to give notices and instructions with respect to this Agreement. The Escrow Agent may conclusively rely on such certificate until the Escrow Agent receives written notice from the Pass Through Trustee to the contrary.

SECTION 10. Transfer. No party hereto shall be entitled to assign or otherwise transfer this Agreement (or any interest herein) other than (in the case of the Escrow Agent) to a successor escrow agent under Section 1.06 hereof or (in the case of the Paying Agent) to a successor paying agent under Section 2.04 hereof, and any purported assignment in violation thereof shall be void. This Agreement shall be binding upon the parties hereto and their respective successors and (in the case of the Escrow Agent and the Paying Agent) their respective permitted assigns. Upon the occurrence of the Transfer (as defined below) contemplated by the Assignment and Assumption Agreement (as defined below), the Pass Through Trustee shall (without further act) be deemed to have transferred all of its right, title and interest in and to this Agreement to the trustee of the Successor Trust (as defined below) and, thereafter, the trustee of the Successor Trust shall be deemed to be the "Pass Through Trustee" hereunder with the rights and obligations of the "Pass Through Trustee" hereunder and each reference herein to "Continental Airlines Pass Through Trust 1997-1A-0" shall be

deemed to be a reference to "Continental Airlines Pass Through Trust 1997-1A-S". This Agreement sets forth all of the promises, covenants, agreements, conditions and understandings among the Escrow Agent, the Paying Agent, the Initial Purchasers and the Pass Through Trustee with respect to the subject matter hereof, and supersedes all prior and contemporaneous agreements and undertakings, inducements or conditions, express or implied, oral or written.

SECTION 12. Governing Law. This Agreement shall be governed by, and construed in accordance with, the laws of the State of New York.

SECTION 13. Waiver of Jury Trial Right. EACH OF THE ESCROW AGENT, THE PAYING AGENT, THE INVESTORS AND THE PASS THROUGH TRUSTEE ACKNOWLEDGES AND ACCEPTS THAT IN ANY SUIT, ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT SUCH PARTY IRREVOCABLY WAIVES ITS RIGHT TO A TRIAL BY JURY.

SECTION 14. Counterparts. This Agreement may be executed in one or more counterparts, all of which taken together shall constitute one instrument.

IN WITNESS WHEREOF, the Escrow Agent, the Paying Agent, the Initial Purchasers and the Pass Through Trustee have caused this Escrow and Paying Agent Agreement (Class A) to be duly executed as of the day and year first above written.

No. —

This Escrow Receipt evidences a fractional undivided interest in amounts ("Account Amounts") from time to time deposited into a certain paying agent account (the "Paying Agent Account") described in the Escrow and Paying Agent Agreement (Class A) dated as of March 21, 1997 (as amended, modified or supplemented from time to time, the "Escrow and Paying Agent Agreement") among First Security Bank, National Association, as Escrow Agent (in such capacity, together with its successors in such capacity, the "Escrow Agent"), Credit Suisse First Boston Corporation, Morgan Stanley & Co. Incorporated, Chase Securities Inc. and Goldman, Sachs & Co., as Initial Purchasers, Wilmington Trust Company, as Pass Through Trustee (in such capacity, together with its successors in such capacity, the "Pass Through Trustee") and Wilmington Trust Company, as paying agent (in such capacity, together with its successors in such capacity, the "Paying Agent"). Capitalized terms not defined herein shall have the meanings assigned to them in the Escrow and Paying Agent Agreement.

This Escrow Receipt is issued under and is subject to the terms, provisions and conditions of the Escrow and Paying Agent Agreement. By virtue of its acceptance hereof the holder of this Escrow Receipt assents and agrees to be bound by the provisions of the Escrow and Paying Agent Agreement and this Escrow Receipt.

This Escrow Receipt represents a fractional undivided interest in amounts deposited from time to time in the Paying Agent Account, and grants or represents no rights, benefits or interests of any kind in respect of any assets or property other than such amounts. This Escrow Receipt evidences the same percentage interest in the Account Amounts as the Fractional Undivided Interest in the Pass Through Trust evidenced by the Certificate to which this Escrow Receipt is affixed.

All payments and distributions made to Receiptholders in respect of the Escrow Receipt shall be made only from Account Amounts deposited in the Paying Agent Account. The holder of this Escrow Receipt, by its acceptance of this Escrow Receipt, agrees that it will look solely to the Account Amounts for any

payment or distribution due to it pursuant to this Escrow Receipt and that it will not have any recourse to Continental, the Pass Through Trustee, the Paying Agent or the Escrow Agent, except as expressly provided herein or in the Pass Through Trust Agreement. No Receiptholder of this Escrow Receipt shall have any right to vote or in any manner otherwise control the operation and management of the Paying Agent Account, nor shall anything set forth herein, or contained in the terms of this Escrow Receipt, be construed so as to constitute the Receiptholders from time to time as partners or members of an association.

This Escrow Receipt may not be assigned or transferred except in connection with the assignment or transfer of the Certificate to which this Escrow Receipt is affixed. After payment to the holder hereof of its Escrow Interest in the Final Distribution, upon the request of the Pass Through Trustee, the holder hereof will return this Escrow Receipt to the Pass Through Trustee.

The Paying Agent may treat the person in whose name the Certificate to which this Escrow Receipt is attached as the owner hereof for all purposes, and the Paying Agent shall not be affected by any notice to the contrary.

THIS ESCROW RECEIPT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK.

IN WITNESS WHEREOF, the Escrow Agent has caused this Escrow Receipt to be duly executed. Dated: \_\_\_\_\_, 1997

W I T N E S S E T H

WHEREAS, Continental Airlines, Inc. ("Continental") and the Pass Through Trustee have entered into a Pass Through Trust Agreement, dated as of March 21, 1997 (as amended, modified or supplemented from time to time in accordance with the terms thereof, the "Pass Through Trust Agreement") relating to Continental Airlines Pass Through Trust 1997-1B-0 (the "Pass Through Trust") pursuant to which the Continental Airlines Pass Through Trust, Series 1997-1B-0 Certificates referred to therein (the "Certificates") are being issued;

WHEREAS, Continental and the Initial Purchasers have entered into a Certificate Purchase Agreement dated as of March 12, 1997 (as amended, modified or supplemented from time to time in accordance with the terms thereof, the "Certificate Purchase Agreement") pursuant to which the Pass Through Trustee will issue and sell the Certificates to the Initial Purchasers;

WHEREAS, Continental, the Pass Through Trustee, certain other pass through trustees and certain other persons concurrently herewith are entering into the Note Purchase Agreement, dated as of the date hereof (the "Note Purchase

Agreement"), pursuant to which the Pass Through Trustee has agreed to acquire from time to time on or prior to the Delivery Period Termination Date (as defined in the Note Purchase Agreement) equipment notes (the "Equipment Notes") issued to finance the acquisition of aircraft by Continental, as lessee or as owner, utilizing a portion of the proceeds from the sale of the Certificates (the "Net Proceeds");

WHEREAS, the Initial Purchasers and the Pass Through Trustee intend that the Net Proceeds be held in escrow by the Escrow Agent on behalf of the Investors, subject to withdrawal upon request by the Pass Through Trustee and satisfaction of the conditions set forth in the Note Purchase Agreement for the purpose of purchasing Equipment Notes, and that pending such withdrawal the Net Proceeds be deposited on behalf of the Escrow Agent with Credit Suisse First Boston, a Swiss bank acting through its New York branch, as Depositary (the "Depositary") under the Deposit Agreement, dated as of the date hereof between the Depositary and the Escrow Agent relating to the Pass Through Trust (as amended, modified or supplemented from time to time in accordance with the terms thereof, the "Deposit Agreement") pursuant to which, among other things, the Depositary will pay interest for distribution to the Investors and establish accounts from which the Escrow Agent shall make withdrawals upon request of and proper certification by the Pass Through Trustee;

WHEREAS, the Escrow Agent wishes to appoint the Paying Agent to pay amounts required to be distributed to the Investors in accordance with this Agreement; and

WHEREAS, capitalized terms used but not defined herein shall have the meanings ascribed to such terms in the Pass Through Trust Agreement.

NOW, THEREFORE, in consideration of the obligations contained herein, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereto hereby agree as follows:

#### SECTION 1. Escrow Agent.

Section 1.01. Appointment of Escrow Agent. Each of the Initial Purchasers, for and on behalf of each of the Investors, hereby irrevocably appoints, authorizes and directs the Escrow Agent to act as escrow agent and fiduciary hereunder and under the Deposit Agreement for such specific purposes and

with such powers as are specifically delegated to the Escrow Agent by the terms of this Agreement, together with such other powers as are reasonably incidental thereto. Any and all money received and held by the Escrow Agent under this Agreement or the Deposit Agreement shall be held in escrow by the Escrow Agent in accordance with the terms of this Agreement. This Agreement is irrevocable and the Investors' rights with respect to any monies received and held in escrow by the Escrow Agent under this Agreement or the Deposit Agreement shall only be as provided under the terms and conditions of this Agreement and the Deposit Agreement. The Escrow Agent (which term as used in this sentence shall include reference to its affiliates and its own and its affiliates' officers, directors, employees and agents): (a) shall have no duties or responsibilities except those expressly set forth in this Agreement; (b) shall not be responsible to the Pass Through Trustee or the Investors for any recitals, statements, representations or warranties of any person other than itself contained in this Agreement or the Deposit Agreement or for the failure by the Pass Through Trustee, Investors or any other person or entity (other than the Escrow Agent) to perform any of its obligations hereunder (whether or not the Escrow Agent shall have any knowledge thereof); and (c) shall not be responsible for any action taken or omitted to be taken by it hereunder or provided for herein or in connection herewith, except for its own willful misconduct or gross negligence (or simple negligence in connection with the handling of funds).

Section 1.02. Instruction; Etc. The Initial Purchasers, for and on behalf of each of the Investors, hereby irrevocably instruct the Escrow Agent, and the Escrow Agent agrees, (a) to enter into the Deposit Agreement, (b) to appoint the Paying Agent as provided in this Agreement, (c) upon receipt at any time and from time to time prior to the Termination Date (as defined below) of a certificate substantially in the form of Exhibit B hereto (a "Withdrawal Certificate") executed by the Pass Through Trustee, together with an attached Notice of Purchase Withdrawal in substantially the form of Exhibit A to the Deposit Agreement duly completed by the Pass Through Trustee (the "Applicable Notice of Purchase Withdrawal" and the withdrawal to which it relates, a "Purchase Withdrawal"), immediately to execute the Applicable Notice of Purchase Withdrawal as Escrow Agent and transmit it to the Depository by facsimile transmission in accordance with the Deposit Agreement; provided that, upon the request of the Pass Through Trustee after such transmission, the Escrow Agent shall cancel such Applicable Notice of Purchase

Withdrawal, and (d) if there are any undrawn Deposits (as defined in the Deposit Agreement) on the "Termination Date", which shall mean the earlier of (i) July 1, 1998 and (ii) the day on which the Escrow Agent receives notice from the Pass Through Trustee that the Pass Through Trustee's obligation to purchase Equipment Notes under the Note Purchase Agreement has terminated, to give notice to the Depository (with a copy to the Paying Agent) substantially in the form of Exhibit B to the Deposit Agreement requesting a withdrawal of all of the remaining Deposits, together with accrued and unpaid interest on such Deposits to the date of withdrawal, on the 35th day after the date that such notice of withdrawal is given to the Depository (or, if not a Business Day, on the next succeeding Business Day) (a "Final Withdrawal"), provided that if the day scheduled for the Final Withdrawal in accordance with the foregoing is within 10 days before or after a Regular Distribution Date, then the Escrow Agent shall request that such requested Final Withdrawal be made on such Regular Distribution Date (the date of such requested withdrawal, the "Final Withdrawal Date"). If for any reason the Escrow Agent shall have failed to give the Final Withdrawal Notice to the Depository on or before July 6, 1998, and there are unwithdrawn Deposits on such date, the Final Withdrawal Date shall be deemed to be July 31, 1998.

Section 1.03. Initial Escrow Amount; Issuance of Escrow Receipts. The Escrow Agent hereby directs the Initial Purchasers to, and the Initial Purchasers hereby acknowledge that on the date hereof they shall, irrevocably deliver to the Depository on behalf of the Escrow Agent, an amount in U.S. dollars ("Dollars") and immediately available funds equal to \$148,333,000 for deposit on behalf of the Escrow Agent with the Depository in accordance with Section 2.1 of the Deposit Agreement. The Initial Purchasers hereby instruct the Escrow Agent, upon receipt of such sum from the Initial Purchasers, to confirm such receipt by executing and delivering to the Pass Through Trustee an Escrow Receipt in the form of Exhibit A hereto (an "Escrow Receipt"), (a) to be affixed by the Pass Through Trustee to each Certificate and (b) to evidence the same percentage interest (the "Escrow Interest") in the Account Amounts as the Fractional Undivided Interest in the Pass Through Trust evidenced by the Certificate to which it is to be affixed. The Escrow Agent shall provide to the Pass Through Trustee for attachment to each Certificate newly issued under and in accordance with the Pass Through Trust Agreement an executed Escrow Receipt as the Pass Through Trustee may from time to time

request of the Escrow Agent. Each Escrow Receipt shall be registered by the Escrow Agent in a register (the "Register") maintained by the Escrow Agent in the same name and same manner as the Certificate to which it is attached and may not thereafter be detached from such Certificate to which it is to be affixed prior to the distribution of the Final Withdrawal (the "Final Distribution"). After the Final Distribution, no Escrow Receipts shall be issued and the Pass Through Trustee shall request the return to the Escrow Agent for cancellation of all outstanding Escrow Receipts.

Section 1.04. Payments to Receiptholders. All payments and distributions made to holders of an Escrow Receipt (collectively "Receiptholders") in respect of the Escrow Receipt shall be made only from amounts deposited in the Paying Agent Account ("Account Amounts"). Each Receiptholder, by its acceptance of an Escrow Receipt, agrees that (a) it will look solely to the Account Amounts for any payment or distribution due to such Receiptholder pursuant to the terms of the Escrow Receipt and this Agreement and (b) it will have no recourse to Continental, the Pass Through Trustee, the Paying Agent or the Escrow Agent, except as expressly provided herein or in the Pass Through Trust Agreement. No Receiptholder shall have any right to vote or in any manner otherwise control the operation and management of the Paying Agent Account or the obligations of the parties hereto, nor shall anything set forth herein, or contained in the terms of the Escrow Receipt, be construed so as to constitute the Receiptholders from time to time as partners or members of an association.

Section 1.05. Mutilated, Destroyed, Lost or Stolen Escrow Receipt. If (a) any mutilated Escrow Receipt is surrendered to the Escrow Agent or the Escrow Agent receives evidence to its satisfaction of the destruction, loss or theft of any Escrow Receipt and (b) there is delivered to the Escrow Agent and the Pass Through Trustee such security, indemnity or bond, as may be required by them to hold each of them harmless, then, absent notice to the Escrow Agent or the Pass Through Trustee that such destroyed, lost or stolen Escrow Receipt has been acquired by a bona fide purchaser, and provided that the requirements of Section 8-405 of the Uniform Commercial Code in effect in any applicable jurisdiction are met, the Escrow Agent shall execute, authenticate and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Escrow Receipt, a new Escrow Receipt or Escrow Receipts and of like

Escrow Interest and bearing a number not contemporaneously outstanding.

In connection with the issuance of any new Escrow Receipt under this Section 1.05, the Escrow Agent may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Pass Through Trustee and the Escrow Agent) connected therewith.

Any duplicative Escrow Receipt issued pursuant to this Section 1.05 shall constitute conclusive evidence of the appropriate Escrow Interest in the Account Amounts, as if originally issued, whether or not the lost, stolen or destroyed Escrow Receipt shall be found at any time.

The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Escrow Receipts.

Section 1.06. Additional Escrow Amounts. On the date of any Purchase Withdrawal, the Pass Through Trustee may re-deposit with the Depositary some or all of the amounts so withdrawn in accordance with Section 2.4 of the Deposit Agreement.

Section 1.07. Resignation or Removal of Escrow Agent. Subject to the appointment and acceptance of a successor Escrow Agent as provided below, the Escrow Agent may resign at any time by giving 30 days' prior written notice thereof to the Investors, but may not otherwise be removed except for cause by the written consent of the Investors with respect to Investors representing Escrow Interests aggregating not less than a majority in interest in the Account Amounts (an "Action of Investors"). Upon any such resignation or removal, the Investors, by an Action of Investors, shall have the right to appoint a successor Escrow Agent. If no successor Escrow Agent shall have been so appointed and shall have accepted such appointment within 30 days after the retiring Escrow Agent's giving of notice of resignation or the removal of the retiring Escrow Agent, then the retiring Escrow Agent may appoint a successor Escrow Agent, which shall be a bank which has an office in the United States with a combined capital and surplus of at least \$100,000,000. Upon the acceptance of any appointment as Escrow Agent hereunder by a successor Escrow

Agent, such successor Escrow Agent shall enter into such documents as the Pass Through Trustee shall require and shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring Escrow Agent, and the retiring Escrow Agent shall be discharged from its duties and obligations hereunder. No resignation or removal of the Escrow Agent shall be effective unless a written confirmation shall have been obtained from each of Moody's Investors Service, Inc. and Standard & Poor's Rating Group, a division of McGraw-Hill Inc., that the replacement of the Escrow Agent with the successor Escrow Agent will not result in (a) a reduction of the rating for the Certificates below the then current rating for the Certificates or (b) a withdrawal or suspension of the rating of the Certificates.

Section 1.08. Persons Deemed Owners. Prior to due presentment of a Certificate for registration of transfer, the Escrow Agent and the Paying Agent may treat the Person in whose name any Escrow Receipt is registered (as of the day of determination) as the owner of such Escrow Receipt for the purpose of receiving distributions pursuant to this Agreement and for all other purposes whatsoever, and none of the Escrow Agent or the Paying Agent shall be affected by any notice to the contrary.

Section 1.09. Further Assurances. The Escrow Agent agrees to take such actions, and execute such other documents, as may be reasonably requested by the Pass Through Trustee in order to effectuate the purposes of this Agreement and the performance by the Escrow Agent of its obligations hereunder.

## SECTION 2. Paying Agent.

Section 2.01. Appointment of Paying Agent. The Escrow Agent hereby irrevocably appoints and authorizes the Paying Agent to act as its paying agent hereunder, for the benefit of the Investors, for such specific purposes and with such powers as are specifically delegated to the Paying Agent by the terms of this Agreement, together with such other powers as are reasonably incidental thereto. Any and all money received and held by the Paying Agent under this Agreement or the Deposit Agreement shall be held in the Paying Agent Account (as defined below) for the benefit of the Investors. The Paying Agent (which term as used in this sentence shall include reference to its affiliates and its own and its affiliates' officers, directors, employees and

agents): (a) shall have no duties or responsibilities except those expressly set forth in this Agreement, and shall not by reason of this Agreement be a trustee for the Escrow Agent; (b) shall not be responsible to the Escrow Agent for any recitals, statements, representations or warranties of any person other than itself contained in this Agreement or for the failure by the Escrow Agent or any other person or entity (other than the Paying Agent) to perform any of its obligations hereunder (whether or not the Paying Agent shall have any knowledge thereof); and (c) shall not be responsible for any action taken or omitted to be taken by it hereunder or provided for herein or in connection herewith, except for its own willful misconduct or gross negligence (or simple negligence in connection with the handling of funds).

Section 2.02. Establishment of Paying Agent Account. The Paying Agent shall establish a deposit account (the "Paying Agent Account") at Wilmington Trust Company in the name of the Escrow Agent. It is expressly understood by the parties hereto that the Paying Agent is acting as the paying agent of the Escrow Agent hereunder and that no amounts on deposit in the Paying Agent Account constitute part of the Trust Property.

Section 2.03. Payments from Paying Agent Account. The Escrow Agent hereby irrevocably instructs the Paying Agent, and the Paying Agent agrees to act, as follows:

(a) on each Interest Payment Date (as defined in the Deposit Agreement) or as soon thereafter as the Paying Agent has confirmed receipt in the Paying Agent Account from the Depository of any amount in respect of accrued interest on the Deposits, the Paying Agent shall distribute out of the Paying Agent Account the entire amount deposited therein by the Depository. There shall be so distributed to each Receiptholder of record on the 15th day (whether or not a Business Day) preceding such Interest Payment Date by check mailed to such Receiptholder, at the address appearing in the Register, such Receiptholder's pro rata share (based on the Escrow Interest in the Account Amounts held by such Receiptholder) of the total amount of interest deposited by the Depository in the Paying Agent Account on such date, except that, with respect to Escrow Receipts registered on the Record Date in the name of DTC, such distribution shall be made by wire transfer in immediately available funds to the account designated by DTC.

(b) upon the confirmation by the Paying Agent of receipt in the Paying Agent Account from the Depository of any amount in respect of the Final Withdrawal, the Paying Agent shall forthwith distribute the entire amount of the Final Withdrawal deposited therein by the Depository. There shall be so distributed to each Receiptholder of record on the 15th day (whether or not a Business Day) preceding the Final Withdrawal Date by check mailed to such Receiptholder, at the address appearing in the Register, such Receiptholder's pro rata share (based on the Escrow Interest in the Account Amounts held by such Receiptholder) of the total amount in the Paying Agent Account on account of such Final Withdrawal, except that, with respect to Escrow Receipts registered on the Record Date in the name of DTC, such distribution shall be made by wire transfer in immediately available funds to the account designated by DTC.

(c) If any payment of interest or principal in respect of the Final Withdrawal is not received by the Paying Agent within five days of the applicable date when due, then it shall be distributed to Receiptholders after actual receipt by the Paying Agent on the same basis as a Special Payment is distributed under the Pass Through Trust Agreement.

(d) the Paying Agent shall include with any check mailed pursuant to this Section any notice required to be distributed under the Pass Through Trust Agreement that is furnished to the Paying Agent by the Pass Through Trustee.

Section 2.04. Withholding Taxes. The Paying Agent shall exclude and withhold from each distribution of accrued interest on the Deposits and any amount in respect of the Final Withdrawal any and all withholding taxes applicable thereto as required by law. In addition, the Paying Agent shall remit or cause to be remitted such amounts as would be required by Section 1446 of the Internal Revenue Code of 1986, as amended, as if the agreements of the Initial Purchasers set forth in this Agreement were characterized as a partnership engaged in a U.S. trade or business for U.S. federal income tax purposes and shall withhold or cause to be withheld such amounts from amounts distributable to or for the benefit of Receiptholders or beneficial owners of interests in Escrow Receipts that are not United States persons within the meaning of section 7701(a)(30) of the Internal Revenue Code of 1986, as amended ("Non-U.S. Persons"). In this regard, the Paying Agent shall cause the appropriate withholding agent to withhold with respect to such distributions in the manner

contemplated by Section 10.04 of Revenue Procedure 89-31 and Treasury Regulation 1.1445-8(b)(3)) by filing a notice with the National Association of Securities Dealers, Inc. substantially in the form of Exhibits C and D on or before the date 10 days prior to the Record Date. The Paying Agent shall mail such notice to the National Association of Securities Dealers no later than the date 15 days prior to the Record Date. Investors that are not United States Persons agree to furnish a taxpayer identification number ("TIN") to the Paying Agent and the Paying Agent shall provide such TINs to the appropriate U.S. withholding agent. The Paying Agent agrees to act as such withholding agent (except to the extent contemplated above with respect to withholding amounts as if the agreements of the Initial Purchasers as set forth in this Agreement were characterized as a business engaged in a U.S. trade or business for U.S. federal income tax purposes) and, in connection therewith, whenever any present or future taxes or similar charges are required to be withheld with respect to any amounts payable in respect of the Deposits or the escrow amounts, to withhold such amounts and timely pay the same to the appropriate authority in the name of and on behalf of the Receiptholders, that it will file any necessary withholding tax returns or statements when due, and that, as promptly as possible after the payment thereof, it will deliver to each such Receiptholder appropriate documentation showing the payment thereof, together with such additional documentary evidence as such Receiptholder may reasonably request from time to time. The Paying Agent agrees to file any other information reports as it may be required to file under United States law. Each Receiptholder or beneficial owner of an interest in an Escrow Receipt that is a Non-U.S. Person, by its acceptance of an Escrow Receipt or a beneficial interest therein, agrees to indemnify and hold harmless the Escrow Agent and the Paying Agent from and against any improper failure to withhold Taxes from amounts payable to it or for its benefit other than an improper failure attributable to the gross negligence or willful misconduct of the Escrow Agent or the Paying Agent, as the case may be.

Section 2.05. Resignation or Removal of Paying Agent. Subject to the appointment and acceptance of a successor Paying Agent as provided below, the Paying Agent may resign at any time by giving 30 days' prior written notice thereof to the Escrow Agent, but may not otherwise be removed except for cause by the Escrow Agent. Upon any such resignation or removal, the Escrow Agent shall have the right to appoint a successor Paying Agent. If no successor Paying Agent shall have been so appointed and

shall have accepted such appointment within 30 days after the retiring Paying Agent's giving of notice of resignation or the removal of the retiring Paying Agent, then the retiring Paying Agent may appoint a successor Paying Agent, which shall be a bank which has an office in the United States with a combined capital and surplus of at least \$100,000,000. Upon the acceptance of any appointment as Paying Agent hereunder by a successor Paying Agent, such successor Paying Agent shall enter into such documents as the Escrow Agent shall require and shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring Paying Agent, and the retiring Paying Agent shall be discharged from its duties and obligations hereunder.

Section 2.06. Notice of Final Withdrawal. Promptly after receipt by the Paying Agent of notice that the Escrow Agent has requested a Final Withdrawal or that a Final Withdrawal will be made, the Paying Agent shall cause notice of the distribution of the Final Withdrawal to be mailed to each of the Receiptholders at its address as it appears in the Register. Such notice shall be mailed not less than 20 days prior to the Final Withdrawal Date. Such notice shall set forth:

(i) the Final Withdrawal Date and the date for determining Receiptholders of record who shall be entitled to receive distributions in respect of the Final Withdrawal,

(ii) the amount of the payment in respect of the Final Withdrawal for each \$1,000 face amount Certificate (based on information provided by the Pass Through Trustee) and the amount thereof constituting unused Deposits and interest thereon, and

(iii) if the Final Withdrawal Date is the same date as a Regular Distribution Date, the total amount to be received on such date for each \$1,000 face amount Certificate (based on information provided by the Pass Through Trustee).

Such mailing may include any notice required to be given to Certificateholders in connection with such distribution pursuant to the Pass Through Trust Agreement.

SECTION 3. Payments. If, notwithstanding the instructions in Section 4 of the Deposit Agreement that all

amounts payable to the Escrow Agent under the Deposit Agreement be paid by the Depository directly to the Paying Agent or the Pass Through Trustee (depending on the circumstances), the Escrow Agent receives any payment thereunder, then the Escrow Agent shall forthwith pay such amount in Dollars and in immediately available funds by wire transfer to (a) in the case of a payment of accrued interest on the Deposits or any Final Withdrawal, directly to the Paying Agent Account and (b) in the case of any Purchase Withdrawal, directly to the Pass Through Trustee or its designee as specified and in the manner provided in the Applicable Notice of Purchase Withdrawal. The Escrow Agent hereby waives any and all rights of set-off, combination of accounts, right of retention or similar right (whether arising under applicable law, contract or otherwise) it may have against amounts payable to the Paying Agent howsoever arising.

SECTION 4. Other Actions. The Escrow Agent shall take such other actions under or in respect of the Deposit Agreement (including, without limitation, the enforcement of the obligations of the Depository thereunder) as the Investors, by an Action of Investors, may from time to time request.

SECTION 5. Representations and Warranties of the Escrow Agent. The Escrow Agent represents and warrants to Continental, the Investors, the Paying Agent and the Pass Through Trustee as follows:

(i) it is a national banking association duly organized and validly existing in good standing under the laws of the United States of America;

(ii) it has full power, authority and legal right to conduct its business and operations as currently conducted and to enter into and perform its obligations under this Agreement and the Deposit Agreement;

(iii) the execution, delivery and performance of each of this Agreement and the Deposit Agreement have been duly authorized by all necessary corporate action on the part of it and do not require any stockholder approval, or approval or consent of any trustee or holder of any indebtedness or obligations of it, and each such document has been duly executed and delivered by it and constitutes its legal, valid and binding obligations enforceable against it in

accordance with the terms hereof or thereof except as such enforceability may be limited by bankruptcy, insolvency, moratorium, reorganization or other similar laws or equitable principles of general application to or affecting the enforcement of creditors' rights generally (regardless of whether such enforceability is considered in a proceeding in equity or at law);

(iv) no authorization, consent or approval of or other action by, and no notice to or filing with, any United States federal or state governmental authority or regulatory body is required for the execution, delivery or performance by it of this Agreement or the Deposit Agreement;

(v) neither the execution, delivery or performance by it of this Agreement or the Deposit Agreement, nor compliance with the terms and provisions hereof or thereof, conflicts or will conflict with or results or will result in a breach or violation of any of the terms, conditions or provisions of, or will require any consent or approval under, any law, governmental rule or regulation or the charter documents, as amended, or bylaws, as amended, of it or any similar instrument binding on it or any order, writ, injunction or decree of any court or governmental authority against it or by which it or any of its properties is bound or any indenture, mortgage or contract or other agreement or instrument to which it is a party or by which it or any of its properties is bound, or constitutes or will constitute a default thereunder or results or will result in the imposition of any lien upon any of its properties; and

(vi) there are no pending or, to its knowledge, threatened actions, suits, investigations or proceedings (whether or not purportedly on behalf of it) against or affecting it or any of its property before or by any court or administrative agency which, if adversely determined, (A) would adversely affect the ability of it to perform its obligations under this Agreement or the Deposit Agreement or (B) would call into question or challenge the validity of this Agreement or the Deposit Agreement or the enforceability hereof or thereof in accordance with the

terms hereof or thereof, nor is the Escrow Agent in default with respect to any order of any court, governmental authority, arbitration board or administrative agency so as to adversely affect its ability to perform its obligations under this Agreement or the Deposit Agreement.

SECTION 6. Representations and Warranties of the Paying Agent. The Paying Agent represents and warrants to Continental, the Investors, the Escrow Agent and the Pass Through Trustee as follows:

(i) it is a Delaware banking company duly organized and validly existing in good standing under the laws of its jurisdiction of incorporation;

(ii) it has full power, authority and legal right to conduct its business and operations as currently conducted and to enter into and perform its obligations under this Agreement;

(iii) the execution, delivery and performance of this Agreement has been duly authorized by all necessary corporate action on the part of it and does not require any stockholder approval, or approval or consent of any trustee or holder of any indebtedness or obligations of it, and such document has been duly executed and delivered by it and constitutes its legal, valid and binding obligations enforceable against it in accordance with the terms hereof except as such enforceability may be limited by bankruptcy, insolvency, moratorium, reorganization or other similar laws or equitable principles of general application to or affecting the enforcement of creditors' rights generally (regardless of whether such enforceability is considered in a proceeding in equity or at law);

(iv) no authorization, consent or approval of or other action by, and no notice to or filing with, any United States federal or state governmental authority or regulatory body is required for the execution, delivery or performance by it of this Agreement;

(v) neither the execution, delivery or performance by it of this Agreement, nor compliance with the terms and provisions hereof, conflicts or will

conflict with or results or will result in a breach or violation of any of the terms, conditions or provisions of, or will require any consent or approval under, any law, governmental rule or regulation or the charter documents, as amended, or bylaws, as amended, of it or any similar instrument binding on it or any order, writ, injunction or decree of any court or governmental authority against it or by which it or any of its properties is bound or any indenture, mortgage or contract or other agreement or instrument to which it is a party or by which it or any of its properties is bound, or constitutes or will constitute a default thereunder or results or will result in the imposition of any lien upon any of its properties; and

(vi) there are no pending or, to its knowledge, threatened actions, suits, investigations or proceedings (whether or not purportedly on behalf of it) against or affecting it or any of its property before or by any court or administrative agency which, if adversely determined, (A) would adversely affect the ability of it to perform its obligations under this Agreement or (B) would call into question or challenge the validity of this Agreement or the enforceability hereof in accordance with the terms hereof, nor is the Paying Agent in default with respect to any order of any court, governmental authority, arbitration board or administrative agency so as to adversely affect its ability to perform its obligations under this Agreement.

SECTION 7. Indemnification. Except for actions expressly required of the Escrow Agent or the Paying Agent hereunder, each of the Escrow Agent and the Paying Agent shall in all cases be fully justified in failing or refusing to act hereunder unless it shall have been indemnified by the party requesting such action in a manner reasonably satisfactory to it against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. In the event Continental requests any amendment to any Operative Agreement (as defined in the Note Purchase Agreement), the Pass Through Trustee agrees to pay all reasonable fees and expenses (including, without limitation, fees and disbursements of counsel) of the Escrow Agent and the Paying Agent in connection therewith.

SECTION 8. Amendment, Etc. Upon request of the Pass Through Trustee and approval by an Action of Investors, the Escrow Agent shall enter into an amendment to this Agreement, so long as such amendment does not adversely affect the rights or obligations of the Escrow Agent or the Paying Agent, provided that upon request of the Pass Through Trustee and without any consent of the Investors, the Escrow Agent shall enter into an amendment to this Agreement for any of the following purposes:

(1) to correct or supplement any provision in this Agreement which may be defective or inconsistent with any other provision herein or to cure any ambiguity or correct any mistake or to modify any other provision with respect to matters or questions arising under this Agreement, provided that any such action shall not materially adversely affect the interests of the Investors; or

(2) to comply with any requirement of the SEC, applicable law, rules or regulations of any exchange or quotation system on which the Certificates are listed, any regulatory body or the Registration Rights Agreement to effectuate the Exchange Offer; or

(3) to evidence and provide for the acceptance of appointment under this Agreement of a successor Escrow Agent, successor Paying Agent or successor Pass Through Trustee.

SECTION 9. Notices. Unless otherwise expressly provided herein, any notice or other communication under this Agreement shall be in writing (including by facsimile) and shall be deemed to be given and effective upon receipt thereof. All notices shall be sent to (a) in the case of the Investors, as their respective addresses shall appear in the Register, (b) in the case of the Escrow Agent, First Security Bank, National Association, 79 South Main Street, Salt Lake City, UT 84111, Attention: Corporate Trust Services (Telecopier: (801) 246-5053), (c) in the case of the Pass Through Trustee, Wilmington Trust Company, 1100 North Market Street, Wilmington, DE 19890, Attention: Corporate Trust Administration (Telecopier: (302) 651-8882) or (d) in the case of the Paying Agent, Wilmington Trust Company, 1100 North Market Street, Wilmington, DE 19890, Attention: Corporate Trust Administration (Telecopier: (302) 651-8882), in each case with a copy to Continental, Continental Airlines, Inc., 2929 Allen Parkway, Suite 2010, Houston, TX

77019, Attention: Executive Vice President and Chief Financial Officer (Telecopier: (713) 520-6329) (or at such other address as any such party may specify from time to time in a written notice to the other parties). On or prior to the execution of this Agreement, the Pass Through Trustee has delivered to the Escrow Agent a certificate containing specimen signatures of the representatives of the Pass Through Trustee who are authorized to give notices and instructions with respect to this Agreement. The Escrow Agent may conclusively rely on such certificate until the Escrow Agent receives written notice from the Pass Through Trustee to the contrary.

SECTION 10. Transfer. No party hereto shall be entitled to assign or otherwise transfer this Agreement (or any interest herein) other than (in the case of the Escrow Agent) to a successor escrow agent under Section 1.06 hereof or (in the case of the Paying Agent) to a successor paying agent under Section 2.04 hereof, and any purported assignment in violation thereof shall be void. This Agreement shall be binding upon the parties hereto and their respective successors and (in the case of the Escrow Agent and the Paying Agent) their respective permitted assigns. Upon the occurrence of the Transfer (as defined below) contemplated by the Assignment and Assumption Agreement (as defined below), the Pass Through Trustee shall (without further act) be deemed to have transferred all of its right, title and interest in and to this Agreement to the trustee of the Successor Trust (as defined below) and, thereafter, the trustee of the Successor Trust shall be deemed to be the "Pass Through Trustee" hereunder with the rights and obligations of the "Pass Through Trustee" hereunder and each reference herein to "Continental Airlines Pass Through Trust 1997-1B-0" shall be deemed to be a reference to "Continental Airlines Pass Through Trust 1997-1B-S". The parties hereto hereby acknowledge and consent to the Transfer contemplated by the Assignment and Assumption Agreement. As used herein, "Transfer" means the transfers of the assets to the Successor Trust contemplated by the Assignment and Assumption Agreement; "Assignment and Assumption Agreement" means the Assignment and Assumption Agreement to be entered into between the Pass Through Trustee and the trustee of the Successor Trust, substantially in the form of Exhibit D to the Pass Through Trust Agreement; "Successor Trust" means the Continental Airlines Pass Through Trust 1997-1B-S.

SECTION 11. Entire Agreement. This Agreement sets forth all of the promises, covenants, agreements, conditions and

understandings among the Escrow Agent, the Paying Agent, the Initial Purchasers and the Pass Through Trustee with respect to the subject matter hereof, and supersedes all prior and contemporaneous agreements and undertakings, inducements or conditions, express or implied, oral or written.

SECTION 12. Governing Law. This Agreement shall be governed by, and construed in accordance with, the laws of the State of New York.

SECTION 13. Waiver of Jury Trial Right. EACH OF THE ESCROW AGENT, THE PAYING AGENT, THE INVESTORS AND THE PASS THROUGH TRUSTEE ACKNOWLEDGES AND ACCEPTS THAT IN ANY SUIT, ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT SUCH PARTY IRREVOCABLY WAIVES ITS RIGHT TO A TRIAL BY JURY.

SECTION 14. Counterparts. This Agreement may be executed in one or more counterparts, all of which taken together shall constitute one instrument.

IN WITNESS WHEREOF, the Escrow Agent, the Paying Agent, the Initial Purchasers and the Pass Through Trustee have caused this Escrow and Paying Agent Agreement (Class B) to be duly executed as of the day and year first above written.

This Escrow Receipt evidences a fractional undivided interest in amounts ("Account Amounts") from time to time deposited into a certain paying agent account (the "Paying Agent Account") described in the Escrow and Paying Agent Agreement (Class B) dated as of March 21, 1997 (as amended, modified or supplemented from time to time, the "Escrow and Paying Agent Agreement") among First Security Bank, National Association, as Escrow Agent (in such capacity, together with its successors in such capacity, the "Escrow Agent"), Credit Suisse First Boston Corporation, Morgan Stanley & Co. Incorporated, Chase Securities Inc. and Goldman, Sachs & Co., as Initial Purchasers, Wilmington Trust Company, as Pass Through Trustee (in such capacity, together with its successors in such capacity, the "Pass Through Trustee") and Wilmington Trust Company, as paying agent (in such capacity, together with its successors in such capacity, the "Paying Agent"). Capitalized terms not defined herein shall have the meanings assigned to them in the Escrow and Paying Agent Agreement.

This Escrow Receipt is issued under and is subject to the terms, provisions and conditions of the Escrow and Paying Agent Agreement. By virtue of its acceptance hereof the holder of this Escrow Receipt assents and agrees to be bound by the provisions of the Escrow and Paying Agent Agreement and this Escrow Receipt.

This Escrow Receipt represents a fractional undivided interest in amounts deposited from time to time in the Paying Agent Account, and grants or represents no rights, benefits or interests of any kind in respect of any assets or property other than such amounts. This Escrow Receipt evidences the same percentage interest in the Account Amounts as the Fractional Undivided Interest in the Pass Through Trust evidenced by the Certificate to which this Escrow Receipt is affixed.

All payments and distributions made to Receiptholders in respect of the Escrow Receipt shall be made only from Account Amounts deposited in the Paying Agent Account. The holder of this Escrow Receipt, by its acceptance of this Escrow Receipt, agrees that it will look solely to the Account Amounts for any

payment or distribution due to it pursuant to this Escrow Receipt and that it will not have any recourse to Continental, the Pass Through Trustee, the Paying Agent or the Escrow Agent, except as expressly provided herein or in the Pass Through Trust Agreement. No Receiptholder of this Escrow Receipt shall have any right to vote or in any manner otherwise control the operation and management of the Paying Agent Account, nor shall anything set forth herein, or contained in the terms of this Escrow Receipt, be construed so as to constitute the Receiptholders from time to time as partners or members of an association.

This Escrow Receipt may not be assigned or transferred except in connection with the assignment or transfer of the Certificate to which this Escrow Receipt is affixed. After payment to the holder hereof of its Escrow Interest in the Final Distribution, upon the request of the Pass Through Trustee, the holder hereof will return this Escrow Receipt to the Pass Through Trustee.

The Paying Agent may treat the person in whose name the Certificate to which this Escrow Receipt is attached as the owner hereof for all purposes, and the Paying Agent shall not be affected by any notice to the contrary.

THIS ESCROW RECEIPT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK.

IN WITNESS WHEREOF, the Escrow Agent has caused this Escrow Receipt to be duly executed.

W I T N E S S E T H

WHEREAS, Continental Airlines, Inc. ("Continental") and the Pass Through Trustee have entered into a Pass Through Trust Agreement, dated as of March 21, 1997 (as amended, modified or supplemented from time to time in accordance with the terms thereof, the "Pass Through Trust Agreement") relating to Continental Airlines Pass Through Trust 1997-1C-I-0 (the "Pass Through Trust") pursuant to which the Continental Airlines Pass Through Trust, Series 1997-1C-I-0 Certificates referred to therein (the "Certificates") are being issued;

WHEREAS, Continental and the Initial Purchasers have entered into a Certificate Purchase Agreement dated as of March 12, 1997 (as amended, modified or supplemented from time to time in accordance with the terms thereof, the "Certificate Purchase Agreement") pursuant to which the Pass Through Trustee will issue and sell the Certificates to the Initial Purchasers;

WHEREAS, Continental, the Pass Through Trustee, certain other pass through trustees and certain other persons concurrently herewith are entering into the Note Purchase Agreement, dated as of the date hereof (the "Note Purchase Agreement"), pursuant to which the Pass Through Trustee has agreed to acquire from time to time on or prior to the Delivery Period Termination Date (as defined in the Note Purchase Agreement) equipment notes (the "Equipment Notes") issued to finance the acquisition of aircraft by Continental, as lessee or as owner, utilizing a portion of the proceeds from the sale of the Certificates (the "Net Proceeds");

WHEREAS, the Initial Purchasers and the Pass Through Trustee intend that the Net Proceeds be held in escrow by the Escrow Agent on behalf of the Investors, subject to withdrawal upon request by the Pass Through Trustee and satisfaction of the conditions set forth in the Note Purchase Agreement for the purpose of purchasing Equipment Notes, and that pending such withdrawal the Net Proceeds be deposited on behalf of the Escrow Agent with

Credit Suisse First Boston, a Swiss bank acting through its New York branch, as Depositary (the "Depositary") under the Deposit Agreement, dated as of the date hereof between the Depositary and the Escrow Agent relating to the Pass Through Trust (as amended, modified or supplemented from time to time in accordance with the terms thereof, the "Deposit Agreement") pursuant to which, among other things, the Depositary will pay interest for distribution to the Investors and establish accounts from which the Escrow Agent shall make withdrawals upon request of and proper certification by the Pass Through Trustee;

WHEREAS, the Escrow Agent wishes to appoint the Paying Agent to pay amounts required to be distributed to the Investors in accordance with this Agreement; and

WHEREAS, capitalized terms used but not defined herein shall have the meanings ascribed to such terms in the Pass Through Trust Agreement.

NOW, THEREFORE, in consideration of the obligations contained herein, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereto hereby agree as follows:

#### SECTION 1. Escrow Agent.

Section 1.01. Appointment of Escrow Agent. Each of the Initial Purchasers, for and on behalf of each of the Investors, hereby irrevocably appoints, authorizes and directs the Escrow Agent to act as escrow agent and fiduciary hereunder and under the Deposit Agreement for such specific purposes and with such powers as are specifically delegated to the Escrow Agent by the terms of this Agreement, together with such other powers as are reasonably incidental thereto. Any and all money received and held by the Escrow Agent under this Agreement or the Deposit Agreement shall be held in escrow by the Escrow Agent in accordance with the terms of this Agreement. This Agreement is irrevocable and the Investors' rights with respect to any monies received and held in escrow by the Escrow Agent under this Agreement or the Deposit Agreement shall only be as provided under the terms and conditions of this Agreement and the Deposit Agreement. The Escrow Agent (which term as used in this sentence shall include reference to its affiliates and its own and its affiliates' officers, directors, employees and agents): (a) shall have no duties or responsibilities except those expressly set forth in this Agreement; (b) shall not be responsible to the Pass Through Trustee or the Investors for any recitals, statements, representations or warranties of any person other than itself contained in this Agreement or the Deposit Agreement or for the failure by the Pass Through Trustee, Investors or any other person or entity (other than the Escrow Agent) to perform any of its obligations hereunder (whether or not the Escrow Agent shall have any knowledge thereof); and (c) shall not be responsible for any action taken or omitted to be taken by it hereunder or provided for herein or in connection herewith, except for its own willful misconduct or gross negligence (or simple negligence in connection with the handling of funds).

Section 1.02. Instruction: Etc. The Initial Purchasers, for and on behalf of each of the Investors, hereby irrevocably instruct the Escrow Agent, and the Escrow Agent agrees, (a) to enter into the Deposit Agreement, (b) to appoint the Paying Agent as provided in this Agreement, (c) upon receipt at any time and from time to time prior to the Termination Date (as

defined below) of a certificate substantially in the form of Exhibit B hereto (a "Withdrawal Certificate") executed by the Pass Through Trustee, together with an attached Notice of Purchase Withdrawal in substantially the form of Exhibit A to the Deposit Agreement duly completed by the Pass Through Trustee (the "Applicable Notice of Purchase Withdrawal" and the withdrawal to which it relates, a "Purchase Withdrawal"), immediately to execute the Applicable Notice of Purchase Withdrawal as Escrow Agent and transmit it to the Depository by facsimile transmission in accordance with the Deposit Agreement; provided that, upon the request of the Pass Through Trustee after such transmission, the Escrow Agent shall cancel such Applicable Notice of Purchase Withdrawal, and (d) if there are any undrawn Deposits (as defined in the Deposit Agreement) on the "Termination Date", which shall mean the earlier of (i) July 1, 1998 and (ii) the day on which the Escrow Agent receives notice from the Pass Through Trustee that the Pass Through Trustee's obligation to purchase Equipment Notes under the Note Purchase Agreement has terminated, to give notice to the Depository (with a copy to the Paying Agent) substantially in the form of Exhibit B to the Deposit Agreement requesting a withdrawal of all of the remaining Deposits, together with accrued and unpaid interest on such Deposits to the date of withdrawal, on the 35th day after the date that such notice of withdrawal is given to the Depository (or, if not a Business Day, on the next succeeding Business Day) (a "Final Withdrawal"), provided that if the day scheduled for the Final Withdrawal in accordance with the foregoing is within 10 days before or after a Regular Distribution Date, then the Escrow Agent shall request that such requested Final Withdrawal be made on such Regular Distribution Date (the date of such requested withdrawal, the "Final Withdrawal Date"). If for any reason the Escrow Agent shall have failed to give the Final Withdrawal Notice to the Depository on or before July 6, 1998, and there are unwithdrawn Deposits on such date, the Final Withdrawal Date shall be deemed to be July 31, 1998.

Section 1.03. Initial Escrow Amount; Issuance of Escrow Receipts. The Escrow Agent hereby directs the Initial Purchasers to, and the Initial Purchasers hereby acknowledge that on the date hereof they shall, irrevocably deliver to the Depository on behalf of the Escrow Agent, an amount in U.S. dollars ("Dollars") and immediately available funds equal to \$111,093,000 for deposit on behalf of the Escrow Agent with the Depository in accordance with Section 2.1 of the Deposit Agreement. The Initial Purchasers hereby instruct the Escrow Agent, upon receipt of such sum from the Initial Purchasers, to confirm such receipt by executing and delivering to the Pass Through Trustee an Escrow Receipt in the form of Exhibit A hereto (an "Escrow Receipt"), (a) to be affixed by the Pass Through Trustee to each Certificate and (b) to evidence the same percentage interest (the "Escrow Interest") in the Account Amounts as the Fractional Undivided Interest in the Pass Through Trust evidenced by the Certificate to which it is to be affixed. The Escrow Agent shall provide to the Pass Through Trustee for attachment to each Certificate newly issued under and in accordance with the Pass Through Trust Agreement an executed Escrow Receipt as the Pass Through Trustee may from time to time request of the Escrow Agent. Each Escrow Receipt shall be registered by the Escrow Agent in a register (the "Register") maintained by the Escrow Agent in the same name and same manner as the Certificate to which it is attached and may not thereafter be detached from such Certificate to which it is to be affixed prior to the distribution of the Final Withdrawal (the "Final Distribution"). After the Final Distribution, no Escrow Receipts shall be issued and the Pass

Through Trustee shall request the return to the Escrow Agent for cancellation of all outstanding Escrow Receipts.

Section 1.04. Payments to Receiptholders. All payments and distributions made to holders of an Escrow Receipt (collectively "Receiptholders") in respect of the Escrow Receipt shall be made only from amounts deposited in the Paying Agent Account ("Account Amounts"). Each Receiptholder, by its acceptance of an Escrow Receipt, agrees that (a) it will look solely to the Account Amounts for any payment or distribution due to such Receiptholder pursuant to the terms of the Escrow Receipt and this Agreement and (b) it will have no recourse to Continental, the Pass Through Trustee, the Paying Agent or the Escrow Agent, except as expressly provided herein or in the Pass Through Trust Agreement. No Receiptholder shall have any right to vote or in any manner otherwise control the operation and management of the Paying Agent Account or the obligations of the parties hereto, nor shall anything set forth herein, or contained in the terms of the Escrow Receipt, be construed so as to constitute the Receiptholders from time to time as partners or members of an association.

Section 1.05. Mutilated, Destroyed, Lost or Stolen Escrow Receipt. If (a) any mutilated Escrow Receipt is surrendered to the Escrow Agent or the Escrow Agent receives evidence to its satisfaction of the destruction, loss or theft of any Escrow Receipt and (b) there is delivered to the Escrow Agent and the Pass Through Trustee such security, indemnity or bond, as may be required by them to hold each of them harmless, then, absent notice to the Escrow Agent or the Pass Through Trustee that such destroyed, lost or stolen Escrow Receipt has been acquired by a bona fide purchaser, and provided that the requirements of Section 8-405 of the Uniform Commercial Code in effect in any applicable jurisdiction are met, the Escrow Agent shall execute, authenticate and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Escrow Receipt, a new Escrow Receipt or Escrow Receipts and of like Escrow Interest and bearing a number not contemporaneously outstanding.

In connection with the issuance of any new Escrow Receipt under this Section 1.05, the Escrow Agent may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Pass Through Trustee and the Escrow Agent) connected therewith.

Any duplicative Escrow Receipt issued pursuant to this Section 1.05 shall constitute conclusive evidence of the appropriate Escrow Interest in the Account Amounts, as if originally issued, whether or not the lost, stolen or destroyed Escrow Receipt shall be found at any time.

The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Escrow Receipts.

Section 1.06. Additional Escrow Amounts. On the date of any Purchase Withdrawal, the Pass Through Trustee may re-deposit with the Depositary some or all of the amounts so withdrawn in accordance with Section 2.4 of the Deposit Agreement.

Section 1.07. Resignation or Removal of Escrow Agent. Subject to the appointment and acceptance of a successor Escrow Agent as provided below, the Escrow Agent may resign at any time by giving 30 days' prior written notice thereof to the Investors, but may not otherwise be removed except for cause by the written consent of the Investors with respect to Investors representing Escrow Interests aggregating not less than a majority in interest in the Account Amounts (an "Action of Investors"). Upon any such resignation or removal, the Investors, by an Action of Investors, shall have the right to appoint a successor Escrow Agent. If no successor Escrow Agent shall have been so appointed and shall have accepted such appointment within 30 days after the retiring Escrow Agent's giving of notice of resignation or the removal of the retiring Escrow Agent, then the retiring Escrow Agent may appoint a successor Escrow Agent, which shall be a bank which has an office in the United States with a combined capital and surplus of at least \$100,000,000. Upon the acceptance of any appointment as Escrow Agent hereunder by a successor Escrow Agent, such successor Escrow Agent shall enter into such documents as the Pass Through Trustee shall require and shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring Escrow Agent, and the retiring Escrow Agent shall be discharged from its duties and obligations hereunder. No resignation or removal of the Escrow Agent shall be effective unless a written confirmation shall have been obtained from each of Moody's Investors Service, Inc. and Standard & Poor's Rating Group, a division of McGraw-Hill Inc., that the replacement of the Escrow Agent with the successor Escrow Agent will not result in (a) a reduction of the rating for the Certificates below the then current rating for the Certificates or (b) a withdrawal or suspension of the rating of the Certificates.

Section 1.08. Persons Deemed Owners. Prior to due presentment of a Certificate for registration of transfer, the Escrow Agent and the Paying Agent may treat the Person in whose name any Escrow Receipt is registered (as of the day of determination) as the owner of such Escrow Receipt for the purpose of receiving distributions pursuant to this Agreement and for all other purposes whatsoever, and none of the Escrow Agent or the Paying Agent shall be affected by any notice to the contrary.

Section 1.09. Further Assurances. The Escrow Agent agrees to take such actions, and execute such other documents, as may be reasonably requested by the Pass Through Trustee in order to effectuate the purposes of this Agreement and the performance by the Escrow Agent of its obligations hereunder.

## SECTION 2. Paying Agent.

Section 2.01. Appointment of Paying Agent. The Escrow Agent hereby irrevocably appoints and authorizes the Paying Agent to act as its paying agent hereunder, for the benefit of the Investors, for such specific purposes and with such powers as are specifically delegated to the Paying Agent by the terms of this Agreement, together with such other powers as are reasonably incidental thereto. Any and all money received and held by the Paying Agent under this Agreement or the Deposit Agreement shall be held in the Paying Agent Account (as defined below) for the benefit of the Investors. The Paying Agent (which term as used in this sentence shall include reference to its affiliates and its own and its affiliates' officers, directors,

employees and agents): (a) shall have no duties or responsibilities except those expressly set forth in this Agreement, and shall not by reason of this Agreement be a trustee for the Escrow Agent; (b) shall not be responsible to the Escrow Agent for any recitals, statements, representations or warranties of any person other than itself contained in this Agreement or for the failure by the Escrow Agent or any other person or entity (other than the Paying Agent) to perform any of its obligations hereunder (whether or not the Paying Agent shall have any knowledge thereof); and (c) shall not be responsible for any action taken or omitted to be taken by it hereunder or provided for herein or in connection herewith, except for its own willful misconduct or gross negligence (or simple negligence in connection with the handling of funds).

Section 2.02. Establishment of Paying Agent Account. The Paying Agent shall establish a deposit account (the "Paying Agent Account") at Wilmington Trust Company in the name of the Escrow Agent. It is expressly understood by the parties hereto that the Paying Agent is acting as the paying agent of the Escrow Agent hereunder and that no amounts on deposit in the Paying Agent Account constitute part of the Trust Property.

Section 2.03. Payments from Paying Agent Account. The Escrow Agent hereby irrevocably instructs the Paying Agent, and the Paying Agent agrees to act, as follows:

(a) on each Interest Payment Date (as defined in the Deposit Agreement) or as soon thereafter as the Paying Agent has confirmed receipt in the Paying Agent Account from the Depository of any amount in respect of accrued interest on the Deposits, the Paying Agent shall distribute out of the Paying Agent Account the entire amount deposited therein by the Depository. There shall be so distributed to each Receiptholder of record on the 15th day (whether or not a Business Day) preceding such Interest Payment Date by check mailed to such Receiptholder, at the address appearing in the Register, such Receiptholder's pro rata share (based on the Escrow Interest in the Account Amounts held by such Receiptholder) of the total amount of interest deposited by the Depository in the Paying Agent Account on such date, except that, with respect to Escrow Receipts registered on the Record Date in the name of DTC, such distribution shall be made by wire transfer in immediately available funds to the account designated by DTC.

(b) upon the confirmation by the Paying Agent of receipt in the Paying Agent Account from the Depository of any amount in respect of the Final Withdrawal, the Paying Agent shall forthwith distribute the entire amount of the Final Withdrawal deposited therein by the Depository. There shall be so distributed to each Receiptholder of record on the 15th day (whether or not a Business Day) preceding the Final Withdrawal Date by check mailed to such Receiptholder, at the address appearing in the Register, such Receiptholder's pro rata share (based on the Escrow Interest in the Account Amounts held by such Receiptholder) of the total amount in the Paying Agent Account on account of such Final Withdrawal, except that, with respect to Escrow Receipts registered on the Record Date in the name of DTC, such distribution shall be made by wire transfer in immediately available funds to the account designated by DTC.

(c) If any payment of interest or principal in respect of the Final Withdrawal is not received by the Paying Agent within five days of the applicable date when due, then it shall be distributed to Receiptholders after actual receipt by the Paying Agent on the same basis as a Special Payment is distributed under the Pass Through Trust Agreement.

(d) the Paying Agent shall include with any check mailed pursuant to this Section any notice required to be distributed under the Pass Through Trust Agreement that is furnished to the Paying Agent by the Pass Through Trustee.

Section 2.04. Withholding Taxes. The Paying Agent shall exclude and withhold from each distribution of accrued interest on the Deposits and any amount in respect of the Final Withdrawal any and all withholding taxes applicable thereto as required by law. In addition, the Paying Agent shall remit or cause to be remitted such amounts as would be required by Section 1446 of the Internal Revenue Code of 1986, as amended, as if the agreements of the Initial Purchasers set forth in this Agreement were characterized as a partnership engaged in a U.S. trade or business for U.S. federal income tax purposes and shall withhold or cause to be withheld such amounts from amounts distributable to or for the benefit of Receiptholders or beneficial owners of interests in Escrow Receipts that are not United States persons within the meaning of section 7701 (a)(30) of the Internal Revenue Code of 1986, as amended ("Non-U.S. Persons"). In this regard, the Paying Agent shall cause the appropriate withholding agent to withhold with respect to such distributions in the manner contemplated by Section 10.04 of Revenue Procedure 89-31 and Treasury Regulation 1.1445-8(b)(3)) by filing a notice with the National Association of Securities Dealers, Inc. substantially in the form of Exhibits C and D on or before the date 10 days prior to the Record Date. The Paying Agent shall mail such notice to the National Association of Securities Dealers no later than the date 15 days prior to the Record Date. Investors that are not United States Persons agree to furnish a taxpayer identification number ("TIN") to the Paying Agent and the Paying Agent shall provide such TINs to the appropriate U.S. withholding agent. The Paying Agent agrees to act as such withholding agent (except to the extent contemplated above with respect to withholding amounts as if the agreements of the Initial Purchasers as set forth in this Agreement were characterized as a business engaged in a U.S. trade or business for U.S. federal income tax purposes) and, in connection therewith, whenever any present or future taxes or similar charges are required to be withheld with respect to any amounts payable in respect of the Deposits or the escrow amounts, to withhold such amounts and timely pay the same to the appropriate authority in the name of and on behalf of the Receiptholders, that it will file any necessary withholding tax returns or statements when due, and that, as promptly as possible after the payment thereof, it will deliver to each such Receiptholder appropriate documentation showing the payment thereof, together with such additional documentary evidence as such Receiptholder may reasonably request from time to time. The Paying Agent agrees to file any other information reports as it may be required to file under United States law. Each Receiptholder or beneficial owner of an interest in an Escrow Receipt that is a Non-U.S. Person, by its acceptance of an Escrow Receipt or a beneficial interest therein, agrees to indemnify and hold harmless the Escrow Agent and the Paying Agent from and against any improper failure to withhold Taxes from amounts payable to it or for its benefit other

than an improper failure attributable to the gross negligence or willful misconduct of the Escrow Agent or the Paying Agent, as the case may be.

Section 2.05. Resignation or Removal of Paying Agent. Subject to the appointment and acceptance of a successor Paying Agent as provided below, the Paying Agent may resign at any time by giving 30 days' prior written notice thereof to the Escrow Agent, but may not otherwise be removed except for cause by the Escrow Agent. Upon any such resignation or removal, the Escrow Agent shall have the right to appoint a successor Paying Agent. If no successor Paying Agent shall have been so appointed and shall have accepted such appointment within 30 days after the retiring Paying Agent's giving of notice of resignation or the removal of the retiring Paying Agent, then the retiring Paying Agent may appoint a successor Paying Agent, which shall be a bank which has an office in the United States with a combined capital and surplus of at least \$ 100,000,000. Upon the acceptance of any appointment as Paying Agent hereunder by a successor Paying Agent, such successor Paying Agent shall enter into such documents as the Escrow Agent shall require and shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring Paying Agent, and the retiring Paying Agent shall be discharged from its duties and obligations hereunder.

Section 2.06. Notice of Final Withdrawal. Promptly after receipt by the Paying Agent of notice that the Escrow Agent has requested a Final Withdrawal or that a Final Withdrawal will be made, the Paying Agent shall cause notice of the distribution of the Final Withdrawal to be mailed to each of the Receiptholders at its address as it appears in the Register. Such notice shall be mailed not less than 20 days prior to the Final Withdrawal Date. Such notice shall set forth

(i) the Final Withdrawal Date and the date for determining Receiptholders of record who shall be entitled to receive distributions in respect of the Final Withdrawal,

(ii) the amount of the payment in respect of the Final Withdrawal for each \$ 1,000 face amount Certificate (based on information provided by the Pass Through Trustee) and the amount thereof constituting unused Deposits and interest thereon, and

(iii) if the Final Withdrawal Date is the same date as a Regular Distribution Date, the total amount to be received on such date for each \$ 1,000 face amount Certificate (based on information provided by the Pass Through Trustee).

Such mailing may include any notice required to be given to Certificateholders in connection with such distribution pursuant to the Pass Through Trust Agreement.

SECTION 3. Payments. If, notwithstanding the instructions in Section 4 of the Deposit Agreement that all amounts payable to the Escrow Agent under the Deposit Agreement be paid by the Depository directly to the Paying Agent or the Pass Through Trustee (depending on the circumstances), the Escrow

Agent receives any payment thereunder, then the Escrow Agent shall forthwith pay such amount in Dollars and in immediately available funds by wire transfer to (a) in the case of a payment of accrued interest on the Deposits or any Final Withdrawal, directly to the Paying Agent Account and (b) in the case of any Purchase Withdrawal, directly to the Pass Through Trustee or its designee as specified and in the manner provided in the Applicable Notice of Purchase Withdrawal. The Escrow Agent hereby waives any and all rights of set-off, combination of accounts, right of retention or similar right (whether arising under applicable law, contract or otherwise) it may have against amounts payable to the Paying Agent howsoever arising.

SECTION 4. Other Actions. The Escrow Agent shall take such other actions under or in respect of the Deposit Agreement (including, without limitation, the enforcement of the obligations of the Depositary thereunder) as the Investors, by an Action of Investors, may from time to time request.

SECTION 5. Representations and Warranties of the Escrow Agent. The Escrow Agent represents and warrants to Continental, the Investors, the Paying Agent and the Pass Through Trustee as follows:

(i) it is a national banking association duly organized and validly existing in good standing under the laws of the United States of America;

(ii) it has full power, authority and legal right to conduct its business and operations as currently conducted and to enter into and perform its obligations under this Agreement and the Deposit Agreement;

(iii) the execution, delivery and performance of each of this Agreement and the Deposit Agreement have been duly authorized by all necessary corporate action on the part of it and do not require any stockholder approval, or approval or consent of any trustee or holder of any indebtedness or obligations of it, and each such document has been duly executed and delivered by it and constitutes its legal, valid and binding obligations enforceable against it in accordance with the terms hereof or thereof except as such enforceability may be limited by bankruptcy, insolvency, moratorium, reorganization or other similar laws or equitable principles of general application to or affecting the enforcement of creditors' rights generally (regardless of whether such enforceability is considered in a proceeding in equity or at law);

(iv) no authorization, consent or approval of or other action by, and no notice to or filing with, any United States federal or state governmental authority or regulatory body is required for the execution, delivery or performance by it of this Agreement or the Deposit Agreement;

(v) neither the execution, delivery or performance by it of this Agreement or the Deposit Agreement, nor compliance with the terms and provisions hereof or thereof, conflicts or will conflict with or results or will result in a breach or violation of any of the terms, conditions or provisions of, or will

require any consent or approval under, any law, governmental rule or regulation or the charter documents, as amended, or bylaws, as amended, of it or any similar instrument binding on it or any order, writ, injunction or decree of any court or governmental authority against it or by which it or any of its properties is bound or any indenture, mortgage contract or other agreement or instrument to which it is a party or by which it or any of its properties is bound, or constitutes or will constitute a default thereunder or results or will result in the imposition of any lien upon any of its properties; and

(vi) there are no pending or, to its knowledge, threatened actions, suits, investigations or proceedings (whether or not purportedly on behalf of it) against or affecting it or any of its property before or by any court or administrative agency which, if adversely determined, (A) would adversely affect the ability of it to perform its obligations under this Agreement or the Deposit Agreement or (B) would call into question or challenge the validity of this Agreement or the Deposit Agreement or the enforceability hereof or thereof in accordance with the terms hereof or thereof, nor is the Escrow Agent in default with respect to any order of any court, governmental authority, arbitration board or administrative agency so as to adversely affect its ability to perform its obligations under this Agreement or the Deposit Agreement.

SECTION 6. Representations and Warranties of the Paying Agent. The Paying Agent represents and warrants to Continental, the Investors, the Escrow Agent and the Pass Through Trustee as follows:

(i) it is a Delaware banking company duly organized and validly existing in good standing under the laws of its jurisdiction of incorporation;

(ii) it has full power, authority and legal right to conduct its business and operations as currently conducted and to enter into and perform its obligations under this Agreement;

(iii) the execution, delivery and performance of this Agreement has been duly authorized by all necessary corporate action on the part of it and does not require any stockholder approval, or approval or consent of any trustee or holder of any indebtedness or obligations of it, and such document has been duly executed and delivered by it and constitutes its legal, valid and binding obligations enforceable against it in accordance with the terms hereof except as such enforceability may be limited by bankruptcy, insolvency, moratorium, reorganization or other similar laws or equitable principles of general application to or affecting the enforcement of creditors' rights generally (regardless of whether such enforceability is considered in a proceeding in equity or at law);

(iv) no authorization, consent or approval of or other action by, and no notice to or filing with, any United States federal or state governmental authority

or regulatory body is required for the execution, delivery or performance by it of this Agreement;

(v) neither the execution, delivery or performance by it of this Agreement, nor compliance with the terms and provisions hereof, conflicts or will conflict with or results or will result in a breach or violation of any of the terms, conditions or provisions of, or will require any consent or approval under, any law, governmental rule or regulation or the charter documents, as amended, or bylaws, as amended, of it or any similar instrument binding on it or any order, writ, injunction or decree of any court or governmental authority against it or by which it or any of its properties is bound or any indenture, mortgage or contract or other agreement or instrument to which it is a party or by which it or any of its properties is bound, or constitutes or will constitute a default thereunder or results or will result in the imposition of any lien upon any of its properties; and

(vi) there are no pending or, to its knowledge, threatened actions, suits, investigations or proceedings (whether or not purportedly on behalf of it) against or affecting it or any of its property before or by any court or administrative agency which, if adversely determined, (A) would adversely affect the ability of it to perform its obligations under this Agreement or (B) would call into question or challenge the validity of this Agreement or the enforceability hereof in accordance with the terms hereof, nor is the Paying Agent in default with respect to any order of any court, governmental authority, arbitration board or administrative agency so as to adversely affect its ability to perform its obligations under this Agreement.

SECTION 7. Indemnification. Except for actions expressly required of the Escrow Agent or the Paying Agent hereunder, each of the Escrow Agent and the Paying Agent shall in all cases be fully justified in failing or refusing to act hereunder unless it shall have been indemnified by the party requesting such action in a manner reasonably satisfactory to it against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. In the event Continental requests any amendment to any Operative Agreement (as defined in the Note Purchase Agreement), the Pass Through Trustee agrees to pay all reasonable fees and expenses (including, without limitation, fees and disbursements of counsel) of the Escrow Agent and the Paying Agent in connection therewith.

SECTION 8. Amendment, Etc. Upon request of the Pass Through Trustee and approval by an Action of Investors, the Escrow Agent shall enter into an amendment to this Agreement, so long as such amendment does not adversely affect the rights or obligations of the Escrow Agent or the Paying Agent, provided that upon request of the Pass Through Trustee and without any consent of the Investors, the Escrow Agent shall enter into an amendment to this Agreement for any of the following purposes:

(1) to correct or supplement any provision in this Agreement which may be defective or inconsistent with any other provision herein or to cure any ambiguity or

correct any mistake or to modify any other provision with respect to matters or questions arising under this Agreement, provided that any such action shall not materially adversely affect the interests of the Investors; or

(2) to comply with any requirement of the SEC, applicable law, rules or regulations of any exchange or quotation system on which the Certificates are listed, any regulatory body or the Registration Rights Agreement to effectuate the Exchange Offer; or

(3) to evidence and provide for the acceptance of appointment under this Agreement of a successor Escrow Agent, successor Paying Agent or successor Pass Through Trustee.

SECTION 9. Notices. Unless otherwise expressly provided herein, any notice or other communication under this Agreement shall be in writing (including by facsimile) and shall be deemed to be given and effective upon receipt thereof. All notices shall be sent to (a) in the case of the Investors, as their respective addresses shall appear in the Register, (b) in the case of the Escrow Agent, First Security Bank, National Association, 79 South Main Street, Salt Lake City, UT 84111, Attention: Corporate Trust Services (Telecopier: (801) 246-5053), (c) in the case of the Pass Through Trustee, Wilmington Trust Company, 1100 North Market Street, Wilmington, DE 19890, Attention: Corporate Trust Administration (Telecopier: (302) 651-8882) or (d) in the case of the Paying Agent, Wilmington Trust Company, 1100 North Market Street, Wilmington, DE 19890, Attention: Corporate Trust Administration (Telecopier: (302) 651-8882), in each case with a copy to Continental, Continental Airlines, Inc., 2929 Allen Parkway, Suite 2010, Houston, TX 77019, Attention: Executive Vice President and Chief Financial Officer (Telecopier: (713) 520-6329) (or at such other address as any such party may specify from time to time in a written notice to the other parties). On or prior to the execution of this Agreement, the Pass Through Trustee has delivered to the Escrow Agent a certificate containing specimen signatures of the representatives of the Pass Through Trustee who are authorized to give notices and instructions with respect to this Agreement. The Escrow Agent may conclusively rely on such certificate until the Escrow Agent receives written notice from the Pass Through Trustee to the contrary.

SECTION 10. Transfer. No party hereto shall be entitled to assign or otherwise transfer this Agreement (or any interest herein) other than (in the case of the Escrow Agent) to a successor escrow agent under Section 1.06 hereof or (in the case of the Paying Agent) to a successor paying agent under Section 2.04 hereof, and any purported assignment in violation thereof shall be void. This Agreement shall be binding upon the parties hereto and their respective successors and (in the case of the Escrow Agent and the Paying Agent) their respective permitted assigns. Upon the occurrence of the Transfer (as defined below) contemplated by the Assignment and Assumption Agreement (as defined below), the Pass Through Trustee shall (without further act) be deemed to have transferred all of its right, title and interest in and to this Agreement to the trustee of the Successor Trust (as defined below) and, thereafter, the trustee of the Successor Trust shall be deemed to be the "Pass Through Trustee" hereunder with the rights and obligations of the "Pass Through Trustee" hereunder and each reference herein to "Continental Airlines Pass Through Trust 1997- 1 C-I-0" shall be deemed to

SECTION 12. Governing Law. This Agreement shall be governed by, and construed in accordance with, the laws of the State of New York.

SECTION 13. Waiver of Jury Trial Right. EACH OF THE ESCROW AGENT, THE PAYING AGENT, THE INVESTORS AND THE PASS THROUGH TRUSTEE ACKNOWLEDGES AND ACCEPTS THAT IN ANY SUIT, ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT SUCH PARTY IRREVOCABLY WAIVES ITS RIGHT TO A TRIAL BY JURY.

SECTION 14. Counterparts. This Agreement may be executed in one or more counterparts, all of which taken together shall constitute one instrument.

IN WITNESS WHEREOF, the Escrow Agent, the Paying Agent, the Initial Purchasers and the Pass Through Trustee have caused this Escrow and Paying Agent Agreement (Class C-1) to be duly executed as of the day and year first above written.

This Escrow Receipt is issued under and is subject to the terms, provisions and conditions of the Escrow and Paying Agent Agreement. By virtue of its acceptance hereof the holder of this Escrow Receipt assents and agrees to be bound by the provisions of the Escrow and Paying Agent Agreement and this Escrow Receipt.

This Escrow Receipt represents a fractional undivided interest in amounts deposited from time to time in the Paying Agent Account, and grants or represents no rights, benefits or interests of any kind in respect of any assets or property other than such amounts. This Escrow Receipt may not be assigned or transferred except in connection with the assignment or transfer of the Certificate to which this Escrow Receipt is affixed. After payment to the holder hereof of its Escrow Interest in the Final Distribution, upon the request of

the Pass Through Trustee, the holder hereof will return this Escrow Receipt to the Pass Through Trustee.

The Paying Agent may treat the person in whose name the Certificate to which this Escrow Receipt is attached as the owner hereof for all purposes, and the Paying Agent shall not be affected by any notice to the contrary.

THIS ESCROW RECEIPT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK

WHEREAS, Continental Airlines, Inc. ("Continental") and the Pass Through Trustee have entered into a Pass Through Trust Agreement, dated as of March 21, 1997 (as amended, modified or supplemented from time to time in accordance with the terms thereof, the "Pass Through Trust Agreement") relating to Continental Airlines Pass Through Trust 1997-1C-II-0 (the "Pass Through Trust") pursuant to which the Continental Airlines Pass Through Trust, Series 1997-1C-II-0 Certificates referred to therein (the "Certificates") are being issued;

WHEREAS, Continental and the Initial Purchasers have entered into a Certificate Purchase Agreement dated as of March 12, 1997 (as amended, modified or supplemented from time to time in accordance with the terms thereof, the "Certificate Purchase Agreement") pursuant to which the Pass Through Trustee will issue and sell the Certificates to the Initial Purchasers;

WHEREAS, Continental, the Pass Through Trustee, certain other pass through trustees and certain other persons concurrently herewith are entering into the Note Purchase Agreement, dated as of the date hereof (the "Note Purchase

Agreement"), pursuant to which the Pass Through Trustee has agreed to acquire from time to time on or prior to the Delivery Period Termination Date (as defined in the Note Purchase Agreement) equipment notes (the "Equipment Notes") issued to finance the acquisition of aircraft by Continental, as lessee or as owner, utilizing a portion of the proceeds from the sale of the Certificates (the "Net Proceeds");

WHEREAS, the Initial Purchasers and the Pass Through Trustee intend that the Net Proceeds be held in escrow by the Escrow Agent on behalf of the Investors, subject to withdrawal upon request by the Pass Through Trustee and satisfaction of the conditions set forth in the Note Purchase Agreement for the purpose of purchasing Equipment Notes, and that pending such withdrawal the Net Proceeds be deposited on behalf of the Escrow Agent with Credit Suisse First Boston, a Swiss bank acting through its New York branch, as Depositary (the "Depositary") under the Deposit Agreement, dated as of the date hereof between the Depositary and the Escrow Agent relating to the Pass Through Trust (as amended, modified or supplemented from time to time in accordance with the terms thereof, the "Deposit Agreement") pursuant to which, among other things, the Depositary will pay interest for distribution to the Investors and establish accounts from which the Escrow Agent shall make withdrawals upon request of and proper certification by the Pass Through Trustee;

NOW, THEREFORE, in consideration of the obligations contained herein, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereto hereby agree as follows:

#### SECTION 1. Escrow Agent.

Section 1.01. Appointment of Escrow Agent. Each of the Initial Purchasers, for and on behalf of each of the Investors, hereby irrevocably appoints, authorizes and directs the Escrow Agent to act as escrow agent and fiduciary hereunder and under the Deposit Agreement for such specific purposes and

with such powers as are specifically delegated to the Escrow Agent by the terms of this Agreement, together with such other powers as are reasonably incidental thereto. Any and all money received and held by the Escrow Agent under this Agreement or the Deposit Agreement shall be held in escrow by the Escrow Agent in accordance with the terms of this Agreement. This Agreement is irrevocable and the Investors' rights with respect to any monies received and held in escrow by the Escrow Agent under this Agreement or the Deposit Agreement shall only be as provided under the terms and conditions of this Agreement and the Deposit Agreement. The Escrow Agent (which term as used in this sentence shall include reference to its affiliates and its own and its affiliates' officers, directors, employees and agents): (a) shall have no duties or responsibilities except those expressly set forth in this Agreement; (b) shall not be responsible to the Pass Through Trustee or the Investors for any recitals, statements, representations or warranties of any person other than itself contained in this Agreement or the Deposit Agreement or for the failure by the Pass Through Trustee, Investors or any other person or entity (other than the Escrow Agent) to perform any of its obligations hereunder (whether or not the Escrow Agent shall have any knowledge thereof); and (c) shall not be responsible for any action taken or omitted to be taken by it hereunder or provided for herein or in connection herewith, except for its own willful misconduct or gross negligence (or simple negligence in connection with the handling of funds).

Section 1.02. Instruction; Etc. The Initial Purchasers, for and on behalf of each of the Investors, hereby irrevocably instruct the Escrow Agent, and the Escrow Agent agrees, (a) to enter into the Deposit Agreement, (b) to appoint the Paying Agent as provided in this Agreement, (c) upon receipt at any time and from time to time prior to the Termination Date (as defined below) of a certificate substantially in the form of Exhibit B hereto (a "Withdrawal Certificate") executed by the Pass Through Trustee, together with an attached Notice of Purchase Withdrawal in substantially the form of Exhibit A to the Deposit Agreement duly completed by the Pass Through Trustee (the "Applicable Notice of Purchase Withdrawal" and the withdrawal to which it relates, a "Purchase Withdrawal"), immediately to execute the Applicable Notice of Purchase Withdrawal as Escrow Agent and transmit it to the Depository by facsimile transmission in accordance with the Deposit Agreement; provided that, upon the request of the Pass Through Trustee after such transmission, the Escrow Agent shall cancel such Applicable Notice of Purchase

Withdrawal, and (d) if there are any undrawn Deposits (as defined in the Deposit Agreement) on the "Termination Date", which shall mean the earlier of (i) July 1, 1998 and (ii) the day on which the Escrow Agent receives notice from the Pass Through Trustee that the Pass Through Trustee's obligation to purchase Equipment Notes under the Note Purchase Agreement has terminated, to give notice to the Depository (with a copy to the Paying Agent) substantially in the form of Exhibit B to the Deposit Agreement requesting a withdrawal of all of the remaining Deposits, together with accrued and unpaid interest on such Deposits to the date of withdrawal, on the 35th day after the date that such notice of withdrawal is given to the Depository (or, if not a Business Day, on the next succeeding Business Day) (a "Final Withdrawal"), provided that if the day scheduled for the Final Withdrawal in accordance with the foregoing is within 10 days before or after a Regular Distribution Date, then the Escrow Agent shall request that such requested Final Withdrawal be made on such Regular Distribution Date (the date of such requested withdrawal, the "Final Withdrawal Date"). If for any reason the Escrow Agent shall have failed to give the Final Withdrawal Notice to the Depository on or before July 6, 1998, and there are unwithdrawn Deposits on such date, the Final Withdrawal Date shall be deemed to be July 31, 1998.

Section 1.03. Initial Escrow Amount; Issuance of Escrow Receipts. The Escrow Agent hereby directs the Initial Purchasers to, and the Initial Purchasers hereby acknowledge that on the date hereof they shall, irrevocably deliver to the Depository on behalf of the Escrow Agent, an amount in U.S. dollars ("Dollars") and immediately available funds equal to \$10,000,000.00 for deposit on behalf of the Escrow Agent with the Depository in accordance with Section 2.1 of the Deposit Agreement. The Initial Purchasers hereby instruct the Escrow Agent, upon receipt of such sum from the Initial Purchasers, to confirm such receipt by executing and delivering to the Pass Through Trustee an Escrow Receipt in the form of Exhibit A hereto (an "Escrow Receipt"), (a) to be affixed by the Pass Through Trustee to each Certificate and (b) to evidence the same percentage interest (the "Escrow Interest") in the Account Amounts as the Fractional Undivided Interest in the Pass Through Trust evidenced by the Certificate to which it is to be affixed. The Escrow Agent shall provide to the Pass Through Trustee for attachment to each Certificate newly issued under and in accordance with the Pass Through Trust Agreement an executed Escrow Receipt as the Pass Through Trustee may from time to time

request of the Escrow Agent. Each Escrow Receipt shall be registered by the Escrow Agent in a register (the "Register") maintained by the Escrow Agent in the same name and same manner as the Certificate to which it is attached and may not thereafter be detached from such Certificate to which it is to be affixed prior to the distribution of the Final Withdrawal (the "Final Distribution"). After the Final Distribution, no Escrow Receipts shall be issued and the Pass Through Trustee shall request the return to the Escrow Agent for cancellation of all outstanding Escrow Receipts.

Section 1.04. Payments to Receiptholders. All payments and distributions made to holders of an Escrow Receipt (collectively "Receiptholders") in respect of the Escrow Receipt shall be made only from amounts deposited in the Paying Agent Account ("Account Amounts"). Each Receiptholder, by its acceptance of an Escrow Receipt, agrees that (a) it will look solely to the Account Amounts for any payment or distribution due to such Receiptholder pursuant to the terms of the Escrow Receipt and this Agreement and (b) it will have no recourse to Continental, the Pass Through Trustee, the Paying Agent or the Escrow Agent, except as expressly provided herein or in the Pass Through Trust Agreement. No Receiptholder shall have any right to vote or in any manner otherwise control the operation and management of the Paying Agent Account or the obligations of the parties hereto, nor shall anything set forth herein, or contained in the terms of the Escrow Receipt, be construed so as to constitute the Receiptholders from time to time as partners or members of an association.

Section 1.05. Mutilated, Destroyed, Lost or Stolen Escrow Receipt. If (a) any mutilated Escrow Receipt is surrendered to the Escrow Agent or the Escrow Agent receives evidence to its satisfaction of the destruction, loss or theft of any Escrow Receipt and (b) there is delivered to the Escrow Agent and the Pass Through Trustee such security, indemnity or bond, as may be required by them to hold each of them harmless, then, absent notice to the Escrow Agent or the Pass Through Trustee that such destroyed, lost or stolen Escrow Receipt has been acquired by a bona fide purchaser, and provided that the requirements of Section 8-405 of the Uniform Commercial Code in effect in any applicable jurisdiction are met, the Escrow Agent shall execute, authenticate and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Escrow Receipt, a new Escrow Receipt or Escrow Receipts and of like

Escrow Interest and bearing a number not contemporaneously outstanding.

In connection with the issuance of any new Escrow Receipt under this Section 1.05, the Escrow Agent may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Pass Through Trustee and the Escrow Agent) connected therewith.

Any duplicative Escrow Receipt issued pursuant to this Section 1.05 shall constitute conclusive evidence of the appropriate Escrow Interest in the Account Amounts, as if originally issued, whether or not the lost, stolen or destroyed Escrow Receipt shall be found at any time.

The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Escrow Receipts.

Section 1.06. Additional Escrow Amounts. On the date of any Purchase Withdrawal, the Pass Through Trustee may re-deposit with the Depositary some or all of the amounts so withdrawn in accordance with Section 2.4 of the Deposit Agreement.

Section 1.07. Resignation or Removal of Escrow Agent. Subject to the appointment and acceptance of a successor Escrow Agent as provided below, the Escrow Agent may resign at any time by giving 30 days' prior written notice thereof to the Investors, but may not otherwise be removed except for cause by the written consent of the Investors with respect to Investors representing Escrow Interests aggregating not less than a majority in interest in the Account Amounts (an "Action of Investors"). Upon any such resignation or removal, the Investors, by an Action of Investors, shall have the right to appoint a successor Escrow Agent. If no successor Escrow Agent shall have been so appointed and shall have accepted such appointment within 30 days after the retiring Escrow Agent's giving of notice of resignation or the removal of the retiring Escrow Agent, then the retiring Escrow Agent may appoint a successor Escrow Agent, which shall be a bank which has an office in the United States with a combined capital and surplus of at least \$100,000,000. Upon the acceptance of any appointment as Escrow Agent hereunder by a successor Escrow

Agent, such successor Escrow Agent shall enter into such documents as the Pass Through Trustee shall require and shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring Escrow Agent, and the retiring Escrow Agent shall be discharged from its duties and obligations hereunder. No resignation or removal of the Escrow Agent shall be effective unless a written confirmation shall have been obtained from each of Moody's Investors Service, Inc. and Standard & Poor's Rating Group, a division of McGraw-Hill Inc., that the replacement of the Escrow Agent with the successor Escrow Agent will not result in (a) a reduction of the rating for the Certificates below the then current rating for the Certificates or (b) a withdrawal or suspension of the rating of the Certificates.

Section 1.08. Persons Deemed Owners. Prior to due presentment of a Certificate for registration of transfer, the Escrow Agent and the Paying Agent may treat the Person in whose name any Escrow Receipt is registered (as of the day of determination) as the owner of such Escrow Receipt for the purpose of receiving distributions pursuant to this Agreement and for all other purposes whatsoever, and none of the Escrow Agent or the Paying Agent shall be affected by any notice to the contrary.

Section 1.09. Further Assurances. The Escrow Agent agrees to take such actions, and execute such other documents, as may be reasonably requested by the Pass Through Trustee in order to effectuate the purposes of this Agreement and the performance by the Escrow Agent of its obligations hereunder.

## SECTION 2. Paying Agent.

Section 2.01. Appointment of Paying Agent. The Escrow Agent hereby irrevocably appoints and authorizes the Paying Agent to act as its paying agent hereunder, for the benefit of the Investors, for such specific purposes and with such powers as are specifically delegated to the Paying Agent by the terms of this Agreement, together with such other powers as are reasonably incidental thereto. Any and all money received and held by the Paying Agent under this Agreement or the Deposit Agreement shall be held in the Paying Agent Account (as defined below) for the benefit of the Investors. The Paying Agent (which term as used in this sentence shall include reference to its affiliates and its own and its affiliates' officers, directors, employees and

agents): (a) shall have no duties or responsibilities except those expressly set forth in this Agreement, and shall not by reason of this Agreement be a trustee for the Escrow Agent; (b) shall not be responsible to the Escrow Agent for any recitals, statements, representations or warranties of any person other than itself contained in this Agreement or for the failure by the Escrow Agent or any other person or entity (other than the Paying Agent) to perform any of its obligations hereunder (whether or not the Paying Agent shall have any knowledge thereof); and (c) shall not be responsible for any action taken or omitted to be taken by it hereunder or provided for herein or in connection herewith, except for its own willful misconduct or gross negligence (or simple negligence in connection with the handling of funds).

Section 2.02. Establishment of Paying Agent Account. The Paying Agent shall establish a deposit account (the "Paying Agent Account") at Wilmington Trust Company in the name of the Escrow Agent. It is expressly understood by the parties hereto that the Paying Agent is acting as the paying agent of the Escrow Agent hereunder and that no amounts on deposit in the Paying Agent Account constitute part of the Trust Property.

Section 2.03. Payments from Paying Agent Account. The Escrow Agent hereby irrevocably instructs the Paying Agent, and the Paying Agent agrees to act, as follows:

(a) on each Interest Payment Date (as defined in the Deposit Agreement) or as soon thereafter as the Paying Agent has confirmed receipt in the Paying Agent Account from the Depository of any amount in respect of accrued interest on the Deposits, the Paying Agent shall distribute out of the Paying Agent Account the entire amount deposited therein by the Depository. There shall be so distributed to each Receiptholder of record on the 15th day (whether or not a Business Day) preceding such Interest Payment Date by check mailed to such Receiptholder, at the address appearing in the Register, such Receiptholder's pro rata share (based on the Escrow Interest in the Account Amounts held by such Receiptholder) of the total amount of interest deposited by the Depository in the Paying Agent Account on such date, except that, with respect to Escrow Receipts registered on the Record Date in the name of DTC, such distribution shall be made by wire transfer in immediately available funds to the account designated by DTC.

(b) upon the confirmation by the Paying Agent of receipt in the Paying Agent Account from the Depository of any amount in respect of the Final Withdrawal, the Paying Agent shall forthwith distribute the entire amount of the Final Withdrawal deposited therein by the Depository. There shall be so distributed to each Receiptholder of record on the 15th day (whether or not a Business Day) preceding the Final Withdrawal Date by check mailed to such Receiptholder, at the address appearing in the Register, such Receiptholder's pro rata share (based on the Escrow Interest in the Account Amounts held by such Receiptholder) of the total amount in the Paying Agent Account on account of such Final Withdrawal, except that, with respect to Escrow Receipts registered on the Record Date in the name of DTC, such distribution shall be made by wire transfer in immediately available funds to the account designated by DTC.

(c) If any payment of interest or principal in respect of the Final Withdrawal is not received by the Paying Agent within five days of the applicable date when due, then it shall be distributed to Receiptholders after actual receipt by the Paying Agent on the same basis as a Special Payment is distributed under the Pass Through Trust Agreement.

(d) the Paying Agent shall include with any check mailed pursuant to this Section any notice required to be distributed under the Pass Through Trust Agreement that is furnished to the Paying Agent by the Pass Through Trustee.

Section 2.04. Withholding Taxes. The Paying Agent shall exclude and withhold from each distribution of accrued interest on the Deposits and any amount in respect of the Final Withdrawal any and all withholding taxes applicable thereto as required by law. In addition, the Paying Agent shall remit or cause to be remitted such amounts as would be required by Section 1446 of the Internal Revenue Code of 1986, as amended, as if the agreements of the Initial Purchasers set forth in this Agreement were characterized as a partnership engaged in a U.S. trade or business for U.S. federal income tax purposes and shall withhold or cause to be withheld such amounts from amounts distributable to or for the benefit of Receiptholders or beneficial owners of interests in Escrow Receipts that are not United States persons within the meaning of section 7701(a)(30) of the Internal Revenue Code of 1986, as amended ("Non-U.S. Persons"). In this regard, the Paying Agent shall cause the appropriate withholding agent to withhold with respect to such distributions in the manner

contemplated by Section 10.04 of Revenue Procedure 89-31 and Treasury Regulation 1.1445-8(b)(3)) by filing a notice with the National Association of Securities Dealers, Inc. substantially in the form of Exhibits C and D on or before the date 10 days prior to the Record Date. The Paying Agent shall mail such notice to the National Association of Securities Dealers no later than the date 15 days prior to the Record Date. Investors that are not United States Persons agree to furnish a taxpayer identification number ("TIN") to the Paying Agent and the Paying Agent shall provide such TINs to the appropriate U.S. withholding agent. The Paying Agent agrees to act as such withholding agent (except to the extent contemplated above with respect to withholding amounts as if the agreements of the Initial Purchasers as set forth in this Agreement were characterized as a business engaged in a U.S. trade or business for U.S. federal income tax purposes) and, in connection therewith, whenever any present or future taxes or similar charges are required to be withheld with respect to any amounts payable in respect of the Deposits or the escrow amounts, to withhold such amounts and timely pay the same to the appropriate authority in the name of and on behalf of the Receiptholders, that it will file any necessary withholding tax returns or statements when due, and that, as promptly as possible after the payment thereof, it will deliver to each such Receiptholder appropriate documentation showing the payment thereof, together with such additional documentary evidence as such Receiptholder may reasonably request from time to time. The Paying Agent agrees to file any other information reports as it may be required to file under United States law. Each Receiptholder or beneficial owner of an interest in an Escrow Receipt that is a Non-U.S. Person, by its acceptance of an Escrow Receipt or a beneficial interest therein, agrees to indemnify and hold harmless the Escrow Agent and the Paying Agent from and against any improper failure to withhold Taxes from amounts payable to it or for its benefit other than an improper failure attributable to the gross negligence or willful misconduct of the Escrow Agent or the Paying Agent, as the case may be.

Section 2.05. Resignation or Removal of Paying Agent. Subject to the appointment and acceptance of a successor Paying Agent as provided below, the Paying Agent may resign at any time by giving 30 days' prior written notice thereof to the Escrow Agent, but may not otherwise be removed except for cause by the Escrow Agent. Upon any such resignation or removal, the Escrow Agent shall have the right to appoint a successor Paying Agent. If no successor Paying Agent shall have been so appointed and

shall have accepted such appointment within 30 days after the retiring Paying Agent's giving of notice of resignation or the removal of the retiring Paying Agent, then the retiring Paying Agent may appoint a successor Paying Agent, which shall be a bank which has an office in the United States with a combined capital and surplus of at least \$100,000,000. Upon the acceptance of any appointment as Paying Agent hereunder by a successor Paying Agent, such successor Paying Agent shall enter into such documents as the Escrow Agent shall require and shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring Paying Agent, and the retiring Paying Agent shall be discharged from its duties and obligations hereunder.

Section 2.06. Notice of Final Withdrawal. Promptly after receipt by the Paying Agent of notice that the Escrow Agent has requested a Final Withdrawal or that a Final Withdrawal will be made, the Paying Agent shall cause notice of the distribution of the Final Withdrawal to be mailed to each of the Receiptholders at its address as it appears in the Register. Such notice shall be mailed not less than 20 days prior to the Final Withdrawal Date. Such notice shall set forth:

(i) the Final Withdrawal Date and the date for determining Receiptholders of record who shall be entitled to receive distributions in respect of the Final Withdrawal,

(ii) the amount of the payment in respect of the Final Withdrawal for each \$1,000 face amount Certificate (based on information provided by the Pass Through Trustee) and the amount thereof constituting unused Deposits and interest thereon, and

(iii) if the Final Withdrawal Date is the same date as a Regular Distribution Date, the total amount to be received on such date for each \$1,000 face amount Certificate (based on information provided by the Pass Through Trustee).

Such mailing may include any notice required to be given to Certificateholders in connection with such distribution pursuant to the Pass Through Trust Agreement.

SECTION 3. Payments. If, notwithstanding the instructions in Section 4 of the Deposit Agreement that all amounts payable to the Escrow Agent under the Deposit Agreement

be paid by the Depository directly to the Paying Agent or the Pass Through Trustee (depending on the circumstances), the Escrow Agent receives any payment thereunder, then the Escrow Agent shall forthwith pay such amount in Dollars and in immediately available funds by wire transfer to (a) in the case of a payment of accrued interest on the Deposits or any Final Withdrawal, directly to the Paying Agent Account and (b) in the case of any Purchase Withdrawal, directly to the Pass Through Trustee or its designee as specified and in the manner provided in the Applicable Notice of Purchase Withdrawal. The Escrow Agent hereby waives any and all rights of set-off, combination of accounts, right of retention or similar right (whether arising under applicable law, contract or otherwise) it may have against amounts payable to the Paying Agent howsoever arising.

SECTION 4. Other Actions. The Escrow Agent shall take such other actions under or in respect of the Deposit Agreement (including, without limitation, the enforcement of the obligations of the Depository thereunder) as the Investors, by an Action of Investors, may from time to time request.

SECTION 5. Representations and Warranties of the Escrow Agent. The Escrow Agent represents and warrants to Continental, the Investors, the Paying Agent and the Pass Through Trustee as follows:

(i) it is a national banking association duly organized and validly existing in good standing under the laws of the United States of America;

(ii) it has full power, authority and legal right to conduct its business and operations as currently conducted and to enter into and perform its obligations under this Agreement and the Deposit Agreement;

(iii) the execution, delivery and performance of each of this Agreement and the Deposit Agreement have been duly authorized by all necessary corporate action on the part of it and do not require any stockholder approval, or approval or consent of any trustee or holder of any indebtedness or obligations of it, and each such document has been duly executed and delivered by it and constitutes its legal, valid and binding obligations enforceable against it in accordance with the terms hereof or thereof except as such enforceability may be limited by bankruptcy,

insolvency, moratorium, reorganization or other similar laws or equitable principles of general application to or affecting the enforcement of creditors' rights generally (regardless of whether such enforceability is considered in a proceeding in equity or at law);

(iv) no authorization, consent or approval of or other action by, and no notice to or filing with, any United States federal or state governmental authority or regulatory body is required for the execution, delivery or performance by it of this Agreement or the Deposit Agreement;

(v) neither the execution, delivery or performance by it of this Agreement or the Deposit Agreement, nor compliance with the terms and provisions hereof or thereof, conflicts or will conflict with or results or will result in a breach or violation of any of the terms, conditions or provisions of, or will require any consent or approval under, any law, governmental rule or regulation or the charter documents, as amended, or bylaws, as amended, of it or any similar instrument binding on it or any order, writ, injunction or decree of any court or governmental authority against it or by which it or any of its properties is bound or any indenture, mortgage or contract or other agreement or instrument to which it is a party or by which it or any of its properties is bound, or constitutes or will constitute a default thereunder or results or will result in the imposition of any lien upon any of its properties; and

(vi) there are no pending or, to its knowledge, threatened actions, suits, investigations or proceedings (whether or not purportedly on behalf of it) against or affecting it or any of its property before or by any court or administrative agency which, if adversely determined, (A) would adversely affect the ability of it to perform its obligations under this Agreement or the Deposit Agreement or (B) would call into question or challenge the validity of this Agreement or the Deposit Agreement or the enforceability hereof or thereof in accordance with the terms hereof or thereof, nor is the Escrow Agent in default with respect to any order of any court, governmental authority, arbitration board or administrative agency so as to adversely affect its ability to perform its obligations under this Agreement or the Deposit Agreement.

SECTION 6. Representations and Warranties of the Paying Agent. The Paying Agent represents and warrants to Continental, the Investors, the Escrow Agent and the Pass Through Trustee as follows:

(i) it is a Delaware banking company duly organized and validly existing in good standing under the laws of its jurisdiction of incorporation;

(ii) it has full power, authority and legal right to conduct its business and operations as currently conducted and to enter into and perform its obligations under this Agreement;

(iii) the execution, delivery and performance of this Agreement has been duly authorized by all necessary corporate action on the part of it and does not require any stockholder approval, or approval or consent of any trustee or holder of any indebtedness or obligations of it, and such document has been duly executed and delivered by it and constitutes its legal, valid and binding obligations enforceable against it in accordance with the terms hereof except as such enforceability may be limited by bankruptcy, insolvency, moratorium, reorganization or other similar laws or equitable principles of general application to or affecting the enforcement of creditors' rights generally (regardless of whether such enforceability is considered in a proceeding in equity or at law);

(iv) no authorization, consent or approval of or other action by, and no notice to or filing with, any United States federal or state governmental authority or regulatory body is required for the execution, delivery or performance by it of this Agreement;

(v) neither the execution, delivery or performance by it of this Agreement, nor compliance with the terms and provisions hereof, conflicts or will conflict with or results or will result in a breach or violation of any of the terms, conditions or provisions of, or will require any consent or approval under, any law, governmental rule or regulation or the charter documents, as amended, or bylaws, as amended, of it or any similar instrument binding on it or any order, writ, injunction or decree of any court or governmental authority against it or by which it or any of

its properties is bound or any indenture, mortgage or contract or other agreement or instrument to which it is a party or by which it or any of its properties is bound, or constitutes or will constitute a default thereunder or results or will result in the imposition of any lien upon any of its properties; and

(vi) there are no pending or, to its knowledge, threatened actions, suits, investigations or proceedings (whether or not purportedly on behalf of it) against or affecting it or any of its property before or by any court or administrative agency which, if adversely determined, (A) would adversely affect the ability of it to perform its obligations under this Agreement or (B) would call into question or challenge the validity of this Agreement or the enforceability hereof in accordance with the terms hereof, nor is the Paying Agent in default with respect to any order of any court, governmental authority, arbitration board or administrative agency so as to adversely affect its ability to perform its obligations under this Agreement.

SECTION 7. Indemnification. Except for actions expressly required of the Escrow Agent or the Paying Agent hereunder, each of the Escrow Agent and the Paying Agent shall in all cases be fully justified in failing or refusing to act hereunder unless it shall have been indemnified by the party requesting such action in a manner reasonably satisfactory to it against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. In the event Continental requests any amendment to any Operative Agreement (as defined in the Note Purchase Agreement), the Pass Through Trustee agrees to pay all reasonable fees and expenses (including, without limitation, fees and disbursements of counsel) of the Escrow Agent and the Paying Agent in connection therewith.

SECTION 8. Amendment, Etc. Upon request of the Pass Through Trustee and approval by an Action of Investors, the Escrow Agent shall enter into an amendment to this Agreement, so long as such amendment does not adversely affect the rights or obligations of the Escrow Agent or the Paying Agent, provided that upon request of the Pass Through Trustee and without any consent of the Investors, the Escrow Agent shall enter into an amendment to this Agreement for any of the following purposes:

(1) to correct or supplement any provision in this Agreement which may be defective or inconsistent with any other provision herein or to cure any ambiguity or correct any mistake or to modify any other provision with respect to matters or questions arising under this Agreement, provided that any such action shall not materially adversely affect the interests of the Investors; or

(2) to comply with any requirement of the SEC, applicable law, rules or regulations of any exchange or quotation system on which the Certificates are listed, any regulatory body or the Registration Rights Agreement to effectuate the Exchange Offer; or

(3) to evidence and provide for the acceptance of appointment under this Agreement of a successor Escrow Agent, successor Paying Agent or successor Pass Through Trustee.

SECTION 9. Notices. Unless otherwise expressly provided herein, any notice or other communication under this Agreement shall be in writing (including by facsimile) and shall be deemed to be given and effective upon receipt thereof. All notices shall be sent to (a) in the case of the Investors, as their respective addresses shall appear in the Register, (b) in the case of the Escrow Agent, First Security Bank, National Association, 79 South Main Street, Salt Lake City, UT 84111, Attention: Corporate Trust Services (Telecopier: (801) 246-5053), (c) in the case of the Pass Through Trustee, Wilmington Trust Company, 1100 North Market Street, Wilmington, DE 19890, Attention: Corporate Trust Administration (Telecopier: (302) 651-8882) or (d) in the case of the Paying Agent, Wilmington Trust Company, 1100 North Market Street, Wilmington, DE 19890, Attention: Corporate Trust Administration (Telecopier: (302) 651-8882), in each case with a copy to Continental, Continental Airlines, Inc., 2929 Allen Parkway, Suite 2010, Houston, TX 77019, Attention: Executive Vice President and Chief Financial Officer (Telecopier: (713) 520-6329) (or at such other address as any such party may specify from time to time in a written notice to the other parties). On or prior to the execution of this Agreement, the Pass Through Trustee has delivered to the Escrow Agent a certificate containing specimen signatures of the representatives of the Pass Through Trustee who are authorized to give notices and instructions with respect to this Agreement. The Escrow Agent may conclusively rely on such certificate until

the Escrow Agent receives written notice from the Pass Through Trustee to the contrary.

SECTION 10. Transfer. No party hereto shall be entitled to assign or otherwise transfer this Agreement (or any interest herein) other than (in the case of the Escrow Agent) to a successor escrow agent under Section 1.06 hereof or (in the case of the Paying Agent) to a successor paying agent under Section 2.04 hereof, and any purported assignment in violation thereof shall be void. This Agreement shall be binding upon the parties hereto and their respective successors and (in the case of the Escrow Agent and the Paying Agent) their respective permitted assigns. Upon the occurrence of the Transfer (as defined below) contemplated by the Assignment and Assumption Agreement (as defined below), the Pass Through Trustee shall (without further act) be deemed to have transferred all of its right, title and interest in and to this Agreement to the trustee of the Successor Trust (as defined below) and, thereafter, the trustee of the Successor Trust shall be deemed to be the "Pass Through Trustee" hereunder with the rights and obligations of the "Pass Through Trustee" hereunder and each reference herein to "Continental Airlines Pass Through Trust 1997-1C-II-0" shall be deemed to be a reference to "Continental Airlines Pass Through Trust 1997-1C-II-S". SECTION 12. Governing Law. This Agreement shall be governed by, and construed in accordance with, the laws of the State of New York.

SECTION 13. Waiver of Jury Trial Right. EACH OF THE ESCROW AGENT, THE PAYING AGENT, THE INVESTORS AND THE PASS THROUGH TRUSTEE ACKNOWLEDGES AND ACCEPTS THAT IN ANY SUIT, ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT SUCH PARTY IRREVOCABLY WAIVES ITS RIGHT TO A TRIAL BY JURY.

SECTION 14. Counterparts. This Agreement may be executed in one or more counterparts, all of which taken together shall constitute one instrument.

IN WITNESS WHEREOF, the Escrow Agent, the Paying Agent, the Initial Purchasers and the Pass Through Trustee have caused this Escrow and Paying Agent Agreement (Class C-II) to be duly executed as of the day and year first above written.

## CONTINENTAL AIRLINES 1997-1C-II ESCROW RECEIPT

No. \_\_\_

This Escrow Receipt evidences a fractional undivided interest in amounts ("Account Amounts") from time to time deposited into a certain paying agent account (the "Paying Agent Account") described in the Escrow and Paying Agent Agreement (Class C-II) dated as of March 21, 1997 (as amended, modified or supplemented from time to time, the "Escrow and Paying Agent Agreement") among First Security Bank, National Association, as Escrow Agent (in such capacity, together with its successors in such capacity, the "Escrow Agent"), Credit Suisse First Boston Corporation, Morgan Stanley & Co. Incorporated, Chase Securities Inc. and Goldman, Sachs & Co., as Initial Purchasers, Wilmington Trust Company, as Pass Through Trustee (in such capacity, together with its successors in such capacity, the "Pass Through Trustee") and Wilmington Trust Company, as paying agent (in such capacity, together with its successors in such capacity, the "Paying Agent"). Capitalized terms not defined herein shall have the meanings assigned to them in the Escrow and Paying Agent Agreement.

This Escrow Receipt is issued under and is subject to the terms, provisions and conditions of the Escrow and Paying Agent Agreement. By virtue of its acceptance hereof the holder of this Escrow Receipt assents and agrees to be bound by the provisions of the Escrow and Paying Agent Agreement and this Escrow Receipt.

This Escrow Receipt represents a fractional undivided interest in amounts deposited from time to time in the Paying Agent Account, and grants or represents no rights, benefits or interests of any kind in respect of any assets or property other than such amounts. This Escrow Receipt evidences the same percentage interest in the Account Amounts as the Fractional Undivided Interest in the Pass Through Trust evidenced by the Certificate to which this Escrow Receipt is affixed.

All payments and distributions made to Receiptholders in respect of the Escrow Receipt shall be made only from Account Amounts deposited in the Paying Agent Account. The holder of this Escrow Receipt, by its acceptance of this Escrow Receipt, agrees that it will look solely to the Account Amounts for any payment or distribution due to it pursuant to this Escrow Receipt

and that it will not have any recourse to Continental, the Pass Through Trustee, the Paying Agent or the Escrow Agent, except as expressly provided herein or in the Pass Through Trust Agreement. No Receiptholder of this Escrow Receipt shall have any right to vote or in any manner otherwise control the operation and management of the Paying Agent Account, nor shall anything set forth herein, or contained in the terms of this Escrow Receipt, be construed so as to constitute the Receiptholders from time to time as partners or members of an association.

This Escrow Receipt may not be assigned or transferred except in connection with the assignment or transfer of the Certificate to which this Escrow Receipt is affixed. After payment to the holder hereof of its Escrow Interest in the Final Distribution, upon the request of the Pass Through Trustee, the holder hereof will return this Escrow Receipt to the Pass Through Trustee.

The Paying Agent may treat the person in whose name the Certificate to which this Escrow Receipt is attached as the owner hereof for all purposes, and the Paying Agent shall not be affected by any notice to the contrary.

## W I T N E S S E T H:

WHEREAS, capitalized terms used but not defined herein shall have the meanings ascribed to such terms in Annex A hereto;

WHEREAS, the Company has obtained commitments from the Manufacturer pursuant to the Aircraft Purchase Agreement for the delivery of the 30 aircraft listed in Schedule I hereto (together with any aircraft substituted therefor in accordance with the Aircraft Purchase Agreement upon a total loss of an aircraft prior to the delivery thereof, the "New Aircraft");

WHEREAS, pursuant to each of the Pass Through Trust Agreements set forth in Schedule II hereto (the "Pass Through Trust Agreements"), and concurrently with the execution and delivery of this Agreement, separate grantor trusts (collectively, the "Pass Through Trusts" and, individually, a "Pass Through Trust") have been created to facilitate certain of the transactions contemplated hereby, including, without limitation, the issuance and sale of pass through certificates

pursuant thereto (collectively, the "Certificates") to provide for a portion of the financing of the New Aircraft;

WHEREAS, the Company has entered into the Certificate Purchase Agreement dated as of March 12, 1997 (the "Certificate Purchase Agreement") with the several purchasers (the "Initial Purchasers") named therein, which provides that each Pass Through Trustee will issue and sell the Certificates to the Initial Purchasers;

WHEREAS, concurrently with the execution and delivery of this Agreement, (i) the Escrow Agents and the Depository entered into the Deposit Agreements set forth in Schedule III hereto (the "Deposit Agreements") whereby the applicable Escrow Agent agreed to direct the Initial Purchasers to make certain deposits referred to therein on the Issuance Date (as defined in the Certificate Purchase Agreement) (the "Initial Deposits") and to permit the applicable Pass Through Trustee to make additional deposits from time to time thereafter (the Initial Deposits together with such additional deposits are collectively referred to as the "Deposits") and (ii) the Pass Through Trustees, the Initial Purchasers, the Paying Agents and the Escrow Agents entered into the Escrow and Paying Agent Agreements set forth in Schedule IV hereto (the "Escrow and Paying Agent Agreements") whereby, among other things, (a) the Initial Purchasers agreed to deliver an amount equal to the amount of the Initial Deposits to the Depository on behalf of the applicable Escrow Agent and (b) the applicable Escrow Agent, upon the Depository receiving such amount, has agreed to deliver escrow receipts to be affixed to each Certificate;

WHEREAS, prior to the delivery of each New Aircraft, the Company will determine whether to enter into a leveraged lease transaction as lessee with respect to such New Aircraft (a "Leased Aircraft") or to purchase as owner such New Aircraft (an "Owned Aircraft") and will give to the Pass Through Trustee a Delivery Notice (as defined below) specifying its election;

WHEREAS, upon receipt of a Delivery Notice with respect to a New Aircraft, subject to the terms and conditions of this Agreement, the applicable Pass Through Trustees will enter into the applicable Financing Agreements relating to such New Aircraft;

WHEREAS, upon the delivery of each New Aircraft, each Pass Through Trustee will fund its purchase of Equipment Notes with the proceeds of one or more Deposits withdrawn by the applicable Escrow Agent under the related Deposit Agreement bearing the same interest rate as the Certificates issued by such Pass Through Trust; and

WHEREAS, concurrently with the execution and delivery of this Agreement, (i) ABN AMRO Bank N.V., a bank organized under the laws of The Netherlands acting through its Chicago Branch and ING Bank N.V., a bank organized under the laws of The Netherlands (collectively, the "Liquidity Providers"), each has entered into four revolving credit agreements (each, a "Liquidity Facility"), one each for the benefit of the Certificateholders of each Pass Through Trust, with the Subordination Agent, as agent for the Pass Through Trustee on behalf of each such Pass Through Trust and (ii) the Pass Through Trustee, the Liquidity Providers and the Subordination Agent have entered into the Intercreditor Agreement, dated as of the date hereof (the "Intercreditor Agreement");

NOW, THEREFORE, in consideration of the foregoing premises and the mutual agreements herein contained and other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, the parties hereto agree as follows:

SECTION 1. Financing of New Aircraft. (a) The Company confirms that it has entered into the Aircraft Purchase Agreements with the Manufacturer pursuant to which the Company has agreed to purchase, and the Manufacturer has agreed to deliver, the New Aircraft in the months specified in Schedule I hereto, all on and subject to terms and conditions specified in the applicable Aircraft Purchase Agreement. The Company agrees to finance the New Aircraft in the manner provided herein, all on and subject to the terms and conditions hereof and of the relevant Financing Agreements.

(b) In furtherance of the foregoing, the Company agrees to give the parties hereto, the Depositary and each of the Rating Agencies not less than two Business Days' prior notice (a "Delivery Notice") of the scheduled delivery date (the "Scheduled Delivery Date") (or, in the case of a substitute Delivery Notice under Section 1(e) or (f) hereof, one Business Day's prior

notice) in respect of each New Aircraft under the Aircraft Purchase Agreement, which notice shall:

(i) specify whether the Company has elected to treat such New Aircraft as a Leased Aircraft or an Owned Aircraft;

(ii) specify the Scheduled Delivery Date of such New Aircraft (which shall be a Business Day before the Cut-off Date and, except as provided in Section 1(f) hereof, the date (the "Funding Date") on which the financing therefore in the manner provided herein shall be consummated);

(iii) instruct the Pass Through Trustee to instruct the Escrow Agent to provide a Notice of Purchase Withdrawal to the Depository with respect to the Equipment Notes to be issued in connection with the financing of such New Aircraft;

(iv) instruct the Pass Through Trustee to enter into the Participation Agreement included in the Financing Agreements with respect to such Aircraft in such form and at such a time on or before the Funding Date specified in such Delivery Notice and to perform its obligations thereunder;

(v) specify the aggregate principal amount of each series of Equipment Notes to be issued, and purchased by the Pass Through Trustees, in connection with the financing of such New Aircraft scheduled to be delivered on such Funding Date (which shall in all respects comply with the Mandatory Economic Terms); and

(vi) if such New Aircraft is to be a Leased Aircraft, certify that the related Owner Participant is (A) not an Affiliate of the Company and (B) either (1) a Qualified Owner Participant or (2) any other person the obligations of which under the Owner Participant Agreements (as defined in the applicable Participation Agreement) are guaranteed by a Qualified Owner Participant.

Notwithstanding the foregoing, in the event the date of issuance of the Certificates coincides with the Scheduled Delivery Date of the first Aircraft to be financed pursuant to the terms hereof, the Delivery Notice therefor may be delivered to the parties hereto on such Scheduled Delivery Date.

(c) Upon receipt of a Delivery Notice, the Pass Through Trustees (subject to Section 1(d)) shall, and shall cause the Subordination Agent to, enter into and perform their obligations under the Participation Agreement specified in such Delivery Notice, provided that such Participation Agreement and the other Lease Financing Agreements, Special Financing Agreements or Owner Financing Agreements to be entered into pursuant to such Participation Agreement shall be in the forms thereof annexed hereto in all material respects with such changes therein as shall have been requested by the related Owner Participant, agreed to by the Company and, if modified in any material respect, as to which Rating Agency Confirmation shall have been obtained from each Rating Agency by the Company (to be delivered by the Company to the applicable Pass Through Trustee on or before the relevant Delivery Date, it being understood that if Rating Agency Confirmation shall have been received with respect to any Financing Agreements and such Financing Agreements are utilized for subsequent New Aircraft (or Substitute Aircraft) without material modifications, no additional Rating Agency Confirmation shall be required); provided, however, that the relevant Financing Agreements as executed and delivered shall not vary the Mandatory Economic Terms and shall contain the Mandatory Document Terms. Notwithstanding the foregoing, (i) if The Boeing Company or any of its Affiliates is the Owner Participant with respect to any Leased Aircraft, the Lease Financing Agreements to be entered into pursuant to the Delivery Notice with respect to such Leased Aircraft may be modified from the forms annexed hereto to exclude from amounts secured under the applicable Indenture the "Additional Excluded Amounts," as such term was defined in the Lease Agreement 116, between the Company, as Lessee and First Security Bank of Utah, National Association, Owner Trustee, as Lessor, dated as of March 15, 1996, as amended by Lease Agreement 116 Amendment No. 1, dated as of May 20, 1996, and such Lease Financing Agreements, as so modified, shall be deemed (A) to be substantially in forms thereof annexed hereto and (B) by virtue of such modification not to be inconsistent with the Mandatory Document Terms and (ii) if any Financing Document annexed hereto shall not have been reviewed by either Rating Agency prior to the Issuance Date, then, prior to the use thereof in connection with the financing of any Aircraft hereunder, the Company shall obtain from each Rating Agency a confirmation that the use of such Financing Documents would not result in (i) a reduction of the rating for any Class of

Certificates below the then current rating for such Class of Certificates or (ii) a withdrawal or suspension of the rating of any Class of Certificates. With respect to each New Aircraft, the Company shall cause WTC (or such other person that meets the eligibility requirements to act as loan trustee under the Leased Aircraft Indenture, Owned Aircraft Indenture or Special Indenture) to execute as Loan Trustee the Financing Agreements relating to such Aircraft to which such Loan Trustee is intended to be a party, and shall concurrently therewith execute such Financing Agreements to which the Company is intended to be a party and perform its respective obligations thereunder. Upon the request of either Rating Agency, the Company shall deliver or cause to be delivered to each Rating Agency a true and complete copy of each Financing Agreement relating to the financing of each New Aircraft together with a true and complete set of the closing documentation (including legal opinions) delivered to the related Loan Trustee, Subordination Agent and Pass Through Trustee under the related Participation Agreement.

(d) Notwithstanding the provisions of Section 2.01 of each of the C-I Pass Through Trust Agreement and C-II Pass Through Trust Agreement, the parties hereto agree that the C-II Trustee shall not use (and the Company will not request the C-II Trustee to use) the proceeds of any of the C-II Deposits to purchase any Series C Equipment Notes in connection with the financing hereunder of a New Aircraft unless and until the C-I Trustee has used (or, simultaneously therewith, will use) the proceeds of all C-I Deposits to purchase Series C Equipment Notes.

(e) If after giving any Delivery Notice, there shall be a delay in the delivery of a New Aircraft, or if on the Scheduled Delivery Date of a New Aircraft the financing thereof in the manner contemplated hereby shall not be consummated for whatever reason, the Company shall give the parties hereto prompt notice thereof. The Company shall, concurrently with the giving of such notice of postponement or subsequently, give the parties hereto a substitute Delivery Notice specifying the date to which such delivery and related financing shall have been re-scheduled (which shall be a Business Day before the Cut-off Date on which the Escrow Agents shall be entitled to withdraw one or more Deposits under each of the applicable Deposit Agreements to enable each applicable Pass Through Trustee to fund its purchase of the related Equipment Notes). Upon receipt of any such notice of postponement, each applicable Pass Through Trustee shall comply with its obligations under Section 2.01(b) of each of the Pass Through Trust Agreements and thereafter the financing of the

relevant New Aircraft shall take place on the re-scheduled Delivery Date therefor (all on and subject to the terms and conditions of the relevant Financing Agreements) unless further postponed as provided herein.

(f) Anything in this Section 1 to the contrary notwithstanding, the Company shall have the right at any time on or before the Scheduled Delivery Date of any New Aircraft, and subsequent to its giving a Delivery Notice therefor, to postpone the Scheduled Delivery Date of such New Aircraft so as to enable the Company to change its election to treat such New Aircraft as a Leased Aircraft or an Owned Aircraft by written notice of such postponement to the other parties hereto. The Company shall subsequently give the parties hereto a substitute Delivery Notice complying with the provisions of Section 1(b) hereof and specifying the new Funding Date therefor (which shall be a Business Day occurring before the Cut-off Date and on which the Escrow Agents shall be entitled to withdraw Deposits under each of the applicable Deposit Agreements sufficient to enable each applicable Pass Through Trustee to fund its purchase of the related Equipment Notes). In addition, the Company shall have the further right, anything in this Section 1 to the contrary notwithstanding, to accept delivery of a New Aircraft under the applicable Aircraft Purchase Agreement on the Delivery Date thereof by utilization of bridge financing of such New Aircraft and promptly thereafter give the parties hereto a Delivery Notice specifying a Funding Date not later than 30 days after the Delivery Date of such New Aircraft and otherwise complying with the provisions of Section 1(a) hereof. All other terms and conditions of this Note Purchase Agreement shall apply to the financing of any such New Aircraft on the re-scheduled Funding Date therefor except (i) the re-scheduled Funding Date shall be deemed the Delivery Date of such New Aircraft for all purposes of this Section 1 and (ii) The related Financing Agreements shall be amended to reflect the original delivery of such New Aircraft to the Company.

(g) If the Scheduled Delivery Date for any New Aircraft is delayed (a) more than 30 days beyond the last day of the month set forth opposite such Aircraft under the heading "Scheduled Delivery Months" in Schedule I hereto or (b) beyond June 30, 1998, the Company may identify for delivery a substitute aircraft therefor meeting the following conditions (a "Substitute Aircraft"): (i) a Substitute Aircraft must be a Boeing 757-200, 737-500 or 737-700 aircraft manufactured after the date of this

Agreement, (ii) one or more Substitute Aircraft of the same or different types may be substituted for one or more New Aircraft of the same or different types so long as after giving effect thereto such substitution does not vary the Mandatory Economic Terms and (iii) the Company shall be obligated to obtain Rating Agency Confirmation in respect of the replacement of any New Aircraft by Substitute Aircraft. Upon the satisfaction of the conditions set forth above with respect to a Substitute Aircraft, the New Aircraft to be replaced shall cease to be subject to this Agreement and all rights and obligations of the parties hereto concerning such New Aircraft shall cease, and such Substitute Aircraft shall become and thereafter be subject to the terms and conditions of this Agreement to the same extent as such New Aircraft.

(h) The Company shall have no liability for the failure of the Pass Through Trustees to purchase Equipment Notes with respect to any New Aircraft or Substitute Aircraft, other than the Company's obligation, if any, to pay the Deposit Make-Whole Premium and the Class II Premium pursuant to Section 4(a)(i) of this Agreement.

(i) The Company agrees that if, in connection with the delivery of a New Aircraft or Substitute Aircraft, any Owner Participant who is to be a party to any Lease Financing Agreement or Special Financing Agreement shall not be a "Citizen of the United States" within the meaning of Section 40102(a)(15) of the Act, then the applicable Leased Aircraft Participation Agreement or Special Participation Agreement shall be modified, consistent with the Mandatory Document Terms, to require such Owner Participant to enter into a voting trust, voting powers or similar arrangement satisfactory to the Company that (A) enables such New Aircraft or Substitute Aircraft to be registered in the United States and (B) complies with the FAA regulations issued under the Act applicable thereto.

(j) Anything herein to the contrary notwithstanding, (i)The Company shall not have the right, and shall not be entitled, at any time to request the issuance of Equipment Notes of any series to any Pass Through Trustee in an aggregate principal amount in excess of the amount of the Deposits then available for withdrawal by the Escrow Agent under and in accordance with the provisions of the related Deposit Agreement; and (ii)if any New Aircraft is not delivered and financed by the Company under the Financing Agreements in its respective

Scheduled Delivery Months, then the Company shall use reasonable efforts to assure that the aggregate amortization schedule of the Equipment Notes will correspond as closely as reasonably practicable to the aggregate amortization schedule set forth in Schedule VII hereto.

SECTION 2. Conditions Precedent. The obligation of the Pass Through Trustees to enter into, and to cause the Subordination Agent to enter into, any Participation Agreement as directed pursuant to a Delivery Notice and to perform its obligations under such Participation Agreement is subject to satisfaction of the following conditions:

(a) no Triggering Event shall have occurred; and

(b) the Company shall have delivered a certificate to each such Pass Through Trustee and each Liquidity Provider stating that (i) such Participation Agreement and the other Financing Agreements to be entered into pursuant to such Participation Agreement do not vary the Mandatory Economic Terms and contain the Mandatory Document Terms and (ii) any substantive modification of such Financing Agreements from the forms thereof attached to this Agreement do not materially and adversely affect the Certificateholders, and such certification shall be true and correct.

Anything herein to the contrary notwithstanding, the obligation of each Pass Through Trustee to purchase Equipment Notes shall terminate on the Cut-off Date.

(i) on the date that the Depositary is obligated to pay the amount of the Final Withdrawal to the Paying Agent pursuant to a Deposit Agreement relating to any Trust, the Company shall pay to the Pass Through Trustee of such Trust no later than 12:30 p.m. (New York time) an amount equal to (i) in the case of the Class C-II Trust, the Class C-II Premium to be paid in respect of such Final Withdrawal amount and (ii) in the case of each other Trust, the Deposit Make-Whole Premium to be paid in respect of such Final Withdrawal amount;

(b) WTC, in its individual capacity, covenants with each of the other parties to this Agreement that it will, immediately upon obtaining knowledge of any facts that would cast doubt upon its continuing status as a "citizen of the United States" as defined in 49 U.S.C. Section 40102 and promptly upon public disclosure of negotiations in respect of any transaction which would or might adversely affect such status, notify in writing all parties hereto of all relevant matters in connection therewith. Upon WTC giving any such notice, WTC shall, subject to Section 8.02 of any Indenture then entered into, resign as Loan Trustee in respect of such Indenture.

SECTION 5. Notices. Unless otherwise specifically provided herein, all notices required or permitted by the terms of this Agreement shall be in English and in writing, and any such notice shall become effective upon being delivered personally or, if promptly confirmed by mail, when dispatched by facsimile or other written telecommunication, addressed to such party hereto at its address or facsimile number set forth below the signature of such party at the foot of this Agreement.

SECTION 6. Expenses. (a) The Company agrees to pay an amount or amounts equal to the fees payable to the relevant

(b) So long as no Equipment Notes have been issued in respect of any Aircraft, the Company agrees to pay (i) (A) the amount equal to interest on any Downgrade Advance (other than any Applied Downgrade Advance) payable under Section 3.07(e) of each Liquidity Facility minus Investment Earnings while such Downgrade Advance shall be outstanding, (B) the amount equal to interest on any Non-Extension Advance (other than any Applied Non-Extension Advance) payable under Section 3.07(a)(i) of each Liquidity Facility minus Investment Earnings while such Non-Extension Advance shall be outstanding and (C) any other amounts owed to the Liquidity Provider by the Subordination Agent as borrower under each Liquidity Facility (other than amounts due as repayment of advances thereunder or as interest on such advances, except to the extent payable pursuant to clause (A) or (B)), (ii) all compensation and reimbursement of expenses, disbursements and advances payable by the Company under the Pass Through Trust Agreements, (iii) all compensation and reimbursement of expenses and disbursements payable to the Subordination Agent under the Intercreditor Agreement except with respect to any income or franchise taxes incurred by the Subordination Agent in connection with the transactions contemplated by the Intercreditor Agreement and (iv) in the event the Company requests any amendment to any Operative Agreement, all reasonable fees and expenses (including, without limitation, fees and disbursements of counsel) of the Escrow Agent and/or the Paying Agent in connection therewith. For purposes of this Section 6(b), the terms "Applied Downgrade Advance", "Applied Non-Extension Advance", "Downgrade Advance", "Investment Earnings" and "Non- Extension Advance" shall have the meanings specified in each Liquidity Facility.

SECTION 7. Further Assurances. Each party hereto shall duly execute, acknowledge and deliver, or shall cause to be executed, acknowledged and delivered, all such further agreements, instruments, certificates or documents, and shall do

and cause to be done such further acts and things, in any case, as any other party hereto shall reasonably request in connection with its administration of, or to carry out more effectually the purposes of, or to better assure and confirm unto it the rights and benefits to be provided under, this Agreement.

SECTION 8. Miscellaneous. promptly take any action required by Section 7.1.3(c) as a result of such relocation.

### 7.1.3 CERTAIN ASSURANCES

(a) Lessee shall duly execute, acknowledge and deliver, or shall cause to be executed, acknowledged and delivered, all such further agreements, instruments, certificates or documents, and shall do and cause to be done such further acts and things, in any case, as Owner Participant, Owner Trustee or Mortgagee shall reasonably request for accomplishing the purposes of this Agreement and the other Operative Agreements, provided that any instrument or other document so executed by Lessee will not expand any obligations or limit any rights of Lessee in respect of the transactions contemplated by any Operative Agreement.

(b) Lessee shall promptly take such action with respect to the recording, filing, re-recording and re-filing of the Lease, the Trust Agreement and the Trust Indenture and the respective supplements thereto, including, without limitation, Lease Supplement No. 1 and the Trust Indenture Supplement, as shall be necessary to establish, perfect and protect the interests and rights of Owner Trustee in and to the Aircraft and under the Lease and the perfection and priority of the Lien created by the Trust Indenture. law of any other applicable jurisdiction (with respect to such other documents).

(d) If the Aircraft has been registered in a country other than the United States pursuant to Section 7.1.2 of the Lease, Lessee will furnish to Owner Trustee, Mortgagee and each Participant annually after such registration, commencing with the calendar year after such registration is effected, an opinion of special counsel reasonably satisfactory to Owner Trustee and Mortgagee stating that, in the opinion of such counsel, either that (i) such action has been taken with respect to the recording, filing, rerecording and refiling of the Operative Agreements and any supplements and amendments thereto as is necessary to establish, perfect and protect Owner Trustee's and Mortgagee's respective right, title and interest in and to the Aircraft and the Operative Agreements, reciting the details of such actions, or (ii) no such action is necessary to maintain the perfection of such right, title and interest.

## 7.3.7 NOTICES; DOCUMENTS

In the event any claim with respect to any liabilities is filed against the Owner Trustee in its capacity as such and Owner Trustee shall have Actual Knowledge thereof, the Owner Trustee shall promptly notify Lessee in writing thereof. Owner Trustee further agrees to provide to Lessee promptly any documents (including the certificate of aircraft registration) that it receives from the FAA with respect to the Aircraft.

## 7.3.8 FILINGS

After the Delivery Date, Owner Trustee shall duly execute and deliver to Lessee all filings and recordings (including, without limitation, all filings and UCC financing statements under the Act and the UCC and any amendments to UCC financing statements necessitated by any relocation of its chief executive office), prepared and delivered to it by Lessee required to perfect Owner Trustee's title to the Aircraft and the liens of and security interests granted by the Trust Indenture (or to maintain such perfection) and to make such title, liens and security interests valid and enforceable.

## 7.3.9 TRUST AGREEMENT

Each of First Security and Owner Trustee hereby (i) agrees with Lessee, Loan Participant and Mortgagee not to amend, supplement, terminate or otherwise modify any provision of the Trust Agreement in such a manner as to adversely affect the rights of any such party without the prior written consent of such party and (ii) agrees with Lessee, Loan Participant and Mortgagee not to revoke the trust created by the Trust Agreement so long as the Trust Indenture remains undischarged or if such revocation would have an adverse effect on the Lessee. Nothing contained in this Agreement shall impair any right under the Trust Agreement of First Security to resign as Owner Trustee in accordance with the provisions of the Trust Agreement.

## 7.4 Covenants of WTC

WTC in its individual capacity or as Mortgagee, each Applicable Pass Through Trustee or Subordination Agent, as the case may be, covenants and agrees with Lessee, Owner Participant and Owner Trustee as follows:

## 7.4.1 LIENS

WTC (a) will not directly or indirectly create, incur, assume or suffer to exist any Lessor Lien attributable to it on or with respect to all or any part of the Trust Estate, the Trust Indenture Estate or the Aircraft, (b) will, at its own cost and expense, promptly take such action as may be necessary to discharge any Lessor Lien attributable to WTC on all or any part of the Trust Estate, the Trust Indenture Estate or the Aircraft and (c) will personally hold harmless and indemnify Lessee, Owner Participant, each Note Holder, Owner Trustee, each of their respective Affiliates, successors and permitted assigns, the Trust Estate and the Trust Indenture Estate from and against (i) any and all Expenses, (ii) any reduction in the amount payable out of the Trust Estate or the Trust Indenture Estate and (iii) any interference with the possession, operation or other use of all or any part of the Aircraft, imposed on, incurred by or asserted against any of the foregoing as a consequence of any such Lessor Lien.

## 7.4.2 SECURITIES ACT

WTC in its individual capacity or as Mortgagee, an Applicable Pass Through Trustee or Subordination Agent, will not offer any beneficial interest or Security relating to the ownership of the Aircraft or any interest in the Trust Indenture Estate, or any of the Equipment Notes or any other interest in or security under the Trust Indenture for sale to, or solicit any offer to acquire any such interest or security from, or sell any such interest or security to, any Person in violation of the Securities Act or applicable state or foreign securities Laws, provided that the foregoing shall not be deemed to impose on WTC any responsibility with respect to any such offer, sale or solicitation by any other party hereto.

## 7.4.3 PERFORMANCE OF AGREEMENTS

WTC, in its individual capacity and as Mortgagee, an Applicable Pass Through Trustee or Subordination Agent, as the case may be, shall perform its obligations under the Indenture Agreements, the Pass Through Trustee Agreements and the Subordination Agent Agreements in accordance with the terms thereof.

## 7.4.4 WITHHOLDING TAXES

WTC shall indemnify (on an after-tax basis) and hold harmless Lessee, Lessor and Owner Participant against any United States withholding taxes (and related interest, penalties and additions to tax) as a result of the failure by WTC to withhold on payments to any Note Holder if such Note Holder failed to provide to Mortgagee necessary certificates or forms to substantiate the right to exemption from such withholding tax.

## 7.5 Covenants of Note Holders

Each Note Holder (including Subordination Agent) as to itself only covenants and agrees with Lessee, Owner Participant, Owner Trustee and Mortgagee as follows:

## 7.5.1 WITHHOLDING TAXES

Such Note Holder (if it is a Non-U.S. Person) agrees to indemnify (on an after-tax basis) and hold harmless Lessee, Lessor, Owner Participant and Mortgagee against any United States withholding taxes (and related interest, penalties and additions to tax) as a result of the inaccuracy or invalidity of any certificate or form provided by such Note Holder to Mortgagee in connection with such withholding taxes. Any amount payable hereunder shall be paid within 30 days after receipt by a Note Holder of a written demand therefor.

## 7.5.2 TRANSFER; COMPLIANCE

(a) Such Note Holder will (i) not transfer any Equipment Note or interest therein in violation of the Securities Act or applicable state or foreign securities Law; provided, that the foregoing provisions of this section shall not be deemed to impose on such Note Holder any responsibility with respect to any such offer, sale or solicitation by any other party hereto, and (ii) perform and comply with the obligations specified to be imposed on it (as a Note Holder) under each of the Trust Indenture and the form of Equipment Note set forth in the Trust Indenture.

(b) Except for the transfer of the interests of each Applicable Pass Through Trustee in the Equipment Notes to the trustee of the Related Trust (as defined in each Applicable Pass Through Trust Agreement) in accordance with the Applicable Pass Through Trust Agreement and except as otherwise required by the

terms of Section 2.13 of the Trust Indenture or Section 11 hereof, each Note Holder will not sell, assign, convey, exchange or otherwise transfer any Equipment Note or any interest in, or represented by, any Equipment Note (it being understood that this provision is not applicable to the Pass Through Certificates) unless the proposed transferee thereof first provides Lessee and Owner Participant with both of the following:

(i) a written representation and covenant that either (a) no portion of the funds it uses to purchase, acquire and hold such Equipment Note or interest directly or indirectly constitutes, or may be deemed under the Code or ERISA or any rulings, regulations or court decisions thereunder to constitute, the assets of any Plan or (b) the transfer, and subsequent holding, of such Equipment Note or interest shall not involve or give rise to a transaction that constitutes a prohibited transaction within the meaning of Section 406 of ERISA or Section 4975(c)(1) of the Code involving Lessee, Owner Participant, a Pass Through Trustee, the Subordination Agent or the proposed transferee (other than a transaction that is exempted from the prohibitions of such sections by applicable provisions of ERISA or the Code or administrative exemptions or regulations issued thereunder); and

(ii) a written covenant that it will not transfer any Equipment Note or any interest in, or represented by, any Equipment Note unless the subsequent transferee also makes the representation described in clause (i) above and agrees to comply with this clause (ii).

## 7.6 Agreements

### 7.6.1 OWNER TRUSTEE IS OWNER FOR ALL PURPOSES

Lessee, the Owner Participant and Owner Trustee agree that for all purposes, after the Closing, Owner Trustee will be the owner of the Aircraft (except that Owner Participant will be the owner for income tax purposes) and Lessee will be the lessee thereof. No transfer, by operation of Law or otherwise, of the beneficial interest of Owner Participant in and to the Trust Estate shall operate to transfer legal title to any part of the Trust Estate to any transferee thereof.

## 7.6.2 COMMENCEMENT OF BANKRUPTCY PROCEEDINGS

Lessee, each Participant, each Note Holder, First Security, Owner Trustee, WTC and Mortgagee agree for the benefit of each of the others that it will not commence or join in any proceeding under the Bankruptcy Code to commence a case under Section 303 of the Bankruptcy Code against the Trust Estate. Nothing contained herein shall be deemed to preclude any Participant, any Note Holder, First Security, Owner Trustee, WTC or Mortgagee from filing any claim against the Trust Estate in any case commenced against the Trust Estate.

## 7.6.3 CERTAIN BANKRUPTCY MATTERS

If (a) all or any part of the Trust Estate becomes the property of, or Owner Trustee or Owner Participant becomes, a debtor subject to the reorganization provisions of the Bankruptcy Code, (b) pursuant to such reorganization provisions, including Section 1111(b) of the Bankruptcy Code, First Security or Owner Participant is required, by reason of First Security or Owner Participant being held to have recourse liability to any Note Holder or Mortgagee directly or indirectly (other than the recourse liability of First Security or Owner Participant under this Agreement, the Trust Indenture or by separate agreement), to make payment on account of any amount payable as principal, Make-Whole Amount, if any, interest or other amounts on the Equipment Notes, and (c) any Note Holder or Mortgagee actually receives any Excess Amount, as defined below, which reflects any payment by First Security or Owner Participant on account of (b) above, then such Note Holder or Mortgagee, as the case may be, shall promptly refund to First Security or Owner Participant (whichever shall have made such payment) such Excess Amount.

For purposes of this Section 7.6.3, "Excess Amount" means the amount by which such payment exceeds the amount that would have been received by a Note Holder or Mortgagee if First Security or Owner Participant had not become subject to the recourse liability referred to in clause (b) above. Nothing contained in this Section 7.6.3 shall prevent a Note Holder or Mortgagee from enforcing any personal recourse obligation (and retaining the proceeds thereof) of First Security or Owner Participant under this Agreement (other than as referred to in clause (b) above) or the Trust Indenture (and any exhibits or annexes thereto) or from retaining any amount paid by Owner Participant under Sections 2.13 or 4.03 of the Trust Indenture.

## 7.6.4 QUIET ENJOYMENT; SALE BY OWNER TRUSTEE BINDING

(a) Owner Participant, each Applicable Pass Through Trustee, Subordination Agent, each Note Holder, Owner Trustee and Mortgagee agrees as to itself with Lessee that, so long as no Lease Event of Default shall have occurred and be continuing, such Person shall not (and shall not permit any Affiliate or other Person claiming by, through or under it to) interfere with Lessee's rights in accordance with the Lease to the quiet enjoyment, possession and use of the Aircraft during the Term.

(b) Any assignment, sale, transfer or other conveyance of the Aircraft by Owner Trustee made pursuant to the terms of this Agreement or the Lease shall bind Owner Participant and shall be effective to transfer or convey all right, title and interest of Owner Trustee and Owner Participant in and to the Aircraft. No purchaser or other grantee shall be required to inquire as to the authorization, necessity, expediency or regularity of such assignment, sale, transfer or conveyance, or as to the application of any sale or other proceeds with respect thereto by Owner Trustee, as regards Owner Participant.

## 7.6.5 RELEASE OF LIEN TRUST INDENTURE

Each of Lessee, Lessor and Mortgagee agrees that in each instance referred to in the Lease in which a transfer of any property is required to be made by Lessor to Lessee or any other Person (other than Mortgagee), Mortgagee shall, upon request of Lessor and compliance with the applicable provisions of the Lease and the Trust Indenture, including payment of all amounts then due and payable to each Liquidity Provider as Supplemental Rent, promptly execute (at Lessee's cost and expense) such instruments as Lessor or Lessee may reasonably request to evidence the release of the Lien of the Trust Indenture with respect to such property.

## 7.6.6 NON-RECOURSE

Loan Participant and Mortgagee agree that (a) obligations of Owner Trustee under the Trust Indenture or any other Operative Agreement and with respect to the Equipment Notes shall be non-recourse to Owner Participant and to First Security and (b) they will look solely to the income and proceeds from the Trust Estate and the Trust Indenture Estate to the extent available for distribution to Note Holder or Mortgagee as provided in the Trust

Indenture and that neither Owner Participant nor First Security will be personally liable to Loan Participant or Mortgagee for any amounts payable by Owner Trustee under the Trust Indenture or any other Operative Agreement; provided, however, that the foregoing is not intended nor shall it be construed to limit any recourse liability of Owner Participant or First Security to the extent that such liability is expressly set forth in this Agreement or in any of the Operative Agreements or arises by reason of the breach of any representation or warranty or covenant given by such Person (in the case of First Security, in its individual capacity).

#### 7.6.7 OTHER DOCUMENTS; AMENDMENT

(a) Each of the Owner Participant and the Owner Trustee hereby (A) agrees with Lessee, the Loan Participant and the Mortgagee not to amend, supplement or otherwise modify any provision of the Trust Agreement in a manner that could adversely affect such party without the prior written consent of such party. Notwithstanding the foregoing, so long as the Lease has not been terminated or expired, each Participant, the Mortgagee and the Owner Trustee hereby agree for the benefit of Lessee that without the consent of Lessee they will not amend, supplement or otherwise modify (i) Article III, Article IX or Section 2.05 of the Trust Indenture, (ii) any provision of any Operative Agreement that will affect the stated principal amount of or premium or interest on the Equipment Notes or (iii) any other provision of the Trust Indenture or Equipment Notes in a manner that could adversely affect Lessee. Mortgagee and Owner Trustee agree to promptly furnish to Lessee copies of any supplement, amendment, waiver or modification of any of the Operative Agreements to which Lessee is not a party. Loan Participant agrees that it will not take any action in respect of the Trust Indenture Estate except through the Mortgagee pursuant to the Trust Indenture or as otherwise permitted by Trust Indenture.

(b) Owner Trustee agrees to join with Lessee to the extent that action on its part is necessary or appropriate (i) to cause the following to be duly accomplished in accordance with applicable United States federal Law by the time the Aircraft is delivered under this Agreement and the Lease: (A) the application for registration of the Aircraft in the name of Owner Trustee and (B) all related action necessary in order for Lessee to have temporary or permanent authority to operate the Aircraft as contemplated by the Lease and (ii) forthwith upon delivery of

the Aircraft under this Agreement and the Lease, to cause all necessary documents to be duly filed for recording in accordance with applicable United States federal Law.

#### 7.6.8 CONSENTS

Each Participant, each Applicable Pass Through Trustee, Subordination Agent, Owner Trustee and Mortgagee covenants and agrees, for the benefit of Lessee, that it shall not unreasonably withhold its consent to any consent or approval requested of it or of Owner Trustee or Mortgagee under the terms of any of the Operative Agreements which by its terms is not to be unreasonably withheld.

#### 7.6.9 INSURANCE

Each of Owner Participant, the Applicable Pass Through Trustees, the Subordination Agent and the Owner Trustee agrees not to obtain or maintain insurance for its own account as permitted by Section 11.2 of the Lease if such insurance would limit or otherwise adversely affect the coverage of any insurance required to be obtained or maintained by Lessee pursuant to Section 11 and Annex D of the Lease.

#### 7.6.10 EXTENT OF INTEREST OF NOTE HOLDERS

A Note Holder shall not, as such, have any further interest in, or other right with respect to, the Trust Estate or the Trust Indenture Estate when and if the principal and Make-Whole Amount, if any, of and interest on the Equipment Note held by such Holder, and all other sums, then due and payable to such Holder hereunder and under any other Operative Agreement, shall have been paid in full.

#### 7.6.11 FOREIGN REGISTRATION

Each Participant, Owner Trustee and Mortgagee hereby agree, for the benefit of Lessee but subject to the provisions of Section 7.1.2 of the Lease:

(a) that Lessee shall be entitled to register the Aircraft or cause the Aircraft to be registered in a country other than the United States subject to compliance with the following:

(i) each of the following requirements is satisfied:

- (A) such registration shall be made only after the Tax Attribute Period, unless Lessee prepays on a lump sum basis any liability due under the Tax Indemnity Agreement as a result of such registration based upon the assumption that such registration would continue for the remainder of the term of the Permitted Sublease described in clause (C) below;
- (B) no Lease Event of Default shall have occurred and be continuing at the time of such registration;
- (C) such proposed change of registration is made in connection with a Permitted Sublease to a Permitted Air Carrier;
- (D) such country is a country with which the United States then maintains normal diplomatic relations or, if Taiwan, the United States then maintains diplomatic relations at least as good as those in effect on the Delivery Date;

(ii) the Owner Trustee and Mortgagee shall have received an opinion of counsel (subject to customary exceptions) reasonably satisfactory to the Owner Participant addressed to each such party as to the effect that:

(A) such country would recognize the Owner Trustee's ownership interest in the Aircraft;

(B) the obligations of Lessee, and the rights and remedies of Owner Trustee, under the Lease are valid, binding and enforceable under the laws of such jurisdiction (or the laws of the jurisdiction to which the laws of such jurisdiction would refer as the applicable governing law);

(C) after giving effect to such change in registration, the Lien of the Trust Indenture on the Owner Trustee's right, title and interest in and to the Aircraft and the Lease shall continue as a valid and duly perfected first priority security interest and all filing, recording or other action necessary to protect the same shall have been accomplished (or, if such opinion cannot be given at the time of such proposed change in registration because such change in

registration is not yet effective, (1) the opinion shall detail what filing, recording or other action is necessary and (2) the Owner Trustee and the Mortgagee shall have received a certificate from Lessee that all possible preparations to accomplish such filing, recording and other action shall have been done, and such filing, recording and other action shall be accomplished and a supplemental opinion to that effect shall be delivered to the Owner Trustee and the Mortgagee on or prior to the effective date of such change in registration;

(D) it is not necessary, solely as a consequence of such change in registration and without giving effect to any other activity of the Owner Trustee, the Owner Participant or the Mortgagee (or any Affiliate thereof), as the case may be, for the Owner Trustee, the Owner Participant or the Mortgagee to qualify to do business in such jurisdiction as a result of such reregistration in order to exercise any rights or remedies with respect to the Aircraft pursuant to the Lease;

(E) there is no tort liability of the owner or lessor of an aircraft not in possession thereof under the laws of such jurisdiction (it being agreed that, in the event such latter opinion cannot be given in a form satisfactory to the Owner Participant, such opinion shall be waived if insurance reasonably satisfactory to the Owner Participant is provided to cover such risk); and

(F) unless Lessee shall have agreed to provide insurance covering the risk of requisition of use of the Aircraft by the government of such country (so long as the Aircraft is registered under the laws of such country), the laws of such country require fair compensation by the government of such country payable in currency freely convertible into Dollars and freely removable from such country (without license or permit, unless Lessee prior to such proposed reregistration has obtained such license or permit) for the taking or requisition by such government of such use;

(b) In addition, as a condition precedent to any change in registration Lessee shall have given to Lessor and Mortgagee assurances reasonably satisfactory to each of them:

- (i) to the effect that the provisions of Section 11 of the Lease have been complied with after giving effect to such change of registration;
- (ii) of the payment by Lessee of all reasonable out-of-pocket expenses of Lessor, each Participant and Mortgagee in connection with such change of registry, including, without limitation (1) the reasonable fees and disbursements of counsel to Lessee, Lessor and Mortgagee, (2) any filing or recording fees, Taxes or similar payments incurred in connection with the change of registration of the Aircraft and the creation and perfection of the security interest therein in favor of Mortgagee for the benefit of Note Holders, and (3) all costs and expenses incurred in connection with any filings necessary to continue in the United States the perfection of the security interest in the Aircraft and the Lease in favor of Mortgagee for the benefit of Note Holders; and
- (iii) to the effect that the tax and other indemnities in favor of each person named as an indemnitee under any other Operative Agreement afford each such person substantially the same protection as provided prior to such change of registration (or Lessee shall have agreed upon additional indemnities that, together with such original indemnities, in the reasonable judgment of Lessor and Mortgagee, afford such protection).

#### 7.6.12 OTHER COMMERCIAL RELATIONS UNAFFECTED

Notwithstanding anything to the contrary set forth in any Operative Agreement: (a) Except as set forth in the Purchase Agreement Assignment, nothing contained in the Operative Agreements shall constitute or be deemed to be a waiver by Lessee of any rights, remedies or claims it may have against Airframe Manufacturer or Engine Manufacturer or any subcontractor or supplier of either;

and the Operative Agreements do not and shall not be construed or deemed to create any rights, waivers, immunities or indemnities in favor of Airframe Manufacturer, Engine Manufacturer or any subcontractor or supplier of either with respect to any such rights, remedies or claims of Lessee; and

(b) None of Airframe Manufacturer, by its execution and delivery of the Consent and Agreement, and Engine Manufacturer, by its execution and delivery of the Engine Consent and Agreement, shall be deemed to have waived any rights, remedies or claims which Airframe Manufacturer or Engine Manufacturer (or any subcontractor or supplier of either), as the case may be, may have against Lessee; and the Operative Agreements do not and shall not be construed or deemed to create any rights, waivers, immunities or indemnities in favor of Lessee with respect to any such rights, remedies or claims of Airframe Manufacturer or Engine Manufacturer (or any subcontractor or supplier of either).

#### 7.6.13 INTEREST IN CERTAIN ENGINES

Each Participant, Owner Trustee, and Mortgagee agree, for the benefit of each of the lessor, conditional seller, mortgagee or secured party of any airframe or engine leased to, or purchased by, Lessee or any Permitted Sublessee subject to a lease, conditional sale, trust indenture or other security agreement that it will not acquire or claim, as against such lessor, conditional seller, mortgagee or secured party, any right, title or interest in any engine as the result of such engine being installed on the Airframe at any time while such engine is subject to such lease, conditional sale, trust indenture or other security agreement and owned by such lessor or conditional seller or subject to a trust indenture or security interest in favor of such mortgagee or secured party.

#### SECTION 8. CONFIDENTIALITY

Lessee, Owner Participant, Note Holders, Owner Trustee and Mortgagee shall keep Annexes B, C and D and Schedules 1, 2, 3 and 4 to the Lease, the Participation Agreement, the Purchase Agreement Assignment and the Tax Indemnity Agreement confidential and shall not disclose, or cause to be disclosed, the same to any Person, except (A) to prospective and permitted transferees of Lessee's, Owner Participant's, a Note Holder's, a Liquidity Provider's, Owner Trustee's, Mortgagee's or other Indemnitor's interest or their respective counsel or special

counsel, independent insurance brokers, auditors, or other agents who agree to hold such information confidential, (B) to Lessee's, Owner Participant's, a Note Holder's, a Liquidity Provider's, a Pass Through Trustee's, Owner Trustee's, Mortgagee's or other Indenture Indemnitee's counsel or special counsel, independent insurance brokers, auditors, or other agents, Affiliates or investors who agree to hold such information confidential, (C) as may be required by any statute, court or administrative order or decree, legal process or governmental ruling or regulation, including those of any applicable insurance regulatory bodies (including, without limitation, the National Association of Insurance Commissioners), federal or state banking examiners, Internal Revenue Service auditors or any stock exchange, (D) with respect to Lessee and Owner Participant, by mutual agreement of such parties, (E) with respect to a Note Holder or any Pass Through Trustee, to a nationally recognized rating agency for the purpose of obtaining a rating on the Equipment Notes or the Pass Through Trust Certificates or to support an NAIC rating for the Equipment Notes or (F) such other Persons as are reasonably deemed necessary by the disclosing party in order to protect the interests of such party or for the purposes of enforcing such documents by such party; provided, that any and all disclosures permitted by clauses (C), (D), (E) or (F) above shall be made only to the extent necessary to meet the specific requirements or needs of the Persons making such disclosures.

SECTION 9. INDEMNIFICATION AND EXPENSES

9.1 General Indemnity

[INTENTIONALLY OMITTED]

## 9.2.1 INVOICES AND PAYMENT

Each of the Owner Trustee, Mortgagee, the Owner Participant, Lessee, the Applicable Pass Through Trustees, and the Subordination Agent shall promptly submit to Lessee for its prompt approval (which shall not be unreasonably withheld) copies of invoices in reasonable detail of the Transaction Expenses for which it is responsible for providing information as they are received (but in no event later than the 90th day after the Delivery Date). If so submitted and approved, the Owner Participant agrees promptly, but in any event no later than the 105th day after the Delivery Date, to pay (but not in excess of 2% of Lessor's Cost) Transaction Expenses. Notwithstanding the foregoing, Lessee at its sole option shall have the right to pay directly any and all Transaction Expenses. Lessee shall be obligated to pay directly any and all Transaction Expenses which are in excess of 2% of Lessor's Cost. If Owner Participant shall fail to pay any Transaction Expense that it is obligated to pay hereunder, Lessee shall pay such Transaction Expense. Any such payment by Lessee shall not affect Owner Participant's obligations or Lessee's rights against Owner Participant for its failure to make any such payment.

## 9.2.2 PAYMENT OF OTHER EXPENSES

Lessee shall pay (i) the ongoing fees and expenses of Owner Trustee and Mortgagee, and (ii) all reasonable out-of-pocket costs and expenses (including the reasonable fees and disbursements of counsel) incurred by any Participant attributable to (A) any transfer of title to the Aircraft or any

Engine contemplated by Section 4.5 of the Lease or (B) any waiver, amendment or modification of any Operative Agreement to the extent requested by Lessee.

9.2.3 PAYMENTS IF TRANSACTIONS DO NOT CLOSE

In the event that the transaction contemplated by this Agreement fails to close as a result of the Owner Participant's failure to comply with its obligations under this Agreement or any breach of a representation or warranty of Owner Participant made in or pursuant to any Operative Agreement, notwithstanding any other rights and remedies that the parties hereto shall have against Owner Participant, the Owner Participant will be responsible for all of its fees and expenses, including but not limited to the fees, expenses and disbursements of its special counsel and the fees of the Appraiser referred to in Section 5.1.2(xv).

9.3 General Tax Indemnity

[INTENTIONALLY OMITTED]

## SECTION 10. ASSIGNMENT OR TRANSFER OF INTERESTS

## 10.1 Participants, Owner Trustee and Note Holders

## 10.1.1 OWNER PARTICIPANT

(a) During the Term, Owner Participant shall not Transfer any or all of its right, title or interest in the Trust Estate or the Trust Agreement and to this Agreement unless:

(i) The Transferee shall have full power, authority and legal right to execute and deliver and to perform the obligations of Owner Participant under this Agreement and the other Owner Participant Agreements and shall provide reasonably satisfactory evidence of such power and authority to Lessee, Owner Trustee and Mortgagee;

(ii) The Transferee shall enter into one or more legal, valid, binding and enforceable agreements effective to confirm that such Transferee agrees to be bound by all the terms of, and to undertake all of the obligations arising after such transfer of, the transferring Owner Participant contained in the Owner Participant Agreements and in which it makes representations and warranties substantially the same as those contained in Section 6.2 of the Participation Agreement;

(iii) Lessee shall not be obligated to pay any greater amount or incur any greater obligation than that which it would have been obliged to pay or incur under the Lease or other Lessee Operative Agreement if no transfer or assignment had taken place, and the terms and conditions of this Lease and the other Lessee Operative Agreements insofar as they relate to the rights and obligations of Lessee or the Loan Participant shall not be altered;

(iv) Owner Participant shall deliver to Lessee, Owner Trustee and Mortgagee an opinion of counsel reasonably satisfactory to each of them to the effect that such agreement or agreements referred to in Section 10.1.1(a)(ii) and, if applicable, 10.1.1(a)(vi) are legal, binding and enforceable in accordance with its or their terms and that such transfer will not violate applicable securities laws, the Act or any other applicable law and is in accordance with this Section 10.1.1;

(v) The Transferee is a Citizen of the United States (it being understood that the existence of any such requirement is to be determined without giving consideration to Section 47.9 of the FAA Regulations), or shall use a voting powers trust or similar arrangement in order to hold an interest in the Trust Estate such that the Aircraft can be registered in the United States (without giving consideration to Section 47.9 of the FAA Regulations); and

(vi) The Transferee shall be a single person and shall be either (A) a Permitted Institution or (B) any other person (other than, without Lessee's consent, a commercial air carrier, a commercial aircraft operator, a freight forwarder or an Affiliate of any of the foregoing) the obligations of which under the Owner Participant Agreements are guaranteed by a Permitted Institution in any case,

pursuant to a written guaranty, in form and substance reasonably satisfactory to Lessee, Owner Trustee and Mortgagee.

(b) Owner Participant shall give written notice to Lessee, Mortgagee and Owner Trustee at least 10 days prior to any such Transfer, specifying the name and address of the proposed Transferee, and providing financial statements of the proposed Transferee evidencing satisfaction of the requirements described in Section 10.1.1(a)(vi)(A) or (B) above.

(c) Any fees, charges and expenses, including the reasonable legal fees, charges and expenses incurred by Lessee, Owner Participant, Mortgagee, any Note Holder or Owner Trustee in connection with any Transfer by Owner Participant permitted by this Section 10.1.1, or by the Transferee in any such case, will be paid for by Owner Participant.

#### 10.1.2 OWNER TRUSTEE

Owner Trustee may transfer its interests in the Trust Agreement pursuant to Section 9 thereof.

#### 10.1.3 NOTE HOLDERS

Subject to Section 7.5.2 hereof and Section 2.07 of the Trust Indenture, any Note Holder may, at any time and from time to time, Transfer or grant participations in all or any portion of the Equipment Notes and/or all or any portion of its beneficial interest in its Equipment Notes and the Trust Indenture Estate to any person (it being understood that the sale or issuance of Pass Through Certificates by a Pass Through Trustee shall not be considered a Transfer or participation); provided, that any participant in any such participations shall not have any direct rights under the Operative Agreements or any Lien on all or any part of the Aircraft or Trust Indenture Estate and Lessee shall not have any increased liability or obligations as a result of any such participation. In the case of any such Transfer, the Transferee, by acceptance of Equipment Notes in connection with such Transfer, shall be deemed to be bound by all of the covenants of Note Holders contained in the Operative Agreements.

## 10.2 Effect of Transfer

Upon any Transfer in accordance with Section 10.1.1, 10.1.2 or 10.1.3 (other than any Transfer by any Note Holder, to the extent it only grants participations in Equipment Notes or in its beneficial interest therein), Transferee shall be deemed an "Owner Participant," "Owner Trustee" or a "Note Holder," respectively, for all purposes of this Agreement and the other Operative Agreements and, in the case of a Transferee of any Participant or Note Holder, shall be deemed to have paid its ratable portion of Lessor's Cost previously made by Owner Participant or Loan Participant, respectively, making such conveyance and represented by the interest being conveyed, and each reference herein to Owner Participant, Owner Trustee or Note Holder, respectively, shall thereafter be deemed a reference to such Transferee for all purposes, and the transferring Owner Participant, Owner Trustee, Loan Participant or Note Holder shall be released (except, in the case of Owner Participant, to the extent of any guaranty provided by it under Section 10.1.1(a)(vi)) from all of its liabilities and obligations under this Agreement and any other Operative Agreements to the extent such liabilities and obligations arise after such Transfer and, in each case, to the extent such liabilities and obligations are assumed by the transferee; provided, that such transferring Owner Participant, Owner Trustee or Note Holder (and its respective Affiliates, successors, assigns, agents, servants, representatives, directors and officers) will continue to have the benefit of any rights or indemnities under any Operative Agreement vested or relating to circumstances, conditions, acts or events prior to such Transfer.

## SECTION 11. REFUNDING AND CERTAIN OTHER MATTERS

## 11.1 Refunding Generally

Subject to Sections 11.2 and 11.4, in the event that at any time Lessee shall have given written notice to Owner Participant, Owner Trustee, and Mortgagee that Lessee is requesting a voluntary redemption of all, but not less than all, of the outstanding Equipment Notes (in compliance with the provisions of Sections 2.11 and 2.12 of the Trust Indenture) by Owner Trustee as part of a refunding transaction, Owner Participant agrees to negotiate in good faith and promptly conclude an agreement with Lessee as to the terms of such refunding transaction (including the terms of any debt to be issued in connection with such

refunding transaction and the documentation to be executed in connection therewith), and after Lessee and Owner Participant shall have concluded such an agreement:

#### 11.1.1 REFUNDING CERTIFICATE

Within ten Business Days after reaching such agreement, Owner Participant will deliver to Lessee a Refunding Certificate. Within ten Business Days of its receipt of the Refunding Certificate, Lessee may demand a verification pursuant to Section 3.2.1(d) of the Lease of the information set forth in the Refunding Certificate. Upon the acceptance by Lessee of the accuracy of the information set forth in the Refunding Certificate or the determination pursuant to such verification procedures of the Refunding Information, the appropriate parties will take the actions specified in Sections 11.1.2 through 11.1.7 below.

#### 11.1.2 FINANCING AGREEMENTS

The appropriate parties will enter into appropriate documentation (which may include an underwriting agreement or similar private placement agreement) with the institution or institutions to be named therein providing for (a) the issuance and sale by Owner Trustee to such institution or institutions on the Refunding Date of the New Debt and (b) the application of the proceeds of the sale of the New Debt to the redemption of all such Equipment Notes on the Refunding Date. Lessee, acting on behalf of Owner Trustee, shall give Mortgagee at least 30 days' revocable prior written notice of the proposed date of the optional redemption.

#### 11.1.3 LEASE AMENDMENTS

As a condition to the closing of the refunding transaction, Lessee and Owner Trustee will amend the Lease, as contemplated by Section 3.2.1(b) of the Lease, to provide that (a) Basic Rent in respect of the period from and after the Refunding Date shall be as provided in the Refunding Information and (b) amounts payable in respect of Stipulated Loss Value and Termination Value, from and after the Refunding Date shall be as provided in the Refunding Information.

## 11.1.4 SECURITY AGREEMENTS

Owner Trustee will enter into an agreement to provide for the securing thereunder of the New Debt in like manner as the Equipment Notes and will enter into such amendments and supplements to the Trust Indenture (or such new indenture or other security agreement) and the other Operative Agreements as may be necessary to effect such refunding).

## 11.1.5 EXPENSES

Whether or not such refunding transaction is consummated, Lessee shall pay or reimburse all of the reasonable out-of-pocket expenses of all parties to such refunding transaction, including, without limitation, any underwriting or placement fees and the reasonable fees and expenses of such parties' counsel and any related loan or commitment fees.

## 11.1.6 MAKE WHOLE AMOUNT

At the closing of such refunding, Owner Trustee shall pay, upon receipt of the same from Lessee (which Lessee shall pay as Supplemental Rent as a condition to the closing to the refunding transaction), to the Mortgagee for the account of each Note Holder, the Make-Whole Amount, if any, payable to such Note Holder under Section 2.11 of the Trust Indenture.

## 11.1.7 RETURN OF EQUIPMENT NOTES

Subject to compliance by Owner Trustee and Lessee with all applicable terms and conditions for voluntary prepayment under the Trust Indenture and this Agreement, each Note Holder will transfer to Owner Trustee the Equipment Notes held by it for cancellation (and Owner Trustee shall cancel the same), against receipt by such Note Holder of the then-outstanding principal amount of such Equipment Notes, accrued and unpaid interest and Make-Whole Amount, if any, thereon, together with payment in full of all other amounts then payable to such Note Holder and Mortgagee hereunder or under the Trust Indenture.

## 11.2 Limitations on Obligation to Refund

Notwithstanding the foregoing, Owner Participant shall have no obligation to proceed with any refunding transaction as contemplated by this Section 11:

(a) If such transaction would have, or creates a material risk of, an adverse tax consequence to Owner Participant unless Lessee agrees to indemnify Owner Participant against such adverse tax consequence;

(b) Unless Lessee indemnifies Owner Participant for any liability, obligation (other than the obligation to pay principal and interest and related payments in respect of the New Debt), cost or expense (including, without limitation, reasonable attorneys' fees) related to or arising out of any such refunding transaction;

(c) If a Lease Event of Default shall have occurred and be continuing; or

(d) If there shall have previously been consummated three refunding transactions at Lessee's request pursuant to this Section 11.

#### 11.3 Execution of Certain Documents

Lessee, Owner Participant, Owner Trustee and Mortgagee each agree to execute any document necessary or advisable to implement this Section 11 (including, without limitation, the execution, delivery and/or provision of any appropriate additional or modified amendment, representation, warranty, certificate, opinion or other document that may reasonably be requested by Lessee or any other person).

#### 11.4 ERISA

Owner Participant shall not be obligated to conclude the proposed refunding transaction unless the agreements utilized to effect such refunding contain an agreement by the initial holders of the New Debt substantially the same as Section 7.5.2(b) of this Agreement, except in the case of any refunding transaction where the New Debt is sold in a public offering under the Securities Act or a private placement intended for resale pursuant to Rule 144A under the Securities Act, in which case the holders of the New Debt shall be subject to the restrictions relating to ERISA substantially the same as those applicable to the purchasers of the Pass Through Certificates, as described in the Offering Circular relating to the initial issuance and sale of the Pass Through Certificates.

## 11.5 Consent to Optional Redemptions

Each of Owner Participant, Owner Trustee and Mortgagee agrees with Lessee not to cause an optional redemption of the Equipment Notes without Lessee's consent except as set forth in Section 2.13 of the Trust Indenture.

## SECTION 12. SECTION 1110

It is the intention of each of Lessee, Owner Participant, Loan Participant, the Note Holders (such intention being evidenced by each of their acceptance of an Equipment Note), Owner Trustee and Mortgagee that Owner Trustee, as lessor under the Lease (and Mortgagee as assignee of Owner Trustee under the Trust Indenture), shall be entitled to the benefits of Section 1110 in the event of a case under Chapter 11 of the Bankruptcy Code in which Lessee is a debtor.

## SECTION 13. CHANGE OF CITIZENSHIP

## 13.1 Generally

Without prejudice to the representations, warranties or covenants regarding the status of any party hereto as a Citizen of the United States:

(a) Each of Lessee, First Security, WTC and Mortgagee agrees that it will, immediately upon obtaining knowledge of any facts that would cast doubt upon its continuing status as a Citizen of the United States and promptly upon public disclosure of negotiations in respect of any transaction which would or might adversely affect such status, notify in writing all parties hereto of all relevant matters in connection therewith; and

(b) Owner Participant agrees that, in the event its status is to change or has changed as a Citizen of the United States, or it makes public disclosure of circumstances as a result of which it believes that such status is likely to change, it will notify all the other parties to this Participation Agreement of (i) such change in status promptly after obtaining Actual Knowledge thereof or (ii) such belief as soon as practicable after such public disclosure but in any event within ten Business Days after such public disclosure.

## 13.2 Owner Participant

Owner Participant agrees, solely for the benefit of Lessee and the Note Holders that if, during such time as the Aircraft is registered in the United States, (a) it shall not be a Citizen of the United States and (b) the Aircraft shall be, or would therefore become, ineligible for registration in the name of Owner Trustee under the Act and regulations then applicable thereunder (without giving consideration to Section 47.9 of the FAA Regulations or any other provision that may restrict Lessee's use or operation of the Aircraft), then Owner Participant shall as soon as is reasonably practicable, but in any event within 30 days after obtaining Actual Knowledge of such ineligibility and of such loss of citizenship, (y) effect voting trust or other similar arrangements (in which case any provisions contained in the Operative Agreements restricting Owner Participant's or Owner Trustee's ability to amend the Trust Agreement shall not apply to the extent necessary to permit the use of such a voting trust or other similar arrangement) or take any other action as may be necessary to prevent any deregistration or maintain the United States registration of the Aircraft or (z) transfer in accordance with the terms of this Agreement all its right, title and interest in and to this Agreement, the Trust Estate and the Trust Agreement in accordance with Section 10.1.

## 13.3 Owner Trustee

Upon First Security giving any notice in accordance with Section 13.1(a), Owner Trustee shall, subject to Section 9.1.1 of the Trust Agreement, resign as Owner Trustee. Upon its receipt of such notice, Owner Participant shall as promptly as practicable appoint a Citizen of the United States as successor Owner Trustee pursuant to Section 9.1 of the Trust Agreement.

## 13.4 Mortgagee

Upon WTC giving any notice in accordance with Section 13.1(a), Mortgagee shall (if and so long as such citizenship is necessary under the Act as in effect at such time or, if it is not necessary, if and so long as Mortgagee's citizenship could have any adverse effect on Lessee, any Participant or any Note Holder), subject to Section 8.02 of the Trust Indenture, resign as Mortgagee promptly upon its ceasing to be such a citizen.

## SECTION 14. CONCERNING OWNER TRUSTEE

It is understood and agreed that, except as otherwise expressly provided herein or in the Trust Agreement or the Trust Indenture, Owner Trustee is entering into this Agreement solely in its capacity as trustee as provided in the Trust Agreement and not in its individual capacity and in no case whatsoever will it be liable or accountable in its individual capacity for any of the statements, representations, warranties, agreements or obligations of Owner Trustee hereunder, or for any loss in respect thereof, as to all of which the parties agree to look solely to the Trust Estate; provided, that nothing in this Section 14 shall be deemed to limit in scope or substance the personal liability of First Security (a) to Owner Participant as expressly set forth in the Trust Agreement, (b) in respect of the representations, warranties and agreements of First Security expressly made as such herein or in any other Operative Agreement to which it is a party, and (c) for the consequences of its own gross negligence, willful misconduct, and, in receiving, handling or remitting of funds only, its willful misconduct or simple negligence as a trustee.

## SECTION 15. MISCELLANEOUS

## 15.1 Amendments

No provision of this Agreement may be amended, supplemented, waived, modified, discharged, terminated or otherwise varied orally, but only by an instrument in writing that specifically identifies the provision of this Agreement that it purports to amend, supplement, waive, modify, discharge, terminate or otherwise vary and is signed by the party against which the enforcement of the amendment, supplement, waiver, modification, discharge, termination or variance is sought. Each such amendment, supplement, waiver, modification, discharge, termination or variance shall be effective only in the specific instance and for the specific purpose for which it is given. No provision of this Agreement shall be varied or contradicted by oral communication, course of dealing or performance or other manner not set forth in an agreement, document or instrument in writing and signed by the party against which enforcement of the same is sought.

## 15.2 Severability

If any provision hereof shall be held invalid, illegal or unenforceable in any respect in any jurisdiction, then, to the extent permitted by Law, (a) all other provisions hereof shall remain in full force and effect in such jurisdiction and (b) such invalidity, illegality or unenforceability shall not affect the validity, legality or enforceability of such provision in any other jurisdiction. If, however, any Law pursuant to which such provisions are held invalid, illegal or unenforceable may be waived, such Law is hereby waived by the parties hereto to the full extent permitted, to the end that this Agreement shall be deemed to be a valid and binding agreement in all respects, enforceable in accordance with its terms.

## 15.3 Survival

The indemnities set forth herein shall survive the delivery or return of the Aircraft, the Transfer of any interest of Owner Participant in this Agreement, the Trust Estate and the Trust Agreement, the Transfer of any interest by any Note Holder of its Equipment Note and the expiration or other termination of this Agreement or any other Operative Agreement.

## 15.4 Reproduction of Documents

This Agreement, all annexes, schedules and exhibits hereto and all agreements, instruments and documents relating hereto, including, without limitation, (a) consents, waivers and modifications that may hereafter be executed and (b) financial statements, certificates and other information previously or hereafter furnished to any party hereto, may be reproduced by such party by any photographic, photostatic, microfilm, micro-card, miniature photographic or other similar process, and such party may destroy any original documents so reproduced. Any such reproduction shall be as admissible in evidence as the original itself in any judicial or administrative proceeding (whether or not the original is in existence and whether or not such reproduction was made by such party in the regular course of business) and any enlargement, facsimile or further reproduction of such reproduction likewise is admissible in evidence.

## 15.5 Counterparts

This Agreement and any amendments, waivers, consents or supplements hereto may be executed in any number of counterparts

(or upon separate signature pages bound together into one or more counterparts), each of which when so executed shall be deemed to be an original, and all of which counterparts, taken together, shall constitute one and the same instrument.

#### 15.6 No Waiver

No failure on the part of any party hereto to exercise, and no delay by any party hereto in exercising, any of its respective rights, powers, remedies or privileges under this Agreement or provided at Law, in equity or otherwise shall impair, prejudice or constitute a waiver of any such right, power, remedy or privilege or be construed as a waiver of any breach hereof or default hereunder or as an acquiescence therein nor shall any single or partial exercise of any such right, power, remedy or privilege preclude any other or further exercise thereof by it or the exercise of any other right, power, remedy or privilege by it. No notice to or demand on any party hereto in any case shall, unless otherwise required under this Agreement, entitle such party to any other or further notice or demand in similar or other circumstances or constitute a waiver of the rights of any party hereto to any other or further action in any circumstances without notice or demand.

#### 15.7 Notices

Unless otherwise expressly permitted by the terms hereof, all notices, requests, demands, authorizations, directions, consents, waivers and other communications required or permitted to be made, given, furnished or filed hereunder shall be in writing (it being understood that the specification of a writing in certain instances and not in others does not imply an intention that a writing is not required as to the latter), shall refer specifically to this Agreement or other applicable Operative Agreement, and shall be personally delivered, sent by facsimile or telecommunication transmission (which in either case provides written confirmation to the sender of its delivery), sent by registered mail or certified mail, return receipt requested, postage prepaid, or sent by overnight courier service, in each case to the respective address, or facsimile number set forth for such party in Schedule 1, or to such other address, facsimile or other number as each party hereto may hereafter specify by notice to the other parties hereto. Each such notice, request, demand, authorization, direction, consent, waiver or other communication shall be effective when received or, if made,

given, furnished or filed (a) by facsimile or telecommunication transmission, when confirmed, or (b) by registered or certified mail, three Business Days after being deposited, properly addressed, with the U.S. Postal Service.

15.8 GOVERNING LAW; SUBMISSION TO JURISDICTION; VENUE

EACH PARTY HERETO HEREBY AGREES THAT SERVICE UPON IT, OR ANY OF ITS AGENTS, IN EACH CASE IN ACCORDANCE WITH THIS SECTION 15.8(C), SHALL CONSTITUTE VALID AND EFFECTIVE PERSONAL SERVICE UPON SUCH PARTY, AND EACH PARTY HERETO HEREBY AGREES THAT THE FAILURE OF ANY OF ITS AGENTS TO GIVE ANY NOTICE OF SUCH SERVICE TO ANY SUCH PARTY SHALL NOT IMPAIR OR AFFECT IN ANY WAY THE VALIDITY OF SUCH SERVICE ON SUCH PARTY OR ANY JUDGMENT RENDERED IN ANY ACTION OR PROCEEDING BASED THEREON.

(d) EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE EXTENT PERMITTED BY APPLICABLE LAW, AND AGREES NOT TO ASSERT, BY WAY OF MOTION, AS A DEFENSE, OR OTHERWISE, IN ANY LEGAL ACTION OR PROCEEDING BROUGHT HEREUNDER IN ANY OF THE ABOVE-NAMED COURTS, THAT SUCH ACTION OR PROCEEDING IS BROUGHT IN AN INCONVENIENT FORUM, THAT VENUE FOR THE ACTION OR PROCEEDING IS IMPROPER OR THAT THIS AGREEMENT OR ANY OTHER OPERATIVE AGREEMENT MAY NOT BE ENFORCED IN OR BY SUCH COURTS.

(e) EACH PARTY HERETO HEREBY WAIVES ITS RESPECTIVE RIGHTS TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION IN ANY COURT IN

ANY JURISDICTION BASED UPON OR ARISING OUT OF OR RELATING TO THIS AGREEMENT.

15.9 Third-Party Beneficiary

This Agreement is not intended to, and shall not, provide any person not a party hereto (other than the Liquidity Provider, the Escrow Agent and the Paying Agent, each of which is an intended third party beneficiary with respect to the provisions of Section 9.1) with any rights of any nature whatsoever against any of the parties hereto and no person not a party hereto (other than the Liquidity Provider, the Escrow Agent and the Paying Agent, with respect to the provisions of Section 9.1) shall have any right, power or privilege in respect of any party hereto, or have any benefit or interest, arising out of this Agreement.

15.10 Entire Agreement

15.11 Further Assurances

Each party hereto shall execute, acknowledge and deliver or shall cause to be executed, acknowledged and delivered, all such further agreements, instruments, certificates or documents, and shall do and cause to be done such further acts and things, in any case, as any other party hereto shall reasonably request in connection with the administration of, or to carry out more effectively the purposes of, or to better assure and confirm into such other party the rights and benefits to be provided under this Agreement and the other Operative Agreements.

Re: Lease of Boeing Model \_\_\_\_\_ Aircraft with Manufacturer's  
Serial Number \_\_\_\_\_ and U.S. Registration  
Number N \_\_\_\_\_

Gentlemen:

We have been requested by Continental Airlines, Inc., a Delaware corporation (the "Company"), to act as special counsel with respect to, and to render this opinion letter in connection with, the transactions contemplated by the Participation Agreement \_\_\_\_\_, dated as of \_\_\_\_\_ (the "Participation Agreement"), among \_\_\_\_\_, as Owner Participant (the "Owner Participant"), First Security Bank, National Association, a national banking association ("First Security"), as Owner Trustee (the "Owner Trustee"), Wilmington Trust Company, a Delaware banking corporation ("WTC"), as Mortgagee (the "Mortgagee"), the Company as Lessee (the "Lessee"), and WTC, in its capacity as Subordination Agent under the Intercreditor Agreement (as defined in the Participation Agreement) and Pass Through Trustee under the Applicable Pass Through Trust Agreements (as defined in the Participation Agreement), as Loan Participant (the "Loan Participant"). Capitalized terms used herein and not otherwise defined herein have the respective meanings given those terms in the Participation Agreement.

In connection with this opinion letter we have examined, among other things, originals or copies certified or otherwise identified to our satisfaction of the following documents:

- (i) Participation Agreement;
- (ii) Lease;

- (iii) Lease Supplement No. 1;
- (iv) Tax Indemnity Agreement;
- (v) Trust Agreement;
- (vi) Trust Indenture;
- (vii) Trust Indenture Supplement No. 1;
- (viii) Purchase Agreement Assignment;
- (ix) Airframe Manufacturer Consent and Agreement;
- (x) Engine Manufacturer Consent and Agreement;
- (xi) Forms of the Equipment Notes; and
- (xii) Bills of Sale.

We have also examined and relied upon such other documents and such other corporate records, certificates and other statements of governmental officials and corporate officers and other representatives of the Company as we have deemed necessary or appropriate for the purposes of this opinion. As to certain facts material to the opinions expressed herein, we have relied upon representations and warranties contained in the Operative Agreements. The opinions expressed herein are subject to the following exceptions, assumptions, qualifications and limitations:

A. The opinions set forth below are limited to the laws of the State of New York, the federal laws of the United States of America and the General Corporation Law of the State of Delaware, except that we express no opinion with respect to (i) the laws, regulations or ordinances of any county, town or municipality or governmental subdivision or agency thereof, (ii) state securities or blue sky laws or federal securities laws, including the Securities Act and the Investment Company Act of 1940, (iii) any federal or state tax, antitrust or fraudulent transfer or conveyance laws, (iv) the Employee Retirement Income Security Act of 1974, as amended, or (v) the Act (except as expressly provided in paragraph 5 below), or any other laws, rules or regulations governing, regulating or relating to the acquisition, ownership, registration, use or sale of an aircraft, airframe or aircraft engine or to the particular nature of the equipment to be acquired by the Owner Trustee. In addition, our opinions are based upon a review of those laws, statutes, rules and regulations which, in our experience, are normally applicable to transactions of the type contemplated by the Participation Agreement.

B. The opinions set forth in paragraphs 3 and 6 below are subject to (i) limitations on enforceability arising from applicable bankruptcy, insolvency, reorganization, moratorium, receivership, fraudulent conveyance, fraudulent transfer, preferential transfer and similar laws relating to or affecting the rights and remedies of creditors or lessors generally and the effect of general principles of equity, including, without limitation, laches and estoppel as equitable defenses and concepts of materiality, reasonableness, good faith and fair dealing (regardless of whether such enforceability is considered or applied in a proceeding in equity or at law) and considerations of impracticability or impossibility of performance, and defenses based upon unconscionability of otherwise enforceable obligations in the context of the factual circumstances under which enforcement thereof is sought and (ii) the qualification that the

remedy of specific performance and injunctive and other forms of equitable relief may be subject to equitable defenses and to the discretion of the court before which any proceeding therefor may be brought. In addition, certain remedial and procedural provisions of the Company Documents (as defined in paragraph 2 below) and the Trust Indenture are or may be unenforceable in whole or in part, but the inclusion of such provisions does not affect the validity of those agreements and does not, in our opinion, make the remedies provided in those agreements, or otherwise available under applicable law, inadequate for the practical realization of the substantive benefits purported to be provided thereby, except for the economic consequences resulting from any delay imposed by, or any procedure required by, applicable laws, rules, regulations and by constitutional requirements. We express no opinion as to (i) any provision contained in any Operative Agreement (a) providing for indemnification or exculpation of any Person for such Person's gross negligence, willful misconduct, recklessness or unlawful conduct or in respect of liabilities under the Securities Act, (b) providing for late payment charges or an increase in interest rate upon delinquency in payment or the occurrence of a default or other specified event but only to the extent such provision is deemed to constitute a penalty or liquidated damages provision, (c) as such provision relates to the subject matter jurisdiction of federal courts or the waiver of inconvenient forum with respect to proceedings in federal courts, (d) that purports to establish (or may be construed to establish) evidentiary standards or (e) providing for the waiver of any statutory right or any broadly or vaguely stated rights or unknown future rights, or any waiver which is against public policy considerations or (ii) Section 15.8(c) of the Participation Agreement or any comparable provision of any other Operative Agreement. Under certain circumstances the requirement that the provisions of an Operative Agreement may be modified or waived only in writing or only in a specific instance and provisions to the effect that failure or delay in exercising any right, remedy, power and/or privilege will not impair or waive such right, remedy, power and/or privilege may be unenforceable to the extent that an oral agreement has been effected or a course of dealing has occurred modifying such provisions. A court may modify or limit contractual agreements regarding attorneys' fees.

C. To the extent that our opinions expressed herein involve conclusions as to the matters set forth in the opinions dated the date hereof of Richards, Layton & Finger, Ray, Quinney & Nebeker or Lytle, Soule & Curlee being delivered to you on the date hereof, we have assumed, without independent investigation, the correctness of the matters set forth in such opinions.

D. We have assumed the due authorization, execution and delivery of the Operative Agreements by each of the parties thereto, that each of such parties (other than the Company) has the power and authority to execute, deliver and perform each such Operative Agreement and has obtained or made all necessary consents, approvals, filings and registrations in connection therewith (except any required under New York law by the Company), that such execution, delivery and performance does not violate its charter, by-laws or similar instrument, that the Trust Agreement constitutes the valid, binding and enforceable obligations of the parties thereto and duly creates the trust it purports to create, that the Owner Trustee for purposes of Section 9-103(3) of the Uniform Commercial Code of the State of New York (the "UCC") is

located in Utah and that, under applicable law, the Owner Trustee would be deemed to be the owner of the Trust Estate and Trust Indenture Estate, that First Security has the legal ability to exercise its trust powers with respect to the Trust Estate in the State of New York, that value has been given by the Loan Participant to the Owner Trustee under the Trust Indenture, that the Owner Trustee has rights in the Trust Indenture Estate, that each of First Security and WTC is duly organized, validly existing and in good standing in its jurisdiction of organization and qualified to transact business in each other jurisdiction where such qualification is required.

E. We have assumed the due authorization, execution and issuance of the Equipment Notes by the Owner Trustee and the due authentication of the Equipment Notes by the Mortgagee and the delivery thereof against payment therefor, all in accordance with the Participation Agreement and the Trust Indenture, and that the Equipment Notes conform to the forms thereof examined by us.

F. We have assumed that all signatures on documents examined by us are genuine, that all persons signing such documents have legal capacity, that all documents submitted to us as originals are authentic and that all documents submitted to us as copies or specimens conform with the originals, which facts we have not independently verified.

G. We express no opinion as to (i) any provision in any Operative Agreement that is contrary to Section 2A-303, Section 9-311, or Part V of Article 9, of the UCC, or (ii) whether or not the Lease constitutes a "security interest" within the meaning of Section 1-201(37) of the UCC. We express no opinion as to whether or not the Lease constitutes a "Finance Lease" within the meaning of Section 2A-103(g) of the UCC and we express no opinion as to the enforceability of any provision of any Operative Agreement which purports to categorize the Lease as such.

H. We have not made any examination of, and express no opinion with respect to (and to the extent relevant have assumed the accuracy and sufficiency of), (i) descriptions of, the legal or beneficial ownership of, or the title or condition of title to, the Trust Estate or the Trust Indenture Estate or any other property covered by any of the Operative Agreements, (ii) except as expressly set forth in paragraphs 5 and 8 below, the existence, creation, validity or attachment of any Lien thereon, (iii) except as expressly set forth in paragraph 5 below, the perfection of any Lien thereon and (iv) the priority or enforcement of any Lien thereon.

I. In giving an opinion regarding the valid existence and good standing of the Company, we have relied solely upon certificates of public officials.

J. The opinions expressed herein are given as of the date hereof. We assume no obligation to advise you of any facts or circumstance that may come to our attention, or any changes in law that may occur after the date hereof, which may affect the opinion expressed herein.

Based on and subject to the foregoing, we are of the opinion

that:

1. The Company is a corporation duly incorporated, validly existing and in good standing under the laws of the State of Delaware.

2. The Company has all necessary corporate power to execute, deliver and perform its obligations under the Participation Agreement, the Lease, the Lease Supplement No. 1, the Purchase Agreement Assignment, the BFE Bill of Sale and the Tax Indemnity Agreement (collectively, the "Company Documents"). Neither the execution nor delivery of the Company Documents by the Company nor the consummation of the transactions contemplated thereby will result in any violation of (a) its Restated Certificate of Incorporation or By-laws or (b) any law, governmental rule or regulation known to us to be applicable to, or binding on, the Company, or requires the approval of the stockholders of the Company.

3. Each Company Document constitutes the valid and binding obligation of the Company and is enforceable against the Company in accordance with its terms.

4. Except for the matters referred to in clauses (i) through (iv) of paragraph 5 below, no approval, authorization or other action by or filing with any governmental authority is required for the execution and delivery by the Company of the Company Documents or the consummation of the transactions contemplated thereby to occur at the Closing.

5. Except for (i) the registration of the Aircraft with the FAA pursuant to the Act, (ii) the filing and recordation in accordance with the Act of the FAA Filed Documents, and assuming that at the time of such filing no other unrecorded document relating to the Aircraft has been filed pursuant to the Act, (iii) the filing of Financing Statements referred to in Section 5.1.12 of the Participation Agreement, and the filing of periodic continuation statements with respect thereto, and (iv) the taking of possession by the Mortgagee of the original counterparts of the Lease and Lease Supplement No. 1, (a) no further filing or recording of any document is necessary (x) to establish the Owner Trustee's title to the Airframe and Engines, and (y) to create a valid security interest in the Owner Trustee's interest as owner of the Airframe and Engines, the Lease and the Lease Supplement No. 1 covering the Aircraft, the Purchase Agreement (to the extent assigned by the Purchase Agreement Assignment) and the Purchase Agreement Assignment in favor of the Mortgagee pursuant to the Trust Indenture and (b) no further filing or recording of any document in the State of New York or under the Act is required to perfect a security interest in the Owner Trustee's interest as owner of the Airframe and Engines, the Lease and Lease Supplement No. 1 covering the Aircraft, the Purchase Agreement (to the extent assigned by the Purchase Agreement Assignment) and the Purchase Agreement Assignment in favor of the Mortgagee pursuant to the Trust Indenture.

6. Each of the Participation Agreement, the Trust Indenture, the Lease and the Equipment Notes constitutes the valid and binding obligation of First Security, in its individual capacity (but only to the extent expressly stated in such document that First Security is entering into such document in its individual capacity) and otherwise solely as Owner Trustee,

enforceable against First Security in its individual capacity (but only to the extent expressly stated in such document that First Security is entering into such document in its individual capacity) and otherwise solely as Owner Trustee in accordance with its terms.

7. So long as the Company continues to be a "citizen of the United States", as defined in section 40102 of Title 49 of the United States Code, holding an air carrier operating certificate issued by the Secretary of Transportation pursuant to Chapter 447 of Title 49 of the United States Code for aircraft capable of carrying 10 or more individuals or 6,000 pounds or more of cargo, the Owner Trustee, as lessor under the Lease, and the Mortgagee, as assignee of Owner Trustee's rights under the Lease pursuant to the Trust Indenture, will be entitled to the benefits of Section 1110 of Title 11 of the United States Code with respect to the Airframe and Engines delivered on the date hereof in connection with any case commenced by or against the Company under Chapter 11 of Title 11 of the United States Code.

8. Upon issuance, execution, authentication and delivery of the Equipment Notes at the Closing, the Trust Indenture creates the security interest in favor of the Mortgagee, as trustee for the benefit of the holders of the Equipment Notes, in the Trust Indenture Estate it purports to create to the extent that the UCC applies to a security interest in such property.

This opinion is being delivered pursuant to Section 5.1.2(xxiii)(A) of the Participation Agreement. This opinion may be relied upon by you (and any permitted Transferee under Section 10.1.1(a) or 10.1.3 of the Participation Agreement) in connection with the matters set forth herein and, without our prior written consent, may not be relied upon for any other purpose and may not be furnished to any other Person for any purpose.

Very truly yours,

Re: Lease of Boeing Model \_\_\_\_\_ Aircraft with Manufacturer's  
Serial Number and U.S. Registration Number N

Ladies and Gentlemen:

This opinion letter is being delivered by Continental Airlines, Inc., a Delaware corporation ("Continental"), through its Legal Department in connection with the transactions contemplated by the Participation Agreement \_\_\_\_\_ dated as of \_\_\_\_\_, among \_\_\_\_\_, as Owner Participant, First Security Bank, National Association, a national banking corporation, as Owner Trustee (the "Owner Trustee"), Wilmington Trust Company, a Delaware banking corporation, as Mortgagee, Subordination Agent under the Intercreditor Agreement (as defined in the Participation Agreement) and as Pass Through Trustee under the Applicable Pass Through Trust Agreements (as defined in the Participation Agreement) (the "Mortgagee and Loan Participant"), and Continental, as Lessee (the "Participation Agreement"). All capitalized terms used herein and not otherwise defined herein shall have the respective meanings given those terms in the Participation Agreement. This opinion letter is being furnished to you pursuant to Section 5.1.2 (xxiii)(B) of the Participation Agreement.

In giving the following opinions, members of Continental's Legal Department or lawyers retained by Continental's Legal Department have reviewed the Participation Agreement and the other Operative Agreements to which Continental is a party and have relied upon originals, or copies certified or otherwise identified to our satisfaction, of such records, documents, certificates and other instruments as in our judgment are necessary or appropriate to enable us to render the opinions expressed below. In addition, Continental's Legal Department has assumed and has not verified the accuracy as to factual matters of each document reviewed. As used herein, the phrase "to our knowledge" or words of similar import shall mean to actual knowledge of Continental's Legal Department after reasonable investigation, but shall not be

interpreted to impute knowledge of others (other than members of Continental's Legal Department).

Based on the foregoing, and subject to the assumptions and limitations contained herein, Continental's Legal Department is of the opinion that:

(a) Continental is an "air carrier" within the meaning of Section 40102 of the Act, operating under a certificate issued pursuant to Chapter 447 of the Act, is a "citizen of the United States" as such term is defined in Section 40102 of such Act and holds all authority, necessary licenses and certificates under such Act and the rules and regulations promulgated thereunder necessary for the conduct of its business and to perform its obligations under the Participation Agreement, the Lease, the Lease Supplement No. 1, the Purchase Agreement Assignment, the BFE Bill of Sale and the Tax Indemnity Agreement (collectively, the "Agreements").

(b) The execution, delivery and performance by Continental of each of the Agreements do not, to our knowledge, breach or result in a default under any indenture, mortgage, deed of trust, credit agreement, conditional sale contract or other loan agreement to which Continental is a party or by which Continental or its property may be bound.

(c) The execution, delivery and performance of each of the Agreements has been duly authorized by all necessary corporate action on the part of Continental, and each of the Agreements has been duly executed and delivered by Continental.

(d) There are no pending or, to our knowledge, threatened actions, suits or proceedings before any court or administrative agency or arbitrator that question the validity of any of the Agreements or that would have been required to be disclosed in Continental's Annual Report on Form 10-K filed for the year ended \_\_\_\_\_, on any subsequent Quarterly Report on Form 10-Q or Current Report on Form 8-K, except such as are therein disclosed.

The foregoing opinions are limited to the federal law of the United States of America (other than (i) the Act (except as expressly provided in paragraph 1 above) or any other laws, rules or regulations governing, regulating or relating to the acquisition, ownership, registration, use or sale of an aircraft, airframe or aircraft engine or to the particular nature of the equipment to be acquired by Continental, (ii) state securities or blue sky laws, or federal securities laws, (iii) federal or state tax, antitrust or fraudulent transfer or conveyance laws, as to which we express no opinion), the General Corporation Law of the State of Delaware and the law of the State of Texas.

This opinion letter is furnished to you for the purpose indicated above, and may not be relied upon by any other Person (except any permitted Transferee under Sections 10.1.1(a) or 10.1.3 of the Participation Agreement) or for any other purpose without our written consent.

## [Form of Owner Trustee Counsel's Opinion]

TO EACH OF THE PARTIES SET FORTH  
IN SCHEDULE A HERETO:

Re: Continental Airlines, Inc. 1997-1 Pass  
Through Certificates

Dear Sir or Madam:

We have acted as special counsel for First Security Bank, National Association, a national banking association, in its individual capacity ("First Security") and in its capacity as trustee (the "Owner Trustee") under Trust Agreement \_\_\_\_\_ dated as of \_\_\_\_\_ (the "Trust Agreement") between it and \_\_\_\_\_, as beneficiary (the "Owner Participant"), in connection with the transactions contemplated by the Participation Agreement (as defined below). Except as otherwise defined herein, the terms used herein shall have the meanings set forth in Annex A to the Participation Agreement \_\_\_\_\_, dated as of \_\_\_\_\_ among Continental Airlines, Inc., the Owner Participant, First Security, not in its individual capacity except as provided therein, and as Owner Trustee, and Wilmington Trust Company, not in its individual capacity except as expressly provided therein, but solely as Mortgagee, Subordination Agent under the Intercreditor Agreement (as defined in the Participation Agreement) and as Pass Through Trustee under the Applicable Pass Through Trust Agreements (as defined in the Participation Agreement) (the "Participation Agreement"). This opinion is furnished pursuant to Section 5.1.2 (xxiii)(D) of the Participation Agreement.

We have examined originals or copies, certified or otherwise identified to our satisfaction, of such documents, corporate records and other instruments as we have deemed necessary or advisable for the purpose of rendering this opinion.

Based upon the foregoing, we are of the opinion that:

(1) First Security is a national banking association duly organized, validly existing and in good standing under the laws of the United States, is a "citizen of the United States" within the meaning of Section 40102(a)(15) of the Act and has the full power and authority to enter into and perform its obligations under the Trust Agreement and each other Operative

Agreement to which it, in its individual capacity or as Owner Trustee, as the case may be, is a party and, as Owner Trustee, to issue, execute, and deliver and perform the Equipment Notes.

(2) The Owner Trustee is the duly appointed trustee under the Trust Agreement and the Trust Agreement creates a legal and valid trust under the laws of the State of Utah; the trust created by the Trust Agreement has been duly created and exists for the benefit of the Owner Participant, and the Trust Agreement creates for the benefit of the Owner Participant the rights and interests in the Trust Estate which the Trust Agreement by its terms purports to create; and assuming the Trust Agreement was properly authorized, executed and delivered by the Owner Participant and that the terms of the Trust Agreement are not in violation of any laws, documents, judgments, regulations or other provisions applicable to the Owner Participant, the Trust Agreement constitutes, under the laws of the State of Utah, a legal, valid and binding obligation of the Owner Participant enforceable against the Owner Participant in accordance with its terms.

(3) The Trust Agreement, the Participation Agreement, and each other Operative Agreement to which First Security or the Owner Trustee, as the case may be, is a party, and the Equipment Notes, have been duly authorized, executed and delivered by First Security, or the Owner Trustee, as the case may be, and assuming due authorization, execution and delivery by the other parties thereto is a legal, valid and binding obligation of First Security, or the Owner Trustee, as the case may be, enforceable in accordance with their respective terms.

(4) The execution and delivery by First Security of the Trust Agreement and the Participation Agreement and the execution and delivery by the Owner Trustee of the Operative Agreements to which it is a party is not, and the performance by First Security, or the Owner Trustee, as the case may be, of its respective obligations under each such agreements will not be, inconsistent with the articles of association or by-laws of First Security, do not and will not contravene any State of Utah or federal law, or any State of Utah or federal governmental rule or regulation or any judgment or order of which we have knowledge and which is applicable to it and do not and will not contravene any provision of, or result in the creation of any lien upon any property of First Security, or constitute a default under, any indenture, mortgage, contract or other instrument of which we have knowledge and to which First Security or the Owner Trustee is a party or by which either is bound or require the consent or approval of, the giving of notice to, or the registration with, or the taking of any action in respect of, or under federal law or the laws of the State of Utah or any subdivision or agency thereof.

(5) There are no fees, taxes or other charges, except taxes imposed on fees payable to First Security, required to be paid under the laws, ordinances or regulations of the State of Utah or any political subdivision thereof, including, without limitation, Salt Lake City, in connection with the execution, delivery or performance by the Lessee, Owner Trustee, Mortgagee or any Participant of the Operative Agreements solely because First Security, or the Owner Trustee as

the case may be, performs certain of its obligations under the Operative Documents in the State of Utah.

(6) There are no pending or threatened actions or proceedings against or affecting First Security or the Owner Trustee, as the case may be, before any court, governmental authority or administrative agency which, if adversely determined, could materially adversely affect the right, power or ability, either in its individual capacity or as Owner Trustee, or both, as the case may be, to enter into or perform its obligations under the Operative Agreements.

(7) The Trust Indenture (or financing statements or other notices with respect thereto) has been filed for record or recorded with the Division of Corporations and Commercial Code in the State of Utah and such offices are all the places in the State of Utah wherein such filing or recordation is necessary and no other actions or filings are necessary in the State of Utah to perfect the lien and security interest of the Mortgagee in the Trust Estate as against creditors of or purchasers from the Owner Trustee or the Lessee, or both.

(8) The Owner Trustee has received such right, title and interest in and to the Aircraft as was conveyed to the Owner Trustee on the date hereof, subject to (i) the rights of the Lessee under the Lease and the Lease Supplement; (ii) the beneficial interest of the Owner Participant in the Aircraft; and (iii) the Lien created pursuant to the Trust Indenture and the Trust Indenture Supplement; and to our knowledge there exist no Liens affecting the right, title or interest of the Owner Trustee in and to the Trust Estate resulting from claims against First Security, not related to the ownership of the Trust Estate or the administration of the Trust Estate or any other transaction contemplated by the Operative Agreements.

(9) Assuming that (i) the Aircraft is not physically located in the State of Utah at the commencement or termination of the Term, (ii) in connection with any sale of the Aircraft, such Aircraft will not be physically delivered in the State of Utah to a buyer, and (iii) the trust created by the Trust Agreement is treated as a grantor trust for federal income tax purposes in accordance with Sections 671 through 678 of the Internal Revenue Code of 1986, as amended, there are no fees, taxes or other charges (except taxes imposed on fees payable to the Owner Trustee) payable to the State of Utah or any political subdivision thereof in connection with the execution, delivery or performance by the Owner Trustee, the Mortgagee, the Lessee or any Participant of the Operative Agreements or in connection with the making by the Owner Participant of its investment in the Aircraft or its acquisition of the beneficial interest in the Trust Estate or in connection with the issuance and acquisition of the Equipment Notes, and neither the Owner Trustee, the Trust Estate nor the trust created by the Trust Agreement will be subject to any fee, tax or other governmental charge (except taxes on fees payable to the Owner Trustee) under the laws of the State of Utah or any political subdivision thereof on, based on or measured by, directly or indirectly, the gross receipts, net income or value of the Trust Estate by reason of the creation or continued existence of the trust under the terms of the Trust Agreement pursuant to

the laws of the State of Utah or the Owner Trustee's performance of its duties under the Trust Agreement within such State.

(10) Neither a Utah court nor a federal court applying Utah law or federal law, if properly presented with the issue and after having properly considered such issue, would permit the Owner Participant to terminate the Trust Agreement, except in accordance with its terms

(11) Although there is no Utah case directly on point, under the laws of the State of Utah, so long as the Trust Agreement has not been terminated in accordance with its terms, creditors of any person that is an Owner Participant, holders of a lien against the assets of any such person that is an Owner Participant, such as trustees, receivers or liquidators (whether or not an insolvency proceeding has been commenced) (collectively the "Creditors") may acquire valid claims and liens, as to the Trust Estate, only against the rights of such Owner Participant under the Trust Agreement or in the Trust Estate, and do not have, and may not through the enforcement of such Creditors' rights acquire, any greater rights than such Owner Participant with respect to the Trust Agreement or the Trust Estate.

The foregoing opinions are subject to the following assumptions, exception and qualifications:

A. The foregoing opinions are limited to the laws of the State of Utah and the federal laws of the United States of America governing the banking and trust powers of First Security and Title 11 of the United States Code entitled "Bankruptcy". In addition, we express no opinion with respect to (i) federal securities laws, including the Securities Act of 1933, as amended, the Securities Exchange Act of 1934, as amended, and the Trust Indenture Act of 1939, as amended; (ii) the Federal Aviation Act of 1958, as amended (except with respect to the opinion set forth in paragraph 1 above concerning the citizenship of First Security); or (iii) state securities or blue sky laws. Insofar as the foregoing opinions relate to the legality, validity, binding effect and enforceability of the documents involved in these transactions, which by their terms are governed by the laws of a state other than Utah, we have assumed that such documents constitute legal, valid, binding and enforceable agreements under the laws of such state, as to which we express no opinion.

B. The foregoing opinions regarding enforceability of any document or instrument are subject (i) except as otherwise set forth in the opinions in paragraphs 10 and 11, to applicable bankruptcy, insolvency, moratorium, reorganization, receivership and similar laws affecting the rights and remedies of creditors generally, and (ii) general principles of equity, regardless of whether such enforceability is considered in a proceeding in equity or at law. We call to your attention that bankruptcy courts are courts in equity with wide discretion in applying the provisions of the Bankruptcy Code.

C. As to the documents involved in these transactions, we have assumed that each is a legal, valid and binding obligation of each party thereto, other than First Security or the Owner Trustee, and is enforceable against each such party in accordance with their respective terms.

D. The opinion in paragraph 1 above concerning the citizenship of First Security is based upon the facts contained in an affidavit of First Security, made by its authorized officer, which facts we have not independently verified.

E. We have assumed that all signatures, other than those of the Owner Trustee or First Security, on documents and instruments involved in these transactions are genuine, that all documents and instruments submitted to us as originals are authentic, and that all documents and instruments submitted to us conform with the originals, which facts we have not independently verified.

F. We do not purport to be experts in respect of, or express any opinion concerning laws, rules or regulations applicable to the particular nature of the equipment involved in these transactions.

G. We have made no investigation of, and express no opinion concerning, the nature of the title to any part of the equipment involved in these transactions or the priority of any mortgage or security interest.

H. We have assumed that the Participation Agreement and the transactions contemplated thereby are not within the prohibitions of Section 406 of the Employee Retirement Income Security Act of 1974.

I. In addition to any other limitation by operation of law upon the scope, meaning or purpose of this opinion, this opinion speaks only as of the date hereof. We have no obligation to advise the recipients of this opinion (or any third party) of changes of law or fact that may occur after the date hereof, even though the change may effect the legal analysis, a legal conclusion or any information contained herein.

J. The opinions expressed in this letter are solely for the use of the parties which it is addressed in matters directly related to the Participation Agreement and the transactions contemplated thereunder and these opinions may not be relied on by any other persons or for any other purpose without our prior written approval. The opinions expressed in this letter are limited to the matters set forth in this letter and no other opinions should be inferred beyond the matters expressly stated.

Very truly yours,

## [FORM OF WTC COUNSEL'S OPINION]

-----

To Each of the Parties Listed  
on Schedule A Hereto

Re: Continental Airlines, Inc. - Financing of One Boeing Model  
Aircraft Bearing Manufacturer's Serial Number

Ladies and Gentlemen:

We have acted as counsel to Wilmington Trust Company, a Delaware banking corporation ("WTC"), in connection with the Trust Indenture and Mortgage \_\_\_\_\_, dated as of \_\_\_\_\_ (the "Trust Indenture"), between WTC, as mortgagee (the "Mortgagee"), and First Security Bank, National Association (the "Owner Trustee"). Pursuant to Participation Agreement \_\_\_\_\_, dated as of \_\_\_\_\_ (the "Participation Agreement"), among Continental Airlines, Inc., as Lessee, \_\_\_\_\_, as Owner Participant, the Owner Trustee and WTC, as Mortgagee, Subordination Agent under the Intercreditor Agreement (as defined in the Participation Agreement) and as Applicable Pass Through Trustee (as defined in the Participation Agreement), financing is being provided for the acquisition of one Boeing Model \_\_\_\_\_ aircraft bearing manufacturer's serial number \_\_\_\_\_. This opinion is furnished pursuant to Section 5.1.2 (xxiii)(E) of the Participation Agreement. Capitalized terms used herein and not otherwise defined are used as defined in Annex A to the Participation Agreement or as defined in the Trust Indenture, except that reference herein to any document shall mean such document as in effect on the date hereof.

We have examined originals or copies of the following documents:

- (a) The Trust Indenture and the initial Trust Indenture Supplement;
- (b) The Participation Agreement (the documents referred to in paragraphs (a) and (b) above being collectively referred to as the "Mortgage Documents"); and
- (c) The Equipment Notes being issued today and authenticated by the Mortgagee (the "Equipment Notes").

We have also examined originals or copies of such other documents and such corporate records, certificates and other

statements of governmental officials and corporate officers and other representatives of the corporations or entities referred to herein as we have deemed necessary or appropriate for the purposes of this opinion. Moreover, as to certain facts material to the opinions expressed herein, we have relied upon representations and warranties contained in the documents referred to in this paragraph.

Based upon the foregoing and upon an examination of such questions of law as we have considered necessary or appropriate, and subject to the assumptions, exceptions and qualifications set forth below, we advise you that, in our opinion:

1. WTC has been duly incorporated and is validly existing in good standing as a banking corporation under the laws of the State of Delaware, is a "citizen of the United States" within the meaning of Section 40102(a)(15) of Title 49 of the United States Code, as amended, and has full power, authority and legal right to execute, deliver and perform its obligations under the Mortgagee Documents and to authenticate the Equipment Notes.

2. The Mortgagee, the Subordination Agent, the Applicable Pass Through Trustee or WTC, as the case may be, has duly authorized, executed and delivered each Mortgagee Document to which it is party, and each such document constitutes a legal, valid and binding obligation of the Mortgagee, the Subordination Agent, the Applicable Pass Through Trustee or WTC, as the case may be, enforceable against the Mortgagee, the Subordination Agent, the Applicable Pass Through Trustee or WTC, as the case may be, in accordance with its terms.

3. The execution, delivery and performance by the Mortgagee, Subordination Agent, Applicable Pass Through Trustee or WTC, as the case may be, of the Mortgagee Documents to which it is a party, the authentication by the Mortgagee of the Equipment Notes and the consummation by the Mortgagee, the Subordination Agent, the Applicable Pass Through Trustee or WTC, as the case may be, of any of the transactions contemplated thereby are not in violation of the charter or by-laws of WTC or of any law, governmental rule or regulation of the State of Delaware or the United States governing the banking or trust powers of WTC or, to our knowledge, any indenture, mortgage, bank credit agreement, note or bond purchase agreement, long-term lease, license or other agreement or instrument to which WTC is a party or by which it is bound or, to our knowledge, any judgment or order applicable to WTC.

4. None of the execution and delivery by the Mortgagee, the Subordination Agent, the Applicable Pass Through Trustee or WTC, as the case may be, of the Mortgagee Documents to which it is a party, the authentication of the Equipment Notes or the consummation of any of the transactions by the Mortgagee, the Subordination Agent, the Applicable Pass Through Trustee or WTC, as the case may be, contemplated thereby, requires the consent or approval of, the giving of notice to, the registration with, or the taking of any other action in respect of, any governmental authority or agency of the State of Delaware or the United States governing the banking or trust powers of WTC or under any Delaware law.

5. No taxes, fees or other charges (other than taxes payable by WTC on or measured by any compensation received by WTC for its services as Mortgagee, Subordination Agent or Applicable Pass Through Trustee) are required to be paid by the Subordination Agent, the Applicable Pass Through Trustee or the Mortgagee or the trust created by the Indenture under the laws of the State of Delaware, or any political subdivision thereof, in connection with the execution, delivery or performance of the Mortgagee Documents to which the Mortgagee, the Subordination Agent or the Applicable Pass Through Trustee is party and the Equipment Notes, which taxes, fees or other charges would not be required to be paid if WTC were not a Delaware banking corporation and did not perform its obligations as Mortgagee under the Indenture in the State of Delaware.

6. The Equipment Notes have been duly and validly authenticated by the Mortgagee in accordance with the Trust Indenture.

7. To our knowledge, there are no proceedings pending or threatened against or affecting the Mortgagee, the Subordination Agent, the Applicable Pass Through Trustee or WTC in any court or before any governmental authority, agency, arbitration board or tribunal which, if adversely determined, individually or in the aggregate, would materially and adversely affect the Mortgaged Property or the right, power and authority of the Mortgagee, the Subordination Agent, the Applicable Pass Through Trustee or WTC, as the case may be, to enter into or perform its obligations under the Mortgagee Documents to which is party.

The foregoing opinions are subject to the following assumptions, exceptions and qualifications:

A. We are admitted to practice law in the State of Delaware and we do not hold ourselves out as being experts on the law of any other jurisdiction. The foregoing opinions are limited to the laws of the State of Delaware (and its political subdivisions to the extent set forth in paragraph 5, above) and the federal laws of the United States of America governing the banking or trust powers of WTC, except that we express no opinion with respect to (i) federal securities laws, including the Securities Act of 1933, as amended, the Securities Exchange Act of 1934, as amended, the Investment Company Act of 1940, as amended, and the Trust Indenture Act of 1939, as amended, (ii) Part A of Subtitle VII of Title 49 of the United States Code, as amended (except with respect to the opinion set forth in paragraph 1 above concerning the citizenship of WTC), (iii) the Federal Communications Act of 1934, as amended, (iv) state securities or blue sky laws, or (v) laws, rules and regulations applicable to the particular nature of the equipment acquired by the Company. Insofar as the foregoing opinions relate to the validity and enforceability of the Mortgagee Documents expressed to be governed by the laws of the State of New York, we have assumed that each such document is legal, valid, binding and enforceable in accordance with its terms under such laws (as to which we express no opinion).

B. The foregoing opinions regarding enforceability are subject to (i) applicable bankruptcy, insolvency, moratorium, reorganization, receivership, fraudulent conveyance and similar laws relating to or affecting the enforcement of the rights and remedies of creditors generally, and (ii) principles of equity (regardless of whether considered and applied in a proceeding in equity or at law).

C. We have assumed that each of the parties to the Mortgagee Documents and the Equipment Notes (except the Mortgagee, the Subordination Agent, the Applicable Pass Through Trustee or WTC, as the case may be) has full power, authority and legal right to execute, deliver and perform each such document and that each such document has been duly authorized, executed and delivered by each such party.

D. We have assumed that all signatures (other than signatures of officers of WTC) on documents examined by us are genuine, that all documents submitted to us as originals are authentic and that all documents submitted to us as copies conform with the originals, which facts we have not independently verified.

E. We have assumed that the Participation Agreement and the transactions contemplated thereby are not within the prohibitions of Section 406 of the Employee Retirement Income Security Act of 1974.

F. No opinion is expressed as to the creation, attachment, perfection or priority of any mortgage or security interests or as to the nature or validity of title to any part of the Mortgaged Property.

G. The opinion set forth in paragraph (1) above concerning the citizenship of WTC is based upon an affidavit of WTC, made by one of its Vice Presidents, the facts set forth in which we have not independently verified.

This opinion may be relied upon by you in connection with the matters set forth herein. This opinion may also be relied upon by any transferee of a Note Holder, subject to the understanding that the opinions expressed herein are rendered as of the date hereof and only with respect to the laws, rules and regulations in effect as of such date. Otherwise, without our prior written consent, this opinion may not be relied upon by any other person or entity for any purpose.

Very truly yours,

[Form of FAA Counsel Opinion]

Re: Continental Airlines. Inc. (the "Lessee")

To the Addressees on  
Exhibit A Attached Hereto

Ladies and Gentlemen:

Pursuant to Section 5.1.2(xxiii)(I) of Participation Agreement \_\_\_\_\_ dated as of \_\_\_\_\_ (the "Participation Agreement") among the Lessee, \_\_\_\_\_ as Owner Participant (the "Owner Participant"), the Loan Participant named therein, First Security Bank, National Association, as Owner Trustee (the "Owner Trustee") under Trust Agreement \_\_\_\_\_ dated as of \_\_\_\_\_ (the "Trust Agreement") with the Owner Participant, and Wilmington Trust Company, not in its individual capacity, except as expressly provided therein but solely as Mortgagee (the "Mortgagee"), which provides for the financing of the purchase today by the Owner Trustee of the Boeing model \_\_\_\_\_ aircraft with manufacturer's serial number \_\_\_\_\_ and United States nationality and registration marks N \_\_\_\_\_ (the "Aircraft") and two Rolls Royce model \_\_\_\_\_ aircraft engines with manufacturer's serial numbers \_\_\_\_\_ and \_\_\_\_\_ (the "Engines") and the leasing of the Aircraft and the Engines by the Owner Trustee to the Lessee, this opinion is rendered with respect to matters arising under that portion of Title 49 of the United States Code (the "Transportation Code") relating to the recordation of the instruments hereinafter described and the registration of the Aircraft pursuant to the Transportation Code. As contemplated by the Participation Agreement, title to the Aircraft has been conveyed by The Boeing Company to the Owner Trustee by an AC Form 8050-2 Aircraft Bill of Sale (the "FAA Bill of Sale"), the registration of the Aircraft will be accomplished by the filing with the Federal Aviation Administration (the "FAA") of an AC Form 8050-1 Aircraft Registration Application in the name of the Owner Trustee (the "Aircraft Registration Application"), the leasing of the Aircraft and the Engines is pursuant to Lease Agreement \_\_\_\_\_ dated as of \_\_\_\_\_ (the "Lease") between the Owner Trustee and the Lessee, as supplemented by Lease Supplement No. 1 dated this date (the "Lease Supplement"), and the creation of a security interest in the Aircraft and the Engines is pursuant to the Trust Indenture and Mortgage \_\_\_\_\_ dated as of \_\_\_\_\_ (the "Trust Indenture") between the Owner Trustee and the Mortgagee, as supplemented by Trust Indenture and Mortgage \_\_\_\_\_ Supplement No. 1 dated this date (the "Trust Supplement").

Based upon our examination of the above described instruments and of such records of the FAA as we deemed necessary to express the following opinion and as were made available to us by the FAA, it is our opinion that:

- (a) the FAA Bill of Sale, the Trust Indenture with the Trust Supplement attached and the Lease with the Lease Supplement, the Trust Indenture and the Trust Supplement attached are in due form for recording and have been duly filed for recordation with the FAA pursuant to and in accordance with the provisions of the Transportation Code today at \_\_\_\_\_, \_\_\_\_\_, and \_\_\_\_\_, respectively;
- (b) the Aircraft Registration Application, to which were attached the Affidavits of the Owner Trustee and the Owner Participant required by Section 47.7(c)(2)(ii) of Part 47 of the Federal Aviation Regulations, and the Trust Agreement were duly filed with the FAA today at \_\_\_\_\_;
- (c) the Owner Trustee is the owner of legal title to the Aircraft, and the Aircraft and the Engines are free and clear of all Liens (as such term is defined in the Lease) except the security interest created by the Trust Indenture, as supplemented by the Trust Supplement, and the interests of the parties created by the Lease, as supplemented by the Lease Supplement;
- (d) the Aircraft is eligible for registration in the name of the Owner Trustee under the Transportation Code, and the Aircraft will be duly registered by the FAA in the name of the Owner Trustee in due course pursuant to and in accordance with the provisions of the Transportation Code;
- (e) the rights of the Owner Trustee and the Lessee under the Lease, as supplemented by the Lease Supplement, with respect to the Aircraft and the Engines are perfected;
- (f) the Trust Indenture, as supplemented by the Trust Supplement, constitutes a valid, duly perfected first priority mortgage and security interest in favor of the Mortgagee, as trustee for the benefit of the Note Holders (as such term is defined in the Trust Indenture), in the Aircraft and the Engines and a valid, duly perfected first priority security interest in and collateral assignment of all of the right, title and interest of the Owner Trustee in, to and under the Lease, as supplemented by the Lease Supplement (insofar as such security interest and collateral assignment affect an interest covered by the recording system established by the FAA pursuant to Section 44107(a) of the Transportation Code), subject only to the Lease, as supplemented by the Lease Supplement;

- (g) none of the Trust Indenture, the Trust Agreement, the Trust Supplement, the Lease or the Lease Supplement is required to be filed or recorded in any other place within the United States in order to perfect the mortgage and security interest in the Aircraft and the Engines or the security interest in and collateral assignment of the Lease, as supplemented by the Lease Supplement (insofar as such security interest and collateral assignment affect an interest covered by the recording system established by the FAA pursuant to Section 44107(a) of the Transportation Code) under the applicable laws of any jurisdiction within the United States;
- (h) no other registration of the Aircraft and no filings or recordings (other than the filings and recordings with the FAA which have been effected) are necessary to perfect in any jurisdiction within the United States the Owner Trustee's title to the Aircraft, the first priority security interest and collateral assignment created by the Trust Indenture and the Trust Supplement in the Aircraft and the Engines and in all right, title and interest of the Owner Trustee in and to the Lease, as supplemented by the Lease Supplement (insofar as such security interest and collateral assignment affect an interest covered by the recording system established by the FAA pursuant to Section 44107(a) of the Transportation Code); and
- (i) no authorization, approval, consent, license or order of, or registration or filing with, or the giving of notice to, the FAA Aircraft Registry is required for the valid authorization, delivery or performance of the Lease, the Lease Supplement, the Trust Agreement, the Trust Indenture and the Trust Supplement except for such authorizations, approvals, consents, licenses, orders, registrations, and notices as have been effected.

No opinion is herein expressed as to: (i) laws other than the federal laws of the United States; (ii) the validity or enforceability under local law of the Trust Indenture, as supplemented by the Trust Supplement; or (iii) the recognition of the perfection of the security interest and collateral assignment created by the Trust Indenture, as supplemented by the Trust Supplement, as against third parties in any legal proceedings outside the United States. Since our examination was limited to records maintained by the FAA Aircraft Registry, our opinion does not cover liens which are perfected without the filing of notice thereof with the FAA, such as federal tax liens, liens arising under Section 1368(a) of Title 29 of the United States Code and possessory artisans' liens, and was subject to the accuracy of FAA personnel in the filing, indexing and recording of instruments filed with the FAA and in the search for encumbrance cross-reference index cards for the Engines. In rendering this opinion, we have relied upon the opinion of the Assistant Chief Counsel for the Aeronautical Center dated \_\_\_\_\_ (a copy of which is attached hereto) and upon the past practice of the FAA which is consistent with said opinion.

Although this opinion is not addressed to special counsel for the Loan Participant, special counsel for the Owner Participant or counsel for the Lessee, they may rely upon it as though addressed to them.

Very truly yours,

Patricia J. Hanson

SCHEDULE 6 Placards

## LEASE AGREEMENT \_\_\_\_\_

LEASE AGREEMENT \_\_\_\_\_, dated as of \_\_\_\_\_ (this "Agreement" or "Lease"), between (a) FIRST SECURITY BANK, NATIONAL ASSOCIATION, a national banking association, not in its individual capacity, except as expressly provided herein, but solely as Owner Trustee (this and all other capitalized terms used but not defined herein shall have the respective meanings ascribed thereto in Section 1 below) ("Lessor" or "Owner Trustee"), and (b) CONTINENTAL AIRLINES, INC., a Delaware corporation ("Lessee").

## RECITALS

A. Lessor and Lessee are parties to the Participation Agreement, pursuant to which, among other things, Lessor and Lessee have agreed to enter into this Agreement.

B. Pursuant to the Trust Agreement, Owner Participant has authorized Lessor to enter into this Agreement.

NOW, THEREFORE, for and in consideration of the premises and the mutual agreements contained herein and for other good and valuable consideration, the sufficiency and receipt of which are hereby acknowledged, the parties hereto agree as follows:

## SECTION 1. DEFINITIONS AND CONSTRUCTION

Capitalized terms used but not defined herein shall have the respective meanings set forth or incorporated by reference, and shall be construed and interpreted in the manner described, in Annex A.

## SECTION 2. DELIVERY AND ACCEPTANCE

## 2.1 DELIVERY AND LEASE OF AIRCRAFT

Lessor hereby agrees (subject to the satisfaction or waiver of the conditions set forth in Section 5 of the Participation Agreement) to lease to Lessee for the Term and Lessee hereby agrees (subject to the satisfaction or waiver of the conditions set forth in Section 5 of the Participation Agreement) to lease from Lessor for the Term, the Aircraft, commencing immediately

upon acquisition of the Aircraft by Lessor pursuant to the Purchase Agreement Assignment.

## 2.2 ACCEPTANCE BY LESSEE

(a) By executing and delivering Lease Supplement No. 1, Lessee confirms to Lessor that Lessee has duly and irrevocably accepted delivery of the Aircraft for all purposes of this Agreement.

(b) Lessor has authorized one or more employees of Lessee, designated by Lessee in writing, as the authorized representative or representatives of Lessor to accept delivery of the Aircraft on behalf of Lessor pursuant to the Purchase Agreement Assignment and the Participation Agreement. Lessee hereby agrees that if delivery of the Aircraft shall be accepted by an employee or employees of Lessee pursuant to such authorization by Lessor, such acceptance of delivery by such employee or employees on behalf of Lessor shall, without further act, irrevocably constitute acceptance by Lessee of the Aircraft for all purposes of this Agreement.

## SECTION 3. TERM AND RENT

### 3.1 TERM

The Aircraft shall be leased hereunder for the Term, unless this Agreement or the leasing of the Aircraft is earlier terminated in accordance with any provision of this Agreement. Lessee shall have the option to renew the leasing of the Aircraft hereunder pursuant to, and subject to the terms and conditions of, Section 17, for the Renewal Lease Term.

### 3.2 RENT

#### 3.2.1 INTERIM RENT; BASIC RENT; ADJUSTMENTS TO BASIC RENT AND CERTAIN OTHER AMOUNTS

(a) Lessee shall pay Interim Rent to Lessor on the last day of the Interim Lease Term, which shall be allocated to the Interim Lease Term. During the Base Lease Term, Lessee shall pay to Lessor, on each Payment Date, Basic Rent in the amount equal to the percentage of Lessor's Cost specified in Schedule 2 for such Payment Date, which shall be allocated to the Payment Period ending on such Payment Date, if designated as a payment in arrears, or allocated to the Payment Period commencing on such

Payment Date, if designated as a payment in advance, in each case as specified in Schedule 2, as such amount may be (i) adjusted pursuant to Section 3.2.1(b) or (ii) increased in an amount equal to any increase in the amount of interest due on the Equipment Notes on the relevant Payment Date pursuant to Section 2(e) of the Registration Rights Agreement.

(b) Basic Rent, Stipulated Loss Values and Termination Values, shall be subject to adjustment as follows:

(i) In the event that Transaction Expenses paid by Lessor pursuant to Section 9.2 of the Participation Agreement are determined to be other than 1.0% of Lessor's Cost, then in each case the Basic Rent percentages set forth in Schedule 2, Stipulated Loss Value percentages set forth in Schedule 3 and the Termination Value percentages set forth in Schedule 4 shall be recalculated (upwards or downwards) by the Owner Participant, on or prior to the 120th day after the Delivery Date using the same methods and assumptions used to calculate original Basic Rent, Stipulated Loss Value and Termination Value percentages in order to (1) maintain the Owner Participant's Net Economic Return and (2) minimize the Net Present Value of Rents to Lessee to the extent possible consistent with clause (1) hereof.

(ii) In the event of a refinancing as contemplated by Section 11 of the Participation Agreement, then the Basic Rent percentages set forth in Schedule 2, Stipulated Loss Value percentages set forth in Schedule 3 and the Termination Value percentages set forth in Schedule 4 shall be recalculated (upwards and downwards) by the Owner Participant as contemplated by such Section to (1) maintain the Owner Participant's Net Economic Return and (2) to the extent possible consistent with clause (1) hereof, minimize the Net Present Value of Rents to Lessee.

(iii) In the event that Lessee is required to indemnify the Owner Participant under the Tax Indemnity Agreement, then (A) in the event that the Lessee agrees to satisfy such indemnity obligation pursuant to SECTION \_\_\_ OF THE TAX INDEMNITY AGREEMENT, the Basic Rent percentages set forth in Schedule 2, and (B) in any event, the Stipulated Loss Value percentages set forth in Schedule 3 and the Termination Value percentages set forth in Schedule 4 shall be

recalculated (upwards or downwards) by Owner Participant, using the same methods and assumptions (except to the extent such assumptions shall be varied to take into account the Loss or Foreign Tax Credit Loss (as each such term is defined in the Tax Indemnity Agreement) that is the subject of such indemnification and any prior or contemporaneous Loss or Foreign Tax Credit Loss) used to calculate the Basic Rent percentages, the Stipulated Loss Value percentages and the Termination Value percentages on the Delivery Date, in order to (1) maintain the Owner Participant's Net Economic Return and (2) to the extent possible consistent with clause (1) hereof, minimize the Net Present Value of Rents to Lessee.

(c) All adjustments pursuant to Section 3.2.1(b) shall be made as promptly as practicable after either Owner Participant or Lessee gives notice to the other that an event has occurred that requires an adjustment. Owner Participant and Lessee shall give prompt notice to the other of any event requiring an adjustment. Any recalculation of the percentages of Basic Rent, Stipulated Loss Value and Termination Value shall be prepared by Owner Participant, subject to verification at the request of Lessee in accordance with this Section 3.2.1(c), on the basis of the same methodology and assumptions used by Owner Participant in determining the percentages of Basic Rent, Stipulated Loss Value and Termination Value as of the Delivery Date, except as such assumptions have been modified to reflect the events giving rise to adjustments hereunder. Promptly after an adjustment is made hereunder, Owner Participant shall deliver to Lessee a description of such adjustment, setting forth in reasonable detail the calculation thereof. All adjustments shall (i) be made so as to avoid characterization of the Lease as a "disqualified leaseback or long-term agreement" within the meaning of Section 467 of the Code unless such adjustments are made in a manner that reflects the effect of such characterization and (ii) be in compliance with the requirements of Sections 4.02(5), 4.07(1) and, on a prospective basis, 4.08(1) of Revenue Procedure 75-28, except to the extent that on the Delivery Date the Lease constituted a "disqualified leaseback or long-term agreement" or was not in compliance with the regulations referred to in clause (ii). All adjustments required pursuant to Section 3.2.1(b) shall be set forth in a Lease Supplement or in an amendment to this Lease, and, promptly after execution thereof by Lessor and Lessee, Lessee shall give a copy thereof to Mortgagee.

(d) If Lessee believes that any calculations by Owner Participant pursuant to Section 3.2.1(c) are in error, and if, after consultation, Lessee and Owner Participant are unable to agree on an adjustment, then a nationally recognized firm of accountants selected by Lessee and reasonably satisfactory to Owner Participant shall verify such calculations. Owner Participant will make available to such firm, but not, in any circumstances, to Lessee or any representative of Lessee, the methodology and assumptions referred to in Section 3.2.1(c) and any modifications thereto made to reflect the events giving rise to adjustments hereunder (subject to the execution by such firm of a confidentiality agreement, reasonably acceptable to Owner Participant, prohibiting disclosure of such methodology and assumptions to any third party). The determination by such firm of accountants shall be final. Lessee will pay the reasonable costs and expenses of such further verification by such accountants, provided that if it results in a decrease in Basic Rent which decreases the remaining Net Present Value of Rents by ten or more basis points from the remaining Net Present Value of Rents as recalculated by the Owner Participant, then the Owner Participant will pay such costs and expenses.

(e) Notwithstanding anything to the contrary in any Operative Agreement, the amount of the payment of Basic Rent due and payable on each Payment Date shall be at least sufficient to pay in full, as of such Payment Date (assuming timely payment of the Equipment Notes prior to such Date), the aggregate principal amount of scheduled installments due on the Equipment Notes outstanding on such Payment Date, together with the accrued and unpaid interest thereon, due on such Payment Date in respect of the Equipment Notes; provided, however, that no installment of Basic Rent shall be increased to the extent such increase would be based upon (i) any attachment or diversion of Basic Rent on account of Lessor Liens, (ii) any modification of the payment terms of the Equipment Notes, other than as required or permitted by any Operative Agreement (including, without limitation, as permitted upon the occurrence of a Lease Event of Default) or (iii) the acceleration of any Equipment Note or Equipment Notes due solely to the occurrence of an Indenture Event of Default that does not constitute a Lease Event of Default.

### 3.2.2 SUPPLEMENTAL RENT

Lessee shall pay to Lessor, or to whosoever shall be entitled thereto, any and all Supplemental Rent when and as the

same shall become due and owing. Lessee will also pay to Lessor, or to whosoever shall be entitled thereto as Supplemental Rent, to the extent permitted by applicable law, interest at the Payment Due Rate on any part of any amount of Rent (including, without limitation, Supplemental Rent) not paid by 12:30 p.m., New York time, on the date when due (so long as, in the case of any person not a party to the Participation Agreement, Lessee had received timely notice of the account to which such payment was required to be made), for the period from and including the date on which the same was due to, but excluding, the date of payment in full.

### 3.3 PAYMENTS

(a) Payments of Rent by Lessee shall be paid by wire transfer of immediately available Dollars, not later than 12:30 p.m., New York time, on the date when due, to the account of Lessor specified in Schedule 1 to the Participation Agreement or to such other account in the United States as directed by Lessor to Lessee in writing at least 10 Business Days prior to the date such payment of Rent is due or, in the case of any payment of Supplemental Rent expressly payable to a person other than Lessor, to the person that shall be entitled thereto to such account in the United States as such person may specify from time to time to Lessee at least 10 Business Days prior to the date such payment of Rent is due.

(b) Except as otherwise expressly provided herein, whenever any payment of Rent shall be due on a day that is not a Business Day, such payment shall be made on the next day that is a Business Day, and, if such payment is made on such next Business Day, no interest shall accrue on the amount of such payment during such extension.

(c) So long as Lessee has not received written notice from the Mortgagee that the Trust Indenture has been discharged, and notwithstanding Section 3.3(a), Lessor hereby directs, and Lessee agrees, that all payments of Rent and all other amounts payable by Lessee hereunder, other than Excluded Payments, shall be paid directly to Mortgagee on behalf of Lessor by wire transfer of immediately available Dollars to the account of Mortgagee specified in Schedule 1 to the Participation Agreement, or to such other account in the United States as Mortgagee may specify by written notice to Lessor and Lessee at least 10 Business Days prior to the date such payment of Rent is due.

(d) Excluded Payments shall be paid by wire transfer of immediately available Dollars to the account of the person specified in the Participation Agreement or, if not so specified, to such account in the United States as may be specified by such person by written notice to Lessor and Lessee from time to time at least 10 Business Days prior to the date such payment is required to be made.

(e) All computations of interest under this Agreement shall be made on the basis of a year of 360 days comprised of twelve 30-day months.

SECTION 4. DISCLAIMER; CERTAIN AGREEMENTS OF LESSOR; SECTION 1110 MATTERS

4.1 DISCLAIMER

LESSEE ACKNOWLEDGES AND AGREES THAT AS BETWEEN LESSEE AND EACH OF LESSOR, MORTGAGEE AND ANY PARTICIPANT (i) LESSEE HAS SELECTED THE AIRCRAFT AND MANUFACTURER THEREOF AND (ii) NONE OF LESSOR, MORTGAGEE AND ANY PARTICIPANT MAKES, HAS MADE OR SHALL BE DEEMED TO HAVE MADE, AND EACH WILL BE DEEMED TO HAVE EXPRESSLY DISCLAIMED, ANY REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, AS TO:

- (v) THE AIRWORTHINESS, VALUE, CONDITION, DESIGN, OPERATION, ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR USE OR FOR ANY PARTICULAR PURPOSE OF THE AIRFRAME, ANY ENGINE OR ANY PART THEREOF;
- (w) THE QUALITY OF THE MATERIAL OR WORKMANSHIP WITH RESPECT TO THE AIRFRAME, ANY ENGINE OR ANY PART THEREOF;
- (x) THE ABSENCE OF LATENT OR ANY OTHER DEFECT IN THE AIRFRAME, ANY ENGINE OR ANY PART THEREOF, WHETHER OR NOT DISCOVERABLE;
- (y) THE ABSENCE OF ANY INFRINGEMENT OF ANY PATENT, TRADEMARK OR COPYRIGHT OR THE LIKE; OR
- (z) THE ABSENCE OF OBLIGATIONS BASED ON STRICT LIABILITY IN TORT, OR ANY OTHER REPRESENTATION OR WARRANTY WHATSOEVER, EXPRESS OR IMPLIED, WITH RESPECT TO THE AIRFRAME, ANY ENGINE OR ANY PART THEREOF.

## 4.2 CERTAIN AGREEMENTS OF LESSOR

Unless a Lease Event of Default shall have occurred and be continuing, Lessor agrees to make available to Lessee such rights as Lessor may have under any warranty with respect to the Aircraft made, or made available, by Airframe Manufacturer or Engine Manufacturer or any of their respective subcontractors or suppliers, as the case may be, pursuant to and in accordance with the terms of the Purchase Agreement Assignment.

## 4.3 QUIET ENJOYMENT

So long as no Lease Event of Default shall have occurred and be continuing, Lessor shall not interfere with Lessee's rights hereunder to continued possession, use and operation of, and quiet enjoyment of, the Aircraft during the Term.

## 4.4 INVESTMENT OF FUNDS HELD AS SECURITY

## 4.4.1 INVESTMENT

Any moneys required to be paid to or retained by Lessor that are required to be paid to Lessee or applied as provided herein shall, until paid to Lessee as provided herein or applied as provided herein, be invested by Lessor from time to time as directed in writing by Lessee (or, if Lessee fails to so direct, by or as directed by Lessor in its sole discretion) and at the expense and risk of Lessee in Cash Equivalents so long as such Cash Equivalents specified by Lessee or Lessor, as the case may be, can be acquired by Lessor using its best efforts; provided, that so long as the Lien of the Trust Indenture shall not have been discharged, such moneys shall be invested and held by Mortgagee, as assignee of Lessor, in accordance with this Lease and upon discharge of such Lien, Mortgagee shall pay any such money held by it to Lessor to be held and invested in accordance with this Section.

## 4.4.2 PAYMENT OF GAIN OR LOSS

Any net gain (including interest received) realized as the result of investments pursuant to Section 4.4.1 (net of any fees, commissions and other reasonable expenses, if any, incurred in connection with such investment) shall be held and applied in the same manner as the principal amount is to be held and applied hereunder. Lessee will promptly pay to Lessor, on demand, the amount of any loss realized as the result of any such investment

(together with any fees, commissions and other reasonable expenses, if any, incurred in connection with such investment), such amount so paid to be held and applied by Lessor as contemplated in Section 4.4.1 above.

#### 4.4.3 LIMITATION OF LIABILITY

All investments under this Section 4.4 shall be at the expense and risk of Lessee, and Lessor and Mortgagee shall not be liable for any loss resulting from any investment made under this Section 4.4 other than by reason of its willful misconduct or gross negligence. Any such investment may be sold (without regard to its maturity) by Lessor without instructions whenever such sale is necessary to make a distribution required by this Lease.

#### 4.5 Title Transfers by Lessor

If Lessor shall be required to transfer title to the Aircraft, Airframe or any Engine to Lessee or any other person pursuant to this Lease, then (a) Lessor shall (1) transfer to Lessee or such other person, as the case may be, all of Lessor's right, title and interest in and to the Aircraft, Airframe or such Engine, as the case may be, free and clear of all Lessor Liens, (2) so long as the Lien of the Trust Indenture has not been discharged, comply with the Trust Indenture relating to the release of the Aircraft, Airframe or such Engine, (3) assign to Lessee or such other person, as the case may be, if and to the extent permitted under the Purchase Agreement, all warranties of Airframe Manufacturer and Engine Manufacturer with respect to the Aircraft, Airframe or such Engine, and (4) assign to Lessee or such other person, as the case may be, if and to the extent permitted, all claims, if any, for damage to the Aircraft, Airframe or such Engine, in each case free of Lessor Liens, and without recourse or warranty of any kind whatsoever (except as to the transfer described in clause (1) above and as to the absence of such Lessor Liens, as aforesaid), and (b) Lessor shall promptly deliver to Lessee or such other person, as the case may be, a bill of sale and agreements of assignment, evidencing such transfer and assignment, and such other instruments of transfer, all in form and substance reasonably satisfactory to Lessee (or such other person, as the case may be), as Lessee (or such other person, as the case may be) may reasonably request.

## 4.6 LESSOR'S INTEREST IN CERTAIN ENGINES

Lessor hereby agrees for the benefit of each lessor, conditional seller, indenture trustee or secured party of any engine leased to, or purchased by, Lessee or any Permitted Sublessee subject to a lease, conditional sale, trust indenture or other security agreement that Lessor, its successors and assigns will not acquire or claim, as against such lessor, conditional seller, indenture trustee or secured party, any right, title or interest in any engine as the result of such engine being installed on the Airframe at any time while such engine is subject to such lease, conditional sale, trust indenture or other security agreement and owned by such lessor or conditional seller or subject to a trust indenture or security interest in favor of such indenture trustee or secured party.

## 4.7 LEASE FOR U.S. FEDERAL INCOME TAX LAW PURPOSES; SECTION 1110 OF BANKRUPTCY CODE

(a) Lessee and Lessor agree that this Lease is, and shall be treated as, a lease for U.S. federal income tax purposes of the Aircraft, Airframe, Engines and Parts.

(b) It is the intention of each of Lessee and Lessor that Lessor (and Mortgagee as assignee of Lessor under the Trust Indenture) shall be entitled to the benefits of Section 1110 with respect to the right to take possession of the Aircraft, Airframe, Engines and Parts as provided in this Lease.

## SECTION 5. RETURN OF AIRCRAFT

## 5.1 COMPLIANCE WITH ANNEX B

Lessee shall comply with each of the provisions of Annex B hereto, which provisions are hereby incorporated by this reference as if set forth in full herein.

## 5.2 STORAGE AND RELATED MATTERS

If Lessor gives written notice to Lessee not less than 60 days nor more than 120 days prior to the end of the Term requesting storage of the Aircraft upon its return hereunder, Lessee will provide Lessor, or cause Lessor to be provided, with outdoor parking facilities for the Aircraft for a period up to 30 days, commencing on the date of such return, and upon request of Lessor to Lessee made at least 10 days prior to the end of such

initial 30 day period, for an additional 30 day period commencing upon expiration of such initial period, at such storage facility in the 48 contiguous states of the United States as Lessee may select. Lessee shall, at Lessor's written request, maintain insurance (if available) for the Aircraft during such storage period, provided that Lessor shall reimburse Lessee for Lessee's out-of-pocket cost of providing such insurance. Such storage shall be at Lessor's risk, and Lessor shall pay all applicable storage fees, except that Lessee shall pay the parking fees for the initial 30 day storage period; provided that Lessee's obligation to provide parking shall be subject to Lessor entering into an agreement prior to the commencement of the storage period with the storage facility providing, among other things, that Lessor shall bear all maintenance charges and other costs (other than parking fees for the initial 30 day period) incurred.

### 5.3 RETURN OF OTHER ENGINES

In the event that any Engine owned by Lessor shall not be installed on the Airframe at the time of return hereunder, Lessee shall be required to return the Airframe hereunder with a Replacement Engine meeting the requirements of, and in accordance with, Section 10 hereof and Annex B hereto. Thereupon, Lessor will transfer to Lessee the Engine constituting part of such Aircraft but not installed on such Airframe at the time of the return of the Airframe.

### 5.4 FUEL

Upon the return of the Airframe upon any termination of this Lease, Lessor shall pay Lessee, as compensation for any fuel or oil contained in the fuel or oil tanks of such Airframe, the value of such fuel or oil at the price paid by Lessee for such fuel or oil, provided that if the Aircraft is being returned in connection with the exercise of remedies pursuant to Section 15, Lessor shall have no obligation to make such payment to Lessee until Lessor shall have been paid all amounts due to it pursuant to Section 15.

## SECTION 6. LIENS

Lessee shall not, directly or indirectly, create, incur, assume or suffer to exist any Lien on or with respect to the Aircraft, the Airframe, any Engine or any Part, title to any of the foregoing or any interest of Lessee therein, or the Lessee's

rights in and to this Lease or any Permitted Sublease, except (a) the respective rights of Lessor, Mortgagee, the Participants or Lessee under the Operative Agreements, or of any Permitted Sublessee under any Permitted Sublease; (b) Lessor Liens; (c) the rights of others under agreements or arrangements to the extent permitted by the terms of Sections 7.2 and 7.3; (d) Liens for Taxes of Lessee (and its U.S. federal tax law consolidated group), or Liens for Taxes of any Tax Indemnitee (and its U.S. federal tax law consolidated group) for which Lessee is obligated to indemnify such Tax Indemnitee under any of the Lessee Operative Agreements, in any such case either not yet due or being contested in good faith by appropriate proceedings so long as such Liens and such proceedings do not involve any material risk of the sale, forfeiture or loss of the Aircraft, the Airframe, any Engine or the interest of any Participant therein or impair the lien of the Trust Indenture; (e) materialmen's, mechanics', workers', repairers', employees' or other like Liens arising in the ordinary course of business for amounts the payment of which is either not yet delinquent for more than 60 days or is being contested in good faith by appropriate proceedings, so long as such Liens and such proceedings do not involve any material risk of the sale, forfeiture or loss of the Aircraft, the Airframe, any Engine or the interest of any Participant therein or impair the lien of the Trust Indenture; (f) Liens arising out of any judgment or award against Lessee (or against any Permitted Sublessee), so long as such judgment shall, within 60 days after the entry thereof, have been discharged or vacated, or execution thereof stayed pending appeal or shall have been discharged, vacated or reversed within 60 days after the expiration of such stay, and so long as during any such 60-day period there is not, or any such judgment or award does not involve, any material risk of the sale, forfeiture or loss of the Aircraft, the Airframe, any Engine or the interest of any Participant therein or impair the lien of the Trust Indenture, and (g) any other Lien with respect to which Lessee (or any Permitted Sublessee) shall have provided a bond, cash collateral or other security adequate in the reasonable opinion of Lessor. Lessee shall promptly take (or cause to be taken) such action as may be necessary duly to discharge (by bonding or otherwise) any Lien not excepted above if the same shall at any time arise in respect of the Aircraft, the Airframe, any Engine or any Part during the Term.

## SECTION 7. REGISTRATION, OPERATION, POSSESSION, SUBLEASING AND RECORDS

## 7.1 REGISTRATION AND OPERATION

## 7.1.1 REGISTRATION AND RECORDATION

Subject to the compliance by Lessor and Owner Participant with their respective obligations under Section 13 of the Participation Agreement, Lessee shall cause the Aircraft to be, and at all times during the Term to remain, duly registered with the FAA under the Act or with such other country of registry as shall be permitted under Section 7.1.2 below, in the name of Lessor as owner and lessor (except to the extent that such registration under the Act cannot be effected with the FAA because of Lessor's or Owner Participant's failure to comply with the citizenship requirements for registration of the Aircraft under the Act). Lessor shall execute and all such documents as Lessee (or any Permitted Sublessee) may reasonably request for the purpose of effecting and continuing such registration. Unless Mortgagee has given Lessee notice that the Trust Indenture has been discharged, Lessee shall also cause the Trust Indenture to be duly recorded and at all times maintained of record as a first-priority perfected mortgage (subject to Permitted Liens) on the Aircraft, the Airframe and each of the Engines (except to the extent such perfection or priority cannot be maintained solely as a result of the failure by Lessor or Mortgagee to execute and deliver any necessary documents).

## 7.1.2 REREGISTRATION

So long as no Lease Event of Default shall have occurred and be continuing, Lessee may, by written notice to Lessor, request to change the country of registration of the Aircraft. Any such change in registration shall be effected only in compliance with, and subject to all of the conditions set forth in, Section 7.6.11 of the Participation Agreement.

## 7.1.3 MARKINGS

If permitted by applicable Law, on or reasonably promptly after the Delivery Date, Lessee will cause to be affixed to, and maintained in, the cockpit of the Airframe and on each Engine, in each case, in a clearly visible location (it being understood that the location of such placards, as identified to the Owner Participant prior to the Delivery Date, shall be deemed to be in

compliance with this requirement), a placard of a reasonable size and shape bearing the legend, in English, set forth in Schedule 6. Such placards may be removed temporarily, if necessary, in the course of maintenance of the Airframe or Engines. If any such placard is damaged or becomes illegible, Lessee shall promptly replace it with a placard complying with the requirements of this Section 7.1.3.

#### 7.1.4 COMPLIANCE WITH LAWS

Lessee shall not, and shall not allow any other person to, operate, use, maintain, service, repair or overhaul the Aircraft (a) in violation of any Law binding on or applicable to the Aircraft, the Airframe or any Engine, or (b) in violation of any airworthiness certificate, license or registration of any Government Entity relating to the Aircraft, the Airframe or any Engine, except (1) immaterial or non-recurring violations with respect to which corrective measures are taken promptly by Lessee or a Permitted Sublessee, as the case may be, upon discovery thereof, and (2) to the extent Lessee or any Permitted Sublessee is contesting the validity or application of any such Law or requirement relating to any such certificate, license or registration in good faith in any reasonable manner which does not involve any material risk of the sale, forfeiture or loss of the Aircraft, the Airframe, any Engine or the interest of any Participant therein, any material risk of criminal liability or of material civil penalty against Lessor, Mortgagee or any Participant or impair the lien of the Trust Indentures.

#### 7.1.5 OPERATION

Lessee agrees not to operate, use or locate the Aircraft, the Airframe or any Engine, or allow the Aircraft, the Airframe or any Engine to be operated, used or located (a) in any area excluded from coverage by any insurance required by the terms of Section 11, except in the case of a requisition by the U.S. Government where Lessee obtains an indemnity in lieu of such insurance from the U.S. Government, or insurance from the U.S. Government, covering such area, in accordance with Section 11.3 or (b) in any recognized area of hostilities unless fully covered in accordance with Annex D by war-risk insurance as required by the terms of Section 11 (including, without limitation, Section 11.3), unless in any case referred to in this Section 7.1.5 the Aircraft is only temporarily operated, used or located in such area as a result of an emergency, equipment malfunction,

navigational error, hijacking, weather condition or other similar unforeseen circumstances, so long as Lessee diligently and in good faith proceeds to remove the Aircraft from such area.

## 7.2 POSSESSION

Lessee will not, without the prior written consent of Lessor, sublease or otherwise in any manner deliver, transfer or relinquish possession of the Aircraft, the Airframe or any Engine or install any Engine, or permit any Engine to be installed, on any airframe other than the Airframe; provided, however, subject to the provisions of Section 7.3, that if and for so long as no Lease Event of Default shall have occurred and be continuing, then Lessee may, without such prior written consent:

### 7.2.1 INTERCHANGE AND POOLING

Subject or permit any Permitted Sublessee to subject any Engine to normal interchange agreements or pooling agreements or arrangements, in each case customary in the commercial airline industry and entered into by Lessee or such Permitted Sublessee, as the case may be, in the ordinary course of business; provided, however, that if Lessor's title to any such Engine is divested under any such agreement or arrangement, then such Engine shall be deemed to have suffered an Event of Loss as of the date of such divestiture, with the effect that Lessee shall be required to replace such Engine with a Replacement Engine meeting the requirements of, and in accordance with, Section 10.

### 7.2.2 TESTING AND SERVICE

Deliver or permit any Permitted Sublessee to deliver possession of the Aircraft, Airframe, any Engine or any Part (i) to the manufacturer thereof or to any third-party maintenance provider, for testing, service, repair, maintenance or overhaul work on the Aircraft, Airframe, any Engine or any Part, or, to the extent required or permitted by the terms of Annex C, for alterations or modifications in or additions to the Aircraft, Airframe or any Engine or (ii) to any Person for the purpose of transport to a Person referred to in the preceding clause (i).

### 7.2.3 TRANSFER TO U.S. GOVERNMENT

Transfer or permit any Permitted Sublessee to transfer possession of the Aircraft, Airframe or any Engine to the U.S. Government, in which event Lessee shall promptly notify Lessor

and Mortgagee in writing of any such transfer of possession and, in the case of any transfer pursuant to CRAF, in such notification shall identify by name, address and telephone numbers the Contracting Office Representative or Representatives for the Military Airlift Command of the United States Air Force to whom notices must be given and to whom requests or claims must be made to the extent applicable under CRAF.

#### 7.2.4 INSTALLATION OF ENGINES ON OWNED AIRCRAFT

Install or permit any Permitted Sublessee to install an Engine on an airframe owned by Lessee or such Permitted Sublessee, as the case may be, free and clear of all Liens, except (a) Permitted Liens and those that do not apply to the Engines and (b) the rights of third parties under normal interchange or pooling agreements and arrangements of the type that would be permitted under Section 7.2.1.

#### 7.2.5 INSTALLATION OF ENGINES ON OTHER AIRFRAMES

Install or permit any Permitted Sublessee to install an Engine on an airframe leased to Lessee or such Permitted Sublessee, or purchased by Lessee or such Permitted Sublessee subject to a mortgage, security agreement, conditional sale or other secured financing arrangement, but only if (a) such airframe is free and clear of all Liens, except (i) the rights of the parties to such lease, or any such secured financing arrangement, covering such airframe and (ii) Liens of the type permitted by clauses (a) and (b) of Section 7.2.4 and (b) Lessee or Permitted Sublessee, as the case may be, shall have received from the lessor, mortgagee, secured party or conditional seller, in respect of such airframe, a written agreement (which may be a copy of the lease, mortgage, security agreement, conditional sale or other agreement covering such airframe), whereby such Person agrees that it will not acquire or claim any right, title or interest in, or Lien on, such Engine by reason of such Engine being installed on such airframe at any time while such Engine is subject to this Lease or is owned by Lessor.

#### 7.2.6 INSTALLATIONS OF ENGINES ON FINANCED AIRCRAFT

Install or permit any Permitted Sublessee to install an Engine on an airframe owned by Lessee or such Permitted Sublessee, leased to Lessee or such Permitted Sublessee, or

purchased by Lessee or such Permitted Sublessee subject to a conditional sale or other security agreement under circumstances where neither Section 7.2.4 or 7.2.5 is applicable; provided, however, that any such installation shall be deemed an Event of Loss with respect to such Engine, and Lessee shall comply with Section 10.2 hereof in respect thereof.

#### 7.2.7 SUBLEASING

With respect to the Aircraft, Airframe or any Engine, enter into a sublease with any Permitted Air Carrier, but only if:

(a) Lessee shall provide written notice to Lessor and Mortgagee (such notice in the event of a sublease to a U.S. Air Carrier to be given promptly after entering into any such sublease or, in the case of a sublease to any other Permitted Air Carrier, 10 days in advance of entering into such sublease);

(b) At the time that Lessee enters into such sublease, such Permitted Air Carrier shall not be subject to any bankruptcy, insolvency, liquidation, reorganization, dissolution or similar proceeding, and shall not have substantially all of its property in the possession of any liquidator, trustee, receiver or similar person;

(c) Any such sublease (i) shall not extend beyond the expiration of the Basic Term or any Renewal Term then in effect unless Lessee shall have irrevocably committed to purchase the Aircraft, (ii) shall include provisions for the maintenance, operation, possession, inspection and insurance of the Aircraft that are the same in all material respects as the applicable provisions of this Lease and (iii) shall be expressly subject and subordinate to all the terms of this Agreement and to the rights, powers and remedies of Lessor hereunder, including, without limitation, Lessor's rights under Section 15 to repossess the Aircraft, Airframe and Engines and to terminate such sublease upon the occurrence of a Lease Event of Default;

(d) In connection with a sublease to a Permitted Foreign Air Carrier, (1) the United States maintains diplomatic relations with the country of domicile of such Permitted Foreign Air Carrier (or, in the case of Taiwan, diplomatic relations at least as good as those in effect on the Delivery Date) and (2) Lessee shall have furnished Lessor and Mortgagee a favorable opinion of counsel, reasonably satisfactory to Lessor, in the country of

domicile of such Permitted Foreign Air Carrier, that (i) the terms of such sublease are the legal, valid and binding obligations of the parties thereto enforceable under the laws of such jurisdiction, (ii) it is not necessary for Owner Participant, Lessor or Mortgagee to register or qualify to do business in such jurisdiction, if not already so registered or qualified, as a result, in whole or in part, of the proposed sublease, (iii) Lessor's title to, and Mortgagee's Lien in respect of, the Aircraft, Airframe and Engines will be recognized in such jurisdiction, (iv) the Laws of such jurisdiction of domicile require fair compensation by the government of such jurisdiction, payable in a currency freely convertible into Dollars, for the loss of title to the Aircraft, Airframe or Engines in the event of the requisition by such government of such title (unless Lessee shall provide insurance in the amounts required with respect to hull insurance under Section 11 covering the requisition of title to the Aircraft, Airframe or Engines by the government of such jurisdiction so long as the Aircraft, Airframe or Engines are subject to such sublease) and (v) the agreement of such Permitted Air Carrier that its rights under the sublease are subject and subordinate to all the terms of this Lease is enforceable against such Permitted Air Carrier under applicable law;

(e) Lessee shall furnish to Lessor, Mortgagee and Owner Participant evidence reasonably satisfactory to Lessor that the insurance required by Section 11 remains in effect;

(f) All necessary documents shall have been duly filed, registered or recorded in such public offices as may be required fully to preserve the title of Lessor, and the first priority security interest (subject to Permitted Liens) of Mortgagee, in the Aircraft, Airframe and Engines;

(g) Lessee shall reimburse Lessor, Mortgagee and Owner Participant for all of their reasonable out-of-pocket fees and expenses, including, without limitation, reasonable fees and disbursements of counsel, incurred by Lessor, Mortgagee and Owner Participant in connection with any such sublease;

(h) For all purposes of this Section 7.2.7, the term "sublease" shall be deemed to include interchange agreements with respect to the Aircraft or Airframe; and

(i) No such sublease shall be made to a Permitted Foreign Air Carrier prior to the close of the Tax Attribute Period, unless Lessee prepays on a lump-sum basis any liability due under the Tax Indemnity Agreement as a result of such sublease based upon the assumption that such sublease were to continue for the remainder of the term of such sublease.

7.3 CERTAIN LIMITATIONS ON SUBLEASING OR OTHER RELINQUISHMENT OF POSSESSION

Notwithstanding anything to the contrary in Section 7.2:

(a) The rights of any person that receives possession of the Aircraft in accordance with Section 7.2 shall be subject and subordinate to all the terms of this Lease, and to Lessor's rights, powers and remedies hereunder, including, without limitation (i) Lessor's right to repossess the Aircraft pursuant to Section 15, (ii) Lessor's right to terminate and avoid such sublease, delivery, transfer or relinquishment of possession upon the occurrence of a Lease Event of Default and (iii) the right to require such person to forthwith deliver the Aircraft, the Airframe and Engines subject to such transfer upon the occurrence of a Lease Event of Default;

(b) Lessee shall remain primarily liable hereunder for the performance of all the terms of this Lease to the same extent as if such transfer had not occurred, and no transfer of possession of the Aircraft, the Airframe, any Engine or any Part shall in any way discharge or diminish any of Lessee's obligations to Lessor hereunder or under any Operative Agreement;

(c) Lessee shall ensure that no sublease, delivery, transfer or relinquishment permitted under Section 7.2 shall affect the United States registration of the Aircraft, unless also made in accordance with the provisions of Section 7.1.2.

(d) Any event that constitutes or would, with the passage of time, constitute an Event of Loss under paragraph (c), (d), or (e) of the definition of such term (as set forth in Annex A) shall not be deemed to violate the provisions of Section 7.2; and

(e) Any Wet Lease shall not constitute a delivery, transfer or relinquishment of possession for purposes of Section 7.2 and shall not be prohibited by the terms hereof.

SECTION 8. MAINTENANCE; REPLACEMENT AND POOLING OF PARTS; ALTERATIONS, MODIFICATIONS AND ADDITIONS; OTHER LESSEE COVENANTS

8.1 MAINTENANCE; REPLACEMENT AND POOLING OF PARTS; ALTERATIONS, MODIFICATIONS AND ADDITIONS

At all times during the Term, Lessee shall comply with, or cause to be complied with, each of the provisions of Annex C, which provisions are hereby incorporated by this reference as if set forth in full herein.

8.2 INFORMATION, CERTIFICATES, NOTICES AND REPORTS

8.2.1 FINANCIAL INFORMATION

Lessee will furnish to Lessor:

- (a) Within 90 days after the end of each of the first three fiscal quarters in each fiscal year of Lessee, a consolidated balance sheet of Lessee as of the end of such quarter and related statements of income and cash flows for the period commencing at the end of the previous fiscal year and ending with the end of such quarter, setting forth in each case in comparative form the corresponding figures for the corresponding period in the preceding fiscal year, prepared in accordance with GAAP; provided that so long as Lessee is subject to the reporting requirements of the Securities Exchange Act of 1934, a copy of Lessee's report on Form 10-Q for such fiscal quarter (excluding exhibits) will satisfy this paragraph (a).
- (b) Within 120 days after the end of each fiscal year of Lessee, a consolidated balance sheet of Lessee as of the end of such fiscal year and related statements of income and cash flows of Lessee for such fiscal year, in comparative form with the preceding fiscal year, prepared in accordance with GAAP, together with a report of Lessee's independent certified public accountants with respect to their audit of such financial statements; provided that so long as Lessee is subject to the reporting requirements of the Securities Exchange Act of 1934, a copy of Lessee's report on Form 10-K for such fiscal year (excluding exhibits) will satisfy this paragraph (b).

## 8.2.2 ANNUAL CERTIFICATE

Within 120 days after the close of each fiscal year of Lessee, Lessee shall deliver to Lessor and Mortgagee an Officer's Certificate of Lessee to the effect that such officer is familiar with or has reviewed or caused to be reviewed the relevant terms of this Lease and the other Lessee Operative Agreements and that such officer does not have knowledge of the existence as at the date of such certificate of any Lease Event of Default.

## 8.2.3 INFORMATION FOR FILINGS

Lessee shall promptly furnish to Owner Participant or Lessor such information (other than with respect to the citizenship of Owner Participant and Lessor) within Lessee's or any Permitted Sublessee's possession, or reasonably available to or obtainable by Lessee or such Permitted Sublessee, as may be required to enable Lessor timely to file any reports required to be filed by it as lessor under the Lease or to enable Owner Participant to timely file any reports required to be filed by it, as the beneficiary of the Trust Estate, in either case, with any Government Entity because of, or in connection with, the interest of Owner Participant or Lessor in the Aircraft, Airframe or Engines, this Lease or any other part of the Trust Estate; provided, however, that with respect to any such information which Lessee reasonably deems commercially sensitive or confidential, Owner Participant or Lessor, as the case may be, shall afford Lessee a reasonable opportunity to seek from any such Government Entity a waiver of the obligation of Owner Participant or Lessor to file any such information, or shall consent to the filing of such information directly by Lessee in lieu of filing by Owner Participant or Lessor, and if any such waiver or consent is evidenced to the reasonable satisfaction of Owner Participant or Lessor, as the case may be, then Lessee shall not be required to furnish such information to Owner Participant or Lessor.

## SECTION 9. VOLUNTARY TERMINATION UPON OBSOLESCENCE

## 9.1 RIGHT OF TERMINATION

(a) Lessee shall have the right at its option to terminate this Lease during the Base Lease Term, effective only on a Termination Date occurring on or after the fifth anniversary of the Delivery Date, if:

(i) Lessee makes a good faith determination that the Aircraft either has become economically obsolete or is surplus to Lessee's requirements and the Chief Financial Officer or Treasurer of Lessee so certifies in writing to Lessor; and

(ii) written notice of Lessee's exercise of its option to terminate this Agreement shall be given to Lessor not less than 90 days prior to the proposed Termination Date specified in such notice.

(b) Lessor shall notify Lessee and Mortgagee of Lessor's intention to sell or retain the Aircraft, as provided in this Section 9, no less than 30 days after Lessee gives Lessor written notice pursuant to Section 9.1(a)(ii). Any failure by Lessor to give such notice of its election shall be deemed to be an election to sell the Aircraft, as provided in this Section 9.

(c) Any termination pursuant to this Section 9 shall become effective on the date of the sale, if any, pursuant to Section 9.2 or upon the date of termination and payment by Lessee and Lessor in accordance with Section 9.3 if Lessor elects to retain the Aircraft.

## 9.2 ELECTION BY LESSOR TO SELL

### 9.2.1 BIDS; CLOSING OF SALE

Unless Lessor has given Lessee notice of Lessor's election to retain the Aircraft, Lessee, as agent for Lessor, shall, until the date ten Business Days prior to the proposed Termination Date, use commercially reasonable efforts to obtain bids for a cash purchase of the Aircraft and Lessor may, if it desires to do so, also seek to obtain such bids. In the event Lessee receives any bid, Lessee shall promptly, and in any event at least ten Business Days prior to the proposed date of sale, certify to Lessor in writing the amount and terms of such bid, the proposed date of such sale and the name and address of the person (who shall not be Lessee or any Affiliate of Lessee or any person with whom Lessee or any such Affiliate has an arrangement for the future use of the Aircraft by Lessee or any such Affiliate) submitting such bid. In the event Lessor receives any bid on or prior to the date ten Business Days prior to the proposed Termination Date, Lessor shall, at least ten Business Days prior to the proposed date of sale, certify to Lessee in writing the

amount and terms of such bid, the proposed date of such sale and the name and address of the person submitting such bid.

#### 9.2.2 CLOSING OF SALE

(a) On the proposed Termination Date (i) Lessee shall deliver the Airframe and Engines or engines constituting part of the Aircraft to the bidder, if any, which shall have submitted the highest cash bid on or before the date ten Business Days prior to such Termination Date, in the same manner as if delivery were made to Lessor pursuant to Section 5 and Annex B and in full compliance with the terms thereof, and shall duly transfer to Lessor title to any such engines not owned by Lessor, all in accordance with the terms of Section 5 and Annex B, and (ii) Lessor shall simultaneously therewith transfer the Airframe and Engines or engines to such bidder, in the manner described in Section 4.5, against cash paid to Lessor in the amount of such highest bid and in the manner and in funds of the type specified in Section 3.3.

(b) All proceeds of any sale described in Section 9.2.2(a) shall be paid to and retained by Lessor and, on such Termination Date, and as a condition precedent to such sale and the delivery of the Aircraft and Engines or engines to such bidder, Lessee shall pay to Lessor, in the manner and in funds of the type specified in Section 3.3:

(i) all unpaid Basic Rent due at any time prior to such Termination Date; plus

(ii) an amount equal to the excess, if any, of the Termination Value for the Aircraft, computed as of such Termination Date, over the proceeds of such sale; plus

(iii) as provided in Section 3.2.2, interest on the amounts specified in the foregoing clause (i) at the Payment Due Rate from and including the date on which any such amount was due to the date of payment of such amount in full.

As a further condition precedent to such sale and delivery, Lessee shall pay all Supplemental Rent due by Lessee to Lessor, Mortgagee or the Participants under this Lease (including, without limitation, (A) Supplemental Rent in respect of Make-Whole Amount, if any, payable pursuant to Section 2.10(b) of the Trust Indenture in connection with a prepayment of the Equipment

Notes upon such sale, (B) all interest charges provided for hereunder or under any other Lessee Operative Agreement with respect to the late payment of any amounts so payable, and (C) the reasonable out-of-pocket fees and expenses incurred by Lessor, Mortgagee and Owner Participant in connection with such termination and sale).

(c) Upon and subject to any such sale and receipt of proceeds by Lessor, and full and final payment of all amounts described in Section 9.2.2(b), and compliance by Lessee with all the other provisions of this Section 9.2,

(i) Lessor will transfer to Lessee, in accordance with Section 4.5, any Engines constituting part of the Aircraft but which were not then installed on the Airframe and sold therewith; and

(ii) the obligation of Lessee to pay Basic Rent, on or after the Payment Date with reference to which Termination Value is computed, shall cease, and the Term for the Aircraft shall end effective as of the date of such sale.

(d) A sale of the Aircraft pursuant to this Section 9.2.2 shall take place only on a Termination Date. Subject to Section 9.3, if no sale shall have occurred on or as of the proposed Termination Date, this Agreement shall continue in full force and effect, and all of Lessee's obligations shall continue, including, without limitation, its obligation to pay Rent, in each case, as if the notice under Section 9.1 shall not have been given and, subject to Section 9.2.3(b), Lessee may give another notice pursuant to Section 9.1.

#### 9.2.3 WITHDRAWAL OF NOTICE OF TERMINATION

(a) Lessee may withdraw any notice given pursuant to Section 9.1 at any time on or before the date ten Business Days prior to the proposed Termination Date, whereupon this Agreement shall continue in full force and effect and all of Lessee's obligations shall continue, including, without limitation, its obligation to pay Rent, in each case, as if the notice under Section 9.1 shall not have been given and Lessee may give another notice pursuant to Section 9.1; provided that Lessee shall not be entitled to give more than five notices pursuant to Section 9.1.

(b) Lessee shall pay all reasonable out-of-pocket fees and expenses of Lessor, Mortgagee and Owner Participant in connection with any notice of termination withdrawn by Lessee or in connection

with any notice of termination pursuant to which a sale of the Aircraft fails to occur.

### 9.3 RETENTION OF AIRCRAFT BY LESSOR

(a) If Lessor shall elect to retain the Aircraft in accordance with Section 9.1, on the proposed Termination Date:

(i) Lessor shall pay, or cause to be paid, in the manner and in funds of the type specified in Section 3.3, to the Mortgagee an amount sufficient to prepay all outstanding Equipment Notes pursuant to Section 2.10(b) of the Trust Indenture;

(ii) subject to receipt by Mortgagee of the funds described in paragraph (i) above, Lessee shall deliver the Airframe and Engines or engines constituting part of the Aircraft to Lessor pursuant to Section 5 and Annex B and in full compliance with the terms thereof, and shall duly transfer to Lessor title to any such engines not owned by Lessor, all in accordance with the terms of Section 5 and Annex B;

(iii) Lessee shall pay to Lessor, in the manner and in funds of the type specified in Section 3.3:

- (1) all unpaid Basic Rent due at any time prior to such Termination Date and all Basic Rent due on such Termination Date if payable in arrears with respect to the Payment Period then ended; plus
- (2) as provided in Section 3.2.2, interest on the amounts specified in the foregoing clause (1) at the Payment Due Rate from and including the date on which any such amount was due to the date of payment of such amount in full; and

(iv) Lessee shall also pay all Supplemental Rent due and payable by Lessee to Lessor, Mortgagee or the other Participants under this Lease (other than any Supplemental Rent in respect of Make-Whole Amount, if any, payable pursuant to Section 2.10(b) of the Trust Indenture in connection with a prepayment of the Equipment Notes upon such sale), including without limitation all interest charges provided for hereunder or under any other Lessee

Operative Agreement with respect to the late payment of any amounts, so payable, and the reasonable out-of-pocket fees and expenses incurred by Lessor, Mortgagee and Owner Participant in connection with such termination and sale.

(b) Upon full and final payment to Lessor, Mortgagee and the Participants of the amounts described in Section 9.3(a), and compliance by Lessee with all the other applicable provisions of this Section 9.3,

(i) Lessor will transfer to Lessee, in accordance with Section 4.5, any Engines constituting part of the Aircraft but which were not then installed on the Airframe and sold therewith; and

(ii) The obligation of Lessee to pay Basic Rent otherwise due on or after the Termination Date shall cease, and the Term for the Aircraft shall end effective as of such Termination Date.

#### SECTION 10. LOSS, DESTRUCTION, REQUISITION, ETC.

##### 10.1 EVENT OF LOSS WITH RESPECT TO AIRCRAFT

###### 10.1.1 NOTICE AND ELECTION

(a) Upon the occurrence of an Event of Loss with respect to the Airframe, and any Engine or Engines installed thereon at the time of such Event of Loss, Lessee shall promptly (and in any event within 15 days after such occurrence) give Lessor and Mortgagee written notice of such Event of Loss. Within 45 days after such occurrence, Lessee shall give Lessor and Mortgagee written notice of Lessee's election to make payment in respect of such Event of Loss, as provided in Section 10.1.2, or to replace the Airframe, and any such Engines, as provided in Section 10.1.3.

(b) Any failure by Lessee to give such notice of its election shall be deemed to be an election of the option set forth in Section 10.1.2. In addition, Lessee shall not be entitled to elect the option set forth in Section 10.1.3 if, at the time Lessor receives such notice from Lessee, there shall have occurred and be continuing a Special Default.

(c) For purposes of Section 10.1.2, an Event of Loss with respect to the Airframe shall be deemed to constitute an Event of

Loss with respect to the Aircraft. For purposes of Section 10.1.3, any Engine not actually suffering an Event of Loss shall not be required to be replaced.

#### 10.1.2 PAYMENT OF LOSS AND TERMINATION OF LEASE

(a) If Lessee elects, in accordance with Section 10.1.1, to make payment in respect of any such Event of Loss, then Lessee shall pay, in the manner and in funds of the type specified in Section 3.3, the following amounts:

(i) on or before the Business Day next following the earlier of (x) the 120th day following the date of the occurrence of such Event of Loss, and (y) the fourth Business Day following the receipt of insurance proceeds with respect to such occurrence (but in any event not earlier than the date of Lessee's election under Section 10.1.1 to make payment under this Section 10.1.2), Lessee shall pay to Lessor:

- (1) all unpaid Interim Rent, Basic Rent or Renewal Rent, as the case may be, due at any time prior to the Stipulated Loss Value Date that is on or immediately preceding the Loss Payment Date; plus
- (2) the Stipulated Loss Value of the Aircraft computed as of the Stipulated Loss Value Date used in the foregoing clause (1) for the computation of unpaid Rent; plus
- (3) if the Stipulated Loss Value Date used in the foregoing clause (1) is a Payment Date on which Basic Rent payable in arrears is due, the amount of such Basic Rent; plus
- (4) as provided in Section 3.2.2, interest on the amount specified in the foregoing clause (1) at the Payment Due Rate from and including the date on which any such amount was due to the date of payment of such amount in full; plus
- (5) interest on the amounts specified in the foregoing clauses (2) and (3) at the SLV Rate from and including the Stipulated Loss Value Date used in the foregoing clause (1) for the computation of unpaid Rent to the date such amount is due, and

thereafter at the Payment Due Rate to the date of payment of such amounts in full;

provided that, in the event that the Commencement Date or a Payment Date shall occur (x) on or after the Stipulated Loss Value Date used in the foregoing clause (1) for the computation of unpaid Rent, and (y) on or before the date of payment of the amounts specified above in this subparagraph (i), then Lessee shall pay the Interim Rent, Basic Rent or the Renewal Rent, as the case may be, due on such Commencement Date or Payment Date, and thereupon such amounts payable under this subparagraph (i) shall be reduced by the amount of such payment of Interim Rent, Basic Rent or Renewal Rent, as the case may be; and

(ii) on or before the date required for payment of the amounts specified in paragraph (i) above, Lessee shall also pay to Lessor, Mortgagee and the other Participants all other amounts due and payable by Lessee to Lessor, Mortgagee and the other Participants under this Lease, the Participation Agreement or any other Lessee Operative Agreement.

(b) Upon payment in full of all amounts described in the foregoing paragraph (a), (i) the obligation of Lessee to pay Interim Rent, Basic Rent or Renewal Rent hereunder with respect to the Aircraft shall terminate, (ii) the Term for the Aircraft shall end and (iii) Lessor will transfer the Aircraft to Lessee, as-is and where-is, and subject to any insurer's salvage rights, but otherwise in the manner described in Section 4.5.

#### 10.1.3 REPLACEMENT OF AIRFRAME AND ENGINES

(a) If Lessee elects, in accordance with Section 10.1.1, to replace the Airframe, and any Engines actually suffering the Event of Loss, then Lessee shall, as promptly as possible and in any event within 120 days after the occurrence of such Event of Loss, convey or cause to be conveyed to Lessor, in compliance with Section 10.3 and as replacement for the Airframe, and any such Engine, title to a Replacement Airframe (which shall comply with paragraph (b) below), and for each such Engine a Replacement Engine, in each case free and clear of all Liens other than Permitted Liens. If Lessee makes such election, but for any reason fails or is unable to effect such replacement within such time period and in compliance with the requirements set forth in

Section 10.3, then Lessee shall be deemed to have initially made the election set forth in Section 10.1.2 with the effect that Lessee shall immediately pay, in the manner and in funds of the type specified in Section 3.3, the amounts required under, and in accordance with, Section 10.1.2.

(b) Any such Replacement Airframe shall be an airframe that is the same model as the Airframe to be replaced thereby, or an improved model, and that has a value, utility and remaining useful life (without regard to hours or cycles remaining until the next regular maintenance check), at least equal to the Airframe to be replaced thereby (assuming that such Airframe had been maintained in accordance with the Lease). Any such Replacement Engine shall meet the requirements of, and be conveyed by Lessee to Lessor in accordance with, Section 10.2 (other than the notice requirement set forth in Section 10.2.1).

## 10.2 EVENT OF LOSS WITH RESPECT TO AN ENGINE

### 10.2.1 NOTICE

Upon the occurrence of an Event of Loss with respect to an Engine under circumstances in which an Event of Loss with respect to the Airframe has not occurred, Lessee shall promptly (and in any event within 15 days after such occurrence) give Lessor written notice of such Event of Loss.

### 10.2.2 REPLACEMENT OF ENGINE

Lessee shall, promptly and in any event within 60 days after the occurrence of such Event of Loss, convey or cause to be conveyed to Lessor, in compliance with Section 10.3 and as replacement for the Engine with respect to which any Event of Loss occurred, title to a Replacement Engine free and clear of all Liens other than Permitted Liens. Such Replacement Engine shall be an engine manufactured by Engine Manufacturer that is the same model as the Engine to be replaced thereby, or an improved model, and that is suitable for installation and use on the Airframe, and that has a value, utility and remaining useful life (without regard to hours and cycles remaining until overhaul) at least equal to the Engine to be replaced thereby (assuming that such Engine had been maintained in accordance with the Lease).

## 10.2.3 ENGINE EXCHANGE

Upon not less than five (5) Business Days' prior written notice to Lessor, Lessee may replace any Engine leased hereunder with another engine (the "Exchanged Engine") meeting the requirements of Section 10.2.2. Such Exchanged Engine shall be deemed to be a "Replacement Engine" and Lessor and Lessee shall comply with the provisions of Section 10.3 with regard to the Exchanged Engine and the Engine so replaced.

## 10.3 CONDITIONS TO ANY REPLACEMENT

## 10.3.1 DOCUMENTS

Prior to or at the time of conveyance of title to any Replacement Airframe or Replacement Engine to Lessor, Lessee shall take each of the following actions:

(a) furnish Lessor with a full warranty bill of sale duly conveying to Lessor such Replacement Airframe or Replacement Engine, in form and substance reasonably satisfactory to Lessor and cause such Replacement Airframe to be duly registered in the name of Lessor pursuant to the Act;

(b) cause (i) a Lease Supplement subjecting such Replacement Airframe or Replacement Engine to this Lease, duly executed by Lessee, to be delivered to Lessor for execution and, upon such execution, to be filed for recordation with the FAA pursuant to the Act, (ii) a Trust Indenture Supplement, subjecting such Replacement Airframe or Replacement Engine to the Trust Indenture, to be delivered to Lessor for execution and, upon execution, to be filed for recordation with the FAA pursuant to the Act and (iii) such Financing Statements and other filings, as Lessor or Mortgagee may reasonably request, duly executed by Lessee and, to the extent applicable, Lessor and Mortgagee (and Lessor and Mortgagee shall execute and deliver the same), to be filed in such locations as any such party may reasonably request;

(c) furnish such evidence of compliance with the insurance provisions of Section 11 with respect to such Replacement Airframe or Replacement Engine as Lessor may reasonably request;

(d) furnish an opinion or opinions of Lessee's counsel (which may be Lessee's legal department) reasonably satisfactory to Lessor and addressed to Lessor and Mortgagee to the effect that (i) such full warranty bill of sale referred to in

Section 10.3.1(a) constitutes an effective instrument for the conveyance of title to the Replacement Airframe or Replacement Engine and (ii) in the case of a Replacement Airframe, Lessor and Mortgagee, as assignee of Lessor, will be entitled to the benefits of Section 1110 with respect to the Replacement Airframe, provided that such opinion referred to in this clause (ii) need not be delivered to the extent that immediately prior to such replacement the benefits of Section 1110 were not, solely by reason of a change in law or court interpretation thereof, available to Lessor or Mortgagee, as assignee of Lessor;

(e) furnish an opinion of Lessee's aviation law counsel reasonably satisfactory to Lessor and addressed to Lessor and Mortgagee as to the due registration of any such Replacement Airframe and the due filing for recordation of each Lease Supplement and Trust Indenture Supplement with respect to such Replacement Airframe or Replacement Engine under the Act;

(f) with respect to any Replacement Airframe, furnish an opinion of tax counsel, selected by Owner Participant and reasonably satisfactory to Lessee, as to the federal income tax consequences (without any requirement as to the nature of such Federal income tax consequences) to Lessor and Owner Participant of any such replacement;

(g) with respect to the replacement of the Airframe, and any Engine installed thereon at the time of the subject Event of Loss, if requested by Lessor and at Lessor's expense, furnish a certified report of a qualified independent aircraft appraiser, reasonably satisfactory to Lessor, certifying that such Replacement Airframe and any such Replacement Engine complies with the value, utility and remaining useful life requirements set forth in Section 10.1.3(b).

Lessor and Lessee understand and agree that if at the time of any replacement of the Airframe or any Engine, as contemplated in this Section 10, the Airframe was registered in a jurisdiction other than the United States, then the requirements set forth above in this Section 10.3.1 relating to compliance with the requirements of the Act or the FAA, shall be deemed to refer to the comparable applicable Law of, and the Aviation Authority of, such other jurisdiction.

## 10.3.2 OTHER OBLIGATIONS

(a) Lessor and Lessee agree that, upon any Replacement Airframe becoming the Airframe hereunder, and upon any Replacement Engine becoming an Engine hereunder, this Lease shall continue to be, and shall be treated as, a lease for U.S. federal income tax purposes of, among other things, such Replacement Airframe and such Replacement Engine. Without limiting the foregoing, Lessee and Lessor intend that Lessor shall, in all events, be entitled to the benefits of Section 1110 with respect to any Replacement Airframe or Replacement Engine and Lessee and Lessor shall cooperate and take such action as the other may reasonably request so as to ensure that Lessor shall be entitled to such benefits.

(b) No Event of Loss with respect to an Engine, or with respect to an Airframe, shall result in, or otherwise allow or permit (other than as provided in Section 10.1.2(b)), any reduction, deferral, discharge or other change in the timing or amount of any Rent payable by Lessee hereunder, and (subject to such Section 10.1.2(b)) Lessee shall pay all such Rent and other amounts as though such Event of Loss had not occurred.

## 10.4 CONVEYANCE TO LESSEE

Upon compliance by Lessee with the applicable terms of Sections 10.1.3, 10.2 and 10.3.1, Lessor will transfer to Lessee the Airframe or Engine, as the case may be, with respect to which such Event of Loss occurred, in accordance with Section 4.5.

## 10.5 APPLICATION OF PAYMENTS

Any amounts, other than insurance proceeds in respect of damage or loss not constituting an Event of Loss (the application of which is provided for in Section 11), received at any time by Lessor, Lessee or any Permitted Sublessee from any Government Entity or any other Person in respect of any Event of Loss will be applied as follows:

## 10.5.1 REPLACEMENT OF AIRFRAME AND ENGINES

If such amounts are received with respect to the Airframe, and any Engine installed thereon at the time of such Event of Loss, upon compliance by Lessee with the applicable terms of Section 10.1.3 with respect to the Event of Loss for which such

amounts are received, such amounts shall be paid over to, or retained by, Lessee.

#### 10.5.2 LOSS OF ENGINE

If such amounts are received with respect to an Engine (other than an Engine installed on the Airframe at the time such Airframe suffers an Event of Loss), upon compliance by Lessee with the applicable terms of Section 10.2.2 with respect to the Event of Loss for which such amounts are received, such amounts shall be paid over to, or retained by, Lessee.

#### 10.5.3 PAYMENT OF LOSS

If such amounts are received, in whole or in part, with respect to the Airframe, and Lessee makes, has made or is deemed to have made the election set forth in Section 10.1.2, such amounts shall be applied as follows:

(a) first, if the sum described in Section 10.1.2 has not then been paid in full by Lessee, such amounts shall be paid to Lessor (or to Mortgagee so long as Mortgagee has not given notice to Lessee that the Trust Indenture has been duly discharged, except with respect to Excluded Payments) to the extent necessary to pay in full such sum;

(b) second, the remainder, if any, shall be paid to Lessee.

#### 10.6 REQUISITION OF AIRCRAFT FOR USE

If any Government Entity shall requisition for use the Airframe and the Engines or engines installed thereon, and if the same does not constitute an Event of Loss, Lessee shall promptly notify Lessor and Mortgagee of such requisition and all of Lessee's obligations under this Agreement shall continue to the same extent as if such requisition had not occurred; provided, however, that if the Airframe and Engines or engines installed thereon are not returned to Lessor by Lessee at the end of the Term or within 30 days thereafter, and Lessor, upon notice given not less than 30 days nor more than 120 days before the end of the Term, shall have elected to treat such event as constituting an Event of Loss with respect to the Aircraft, Lessee shall then be deemed to have made the election set forth in Section 10.1.2 with the effect that Lessee shall be obligated to pay the Stipulated Loss Value and all other amounts payable pursuant to Section 10.1.2 with respect to the Aircraft as if an Event of

Loss had occurred as of the end of the Term. If Lessor shall not have elected to treat such event as an Event of Loss, Lessee shall be obligated to return the Airframe and Engines or engines to Lessor pursuant to, and in all other respects to comply with the provisions of, Section 5 promptly upon their return by such Government Entity, and Lessee shall pay to Lessor upon such return an amount equal to the average daily Basic Rent payable by Lessee during the Term for each day after the end of the Term to but excluding the day of such return, up to a maximum of 30 days.

#### 10.7 REQUISITION OF AN ENGINE FOR USE

If any Government Entity shall requisition for use any Engine but not the Airframe, Lessee will replace such Engine by complying with the applicable terms of Sections 10.2 and 10.3 to the same extent as if an Event of Loss had occurred with respect to such Engine, and any payments received by Lessor or Lessee from such Government Entity with respect to such requisition shall be paid or retained in accordance with Section 10.5.2.

#### 10.8 APPLICATION OF PAYMENTS

All payments received by Lessor or Lessee, or any Permitted Sublessee, from any Government Entity for the use of the Airframe and Engines or engines installed thereon during the Term shall be paid over to, or retained by, Lessee and all payments received by Lessor or Lessee from any Government Entity for the use of the Airframe and Engines or engines installed thereon after the Term shall be paid over to, or retained by, Lessor; provided that, if such requisition constitutes an Event of Loss, or Lessor has elected under Section 10.6 to treat such requisition as an Event of Loss, then all such payments shall be paid over to Lessor (or to Mortgagee so long as Mortgagee has not given notice to Lessee that the Trust Indenture has been duly discharged), and held as provided in Section 10.5.

#### 10.9 APPLICATION OF PAYMENTS DURING EXISTENCE OF A LEASE EVENT OF DEFAULT

Any amount described in this Section 10 that is payable or creditable to, or retainable by, Lessee shall not be paid or credited to, or retained by, Lessee if at the time such payment, credit or retention would otherwise occur a Special Default shall have occurred and be continuing, but shall instead be held by or paid over to Lessor (or to Mortgagee so long as Mortgagee has not

given notice to Lessee that the Trust Indenture has been duly discharged) as security for the obligations of Lessee under this Lease and the other Lessee Operative Agreements and shall be invested pursuant to Section 4.4 hereof unless and until Lessor shall have demanded liquidated damages pursuant to Section 15.1.3 or 15.1.4 and such amount is applied, at the option of Lessor, or upon the written request of Lessee to Lessor, from time to time during the continuance of a Lease Event of Default, to Lessee's obligations under this Lease as and when due, it being understood that any such application shall be made to such obligations of Lessee as Lessor may determine in its sole discretion. At such time as there shall not be continuing any Special Default, such amount shall be paid to Lessee to the extent not previously applied in accordance with this Section 10.9.

#### SECTION 11. INSURANCE

##### 11.1 LESSEE'S OBLIGATION TO INSURE

Lessee shall comply with, or cause to be complied with, each of the provisions of Annex D, which provisions are hereby incorporated by this reference as if set forth in full herein.

##### 11.2 INSURANCE FOR OWN ACCOUNT

Nothing in Section 11 shall limit or prohibit (a) Lessee from maintaining the policies of insurance required under Annex D with higher limits than those specified in Annex D, or (b) Lessor, Mortgagee or Owner Participant from obtaining insurance for its own account (and any proceeds payable under such separate insurance shall be payable as provided in the policy relating thereto); provided, however, that no insurance may be obtained or maintained that would limit or otherwise adversely affect the coverage of any insurance required to be obtained or maintained by Lessee pursuant to this Section 11 and Annex D.

##### 11.3 INDEMNIFICATION BY GOVERNMENT IN LIEU OF INSURANCE

Lessor agrees to accept, in lieu of insurance against any risk with respect to the Aircraft described in Annex D, indemnification from, or insurance provided by, the U.S. Government, or upon the written consent of Lessor, other Government Entity, against such risk in an amount that, when added to the amount of insurance (including permitted self-insurance), if any, against such risk that Lessee (or any Permitted Sublessee) may continue to maintain, in accordance with

this Section 11, during the period of such requisition or transfer, shall be at least equal to the amount of insurance against such risk otherwise required by this Section 11.

#### 11.4 APPLICATION OF INSURANCE PROCEEDS

As between Lessor and Lessee, all insurance proceeds received as a result of the occurrence of an Event of Loss with respect to the Aircraft or any Engine under policies required to be maintained by Lessee pursuant to this Section 11 will be applied in accordance with Section 10.5. All proceeds of insurance required to be maintained by Lessee, in accordance with Section 11 and Section B of Annex D, in respect of any property damage or loss not constituting an Event of Loss with respect to the Aircraft, Airframe or any Engine will be applied in payment (or to reimburse Lessee) for repairs or for replacement property, and any balance remaining after such repairs or replacement with respect to such damage or loss shall be paid over to, or retained by, Lessee.

#### 11.5 APPLICATION OF PAYMENTS DURING EXISTENCE OF DEFAULT

Any amount described in this Section 11 that is payable or creditable to, or retainable by, Lessee shall not be paid or credited to, or retained by, Lessee if at the time such payment, credit or retention would otherwise occur a Special Default shall have occurred and be continuing, but shall instead be held by or paid over to Lessor (or to Mortgagee so long as Mortgagee has not given notice to Lessee that the Trust Indenture has been duly discharged) as security for the obligations of Lessee under this Lease and shall be invested pursuant to Section 4.4 hereof unless and until Lessor shall have demanded liquidated damages pursuant to Section 15.1.3 or 15.1.4 and such amount is applied, at the option of Lessor, or upon the written request of Lessee to Lessor, from time to time during the continuance of a Lease Event of Default, to Lessee's obligations under this Lease and the other Lessee Operative Agreements as and when due, it being understood that any such application shall be made to such obligations of Lessee as Lessor may determine in its sole discretion. At such time as there shall not be continuing any Special Default, such amount shall be paid to Lessee to the extent not previously applied in accordance with this Section 11.5.

## SECTION 12. INSPECTION

(a) At all reasonable times Lessor, Mortgagee or the Owner Participant, and their respective authorized representatives (the "Inspecting Parties") may (not more than once every 12 months unless a Lease Event of Default has occurred and is continuing then such inspection right shall not be so limited) inspect the Aircraft, Airframe and Engines (including, without limitation, the Aircraft Documents) and any such Inspecting Party may make copies of such Aircraft Documents not reasonably deemed confidential by Lessee or such Permitted Sublessee.

(b) Any inspection of the Aircraft hereunder shall be limited to a visual, walk-around inspection and shall not include the opening of any panels, bays or other components of the Aircraft, and no such inspection shall interfere with Lessee's or any Permitted Sublessee's maintenance and operation of the Aircraft, Airframe and Engines.

(c) With respect to such rights of inspection, Lessor, Owner Participant and Mortgagee shall not have any duty or liability to make, or any duty or liability by reason of not making, any such visit, inspection or survey.

(d) Each Inspecting Party shall bear its own expenses in connection with any such inspection (including the cost of any copies made in accordance with Section 12(a)).

## SECTION 13. ASSIGNMENT; MERGER; SUCCESSOR OWNER TRUSTEE

## 13.1 IN GENERAL

This Lease and the other Lessee Operative Agreements shall be binding upon and inure to the benefit of Lessor and Lessee and their respective successors and permitted assigns. Except as otherwise expressly permitted by the terms of the Lease or any other Lessee Operative Agreement, Lessee will not, without the prior written consent of Lessor and Mortgagee, assign any of its rights under this Lease. Except as otherwise provided herein (including, without limitation, under the provisions of Section 15 hereof), Lessor and Mortgagee may not assign or convey any of its right, title and interest in and to this Lease or the Aircraft without the prior written consent of Lessee, such consent not to be unreasonably withheld.

## 13.2 MERGER OF LESSEE

## 13.2.1 IN GENERAL

Lessee shall not consolidate with or merge into any other person under circumstances in which Lessee is not the surviving corporation, or convey, transfer or lease in one or more transactions all or substantially all of its assets to any other person, unless:

(a) such person is organized, existing and in good standing under the Laws of the United States, any State of the United States or the District Columbia and, upon consummation of such transaction, such person will be a U.S. Air Carrier;

(b) such person executes and delivers to Lessor and Mortgagee a duly authorized, legal, valid, binding and enforceable agreement, reasonably satisfactory in form and substance to Lessor, containing an effective assumption by such person of the due and punctual performance and observance of each covenant, agreement and condition in the Lessee Operative Agreements to be performed or observed by Lessee;

(c) such person makes such filings and recordings with the FAA pursuant to the Act as shall be necessary to evidence such consolidation or merger; and

(d) immediately after giving effect to such consolidation or merger no Lease Event of Default shall have occurred and be continuing.

## 13.2.2 EFFECT OF MERGER

Upon any such consolidation or merger of Lessee with or into, or the conveyance, transfer or lease by Lessee of all or substantially all of its assets to, any Person in accordance with this Section 13.2, such Person will succeed to, and be substituted for, and may exercise every right and power of, Lessee under the Lessee Operative Agreements with the same effect as if such person had been named as "Lessee" therein. No such consolidation or merger, or conveyance, transfer or lease, shall have the effect of releasing Lessee or such Person from any of the obligations, liabilities, covenants or undertakings of Lessee under the Lease.

## 13.3 ASSIGNMENT SECURITY FOR LESSOR'S OBLIGATIONS

In order to secure the indebtedness evidenced by the Equipment Notes, Lessor has agreed in the Trust Indenture, among other things, to assign to Mortgagee this Lease and to mortgage the Aircraft, Airframe and Engines in favor of Mortgagee, subject to the reservations and conditions therein set forth. Lessee hereby accepts and consents to the assignment of all Lessor's right, title and interest in and to this Lease pursuant to the terms of the Trust Indenture. In accordance with Section 3.3(c), Lessee agrees to pay directly to Mortgagee (or, after receipt by Lessee of notice from Mortgagee of the discharge of the Trust Indenture, to Lessor), all amounts of Rent (other than Excluded Payments) due or to become due hereunder and assigned to Mortgagee and Lessee agrees that Mortgagee's right to such payments hereunder shall be absolute and unconditional and shall not be affected by any circumstance, including, without limitation, the circumstances set forth in Section 16 hereof. Notwithstanding the foregoing assignment of this Lease, the obligations of Lessee to Lessor to perform the terms and conditions of this Lease shall remain in full force and effect.

## 13.4 SUCCESSOR OWNER TRUSTEE

Lessee agrees that in the case of the appointment of any successor Owner Trustee pursuant to the terms of the Participation Agreement and the Trust Agreement, such successor Owner Trustee shall, upon written notice by such successor Owner Trustee to Lessee, succeed to all the rights, powers and title of Lessor hereunder and shall be deemed to be Lessor and the owner of the Aircraft and the other assets of the Trust Estate for all purposes hereof without the necessity of any consent or approval by Lessee and without in any way altering the terms of this Lease or Lessee's obligations hereunder. An appointment and designation of a successor Owner Trustee shall not exhaust the right to appoint and designate further successor or additional Owner Trustees pursuant to the Participation Agreement and the Trust Agreement, and such right may be exercised repeatedly as long as this Lease shall be in effect.

## SECTION 14. LEASE EVENTS OF DEFAULT

The occurrence of any one or more of the following circumstances, conditions, acts or events, for any reason whatsoever and whether any such circumstance, condition, act or

event shall be voluntary or involuntary or come about or be effected by operation of Law or pursuant to or in compliance with any judgment, decree, order, rule or regulation of any Government Entity, shall constitute a Lease Event of Default so long as it shall not have been remedied:

#### 14.1 PAYMENTS

Lessee shall fail to pay any amount of Interim Rent, Basic Rent, Renewal Rent, Stipulated Loss Value or Termination Value within ten (10) Business Days after the same shall have become due; or Lessee shall fail to pay any Supplemental Rent (other than Stipulated Loss Value or Termination Value) when due and such failure shall continue for a period in excess of ten (10) Business Days from and after the date of any written notice to Lessee from Lessor of the failure to make such payment when due; provided that any such failure to pay any Excluded Payment shall not constitute a Lease Event of Default until written notice is given by the Owner Participant to Lessee and Mortgagee that such failure constitutes a Lease Event of Default and such failure shall have continued for a period in excess of ten (10) Business Days after such notice.

#### 14.2 INSURANCE

Lessee shall fail to carry and maintain, or cause to be carried and maintained, insurance on and in respect of the Aircraft, Airframe and Engines in accordance with the provisions of Section 11.

#### 14.3 OTHER COVENANTS

Lessee shall fail to observe or perform (or caused to be observed and performed) in any material respect any other covenant, agreement or obligation set forth herein or in any other Lessee Operative Agreement (other than the covenants, agreements and obligations set forth in the Tax Indemnity Agreement), and such failure shall continue unremedied for a period of 30 days from and after the date of written notice thereof to Lessee from Lessor or Mortgagee, unless such failure is capable of being corrected and Lessee shall be diligently proceeding to correct such failure, in which case there shall be no Lease Event of Default unless and until such failure shall continue unremedied for a period of 180 days after receipt of such notice.

## 14.4 REPRESENTATIONS AND WARRANTIES

Any representation or warranty made by Lessee herein, in the Participation Agreement or in any other Lessee Operative Agreement (other than the representations and warranties of Lessee in the Tax Indemnity Agreement) (a) shall prove to have been untrue or inaccurate in any material respect as of the date made, (b) such untrue or inaccurate representation or warranty is material at the time in question, (c) and the same shall remain uncured (to the extent of the adverse impact of such incorrectness on the interest of the Participants or Lessor) for a period in excess of 30 days from and after the date of written notice thereof from Lessor or Mortgagee to Lessee.

## 14.5 BANKRUPTCY AND INSOLVENCY

(a) Lessee shall consent to the appointment of or the taking of possession by a receiver, trustee or liquidator of itself or of substantially all of its property, or Lessee shall admit in writing its inability to pay its debts generally as they come due, or does not pay its debts generally as they become due or shall make a general assignment for the benefit of creditors, or Lessee shall file a voluntary petition in bankruptcy or a voluntary petition or an answer seeking reorganization, liquidation or other relief in a case under any bankruptcy Laws or other insolvency Laws (as in effect at such time), or Lessee shall seek relief by voluntary petition, answer or consent, under the provisions of any other bankruptcy or other similar Law providing for the reorganization or winding-up of corporations (as in effect at such time) or Lessee's board of directors shall adopt a resolution authorizing any of the foregoing; or

(b) an order, judgment or decree shall be entered by any court of competent jurisdiction appointing, without the consent of Lessee, a receiver, trustee or liquidator of Lessee or of substantially all of its property, or substantially all of the property of Lessee shall be sequestered, and any such order, judgment or decree of appointment or sequestration shall remain in force undismitted, unstayed and unvacated for a period of 90 days after the date of entry thereof; or

(c) a petition against Lessee in a case under any bankruptcy Laws or other insolvency Laws (as in effect at such time) is filed and not withdrawn or dismissed within 90 days thereafter, or if, under the provisions of any Law providing for

reorganization or winding-up of corporations which may apply to Lessee, any court of competent jurisdiction assumes jurisdiction, custody or control of Lessee or of substantially all of its property and such jurisdiction, custody or control remains in force unrelinquished, unstayed and unterminated for a period of 90 days.

## SECTION 15. REMEDIES AND WAIVERS

### 15.1 REMEDIES

If any Lease Event of Default shall occur and be continuing, Lessor may, at its option and at any time and from time to time, exercise any one or more of the following remedies as Lessor in its sole discretion shall elect:

#### 15.1.1 RETURN AND REPOSSESSION

Lessor may cause Lessee, upon giving written notice to Lessee, to return promptly, and Lessee shall return promptly, the Airframe and Engines as Lessor may so demand, to Lessor or its order in the manner and condition required by, and otherwise in accordance with, all the provisions of Section 5 as if the Airframe or Engine were being returned at the end of the Base Lease Term or any Renewal Lease Term or Lessor, at its option, may enter upon the premises where the Airframe or any Engine, or any Part thereof, are located and take immediate possession of and remove the same by summary proceedings or otherwise, all without liability accruing to Lessor for or by reason of such entry or taking of possession, whether for the restoration of damage to property caused by such taking or otherwise.

#### 15.1.2 SALE AND USE

Lessor may sell the Airframe and/or any Engine at public or private sale, at such times and places, and to such Persons (including Lessor, Mortgagee or any Participant), as Lessor may determine; or Lessor may otherwise dispose of, hold, use, operate, lease to others or keep idle the Airframe and/or any Engine, as Lessor, in its sole discretion, may determine, all free and clear of any rights of Lessee and without any duty to account to Lessee with respect to such action or inaction or for any proceeds with respect thereto, except as hereinafter set forth in this Section 15, and except to the extent that such proceeds would constitute, under applicable Law, a mitigation of Lessor's damages suffered or incurred as a result of the subject

Lease Event of Default. Lessor shall give Lessee at least 15 days prior written notice of the date fixed for any public sale of the Airframe and/or any Engine or of the date on or after which will occur the execution of any contract providing for any private sale.

#### 15.1.3 CERTAIN LIQUIDATED DAMAGES

Whether or not Lessor shall have exercised, or shall thereafter at any time exercise, any of its rights under Section 15.1.1 or 15.1.2 with respect to the Airframe and/or any Engine, or any Part thereof, Lessor, by written notice to Lessee specifying a payment date (which shall be the Stipulated Loss Value Date next occurring not less than 10 days after the date of such notice), may demand Lessee to pay to Lessor, and Lessee shall pay to Lessor, on the payment date so specified and in the manner and in funds of the type specified in Section 3.3, as liquidated damages for loss of a bargain and not as a penalty (in lieu of the Interim Rent, Basic Rent or Renewal Rent, as the case may be, for the Aircraft in respect of all periods commencing on or after the date specified for payment in such notice), the following amounts:

(a) all unpaid Interim Rent, Basic Rent or Renewal Rent, as the case may be, due at any time prior to the Stipulated Loss Value Date specified in such notice; plus

(b) whichever of the following amounts Lessor, in its sole discretion shall specify in such notice:

(i) an amount equal to the excess, if any, of the present value, computed as of the Stipulated Loss Value Date specified in such notice, discounted to such date at a rate per annum equal to the Debt Rate, compounded semiannually, of all unpaid Interim Rent and Basic Rent during the then remaining portion of the Base Lease Term or, if a Renewal Term has commenced, of all unpaid Renewal Rent during the remaining portion of such Renewal Term, over the Fair Market Rental Value of the Aircraft for the remainder of the Term, after discounting such Fair Market Rental Value to its then present value (at a rate per annum equal to the Debt Rate, compounded semiannually) as of the Stipulated Loss Value Date specified in such notice, or

(ii) an amount equal to the excess, if any, of the Stipulated Loss Value for the Aircraft, computed as of the Stipulated Loss Value Date specified in such notice, over the Fair Market Sales Value of the Aircraft, as of the Stipulated Loss Value Date specified in such notice; plus

(c) interest on the amounts specified in the foregoing clause (a) at the Payment Due Rate from and including the date on which any such amount was due to the date of payment of such amount; plus

(d) interest on the amount specified in the foregoing clause (b)(i) or (b)(ii), according to Lessor's election, at the Payment Due Rate from and including the Stipulated Loss Value Date specified in such notice to the date of payment of such amount.

#### 15.1.4 LIQUIDATED DAMAGES UPON SALE

If Lessor, pursuant to Section 15.1.2 or applicable Law, shall have sold the Airframe and/or any Engine, Lessor, in lieu of exercising its rights under Section 15.1.3 with respect to the Aircraft, Airframe or any Engine, as the case may be, may, if Lessor shall so elect, upon giving written notice to Lessee, demand Lessee to pay Lessor, and Lessee shall pay to Lessor, on the date of such sale and in the manner and in funds of the type specified in Section 3.3, as liquidated damages for loss of a bargain and not as a penalty (in lieu of the Interim Rent, Basic Rent or Renewal Rent, as the case may be, for the Aircraft in respect of all periods commencing on or after the date of such sale), the following amounts:

- (a) all unpaid Interim Rent, Basic Rent or Renewal Rent, as the case may be, due at any time prior to the Stipulated Loss Value Date on or immediately preceding the date of such sale; plus
- (b) an amount equal to the excess, if any, of (i) the Stipulated Loss Value of the Airframe and/or any Engine, as the case may be, computed as of the Stipulated Loss Value Date used in the foregoing clause (a) for the computation of unpaid Rent, over (ii) the proceeds of such sale, minus all reasonable costs of Lessor and Mortgagee in connection with the sale; plus
- (c) if the date of such sale is not a Stipulated Loss Value Date, an amount equal to interest on the outstanding

principal amount of the Equipment Notes at the rate per annum borne thereby from and including the Stipulated Loss Value Date used in the foregoing clause (a) for the computation of unpaid Rent to the date of such sale; plus

- (d) interest on the amounts specified in the foregoing clause (a) at the Payment Due Rate from and including the date on which any such amount was due to the date of payment of such amount; plus
- (e) interest on the sum of the amounts specified in the foregoing clause (b) at the Payment Due Rate from and including the date of such sale to the date of payment of such amounts.

#### 15.1.5 RESCISSION

Lessor may (i) at its option, rescind or terminate this Lease as to the Aircraft, Airframe or any Engine, or any Part thereof, or (ii) exercise any other right or remedy that may be available to it under applicable Law or proceed by appropriate court action to enforce the terms hereof.

#### 15.1.6 OTHER REMEDIES

In addition to the foregoing remedies (but without duplication of amounts otherwise paid under this Section 15), Lessee shall be liable for any and all unpaid Rent due hereunder before, during or after (except as otherwise provided herein) the exercise of any of the foregoing remedies and for all reasonable attorneys' fees and other costs and expenses of Lessor, Mortgagee the Owner Participant and the Note Holders, including, without limitation, interest on overdue Rent at the rate as herein provided, incurred by reason of the occurrence of any Lease Event of Default or the exercise of Lessor's remedies with respect thereto, including all reasonable costs and expenses incurred in connection with the return of the Airframe or any Engine, in accordance with the terms of Section 5 or in placing the Airframe or any Engine, in the condition and airworthiness required by Section 5.

#### 15.2 LIMITATIONS UNDER CRAF

Notwithstanding the provisions of Section 15.1, during any period that the Aircraft, Airframe or any Engine is subject to

CRAF in accordance with the provisions of Section 7.2.3 and in the possession of the U.S. Government, Lessor shall not, as a result of any Lease Event of Default, exercise its remedies hereunder in such manner as to limit Lessee's control under this Lease (or any Permitted Sublessee's control under any Permitted Sublease) of the Aircraft, Airframe or such Engine, unless at least 30 days' (or such other period as may then be applicable under CRAF) written notice of default hereunder shall have been given by Lessor or Mortgagee by registered or certified mail to Lessee (and any Permitted Sublessee) with a copy to the Contracting Officer Representative or Representatives for the Military Airlift Command of the United States Air Force to whom notices must be given under the contract governing Lessee's (or any Permitted Sublessee's) participation in CRAF with respect to the Aircraft, Airframe or any Engine.

#### 15.3 RIGHT TO PERFORM FOR LESSEE

If Lessee (i) fails to make any payment of Rent required to be made by it hereunder or (ii) fails to perform or comply with any of its agreements contained herein and such failure continues for a period of thirty days after written notice thereof is given by Lessor or Mortgagee to Lessee, Lessor or Mortgagee may (but shall not be obligated to) make such payment or perform or comply with such agreement, and the amount of such payment and the amount of the expenses of Lessor or Mortgagee incurred in connection with such payment or the performance of or compliance with such agreement, as the case may be, together with interest thereon at the Payment Due Rate, shall be deemed Supplemental Rent, payable by Lessee upon demand by Lessor or Mortgagee, whichever is entitled thereto. No such payment, performance or compliance shall be deemed to cure any Lease Default or Lease Event of Default or otherwise relieve Lessee of its obligations with respect thereto.

#### 15.4 DETERMINATION OF FAIR MARKET RENTAL VALUE AND FAIR MARKET SALES VALUE

For the purpose of this Section 15, the "Fair Market Rental Value" or the "Fair Market Sales Value" of the Aircraft, Airframe or any Engine, shall be determined on an "as is, where is" basis and shall take into account customary brokerage and other out-of-pocket fees and expenses which typically would be incurred in connection with a re-lease or sale of the Aircraft, Airframe or any Engine. Any such determination shall be made by an Appraiser

selected by Lessor and the costs and expenses associated therewith shall be borne by Lessee, unless Lessor does not obtain possession of the Aircraft, Airframe and Engines pursuant to this Section 15, in which case an Appraiser shall not be appointed and Fair Market Rental Value and Fair Market Sales Value for purposes of this Section 15 shall be zero.

#### 15.5 REMEDIES CUMULATIVE

Nothing contained in this Lease shall be construed to limit in any way any right, power, remedy or privilege of Lessor hereunder or under any other Operative Agreement or now or hereafter existing at law or in equity. Each and every right, power, remedy and privilege hereby given to, or retained by, Lessor in this Lease shall be in addition to and not in limitation of every other right, power, remedy and privilege given under the Operative Agreements or now or hereafter existing at law or in equity. Each and every right, power, remedy and privilege of Lessor under this Lease and any other Operative Agreement may be exercised from time to time or simultaneously and as often and in such order as may be deemed expedient by Lessor. All such rights, powers, remedies and privileges shall be cumulative and not mutually exclusive, and the exercise of one shall not be deemed a waiver of the right to exercise any other. Lessee hereby waives to the extent permitted by applicable Law any right which it may have to require Lessor to choose or elect remedies.

#### SECTION 16. LESSEE'S OBLIGATIONS; NO SETOFF, COUNTERCLAIM, ETC.

(a) Lessee's obligation to pay Rent hereunder shall be absolute and unconditional, and shall not be affected by any event or circumstance, including, without limitation: (i) any setoff, counterclaim, recoupment, defense or other right that Lessee may have against Lessor, Mortgagee, any Participant, any Note Holder, or any other Person for any reason whatsoever; (ii) any defect in the title, airworthiness, condition, design, operation or fitness for use of, or any damage to or loss or destruction of, the Aircraft, Airframe or any Engine, or any interruption or cessation in the use or possession thereof by Lessee for any reason whatsoever; (iii) any insolvency, bankruptcy, reorganization or similar proceedings by or against Lessee or any other Person; or (iv) any other circumstance, happening or event whatsoever, whether or not similar to any of the foregoing.

(b) If for any reason whatsoever this Lease shall be terminated in whole or in part by operation of law or otherwise except as specifically provided herein, Lessee nonetheless agrees to pay an amount equal to each Rent payment at the time such payment would have become due and payable in accordance with the terms hereof had this Agreement not been terminated in whole or in part. Lessee hereby waives, to the extent permitted by applicable law, any and all rights that it may now have or that at any time hereafter may be conferred upon it, by statute or otherwise, to terminate, cancel, quit or surrender this Agreement, except in accordance with the express terms hereof.

(c) Nothing set forth in this Section 16 shall be construed to prohibit Lessee from separately pursuing any claim that it may have from time to time against Lessor or any other Person with respect to any matter (other than the absolute and unconditional nature of Lessee's obligations hereunder to pay Rent, and other than the matters specified in paragraphs (a) and (b) above).

#### SECTION 17. RENEWAL AND PURCHASE OPTIONS

##### 17.1 NOTICES GENERALLY

(a) At least 120 days prior to the Scheduled Expiration Date or, if a Renewal Lease Term is then in effect, prior to the Scheduled Renewal Term Expiration Date of such Renewal Lease Term, Lessee may provide notice to Lessor that Lessee may exercise either the option to extend the leasing of the Aircraft for a Renewal Lease Term pursuant to Section 17.2 or the option to purchase the Aircraft on the Scheduled Expiration Date or Scheduled Renewal Term Expiration Date of such Renewal Lease Term, as the case may be, pursuant to Section 17.3 (a "Preliminary Notice").

(b) If any such Preliminary Notice is given by Lessee, then Lessee may provide a further notice specifying which option it intends to elect, with respect to the relevant period, pursuant to Section 17.2.1 or 17.3.1, as the case may be.

##### 17.2 RENEWAL OPTIONS

###### 17.2.1 RENEWAL NOTICE

(a) If Lessee has given a Preliminary Notice, as specified in Section 17.1, and subject to the terms and conditions of this Section 17.2, Lessee may exercise its option to extend the

leasing of the Aircraft hereunder until the next Scheduled Renewal Term Expiration Date, on the same terms, provisions and conditions (except as contemplated by this Section 17) set forth herein and in the other Lessee Operative Agreements with respect to the Base Lease Term, by delivery of a notice (a "Renewal Notice") to Lessor not less than 90 days prior to (i) if the Base Lease Term is then in effect, the Scheduled Expiration Date, or (ii) if a Renewal Lease Term is then in effect, the Scheduled Renewal Term Expiration Date for such Renewal Lease Term.

(b) Notwithstanding anything to the contrary in this Agreement or any other Operative Agreement:

(i) No Preliminary Notice or Renewal Notice shall be binding on Lessor or oblige Lessor to extend the leasing of the Aircraft hereunder for a Renewal Lease Term if any Lease Event of Default shall have occurred and be continuing on and as of the date that such Renewal Lease Term would otherwise commence.

(ii) Any Renewal Notice shall be revocable by Lessee until 10 Business Days after the Renewal Rent is determined in accordance with Sections 17.2.2 and unless revoked by written notice by Lessee to Lessor shall thereafter become irrevocable and shall constitute an unconditional obligation of Lessee to extend the leasing of the Aircraft hereunder for the Renewal Lease Term to which such Renewal Notice relates.

(iii) Lessee shall not be entitled to give any Renewal Notice if it has (x) not delivered a Preliminary Notice or (y) delivered a Purchase Notice to Lessor.

#### 17.2.2 RENEWAL RENT

(a) During the Renewal Lease Term, Lessee shall pay to Lessor on each Payment Date, in the manner and in the funds of the type specified in Section 3.3, Renewal Rent in arrears.

(b) The Renewal Rent payable by Lessee on each Payment Date during any Fixed Renewal Lease Term shall be the lower of (i) an amount equal to one-half of the average of the semiannual Basic Rent amounts payable during the Base Lease Term and (ii) the Fair Market Rental Value of the Aircraft for such Renewal Lease Term. The Renewal Rent payable by Lessee on each Payment Date during any Subsequent Renewal Lease Term shall be the Fair Market Rental

Value of the Aircraft for such Renewal Lease Term. Any such Fair Market Rental Value shall be determined not more than 120 days and not less than 100 days prior to the date of commencement of such Renewal Lease Term by mutual agreement of Lessor and Lessee or, if they shall be unable to agree, by an appraisal in accordance with Section 17.4.

#### 17.2.3 STIPULATED LOSS AND TERMINATION VALUES

(a) For any Renewal Lease Term, Stipulated Loss Value Dates and Termination Value Dates shall be extended throughout such Renewal Lease Term on the same days and for the same months as during the Base Lease Term.

(b) Stipulated Loss Value and Termination Value amounts that are payable during any such Renewal Lease Term shall be determined at the same time that the Renewal Rent for such Renewal Lease Term is determined under Section 17.2.2. Stipulated Loss Values and Termination Values for any such Renewal Lease Term shall, commencing on the first day of such Renewal Lease Term, be equal to the Fair Market Sales Value of the Aircraft, computed as of the first day of such Renewal Lease Term, and shall decline ratably on a monthly basis to the Fair Market Sales Value of the Aircraft as of the last day of such Renewal Lease Term.

(c) Any Fair Market Sales Value of the Aircraft, for purposes of calculating Stipulated Loss Value and Termination Value amounts applicable during any such Renewal Lease Term, shall be determined by mutual agreement of Lessor and Lessee or, if they shall be unable to agree, by an appraisal in accordance with Section 17.4.

#### 17.3 PURCHASE OPTION

##### 17.3.1 PURCHASE NOTICE

(a) Subject to Section 17.1 and the terms and conditions of this Section 17.3, Lessee may elect to purchase the Aircraft, on any Purchase Date, at a purchase price equal to the lesser of 50% of Lessor's Cost and the Fair Market Sales Value of the Aircraft computed as of the Purchase Date.

(b) Lessee may exercise such option to purchase the Aircraft, by delivery of a notice (a "Purchase Notice") to Lessor

not less than 90 days prior to the Purchase Date specified in such Purchase Notice.

(c) Notwithstanding anything to the contrary in this Agreement or any other Operative Agreement:

(i) Any Purchase Notice (whether delivered or deemed to have been delivered) shall be revocable until 10 Business Days after the determination of the Fair Market Sales Value in accordance with Section 17.3.2 and unless revoked by written notice by Lessee to Lessor shall thereafter become irrevocable and shall constitute an unconditional obligation of Lessee to purchase the Aircraft under this Section 17.3.

(ii) Lessee shall not be entitled to give any Purchase Notice in respect of any Purchase Date if it has delivered a Renewal Notice for a Renewal Lease Term that would commence immediately following such Purchase Date.

#### 17.3.2 DETERMINATION OF FAIR MARKET SALES VALUE

The Fair Market Sales Value of the Aircraft shall be determined not more than 120 days and not less than 100 days prior to the applicable Purchase Date by mutual agreement of Lessor and Lessee or, if they shall be unable to agree, by an appraisal in accordance with Section 17.4.

#### 17.3.3 TITLE

Upon full and final payment by Lessee of (a) the applicable purchase price of the Aircraft, (b) all unpaid Rent due and payable through and including the Purchase Date and (c) all other amounts due and payable by Lessee under this Agreement, Lessor will transfer to Lessee title to the Aircraft in accordance with Section 4.5.

#### 17.4 APPRAISALS

Whenever Fair Market Rental Value or Fair Market Sales Value of the Aircraft is required to be determined by an appraisal under this Section 17, Lessee and Lessor shall appoint a mutually satisfactory Appraiser to conduct such appraisal. If Lessee and Lessor fail to agree upon a satisfactory Appraiser then each shall promptly appoint a separate Appraiser and such Appraisers shall jointly determine such amount. If either Lessee or Lessor fails to so appoint an Appraiser, the determination of the single

Appraiser appointed shall be final. If two Appraisers are appointed and within 7 days after the appointment of the latter of such two Appraisers, they cannot agree upon such amount, such two Appraisers shall, within 8 days after such latter appointment, appoint a third Appraiser and such amount shall be determined by such three Appraisers, who shall make their separate appraisals within 7 days following the appointment of the third Appraiser, and any determination so made shall be conclusive and binding upon Lessor and Lessee. If no such third Appraiser is appointed within such 8-day period, either Lessor or Lessee may apply to the American Arbitration Association to make such appointment, and both parties shall be bound by such appointment. The foregoing appraisal procedure shall in any event be completed no less than 125 days before the end of the Base Lease Term or the current Renewal Lease Term, as the case may be. If three Appraisers are appointed and the difference between the determination which is farther from the middle determination and the middle determination is more than 125% of the difference between the middle determination and the third determination, then such farther determination shall be excluded, the remaining two determinations shall be averaged and such average shall be final and binding upon Lessor and Lessee. Otherwise, the average of all three determinations shall be final and binding upon Lessor and Lessee. The fees and expenses of all such Appraisers and such appraisal procedure shall be borne equally by Lessee and Lessor, provided that if Lessee elects not to renew this Lease or purchase the Aircraft following the conclusion of such appraisal, Lessee shall pay all expenses of such appraisal.

## SECTION 18. MISCELLANEOUS

### 18.1 AMENDMENTS

No provision of this Agreement may be amended, supplemented, waived, modified, discharged, terminated or otherwise varied orally, but only by an instrument in writing that specifically identifies the provision of this Agreement that it purports to amend, supplement, waive, modify, discharge, terminate or otherwise vary and is signed by Lessor and Lessee. Each such amendment, supplement, waiver, modification, discharge, termination or variance shall be effective only in the specific instance and for the specific purpose for which it is given. No provision of this Agreement shall be varied or contradicted by oral communication, course of dealing or performance or other

manner not set forth in an agreement, document or instrument in writing and signed by Lessor and Lessee.

#### 18.2 SEVERABILITY

If any provision hereof shall be held invalid, illegal or unenforceable in any respect in any jurisdiction, then, to the extent permitted by Law (a) all other provisions hereof shall remain in full force and effect in such jurisdiction and (b) such invalidity, illegality or unenforceability shall not affect the validity, legality or enforceability of such provision in any other jurisdiction. If, however, any Law pursuant to which such provisions are held invalid, illegal or unenforceable may be waived, such Law is hereby waived by the parties hereto to the full extent permitted, to the end that this Agreement shall be deemed to be a valid and binding agreement in all respects, enforceable in accordance with its terms.

#### 18.3 THIRD-PARTY BENEFICIARY

This Agreement is not intended to, and shall not, provide any person not a party hereto (other than Mortgagee, the Participants, the Indenture Indemnitees and the Persons referred to in Section 4.6) with any rights of any nature whatsoever against either of the parties hereto, and no person not a party hereto (other than Mortgagee, the Participants, the Indenture Indemnitees and the Persons referred to in Section 4.6) shall have any right, power or privilege in respect of, or have any benefit or interest arising out of, this Agreement.

#### 18.4 REPRODUCTION OF DOCUMENTS

This Agreement, all annexes, schedules and exhibits hereto and all agreements, instruments and documents relating hereto, including, without limitation (a) consents, waivers and modifications that may hereafter be executed and (b) financial statements, certificates and other information previously or hereafter furnished to any party hereto, may be reproduced by such party by any photographic, photostatic, microfilm, micro-card, miniature photographic or other similar process, and such party may destroy any original documents so reproduced. Any such reproduction shall be admissible in evidence as the original itself in any judicial or administrative proceeding (whether or not the original is in existence and whether or not such reproduction was made by such party in the regular course of

business) and any enlargement, facsimile or further reproduction of such reproduction likewise is admissible in evidence.

#### 18.5 COUNTERPARTS

This Agreement and any amendments, waivers, consents or supplements hereto may be executed in any number of counterparts (or upon separate signature pages bound together into one or more counterparts), each of which when so executed shall be deemed to be an original, and all of which counterparts, taken together, shall constitute one and the same instrument.

#### 18.6 NOTICES

Unless otherwise expressly permitted by the terms hereof, all notices, requests, demands, authorizations, directions, consents, waivers and other communications required or permitted to be made, given, furnished or filed hereunder shall be in writing (it being understood that the specification of a writing in certain instances and not in others does not imply an intention that a writing is not required as to the latter), shall refer specifically to this Agreement and shall be personally delivered, sent by facsimile or telecommunication transmission (which in either case provides written confirmation to the sender of its delivery), sent by registered mail or certified mail, return receipt requested, postage prepaid, or sent by overnight courier service, in each case to the respective address or facsimile number set forth for such party in Schedule 1 to the Participation Agreement, or to such other address or number as either party hereto may hereafter specify by notice to the other party hereto. Each such notice, request, demand, authorization, direction, consent, waiver or other communication shall be effective when received or, if made, given, furnished or filed (a) by facsimile or telecommunication transmission, when confirmed, or (b) by registered or certified mail, three Business Days after being deposited, properly addressed, with the U.S. Postal Service.

EACH PARTY HERETO HEREBY AGREES THAT SERVICE UPON IT, OR ANY OF ITS AGENTS, IN EACH CASE IN ACCORDANCE WITH THIS SECTION 18.8(C), SHALL CONSTITUTE VALID AND EFFECTIVE PERSONAL SERVICE UPON SUCH PARTY, AND EACH PARTY HERETO HEREBY AGREES THAT THE FAILURE OF ANY OF ITS AGENTS TO GIVE ANY NOTICE OF SUCH SERVICE TO ANY SUCH PARTY SHALL NOT IMPAIR OR AFFECT IN ANY WAY THE VALIDITY OF SUCH SERVICE ON SUCH PARTY OR ANY JUDGMENT RENDERED IN ANY ACTION OR PROCEEDING BASED THEREON.

(d) EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE EXTENT PERMITTED BY APPLICABLE LAW, AND AGREES NOT TO ASSERT, BY WAY OF MOTION, AS A DEFENSE, OR OTHERWISE, IN ANY LEGAL ACTION OR PROCEEDING BROUGHT HEREUNDER IN ANY OF THE ABOVE-NAMED COURTS, THAT SUCH ACTION OR PROCEEDING IS BROUGHT IN AN INCONVENIENT FORUM, THAT VENUE FOR THE ACTION OR PROCEEDING IS IMPROPER OR THAT THIS AGREEMENT OR ANY OTHER OPERATIVE AGREEMENT MAY NOT BE ENFORCED IN OR BY SUCH COURTS.

LEASE SUPPLEMENT NO. \_\_\_

LEASE SUPPLEMENT No. \_\_, dated \_\_\_\_\_, 199\_, between FIRST SECURITY BANK, NATIONAL ASSOCIATION, a national banking association, not in its individual capacity, but solely as Owner Trustee under the Trust Agreement \_\_\_\_\_, dated as of \_\_\_\_\_, with the Owner Participant named therein (such Owner Trustee, in its capacity as such Owner Trustee being herein called "Lessor"), and CONTINENTAL AIRLINES, INC., a Delaware corporation, as Lessee ("Lessee").

Lessor and Lessee have heretofore entered into that certain Lease Agreement \_\_\_\_\_, dated as of \_\_\_\_\_, relating to one Boeing Model \_\_\_\_\_ aircraft (herein called the "Lease" and the defined terms therein being hereinafter used with the same meanings). The Lease provides for the execution and delivery of this Lease Supplement for the purpose of leasing the Airframe and Engines under the Lease as and when delivered by Lessor to Lessee in accordance with the terms thereof.

The Lease relates to the Airframe and Engines described below, and a counterpart of the Lease to which this Lease Supplement is attached and of which this Lease Supplement is a part, is being filed for recordation on the date hereof with the Federal Aviation Administration as one document.

NOW, THEREFORE, in consideration of the premises and other good and sufficient consideration, Lessor and Lessee hereby agree as follows:

bearing, respectively, manufacturer's serial nos. \_\_\_\_\_ and  
\_\_\_\_\_ (each of which engines has 750 or more rated takeoff  
horsepower or the equivalent of such horsepower).

3. The Delivery Date of the Aircraft is the date of this Lease Supplement set forth in the opening paragraph hereof.

4. Lessee hereby confirms to Lessor that Lessee has duly and irrevocably accepted the Aircraft under and for all purposes hereof, of the Lease and of the other Lessee Operative Agreements.

5. All of the terms and provisions of this Lease Supplement are hereby incorporated by reference in the Lease to the same extent as if fully set forth therein.

6. This Lease Supplement may be executed by the parties hereto in separate counterparts, each of which when so executed and delivered shall be an original, but all such counterparts shall together constitute but one and the same instrument.

7. To the extent, if any, that this Lease Supplement constitutes chattel paper (as such term is defined in the Uniform Commercial Code as in effect in any applicable jurisdiction), no security interest in this Lease Supplement may be created through the transfer or possession of any counterpart other than the original executed counterpart, which shall be identified as the counterpart containing the receipt therefor executed by the Mortgagee on the signature page thereof.

TO HAVE AND TO HOLD all and singular the aforesaid property unto the Mortgagee, and its successors and assigns, in trust for the equal and proportionate benefit and security of the Loan Participants, the Note Holders and the Indenture Indemnitees, except as provided in Section 2.14 and Article III hereof without any preference, distinction or priority of any one Equipment Note over any other by reason of priority of time of issue, sale, negotiation, date of maturity thereof or otherwise for any reason whatsoever, and for the uses and purposes and in all cases and as to all property specified in paragraphs (1) through [(8)] inclusive above, subject to the terms and provisions set forth in this Trust Indenture.

It is expressly agreed that anything herein contained to the contrary notwithstanding, the Owner Trustee shall remain liable under the Indenture Agreements, to perform all of the obligations assumed by it thereunder, except to the extent prohibited or excluded from doing so pursuant to the terms and provisions thereof, and the Mortgagee, the Loan Participants, the Note Holders and the Indenture Indemnitees shall have no obligation or liability under the Indenture Agreements, by reason of or arising out of the assignment hereunder, nor shall the Mortgagee, the Loan Participants, the Note Holders or the Indenture Indemnitees be required or obligated in any manner to perform or fulfill any obligations of the Owner Trustee under or pursuant to the Indenture Agreements, or, except as herein expressly provided, to make any payment, or to make any inquiry as to the nature or sufficiency of any payment received by it, or present or file any claim, or take any action to collect or enforce the payment of any amounts which may have been assigned to it or to which it may be entitled at any time or times.

Without limiting the generality of the foregoing, but subject to the rights of the Owner Trustee and the Owner Participant under Sections 2.13, 4.03 and 4.04(a) hereof, during the continuance of any Event of Default under this Trust Indenture, the Mortgagee shall have the right under such power of attorney to accept any offer in connection with the exercise of remedies as set forth herein of any purchaser to purchase the Airframe and Engines and upon such purchase to execute

Under the Lease, Lessee is directed, so long as this Trust Indenture shall not have been fully discharged, to make all payments of Rent (other than Excluded Payments) and all other amounts which are required to be paid to or deposited with the Owner Trustee pursuant to the Lease (other than Excluded Payments) directly to, or as directed by, the Mortgagee at such address or addresses as the Mortgagee shall specify, for application as provided in this Trust Indenture. The Owner Trustee agrees that promptly upon receipt thereof, it will transfer to the Mortgagee any and all monies from time to time received by it constituting part of the Trust Indenture Estate, for distribution by the Mortgagee pursuant to this Trust Indenture, except that the Owner Trustee shall accept for distribution pursuant to the Trust Agreement any amounts distributed to it by the Mortgagee under this Trust Indenture.

The Owner Trustee agrees that at any time and from time to time, upon the written request of the Mortgagee, the Owner Trustee will promptly and duly execute and deliver or cause to be duly executed and delivered any and all such further instruments and documents as the Mortgagee may reasonably deem necessary or desirable to perfect, preserve or protect the mortgage, security interests and assignments created or intended to be created hereby or to obtain for the Mortgagee the full benefits of the assignment hereunder and of the rights and powers herein granted.

The Owner Trustee does hereby warrant and represent that it has not assigned or pledged, and hereby covenants and agrees that it will not assign or pledge, so long as the assignment hereunder shall remain in effect, and the Lien hereof shall not have been released pursuant to Section 10.01 hereof, any of its right, title or interest hereby assigned, to anyone other than the Mortgagee, and that it will not, except as otherwise provided in this Trust Indenture and except with respect to Excluded Payments to which it is entitled, (i) accept any payment from Lessee [or any Permitted Sublessee](1) under any Indenture Agreement, (ii) enter into any agreement amending or supplementing any Indenture Agreement, (iii) execute any waiver or modification of, or consent under, the terms of, or exercise any rights, powers or

The Owner Trustee does hereby agree that it will not without the written consent of the Mortgagee:

(a) receive or collect or agree to the receipt or collection of any payment (other than Excluded Payments) of Rent, including Basic Rent, Stipulated Loss Value, Termination Value or any other payment to be made pursuant to Section 9 or 10 of the Lease prior to the date for the payment thereof provided for by the Lease or assign, transfer or hypothecate (other than to the Mortgagee hereunder) any payment of Rent, including Basic Rent, Stipulated Loss Value, Termination Value or any other payment to be made pursuant to Section 9 or 10 of the Lease, then due or to accrue in the future under the Lease in respect of the Airframe and Engines; or

(b) except as contemplated by the Trust Agreement in connection with the appointment of a successor owner trustee, sell, mortgage, transfer, assign or hypothecate (other than to the Mortgagee hereunder) its interest in the Airframe and Engines or any part thereof or in any amount to be received by it from the use or disposition of the Airframe and Engines, other than amounts distributed to it pursuant to Article III hereof.

It is hereby further agreed that any and all property described or referred to in the granting clauses hereof which is hereafter acquired by the Owner Trustee shall ipso facto, and without any other conveyance, assignment or act on the part of the Owner Trustee or the Mortgagee, become and be subject to the Lien herein granted as fully and completely as though specifically described herein, but nothing contained in this paragraph shall be deemed to modify or change the obligations of the Owner Trustee contained in the foregoing paragraphs.

The Owner Trustee does hereby ratify and confirm the Lease and does hereby agree that it will not violate any covenant or agreement made by it therein, herein or in any other Owner Trustee Agreement.

Notwithstanding the Granting Clause or any of the preceding paragraphs, there is hereby excluded from the foregoing sale, transfer, assignment, grant, pledge and security interest all Excluded Payments. Further, nothing in the Granting Clause or the preceding paragraphs shall impair any of the rights of the Owner Trustee or the Owner Participant under Section 2.13, 4.03, 4.04, 4.08, 5.02 or 5.03 hereof.

#### SECTION 2.03. PAYMENTS FROM TRUST INDENTURE ESTATE ONLY

(a) Without impairing any of the other rights, powers, remedies, privileges, liens or security interests of the Note Holders under this Trust Indenture, each Note Holder, by its acceptance of an Equipment Note, agrees that as between it and the Owner Trustee, except as expressly provided in this Trust Indenture, the Participation Agreement or any other Operative

Agreement, (i) the obligation to make all payments of the Original Amount of, interest on, Make-Whole Amount, if any, and all other amounts due with respect to the Equipment Notes, and the performance by the Owner Trustee of every obligation or covenant contained in this Trust Indenture and in the Participation Agreement or any of the other Operative Agreements, shall be payable only from the income and proceeds from the Trust Estate to the extent included in the Trust Indenture Estate and only to the extent that the Owner Trustee shall have sufficient income or proceeds from the Trust Estate to the extent included in the Trust Indenture Estate to enable the Mortgagee to make such payments in accordance with the terms of Article III hereof, and all of the statements, representations, covenants and agreements made by the Owner Trustee (when made in such capacity) contained in this Trust Indenture and any agreement referred to herein other than the Trust Agreement, unless expressly otherwise stated, are made and intended only for the purpose of binding the Trust Estate and establishing the existence of rights and remedies which can be exercised and enforced against the Trust Estate; therefore, anything contained in this Trust Indenture or such other agreements to the contrary notwithstanding (except for any express provisions or representations that the Owner Trustee is responsible for, or is making, in its individual capacity, for which there would be personal liability of the Owner Trustee), no recourse shall be had with respect to this Trust Indenture or such other agreements against the Owner Trustee in its individual capacity or against any institution or person which becomes a successor trustee or co-trustee or any officer, director, trustee, servant or direct or indirect parent or controlling Person or Persons of any of them, and (ii) none of the Owner Trustee, in its individual capacity, the Owner Participant, the Mortgagee and any officer, director, trustee, servant, employee, agent or direct or indirect parent or controlling Person or Persons of any of them shall have any personal liability for any amounts payable hereunder, under the Participation Agreement or any of the other Operative Agreements or under the Equipment Notes except as expressly provided herein, in the Lease or in the Participation Agreement; provided, however, that nothing contained in this Section 2.03(a) shall be construed to limit the exercise and enforcement in accordance with the terms of this Trust Indenture or such other agreements of rights and remedies against the Trust Indenture Estate.

(b) If (i) all or any part of the Trust Estate becomes the property of, or the Owner Trustee or Owner Participant becomes, a debtor subject to the reorganization provisions of the Bankruptcy Code, (ii) pursuant to such reorganization provisions, including Section 1111(b) of the Bankruptcy Code, the Owner Trustee (in its individual capacity) or the Owner Participant is required, by reason of the Owner Trustee (in its individual capacity) or the Owner Participant being held to have recourse liability to any Note Holder or the Mortgagee, directly or indirectly (other than the recourse liability of the Owner Trustee (in its individual capacity) or the Owner Participant under the Participation Agreement, the Lease or this Trust Indenture or by separate agreement), to make payment on account of any amount payable as principal, Make-Whole Amount, if any, interest or other amounts on the Equipment Notes and (iii) any Note Holder or the Mortgagee actually receives any Excess Amount (as hereinafter defined) which reflects any payment by the Owner Trustee (in its individual capacity) or the Owner Participant

on account of clause (ii) above, then such Note Holder or the Mortgagee, as the case may be, shall promptly refund to the Owner Trustee (in its individual capacity) or the Owner Participant (whichever shall have made such payment) such Excess Amount.

For purposes of this Section 2.03(b), "Excess Amount" means the amount by which such payment exceeds the amount that would have been received by a Note Holder or the Trustee if the Owner Trustee (in its individual capacity) or the Owner Participant had not become subject to the recourse liability referred to in clause (ii) above. Nothing contained in this Section 2.03(b) shall prevent a Note Holder or the Mortgagee from enforcing any personal recourse obligation (and retaining the proceeds thereof) of the Owner Trustee (in its individual capacity) or the Owner Participant under the Participation Agreement, the Lease or this Trust Indenture (and any exhibits or annexes hereto or thereto) or from retaining any amount paid by Owner Participant under Section 2.13 or 4.03 hereof.

#### SECTION 2.04. METHOD OF PAYMENT

(a) The Original Amount of, interest on, Make-Whole Amount, if any, and other amounts due under each Equipment Note or hereunder will be payable in Dollars by wire transfer of immediately available funds not later than 12:30 p.m., New York City time, on the due date of payment to the Mortgagee at the Corporate Trust Office for distribution among the Note Holders in the manner provided herein. The Owner Trustee shall not have any responsibility for the distribution of such payment to any Note Holder. Notwithstanding the foregoing or any provision in any Equipment Note to the contrary, the Mortgagee will use reasonable efforts to pay or cause to be paid, if so directed in writing by any Note Holder (with a copy to the Owner Trustee), all amounts paid by the Owner Trustee hereunder and under such holder's Equipment Note or Equipment Notes to such holder or a nominee therefor (including all amounts distributed pursuant to Article III of this Trust Indenture) by transferring, or causing to be transferred, by wire transfer of immediately available funds in Dollars, prior to 2:00 p.m., New York City time, on the due date of payment, to an account maintained by such holder with a bank located in the continental United States the amount to be distributed to such holder, for credit to the account of such holder maintained at such bank. If the Mortgagee shall fail to make any such payment as provided in the immediately foregoing sentence after its receipt of funds at the place and prior to the time specified above, the Mortgagee, in its individual capacity and not as trustee, agrees to compensate such holders for loss of use of funds at Debt Rate until such payment is made and the Mortgagee shall be entitled to any interest earned on such funds until such payment is made. Any payment made hereunder shall be made without any presentment or surrender of any Equipment Note, except that, in the case of the final payment in respect of any Equipment Note, such Equipment Note shall be surrendered to the Mortgagee for cancellation promptly after such payment. Notwithstanding any other provision of this Trust Indenture to the contrary, the Mortgagee shall not be required to make, or cause to be made, wire transfers as aforesaid prior to the first Business Day on which it is practicable for the Mortgagee to do so in

view of the time of day when the funds to be so transferred were received by it if such funds were received after 12:30 p.m., New York City time, at the place of payment. Prior to the due presentment for registration of transfer of any Equipment Note, the Owner Trustee and the Mortgagee shall deem and treat the Person in whose name any Equipment Note is registered on the Equipment Note Register as the absolute owner and holder of such Equipment Note for the purpose of receiving payment of all amounts payable with respect to such Equipment Note and for all other purposes, and none of the Owner Trustee or the Mortgagee shall be affected by any notice to the contrary. So long as any signatory to the Participation Agreement or nominee thereof shall be a registered Note Holder, all payments to it shall be made to the account of such Note Holder specified in Schedule I thereto and otherwise in the manner provided in or pursuant to the Participation Agreement unless it shall have specified some other account or manner of payment by notice to the Mortgagee consistent with this Section 2.04.

(b) The Mortgagee, as agent for the Owner Trustee, shall exclude and withhold at the appropriate rate from each payment of Original Amount of, interest on, Make-Whole Amount, if any, and other amounts due hereunder or under each Equipment Note (and such exclusion and withholding shall constitute payment in respect of such Equipment Note) any and all United States withholding taxes applicable thereto as required by Law. The Mortgagee agrees to act as such withholding agent and, in connection therewith, whenever any present or future United States taxes or similar charges are required to be withheld with respect to any amounts payable hereunder or in respect of the Equipment Notes, to withhold such amounts and timely pay the same to the appropriate authority in the name of and on behalf of the Note Holders, that it will file any necessary United States withholding tax returns or statements when due, and that as promptly as possible after the payment thereof it will deliver to each Note Holder (with a copy to the Owner Trustee and the Lessee) appropriate receipts showing the payment thereof, together with such additional documentary evidence as any such Note Holder may reasonably request from time to time.

If a Note Holder which is a Non-U.S. Person has furnished to the Mortgagee a properly completed, accurate and currently effective U.S. Internal Revenue Service Form 1001 or W-8 (or such successor form or forms as may be required by the United States Treasury Department) during the calendar year in which the payment hereunder or under the Equipment Note(s) held by such holder is made (but prior to the making of such payment), or in either of the two preceding calendar years, and has not notified the Mortgagee of the withdrawal or inaccuracy of such form prior to the date of such payment (and the Mortgagee has no reason to believe that any information set forth in such form is inaccurate), the Mortgagee shall withhold only the amount, if any, required by Law (after taking into account any applicable exemptions properly claimed by the Note Holder) to be withheld from payments hereunder or under the Equipment Notes held by such holder in respect of United States federal income tax. If a Note Holder (x) which is a Non-U.S. Person has furnished to the Mortgagee a properly completed, accurate and currently effective U.S. Internal Revenue Service Form 4224 in duplicate (or such

successor certificate, form or forms as may be required by the United States Treasury Department as necessary in order to properly avoid withholding of United States federal income tax), for each calendar year in which a payment is made (but prior to the making of any payment for such year), and has not notified the Mortgagee of the withdrawal or inaccuracy of such certificate or form prior to the date of such payment (and the Mortgagee has no reason to believe that any information set forth in such form is inaccurate) or (y) which is a U.S. Person has furnished to the Mortgagee a properly completed, accurate and currently effective U.S. Internal Revenue Service Form W-9, if applicable, prior to a payment hereunder or under the Equipment Notes held by such holder, no amount shall be withheld from payments in respect of United States federal income tax. If any Note Holder has notified the Mortgagee that any of the foregoing forms or certificates is withdrawn or inaccurate, or if such holder has not filed a form claiming an exemption from United States withholding tax or if the Code or the regulations thereunder or the administrative interpretation thereof is at any time after the date hereof amended to require such withholding of United States federal income taxes from payments under the Equipment Notes held by such holder, the Mortgagee agrees to withhold from each payment due to the relevant Note Holder withholding taxes at the appropriate rate under Law and will, on a timely basis as more fully provided above, deposit such amounts with an authorized depository and make such returns, statements, receipts and other documentary evidence in connection therewith as required by Law.

Neither the Owner Trustee nor the Owner Participant shall have any liability for the failure of the Mortgagee to withhold taxes in the manner provided for herein or for any false, inaccurate or untrue evidence provided by any Note Holder hereunder.

#### SECTION 2.05. APPLICATION OF PAYMENTS

In the case of each Equipment Note, each payment of Original Amount, Make-Whole Amount, if any, and interest due thereon shall be applied:

First: to the payment of accrued interest on such Equipment Note (as well as any interest on any overdue Original Amount, any overdue Make-Whole Amount, if any, and to the extent permitted by Law, any overdue interest and any other overdue amounts thereunder) to the date of such payment;

Second: to the payment of the Original Amount of such Equipment Note (or a portion thereof) then due thereunder;

Third: to the payment of Make-Whole Amount, if any, and any other amount due hereunder or under such Equipment Note; and

Fourth: the balance, if any, remaining thereafter, to the payment of the Original Amount of such Equipment Note remaining unpaid (provided that such Equipment Note shall not be subject to redemption except as provided in Sections 2.10, 2.11 and 2.12 hereof).

The amounts paid pursuant to clause "Fourth" above shall be applied to the installments of Original Amount of such Equipment Note in the inverse order of their normal maturity.

#### SECTION 2.06. TERMINATION OF INTEREST IN TRUST INDENTURE ESTATE

No Note Holder nor any other Indenture Indemnitee shall, as such, have any further interest in, or other right with respect to, the Trust Indenture Estate when and if the Original Amount of, Make-Whole Amount, if any, and interest on and other amounts due under all Equipment Notes held by such Note Holder and all other sums then due and payable to such Note Holder, such Indenture Indemnitee or the Mortgagee hereunder (including, without limitation, under the third paragraph of Section 2.02 hereof) and under the other Operative Agreements by the Owner Trustee and the Lessee (collectively, the "Secured Obligations") shall have been paid in full.

#### SECTION 2.07. REGISTRATION TRANSFER AND EXCHANGE OF EQUIPMENT NOTES

The Mortgagee shall keep a register (the "Equipment Note Register") in which the Mortgagee shall provide for the registration of Equipment Notes and the registration of transfers of Equipment Notes. No such transfer shall be given effect unless and until registration hereunder shall have occurred. The Equipment Note Register shall be kept at the Corporate Trust Office of the Mortgagee. The Mortgagee is hereby appointed "Equipment Note Registrar" for the purpose of registering Equipment Notes and transfers of Equipment Notes as herein provided. A holder of any Equipment Note intending to exchange such Equipment Note shall surrender such Equipment Note to the Mortgagee at the Corporate Trust Office, together with a written request from the registered holder thereof for the issuance of a new Equipment Note, specifying, in the case of a surrender for transfer, the name and address of the new holder or holders. Upon surrender for registration of transfer of any Equipment Note, the Owner Trustee shall execute, and the Mortgagee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Equipment Notes of a like aggregate Original Amount and of the same series. At the option of the Note Holder, Equipment Notes may be exchanged for other Equipment Notes of any authorized denominations of a like aggregate Original Amount, upon surrender of the Equipment Notes to be exchanged to the Mortgagee at the Corporate Trust Office. Whenever any Equipment Notes are so surrendered for exchange, the Owner Trustee shall execute, and the Mortgagee shall authenticate and deliver, the Equipment Notes which the Note Holder making the exchange is entitled to receive. All Equipment Notes issued upon any registration of transfer or exchange of Equipment Notes (whether under this

Section 2.07 or under Section 2.08 hereof or otherwise under this Trust Indenture) shall be the valid obligations of the Owner Trustee evidencing the same respective obligations, and entitled to the same security and benefits under this Trust Indenture, as the Equipment Notes surrendered upon such registration of transfer or exchange. Every Equipment Note presented or surrendered for registration of transfer, shall (if so required by the Mortgagee) be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Mortgagee duly executed by the Note Holder or such holder's attorney duly authorized in writing, and the Mortgagee shall require evidence satisfactory to it as to the compliance of any such transfer with the Securities Act, and the securities Laws of any applicable state. The Mortgagee shall make a notation on each new Equipment Note of the amount of all payments of Original Amount previously made on the old Equipment Note or Equipment Notes with respect to which such new Equipment Note is issued and the date to which interest on such old Equipment Note or Equipment Notes has been paid. Interest shall be deemed to have been paid on such new Equipment Note to the date on which interest shall have been paid on such old Equipment Note, and all payments of the Original Amount marked on such new Equipment Note, as provided above, shall be deemed to have been made thereon. The Owner Trustee shall not be required to exchange any surrendered Equipment Notes as provided above during the ten-day period preceding the due date of any payment on such Equipment Note. The Owner Trustee shall in all cases deem the Person in whose name any Equipment Note shall have been issued and registered as the absolute owner and holder of such Equipment Note for the purpose of receiving payment of all amounts payable by the Owner Trustee with respect to such Equipment Note and for all purposes until a notice stating otherwise is received from the Mortgagee and such change is reflected on the Equipment Note Register. The Mortgagee will promptly notify the Owner Trustee and the Lessee of each registration of a transfer of an Equipment Note. Any such transferee of an Equipment Note, by its acceptance of an Equipment Note, agrees to the provisions of the Participation Agreement applicable to Note Holders, and shall be deemed to have covenanted to the parties to the Participation Agreement as to the matters covenanted by the original Loan Participant in the Participation Agreement. Subject to compliance by the Note Holder and its transferee (if any) of the requirements set forth in this Section 2.07, Mortgagee and Owner Trustee shall use all reasonable efforts to issue new Equipment Notes upon transfer or exchange within 10 Business Days of the date an Equipment Note is surrendered for transfer or exchange.

## SECTION 2.08. MUTILATED, DESTROYED, LOST OR STOLEN EQUIPMENT NOTES

If any Equipment Note shall become mutilated, destroyed, lost or stolen, the Owner Trustee shall, upon the written request of the holder of such Equipment Note, execute and the Mortgagee shall authenticate and deliver in replacement thereof a new Equipment Note, payable in the same Original Amount dated the same date and captioned as issued in connection with the Aircraft. If the Equipment Note being replaced has become mutilated, such Equipment Note shall be surrendered to the Mortgagee and a photocopy thereof shall be furnished to the Owner Trustee. If the Equipment Note being replaced has been destroyed, lost or stolen, the holder of such Equipment Note shall furnish to the Owner Trustee and the Mortgagee such security or indemnity as may be required by them to save the Owner Trustee and the Mortgagee harmless and evidence satisfactory to the Owner Trustee and the Mortgagee of the destruction, loss or theft of such Equipment Note and of the ownership thereof. If a "qualified institutional buyer" of the type referred to in paragraph (a)(1)(i)(A), (B), (D) or (E) of Rule 144A under the Securities Act (a "QIB") is the holder of any such destroyed, lost or stolen Equipment Note, then the written indemnity of such QIB, signed by an authorized officer thereof, in favor of, delivered to and in form reasonably satisfactory to Lessee, Owner Trustee and Mortgagee shall be accepted as satisfactory indemnity and security and no further indemnity or security shall be required as a condition to the execution and delivery of such new Equipment Note. Subject to compliance by the Note Holder of the requirements set forth in this Section 2.08, Mortgagee and Owner Trustee shall use all reasonable efforts to issue new Equipment Notes within 10 Business Days of the date of the written request therefor from the Note Holder.

## SECTION 2.09. PAYMENT OF EXPENSES ON TRANSFER; CANCELLATION

(a) No service charge shall be made to a Note Holder for any registration of transfer or exchange of Equipment Notes, but the Mortgagee, as Equipment Note Registrar, may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any registration of transfer or exchange of Equipment Notes.

(b) The Mortgagee shall cancel all Equipment Notes surrendered for replacement, redemption, transfer, exchange, payment or cancellation and shall destroy the canceled Equipment Notes.

## SECTION 2.10. MANDATORY REDEMPTIONS OF EQUIPMENT NOTES

(a) On the date on which Lessee is required pursuant to Section 10.1.2 of the Lease to make payment for an Event of Loss with respect to the Aircraft, all of the Equipment Notes shall be redeemed in whole at a redemption price equal to 100% of the unpaid Original Amount thereof, together with all accrued interest thereon to the date of redemption and all other

Secured Obligations owed or then due and payable to the Note Holders but without Make-Whole Amount.

(b) If the Lease is terminated with respect to the Aircraft by Lessee pursuant to Section 9 thereof, on the date the Lease is so terminated, all the Equipment Notes shall be redeemed in whole at a redemption price equal to 100% of the unpaid Original Amount thereof, together with accrued interest thereon to the date of redemption and all other amounts then due and payable hereunder and under the Participation Agreement and all other Operative Agreements to the Note Holders plus, if such redemption is made prior to the Premium Termination Date, Make-Whole Amount, if any.

#### SECTION 2.11. VOLUNTARY REDEMPTIONS OF EQUIPMENT NOTES

All (but not less than all) of the Equipment Notes may be redeemed by the Owner Trustee in connection with a transaction described in, and subject to the terms and conditions of, Section 11 of the Participation Agreement upon at least 30 days' revocable prior written notice to the Mortgagee and the Note Holders, and the Equipment Notes shall, as provided in Section 11 of the Participation Agreement, be redeemed in whole at a redemption price equal to 100% of the unpaid Original Amount thereof, together with accrued interest thereon to the date of redemption and all other Secured Obligations owed or then due and payable to the Note Holders plus (except as provided in Section 11 of the Participation Agreement), if such redemption is made prior to the Premium Termination Date, Make-Whole Amount, if any.

#### SECTION 2.12. REDEMPTIONS; NOTICE OF REDEMPTION

(a) Neither any redemption of any Equipment Note nor any purchase by the Owner Trustee of any Equipment Note may be made except to the extent and in the manner expressly permitted by this Trust Indenture. No purchase of any Equipment Note may be made by the Mortgagee.

(b) Notice of redemption or purchase with respect to the Equipment Notes shall be given by the Mortgagee by first-class mail, postage prepaid, mailed not less than 25 nor more than 60 days prior to the applicable redemption date, to each Note Holder of such Equipment Notes to be redeemed or purchased, at such Note Holder's address appearing in the Equipment Note Register; provided that, in the case of a redemption to be made pursuant to Section 2.10(b) or Section 2.11, such notice shall be revocable and shall be deemed revoked in the event that the Lease does not in fact terminate on the specified termination date or if notice of such redemption shall have been given in connection with a refinancing of Equipment Notes and the Mortgagee receives written notice of such revocation from the Lessee or the Owner Trustee not later than three days prior to the redemption date. All notices of redemption shall state: (1) the redemption date, (2) the applicable basis for determining the redemption price, (3) that on the

redemption date, the redemption price will become due and payable upon each such Equipment Note, and that, if any such Equipment Notes are then outstanding, interest on such Equipment Notes shall cease to accrue on and after such redemption date, and (4) the place or places where such Equipment Notes are to be surrendered for payment of the redemption price.

(c) On or before the redemption date, the Owner Trustee (or any person on behalf of the Owner Trustee) shall, to the extent an amount equal to the redemption price for the Equipment Notes to be redeemed or purchased on the redemption date shall not then be held in the Trust Indenture Estate, deposit or cause to be deposited with the Mortgagee by 12:00 noon on the redemption date in immediately available funds the redemption price of the Equipment Notes to be redeemed or purchased.

(d) Notice of redemption or purchase having been given as aforesaid (and not deemed revoked as contemplated in the proviso to Section 2.12(b)), the Equipment Notes to be redeemed or purchased shall, on the redemption date, become due and payable at the Corporate Trust Office of the Mortgagee or at any office or agency maintained for such purposes pursuant to Section 2.07, and from and after such redemption date (unless there shall be a default in the payment of the redemption price) any such Equipment Notes then outstanding shall cease to bear interest. Upon surrender of any such Equipment Note for redemption or purchase in accordance with said notice, such Equipment Note shall be redeemed at the redemption price. If any Equipment Note called for redemption or purchase shall not be so paid upon surrender thereof for redemption, the principal amount thereof shall, until paid, continue to bear interest from the applicable redemption date at the interest rate in effect for such Equipment Note as of such redemption date.

#### SECTION 2.13. OPTION TO PURCHASE EQUIPMENT NOTES

The Owner Trustee and the Owner Participant may, upon the events and subject to the terms and conditions and for the price set forth in this Section 2.13, purchase all but not less than all of the Equipment Notes outstanding hereunder, and each Note Holder agrees that it will, upon such events and subject to such terms and conditions and upon receipt of such price, sell, assign, transfer and convey to such purchaser or its nominee (without recourse or warranty of any kind except against Liens on such Equipment Notes arising by, through or under such holder), all of the right, title and interest of such Note Holder in and to the Equipment Notes held by it, and such purchaser or its nominee shall assume all of such holder's obligations under the Participation Agreement and hereunder.

Such option to purchase the Equipment Notes may be exercised by the Owner Trustee or the Owner Participant at any time following the occurrence of any of the following events, and in any such event the purchase price thereof shall equal for each Equipment Note, the aggregate unpaid Original Amount thereof, plus accrued and unpaid interest thereon to, but not

including, the date of purchase and all other Secured Obligations owed, or then due and payable hereunder, to the holder thereof (including under the third paragraph of Section 2.02 hereof). Such option to purchase the Equipment Notes may be exercised (x) upon a Mortgagee Event or (y) in the event there shall have occurred and be continuing a Lease Event of Default or (z) upon either the Equipment Notes becoming due and payable pursuant to Section 4.04(b) hereof or the Mortgagee taking action or notifying the Owner Trustee that it intends to take action to foreclose the Lien of this Trust Indenture or otherwise commence the exercise of any significant remedy under this Trust Indenture or the Lease, provided that if such option is exercised pursuant to clause (y) at a time when there shall have occurred and be continuing for less than 120 days a Lease Event of Default, the purchase price thereof shall equal the price provided in the preceding sentence plus the Make-Whole Amount, if any.

Such option to purchase the Equipment Notes may be exercised by the Owner Trustee or the Owner Participant giving irrevocable written notice of its election of such option to the Mortgagee, which notice shall specify a date for such purchase within 15 days of the date of such notice. The Mortgagee shall not exercise any of the remedies hereunder and, without the consent of the Owner Trustee or the Owner Participant, under the Lease, during the period from the date of the giving of such notice until the date on which such purchase is required to occur pursuant to the terms of the preceding sentence.

If the Owner Trustee or the Owner Participant on or before the date of such purchase shall so request, the Note Holders will comply with all the provisions of Section 2.07 to enable new Equipment Notes to be issued to the Owner Trustee or the Owner Participant or its nominee in such denominations as the Owner Trustee or the Owner Participant shall request. All taxes, charges and expenses required pursuant to Section 2.09 in connection with the issuance of such new Equipment Note shall be borne by the Owner Participant.

#### SECTION 2.14. SUBORDINATION

(a) The Owner Trustee and, by acceptance of its Equipment Notes of any Series, each Note Holder of such Series, hereby agree that no payment or distribution shall be made on or in respect of the Secured Obligations owed to such Note Holder of such Series, including any payment or distribution of cash, property or securities after the commencement of a proceeding of the type referred to in Section 4.02(g) hereof, except as expressly provided in Article III hereof.

(b) By the acceptance of its Equipment Notes of any Series (other than Series A), each Note Holder of such Series agrees that in the event that such Note Holder, in its capacity as a Note Holder, shall receive any payment or distribution on any Secured Obligations in respect of such Series which it is not entitled to receive under this Section 2.14 or Article III hereof, it will hold any amount so received in trust for the Senior Holder (as defined in Section 2.14(c))

hereof) and will forthwith turn over such payment to the Mortgagee in the form received to be applied as provided in Article III hereof.

(c) As used in this Section 2.14, the term "Senior Holder" shall mean, (i) the Note Holders of Series A until the Secured Obligations in respect of Series A Equipment Notes have been paid in full, (ii) after the Secured Obligations in respect of Series A Equipment Notes have been paid in full, the Note Holders of Series B until the Secured Obligations in respect of Series B Equipment Notes have been paid in full and (iii) after the Secured Obligations in respect of Series B Equipment Notes have been paid in full, the Note Holders of Series C until the Secured Obligations in respect of Series C Equipment Notes have been paid in full.

### ARTICLE III

#### RECEIPT, DISTRIBUTION AND APPLICATION OF INCOME FROM THE TRUST INDENTURE ESTATE

##### SECTION 3.01. BASIC RENT DISTRIBUTION

Except as otherwise provided in Section 3.03 hereof, each installment of Basic Rent, any payment of interest on overdue installments of Basic Rent and any payment received by the Mortgagee pursuant to Section 4.03 hereof shall be promptly distributed in the following order of priority:

- First, (i) so much of such installment or payment as shall be required to pay in full the aggregate amount of the payment or payments of Original Amount and interest (as well as any interest on any overdue Original Amount and, to the extent permitted by Law, on any overdue interest) then due under all Series A Equipment Notes shall be distributed to the Note Holders of Series A ratably, without priority of one over the other, in the proportion that the amount of such payment or payments then due under each Series A Equipment Note bears to the aggregate amount of the payments then due under all Series A Equipment Notes;
- (ii) after giving effect to paragraph (i) above, so much of such installment or payment remaining as shall be required to pay in full the aggregate amount of the payment or payments of Original Amount and interest (as well as any interest on any overdue Original Amount and, to the extent permitted by Law, on interest) then due under all Series B Equipment Notes shall be distributed to the Note Holders of Series B ratably, without priority of one over the other, in the proportion that the amount of such payment or payments then due under each Series B Equipment Note bears to the

aggregate amount of the payments then due under all Series B Equipment Notes; and

- (iii) after giving effect to paragraph (ii) above, so much of such installment or payment remaining as shall be required to pay in full the aggregate amount of the payment or payments of Original Amount and interest (as well as any interest on any overdue Original Amount and, to the extent permitted by Law, on any overdue interest) then due under all Series C Equipment Notes shall be distributed to the Note Holders of Series C ratably, without priority of one over the other, in the proportion that the amount of such payment or payments then due under each Series C Equipment Note bears to the aggregate amount of the payments then due under all Series C Equipment Notes; and

Second, the balance, if any, of such installment remaining thereafter shall be distributed to the Owner Trustee; provided, however, that if an Event of Default shall have occurred and be continuing, then such balance shall not be distributed as provided in this clause "Second" but shall be held by the Mortgagee as part of the Trust Indenture Estate and invested in accordance with Section 5.09 hereof until whichever of the following shall first occur: (i) all Events of Default shall have been cured or waived, in which event such balance shall be distributed as provided in this clause "Second", (ii) Section 3.03 hereof shall be applicable, in which event such balance shall be distributed in accordance with the provisions of such Section 3.03, or (iii) the 120th day after the receipt of such payment in which case such payment shall be distributed as provided in this clause "Second".

#### SECTION 3.02. EVENT OF LOSS; REPLACEMENT; VOLUNTARY TERMINATION;

##### OPTIONAL REDEMPTION

Except as otherwise provided in Section 3.03 hereof, any payments received by the Mortgagee (i) with respect to the Airframe or the Airframe and one or more Engines as the result of an Event of Loss, (ii) pursuant to a voluntary termination of the Lease pursuant to Section 9 thereof, or (iii) pursuant to an optional redemption of the Equipment Notes pursuant to Section 11 of the Participation Agreement shall be applied to redemption of the Equipment Notes and to all other Secured Obligations by applying such funds in the following order of priority:

First, (a) to reimburse the Mortgagee and the Note Holders for any reasonable costs or expenses incurred in connection with such redemption for which they are entitled to reimbursement, or indemnity by Lessee, under the Operative Agreements and then (b) to pay any other amounts then due to the Mortgagee, the Note Holders and the other

- (iii) after giving effect to paragraph (ii) above, to pay the amounts specified in paragraph (iii) of clause "Third" of Section 3.03 hereof plus Make-Whole Amount, if any, then due and payable in respect of the Series C Equipment Notes; and

Third, as provided in clause "Fourth" of Section 3.03 hereof;

provided, however, that if a Replacement Airframe or Replacement Engine shall be substituted for the Airframe or Engine subject to such Event of Loss as provided in Section 10 of the Lease and in accordance with Section 5.06 hereof, any insurance, condemnation or similar proceeds which result from such Event of Loss and are paid over to the Mortgagee shall be held by the Mortgagee as permitted by Section 6.04 hereof (provided that such moneys shall be invested as provided in Section 5.09 hereof) as additional security for the obligations of Lessee under the Lessee Operative Agreements and, unless otherwise applied pursuant to the Lease, such proceeds (and such investment earnings) shall be released to the Lessee at the Lessee's written request upon the release of such damaged Airframe or Engine and the replacement thereof as provided in the Lease.

#### SECTION 3.03. PAYMENTS AFTER EVENT OF DEFAULT

Except as otherwise provided in Section 3.04 hereof, all payments received and amounts held or realized by the Mortgagee (including any amounts realized by the Mortgagee from the exercise of any remedies pursuant to Section 15 of the Lease or Article IV hereof) after an Event of Default shall have occurred and be continuing and after the declaration specified in Section 4.04(b) hereof, as well as all payments or amounts then held by the Mortgagee as part of the Trust Indenture Estate, shall be promptly distributed by the Mortgagee in the following order of priority:

First,

so much of such payments or amounts as shall be required to (i) reimburse the Mortgagee or WTC for any tax (except to the extent resulting from a failure of the Mortgagee to withhold taxes pursuant to Section 2.04(b) hereof), expense or other loss (including, without limitation, all amounts to be expended at the expense of, or charged upon the rents, revenues, issues, products and profits of, the property included in the Trust Indenture Estate (all such property being herein called the "Mortgaged Property") pursuant to Section 4.05(b) hereof) incurred by the Mortgagee or WTC (to the extent not previously reimbursed), the expenses of any sale, or other proceeding, reasonable attorneys' fees and expenses, court costs, and any other expenditures incurred or expenditures or advances made by the Mortgagee, WTC or the Note Holders in the protection, exercise or enforcement of any right, power or remedy or any damages sustained by the Mortgagee, WTC or any Note Holder, liquidated or otherwise, upon such Event of Default shall be applied by the Mortgagee as between itself, WTC and the Note Holders in reimbursement of such expenses and any other expenses for which the Mortgagee, WTC or the Note Holders are entitled to reimbursement under any Operative Agreement and (ii) all amounts payable to the other Indenture Indemnitees hereunder and under the Participation Agreement and the Lease; and in the case the aggregate amount to be so distributed is insufficient to pay as aforesaid in clauses (i) and (ii), then ratably, without priority of one over the other, in proportion to the amounts owed each hereunder;

Second,

so much of such payments or amounts remaining as shall be required to reimburse the then existing or prior Note Holders for payments made pursuant to Section 5.03 hereof (to the extent not previously reimbursed) shall be distributed to such then existing or prior Note Holders ratably, without priority of one over the other, in accordance with the amount of the payment or payments made by each such then existing or prior Note Holder pursuant to said Section 5.03 hereof;

Third,

(i) so much of such payments or amounts remaining as shall be required to pay in full the aggregate unpaid Original Amount of all Series A Equipment Notes, and the accrued but unpaid interest and other amounts due thereon (other than Make-Whole Amount which shall not be due and payable) and all other Secured Obligations in respect of the Series A Equipment Notes (other than Make-Whole Amount) to the date of distribution, shall be distributed to the Note Holders of Series A, and in case the aggregate amount so to be distributed shall be insufficient to pay

in full as aforesaid, then ratably, without priority of one over the other, in the proportion that the aggregate unpaid Original Amount of all Series A Equipment Notes held by each holder plus the accrued but unpaid interest and other amounts due hereunder or thereunder (other than Make-Whole Amount, if any) to the date of distribution, bears to the aggregate unpaid Original Amount of all Series A Equipment Notes held by all such holders plus the accrued but unpaid interest and other amounts due thereon (other than Make-Whole Amount) to the date of distribution;

(ii) after giving effect to paragraph (i) above, so much of such payments or amounts remaining as shall be required to pay in full the aggregate unpaid Original Amount of all Series B Equipment Notes, and the accrued but unpaid interest and other amounts due thereon (other than Make-Whole Amount which shall not be due and payable) and all other Secured Obligations in respect of the Series B Equipment Notes (other than Make-Whole Amount) to the date of distribution, shall be distributed to the Note Holders of Series B, and in case the aggregate amount so to be distributed shall be insufficient to pay in full as aforesaid, then ratably, without priority of one over the other, in the proportion that the aggregate unpaid Original Amount of all Series B Equipment Notes held by each holder plus the accrued but unpaid interest and other amounts due hereunder or thereunder (other than the Make-Whole Amount, if any) to the date of distribution, bears to the aggregate unpaid Original Amount of all Series B Equipment Notes held by all such holders plus the accrued but unpaid interest and other amounts due thereon (other than the Make-Whole Amount) to the date of distribution; and

(iii) after giving effect to paragraph (ii) above, so much of such payments or amounts remaining as shall be required to pay in full the aggregate unpaid Original Amount of all Series C Equipment Notes, and the accrued but unpaid interest and other amounts due thereon (other than Make-Whole Amount which shall not be due and payable) and all other Secured Obligations in respect of the Series C Equipment Notes (other than Make-Whole Amount) to the date of distribution, shall be distributed to the Note Holders of Series C, and in case the aggregate amount so to be distributed shall be insufficient to pay in full as aforesaid, then ratably, without priority of one over the other, in the proportion that the aggregate unpaid Original Amount of all Series C Equipment Notes held by each holder plus the accrued but unpaid interest and other amounts due hereunder or thereunder (other than the Make-Whole Amount, if any) to the date of distribution, bears to the aggregate unpaid Original Amount of all Series C

Equipment Notes held by all such holders plus the accrued but unpaid interest and other amounts due thereon (other than the Make-Whole Amount) to the date of distribution; and

Fourth, the balance, if any, of such payments or amounts remaining thereafter shall be distributed to the Owner Trustee.

No Make-Whole Amount shall be due and payable on the Equipment Notes as a consequence of the acceleration of the Equipment Notes as a result of an Event of Default.

#### SECTION 3.04. CERTAIN PAYMENTS

(a) Any payments received by the Mortgagee for which no provision as to the application thereof is made in this Trust Indenture and for which such provision is made in the Lease or the Participation Agreement shall be applied forthwith to the purpose for which such payment was made in accordance with the terms of the Lease or the Participation Agreement, as the case may be.

(b) Notwithstanding anything to the contrary contained in this Article III, the Mortgagee will distribute promptly upon receipt any indemnity payment received by it from the Owner Trustee or Lessee in respect of the Mortgagee in its individual capacity, any Note Holder or any other Indenture Indemnitee, in each case whether pursuant to Section 9 of the Participation Agreement or as Supplemental Rent, directly to the Person entitled thereto. Any payment received by the Mortgagee under the third paragraph of Section 2.02 shall be distributed to the Subordination Agent to be distributed in accordance with the terms of the Intercreditor Agreement.

(c) Notwithstanding anything to the contrary contained in this Article III, any payments received by the Mortgagee which constitute Excluded Payments shall be distributed promptly upon receipt by the Mortgagee directly to the Person or Persons entitled thereto.

(d) Notwithstanding any provision of this Trust Indenture to the contrary, any amounts held by Mortgagee pursuant to the terms of the Lease [or any Permitted Sublease assignment]\* shall be held by the Mortgagee as security for the obligations of Lessee under the Lessee Operative Agreements and, if and when required by the Lease, paid and/or applied in accordance with the applicable provisions of the Lease.

---

\* Insert bracketed language if the Lease provides for the assignment of a permitted sublease.

## SECTION 3.05. OTHER PAYMENTS

Any payments received by the Mortgagee for which no provision as to the application thereof is made in the Lease, the Participation Agreement, elsewhere in this Trust Indenture or in any other Operative Agreement shall be distributed by the Mortgagee to the extent received or realized at any time (i) prior to the payment in full of all Secured Obligations due the Note Holders, in the order of priority specified in Section 3.01 hereof subject to the proviso thereto, and (ii) after payment in full of all Secured Obligations, in the following order of priority:

- First, to the extent payments or amounts described in clause "First" of Section 3.03 hereof are otherwise obligations of Lessee under the Operative Agreements or for which the Lessee is obligated to indemnify against thereunder, in the manner provided in clause "First" of Section 3.03 hereof, and
- Second, in the manner provided in clause "Fourth" of Section 3.03 hereof.

Further, and except as otherwise provided in Sections 3.02, 3.03 and 3.04 hereof, all payments received and amounts realized by the Mortgagee under the Lease or otherwise with respect to the Aircraft (including, without limitation, all amounts realized upon the sale or release of the Aircraft after the termination of the Lease with respect thereto), to the extent received or realized at any time after payment in full of all Secured Obligations due the Note Holders, shall be distributed by the Mortgagee in the order of priority specified in clause (ii) of the immediately preceding sentence of this Section 3.05.

## SECTION 3.06. PAYMENTS TO OWNER TRUSTEE

Any amounts distributed hereunder by the Mortgagee to the Owner Trustee shall be paid to the Owner Trustee (within the time limits contemplated by Section 2.04(a)) by wire transfer of funds of the type received by the Mortgagee at such office and to such account or accounts of such entity or entities as shall be designated by notice from the Owner Trustee to the Mortgagee from time to time. The Owner Trustee hereby notifies the Mortgagee that unless and until the Mortgagee receives notice to the contrary from the Owner Trustee, all amounts to be distributed to the Owner Trustee pursuant to clause "Second" of Section 3.01 or clause "Fourth" of Section 3.03 hereof shall be distributed by wire transfer of funds of the type received by the Mortgagee to the Owner Participant's account (within the time limits contemplated by Section 2.04(a)) specified in Schedule 1 to the Participation Agreement.

## ARTICLE IV

COVENANTS OF OWNER TRUSTEE; EVENTS OF  
DEFAULT; REMEDIES OF MORTGAGEE

## SECTION 4.01. COVENANTS OF OWNER TRUSTEE

The Owner Trustee hereby covenants and agrees (the covenants and agreements only in clause (b) below being made by the Owner Trustee in its individual capacity) as follows:

(a) the Owner Trustee will duly and punctually pay the Original Amount of, Make-Whole Amount, if any, and interest on and other amounts due under the Equipment Notes and hereunder in accordance with the terms of the Equipment Notes and this Trust Indenture and all amounts, if any, payable by it to the Note Holders under the Participation Agreement or Section 9 of the Lease;

(b) the Owner Trustee in its individual capacity covenants and agrees that it shall not, directly or indirectly, cause or permit to exist a Lessor Lien attributable to it in its individual capacity with respect to the Aircraft or any other portion of the Trust Estate; that it will promptly, at its own expense, take such action as may be necessary to duly discharge such Lessor Lien attributable to it in its individual capacity; and that it will make restitution to the Trust Indenture Estate for any actual diminution of the assets of the Trust Estate resulting from such Lessor Liens attributable to it in its individual capacity;

(c) in the event the Owner Trustee shall have Actual Knowledge of an Event of Default, a Default or an Event of Loss, the Owner Trustee will give prompt written notice of such Event of Default, Default or Event of Loss to the Mortgagee, each Note Holder, Lessee and the Owner Participant;

(d) the Owner Trustee will furnish to the Note Holders and the Mortgagee, promptly upon receipt thereof, duplicates or copies of all reports, notices, requests, demands, certificates and other instruments furnished to the Owner Trustee under the Lease, including, without limitation, a copy of any Termination Notice and a copy of each report or notice received pursuant to Section 9 or 8.2 or Annex D, Paragraph E of the Lease to the extent that the same shall not have been furnished or is not required to be furnished by the Lessee to the Note Holders or the Mortgagee pursuant to the Lease;

(e) except with the consent of the Mortgagee (acting pursuant to instructions given in accordance with Section 9.01 hereof) or as provided in Sections 2 and 11 of the Participation Agreement, the Owner Trustee will not contract for, create, incur, assume or

suffer to exist any Debt, and will not guarantee (directly or indirectly or by an instrument having the effect of assuring another's payment or performance on any obligation or capability of so doing, or otherwise), endorse or otherwise be or become contingently liable, directly or indirectly, in connection with the Debt of any other person; and

(f) the Owner Trustee will not enter into any business or other activity other than the business of owning the Aircraft, the leasing thereof to Lessee and the carrying out of the transactions contemplated hereby and by the Lease, the Participation Agreement and the Trust Agreement and the other Operative Agreements.

#### SECTION 4.02. EVENT OF DEFAULT

"Event of Default" means any of the following events (whatever the reason for such Event of Default and whether such event shall be voluntary or involuntary or come about or be effected by operation of Law or pursuant to or in compliance with any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

(a) any Lease Event of Default (provided that any such Lease Event of Default caused solely by a failure of Lessee to pay to the Owner Trustee or the Owner Participant when due any amount that is included in the definition of Excluded Payments shall not constitute an Event of Default unless notice is given by the Owner Trustee to the Mortgagee that such failure shall constitute an Event of Default); or

(b) the failure of the Owner Trustee to pay when due any payment of Original Amount of, interest on, Make-Whole Amount, if any, or other amount due and payable under any Equipment Note or hereunder (other than as a result of a Lease Event of Default or a Lease Default) and such failure shall have continued unremedied for ten Business Days in the case of any payment of Original Amount or interest or Make-Whole Amount, if any, thereon and, in the case of any other amount, for ten Business Days after the Owner Trustee or the Owner Participant receives written demand from the Mortgagee or any Note Holder; or

(c) any Lien required to be discharged by the Owner Trustee, in its individual capacity pursuant to Section 4.01(b) hereof or in its individual or trust capacity pursuant to Section 7.3.1 of the Participation Agreement, or by the Owner Participant pursuant to Section 7.2.1 of the Participation Agreement shall remain undischarged for a period of 30 days after the Owner Trustee or the Owner Participant, as the case may be, shall have received written notice from the Mortgagee or any Note Holder of such Lien; or

(d) any representation or warranty made by the Owner Participant or the Owner Trustee in the Participation Agreement or this Trust Indenture or in any certificate

furnished by the Owner Participant or the Owner Trustee to the Mortgagee or any Note Holder in connection with the transactions contemplated by the Operative Agreements shall prove to have been false or incorrect when made in any material respect and continues to be material and adverse to the interests of the Mortgagee or the Note Holders; and if such misrepresentation is capable of being corrected and if such correction is being sought diligently, such misrepresentation shall not have been corrected within 60 days (or, without affecting Section 4.02(f) hereof, in the case of the representation made in Section 6.3.6 or 6.2.6 of the Participation Agreement as to citizenship of the Owner Trustee in its individual capacity or of the Owner Participant, respectively, as soon as is reasonably practicable but in any event within 60 days) following notice thereof from the Mortgagee or any Note Holder to the Owner Trustee or the Owner Participant, as the case may be; or

(e) other than as provided in (c) above or (f) below, any failure by the Owner Trustee or Owner Participant to observe or perform any other covenant or obligation of the Owner Trustee or Owner Participant, as the case may be, for the benefit of the Mortgagee or the Note Holders contained in the Participation Agreement, Section 4.2.1 of the Trust Agreement, the Equipment Notes or this Trust Indenture which is not remedied within a period of 60 days after notice thereof has been given to the Owner Trustee and the Owner Participant; or

(f) if at any time when the Aircraft is registered under the Laws of the United States, the Owner Participant shall not be a "citizen of the United States" within the meaning of Section 40102(a)(15) of Part A of Subtitle VII of Title 49, United States Code, and as the result thereof the registration of the Aircraft under the Federal Aviation Act, and regulations then applicable thereunder, shall cease to be effective; provided that no Event of Default shall be deemed to have occurred under this paragraph (f) unless such circumstances continue unremedied for more than 30 days after the Owner Participant has Actual Knowledge of the state of facts that resulted in such ineffectiveness and of such loss of citizenship; or

(g) at any time either (i) the commencement of an involuntary case or other proceeding in respect of the Owner Participant, the Owner Trustee, the Trust or the Trust Estate under the federal bankruptcy Laws, as now constituted or hereafter amended, or any other applicable federal or state bankruptcy, insolvency or other similar Law in the United States or seeking the appointment of a receiver, liquidator, assignee, custodian, trustee, sequestrator (or similar official) of the Owner Participant, the Owner Trustee, the Trust or the Trust Estate or for all or substantially all of its property, or seeking the winding-up or liquidation of its affairs and the continuation of any such case or other proceeding undismissed and unstayed for a period of 60 consecutive days; or (ii) the commencement by the Owner Participant, the Owner Trustee, the Trust or the Trust

Estate of a voluntary case or proceeding under the federal bankruptcy Laws, as now constituted or hereafter amended, or any other applicable federal or state bankruptcy, insolvency or other similar Law in the United States, or the consent by the Owner Participant, the Owner Trustee, the Trust or the Trust Estate to the appointment of or taking possession by a receiver, liquidator, assignee, trustee, custodian, sequestrator (or other similar official) of the Owner Participant, the Owner Trustee, the Trust or the Trust Estate or for all or substantially all of its property, or the making by the Owner Participant, the Owner Trustee, the Trust or the Trust Estate of any assignment for the benefit of creditors or the Owner Participant or the Owner Trustee shall take any action to authorize any of the foregoing; provided, however, that an event referred to in this Section 4.02(g) with respect to the Owner Participant shall not constitute an Event of Default if within 30 days of the commencement of the case or proceeding a final non-appealable order, judgment or decree shall be entered in such case or proceeding by a court or a trustee, custodian, receiver or liquidator, to the effect that, no part of the Trust Estate (except for the Owner Participant's beneficial interest therein) and no right, title or interest under the Trust Indenture Estate shall be included in, or be subject to, any declaration or adjudication of, or proceedings with respect to, the bankruptcy, insolvency or liquidation of the Owner Participant referred to in this Section 4.02(g).

#### SECTION 4.03. CERTAIN RIGHTS

The Mortgagee shall give the Note Holders, the Owner Trustee and the Owner Participant prompt written notice of any Event of Default of which the Mortgagee has Actual Knowledge and shall give the Note Holders, the Owner Trustee and the Owner Participant not less than ten Business Days' prior written notice of the date (the "Enforcement Date") on or after which the Mortgagee may, subject to the limitation set forth in Section 4.04(a), commence and consummate the exercise of any remedy or remedies described in Section 4.04, 4.05 or 4.06 hereof; provided, however, that in the event the Mortgagee shall have validly terminated the Lease, the Mortgagee shall not sell or lease, or otherwise afford the use of, the Aircraft or any portion thereof to the Lessee or any Affiliate thereof. Without limiting the generality of the foregoing, the Mortgagee shall give the Owner Trustee, the Owner Participant and the Lessee at least ten Business Days' prior written notice (which may be given concurrently with notice of the Enforcement Date) of any declaration of the Lease to be in default pursuant to Sections 14 and 15 of the Lease or any termination of the Lease or of the exercise of any remedy or remedies pursuant to Section 15 of the Lease. If an Event of Default shall have occurred and be continuing, the Owner Trustee shall have the rights set forth below, any of which may be exercised directly by the Owner Participant.

If as a result of the occurrence of an Event of Default in respect of the nonpayment by Lessee of Basic Rent due under the Lease, the Mortgagee shall have insufficient funds to make any payment of Original Amount and interest on any Equipment Note on the day

it becomes due and payable, the Owner Trustee may, but shall not be obligated to pay the Mortgagee prior to the Enforcement Date, in the manner provided in Section 2.04 hereof, for application in accordance with Section 3.01 hereof, an amount equal to the portion of the Original Amount and interest (including interest, if any, on any overdue payments of such portion of Original Amount and interest) then due and payable on the Equipment Notes, and, unless the Owner Trustee has cured Events of Default in respect of payments of Basic Rent on each of the three immediately preceding Basic Rent payment dates, or the Owner Trustee has cured six previous Events of Default in respect of payments of Basic Rent, such payment by the Owner Trustee shall, solely for purposes of this Trust Indenture be deemed to cure any Event of Default which would otherwise have arisen on account of the nonpayment by Lessee of such installment of Basic Rent (but not any other Default or Event of Default which shall have occurred and be continuing).

If any Event of Default (other than in respect of the nonpayment of Basic Rent by the Lessee) which can be cured by the payment of money has occurred, the Owner Trustee may, but shall not be obligated to, cure such Event of Default by making such payment prior to the Enforcement Date as is necessary to accomplish the observance or performance of the defaulted covenant, condition or agreement to the party entitled to the same.

Except as hereinafter in this Section 4.03 provided, the Owner Trustee shall not, as a result of exercising the right to cure any such Event of Default, obtain any Lien on any of the Mortgaged Property or any Rent payable under the Lease for or on account of costs or expenses incurred in connection with the exercise of such right, nor shall any claim of the Owner Trustee against Lessee or any other party for the repayment of such costs or expenses impair the prior right and security interest of the Mortgagee in and to the Mortgaged Property. Upon any payment by the Owner Trustee pursuant to the first or second preceding paragraphs of this Section 4.03, the Owner Trustee shall be subrogated to the rights of the Mortgagee and the Note Holders in respect of the Basic Rent which was overdue at the time of such payment and interest payable by the Lessee on account of its being overdue and any Supplemental Rent in respect of the reimbursement of amounts paid by Owner Trustee pursuant to the immediately preceding paragraph (but in either case shall have no rights as a secured party hereunder), and thereafter, the Owner Trustee shall be entitled (so long as the application thereof shall not give rise to an Event of Default hereunder) to receive such overdue Basic Rent or Supplemental Rent, as the case may be, and interest thereon upon receipt thereof by the Mortgagee; provided, however, that (i) if the Original Amount and interest on the Equipment Notes shall have become due and payable pursuant to Section 4.04(b) hereof, such subrogation shall, until the Secured Obligations shall have been paid in full, be subordinate to the rights of the Mortgagee, the Note Holders and the Indenture Indemnitees in respect of such payment of overdue Basic Rent, Supplemental Rent and such interest and (ii) the Owner Trustee shall not otherwise attempt to recover any such amount paid by it on behalf of the Lessee pursuant to this Section 4.03 except by demanding of the Lessee payment of such amount, or by commencing an action at law against the Lessee and

obtaining and enforcing a judgment against the Lessee for the payment of such amount or taking appropriate action in a pending action at law against the Lessee (provided, that at no time while an Event of Default shall have occurred and be continuing shall any such demand be made or shall any such action be commenced (or continued) and any amounts nevertheless received by the Owner Trustee in respect thereof shall be held in trust for the benefit of, and promptly paid to, the Mortgagee for distribution as provided in Section 3.03 hereof).

Neither the Owner Trustee nor the Owner Participant shall have the right to cure any Lease Event of Default or Lease Default except as specified in this Section 4.03.

#### SECTION 4.04. REMEDIES

(a) If an Event of Default shall have occurred and be continuing and so long as the same shall continue unremedied, then and in every such case the Mortgagee may, subject to the second and third paragraphs of this Section 4.04(a), exercise any or all of the rights and powers and pursue any and all of the remedies pursuant to this Article IV and shall have and may exercise all of the rights and remedies of a secured party under the Uniform Commercial Code and, in the event such Event of Default is also a Lease Event of Default, any and all of the remedies pursuant to Section 15 of the Lease [and pursuant to any Permitted Sublease assignment]\* and may take possession of all or any part of the properties covered or intended to be covered by the Lien created hereby or pursuant hereto and may exclude the Owner Participant, the Owner Trustee and Lessee and all persons claiming under any of them wholly or partly therefrom; provided, that the Mortgagee shall give the Owner Trustee and the Owner Participant twenty days' prior written notice of its intention to sell the Aircraft, and provided, further, that in the event the Mortgagee shall have validly terminated the Lease, the Mortgagee shall not sell or lease, or otherwise afford the use of, the Aircraft or any portion thereof to the Lessee or any Affiliate thereof. Unless an Event of Default not resulting from or relating to a Lease Event of Default has occurred and is continuing, the Owner Participant may bid at the sale and become the purchaser. Without limiting any of the foregoing, it is understood and agreed that the Mortgagee may exercise any right of sale of the Aircraft available to it, even though it shall not have taken possession of the Aircraft and shall not have possession thereof at the time of such sale.

Anything in this Trust Indenture to the contrary notwithstanding, the Mortgagee shall not be entitled to exercise any remedy hereunder as a result of an Event of Default which arises solely by reason of one or more events or circumstances which constitute a Lease Event of Default unless the Mortgagee as security assignee of the Owner Trustee shall have exercised or concurrently be exercising one or more of the dispossessory remedies provided for in Section 15

---

\* Insert bracketed language if the Lease provides for the assignment of a permitted sublease.

of the Lease with respect to the Aircraft; provided, however, that such requirement to exercise one or more of such remedies under the Lease shall not apply in circumstances where the Mortgagee is, and has been, for a continuous period in excess of 60 days or such other period as may be specified in Section 1110(a)(1)(A) of the Bankruptcy Code (such 60-day or other period being the "New Section 1110 Period"), involuntarily stayed or prohibited by applicable law or court order from exercising such remedies under the Lease (a "Continuous Stay Period"); provided further, however, that the requirement to exercise one or more of such remedies under the Lease shall nonetheless be applicable during a Continuous Stay Period subsequent to the expiration of the New Section 1110 Period to the extent that the continuation of such Continuous Stay Period subsequent to the expiration of the New Section 1110 Period (A) results from an agreement by the trustee or the debtor-in-possession in such proceeding during the New Section 1110 Period with the approval of the relevant court to perform the Lease in accordance with Section 1110(a)(1)(A) of the Bankruptcy Code and continues to perform as required by Section 1110(a)(1)(A-B) of the Bankruptcy Code or (B) is an extension of the New Section 1110 Period with the consent of the Mortgagee pursuant to Section 1110(b) of the Bankruptcy Code or (C) results from the Lessee's assumption during the New Section 1110 Period with the approval of the relevant court of the Lease pursuant to Section 365 of the Bankruptcy Code and Lessee's continuous performance of the Lease as so assumed or (D) is the consequence of the Mortgagee's own failure to give any requisite notice to any person. In the event that the applicability of Section 1110 of the Bankruptcy Code to the Aircraft is being contested by Lessee in judicial proceedings, both of the Mortgagee and the Owner Trustee shall have the right to participate in such proceedings; provided that any such participation by the Owner Trustee shall not affect in any way any rights or remedy of the Mortgagee hereunder.

It is expressly understood and agreed that, subject only to the two preceding paragraphs, the inability, described in such paragraphs, of the Mortgagee to exercise any right or remedy under the Lease shall in no event and under no circumstances prevent the Mortgagee from exercising any or all of its rights, powers and remedies under this Trust Indenture, including, without limitation, this Article IV.

(b) If an Event of Default shall have occurred and be continuing, then and in every such case the Mortgagee may (and shall, upon receipt of a written demand therefor from a Majority in Interest of Note Holders), subject to Section 4.03 hereof, at any time, by delivery of written notice or notices to the Owner Trustee and the Owner Participant, declare all the Equipment Notes to be due and payable, whereupon the unpaid Original Amount of all Equipment Notes then outstanding, together with accrued but

unpaid interest thereon (without Make-Whole Amount) and other amounts due thereunder, shall immediately become due and payable without presentment, demand, protest or notice, all of which are hereby waived; provided that if an Event of Default referred to in clause (g) of Section 4.02 hereof shall have occurred or a Lease Event of Default under Section 14.5 of the Lease shall have occurred, then and in every such case the unpaid Original Amount then outstanding, together with accrued but unpaid interest and all other amounts due thereunder and hereunder shall immediately and without further act become due and payable without presentment, demand, protest or notice, all of which are hereby waived; provided further that in the event of a reorganization proceeding involving the Lessee instituted under Chapter 11 of the Bankruptcy Code, if no Lease Event of Default (including any Lease Event of Default set forth in Section 14.3 of the Lease) and no other Event of Default (other than the failure to pay the Original Amount of the Equipment Notes which by such declaration shall have become payable) exists at any time after the consummation of such proceeding, such declaration shall be automatically rescinded without any further action on the part of any Note Holder.

This Section 4.04(b), however, is subject to the condition that, if at any time after the Original Amount of the Equipment Notes shall have become so due and payable, and before any judgment or decree for the payment of the money so due, or any thereof, shall be entered, all overdue payments of interest upon the Equipment Notes and all other amounts payable under the Equipment Notes (except the Original Amount of the Equipment Notes which by such declaration shall have become payable) shall have been duly paid, and every other Default and Event of Default with respect to any covenant or provision of this Trust Indenture shall have been cured, then and in every such case a Majority in Interest of Note Holders may (but shall not be obligated to), by written instrument filed with the Mortgagee, rescind and annul the Mortgagee's declaration (or such automatic acceleration) and its consequences; but no such rescission or annulment shall extend to or affect any subsequent Default or Event of Default or impair any right consequent thereon.

Any acceleration pursuant to this Section 4.04(b) shall be automatically rescinded and any related declaration of an Event of Default annulled in the event that the Owner Trustee shall have cured, in accordance with Section 4.03 hereof, the Event of Default that resulted in such acceleration or declaration.

(c) The Note Holders shall be entitled, at any sale pursuant to Section 15 of the Lease or this Section 4.04, to credit against any purchase price bid at such sale by such holder all or any part of the unpaid obligations owing to such Note Holder and secured by the Lien of this Trust Indenture (only to the extent that such purchase price would have been paid to such Note Holder pursuant to Article III hereof if such purchase price were paid in cash and the foregoing provisions of this subsection (c) were not given effect).

(d) In the event of any sale of the Trust Indenture Estate, or any part thereof, pursuant to any judgment or decree of any court or otherwise in connection with the enforcement of any of the terms of this Trust Indenture, the unpaid Original Amount of all Equipment Notes then outstanding, together with accrued interest thereon (without Make-Whole Amount), and other amounts due thereunder, shall immediately become due and payable without presentment, demand, protest or notice, all of which are hereby waived.

(e) Notwithstanding anything contained herein, so long as the Pass Through Trustee under any Pass Through Trust Agreement (or its designee) is a Note Holder, the Mortgagee will not be authorized or empowered to acquire title to any Mortgaged Property or take any action with respect to any Mortgaged Property so acquired by it if such acquisition or action would cause any Trust to fail to qualify as a "grantor trust" for federal income tax purposes.

SECTION 4.05. RETURN OF AIRCRAFT, ETC.

(a) If an Event of Default shall have occurred and be continuing and the Equipment Notes have been accelerated, subject to Section 4.03 hereof and unless the Owner Trustee or the Owner Participant shall have elected to purchase the Equipment Notes, at the request of the Mortgagee, the Owner Trustee shall promptly execute and deliver to the Mortgagee such instruments of title and other documents as the Mortgagee may deem necessary or advisable to enable the Mortgagee or an agent or representative designated by the Mortgagee, at such time or times and place or places as the Mortgagee may specify, to obtain possession of all or any part of the Mortgaged Property included in the Trust Indenture Estate to which the Mortgagee shall at the time be entitled hereunder. If the Owner Trustee shall for any reason fail to execute and deliver such instruments and documents after such request by the Mortgagee, the Mortgagee may (i) obtain a judgment conferring on the Mortgagee the right to immediate possession and requiring the Owner Trustee to execute and deliver such instruments and documents to the Mortgagee, to the entry of which judgment the Owner Trustee hereby specifically consents to the fullest extent permitted by Law, and (ii) pursue all or part of such Mortgaged Property wherever it may be found and, in the event that a Lease Event of Default has occurred and is continuing, may enter any of the premises of Lessee wherever such Mortgaged Property may be or be supposed to be and search for such Mortgaged Property and take possession of and remove such Mortgaged Property. All expenses of obtaining such judgment or of pursuing, searching for and taking such property shall, until paid, be secured by the Lien of this Trust Indenture.

(b) Upon every such taking of possession, the Mortgagee may, from time to time, at the expense of the Mortgaged Property, make all such expenditures for maintenance, use, operation, storage, insurance, leasing, control, management, disposition, modifications or alterations to and of the Mortgaged Property, as it may deem proper. In each such case, the Mortgagee shall have the right to maintain, use, operate, store, insure, lease, control, manage, dispose of, modify or alter the Mortgaged Property and to carry on the business and to exercise all rights and powers of the Owner Participant and the Owner Trustee relating to the Mortgaged Property, as the Mortgagee shall deem best, including the right to enter into any and all such agreements with respect to the maintenance, use, operation, storage, insurance, leasing, control, management, disposition, modification or alteration of the Mortgaged Property or any part

thereof as the Mortgagee may determine, and the Mortgagee shall be entitled to collect and receive directly all tolls, rents (including Rent), revenues, issues, income, products and profits of the Mortgaged Property and every part thereof, except Excluded Payments, without prejudice, however, to the right of the Mortgagee under any provision of this Trust Indenture to collect and receive all cash held by, or required to be deposited with, the Mortgagee hereunder other than Excluded Payments. Such tolls, rents (including Rent), revenues, issues, income, products and profits shall be applied to pay the expenses of the maintenance, use, operation, storage, insurance, leasing, control, management, disposition, improvement, modification or alteration of the Mortgaged Property and of conducting the business thereof, and to make all payments which the Mortgagee may be required or may elect to make, if any, for taxes, assessments, insurance or other proper charges upon the Mortgaged Property or any part thereof (including the employment of engineers and accountants to examine, inspect and make reports upon the properties and books and records of the Owner Trustee), and all other payments which the Mortgagee may be required or authorized to make under any provision of this Trust Indenture, as well as just and reasonable compensation for the services of the Mortgagee, and of all persons properly engaged and employed by the Mortgagee with respect hereto.

#### SECTION 4.06. REMEDIES CUMULATIVE

Each and every right, power and remedy given to the Mortgagee specifically or otherwise in this Trust Indenture shall be cumulative and shall be in addition to every other right, power and remedy herein specifically given or now or hereafter existing at Law, in equity or by statute, and each and every right, power and remedy whether specifically herein given or otherwise existing may be exercised from time to time and as often and in such order as may be deemed expedient by the Mortgagee, and the exercise or the beginning of the exercise of any power or remedy shall not be construed to be a waiver of the right to exercise at the same time or thereafter any other right, power or remedy. No delay or omission by the Mortgagee in the exercise of any right, remedy or power or in the pursuance of any remedy shall impair any such right, power or remedy or be construed to be a waiver of any default on the part of the Owner Trustee or Lessee or to be an acquiescence therein.

#### SECTION 4.07. DISCONTINUANCE OF PROCEEDINGS

In case the Mortgagee shall have instituted any proceeding to enforce any right, power or remedy under this Trust Indenture by foreclosure, entry or otherwise, and such proceedings shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Mortgagee, then and in every such case the Owner Trustee, the Mortgagee and Lessee shall, subject to any determination in such proceedings, be restored to their former positions and rights hereunder with respect to the Mortgaged Property, and all rights, remedies and powers of the Owner Trustee, the Mortgagee or Lessee shall continue as if no such proceedings had been instituted.

## SECTION 4.08. WAIVER OF PAST DEFAULTS

Upon written instruction from a Majority in Interest of Note Holders, the Mortgagee shall waive any past Default hereunder and its consequences and upon any such waiver such Default shall cease to exist and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Trust Indenture, but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon; provided, that in the absence of written instructions from all the Note Holders, the Mortgagee shall not waive any Default (i) in the payment of the Original Amount, Make-Whole Amount, if any, and interest and other amounts due under any Equipment Note then outstanding, or (ii) in respect of a covenant or provision hereof which, under Article IX hereof, cannot be modified or amended without the consent of each Note Holder.

## SECTION 4.09. APPOINTMENT OF RECEIVER

The Mortgagee shall, as a matter of right, be entitled to the appointment of a receiver (who may be the Mortgagee or any successor or nominee thereof) for all or any part of the Mortgaged Property, whether such receivership be incidental to a proposed sale of the Mortgaged Property or the taking of possession thereof or otherwise, and the Owner Trustee hereby consents to the appointment of such a receiver and will not oppose any such appointment. Any receiver appointed for all or any part of the Mortgaged Property shall be entitled to exercise all the rights and powers of the Mortgagee with respect to the Mortgaged Property.

## SECTION 4.10. MORTGAGEE AUTHORIZED TO EXECUTE BILLS OF SALE,

ETC.

Subject to the provisions of this Trust Indenture, the Owner Trustee irrevocably appoints the Mortgagee the true and lawful attorney-in-fact of the Owner Trustee (which appointment is coupled with an interest) in its name and stead and on its behalf, for the purpose of effectuating any sale, assignment, transfer or delivery for the enforcement of the Lien of this Trust Indenture, whether pursuant to foreclosure or power of sale, assignments and other instruments as may be necessary or appropriate, with full power of substitution, the Owner Trustee hereby ratifying and confirming all that such attorney or any substitute shall do by virtue hereof in accordance with applicable law. Nevertheless, if so requested by the Mortgagee or any purchaser, the Owner Trustee shall ratify and confirm any such sale, assignment, transfer or delivery, by executing and delivering to the Mortgagee or such purchaser all bills of sale, assignments, releases and other proper instruments to effect such ratification and confirmation as may be designated in any such request.

## SECTION 4.11. RIGHTS OF NOTE HOLDERS TO RECEIVE PAYMENT

Notwithstanding any other provision of this Trust Indenture, the right of any Note Holder to receive payment of principal of, and premium, if any, and interest on an Equipment Note on or after the respective due dates expressed in such Equipment Note, or to bring suit for the enforcement of any such payment on or after such respective dates in accordance with the terms hereof, shall not be impaired or affected without the consent of such Note Holder.

## ARTICLE V

## DUTIES OF THE MORTGAGEE

## SECTION 5.01. NOTICE OF EVENT OF DEFAULT

If the Mortgagee shall have Actual Knowledge of an Event of Default or of a Default arising from a failure to pay Rent, the Mortgagee shall give prompt written notice thereof to the Owner Trustee, the Owner Participant, Lessee, and each Note Holder. Subject to the terms of Sections 2.13, 4.03, 4.04, 4.08, 5.02 and 5.03 hereof, the Mortgagee shall take such action, or refrain from taking such action, with respect to such Event of Default or Default (including with respect to the exercise of any rights or remedies hereunder) as the Mortgagee shall be instructed in writing by a Majority in Interest of Note Holders. Subject to the provisions of Section 5.03, if the Mortgagee shall not have received instructions as above provided within 20 days after mailing notice of such Event of Default to the Note Holders, the Mortgagee may, subject to instructions thereafter received pursuant to the preceding provisions of this Section 5.01, take such action, or refrain from taking such action, but shall be under no duty to take or refrain from taking any action, with respect to such Event of Default or Default as it shall determine advisable in the best interests of the Note Holders; provided, however, that the Mortgagee may not sell the Aircraft or any Engine without the consent of a Majority in Interest of Note Holders. For all purposes of this Trust Indenture, in the absence of Actual Knowledge on the part of the Mortgagee, the Owner Trustee or the Owner Participant, the Mortgagee, the Owner Trustee or the Owner Participant, as the case may be, shall not be deemed to have knowledge of a Default or an Event of Default (except, in the case of the Mortgagee, the failure of Lessee to pay any installment of Basic Rent within one Business Day after the same shall become due, if any portion of such installment was then required to be paid to the Mortgagee, which failure shall constitute knowledge of a Default) unless notified in writing by Lessee, the Owner Trustee, the Owner Participant or one or more Note Holders.

## LIMITATIONS

(a) Subject to the terms of Sections 2.13, 4.03, 4.04(a) and (b), 4.08, 5.01 and 5.03 hereof, upon the written instructions at any time and from time to time of a Majority in Interest of Note Holders, the Mortgagee shall, subject to the terms of this Section 5.02, take such of the following actions as may be specified in such instructions: (i) give such notice or direction or exercise such right, remedy or power hereunder as shall be specified in such instructions; (ii) give such notice or direction or exercise such right, remedy or power under the Lease, the Participation Agreement, the Purchase Agreement, the Purchase Agreement Assignment, or any other part of the Trust Indenture Estate as shall be specified in such instructions; and (iii) approve as satisfactory to the Mortgagee all matters required by the terms of the Lease to be satisfactory to the Owner Trustee, it being understood that without the written instructions of a Majority in Interest of Note Holders, the Mortgagee shall not approve any such matter as satisfactory to the Mortgagee; provided, that anything contained in this Trust Indenture, the Lease or the other Operative Agreements to the contrary notwithstanding, but subject to the next paragraph hereof:

(1) the Owner Trustee or the Owner Participant, may, without the consent of the Mortgagee, demand, collect, sue for or otherwise obtain all amounts included in Excluded Payments from Lessee and seek legal or equitable remedies to require Lessee to maintain the insurance coverage referred to in Section 11 of the Lease [(or the comparable provisions of any assigned Permitted Sublease)]\* provided, that the rights referred to in this clause (1) shall not be deemed to include the exercise of any remedies provided for in Section 15 of the Lease other than the right to proceed by appropriate court action, either at Law or in equity, to enforce payment by Lessee of such amounts included in Excluded Payments or performance by Lessee of such insurance covenant or to recover damages for the breach thereof or for specific performance of any other term of the Lease [(or the comparable provisions of any assigned Permitted Sublease)]\*;

(2) (A) the Mortgagee shall not, without the consent of the Owner Trustee, enter into, execute or deliver amendments or modifications in respect of any of the provisions of the Lease[, any assigned Permitted Sublease or any Permitted Sublease assignment\*, and (B) unless a Mortgagee Event shall have occurred and be continuing, the Mortgagee shall not, without the consent of the Owner Trustee, which consent shall not be withheld if no right or interest of the Owner Trustee or the Owner Participant shall be diminished or impaired thereby, (i) enter into, execute or deliver waivers or consents in respect of any of the provisions of the Lease, or (ii) approve any accountants, engineers, appraisers or counsel as satisfactory to render services for or issue opinions to the Owner Trustee pursuant to the Operative Agreements, provided that whether or not any Mortgagee Event has occurred and is continuing, the Owner Trustee's consent shall be required with respect to any waivers or consents in respect of any of the provisions of Section 5, 7 or 11 of the Lease, or of any other Section of the Lease to the extent such action shall affect (y) the amount or timing of, or the right to enforce payment of any Excluded Payment or (z) the amount or timing of any amounts payable by the Lessee under the Lease as originally

executed (or as subsequently modified with the consent of the Owner Trustee) which, absent the occurrence and continuance of an Event of Default hereunder, would be distributable to the Owner Trustee under Article III hereof;

(3) whether or not a Default or Event of Default under the Trust Indenture has occurred and is continuing, the Owner Trustee and the Owner Participant shall have the right, together with the Mortgagee, (i) to receive from Lessee [or any Permitted Sublessee]\* certificates and other documents and information which Lessee is required to give or furnish to the Owner Trustee or the Lessor pursuant to any Operative Agreement and (ii) to inspect in accordance with the Lease the Airframe and Engines and all Aircraft Documents;

(4) whether or not a Default or Event of Default under the Trust Indenture has occurred and is continuing, the Owner Trustee shall have the right to adjust upwards Rent, Stipulated Loss Values and Termination Values as provided in Section 3.2.1 of the Lease;

(5) so long as no Mortgagee Event has occurred and is continuing, the Owner Trustee shall have the right, to the exclusion of the Mortgagee, to adjust Basic Rent, Stipulated Loss Values and Termination Values as provided in Section 3.2 of the Lease or to adjust downward any installment or amount of Basic Rent, Stipulated Loss Value or Termination Value, as such installments and amounts are set forth in Schedules 2, 3 and 4, respectively, to the Lease, to the extent of the portion of such installment or amount that would, under Section 3.01, 3.02 or 3.03 hereof, as the case may be, be distributable to the Owner Trustee or the Owner Participant;

(6) whether or not a Default or Event of Default under the Trust Indenture has occurred and is continuing, the Owner Trustee may, without the consent of the Mortgagee, (i) solicit and make bids with respect to the Aircraft under Section 9 of the Lease in respect of a termination of the Lease by Lessee pursuant to Section 9 thereof, (ii) determine Fair Market Sales Value and Fair Market Rental Value under Section 17 of the Lease for all purposes except following a Mortgagee Event pursuant to Section 15 of the Lease, and (iii) make an election pursuant to and in accordance with the provisions of Sections 9.1(b), 9.2 and 9.3 of the Lease; and

\* Insert bracketed language if the Lease provides for the assignment of a permitted sublease.

(7) so long as no Mortgagee Event shall have occurred and be continuing, all other rights of the "Lessor" under the Lease [or any assigned Permitted Sublease\* shall be exercised by the Owner Trustee to the exclusion of the Mortgagee including, without limitation, the right to (i) exercise all rights with respect to Lessee's use and operation, modification or maintenance of the Aircraft and any Engine which the Lease specifically confers on the Lessor, and (ii) consent to and approve any assignment pursuant to Section 13 of the Lease; provided that the foregoing shall not (x) limit (A) any rights separately granted to the Mortgagee under the Operative Agreements or (B) the right of the Mortgagee to receive any funds to be delivered to the "Lessor" under the Lease (except with respect to Excluded Payments) and under the Purchase Agreement or (y) confer upon the Owner Trustee the right to adversely affect the validity or enforceability of the lien of this Indenture.

Notwithstanding anything to the contrary contained herein (including this Section 5.02), the Mortgagee shall have the right, to the exclusion of the Owner Trustee and the Owner Participant, to (A) declare the Lease to be in default under Section 15 thereof and (B) subject only to the provisions of Sections 4.03, 4.04(a) and (b) and 2.14 hereof, exercise the remedies set forth in such Section 15 (other than in connection with Excluded Payments and provided that each of the Owner Trustee, Owner Participant and Mortgagee shall independently retain the rights set forth in clause (ii) of Section 15.1.5 of the Lease) at any time that a Lease Event of Default shall have occurred and be continuing. Further and for the avoidance of doubt, and anything to the contrary contained herein (including this Section 5.02), in no event may the Owner Trustee amend or otherwise modify the provisions of Section 3.2.1(e) of the Lease or of the final sentence of the definition of Stipulated Loss Value or Termination Value, in any such case, without the prior written consent of the Mortgagee.

The Mortgagee will execute and the Owner Trustee will file or cause to be filed such continuation statements with respect to financing statements relating to the security interest created hereunder in the Trust Indenture Estate as may be specified from time to time in written instructions of a Majority in Interest of Note Holders (which instructions shall be accompanied by the form of such continuation statement so to be filed). The Mortgagee will furnish to each Note Holder (and, during the continuation of a Mortgagee Event, to the Owner Trustee and Owner Participant), promptly upon receipt thereof, duplicates or copies of all reports, notices, requests, demands, certificates and other instruments furnished to the Mortgagee under the Lease or hereunder, including, without limitation, a copy of any Termination Notice (as defined in the Lease) and a copy of each report or notice received pursuant to Section 9 and Paragraph E of

(b) If any Lease Event of Default shall have occurred and be continuing and the Owner Trustee shall not have cured fully such Lease Event of Default under and in accordance with Section 4.03 hereof, on request of a Majority in Interest of Note Holders, the Mortgagee shall declare the Lease to be in default pursuant to Section 15 thereof and exercise those remedies specified by such Note Holders. The Mortgagee agrees to provide to the Note Holders, the Owner Trustee and the Owner Participant concurrently with such declaration by the Mortgagee, notice of such declaration by the Mortgagee.

#### SECTION 5.03. INDEMNIFICATION

The Mortgagee shall not be required to take any action or refrain from taking any action under Section 5.01 (other than the first sentence thereof), 5.02 or Article IV hereof unless the Mortgagee shall have been indemnified to its reasonable satisfaction against any liability, cost or expense (including counsel fees) which may be incurred in connection therewith pursuant to a written agreement with one or more Note Holders. The Mortgagee agrees that it shall look solely to the Note Holders for the satisfaction of any indemnity (except expenses for foreclosure of the type referred to in clause "First" of Section 3.03 hereof) owed to it pursuant to this Section 5.03. The Mortgagee shall not be under any obligation to take any action under this Trust Indenture or any other Operative Agreement and nothing herein or therein shall require the Mortgagee to expend or risk its own funds or otherwise incur the risk of any financial liability in the performance of any of its rights or powers if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it (the written indemnity of any Note Holder who is a QIB, signed by an authorized officer thereof, in favor of, delivered to and in form reasonably satisfactory to the Mortgagee shall be accepted as reasonable assurance of adequate indemnity). The Mortgagee shall not be required to take any action under Section 5.01 (other than the first sentence thereof) or 5.02 or Article IV hereof, nor shall any other provision of this Trust Indenture or any other Operative Agreement be deemed to impose a duty on the Mortgagee to take any action, if the Mortgagee shall have been advised by counsel that such action is contrary to the terms hereof or of the Lease or is otherwise contrary to Law.

SECTION 5.04. NO DUTIES EXCEPT AS SPECIFIED IN TRUST INDENTURE  
OR INSTRUCTIONS

The Mortgagee shall not have any duty or obligation to use, operate, store, lease, control, manage, sell, dispose of or otherwise deal with the Aircraft or any other part of the Trust Indenture Estate, or to otherwise take or refrain from taking any action under, or in connection with, this Trust Indenture or any part of the Trust Indenture Estate, except as expressly provided by the terms of this Trust Indenture or as expressly provided in written instructions from Note Holders as provided in this Trust Indenture; and no implied duties or obligations shall be read into this Trust Indenture against the Mortgagee. The Mortgagee agrees that it will in its individual capacity and at its own cost and expense (but without any right of indemnity in respect of any such cost or expense under Section 7.01 hereof), promptly take such action as may be necessary duly to discharge all liens and encumbrances on any part of the Trust Indenture Estate which result from claims against it in its individual capacity not related to the ownership of the Aircraft or the administration of the Trust Indenture Estate or any other transaction pursuant to this Trust Indenture or any document included in the Trust Indenture Estate.

SECTION 5.05. NO ACTION EXCEPT UNDER LEASE, TRUST INDENTURE OR  
INSTRUCTIONS

The Owner Trustee and the Mortgagee agree that they will not use, operate, store, lease, control, manage, sell, dispose of or otherwise deal with the Aircraft or any other part of the Trust Indenture Estate except (i) as required by the terms of the Lease or (ii) in accordance with the powers granted to, or the authority conferred upon, the Owner Trustee and the Mortgagee pursuant to this Trust Indenture and in accordance with the express terms hereof.

SECTION 5.06. REPLACEMENT AIRFRAMES AND REPLACEMENT ENGINES

At any time an Airframe or Engine is to be replaced under or pursuant to Section 10 of the Lease by a Replacement Airframe or Replacement Engine, if no Lease Event of Default is continuing, the Owner Trustee shall direct the Mortgagee to execute and deliver to the Owner Trustee an appropriate instrument releasing such Airframe and/or Engine as appropriate from the Lien of this Trust Indenture and the Mortgagee shall execute and deliver such instrument as aforesaid, but only upon compliance by Lessee with the applicable provisions of Section 10 of the Lease.

SECTION 5.07. INDENTURE SUPPLEMENTS FOR REPLACEMENTS

If a Replacement Airframe or Replacement Engine is being substituted as contemplated by Section 10 of the Lease, the Owner Trustee and the Mortgagee agree for the benefit of the Note Holders and Lessee, subject to fulfillment of the conditions precedent and

compliance by Lessee with its obligations set forth in Section 10 of the Lease and the requirements of Section 5.06 hereof with respect to such Replacement Airframe or Replacement Engine, to execute and deliver a Lease Supplement and a Trust Indenture Supplement, as applicable, as contemplated by Section 10 of the Lease.

#### SECTION 5.08. EFFECT OF REPLACEMENT

In the event of the substitution of an Airframe or of a Replacement Engine pursuant to Section 10 of the Lease, all provisions of this Trust Indenture relating to the Airframe or Engine or Engines being replaced shall be applicable to such Replacement Airframe or Replacement Engine or Engines with the same force and effect as if such Replacement Airframe or Replacement Engine or Engines were the same airframe or engine or engines, as the case may be, as the Airframe or Engine or Engines being replaced but for the Event of Loss with respect to the Airframe or Engine or Engines being replaced.

#### SECTION 5.09. INVESTMENT OF AMOUNTS HELD BY MORTGAGEE

Any amounts held by the Mortgagee as assignee of the Owner Trustee's rights to hold monies for security pursuant to Section 4.4 of the Lease shall be held in accordance with the terms of such Section and the Mortgagee agrees, for the benefit of Lessee, to perform the duties of the Owner Trustee under such Section. Any amounts held by the Mortgagee pursuant to the proviso to the first sentence of Section 3.01, pursuant to Section 3.02, or pursuant to any provision of any other Operative Agreement providing for amounts to be held by the Mortgagee which are not distributed pursuant to the other provisions of Article III hereof shall be invested by the Mortgagee from time to time in Cash Equivalents as directed by the Owner Trustee so long as the Mortgagee may acquire the same using its best efforts. Unless otherwise expressly provided in this Trust Indenture, any income realized as a result of any such investment, net of the Mortgagee's reasonable fees and expenses in making such investment, shall be held and applied by the Mortgagee in the same manner as the principal amount of such investment is to be applied and any losses, net of earnings and such reasonable fees and expenses, shall be charged against the principal amount invested. The Mortgagee shall not be liable for any loss resulting from any investment required to be made by it under this Trust Indenture other than by reason of its willful misconduct or gross negligence, and any such investment may be sold (without regard to its maturity) by the Mortgagee without instructions whenever such sale is necessary to make a distribution required by this Trust Indenture.

## ARTICLE VI

## THE OWNER TRUSTEE AND THE MORTGAGEE

## SECTION 6.01. ACCEPTANCE OF TRUSTS AND DUTIES

The Mortgagee accepts the duties hereby created and applicable to it and agrees to perform the same but only upon the terms of this Trust Indenture and agrees to receive and disburse all monies constituting part of the Trust Indenture Estate in accordance with the terms hereof. The Owner Trustee, in its individual capacity, and the Mortgagee, in its individual capacity, shall not be answerable or accountable under any circumstances, except (i) for their own willful misconduct or gross negligence (other than for the handling of funds, for which the standard of accountability shall be willful misconduct or negligence), (ii) in the case of the Mortgagee, as provided in the fourth sentence of Section 2.04(a) hereof and the last sentence of Section 5.04 hereof, and (iii) for liabilities that may result, in the case of the Owner Trustee, from the inaccuracy of any representation or warranty of the Owner Trustee expressly made in its individual capacity in the Participation Agreement or in Section 4.01(b) or 6.03 hereof (or in any certificate furnished to the Mortgagee or any Note Holder in connection with the transactions contemplated by the Operative Agreements) or, in the case of the Mortgagee (in its individual capacity), from the inaccuracy of any representation or warranty of the Mortgagee (in its individual capacity) in the Participation Agreement or expressly made hereunder. Neither the Owner Trustee nor the Mortgagee shall be liable for any action or inaction of the other or of the Owner Participant.

## SECTION 6.02. ABSENCE OF DUTIES

Permitted Sublessee's covenants under any assigned Permitted Sublease]\* with respect to the Aircraft. The Owner Participant shall not have any duty or responsibility hereunder, including, without limitation, any of the duties mentioned in clauses (i) through (v) above; provided, that nothing contained in this sentence shall limit any obligations of the Owner Participant under the Participation Agreement or relieve the Owner Participant from any restriction under Section 4.03 hereof.

SECTION 6.03. NO REPRESENTATIONS OR WARRANTIES AS TO AIRCRAFT

OR DOCUMENTS

NEITHER THE MORTGAGEE IN ITS INDIVIDUAL OR TRUST CAPACITY NOR THE OWNER TRUSTEE IN ITS INDIVIDUAL CAPACITY OR AS OWNER TRUSTEE UNDER THE TRUST AGREEMENT, MAKES OR SHALL BE DEEMED TO HAVE MADE AND EACH HEREBY EXPRESSLY DISCLAIMS ANY REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, AS TO THE TITLE, AIRWORTHINESS, VALUE, COMPLIANCE WITH SPECIFICATIONS, CONDITION, DESIGN, QUALITY, DURABILITY, OPERATION, MERCHANTABILITY OR FITNESS FOR USE FOR A PARTICULAR PURPOSE OF THE AIRCRAFT OR ANY ENGINE, AS TO THE ABSENCE OF LATENT OR OTHER DEFECTS, WHETHER OR NOT DISCOVERABLE, AS TO THE ABSENCE OF ANY INFRINGEMENT OF ANY PATENT, TRADEMARK OR COPYRIGHT, AS TO THE ABSENCE OF OBLIGATIONS BASED ON STRICT LIABILITY IN TORT OR ANY OTHER REPRESENTATION OR WARRANTY WHATSOEVER, except the Owner Trustee in its individual capacity warrants that (i) the Owner Trustee has received on the Delivery Date whatever title was conveyed to it, and (ii) the Aircraft is free and clear of Lessor Liens attributable to the Owner Trustee in its individual capacity. Neither the Owner Trustee, in its individual capacity or as Owner Trustee under the Trust Agreement, nor the Mortgagee, in its individual or trust capacities, makes or shall be deemed to have made any representation or warranty as to the validity, legality or enforceability of this Trust Indenture, the Trust Agreement, the Participation Agreement, the Equipment Notes, the Lease, the Purchase Agreement or the Purchase Agreement Assignment with the Consent and Agreement and the Engine Consent and Agreement attached thereto, or as to the correctness of any statement contained in any thereof, except for the representations and warranties of the Owner Trustee made in its individual capacity and the representations and warranties of the Mortgagee in its individual capacity, in each case expressly made in this Trust Indenture or in the Participation Agreement. The Loan Participants, the Note Holders and the Owner Participant make no representation or warranty hereunder whatsoever.

\* Insert bracketed language if the Lease provides for the assignment of a permitted sublease.

## SECTION 6.04. NO SEGREGATION OF MONIES; NO INTEREST

Any monies paid to or retained by the Mortgagee pursuant to any provision hereof and not then required to be distributed to the Note Holders, Lessee or the Owner Trustee as provided in Article III hereof need not be segregated in any manner except to the extent required by Law or Section 4.4 of the Lease and Section 5.09 hereof, and may be deposited under such general conditions as may be prescribed by Law, and the Mortgagee shall not be liable for any interest thereon (except that the Mortgagee shall invest all monies held as directed by Lessee so long as no Lease Event of Default or Lease Default has occurred and is continuing (or in the absence of such direction, by the Majority In Interest of Note Holders) in Cash Equivalents; provided, however, that any payments received, or applied hereunder, by the Mortgagee shall be accounted for by the Mortgagee so that any portion thereof paid or applied pursuant hereto shall be identifiable as to the source thereof.

## SECTION 6.05. RELIANCE; AGREEMENTS; ADVICE OF COUNSEL

Neither the Owner Trustee nor the Mortgagee shall incur any liability to anyone in acting upon any signature, instrument, notice, resolution, request, consent, order, certificate, report, opinion, bond or other document or paper believed by it to be genuine and believed by it to be signed by the proper party or parties. The Owner Trustee and the Mortgagee may accept a copy of a resolution of the Board of Directors (or Executive Committee thereof) of any party to the Participation Agreement, certified by the Secretary or an Assistant Secretary thereof as duly adopted and in full force and effect, as conclusive evidence that such resolution has been duly adopted and that the same is in full force and effect. As to the aggregate unpaid Original Amount of Equipment Notes outstanding as of any date, the Owner Trustee may for all purposes hereof rely on a certificate signed by any Vice President or other authorized corporate trust officer of the Mortgagee. As to any fact or matter relating to Lessee the manner of which is not specifically described herein, the Owner Trustee and the Mortgagee may for all purposes hereof rely on a certificate, signed by a duly authorized officer of Lessee, as to such fact or matter, and such certificate shall constitute full protection to the Owner Trustee and the Mortgagee for any action taken or omitted to be taken by them in good faith in reliance thereon. The Mortgagee shall assume, and shall be fully protected in assuming, that the Owner Trustee is authorized by the Trust Agreement to enter into this Trust Indenture and to take all action to be taken by it pursuant to the provisions hereof, and shall not inquire into the authorization of the Owner Trustee with respect thereto. In the administration of the trusts hereunder, the Owner Trustee and the Mortgagee each may execute any of the trusts or powers hereof and perform its powers and duties hereunder directly or through agents or attorneys and may, at the expense of the Trust Indenture Estate, advise with counsel, accountants and other skilled persons to be selected and retained by it, and the Owner Trustee and the Mortgagee shall not be liable for anything done, suffered or omitted in good faith by them in accordance with the written advice or written opinion of any such counsel, accountants or other skilled persons.

## SECTION 6.07. COMPENSATION

The Mortgagee shall be entitled to reasonable compensation, including expenses and disbursements (including the reasonable fees and expenses of counsel), for all services rendered hereunder and shall, on and subsequent to an Event of Default hereunder, have a priority claim on the Trust Indenture Estate for the payment of such compensation, to the extent that such compensation shall not be paid by Lessee, and shall have the right, on and subsequent to an Event of Default hereunder, to use or apply any monies held by it hereunder in the Trust Indenture Estate toward such payments. ## SECTION 6.08. INSTRUCTIONS FROM NOTE HOLDERS

In the administration of the trusts created hereunder, the Mortgagee shall have the right to seek instructions from a Majority in Interest of Note Holders should any provision of this Trust Indenture appear to conflict with any other provision herein or should the Mortgagee's duties or obligations hereunder be unclear, and the Mortgagee shall incur no liability in refraining from acting until it receives such instructions. The Mortgagee shall be fully protected for acting in accordance with any instructions received under this Section 6.08.

## SECTION 7.01. SCOPE OF INDEMNIFICATION

The Owner Trustee, not in its individual capacity, but solely as Owner Trustee, hereby agrees, whether or not any of the transactions contemplated hereby shall be consummated, except as to matters covered by any indemnity furnished as contemplated by Section 5.03 hereof and except as otherwise provided in Section 2.03 or 2.04(b) hereof, to assume liability for, and does hereby indemnify, protect, save and keep harmless the Mortgagee (in its individual and trust capacities), and its successors, assigns, agents and servants, from and

against any and all liabilities, obligations, losses, damages, penalties, taxes (excluding any taxes payable by the Mortgagee on or measured by any compensation received by the Mortgagee for its services under this Trust Indenture), claims, actions, suits, costs, expenses or disbursements (including legal fees and expenses) of any kind and nature whatsoever, which may be imposed on, incurred by or asserted against the Mortgagee (whether or not also indemnified against by any other person under any other document) in any way relating to or arising out of this Trust Indenture or any other Operative Agreement to which it is a party or the enforcement of any of the terms of any thereof, or in any way relating to or arising out of the manufacture, purchase, acceptance, non-acceptance, rejection, ownership, delivery, lease, possession, use, operation, condition, sale, return or other disposition of the Aircraft or any Engine (including, without limitation, latent or other defects, whether or not discoverable, and any claim for patent, trademark or copyright infringement), or in any way relating to or arising out of the administration of the Trust Indenture Estate or the action or inaction of the Mortgagee hereunder except only in the case of willful misconduct or gross negligence (or negligence in the case of handling funds) of the Mortgagee in the performance of its duties hereunder or resulting from the inaccuracy of any representation or warranty of the Mortgagee (in its individual capacity) referred to in Section 6.03 hereof, or as provided in Section 6.01 hereof or in the last sentence of Section 5.04 hereof, or as otherwise excluded by the terms of Section 9.1 or 9.3 of the Participation Agreement from Lessee's indemnities under such Sections. In addition, if necessary, the Mortgagee shall be entitled to indemnification from the Trust Indenture Estate for any liability, obligation, loss, damage, penalty, claim, action, suit, cost, expense or disbursement indemnified against pursuant to this Section 7.01 to the extent not reimbursed by Lessee or others, but without releasing any of them from their respective agreements of reimbursement; and to secure the same the Mortgagee shall have a prior Lien on the Trust Indenture Estate. Without limiting the foregoing, the Mortgagee agrees that, prior to seeking indemnification from the Trust Indenture Estate, it will demand, and diligently pursue in good faith (but with no duty to exhaust all legal remedies therefor), indemnification available to the Mortgagee from Lessee under the Lease or the Participation Agreement.

##### SUCCESSOR AND SEPARATE TRUSTEES

###### SECTION 8.01. NOTICE OF SUCCESSOR OWNER TRUSTEE

In the case of any appointment of a successor to the Owner Trustee pursuant to the Trust Agreement including upon any merger, conversion, consolidation or sale of substantially all of the corporate trust business of the Owner Trustee pursuant to the Trust Agreement, the successor Owner Trustee shall give prompt written notice thereof to the Mortgagee, Lessee and the Note Holders.

## SUCCESSOR

(a) The Mortgagee or any successor thereto may resign at any time without cause by giving at least 30 days' prior written notice to Lessee, the Owner Trustee, the Owner Participant and each Note Holder, such resignation to be effective upon the acceptance of the trusteeship by a successor Mortgagee. In addition, a Majority in Interest of Note Holders may at any time (but only with the consent of the Lessee, which consent shall not be unreasonably withheld, except that such consent shall not be necessary if a Lease Event of Default is continuing) remove the Mortgagee without cause by an instrument in writing delivered to the Owner Trustee, Lessee, the Owner Participant and the Mortgagee, and the Mortgagee shall promptly notify each Note Holder thereof in writing, such removal to be effective upon the acceptance of the trusteeship by a successor Mortgagee. In the case of the resignation or removal of the Mortgagee, a Majority in Interest of Note Holders may appoint a successor Mortgagee by an instrument signed by such holders, which successor, so long as no Lease Event of Default shall have occurred and be continuing, shall be subject to Lessee's reasonable approval. If a successor Mortgagee shall not have been appointed within 30 days after such notice of resignation or removal, the Mortgagee, the Owner Trustee, the Owner Participant or any Note Holder may apply to any court of competent jurisdiction to appoint a successor Mortgagee to act until such time, if any, as a successor shall have been appointed as above provided. The successor Mortgagee so appointed by such court shall immediately and without further act be superseded by any successor Mortgagee appointed as above provided.

(b) Any successor Mortgagee, however appointed, shall execute and deliver to the Owner Trustee, the predecessor Mortgagee and the Lessee an instrument accepting such appointment and assuming the obligations of the Mortgagee under the Participation Agreement arising from and after the time of such appointment, and thereupon such successor Mortgagee, without further act, shall become vested with all the estates, properties, rights, powers and duties of the predecessor Mortgagee hereunder in the trust hereunder applicable to it with like effect as if originally named the Mortgagee herein; but nevertheless upon the written request of such successor Mortgagee, such predecessor Mortgagee shall execute and deliver an instrument transferring to such successor Mortgagee, upon the trusts herein expressed applicable to it, all the estates, properties, rights and powers of such predecessor Mortgagee, and such predecessor Mortgagee shall duly assign, transfer, deliver and pay over to such successor Mortgagee all monies or other property then held by such predecessor Mortgagee hereunder.

(c) Any successor Mortgagee, however appointed, shall be a bank or trust company having its principal place of business in the Borough of Manhattan, City and State of New York; Chicago, Illinois; Hartford, Connecticut; Wilmington, Delaware; or Boston, Massachusetts and having (or whose obligations under the Operative Agreements are guaranteed by an affiliated entity having) a combined capital and surplus of at least \$100,000,000, if there be

such an institution willing, able and legally qualified to perform the duties of the Mortgagee hereunder upon reasonable or customary terms.

(d) Any corporation into which the Mortgagee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Mortgagee shall be a party, or any corporation to which substantially all the corporate trust business of the Mortgagee may be transferred, shall, subject to the terms of paragraph (c) of this Section 8.02, be a successor Mortgagee and the Mortgagee under this Trust Indenture without further act.

#### SECTION 8.03. APPOINTMENT OF ADDITIONAL AND SEPARATE TRUSTEES

(a) Whenever (i) the Mortgagee shall deem it necessary or desirable in order to conform to any Law of any jurisdiction in which all or any part of the Trust Indenture Estate shall be situated or to make any claim or bring any suit with respect to or in connection with the Trust Indenture Estate, this Trust Indenture, any other Indenture Agreement, the Equipment Notes or any of the transactions contemplated by the Participation Agreement, (ii) the Mortgagee shall be advised by counsel satisfactory to it that it is so necessary or prudent in the interests of the Note Holders (and the Mortgagee shall so advise the Owner Trustee and Lessee), or (iii) the Mortgagee shall have been requested to do so by a Majority in Interest of Note Holders, then in any such case, the Mortgagee and, upon the written request of the Mortgagee, the Owner Trustee, shall execute and deliver an indenture supplemental hereto and such other instruments as may from time to time be necessary or advisable either (1) to constitute one or more bank or trust companies or one or more persons approved by the Mortgagee, either to act jointly with the Mortgagee as additional trustee or trustees of all or any part of the Trust Indenture Estate, or to act as separate trustee or trustees of all or any part of the Trust Indenture Estate, in each case with such rights, powers, duties and obligations consistent with this Trust Indenture as may be provided in such supplemental indenture or other instruments as the Mortgagee or a Majority in Interest of Note Holders may deem necessary or advisable, or (2) to clarify, add to or subtract from the rights, powers, duties and obligations theretofore granted any such additional or separate trustee, subject in each case to the remaining provisions of this Section 8.03. If the Owner Trustee shall not have taken any action requested of it under this Section 8.03(a) that is permitted or required by its terms within 15 days after the receipt of a written request from the Mortgagee so to do, or if an Event of Default shall have occurred and be continuing, the Mortgagee may act under the foregoing provisions of this Section 8.03(a) without the concurrence of the Owner Trustee, and the Owner Trustee hereby irrevocably appoints (which appointment is coupled with an interest) the Mortgagee, its agent and attorney-in-fact to act for it under the foregoing provisions of this Section 8.03(a) in either of such contingencies. The Mortgagee may, in such capacity, execute, deliver and perform any such supplemental indenture, or any such instrument, as may be required for the appointment of any such additional or separate trustee or for the clarification of, addition to or subtraction from the rights, powers,

duties or obligations theretofore granted to any such additional or separate trustee. In case any additional or separate trustee appointed under this Section 8.03(a) shall die, become incapable of acting, resign or be moved, all the assets, property, rights, powers, trusts, duties and obligations of such additional or separate trustee shall revert to the Mortgagee until a successor additional or separate trustee is appointed as provided in this Section 8.03(a).

(b) No additional or separate trustee shall be entitled to exercise any of the rights, powers, duties and obligations conferred upon the Mortgagee in respect of the custody, investment and payment of monies and all monies received by any such additional or separate trustee from or constituting part of the Trust Indenture Estate or otherwise payable under any Operative Agreement to the Mortgagee shall be promptly paid over by it to the Mortgagee. All other rights, powers, duties and obligations conferred or imposed upon any additional or separate trustee shall be exercised or performed by the Mortgagee and such additional or separate trustee jointly except to the extent that applicable Law of any jurisdiction in which any particular act is to be performed renders the Mortgagee incompetent or unqualified to perform such act, in which event such rights, powers, duties and obligations (including the holding of title to all or part of the Trust Indenture Estate in any such jurisdiction) shall be exercised and performed by such additional or separate trustee. No additional or separate trustee shall take any discretionary action except on the instructions of the Mortgagee or a Majority in Interest of Note Holders. No trustee hereunder shall be personally liable by reason of any act or omission of any other trustee hereunder, except that the Mortgagee shall be liable for the consequences of its lack of reasonable care in selecting, and the Mortgagee's own actions in acting with, any additional or separate trustee. Each additional or separate trustee appointed pursuant to this Section 8.03 shall be subject to, and shall have the benefit of Articles IV through VIII and Article X hereof insofar as they apply to the Mortgagee. The powers of any additional or separate trustee appointed pursuant to this Section 8.03 shall not in any case exceed those of the Mortgagee hereunder.

(c) If at any time the Trustee shall deem it no longer necessary or in order to conform to any such Law or take any such action or shall be advised by such counsel that it is no longer so necessary or desirable in the interest of the Note Holders, or in the event that the Mortgagee shall have been requested to do so in writing by a Majority in Interest of Note Holders, the Mortgagee and, upon the written request of the Mortgagee, the Owner Trustee, shall execute and deliver an indenture supplemental hereto and all other instruments and agreements necessary or proper to remove any additional or separate trustee. The Mortgagee may act on behalf of the Owner Trustee under this Section 8.03(c) when and to the extent it could so act under Section 8.03(a) hereof.

SUPPLEMENTS AND AMENDMENTS TO THIS TRUST INDENTURE  
AND OTHER DOCUMENTS

## SECTION 9.01. INSTRUCTIONS OF MAJORITY; LIMITATIONS

(a) Except as provided in Section 5.02 hereof, the Owner Trustee agrees it shall not enter into any amendment of or supplement to the Lease, the Purchase Agreement, the Purchase Agreement Assignment, the Consent and Agreement or the Engine Consent and Agreement, or execute and deliver any written waiver or modification of, or consent under, the terms of the Lease, the Purchase Agreement, the Purchase Agreement Assignment, the Consent and Agreement or the Engine Consent and Agreement, unless such supplement, amendment, waiver, modification or consent is consented to in writing by the Mortgagee and a Majority in Interest of Note Holders. Anything to the contrary contained herein notwithstanding, without the necessity of the consent of any of the Note Holders or the Mortgagee, (i) any Excluded Payments payable to the Owner Participant may be modified, amended, changed or waived in such manner as shall be agreed to by the Owner Participant and Lessee and (ii) the Owner Trustee and Lessee may enter into amendments of or additions to the Lease to modify Section 5 (except to the extent that such amendment would affect the rights or exercise of remedies under Section 15 of the Lease) or Section 17 of the Lease so long as such amendments, modifications and changes do not and would not affect the time of, or reduce the amount of, Rent payments (except to the extent expressly permitted by Section 5.02 hereof) until after the payment in full of all Secured Obligations or otherwise adversely affect the Note Holders.

(b) Without limiting the provisions of Section 9.01 hereof, the Mortgagee agrees with the Note Holders that it shall not enter into any amendment, waiver or modification of, supplement or consent to this Trust Indenture, the Lease, the Purchase Agreement, the Purchase Agreement Assignment, the Consent and Agreement, the Engine Consent and Agreement or the Participation Agreement, or any other agreement included in the Trust Indenture Estate, unless such supplement, amendment, waiver, modification or consent is consented to in writing by a Majority in Interest of Note Holders, but upon the written request of a Majority in Interest of Note Holders, the Trustee shall from time to time enter into any such supplement or amendment, or execute and deliver any such waiver, modification or consent, as may be specified in such request and as may be (in the case of any such amendment, supplement or modification), to the extent such agreement is required, agreed to by the Owner Trustee and Lessee or, as may be appropriate, the Airframe Manufacturer or the Engine Manufacturer; provided, however, that, without the consent of each holder of an affected Equipment Note then outstanding and of each Liquidity Provider, no such amendment of or supplement to this Trust Indenture, the Lease, the Purchase Agreement, the Purchase Agreement Assignment, the Consent and Agreement, the Engine Consent and Agreement or the Participation Agreement or waiver or modification of the

terms of, or consent under, any thereof, shall (i) modify any of the provisions of this Section 9.01, or of Article II or III or Section 4.02, 4.04(c), 4.04(d), 5.02 or 5.06 hereof, Section 13.3, 14 (except to add an Event of Default) or 16 of the Lease, Section 15.1 of the Participation Agreement, the definitions of "Event of Default," "Default," "Lease Event of Default," "Lease Default," "Majority in Interest of Note Holders," "Make-Whole Amount" or "Note Holder," or the percentage of Note Holders required to take or approve any action hereunder, (ii) reduce the amount, or change the time of payment or method of calculation of any amount, of Original Amount, Make-Whole Amount, if any, or interest with respect to any Equipment Note, or alter or modify the provisions of Article III hereof with respect to the order of priorities in which distribution thereunder shall be made as among the Note Holders, the Owner Trustee and Lessee, (iii) reduce, modify or amend any indemnities in favor of the Owner Trustee, the Mortgagee or the Note Holders (except that the Owner Trustee (in its individual capacity) or the Mortgagee, as the case may be, may consent to any waiver or reduction of an indemnity payable to it), (iv) consent to any change in the Trust Indenture or the Lease which would permit redemption of Equipment Notes earlier than permitted under Section 2.10 or 2.11 hereof or the purchase or exchange of the Equipment Notes other than as permitted by Section 2.13 hereof, (v) except as contemplated by the Lease or the Participation Agreement, reduce the amount or extend the time of payment of Basic Rent, Stipulated Loss Value, or Termination Value for the Aircraft in each case as set forth in the Lease, or modify, amend or supplement the Lease or consent to any assignment of the Lease, in either case releasing Lessee from its obligations in respect of the payment of Basic Rent, Stipulated Loss Value or Termination Value for the Aircraft or altering the absolute and unconditional character of the obligations of Lessee to pay Rent as set forth in Sections 3 and 16 of the Lease or (vi) permit the creation of any Lien on the Trust Indenture Estate or any part thereof other than Permitted Liens or deprive any Note Holder of the benefit of the Lien of this Trust Indenture on the Trust Indenture Estate, except as provided in connection with the exercise of remedies under Article IV hereof.

(c) At any time after the date hereof, the Owner Trustee and the Mortgagee may enter into one or more agreements supplemental hereto without the consent of any Note Holder for any of the following purposes: (i) (a) to cure any defect or inconsistency herein or in the Equipment Notes, or to make any change not inconsistent with the provisions hereof (provided that such change does not adversely affect the interests of any Note Holder in its capacity solely as Note Holder) or (b) to cure any ambiguity or correct any mistake; (ii) to evidence the succession of another party as the Owner Trustee in accordance with the terms of the Trust Agreement or to evidence the succession of a new trustee hereunder pursuant hereto, the removal of the trustee hereunder or the appointment of any co-trustee or co-trustees or any separate or additional trustee or trustees; (iii) to convey, transfer, assign, mortgage or pledge any property to or with the Mortgagee or to make any other provisions with respect to matters or questions arising hereunder so long as such action shall not adversely affect the interests of the Note Holders in its capacity solely as Note Holder; (iv) to correct or amplify the description of any property at any time subject to the Lien of this Trust Indenture or better to assure, convey and

confirm unto the Mortgagee any property subject or required to be subject to the Lien of this Trust Indenture, the Airframe or Engines or any Replacement Airframe or Replacement Engine; (v) to add to the covenants of the Owner Trustee for the benefit of the Note Holders, or to surrender any rights or power herein conferred upon the Owner Trustee, the Owner Participant or the Lessee; (vi) to add to the rights of the Note Holders; and (vii) to include on the Equipment Notes any legend as may be required by Law.

#### SECTION 9.02. TRUSTEES PROTECTED

If, in the opinion of the institution acting as Owner Trustee under the Trust Agreement or the institution acting as Mortgagee hereunder, any document required to be executed by it pursuant to the terms of Section 9.01 hereof affects any right, duty, immunity or indemnity with respect to such institution under this Trust Indenture or the Lease, such institution may in its discretion decline to execute such document.

#### SECTION 9.03. DOCUMENTS MAILED TO NOTE HOLDERS

Promptly after the execution by the Owner Trustee or the Mortgagee of any document entered into pursuant to Section 9.01 hereof, the Mortgagee shall mail, by first class mail, postage prepaid, a copy thereof to Lessee and to each Note Holder at its address last set forth in the Equipment Note Register, but the failure of the Mortgagee to mail such copies shall not impair or affect the validity of such document.

#### SECTION 9.04. NO REQUEST NECESSARY FOR LEASE SUPPLEMENT OR TRUST INDENTURE SUPPLEMENT

No written request or consent of the Mortgagee, the Note Holders or the Owner Participant pursuant to Section 9.01 hereof shall be required to enable the Owner Trustee to enter into any Lease Supplement specifically required by the terms of the Lease or to execute and deliver a Trust Indenture Supplement specifically required by the terms hereof.

PURCHASE AGREEMENT AND ENGINE WARRANTIES ASSIGNMENT \_\_\_\_, dated as of \_\_\_\_\_ 1997, between Continental Airlines, Inc., a Delaware corporation ("Assignor"), and First Security Bank, National Association, a national banking association, not in its individual capacity but solely as Owner Trustee ("Assignee") under Trust Agreement \_\_\_\_ dated as of \_\_\_\_\_ 1997 (the "Trust Agreement"), between the Owner Participant named therein and Assignee, in its individual capacity, and otherwise not in its individual capacity but solely as trustee thereunder.

Assignor and Engine Manufacturer are parties to the General Terms Agreement, containing, among other terms and conditions, the Engine Warranties.

Assignee wishes to acquire the Aircraft from Assignor and Assignor, on the terms and conditions hereinafter set forth, is willing to assign to Assignee certain of Assignor's rights and interests under the Purchase Agreement and the General Terms Agreement and Assignee is willing to accept such assignment, as hereinafter set forth.

The parties hereto agree as follows:

Section 1. Definitions. For all purposes of this Assignment, except as otherwise expressly provided or unless the context otherwise requires, the following terms shall have the following meanings:

\_\_\_\_\_, to be financed pursuant to the Participation Agreement, including the Engines.

General Terms Agreement - The Purchase Contract reference RR/CAL/DEG2124 dated December 7, 1993, by and between Engine Manufacturer and Assignor, including Exhibit C - "Warranties" thereto, insofar as such Exhibit C relates to the Engine Warranties, but excluding any and all Side Letter Agreements attached thereto(which do not detract or limit the Engine Warranties in any material respect), to the extent that such Purchase Contract and such Exhibit relate to the Engines, as such Purchase Contract may hereafter be amended, supplemented and modified to the extent relating to the Engines.

Lease - The Lease Agreement \_\_\_, dated as of \_\_\_\_\_ 1997, as at any time amended, supplemented and modified, between Assignee, as lessor, and Assignor, as lessee, providing for the lease of the Aircraft.

Capitalized terms used but not defined herein shall have the respective meanings set forth or incorporated by reference, and shall be construed and interpreted in the manner described, in the Participation Agreement.

Section 2. Assignment. Assignor does hereby sell, assign, transfer and set over unto Assignee and its successors and permitted assigns all of Assignor's rights and interests in and to the Purchase Agreement, as and only to the extent that the same relates to the Aircraft, and in and to the General Terms Agreement, as and only to the extent that the Engine Warranties contained therein relate to the Engines, except to the extent reserved below, including without limitation in such assignment (a) all claims for damages in respect of the Aircraft and the Engines arising as a result of any default by Manufacturer under the Purchase Agreement or Engine Manufacturer or any other vendor or supplier of other parts or equipment installed on or in the Aircraft, including without limitation all warranty service life policies, aircraft performance guarantees and indemnity provisions contained in the Purchase Agreement and the Engine Warranties, and all claims arising thereunder, in respect of the Aircraft and the Engines, (b) any and all rights of Assignor to compel performance of the terms of the Purchase Agreement in respect of the Aircraft and the Engine Warranties in respect of the Engines and (c) the right to purchase and take title to the Aircraft pursuant to the Purchase Agreement; reserving to Assignor, however, with respect to the Aircraft and each Engine, (i) all rights to receive any credits due to Assignor with respect to the purchase price of the Aircraft pursuant to the Purchase Agreement and of the Engines pursuant to the General Terms Agreement, (ii) all of Assignor's rights and

interests in or arising out of any payments or deposits made relating to the Aircraft or to be made by Assignor on amounts credited or to be credited or paid or to be paid by the Manufacturer to Assignor in respect of the Aircraft, and, (iii) so long and only so long as, the Aircraft and each Engine shall be subject to the Lease and no Lease Event of Default shall have occurred and be continuing thereunder, the rights (A) to demand, accept and retain all rights in and to all property (other than the Aircraft), data and services that Manufacturer or Engine Manufacturer is obligated to provide or does provide pursuant to the Purchase Agreement or the General Terms Agreement, as the case may be, and (B) to obtain services, training, data and demonstration and test flights pursuant to the Purchase Agreement or the General Terms Agreement, as the case may be.

Assignee hereby accepts such assignment subject to the terms hereof. Assignor has furnished a true copy of the Purchase Agreement and a true copy of the General Terms Agreement to Assignee and has specifically directed Assignee's attention to Paragraph 10 of Part A, Paragraph 5 of Part C, Paragraph 3 of Part D, Paragraph 2 of Part D-1, and Paragraph 5 of Part F of Exhibit B to the Purchase Agreement.

Section 3. Exercise of Rights of "Buyer" under Purchase Agreement and of "Continental" under General Terms Agreement. Notwithstanding the foregoing, if and so long as no Lease Event of Default shall have occurred and be continuing, Assignee authorizes Assignor, to the exclusion of Assignee, during the Term, to exercise in Assignor's name all rights and powers of the "Buyer" in respect of the Aircraft under the Purchase Agreement and of "Continental" in respect of each Engine under the General Terms Agreement, and of Assignee in respect of a default by any vendor or supplier of parts and equipment (as specified in clause (b) of Section 2 above) and to retain any recovery or benefit resulting from the enforcement of any warranty or indemnity under the Purchase Agreement or the General Terms Agreement in respect of the Aircraft or each Engine, as the case may be, except that Assignor may not enter into any change order or other amendment, modification or supplement to the Purchase Agreement without the written consent or countersignature of Assignee if such change order, amendment, modification or supplement would (i) result in any rescission, cancellation or

termination of the Purchase Agreement in respect of the Aircraft or (ii) materially diminish the rights assigned hereunder to Assignee. Assignee agrees that, as between Assignee and Manufacturer or Engine Manufacturer, as the case may be (and without affecting Assignor's duties or obligations under the Participation Agreement or the Lease), neither Manufacturer nor Engine Manufacturer, as the case may be, shall be deemed to have knowledge of any Lease Default, Lease Event of Default, declaration of default or the discontinuance or remedy thereof or the Aircraft or either Engine being no longer subject to the Lease or any change in the authority of Assignor or Assignee, as the case may be, to exercise any of the rights established hereunder unless and until Manufacturer shall have received written notice thereof from Assignee or Mortgagee addressed to its Treasurer at P.O. Box 3707, Seattle, Washington 98124-3707, if by mail, or to (206) 237-8746, if by facsimile, or, in the case of Engine Manufacturer, Engine Manufacturer shall have received written notice thereof from Assignee or Mortgagee addressed to its Contract Manager \_\_535, 524 and large Fleet Engines at P.O. Box 31, Derby DE24 8BJ, England, if by mail, or to 011-44-332-248514, if by facsimile. So long as Manufacturer and Engine Manufacturer act in good faith, Manufacturer and Engine Manufacturer may rely conclusively on any such notice without inquiring as to the accuracy of, or the entitlement of the party to give, such notice.

Section 4. Certain Agreements. It is expressly agreed that, anything herein contained to the contrary notwithstanding:

(a) Assignor shall at all times remain liable (i) to Manufacturer under the Purchase Agreement to perform all the duties and obligations of the "Buyer" thereunder and (ii) to Engine Manufacturer under the General Terms Agreement to perform all the duties and obligations of the "Continental" thereunder, in each case to the same extent as if this Assignment had not been executed,

(b) the exercise by Assignee of any of the rights assigned hereunder shall not release Assignor from any of its duties or obligations to Manufacturer under the Purchase Agreement or to Engine Manufacturer under the General Terms Agreement except to the extent that such

exercise by Assignee shall constitute performance of such duties and obligations, and

(c) except as provided in the next sentence, none of Assignee, Mortgagee or any Participant shall have any obligation or liability under the Purchase Agreement or the General Terms Agreement by reason of, or arising out of, this Assignment or be obligated to perform any of the obligations or duties of Assignor under the Purchase Agreement or the General Terms Agreement or to make any payment thereunder or to make any inquiry as to the sufficiency of any payment received by any of them or to present or file any claim or to take any other action to collect or enforce any claim for any payment assigned hereunder.

Anything contained in this Assignment, the Consent and Agreement or the Engine Consent and Agreement to the contrary notwithstanding, but without in any way releasing Assignor from any of its duties or obligations under the Purchase Agreement, the General Terms Agreement or this Assignment, Assignee and Mortgagee confirm for the benefit of Manufacturer and Engine Manufacturer, respectively, that, insofar as the provisions of the Purchase Agreement or the Engine Warranties relate to the Aircraft or the Engines, as the case may be, in exercising any rights under the Purchase Agreement or the Engine Warranties, or in making any claim with respect to the Aircraft or other goods and services delivered or to be delivered pursuant to the Purchase Agreement or the Engine Warranties, the terms and conditions of the Purchase Agreement and the Engine Warranties, including without limitation Exhibit C thereto shall apply to, and be binding upon, Assignee and Mortgagee to the same extent as Assignor. Each of Assignee and Mortgagee agree that, in the event it intends to sell, re-lease or otherwise dispose of one or more of the Engines to any Person, it will use reasonable efforts to ensure that such Person enters into a direct warranty agreement with Engine Manufacturer prior to delivery of such Engine or Engines to such Person.

Section 5. Preservation of Rights. Nothing contained in this Assignment shall in any way diminish or limit the provisions of Assignor's indemnity in Section 9 of the Participation Agreement with respect to any liability of Assignee to Manufacturer in any way relating to or arising out

of the Purchase Agreement. Nothing contained in this Assignment shall subject Manufacturer or Engine Manufacturer to any obligation or liability to which it would not otherwise be subject under the Purchase Agreement or under the General Terms Agreement, as the case may be, or modify in any respect the contract rights of Manufacturer or Engine Manufacturer thereunder, except as may be provided in their respective consents attached hereto, or require Manufacturer to divest itself of title to or possession of the Aircraft or other goods and services until delivery thereof and payment therefor as provided in the Purchase Agreement or subject Manufacturer or Engine Manufacturer to any multiple or duplicative liability or obligation under the Purchase Agreement or the General Terms Agreement, as the case may be. No further assignment of the Engine Warranties, including without limitation assignments for security purposes (other than under the Trust Indenture), are permitted without the express written consent of Engine Manufacturer.

Section 6. Appointment of Attorney. Effective at any time when a Lease Event of Default shall have occurred and be continuing, (i) unless Assignee and Mortgagee (so long as the Lien of the Trust Indenture has not been discharged), in their sole discretion, shall notify Manufacturer or Engine Manufacturer, as the case may be, to the contrary, the authorization given to Assignor under Section 3 hereof to enforce such rights and claims shall henceforth cease to be effective and Assignee and its successors and permitted assigns shall, to the exclusion of Assignor, be entitled to assert and enforce such rights and claims as substitute party plaintiff or otherwise, and Assignor shall, at the request of Assignee or its successors or permitted assigns and at Assignor's expense, cooperate with and take such action as is reasonably necessary to enable Assignee and its successors and permitted assigns to enforce such rights and claims, and (ii) Assignor does hereby constitute Assignee, its successors and permitted assigns, Assignor's true and lawful attorney, irrevocably, with full power (in the name of Assignor or otherwise) to ask, require, demand, receive, compound and give acquittance for any and all monies and claims for monies due and to become due under, or arising out of, the Purchase Agreement in respect of the Aircraft or the Engine Warranties in respect of the Engines, as the case may be, to the extent that the same have been assigned by this Assignment and, for

such period as Assignee may exercise rights with respect thereto under this Assignment, to endorse any checks or other instruments or orders in connection therewith and to file any claims or take any action or institute (or, if previously commenced, assume control of) any proceeding and to obtain any recovery in connection therewith which Assignee may deem to be necessary or advisable in the premises.

Section 7. Other Action. Assignor agrees that, at Assignor's sole cost and expense, at any time and from time to time, upon the written request of Assignee or, so long as the Lien of the Trust Indenture has not been discharged, Mortgagee, Assignor will promptly and duly execute and deliver any and all such further instruments and documents and take such further action as Assignee or, so long as the Lien of the Trust Indenture has not been discharged, Mortgagee, may reasonably request in order to obtain the full benefits of this Assignment and of the rights and powers herein granted.

Section 8. Assignor's Representations and Warranties. Assignor does hereby represent and warrant that the Purchase Agreement and the General Terms Agreement are in full force and effect as to Assignor and are enforceable against Assignor in accordance with their respective terms. Assignor does hereby further represent and warrant that Assignor has, with the authorized execution of the Consent and Agreement and the Engine Consent and Agreement, (i) received all necessary consents to the assignment and transfer contemplated herein (including without limitation the assignment and transfer contemplated herein of Assignor's rights under the Purchase Agreement and the General Terms Agreement) and (ii) assuming that the Consent and Agreement and the Engine Consent and Agreement are in full force and effect, such consents are in full force and effect and Assignor further represents and warrants that Assignor has not assigned (except as assigned hereby) or pledged (except pursuant to (i) Purchase Contract Security Agreement dated December 7, 1993, between Lessee and Engine Manufacturer and (ii) the 757 Purchase Agreement Assignment dated February 7, 1994 between Lessee and Manufacturer, the Lien of which will have been released at or prior to the delivery of this Agreement), and hereby covenants that it will not during the Term assign (except as assigned hereby) or pledge so long as this Assignment shall remain in effect, the whole or any part

of the rights hereby assigned or any of its rights with respect to the Aircraft under the Purchase Agreement or with respect to the Engines under the General Terms Agreement not assigned hereby to anyone other than Assignee.

Section 9. Payments. Notwithstanding this Assignment and anything herein to the contrary, all amounts that Manufacturer or Engine Manufacturer is obligated to pay to Assignor under the Purchase Agreement with respect to the Aircraft or under the General Terms Agreement with respect to the Engines, including, without limitation, resulting from the enforcement of any warranty, covenant, representation, indemnity or product support agreement thereunder or the enforcement or exercise of any right or power thereunder or hereunder (in the case of Manufacturer, a "Manufacturer Payment," and in the case of Engine Manufacturer, an "Engine Manufacturer Payment") (excluding, however, from Manufacturer Payments and Engine Manufacturer Payments any amounts Manufacturer is obligated to pay to Assignor with respect to the rights reserved to Assignor in Section 2 hereof), will be payable and applicable as follows: all Manufacturer Payments and Engine Manufacturer Payments shall be paid to Assignor unless and until Manufacturer or Engine Manufacturer, as the case may be, shall have received written notice as set forth in Section 3 hereof from Assignee or Mortgagee that a Lease Event of Default has occurred and is continuing, whereupon Manufacturer or Engine Manufacturer, as the case may be, will, until Manufacturer or Engine Manufacturer, as the case may be, shall have received written notice from Assignee or Mortgagee that all Lease Events of Default have been cured or waived, make any and all such payments directly to Assignee (or, so long as the Trust Indenture has not been discharged and Manufacturer or Engine Manufacturer, as the case may be, shall have received notice thereof, to Mortgagee). Any amounts received by Assignee pursuant to the immediately preceding sentence shall, to the extent not theretofore applied in satisfaction of sums owing to Assignee in accordance with the terms of the Operative Agreements, be held and invested as provided in Section 4.4 of the Lease.

Section 10. Assignee's Agreement. Assignee agrees that, during the Term, except as otherwise contemplated by Section 2 hereof and unless a Lease Event of Default shall have occurred and be continuing, it will not enter into any

agreement that would amend, modify, supplement, rescind, cancel or terminate the Purchase Agreement or the General Terms Agreement in respect of the Aircraft or the Engines without the prior written consent of Assignor.

Section 11. Execution; Counterparts, etc. This Assignment is executed by Assignor and Assignee concurrently with the execution and delivery of the Lease. This Assignment may be executed by the parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original, and both of which counterparts, taken together, shall constitute one and the same instrument. The section headings in this Assignment are for convenience of reference only and shall not modify, define, expand or limit any of the terms or provisions hereof.

Section 12. Confidential Treatment. Assignee agrees that it will not disclose to any third party the terms of the Purchase Agreement or the General Terms Agreement except (i) as required by applicable law or governmental regulation, (ii) in connection with the financing of the Aircraft, (iii) as permitted under Section 8 of the Participation Agreement as if this Assignment were specifically referred to therein, (iv) with the consent of Assignor, Manufacturer and the Engine Manufacturer (as the case may be) or (v) in connection with any sale or lease of the Aircraft.

Section 13. Assignment to Mortgagee. The right, title and interest of Assignee in and to this Assignment has been assigned to and is subject to a security interest in favor of Wilmington Trust Company, as Mortgagee under the Trust Indenture, for the benefit of the Noteholders and the Indenture Indemnitees referred to in such Trust Indenture, all to the extent provided in such Trust Indenture. Assignor hereby consents to such assignment and to the creation of such security interest in and to this Assignment.

SECTION 14. GOVERNING LAW. THIS ASSIGNMENT SHALL IN ALL RESPECTS BE GOVERNED BY THE LAWS OF THE STATE OF NEW YORK, INCLUDING ALL MATTERS OF CONSTRUCTION, VALIDITY AND PERFORMANCE, WITHOUT GIVING EFFECT TO PRINCIPLES OF CONFLICTS OF LAWS.

interests in or arising out of any payments or deposits made relating to the Aircraft or to be made by Assignor on amounts credited or to be credited or paid or to be paid by the Manufacturer to the Assignor in respect of the Aircraft and (iii) so long and only so long as the Aircraft and each Engine shall be subject to the Lease and no Lease Event of Default shall have occurred and be continuing thereunder, the rights (A) to demand, accept and retain all rights in and to all property (other than the Aircraft), data and services that Manufacturer or Engine Manufacturer is obligated to provide or does provide pursuant to the Purchase Agreement or the General Terms Agreement, as the case may be, and (B) to obtain services, training, data and demonstration and test flights pursuant to the Purchase Agreement or the General Terms Agreement, as the case may be.

Assignee hereby accepts such assignment subject to the terms hereof. Assignor has furnished a true copy of the Purchase Agreement and a true copy of the General Terms Agreement to Assignee and has specifically directed Assignee's attention to Paragraph 10 of Part A, Paragraph 5 of Part C, Paragraph 3 of Part D, Paragraph 2 of Part D-1, Paragraph 5 of Part I, and Paragraph 9 and 10 of Part F-2 of Exhibit B to the Purchase Agreement.

Section 3. Exercise of Rights of "Buyer" under Purchase Agreement and of "Airline" under General Terms Agreement. Notwithstanding the foregoing, if and so long as no Lease Event of Default shall have occurred and be continuing, Assignee authorizes Assignor, to the exclusion of Assignee, during the Term, to exercise in Assignor's name all rights and powers of the "Buyer" in respect of the Aircraft under the Purchase Agreement and of the "Airline" in respect of each Engine under the General Terms Agreement, and of Assignee in respect of a default by any vendor or supplier of parts and equipment (as specified in clause (b) of Section 2 above) and to retain any recovery or benefit resulting from the enforcement of any warranty or indemnity under the Purchase Agreement or the General Terms Agreement in respect of the Aircraft or each Engine, as the case may be, except that Assignor may not enter into any change order or other amendment, modification or supplement to the Purchase Agreement without the written consent or countersignature of Assignee if such change order, amendment, modification or

supplement would (i) result in any rescission, cancellation or termination of the Purchase Agreement in respect of the Aircraft or (ii) materially diminish the rights assigned hereunder to Assignee. Assignee agrees that, as between Assignee and Manufacturer or Engine Manufacturer, as the case may be (and without affecting Assignor's duties or obligations under the Participation Agreement or the Lease), neither Manufacturer nor Engine Manufacturer, as the case may be, shall be deemed to have knowledge of any Lease Default, Lease Event of Default, declaration of default or the discontinuance or remedy thereof or the Aircraft or either Engine being no longer subject to the Lease or any change in the authority of Assignor or Assignee, as the case may be, to exercise any of the rights established hereunder unless and until Manufacturer shall have received written notice thereof from Assignee or Mortgagee addressed to its Treasurer at P.O. Box 3707, Seattle, Washington 98124-3707, if by mail, or to (206) 237-8746, if by facsimile, or, in the case of Engine Manufacturer, Engine Manufacturer shall have received written notice thereof from Assignee or Mortgagee addressed to its Commercial Contract Director at P.O. Box 15514, Cincinnati, Ohio 45215-6301, if by mail, or to (513) 243-1345, if by facsimile. So long as Manufacturer and Engine Manufacturer act in good faith, Manufacturer and Engine Manufacturer may rely conclusively on any such notice without inquiring as to the accuracy of, or the entitlement of the party to give, such notice.

The Engine Manufacturer shall not be deemed to have knowledge of the replacement of an Engine with another CFM engine, until the Engine Manufacturer has received written notice thereof. Such notice shall include the serial number of the Engine being replaced, as well as the serial number of the replacement Engine and shall be sent to: Lease Pool Manager, Customer Support Operation, GE Aircraft Engines, 111 Merchant Street, Room 450, Cincinnati, Ohio 45246.

Section 4. Certain Agreements. It is expressly agreed that, anything herein contained to the contrary notwithstanding:

(a) Assignor shall at all times remain liable (i) to Manufacturer under the Purchase Agreement to perform all the duties and obligations of the "Buyer" thereunder and (ii) to Engine Manufacturer under the

General Terms Agreement to perform all the duties and obligations of the "Airline" thereunder, in each case to the same extent as if this Assignment had not been executed,

(b) the exercise by Assignee of any of the rights assigned hereunder shall not release Assignor from any of its duties or obligations to Manufacturer under the Purchase Agreement or to Engine Manufacturer under the General Terms Agreement except to the extent that such exercise by Assignee shall constitute performance of such duties and obligations, and

(c) except as provided in the next sentence, none of Assignee, Mortgagee or any Participant shall have any obligation or liability under the Purchase Agreement or the General Terms Agreement by reason of, or arising out of, this Assignment or be obligated to perform any of the obligations or duties of Assignor under the Purchase Agreement or the General Terms Agreement or to make any payment thereunder or to make any inquiry as to the sufficiency of any payment received by any of them or to present or file any claim or to take any other action to collect or enforce any claim for any payment assigned hereunder.

Anything contained in this Assignment, the Consent and Agreement or the Engine Consent and Agreement to the contrary notwithstanding, but without in any way releasing Assignor from any of its duties or obligations under the Purchase Agreement, the General Terms Agreement or this Assignment, Assignee and Mortgagee confirm for the benefit of Manufacturer and Engine Manufacturer, respectively, that, insofar as the provisions of the Purchase Agreement or the Engine Warranties relate to the Aircraft or the Engines, as the case may be, in exercising any rights under the Purchase Agreement or the Engine Warranties, or in making any claim with respect to the Aircraft or other goods and services delivered or to be delivered pursuant to the Purchase Agreement or the Engine Warranties, the terms and conditions of the Purchase Agreement and the Engine Warranties, including without limitation Exhibit B (the "Product Assurance Document") shall apply to, and be binding upon, Assignee and Mortgagee to the same extent as Assignor.

Section 5. Preservation of Rights. Nothing contained in this Assignment shall in any way diminish or limit the provisions of Assignor's indemnity in Section 9 of the Participation Agreement with respect to any liability of Assignee to Manufacturer in any way relating to or arising out of the Purchase Agreement. Nothing contained in this Assignment shall subject Manufacturer or Engine Manufacturer to any obligation or liability to which it would not otherwise be subject under the Purchase Agreement or under the General Terms Agreement, as the case may be, or modify in any respect the contract rights of Manufacturer or Engine Manufacturer thereunder, except as may be provided in their respective consents attached hereto, or require Manufacturer to divest itself of title to or possession of the Aircraft or other goods and services until delivery thereof and payment therefor as provided in the Purchase Agreement or subject Manufacturer or Engine Manufacturer to any multiple or duplicative liability or obligation under the Purchase Agreement or the General Terms Agreement, as the case may be. No further assignment of the Engine Warranties, including without limitation assignments for security purposes (other than under the Trust Indenture), are permitted without the express written consent of Engine Manufacturer.

Section 6. Appointment of Attorney. Effective at any time when a Lease Event of Default shall have occurred and be continuing, (i) unless Assignee and Mortgagee (so long as the Lien of the Trust Indenture has not been discharged), in their sole discretion, shall notify Manufacturer or Engine Manufacturer, as the case may be, to the contrary, the authorization given to Assignor under Section 3 hereof to enforce such rights and claims shall henceforth cease to be effective and Assignee and its successors and permitted assigns shall, to the exclusion of Assignor, be entitled to assert and enforce such rights and claims as substitute party plaintiff or otherwise, and Assignor shall, at the request of Assignee or its successors or permitted assigns and at Assignor's expense, cooperate with and take such action as is reasonably necessary to enable Assignee and its successors and permitted assigns to enforce such rights and claims, and (ii) Assignor does hereby constitute Assignee, its successors and permitted assigns, Assignor's true and lawful attorney, irrevocably, with full power (in the name of Assignor or otherwise) to ask, require, demand, receive, compound and give

acquittance for any and all monies and claims for monies due and to become due under, or arising out of, the Purchase Agreement in respect of the Aircraft or the Engine Warranties in respect of the Engines, as the case may be, to the extent that the same have been assigned by this Assignment and, for such period as Assignee may exercise rights with respect thereto under this Assignment, to endorse any checks or other instruments or orders in connection therewith and to file any claims or take any action or institute (or, if previously commenced, assume control of) any proceeding and to obtain any recovery in connection therewith which Assignee may deem to be necessary or advisable in the premises.

Section 7. Other Action. Assignor agrees that, at Assignor's sole cost and expense, at any time and from time to time, upon the written request of Assignee or, so long as the Lien of the Trust Indenture has not been discharged, Mortgagee, Assignor will promptly and duly execute and deliver any and all such further instruments and documents and take such further action as Assignee or, so long as the Lien of the Trust Indenture has not been discharged, Mortgagee, may reasonably request in order to obtain the full benefits of this Assignment and of the rights and powers herein granted.

Section 8. Assignor's Representations and Warranties. Assignor does hereby represent and warrant that the Purchase Agreement and the General Terms Agreement are in full force and effect as to Assignor and are enforceable against Assignor in accordance with their respective terms. Assignor does hereby further represent and warrant that Assignor has, with the authorized execution of the Consent and Agreement and the Engine Consent and Agreement, (i) received all necessary consents to the assignment and transfer contemplated herein (including without limitation the assignment and transfer contemplated herein of Assignor's rights under the Purchase Agreement and the General Terms Agreement) and (ii) assuming that the Consent and Agreement and the Engine Consent and Agreement are in full force and effect, such consents are in full force and effect and Assignor further represents and warrants that Assignor has not assigned (except as assigned hereby) or pledged (except pursuant to the 737 Purchase Agreement Assignment dated as of November 27, 1996 between Lessee and Manufacturer, the Lien of which will have been released at or prior to the delivery of

this Agreement), and hereby covenants that it will not during the Term assign (except as assigned hereby) or pledge so long as this Assignment shall remain in effect, the whole or any part of the rights hereby assigned or any of its rights with respect to the Aircraft under the Purchase Agreement or with respect to the Engines under the General Terms Agreement not assigned hereby to anyone other than Assignee.

Section 9. Payments. Notwithstanding this Assignment and anything herein to the contrary, all amounts that Manufacturer or Engine Manufacturer is obligated to pay to Assignor under the Purchase Agreement with respect to the Aircraft or under the General Terms Agreement with respect to the Engines, including, without limitation, resulting from the enforcement of any warranty, covenant, representation, indemnity or product support agreement thereunder or the enforcement or exercise of any right or power thereunder or hereunder (in the case of Manufacturer, a "Manufacturer Payment," and in the case of Engine Manufacturer, an "Engine Manufacturer Payment") (excluding, however, from Manufacturer Payments and Engine Manufacturer Payments any amounts Manufacturer is obligated to pay to Assignor with respect to the rights reserved to Assignor in Section 2 hereof), will be payable and applicable as follows: all Manufacturer Payments and Engine Manufacturer Payments shall be paid to Assignor unless and until Manufacturer or Engine Manufacturer, as the case may be, shall have received written notice as set forth in Section 3 hereof from Assignee or Mortgagee that a Lease Event of Default has occurred and is continuing, whereupon Manufacturer or Engine Manufacturer, as the case may be, will, until Manufacturer or Engine Manufacturer, as the case may be, shall have received written notice from Assignee or Mortgagee that all Lease Events of Default have been cured or waived, make any and all such payments directly to Assignee (or, so long as the Trust Indenture has not been discharged and Manufacturer or Engine Manufacturer, as the case may be, shall have received notice thereof, to Mortgagee). Any amounts received by Assignee pursuant to the immediately preceding sentence shall, to the extent not theretofore applied in satisfaction of sums owing to Assignee in accordance with the terms of the Operative Agreements, be held and invested as provided in Section 4.4 of the Lease.

Section 10. Assignee's Agreement. Assignee agrees that, during the Term, except as otherwise contemplated by Section 2 hereof and unless a Lease Event of Default shall have occurred and be continuing, it will not enter into any agreement that would amend, modify, supplement, rescind, cancel or terminate the Purchase Agreement or the General Terms Agreement in respect of the Aircraft or the Engines without the prior written consent of Assignor.

Section 11. Execution; Counterparts, etc. This Assignment is executed by Assignor and Assignee concurrently with the execution and delivery of the Lease. This Assignment may be executed by the parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original, and both of which counterparts, taken together, shall constitute one and the same instrument. The section headings in this Assignment are for convenience of reference only and shall not modify, define, expand or limit any of the terms or provisions hereof.

Section 12. Confidential Treatment. Assignee agrees that it will not disclose to any third party the terms of the Purchase Agreement or the General Terms Agreement except (i) as required by applicable law or governmental regulation, (ii) in connection with the financing of the Aircraft, (iii) as permitted under Section 8 of the Participation Agreement as if this Assignment were specifically referred to therein, (iv) with the consent of Assignor, Manufacturer and the Engine Manufacturer (as the case may be) or (v) in connection with any sale or lease of the Aircraft.

Section 13. Assignment to Mortgagee. The right, title and interest of Assignee in and to this Assignment has been assigned to and is subject to a security interest in favor of Wilmington Trust Company, as Mortgagee under the Trust Indenture, for the benefit of the Noteholders and the Indenture Indemnitees referred to in such Trust Indenture, all to the extent provided in such Trust Indenture. Assignor hereby consents to such assignment and to the creation of such security interest in and to this Assignment.

SECTION 14. GOVERNING LAW. THIS ASSIGNMENT SHALL IN ALL RESPECTS BE GOVERNED BY THE LAWS OF THE STATE OF NEW YORK, INCLUDING ALL MATTERS OF CONSTRUCTION, VALIDITY AND PERFORMANCE, WITHOUT GIVING EFFECT TO PRINCIPLES OF CONFLICTS OF LAWS.

#### 5.3 LIMITATIONS ON DUTIES

Owner Trustee shall not be required to take any action under Section 5.1 (other than the giving of the notices referred to therein) or 5.2 if Owner Trustee shall reasonably believe such action is not adequately indemnified by Owner Participant under Section 7, unless Lessee or Owner Participant agrees to furnish such additional indemnity as shall reasonably be required, in manner and form satisfactory to Owner Trustee, and, in addition

TRUST AGREEMENT BASE

## 6.2 ABSENCE OF CERTAIN DUTIES

(a) Except in accordance with written instructions furnished pursuant to Section 5.1 or 5.2 and except as provided in, and without limiting the generality of, Sections 3.1 and 5.4.1 and the last sentence of Section 9.1.2, and subject to Section 4.01 of the Trust Indenture, neither Owner Trustee nor First Security shall have any duty (i) to see to any recording or filing of any Operative Agreement or of any supplement to any thereof or to see to the maintenance of any such recording or filing or any other filing of reports with the FAA or other governmental agencies, except that of First Security to comply with the FAA reporting requirements set forth in 14 C.F.R. (b) Notwithstanding clause (a), Owner Trustee will furnish to Mortgagee and Owner Participant, promptly upon receipt thereof, duplicates or copies of all reports, notices, requests, demands, certificates, financial statements and other instruments furnished to Owner Trustee under the Lease or any other Operative Agreement except to the extent to which a responsible officer of Owner Trustee reasonably believes (and confirms by telephone call with Owner Participant) that duplicates or copies thereof have already been furnished to Owner Participant by some other person.

### 6.3 NO REPRESENTATIONS OR WARRANTIES AS TO CERTAIN MATTERS

TRUST AGREEMENT BASE

therein by such party as a representation by First Security, in its individual capacity or as Owner Trustee, as the case may be, and except that First Security hereby represents and warrants that it has all corporate power and authority to execute, deliver and perform this Trust Agreement and that this Trust Agreement has been, and (assuming due authorization, execution and delivery by Owner Participant of this Trust Agreement) the other Operative Agreements to which it or Owner Trustee is a party have been (or at the time of execution and delivery of any such instrument by it or Owner Trustee under this Trust Agreement or pursuant to the terms of the Participation Agreement that such an instrument will be) duly executed and delivered by one of its officers who is or will be, as the case may be, duly authorized to execute and deliver such instruments on behalf of itself or Owner Trustee, as the case may be, and that this Trust Agreement constitutes the legal, valid and binding obligation of First Security or Owner Trustee, as the case may be, enforceable against First Security or Owner Trustee, as the case may be, in accordance with its terms.

Monies received by Owner Trustee under this Trust Agreement need not be segregated in any manner except to the extent required by Law, or except as provided in written instructions from Owner Participant, and shall be invested as provided in Section 4.3 hereof or Section 4.4 of the Lease.

Unless other evidence in respect thereof is specifically prescribed in this Trust Agreement, any request, direction, order or demand of Owner Participant or Lessee mentioned in this Trust Agreement or in any of the other Owner Trustee Agreements shall be sufficiently evidenced by written instruments signed by the Chairman of the Board, the President, any Vice President or any other officer and in the name of Owner Participant or Lessee, as the case may be. Owner Trustee may accept a copy of a resolution of the Board of Directors or Executive Committee of Lessee,

TRUST AGREEMENT BASE

As to any fact or matter the manner of ascertainment of which is not specifically described in this Trust Agreement, Owner Trustee may, absent Actual Knowledge to the contrary, for all purposes rely on a certificate signed by the Chairman of the Board, the President, any Vice President or any other officer of Lessee, and the Treasurer or an Assistant Treasurer or the Secretary or an Assistant Secretary of Lessee, as to such fact or matter, and such certificate shall constitute full protection to Owner Trustee for any action taken or omitted to be taken by it in good faith in reliance thereon and in accordance therewith. In the administration of trusts under this Trust Agreement, Owner Trustee may execute any of the trusts or powers and perform its powers and duties under this Trust Agreement directly or through agents or attorneys and may, at the expense of the Trust Estate, consult with counsel, accountants and other skilled persons to be selected and employed by it. Owner Trustee shall not be liable for anything done, suffered or omitted in good faith by it in accordance with the advice or opinion of any such counsel, accountants or other skilled persons.

#### 6.6 NOT ACTING IN INDIVIDUAL CAPACITY

In acting under this Trust Agreement, First Security acts solely as Owner Trustee and not in its individual capacity except as otherwise expressly provided in this Trust Agreement or in the other Operative Agreements to which it is a party; and, except as may be otherwise expressly provided in this Trust Agreement, the Lease, the Participation Agreement and the Trust Indenture, all persons, other than the Owner Participant as provided in this Trust Agreement or the Trust Indenture, having any claim against Owner Trustee by reason of the transactions contemplated hereby shall look only to the Trust Estate for payment or satisfaction thereof except to the extent provided in Section 6.1 or otherwise as Owner Trustee shall expressly agree otherwise in writing.

#### 6.7 FEES; COMPENSATION

Lessee shall pay the Transaction Expenses of Owner Trustee. Neither Owner Participant nor the Trust Estate shall have any liability for any such fees and expenses; provided, that the

foregoing shall not limit the obligations of Owner Participant under Sections 5.3 and 7; provided, that Owner Trustee shall have a Lien upon the Trust Estate for any such fee not paid by Lessee as contemplated by Section 9.2 of the Participation Agreement and such Lien shall entitle Owner Trustee to priority as to payment thereof over payment to any other Person under this Trust Agreement; provided, that such Lien shall be subject and subordinate in all events to the Lien of the Trust Indenture; and provided, further, that Owner Trustee shall have no right to exercise, and shall not exercise, any rights or remedies Owner Trustee may have with respect to such Lien unless and until the Secured Obligations have been paid and performed in full.

#### 6.8 TAX RETURNS

Owner Trustee shall be responsible for the keeping of all appropriate books and records relating to the receipt and disbursement of all monies under this Trust Agreement or any agreement contemplated hereby. Owner Participant shall be responsible for causing to be prepared and filed all income tax returns required to be filed by Owner Participant. Owner Trustee shall be responsible for causing to be prepared, at the request of Owner Participant and at the expense of Lessee, all income tax returns required to be filed with respect to the trust created hereby and shall execute and file such returns; provided, that Owner Trustee shall send promptly a completed copy of such return to Owner Participant not more than sixty nor less than fifteen days prior to the due date of the return, provided, that Owner Trustee shall have timely received all necessary information to complete and deliver to Owner Participant such return. Owner Participant, upon request, will furnish Owner Trustee with all such information as may be reasonably required from Owner Participant in connection with the preparation of such income tax returns. Owner Trustee shall keep copies of all returns delivered to or filed by it.

TRUST AGREEMENT BASE

arising out of its negligence or willful or negligent misconduct in connection with its obligations under Section 5.1, 6.8 or 9.2 hereof or Section 4.01 of the Trust Indenture, or (f) those claims arising under any circumstances or upon any terms where Lessee would not have been required to indemnify First Security pursuant to Section 9.1 or 9.3 of the Participation Agreement; provided, that before asserting its right to indemnification, if any, pursuant to this Section 7, First Security shall first demand its corresponding right to indemnification pursuant to Section 9 of the Participation Agreement (but need not exhaust any or all remedies available thereunder). The indemnities contained in this Section 7 extend to First Security only in its individual capacity and shall not be construed as indemnities of the Trust Indenture Estate or the Trust Estate (except to the extent, if any, that First Security has been reimbursed by the Trust Indenture Estate or the Trust Estate for amounts covered by the indemnities contained in this Section 7). The indemnities contained in this Section 7 shall survive the termination of this Trust Agreement. In addition, if necessary, First Security shall be entitled to indemnification from the Trust Estate, subject to the Lien of the Trust Indenture, for any liability, obligation, loss, damage, penalty, tax, claim, action, suit, cost, expense or disbursement indemnified against pursuant to this Section 7 to the extent not reimbursed by Lessee, Owner Participant or others, but without releasing any of them from their respective agreements of reimbursement; and, to secure the same First Security shall have a lien on the Trust Estate, subject to the lien of the Trust Indenture and subject further to the provisions of Section 6.7, which shall be prior to any interest therein of Owner Participant. The payor of any indemnity under this Section 7 shall be subrogated to any right of the person indemnified in respect of the matter as to which such indemnity was paid.

#### SECTION 8. TRANSFER OF OWNER PARTICIPANT'S INTEREST

##### 8.1 TRANSFER OF INTEREST

All provisions of Section 10 of the Participation Agreement shall (with the same force and effect as if set forth in full in this Section 8.1) be applicable to any assignment, conveyance or other transfer by Owner Participant of any of its right, title or interest in and to the Participation Agreement, the Trust Estate or this Trust Agreement. If there is more than one Owner Participant, no assignment, conveyance or other transfer by an

TRUST AGREEMENT BASE

Owner Participant of any of its right, title or interest in and to this Trust Agreement or the Trust Estate shall be valid unless each other Owner Participant's prior written consent (which consent may be withheld in the sole discretion of such other Owner Participant) is given to such assignment, conveyance or other transfer.

## 8.2 ACTIONS OF OWNER PARTICIPANTS

If at any time prior to the termination of this Trust Agreement there is more than one Owner Participant, then, subject to Section 11.5, during such time, if any action is required to be taken by all Owner Participants and whenever any direction, authorization, approval, consent, instruction or other action is permitted to be given or taken by Owner Participant, it shall be given or taken only upon unanimous agreement of all Owner Participants; provided, that the termination of this Trust Agreement pursuant to Section 11.2 may be effected upon the election of any Owner Participant.

## SECTION 9. SUCCESSOR OWNER TRUSTEES; CO-TRUSTEES

### 9.1 RESIGNATION OF OWNER TRUSTEE; APPOINTMENT OF SUCCESSOR

#### 9.1.1 RESIGNATION OR REMOVAL

Owner Trustee or any successor Owner Trustee (a) shall resign if required to do so pursuant to Section 13.3 of the Participation Agreement or upon obtaining Actual Knowledge of any facts that would cast doubt upon its continuing status as a Citizen of the United States and (b) may resign at any time without cause by giving at least 60 days' prior written notice to Owner Participant, Mortgagee and Lessee, such resignation to be effective upon the assumption of the trusts hereunder by the successor Owner Trustee under Section 9.1.2. In addition, Owner Participant may at any time remove Owner Trustee, with or without cause by a notice in writing delivered to Owner Trustee, Mortgagee and Lessee, such removal to be effective upon the assumption of the trusts hereunder by the successor Owner Trustee under Section 9.1.2, provided, that, in the case of a removal without cause, unless a Lease Event of Default shall have occurred and be continuing, such removal shall be subject to the consent of Lessee (which consent shall not be unreasonably withheld). In the case of the resignation or removal of Owner Trustee, Owner Participant may appoint a successor Owner Trustee

TRUST AGREEMENT BASE

by an instrument signed by Owner Participant, with, unless a Lease Event of Default shall have occurred and be continuing, the consent of Lessee (which consent shall not be unreasonably withheld). If a successor Owner Trustee shall not have been appointed within 30 days after such notice of resignation or removal, Owner Trustee, any Owner Participant, Lessee or Mortgagee may apply to any court of competent jurisdiction to appoint a successor Owner Trustee to act until such time, if any, as a successor shall have been appointed as above provided. Any successor Owner Trustee so appointed by such court shall immediately and without further act be superseded by any successor Owner Trustee appointed as above provided within one year from the date of the appointment by such court.

#### 9.1.2 EXECUTION AND DELIVERY OF DOCUMENTS, ETC.

Any successor Owner Trustee, however appointed, shall execute and deliver to the predecessor Owner Trustee, with a copy to Owner Participant, Lessee and Mortgagee, an instrument accepting such appointment and assuming the obligations of Owner Trustee, in its individual capacity and as Owner Trustee, under the Owner Trustee Agreements, and thereupon such successor Owner Trustee, without further act, shall become vested with all the estates, properties, rights, powers, duties and trusts of the predecessor Owner Trustee in the trusts under this Trust Agreement with like effect as if originally named Owner Trustee in this Trust Agreement; but nevertheless, upon the written request of such successor Owner Trustee, such predecessor Owner Trustee shall execute and deliver an instrument transferring to such successor Owner Trustee, upon the trusts herein expressed, all the estates, properties, rights, powers and trusts of such predecessor Owner Trustee, and such predecessor Owner Trustee shall duly assign, transfer, deliver and pay over to such successor Owner Trustee all monies or other property then held by such predecessor Owner Trustee upon the trusts herein expressed. Upon the appointment of any successor Owner Trustee under this Section 9.1, the predecessor Owner Trustee will execute such documents as are provided to it by such successor Owner Trustee and will take such further actions as are requested of it by such successor Owner Trustee as are required to cause registration of the Aircraft included in the Trust Estate to be transferred upon the records of the FAA, or other governmental authority having jurisdiction, into the name of the successor Owner Trustee.

TRUST AGREEMENT BASE

### 9.1.3 QUALIFICATIONS

Any successor Owner Trustee, however appointed, shall be a Citizen of the United States and shall also be a bank or trust company organized under the Laws of the United States or any state thereof having a combined capital and surplus of at least \$100,000,000, if there be such an institution willing, able and legally qualified to perform the duties of Owner Trustee under this Trust Agreement upon reasonable or customary terms. No such successor Owner Trustee shall be located in a jurisdiction which creates material adverse consequences for Lessee (unless such material adverse consequences would be created by substantially all jurisdictions where major banking or trust institutions are located).

### 9.1.4 MERGER, ETC.

Any corporation into which First Security may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which First Security shall be a party, or any corporation to which substantially all the corporate trust business of First Security may be transferred, shall, subject to the terms of Section 9.1.3, be Owner Trustee under this Trust Agreement without further act, provided, that such corporation shall not also be the Mortgagee.

### 9.2 CO-TRUSTEES AND SEPARATE TRUSTEES

(a) If at any time it shall be necessary or prudent in order to conform to any Law of any jurisdiction in which all or any part of the Trust Estate is located, or Owner Trustee being advised by counsel shall determine that it is so necessary or prudent in the interest of Owner Participant or Owner Trustee, or Owner Trustee shall have been directed to do so by Owner Participant, Owner Trustee and Owner Participant shall execute and deliver an agreement supplemental hereto and all other instruments and agreements necessary or proper to constitute another bank or trust company or one or more persons (any or all of which shall be a Citizen of the United States) approved by Owner Trustee and Owner Participant, either to act as co-trustee, jointly with Owner Trustee, or to act as separate trustee under this Trust Agreement (any such co-trustee or separate trustee being herein sometimes referred to as an "additional trustee"). In the event Owner Participant shall not have joined in the

TRUST AGREEMENT BASE

execution of such agreements' supplemental hereto within ten days after the receipt of a written request from Owner Trustee so to do, or in case a Lease Event of Default or Indenture Event of Default shall occur and be continuing, Owner Trustee may act under the foregoing provisions of this Section 9.2 without the concurrence of Owner Participant; and Owner Participant hereby appoints Owner Trustee its agent and attorney-in-fact to act for it under the foregoing provisions of this Section 9.2 in either of such contingencies.

(b) Every additional trustee under this Trust Agreement shall, to the extent permitted by Law, be appointed and act, and Owner Trustee and its successors shall act, subject to the following provisions and conditions:

(i) All powers, duties, obligations and rights conferred upon Owner Trustee in respect of the custody, control and management of monies, the Aircraft or documents authorized to be delivered under this Trust Agreement or under the Participation Agreement shall be exercised solely by Owner Trustee;

(ii) All other rights, powers, duties and obligations conferred or imposed upon Owner Trustee shall be conferred or imposed upon and exercised or performed by Owner Trustee and such additional trustee jointly, except to the extent that under any Law of any jurisdiction in which any particular act or acts are to be performed (including the holding of title to the Trust Estate) Owner Trustee shall be incompetent or unqualified to perform such act or acts, in which event such rights, powers, duties and obligations shall be exercised and performed by such additional trustee;

(iii) No power given to, or which it is provided hereby may be exercised by, any such additional trustee shall be exercised under this Trust Agreement by such additional trustee, except jointly with, or with the consent in writing of, Owner Trustee;

(iv) No trustee under this Trust Agreement shall be personally liable by reason of any action or omission of any other trustee under this Trust Agreement;

(v) Owner Participant, at any time, by an instrument in writing may remove any such additional trustee. In the event that Owner Participant shall not have joined in the

### 10.1 SUPPLEMENTS AND AMENDMENTS AND DELIVERY THEREOF

#### 10.1.1 SUPPLEMENTS AND AMENDMENTS

Subject to Section 7.2.2 of the Participation Agreement, this Trust Agreement may not be amended, supplemented or otherwise modified except by an instrument in writing signed by Owner Trustee and Owner Participant. Subject to Section 10.2, Section 9.01 of the Trust Indenture and Section 7.6.7 of the Participation Agreement, Owner Trustee will execute any amendment, supplement or other modification of this Trust Agreement or of any other Owner Trustee Agreement which it is requested in writing to execute by Owner Participant, except that Owner Trustee shall not execute any such amendment, supplement or other modification which, by the express provisions of any of the above documents, requires the consent of any other party unless such consent shall have been obtained; and provided, that, without the prior written consent of Owner Participant, (a) no such supplement, amendment or modification shall (i) modify any of the provisions of Section 4 or this Section 10.1, (ii) reduce, modify or amend any indemnities in favor of Owner Participant as set forth in Section 9 of the Participation Agreement or in the

10.1.2 DELIVERY OF AMENDMENTS AND SUPPLEMENTS TO  
CERTAIN PARTIES

A signed copy of each amendment or supplement referred to in Section 10.1.1 to which Lessee is not a party shall be delivered promptly by Owner Trustee to Lessee, and a signed copy of each amendment or supplement referred to in Section 10.1.1 shall be delivered promptly by Owner Trustee to Mortgagee.

10.2 DISCRETION AS TO EXECUTION OF DOCUMENTS

Prior to executing any document required to be executed by it pursuant to the terms of Section 10.1, Owner Trustee shall be entitled to receive an opinion of its counsel to the effect that the execution of such document is authorized under this Trust Agreement. If in the opinion of Owner Trustee any such document adversely affects any right, duty, immunity or indemnity in favor of Owner Trustee under this Trust Agreement or under any other Owner Trustee Agreement, Owner Trustee may in its discretion decline to execute such document unless Owner Trustee is furnished with indemnification from Lessee or any other party upon terms and in amounts reasonably satisfactory to Owner Trustee to protect the Trust Estate and the Owner Trustee against any and all liabilities, costs and expenses arising out of the execution of such documents.

10.3 ABSENCE OF REQUIREMENTS AS TO FORM

It shall not be necessary for any written request furnished pursuant to Section 10.1 to specify the particular form of the proposed documents to be executed pursuant to such Section 10.1, but it shall be sufficient if such request shall indicate the substance thereof.

TRUST AGREEMENT BASE

#### 10.4 DISTRIBUTION OF DOCUMENTS

Promptly after the execution by Owner Trustee of any document entered into pursuant to Section 10.1, Owner Trustee shall mail, by certified mail, postage prepaid, a conformed copy thereof to Owner Participant, but the failure of Owner Trustee to mail such conformed copy shall not impair or affect the validity of such document.

#### 10.5 NO REQUEST NEEDED AS TO LEASE SUPPLEMENT AND TRUST INDENTURE SUPPLEMENT

No written request pursuant to Section 10.1 shall be required to enable Owner Trustee to enter into, pursuant to Section 3.1 and the Lease or the Trust Indenture, as the case may be, the Lease Supplement with Lessee and the Trust Indenture Supplement.

### SECTION 11. MISCELLANEOUS

#### 11.1 TERMINATION OF TRUST AGREEMENT

This Trust Agreement and the trusts created hereby shall be of no further force or effect upon the earlier of (a) both the final discharge of the Trust Indenture pursuant to Section 10.01 thereof and the sale or other final disposition by Owner Trustee of all property constituting part of the Trust Estate and the final distribution by Owner Trustee of all monies or other property or proceeds constituting part of the Trust Estate in accordance with Section 4, provided, that at such time Lessee shall have fully complied with all of the terms of the Lease and the Participation Agreement or (b) 21 years less one day after the death of the last survivor of all of the descendants of the grandparents of David C. Rockefeller living on the date of the earliest execution of this Trust Agreement by any party hereto, but if this Trust Agreement and the trusts created hereby shall be or become authorized under applicable Law to be valid for a period commencing on the 21st anniversary of the death of such last survivor (or, without limiting the generality of the foregoing, if legislation shall become effective providing for the validity of this Trust Agreement and the trusts created hereby for a period in gross exceeding the period for which this Trust Agreement and the trusts created hereby are hereinabove stated to extend and be valid), then this Trust Agreement and the trusts created hereby shall not terminate under this clause (b) but shall extend to and continue in effect, but only

TRUST AGREEMENT BASE

if such nontermination and extension shall then be valid under applicable Law, until the day preceding such date as the same shall, under applicable Law, cease to be valid; otherwise this Trust Agreement and the trusts created hereby shall continue in full force and effect in accordance with the terms hereof. Except as expressly set forth in Section 11.2, this Trust Agreement and the trusts created hereby may not be revoked by Owner Participant.

#### 11.2 TERMINATION AT OPTION OF THE OWNER PARTICIPANT

Notwithstanding Section 11.1 hereof, this Agreement and trust created hereby shall terminate and the Trust Estate shall be distributed to the Owner Participant, and this Agreement shall be of no further force and effect, upon the election of the Owner Participant by notice to the Owner Trustee, if such notice shall be accompanied by the written agreement (in form and substance satisfactory to the Owner Trustee) of the Owner Participant assuming all obligations of the Owner Trustee under or contemplated by the Operative Agreements or incurred by it as trustee hereunder and releasing the Owner Trustee therefrom; provided, however, that such notice may be given only after the time the Lien of the Trust Indenture is discharged under Section 10.01 of the Trust Indenture and after the Lease shall no longer be in effect.

#### 11.3 OWNER PARTICIPANT HAS NO LEGAL TITLE IN TRUST ESTATE

No Owner Participant shall have legal title to any part of the Trust Estate. No transfer, by operation of Law or otherwise, of any right, title and interest of Owner Participant in and to the Trust Estate under this Trust Agreement shall operate to terminate this Trust Agreement or the trusts under this Trust Agreement or entitle any successors or transferees of Owner Participant to an accounting or to the transfer of legal title to any part of the Trust Estate.

Any assignment, sale, transfer or other conveyance of the Aircraft by Owner Trustee made pursuant to the terms of this Trust Agreement or of the Lease or the Participation Agreement shall bind Owner Participant and shall be effective to transfer or convey all right, title and interest of Owner Trustee and Owner Participant in and to the Aircraft. No purchaser or other

grantee shall be required to inquire as to the authorization, necessity, expediency or regularity of such assignment, sale, transfer or conveyance or as to the application of any sale or other proceeds with respect thereto by Owner Trustee.

#### 11.5 TRUST AGREEMENT FOR BENEFIT OF CERTAIN PARTIES ONLY

Except for the terms of Section 10 of the Participation Agreement incorporated in Section 8 and except as otherwise provided in Sections 5.1, 6.7, 9, 10.1 and 11.1, nothing in this Trust Agreement, whether express or implied, shall be construed to give any person other than Owner Trustee and Owner Participant any legal or equitable right, remedy or claim under or in respect of this Trust Agreement; and this Trust Agreement shall be held to be for the sole and exclusive benefit of Owner Trustee and Owner Participant.

#### 11.6 CITIZENSHIP OF OWNER PARTICIPANT

If at any time there shall be more than one Owner Participant, then any Owner Participant who shall cease to be a Citizen of the United States shall have no voting or similar rights under this Trust Agreement and shall have no right to direct, influence or limit the exercise of, or to prevent the direction or influence of, or place any limitation on the exercise of, Owner Trustee's authority or to remove Owner Trustee.

#### 11.7 NOTICES

Unless otherwise expressly permitted by the terms of this Trust Agreement, all notices, requests, demands, authorizations, directions, consents, waivers and other communications required or permitted to be made, given, furnished or filed under this Trust Agreement shall be in writing, shall refer specifically to this Trust Agreement and shall be personally delivered, sent by telecopy, telex or other means of electronic facsimile or telecommunication transmission, sent by registered mail or certified mail, return receipt requested, postage prepaid, or sent by overnight courier service, in each case to the respective telex, telecopy or other number or address set forth for such party in Schedule 1 to the Participation Agreement, or to such other telex, telecopy or other number or address as each party hereto may hereafter specify by notice to the other parties hereto. #### 11.8 SEVERABILITY

If any provision of this Trust Agreement shall be held invalid, illegal or unenforceable in any respect in any jurisdiction, then, to the extent permitted by Law, (a) all other provisions hereof shall remain in full force and effect in such jurisdiction and (b) such invalidity, illegality or unenforceability shall not affect the validity, legality or enforceability of such provision in any other jurisdiction. If, however, any Law pursuant to which such provisions are held invalid, illegal or unenforceable may be waived, such Law is hereby waived by the parties hereto to the full extent permitted, to the end that this Trust Agreement shall be deemed to be a valid and binding agreement in all respects, enforceable in accordance with its terms.

#### 11.9 WAIVERS, ETC.

No term or provision hereof may be changed, waived, discharged or terminated orally, but only by an instrument in writing entered into in compliance with the terms of Section 10; and any waiver of the terms hereof shall be effective only in the specific instance and for the specific purpose given.

#### 11.10 COUNTERPARTS

##### 6.4.1 QUIET ENJOYMENT

Each Applicable Pass Through Trustee, Subordination Agent, each Note Holder and Mortgagee agrees as to itself with Owner that, so long as no Event of Default shall have occurred and be continuing, such Person shall not (and shall not permit any Affiliate or other Person claiming by, through or under it to) interfere with Owner's rights in accordance with the Indenture to the quiet enjoyment, possession and use of the Aircraft.

##### 6.4.2 CONSENTS

Each Applicable Pass Through Trustee, Subordination Agent and Mortgagee covenants and agrees, for the benefit of Owner, that it shall not unreasonably withhold its consent to any consent or approval requested of it under the terms of any of the Operative Agreements which by its terms is not to be unreasonably withheld.

##### 6.4.3 INSURANCE

Each Applicable Pass Through Trustee, Subordination Agent, Mortgagee and each Note Holder agrees not to obtain or maintain insurance for its own account as permitted by Section 4.06 of the Trust Indenture if such insurance would limit or otherwise adversely affect the coverage of any insurance required to be

obtained or maintained by Owner pursuant to Section 4.06 of the Trust Indenture.

#### 6.4.4 EXTENT OF INTEREST OF NOTE HOLDERS

A Note Holder shall not, as such, have any further interest in, or other right with respect to, the Collateral when and if the principal and Make-Whole Amount, if any, of and interest on the Equipment Note held by such Holder, and all other sums, then due and payable to such Holder hereunder and under any other Operative Agreement, shall have been paid in full.

#### 6.4.5 FOREIGN REGISTRATION

Each Note Holder and Mortgagee hereby agree, for the benefit of Owner but subject to the provisions of Section 4.02(b) of the Trust Indenture:

(a) that Owner shall be entitled to register the Aircraft or cause the Aircraft to be registered in a country other than the United States subject to compliance with the following:

- (i) each of the following requirements is satisfied:
  - (A) no Special Default or Event of Default shall have occurred and be continuing at the time of such registration;
  - (B) such proposed change of registration is made in connection with a Permitted Lease to a Permitted Air Carrier;
  - (C) such country is a country with which the United States then maintains normal diplomatic relations or, if Taiwan, the United States then maintains diplomatic relations at least as good as those in effect on the Closing Date;

(ii) the Mortgagee shall have received an opinion of counsel (subject to customary exceptions) reasonably satisfactory to the Mortgagee addressed to Mortgagee as to the effect that:

- (A) such country would recognize the Owner's ownership interest in the Aircraft;

(B) after giving effect to such change in registration, the Lien of the Trust Indenture on the Owner's right, title and interest in and to the Aircraft shall continue as a valid and duly perfected first priority security interest and all filing, recording or other action necessary to protect the same shall have been accomplished (or, if such opinion cannot be given at the time of such proposed change in registration because such change in registration is not yet effective, (1) the opinion shall detail what filing, recording or other action is necessary and (2) the Mortgagee shall have received a certificate from Owner that all possible preparations to accomplish such filing, recording and other action shall have been done, and such filing, recording and other action shall be accomplished and a supplemental opinion to that effect shall be delivered to the Mortgagee on or prior to the effective date of such change in registration;

(C) unless Owner or the Permitted Air Carrier shall have agreed to provide insurance covering the risk of requisition of use of the Aircraft by the government of such country (so long as the Aircraft is registered under the laws of such country), the laws of such country require fair compensation by the government of such country payable in currency freely convertible into Dollars and freely removable from such country (without license or permit, unless Owner prior to such proposed reregistration has obtained such license or permit) for the taking or requisition by such government of such use; and

(D) it is not necessary, solely as a consequence of such change in registration and without giving effect to any other activity of the Mortgagee (or any Affiliate of the Mortgagee), for the Mortgagee to qualify to do business in such jurisdiction as a result of such reregistration in order to exercise any rights or remedies with respect to the Aircraft.

(b) In addition, as a condition precedent to any change in registration Owner shall have given to Mortgagee assurances reasonably satisfactory to Mortgagee:

- (i) to the effect that the provisions of Section 4.06 of the Trust Indenture have been complied with after giving effect to such change of registration;
- (ii) of the payment by Owner of all reasonable out-of-pocket expenses of each Note Holder and Mortgagee in connection with such change of registry, including, without limitation (1) the reasonable fees and disbursements of counsel to Mortgagee, (2) any filing or recording fees, Taxes or similar payments incurred in connection with the change of registration of the Aircraft and the creation and perfection of the security interest therein in favor of Mortgagee for the benefit of Note Holders, and (3) all costs and expenses incurred in connection with any filings necessary to continue in the United States the perfection of the security interest in the Aircraft in favor of Mortgagee for the benefit of Note Holders; and
- (iii) to the effect that the tax and other indemnities in favor of each person named as an indemnitee under any other Operative Agreement afford each such person substantially the same protection as provided prior to such change of registration (or Owner shall have agreed upon additional indemnities that, together with such original indemnities, in the reasonable judgment of Mortgagee, afford such protection).

#### 6.4.6 INTEREST IN CERTAIN ENGINES

Each Note Holder and Mortgagee agree, for the benefit of each of the lessor, conditional seller, mortgagee or secured party of any airframe or engine leased to, or purchased by, Owner or any Permitted Lessee subject to a lease, conditional sale, trust indenture or other security agreement that it will not acquire or claim, as against such lessor, conditional seller, mortgagee or secured party, any right, title or interest in any engine as the result of such engine being installed on the Airframe at any time while such engine is subject to such lease, conditional sale, trust

indenture or other security agreement and owned by such lessor or conditional seller or subject to a trust indenture or security interest in favor of such mortgagee or secured party.

#### SECTION 7. CONFIDENTIALITY

Owner, Note Holders and Mortgagee shall keep the Participation Agreement and Annex B to the Trust Indenture confidential and shall not disclose, or cause to be disclosed, the same to any Person, except (A) to prospective and permitted transferees of Owner's, a Note Holder's, a Liquidity Provider's, Mortgagee's or other Indenture Indemnitee's interest or their respective counsel or special counsel, independent insurance brokers, auditors, or other agents who agree to hold such information confidential, (B) to Owner's, a Note Holder's, a Liquidity Provider's, a Pass Through Trustee's, Mortgagee's or other Indenture Indemnitee's counsel or special counsel, independent insurance brokers, auditors, or other agents, Affiliates or investors who agree to hold such information confidential, (C) as may be required by any statute, court or administrative order or decree, legal process or governmental ruling or regulation, including those of any applicable insurance regulatory bodies (including, without limitation, the National Association of Insurance Commissioners), federal or state banking examiners, Internal Revenue Service auditors or any stock exchange, (D) with respect to a Note Holder or any Pass Through Trustee, to a nationally recognized rating agency for the purpose of obtaining a rating on the Equipment Notes or the Pass Through Certificates or to support an NAIC rating for the Equipment Notes or (E) such other Persons as are reasonably deemed necessary by the disclosing party in order to protect the interests of such party or for the purposes of enforcing such documents by such party; provided, that any and all disclosures permitted by clauses (C), (D), or (E) above shall be made only to the extent necessary to meet the specific requirements or needs of the Persons making such disclosures.

#### SECTION 8. INDEMNIFICATION AND EXPENSES

##### 8.1 GENERAL INDEMNITY

[INTENTIONALLY OMITTED]

## 8.2 EXPENSES

## 8.2.1 INVOICES AND PAYMENT

The Mortgagee, the Applicable Pass Through Trustees and the Subordination Agent shall promptly submit to Owner for its prompt approval (which shall not be unreasonably withheld) copies of invoices in reasonable detail of the Transaction Expenses for which it is responsible for providing information as they are received (but in no event later than the 90th day after the Closing Date). If so submitted and approved, the Owner agrees promptly, but in any event no later than the 105th day after the Closing Date, to pay Transaction Expenses.

## 8.2.2 PAYMENT OF OTHER EXPENSES

Owner shall pay (i) the ongoing fees and expenses of Mortgagee, and (ii) all reasonable out-of-pocket costs and expenses (including the reasonable fees and disbursements of

counsel) incurred by Mortgagee or any Note Holder attributable to any waiver, amendment or modification of any Operative Agreement to the extent requested by Owner.

8.3 GENERAL TAX INDEMNITY

[INTENTIONALLY OMITTED]

## SECTION 9. ASSIGNMENT OR TRANSFER OF INTEREST

## 9.1 NOTE HOLDERS

Subject to Section 6.3.2 hereof and Section 2.07 of the Trust Indenture, any Note Holder may, at any time and from time to time, Transfer or grant participations in all or any portion of the Equipment Notes and/or all or any portion of its beneficial interest in its Equipment Notes to any person (it being understood that the sale or issuance of Pass Through Certificates by a Pass Through Trustee shall not be considered a Transfer or participation); provided, that any participant in any such participations shall not have any direct rights under the Operative Agreements or any Lien on all or any part of the Aircraft or the Collateral and Owner shall not have any increased liability or obligations as a result of any such participation. In the case of any such Transfer, the Transferee, by acceptance

of Equipment Notes in connection with such Transfer, shall be deemed to be bound by all of the covenants of Note Holders contained in the Operative Agreements.

## 9.2 EFFECT OF TRANSFER

Upon any Transfer in accordance with Section 9.1 (other than any Transfer by any Note Holder, to the extent it only grants participations in Equipment Notes or in its beneficial interest therein), Transferee shall be deemed a "Note Holder," for all purposes of this Agreement and the other Operative Agreements, and the transferring Note Holder shall be released from all of its liabilities and obligations under this Agreement and any other Operative Agreements to the extent such liabilities and obligations arise after such Transfer and, in each case, to the extent such liabilities and obligations are assumed by the transferee; provided, that such transferring Note Holder (and its respective Affiliates, successors, assigns, agents, servants, representatives, directors and officers) will continue to have the benefit of any rights or indemnities under any Operative Agreement vested or relating to circumstances, conditions, acts or events prior to such Transfer.

## SECTION 10. SECTION 1110

It is the intention of each of the Owner, the Note Holders (such intention being evidenced by each of their acceptance of an Equipment Note), and Mortgagee that Mortgagee shall be entitled to the benefits of Section 1110 in the event of a case under Chapter 11 of the Bankruptcy Code in which Owner is a debtor.

## SECTION 11. CHANGE OF CITIZENSHIP

### 11.1 GENERALLY

Without prejudice to the representations, warranties or covenants regarding the status of any party hereto as a Citizen of the United States, each of Owner, WTC and Mortgagee agrees that it will, immediately upon obtaining knowledge of any facts that would cast doubt upon its continuing status as a Citizen of the United States and promptly upon public disclosure of negotiations in respect of any transaction which would or might adversely affect such status, notify in writing all parties hereto of all relevant matters in connection therewith.

## 11.2 MORTGAGEE

Upon WTC giving any notice in accordance with Section 11.1, Mortgagee shall (if and so long as such citizenship is necessary under the Act as in effect at such time or, if it is not necessary, if and so long as Mortgagee's citizenship could have any adverse effect on Owner, or any Note Holder), subject to Section 9.02 of the Trust Indenture, resign as Mortgagee promptly upon its ceasing to be such a citizen.

## SECTION 12. MISCELLANEOUS

## 12.1 AMENDMENTS

No provision of this Agreement may be amended, supplemented, waived, modified, discharged, terminated or otherwise varied orally, but only by an instrument in writing that specifically identifies the provision of this Agreement that it purports to amend, supplement, waive, modify, discharge, terminate or otherwise vary and is signed by the party against which the enforcement of the amendment, supplement, waiver, modification, discharge, termination or variance is sought. Each such amendment, supplement, waiver, modification, discharge, termination or variance shall be effective only in the specific instance and for the specific purpose for which it is given. No provision of this Agreement shall be varied or contradicted by oral communication, course of dealing or performance or other manner not set forth in an agreement, document or instrument in writing and signed by the party against which enforcement of the same is sought.

## 12.2 SEVERABILITY

If any provision hereof shall be held invalid, illegal or unenforceable in any respect in any jurisdiction, then, to the extent permitted by Law, (a) all other provisions hereof shall remain in full force and effect in such jurisdiction and (b) such invalidity, illegality or unenforceability shall not affect the validity, legality or enforceability of such provision in any other jurisdiction. If, however, any Law pursuant to which such provisions are held invalid, illegal or unenforceable may be waived, such Law is hereby waived by the parties hereto to the full extent permitted, to the end that this Agreement shall be deemed to be a valid and binding agreement in all respects, enforceable in accordance with its terms.

## 12.3 SURVIVAL

The indemnities set forth herein shall survive the delivery or return of the Aircraft, the Transfer of any interest by any Note Holder of its Equipment Note and the expiration or other termination of this Agreement or any other Operative Agreement.

## 12.4 REPRODUCTION OF DOCUMENTS

This Agreement, all schedules and exhibits hereto and all agreements, instruments and documents relating hereto, including, without limitation, (a) consents, waivers and modifications that may hereafter be executed and (b) financial statements, certificates and other information previously or hereafter furnished to any party hereto, may be reproduced by such party by any photographic, photostatic, microfilm, micro-card, miniature photographic or other similar process, and such party may destroy any original documents so reproduced. Any such reproduction shall be as admissible in evidence as the original itself in any judicial or administrative proceeding (whether or not the original is in existence and whether or not such reproduction was made by such party in the regular course of business) and any enlargement, facsimile or further reproduction of such reproduction likewise is admissible in evidence.

## 12.5 COUNTERPARTS

This Agreement and any amendments, waivers, consents or supplements hereto may be executed in any number of counterparts (or upon separate signature pages bound together into one or more counterparts), each of which when so executed shall be deemed to be an original, and all of which counterparts, taken together, shall constitute one and the same instrument.

## 12.6 NO WAIVER

No failure on the part of any party hereto to exercise, and no delay by any party hereto in exercising, any of its respective rights, powers, remedies or privileges under this Agreement or provided at Law, in equity or otherwise shall impair, prejudice or constitute a waiver of any such right, power, remedy or privilege or be construed as a waiver of any breach hereof or default hereunder or as an acquiescence therein nor shall any single or partial exercise of any such right, power, remedy or privilege preclude any other or further exercise thereof by it or the exercise of any other right, power, remedy or privilege by

it. No notice to or demand on any party hereto in any case shall, unless otherwise required under this Agreement, entitle such party to any other or further notice or demand in similar or other circumstances or constitute a waiver of the rights of any party hereto to any other or further action in any circumstances without notice or demand.

#### 12.7 NOTICES

Unless otherwise expressly permitted by the terms hereof, all notices, requests, demands, authorizations, directions, consents, waivers and other communications required or permitted to be made, given, furnished or filed hereunder shall be in writing (it being understood that the specification of a writing in certain instances and not in others does not imply an intention that a writing is not required as to the latter), shall refer specifically to this Agreement or other applicable Operative Agreement, and shall be personally delivered, sent by facsimile or telecommunication transmission (which in either case provides written confirmation to the sender of its delivery), sent by registered mail or certified mail, return receipt requested, postage prepaid, or sent by overnight courier service, in each case to the respective address, or facsimile number set forth for such party in Schedule 1, or to such other address, facsimile or other number as each party hereto may hereafter specify by notice to the other parties hereto. Each such notice, request, demand, authorization, direction, consent, waiver or other communication shall be effective when received or, if made, given, furnished or filed (a) by facsimile or telecommunication transmission, when confirmed, or (b) by registered or certified mail, three Business Days after being deposited, properly addressed, with the U.S. Postal Service.

#### 12.8 GOVERNING LAW; SUBMISSION TO JURISDICTION; VENUE

(a) THIS AGREEMENT SHALL IN ALL RESPECTS BE GOVERNED BY THE LAWS OF THE STATE OF NEW YORK, INCLUDING ALL MATTERS OF CONSTRUCTION, VALIDITY AND PERFORMANCE. THIS AGREEMENT IS BEING DELIVERED IN THE STATE OF NEW YORK.

(b) EACH PARTY HERETO HEREBY IRREVOCABLY AGREES, ACCEPTS AND SUBMITS ITSELF TO THE NON-EXCLUSIVE JURISDICTION OF THE COURTS OF THE STATE OF NEW YORK IN THE CITY AND COUNTY OF NEW YORK AND OF THE UNITED STATES FOR THE SOUTHERN DISTRICT OF NEW YORK, IN CONNECTION WITH ANY LEGAL ACTION, SUIT OR PROCEEDING

WITH RESPECT TO ANY MATTER RELATING TO OR ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT.

(c) EACH PARTY HERETO HEREBY IRREVOCABLY CONSENTS AND AGREES TO THE SERVICE OF ANY AND ALL LEGAL PROCESS, SUMMONS, NOTICES AND DOCUMENTS OF ANY OF THE AFOREMENTIONED COURTS IN ANY SUCH SUIT, ACTION OR PROCEEDING MAY BE MADE BY MAILING COPIES THEREOF BY REGISTERED OR CERTIFIED MAIL, POSTAGE PREPAID, AT THE ADDRESS SET FORTH PURSUANT TO SECTION 12.7. EACH PARTY HERETO HEREBY AGREES THAT SERVICE UPON IT, OR ANY OF ITS AGENTS, IN EACH CASE IN ACCORDANCE WITH THIS SECTION 12.8(C), SHALL CONSTITUTE VALID AND EFFECTIVE PERSONAL SERVICE UPON SUCH PARTY, AND EACH PARTY HERETO HEREBY AGREES THAT THE FAILURE OF ANY OF ITS AGENTS TO GIVE ANY NOTICE OF SUCH SERVICE TO ANY SUCH PARTY SHALL NOT IMPAIR OR AFFECT IN ANY WAY THE VALIDITY OF SUCH SERVICE ON SUCH PARTY OR ANY JUDGMENT RENDERED IN ANY ACTION OR PROCEEDING BASED THEREON.

(d) EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE EXTENT PERMITTED BY APPLICABLE LAW, AND AGREES NOT TO ASSERT, BY WAY OF MOTION, AS A DEFENSE, OR OTHERWISE, IN ANY LEGAL ACTION OR PROCEEDING BROUGHT HEREUNDER IN ANY OF THE ABOVE-NAMED COURTS, THAT SUCH ACTION OR PROCEEDING IS BROUGHT IN AN INCONVENIENT FORUM, THAT VENUE FOR THE ACTION OR PROCEEDING IS IMPROPER OR THAT THIS AGREEMENT OR ANY OTHER OPERATIVE AGREEMENT MAY NOT BE ENFORCED IN OR BY SUCH COURTS.

(e) EACH PARTY HERETO HEREBY WAIVES ITS RESPECTIVE RIGHTS TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION IN ANY COURT IN ANY JURISDICTION BASED UPON OR ARISING OUT OF OR RELATING TO THIS AGREEMENT.

#### 12.9 THIRD-PARTY BENEFICIARY

This Agreement is not intended to, and shall not, provide any person not a party hereto (other than the Indenture Indemnitees, each of which is an intended third party beneficiary with respect to the provisions of Section 8.1 and the persons referred to in Section 6.4.6, which are intended third party beneficiaries with respect to such Section) with any rights of any nature whatsoever against any of the parties hereto and no person not a party hereto (other than the Indenture Indemnitees, with respect to the provisions of Section 8.1, and the persons referred to in Section 6.4.6 with respect to the provisions of such Section) shall have any right, power or privilege in respect

of any party hereto, or have any benefit or interest, arising out of this Agreement.

12.10 ENTIRE AGREEMENT

This Agreement, together with the other Operative Agreements, on and as of the date hereof, constitutes the entire agreement of the parties hereto with respect to the subject matter hereof, and all prior or contemporaneous understandings or agreements, whether written or oral, among any of the parties hereto with respect to such subject matter are hereby superseded in their entireties.

12.11 FURTHER ASSURANCES

Each party hereto shall execute, acknowledge and deliver or shall cause to be executed, acknowledged and delivered, all such further agreements, instruments, certificates or documents, and shall do and cause to be done such further acts and things, in any case, as any other party hereto shall reasonably request in connection with the administration of, or to carry out more effectually the purposes of, or to better assure and confirm into such other party the rights and benefits to be provided under this Agreement and the other Operative Agreements.

To the Persons Listed on Schedule I

Re: Mortgage of Boeing Model \_\_\_\_\_ Aircraft with  
Manufacturer's Serial Number \_\_\_\_\_ and U.S. Registration  
Number N

Gentlemen:

We have been requested by Continental Airlines, Inc., a Delaware corporation (the "Company"), to act as special counsel with respect to, and to render this opinion letter in connection with, the transactions contemplated by the Participation Agreement \_\_\_\_\_, dated as of \_\_\_\_\_ (the "Participation Agreement"), among the Company, as Owner, and Wilmington Trust Company, a Delaware banking corporation ("WTC"), in its capacity as Mortgagee (the "Mortgagee"), as Subordination Agent under the Intercreditor Agreement (as defined in the Participation Agreement) and as Pass Through Trustee under the Applicable Pass Through Trust Agreements (as defined in the Participation Agreement). Capitalized terms used herein and not otherwise defined herein have the respective meanings given those terms in the Participation Agreement.

In connection with this opinion letter we have examined, among other things, originals or copies certified or otherwise identified to our satisfaction of the following documents:

- (i) Participation Agreement;
- (ii) Trust Indenture;
- (iii) Trust Indenture Supplement No. 1;
- (iv) Airframe Manufacturer Consent and Agreement;
- (v) Engine Manufacturer Consent and Agreement;

- (vi) Forms of the Equipment Notes; and
- (vii) Bills of Sale.

We have also examined and relied upon such other documents and such other corporate records, certificates and other statements of governmental officials and corporate officers and other representatives of the Company as we have deemed necessary or appropriate for the purposes of this opinion. As to certain facts material to the opinions expressed herein, we have relied upon representations and warranties contained in the Operative Agreements. The opinions expressed herein are subject to the following exceptions, assumptions, qualifications and limitations:

A. The opinions set forth below are limited to the laws of the State of New York, the federal laws of the United States of America and the General Corporation Law of the State of Delaware, except that we express no opinion with respect to (i) the laws, regulations or ordinances of any county, town or municipality or governmental subdivision or agency thereof, (ii) state securities or blue sky laws or federal securities laws, including the Securities Act and the Investment Company Act of 1940, (iii) any federal or state tax, antitrust or fraudulent transfer or conveyance laws, (iv) the Employee Retirement Income Security Act of 1974, as amended, or (v) the Act (except as expressly provided in paragraph 5 below), or any other laws, rules or regulations governing, regulating or relating to the acquisition, ownership, registration, use or sale of an aircraft, airframe or aircraft engine or to the particular nature of the equipment to be acquired by the Company. In addition, our opinions are based upon a review of those laws, statutes, rules and regulations which, in our experience, are normally applicable to transactions of the type contemplated by the Participation Agreement.

B. The opinions set forth in paragraphs 3 and 6 below are subject to (i) limitations on enforceability arising from applicable bankruptcy, insolvency, reorganization, moratorium, receivership, fraudulent conveyance, fraudulent transfer, preferential transfer and similar laws relating to or affecting the rights and remedies of creditors generally and the effect of general principles of equity, including, without limitation, laches and estoppel as equitable defenses and concepts of materiality, reasonableness, good faith and fair dealing (regardless of whether such enforceability is considered or applied in a proceeding in equity or at law) and considerations of impracticability or impossibility of performance, and defenses based upon unconscionability of otherwise enforceable obligations in the context of the factual circumstances under which enforcement thereof is sought and (ii) the qualification that the remedy of specific performance and injunctive and other forms of equitable relief may be subject to equitable defenses and to the discretion of the court before which any proceeding therefor may be brought. In addition, certain remedial and procedural provisions of the Company Documents (as defined in paragraph 2 below) are or may be unenforceable in whole or in part, but the inclusion of such provisions does not affect the validity of those agreements and does not, in our opinion, make the remedies provided in those agreements, or otherwise available under applicable law, inadequate for the practical realization of the substantive benefits purported to be provided thereby, except for the economic consequences resulting from any delay imposed by, or

any procedure required by, applicable laws, rules, regulations and by constitutional requirements. We express no opinion as to (i) any provision contained in any Operative Agreement (a) providing for indemnification or exculpation of any Person for such Person's gross negligence, willful misconduct, recklessness or unlawful conduct or in respect of liabilities under the Securities Act, (b) providing for late payment charges or an increase in interest rate upon delinquency in payment or the occurrence of a default or other specified event but only to the extent such provision is deemed to constitute a penalty or liquidated damages provision, (c) as such provision relates to the subject matter jurisdiction of federal courts or the waiver of inconvenient forum with respect to proceedings in federal courts, (d) that purports to establish (or may be construed to establish) evidentiary standards or (e) providing for the waiver of any statutory right or any broadly or vaguely stated rights or unknown future rights, or any waiver which is against public policy considerations or (ii) Section 12.8(c) of the Participation Agreement or any comparable provision of any other Operative Agreement. Under certain circumstances the requirement that the provisions of an Operative Agreement may be modified or waived only in writing or only in a specific instance and provisions to the effect that failure or delay in exercising any right, remedy, power and/or privilege will not impair or waive such right, remedy, power and/or privilege may be unenforceable to the extent that an oral agreement has been effected or a course of dealing has occurred modifying such provisions. A court may modify or limit contractual agreements regarding attorneys' fees.

C. To the extent that our opinions expressed herein involve conclusions as to the matters set forth in the opinions dated the date hereof of Richards, Layton & Finger or Lytle, Soule & Curlee being delivered to you on the date hereof, we have assumed, without independent investigation, the correctness of the matters set forth in such opinions.

D. We have assumed the due authorization, execution and delivery of the Operative Agreements by each of the parties thereto, that each of such parties (other than the Company) has the power and authority to execute, deliver and perform each such Operative Agreement and has obtained or made all necessary consents, approvals, filings and registrations in connection therewith (except any required under New York law by the Company), that such execution, delivery and performance does not violate its charter, by-laws or similar instrument, that value has been given by each Applicable Pass Through Trustee to the Company under the Trust Indenture, that the Company has rights in the Collateral and that WTC is duly organized, validly existing and in good standing in its jurisdiction of organization and qualified to transact business in each other jurisdiction where such qualification is required.

E. We have assumed the due authentication of the Equipment Notes by the Mortgagee and the delivery thereof against payment therefor, all in accordance with the Participation Agreement and the Trust Indenture, and that the Equipment Notes conform to the forms thereof examined by us.

F. We have assumed that all signatures on documents examined by us are genuine, that all persons signing such documents have legal capacity, that all documents

submitted to us as originals are authentic and that all documents submitted to us as copies or specimens conform with the originals, which facts we have not independently verified.

G. We express no opinion as to any provision in any Operative Agreement that is contrary to Section 9-311, or Part V of Article 9, of the UCC.

H. We have not made any examination of, and express no opinion with respect to (and to the extent relevant have assumed the accuracy and sufficiency of), (i) descriptions of, the legal or beneficial ownership of, or the title or condition of title to, the Collateral or any other property covered by any of the Operative Agreements, (ii) except as expressly set forth in paragraphs 5 and 7 below, the existence, creation, validity or attachment of any Lien thereon, (iii) except as expressly set forth in paragraph 5 below, the perfection of any Lien thereon and (iv) the priority or enforcement of any Lien thereon.

I. In giving an opinion regarding the valid existence and good standing of the Company, we have relied solely upon certificates of public officials.

J. The opinions expressed herein are given as of the date hereof. We assume no obligation to advise you of any facts or circumstance that may come to our attention, or any changes in law that may occur after the date hereof, which may affect the opinion expressed herein.

Based on and subject to the foregoing, we are of the opinion that:

1. The Company is a corporation duly incorporated, validly existing and in good standing under the laws of the State of Delaware.

2. The Company has all necessary corporate power to execute, deliver and perform its obligations under the Participation Agreement, the Trust Indenture, the Trust Indenture Supplement No. 1 and the Equipment Notes (collectively, the "Company Documents"). Neither the execution nor delivery of the Company Documents by the Company nor the consummation of the transactions contemplated thereby will result in any violation of (a) its Restated Certificate of Incorporation or By-laws or (b) any law, governmental rule or regulation known to us to be applicable to, or binding on, the Company, or requires the approval of the stockholders of the Company.

3. Each Company Document constitutes the valid and binding obligation of the Company and is enforceable against the Company in accordance with its terms.

4. Except for the matters referred to in clauses (i) through (iii) of paragraph 5 below, no approval, authorization or other action by or filing with any governmental authority is required for the execution and delivery by the Company of the Company Documents or the consummation of the transactions contemplated thereby to occur at the Closing.

5. Except for (i) the registration of the Aircraft with the FAA pursuant to the Act, (ii) the filing and recordation in accordance with the Act of the FAA Filed Documents, and assuming that at the time of such filing no other unrecorded document relating to the Aircraft has been filed pursuant to the Act, (iii) the filing of Financing Statements referred to in Section 4.1.11 of the Participation Agreement, and the filing of periodic continuation statements with respect thereto, (a) no further filing or recording of any document is necessary (x) to establish the Company's title to the Airframe and Engines, and (y) to create a valid security interest in the Company's interest as owner of the Airframe and Engines or in the Purchase Agreement (to the extent a security interest therein is created by the Trust Indenture) in favor of the Mortgagee pursuant to the Trust Indenture and (b) no further filing or recording of any document in the State of New York or under the Act is required to perfect a security interest in the Company's interest as owner of the Airframe and Engines or in the Purchase Agreement (to the extent a security interest therein is created by the Trust Indenture) in favor of the Mortgagee pursuant to the Trust Indenture.

6. So long as the Company continues to be a "citizen of the United States", as defined in section 40102 of Title 49 of the United States Code, holding an air carrier operating certificate issued by the Secretary of Transportation pursuant to Chapter 447 of Title 49 of the United States Code for aircraft capable of carrying 10 or more individuals or 6,000 pounds or more of cargo, the Mortgagee will be entitled to the benefits of Section 1110 of Title 11 of the United States Code with respect to the Airframe and Engines delivered on the date hereof in connection with any case commenced by or against the Company under Chapter 11 of Title 11 of the United States Code.

7. Upon issuance, execution, authentication and delivery of the Equipment Notes at the Closing, the Trust Indenture creates the security interest in favor of the Mortgagee, as trustee for the benefit of the holders of the Equipment Notes, in the Collateral it purports to create to the extent that the UCC applies to a security interest in such property.

This opinion is being delivered pursuant to Section 4.1.2(x)(A) of the Participation Agreement. This opinion may be relied upon by you (and any permitted Transferee under Section 9.1 of the Participation Agreement) in connection with the matters set forth herein and, without our prior written consent, may not be relied upon for any other purpose and may not be furnished to any other Person for any purpose.

Very truly yours,

Re: Mortgage of Boeing Model \_\_\_\_\_ Aircraft with Manufacturer's  
Serial Number \_\_\_\_\_ and U.S. Registration Number N

Ladies and Gentlemen:

This opinion letter is being delivered by Continental Airlines, Inc., a Delaware corporation ("Continental"), through its Legal Department in connection with the transactions contemplated by the Participation Agreement \_\_\_\_\_ dated as of \_\_\_\_\_, among Wilmington Trust Company, a Delaware banking corporation, as Mortgagee, Subordination Agent under the Intercreditor Agreement (as defined in the Participation Agreement) and as Pass Through Trustee under the Applicable Pass Through Trust Agreements (as defined in the Participation Agreement) and Continental, as Owner (the "Participation Agreement"). All capitalized terms used herein and not otherwise defined herein shall have the respective meanings given those terms in the Participation Agreement. This opinion letter is being furnished to you pursuant to Section 4.1.2(x)(B) of the Participation Agreement.

In giving the following opinions, members of Continental's Legal Department or lawyers retained by Continental's Legal Department have reviewed the Participation Agreement and the other Operative Agreements to which Continental is a party and have relied upon originals, or copies certified or otherwise identified to our satisfaction, of such records, documents, certificates and other instruments as in our judgment are necessary or appropriate to enable us to render the opinions expressed below. In addition, Continental's Legal Department has assumed and has not verified the accuracy as to factual matters of each document reviewed. As used herein, the phrase "to our knowledge" or words of similar import shall mean to actual knowledge of Continental's Legal Department after reasonable investigation, but shall not be interpreted to impute knowledge of others (other than members of Continental's Legal Department).

Based on the foregoing, and subject to the assumptions and limitations contained herein, Continental's Legal Department is of the opinion that:

(a) Continental is an "air carrier" within the meaning of Section 40102 of the Act, operating under a certificate issued pursuant to Chapter 447 of the Act, is a "citizen of the United States" as such term is defined in Section 40102 of such Act and holds all authority, necessary licenses and certificates under such Act and the rules and regulations promulgated thereunder necessary for the conduct of its business and to perform its obligations under the Participation Agreement, the Trust Indenture, the Trust Indenture Supplement No. 1 and the Equipment Notes (collectively, the "Agreements").

(b) The execution, delivery and performance by Continental of each of the Agreements do not, to our knowledge, breach or result in a default under any indenture, mortgage, deed of trust, credit agreement, conditional sale contract or other loan agreement to which Continental is a party or by which Continental or its property may be bound.

(c) The execution, delivery and performance of each of the Agreements has been duly authorized by all necessary corporate action on the part of Continental, and each of the Agreements has been duly executed and delivered by Continental.

(d) There are no pending or, to our knowledge, threatened actions, suits or proceedings before any court or administrative agency or arbitrator that question the validity of any of the Agreements or that would have been required to be disclosed in Continental's Annual Report on Form 10-K filed for the year ended \_\_\_\_\_, on any subsequent Quarterly Report on Form 10-Q or Current Report on Form 8-K, except such as are therein disclosed.

The foregoing opinions are limited to the federal law of the United States of America (other than (i) the Act (except as expressly provided in paragraph 1 above) or any other laws, rules or regulations governing, regulating or relating to the acquisition, ownership, registration, use or sale of an aircraft, airframe or aircraft engine or to the particular nature of the equipment to be acquired by Continental, (ii) state securities or blue sky laws, or federal securities laws, (iii) federal or state tax, antitrust or fraudulent transfer or conveyance laws, as to which we express no opinion), the General Corporation Law of the State of Delaware and the law of the State of Texas.

This opinion letter is furnished to you for the purpose indicated above, and may not be relied upon by any other Person (except any permitted Transferee under Section 9.1 of the Participation Agreement) or for any other purpose without our written consent.

Very truly yours,

Continental Airlines, Inc.

[\_\_\_\_\_]

CONTINENTAL AIRLINES, INC., a Delaware corporation ("Owner"), hereby promises to pay to \_\_\_\_\_, or the registered assignee thereof, the principal sum of \$\_\_\_\_\_ (the "Original Amount"), together with interest on the amount of the Original Amount remaining unpaid from time to time (calculated on the basis of a year of 360 days comprised of twelve 30-day months) from the date hereof until paid in full at a rate per annum equal to the Debt Rate. The Original Amount of this Equipment Note shall be payable in installments on the dates set forth in Schedule I hereto equal to the corresponding percentage of the Original Amount of this Equipment Note set forth in Schedule I hereto. Accrued but unpaid interest shall be due and payable in semiannual installments commencing on \_\_\_\_\_, \_\_ 199\_, and thereafter on April 1, and October 1 of each year, to and including \_\_\_\_\_. Notwithstanding the foregoing, the final payment made on this Equipment Note shall be in an amount sufficient to discharge in full the unpaid Original Amount and all accrued and unpaid interest on, and any other amounts due under, this Equipment Note. Notwithstanding anything to the contrary contained herein, if any date on which a payment under this Equipment Note becomes due and payable is not a Business Day, then such payment shall not be made on such scheduled date but shall be made on the next succeeding Business Day and if such payment is made on such next succeeding Business Day, no interest shall accrue on the amount of such payment during such extension.

For purposes hereof, the term "Trust Indenture" means the Trust Indenture and Mortgage \_\_\_\_\_, dated as of \_\_\_\_\_, 199\_, between the Owner and Wilmington Trust Company (the "Mortgagee"), as the same may be amended or supplemented from time to time. All other capitalized terms used in this Equipment Note and not defined herein shall have the respective meanings assigned in the Trust Indenture.

This Equipment Note shall bear interest, payable on demand, at the Payment Due Rate (calculated on the basis of a year of 360 days comprised of twelve 30-day months) on any overdue Original Amount, any overdue Make-Whole Amount, if any, and (to the extent permitted by applicable Law) any overdue interest and any other amounts payable hereunder which are overdue, in each case for the period the same is overdue. Amounts shall be overdue if not paid when due (whether at stated maturity, by acceleration or otherwise).

The interest rate borne by this Equipment Note shall be subject to adjustments to the extent, and under the circumstances, specified by the Registration Rights Agreement.

There shall be maintained an Equipment Note Register for the purpose of registering transfers and exchanges of Equipment Notes at the Corporate Trust Office of the Mortgagee or at the office of any successor in the manner provided in Section 2.07 of the Trust Indenture.

The Original Amount and interest and other amounts due hereunder shall be payable in Dollars in immediately available funds at the Corporate Trust Office of the Mortgagee, or as otherwise provided in the Trust Indenture. Each such payment shall be made on the date such payment is due and without any presentment or surrender of this Equipment Note, except that in the case of any final payment with respect to this Equipment Note, the Equipment Note shall be surrendered promptly thereafter to the Mortgagee for cancellation.

The holder hereof, by its acceptance of this Equipment Note, agrees that, except as provided in the Trust Indenture, each payment of the Original Amount, Make-Whole Amount, if any, and interest received by it hereunder shall be applied, first, to the payment of accrued interest on this Equipment Note (as well as any interest on any overdue Original Amount, any overdue Make-Whole Amount, if any, or, to the extent permitted by Law, any overdue interest and other amounts hereunder) to the date of such payment, second, to the payment of the Original Amount of this Equipment Note then due, third, to the payment of Make-Whole Amount, if any, and any other amount due hereunder or under the Trust Indenture, and fourth, the balance, if any, remaining thereafter, to the payment of installments of the Original Amount of this Equipment Note remaining unpaid in the inverse order of their maturity.

This Equipment Note is one of the Equipment Notes referred to in the Trust Indenture which have been or are to be issued by the Owner pursuant to the terms of the Trust Indenture. The Collateral is held by the Mortgagee as security, in part, for the Equipment Notes. The provisions of this Equipment Note are subject to the Trust Indenture. Reference is hereby made to the Trust Indenture for a complete statement of the rights and obligations of the holder of, and the nature and extent of the security for, this Equipment Note and the rights and obligations of the holders of, and the nature and extent of the security for, any other Equipment Notes executed and delivered under the Trust Indenture, as well as for a statement of the terms and conditions of the Trust created by the Trust Indenture, to all of which terms and conditions in the Trust Indenture each holder hereof agrees by its acceptance of this Equipment Note.

As provided in the Trust Indenture and subject to certain limitations therein set forth, this Equipment Note is exchangeable for a like aggregate Original Amount of Equipment Notes of different authorized denominations, as requested by the holder surrendering the same.

Prior to due presentment for registration of transfer of this Equipment Note, the Owner and the Mortgagee shall treat the person in whose name this Equipment Note is registered as the owner hereof for all purposes, whether or not this Equipment Note be overdue, and neither the Owner nor the Mortgagee shall be affected by notice to the contrary.

This Equipment Note is subject to redemption as provided in Sections 2.10, 2.11 and 2.12 of the Trust Indenture but not otherwise. In addition, this Equipment Note may be accelerated as provided in Section 5.02 of the Trust Indenture.

## SECTION 2.02. ISSUANCE AND TERMS OF EQUIPMENT NOTES

The Equipment Notes shall be dated the date of issuance thereof, shall be issued in three separate series consisting of Series A, Series B and Series C and in the maturities and principal amounts and shall bear interest as specified in Schedule I hereto. On the date thereof, each Equipment Note shall be issued to the Subordination Agent on behalf of the Pass Through Trustee under the Applicable Pass Through Trust Agreement. The Equipment Notes shall be issued in registered form only. The Equipment Notes shall be issued in denominations of \$1,000 and integral multiples thereof, except that one Equipment Note of each Series may be in an amount that is not an integral multiple of \$1,000.

Each Equipment Note shall bear interest at the Debt Rate (calculated on the basis of a year of 360 days comprised of twelve 30-day months) on the unpaid Original Amount thereof from time to time outstanding, payable in arrears on \_\_\_\_ , 199\_, and on each \_\_\_\_ April 1 and October 1 thereafter until maturity. The Original Amount of each Equipment Note shall be payable on the dates and in the installments equal to the corresponding percentage of the Original Amount as set forth in Schedule I hereto which shall be attached as Schedule I to the Equipment Notes. Notwithstanding the foregoing, the final payment made under each Equipment Note shall be in an amount sufficient to discharge in full the unpaid Original Amount and all accrued and unpaid interest on, and any other amounts due under, such Equipment Note. Each Equipment Note shall bear interest at the Payment Due Rate (calculated on the basis of a year of 360 days comprised of twelve 30-day months) on any part of the Original Amount, Make-Whole Amount, if any, and, to the extent permitted by applicable Law, interest and any other amounts payable thereunder not paid when due for any period during which the same shall be overdue, in each case for the period the same is overdue. Amounts shall be overdue if not paid when due (whether at stated maturity, by acceleration or otherwise). Notwithstanding anything to the contrary contained herein, if any date on which a payment under any Equipment Note becomes due and payable is not a Business Day then such payment shall not be made on such scheduled date but shall be made on the next succeeding Business Day and if such payment is made on such next succeeding Business Day, no interest shall accrue on the amount of such payment during such extension.

The Owner agrees to pay to the Mortgagee for distribution in accordance with Section 3.04 hereof: (i) to the extent not payable (whether or not in fact paid) under Section 6(a) of the Note Purchase Agreement, an amount equal to the fees payable to the relevant Liquidity Provider under Section 2.03 of each Liquidity Facility and the related Fee Letter (as defined in the Intercreeitor Agreement) multiplied by a fraction the numerator of which shall be the then outstanding aggregate principal amount of the Series A Equipment Notes, Series B Equipment Notes and Series C Equipment Notes and the denominator of which shall be the then outstanding aggregate principal amount of all "Series A Equipment Notes," "Series B Equipment Notes" and "Series C Equipment Notes" (each as defined in the Note Purchase Agreement); (ii) (x) the amount equal to interest on any Downgrade Advance (other than any Applied Downgrade Advance) payable under Section 3.07(e) of each Liquidity Facility minus Investment Earnings from such Downgrade Advance multiplied by (y) the fraction specified in the foregoing clause

(i); (iii) (x) the amount equal to interest on any Non-Extension Advance (other than any Applied Non-Extension Advance) payable under Section 3.07(a)(i) of each Liquidity Facility minus Investment Earnings from such Non-Extension Advance multiplied by (y) the fraction specified in the foregoing clause (i); (iv) if any payment default shall have occurred and be continuing with respect to interest on any Series A Equipment Notes, Series B Equipment Notes or Series C Equipment Notes, (x) the excess, if any, of (1) an amount equal to interest on any Unpaid Advance, Applied Downgrade Advance or Applied Non-Extension Advance payable under Section 3.07(a)(i) of each Liquidity Facility over (2) the sum of Investment Earnings from any Final Advance plus any amount of interest at the Payment Due Rate actually payable (whether or not in fact paid) by Owner on the overdue scheduled interest on the Equipment Notes in respect of which such Unpaid Advance, Applied Downgrade Advance or Applied Non-Extension Advance was made multiplied by (y) a fraction the numerator of which shall be the then aggregate overdue amounts of interest on the Series A Equipment Notes, Series B Equipment Notes and Series C Equipment Notes (other than interest becoming due and payable solely as a result of acceleration of any such Equipment Notes) and the denominator of which shall be the then aggregate overdue amounts of interest on all "Series A Equipment Notes," "Series B Equipment Notes" and "Series C Equipment Notes" (each as defined in the Note Purchase Agreement) (other than interest becoming due and payable solely as a result of acceleration of any such "Equipment Notes"); and (v) Owner's pro rata share of any other amounts owed to the Liquidity Providers by the Subordination Agent as borrower under each Liquidity Facility other than amounts due as repayment of advances thereunder or as interest on such advances, except to the extent payable pursuant to clause (ii), (iii) or (iv) above, (c) Owner's pro rata share of all compensation and reimbursement of expenses, disbursements and advances payable by Owner under the Pass Through Trust Agreements, (d) Owner's pro rata share of all compensation and reimbursement of expenses and disbursements payable to the Subordination Agent under the Intercreditor Agreement except with respect to any income or franchise taxes incurred by the Subordination Agent in connection with the transactions contemplated by the Intercreditor Agreement and (e) in the event Owner requests any amendment to any Operative Agreement or Pass Through Agreement, Owner's pro rata share of all reasonable fees and expenses (including, without limitation, fees and disbursements of counsel) of the Escrow Agents and the Paying Agents in connection therewith payable by the Pass Through Trustees under the Escrow Agreements. As used herein, "Owner's pro rata share" means as of any time a fraction, the numerator of which is the principal balance then outstanding of Equipment Notes and the denominator of which is the aggregate principal balance then outstanding of all "Equipment Notes" (as such term is defined in each of the Operative Indentures). For purposes of this paragraph, the terms "Applied Downgrade Advance", "Applied Non-Extension Advance", "Cash Collateral Account", "Downgrade Advance", "Final Advance", "Investment Earnings", "Non-Extension Advance" and "Unpaid Advance" shall have the meanings specified in each Liquidity Facility.

The Equipment Notes shall be executed on behalf of the Owner by one of its authorized officers. Equipment Notes bearing the signatures of individuals who were at any time the proper officers of the Owner shall bind the Owner, notwithstanding that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Equipment Notes or did not hold such offices at the respective dates of such Equipment Notes.

The Owner may from time to time execute and deliver Equipment Notes with respect to the Aircraft to the Mortgagee for authentication upon original issue and such Equipment Notes shall thereupon be authenticated and delivered by the Mortgagee upon the written request of the Owner signed by an authorized officer of the Owner; provided, however, that each such request shall specify the aggregate Original Amount of all Equipment Notes to be authenticated hereunder on original issue with respect to the Aircraft. No Equipment Note shall be secured by or entitled to any benefit under this Trust Indenture or be valid or obligatory for any purposes, unless there appears on such Equipment Note a certificate of authentication in the form provided for herein executed by the Mortgagee by the manual signature of one of its authorized officers and such certificate upon any Equipment Notes be conclusive evidence, and the only evidence, that such Equipment Note has been duly authenticated and delivered hereunder.

The aggregate Original Amount of the Equipment Notes issued hereunder shall not exceed \_\_\_\_\_.

SECTION 2.03. [INTENTIONALLY OMITTED]

SECTION 2.04. METHOD OF PAYMENT

(a) The Original Amount of, interest on, Make-Whole Amount, if any, and other amounts due under each Equipment Note or hereunder will be payable in Dollars by wire transfer of immediately available funds not later than 12:30 PM, New York time, on the due date of payment to the Mortgagee at the Corporate Trust Office for distribution among the Note Holders in the manner provided herein. The Owner shall not have any responsibility for the distribution of such payment to any Note Holder. Notwithstanding the foregoing or any provision in any Equipment Note to the contrary, the Mortgagee will use reasonable efforts to pay or cause to be paid, if so directed in writing by any Note Holder (with a copy to the Owner), all amounts paid by the Owner hereunder and under such holder's Equipment Note or Equipment Notes to such holder or a nominee therefor (including all amounts distributed pursuant to Article III of this Trust Indenture) by transferring, or causing to be transferred, by wire transfer of immediately available funds in Dollars, prior to 2:00 p.m., New York City time, on the due date of payment, to an account maintained by such holder with a bank located in the continental United States the amount to be distributed to such holder, for credit to the account of such holder maintained at such bank. If the Mortgagee shall fail to make any such payment as provided in the immediately foregoing sentence after its receipt of funds at the place and prior to the time specified above, the Mortgagee, in its individual capacity and not as trustee, agrees to compensate such holders for loss of use of funds at Debt Rate until such payment is made and the Mortgagee shall be entitled to any interest earned on such funds until such payment is made. Any payment made hereunder shall be made without any presentment or surrender of any Equipment Note, except that, in the case of the final payment in respect of any Equipment Note, such Equipment Note shall be surrendered to the Mortgagee for cancellation promptly after such payment. Notwithstanding any other provision of this Trust Indenture to the contrary, the Mortgagee shall not be required to make, or cause to be made, wire transfers as aforesaid prior to the first Business Day on which it is practicable for the Mortgagee to do so in view of the time of day when the funds to be so transferred were received by it if such funds were received after

12:30 PM, New York time, at the place of payment. Prior to the due presentment for registration of transfer of any Equipment Note, the Owner and the Mortgagee shall deem and treat the Person in whose name any Equipment Note is registered on the Equipment Note Register as the absolute owner and holder of such Equipment Note for the purpose of receiving payment of all amounts payable with respect to such Equipment Note and for all other purposes, and none of the Owner or the Mortgagee shall be affected by any notice to the contrary. So long as any signatory to the Participation Agreement or nominee thereof shall be a registered Note Holder, all payments to it shall be made to the account of such Note Holder specified in Schedule I thereto and otherwise in the manner provided in or pursuant to the Participation Agreement unless it shall have specified some other account or manner of payment by notice to the Mortgagee consistent with this Section 2.04.

(b) The Mortgagee, as agent for the Owner, shall exclude and withhold at the appropriate rate from each payment of Original Amount of, interest on, Make-Whole Amount, if any, and other amounts due hereunder or under each Equipment Note (and such exclusion and withholding shall constitute payment in respect of such Equipment Note) any and all United States withholding taxes applicable thereto as required by Law. The Mortgagee agrees to act as such withholding agent and, in connection therewith, whenever any present or future United States taxes or similar charges are required to be withheld with respect to any amounts payable hereunder or in respect of the Equipment Notes, to withhold such amounts and timely pay the same to the appropriate authority in the name of and on behalf of the Note Holders, that it will file any necessary United States withholding tax returns or statements when due, and that as promptly as possible after the payment thereof it will deliver to each Note Holder (with a copy to the Owner) appropriate receipts showing the payment thereof, together with such additional documentary evidence as any such Note Holder may reasonably request from time to time.

If a Note Holder which is a Non-U.S. Person has furnished to the Mortgagee a properly completed, accurate and currently effective U.S. Internal Revenue Service Form 1001 or W-8 (or such successor form or forms as may be required by the United States Treasury Department) during the calendar year in which the payment hereunder or under the Equipment Note(s) held by such holder is made (but prior to the making of such payment), or in either of the two preceding calendar years, and has not notified the Mortgagee of the withdrawal or inaccuracy of such form prior to the date of such payment (and the Mortgagee has no reason to believe that any information set forth in such form is inaccurate), the Mortgagee shall withhold only the amount, if any, required by Law (after taking into account any applicable exemptions properly claimed by the Note Holder) to be withheld from payments hereunder or under the Equipment Notes held by such holder in respect of United States federal income tax. If a Note Holder (x) which is a Non-U.S. Person has furnished to the Mortgagee a properly completed, accurate and currently effective U.S. Internal Revenue Service Form 4224 in duplicate (or such successor certificate, form or forms as may be required by the United States Treasury Department as necessary in order to properly avoid withholding of United States federal income tax), for each calendar year in which a payment is made (but prior to the making of any payment for such year), and has not notified the Mortgagee of the withdrawal or inaccuracy of such certificate or form prior to the date of such payment (and the Mortgagee has no reason to believe that any information set forth in such form is inaccurate) or (y) which is a U.S. Person has

furnished to the Mortgagee a properly completed, accurate and currently effective U.S. Internal Revenue Service Form W- 9, if applicable, prior to a payment hereunder or under the Equipment Notes held by such holder, no amount shall be withheld from payments in respect of United States federal income tax. If any Note Holder has notified the Mortgagee that any of the foregoing forms or certificates is withdrawn or inaccurate, or if such holder has not filed a form claiming an exemption from United States withholding tax or if the Code or the regulations thereunder or the administrative interpretation thereof is at any time after the date hereof amended to require such withholding of United States federal income taxes from payments under the Equipment Notes held by such holder, the Mortgagee agrees to withhold from each payment due to the relevant Note Holder withholding taxes at the appropriate rate under Law and will, on a timely basis as more fully provided above, deposit such amounts with an authorized depository and make such returns, statements, receipts and other documentary evidence in connection therewith as required by Law.

Owner shall not have any liability for the failure of the Mortgagee to withhold taxes in the manner provided for herein or for any false, inaccurate or untrue evidence provided by any Note Holder hereunder.

#### SECTION 2.05. APPLICATION OF PAYMENTS

In the case of each Equipment Note, each payment of Original Amount, Make-Whole Amount, if any, and interest due thereon shall be applied:

First: to the payment of accrued interest on such Equipment Note (as well as any interest on any overdue Original Amount, any overdue Make-Whole Amount, if any, and to the extent permitted by Law, any overdue interest and any other overdue amounts thereunder) to the date of such payment;

Second: to the payment of the Original Amount of such Equipment Note (or a portion thereof) then due thereunder;

Third: to the payment of Make-Whole Amount, if any, and any other amount due hereunder or under such Equipment Note; and

Fourth: the balance, if any, remaining thereafter, to the payment of the Original Amount of such Equipment Note remaining unpaid (provided that such Equipment Note shall not be subject to redemption except as provided in Sections 2.10, 2.11 and 2.12 hereof).

The amounts paid pursuant to clause "Fourth" above shall be applied to the installments of Original Amount of such Equipment Note in the inverse order of their normal maturity.

#### SECTION 2.06. TERMINATION OF INTEREST IN COLLATERAL

No Note Holder nor any other Indenture Indemnitee shall, as such, have any further interest in, or other right with respect to, the Collateral when and if the Original Amount

of, Make-Whole Amount, if any, and interest on and other amounts due under all Equipment Notes held by such Note Holder and all other sums then due and payable to such Note Holder, such Indenture Indemnitee or the Mortgagee hereunder (including, without limitation, under the third paragraph of Section 2.02 hereof) and under the other Operative Agreements by the Owner (collectively, the "Secured Obligations") shall have been paid in full.

#### SECTION 2.07. REGISTRATION TRANSFER AND EXCHANGE OF EQUIPMENT

##### NOTES

The Mortgagee shall keep a register (the "Equipment Note Register") in which the Mortgagee shall provide for the registration of Equipment Notes and the registration of transfers of Equipment Notes. No such transfer shall be given effect unless and until registration hereunder shall have occurred. The Equipment Note Register shall be kept at the Corporate Trust Office of the Mortgagee. The Mortgagee is hereby appointed "Equipment Note Registrar" for the purpose of registering Equipment Notes and transfers of Equipment Notes as herein provided. A holder of any Equipment Note intending to exchange such Equipment Note shall surrender such Equipment Note to the Mortgagee at the Corporate Trust Office, together with a written request from the registered holder thereof for the issuance of a new Equipment Note, specifying, in the case of a surrender for transfer, the name and address of the new holder or holders. Upon surrender for registration of transfer of any Equipment Note, the Owner shall execute, and the Mortgagee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Equipment Notes of a like aggregate Original Amount and of the same series. At the option of the Note Holder, Equipment Notes may be exchanged for other Equipment Notes of any authorized denominations of a like aggregate Original Amount, upon surrender of the Equipment Notes to be exchanged to the Mortgagee at the Corporate Trust Office. Whenever any Equipment Notes are so surrendered for exchange, the Owner shall execute, and the Mortgagee shall authenticate and deliver, the Equipment Notes which the Note Holder making the exchange is entitled to receive. All Equipment Notes issued upon any registration of transfer or exchange of Equipment Notes (whether under this Section 2.07 or under Section 2.08 hereof or otherwise under this Trust Indenture) shall be the valid obligations of the Owner evidencing the same respective obligations, and entitled to the same security and benefits under this Trust Indenture, as the Equipment Notes surrendered upon such registration of transfer or exchange. Every Equipment Note presented or surrendered for registration of transfer, shall (if so required by the Mortgagee) be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Mortgagee duly executed by the Note Holder or such holder's attorney duly authorized in writing, and the Mortgagee shall require evidence satisfactory to it as to the compliance of any such transfer with the Securities Act, and the securities Laws of any applicable state. The Mortgagee shall make a notation on each new Equipment Note of the amount of all payments of Original Amount previously made on the old Equipment Note or Equipment Notes with respect to which such new Equipment Note is issued and the date to which interest on such old Equipment Note or Equipment Notes has been paid. Interest shall be deemed to have been paid on such new Equipment Note to the date on which interest shall have been paid on such old Equipment Note, and all payments of the Original Amount marked on such new Equipment Note, as provided above, shall be deemed to have been made thereon. The Owner shall not be required to exchange any surrendered Equipment Notes as provided above during the ten-day period preceding the due

date of any payment on such Equipment Note. The Owner shall in all cases deem the Person in whose name any Equipment Note shall have been issued and registered as the absolute owner and holder of such Equipment Note for the purpose of receiving payment of all amounts payable by the Owner with respect to such Equipment Note and for all purposes until a notice stating otherwise is received from the Mortgagee and such change is reflected on the Equipment Note Register. The Mortgagee will promptly notify the Owner of each registration of a transfer of an Equipment Note. Any such transferee of an Equipment Note, by its acceptance of an Equipment Note, agrees to the provisions of this Indenture and the Participation Agreement applicable to Note Holders, including Sections 6.3, 6.4 and 9.1 thereof and shall be deemed to have covenanted to the parties to the Participation Agreement as to the matters covenanted by the original Note Holder in the Participation Agreement. Subject to compliance by the Note Holder and its transferee (if any) of the requirements set forth in this Section 2.07, Mortgagee and Owner shall use all reasonable efforts to issue new Equipment Notes upon transfer or exchange within 10 Business Days of the date an Equipment Note is surrendered for transfer or exchange.

#### SECTION 2.08. MUTILATED, DESTROYED, LOST OR STOLEN EQUIPMENT

##### NOTES

If any Equipment Note shall become mutilated, destroyed, lost or stolen, the Owner shall, upon the written request of the holder of such Equipment Note, execute and the Mortgagee shall authenticate and deliver in replacement thereof a new Equipment Note, payable in the same Original Amount dated the same date and captioned as issued in connection with the Aircraft. If the Equipment Note being replaced has become mutilated, such Equipment Note shall be surrendered to the Mortgagee and a photocopy thereof shall be furnished to the Owner. If the Equipment Note being replaced has been destroyed, lost or stolen, the holder of such Equipment Note shall furnish to the Owner and the Mortgagee such security or indemnity as may be required by them to save the Owner and the Mortgagee harmless and evidence satisfactory to the Owner and the Mortgagee of the destruction, loss or theft of such Equipment Note and of the ownership thereof. If a "qualified institutional buyer" of the type referred to in paragraph (a)(1)(i)(A), (B), (D) or (E) of Rule 144A under the Securities Act (a "QIB") is the holder of any such destroyed, lost or stolen Equipment Note, then the written indemnity of such QIB, signed by an authorized officer thereof, in favor of, delivered to and in form reasonably satisfactory Owner shall be accepted as satisfactory indemnity and security and no further indemnity or security shall be required as a condition to the execution and delivery of such new Equipment Note. Subject to compliance by the Note Holder with the requirements set forth in this Section 2.08, Mortgagee and Owner shall use all reasonable efforts to issue new Equipment Notes within 10 Business Days of the date of the written request therefor from the Note Holder.

#### SECTION 2.09. PAYMENT OF EXPENSES ON TRANSFER; CANCELLATION

(a) No service charge shall be made to a Note Holder for any registration of transfer or exchange of Equipment Notes, but the Mortgagee, as Equipment Note Registrar, may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any registration of transfer or exchange of Equipment Notes.

(b) The Mortgagee shall cancel all Equipment Notes surrendered for replacement, redemption, transfer, exchange, payment or cancellation and shall destroy the canceled Equipment Notes.

#### SECTION 2.10. MANDATORY REDEMPTIONS OF EQUIPMENT NOTES

On the date on which the Owner is required pursuant to Section 4.05 hereof to make payment for an Event of Loss with respect to the Airframe, all of the Equipment Notes shall be redeemed in whole at a redemption price equal to 100% of the unpaid Original Amount thereof, together with all accrued interest thereon to the date of redemption and all other Secured Obligations owed or then due and payable to the Note Holders but without Make-Whole Amount.

#### SECTION 2.11. VOLUNTARY REDEMPTIONS OF EQUIPMENT NOTES

All (but not less than all) of the Equipment Notes may be redeemed by the Owner upon at least 30 days' revocable prior written notice to the Mortgagee and the Note Holders, and the Equipment Notes shall be redeemed in whole at a redemption price equal to 100% of the unpaid Original Amount thereof, together with accrued interest thereon to the date of redemption and all other Secured Obligations owed or then due and payable to the Note Holders plus, if such redemption is made prior to the Premium Termination Date, Make-Whole Amount, if any.

#### SECTION 2.12. REDEMPTIONS; NOTICE OF REDEMPTION

(a) No redemption of any Equipment Note may be made except to the extent and in the manner expressly permitted by this Trust Indenture. No purchase of any Equipment Note may be made by the Mortgagee.

(b) Notice of redemption with respect to the Equipment Notes shall be given by the Mortgagee by first-class mail, postage prepaid, mailed not less than 25 nor more than 60 days prior to the applicable redemption date, to each Note Holder of such Equipment Notes to be redeemed, at such Note Holder's address appearing in the Equipment Note Register; provided that such notice shall be revocable by written notice from the Owner to Mortgagee given not later than three days prior to the redemption date. All notices of redemption shall state: (1) the redemption date, (2) the applicable basis for determining the redemption price, (3) that on the redemption date, the redemption price will become due and payable upon each such Equipment Note, and that, if any such Equipment Notes are then outstanding, interest on such Equipment Notes shall cease to accrue on and after such redemption date, and (4) the place or places where such Equipment Notes are to be surrendered for payment of the redemption price.

(c) On or before the redemption date, the Owner (or any person on behalf of the Owner) shall, to the extent an amount equal to the redemption price for the Equipment Notes to be redeemed on the redemption date shall not then be held by the Mortgagee, deposit or cause to be deposited with the Mortgagee by 12:30 PM New York time on the redemption date in immediately available funds the redemption price of the Equipment Notes to be redeemed.

(d) Notice of redemption having been given as aforesaid, the Equipment Notes to be redeemed shall, on the redemption date, become due and payable at the Corporate Trust Office of the Mortgagee or at any office or agency maintained for such purposes pursuant to Section 2.07, and from and after such redemption date (unless there shall be a default in the payment of the redemption price) any such Equipment Notes then outstanding shall cease to bear interest. Upon surrender of any such Equipment Note for redemption in accordance with said notice, such Equipment Note shall be redeemed at the redemption price. If any Equipment Note called for redemption shall not be so paid upon surrender thereof for redemption, the principal amount thereof shall, until paid, continue to bear interest from the applicable redemption date at the interest rate in effect for such Equipment Note as of such redemption date.

#### SECTION 2.13. SUBORDINATION

(a) The Owner and, by acceptance of its Equipment Notes of any Series, each Note Holder of such Series, hereby agree that no payment or distribution shall be made on or in respect of the Secured Obligations owed to such Note Holder of such Series, including any payment or distribution of cash, property or securities after the commencement of a proceeding of the type referred to in Section 5.01(vi) hereof, except as expressly provided in Article III hereof.

(b) By the acceptance of its Equipment Notes of any Series (other than Series A), each Note Holder of such Series agrees that in the event that such Note Holder, in its capacity as a Note Holder, shall receive any payment or distribution on any Secured Obligations in respect of such Series which it is not entitled to receive under this Section 2.13 or Article III hereof, it will hold any amount so received in trust for the Senior Holder (as defined in Section 2.13(c) hereof) and will forthwith turn over such payment to the Mortgagee in the form received to be applied as provided in Article III hereof.

(c) As used in this Section 2.13, the term "Senior Holder" shall mean, (i) the Note Holders of Series A until the Secured Obligations in respect of Series A Equipment Notes have been paid in full, (ii) after the Secured Obligations in respect of Series A Equipment Notes have been paid in full, the Note Holders of Series B until the Secured Obligations in respect of Series B Equipment Notes have been paid in full and (iii) after the Secured Obligations in respect of Series B Equipment Notes have been paid in full, the Note Holders of Series C until the Secured Obligations in respect of Series C Equipment Notes have been paid in full.

provided, however, that if a Replacement Airframe or Replacement Engine shall be substituted for the Airframe or Engine subject to such Event of Loss as provided in Section 4.05 hereof, any insurance, condemnation or similar proceeds which result from such Event of Loss and are paid over to the Mortgagee shall be held by the Mortgagee as permitted by Section 7.04 hereof (provided that such moneys shall be invested as provided in Section 6.06 hereof) as additional security for the obligations of Owner under Operative Agreements and such proceeds (and such investment earnings), to the extent not theretofore applied as provided herein, shall be released to the Owner at the Owner's written request upon the release of such Airframe or Engine and the replacement thereof as provided herein.

#### SECTION 3.03. PAYMENTS AFTER EVENT OF DEFAULT

Except as otherwise provided in Section 3.04 hereof, all payments received and amounts held or realized by the Mortgagee (including any amounts realized by the Mortgagee from the exercise of any remedies pursuant to Article V hereof) after an Event of Default shall have occurred and be continuing and after the declaration specified in Section 5.02(b) hereof, as well as all payments or amounts then held by the Mortgagee as part of the Collateral, shall be promptly distributed by the Mortgagee in the following order of priority:

- First, so much of such payments or amounts as shall be required to (i) reimburse the Mortgagee or WTC for any tax (except to the extent resulting from a failure of the Mortgagee to withhold taxes pursuant to Section 2.04(b) hereof), expense or other loss (including, without limitation, all amounts to be expended at the expense of, or charged upon the rents, revenues, issues, products and profits of, the property included in the Collateral (all such property being herein called the "Mortgaged Property") pursuant to Section 5.03(b) hereof) incurred by the Mortgagee or WTC (to the extent not previously reimbursed), the expenses of any sale, or other proceeding, reasonable attorneys' fees and expenses, court costs, and any other expenditures incurred or expenditures or advances made by the Mortgagee, WTC or the Note Holders in the protection, exercise or enforcement of any right, power or remedy or any damages sustained by the Mortgagee, WTC or any Note Holder,

liquidated or otherwise, upon such Event of Default shall be applied by the Mortgagee as between itself, WTC and the Note Holders in reimbursement of such expenses and any other expenses for which the Mortgagee, WTC or the Note Holders are entitled to reimbursement under any Operative Agreement and (ii) all amounts payable to the other Indenture Indemnitees hereunder and under the Participation Agreement; and in the case the aggregate amount to be so distributed is insufficient to pay as aforesaid in clauses (i) and (ii), then ratably, without priority of one over the other, in proportion to the amounts owed each hereunder;

Second, so much of such payments or amounts remaining as shall be required to reimburse the then existing or prior Note Holders for payments made pursuant to Section 6.03 hereof (to the extent not previously reimbursed) shall be distributed to such then existing or prior Note Holders ratably, without priority of one over the other, in accordance with the amount of the payment or payments made by each such then existing or prior Note Holder pursuant to said Section 6.03 hereof;

Third, (i) so much of such payments or amounts remaining as shall be required to pay in full the aggregate unpaid Original Amount of all Series A Equipment Notes, and the accrued but unpaid interest and other amounts due thereon (other than Make-Whole Amount which shall not be due and payable) and all other Secured Obligations in respect of the Series A Equipment Notes (other than Make-Whole Amount) to the date of distribution, shall be distributed to the Note Holders of Series A, and in case the aggregate amount so to be distributed shall be insufficient to pay in full as aforesaid, then ratably, without priority of one over the other, in the proportion that the aggregate unpaid Original Amount of all Series A Equipment Notes held by each holder plus the accrued but unpaid interest and other amounts due hereunder or thereunder (other than Make-Whole Amount, if any) to the date of distribution, bears to the aggregate unpaid Original Amount of all Series A Equipment Notes held by all such holders plus the accrued but unpaid interest and other amounts due thereon (other than Make-Whole Amount) to the date of distribution;

(ii) after giving effect to paragraph (i) above, so much of such payments or amounts remaining as shall be required to pay in full the aggregate unpaid Original Amount of all Series B Equipment Notes, and the accrued but unpaid interest and other amounts due thereon (other than Make-Whole Amount which shall not be due and payable) and all other Secured Obligations in respect of the Series B Equipment Notes (other than Make-Whole Amount) to the date of distribution, shall be distributed to the Note Holders of Series B, and in case the aggregate amount so to be distributed shall be insufficient to pay in full as aforesaid, then ratably, without priority of one over the other, in the proportion that the aggregate unpaid Original Amount of all Series B Equipment Notes held by each holder plus the accrued but unpaid interest and other amounts due hereunder or thereunder (other than the Make-Whole Amount, if any) to the date of distribution, bears to the aggregate unpaid Original Amount of all Series B Equipment Notes held by

all such holders plus the accrued but unpaid interest and other amounts due thereon (other than the Make-Whole Amount) to the date of distribution; and

- (iii) after giving effect to paragraph (ii) above, so much of such payments or amounts remaining as shall be required to pay in full the aggregate unpaid Original Amount of all Series C Equipment Notes, and the accrued but unpaid interest and other amounts due thereon (other than Make-Whole Amount which shall not be due and payable) and all other Secured Obligations in respect of the Series C Equipment Notes (other than Make-Whole Amount) to the date of distribution, shall be distributed to the Note Holders of Series C, and in case the aggregate amount so to be distributed shall be insufficient to pay in full as aforesaid, then ratably, without priority of one over the other, in the proportion that the aggregate unpaid Original Amount of all Series C Equipment Notes held by each holder plus the accrued but unpaid interest and other amounts due hereunder or thereunder (other than the Make-Whole Amount, if any) to the date of distribution, bears to the aggregate unpaid Original Amount of all Series C Equipment Notes held by all such holders plus the accrued but unpaid interest and other amounts due thereon (other than the Make-Whole Amount) to the date of distribution; and

Fourth, the balance, if any, of such payments or amounts remaining thereafter shall be distributed to the Owner.

No Make-Whole Amount shall be due and payable on the Equipment Notes as a consequence of the acceleration of the Equipment Notes as a result of an Event of Default.

#### SECTION 3.04. CERTAIN PAYMENTS

(a) Any payments received by the Mortgagee for which no provision as to the application thereof is made in this Trust Indenture and for which such provision is made in any other Operative Agreement shall be applied forthwith to the purpose for which such payment was made in accordance with the terms of such other Operative Agreement, as the case may be.

(b) Notwithstanding anything to the contrary contained in this Article III, the Mortgagee will distribute promptly upon receipt any indemnity payment received by it from the Owner in respect of the Mortgagee in its individual capacity, any Note Holder or any other Indenture Indemnitee, in each case whether pursuant to Section 8 of the Participation Agreement, directly to the Person entitled thereto. Any payment received by the Mortgagee under the third paragraph of Section 2.02 shall be distributed to the Subordination Agent to be distributed in accordance with the terms of the Intercreditor Agreement.

#### SECTION 3.05. OTHER PAYMENTS

Any payments received by the Mortgagee for which no provision as to the application thereof is made elsewhere in this Trust Indenture or in any other Operative Agreement shall be distributed by the Mortgagee to the extent received or realized at any time, in

the order of priority specified in Section 3.01 hereof, and after payment in full of all amounts then due in accordance with Section 3.01 in the manner provided in clause "Fourth" of Section 3.03 hereof.

## ARTICLE IV

## COVENANTS OF THE OWNER

## SECTION 4.01. LIENS

The Owner will not directly or indirectly create, incur, assume or suffer to exist any Lien or with respect to the Airframe or any Engine, title to any of the foregoing or any interest of Owner therein, except Permitted Liens. The Owner shall promptly, at its own expense, take such action as may be necessary to duly discharge (by bonding or otherwise) any Lien other than a Permitted Lien arising at any time.

## SECTION 4.02. POSSESSION, OPERATION AND USE, MAINTENANCE, REGISTRATION AND MARKINGS

(a) General. Except as otherwise expressly provided herein, the Owner shall be entitled to operate, use, locate, employ or otherwise utilize or not utilize the Airframe, any Engine or any Parts in any lawful manner or place in accordance with the Owner's business judgment.

(b) Possession. The Owner, without the prior consent of Mortgagee, shall not lease or otherwise in any manner deliver, transfer or relinquish possession of the Aircraft, the Airframe or any Engine or install any Engine, or permit any Engine to be installed, on any airframe other than the Airframe; except that the Owner may, without such prior written consent of Mortgagee:

(i) Subject or permit any Permitted Lessee to subject any Engine to normal interchange agreements or pooling agreements or arrangements, in each case customary in the commercial airline industry and entered into by Owner or such Permitted Lessee, as the case may be, in the ordinary course of business; provided, however, that if Owner's title to any such Engine is divested under any such agreement or arrangement, then such Engine shall be deemed to have suffered an Event of Loss as of the date of such divestiture, and Owner shall comply with Section 4.04(e) in respect thereof;

(ii) Deliver or permit any Permitted Lessee to deliver possession of the Aircraft, Airframe, any Engine or any Part (x) to the manufacturer thereof or to any third-party maintenance provider for testing, service, repair, maintenance or overhaul work on the Aircraft, Airframe, any Engine or any Part, or, to the extent required or permitted by Section 4.04, for alterations or modifications in or additions to the Aircraft, Airframe or any Engine or (y) to any Person for the purpose of transport to a Person referred to in the preceding clause (x);

(iii) Install or permit any Permitted Lessee to install an Engine on an airframe owned by Owner or such Permitted Lessee, as the case may be, free and clear of all Liens, except (x) Permitted Liens and those that do not apply to the Engines, and (y) the rights of third parties under normal interchange or pooling agreements and arrangements of the type that would be permitted under Section 4.02(b)(i);

(iv) Install or permit any Permitted Lessee to install an Engine on an airframe leased to Owner or such Permitted Lessee, or purchased by Owner or such Permitted Lessee subject to a mortgage, security agreement, conditional sale or other secured financing arrangement, but only if (x) such airframe is free and clear of all Liens, except (A) the rights of the parties to such lease, or any such secured financing arrangement, covering such airframe and (B) Liens of the type permitted by clause (iii) above and (y) Owner or Permitted Lessee, as the case may be, shall have received from the lessor, mortgagee, secured party or conditional seller, in respect of such airframe, a written agreement (which may be a copy of the lease, mortgage, security agreement, conditional sale or other agreement covering such airframe), whereby such Person agrees that it will not acquire or claim any right, title or interest in, or Lien on, such Engine by reason of such Engine being installed on such airframe at any time while such Engine is subject to the Lien of this Trust Indenture;

(v) Install or permit any Permitted Lessee to install an Engine on an airframe owned by Owner or such Permitted Lessee, leased to Owner or such Permitted Lessee, or purchased by Owner or such Permitted Lessee subject to a conditional sale or other security agreement under circumstances where neither clause (iii) or (iv) above is applicable; provided, however, that any such installation shall be deemed an Event of Loss with respect to such Engine, and Owner shall comply with Section 4.04(e) hereof in respect thereof;

(vi) Transfer or permit any Permitted Lessee to transfer possession of the Aircraft, Airframe or any Engine to the U.S. Government, in which event Owner shall promptly notify Mortgagee in writing of any such transfer of possession and, in the case of any transfer pursuant to CRAF, in such notification shall identify by name, address and telephone numbers the Contracting Office Representative or Representatives for the Military Airlift Command of the United States Air Force to whom notices must be given and to whom requests or claims must be made to the extent applicable under CRAF;

(vii) Enter into a charter or Wet Lease or other similar arrangement with respect to the Aircraft or any other aircraft on which any Engine may be installed (which shall not be considered a transfer of possession hereunder); provided that the Owner's obligations hereunder shall continue in full force and effect notwithstanding any such charter or Wet Lease or other similar arrangement;

(viii) So long as no Event of Default shall have occurred and be continuing, and subject to the provisions of the immediately following paragraph, enter into a lease with respect to the Aircraft, Airframe or any Engine to any Permitted Air Carrier that is not the subject to any bankruptcy, insolvency, liquidation, reorganization, dissolution or similar proceeding and shall not have substantially all of its property in the possession of any liquidator,

trustee, receiver or similar person; provided that, in the case only of a lease to a Permitted Foreign Air Carrier, (A) the United States maintains diplomatic relations with the country of domicile of such Permitted Foreign Air Carrier (or, in the case of Taiwan, diplomatic relations at least as good as those in effect on the Closing Date) and (B) Owner shall have furnished Mortgagee a favorable opinion of counsel, reasonably satisfactory to Mortgagee, in the country of domicile of such Permitted Foreign Air Carrier, that (v) the terms of such lease are the legal, valid and binding obligations of the parties thereto enforceable under the laws of such jurisdiction, (w) it is not necessary for Mortgagee to register or qualify to do business in such jurisdiction, if not already so registered or qualified, as a result, in whole or in part, of the proposed lease, (x) Mortgagee's Lien in respect of, the Aircraft, Airframe and Engines will be recognized in such jurisdiction, (y) the Laws of such jurisdiction of domicile require fair compensation by the government of such jurisdiction, payable in a currency freely convertible into Dollars, for the loss of title to the Aircraft, Airframe or Engines in the event of the requisition by such government of such title (unless Owner shall provide insurance in the amounts required with respect to hull insurance under this Trust Indenture covering the requisition of title to the Aircraft, Airframe or Engines by the government of such jurisdiction so long as the Aircraft, Airframe or Engines are subject to such lease) and (z) the agreement of such Permitted Air Carrier that its rights under the lease are subject and subordinate to all the terms of this Trust Indenture is enforceable against such Permitted Air Carrier under applicable law;

provided that (1) the rights of any transferee who receives possession by reason of a transfer permitted by this Section 4.02(b) (other than by a transfer of an Engine which is deemed an Event of Loss) shall be subject and subordinate to all the terms of this Trust Indenture, (2) the Owner shall remain primarily liable for the performance of all of the terms of this Trust Indenture and all the terms and conditions of this Trust Indenture and the other Operative Agreements shall remain in effect and (3) no lease or transfer of possession otherwise in compliance with this Section 4.02(b) shall (x) result in any registration or re-registration of an Aircraft, except to the extent permitted by Section 4.02(e) or the maintenance, operation or use thereof except in compliance with Sections 4.02(c) and 4.02(d) or (y) permit any action not permitted to the Owner hereunder.

In the case of any lease permitted under this Section 4.02(b), the Owner will included in such lease appropriate provisions which (t) make such lease expressly subject and subordinate to all of the terms of this Trust Indenture, including the rights of the Mortgagee to avoid such lease in the exercise of its rights to repossession of the Airframe and Engines hereunder; (u) require the Permitted Lessee to comply with the terms of Section 4.06; and (v) require that the Airframe or any Engine subject thereto be used in accordance with the limitations applicable to the Owner's possession and use provided in this Trust Indenture. No lease permitted under this Section 4.02(b) shall be entered into unless (w) Owner shall provide written notice to Mortgagee (such notice in the event of a lease to a U.S. Air Carrier to be given promptly after entering into any such lease or, in the case of a lease to any other Permitted Air Carrier, 10 days in advance of entering into such lease); (x) Owner shall furnish to Mortgagee evidence reasonably satisfactory to Mortgagee that the insurance required by Section 4.06 remains in effect; (y) all necessary documents shall have been duly filed, registered or recorded in such public offices as may be required fully to preserve the first priority security interest

(subject to Permitted Liens) of Mortgagee in the Aircraft, Airframe and Engines; and (z) Owner shall reimburse Mortgagee for all of its reasonable out-of-pocket fees and expenses, including, without limitation, reasonable fees and disbursements of counsel, incurred by Mortgagee in connection with any such lease. For all purposes of this Section, the term "lease" shall be deemed to include interchange agreements with respect to the Aircraft or Airframe. Except as otherwise provided herein and without in any way relieving the Owner from its primary obligation for the performance of its obligations under this Trust Indenture, the Owner may in its sole discretion permit a lessee to exercise any or all rights which the Owner would be entitled to exercise under Sections 4.02 and 4.04, and may cause a lessee to perform any or all of the Owner's obligations under Article IV, and the Mortgagee agrees to accept actual and full performance thereof by a lessee in lieu of performance by the Owner.

Mortgagee hereby agrees, and each Note Holder by acceptance of an Equipment Note agrees, for the benefit of each lessor, conditional seller, indenture trustee or secured party of any engine leased to, or purchased by, Owner or any Permitted Lessee subject to a lease, conditional sale, trust indenture or other security agreement that Mortgagee, each Note Holder and their respective successors and assigns will not acquire or claim, as against such lessor, conditional seller, indenture trustee or secured party, any right, title or interest in any engine as the result of such engine being installed on the Airframe at any time while such engine is subject to such lease, conditional sale, trust indenture or other security agreement and owned by such lessor or conditional seller or subject to a trust indenture or security interest in favor of such indenture trustee or secured party.

(c) Operation and Use. So long as the Aircraft, Airframe or any Engine is subject to the Lien of this Trust Indenture, the Owner shall not operate, use or locate the Aircraft, Airframe or any Engine, or allow the Aircraft, Airframe or any Engine to be operated, used or located, (i) in any area excluded from coverage by any insurance required by the terms of Section 4.06, except in the case of a requisition by the U.S. Government where the Owner obtains indemnity in lieu of such insurance from the U.S. Government, or insurance from the U.S. Government, against substantially the same risks and for at least the amounts of the insurance required by Section 4.06 covering such area, or (ii) in any recognized area of hostilities unless covered in accordance with Section 4.06 by war risk insurance, or in either case unless the Aircraft, the Airframe or any Engine is only temporarily operated, used or located in such area as a result of an emergency, equipment malfunction, navigational error, hijacking, weather condition or other similar unforeseen circumstance, so long as Owner diligently and in good faith proceeds to remove the Aircraft from such area. So long as the Aircraft, the Airframe or any Engine is subject to the Lien of this Trust Indenture, the Owner shall not permit such Aircraft, Airframe or any Engine, as the case may be, to be used, operated, maintained, serviced, repaired or overhauled (x) in violation of any Law binding on or applicable to such Aircraft, Airframe or Engine or (y) in violation of any airworthiness certificate, license or registration of any Government Entity relating to the Aircraft, the Airframe or any Engine, except (i) immaterial or non-recurring violations with respect to which corrective measures are taken promptly by Owner or Permitted Lessee, as the case may be, upon discovery thereof, or (ii) to the extent the validity or application of any such Law or requirement relating to any such certificate, license or registration is being contested in good faith by Owner or Permitted Lessee in any reasonable

manner which does not involve any material risk of the sale, forfeiture or loss of the Aircraft, Airframe or any Engine, any material risk of criminal liability or material civil penalty against Mortgagee or impair the Mortgagee's security interest in the Aircraft, Airframe or any Engine.

(d) Maintenance and Repair. So long as the Aircraft, Airframe or any Engine is subject to the Lien of this Trust Indenture, the Owner shall cause the Aircraft, Airframe and each Engine to be maintained, serviced, repaired and overhauled in accordance with (i) maintenance standards required by or substantially equivalent to those required by the FAA or the central aviation authority of Canada, France, Germany, Japan, the Netherlands or the United Kingdom for the Aircraft, Airframe and Engines, so as to (A) keep the Aircraft, the Airframe and each Engine in as good operating condition as on the Closing Date, ordinary wear and tear excepted, (B) keep the Aircraft in such operating condition as may be necessary to enable the applicable airworthiness certification of such Aircraft to be maintained under the regulations of the FAA or other Aviation Authority then having jurisdiction over the operation of the Aircraft, except during (x) temporary periods of storage in accordance with applicable regulations, (y) maintenance and modification permitted hereunder or (z) periods when the FAA or such other Aviation Authority has revoked or suspended the airworthiness certificates for Similar Aircraft; and (ii) except during periods when a Permitted Lease is in effect, the same standards as Owner uses with respect to similar aircraft of similar size in its fleet operated by Owner in similar circumstances and, during any period in which a Permitted Lease is in effect, the same standards used by the Permitted Lessee with respect to similar aircraft of similar size in its fleet and operated by the Permitted Lessee in similar circumstances. Owner further agrees that the Aircraft, Airframe and Engines will be maintained, used, serviced, repaired, overhauled or inspected in compliance with applicable Laws with respect to the maintenance of the Aircraft and in compliance with each applicable airworthiness certificate, license and registration relating to the Aircraft, Airframe or any Engine issued by the Aviation Authority, other than minor or nonrecurring violations with respect to which corrective measures are taken upon discovery thereof and except to the extent Owner or Permitted Lessee is contesting in good faith the validity or application of any such Law or requirement relating to any such certificate, license or registration in any reasonable manner which does not create a material risk of sale, loss or forfeiture of the Aircraft, the Airframe or any Engine or the interest of Mortgagee therein, or any material risk of criminal liability or material civil penalty against Mortgagee. The Owner shall maintain or cause to be maintained the Aircraft Documents in the English language.

(e) Registration. The Owner on or prior to the date of the Closing shall cause the Aircraft to be duly registered in its name under the Act and except as otherwise permitted by this Section 4.02(e) at all times thereafter shall cause the Aircraft to remain so registered. So long as no Special Default or Event of Default shall have occurred and be continuing, Owner may, by written notice to Mortgagee, request to change the country of registration of the Aircraft. Any such change in registration shall be effected only in compliance with, and subject to all of the conditions set forth in, Section 6.4.5 of the Participation Agreement. Unless the Trust Indenture has been discharged, Owner shall also cause the Trust Indenture to be duly recorded and at all times maintained of record as a first-priority perfected mortgage (subject to Permitted Liens) on the Aircraft, the Airframe and each of the Engines

(except to the extent such perfection or priority cannot be maintained solely as a result of the failure by Mortgagee to execute and deliver any necessary documents).

(f) Markings. If permitted by applicable Law, on or reasonably promptly after the Closing Date, Owner will cause to be affixed to, and maintained in, the cockpit of the Airframe and on each Engine, in each case, in a clearly visible location, a placard of a reasonable size and shape bearing the legend: "Subject to a security interest in favor of Wilmington Trust Company, not in its individual capacity but solely as Mortgagee." Such placards may be removed temporarily, if necessary, in the course of maintenance of the Airframe or Engines. If any such placard is damaged or becomes illegible, Owner shall promptly replace it with a placard complying with the requirements of this Section.

#### SECTION 4.03. INSPECTION

(a) At all reasonable times, so long as the Aircraft is subject to the Lien of this Trust Indenture, Mortgagee and its authorized representatives (the "Inspecting Parties") may (not more than once every 12 months unless an Event of Default has occurred and is continuing then such inspection right shall not be so limited) inspect the Aircraft, Airframe and Engines (including without limitation, the Aircraft Documents) and any such Inspecting Party may make copies of such Aircraft Documents not reasonably deemed confidential by Owner or such Permitted Lessee.

(b) Any inspection of the Aircraft hereunder shall be limited to a visual, walk-around inspection and shall not include the opening of any panels, bays or other components of the Aircraft, and no such inspection shall interfere with Owner's or any Permitted Lessee's maintenance and operation of the Aircraft, Airframe and Engines.

(c) With respect to such rights of inspection, Mortgagee shall not have any duty or liability to make, or any duty or liability by reason of not making, any such visit, inspection or survey.

(d) Each Inspecting Party shall bear its own expenses in connection with any such inspection (including the cost of any copies made in accordance with Section 4.03(a)).

#### SECTION 4.04. REPLACEMENT AND POOLING OF PARTS, ALTERATIONS, MODIFICATIONS AND ADDITIONS; SUBSTITUTION OF ENGINES

(a) Replacement of Parts. Except as otherwise provided herein, so long as the Airframe or Engine is subject to the Lien of this Indenture, Owner, at its own cost and expense, will, or will cause a Permitted Lessee to, at its own cost and expense, promptly replace (or cause to be replaced) all Parts which may from time to time be incorporated or installed in or attached to the Aircraft, Airframe or any Engine and which may from time to time become worn out, lost, stolen, destroyed, seized, confiscated, damaged beyond repair or permanently rendered unfit for use for any reason whatsoever. In addition, Owner may, at its own cost and expense, or may permit a Permitted Lessee at its own cost and expense to, remove (or cause to be removed)

in the ordinary course of maintenance, service, repair, overhaul or testing any Parts, whether or not worn out, lost, stolen, destroyed, seized, confiscated, damaged beyond repair or permanently rendered unfit for use; provided, however, that Owner, except as otherwise provided herein, at its own cost and expense, will, or will cause a Permitted Lessee at its own cost and expense to, replace such Parts as promptly as practicable. All replacement Parts shall be free and clear of all Liens, except for Permitted Liens and pooling arrangements to the extent permitted by Section 4.04(c) below (and except in the case of replacement property temporarily installed on an emergency basis) and shall be in good operating condition and have a value and utility not less than the value and utility of the Parts replaced (assuming such replaced Parts were in the condition required hereunder).

(b) Parts. Except as otherwise provided herein, any Part at any time removed from the Airframe or any Engine shall remain subject to the Lien of this Trust Indenture, no matter where located, until such time as such Part shall be replaced by a Part that has been incorporated or installed in or attached to such Airframe or any Engine and that meets the requirements for replacement Parts specified above. Immediately upon any replacement Part becoming incorporated or installed in or attached to such Airframe or any Engine as provided in Section 4.04(a), without further act, (i) the replaced Part shall thereupon be free and clear of all rights of the Mortgagee and shall no longer be deemed a Part hereunder, and (ii) such replacement Part shall become subject to this Trust Indenture and be deemed part of such Airframe or any Engine, as the case may be, for all purposes hereof to the same extent as the Parts originally incorporated or installed in or attached to such Airframe or any Engine.

(c) Pooling of Parts. Any Part removed from the Aircraft, Airframe or an Engine may be subjected by the Owner or a Permitted Lessee to a normal pooling arrangement customary in the airline industry and entered into in the ordinary course of business of Owner or Permitted Lessee that the part replacing such removed Part shall be incorporated or installed in or attached to such Airframe or any Engine in accordance with Sections 4.04(a) and 4.04(b) as promptly as practicable after the removal of such removed Part. In addition, any replacement part when incorporated or installed in or attached to the Airframe or any Engine may be owned by any third party, subject to a normal pooling arrangement, so long as the Owner or a Permitted Lessee, at its own cost and expense, as promptly thereafter as reasonably possible, either (i) causes such replacement part to become subject to the Lien of this Trust Indenture, free and clear of all Liens except Permitted Liens, at which time such replacement part shall become a Part or (ii) replaces such replacement part by incorporating or installing in or attaching to the Aircraft, Airframe or any Engine a further replacement Part owned by the Owner free and clear of all Liens except Permitted Liens and which shall become subject to the Lien of this Trust Indenture in accordance with Section 4.04(b).

(d) Alterations, Modifications and Additions. The Owner shall, or shall cause a Permitted Lessee to, make (or cause to be made) alterations and modifications in an additions to the Aircraft, Airframe and each Engine as may be required to be made from time to time to meet the applicable standards of the FAA or other Aviation Authority having jurisdiction over the operation of the Aircraft, to the extent made mandatory in respect of the Aircraft (a "Mandatory Modification"); provided however, that the Owner or a Permitted Lessee may, in

good faith and by appropriate procedure, contest the validity or application of any law, rule, regulation or order in any reasonable manner which does not materially adversely affect Mortgagee's interest in the Aircraft and does not involve any material risk of sale, forfeiture or loss of the Aircraft or the interest of Mortgagee therein, or any material risk of material civil penalty or any material risk of criminal liability being imposed on Mortgagee or the holder of any Equipment Note. In addition, the Owner, at its own expense, may, or may permit a Permitted Lessee at its own cost and expense to, from time to time make or cause to be made such alterations and modifications in and additions to the Airframe or any Engine (each an "Optional Modification") as the Owner or such Permitted Lessee may deem desirable in the proper conduct of its business including, without limitation, removal of Parts which Owner deems are obsolete or no longer suitable or appropriate for use in the Aircraft, Airframe or such Engine; provided, however, that no such Optional Modification shall (i) materially diminish the fair market value, utility, or useful life of the Aircraft or any Engine below its fair market value, utility or useful life immediately prior to such Optional Modification (assuming the Aircraft or such Engine was in the condition required by the Lease immediately prior to such Optional Modification) or (ii) cause the Aircraft to cease to have the applicable standard certificate of airworthiness. All Parts incorporated or installed in or attached to any Airframe or any Engine as the result of any alteration, modification or addition effected by the Owner shall be free and clear of any Liens except Permitted Liens and become subject to the Lien of this Trust Indenture; provided that the Owner or any Permitted Lessee may, at any time so long as the Airframe or any Engine is subject to the Lien of this Trust Indenture, remove any such Part (such Part being referred to herein as a "Removable Part") from such Airframe or an Engine if (i) such Part is in addition to, and not in replacement of or in substitution for, any Part originally incorporated or installed in or attached to such Airframe or any Engine at the time of delivery thereof hereunder or any Part in replacement of, or in substitution for, any such original Part, (ii) such Part is not required to be incorporated or installed in or attached or added to such Airframe or any Engine pursuant to the terms of Section 4.02(d) or the first sentence of this Section 4.04(d) and (iii) such Part can be removed from such Airframe or any Engine without materially diminishing the fair market value, utility or remaining useful life which such Airframe or any Engine would have had at the time of removal had such removal not been effected by the Owner, assuming the Aircraft was otherwise maintained in the condition required by this Trust Indenture. Upon the removal by the Owner of any such Part as above provided, title thereto shall, without further act, be free and clear of all rights of the Mortgagee and such Part shall no longer be deemed a Part hereunder. Removable Parts may be leased from or financed by third parties other than Mortgagee.

(e) Substitution of Engines. Upon the occurrence of an Event of Loss with respect to an Engine under circumstances in which an Event of Loss with respect to the Airframe has not occurred, Owner shall promptly (and in any event within 15 days after such occurrence) give the Mortgagee written notice of such Event of Loss. The Owner shall have the right at its option at any time, on at least 5 Business Days' prior notice to the Mortgagee, to substitute, and if an Event of Loss shall have occurred with respect to an Engine under circumstances in which an Event of Loss with respect to the Airframe has not occurred, shall within 60 days of the occurrence of such Event of Loss substitute, a Replacement Engine for any Engine. In such event, immediately upon the effectiveness of such substitution and without further act, (i) the replaced Engine shall thereupon be free and clear of all rights of the Mortgagee

and the Lien of this Trust Indenture and shall no longer be deemed an Engine hereunder and (ii) such Replacement Engine shall become subject to this Trust Indenture and be deemed part of the Aircraft for all purposes hereof to the same extent as the replaced Engine. Such Replacement Engine shall be an engine manufactured by Engine Manufacturer that is the same model as the Engine to be replaced thereby, or an improved model, and that is suitable for installation and use on the Airframe, and that has a value, utility and remaining useful life (without regard to hours and cycles remaining until overhaul) at least equal to the Engine to be replaced thereby (assuming that such Engine had been maintained in accordance with this Trust Indenture). The Owner's right to make a replacement hereunder shall be subject to the fulfillment (which may be simultaneous with such replacement) of the following conditions precedent at the Owner's sole cost and expense, and the Mortgagee agrees to cooperate with the Owner to the extent necessary to enable it to timely satisfy such conditions:

(i) an executed counterpart of each of the following documents shall be delivered to the Mortgagee:

(A) a Trust Indenture Supplement covering the Replacement Engine, which shall have been duly filed for recordation pursuant to the Act or such other applicable law of the jurisdiction other than the United States in which the Aircraft of which such Engine is a part is registered in accordance with Section 4.02(e), as the case may be;

(B) a full warranty bill of sale (as to title), covering the Replacement Engine, executed by the former owner thereof in favor of the Owner (or, at the Owner's option, other evidence of the Owner's ownership of such Replacement Engine, reasonably satisfactory to the Mortgagee); and

(C) Uniform Commercial Code financing statements covering the security interests created by this Trust Indenture (or any similar statements or other documents required to be filed or delivered pursuant to the laws of the jurisdiction in which such Aircraft may be registered) as are deemed necessary or desirable by counsel for the Mortgagee to protect the security interests of the Mortgagee in the Replacement Engine;

(ii) the Owner shall cause to be delivered to the Mortgagee an opinion of counsel to the effect that the Lien of this Trust Indenture continues to be in full force and effect with respect to the Replacement Engine and such evidence of compliance with the insurance provisions of Section 4.06 with respect to such Replacement Engine as Mortgagee shall reasonably request; and

(iii) the Owner shall have furnished to Mortgagee an opinion of Owner's aviation law counsel reasonably satisfactory to Mortgagee and addressed to Mortgagee as to the due filing for recordation of the Trust Indenture Supplement with respect to such Replacement Engine under the Act or such other applicable law of the jurisdiction other than the United States in which the Aircraft is registered in accordance with Section 4.02(e), as the case may be.

(iv) the Owner shall have furnished to Mortgagee a certificate of a qualified aircraft engineer (who may be an employee of Owner) certifying that such Replacement Engine has a value and utility and remaining useful life (without regard to hours and cycles remaining until overhaul) at least equal to the Engine so replaced (assuming that such Engine had been maintained in accordance with this Trust Indenture).

Upon satisfaction of all conditions to such substitution, (x) the Mortgagee shall execute and deliver to the Owner such documents and instruments, prepared at the Owner's expense, as the Owner shall reasonably request to evidence the release of such replaced Engine from the Lien of this Trust Indenture, (y) the Mortgagee shall assign to the Owner all claims it may have against any other Person relating to any Event of Loss giving rise to such substitution and (z) the Owner shall receive all insurance proceeds (other than those reserved to others under Section 4.06(b)) and proceeds in respect of any Event of Loss giving rise to such replacement to the extent not previously applied to the purchase price of the Replacement Engine as provided in Sections 4.05(d).

#### SECTION 4.05. LOSS, DESTRUCTION OR REQUISITION

##### (a) Event of Loss With Respect to the Airframe.

Upon the occurrence of an Event of Loss with respect to the Airframe, the Owner shall promptly (and in any event within 15 days after such occurrence) give the Mortgagee written notice of such Event of Loss. The Owner shall, within 45 days after such occurrence, give the Mortgagee written notice of Owner's election to either replace the Airframe as provided under Section 4.05(a)(i) or to make payment in respect of such Event of Loss as provided under Section 4.05(a)(ii) (it being agreed that if Owner shall not have given the Mortgagee such notice of such election within the above specified time period, the Owner shall be deemed to have elected to make payment in respect of such Event of Loss as provided under Section 4.03(a)(ii)):

(i) if Owner elects to replace the Airframe, Owner shall, subject to the satisfaction of the conditions contained in Section 4.05(c), as promptly as possible and in any event within 120 days after the occurrence of such Event of Loss, cause to be subjected to the Lien of this Trust Indenture, in replacement of the Airframe with respect to which the Event of Loss occurred, a Replacement Airframe and, if any Engine shall have been installed on the Airframe when it suffered the Event of Loss, a Replacement Engine therefor, such Replacement Airframe and Replacement Engines to be free and clear of all Liens except Permitted Liens and to have a value, utility and remaining useful life (without regard to hours or cycles remaining until the next regular maintenance check) at least equal to the Airframe or Engine, as the case may be, to be replaced thereby (assuming that such Airframe or Engine had been maintained in accordance with this Trust Indenture); provided that if the Owner shall not perform its obligation to effect such replacement under this clause (i) during the 120-day period of time provided herein, it shall pay the amounts required to be paid pursuant to and within the time frame specified in clause (ii) below; or

(ii) if Owner elects to make a payment in respect of such Event of Loss of the Airframe, Owner shall make a payment to the Mortgagee for purposes of

redeeming Equipment Notes in accordance with Section 2.10 hereof on a date on or before the Business Day next following the earlier of (x) the 120th day following the date of the occurrence of such Event of Loss, and (y) the fourth Business Day following the receipt of insurance proceeds with respect to such Event of Loss (but in any event not earlier than the date of Owner's election under Section 4.05(a) to make payment under this section 4.05 (a)(ii)); and upon such payment and payment of all other Secured Obligations then due and payable, the Mortgagee shall, at the cost and expense of the Owner, release from the Lien of this Trust Indenture the Airframe and the Engines, by executing and delivering to the Owner all documents and instruments as the Owner may reasonably request to evidence such release.

(b) Effect of Replacement. Should the Owner have provided a Replacement Airframe and Replacement Engines, if any, as provided for in Section 4.05(a)(i), (i) the Lien of this Trust Indenture shall continue with respect to such Replacement Airframe and Replacement Engines, if any, as though no Event of Loss had occurred; (ii) the Mortgagee shall, at the cost and expense of the Owner, release from the Lien of this Trust Indenture the replaced Airframe and Engines, if any, by executing and delivering to the Owner such documents and instruments as the Owner may reasonably request to evidence such release; and (iii) in the case of a replacement upon an Event of Loss, the Mortgagee shall assign to the Owner all claims the Mortgagee may have against any other Person arising from the Event of Loss and the Owner shall receive all insurance proceeds (other than those reserved to others under Section 4.06(b)) and proceeds from any award in respect of condemnation, confiscation, seizure or requisition, including any investment interest thereon, to the extent not previously applied to the purchase price of the Replacement Airframe and Replacement Engines, if any, as provided in Sections 4.05(d).

(c) Conditions to Airframe and Engine Replacement. The Owner's right to substitute a Replacement Airframe and Replacement Engines, if any, as provided in Section 4.05(a)(i) shall be subject to the fulfillment, at the Owner's sole cost and expense, in addition to the conditions contained in such Section 4.05(a)(i), of the following conditions precedent:

(i) on the date when the Replacement Airframe and Replacement Engines, if any, is subjected to the Lien of this Trust Indenture (such date being referred to in this Section 4.05 as the "Replacement Closing Date"), an executed counterpart of each of the following documents (or, in the case of the FAA Bill of Sale and full warranty bill of sale referred to below, a photocopy thereof) shall have been delivered to the Mortgagee:

(A) a Trust Indenture Supplement covering the Replacement Airframe and Replacement Engines, if any, which shall have been duly filed for recordation pursuant to the Act or such other applicable law of such jurisdiction other than the United States in which the Replacement Airframe and Replacement Engines, if any, are to be registered in accordance with Section 4.02(e), as the case may be;

(B) an FAA Bill of Sale (or a comparable document, if any, of another Aviation Authority, if applicable) covering the Replacement Airframe and

Replacement Engines, if any, executed by the former owner thereof in favor of the Owner;

(C) a full warranty (as to title) bill of sale, covering the Replacement Airframe and Replacement Engines, if any, executed by the former owner thereof in favor of the Owner (or, at the Owner's option, other evidence of the Owner's ownership of such Replacement Airframe and Replacement Engines, if any, reasonably satisfactory to the Mortgagee); and

(D) Uniform Commercial Code financing statements (or any similar statements or other documents required to be filed or delivered pursuant to the laws of the jurisdiction in which the Replacement Airframe and Replacement Engines, if any, may be registered in accordance with Section 4.02(e)) as are deemed necessary or desirable by counsel for the Mortgagee to protect the security interests of the Mortgagee in the Replacement Airframe and Replacement Engines, if any;

(ii) the Replacement Airframe and Replacement Engines, if any, shall be of the same model as the Airframe or Engines, as the case may be, or an improved model of such aircraft or engines of the manufacturer thereof, shall have a value and utility (without regard to hours or cycles remaining until the next regular maintenance check) at least equal to, and be in as good operating condition and repair as, the Airframe and any Engines replaced (assuming such Airframe and Engines had been maintained in accordance with this Trust Indenture);

(iii) the Mortgagee (acting directly or by authorization to its special counsel) shall have received satisfactory evidence as to the compliance with Section 4.06 with respect to the Replacement Airframe and Replacement Engines, if any;

(iv) on the Replacement Closing Date, (A) the Owner shall cause the Replacement Airframe and Replacement Engines, if any, to be subject to the Lien of this Trust Indenture free and clear of Liens (other than Permitted Liens), (B) the Replacement Airframe shall have been duly certified by the FAA as to type and airworthiness in accordance with the terms of this Trust Indenture and (C) application for registration of the Replacement Airframe in accordance with Section 4.02(e) shall have been duly made with the FAA or other applicable Aviation Authority and the Owner shall have authority to operate the Replacement Airframe;

(v) the Mortgagee at the expense of the Owner, shall have received (acting directly or by authorization to its special counsel) (A) an opinion of counsel, addressed to the Mortgagee, to the effect that the Replacement Airframe and Replacement Engine, if any, has or have duly been made subject to the Lien of this Trust Indenture, and Mortgagee will be entitled to the benefits of Section 1110 with respect to the Replacement Airframe, provided that such opinion with respect to Section 1110 need not be delivered to the extent that immediately prior to such replacement the benefits of Section 1110 were not, solely by reason of a change in law or court interpretation thereof, available to Mortgagee, and (B) an

opinion of Owner's aviation law counsel reasonably satisfactory to and addressed to Mortgagee as to the due registration of any such Replacement Airframe and the due filing for recordation of each Trust Indenture Supplement with respect to such Replacement Airframe or Replacement Engine under the Act or such other applicable law of the jurisdiction other than the United States in which the Replacement Airframe is to be registered in accordance with Section 4.02(e), as the case may be; and

(vi) the Owner shall have furnished to the Mortgagee a certificate of a qualified aircraft engineer (who may be an employee of Owner) certifying that the Replacement Airframe and Replacement Engines, if any, have a value and utility and remaining useful life (without regard to hours and cycles remaining until overhaul) at least equal to the Airframe and any Engines so replaced (assuming that such Airframe and Engines had been maintained in accordance with this Trust Indenture).

(d) Non-Insurance Payments Received on Account of an Event of Loss. Any amounts, other than insurance proceeds in respect of damage or loss not constituting an Event of Loss (the application of which is provided for in Annex B), received at any time by Mortgagee or Owner from any Government Entity or any other Person in respect of any Event of Loss will be applied as follows:

(i) If such amounts are received with respect to the Airframe, and any Engine installed thereon at the time of such Event of Loss, upon compliance by Owner with the applicable terms of Section 4.05(c) with respect to the Event of Loss for which such amounts are received, such amounts shall be paid over to, or retained by, Owner;

(ii) If such amounts are received with respect to an Engine (other than an Engine installed on the Airframe at the time such Airframe suffers an Event of Loss), upon compliance by Owner with the applicable terms of Section 4.04(e) with respect to the Event of Loss for which such amounts are received, such amounts shall be paid over to, or retained by, Owner;

(iii) If such amounts are received, in whole or in part, with respect to the Airframe, and Owner makes, has made or is deemed to have made the election set forth in Section 4.05(a)(ii), such amounts shall be applied as follows:

first, if the sum described in Section 4.05(a)(ii) has not then been paid in full by Owner, such amounts shall be paid to Mortgagee to the extent necessary to pay in full such sum; and

second, the remainder, if any, shall be paid to Owner.

(e) Requisition for Use. In the event of a requisition for use by any Government Entity of the Airframe and the Engines, if any, or engines installed on such Airframe while such Airframe is subject to the Lien of this Trust Indenture, the Owner shall promptly notify the Mortgagee of such requisition and all of the Owner's obligations under this

Trust Indenture shall continue to the same extent as if such requisition had not occurred except to the extent that the performance or observance of any obligation by the Owner shall have been prevented or delayed by such requisition; provided that the Owner's obligations under this Section 4.05 with respect to the occurrence of an Event of Loss for the payment of money and under Section 4.06 (except while an assumption of liability by the U.S. Government of the scope referred to in Section 4.02(c) is in effect) shall not be reduced or delayed by such requisition. Any payments received by the Mortgagee or the Owner or Permitted Lessee from such Government Entity with respect to such requisition of use shall be paid over to, or retained by, the Owner. In the event of an Event of Loss of an Engine resulting from the requisition for use by a Government Entity of such Engine (but not the Airframe), the Owner will replace such Engine hereunder by complying with the terms of Section 4.04(e) and any payments received by the Mortgagee or the Owner from such Government Entity with respect to such requisition shall be paid over to, or retained by, the Owner.

(f) Certain Payments to be Held As Security. Any amount referred to in this Section 4.05 or Section 4.06 which is payable or creditable to, or retainable by, the Owner shall not be paid or credited to, or retained by the Owner if at the time of such payment, credit or retention a Special Default or an Event of Default shall have occurred and be continuing, but shall be paid to and held by the Mortgagee as security for the obligations of the Owner under this Trust Indenture and the Operative Agreements, and at such time as there shall not be continuing any such Special Default or Event of Default such amount and any gain realized as a result of investments required to be made pursuant to Section 6.06 shall to the extent not theretofore applied as provided herein, be paid over to the Owner.

#### SECTION 4.06. INSURANCE

(a) Owner's Obligation to Insure. Owner shall comply with, or cause to be complied with, each of the provisions of Annex B, which provisions are hereby incorporated by this reference as if set forth in full herein.

(b) Insurance for Own Account. Nothing in Section 4.06 shall limit or prohibit (a) Owner from maintaining the policies of insurance required under Annex B with higher limits than those specified in Annex B, or (b) Mortgagee from obtaining insurance for its own account (and any proceeds payable under such separate insurance shall be payable as provided in the policy relating thereto); provided, however, that no insurance may be obtained or maintained that would limit or otherwise adversely affect the coverage of any insurance required to be obtained or maintained by Owner pursuant to this Section 4.06 and Annex B.

(c) Indemnification by Government in Lieu of Insurance. Mortgagee agrees to accept, in lieu of insurance against any risk with respect to the Aircraft described in Annex B, indemnification from, or insurance provided by, the U.S. Government, or upon the written consent of Mortgagee, other Government Entity, against such risk in an amount that, when added to the amount of insurance (including permitted self-insurance), if any, against such risk that Owner (or any Permitted Lessee) may continue to maintain, in accordance with this

Section 11, during the period of such requisition or transfer, shall be at least equal to the amount of insurance against such risk otherwise required by this Section 11.

(d) Application of Insurance Proceeds. As between Owner and Mortgagee, all insurance proceeds received as a result of the occurrence of an Event of Loss with respect to the Aircraft or any Engine under policies required to be maintained by Owner pursuant to this Section 4.06 will be applied in accordance with Section 4.05(d). All proceeds of insurance required to be maintained by Owner, in accordance with Section 4.06 and Section B of Annex B, in respect of any property damage or loss not constituting an Event of Loss with respect to the Aircraft, Airframe or any Engine will be applied in payment (or to reimburse Owner) for repairs or for replacement property, and any balance remaining after such repairs or replacement with respect to such damage or loss shall be paid over to, or retained by, Owner.

#### SECTION 4.07. MERGER OF OWNER

##### (a) In General.

Owner shall not consolidate with or merge into any other person under circumstances in which Owner is not the surviving corporation, or convey, transfer or lease in one or more transactions all or substantially all of its assets to any other person, unless:

(i) such person is organized, existing and in good standing under the Laws of the United States, any State of the United States or the District of Columbia and, upon consummation of such transaction, such person will be a U.S. Air Carrier;

(ii) such person executes and delivers to Mortgagee a duly authorized, legal, valid, binding and enforceable agreement, reasonably satisfactory in form and substance to Mortgagee, containing an effective assumption by such person of the due and punctual performance and observance of each covenant, agreement and condition in the Operative Agreements to be performed or observed by Owner;

(iii) such person makes such filings and recordings with the FAA pursuant to the Act as shall be necessary to evidence such consolidation or merger; and

(iv) immediately after giving effect to such consolidation or merger no Event of Default shall have occurred and be continuing.

##### (b) Effect of Merger

Upon any such consolidation or merger of Owner with or into, or the conveyance, transfer or lease by Owner of all or substantially all of its assets to, any Person in accordance with this Section 4.07, such Person will succeed to, and be substituted for, and may exercise every right and power of, Owner under the Operative Agreements with the same effect as if such person had been named as "Owner" therein. No such consolidation or merger, or conveyance, transfer or lease, shall have the effect of releasing Owner or such Person from any of the obligations, liabilities, covenants or undertakings of Owner under the Trust Indenture.

## ARTICLE V

## EVENTS OF DEFAULT; REMEDIES OF MORTGAGEE

## SECTION 5.01. EVENT OF DEFAULT

"Event of Default" means any of the following events (whatever the reason for such Event of Default and whether such event shall be voluntary or involuntary or come about or be effected by operation of Law or pursuant to or in compliance with any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

(i) the failure of the Owner to pay (i) principal of, interest on or Make-Whole Amount, if any, under any Equipment Note when due, and such failure shall continue unremedied for a period of 10 Business Days, or (ii) any other amount payable by it to the Note Holders under this Trust Indenture or the Participation Agreement when due, and such failure shall continue for a period in excess of 10 Business Days after Owner has received written notice from Mortgagee of the failure to make such payment when due;

(ii) Owner shall fail to carry and maintain, or cause to be carried and maintained, insurance on and in respect of the Aircraft, Airframe and Engines in accordance with the provisions of Section 4.06;

(iii) Owner shall fail to observe or perform (or caused to be observed and performed) in any material respect any other covenant, agreement or obligation set forth herein or in any other Operative Agreement to which Owner is a party and such failure shall continue unremedied for a period of 30 days from and after the date of written notice thereof to Owner from Mortgagee, unless such failure is capable of being corrected and Owner shall be diligently proceeding to correct such failure, in which case there shall be no Event of Default unless and until such failure shall continue unremedied for a period of 180 days after receipt of such notice;

(iv) any representation or warranty made by Owner herein, in the Participation Agreement or in any other Operative Agreement to which Owner is a party (a) shall prove to have been untrue or inaccurate in any material respect as of the date made, (b) such untrue or inaccurate representation or warranty is material at the time in question, (c) and the same shall remain uncured (to the extent of the adverse impact of such incorrectness on the interest of the Mortgagee) for a period in excess of 30 days from and after the date of written notice thereof from Mortgagee to Owner;

(v) the Owner shall consent to the appointment of or taking possession by a receiver, trustee or liquidator of itself or of a substantial part of its property, or the Owner shall admit in writing its inability to pay its debts generally as they come due or shall make a general assignment for the benefit of its creditors, or the Owner shall file a voluntary petition in bankruptcy or a voluntary petition or an answer seeking reorganization, liquidation or other relief under any bankruptcy laws or insolvency laws (as in effect at such time), or an answer admitting the material allegations of a petition filed against it in any such case, or the

Owner shall seek relief by voluntary petition, answer or consent, under the provisions of any other bankruptcy or similar law providing for the reorganization or winding-up of corporations (as in effect at such time), or the Owner shall seek an agreement, composition, extension or adjustment with its creditors under such laws or the Owner's board of directors shall adopt a resolution authorizing corporate action in furtherance of any of the foregoing;

(vi) an order, judgment or decree shall be entered by any court of competent jurisdiction appointing, without the consent of the Owner, a receiver, trustee or liquidator of the Owner or of any substantial part of its property, or any substantial part of the property of the Owner shall be sequestered, or granting any other relief in respect of the Owner as a debtor under any bankruptcy laws or other insolvency laws (as in effect at such time), and any such order, judgment, decree, or decree of appointment or sequestration shall remain in force undismissed, unstayed or unvacated for a period of 90 days after the date of entry thereof; or

(vii) a petition against the Owner in a proceeding under any bankruptcy laws or other insolvency laws (as in effect at such time) is filed and not withdrawn or dismissed within 90 days thereafter, or if, under the provisions of any law providing for reorganization or winding-up of corporations which may apply to the Owner, any court of competent jurisdiction shall assume jurisdiction, custody or control of the Owner of any substantial part of its property and such jurisdiction, custody or control shall remain in force unrelinquished, unstayed or unexpired for a period of 90 days.

#### SECTION 5.02. REMEDIES

(a) If an Event of Default shall have occurred and be continuing and so long as the same shall continue unremedied, then and in every such case the Mortgagee may exercise any or all of the rights and powers and pursue any and all of the remedies pursuant to this Article V and shall have and may exercise all of the rights and remedies of a secured party under the Uniform Commercial Code and may take possession of all or any part of the properties covered or intended to be covered by the Lien created hereby or pursuant hereto and may exclude the Owner and all persons claiming under it wholly or partly therefrom; provided, that the Mortgagee shall give the Owner twenty days' prior written notice of its intention to sell the Aircraft. Without limiting any of the foregoing, it is understood and agreed that the Mortgagee may exercise any right of sale of the Aircraft available to it, even though it shall not have taken possession of the Aircraft and shall not have possession thereof at the time of such sale.

(b) If an Event of Default shall have occurred and be continuing, then and in every such case the Mortgagee may (and shall, upon receipt of a written demand therefor from a Majority in Interest of Note Holders), at any time, by delivery of written notice or notices to the Owner, declare all the Equipment Notes to be due and payable, whereupon the unpaid Original Amount of all Equipment Notes then outstanding, together with accrued but unpaid interest thereon (without Make-Whole Amount) and other amounts due thereunder or otherwise payable hereunder, shall immediately become due and payable without presentment, demand, protest or notice, all of which are hereby waived; provided that if an Event of Default referred to in clause (v), (vi) or (vii) of Section 5.01 hereof shall have occurred, then and in every such case

the unpaid Original Amount then outstanding, together with accrued but unpaid interest and all other amounts due hereunder and under the Equipment Notes shall immediately and without further act become due and payable without presentment, demand, protest or notice, all of which are hereby waived.

This Section 5.02(b), however, is subject to the condition that, if at any time after the Original Amount of the Equipment Notes shall have become so due and payable, and before any judgment or decree for the payment of the money so due, or any thereof, shall be entered, all overdue payments of interest upon the Equipment Notes and all other amounts payable hereunder or under the Equipment Notes (except the Original Amount of the Equipment Notes which by such declaration shall have become payable) shall have been duly paid, and every other Default and Event of Default with respect to any covenant or provision of this Trust Indenture shall have been cured, then and in every such case a Majority in Interest of Note Holders may (but shall not be obligated to), by written instrument filed with the Mortgagee, rescind and annul the Mortgagee's declaration (or such automatic acceleration) and its consequences; but no such rescission or annulment shall extend to or affect any subsequent Default or Event of Default or impair any right consequent thereon.

(c) The Note Holders shall be entitled, at any sale pursuant to this Section 5.02, to credit against any purchase price bid at such sale by such holder all or any part of the unpaid obligations owing to such Note Holder and secured by the Lien of this Trust Indenture (only to the extent that such purchase price would have been paid to such Note Holder pursuant to Article III hereof if such purchase price were paid in cash and the foregoing provisions of this subsection (c) were not given effect).

(d) In the event of any sale of the Collateral, or any part thereof, pursuant to any judgment or decree of any court or otherwise in connection with the enforcement of any of the terms of this Trust Indenture, the unpaid Original Amount of all Equipment Notes then outstanding, together with accrued interest thereon (without Make-Whole Amount), and other amounts due thereunder, shall immediately become due and payable without presentment, demand, protest or notice, all of which are hereby waived.

(e) Notwithstanding anything contained herein, so long as the Pass Through Trustee under any Pass Through Trust Agreement (or its designee) is a Note Holder, the Mortgagee will not be authorized or empowered to acquire title to any Collateral or take any action with respect to any Collateral so acquired by it if such acquisition or action would cause any Trust to fail to qualify as a "grantor trust" for federal income tax purposes.

#### SECTION 5.03. RETURN OF AIRCRAFT, ETC.

(a) If an Event of Default shall have occurred and be continuing and the Equipment Notes have been accelerated, at the request of the Mortgagee, the Owner shall promptly execute and deliver to the Mortgagee such instruments of title and other documents as the Mortgagee may deem necessary or advisable to enable the Mortgagee or an agent or representative designated by the Mortgagee, at such time or times and place or places as the Mortgagee may specify, to obtain possession of all or any part of the Collateral to which the

Mortgagee shall at the time be entitled hereunder. If the Owner shall for any reason fail to execute and deliver such instruments and documents after such request by the Mortgagee, the Mortgagee may (i) obtain a judgment conferring on the Mortgagee the right to immediate possession and requiring the Owner to execute and deliver such instruments and documents to the Mortgagee, to the entry of which judgment the Owner hereby specifically consents to the fullest extent permitted by Law, and (ii) pursue all or part of such Collateral wherever it may be found and may enter any of the premises of Owner wherever such Collateral may be or be supposed to be and search for such Collateral and take possession of and remove such Collateral. All expenses of obtaining such judgment or of pursuing, searching for and taking such property shall, until paid, be secured by the Lien of this Trust Indenture.

(b) Upon every such taking of possession, the Mortgagee may, from time to time, at the expense of the Collateral, make all such expenditures for maintenance, use, operation, storage, insurance, leasing, control, management, disposition, modifications or alterations to and of the Collateral, as it may deem proper. In each such case, the Mortgagee shall have the right to maintain, use, operate, store, insure, lease, control, manage, dispose of, modify or alter the Collateral and to exercise all rights and powers of the Owner relating to the Collateral, as the Mortgagee shall deem best, including the right to enter into any and all such agreements with respect to the maintenance, use, operation, storage, insurance, leasing, control, management, disposition, modification or alteration of the Collateral or any part thereof as the Mortgagee may determine, and the Mortgagee shall be entitled to collect and receive directly all rents, revenues and other proceeds of the Collateral and every part thereof, without prejudice, however, to the right of the Mortgagee under any provision of this Trust Indenture to collect and receive all cash held by, or required to be deposited with, the Mortgagee hereunder. Such rents, revenues and other proceeds shall be applied to pay the expenses of the maintenance, use, operation, storage, insurance, leasing, control, management, disposition, improvement, modification or alteration of the Collateral and of conducting the business thereof, and to make all payments which the Mortgagee may be required or may elect to make, if any, for taxes, assessments, insurance or other proper charges upon the Collateral or any part thereof (including the employment of engineers and accountants to examine, inspect and make reports upon the properties and books and records of the Owner), and all other payments which the Mortgagee may be required or authorized to make under any provision of this Trust Indenture, as well as just and reasonable compensation for the services of the Mortgagee, and of all persons properly engaged and employed by the Mortgagee with respect hereto.

#### SECTION 5.04. REMEDIES CUMULATIVE

Each and every right, power and remedy given to the Mortgagee specifically or otherwise in this Trust Indenture shall be cumulative and shall be in addition to every other right, power and remedy herein specifically given or now or hereafter existing at Law, in equity or by statute, and each and every right, power and remedy whether specifically herein given or otherwise existing may be exercised from time to time and as often and in such order as may be deemed expedient by the Mortgagee, and the exercise or the beginning of the exercise of any power or remedy shall not be construed to be a waiver of the right to exercise at the same time or thereafter any other right, power or remedy. No delay or omission by the Mortgagee in the

exercise of any right, remedy or power or in the pursuance of any remedy shall impair any such right, power or remedy or be construed to be a waiver of any default on the part of the Owner or to be an acquiescence therein.

#### SECTION 5.05. DISCONTINUANCE OF PROCEEDINGS

In case the Mortgagee shall have instituted any proceeding to enforce any right, power or remedy under this Trust Indenture by foreclosure, entry or otherwise, and such proceedings shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Mortgagee, then and in every such case the Owner and the Mortgagee shall, subject to any determination in such proceedings, be restored to their former positions and rights hereunder with respect to the Collateral, and all rights, remedies and powers of the Owner or the Mortgagee shall continue as if no such proceedings had been instituted.

#### SECTION 5.06. WAIVER OF PAST DEFAULTS

Upon written instruction from a Majority in Interest of Note Holders, the Mortgagee shall waive any past Default hereunder and its consequences and upon any such waiver such Default shall cease to exist and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Trust Indenture, but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon; provided, that in the absence of written instructions from all the Note Holders, the Mortgagee shall not waive any Default (i) in the payment of the Original Amount, Make-Whole Amount, if any, and interest and other amounts due under any Equipment Note then outstanding, or (ii) in respect of a covenant or provision hereof which, under Article X hereof, cannot be modified or amended without the consent of each Note Holder.

#### SECTION 5.07. APPOINTMENT OF RECEIVER

The Mortgagee shall, as a matter of right, be entitled to the appointment of a receiver (who may be the Mortgagee or any successor or nominee thereof) for all or any part of the Collateral, whether such receivership be incidental to a proposed sale of the Collateral or the taking of possession thereof or otherwise, and the Owner hereby consents to the appointment of such a receiver and will not oppose any such appointment. Any receiver appointed for all or any part of the Collateral shall be entitled to exercise all the rights and powers of the Mortgagee with respect to the Collateral.

#### SECTION 5.08. MORTGAGEE AUTHORIZED TO EXECUTE BILLS OF

SALE, ETC.

The Owner irrevocably appoints, while an Event of Default has occurred and is continuing, the Mortgagee the true and lawful attorney-in-fact of the Owner (which appointment is coupled with an interest) in its name and stead and on its behalf, for the purpose of effectuating any sale, assignment, transfer or delivery for the enforcement of the Lien of this Trust Indenture, whether pursuant to foreclosure or power of sale, assignments and other instruments as may be necessary or appropriate, with full power of substitution, the Owner hereby ratifying and confirming all that such attorney or any substitute shall do by virtue hereof in accordance with

applicable law. Nevertheless, if so requested by the Mortgagee or any purchaser, the Owner shall ratify and confirm any such sale, assignment, transfer or delivery, by executing and delivering to the Mortgagee or such purchaser all bills of sale, assignments, releases and other proper instruments to effect such ratification and confirmation as may be designated in any such request.

#### SECTION 5.09. RIGHTS OF NOTE HOLDERS TO RECEIVE PAYMENT

##### SECTION 6.01. NOTICE OF EVENT OF DEFAULT

If the Mortgagee shall have Actual Knowledge of an Event of Default or of a Default arising from a failure to pay any installment of principal and interest on any Equipment Note, the Mortgagee shall give prompt written notice thereof to each Note Holder. Subject to the terms of Sections 5.06, 6.02 and 6.03 hereof, the Mortgagee shall take such action, or refrain from taking such action, with respect to such Event of Default or Default (including with respect to the exercise of any rights or remedies hereunder) as the Mortgagee shall be instructed in writing by a Majority in Interest of Note Holders. Subject to the provisions of Section 6.03, if the Mortgagee shall not have received instructions as above provided within 20 days after mailing notice of such Event of Default to the Note Holders, the Mortgagee may, subject to instructions thereafter received pursuant to the preceding provisions of this Section 6.01, take such action, or refrain from taking such action, but shall be under no duty to take or refrain from taking any action, with respect to such Event of Default or Default as it shall determine advisable in the best interests of the Note Holders; provided, however, that the Mortgagee may not sell the Aircraft or any Engine without the consent of a Majority in Interest of Note Holders. For all purposes of this Trust Indenture, in the absence of Actual Knowledge on the part of the Mortgagee, the Mortgagee shall not be deemed to have knowledge of a Default or an Event of Default (except, the failure of Owner to pay any installment of principal or interest within one Business Day after the same shall become due, which failure shall constitute knowledge of a Default) unless notified in writing by the Owner or one or more Note Holders.

##### SECTION 6.02. ACTION UPON INSTRUCTIONS; CERTAIN RIGHTS AND

##### LIMITATIONS

Subject to the terms of Sections 5.02(a), 5.06, 6.01 and 6.03 hereof, upon the written instructions at any time and from time to time of a Majority in Interest of Note Holders, the Mortgagee shall, subject to the terms of this Section 6.02, take such of the following actions

as may be specified in such instructions: (i) give such notice or direction or exercise such right, remedy or power hereunder as shall be specified in such instructions and (ii) give such notice or direction or exercise such right, remedy or power hereunder with respect to any part of the Collateral as shall be specified in such instructions; it being understood that without the written instructions of a Majority in Interest of Note Holders, the Mortgagee shall not, except as provided in Section 6.01, approve any such matter as satisfactory to the Mortgagee.

The Mortgagee will execute and the Owner will file such continuation statements with respect to financing statements relating to the security interest created hereunder in the Collateral as may be specified from time to time in written instructions of a Majority in Interest of Note Holders (which instructions shall be accompanied by the form of such continuation statement so to be filed). The Mortgagee will furnish to each Note Holder, promptly upon receipt thereof, duplicates or copies of all reports, notices, requests, demands, certificates and other instruments furnished to the Mortgagee hereunder

#### SECTION 6.03. INDEMNIFICATION

The Mortgagee shall not be required to take any action or refrain from taking any action under Section 6.01 (other than the first sentence thereof), 6.02 or Article V hereof unless the Mortgagee shall have been indemnified to its reasonable satisfaction against any liability, cost or expense (including counsel fees) which may be incurred in connection therewith pursuant to a written agreement with one or more Note Holders. The Mortgagee agrees that it shall look solely to the Note Holders for the satisfaction of any indemnity (except expenses for foreclosure of the type referred to in clause "First" of Section 3.03 hereof) owed to it pursuant to this Section 6.03. The Mortgagee shall not be under any obligation to take any action under this Trust Indenture or any other Operative Agreement and nothing herein or therein shall require the Mortgagee to expend or risk its own funds or otherwise incur the risk of any financial liability in the performance of any of its rights or powers if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it (the written indemnity of any Note Holder who is a QIB, signed by an authorized officer thereof, in favor of, delivered to and in form reasonably satisfactory to the Mortgagee shall be accepted as reasonable assurance of adequate indemnity). The Mortgagee shall not be required to take any action under Section 6.01 (other than the first sentence thereof) or 6.02 or Article V hereof, nor shall any other provision of this Trust Indenture or any other Operative Agreement be deemed to impose a duty on the Mortgagee to take any action, if the Mortgagee shall have been advised by counsel that such action is contrary to the terms hereof or of the Lease or is otherwise contrary to Law.

#### SECTION 6.04. NO DUTIES EXCEPT AS SPECIFIED IN TRUST INDENTURE OR INSTRUCTIONS

The Mortgagee shall not have any duty or obligation to use, operate, store, lease, control, manage, sell, dispose of or otherwise deal with the Aircraft or any other part of the Collateral, or to otherwise take or refrain from taking any action under, or in connection with, this Trust Indenture or any part of the Collateral, except as expressly provided by the terms of

this Trust Indenture or as expressly provided in written instructions from Note Holders as provided in this Trust Indenture; and no implied duties or obligations shall be read into this Trust Indenture against the Mortgagee. The Mortgagee agrees that it will in its individual capacity and at its own cost and expense (but without any right of indemnity in respect of any such cost or expense under Section 8.01 hereof), promptly take such action as may be necessary duly to discharge all liens and encumbrances on any part of the Collateral which result from claims against it in its individual capacity not related to the ownership of the Aircraft or the administration of the Collateral or any other transaction pursuant to this Trust Indenture or any document included in the Collateral.

#### SECTION 6.05. NO ACTION EXCEPT UNDER TRUST INDENTURE OR

#### INSTRUCTIONS

The Mortgagee will not use, operate, store, lease, control, manage, sell, dispose of or otherwise deal with the Aircraft or any other part of the Collateral except in accordance with the powers granted to, or the authority conferred upon the Mortgagee pursuant to this Trust Indenture and in accordance with the express terms hereof.

#### SECTION 6.06. INVESTMENT OF AMOUNTS HELD BY MORTGAGEE

Any amounts held by the Mortgagee pursuant to the proviso to the first sentence of Section 3.01, pursuant to Section 3.02, or pursuant to any provision of any other Operative Agreement providing for amounts to be held by the Mortgagee which are not distributed pursuant to the other provisions of Article III hereof shall be invested by the Mortgagee from time to time in Cash Equivalents as directed by the Owner so long as the Mortgagee may acquire the same using its best efforts. Unless otherwise expressly provided in this Trust Indenture, any income realized as a result of any such investment, net of the Mortgagee's reasonable fees and expenses in making such investment, shall be held and applied by the Mortgagee in the same manner as the principal amount of such investment is to be applied and any losses, net of earnings and such reasonable fees and expenses, shall be charged against the principal amount invested. The Mortgagee shall not be liable for any loss resulting from any investment required to be made by it under this Trust Indenture other than by reason of its willful misconduct or gross negligence, and any such investment may be sold (without regard to its maturity) by the Mortgagee without instructions whenever such sale is necessary to make a distribution required by this Trust Indenture.

### ARTICLE VII

The Mortgagee accepts the duties hereby created and applicable to it and agrees to perform the same but only upon the terms of this Trust Indenture and agrees to receive and disburse all monies constituting part of the Trust Indenture Estate in accordance with the terms hereof. The Mortgagee, in its individual capacity, shall not be answerable or accountable under

any circumstances, except (i) for its own willful misconduct or gross negligence (other than for the handling of funds, for which the standard of accountability shall be willful misconduct or negligence), (ii) as provided in the fourth sentence of Section 2.04(a) hereof and the last sentence of Section 6.04 hereof, and (iii) from the inaccuracy of any representation or warranty of the Mortgagee (in its individual capacity) in the Participation Agreement or expressly made hereunder.

#### SECTION 7.02. ABSENCE OF DUTIES

Except in accordance with written instructions furnished pursuant to Section 6.01 or 6.02 hereof, and except as provided in, and without limiting the generality of, Sections 6.03, 6.04 and 7.07 hereof the Mortgagee shall have no duty (i) to see to any registration of the Aircraft or any recording or filing of this Trust Indenture or any other document, or to see to the maintenance of any such registration, recording or filing, (ii) to see to any insurance on the Aircraft or to effect or maintain any such insurance, whether or not Owner shall be in default with respect thereto, (iii) to see to the payment or discharge of any lien or encumbrance of any kind against any part of the Collateral, (iv) to confirm, verify or inquire into the failure to receive any financial statements from Owner, or (v) to inspect the Aircraft at any time or ascertain or inquire as to the performance or observance of any of Owner's covenants herein or any Permitted Lessee's covenants under any assigned Permitted Lease with respect to the Aircraft.

#### SECTION 7.03. NO REPRESENTATIONS OR WARRANTIES AS TO AIRCRAFT

##### OR DOCUMENTS

THE MORTGAGEE IN ITS INDIVIDUAL OR TRUST CAPACITY DOES NOT MAKE AND SHALL NOT BE DEEMED TO HAVE MADE AND HEREBY EXPRESSLY DISCLAIMS ANY REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, AS TO THE TITLE, AIRWORTHINESS, VALUE, COMPLIANCE WITH SPECIFICATIONS, CONDITION, DESIGN, QUALITY, DURABILITY, OPERATION, MERCHANTABILITY OR FITNESS FOR USE FOR A PARTICULAR PURPOSE OF THE AIRCRAFT OR ANY ENGINE, AS TO THE ABSENCE OF LATENT OR OTHER DEFECTS, WHETHER OR NOT DISCOVERABLE, AS TO THE ABSENCE OF ANY INFRINGEMENT OF ANY PATENT, TRADEMARK OR COPYRIGHT, AS TO THE ABSENCE OF OBLIGATIONS BASED ON STRICT LIABILITY IN TORT OR ANY OTHER REPRESENTATION OR WARRANTY WHATSOEVER. The Mortgagee, in its individual or trust capacities, does not make or shall not be deemed to have made any representation or warranty as to the validity, legality or enforceability of this Trust Indenture, the Participation Agreement, the Equipment Notes, or the Purchase Agreement, or as to the correctness of any statement contained in any thereof, except for the representations and warranties of the Owner made in its individual capacity and the representations and warranties of the Mortgagee in its individual capacity, in each case expressly made in this Trust Indenture or in the Participation Agreement. The Note Holders make no representation or warranty hereunder whatsoever.

## SECTION 7.04. NO SEGREGATION OF MONIES; NO INTEREST

Any monies paid to or retained by the Mortgagee pursuant to any provision hereof and not then required to be distributed to the Note Holders, or the Owner as provided in Article III hereof need not be segregated in any manner except to the extent required by Law or Section 6.06 hereof, and may be deposited under such general conditions as may be prescribed by Law, and the Mortgagee shall not be liable for any interest thereon (except that the Mortgagee shall invest all monies held as directed by Owner so long as no Event of Default has occurred and is continuing (or in the absence of such direction, by the Majority In Interest of Note Holders) in Cash Equivalents; provided, however, that any payments received, or applied hereunder, by the Mortgagee shall be accounted for by the Mortgagee so that any portion thereof paid or applied pursuant hereto shall be identifiable as to the source thereof.

## SECTION 7.05. RELIANCE; AGREEMENTS; ADVICE OF COUNSEL

The Mortgagee shall not incur any liability to anyone in acting upon any signature, instrument, notice, resolution, request, consent, order, certificate, report, opinion, bond or other document or paper believed by it to be genuine and believed by it to be signed by the proper party or parties. The Mortgagee may accept a copy of a resolution of the Board of Directors (or Executive Committee thereof) of the Owner, certified by the Secretary or an Assistant Secretary thereof as duly adopted and in full force and effect, as conclusive evidence that such resolution has been duly adopted and that the same is in full force and effect. As to the aggregate unpaid Original Amount of Equipment Notes outstanding as of any date, the Owner may for all purposes hereof rely on a certificate signed by any Vice President or other authorized corporate trust officer of the Mortgagee. As to any fact or matter relating to the Owner the manner of which is not specifically described herein, the Mortgagee may for all purposes hereof rely on a certificate, signed by a duly authorized officer of the Owner, as to such fact or matter, and such certificate shall constitute full protection to the Mortgagee for any action taken or omitted to be taken by it in good faith in reliance thereon. In the administration of the trusts hereunder, the Mortgagee may execute any of the trusts or powers hereof and perform its powers and duties hereunder directly or through agents or attorneys and may, at the expense of the Collateral, advise with counsel, accountants and other skilled persons to be selected and retained by it, and the Mortgagee shall not be liable for anything done, suffered or omitted in good faith by it in accordance with the written advice or written opinion of any such counsel, accountants or other skilled persons.

## SECTION 7.06. COMPENSATION

The Mortgagee shall be entitled to reasonable compensation, including expenses and disbursements (including the reasonable fees and expenses of counsel), for all services rendered hereunder and shall, on and subsequent to an Event of Default hereunder, have a priority claim on the Collateral for the payment of such compensation, to the extent that such compensation shall not be paid by Owner, and shall have the right, on and subsequent to an Event of Default hereunder, to use or apply any monies held by it hereunder in the Collateral toward such payments. ## SECTION 7.07. INSTRUCTIONS FROM NOTE HOLDERS

In the administration of the trusts created hereunder, the Mortgagee shall have the right to seek instructions from a Majority in Interest of Note Holders should any provision of this Trust Indenture appear to conflict with any other provision herein or should the Mortgagee's duties or obligations hereunder be unclear, and the Mortgagee shall incur no liability in refraining from acting until it receives such instructions. The Mortgagee shall be fully protected for acting in accordance with any instructions received under this Section 7.07.

## ARTICLE VIII

## ARTICLE IX

## SUCCESSOR AND SEPARATE TRUSTEES

## SECTION 9.01. RESIGNATION OF MORTGAGEE; APPOINTMENT OF

## SUCCESSOR

(a) The Mortgagee or any successor thereto may resign at any time without cause by giving at least 30 days' prior written notice to the Owner and each Note Holder, such resignation to be effective upon the acceptance of the trusteeship by a successor Mortgagee. In addition, a Majority in Interest of Note Holders may at any time (but only with the consent of Owner, which consent shall not be unreasonably withheld, except that such consent shall not be necessary if an Event of Default is continuing) remove the Mortgagee without cause by an instrument in writing delivered to the Owner and the Mortgagee, and the Mortgagee shall promptly notify each Note Holder thereof in writing, such removal to be effective upon the acceptance of the trusteeship by a successor Mortgagee. In the case of the resignation or removal of the Mortgagee, a Majority in Interest of Note Holders may appoint a successor Mortgagee by an instrument signed by such holders, which successor, so long as no Lease Event of Default shall have occurred and be continuing, shall be subject to Owner's reasonable approval. If a successor Mortgagee shall not have been appointed within 30 days after such notice of resignation or removal, the Mortgagee, the Owner or any Note Holder may apply to any court of competent jurisdiction to appoint a successor Mortgagee to act until such time, if any, as a successor shall have been appointed as above provided. The successor Mortgagee so appointed by such court shall immediately and without further act be superseded by any successor Mortgagee appointed as above provided.

(b) Any successor Mortgagee, however appointed, shall execute and deliver to the Owner and the predecessor Mortgagee an instrument accepting such appointment and assuming the obligations of the Mortgagee arising from and after the time of such appointment, and thereupon such successor Mortgagee, without further act, shall become vested with all the estates, properties, rights, powers and duties of the predecessor Mortgagee hereunder in the trust hereunder applicable to it with like effect as if originally named the Mortgagee herein; but nevertheless upon the written request of such successor Mortgagee, such predecessor Mortgagee shall execute and deliver an instrument transferring to such successor Mortgagee, upon the trusts herein expressed applicable to it, all the estates, properties, rights and powers of such predecessor Mortgagee, and such predecessor Mortgagee shall duly assign, transfer, deliver and pay over to such successor Mortgagee all monies or other property then held by such predecessor Mortgagee hereunder.

(c) Any successor Mortgagee, however appointed, shall be a bank or trust company having its principal place of business in the Borough of Manhattan, City and State of New York; Chicago, Illinois; Hartford, Connecticut; Wilmington, Delaware; or Boston, Massachusetts and having (or whose obligations under the Operative Agreements are guaranteed by an affiliated entity having) a combined capital and surplus of at least \$100,000,000, if there be such an institution willing, able and legally qualified to perform the duties of the Mortgagee hereunder upon reasonable or customary terms.

(d) Any corporation into which the Mortgagee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Mortgagee shall be a party, or any corporation to which substantially all the corporate trust business of the Mortgagee may be transferred, shall, subject to the terms of paragraph (c) of this Section 9.01, be a successor Mortgagee and the Mortgagee under this Trust Indenture without further act.

#### SECTION 9.02. APPOINTMENT OF ADDITIONAL AND SEPARATE TRUSTEES

(a) Whenever (i) the Mortgagee shall deem it necessary or desirable in order to conform to any Law of any jurisdiction in which all or any part of the Collateral shall be situated or to make any claim or bring any suit with respect to or in connection with the Collateral this Trust Indenture, any other Indenture Agreement, the Equipment Notes or any of the transactions contemplated by the Participation Agreement, (ii) the Mortgagee shall be advised by counsel satisfactory to it that it is so necessary or prudent in the interests of the Note Holders (and the Mortgagee shall so advise the Owner), or (iii) the Mortgagee shall have been requested to do so by a Majority in Interest of Note Holders, then in any such case, the Mortgagee and, upon the written request of the Mortgagee, the Owner, shall execute and deliver an indenture supplemental hereto and such other instruments as may from time to time be necessary or advisable either (1) to constitute one or more bank or trust companies or one or more persons approved by the Mortgagee, either to act jointly with the Mortgagee as additional trustee or trustees of all or any part of the Collateral, or to act as separate trustee or trustees of all or any part of the Collateral, in each case with such rights, powers, duties and obligations consistent with this Trust Indenture as may be provided in such supplemental indenture or other

instruments as the Mortgagee or a Majority in Interest of Note Holders may deem necessary or advisable, or (2) to clarify, add to or subtract from the rights, powers, duties and obligations theretofore granted any such additional or separate trustee, subject in each case to the remaining provisions of this Section 9.02. If the Owner shall not have taken any action requested of it under this Section 9.02(a) that is permitted or required by its terms within 15 days after the receipt of a written request from the Mortgagee so to do, or if an Event of Default shall have occurred and be continuing, the Mortgagee may act under the foregoing provisions of this Section 9.02(a) without the concurrence of the Owner, and the Owner hereby irrevocably appoints (which appointment is coupled with an interest) the Mortgagee, its agent and attorney-in-fact to act for it under the foregoing provisions of this Section 9.02(a) in either of such contingencies. The Mortgagee may, in such capacity, execute, deliver and perform any such supplemental indenture, or any such instrument, as may be required for the appointment of any such additional or separate trustee or for the clarification of, addition to or subtraction from the rights, powers, duties or obligations theretofore granted to any such additional or separate trustee. In case any additional or separate trustee appointed under this Section 9.02(a) shall die, become incapable of acting, resign or be moved, all the assets, property, rights, powers, trusts, duties and obligations of such additional or separate trustee shall revert to the Mortgagee until a successor additional or separate trustee is appointed as provided in this Section 9.02(a).

(b) No additional or separate trustee shall be entitled to exercise any of the rights, powers, duties and obligations conferred upon the Mortgagee in respect of the custody, investment and payment of monies and all monies received by any such additional or separate trustee from or constituting part of the Collateral or otherwise payable under any Operative Agreement to the Mortgagee shall be promptly paid over by it to the Mortgagee. All other rights, powers, duties and obligations conferred or imposed upon any additional or separate trustee shall be exercised or performed by the Mortgagee and such additional or separate trustee jointly except to the extent that applicable Law of any jurisdiction in which any particular act is to be performed renders the Mortgagee incompetent or unqualified to perform such act, in which event such rights, powers, duties and obligations (including the holding of title to all or part of the Collateral in any such jurisdiction) shall be exercised and performed by such additional or separate trustee. No additional or separate trustee shall take any discretionary action except on the instructions of the Mortgagee or a Majority in Interest of Note Holders. No trustee hereunder shall be personally liable by reason of any act or omission of any other trustee hereunder, except that the Mortgagee shall be liable for the consequences of its lack of reasonable care in selecting, and the Mortgagee's own actions in acting with, any additional or separate trustee. Each additional or separate trustee appointed pursuant to this Section 9.02 shall be subject to, and shall have the benefit of Articles V through IX and Article XI hereof insofar as they apply to the Mortgagee. The powers of any additional or separate trustee appointed pursuant to this Section 9.02 shall not in any case exceed those of the Mortgagee hereunder.

(c) If at any time the Mortgagee shall deem it no longer necessary or in order to conform to any such Law or take any such action or shall be advised by such counsel that it is no longer so necessary or desirable in the interest of the Note Holders, or in the event that the Mortgagee shall have been requested to do so in writing by a Majority in Interest of Note Holders, the Mortgagee and, upon the written request of the Mortgagee, the Owner, shall execute

and deliver an indenture supplemental hereto and all other instruments and agreements necessary or proper to remove any additional or separate trustee. The Mortgagee may act on behalf of the Owner under this Section 9.02(c) when and to the extent it could so act under Section 9.02(a) hereof.

(b) The Owner and the Mortgagee may enter into one or more agreements supplemental hereto without the consent of any Note Holder for any of the following purposes: (i) (a) to cure any defect or inconsistency herein or in the Equipment Notes, or to make any change not inconsistent with the provisions hereof (provided that such change does not adversely affect the interests of any Note Holder in its capacity solely as Note Holder) or (b) to cure any ambiguity or correct any mistake; (ii) to evidence the succession of another party as the Owner in accordance with the terms hereof or to evidence the succession of a new trustee hereunder pursuant hereto, the removal of the trustee hereunder or the appointment of any co-trustee or co-trustees or any separate or additional trustee or trustees; (iii) to convey, transfer,

assign, mortgage or pledge any property to or with the Mortgagee or to make any other provisions with respect to matters or questions arising hereunder so long as such action shall not adversely affect the interests of the Note Holders in its capacity solely as Note Holder; (iv) to correct or amplify the description of any property at any time subject to the Lien of this Trust Indenture or better to assure, convey and confirm unto the Mortgagee any property subject or required to be subject to the Lien of this Trust Indenture, the Airframe or Engines or any Replacement Airframe or Replacement Engine; (v) to add to the covenants of the Owner for the benefit of the Note Holders, or to surrender any rights or power herein conferred upon the Owner; (vi) to add to the rights of the Note Holders; and (vii) to include on the Equipment Notes any legend as may be required by Law.

#### SECTION 10.02. MORTGAGEE PROTECTED

If, in the opinion of the institution acting as Mortgagee hereunder, any document required to be executed by it pursuant to the terms of Section 10.01 hereof affects any right, duty, immunity or indemnity with respect to such institution under this Trust Indenture, such institution may in its discretion decline to execute such document.

#### SECTION 10.03. DOCUMENTS MAILED TO NOTE HOLDERS

Promptly after the execution by the Owner or the Mortgagee of any document entered into pursuant to Section 10.01 hereof, the Mortgagee shall mail, by first class mail, postage prepaid, a copy thereof to Owner (if not a party thereto) and to each Note Holder at its address last set forth in the Equipment Note Register, but the failure of the Mortgagee to mail such copies shall not impair or affect the validity of such document.

#### SECTION 10.04. NO REQUEST NECESSARY FOR TRUST INDENTURE

##### SUPPLEMENT

No written request or consent of the Note Holders pursuant to Section 10.01 hereof shall be required to enable the Mortgagee to execute and deliver a Trust Indenture Supplement specifically required by the terms hereof.

## SECTION 2. PARTICIPATION IN LESSOR'S COST; ISSUANCE OF EQUIPMENT NOTES; TERMINATION OF OBLIGATION TO PARTICIPATE

## 2.1 PARTICIPATION IN LESSOR'S COST

Subject to the terms and conditions of this Agreement, on the Delivery Date, Owner Participant and each Applicable Pass Through Trustee shall participate in the payment of Lessor's Cost as follows:

- (a) Owner Participant shall participate in the payment of Lessor's Cost for the Aircraft by making an equity investment in the beneficial ownership of the Aircraft in the amount in Dollars equal to Owner Participant's Percentage multiplied by Lessor's Cost, provided that in no event shall Owner Participant be obligated to make such investment in an amount in excess of the dollar amount set forth for the Owner Participant in Schedule 2; and

## 2.2 NATURE OF OBLIGATIONS OF PARTICIPANTS

The obligations hereunder of each Participant are several, and not joint, and a Participant shall have no obligation to make available to Owner Trustee any portion of any amount not paid hereunder by any other Participant. The failure by any Participant to perform its obligations hereunder shall not affect the obligations of Lessee toward any other Participant, except to the extent provided in Section 5.4.

Notwithstanding any other provision of this Agreement, if the Closing does not occur on or before the Commitment Termination Date, the Commitment of each Participant and its obligation to participate in the payment of Lessor's Cost shall expire and be of no further force and effect; provided, that the liability of any Participant that has defaulted in the payment of its Commitment shall not be released.

## SECTION 3. COMMITMENT TO LEASE AIRCRAFT

Owner Trustee and Mortgagee shall be deemed to have waived such notice if WTC shall have received from each Participant funds in the full amount of its respective Commitment.

## 4.2 PAYMENT OF LESSOR'S COST

(a) Each Participant agrees, subject to the terms and conditions of this Agreement, to make the Dollar amount of its respective Commitment available, by wire transfer of immediately available funds to WTC's account no. 920-1-014363 at The Chase Manhattan Bank (National Association), New York, New York ABA# 021000021 (contact: Emma Budget, tel. (b) Subject to the satisfaction, or waiver by the applicable party, of the conditions precedent set forth in Section 5, and simultaneously with the receipt by the parties hereto of all amounts to be paid to them on the Delivery Date pursuant to this Section 4.2, Owner Trustee shall:

(i) purchase, take title to, and accept delivery of, the Aircraft;

(ii) in consideration of the transfer of title to the Aircraft to Owner Trustee, direct WTC to pay, from the funds made available to WTC hereunder by the Participants, all or a specified portion of such funds either to (A) Airframe Manufacturer, which payments in the aggregate shall be equal to Manufacturer's Purchase Price, by wire transfer of immediately available funds to Airframe Manufacturer's account set forth in Schedule 1 or (B) Lessee, which payments to Lessee in the aggregate shall be equal to Lessor's Cost minus Manufacturer's Purchase Price, by wire transfer of immediately available funds to Lessee's account set forth in Schedule 1 or as otherwise directed by Lessee;

Owner Trustee shall perform its obligations under the Owner Trustee Agreements in accordance with the terms thereof.

#### 7.3.7 NOTICES; DOCUMENTS

In the event any claim with respect to any liabilities is filed against the Owner Trustee in its capacity as such and Owner Trustee shall have Actual Knowledge thereof, the Owner Trustee shall promptly notify Lessee in writing thereof. Owner Trustee further agrees to provide to Lessee promptly any documents (including the certificate of aircraft registration) that it receives from the FAA with respect to the Aircraft.

#### 7.3.8 FILINGS

After the Delivery Date, Owner Trustee shall duly execute and deliver to Lessee all filings and recordings (including, without limitation, all filings and UCC financing statements under the Act and the UCC and any amendments to UCC financing statements necessitated by any relocation of its chief executive office), prepared and delivered to it by Lessee required to perfect Owner Trustee's title to the Aircraft and the liens of and security interests granted by the Trust Indenture (or to maintain such perfection) and to make such title, liens and security interests valid and enforceable.

#### 7.4.3 PERFORMANCE OF AGREEMENTS

WTC, in its individual capacity and as Mortgagee, an Applicable Pass Through Trustee or Subordination Agent, as the case may be, shall perform its obligations under the Indenture Agreements, the Pass Through Trustee Agreements and the Subordination Agent Agreements in accordance with the terms thereof.

#### 7.4.4 WITHHOLDING TAXES

WTC shall indemnify (on an after-tax basis) and hold harmless Lessee and Owner Participant against any United States withholding taxes (and related interest, penalties and additions to tax) as a result of the failure by WTC to withhold on payments to any Note Holder if such Note Holder failed to provide to Mortgagee necessary certificates or forms to substantiate the right to exemption from such withholding tax.

#### 7.5 COVENANTS OF NOTE HOLDERS

Each Note Holder (including Subordination Agent) as to itself only covenants and agrees with Lessee, Owner Participant, Owner Trustee and Mortgagee as follows:

## 7.5.1 WITHHOLDING TAXES

Such Note Holder (if it is a Non-U.S. Person) agrees to indemnify (on an after-tax basis) and hold harmless Lessee, Owner Participant and Mortgagee against any United States withholding taxes (and related interest, penalties and additions to tax) as a result of the inaccuracy or invalidity of any certificate or form provided by such Note Holder to Mortgagee in connection with such withholding taxes. Any amount payable hereunder shall be paid within 30 days after receipt by a Note Holder of a written demand therefor.

## 7.5.2 TRANSFER; COMPLIANCE

(a) Such Note Holder will (i) not transfer any Equipment Note or interest therein in violation of the Securities Act or applicable state or foreign securities Law; provided, that the foregoing provisions of this section shall not be deemed to impose on such Note Holder any responsibility with respect to any such offer, sale or solicitation by any other party hereto, and (ii) perform and comply with the obligations specified to be imposed on it (as a Note Holder) under each of the Trust Indenture and the form of Equipment Note set forth in the Trust Indenture.

(b) Except for the transfer of the interests of each Applicable Pass Through Trustee in the Equipment Notes to the trustee of the Related Trust (as defined in each Applicable Pass Through Trust Agreement) in accordance with the Applicable Pass Through Trust Agreement and except as otherwise required by the terms of Section 2.13 of the Trust Indenture or Section 11 hereof, each Note Holder will not sell, assign, convey, exchange or otherwise transfer any Equipment Note or any interest in, or represented by, any Equipment Note (it being understood that this provision is not applicable to the Pass Through Certificates) unless the proposed transferee thereof first provides Lessee and Owner Participant with both of the following:

(i) a written representation and covenant that either (a) no portion of the funds it uses to purchase, acquire and hold such Equipment Note or interest directly or indirectly constitutes, or may be deemed under the Code or ERISA or any rulings, regulations or court decisions thereunder to constitute, the assets of any Plan or (b) the transfer, and subsequent holding, of such Equipment Note or interest shall

not involve or give rise to a transaction that constitutes a prohibited transaction within the meaning of Section 406 of ERISA or Section 4975(c)(1) of the Code involving Lessee, Owner Participant, a Pass Through Trustee, the Subordination Agent or the proposed transferee (other than a transaction that is exempted from the prohibitions of such sections by applicable provisions of ERISA or the Code or administrative exemptions or regulations issued thereunder); and

(ii) a written covenant that it will not transfer any Equipment Note or any interest in, or represented by, any Equipment Note unless the subsequent transferee also makes the representation described in clause (i) above and agrees to comply with this clause (ii) and agrees to be bound by all the covenants and agreements of Note Holders in the Operative Agreements.

#### 7.6 AGREEMENTS

##### 7.6.1 OWNER TRUSTEE IS OWNER FOR ALL PURPOSES

Lessee, the Owner Participant and Owner Trustee agree that for all purposes, after the Closing, Owner Trustee will be the owner of the Aircraft (except that Owner Participant will be the owner for income tax purposes) and Lessee will be the lessee thereof. No transfer, by operation of Law or otherwise, of the beneficial interest of Owner Participant in and to the Trust Estate shall operate to transfer legal title to any part of the Trust Estate to any transferee thereof.

##### 7.6.2 RIGHTS UNDER THE LEASE

Lessee acknowledges and confirms each of Owner Participant's rights under the Lease.

##### 7.6.3 COMMENCEMENT OF BANKRUPTCY PROCEEDINGS

Lessee, each Participant, each Note Holder, First Security, Owner Trustee, WTC and Mortgagee agree for the benefit of each of the others that it will not commence or join in any proceeding under the Bankruptcy Code to commence a case under Section 303 of the Bankruptcy Code against the Trust Estate. Nothing contained herein shall be deemed to preclude any Participant, any Note Holder, First Security, Owner Trustee, WTC or Mortgagee from filing any claim against the Trust Estate in any case commenced against the Trust Estate.

## 7.6.4 CERTAIN BANKRUPTCY MATTERS

If (a) all or any part of the Trust Estate becomes the property of, or Owner Trustee or Owner Participant becomes, a debtor subject to the reorganization provisions of the Bankruptcy Code, (b) pursuant to such reorganization provisions, including Section 1111(b) of the Bankruptcy Code, First Security or Owner Participant is required, by reason of First Security or Owner Participant being held to have recourse liability to any Note Holder or Mortgagee directly or indirectly (other than the recourse liability of First Security or Owner Participant under this Agreement, the Trust Indenture or by separate agreement), to make payment on account of any amount payable as principal, Make-Whole Amount, if any, interest or other amounts on the Equipment Notes, and (c) any Note Holder or Mortgagee actually receives any Excess Amount, as defined below, which reflects any payment by First Security or Owner Participant on account of (b) above, then such Note Holder or Mortgagee, as the case may be, shall promptly refund to First Security or Owner Participant (whichever shall have made such payment) such Excess Amount.

For purposes of this Section 7.6.4, "Excess Amount" means the amount by which such payment exceeds the amount that would have been received by a Note Holder or Mortgagee if First Security or Owner Participant had not become subject to the recourse liability referred to in clause (b) above. Nothing contained in this Section 7.6.4 shall prevent a Note Holder or Mortgagee from enforcing any personal recourse obligation (and retaining the proceeds thereof) of First Security or Owner Participant under this Agreement (other than as referred to in clause (b) above) or the Trust Indenture (and any exhibits or annexes thereto) or from retaining any amount paid by Owner Participant under Sections 2.13 or 4.03 of the Trust Indenture.

## 7.6.5 QUIET ENJOYMENT; SALE BY OWNER TRUSTEE BINDING

(a) Owner Participant, each Applicable Pass Through Trustee, Subordination Agent, each Note Holder, Owner Trustee and Mortgagee agrees as to itself with Lessee that, so long as no Lease Event of Default shall have occurred and be continuing, such Person shall not (and shall not permit any Affiliate or other Person claiming by, through or under it to) interfere with Lessee's rights in accordance with the Lease to the quiet enjoyment, possession and use of the Aircraft during the Term.

The foregoing, however, shall not be construed or deemed to modify or condition in any respect the obligations of Lessee pursuant to Section 16 of the Lease, which obligations are absolute and unconditional.

(b) Any assignment, sale, transfer or other conveyance of the Aircraft by Owner Trustee made pursuant to the terms of this Agreement or the Lease shall bind Owner Participant and shall be effective to transfer or convey all right, title and interest of Owner Trustee and Owner Participant in and to the Aircraft. No purchaser or other grantee shall be required to inquire as to the authorization, necessity, expediency or regularity of such assignment, sale, transfer or conveyance, or as to the application of any sale or other proceeds with respect thereto by Owner Trustee, as regards Owner Participant.

#### 7.6.6 EFFECT OF LESSEE'S MERGER

Section 13.2.2 of the Lease is incorporated by reference herein.

#### 7.6.7 NON-RECOURSE

Loan Participant and Mortgagee agree that (a) obligations of Owner Trustee under the Trust Indenture or any other Operative Agreement and with respect to the Equipment Notes shall be non-recourse to Owner Participant and to First Security and (b) they will look solely to the income and proceeds from the Trust Estate and the Trust Indenture Estate to the extent available for distribution to Note Holder or Mortgagee as provided in the Trust Indenture and that neither Owner Participant nor First Security will be personally liable to Loan Participant or Mortgagee for any amounts payable by Owner Trustee under the Trust Indenture or any other Operative Agreement; provided, however, that the foregoing is not intended nor shall it be construed to limit any recourse liability of Owner Participant or First Security to the extent that such liability is expressly set forth in this Agreement (with respect to Owner Participant) or in any of the Operative Agreements (with respect to First Security) or arising by reason of the breach of any representation or warranty or covenant given by such Person (in the case of First Security, in its individual capacity).

## 7.6.8 OTHER DOCUMENTS; AMENDMENT

(a) Each Participant hereby consents to the terms of the Lease, the Trust Agreement and the Trust Indenture. Lessee acknowledges receipt of executed copies of the Trust Agreement and the Trust Indenture and hereby consents to the execution and delivery of the Trust Agreement and the Trust Indenture and to all the terms thereunder, including, without limitation, the creation of a Lien in respect of, among other things, the Aircraft and the Lease pursuant to the Trust Indenture. Nothing in this Section 7.6.8 shall be construed to require Lessee's consent to any future supplement to, or amendment, waiver or modification of any other terms of, the Trust Agreement or the Trust Indenture. Notwithstanding the foregoing, so long as the Lease has not terminated or expired, Owner Trustee and Mortgagee hereby agree for the benefit of Lessee (i) to comply with the provisions of the Trust Indenture if failure to so comply would have an adverse effect on Lessee and such noncompliance is not the direct result of an act or failure to act by Lessee, and (ii) not, without the consent of Lessee, directly or indirectly to amend or modify (i) Article III, Article IX or Section 2.05 of the Trust Indenture, (ii) any provision of any Operative Agreement that will affect the stated principal amount of or premium or interest on the Equipment Notes or (iii) any other provision of the Trust Indenture or Equipment Notes in a manner that would adversely affect Lessee. Mortgagee and Owner Trustee agree to promptly furnish to Lessee copies of any supplement, amendment, waiver or modification of any of the Operative Agreements to which Lessee or Owner Participant, as the case may be, is not a party. Loan Participant agrees that it will not take any action in respect of the Trust Indenture Estate except through the Mortgagee pursuant to the Trust Indenture or as otherwise permitted by Trust Indenture.

(b) Owner Trustee agrees to join with Lessee to the extent that action on its part is necessary or appropriate (i) to cause the following to be duly accomplished in accordance with applicable United States federal Law by the time the Aircraft is delivered under this Agreement and the Lease: (A) the application for registration of the Aircraft in the name of Owner Trustee and (B) all related action necessary in order for Lessee to have temporary or permanent authority to operate the Aircraft as contemplated by the Lease and (ii) forthwith upon delivery of the Aircraft under this Agreement and the Lease, to cause all

necessary documents to be duly filed for recording in accordance with applicable United States federal Law.

#### 7.6.9 CONSENTS

Each Participant, each Applicable Pass Through Trustee, Subordination Agent, Owner Trustee and Mortgagee covenants and agrees, for the benefit of Lessee, that it shall not unreasonably withhold its consent to any consent or approval requested of it or of Owner Trustee or Mortgagee under the terms of any of the Operative Agreements which by its terms is not to be unreasonably withheld.

#### 7.6.10 INSURANCE

Each of Owner Participant, the Applicable Pass Through Trustees, the Subordination Agent and the Owner Trustee agrees not to obtain or maintain insurance for its own account as permitted by Section 11.3 of the Lease if such insurance would limit or otherwise adversely affect the coverage of any insurance required to be obtained or maintained by Lessee pursuant to Section 11 and Annex D of the Lease.

#### 7.6.11 EXTENT OF INTEREST OF NOTE HOLDERS

A Note Holder shall not, as such, have any further interest in, or other right with respect to, the Trust Estate or the Trust Indenture Estate when and if the principal and Make-Whole Amount, if any, of and interest on the Equipment Note held by such Holder, and all other sums, then due and payable to such Holder hereunder and under any other Operative Agreement, shall have been paid in full.

#### 7.6.12 FOREIGN REGISTRATION

Each Participant, Owner Trustee and Mortgagee hereby agrees, for the benefit of Lessee but subject to the provisions of Section 7.1.2 of the Lease: (a) that Lessee shall be entitled to register the Aircraft or cause the Aircraft to be registered in a country other than the United States subject to compliance with the following:

- (i) Lessor gives its prior written consent; and
- (ii) each of the following requirements is satisfied:

- (A) Lessee shall deliver such request to Lessor at least 30 days in advance of the date of any such proposed change of registration;
- (B) such registration shall be made, if at all, only after the close of the calendar year in which the seventh anniversary of the Delivery Date occurs or if a Lessee Act (as defined in the Tax Indemnity Agreement) as a result of which indemnification has been required under the Tax Indemnity Agreement has created a longer Tax Attribute Period (as defined in the Tax Indemnity Agreement), after the close of the Tax Attribute Period, unless in either case Lessee prepays any liability Owner Participant determines would be due under the Tax Indemnity Agreement as a result of such registration based upon the assumption that such registration would continue for the remainder of the term of the Permitted Sublease described in clause (D) below;
- (C) no Lease Default or Lease Event of Default shall have occurred and be continuing at the time of such request;
- (D) such proposed change of registration is made in connection with a Permitted Sublease to a Permitted Air Carrier;
- (E) such country (1) is the domicile of Permitted Sublessee and the country in which Permitted Sublessee maintains its principal place of business and (2) is a country with which the United States then maintains normal diplomatic relations;
- (F) such country would recognize the interests of, and would provide substantially equivalent protection (including the right to take possession of the Aircraft in the event of (1) a Lease Event of Default or a default by Permitted Sublessee or (2) the bankruptcy of Lessee or Permitted Sublessee) for the rights and remedies of, owner participants, lessors, lenders and mortgagees in

similar transactions as provided under the Law of the United States;

- (G) the courts of such country would give effect to Lessor's title to and leasehold interest in the Aircraft, to the registration of the Aircraft in the name of Lessor and to the priority of the Lien of the Trust Indenture, in each case substantially to the same extent as provided under the Law of the United States; and
- (H) if requested by Lessor, Lessee or any Permitted Sublessee shall, for purposes of enforcement of the rights and remedies provided for in Section 15 of the Lease, execute an irrevocable power of attorney in form and substance satisfactory to Lessor providing for, among other things, upon and during the continuance of a Lease Event of Default, (1) the deregistration of the Aircraft and (2) the reregistration of the Aircraft in the United States by Lessor, including the ability to obtain export licenses and take any other action necessary or advisable for the repossession, export and redelivery to Lessor of the Airframe, any Engine and any airframe or engine substituted for the Airframe or any Engine, all in accordance with the Lease.

(b) Lessor shall not unreasonably withhold its consent to such a request by Lessee for a change of registration of the Aircraft in accordance with this Section, if (and in connection with any reregistration Lessee shall provide Mortgagee with the matters referred to in clauses (A), (B), (C), (D) and (H) of Section 7.6.12(b)(i) and in clauses (A), (B), (C), (D), (E) and (F) of Section 7.6.12(b)(ii), in each case insofar as they relate to Mortgagee, Note Holders, the Trust Indenture or the Trust Indenture Estate):

(i) Lessee shall have given to Lessor and Mortgagee assurances reasonably satisfactory to each of them:

- (A) to the effect that the provisions of Section 11 of the Lease have been complied with after giving effect to such change of registration;

- (B) of the payment by Lessee of all reasonable expenses of Lessor, each Participant and Mortgagee in connection with such change of registry, including, without limitation (1) the reasonable fees and disbursements of counsel, (2) any filing or recording fees, Taxes or similar payments incurred in connection with the change of registration of the Aircraft and the creation and perfection of the security interest therein in favor of Mortgagee for the benefit of Note Holders, (3) all costs and expenses incurred in connection with any filings necessary to continue in the United States the perfection of the security interest in the Aircraft and the Lease in favor of Mortgagee for the benefit of Note Holders and (4) any and all other costs, expenses and Taxes under the Law of the country of registry, whether initial or on a continuing basis, incurred by Lessor or Owner Participant as a result of the registration of the Aircraft, or the creation, attachment and perfection of the security interest therein, under the laws of the country of registry;
- (C) to the effect that the tax and other indemnities in favor of each person named as an indemnitee under any other Operative Agreement afford each such person substantially the same protection as provided prior to such change of registration (or Lessee shall have agreed upon additional indemnities that, together with such original indemnities, in the reasonable judgment of Lessor and Mortgagee, afford such protection);
- (D) as to the continued status of the Trust Indenture as a first priority perfected Lien (subject to Permitted Liens) on the Trust Indenture Estate (including, without limitation, the Aircraft);
- (E) that any import or export permits necessary to take the Aircraft into or out of such country and any exchange permits necessary to allow all Rent and other payments provided for under the Lease shall be in full force and effect;

- (F) that any value-added tax, customs or import fee or duty, tariff, other Tax or similar governmental charge relating to the change in jurisdiction of registration of the Aircraft shall have been paid in full or adequately provided for by Lessee;
- (G) that such new country of registry imposes aircraft maintenance standards no less stringent than those of the FAA;
- (H) that no Lease Default or Lease Event of Default exists and that no Lease Default or Lease Event of Default will occur or exist upon, or result from, such reregistration; and
- (I) with respect to such other matters as Lessor or Owner Participant may reasonably request; and

(ii) Lessee shall deliver to Lessor, Owner Participant and Mortgagee a favorable opinion, in form and substance and from counsel in such country, in each case, reasonably satisfactory to Lessor, to the effect that:

- (A) the terms (including, without limitation, the governing law, service-of-process and jurisdictional submission provisions, and the remedies) of this Agreement, the Lease, the applicable Permitted Sublease and the Trust Indenture are legal, valid, binding and enforceable in such country;
- (B) it is not necessary for Lessor, any Participant, Note Holders or Mortgagee to register or qualify to do business in such country as a result, in whole or in part, of the registration of the Aircraft in such country;
- (C) there is no tort liability of or imputed to the owner or lessor, or of persons lending money, on a secured or unsecured basis, or any guarantor of any such person, to such an owner or lessor for the purchase of, an aircraft, under the laws of such country (it being understood that, in the event such latter opinion cannot be given in a form satisfactory to Lessor, Owner Participant and Mortgagee, such opinion shall be waived if

insurance or third-party indemnities satisfactory to Lessor, Owner Participant and Mortgagee are available to cover such risk and is provided at or before the time of such change of registration, at Lessee's expense);

- (D) unless Lessee shall have agreed to provide insurance satisfactory to Lessor, Owner Participant and Mortgagee covering the risk of requisition of use of the Aircraft by the government of such country (so long as the Aircraft is registered under the laws of such country), the laws of such country require fair compensation by the government of such country payable in currency freely convertible into Dollars and freely removable from such country (without license or permit, unless Lessee prior to such proposed reregistration has obtained such license or permit) for the taking or loss of use of the Aircraft in the event of the taking or requisition by such government of such use;
- (E) the registration of the Aircraft would be terminable without material burden, penalty or delay by Lessor or Mortgagee upon the occurrence of a Lease Event of Default;
- (F) there shall not exist possessory rights in favor of the government of such country, Lessee or Permitted Sublessee (including, without limitation, a defense of sovereign immunity) that would, upon the bankruptcy of Lessee or Permitted Sublessee or upon the occurrence of a Lease Event of Default, prevent or delay the return of the Aircraft pursuant to the Lease;

and covering the matters set forth in Sections 7.6.12(a)(ii)(F) and (G) and to such further effect with respect to such other matters as Lessor or Owner Participant may reasonably request.

(c) The parties hereto acknowledge to each other that none of such parties has conducted a review of the countries in which the Permitted Air Carriers are domiciled to determine whether any

of the criteria set forth in Section 7.6.12(a) or (b) are currently met.

(d) Any such change in registration shall be at the sole expense of Lessee, and Lessee shall pay all reasonable expenses of Lessor, each Participant, Note Holders and Mortgagee in connection with any request to change (and the evaluation thereof), and any actual change, of registration of the Aircraft.

#### 7.6.13 OTHER COMMERCIAL RELATIONS UNAFFECTED

Notwithstanding anything to the contrary set forth in any Operative Agreement:

(a) Except as set forth in the Purchase Agreement Assignment, nothing contained in the Lessee Operative Agreements shall constitute or be deemed to be a waiver by Lessee of any rights, remedies or claims it may have against Airframe Manufacturer or Engine Manufacturer or any subcontractor or supplier of either; and the Operative Agreements do not and shall not be construed or deemed to create any rights, waivers, immunities or indemnities in favor of Airframe Manufacturer, Engine Manufacturer or any subcontractor or supplier of either with respect to any such rights, remedies or claims of Lessee; and

(b) None of Airframe Manufacturer, by its execution and delivery of the Consent and Agreement, and Engine Manufacturer, by its execution and delivery of the Engine Consent and Agreement, shall be deemed to have waived any rights, remedies or claims which Airframe Manufacturer or Engine Manufacturer (or any subcontractor or supplier of either), as the case may be, may have against Lessee; and the Operative Agreements do not and shall not be construed or deemed to create any rights, waivers, immunities or indemnities in favor of Lessee with respect to any such rights, remedies or claims of Airframe Manufacturer or Engine Manufacturer (or any subcontractor or supplier of either).

#### 7.6.14 INTEREST IN CERTAIN ENGINES

Each Participant, Owner Trustee and Mortgagee agree, for the benefit of each of the lessor, conditional seller, mortgagee or secured party of any airframe or engine leased to, or purchased by, Lessee or any Permitted Sublessee subject to a lease, conditional sale, trust indenture or other security agreement that it will not acquire or claim, as against such lessor,

conditional seller, mortgagee or secured party, any right, title or interest in any engine as the result of such engine being installed on the Airframe at any time while such engine is subject to such lease, conditional sale, trust indenture or other security agreement and owned by such lessor or conditional seller or subject to a trust indenture or security interest in favor of such mortgagee or secured party; provided, that Lessee or any such Permitted Sublessee shall have received from the lessor, conditional seller, mortgagee or secured party in respect of such airframe a written agreement (which may be the lease, conditional sale agreement, trust indenture or other security agreement covering such airframe) whereby such lessor, conditional seller, mortgagee or secured party effectively agrees that neither it nor its successors or assigns will acquire or claim any right, title or interest in any Engine by reason of such Engine being installed on such airframe at any time while such Engine is subject to the Lease or is owned by Owner Trustee.

#### 7.6.15 TRUST AGREEMENT

Each of First Security and Owner Trustee hereby (i) agrees with Lessee that prior to the termination or expiration of the Term of the Lease, it will not amend, supplement, terminate or otherwise modify any provision of the Trust Agreement in such a manner as to adversely affect the rights of Lessee without the prior written consent of Lessee and it will not revoke the trust created by the Trust Agreement so long as the Lien of the Trust Indenture remains undischarged or if such revocation would have an adverse effect on the Lessee and (ii) agrees with Loan Participant and Mortgagee that prior to the discharge of the Lien of the Trust Indenture it will not amend, supplement, terminate or otherwise modify any provision of the Trust Agreement in such a manner as to adversely affect the rights of Loan Participant or Mortgagee without the prior written consent of such party and it will not revoke the trust created by the Trust Agreement so long as the Lien of the Trust Indenture remains undischarged. Nothing contained in this Agreement shall impair any right under the Trust Agreement of First Security to resign as Owner Trustee.

#### 7.6.16 RELEASE OF LIEN OF TRUST INDENTURE

Each of Lessee, Lessor and Mortgagee agree that in each instance referred to in the Lease in which a transfer of any property is required to be made by Lessor to Lessee or any other Person (other than Mortgagee or Owner Participant), upon full

compliance by Lessee with Lessee's obligations, if any, under the applicable section thereof and compliance with any applicable provisions of the Trust Indenture, Mortgagee shall (upon certification by Lessee and Owner Trustee of any such event and without the consent of Note Holders) promptly execute such instruments as Owner Trustee or Lessee may reasonably request to evidence the release of the Lien of the Trust Indenture with respect to such property.

#### SECTION 8. CONFIDENTIALITY

Lessee, Owner Participant, Note Holders, Owner Trustee and Mortgagee shall keep Annexes B, C and D and Schedules 1, 2, 3 and 4 to the Lease, the Participation Agreement, the Purchase Agreement Assignment and the Tax Indemnity Agreement confidential and shall not disclose, or cause to be disclosed, the same to any Person, except (A) to prospective and permitted transferees of Lessee's, Owner Participant's, a Note Holder's, a Liquidity Provider's, Owner Trustee's, Mortgagee's or other Indenture Indemnitee's interest or their respective counsel or special counsel, independent insurance brokers, auditors, or other agents who agree to hold such information confidential, (B) to Lessee's, Owner Participant's, a Note Holder's, a Liquidity Provider's, a Pass Through Trustee's, Owner Trustee's, Mortgagee's, or other Indenture Indemnitee's counsel or special counsel, independent insurance brokers, auditors, or other agents, Affiliates or investors who agree to hold such information confidential, (C) as may be required by any statute, court or administrative order or decree, legal process or governmental ruling or regulation, including those of any applicable insurance regulatory bodies (including, without limitation, the National Association of Insurance Commissioners), federal or state banking examiners, Internal Revenue Service auditors or any stock exchange, (D) with respect to Lessee and Owner Participant, by mutual agreement of such parties, (E) with respect to a Note Holder or any Pass Through Trustee, to a nationally recognized rating agency for the purpose of obtaining a rating on the Equipment Notes or the Pass Through Trust Certificates or to support an NAIC rating for the Equipment Notes or (F) such other Persons as are reasonably deemed necessary by the disclosing party in order to protect the interests of such party or for the purposes of enforcing such documents by such party; provided, that any and all disclosures permitted by clauses (C), (D), (E) or (F) above shall be made only to the extent necessary to meet the specific requirements or needs of the Persons making such disclosures.

## 10.1.1 OWNER PARTICIPANT

(a) During the Term, Owner Participant shall not Transfer any or all of its right, title or interest in the Trust Estate or the Trust Agreement and to this Agreement unless:

(i) The Transferee shall have full power, authority and legal right to execute and deliver and to perform whatever obligations under this Agreement and the other Owner Participant Agreements shall be assumed by such Transferee;

(ii) The Transferee shall enter into one or more legal, valid, binding and enforceable agreements (accompanied by an opinion of counsel (who may be internal counsel for Owner Participant or the Transferee) addressed to Lessee, Owner Trustee and Mortgagee to the effect that the Transferee has the power and authority to execute, deliver and perform such agreement or agreements, and that such agreement or agreements are legal, binding and enforceable against Transferee in accordance with its or their terms, subject to customary bankruptcy and equitable remedies exceptions and to any other applicable exceptions, qualifications and assumptions of the types contained in the opinions delivered pursuant to Section 5.1.2(xxiii) (F) and (G)) effective to confirm that such Transferee agrees for the benefit of Lessee, Owner Trustee and Mortgagee to be bound by all the

terms of and to undertake all of the obligations arising after such Transfer of the transferring Owner Participant under this Agreement and the other Owner Participant Agreements, and in which it makes representations and warranties comparable to those contained in Section 6.2;

(iii) Owner Participant shall deliver to Lessee and Mortgagee an opinion of counsel (which may be internal counsel for Owner Participant) to the effect that such Transfer does not violate the Act, the Securities Act or any other applicable Federal law, subject to applicable exceptions, qualifications and assumptions of the types contained in the opinions delivered pursuant to Section 5.1.2(xxiii) (F) and (G);

(iv) The Transferee is a Citizen of the United States, if such citizenship is necessary to maintain registration of the Aircraft under the Act (it being understood that the existence of any such requirement is to be determined without giving consideration to Section 47.9 of the FAA Regulations), or shall use a voting powers trust or similar arrangement in order to hold an interest in the Trust Estate such that the Aircraft can be registered in the United States (without giving consideration to Section 47.9 of the FAA Regulations); and

(v) Its Transferee shall be either (A) a Permitted Institution or (B) any other person (other than, without Lessee's consent, a commercial air carrier or Affiliate thereof that is in direct competition with Lessee) the obligations of which under the Owner Participant Agreements are guaranteed by a Permitted Institution or a guarantor consented to by Lessee, Owner Trustee and Mortgagee, in any case, pursuant to a written guaranty, in form and substance reasonably satisfactory to Lessee and, if at the time of Transfer to such Transferee an Event of Default that is not also, and is not caused by, a Lease Event of Default has occurred and is continuing, to Mortgagee.

(b) Notwithstanding anything to the contrary contained in this Section 10.1:

(i) Owner Participant may at any time grant participations in its interest in and to this Agreement, the Trust Estate or the Trust Agreement to any person

(hereinafter in this Section 10.1.1(b) referred to as a "participant"), so long as (A) no such participant shall be an Owner Participant of record, it being agreed that Lessee, the Note Holders, Owner Trustee and Mortgagee shall be entitled to deal solely with Owner Participant of record (who shall not (unless such participant is the sole participant and is a Permitted Institution) be required by contract to obtain the consent of any such participant in order to take action under the Operative Agreements) in connection with the transactions contemplated by this Agreement and the other Operative Agreements and (B) Owner Participant shall provide Lessee, the Note Holders, Owner Trustee and Mortgagee with written notice of any such participation specifying the name and address of the proposed participant and shall reimburse Lessee, the Note Holders, Owner Trustee and Mortgagee for all reasonable Expenses incurred by such party relating to any such participation;

(ii) Owner Participant may at any time Transfer any or all of its right to receive payment of residual value of the Aircraft (including, without limitation, with respect to a Transfer of all or a portion of (y) any net proceeds from a sale or re-lease of the Aircraft whether at the end of the Term or pursuant to any provision of the Lease or otherwise or (z) the net proceeds received as a result of an Event of Loss or an Event of Default), subject in each case to the Lien of the Trust Indenture (to the extent applicable);

(iii) There shall be no more than two Owner Participants of record at any one time; and

(iv) After the expiration or termination of the Term of the Lease and discharge of the Lien of the Trust Indenture, Owner Participant may freely Transfer all or any of its right, title or interest in and to this Agreement, the Trust Estate and the Trust Agreement without compliance with this Section 10.1;

provided, that (A) no participant under clause (i) above or transferee under clause (ii) above shall have any direct rights under the Operative Agreements or any Lien on all or any part of the Aircraft, Trust Estate or Trust Indenture Estate, (B) Lessee shall not have any increased liability or obligations as a result of any participation under clause (i) above or Transfer under

clause (ii) above and (C) any participation under clause (i) above or Transfer under clause (ii) above shall not cause the Aircraft to be or become ineligible for registration in the name of Owner Trustee under the Act and regulations then applicable thereunder (without giving consideration to Section 47.9 of the FAA Regulations).

(c) Owner Participant shall give written notice to Lessee, Mortgagee and Owner Trustee at least 10 days prior to any such Transfer, specifying the name and address of the proposed Transferee, and providing financial statements of the proposed Transferee evidencing the requirements described in Section 10.1.1(a)(v)(A) or (B) above.

(d) Any fees, charges and expenses, including the reasonable legal fees, charges and expenses incurred by Lessee, Owner Participant, Mortgagee, any Note Holder or Owner Trustee in connection with any Transfer by Owner Participant permitted by this Section 10.1.1, or by the Transferee in any such case, will be paid for by Lessee, in the case of any Transfer by the initial Owner Participant, and thereafter by the Owner Participant making a transfer, or its Transferee.

#### 10.1.2 OWNER TRUSTEE

Owner Trustee may transfer its interests in the Trust Agreement pursuant to Section 9 thereof.

#### 10.1.3 NOTE HOLDERS

Subject to Section 7.5.3 hereof and Section 2.07 of the Trust Indenture, any Note Holder may, at any time and from time to time, Transfer or grant participations in all or any portion of the Equipment Notes and/or all or any portion of its beneficial interest in its Equipment Notes and the Trust Indenture Estate to any person (it being understood that the sale or issuance of Pass Through Certificates by a Pass Through Trustee shall not be considered a Transfer or participation); provided, that any participant in any such participations shall not have any direct rights under the Operative Agreements or any Lien on all or any part of the Aircraft or Trust Indenture Estate and Lessee shall not have any increased liability or obligations as a result of any such participation. In the case of any such Transfer, the Transferee, by acceptance of Equipment Notes in connection with such Transfer, shall be deemed to be bound by all

of the covenants of Note Holders contained in the Operative Agreements.

#### 10.2 EFFECT OF TRANSFER

Upon any Transfer in accordance with Section 10.1.1, 10.1.2 or 10.1.3 (other than any Transfer (a) by Owner Participant pursuant to Section 10.1.1(b)(i) or (ii), or (b) by any Note Holder, in each case, to the extent it only grants participations in Equipment Notes or in its beneficial interest therein), Transferee shall be deemed an "Owner Participant," "Owner Trustee" or a "Note Holder," respectively, for all purposes of this Agreement and the other Operative Agreements and, in the case of a Transferee of any Participant or Note Holder, shall be deemed to have paid its ratable portion of Lessor's Cost previously made by Owner Participant or Loan Participant, respectively, making such conveyance and represented by the interest being conveyed, and each reference herein to Owner Participant, Owner Trustee or Note Holder, respectively, shall thereafter be deemed a reference to such Transferee for all purposes, and the transferring Owner Participant, Owner Trustee or Note Holder shall be released (except, in the case of Owner Participant, to the extent of any guaranty provided by it under Section 10.1.1(a)(v)) from all of its liabilities and obligations under this Agreement and any other Operative Agreements to the extent such liabilities and obligations arise after such Transfer and, in each case, to the extent such liabilities and obligations are assumed by the transferee; provided, that such transferring Owner Participant, Owner Trustee or Note Holder (and its respective Affiliates, successors, assigns, agents, servants, representatives, directors and officers) will continue to have the benefit of any rights or indemnities under any Operative Agreement vested or relating to circumstances, conditions, acts or events prior to such Transfer.

### SECTION 11. REFUNDING AND CERTAIN OTHER MATTERS

#### 11.1 REFUNDING GENERALLY

Subject to Sections 11.3 and 11.4, in the event that at any time Lessee shall have given written notice to Owner Participant, Owner Trustee, and Mortgagee that Lessee is requesting a voluntary redemption of all, but not less than all, of the outstanding Equipment Notes (in compliance with the provisions of Sections 2.11 and 2.12 of the Trust Indenture) by Owner Trustee

as part of a refunding transaction, Owner Participant agrees to negotiate in good faith and promptly conclude an agreement, in form and substance reasonably satisfactory to Owner Participant, with Lessee as to the terms of such refunding transaction (including the terms of any debt to be issued in connection with such refunding transaction and the documentation to be executed in connection therewith), and after Lessee and Owner Participant shall have concluded such an agreement:

#### 11.1.1 REFUNDING CERTIFICATE

Within ten Business Days after reaching such agreement, Owner Participant will deliver to Lessee a Refunding Certificate. The terms of the Refunding Certificate shall not provide for an increase in the then-outstanding principal amount of the Equipment Notes. Within ten Business Days of its receipt of the Refunding Certificate, Lessee may demand a verification pursuant to Section 3.2.1(d) of the Lease of the information set forth in the Refunding Certificate. Upon the acceptance by Lessee of the accuracy of the information set forth in the Refunding Certificate or the determination pursuant to such verification procedures of the Refunding Information, the appropriate parties will take the actions specified in Sections 11.1.2 through 11.1.7 below.

#### 11.1.2 FINANCING AGREEMENTS

Owner Trustee, Mortgagee and other appropriate parties will enter into a financing or loan agreement in form and substance satisfactory to Owner Participant with the institution or institutions to be named therein providing for (a) the issuance and sale by Owner Trustee to such institution or institutions on the Refunding Date of the New Debt and (b) the application of the proceeds of the sale of the New Debt to the redemption of all such Equipment Notes on the Refunding Date.

#### 11.1.3 LEASE AMENDMENTS

As a condition to the closing of the refunding transaction, Lessee and Owner Trustee will amend the Lease, as contemplated by Section 3.2.1(b) of the Lease, to provide that (a) Basic Rent in respect of the period from and after the Refunding Date shall be as provided in the Refunding Information and (b) amounts payable in respect of Stipulated Loss Value and Termination Value from and after the Refunding Date shall be as provided in the Refunding Information.

#### 11.1.4 SECURITY AGREEMENTS

Owner Trustee will enter into an agreement to provide for the securing thereunder of the New Debt in like manner as the Equipment Notes and will enter into such amendments and supplements to the Trust Indenture (or such new indenture or other security agreement) as may be necessary to effect such refunding).

#### 11.1.5 MAKE-WHOLE AMOUNT

At the closing of such refunding (and as indemnification for the loss resulting therefrom), Owner Trustee shall pay, upon receipt of the same from Lessee (which Lessee shall pay as Supplemental Rent as a condition to the closing to the refunding transaction), to each Note Holder, the Make-Whole Amount, if any, payable to such Note Holder.

#### 11.1.6 EXPENSES

Whether or not such refunding transaction is consummated, Lessee shall pay or reimburse all of the reasonable Expenses of all parties to such refunding transaction, including, without limitation, the reasonable fees and expenses of such parties' counsel and any related loan or commitment fees and the reasonable fees and expenses of one advisor to Owner Participant.

#### 11.1.7 RETURN OF EQUIPMENT NOTES

Subject to compliance by Owner Trustee and Lessee with all applicable terms and conditions for voluntary prepayment under the Trust Indenture and this Agreement, each Note Holder will transfer to Owner Trustee the Equipment Notes held by it for cancellation (and Owner Trustee shall cancel the same), against receipt by such Note Holder of the then-outstanding principal amount of such Equipment Notes, accrued and unpaid interest and Make-Whole Amount, if any, thereon, together with payment in full of all other amounts then payable to such Note Holder and Mortgagee hereunder or under the Trust Indenture.

#### 11.2 TIMING; REFUNDING LIMIT; NOTICE

No such optional refunding shall be permitted until after the last day of the calendar year in which the fifth anniversary of the Delivery Date occurs. Only one such refunding shall be permitted during the Term. Lessee, acting on behalf of Owner

Trustee, shall give Mortgagee at least 30 days' revocable prior written notice of the proposed date of the optional redemption.

#### 11.3 LIMITATIONS ON OBLIGATION TO REFUND

Notwithstanding the foregoing, Owner Participant shall have no obligation to proceed with any refunding transaction as contemplated by this Section 11:

(a) If in Owner Participant's reasonable good faith judgment, such transaction would have an adverse impact on it (including, without limitation, the risk of adverse tax consequences to Owner Participant for which it is not indemnified by Lessee or the unavailability to Owner Trustee or Mortgagee of the benefits of Section 1110 with respect to the Aircraft);

(b) Unless a third party or parties, unaffiliated with Lessee or Owner Participant, shall have committed to (and shall) provide the financing needed to consummate the proposed refunding transaction, it being understood that Owner Participant shall not have any obligation to locate any such party or parties;

(c) Unless Lessee indemnifies Owner Trustee and Owner Participant by agreement in form and substance satisfactory to each of them for any liability, obligation (other than the obligation to pay principal and interest and related payments in respect of the New Debt), cost or expense (including, without limitation, reasonable attorneys' fees) related to or arising out of any such refunding transaction;

(d) If a Lease Default or a Lease Event of Default shall have occurred and be continuing; or

(e) If such refunding is to be denominated in any currency other than Dollars.

#### 11.4 ALL EQUIPMENT NOTES

Any refinancing pursuant to this Section 11 shall be of all Equipment Notes then outstanding.

#### 11.5 EXECUTION OF CERTAIN DOCUMENTS

Lessee, Owner Participant, Owner Trustee and Mortgagee each agree to execute any document necessary or advisable to implement this Section 11 (including, without limitation, the execution,

delivery and/or provision of any appropriate additional or modified amendment, representation, warranty, certificate, opinion or other document that may reasonably be requested by Lessee or any other person).

#### 11.6 ERISA

Owner Participant shall not be obligated to conclude the proposed refunding transaction unless the agreements utilized to effect such refunding contain an agreement by the initial holders of the New Debt substantially the same as Section 7.5.2(b) of this Agreement, except, so long as relevant provisions of ERISA shall not have changed since the date of this Agreement in any respect material to Owner Participant with respect to such refunding, in the case of any refunding transaction where the New Debt is sold in a public offering under the Securities Act or a private placement intended for resale pursuant to Rule 144A under the Securities Act, in which case the holders of the New Debt shall be subject to the restrictions relating to ERISA substantially the same as those applicable to the purchasers of the Pass Through Certificates, as described in the Offering Circular relating to the initial issuance and sale of the Pass Through Certificates.

#### 11.7 CONSENT TO OPTIONAL REDEMPTIONS

Each of Owner Participant, Owner Trustee and Mortgagee agrees with Lessee not to cause an optional redemption of the Equipment Notes that would cause an increase in Lessee's periodic Rent obligations or adversely affect Lessee's voluntary redemption rights under this Section 11 or any of Lessee's other rights or obligations under the Operative Agreements without the prior written consent of Lessee or at Lessee's expense except as provided in Section 2.13 of the Trust Indenture or otherwise in connection with the exercise of remedies under the Trust Indenture upon the occurrence and continuation of a Lease Event of Default.

#### SECTION 12. LEASE FOR ALL PURPOSES; SECTION 1110

(a) Each of Lessee, Owner Participant and Owner Trustee agrees that the Lease constitutes an agreement of lease and nothing contained therein shall be construed as conveying to Lessee any right, title or interest in the Aircraft except as a lessee only.

(b) It is the intention of each of Lessee, Owner Participant, Loan Participant, the Note Holders (such intention being evidenced by each of their acceptance of an Equipment Note), Owner Trustee and Mortgagee that Owner Trustee, as lessor under the Lease (and Mortgagee as assignee of Owner Trustee under the Trust Indenture), shall be entitled to the benefits of Section 1110 with respect to the right to take possession of the Aircraft, Airframe, Engines and Parts as provided in the Lease in the event of a case under Chapter 11 of the Bankruptcy Code in which Lessee is a debtor, and in any instance where more than one construction is possible of the terms and conditions of the Lease or any other pertinent Operative Agreement, each such party agrees that a construction which would preserve such benefits shall control over any construction which would not preserve such benefits.

#### SECTION 13. OWNER PARTICIPANT'S RIGHT TO RESTRUCTURE

##### 13.1 GENERAL RIGHT TO RESTRUCTURE

Lessee, Loan Participant and each Note Holder agree that after the Delivery Date and subject to the limitations of Section 13.2, for so long as the initial Owner Participant is the Owner Participant, the Owner Participant shall have the right to restructure the Transactions using (a) a "cross-border lease," a tax lease or a head-lease/sublease structure and (b) any other transaction, which may involve special structural arrangements, as such Owner Participant may elect (any such structure described above, a "Special Structure"). Any Special Structure may result in additional persons participating in the Transactions, which persons shall agree to provisions comparable to Sections 7.6.5(a) and 7.6.14. Subject to the provisions of Sections 13.2 and 13.3, Lessee, Loan Participant and each Note Holder agree to cooperate in the implementation of any such restructuring and take such action as may reasonably be requested by the Owner Participant to accomplish such restructuring, including taking such actions as may be reasonable or customary in the type of Special Structure elected. In connection with any proposed Special Structure, Owner Participant shall provide all information reasonably requested by Lessee, Loan Participant or any Note Holder with respect thereto. The Owner Participant shall be entitled to retain all of the benefits of any such transaction.

## 13.2 LIMITATIONS ON RESTRUCTURING PROVISIONS; ADDITIONAL TERMS

## 13.2.1 LESSEE

Notwithstanding Section 13.1, in no event shall any such Special Structure (a) change the terms and conditions of Lessee's rights and obligations, from those which Lessee would otherwise possess or be subject to in the absence of any such Special Structure, in a manner which is materially adverse to Lessee, (b) expose Lessee to any additional risks (including overall tax risks) beyond those to which Lessee would be exposed in the absence of any such Special Structure or (c) change the terms and conditions of Lessee's rights and obligations, from those which Lessee would otherwise possess or be subject to in the absence of any Special Structure, in a manner which is adverse to Lessee, unless, with respect to clause (b) and clause (c) above, Lessee shall have been indemnified against such additional risks by Owner Participant, or other participants in such transaction (so long as such other participants shall, as to their creditworthiness at the time any such indemnity is given, be reasonably acceptable to Lessee) in a manner reasonably satisfactory to Lessee. In no event shall Lessee be required to provide an indemnity with respect to any foreign tax benefit of a Special Structure or to indemnify against the failure of a head lease not to constitute a true lease for U.S. federal income tax purposes.

## 13.2.2 LOAN PARTICIPANT AND NOTE HOLDERS

Notwithstanding Section 13.1, any such Special Structure shall not, and prior to the exercise of its rights thereunder, the Owner Participant shall deliver an officer's certificate to Mortgagee and to the Pass Through Trustees that provides that any such Special Structure shall not, (a) change the terms and conditions of Loan Participant's or any Note Holder's rights and obligations under the Operative Agreements or rights and obligations of holders of Pass Through Certificates issued in connection with the Transaction or the rights and obligations of any of the other Indenture Indemnitees, from those which Loan Participant, Note Holders, or Indenture Indemnitees and such Pass Through Certificate holders would otherwise possess or be subject to in the absence of such Special Structure (including, without limitation, the amount and timing of any payment of principal, interest and Make-Whole Amount under the Equipment Notes, the

relative rights of the Note Holders and other Indenture Indemnitees with respect to such payments and such holder of Pass Through Certificates and the priority of Mortgagee's Lien on the Trust Indenture Estate under the Trust Indenture) or (b) expose Loan Participant, any such Note Holder, any such holder of Pass Through Certificates or other Indenture Indemnitees to any additional risks beyond those to which Loan Participant, such Certificate Holder or such holder of Pass Through Certificates would be exposed in the absence of such Special Structure. In addition, in no event shall any Special Structure be permitted unless a written confirmation from the Rating Agencies is obtained prior to the implementation of such Special Structure to the effect that such Special Structure will not adversely affect the ratings of the Pass Through Certificates.

### 13.3 SPECIAL STRUCTURE TRANSACTION EXPENSES

Whether or not any proposed restructuring transaction under this Section 13 is consummated, the Owner Participant shall pay (or cause to be paid) the reasonable costs and expenses incurred by all parties in connection therewith; provided, that if any proposed Special Structure is not consummated as a result of Lessee's failure to act in good faith in connection with any amendments to any Operative Agreement necessary as a result thereof, then all such costs and expenses shall be borne by Lessee.

## SECTION 14. CHANGE OF CITIZENSHIP

### 14.1 GENERALLY

Without prejudice to the representations, warranties or covenants regarding the status of any party hereto as a Citizen of the United States:

(a) Each of Lessee, First Security, WTC and Mortgagee agrees that it will, immediately upon obtaining knowledge of any facts that would cast doubt upon its continuing status as a Citizen of the United States and promptly upon public disclosure of negotiations in respect of any transaction which would or might adversely affect such status, notify in writing all parties hereto of all relevant matters in connection therewith; and

(b) Owner Participant agrees that, in the event its status is to change or has changed as a Citizen of the United States, or it makes public disclosure of circumstances as a result of which

it believes that such status is likely to change, it will notify all the other parties to this Participation Agreement of (i) such change in status promptly after obtaining Actual Knowledge thereof or (ii) such belief as soon as practicable after such public disclosure but in any event within ten Business Days after such public disclosure.

#### 14.2 OWNER PARTICIPANT

Owner Participant agrees, solely for the benefit of Lessee and the Note Holders that if, during such time as the Aircraft is registered in the United States, (a) it shall not be a Citizen of the United States and (b) the Aircraft shall be, or would therefore become, ineligible for registration in the name of Owner Trustee under the Act and regulations then applicable thereunder (without giving consideration to Section 47.9 of the FAA Regulations), then Owner Participant shall as soon as is reasonably practicable, but in any event within 30 days after obtaining Actual Knowledge of such ineligibility and of such loss of citizenship, (y) effect voting trust or other similar arrangements (in which case any provisions contained in the Operative Agreements restricting Owner Participant's or Owner Trustee's ability to amend the Trust Agreement shall not apply to the extent necessary to permit the use of such a voting trust or other similar arrangement) or take any other action as may be necessary to prevent any deregistration or maintain the United States registration of the Aircraft or (z) transfer in accordance with the terms of this Agreement all its right, title and interest in and to this Agreement, the Trust Estate and the Trust Agreement in accordance with Section 10.1.

#### 14.3 OWNER TRUSTEE

Upon First Security giving any notice in accordance with Section 14.1(a), Owner Trustee shall, subject to Section 9.1.1 of the Trust Agreement, resign as Owner Trustee. Upon its receipt of such notice, Owner Participant shall as promptly as practicable appoint a Citizen of the United States as successor Owner Trustee pursuant to Section 9.1 of the Trust Agreement.

#### 14.4 MORTGAGEE

Upon WTC giving any notice in accordance with Section 14.1(a), Mortgagee shall (if and so long as such citizenship is necessary under the Act as in effect at such time or, if it is not necessary, if and so long as Mortgagee's

citizenship could have any adverse effect on Lessee, any Participant or any Note Holder), subject to Section 8.02 of the Trust Indenture, resign as Mortgagee promptly upon its ceasing to be such a citizen.

#### SECTION 15. CONCERNING OWNER TRUSTEE

It is understood and agreed that, except as otherwise expressly provided herein or in the Trust Agreement or the Trust Indenture, Owner Trustee is entering into this Agreement solely in its capacity as trustee as provided in the Trust Agreement and not in its individual capacity and in no case whatsoever will it be liable or accountable in its individual capacity for any of the statements, representations, warranties, agreements or obligations of Owner Trustee hereunder, or for any loss in respect thereof, as to all of which the parties agree to look solely to the Trust Estate; provided, that nothing in this Section 15 shall be deemed to limit in scope or substance the personal liability of First Security (a) to Owner Participant as expressly set forth in the Trust Agreement, (b) in respect of the representations, warranties and agreements of First Security expressly made as such herein or in any other Operative Agreement to which it is a party, and (c) for the consequences of its own gross negligence, willful misconduct, and, in receiving, handling or remitting of funds only, its willful misconduct or simple negligence as a trustee.

#### SECTION 16. MISCELLANEOUS

##### 16.1 AMENDMENTS

No provision of this Agreement may be amended, supplemented, waived, modified, discharged, terminated or otherwise varied orally, but only by an instrument in writing that specifically identifies the provision of this Agreement that it purports to amend, supplement, waive, modify, discharge, terminate or otherwise vary and is signed by the party against which the enforcement of the amendment, supplement, waiver, modification, discharge, termination or variance is sought. Each such amendment, supplement, waiver, modification, discharge, termination or variance shall be effective only in the specific instance and for the specific purpose for which it is given. No provision of this Agreement shall be varied or contradicted by oral communication, course of dealing or performance or other manner not set forth in an agreement, document or instrument in

writing and signed by the party against which enforcement of the same is sought.

#### 16.2 SEVERABILITY

If any provision hereof shall be held invalid, illegal or unenforceable in any respect in any jurisdiction, then, to the extent permitted by Law, (a) all other provisions hereof shall remain in full force and effect in such jurisdiction and (b) such invalidity, illegality or unenforceability shall not affect the validity, legality or enforceability of such provision in any other jurisdiction. If, however, any Law pursuant to which such provisions are held invalid, illegal or unenforceable may be waived, such Law is hereby waived by the parties hereto to the full extent permitted, to the end that this Agreement shall be deemed to be a valid and binding agreement in all respects, enforceable in accordance with its terms.

#### 16.3 SURVIVAL

The representations, warranties, indemnities and covenants set forth herein shall survive the making available of the respective Commitments by Participants, the delivery or return of the Aircraft, the Transfer of any interest of Owner Participant in this Agreement, the Trust Estate and the Trust Agreement, the Transfer of any interest by any Note Holder of its Equipment Note, provided that on the expiration or other termination of the Lease, only such indemnities shall survive.

#### 16.4 REPRODUCTION OF DOCUMENTS

This Agreement, all annexes, schedules and exhibits hereto and all agreements, instruments and documents relating hereto, including, without limitation, (a) consents, waivers and modifications that may hereafter be executed and (b) financial statements, certificates and other information previously or hereafter furnished to any party hereto, may be reproduced by such party by any photographic, photostatic, microfilm, micro-card, miniature photographic or other similar process, and such party may destroy any original documents so reproduced. Any such reproduction shall be as admissible in evidence as the original itself in any judicial or administrative proceeding (whether or not the original is in existence and whether or not such reproduction was made by such party in the regular course of business) and any enlargement, facsimile or further reproduction of such reproduction likewise is admissible in evidence.

## 16.5 COUNTERPARTS

This Agreement and any amendments, waivers, consents or supplements hereto may be executed in any number of counterparts (or upon separate signature pages bound together into one or more counterparts), each of which when so executed shall be deemed to be an original, and all of which counterparts, taken together, shall constitute one and the same instrument.

## 16.6 NO WAIVER

No failure on the part of any party hereto to exercise, and no delay by any party hereto in exercising, any of its respective rights, powers, remedies or privileges under this Agreement or provided at Law, in equity or otherwise shall impair, prejudice or constitute a waiver of any such right, power, remedy or privilege or be construed as a waiver of any breach hereof or default hereunder or as an acquiescence therein nor shall any single or partial exercise of any such right, power, remedy or privilege preclude any other or further exercise thereof by it or the exercise of any other right, power, remedy or privilege by it. No notice to or demand on any party hereto in any case shall, unless otherwise required under this Agreement, entitle such party to any other or further notice or demand in similar or other circumstances or constitute a waiver of the rights of any party hereto to any other or further action in any circumstances without notice or demand.

## 16.7 NOTICES

Unless otherwise expressly permitted by the terms hereof, all notices, requests, demands, authorizations, directions, consents, waivers and other communications required or permitted to be made, given, furnished or filed hereunder shall be in writing (it being understood that the specification of a writing in certain instances and not in others does not imply an intention that a writing is not required as to the latter), shall refer specifically to this Agreement or other applicable Operative Agreement, and shall be personally delivered, sent by facsimile or telecommunication transmission (which in either case provides written confirmation to the sender of its delivery), sent by registered mail or certified mail, return receipt requested, postage prepaid, or sent by overnight courier service, in each case to the respective address, or facsimile number set forth for such party in Schedule 1, or to such other address,

facsimile or other number as each party hereto may hereafter specify by notice to the other parties hereto. Each such notice, request, demand, authorization, direction, consent, waiver or other communication shall be effective when received or, if made, given, furnished or filed (a) by facsimile or telecommunication transmission, when confirmed, or (b) by registered or certified mail, three Business Days after being deposited, properly addressed, with the U.S. Postal Service.

#### 16.8 GOVERNING LAW; SUBMISSION TO JURISDICTION; VENUE

(a) THIS AGREEMENT SHALL IN ALL RESPECTS BE GOVERNED BY THE LAWS OF THE STATE OF NEW YORK, INCLUDING ALL MATTERS OF CONSTRUCTION, VALIDITY AND PERFORMANCE, WITHOUT GIVING EFFECT TO PRINCIPLES OF CONFLICTS OF LAWS. THIS AGREEMENT IS BEING DELIVERED IN THE STATE OF NEW YORK.

(b) EACH PARTY HERETO HEREBY IRREVOCABLY AGREES, ACCEPTS AND SUBMITS ITSELF TO THE NON-EXCLUSIVE JURISDICTION OF THE COURTS OF THE STATE OF NEW YORK IN THE CITY AND COUNTY OF NEW YORK AND OF THE UNITED STATES FOR THE SOUTHERN DISTRICT OF NEW YORK IN CONNECTION WITH ANY LEGAL ACTION, SUIT OR PROCEEDING WITH RESPECT TO ANY MATTER RELATING TO OR ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT.

(c) EACH PARTY HERETO HEREBY IRREVOCABLY CONSENTS AND AGREES TO THE SERVICE OF ANY AND ALL LEGAL PROCESS, SUMMONS, NOTICES AND DOCUMENTS OF ANY OF THE AFOREMENTIONED COURTS IN ANY SUCH SUIT, ACTION OR PROCEEDING MAY BE MADE BY MAILING COPIES THEREOF BY REGISTERED OR CERTIFIED MAIL, POSTAGE PREPAID, AT THE ADDRESS IN THE STATE, CITY AND COUNTY OF NEW YORK SET FORTH PURSUANT TO SECTION 16.7. EACH PARTY HERETO HEREBY AGREES THAT SERVICE UPON IT, OR ANY OF ITS AGENTS, IN EACH CASE IN ACCORDANCE WITH THIS SECTION 16.8(C), SHALL CONSTITUTE VALID AND EFFECTIVE PERSONAL SERVICE UPON SUCH PARTY, AND EACH SUCH PARTY HEREBY AGREES THAT THE FAILURE OF ANY OF ITS AGENTS TO GIVE ANY NOTICE OF SUCH SERVICE TO SUCH PARTY SHALL NOT IMPAIR OR AFFECT IN ANY WAY THE VALIDITY OF SUCH SERVICE ON SUCH PARTY OR ANY JUDGMENT RENDERED IN ANY ACTION OR PROCEEDING BASED THEREON.

#### 16.9 THIRD-PARTY BENEFICIARY

This Agreement is not intended to, and shall not, provide any person not a party hereto (other than the Indenture Indemnitees, each of which is an intended third party beneficiary with respect to the provisions of Section 9.1, and the persons

referred to in Section 7.6.14, which are intended third party beneficiaries with respect to such Section) with any rights of any nature whatsoever against any of the parties hereto and no person not a party hereto (other than the Indenture Indemnitees with respect to the provisions of Section 9.1, and the persons referred to in Section 7.6.14 with respect to the provisions of such Section) shall have any right, power or privilege in respect of any party hereto, or have any benefit or interest, arising out of this Agreement.

#### 16.10 ENTIRE AGREEMENT

Re: Lease of Boeing Model \_\_\_\_\_ Aircraft with Manufacturer's  
Serial Number \_\_\_\_\_ and U.S. Registration  
Number N \_\_\_\_\_

Gentlemen:

We have been requested by Continental Airlines, Inc., a Delaware corporation (the "Company"), to act as special counsel with respect to, and to render this opinion letter in connection with, the transactions contemplated by the Participation Agreement \_\_\_\_\_, dated as of \_\_\_\_\_ (the "Participation Agreement"), among \_\_\_\_\_, as Owner Participant (the "Owner Participant"), First Security Bank, National Association, a national banking association ("First Security"), as Owner Trustee (the "Owner Trustee"), Wilmington Trust Company, a Delaware banking corporation ("WTC"), as Mortgagee (the "Mortgagee"), the Company as Lessee (the "Lessee"), and WTC, in its capacity as Subordination Agent under the Intercreditor Agreement (as defined in the Participation Agreement) and Pass Through Trustee under the Applicable Pass Through Trust Agreements (as defined in the Participation Agreement), as Loan Participant (the "Loan Participant"). Capitalized terms used herein and not otherwise defined herein have the respective meanings given those terms in the Participation Agreement.

In connection with this opinion letter we have examined, among other things, originals or copies certified or otherwise identified to our satisfaction of the following documents:

- (i) Participation Agreement;
- (ii) Lease;

- (iii) Lease Supplement No. 1;
- (iv) Tax Indemnity Agreement;
- (v) Trust Agreement;
- (vi) Trust Indenture;
- (vii) Trust Indenture Supplement No. 1;
- (viii) Purchase Agreement Assignment;
- (ix) Airframe Manufacturer Consent and Agreement;
- (x) Engine Manufacturer Consent and Agreement;
- (xi) Forms of the Equipment Notes; and
- (xii) Bills of Sale.

We have also examined and relied upon such other documents and such other corporate records, certificates and other statements of governmental officials and corporate officers and other representatives of the Company as we have deemed necessary or appropriate for the purposes of this opinion. As to certain facts material to the opinions expressed herein, we have relied upon representations and warranties contained in the Operative Agreements. The opinions expressed herein are subject to the following exceptions, assumptions, qualifications and limitations:

A. The opinions set forth below are limited to the laws of the State of New York, the federal laws of the United States of America and the General Corporation Law of the State of Delaware, except that we express no opinion with respect to (i) the laws, regulations or ordinances of any county, town or municipality or governmental subdivision or agency thereof, (ii) state securities or blue sky laws or federal securities laws, including the Securities Act and the Investment Company Act of 1940, (iii) any federal or state tax, antitrust or fraudulent transfer or conveyance laws, (iv) the Employee Retirement Income Security Act of 1974, as amended, or (v) the Act (except as expressly provided in paragraph 5 below), or any other laws, rules or regulations governing, regulating or relating to the acquisition, ownership, registration, use or sale of an aircraft, airframe or aircraft engine or to the particular nature of the equipment to be acquired by the Owner Trustee. In addition, our opinions are based upon a review of those laws, statutes, rules and regulations which, in our experience, are normally applicable to transactions of the type contemplated by the Participation Agreement.

B. The opinions set forth in paragraphs 3 and 6 below are subject to (i) limitations on enforceability arising from applicable bankruptcy, insolvency, reorganization, moratorium, receivership, fraudulent conveyance, fraudulent transfer, preferential transfer and similar laws relating to or affecting the rights and remedies of creditors or lessors generally and the effect of general principles of equity, including, without limitation, laches and estoppel as equitable defenses and concepts of materiality, reasonableness, good faith and fair dealing (regardless of whether such enforceability is considered or applied in a proceeding in equity or at law) and considerations of impracticability or impossibility of performance, and defenses based upon unconscionability of otherwise enforceable obligations in the context of the factual circumstances under which enforcement thereof is sought and (ii) the qualification that the

remedy of specific performance and injunctive and other forms of equitable relief may be subject to equitable defenses and to the discretion of the court before which any proceeding therefor may be brought. In addition, certain remedial and procedural provisions of the Company Documents (as defined in paragraph 2 below) and the Trust Indenture are or may be unenforceable in whole or in part, but the inclusion of such provisions does not affect the validity of those agreements and does not, in our opinion, make the remedies provided in those agreements, or otherwise available under applicable law, inadequate for the practical realization of the substantive benefits purported to be provided thereby, except for the economic consequences resulting from any delay imposed by, or any procedure required by, applicable laws, rules, regulations and by constitutional requirements. We express no opinion as to (i) any provision contained in any Operative Agreement (a) providing for indemnification or exculpation of any Person for such Person's gross negligence, willful misconduct, recklessness or unlawful conduct or in respect of liabilities under the Securities Act, (b) providing for late payment charges or an increase in interest rate upon delinquency in payment or the occurrence of a default or other specified event but only to the extent such provision is deemed to constitute a penalty or liquidated damages provision, (c) as such provision relates to the subject matter jurisdiction of federal courts or the waiver of inconvenient forum with respect to proceedings in federal courts, (d) that purports to establish (or may be construed to establish) evidentiary standards or (e) providing for the waiver of any statutory right or any broadly or vaguely stated rights or unknown future rights, or any waiver which is against public policy considerations or (ii) Section 15.8(c) of the Participation Agreement or any comparable provision of any other Operative Agreement. Under certain circumstances the requirement that the provisions of an Operative Agreement may be modified or waived only in writing or only in a specific instance and provisions to the effect that failure or delay in exercising any right, remedy, power and/or privilege will not impair or waive such right, remedy, power and/or privilege may be unenforceable to the extent that an oral agreement has been effected or a course of dealing has occurred modifying such provisions. A court may modify or limit contractual agreements regarding attorneys' fees.

C. To the extent that our opinions expressed herein involve conclusions as to the matters set forth in the opinions dated the date hereof of Richards, Layton & Finger, Ray, Quinney & Nebeker or Lytle, Soule & Curlee being delivered to you on the date hereof, we have assumed, without independent investigation, the correctness of the matters set forth in such opinions.

D. We have assumed the due authorization, execution and delivery of the Operative Agreements by each of the parties thereto, that each of such parties (other than the Company) has the power and authority to execute, deliver and perform each such Operative Agreement and has obtained or made all necessary consents, approvals, filings and registrations in connection therewith (except any required under New York law by the Company), that such execution, delivery and performance does not violate its charter, by-laws or similar instrument, that the Trust Agreement constitutes the valid, binding and enforceable obligations of the parties thereto and duly creates the trust it purports to create, that the Owner Trustee for purposes of Section 9-103(3) of the Uniform Commercial Code of the State of New York (the "UCC") is

located in Utah and that, under applicable law, the Owner Trustee would be deemed to be the owner of the Trust Estate and Trust Indenture Estate, that First Security has the legal ability to exercise its trust powers with respect to the Trust Estate in the State of New York, that value has been given by the Loan Participant to the Owner Trustee under the Trust Indenture, that the Owner Trustee has rights in the Trust Indenture Estate, that each of First Security and WTC is duly organized, validly existing and in good standing in its jurisdiction of organization and qualified to transact business in each other jurisdiction where such qualification is required.

E. We have assumed the due authorization, execution and issuance of the Equipment Notes by the Owner Trustee and the due authentication of the Equipment Notes by the Mortgagee and the delivery thereof against payment therefor, all in accordance with the Participation Agreement and the Trust Indenture, and that the Equipment Notes conform to the forms thereof examined by us.

F. We have assumed that all signatures on documents examined by us are genuine, that all persons signing such documents have legal capacity, that all documents submitted to us as originals are authentic and that all documents submitted to us as copies or specimens conform with the originals, which facts we have not independently verified.

G. We express no opinion as to (i) any provision in any Operative Agreement that is contrary to Section 2A-303, Section 9-311, or Part V of Article 9, of the UCC, or (ii) whether or not the Lease constitutes a "security interest" within the meaning of Section 1-201(37) of the UCC. We express no opinion as to whether or not the Lease constitutes a "Finance Lease" within the meaning of Section 2A-103(g) of the UCC and we express no opinion as to the enforceability of any provision of any Operative Agreement which purports to categorize the Lease as such.

H. We have not made any examination of, and express no opinion with respect to (and to the extent relevant have assumed the accuracy and sufficiency of), (i) descriptions of, the legal or beneficial ownership of, or the title or condition of title to, the Trust Estate or the Trust Indenture Estate or any other property covered by any of the Operative Agreements, (ii) except as expressly set forth in paragraphs 5 and 8 below, the existence, creation, validity or attachment of any Lien thereon, (iii) except as expressly set forth in paragraph 5 below, the perfection of any Lien thereon and (iv) the priority or enforcement of any Lien thereon.

I. In giving an opinion regarding the valid existence and good standing of the Company, we have relied solely upon certificates of public officials.

J. The opinions expressed herein are given as of the date hereof. We assume no obligation to advise you of any facts or circumstance that may come to our attention, or any changes in law that may occur after the date hereof, which may affect the opinion expressed herein.

Based on and subject to the foregoing, we are of the opinion

that:

1. The Company is a corporation duly incorporated, validly existing and in good standing under the laws of the State of Delaware.

2. The Company has all necessary corporate power to execute, deliver and perform its obligations under the Participation Agreement, the Lease, the Lease Supplement No. 1, the Purchase Agreement Assignment, the BFE Bill of Sale and the Tax Indemnity Agreement (collectively, the "Company Documents"). Neither the execution nor delivery of the Company Documents by the Company nor the consummation of the transactions contemplated thereby will result in any violation of (a) its Restated Certificate of Incorporation or By-laws or (b) any law, governmental rule or regulation known to us to be applicable to, or binding on, the Company, or requires the approval of the stockholders of the Company.

3. Each Company Document constitutes the valid and binding obligation of the Company and is enforceable against the Company in accordance with its terms.

4. Except for the matters referred to in clauses (i) through (iv) of paragraph 5 below, no approval, authorization or other action by or filing with any governmental authority is required for the execution and delivery by the Company of the Company Documents or the consummation of the transactions contemplated thereby to occur at the Closing.

5. Except for (i) the registration of the Aircraft with the FAA pursuant to the Act, (ii) the filing and recordation in accordance with the Act of the FAA Filed Documents, and assuming that at the time of such filing no other unrecorded document relating to the Aircraft has been filed pursuant to the Act, (iii) the filing of Financing Statements referred to in Section 5.1.12 of the Participation Agreement, and the filing of periodic continuation statements with respect thereto, and (iv) the taking of possession by the Mortgagee of the original counterparts of the Lease and Lease Supplement No. 1, (a) no further filing or recording of any document is necessary (x) to establish the Owner Trustee's title to the Airframe and Engines, and (y) to create a valid security interest in the Owner Trustee's interest as owner of the Airframe and Engines, the Lease and the Lease Supplement No. 1 covering the Aircraft, the Purchase Agreement (to the extent assigned by the Purchase Agreement Assignment) and the Purchase Agreement Assignment in favor of the Mortgagee pursuant to the Trust Indenture and (b) no further filing or recording of any document in the State of New York or under the Act is required to perfect a security interest in the Owner Trustee's interest as owner of the Airframe and Engines, the Lease and Lease Supplement No. 1 covering the Aircraft, the Purchase Agreement (to the extent assigned by the Purchase Agreement Assignment) and the Purchase Agreement Assignment in favor of the Mortgagee pursuant to the Trust Indenture.

6. Each of the Participation Agreement, the Trust Indenture, the Lease and the Equipment Notes constitutes the valid and binding obligation of First Security, in its individual capacity (but only to the extent expressly stated in such document that First Security is entering into such document in its individual capacity) and otherwise solely as Owner Trustee,

enforceable against First Security in its individual capacity (but only to the extent expressly stated in such document that First Security is entering into such document in its individual capacity) and otherwise solely as Owner Trustee in accordance with its terms.

7. So long as the Company continues to be a "citizen of the United States", as defined in section 40102 of Title 49 of the United States Code, holding an air carrier operating certificate issued by the Secretary of Transportation pursuant to Chapter 447 of Title 49 of the United States Code for aircraft capable of carrying 10 or more individuals or 6,000 pounds or more of cargo, the Owner Trustee, as lessor under the Lease, and the Mortgagee, as assignee of Owner Trustee's rights under the Lease pursuant to the Trust Indenture, will be entitled to the benefits of Section 1110 of Title 11 of the United States Code with respect to the Airframe and Engines delivered on the date hereof in connection with any case commenced by or against the Company under Chapter 11 of Title 11 of the United States Code.

8. Upon issuance, execution, authentication and delivery of the Equipment Notes at the Closing, the Trust Indenture creates the security interest in favor of the Mortgagee, as trustee for the benefit of the holders of the Equipment Notes, in the Trust Indenture Estate it purports to create to the extent that the UCC applies to a security interest in such property.

This opinion is being delivered pursuant to Section 5.1.2(xxiii)(A) of the Participation Agreement. This opinion may be relied upon by you (and any permitted Transferee under Section 10.1.1(a) or 10.1.3 of the Participation Agreement) in connection with the matters set forth herein and, without our prior written consent, may not be relied upon for any other purpose and may not be furnished to any other Person for any purpose.

Very truly yours,

(c) The execution, delivery and performance of each of the Agreements has been duly authorized by all necessary corporate action on the part of Continental, and each of the Agreements has been duly executed and delivered by Continental.

(d) There are no pending or, to our knowledge, threatened actions, suits or proceedings before any court or administrative agency or arbitrator that question the validity of any of the Agreements or that would have been required to be disclosed in Continental's Annual Report on Form 10-K filed for the year ended \_\_\_\_\_, on any subsequent Quarterly Report on Form 10-Q or Current Report on Form 8-K, except such as are therein disclosed.

The foregoing opinions are limited to the federal law of the United States of America (other than (i) the Act (except as expressly provided in paragraph 1 above) or any other laws, rules or regulations governing, regulating or relating to the acquisition, ownership, registration, use or sale of an aircraft, airframe or aircraft engine or to the particular nature of the equipment to be acquired by Continental, (ii) state securities or blue sky laws, or federal securities laws, (iii) federal or state tax, antitrust or fraudulent transfer or conveyance laws, as to which we express no opinion), the General Corporation Law of the State of Delaware and the law of the State of Texas.

(1) First Security is a national banking association duly organized, validly existing and in good standing under the laws of the United States, is a "citizen of the United States" within the meaning of Section 40102(a)(15) of the Act and has the full power and authority to enter into and perform its obligations under the Trust Agreement and each other Operative

Agreement to which it, in its individual capacity or as Owner Trustee, as the case may be, is a party and, as Owner Trustee, to issue, execute, and deliver and perform the Equipment Notes.

(2) The Owner Trustee is the duly appointed trustee under the Trust Agreement and the Trust Agreement creates a legal and valid trust under the laws of the State of Utah; the trust created by the Trust Agreement has been duly created and exists for the benefit of the Owner Participant, and the Trust Agreement creates for the benefit of the Owner Participant the rights and interests in the Trust Estate which the Trust Agreement by its terms purports to create; and assuming the Trust Agreement was properly authorized, executed and delivered by the Owner Participant and that the terms of the Trust Agreement are not in violation of any laws, documents, judgments, regulations or other provisions applicable to the Owner Participant, the Trust Agreement constitutes, under the laws of the State of Utah, a legal, valid and binding obligation of the Owner Participant enforceable against the Owner Participant in accordance with its terms.

(3) The Trust Agreement, the Participation Agreement, and each other Operative Agreement to which First Security or the Owner Trustee, as the case may be, is a party, and the Equipment Notes, have been duly authorized, executed and delivered by First Security, or the Owner Trustee, as the case may be, and assuming due authorization, execution and delivery by the other parties thereto is a legal, valid and binding obligation of First Security, or the Owner Trustee, as the case may be, enforceable in accordance with their respective terms.

(4) The execution and delivery by First Security of the Trust Agreement and the Participation Agreement and the execution and delivery by the Owner Trustee of the Operative Agreements to which it is a party is not, and the performance by First Security, or the Owner Trustee, as the case may be, of its respective obligations under each such agreements will not be, inconsistent with the articles of association or by-laws of First Security, do not and will not contravene any State of Utah or federal law, or any State of Utah or federal governmental rule or regulation or any judgment or order of which we have knowledge and which is applicable to it and do not and will not contravene any provision of, or result in the creation of any lien upon any property of First Security, or constitute a default under, any indenture, mortgage, contract or other instrument of which we have knowledge and to which First Security or the Owner Trustee is a party or by which either is bound or require the consent or approval of, the giving of notice to, or the registration with, or the taking of any action in respect of, or under federal law or the laws of the State of Utah or any subdivision or agency thereof.

(5) There are no fees, taxes or other charges, except taxes imposed on fees payable to First Security, required to be paid under the laws, ordinances or regulations of the State of Utah or any political subdivision thereof, including, without limitation, Salt Lake City, in connection with the execution, delivery or performance by the Lessee, Owner Trustee, Mortgagee or any Participant of the Operative Agreements solely because First Security, or the Owner Trustee as

the case may be, performs certain of its obligations under the Operative Documents in the State of Utah.

(6) There are no pending or threatened actions or proceedings against or affecting First Security or the Owner Trustee, as the case may be, before any court, governmental authority or administrative agency which, if adversely determined, could materially adversely affect the right, power or ability, either in its individual capacity or as Owner Trustee, or both, as the case may be, to enter into or perform its obligations under the Operative Agreements.

(7) The Trust Indenture (or financing statements or other notices with respect thereto) has been filed for record or recorded with the Division of Corporations and Commercial Code in the State of Utah and such offices are all the places in the State of Utah wherein such filing or recordation is necessary and no other actions or filings are necessary in the State of Utah to perfect the lien and security interest of the Mortgagee in the Trust Estate as against creditors of or purchasers from the Owner Trustee or the Lessee, or both.

(8) The Owner Trustee has received such right, title and interest in and to the Aircraft as was conveyed to the Owner Trustee on the date hereof, subject to (i) the rights of the Lessee under the Lease and the Lease Supplement; (ii) the beneficial interest of the Owner Participant in the Aircraft; and (iii) the Lien created pursuant to the Trust Indenture and the Trust Indenture Supplement; and to our knowledge there exist no Liens affecting the right, title or interest of the Owner Trustee in and to the Trust Estate resulting from claims against First Security, not related to the ownership of the Trust Estate or the administration of the Trust Estate or any other transaction contemplated by the Operative Agreements.

(9) Assuming that (i) the Aircraft is not physically located in the State of Utah at the commencement or termination of the Term, (ii) in connection with any sale of the Aircraft, such Aircraft will not be physically delivered in the State of Utah to a buyer, and (iii) the trust created by the Trust Agreement is treated as a grantor trust for federal income tax purposes in accordance with Sections 671 through 678 of the Internal Revenue Code of 1986, as amended, there are no fees, taxes or other charges (except taxes imposed on fees payable to the Owner Trustee) payable to the State of Utah or any political subdivision thereof in connection with the execution, delivery or performance by the Owner Trustee, the Mortgagee, the Lessee or any Participant of the Operative Agreements or in connection with the making by the Owner Participant of its investment in the Aircraft or its acquisition of the beneficial interest in the Trust Estate or in connection with the issuance and acquisition of the Equipment Notes, and neither the Owner Trustee, the Trust Estate nor the trust created by the Trust Agreement will be subject to any fee, tax or other governmental charge (except taxes on fees payable to the Owner Trustee) under the laws of the State of Utah or any political subdivision thereof on, based on or measured by, directly or indirectly, the gross receipts, net income or value of the Trust Estate by reason of the creation or continued existence of the trust under the terms of the Trust Agreement pursuant to

the laws of the State of Utah or the Owner Trustee's performance of its duties under the Trust Agreement within such State.

(10) Neither a Utah court nor a federal court applying Utah law or federal law, if properly presented with the issue and after having properly considered such issue, would permit the Owner Participant to terminate the Trust Agreement, except in accordance with its terms

(11) Although there is no Utah case directly on point, under the laws of the State of Utah, so long as the Trust Agreement has not been terminated in accordance with its terms, creditors of any person that is an Owner Participant, holders of a lien against the assets of any such person that is an Owner Participant, such as trustees, receivers or liquidators (whether or not an insolvency proceeding has been commenced) (collectively the "Creditors") may acquire valid claims and liens, as to the Trust Estate, only against the rights of such Owner Participant under the Trust Agreement or in the Trust Estate, and do not have, and may not through the enforcement of such Creditors' rights acquire, any greater rights than such Owner Participant with respect to the Trust Agreement or the Trust Estate.

The foregoing opinions are subject to the following assumptions, exception and qualifications:

A. The foregoing opinions are limited to the laws of the State of Utah and the federal laws of the United States of America governing the banking and trust powers of First Security and Title 11 of the United States Code entitled "Bankruptcy". In addition, we express no opinion with respect to (i) federal securities laws, including the Securities Act of 1933, as amended, the Securities Exchange Act of 1934, as amended, and the Trust Indenture Act of 1939, as amended; (ii) the Federal Aviation Act of 1958, as amended (except with respect to the opinion set forth in paragraph 1 above concerning the citizenship of First Security); or (iii) state securities or blue sky laws. Insofar as the foregoing opinions relate to the legality, validity, binding effect and enforceability of the documents involved in these transactions, which by their terms are governed by the laws of a state other than Utah, we have assumed that such documents constitute legal, valid, binding and enforceable agreements under the laws of such state, as to which we express no opinion.

B. The foregoing opinions regarding enforceability of any document or instrument are subject (i) except as otherwise set forth in the opinions in paragraphs 10 and 11, to applicable bankruptcy, insolvency, moratorium, reorganization, receivership and similar laws affecting the rights and remedies of creditors generally, and (ii) general principles of equity, regardless of whether such enforceability is considered in a proceeding in equity or at law. We call to your attention that bankruptcy courts are courts in equity with wide discretion in applying the provisions of the Bankruptcy Code.

C. As to the documents involved in these transactions, we have assumed that each is a legal, valid and binding obligation of each party thereto, other than First Security or the Owner Trustee, and is enforceable against each such party in accordance with their respective terms.

D. The opinion in paragraph 1 above concerning the citizenship of First Security is based upon the facts contained in an affidavit of First Security, made by its authorized officer, which facts we have not independently verified.

E. We have assumed that all signatures, other than those of the Owner Trustee or First Security, on documents and instruments involved in these transactions are genuine, that all documents and instruments submitted to us as originals are authentic, and that all documents and instruments submitted to us conform with the originals, which facts we have not independently verified.

F. We do not purport to be experts in respect of, or express any opinion concerning laws, rules or regulations applicable to the particular nature of the equipment involved in these transactions.

G. We have made no investigation of, and express no opinion concerning, the nature of the title to any part of the equipment involved in these transactions or the priority of any mortgage or security interest.

H. We have assumed that the Participation Agreement and the transactions contemplated thereby are not within the prohibitions of Section 406 of the Employee Retirement Income Security Act of 1974.

I. In addition to any other limitation by operation of law upon the scope, meaning or purpose of this opinion, this opinion speaks only as of the date hereof. We have no obligation to advise the recipients of this opinion (or any third party) of changes of law or fact that may occur after the date hereof, even though the change may effect the legal analysis, a legal conclusion or any information contained herein.

J. The opinions expressed in this letter are solely for the use of the parties which it is addressed in matters directly related to the Participation Agreement and the transactions contemplated thereunder and these opinions may not be relied on by any other persons or for any other purpose without our prior written approval. The opinions expressed in this letter are limited to the matters set forth in this letter and no other opinions should be inferred beyond the matters expressly stated.

Very truly yours,

## [FORM OF WTC COUNSEL'S OPINION]

-----

To Each of the Parties Listed  
on Schedule A Hereto

Re: Continental Airlines, Inc. - Financing of One Boeing Model  
Aircraft Bearing Manufacturer's Serial Number

Ladies and Gentlemen:

We have acted as counsel to Wilmington Trust Company, a Delaware banking corporation ("WTC"), in connection with the Trust Indenture and Mortgage \_\_\_\_\_, dated as of \_\_\_\_\_ (the "Trust Indenture"), between WTC, as mortgagee (the "Mortgagee"), and First Security Bank, National Association (the "Owner Trustee"). Pursuant to Participation Agreement \_\_\_\_\_, dated as of \_\_\_\_\_ (the "Participation Agreement"), among Continental Airlines, Inc., as Lessee, \_\_\_\_\_, as Owner Participant, the Owner Trustee and WTC, as Mortgagee, Subordination Agent under the Intercreditor Agreement (as defined in the Participation Agreement) and as Applicable Pass Through Trustee (as defined in the Participation Agreement), financing is being provided for the acquisition of one Boeing Model \_\_\_\_\_ aircraft bearing manufacturer's serial number \_\_\_\_\_. This opinion is furnished pursuant to Section 5.1.2 (xxiii)(E) of the Participation Agreement. Capitalized terms used herein and not otherwise defined are used as defined in Annex A to the Participation Agreement or as defined in the Trust Indenture, except that reference herein to any document shall mean such document as in effect on the date hereof.

We have examined originals or copies of the following documents:

- (a) The Trust Indenture and the initial Trust Indenture Supplement;
- (b) The Participation Agreement (the documents referred to in paragraphs (a) and (b) above being collectively referred to as the "Mortgage Documents"); and
- (c) The Equipment Notes being issued today and authenticated by the Mortgagee (the "Equipment Notes").

We have also examined originals or copies of such other documents and such corporate records, certificates and other

statements of governmental officials and corporate officers and other representatives of the corporations or entities referred to herein as we have deemed necessary or appropriate for the purposes of this opinion. Moreover, as to certain facts material to the opinions expressed herein, we have relied upon representations and warranties contained in the documents referred to in this paragraph.

Based upon the foregoing and upon an examination of such questions of law as we have considered necessary or appropriate, and subject to the assumptions, exceptions and qualifications set forth below, we advise you that, in our opinion:

1. WTC has been duly incorporated and is validly existing in good standing as a banking corporation under the laws of the State of Delaware, is a "citizen of the United States" within the meaning of Section 40102(a)(15) of Title 49 of the United States Code, as amended, and has full power, authority and legal right to execute, deliver and perform its obligations under the Mortgagee Documents and to authenticate the Equipment Notes.

2. The Mortgagee, the Subordination Agent, the Applicable Pass Through Trustee or WTC, as the case may be, has duly authorized, executed and delivered each Mortgagee Document to which it is party, and each such document constitutes a legal, valid and binding obligation of the Mortgagee, the Subordination Agent, the Applicable Pass Through Trustee or WTC, as the case may be, enforceable against the Mortgagee, the Subordination Agent, the Applicable Pass Through Trustee or WTC, as the case may be, in accordance with its terms.

3. The execution, delivery and performance by the Mortgagee, Subordination Agent, Applicable Pass Through Trustee or WTC, as the case may be, of the Mortgagee Documents to which it is a party, the authentication by the Mortgagee of the Equipment Notes and the consummation by the Mortgagee, the Subordination Agent, the Applicable Pass Through Trustee or WTC, as the case may be, of any of the transactions contemplated thereby are not in violation of the charter or by-laws of WTC or of any law, governmental rule or regulation of the State of Delaware or the United States governing the banking or trust powers of WTC or, to our knowledge, any indenture, mortgage, bank credit agreement, note or bond purchase agreement, long-term lease, license or other agreement or instrument to which WTC is a party or by which it is bound or, to our knowledge, any judgment or order applicable to WTC.

4. None of the execution and delivery by the Mortgagee, the Subordination Agent, the Applicable Pass Through Trustee or WTC, as the case may be, of the Mortgagee Documents to which it is a party, the authentication of the Equipment Notes or the consummation of any of the transactions by the Mortgagee, the Subordination Agent, the Applicable Pass Through Trustee or WTC, as the case may be, contemplated thereby, requires the consent or approval of, the giving of notice to, the registration with, or the taking of any other action in respect of, any governmental authority or agency of the State of Delaware or the United States governing the banking or trust powers of WTC or under any Delaware law.

5. No taxes, fees or other charges (other than taxes payable by WTC on or measured by any compensation received by WTC for its services as Mortgagee, Subordination Agent or Applicable Pass Through Trustee) are required to be paid by the Subordination Agent, the Applicable Pass Through Trustee or the Mortgagee or the trust created by the Indenture under the laws of the State of Delaware, or any political subdivision thereof, in connection with the execution, delivery or performance of the Mortgagee Documents to which the Mortgagee, the Subordination Agent or the Applicable Pass Through Trustee is party and the Equipment Notes, which taxes, fees or other charges would not be required to be paid if WTC were not a Delaware banking corporation and did not perform its obligations as Mortgagee under the Indenture in the State of Delaware.

6. The Equipment Notes have been duly and validly authenticated by the Mortgagee in accordance with the Trust Indenture.

7. To our knowledge, there are no proceedings pending or threatened against or affecting the Mortgagee, the Subordination Agent, the Applicable Pass Through Trustee or WTC in any court or before any governmental authority, agency, arbitration board or tribunal which, if adversely determined, individually or in the aggregate, would materially and adversely affect the Mortgaged Property or the right, power and authority of the Mortgagee, the Subordination Agent, the Applicable Pass Through Trustee or WTC, as the case may be, to enter into or perform its obligations under the Mortgagee Documents to which is party.

The foregoing opinions are subject to the following assumptions, exceptions and qualifications:

A. We are admitted to practice law in the State of Delaware and we do not hold ourselves out as being experts on the law of any other jurisdiction. The foregoing opinions are limited to the laws of the State of Delaware (and its political subdivisions to the extent set forth in paragraph 5, above) and the federal laws of the United States of America governing the banking or trust powers of WTC, except that we express no opinion with respect to (i) federal securities laws, including the Securities Act of 1933, as amended, the Securities Exchange Act of 1934, as amended, the Investment Company Act of 1940, as amended, and the Trust Indenture Act of 1939, as amended, (ii) Part A of Subtitle VII of Title 49 of the United States Code, as amended (except with respect to the opinion set forth in paragraph 1 above concerning the citizenship of WTC), (iii) the Federal Communications Act of 1934, as amended, (iv) state securities or blue sky laws, or (v) laws, rules and regulations applicable to the particular nature of the equipment acquired by the Company. Insofar as the foregoing opinions relate to the validity and enforceability of the Mortgagee Documents expressed to be governed by the laws of the State of New York, we have assumed that each such document is legal, valid, binding and enforceable in accordance with its terms under such laws (as to which we express no opinion).

B. The foregoing opinions regarding enforceability are subject to (i) applicable bankruptcy, insolvency, moratorium, reorganization, receivership, fraudulent conveyance and similar laws relating to or affecting the enforcement of the rights and remedies of creditors generally, and (ii) principles of equity (regardless of whether considered and applied in a proceeding in equity or at law).

C. We have assumed that each of the parties to the Mortgagee Documents and the Equipment Notes (except the Mortgagee, the Subordination Agent, the Applicable Pass Through Trustee or WTC, as the case may be) has full power, authority and legal right to execute, deliver and perform each such document and that each such document has been duly authorized, executed and delivered by each such party.

D. We have assumed that all signatures (other than signatures of officers of WTC) on documents examined by us are genuine, that all documents submitted to us as originals are authentic and that all documents submitted to us as copies conform with the originals, which facts we have not independently verified.

E. We have assumed that the Participation Agreement and the transactions contemplated thereby are not within the prohibitions of Section 406 of the Employee Retirement Income Security Act of 1974.

F. No opinion is expressed as to the creation, attachment, perfection or priority of any mortgage or security interests or as to the nature or validity of title to any part of the Mortgaged Property.

G. The opinion set forth in paragraph (1) above concerning the citizenship of WTC is based upon an affidavit of WTC, made by one of its Vice Presidents, the facts set forth in which we have not independently verified.

This opinion may be relied upon by you in connection with the matters set forth herein. This opinion may also be relied upon by any transferee of a Note Holder, subject to the understanding that the opinions expressed herein are rendered as of the date hereof and only with respect to the laws, rules and regulations in effect as of such date. Otherwise, without our prior written consent, this opinion may not be relied upon by any other person or entity for any purpose.

Very truly yours,

[Form of FAA Counsel Opinion]

Re: Continental Airlines, Inc. (the "Lessee")

To the Addressees on  
Exhibit A Attached Hereto

Ladies and Gentlemen:

Pursuant to Section 5.1.2(xxiii)(I) of Participation Agreement \_\_\_\_\_ dated as of \_\_\_\_\_ (the "Participation Agreement") among the Lessee, \_\_\_\_\_ as Owner Participant (the "Owner Participant"), the Loan Participant named therein, First Security Bank, National Association, as Owner Trustee (the "Owner Trustee") under Trust Agreement \_\_\_\_\_ dated as of \_\_\_\_\_ (the "Trust Agreement") with the Owner Participant, and Wilmington Trust Company, not in its individual capacity, except as expressly provided therein but solely as Mortgagee (the "Mortgagee"), which provides for the financing of the purchase today by the Owner Trustee of the Boeing model \_\_\_\_\_ aircraft with manufacturer's serial number \_\_\_\_\_ and United States nationality and registration marks N\_\_\_\_\_ (the "Aircraft") and two Rolls Royce model \_\_\_\_\_ aircraft engines with manufacturer's serial numbers \_\_\_\_\_ and \_\_\_\_\_ (the "Engines") and the leasing of the Aircraft and the Engines by the Owner Trustee to the Lessee, this opinion is rendered with respect to matters arising under that portion of Title 49 of the United States Code (the "Transportation Code") relating to the recordation of the instruments hereinafter described and the registration of the Aircraft pursuant to the Transportation Code. As contemplated by the Participation Agreement, title to the Aircraft has been conveyed by The Boeing Company to the Owner Trustee by an AC Form 8050-2 Aircraft Bill of Sale (the "FAA Bill of Sale"), the registration of the Aircraft will be accomplished by the filing with the Federal Aviation Administration (the "FAA") of an AC Form 8050-1 Aircraft Registration Application in the name of the Owner Trustee (the "Aircraft Registration Application"), the leasing of the Aircraft and the Engines is pursuant to Lease Agreement \_\_\_\_\_ dated as of \_\_\_\_\_ (the "Lease") between the Owner Trustee and the Lessee, as supplemented by Lease Supplement No. 1 dated this date (the "Lease Supplement"), and the creation of a security interest in the Aircraft and the Engines is pursuant to the Trust Indenture and Mortgage \_\_\_\_\_ dated as of \_\_\_\_\_ (the "Trust Indenture") between the Owner Trustee and the Mortgagee, as supplemented by Trust Indenture and Mortgage \_\_\_\_\_ Supplement No. 1 dated this date (the "Trust Supplement").

Based upon our examination of the above described instruments and of such records of the FAA as we deemed necessary to express the following opinion and as were made available to us by the FAA, it is our opinion that:

- (a) the FAA Bill of Sale, the Trust Indenture with the Trust Supplement attached and the Lease with the Lease Supplement, the Trust Indenture and the Trust Supplement attached are in due form for recording and have been duly filed for recordation with the FAA pursuant to and in accordance with the provisions of the Transportation Code today at \_\_\_\_\_, \_\_\_\_\_, and \_\_\_\_\_, respectively;
- (b) the Aircraft Registration Application, to which were attached the Affidavits of the Owner Trustee and the Owner Participant required by Section 47.7(c)(2)(ii) of Part 47 of the Federal Aviation Regulations, and the Trust Agreement were duly filed with the FAA today at \_\_\_\_\_;
- (c) the Owner Trustee is the owner of legal title to the Aircraft, and the Aircraft and the Engines are free and clear of all Liens (as such term is defined in the Lease) except the security interest created by the Trust Indenture, as supplemented by the Trust Supplement, and the interests of the parties created by the Lease, as supplemented by the Lease Supplement;
- (d) the Aircraft is eligible for registration in the name of the Owner Trustee under the Transportation Code, and the Aircraft will be duly registered by the FAA in the name of the Owner Trustee in due course pursuant to and in accordance with the provisions of the Transportation Code;
- (e) the rights of the Owner Trustee and the Lessee under the Lease, as supplemented by the Lease Supplement, with respect to the Aircraft and the Engines are perfected;
- (f) the Trust Indenture, as supplemented by the Trust Supplement, constitutes a valid, duly perfected first priority mortgage and security interest in favor of the Mortgagee, as trustee for the benefit of the Note Holders (as such term is defined in the Trust Indenture), in the Aircraft and the Engines and a valid, duly perfected first priority security interest in and collateral assignment of all of the right, title and interest of the Owner Trustee in, to and under the Lease, as supplemented by the Lease Supplement (insofar as such security interest and collateral assignment affect an interest covered by the recording system established by the FAA pursuant to Section 44107(a) of the Transportation Code), subject only to the Lease, as supplemented by the Lease Supplement;

- (g) none of the Trust Indenture, the Trust Agreement, the Trust Supplement, the Lease or the Lease Supplement is required to be filed or recorded in any other place within the United States in order to perfect the mortgage and security interest in the Aircraft and the Engines or the security interest in and collateral assignment of the Lease, as supplemented by the Lease Supplement (insofar as such security interest and collateral assignment affect an interest covered by the recording system established by the FAA pursuant to Section 44107(a) of the Transportation Code) under the applicable laws of any jurisdiction within the United States;
- (h) no other registration of the Aircraft and no filings or recordings (other than the filings and recordings with the FAA which have been effected) are necessary to perfect in any jurisdiction within the United States the Owner Trustee's title to the Aircraft, the first priority security interest and collateral assignment created by the Trust Indenture and the Trust Supplement in the Aircraft and the Engines and in all right, title and interest of the Owner Trustee in and to the Lease, as supplemented by the Lease Supplement (insofar as such security interest and collateral assignment affect an interest covered by the recording system established by the FAA pursuant to Section 44107(a) of the Transportation Code); and
- (i) no authorization, approval, consent, license or order of, or registration or filing with, or the giving of notice to, the FAA Aircraft Registry is required for the valid authorization, delivery or performance of the Lease, the Lease Supplement, the Trust Agreement, the Trust Indenture and the Trust Supplement except for such authorizations, approvals, consents, licenses, orders, registrations, and notices as have been effected.

No opinion is herein expressed as to: (i) laws other than the federal laws of the United States; (ii) the validity or enforceability under local law of the Trust Indenture, as supplemented by the Trust Supplement; or (iii) the recognition of the perfection of the security interest and collateral assignment created by the Trust Indenture, as supplemented by the Trust Supplement, as against third parties in any legal proceedings outside the United States. Since our examination was limited to records maintained by the FAA Aircraft Registry, our opinion does not cover liens which are perfected without the filing of notice thereof with the FAA, such as federal tax liens, liens arising under Section 1368(a) of Title 29 of the United States Code and possessory artisans' liens, and was subject to the accuracy of FAA personnel in the filing, indexing and recording of instruments filed with the FAA and in the search for encumbrance cross-reference index cards for the Engines. In rendering this opinion, we have relied upon the opinion of the Assistant Chief Counsel for the Aeronautical Center dated \_\_\_\_\_ (a copy of which is attached hereto) and upon the past practice of the FAA which is consistent with said opinion.

Although this opinion is not addressed to special counsel for the Loan Participant, special counsel for the Owner Participant or counsel for the Lessee, they may rely upon it as though addressed to them.

Very truly yours,

Patricia J. Hanson

## LEASE AGREEMENT \_\_\_\_\_

LEASE AGREEMENT \_\_\_\_\_, dated as of (this "Agreement" or "Lease"), between (a) FIRST SECURITY BANK, NATIONAL ASSOCIATION, a national banking association, not in its individual capacity, except as expressly provided herein, but solely as Owner Trustee (this and all other capitalized terms used but not defined herein shall have the respective meanings ascribed thereto in Section 1 below) ("Lessor" or "Owner Trustee"), and (b) CONTINENTAL AIRLINES, INC., a Delaware corporation ("Lessee").

## RECITALS

A. Lessor and Lessee are parties to the Participation Agreement, pursuant to which, among other things, Lessor and Lessee have agreed to enter into this Agreement.

B. Pursuant to the Trust Agreement, Owner Participant has authorized Lessor to enter into this Agreement.

NOW, THEREFORE, for and in consideration of the premises and the mutual agreements contained herein and for other good and valuable consideration, the sufficiency and receipt of which are hereby acknowledged, the parties hereto agree as follows:

## SECTION 1. DEFINITIONS AND CONSTRUCTION

## 1.1 DEFINITIONS

Capitalized terms used but not defined herein shall have the respective meanings set forth or incorporated by reference, and shall be construed and interpreted in the manner described, in Annex A.

## 1.2 FINANCE LEASE PARTIES

The parties agree, to the extent permitted by applicable Law, that no right or remedy granted solely by reason of Article 2A of the UCC shall be available to Lessor or Lessee as against each other unless expressly set forth in this Lease; and to the extent the foregoing waiver is not wholly effective, the parties agree that this Lease shall constitute a "Finance Lease" for

purposes of Article 2A of, and as defined by Section 2A-103(g) of, the UCC.

SECTION 2. DELIVERY AND ACCEPTANCE

2.1 DELIVERY AND LEASE OF AIRCRAFT

Lessor hereby agrees (subject to the satisfaction or waiver of the conditions set forth in Section 5 of the Participation Agreement) to lease to Lessee for the Term and Lessee hereby agrees (subject to the satisfaction or waiver of the conditions set forth in Section 5 of the Participation Agreement) to lease from Lessor for the Term, the Aircraft, commencing immediately upon acquisition of the Aircraft by Lessor pursuant to the Purchase Agreement Assignment.

2.2 ACCEPTANCE BY LESSEE

(a) By executing and delivering Lease Supplement No. 1, Lessee confirms to Lessor that (i) Lessee has duly and irrevocably accepted delivery of the Aircraft for all purposes of this Agreement, (ii) Lessee has duly and irrevocably accepted the Aircraft as being in satisfactory condition and in good working order, without defect in design, operation or fitness for use, whether or not discoverable by Lessee as of the Delivery Date, and (iii) the Aircraft has been duly marked in accordance with Section 7.1.3(a).

(b) Lessor has authorized one or more employees of Lessee, designated by Lessee in writing, as the authorized representative or representatives of Lessor to accept delivery of the Aircraft on behalf of Lessor pursuant to the Purchase Agreement Assignment and the Participation Agreement. Lessee hereby agrees that if delivery of the Aircraft shall be accepted by an employee or employees of Lessee pursuant to such authorization by Lessor, such acceptance of delivery by such employee or employees on behalf of Lessor shall, without further act, irrevocably constitute acceptance by Lessee of the Aircraft for all purposes of this Agreement.

SECTION 3. TERM AND RENT

3.1 TERM

The Aircraft shall be leased hereunder for the Term, unless this Agreement or the leasing of the Aircraft is earlier

terminated in accordance with any provision of this Agreement. Lessee shall have the option to renew the leasing of the Aircraft hereunder pursuant to, and subject to the terms and conditions of, Section 17, for the Renewal Lease Term.

### 3.2 RENT

#### 3.2.1 INTERIM RENT; BASIC RENT; ADJUSTMENTS TO BASIC RENT, STIPULATED LOSS VALUE AND TERMINATION VALUE

(a) Lessee shall pay Interim Rent to Lessor on the last day of the Interim Lease Term. During the Base Lease Term, Lessee shall pay to Lessor, on each Payment Date, in the manner and in funds of the type specified in Section 3.3, Basic Rent in the amount equal to the percentage of Lessor's Cost specified in Schedule 2 for such Payment Date, which shall be allocated to the Payment Period ending on such Payment Date, if designated as a payment in arrears, or allocated to the Payment Period commencing on such Payment Date, if designated as a payment in advance, in each case as specified in Schedule 2, as such amount may be adjusted pursuant to Section 3.2.1 (b) or increased pursuant to the next sentence. Interim Rent and Basic Rent shall be increased in an amount equal to any increase in the amount of interest due on the Equipment Notes on the relevant Payment Date pursuant to the terms of the Equipment Notes with respect to adjustments to the respective interest rates borne by the Equipment Notes to the extent, and under the circumstances, specified in the Registration Rights Agreement.

(b) In the event of a refinancing as contemplated by Section 11 of the Participation Agreement, then the Basic Rent percentages set forth in Schedule 2, Stipulated Loss Value percentages set forth in Schedule 3 and the Termination Value percentages set forth in Schedule 4 shall be recalculated (upwards and downwards) by the Owner Participant as contemplated by such Section 11 in accordance with Section 3.2.1(c). Any adjustment described in this Section shall be set forth in an amendment to this Lease executed and delivered by Lessor and Lessee.

(c) All adjustments pursuant to Section 3.2.1(b) shall be made as promptly as practicable after either Owner Participant or Lessee gives notice to the other that an event has occurred that requires an adjustment. Owner Participant and Lessee shall

give prompt notice to the other of any event requiring an adjustment. All such adjustments shall be made in a manner that (i) maintains the Net Economic Return to Owner Participant and (ii) to the extent possible consistent with clause (i), minimizes the Net Present Value of Rents to Lessee. Any recalculation of the percentages of Basic Rent, Stipulated Loss Value and Termination Value shall be prepared by Owner Participant, subject to verification at the request of Lessee in accordance with Section 3.2.1(d), on the basis of the same methodology and assumptions used by Owner Participant in determining the percentages of Basic Rent, Stipulated Loss Value and Termination Value as of the Delivery Date (including compliance with Revenue Procedures 75-21 and 75-28 and Section 467 of the Code), except as such assumptions have been modified to reflect the events giving rise to adjustments hereunder. Promptly after an adjustment is made hereunder, Owner Participant shall deliver to Lessee a description of such adjustment, setting forth in reasonable detail the calculation thereof. All adjustments shall (y) be made so as to avoid characterization of the Lease as a "disqualified leaseback or long-term agreement" within the meaning of Section 467 of the Code and to avoid any additional risk of such characterization and (z) be in compliance with the requirements of Revenue Procedure 75-21 and Sections 4.02(5), 4.07(1) and, on a prospective basis, 4.08(1) of Revenue Procedure 75-28. For purposes of this Section 3.2.1(c), adjustments to Basic Rent shall be considered to comply with Section 467 and not to result in recharacterization of the Lease as a "disqualified leaseback or long-term agreement" if (i) application of Section 467 does not result in recognition of income in any taxable year of the Owner Participant in excess of the amount of Basic Rent scheduled to accrue during such taxable year (in accordance with the schedule of adjusted Basic Rent) without regard to the provisions of Section 467(b)(2) of the Code and the regulations thereunder or (ii) Section 467 does require such recognition of income, but the adjustments to Basic Rent maintain Owner Participant's Net Economic Return notwithstanding such acceleration.

(d) If Lessee believes that any calculations by Owner Participant pursuant to Section 3.2.1(c) are in error, and if, after consultation, Lessee and Owner Participant are unable to agree on an adjustment, then a nationally recognized firm of accountants selected by Owner Participant and reasonably satisfactory to Lessee (which may be Owner Participant's independent public accountants) shall verify such calculations.

Owner Participant will make available to such firm, but not, in any circumstances, to Lessee or any representative of Lessee, the methodology and assumptions referred to in Section 3.2.1(c) and any modifications thereto made to reflect the events giving rise to adjustments hereunder (subject to the execution by such firm of a confidentiality agreement, reasonably acceptable to Owner Participant, prohibiting disclosure of such methodology and assumptions to any third party). The determination by such firm of accountants shall be final. Lessee will pay the reasonable costs and expenses of such further verification by such accountants, provided that if it results in a decrease in Basic Rent which decreases the remaining Net Present Value of Rents by more than twenty basis points from the remaining Net Present Value of Rents as recalculated by the Owner Participant, then the Owner Participant will pay such costs and expenses.

(e) Notwithstanding anything to the contrary in any Operative Agreement, the amount of the payment of Basic Rent due and payable on each Payment Date shall be at least sufficient to pay in full, as of such Payment Date (assuming timely payment of the Equipment Notes prior to such Date), the aggregate principal amount of scheduled installments due on the Equipment Notes outstanding on such Payment Date, together with the accrued and unpaid interest thereon, due on such Payment Date in respect of the Equipment Notes; provided, however, that no installment of Basic Rent shall be increased to the extent such increase would be based upon (i) any judicial attachment or diversion of Basic Rent on account of Lessor Liens attributable to Lessor or Owner Participant, (ii) any modification of the amount or due date of any scheduled payment required to be made in respect of the Equipment Notes, other than as required or permitted by any Operative Agreement (including, without limitation, as permitted upon the occurrence of a Lease Event of Default) or (iii) the acceleration of any Equipment Note due solely to the occurrence of an Indenture Event of Default that does not constitute a Lease Event of Default.

### 3.2.2 SUPPLEMENTAL RENT

Lessee shall pay to Lessor, or to whosoever shall be entitled thereto, any and all Supplemental Rent when and as the same shall become due and owing. Lessee shall pay, as Supplemental Rent, the Make-Whole Amount, if any, due pursuant to Section 2.10(b) or Section 2.11 of the Trust Indenture in connection with a redemption of the Equipment Notes pursuant to

such Section 2.10(b) or Section 2.11. Lessee will also pay to Lessor, or to whosoever shall be entitled thereto, on demand, as Supplemental Rent, to the extent permitted by applicable law, interest at the Payment Due Rate on any part of any amount of Rent (including, without limitation, Supplemental Rent) not paid by 12:30 p.m., New York time, on the date when due, for the period from and including the date on which the same was due to, but excluding, the date of payment in full.

### 3.3 PAYMENTS

(a) Payments of Rent and any and all other amounts payable by Lessee hereunder and under any other Operative Agreement shall be paid by wire transfer of immediately available Dollars, not later than 12:30 p.m., New York time, on the date when due, to the account of Lessor specified in Schedule 1 to the Participation Agreement or to such other account in the United States as directed by Lessor to Lessee in writing or, in the case of any payment of Supplemental Rent expressly payable to a person other than Lessor, to the person that shall be entitled thereto to such account in the United States as such person may specify from time to time to Lessee.

(b) Except as otherwise expressly provided herein, whenever any payment of Rent, or any other amount payable under this Agreement, the Participation Agreement or any other Operative Agreement shall be due on a day that is not a Business Day, such payment shall be made on the next day that is a Business Day, and, if such payment is made on such next Business Day, no interest shall accrue on the amount of such payment during such extension.

(c) So long as Lessee has not received written notice from the Mortgagee that the Trust Indenture has been discharged pursuant to Section 10.01 thereof, and notwithstanding Section 3.3(a), Lessor hereby directs, and Lessee agrees, that all payments of Rent and all other amounts payable by Lessee hereunder, other than Excluded Payments, shall be paid directly to Mortgagee on behalf of Lessor by wire transfer of immediately available Dollars to the account of Mortgagee specified in Schedule 1 to the Participation Agreement, or to such other account in the United States as Mortgagee may specify by written notice to Lessor and Lessee from time to time.

(d) Excluded Payments shall be paid by wire transfer of immediately available Dollars to the account of the person specified in the Participation Agreement or, if not so specified, to such account in the United States as may be specified by such person by written notice to Lessor and Lessee from time to time.

(e) All computations of interest under this Agreement shall be made on the basis of a year of 360 days comprised of twelve 30-day months.

SECTION 4. DISCLAIMER; CERTAIN AGREEMENTS OF LESSOR; SECTION 1110 MATTERS

4.1 COMPUTATION OF STIPULATED LOSS AND TERMINATION VALUES

Lessor and Lessee acknowledge and agree that, notwithstanding the second sentence of Section 3.2.1(a), the percentages set forth in Schedules 3 and 4 hereto, with respect to Stipulated Loss Value Dates and Termination Value Dates which are not Payment Dates, have been computed on the assumption that the Basic Rent payable on the Payment Date immediately preceding any such Stipulated Loss Value Date or Termination Value Date, as the case may be, has been paid to and will be retained by Lessor, such that if such computations did not assume payment and retention of such Basic Rent, the Stipulated Loss Values and Termination Values corresponding to such Stipulated Loss Value Dates and Termination Value Dates, respectively, would be commensurately higher than those set forth in Schedules 3 and 4 hereto.

4.2 DISCLAIMER

LESSOR LEASES AND LESSEE TAKES THE AIRCRAFT "AS-IS, WHERE-IS." LESSEE ACKNOWLEDGES AND AGREES THAT AS BETWEEN LESSEE AND EACH OF LESSOR, MORTGAGEE AND ANY PARTICIPANT (i) THE AIRFRAME AND EACH ENGINE ARE OF A SIZE, DESIGN, CAPACITY AND MANUFACTURE SELECTED BY AND ACCEPTABLE TO LESSEE, (ii) LESSEE IS SATISFIED THAT THE AIRFRAME AND EACH ENGINE ARE SUITABLE FOR THEIR RESPECTIVE PURPOSES, AND (iii) NONE OF LESSOR, MORTGAGEE AND ANY PARTICIPANT MAKES, HAS MADE OR SHALL BE DEEMED TO HAVE MADE, AND EACH WILL BE DEEMED TO HAVE EXPRESSLY DISCLAIMED, AND LESSEE HEREBY WAIVES, RELEASES AND RENOUNCES, ANY WARRANTY, REPRESENTATION, GUARANTY, LIABILITY AND OBLIGATION OF LESSOR, MORTGAGEE AND ANY PARTICIPANT AND ANY RIGHT, CLAIM AND REMEDY OF

LESSEE AGAINST SUCH PARTIES, EXPRESS OR IMPLIED, ARISING BY OPERATION OF LAW, COURSE OF PERFORMANCE, COURSE OF DEALING, USAGE OF TRADE OR OTHERWISE, AS TO:

- (w) THE TITLE, AIRWORTHINESS, VALUE, CONDITION, DESIGN, OPERATION, ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR USE OR FOR ANY PARTICULAR PURPOSE OF THE AIRFRAME, ANY ENGINE, ANY PART, ANY DATA OR ANY OTHER THING DELIVERED, SOLD OR TRANSFERRED HEREUNDER,
- (x) THE QUALITY OF THE MATERIAL OR WORKMANSHIP WITH RESPECT TO THE AIRFRAME, ANY ENGINE, ANY PART, ANY DATA OR ANY OTHER THING DELIVERED, SOLD OR TRANSFERRED HEREUNDER,
- (y) THE ABSENCE OF LATENT OR ANY OTHER DEFECT OR NONCONFORMANCE IN THE AIRFRAME, ANY ENGINE, ANY PART, ANY DATA OR ANY OTHER THING DELIVERED, SOLD OR TRANSFERRED HEREUNDER, WHETHER OR NOT DISCOVERABLE, OR
- (z) THE ABSENCE OF ANY ACTUAL OR ALLEGED INFRINGEMENT OF ANY PATENT, TRADEMARK OR COPYRIGHT OR THE LIKE.

LESSEE FURTHER WAIVES, DISCLAIMS, RELEASES AND RENOUNCES ANY LIABILITY, RIGHT, CLAIM, REMEDY OR OBLIGATION BASED ON TORT, INCLUDING STRICT LIABILITY, WHETHER OR NOT ARISING FROM THE NEGLIGENCE (WHETHER ACTIVE, PASSIVE OR IMPUTED) OF LESSOR, MORTGAGEE OR ANY PARTICIPANT, ANY OBLIGATION, LIABILITY, RIGHT, CLAIM OR REMEDY FOR LOSS OF OR DAMAGE TO THE AIRFRAME, ANY ENGINE, ANY PART, ANY DATA OR ANY OTHER THING DELIVERED, SOLD OR TRANSFERRED HEREUNDER, OR ANY OTHER REPRESENTATION OR WARRANTY WHATSOEVER, EXPRESS OR IMPLIED, WITH RESPECT TO THE AIRFRAME, ANY ENGINE, ANY PART, ANY DATA OR ANY OTHER THING DELIVERED, SOLD OR TRANSFERRED HEREUNDER.

#### 4.3 CERTAIN AGREEMENTS OF LESSOR

Unless a Lease Event of Default shall have occurred and be continuing, Lessor agrees to make available to Lessee such rights as Lessor may have under any warranty with respect to the Aircraft made, or made available, by Airframe Manufacturer or Engine Manufacturer or any of their respective subcontractors or suppliers, as the case may be, pursuant to and in accordance with the terms of the Purchase Agreement Assignment.

## 4.4 QUIET ENJOYMENT

So long as no Lease Event of Default shall have occurred and be continuing, Lessor shall not interfere with Lessee's rights hereunder to possession and use of the Aircraft during the Term. The foregoing, however, shall not be construed or deemed to modify or condition in any respect the obligations of Lessee pursuant to Section 16, which obligations are absolute and unconditional.

## 4.5 INVESTMENT OF FUNDS HELD AS SECURITY

## 4.5.1 INVESTMENT

Any moneys required to be paid to or retained by Lessor that are not required to be paid to Lessee pursuant to Section 10.9 or 11.6 solely because a Lease Default or a Lease Event of Default shall have occurred and be continuing, or that are held by Lessor pending payment to Lessee pursuant to Section 10.5, 10.8 or 11.5, or that are required to be paid to Lessee pursuant to Section 10.5, 10.8 or 11.5 after completion of a replacement to be made pursuant to Sections 10.1, 10.2 and 10.3, shall, until paid to Lessee as provided in Section 10 or 11 or applied as provided herein, be held by Lessor as security for the obligations of Lessee under this Lease and the other Lessee Operative Agreements (and Lessee hereby grants to Lessor a security interest in such moneys) and shall be invested by Lessor from time to time as directed in writing by Lessee (or, if Lessee fails to so direct, by or as directed by Lessor in its sole discretion) and at the expense and risk of Lessee in Cash Equivalents so long as such Cash Equivalents specified by Lessee or Lessor, as the case may be, can be acquired by Lessor using its best efforts; provided, that so long as the Lien of the Trust Indenture shall not have been discharged under Section 10.01 thereof, such moneys shall be invested and held by Mortgagee, as assignee of Lessor, as security for the obligations of Lessee under this Lease and the other Lessee Operative Agreements and shall be invested by Mortgagee pursuant to the first sentence of Section 5.09 of the Trust Indenture.

## 4.5.2 PAYMENT OF GAIN OR LOSS

Any net gain (including interest received) realized as the result of investments pursuant to Section 4.5.1 (net of any fees, commissions and other reasonable expenses, if any, incurred in

connection with such investment) shall be held and applied in the same manner as the principal amount is to be held and applied hereunder. Lessee will promptly pay to Lessor, on demand, the amount of any loss realized as the result of any such investment (together with any fees, commissions and other reasonable expenses, if any, incurred in connection with such investment), such amount so paid to be held and applied by Lessor as contemplated in Section 4.5.1 above.

#### 4.5.3 LIMITATION OF LIABILITY

All investments under this Section 4.5, and under the first sentence of Section 5.09 of the Trust Indenture, shall be at the expense and risk of Lessee, and Lessor and Mortgagee shall not be liable for any loss resulting from any investment made under this Section 4.5, or under the first sentence of Section 5.09 of the Trust Indenture, other than by reason of its willful misconduct or gross negligence. Any such investment may be sold (without regard to its maturity) by Lessor without instructions whenever such sale is necessary to make a distribution required by this Lease or the Trust Indenture.

#### 4.6 TITLE TRANSFERS BY LESSOR

If Lessor shall be required to transfer title to the Aircraft, Airframe or any Engine to Lessee or any other person pursuant to Section 5.3, 9, 10 or 17.3, then (a) Lessor shall (1) transfer to Lessee or such other person, as the case may be, all of Lessor's right, title and interest in and to the Aircraft, Airframe or such Engine, as the case may be, (2) assign to Lessee or such other person, as the case may be, if and to the extent permitted under the Purchase Agreement, all warranties of Airframe Manufacturer and Engine Manufacturer with respect to the Aircraft, Airframe or such Engine, and (3) assign to Lessee or such other person, as the case may be, if and to the extent permitted, all claims, if any, for damage to the Aircraft, Airframe or such Engine, in each case free of Lessor Liens attributable to Lessor or Owner Participant, and without recourse or warranty of any kind whatsoever (except as to the transfer described in clause (1) above and as to the absence of such Lessor Liens, as aforesaid), and (b) Lessor shall promptly deliver to Lessee or such other person, as the case may be, a bill of sale and agreements of assignment, evidencing such transfer and assignment and such other instruments of transfer, all in form and substance reasonably satisfactory to Lessor and

Lessee (or such other person, as the case may be), as Lessee (or such other person, as the case may be) may reasonably request.

#### 4.7 LESSOR'S INTEREST IN CERTAIN ENGINES

In the event Lessee shall have received from the lessor, conditional seller, indenture trustee or secured party of any airframe leased to, or purchased by, Lessee or any Permitted Sublessee subject to a lease, conditional sale, trust indenture or other security agreement a written agreement complying with clause (b) of Section 7.2.5, Lessor hereby agrees for the benefit of such lessor, conditional seller, indenture trustee or secured party that Lessor, its successors and assigns will not acquire or claim, as against such lessor, conditional seller, indenture trustee or secured party, any right, title or interest in any engine as the result of such engine being installed on the Airframe at any time while such engine is subject to such lease, conditional sale, trust indenture or other security agreement and owned by such lessor or conditional seller or subject to a trust indenture or security interest in favor of such indenture trustee or secured party.

#### 4.8 LEASE FOR U.S. FEDERAL INCOME TAX LAW PURPOSES; SECTION 1110 OF BANKRUPTCY CODE

(a) Lessee and Lessor agree that this Lease is, and shall be treated as, a lease for U.S. federal income tax purposes of the Aircraft, Airframe, Engines and Parts.

(b) It is the intention of each of Lessee and Lessor that Lessor (and Mortgagee as assignee of Lessor under the Trust Indenture) shall be entitled to the benefits of Section 1110 with respect to the right to take possession of the Aircraft, Airframe, Engines and Parts as provided in this Lease, and in any instance where more than one construction of the terms and conditions of this Lease or any other pertinent Operative Agreement is possible, or of the facts and circumstances underlying the transactions contemplated herein or therein, Lessor and Lessee agree that a construction which would create and preserve such benefits shall control over any construction which would not create and preserve such benefits.

(c) Lessor and Lessee agree that, for all purposes of applicable Law, this Lease constitutes an agreement of lease and nothing contained herein shall be construed as conveying to

Lessee any right, title or interest in the Aircraft, Airframe, Engines, Parts or Aircraft Documents except as a lessee only.

## SECTION 5. RETURN OF AIRCRAFT

### 5.1 COMPLIANCE WITH ANNEX B

Lessee shall comply with each of the provisions of Annex B hereto, which provisions are hereby incorporated by this reference as if set forth in full herein. Without limiting any other rights of Lessor under this Lease or any other Operative Agreement, Lessee acknowledges that the provisions of this Section 5 and of Annex B, are of the essence of this Lease and the transactions contemplated herein.

### 5.2 STORAGE AND RELATED MATTERS

If Lessee receives from Lessor a written request for storage of the Aircraft upon its return hereunder, Lessee will promptly (and in any event within ten (10) days following such request) provide Lessor, or cause Lessor to be provided, with outdoor storage facilities for the Aircraft for a period not exceeding one hundred eighty (180) days, commencing on the date of such return, at Mojave, California or Marana, Arizona, as Lessor may specify, or if Lessor elects not to store the Aircraft at either of such locations, then the Aircraft shall be stored at such storage facility in the 48 contiguous states of the United States as Lessee may select and which is used as a location for the storage of large commercial aircraft. Lessee shall, at Lessor's written request, maintain insurance (if available) for the Aircraft during such storage period. Such storage shall be at Lessor's risk (subject to Lessee's insurance obligations, as aforesaid); provided that Lessee shall pay all applicable storage fees; and provided further that Lessee's obligation to provide storage shall be subject to Lessor entering into an agreement prior to the commencement of the storage period with the storage facility which agreement shall provide, among other things, that Lessor shall bear all maintenance charges (other than maintenance required as a result of Lessee's failure to comply with the provisions of Annex B hereto) and all storage fees incurred after the initial 180 day storage period. In addition, upon the return of the Aircraft, Lessor shall have no obligation with respect to the amount of any fuel or oil contained in the fuel or oil tanks of the Aircraft.

### 5.3 RETURN OF OTHER ENGINES

In the event that any Engine owned by Lessor shall not be installed on the Airframe at the time of return hereunder, such Engine shall be deemed to have suffered an Event of Loss as of the sixty-first day prior to the date of such return, with the effect that Lessee shall be required to return the Airframe hereunder with a Replacement Engine meeting the requirements of, and in accordance with, Section 10 hereof and Annex B hereto. Thereupon, Lessor will transfer to Lessee the Engine constituting part of such Aircraft but not installed on such Airframe at the time of return of the Airframe.

If Lessee shall, for any reason whatsoever, fail to return the Aircraft and the Aircraft Documents at the time specified herein, all obligations of Lessee under this Lease shall continue in effect with respect to the Aircraft until the Aircraft is returned to Lessor; provided, however, that this Section 5.4 shall not be construed as permitting Lessee to fail to meet its obligation to return the Aircraft or the Aircraft Documents in accordance with the requirements hereof or constitute, or be deemed to constitute, a waiver of any Lease Event of Default resulting from Lessee's failure to return the Aircraft or the Aircraft Documents or otherwise.

#### SECTION 6. LIENS.

Lessee shall not, directly or indirectly, create, incur, assume or suffer to exist any Lien on or with respect to the Aircraft, the Airframe, any Engine, any Part or any Aircraft Documents, title to any of the foregoing or any interest therein, or this Lease or any interest of Lessor herein, or any amount payable hereunder, including, without limitation, any Rent, except (a) the respective rights of Lessor, Mortgagee, the Participants or Lessee under the Operative Agreements, or of any Permitted Sublessee under any Permitted Sublease; (b) Lessor Liens attributable to Owner Trustee (both in its capacity as trustee under the Trust Agreement and in its individual capacity), Mortgagee (both in its capacity as trustee under the Trust Indenture and in its individual capacity) or Owner Participant; (c) the rights of others under agreements or arrangements to the extent expressly permitted by the terms of Sections 7.2 and 7.3 and Section F of Annex C; (d) Liens for

Taxes of Lessee (and its U.S. federal tax law consolidated group), or Liens for Taxes of any Tax Indemnatee (and its U.S. federal tax law consolidated group) for which Lessee is obligated to indemnify such Tax Indemnatee under any of the Lessee Operative Agreements, in any such case either not yet due or being contested in good faith by appropriate proceedings so long as such Liens and such proceedings do not involve any material risk of the sale, forfeiture or loss (including loss of use) of the Aircraft, the Airframe, any Engine or any of the Aircraft Documents, or any interest therein or any discernible risk of criminal liability or any material risk of civil penalty against Lessor, Mortgagee or any Participant or impair the lien of the Trust Indenture; (e) materialmen's, mechanics', workers', repairers', employees' or other like Liens arising in the ordinary course of business for amounts the payment of which is either not yet delinquent or is being contested in good faith by appropriate proceedings, so long as such Liens and such proceedings do not involve any material risk of the sale, forfeiture or loss (including loss of use) of the Aircraft, the Airframe, any Engine or any of the Aircraft Documents, or any interest therein or any discernible risk of criminal liability or any material risk of civil penalty against Lessor, Mortgagee or any Participant or impair the lien of the Trust Indenture; and (f) Liens arising out of any judgment or award against Lessee (or any Permitted Sublessee), so long as such judgment shall, within 30 days after the entry thereof, have been discharged or vacated, or execution thereof stayed pending appeal or shall have been discharged, vacated or reversed within 30 days after the expiration of such stay, and so long as during any such 30-day period there is not, or any such judgment or award does not involve, any material risk of the sale, forfeiture or loss (including loss of use) of the Aircraft, the Airframe, any Engine or any of the Aircraft Documents, or any interest therein or any discernible risk of criminal liability or any material risk of civil penalty against Lessor, Mortgagee or any Participant or impair the lien of the Trust Indenture. Lessee shall promptly take such action as may be necessary duly to pay, satisfy, remove and discharge any Lien not excepted above if the same shall at any time arise in respect of the Aircraft, the Airframe, any Engine, any Part, the Aircraft Documents or all or any other part of the Trust Estate and shall promptly provide to Lessor evidence of such payment, satisfaction, removal or discharge.

## SECTION 7. REGISTRATION, OPERATION, POSSESSION, SUBLEASING AND RECORDS

## 7.1 REGISTRATION AND OPERATION

## 7.1.1 REGISTRATION AND RECORDATION

Subject to the compliance by Lessor and Owner Participant with their respective obligations under Section 14 of the Participation Agreement, Lessee shall cause the Aircraft to be, and at all times during the Term to remain, duly registered with the FAA under the Act or with such other country of registry as shall be permitted under Section 7.1.2 below, in the name of Lessor as owner and lessor (except to the extent that such registration under the Act cannot be effected with the FAA because of Lessor's or Owner Participant's failure to comply with the citizenship requirements for registration of the Aircraft under the Act). Lessor, at Lessee's expense, shall execute any and all such documents as Lessee (or any Permitted Sublessee) may reasonably request for the purposes of effecting and continuing such registration. Unless the Trust Indenture has been discharged in accordance with its terms, Lessee shall also cause the Trust Indenture to be duly recorded and at all times maintained of record as a first-priority perfected mortgage (subject to Permitted Liens) on the Aircraft, the Airframe and each of the Engines (except to the extent such perfection or priority cannot be maintained solely as a result of the failure by Lessor or Mortgagee to execute and deliver any necessary documents).

## 7.1.2 REREGISTRATION

So long as no Lease Default or Lease Event of Default shall have occurred and be continuing, Lessee may, by written notice to Lessor, request to change the country of registration of the Aircraft. Any such change in registration shall be effected, if at all, only in compliance with, and subject to all of the conditions set forth in, Section 7.6.12 of the Participation Agreement.

## 7.1.3 MARKINGS

(a) On or reasonably promptly after the Delivery Date, Lessee will cause to be affixed to, and maintained in, the cockpit of the Airframe and on each Engine, in each case, in a clearly visible location (it being understood that the location

of such placards, as identified to the Owner Participant prior to the Delivery Date, shall be deemed to be in compliance with this requirement), a placard of a reasonable size and shape bearing the legend, in English, set forth in Schedule 6. Lessee shall not remove or permit the removal of such placards, except that such placards may be removed temporarily, if necessary, in the course of maintenance of the Airframe or Engines. If any such placard is damaged or becomes illegible, Lessee shall promptly replace it with a placard complying with the requirements of this Section 7.1.3.

(b) During the Term, Lessee may letter, paint or mark the Aircraft with the name and logo of Lessee or any Permitted Sublessee and may cause the Aircraft to bear insignia plates or other markings identifying the supplier or manufacturer of the Airframe or the Engines or any Parts. Except as provided above, Lessee will not allow the name of any person to be placed on the Airframe or on any Engine as a designation that could reasonably be interpreted as a claim of ownership.

#### 7.1.4 COMPLIANCE WITH LAWS

Lessee shall not, and shall not allow any other person to, operate, use, maintain, service, repair, overhaul or otherwise similarly deal with the Aircraft (a) in violation of any Law binding on or applicable to the Lessee or to the Aircraft, the Airframe or any Engine, or any of the Aircraft Documents, or to the operation, use, maintenance, service, repair or overhaul of, or similar dealings in, the Aircraft, Airframe or any Engine, or (b) in violation of any airworthiness certificate, license or registration of any Government Entity relating to Lessee or to the Aircraft, the Airframe or any Engine, except (1) immaterial or non-recurring violations of which Lessee or any Permitted Sublessee had no prior knowledge or information and with respect to which corrective measures are taken promptly by Lessee or a Permitted Sublessee, as the case may be, upon discovery thereof, and (2) to the extent Lessee or any Permitted Sublessee is contesting the validity or application of any such law, rule, regulation, order, certificate, license or registration in good faith in any reasonable manner which does not involve any material risk of the sale, forfeiture or loss (including loss of use) of the Aircraft, the Airframe, any Engine or any of the Aircraft Documents or any interest therein or any discernible risk of criminal liability or any material risk of civil penalty

against Lessor, Mortgagee or any Participant or impair the lien of the Trust Indenture.

#### 7.1.5 OPERATION

Lessee agrees not to operate, use or locate the Aircraft, the Airframe or any Engine, or allow the Aircraft, the Airframe or any Engine to be operated, used or located (a) in any area excluded from coverage by any insurance required by the terms of Section 11, except in the case of a requisition by the U.S. Government where Lessee obtains an indemnity in lieu of such insurance from the U.S. Government, or insurance from the U.S. Government, covering such area, in accordance with Section 11.4 or (b) in any recognized or threatened area of hostilities unless fully covered in accordance with Annex D by war-risk insurance as required by the terms of Section 11, unless the Aircraft is only temporarily located in such area as a result of an emergency, equipment malfunction, navigational error, hijacking, weather condition or other similar unforeseen circumstances, so long as Lessee diligently and in good faith proceeds to remove the Aircraft from such area immediately.

#### 7.2 POSSESSION

Lessee will not, without the prior written consent of Lessor, sublease or otherwise in any manner deliver, transfer or relinquish possession of the Aircraft, the Airframe or any Engine or install any Engine, or permit any Engine to be installed, on any airframe other than the Airframe; provided, however, subject to the provisions of Section 7.3, that if and for so long as (a) no Lease Event of Default shall have occurred and be continuing, (b) with respect to any sublease or transfer contemplated by Section 7.2.7 or 7.2.8 below, no Lease Default or Lease Event of Default shall have occurred and be continuing at the time of such sublease or transfer and (c) all approvals, consents or authorizations required in connection with any such sublease or such delivery, transfer or relinquishment of possession by the Aviation Authority have been obtained and remain in full force and effect, then Lessee may, without such prior written consent:

##### 7.2.1 INTERCHANGE AND POOLING

Subject or permit any Permitted Sublessee to subject any Engine to normal interchange agreements or pooling agreements or

arrangements, in each case customary in the commercial airline industry and entered into in writing by Lessee or such Permitted Sublessee, as the case may be, in the ordinary course of business and with (a) any U.S. Air Carrier or (b) any other air carrier organized and having its principal place of business in a country with which the United States then maintains normal diplomatic relations and which recognizes and gives effect to the rights, title and interests of Lessor and Mortgagee in, and with respect to, such Engine; provided, however, that no such agreements or arrangements shall require, contemplate or result in any transfer of Lessor's title to such Engine. If, notwithstanding the foregoing, Lessor's title to any such Engine is divested under any such agreement or arrangement, then such Engine shall be deemed to have suffered an Event of Loss as of the date of such divestiture, with the effect that Lessee shall be required to replace such Engine with a Replacement Engine meeting the requirements of, and in accordance with, Section 10.

#### 7.2.2 TESTING AND SERVICE

Deliver or permit any Permitted Sublessee to deliver possession of the Aircraft, Airframe, any Engine or any Part to the manufacturer thereof or, to the extent permitted by Section B of Annex C, to any third-party maintenance provider, for testing, service, repair, maintenance or overhaul work on the Aircraft, Airframe, any Engine or any Part, or, to the extent required or permitted by the terms of Section D of Annex C, for alterations or modifications in or additions to the Aircraft, Airframe or any Engine, it being understood that, with respect to Engines and Parts, delivery may be accomplished by transport on licensed or bonded common carriers qualified in the shipping and transport of such items.

#### 7.2.3 CIVIL RESERVE AIR FLEET PROGRAM

Transfer or permit any Permitted Sublessee to transfer possession of the Aircraft, Airframe or any Engine to the U.S. Government pursuant to CRAF, in which event Lessee shall promptly notify Lessor and Mortgagee in writing of any such transfer of possession and in such notification shall identify by name, address and telephone numbers the Contracting Office Representative or Representatives for the Military Airlift Command of the United States Air Force to whom notices must be given and to whom requests or claims must be made; provided, however, that any such transfer of possession shall not continue,

and shall not be permitted to continue, beyond the end of the Term. If, notwithstanding the foregoing, such transfer does continue beyond the end of the Term, then (without limiting any other right of Lessor with respect to such event) Lessor may, in accordance with Section 10.6, deem the Aircraft, Airframe or Engines, as the case may be, to have suffered an Event of Loss with the effect that Lessee would be required to pay, in accordance with Section 10.6, the amounts specified in Section 10.1.2. If as of the Scheduled Expiration Date the Aircraft or Airframe is being used or was within six months prior thereto being used by the U.S. Government pursuant to CRAF, then Lessee shall give notice to Owner Participant and Lessor of such fact, which notice shall specify the date on which the Lessee expects the Term to end or, if such date cannot reasonably be determined by Lessee, so stating.

#### 7.2.4 INSTALLATION OF ENGINES ON OWNED AIRCRAFT

Install or permit any Permitted Sublessee to install an Engine on an airframe owned by Lessee or such Permitted Sublessee, as the case may be, free and clear of all Liens, except (a) those of the type permitted under clauses (d), (e) and (f) of Section 6 and those that apply only to the engines (other than Engines) and/or only to parts, appliances, instruments, appurtenances, accessories, furnishings and other equipment (other than Parts), and (b) the rights of third parties under normal interchange or pooling agreements and arrangements of the type that would be permitted under Section 7.2.1.

#### 7.2.5 INSTALLATION OF ENGINES ON OTHER AIRFRAMES

Install or permit any Permitted Sublessee to install an Engine on an airframe leased to Lessee or such Permitted Sublessee, or purchased by Lessee or such Permitted Sublessee subject to a mortgage, security agreement, conditional sale or other secured financing arrangement, but only if (a) such airframe is free and clear of all Liens, except (i) the rights of the parties to such lease, or any such secured financing arrangement, covering such airframe and (ii) Liens of the type permitted by clauses (a) and (b) of Section 7.2.4 and (b) Lessee shall have received from the lessor, mortgagee, secured party or conditional seller, in respect of such airframe, a written agreement (which may be a copy of the lease, mortgage, security

agreement, conditional sale or other agreement covering such airframe), whereby such Person agrees that neither such Person nor its successors or assigns will acquire or claim any right, title or interest in, or Lien on, such Engine by reason of such Engine being installed on such airframe.

#### 7.2.6 INSTALLATIONS OF ENGINES ON FINANCED AIRCRAFT

Install or permit any Permitted Sublessee to install an Engine on an airframe owned by Lessee or such Permitted Sublessee, leased to Lessee or such Permitted Sublessee, or purchased by Lessee or such Permitted Sublessee subject to a conditional sale or other security agreement under circumstances where neither Section 7.2.4 or 7.2.5 is applicable; provided, however, that in the event of any such installation, such Engine shall be deemed to have suffered an Event of Loss as of the date of such installation, with the effect that Lessee shall be required to replace such Engine with a Replacement Engine meeting the requirements of, and in accordance with, Section 10. Until Section 10 has been fully complied with, Lessor's interest in any such Engine shall continue in full force and effect.

#### 7.2.7 SUBLEASING

With respect to the Aircraft, Airframe or any Engine, enter into a sublease with any Permitted Air Carrier, but only if:

(a) Lessee shall provide 15 days' advance written notice to Lessor and Mortgagee;

(b) At the time that Lessee enters into such sublease, no such Permitted Air Carrier shall be insolvent or subject to any bankruptcy, insolvency, liquidation, reorganization, dissolution or similar proceeding, or any similar non-ordinary course transaction, shall be seeking any reorganization or any readjustment of its debts or shall be, or shall have substantially all of its property, in the possession of any liquidator, trustee, receiver or similar person;

(e) In connection with a sublease to a Permitted Air Carrier which is not a U.S. Air Carrier, all necessary governmental approvals, if any, required for the Aircraft, Airframe or Engines to be imported to, and exported from (upon repossession thereof by Lessor or other termination or expiration of such sublease), the applicable jurisdiction shall have been obtained prior to commencement of any such sublease, and any foreign exchange permits necessary to allow all rent and other payments provided for under such sublease shall be in full force and effect; and Lessee shall have provided to Lessor a power-of-attorney, reasonably satisfactory in form and substance to Lessor and, to the extent permitted by applicable Law, valid and enforceable in the applicable jurisdiction, permitting Lessor to exercise all rights of Lessee under such sublease in such jurisdiction, upon the occurrence and continuation of a Lease Event of Default;

(f) In connection with a sublease to a Permitted Air Carrier which is not a U.S. Air Carrier, Lessee shall have furnished Lessor, Mortgagee and Owner Participant a favorable opinion of counsel, satisfactory to Lessor and Owner Participant, in the country of domicile of such Permitted Air Carrier, in form and substance satisfactory to Lessor and Owner Participant, that (i) the terms of such sublease, this Lease and the Trust Indenture are the legal, valid and binding obligations of the parties thereto enforceable under the laws of such jurisdiction, (ii) it is not necessary for Owner Participant, Lessor or Mortgagee to register or qualify to do business in such jurisdiction, if not already so registered or qualified, as a

result, in whole or in part, of the proposed sublease, (iii) Lessor's title to, and Mortgagee's Lien in respect of, the Aircraft, Airframe and Engines will be recognized in such jurisdiction, (iv) such jurisdiction maintains normal diplomatic relations with the United States and the Laws of such jurisdiction of domicile require fair compensation by the government of such jurisdiction, payable in a currency freely convertible into Dollars, for the loss of use of or title to the Aircraft, Airframe or Engines in the event of the requisition by such government of such use or title (unless Lessee shall provide insurance in the amounts required with respect to hull insurance under Section 11 covering the requisition of use of or title to the Aircraft, Airframe or Engines by the government of such jurisdiction so long as the Aircraft, Airframe or Engines are subject to such sublease) and (v) the agreement of such Permitted Air Carrier that its rights under the sublease are subject and subordinate to all the terms of this Lease is enforceable against such Permitted Air Carrier under applicable law and Lessor shall be able to repossess the Aircraft, Airframe and Engines, and return it to the United States, without undue expense, penalty or delay, upon the occurrence of a Lease Event of Default;

(i) All necessary documents shall have been duly filed, registered or recorded in such public offices as may be required fully to preserve the title of, and the priority of the interest of, Lessor and Mortgagee in the Aircraft, Airframe and Engines;

(j) Each such sublease shall be assigned by Lessee to Lessor as security for the performance of all of Lessee's obligations under this Lease (with Lessee retaining all rights of sublessor thereunder, to the extent consistent with this Section 7.2.7, (i) except the right to receive rents and (ii) if

and for so long as there shall not have occurred and be continuing a Lease Event of Default) and, if the Trust Indenture is then in effect, such sublease shall be further assigned without representation or warranty by Lessor to the Mortgagee as security for the performance of all of Lessor's obligations under the Trust Indenture, in each case, with the express consent of such Permitted Air Carrier;

(k) No such sublease shall be made to Permitted Air Carriers, other than U.S. Air Carriers, prior to the close of the calendar year in which the seventh anniversary of the Delivery Date occurs, or if a Lessee Act (as defined in the Tax Indemnity Agreement) as a result of which indemnification has been required under the Tax Indemnity Agreement has created a longer Tax Attribute Period (as defined in the Tax Indemnity Agreement), prior to the close of the Tax Attribute Period, unless in either case Lessee prepays any liability Owner Participant determines would be due under the Tax Indemnity Agreement as a result of such sublease based upon the assumption that such sublease were to continue for the remainder of the term of such sublease;

Lessor under this Lease or any other Operative Agreement, Lessee acknowledges that the provisions of this Section 8 and of Annex C are of the essence of this Lease and the transactions contemplated herein.

- (b) Within 120 days after the end of each fiscal year of Lessee, a consolidated balance sheet of Lessee as of the end of such fiscal year and related statements of income and cash flows of Lessee for such fiscal year, in comparative form with the preceding fiscal year, prepared in accordance with GAAP, together with a report of Lessee's independent certified public accountants with respect to their audit of such financial statements; provided that so long as Lessee is subject to the reporting requirements of the Securities Exchange Act of 1934, a copy of Lessee's report on Form 10-K for such fiscal year (including all corresponding publicly-available annual reports to stockholders, if not previously furnished) will satisfy this paragraph (b).

#### 8.2.6 OTHER INFORMATION

Lessee shall provide to Lessor, Mortgagee and each Participant, from time to time such other information or data as Lessor, Mortgagee or any such Participant may reasonably request concerning the Aircraft, Airframe or Engines, or Lessee's financial condition, or otherwise relating to the transactions or matters contemplated herein and in the other Operative Agreements, in each case if and to the extent within Lessee's or any Permitted Sublessee's possession, or reasonably available to

or obtainable by Lessee or such Permitted Sublessee (unless Lessee reasonably deems the same to be commercially sensitive or confidential).

### 8.3 CERTAIN AGREEMENTS OF LESSEE

Lessee hereby agrees with Lessor that it shall perform the agreements, covenants and indemnities set forth in the Participation Agreement and the Tax Indemnity Agreement, and hereby restates Lessee's representations and warranties set forth in the Participation Agreement, in each case as fully and to the same extent and with the same force and effect as if set forth in full in this Section 8.3. ## SECTION 9. VOLUNTARY TERMINATION UPON OBSOLESCENCE

### 9.1 RIGHT OF TERMINATION

(a) Lessee shall have the right at its option to terminate this Lease during the Base Lease Term, effective only on a Termination Date occurring after the tenth anniversary of the Delivery Date and on or before the date one year prior to the Scheduled Expiration Date, if:

(i) the Aircraft is not then subject to any sublease or other possessory interests of another person (including, without limitation, interests of the type permitted under Section 7.2) and either has become economically obsolete or is surplus to Lessee's requirements and the Chief Financial Officer or Treasurer of Lessee so certifies in writing to Lessor;

(ii) Lessee's termination of this Lease shall be made on a nondiscriminatory basis with respect to the Aircraft and all Similar Aircraft which are then owned, leased or otherwise operated by Lessee and which are then eligible for termination or disposition under any applicable agreements of Lessee relating to the purchase, ownership, lease or operation thereof, with the effect that the disposition of the Aircraft and any Similar Aircraft shall

be determined and effected on a random basis; and Lessee shall provide such information to Lessor, as Lessor may reasonably request to establish that such dispositions have been so determined;

(iii) written notice of Lessee's exercise of its option to terminate this Agreement shall be given to Lessor, Mortgagee and Owner Participant not less than six months nor more than eighteen months prior to the proposed Termination Date specified in such notice; and

(iv) on the date of any notice described in clause (iii) no Lease Event of Default shall have occurred and be continuing, and on such proposed Termination Date no Lease Default or Lease Event of Default shall have occurred and be continuing. (b) Lessor shall notify Lessee and Mortgagee of Lessor's intention to sell or retain the Aircraft, as provided in this Section 9, no later than 10 days prior to the proposed Termination Date. Any such notice of an intention to retain the Aircraft shall include assurances reasonably satisfactory to Mortgagee of Lessor's ability to make the payments required by Section 9.3(a). Any failure by Lessor to give such notice of its election shall be deemed to be an election to sell the Aircraft, as provided in this Section 9. (c) Any termination pursuant to this Section 9 shall become effective on the date of the sale, if any, pursuant to Section 9.2 or upon the date of termination and payment by Lessee and Lessor in accordance with Section 9.3 if Lessor elects to retain the Aircraft.

(a) On the proposed Termination Date (i) Lessee shall deliver the Airframe and Engines or engines constituting part of the Aircraft to the bidder, if any, which shall have submitted the highest cash bid on or before the date 30 days prior to such Termination Date, in the same manner as if delivery were made to Lessor pursuant to Section 5 and Annex B and in full compliance with the terms thereof, and shall duly transfer to Lessor title to any such engines not owned by Lessor, all in accordance with the terms of Section 5 and Annex B, and (ii) Lessor shall simultaneously therewith transfer the Airframe and Engines or engines to such bidder, in the manner described in Section 4.6, against cash paid to Lessor in the amount of such highest bid and in the manner and in funds of the type specified in Section 3.3.

(b) All proceeds of any sale described in Section 9.2.2(a) shall be paid to and retained by Lessor and, on such Termination Date, and as a condition precedent to such sale and the delivery of the Aircraft and Engines or engines to such bidder, Lessee shall pay to Lessor, in the manner and in funds of the type specified in Section 3.3:

which any such amount was due to the date of payment of such amount in full; plus

(iv) the Basic Rent due on such Termination Date (other than the portion (if any) of the Basic Rent due on such Termination Date that is designated in Schedule 2 as a payment in advance).

As a further condition precedent to such sale and delivery, Lessee shall pay all other amounts due and payable by Lessee to Lessor, Mortgagee or the Participants under this Lease (other than the portion (if any) of the Basic Rent due on such Termination Date that is designated in Schedule 2 as a payment in advance), the Participation Agreement or any other Operative Agreement (including, without limitation, (A) Supplemental Rent in respect of Make-Whole Amount, if any, payable pursuant to Section 2.10(b) of the Trust Indenture in connection with a redemption of the Equipment Notes upon such sale, and (B) all interest charges provided for hereunder or under any other Lessee Operative Agreement with respect to the late payment of any amounts so payable), and (C) the reasonable out-of-pocket fees and expenses incurred by Lessor, Mortgagee and Owner Participant in connection with such termination and sale).

(i) Lessor will transfer to Lessee, in accordance with Section 4.6, any Engines constituting part of the Aircraft but which were not then installed on the Airframe and sold therewith; and

(ii) the obligation of Lessee to pay Basic Rent, with respect to periods after the Payment Date with reference to which Termination Value is computed, shall cease, and the Term for the Aircraft shall end effective as of the date of such sale.

(d) A sale of the Aircraft pursuant to this Section 9.2.2 shall take place only on a Termination Date. Subject to Section 9.3, if no sale shall have occurred on or as of the proposed Termination Date, this Agreement shall continue in full force and effect, and all of Lessee's obligations shall

continue, including, without limitation, its obligation to pay Rent, in each case, as if the notice under Section 9.1 shall not have been given and, subject to Section 9.2.3(b), Lessee may give another notice pursuant to Section 9.1.

(e) Lessor shall be under no duty to solicit bids, to inquire into the efforts of Lessee to obtain bids or otherwise to take any action in connection with any such sale other than to transfer to the purchaser named in the highest bid referred to above (or to such purchaser and, in the case of Engines described in Section 9.2.2(c), to Lessee) the Airframe and Engines or engines against receipt of the payments described in Section 9.2.2(b).

#### 9.2.3 WITHDRAWAL OF NOTICE OF TERMINATION

(b) Anything herein to the contrary notwithstanding, Lessee shall not be entitled to give more than three notices pursuant to Section 9.1. (c) Lessee shall pay any and all reasonable out-of-pocket fees and expenses of Lessor, Mortgagee and Owner Participant in connection with any notice of termination withdrawn by Lessee or in connection with any notice of termination pursuant to which a sale of the Aircraft fails to occur.

(i) Lessor shall pay, or cause to be paid, in the manner and in funds of the type specified in Section 3.3, to the Mortgagee an amount sufficient to prepay

all outstanding Equipment Notes pursuant to Section 2.10(b) of the Trust Indenture;

(ii) subject to receipt by Mortgagee of the funds described in paragraph (i) above, Lessee shall deliver the Airframe and Engines or engines constituting part of the Aircraft to Lessor pursuant to Section 5 and Annex B and in full compliance with the terms thereof, and shall duly transfer to Lessor title to any such engines not owned by Lessor, all in accordance with the terms of Section 5 and Annex B;

connection with a redemption of the Equipment Notes upon redemption of such Equipment Notes in accordance with such Section 2.10(b), (B) all interest charges provided for hereunder or under any other Operative Agreement with respect to the late payment of any amounts, so payable, and (C) the out-of-pocket fees and expenses incurred by Lessor, Mortgagee and Owner Participant in connection with such termination and sale).

(i) Lessor will transfer to Lessee, in accordance with Section 4.6, any Engines constituting part of the Aircraft but which were not then installed on the Airframe and sold therewith; and

#### SECTION 10. LOSS, DESTRUCTION, REQUISITION, ETC.

##### 10.1 EVENT OF LOSS WITH RESPECT TO AIRCRAFT

###### 10.1.1 NOTICE AND ELECTION

(a) Upon the occurrence of an Event of Loss with respect to the Airframe, and any Engine or Engines installed thereon at the time of such Event of Loss, Lessee shall promptly (and in any event within 10 days after such occurrence) give Lessor, Mortgagee and Owner Participant written notice of such Event of Loss. Within 20 days after such occurrence, Lessee shall give Lessor, Mortgagee and Owner Participant written notice of Lessee's election to make payment in respect of such Event of Loss, as provided in Section 10.1.2 (which notice shall specify the date, which shall be the first Business Day occurring 25 days after the date of such notice, on which such payment shall be made), or to replace the Airframe, and any such Engines, as provided in Section 10.1.3.

(b) Any failure by Lessee to give such notice of its election shall be deemed to be an election of the option set forth in Section 10.1.2. In addition, Lessee shall not be entitled to elect the option set forth in Section 10.1.3 if, at the time Lessor receives such notice from Lessee, there shall have occurred and be continuing a Lease Default (other than with respect to Section 14.5 or 14.6) or a Lease Event of Default.

(c) For purposes of Section 10.1.2, an Event of Loss with respect to the Airframe shall be deemed to constitute an Event of Loss with respect to the Aircraft. For purposes of Section 10.1.3, any Engine not actually suffering an Event of Loss shall not be required to be replaced.

#### 10.1.2 PAYMENT OF LOSS AND TERMINATION OF LEASE

(a) If Lessee elects, in accordance with Section 10.1.1, to make payment in respect of any such Event of Loss, then Lessee shall pay, in the manner and in funds of the type specified in Section 3.3, the following amounts:

(i) On or before the Business Day next following the earlier of (x) the sixty-first day following the date of the occurrence of such Event of Loss, and (y) the second Business Day following the receipt of insurance proceeds with respect to such occurrence (but in any event not earlier than the date specified in Lessee's notice under Section 10.1.1(a) on which payment in respect to such Event of Loss shall be made), Lessee shall pay to Lessor:

- (1) all unpaid Interim Rent, Basic Rent or Renewal Rent, as the case may be, (A) due at any time prior to the Stipulated Loss Value Date immediately preceding the date of such Event of Loss, or (B) if such Event of Loss occurs on a Stipulated Loss Value Date, due at any time prior to such Date; plus
- (2) the Stipulated Loss Value of the Aircraft computed as of the Stipulated Loss Value Date used in the foregoing clause (1) for the computation of unpaid Rent; plus
- (3) as provided in Section 3.2.2, interest on the amount specified in the foregoing clause (1) at the Payment Due Rate from and including the date

on which any such amount was due to the date of payment of such amount in full; plus

- (4) interest on the amounts specified in the foregoing clause(2) at the SLV Rate from and including the Stipulated Loss Value Date, used in the foregoing clause (1) for the computation of unpaid Rent, to the date such amount is due, and thereafter at the Payment Due Rate to the date of payment of such amounts in full;

provided that, in the event that the last day of the Interim Lease Term or a Payment Date shall occur (x) on or after the Stipulated Loss Value Date used in the foregoing clause (1) for the computation of unpaid Rent, and (y) on or before the date of payment of the amounts specified above in this subparagraph (i), then Lessee shall pay the Interim Rent, Basic Rent or the Renewal Rent, as the case may be, due on such last day of the Interim Lease Term or Payment Date, and thereupon such amounts payable under this subparagraph (i) shall be reduced by (A) the amount (if any) of such Basic Rent or Renewal Rent referred to in this proviso which is due on such Stipulated Loss Value Date and is designated in Schedule 2 (in the case of such Basic Rent) or Section 17.2.2 (in the case of such Renewal Rent) as a payment in advance and (B) the amount (if any) of such Interim Rent, Basic Rent or Renewal Rent referred to in this proviso which is due after such Stipulated Loss Value Date; and

(ii) on or before the date required for payment of the amounts specified in paragraph (i) above, Lessee shall also pay to Lessor, Mortgagee and the Participants all other amounts due and payable by Lessee to Lessor, Mortgagee and the Participants under this Lease, the Participation Agreement or any other Operative Agreement (including, without limitation, (A) any interest charges provided for hereunder or thereunder with respect to the late payment of any such other amounts, and (B) all out-of-pocket fees and expenses of Lessor, each Participant and Mortgagee in connection with such Event of Loss).

(b) Upon payment in full of all amounts described in the foregoing paragraph (a),(i) the obligation of Lessee to pay Interim Rent, Basic Rent or Renewal Rent hereunder with respect to the Aircraft shall terminate,

(ii) the Term for the Aircraft shall end, and (iii) Lessor will transfer the Aircraft to Lessee, as-is and where-is, and subject to any insurer's salvage rights, but otherwise in the manner described in Section 4.6.

#### 10.1.3 REPLACEMENT OF AIRFRAME AND ENGINES

(a) If Lessee elects, in accordance with Section 10.1.1, to replace the Airframe, and any Engines actually suffering the Event of Loss, then Lessee shall, as promptly as possible and in any event within 60 days after the occurrence of such Event of Loss, convey or cause to be conveyed to Lessor, in compliance with Section 10.3 and as replacement for the Airframe, and any such Engine, title to a Replacement Airframe (which shall comply with paragraph (b) below), and for each such Engine a Replacement Engine, in each case free and clear of all Liens other than Permitted Liens. If Lessee makes such election, but for any reason fails or is unable to effect such replacement within such time period and in compliance with the requirements set forth in Section 10.3, then Lessee shall be deemed to have initially made the election set forth in Section 10.1.2 with the effect that Lessee shall immediately pay, in the manner and in funds of the type specified in Section 3.3, the amounts required under, and in accordance with, Section 10.1.2.

(b) Any such Replacement Airframe shall be an airframe (i) that is manufactured by Airframe Manufacturer and delivered on any date occurring after the Delivery Date, and (ii) that is the same model as the Airframe to be replaced thereby, or an improved model, and that has performance and durability characteristics, and a value and utility and remaining useful life, at least equal to, and is in at least as good operating condition as, the Airframe to be replaced thereby (assuming that such Airframe was of the value and utility and in the condition and repair required by the terms hereof immediately prior to the occurrence of the Event of Loss). Any such Replacement Engine shall meet the requirements of, and be conveyed by Lessee to Lessor in accordance with, Section 10.2 (other than the notice requirement set forth in Section 10.2.1).

## 10.2 EVENT OF LOSS WITH RESPECT TO AN ENGINE

## 10.2.1 NOTICE

Upon the occurrence of an Event of Loss with respect to an Engine under circumstances in which an Event of Loss with respect to the Airframe has not occurred, Lessee shall promptly (and in any event within 15 days after such occurrence) give Lessor, Mortgagee and Owner Participant written notice of such Event of Loss.

## 10.2.2 REPLACEMENT OF ENGINE

Lessee shall, as promptly as possible and in any event within 60 days after the occurrence of such Event of Loss, convey or cause to be conveyed to Lessor, in compliance with Section 10.3 and as replacement for the Engine with respect to which any Event of Loss occurred, title to a Replacement Engine free and clear of all Liens other than Permitted Liens. Such Replacement Engine shall be an engine manufactured by Engine Manufacturer that is the same model as the Engine to be replaced thereby, or an improved model, and that is suitable for installation and use on the Airframe, and that has performance and durability characteristics, and a value and utility and remaining useful life, at least equal to, and is in at least as good operating condition as, the Engine to be replaced thereby (assuming that such Engine was of the value and utility and in the condition and repair required by the terms hereof immediately prior to the occurrence of the Event of Loss).

(b) No Event of Loss with respect to an Engine, or with respect to an Airframe, shall result in, or otherwise allow or permit (other than as provided in Section 10.1.2(b)), any reduction, deferral, discharge or other change in the timing or amount of any Rent payable by Lessee hereunder or any other amount payable by Lessee under any other Operative Agreement, and (subject to such Section 10.1.2(b)) Lessee shall pay all such Rent and other amounts as though such Event of Loss had not occurred.

Upon full compliance by Lessee with the applicable terms of Sections 10.1.3, 10.2 and 10.3, Lessor will transfer to Lessee the Airframe or Engine, as the case may be, with respect to which such Event of Loss occurred, in accordance with Section 4.6, provided that Lessor shall not be required to effect any such transfer if and for so long as there shall have occurred and be continuing any Lease Default (other than with respect to Section 14.5 or 14.6) or Lease Event of Default.

#### 10.5 APPLICATION OF PAYMENTS

Any amounts, other than insurance proceeds in respect of damage or loss not constituting an Event of Loss (the application of which is provided for in Section 11), received at any time by Lessor, Lessee or any Permitted Sublessee from any Government Entity or any other Person in respect of any Event of Loss will be applied as follows:

##### 10.5.1 REPLACEMENT OF AIRFRAME AND ENGINES

If such amounts are received with respect to the Airframe, and any Engine installed thereon at the time of such Event of Loss, such amounts shall be paid over to, or retained by, Lessor (or until the Lien of the Trust Indenture is discharged in accordance with Section 10.01 thereof, the Mortgagee, except with respect to Excluded Payments), and shall be held in accordance with Section 4.5, and if, and at such time as, Lessee shall have

fully complied with the applicable terms of Sections 10.1, 10.2 and 10.3 with respect to the Event of Loss for which such amounts are received, such amounts shall, subject to Section 10.9, be paid to Lessee.

#### 10.5.2 LOSS OF ENGINE

If such amounts are received with respect to an Engine (other than an Engine installed on the Airframe at the time such Airframe suffers an Event of Loss), such amounts shall be paid over to, or retained by, Lessor (or, until the Lien of the Trust Indenture is discharged in accordance with Section 10.01 thereof, the Mortgagee, except with respect to Excluded Payments) and shall be held in accordance with Section 4.5, and if, and at such time as, Lessee shall have fully complied with the applicable terms of Section 10.1, 10.2 and 10.3 with respect to the Event of Loss for which such amounts are received, such amounts shall, subject to Section 10.9, be paid to Lessee.

(a) first, if the sum described in Section 10.1.2 has not then been paid in full by Lessee, such amounts shall be paid to Lessor (or to Mortgagee so long as Mortgagee has not given notice to Lessee that the Trust Indenture has been duly discharged, except with respect to Excluded Payments) to the extent necessary to pay in full such sum;

(b) second, the remainder, if any, shall, subject to Section 10.9, be paid to Lessee.

end of the Term, Lessor, upon notice given not less than 30 days nor more than 120 days before the end of the Term, may elect to treat such event as constituting an Event of Loss with respect to the Aircraft, and Lessee shall then be deemed to have made the election set forth in Section 10.1.2 with the effect that Lessee shall be obligated upon expiration of the Term to pay the Stipulated Loss Value and all other amounts payable pursuant to Section 10.1.2 with respect to the Aircraft as if an Event of Loss earlier occurred and such amounts were payable on such date. If Lessor does not elect to treat such event as an Event of Loss, Lessee shall be obligated to return the Airframe and Engines or engines to Lessor pursuant to, and in all other respects to comply with the provisions of, Section 5 promptly upon their return by such Government Entity.

#### 10.7 REQUISITION OF AN ENGINE FOR USE

If any Government Entity shall requisition for use any Engine but not the Airframe, Lessee will replace such Engine by complying with the applicable terms of Sections 10.2 and 10.3 to the same extent as if an Event of Loss had occurred with respect to such Engine, and any payments received by Lessor or Lessee from such Government Entity with respect to such requisition shall be paid or retained in accordance with Section 10.5.2.

#### 10.8 APPLICATION OF PAYMENTS

All payments received by Lessor or Lessee, or any Permitted Sublessee, from any Government Entity for the use of the Airframe and Engines or engines installed thereon during the Term shall be paid over to, or retained by, Lessee and all payments received by Lessor or Lessee from any Government Entity for the use of the Airframe and Engines or engines installed thereon after the Term shall be paid over to, or retained by, Lessor; provided that, if such requisition constitutes an Event of Loss, or Lessor has elected under Section 10.6 to treat such requisition as an Event of Loss, then all such payments shall be paid over to Lessor (or to Mortgagee so long as Mortgagee has not given notice to Lessee that the Trust Indenture has been duly discharged), and held as provided in Section 10.5 and applied as provided in Sections 10.1, 10.2, 10.3 and 10.5.

Any amount described in this Section 10 that is payable or creditable to, or retainable by, Lessee shall not be paid or credited to, or retained by, Lessee if at the time such payment, credit or retention would otherwise occur a Lease Default or a Lease Event of Default shall have occurred and be continuing, but shall instead be held by or paid over to Lessor (or to Mortgagee so long as Mortgagee has not given notice to Lessee that the Trust Indenture has been duly discharged) as security for the obligations of Lessee under this Lease and the other Operative Agreements and shall be invested pursuant to Section 4.5 hereof unless and until such amount is applied, at the option of Lessor, or upon the written request of Lessee to Lessor, from time to time during the continuance of a Lease Event of Default, to Lessee's obligations under this Lease and the other Lessee Operative Agreements as and when due, it being understood that any such application shall be made to such obligations of Lessee as Lessor may determine in its sole discretion. At such time as there shall not be continuing any Lease Default or any Lease Event of Default, such amount shall be paid to Lessee to the extent not previously applied in accordance with this Section 10.9.

Without limiting any other rights of Lessor under this Lease or any other Operative Agreement, Lessee acknowledges that the provisions of this Section 11 and of Annex D are of the essence of this Lease and the transactions contemplated herein.

### 11.2 LESSOR'S RIGHT TO MAINTAIN INSURANCE

In the event that Lessee shall fail to maintain, or cause to be maintained, insurance as herein provided, Lessor, Mortgagee or any Participant may at its option (but shall not be obligated to) provide such insurance and, in such event, Lessee shall, upon demand, reimburse such person, as Supplemental Rent, for the cost thereof. No such payment, performance or compliance shall be

deemed to cure any Lease Default or Lease Event of Default or otherwise relieve Lessee of its obligations with respect thereto.

#### 11.3 INSURANCE FOR OWN ACCOUNT

Nothing in Section 11 shall limit or prohibit (a) Lessee from maintaining the policies of insurance required under Annex D with higher limits than those specified in Annex D, or (b) Lessor, Mortgagee or Owner Participant from obtaining insurance for its own account (and any proceeds payable under such separate insurance shall be payable as provided in the policy relating thereto); provided, however, that no insurance may be obtained or maintained by Lessee or Lessor that would limit or otherwise adversely affect the coverage of any insurance required to be obtained or maintained by Lessee pursuant to this Section 11 and Annex D.

#### 11.4 INDEMNIFICATION BY GOVERNMENT IN LIEU OF INSURANCE

During any period that the Aircraft, Airframe or any Engine shall have been requisitioned for use by, or possession of the Aircraft shall have been transferred to, the U.S. Government, Lessor agrees to accept, in lieu of insurance against any risk with respect to the Aircraft described in Sections B and C (but, with respect to Section C, as to hull coverage only) of Annex D, indemnification from, or insurance provided by, the U.S. Government, or upon written consent of Lessor and Owner Participant, other Government Entity, against such risk in an amount that, when added to the amount of insurance, if any, against such risk that Lessee (or any Permitted Sublessee) may continue to maintain, in accordance with this Section 11, during the period of such requisition or transfer, shall be at least equal to the amount of insurance against such risk otherwise required by this Section 11. Any such indemnification or insurance provided by the U.S. Government (or other Government Entity consented to in accordance with the preceding sentence) shall provide protection no less favorable to the Indemnitees, after taking into account any insurance the Lessee or any Permitted Sublessee may continue to maintain, than insurance coverage that would comply with the terms of this Section 11. Lessee shall furnish to Lessor, Mortgagee and Owner Participant, in advance of the attachment of such indemnity or insurance (a) a certificate of a responsible Vice President of Lessee stating that such indemnification or insurance complies with the preceding sentence and (b) any other information, documentation

or certificates relating to such indemnity or insurance as Lessor, Mortgagee or Owner Participant shall reasonably request.

#### 11.5 APPLICATION OF INSURANCE PROCEEDS

As between Lessor and Lessee, all insurance proceeds received as a result of the occurrence of an Event of Loss with respect to the Aircraft or any Engine under policies required to be maintained by Lessee pursuant to this Section 11 will be applied in accordance with Section 10.5. All proceeds of insurance required to be maintained by Lessee, in accordance with Section 11 and Section B of Annex D, in respect of any property damage or loss not constituting an Event of Loss with respect to the Aircraft, Airframe or any Engine will be applied in payment (or to reimburse Lessee) for repairs or for replacement property in accordance with the terms of Section 8.1, and any balance remaining after compliance with said Section 8.1 with respect to such damage or loss shall be paid over to, or retained by, Lessee.

#### 11.6 APPLICATION OF PAYMENTS DURING EXISTENCE OF DEFAULT OF DEFAULT

Any amount described in this Section 11 that is payable or creditable to, or retainable by, Lessee shall not be paid or credited to, or retained by, Lessee if at the time such payment, credit or retention would otherwise occur a Lease Default or a Lease Event of Default shall have occurred and be continuing, but shall instead be held by or paid over to Lessor (or to Mortgagee so long as Mortgagee has not given notice to Lessee that the Trust Indenture has been duly discharged) as security for the obligations of Lessee under this Lease and the other Operative Agreements and shall be invested pursuant to Section 4.5 hereof unless and until such amount is applied, at the option of Lessor, or upon the written request of Lessee to Lessor, from time to time during the continuance of a Lease Event of Default, to Lessee's obligations under this Lease and the other Lessee Operative Agreements as and when due, it being understood that any such application shall be made to such obligations of Lessee as Lessor may determine in its sole discretion. At such time as there shall not be continuing any Lease Default or any Lease Event of Default, such amount shall be paid to Lessee to the extent not previously applied in accordance with this Section 11.6.

## SECTION 12. INSPECTION

(a) At all reasonable times Lessor, Mortgagee, each Participant, and their respective authorized representatives (the "Inspecting Parties") may inspect the Aircraft, Airframe and Engines (including, without limitation, the Aircraft Documents) and Lessee shall cooperate, and shall cause any Permitted Sublessee to cooperate, with the Inspecting Parties in connection with any such inspection (including, without limitation, permitting any such Inspecting Party to make copies of such Aircraft Documents not reasonably deemed confidential by Lessee or such Permitted Sublessee).

(b) Any inspection of the Aircraft hereunder shall be a visual, walk-around inspection that may include going on board the Aircraft and examining the contents of any open panels, bays or other components of the Aircraft, Airframe and Engines (but shall not include the opening of any unopened panels, bays or other components).

(c) With respect to such rights of inspection, Lessor, Participants and Mortgagee shall not:

(i) have any duty or liability to make, or any duty or liability arising out of, any such visit, inspection or survey or failure to make any such visit, inspection or survey; or

(ii) so long as no Lease Event of Default has occurred and is continuing, exercise its inspection rights hereunder other than on reasonable notice and so as not to unreasonably interfere with Lessee's maintenance and operation of the Aircraft, Airframe and Engines.

(d) Each person inspecting the Aircraft, Airframe or Engines hereunder shall bear its own expenses in connection with any such inspection, unless such person discovers, in connection therewith, any material failure by Lessee or any Permitted Sublessee to comply with the provisions of this Lease, in which case Lessee shall bear all such expenses.

(e) If requested by Lessor, Lessee shall give, or shall cause any Permitted Sublessee to give, reasonable prior notice to Lessor of the date upon which the Aircraft, Airframe or any Engine undergoes its next scheduled maintenance visit and next major check, and with respect to any Engine the next off-

the-wing maintenance, and shall advise Lessor of the name and location of the relevant maintenance performer and shall, at least 5 days prior to commencement of such major check or maintenance, make available for inspection by Lessor all relevant Aircraft Documents at Lessee's records facility in the United States, or at such Permitted Sublessee's records facility, or at the premises of the maintenance performer.

SECTION 13. ASSIGNMENT; MERGER; SUCCESSOR OWNER TRUSTEE OWNER TRUSTEE

13.1 IN GENERAL

This Lease and the other Operative Agreements shall be binding upon and inure to the benefit of Lessor and Lessee and their respective successors and permitted assigns. Except as otherwise expressly permitted in Section 7.2 or 7.3, or as required in the case of any requisition by the U.S. Government referred to in Section 7.1.5, or as permitted by Section 13.2.1, Lessee will not, without the prior written consent of Lessor, Mortgagee and Owner Participant, assign any of its rights under this Lease. Except as otherwise provided herein (including, without limitation, under the provisions of Section 15 hereof), Lessor and Mortgagee may not assign or convey any of its right, title and interest in and to this Lease or the Aircraft without the prior written consent of Lessee, such consent not to be unreasonably withheld.

13.2 MERGER OF LESSEE

13.2.1 IN GENERAL

Lessee shall not consolidate or merge with or into any other Person under circumstances in which Lessee is not the surviving corporation, or convey, transfer or lease in one or more transactions all or substantially all of its assets to any other Person, unless:

- (a) such person is organized, existing and in good standing under the Laws of the United States, any State of the United States or the District Columbia;
- (b) such person is a U.S. Air Carrier;
- (c) such person executes and delivers to Lessor, Mortgagee and Owner Participant a duly authorized, legal, valid, binding and enforceable agreement, reasonably satisfactory in

form and substance to Lessor and Owner Participant, containing an effective assumption by such person of the due and punctual performance and observance of each covenant, agreement and condition in the Lessee Operative Agreements to be performed or observed by Lessee;

(d) such person makes such filings and recordings, including, without limitation, any filing or recording with the FAA pursuant to the Act, as shall be necessary or desirable to evidence such consolidation or merger;

(e) immediately after giving effect to such consolidation or merger (i) no Lease Event of Default shall have occurred and be continuing and (ii) the Net Worth of such person shall not be less than the Net Worth of Lessee immediately prior to such consolidation or merger; and

(f) Lessee shall deliver to Owner Participant, Mortgagee and Lessor a certificate signed by the President or any Vice President of Lessee, and an opinion of special counsel satisfactory to Owner Participant and Lessor, together stating that such consolidation or merger and the assumption agreement described in clause (c) above comply with this Section 13.2, that the agreements entered into to effect such consolidation or merger and such assumption agreement are legal, valid and binding obligations of such person, and such other matters as Owner Participant and Lessor may reasonably request.

#### 13.2.2 EFFECT OF MERGER

Upon any such consolidation or merger of Lessee with or into, or the conveyance, transfer or lease by Lessee of all or substantially all of its assets to, any Person in accordance with this Section 13.2, such Person will succeed to, and be substituted for, and may exercise every right and power of, Lessee under the Lessee Operative Agreements with the same effect as if such person had been named as "Lessee" therein. No such consolidation or merger, or conveyance, transfer or lease, shall have the effect of releasing Lessee or such Person from any of the obligations, liabilities, covenants or undertakings of Lessee under the Lessee Operative Agreements.

#### 13.3 ASSIGNMENT AS SECURITY FOR LESSOR'S OBLIGATIONS

In order to secure the indebtedness evidenced by the Equipment Notes, Lessor has agreed in the Trust Indenture, among

other things, to assign to Mortgagee this Lease and to mortgage the Aircraft, Airframe and Engines in favor of Mortgagee, subject to the reservations and conditions therein set forth. Lessee hereby accepts and consents to the assignment of all Lessor's right, title and interest in and to this Lease pursuant to the terms of the Trust Indenture. In accordance with Section 3.3(c), Lessee agrees to pay directly to Mortgagee (or, after receipt by Lessee of notice from Mortgagee of the discharge of the Trust Indenture, to Lessor), all amounts of Rent (other than Excluded Payments) due or to become due hereunder and assigned to Mortgagee and Lessee agrees that Mortgagee's right to such payments hereunder shall be absolute and unconditional and shall not be affected by any circumstance, including, without limitation, the circumstances set forth in Section 16 hereof. Notwithstanding the foregoing assignment of this Lease, the obligations of Lessee to Lessor to perform the terms and conditions of this Lease shall remain in full force and effect.

#### 13.4 SUCCESSOR OWNER TRUSTEE

Lessee agrees that in the case of the appointment of any successor Owner Trustee pursuant to the terms of the Participation Agreement and the Trust Agreement, such successor Owner Trustee shall, upon written notice by such successor Owner Trustee to Lessee, succeed to all the rights, powers and title of Lessor hereunder and shall be deemed to be Lessor and the owner of the Aircraft and the other assets of the Trust Estate for all purposes hereof without the necessity of any consent or approval by Lessee and without in any way altering the terms of this Lease or Lessee's obligations hereunder. An appointment and designation of a successor Owner Trustee shall not exhaust the right to appoint and designate further successor or additional Owner Trustees pursuant to the Participation Agreement and the Trust Agreement, and such right may be exercised repeatedly as long as this Lease shall be in effect.

#### SECTION 14. LEASE EVENTS OF DEFAULT

The occurrence of any one or more of the following circumstances, conditions, acts or events, for any reason whatsoever and whether any such circumstance, condition, act or event shall be voluntary or involuntary or come about or be effected by operation of Law or pursuant to or in compliance with any judgment, decree, order, rule or regulation of any Government Entity, shall constitute a Lease Event of Default:

## 14.1 PAYMENTS

Lessee shall fail to pay any amount of Interim Rent, Basic Rent, Renewal Rent, Stipulated Loss Value or Termination Value within five (5) Business Days after the same shall have become due; or Lessee shall fail to pay any other amount due hereunder or under any other Lessee Operative Agreement when due and such failure shall continue for a period in excess of five (5) Business Days from and after the date of any written notice to Lessee from Lessor of the failure to make such payment when due; provided that any such failure to pay any Excluded Payment shall not constitute a Lease Event of Default until written notice is given by the Owner Participant to Lessee and Mortgagee that such failure constitutes a Lease Event of Default and such failure shall have continued for a period in excess of five (5) Business Days after such notice.

## 14.2 INSURANCE

Lessee shall fail to carry and maintain, or cause to be carried and maintained, insurance on and in respect of the Aircraft, Airframe and Engines in accordance with the provisions of Section 11, or Lessee shall operate the Aircraft, Airframe or Engines, or permit the Aircraft, Airframe or Engines to be operated, at any time when such insurance shall not be in effect.

## 14.3 CORPORATE EXISTENCE

Lessee shall fail to maintain at all times its corporate existence (except as permitted by Section 13.2), or Lessee shall otherwise wind-up, liquidate or dissolve, or Lessee shall take or fail to take any action that would have the effect of any of the foregoing.

## 14.4 CERTAIN COVENANTS

Lessee shall not observe, perform or comply with, or shall otherwise breach, any of its obligations under Section 7.1 (other than Sections 7.1.3 and 7.1.4, which shall be subject to Section 14.5), 7.2 (in respect of the Aircraft or Airframe) or 13.

## 14.5 OTHER COVENANTS

Lessee shall fail to observe, perform or comply with, or shall otherwise breach, any other covenant, agreement or

obligation set forth herein or in any other Lessee Operative Agreement (other than the covenants, agreements and obligations set forth in Section 4.8(a) and in the first sentence of Section 10.3.3(a) of this Lease, and in Section [3] of the Tax Indemnity Agreement and in Section 8.3 of this Lease insofar as it relates to Section [3] (except for Lessee's covenants in the last clause thereof)) [AND SECTION 5] of the Tax Indemnity Agreement, and such failure shall continue unremedied for a period of 30 days (or any shorter period as may be expressly set forth in such other Lessee Operative Agreement) from and after the date of written notice thereof to Lessee.

#### 14.6 REPRESENTATIONS AND WARRANTIES

Any representation or warranty made by Lessee herein, in the Participation Agreement or in any other Lessee Operative Agreement (other than the representations and warranties of Lessee in Section [3] (except for Lessee's covenants in the last clause thereof) [AND SECTION 5] of the Tax Indemnity Agreement and in Section 8.3 of this Lease insofar as it relates to Section 3 of the Tax Indemnity Agreement) (a) shall prove to have been untrue, inaccurate or misleading in any material respect as of the date made, (b) such untrue, inaccurate or misleading representation or warranty is material at the time in question, (c) and the same shall remain uncured for a period in excess of 30 days from and after the date of written notice thereof to Lessee.

#### 14.7 BANKRUPTCY AND INSOLVENCY

(a) Lessee shall consent to the appointment of or the taking of possession by a receiver, trustee or liquidator of itself or of a substantial part of its property, or Lessee shall admit in writing its inability to pay its debts generally as they come due, or does not pay its debts generally as they become due or shall make a general assignment for the benefit of creditors, or Lessee shall file a voluntary petition in bankruptcy or a voluntary petition or an answer seeking reorganization, liquidation or other relief in a case under any bankruptcy Laws or other insolvency Laws (as in effect at such time) or an answer admitting the material allegations of a petition filed against Lessee in any such case, or Lessee shall seek relief by voluntary petition, answer or consent, under the provisions of any other bankruptcy or other similar Law providing for the reorganization or winding-up of corporations (as in effect at such time) or

Lessee shall seek an agreement, composition, extension or adjustment with its creditors under such Laws, or Lessee's board of directors shall adopt a resolution authorizing corporate action in furtherance of any of the foregoing; or

(b) an order, judgment or decree shall be entered by any court of competent jurisdiction appointing, without the consent of Lessee, a receiver, trustee or liquidator of Lessee or of any substantial part of its property, or any substantial part of the property of Lessee shall be sequestered, or granting any other relief in respect of Lessee as a debtor under any bankruptcy Laws or other insolvency Laws (as in effect at such time), and any such order, judgment or decree of appointment or sequestration shall remain in force undismitted, unstayed and unvacated for a period of 60 days after the date of entry thereof; or

(c) a petition against Lessee in a case under any bankruptcy Laws or other insolvency Laws (as in effect at such time) is filed and not withdrawn or dismissed within 60 days thereafter, or if, under the provisions of any Law providing for reorganization or winding-up of corporations which may apply to Lessee, any court of competent jurisdiction assumes jurisdiction, custody or control of Lessee or of any substantial part of its property and such jurisdiction, custody or control remains in force unrelinquished, unstayed and untermiated for a period of 60 days.

## SECTION 15. REMEDIES AND WAIVERS

### 15.1 REMEDIES

If any Lease Event of Default shall occur and be continuing, Lessor may, at its option and at any time and from time to time, exercise any one or more of the following remedies as Lessor in its sole discretion shall elect:

#### 15.1.1 RETURN AND REPOSSESSION

Lessor may cause Lessee, upon giving written notice to Lessee, to return promptly, and Lessee shall return promptly, all or any part of the Aircraft, Airframe and Engines as Lessor may so demand, to Lessor or its order in the manner and condition required by, and otherwise in accordance with, all the provisions of Section 5 as if the Aircraft or such part were being returned at the end of the Base Lease Term or any Renewal Lease Term or Lessor, at its option, may enter upon the premises where the

Aircraft, Airframe or any Engine, or any part thereof, are located and take immediate possession of and remove the same by summary proceedings or otherwise, all without liability accruing to Lessor for or by reason of such entry or taking of possession, whether for the restoration of damage to property caused by such taking or otherwise, and Lessee expressly waives any right it may have under applicable Law to a hearing prior to repossession of the Aircraft, Airframe or any Engine, or any part thereof.

#### 15.1.2 SALE AND USE

Lessor may sell the Aircraft, Airframe or any Engine, or any part thereof, at public or private sale, at such times and places, and to such Persons (including Lessor, Mortgagee or any Participant), as Lessor may determine and, without limiting the generality of the provisions of this Section 15, Lessor may hold Lessee liable for the payment of any Basic Rent or Renewal Rent remaining unpaid at the time of such sale and relating to any period prior to the date of such sale; or Lessor may otherwise dispose of, hold, use, operate, lease to others or keep idle the Aircraft, Airframe or any Engine, or any part thereof, as Lessor, in its sole discretion, may determine, all free and clear of any rights of Lessee, except as hereinafter set forth in this Section 15, and without any duty to account to Lessee with respect to such action or inaction or for any proceeds with respect thereto (except in connection with any calculation of liquidated damages under Section 15.1.3(b) below and except to the extent that such proceeds would constitute, under applicable Law, a mitigation of Lessor's damages suffered or incurred as a result of the subject Lease Event of Default).

#### 15.1.3 CERTAIN LIQUIDATED DAMAGES

Whether or not Lessor shall have exercised, or shall thereafter at any time exercise, any of its rights under Section 15.1.1 or 15.1.2 with respect to the Aircraft, Airframe or any Engine, or any part thereof, Lessor, by written notice to Lessee specifying a payment date (which shall be a Termination Value Date occurring not less than 10 days after the date of such notice), may demand Lessee to pay to Lessor, and Lessee shall pay to Lessor, on the payment date so specified and in the manner and in funds of the type specified in Section 3.3, as liquidated damages for loss of a bargain and not as a penalty (in lieu of the Interim Rent, Basic Rent or Renewal Rent, as the case may be, for the Aircraft in respect of all periods commencing on or after

the date specified for payment in such notice), the following amounts:

(a) all unpaid Interim Rent, Basic Rent or Renewal Rent, as the case may be, due at any time prior to the Termination Value Date specified in such notice; plus

(b) whichever of the following amounts Lessor, in its sole discretion shall specify in such notice:

(i) an amount equal to the excess, if any, of the Termination Value for the Aircraft, Airframe or any Engine, or any part thereof, as the case may be, computed as of the Termination Value Date specified in such notice, over the Fair Market Rental Value of the Aircraft, Airframe or any Engine, or any part thereof, as the case may be, for the remainder of the Term, after discounting such Fair Market Rental Value to its then present value (at a rate per annum equal to ten percent, compounded semi-annually) as of the Termination Value Date specified in such notice, or

(ii) an amount equal to the excess, if any, of the Termination Value for the Aircraft, Airframe or any Engine, or any part thereof, as the case may be, computed as of the Termination Value Date specified in such notice, over the Fair Market Sales Value of the Aircraft, Airframe or any Engine, or any part thereof, as the case may be, as of the Termination Value Date specified in such notice; plus

(c) interest on the amounts specified in the foregoing clause (a) at the Payment Due Rate from and including the date on which any such amount was due to the date of payment of such amount in full; plus

(d) if the Termination Value Date specified in such notice is the last day of the Interim Lease Term or a Payment Date, all Interim Rent, Basic Rent or Renewal Rent, as the case may be, due on the last day of the Interim Lease Term or such Payment Date, as the case may be (other than, in the case of such Basic Rent or Renewal Rent, the portion (if any) of such Basic Rent or Renewal Rent that is designated in Schedule 2 or Section 17.2.2, as the case may be, as a payment in advance); plus

(e) interest on the amount specified in the foregoing clause (b)(i) or (b)(ii), according to Lessor's election, and interest on the amount specified in the foregoing clause (d), in each case

at the Payment Due Rate from and including the Termination Value Date specified in such notice to the date of payment of such amount in full.

#### 15.1.4 LIQUIDATED DAMAGES UPON SALE

If Lessor, pursuant to Section 15.1.2 or applicable Law, shall have sold the Aircraft, Airframe or any Engine, or any part thereof, Lessor, in lieu of exercising its rights under Section 15.1.3 with respect to the Aircraft, Airframe or any Engine, or any part thereof, as the case may be, may, if Lessor shall so elect, upon giving written notice to Lessee, demand Lessee to pay Lessor, and Lessee shall pay to Lessor, on the date of such sale and in the manner and in funds of the type specified in Section 3.3, as liquidated damages for loss of a bargain and not as a penalty (in lieu of the Interim Rent, Basic Rent or Renewal Rent, as the case may be, for the Aircraft in respect of all periods commencing on or after the date of such sale), the following amounts:

- (a) all unpaid Interim Rent, Basic Rent or Renewal Rent, as the case may be, (i) due at any time prior to the Termination Value Date immediately preceding the date of such sale, or (ii) if such sale occurs on a Termination Value Date, due at any time prior to such Date; plus
- (b) an amount equal to the excess, if any, of the Termination Value of the Aircraft, Airframe or any Engine, or any part thereof, as the case may be, computed as of the Termination Value Date used in the foregoing clause (a) for the computation of unpaid Rent, over (i) the proceeds of such sale, or (ii) if such sale is a private sale and is made to Lessor, Mortgagee, a Participant or any Affiliate thereof, the Fair Market Sales Value of the Aircraft, Airframe or any Engine, or any part thereof, as the case may be, determined as of the date of such sale; plus
- (c) all brokerage and other out-of-pocket fees and expenses incurred by Lessor, Mortgagee and any Participant in connection with such sale; plus
- (d) interest on the amounts specified in the foregoing clause (a) at the Payment Due Rate from and including

the date on which any such amount was due to the date of payment of such amount in full; plus

- (e) if such sale occurs on a Termination Value Date which is the last day of the Interim Lease Term or a Payment Date, all Interim Rent, Basic Rent or Renewal Rent, as the case may be, due on such Termination Value Date (other than, in the case of such Basic Rent or Renewal Rent, the portion (if any) of such Basic Rent or Renewal Rent that is designated in Schedule 2 or Section 17.2.2, as the case may be, as a payment in advance); plus
- (f) interest on the sum of the amounts specified in the foregoing clauses (b), (c) and (e), at the Payment Due Rate from and including the date of such sale to the date of payment of such amounts in full.

#### 15.1.5 RESCISSION

Lessor may (i) at its option, rescind or terminate this Lease as to the Aircraft, Airframe or any Engine, or any part thereof, or (ii) exercise any other right or remedy that may be available to it under applicable Law or proceed by appropriate court action to enforce the terms hereof or to recover damages for the breach hereof, including, without limitation, Lessee's agreement to lease the Aircraft for the Term and to pay Rent.

#### 15.1.6 OTHER REMEDIES

In addition to the foregoing remedies (but without duplication of amounts otherwise paid under this Section 15), Lessee shall be liable for any and all unpaid Rent due hereunder before, during or after (except as otherwise provided herein) the exercise of any of the foregoing remedies and for all attorneys' fees and other costs and expenses of Lessor, Mortgagee and the Participants, including, without limitation, interest on overdue Rent at the rate as herein provided, incurred by reason of the occurrence of any Lease Event of Default or the exercise of Lessor's remedies with respect thereto, including all costs and expenses incurred in connection with the return of the Aircraft, Airframe or any Engine, or any part thereof, in accordance with the terms of Section 5 or in placing the Aircraft, Airframe or any Engine, or any part thereof, in the condition and airworthiness required by Section 5.

## 15.2 LIMITATIONS UNDER CRAF

Notwithstanding the provisions of Section 15.1, during any period that the Aircraft, Airframe or any Engine is subject to CRAF in accordance with the provisions of Section 7.2.3 and in the possession of the U.S. Government, Lessor shall not, as a result of any Lease Event of Default, exercise its remedies hereunder in such manner as to limit Lessee's control under this Lease (or any Permitted Sublessee's control under any Permitted Sublease) of the Aircraft, Airframe or such Engine, unless at least 30 days' (or such other period as may then be applicable under CRAF) written notice of default hereunder shall have been given by Lessor or Mortgagee by registered or certified mail to Lessee (and any Permitted Sublessee) with a copy to the Contracting Officer Representative or Representatives for the Military Airlift Command of the United States Air Force to whom notices must be given under the contract governing Lessee's (or any Permitted Sublessee's) participation in CRAF with respect to the Aircraft, Airframe or any Engine.

## 15.3 RIGHT TO PERFORM FOR LESSEE

If Lessee fails to make any payment of Rent required to be made by it hereunder or fails to perform or comply with any of its agreements contained herein, Lessor, Mortgagee or Owner Participant may (but shall not be obligated to) make such payment or perform or comply with such agreement, and the amount of such payment and the amount of the expenses of Lessor, Mortgagee or Owner Participant incurred in connection with such payment or the performance of or compliance with such agreement, as the case may be, together with interest thereon at the Payment Due Rate, shall be deemed Supplemental Rent, payable by Lessee upon demand. No such payment, performance or compliance shall be deemed to cure any Lease Default or Lease Event of Default or otherwise relieve Lessee of its obligations with respect thereto.

## 15.4 DETERMINATION OF FAIR MARKET RENTAL VALUE AND FAIR MARKET SALES VALUE

For the purpose of this Section 15, the "Fair Market Rental Value" or the "Fair Market Sales Value" of the Aircraft, Airframe or any Engine, or any part thereof shall be determined on an "as is, where is" basis and shall take into account customary brokerage and other out-of-pocket fees and expenses which typically would be incurred in connection with a re-lease or sale

of the Aircraft, Airframe or any Engine. Any such determination shall be made by an Appraiser selected by Lessor and the costs and expenses associated therewith shall be borne by Lessee, unless Lessor does not obtain possession of the Aircraft, Airframe and Engines pursuant to this Section 15, in which case an Appraiser shall not be appointed and Fair Market Rental Value and Fair Market Sales Value for purposes of this Section 15 shall be zero.

#### 15.5 LESSOR APPOINTED ATTORNEY-IN-FACT

Lessee hereby appoints Lessor as the attorney-in-fact of Lessee, with full authority in the place and stead of Lessee and in the name of Lessee or otherwise, for the purpose of carrying out the provisions of this and any other Operative Agreement and taking any action and executing any instrument that Lessor may deem necessary or advisable to accomplish the purposes hereof; provided, however, that Lessor may only take action or execute instruments under this Section 15.5 after a Lease Event of Default has occurred and is continuing. Lessee hereby declares that the foregoing powers are granted for valuable consideration, constitute powers granted as security for the performance of the obligations of Lessee hereunder, are coupled with an interest and shall be irrevocable. Without limiting the generality of the foregoing or any other rights of Lessor or Mortgagee under the Operative Agreements, Lessor shall, as between Lessor and Lessee, upon the occurrence and during the continuation of a Lease Event of Default have the sole and exclusive right and power to (i) settle, compromise, compound, adjust or defend any actions, suits or proceedings relating to or pertaining to the Aircraft, Airframe or any Engine, or this Lease and (ii) make proof of loss, appear in and prosecute any action arising from any policy or policies of insurance maintained pursuant to this Lease, and settle, adjust or compromise any claims for loss, damage or destruction under, or take any other action in respect of, any such policy or policies.

#### 15.6 REMEDIES CUMULATIVE

Nothing contained in this Lease shall be construed to limit in any way any right, power, remedy or privilege of Lessor hereunder or under any other Operative Agreement or now or hereafter existing at law or in equity. Each and every right, power, remedy and privilege hereby given to, or retained by, Lessor in this Lease shall be in addition to and not in

limitation of every other right, power, remedy and privilege given under the Operative Agreements or now or hereafter existing at law or in equity. Each and every right, power, remedy and privilege of Lessor under this Lease and any other Operative Agreement may be exercised from time to time or simultaneously and as often and in such order as may be deemed expedient by Lessor. All such rights, powers, remedies and privileges shall be cumulative and not mutually exclusive, and the exercise of one shall not be deemed a waiver of the right to exercise any other. Lessee hereby waives to the extent permitted by applicable Law any right which it may have to require Lessor to choose or elect remedies.

SECTION 16. LESSEE'S OBLIGATIONS; NO SETOFF, COUNTERCLAIM, ETC.

(a) Lessee's obligation to pay Rent and all other amounts payable hereunder, under the Participation Agreement or under any other Lessee Operative Agreement shall be absolute and unconditional, and shall be construed as covenants separate and independent from the agreements or undertakings of any other Person, including, without limitation, Lessor, Mortgagee or any Participant, and shall not be affected by any event or circumstance, including, without limitation: (i) any setoff, counterclaim, recoupment, defense or other right that Lessee may have against Lessor, Mortgagee, any Participant, any Note Holder, Airframe Manufacturer, Engine Manufacturer, any Indemnitee or any other Person for any reason whatsoever; (ii) any defect in the title, airworthiness, condition, design, operation or fitness for use of, or any damage to or loss or destruction of, the Aircraft, Airframe or any Engine, or any interruption or cessation in the use or possession thereof by Lessee for any reason whatsoever; (iii) any insolvency, bankruptcy, reorganization or similar proceedings by or against Lessee or any other Person; (iv) any restriction, prevention or curtailment of or interference with any use of the Aircraft, Airframe or any Engine, or any part thereof; (v) any change, waiver, extension, indulgence or other action or omission in respect of any obligation or liability of Lessee or Lessor; (vi) any claim that Lessee has or might have against any Person; (vii) any failure on the part of Lessor, Mortgagee or any Participant to perform or comply with any of the terms of this Lease or any other Operative Agreement; (viii) any invalidity or unenforceability or disaffirmance of this Lease or any provision hereof or any of the other Operative Agreements or any provision thereof, in each case whether against or by Lessee

or otherwise; or (ix) any other circumstance, happening or event whatsoever, whether or not similar to any of the foregoing.

(b) If for any reason whatsoever this Lease shall be terminated in whole or in part by operation of law or otherwise except as specifically provided herein, Lessee nonetheless agrees to pay an amount equal to each Interim Rent, Basic Rent, Renewal Rent and Supplemental Rent payment at the time such payment would have become due and payable in accordance with the terms hereof had this Agreement not been terminated in whole or in part. All Rent payable by Lessee shall be paid without notice or demand (except as otherwise expressly provided) and without abatement, suspension, deferment, deduction, diminution or proration by reason of any circumstance or occurrence whatsoever. Lessee hereby waives, to the extent permitted by applicable law, any and all rights that it may now have or that at any time hereafter may be conferred upon it, by statute or otherwise, to terminate, cancel, quit or surrender this Agreement or any part hereof, or to any abatement, suppression, deferment, diminution, reduction or proration of Rent, except in accordance with the express terms hereof. Each payment of Rent made by Lessee shall be final as to Lessor and Lessee and, except for any manifest clerical computational error, Lessee will not seek to recover all or any part of any such payment of Rent for any reason whatsoever.

(c) All obligations, liabilities, covenants and undertakings of Lessee in this Agreement or in any other Operative Agreement shall be performed, observed and complied with at Lessee's sole cost and expense, whether or not so expressed, unless otherwise expressly provided.

(d) Nothing set forth in this Section 16 shall be construed to prohibit Lessee from separately pursuing any claim that it may have from time to time against Lessor or any other Person with respect to any matter (other than the absolute and unconditional nature of Lessee's obligations hereunder to pay Rent, and other than the matters specified in paragraphs (b) and (c) above).

## SECTION 17. RENEWAL AND PURCHASE OPTIONS

### 17.1 NOTICES GENERALLY

(a) At least 180 days but not more than 360 days prior to the Scheduled Expiration Date, Lessee may provide notice to Lessor that Lessee may exercise either the option to extend the

leasing of the Aircraft for the First Renewal Lease Term pursuant to Section 17.2 or the option to purchase the Aircraft on the Scheduled Expiration Date pursuant to Section 17.3. At least 180 days but not more than 360 days prior to the First Renewal Term Expiration Date, Lessee may, if it has leased the Aircraft during the First Renewal Lease Term, provide notice to Lessor that Lessee may exercise either the option to extend the leasing of the Aircraft for the Second Renewal Lease Term pursuant to Section 17.2, or the option to purchase the Aircraft on the First Renewal Term Expiration Date pursuant to Section 17.3. At least 180 days but not more than 360 days prior to the Second Renewal Term Expiration Date, Lessee may, if it has leased the Aircraft during the Second Renewal Lease Term, provide notice to Lessor that Lessee may exercise either the option to extend the leasing of the Aircraft for the Third Renewal Lease Term pursuant to Section 17.2, or the option to purchase the Aircraft on the Second Renewal Term Expiration Date pursuant to Section 17.3. At least 180 days but not more than 360 days prior to the Third Renewal Term Expiration Date, Lessee may, if it has leased the Aircraft during the Third Renewal Lease Term, provide notice to Lessor that Lessee may exercise either the option to extend the leasing of the Aircraft for the Fourth Renewal Lease Term pursuant to Section 17.2, or the option to purchase the Aircraft on the Third Renewal Term Expiration Date pursuant to Section 17.3. Any such notice (a "Preliminary Notice") shall be irrevocable.

(b) If any such Preliminary Notice is given by Lessee, then Lessee may provide a further notice specifying which option it intends to elect, with respect to the relevant period, pursuant to Section 17.2.1 or 17.3.1, as the case may be.

(c) At least 180 days but not more than 360 days prior to the last day of the Fourth Renewal Lease Term, Lessee may provide notice (the "Definitive Purchase Notice") to Lessor that Lessee shall exercise the option to purchase the Aircraft on the Fourth Renewal Term Expiration Date pursuant to Section 17.3. Any such Definitive Purchase Notice shall be irrevocable.

## 17.2 RENEWAL OPTIONS

### 17.2.1 RENEWAL NOTICE

(a) If Lessee has given a Preliminary Notice, as specified in Section 17.1, and subject to the terms and conditions of this

Section 17.2, Lessee may exercise its option to extend the leasing of the Aircraft hereunder, on the same terms, provisions and conditions (except as contemplated by this Section 17) set forth herein and in the other Lessee Operative Agreements with respect to the Base Lease Term, by delivery of a notice (a "Renewal Notice") to Lessor:

(i) in the case of the First Renewal Lease Term, not more than 180 days nor less than 120 days prior to the Scheduled Expiration Date,

(ii) in the case of the Second Renewal Lease Term, not more than 180 days nor less than 120 days prior to the First Renewal Term Expiration Date,

(iii) in the case of the Third Renewal Lease Term, not more than 180 days nor less than 120 days prior to the Second Renewal Term Expiration Date; and

(iv) in the case of the Fourth Renewal Lease Term, not more than 180 days nor less than 120 days prior to the Third Renewal Lease Term Expiration Date.

(b) Notwithstanding anything to the contrary in this Agreement or any other Operative Agreement:

(i) No Preliminary Notice or Renewal Notice shall be binding on Lessor or oblige Lessor to extend the leasing of the Aircraft hereunder for the First Renewal Lease Term, the Second Renewal Lease Term, the Third Renewal Lease Term or the Fourth Renewal Lease Term, as the case may be, if any Lease Default or Lease Event of Default shall have occurred and be continuing on and as of either the date of such Preliminary Notice or Renewal Notice or the date that such Renewal Lease Term would otherwise commence.

(ii) Any Renewal Notice shall be irrevocable and shall constitute an unconditional obligation of Lessee to extend the leasing of the Aircraft hereunder for the First Renewal Lease Term, the Second Renewal Lease Term, the Third Renewal Lease Term or the Fourth Renewal Lease Term, as the case may be.

(iii) Lessee shall not be entitled to give any Renewal Notice if it has (i) not delivered a Preliminary Notice or (ii) delivered a Purchase Notice to Lessor.

## 17.2.2 RENEWAL RENT

(a) During the Renewal Lease Term, Lessee shall pay to Lessor on each Payment Date, in the manner and in the funds of the type specified in Section 3.3, Renewal Rent in advance. Each installment of Renewal Rent shall, for all purposes hereof (including, without limitation, for purposes of Section 467 of the Code), be accrued on a daily basis over the three-month period beginning on the Payment Date on which such installment is scheduled to be made; and as security for the obligations of Lessee under this Lease and the other Lessee Operative Agreements, Lessee hereby grants to Lessor a security interest in all amounts of Renewal Rent which may be paid but unaccrued hereunder from time to time.

(b) The Renewal Rent payable by Lessee on each Payment Date during any First, Second, Third or Fourth Renewal Lease Term shall be the lower of (i) an amount equal to one-quarter of the average annual Basic Rent payable during the Interim Term and the Base Lease Term, or (ii) the Fair Market Rental Value of the Aircraft for such First, Second, Third or Fourth Renewal Lease Term. Any such Fair Market Rental Value shall be determined not more than 170 days and not less than 150 days prior to the date of commencement of such First, Second, Third or Fourth Renewal Lease Term, as the case may be, by mutual agreement of Lessor and Lessee or, if they shall be unable to agree, by an appraisal in accordance with Section 17.4.

## 17.2.3 STIPULATED LOSS AND TERMINATION VALUES

(a) For any First, Second, Third or Fourth Renewal Lease Term, Stipulated Loss Value Dates and Termination Value Dates shall be extended throughout such Renewal Lease Term on the same days and for the same months as during the Base Lease Term.

(b) Stipulated Loss Value and Termination Value amounts that are payable during any such First, Second, Third or Fourth Renewal Lease Term shall be determined at the same time that the Renewal Rent for such Renewal Lease Term is determined under Section 17.2.2. Stipulated Loss Values for any such Lease Term shall, throughout such Renewal Lease Term, be equal to the greater of (i) the Fair Market Sales Value of the Aircraft, computed as of the first day of such Renewal Lease Term, and (ii) the Minimum Residual Percentage. Termination Values for any such Renewal Lease Term shall, throughout such Renewal Lease

Term, be equal to the greater of (i) the Fair Market Sales Value of the Aircraft, computed as of the first day of such Renewal Lease Term, and (ii) the Minimum Value Percentage.

(c) Any Fair Market Sales Value of the Aircraft, for purposes of calculating Stipulated Loss Value and Termination Value amounts applicable during any such Renewal Lease Term, shall be determined by mutual agreement of Lessor and Lessee or, if they shall be unable to agree, by an appraisal in accordance with Section 17.4.

### 17.3 PURCHASE OPTION

#### 17.3.1 PURCHASE NOTICE

(a) Subject to Section 17.1 and the terms and conditions of this Section 17.3, Lessee may elect to purchase the Aircraft, on any Purchase Date occurring on or after the Scheduled Expiration Date, at a purchase price equal to the Fair Market Sales Value of the Aircraft computed as of the Purchase Date.

(b) Lessee may exercise such option to purchase the Aircraft, by delivery of a notice (a "Purchase Notice") to Lessor not more than 180 days nor less than 120 days prior to the Purchase Date specified in such Purchase Notice.

(c) Notwithstanding anything to the contrary in this Agreement or any other Operative Agreement:

(i) No Preliminary Notice, Definitive Purchase Notice or Purchase Notice shall be binding on Lessor or obligate Lessor to sell the Aircraft to Lessee hereunder if any Lease Default or Lease Event of Default shall have occurred and be continuing on and as of either the date of such Preliminary Notice, Definitive Purchase Notice or Purchase Notice or the proposed Purchase Date.

(ii) Any Purchase Notice (whether delivered or deemed to have been delivered) shall be irrevocable and shall constitute an unconditional obligation of Lessee to purchase the Aircraft under this Section 17.3.

(iii) No Preliminary Notice, Definitive Purchase Notice or Purchase Notice shall be binding on Lessor or obligate Lessor to sell the Aircraft to Lessee hereunder if the Fair Market Sales Value of the Aircraft is determined to be less

than an amount equal to the Minimum Residual Percentage multiplied by Lessor's Cost.

(iv) Lessee shall not be entitled to give any Purchase Notice in respect of any Purchase Date if it has delivered a Renewal Notice for a Renewal Lease Term that would commence immediately following such Purchase Date.

#### 17.3.2 PURCHASE PRICE

The Fair Market Sales Value of the Aircraft shall be determined not more than 170 days and not less than 150 days prior to the applicable Purchase Date by mutual agreement of Lessor and Lessee or, if they shall be unable to agree, by an appraisal in accordance with Section 17.4.

#### 17.3.3 TITLE

Upon full and final payment by Lessee of (a) the applicable Fair Market Sales Value of the Aircraft, (b) all unpaid Rent due and payable through and including the Purchase Date and (c) all other amounts due and payable by Lessee under this Agreement, the Participation Agreement or any other Operative Agreement, Lessor will transfer to Lessee title to the Aircraft in accordance with Section 4.6.

#### 17.4 APPRAISALS

Whenever Fair Market Rental Value or Fair Market Sales Value of the Aircraft is required to be determined by an appraisal under this Section 17, Lessee and Lessor shall appoint a mutually satisfactory Appraiser to conduct such appraisal. If Lessee and Lessor fail to agree upon a satisfactory Appraiser then each shall promptly appoint a separate Appraiser and such Appraisers shall jointly determine such amount. If either Lessee or Lessor fails to so appoint an Appraiser, the determination of the single Appraiser appointed shall be final. If two Appraisers are appointed and within 7 days after the appointment of the latter of such two Appraisers, they cannot agree upon such amount, such two Appraisers shall, within 8 days after such latter appointment, appoint a third Appraiser and such amount shall be determined by such three Appraisers, who shall make their separate appraisals within 7 days following the appointment of the third Appraiser, and any determination so made shall be conclusive and binding upon Lessor and Lessee. If no such third Appraiser is appointed within such 8-day period, either Lessor or

Lessee may apply to the American Arbitration Association to make such appointment, and both parties shall be bound by such appointment. The foregoing appraisal procedure shall in any event be completed no less than 125 days before the end of the Base Lease Term or the Renewal Lease Term, as the case may be. If three Appraisers are appointed and the difference between the determination which is farther from the middle determination and the middle determination is more than 125% of the difference between the middle determination and the third determination, then such farther determination shall be excluded, the remaining two determinations shall be averaged and such average shall be final and binding upon Lessor and Lessee. Otherwise, the average of all three determinations shall be final and binding upon Lessor and Lessee. The fees and expenses of all such Appraisers and such appraisal procedure, together with the reasonable out-of-pocket fees and expenses of Lessor (including, without limitation, attorney's fees and expenses) shall be borne by Lessee.

#### SECTION 18. MISCELLANEOUS

##### 18.1 AMENDMENTS

No provision of this Agreement may be amended, supplemented, waived, modified, discharged, terminated or otherwise varied orally, but only by an instrument in writing that specifically identifies the provision of this Agreement that it purports to amend, supplement, waive, modify, discharge, terminate or otherwise vary and is signed by Lessor and Lessee. Each such amendment, supplement, waiver, modification, discharge, termination or variance shall be effective only in the specific instance and for the specific purpose for which it is given. No provision of this Agreement shall be varied or contradicted by oral communication, course of dealing or performance or other manner not set forth in an agreement, document or instrument in writing and signed by Lessor and Lessee.

##### 18.2 SEVERABILITY

If any provision hereof shall be held invalid, illegal or unenforceable in any respect in any jurisdiction, then, to the extent permitted by Law (a) all other provisions hereof shall remain in full force and effect in such jurisdiction and (b) such invalidity, illegality or unenforceability shall not affect the validity, legality or enforceability of such provision in any

other jurisdiction. If, however, any Law pursuant to which such provisions are held invalid, illegal or unenforceable may be waived, such Law is hereby waived by the parties hereto to the full extent permitted, to the end that this Agreement shall be deemed to be a valid and binding agreement in all respects, enforceable in accordance with its terms.

#### 18.3 SURVIVAL

The representations, warranties, indemnities and covenants set forth herein shall survive the making available of the respective Commitments by Participants, the delivery or return of the Aircraft, the Transfer of any interest of Owner Participant in this Agreement, the other Operative Agreements, the Trust Estate and the Trust Agreement, the Transfer of any interest by any Note Holder of its Equipment Notes and the expiration or other termination of this Agreement or any other Operative Agreement.

#### 18.4 REPRODUCTION OF DOCUMENTS

This Agreement, all annexes, schedules and exhibits hereto and all agreements, instruments and documents relating hereto, including, without limitation (a) consents, waivers and modifications that may hereafter be executed and (b) financial statements, certificates and other information previously or hereafter furnished to any party hereto, may be reproduced by such party by any photographic, photostatic, microfilm, micro-card, miniature photographic or other similar process, and such party may destroy any original documents so reproduced. Any such reproduction shall be admissible in evidence as the original itself in any judicial or administrative proceeding (whether or not the original is in existence and whether or not such reproduction was made by such party in the regular course of business) and any enlargement, facsimile or further reproduction of such reproduction likewise is admissible in evidence.

#### 18.5 COUNTERPARTS

This Agreement and any amendments, waivers, consents or supplements hereto may be executed in any number of counterparts (or upon separate signature pages bound together into one or more counterparts), each of which when so executed shall be deemed to be an original, and all of which counterparts, taken together, shall constitute one and the same instrument.

## 18.6 NO WAIVER

No failure on the part of Lessor to exercise, and no delay by Lessor in exercising, any of its rights, powers, remedies or privileges under this Agreement or provided at Law, in equity or otherwise shall impair, prejudice or constitute a waiver of any such right, power, remedy or privilege or be construed as a waiver of any breach hereof or default hereunder or as an acquiescence therein, nor shall any single or partial exercise of any such right, power, remedy or privilege preclude any other or further exercise thereof by Lessor or the exercise of any other right, power, remedy or privilege by Lessor. No notice to or demand on Lessee in any case shall, unless otherwise required under this Agreement, entitle Lessee to any other or further notice or demand in similar or other circumstances or constitute a waiver of the rights of Lessor to any other or further action in any circumstances without notice or demand.

## 18.7 NOTICES

Unless otherwise expressly permitted by the terms hereof, all notices, requests, demands, authorizations, directions, consents, waivers and other communications required or permitted to be made, given, furnished or filed hereunder shall be in writing (it being understood that the specification of a writing in certain instances and not in others does not imply an intention that a writing is not required as to the latter), shall refer specifically to this Agreement and shall be personally delivered, sent by facsimile or telecommunication transmission (which in either case provides written confirmation to the sender of its delivery), sent by registered mail or certified mail, return receipt requested, postage prepaid, or sent by overnight courier service, in each case to the respective address or facsimile number set forth for such party in Schedule 1 to the Participation Agreement, or to such other address or number as either party hereto may hereafter specify by notice to the other party hereto. Each such notice, request, demand, authorization, direction, consent, waiver or other communication shall be effective when received or, if made, given, furnished or filed (a) by facsimile or telecommunication transmission, when confirmed, or (b) by registered or certified mail, three Business Days after being deposited, properly addressed, with the U.S. Postal Service.

## 18.8 GOVERNING LAW; SUBMISSION TO JURISDICTION; VENUE

(a) THIS AGREEMENT SHALL IN ALL RESPECTS BE GOVERNED BY THE LAWS OF THE STATE OF NEW YORK, INCLUDING ALL MATTERS OF CONSTRUCTION, VALIDITY AND PERFORMANCE, WITHOUT GIVING EFFECT TO PRINCIPLES OF CONFLICTS OF LAWS. THIS AGREEMENT IS BEING DELIVERED IN THE STATE OF NEW YORK.

(b) EACH PARTY HERETO IRREVOCABLY AGREES, ACCEPTS AND SUBMITS FOR ITSELF TO THE NON-EXCLUSIVE JURISDICTION OF THE COURTS OF THE STATE OF NEW YORK IN THE CITY AND COUNTY OF NEW YORK AND OF THE UNITED STATES FOR THE SOUTHERN DISTRICT OF NEW YORK, IN CONNECTION WITH ANY LEGAL ACTION, SUIT OR PROCEEDING WITH RESPECT TO ANY MATTER RELATING TO OR ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT.

(c) EACH PARTY HERETO HEREBY IRREVOCABLY CONSENTS AND AGREES TO THE SERVICE OF ANY AND ALL LEGAL PROCESS, SUMMONS, NOTICES AND DOCUMENTS OF ANY OF THE AFOREMENTIONED COURTS IN ANY SUCH SUIT, ACTION OR PROCEEDING MAY BE MADE BY MAILING COPIES THEREOF BY REGISTERED OR CERTIFIED MAIL, POSTAGE PREPAID, AT THE ADDRESS SET FORTH IN SECTION 18.7. EACH PARTY HERETO HEREBY AGREES THAT SERVICE UPON IT, OR ANY OF ITS AGENTS, IN EACH CASE IN ACCORDANCE WITH THIS SECTION 18.8(C), SHALL CONSTITUTE VALID AND EFFECTIVE PERSONAL SERVICE UPON SUCH PARTY, AND EACH PARTY HERETO HEREBY AGREES THAT THE FAILURE OF ANY OF ITS AGENTS TO GIVE ANY NOTICE OF SUCH SERVICE TO ANY SUCH PARTY SHALL NOT IMPAIR OR AFFECT IN ANY WAY THE VALIDITY OF SUCH SERVICE ON SUCH PARTY OR ANY JUDGMENT RENDERED IN ANY ACTION OR PROCEEDING BASED THEREON.

(d) EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE EXTENT PERMITTED BY APPLICABLE LAW, AND AGREES NOT TO ASSERT, BY WAY OF MOTION, AS A DEFENSE, OR OTHERWISE, IN ANY LEGAL ACTION OR PROCEEDING BROUGHT HEREUNDER IN ANY OF THE ABOVE-NAMED COURTS, THAT SUCH ACTION OR PROCEEDING IS BROUGHT IN AN INCONVENIENT FORUM, THAT VENUE FOR THE ACTION OR PROCEEDING IS IMPROPER OR THAT THIS AGREEMENT OR ANY OTHER OPERATIVE AGREEMENT MAY NOT BE ENFORCED IN OR BY SUCH COURTS.

(e) EACH PARTY HERETO HEREBY WAIVES ITS RESPECTIVE RIGHTS TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION IN ANY COURT IN ANY JURISDICTION BASED UPON OR ARISING OUT OF OR RELATING TO THIS AGREEMENT.

## 18.9 THIRD-PARTY BENEFICIARY

This Agreement is not intended to, and shall not, provide any person not a party hereto (other than Mortgagee, the Participants, the Indenture Indemnitees and the persons referred to in Section 4.7, in each case to the extent expressly provided herein) with any rights of any nature whatsoever against either of the parties hereto, and no person not a party hereto (other than Mortgagee, the Participants, the Indenture Indemnitees and the persons referred to in Section 4.7, in each case to the extent expressly provided herein) shall have any right, power or privilege in respect of, or have any benefit or interest arising out of, this Agreement.

LEASE SUPPLEMENT NO. \_\_

LEASE SUPPLEMENT No. \_\_, dated \_\_\_\_\_, 199\_, between FIRST SECURITY BANK, NATIONAL ASSOCIATION, a national banking association, not in its individual capacity, but solely as Owner Trustee under the Trust Agreement, dated as of \_\_\_\_\_, with the Owner Participant named therein (such Owner Trustee, in its capacity as such Owner Trustee being herein called "Lessor"), and CONTINENTAL AIRLINES, INC., a Delaware corporation, as Lessee ("Lessee").

3. The Delivery Date of the Aircraft is the date of this Lease Supplement set forth in the opening paragraph hereof.

4. Lessee hereby confirms its agreement to pay Lessor Rent for the Aircraft in accordance with Sections 3 and 17, and the other provisions, of the Lease.

5. Lessee hereby confirms to Lessor that Lessee has duly and irrevocably accepted the Aircraft under and for all purposes hereof, of the Lease and of the other Lessee Operative Agreements.

6. All of the terms and provisions of this Lease Supplement are hereby incorporated by reference in the Lease to the same extent as if fully set forth therein.

7. This Lease Supplement may be executed by the parties hereto in separate counterparts, each of which when so executed and delivered shall be an original, but all such counterparts shall together constitute but one and the same instrument.

8. To the extent, if any, that this Lease Supplement constitutes chattel paper (as such term is defined in the Uniform Commercial Code as in effect in any applicable jurisdiction), no security interest in this Lease Supplement may be created through the transfer or possession of any counterpart other than the original executed counterpart, which shall be identified as the counterpart containing the receipt therefor executed by the Mortgagee on the signature page thereof.

It is expressly agreed that anything herein contained to the contrary notwithstanding, the Owner Trustee shall remain liable under the Indenture Agreements, to perform all of the obligations assumed by it thereunder, except to the extent prohibited or excluded from doing so pursuant to the terms and provisions thereof, and the Loan Trustee, the Loan Participants, the Indenture Indemnitees and the Note Holders shall have no obligation or liability under the Indenture Agreements, by reason of or arising out of the assignment hereunder, nor shall the Loan Trustee, the Loan Participants, the Indenture Indemnitees or the Note Holders be required or obligated in any manner to perform or fulfill any obligations of the Owner Trustee under or pursuant to the Indenture Agreements, or, except as herein expressly provided, to make any payment, or to make any inquiry as to the nature or sufficiency of any payment received by it, or present or file any claim, or take any action to collect or enforce the payment of any amounts which may have been assigned to it or to which it may be entitled at any time or times.

The Owner Trustee does hereby constitute the Loan Trustee the true and lawful attorney of the Owner Trustee, irrevocably, granted for good and valuable consideration and coupled with an interest and with full power of substitution, and with full power (in the name of the Owner Trustee or otherwise) to ask for, require, demand, receive, compound and give acquittance for any and all monies and claims for monies (in each

case including insurance and requisition proceeds but in all cases excluding Excluded Payments) due and to become due under or arising out of the Indenture Agreements, and all other property which now or hereafter constitutes part of the Trust Indenture Estate, to endorse any checks or other instruments or orders in connection therewith and to file any claims or to take any action or to institute any proceedings which the Loan Trustee may deem to be necessary or advisable in the premises. Without limiting the generality of the foregoing, but subject to the rights of the Owner Trustee and the Owner Participant under Sections 2.13, 4.03 and 4.04(a) hereof, during the continuance of any Event of Default under this Trust Indenture, the Loan Trustee shall have the right under such power of attorney to accept any offer in connection with the exercise of remedies as set forth herein of any purchaser to purchase the Airframe and Engines and upon such purchase to execute and deliver in the name of and on behalf of the Owner Trustee an appropriate bill of sale and other instruments of transfer relating to the Airframe and Engines, when purchased by such purchaser, and to perform all other necessary or appropriate acts with respect to any such purchase, and in its discretion to file any claim or take any other action or proceedings, either in its own name or in the name of the Owner Trustee or otherwise, which the Loan Trustee may deem necessary or appropriate to protect and preserve the right, title and interest of the Loan Trustee in and to such Rents and other sums and the security intended to be afforded hereby; provided, however, that no action of the Loan Trustee pursuant to this paragraph shall increase the obligations or liabilities of the Owner Trustee to any Person beyond those obligations and liabilities specifically set forth in this Trust Indenture and in the other Operative Agreements. Under the Lease, Lessee is directed, so long as this Trust Indenture shall not have been fully discharged, to make all payments of Rent (other than Excluded Payments) and all other amounts which are required to be paid to or deposited with the Owner Trustee pursuant to the Lease (other than Excluded Payments) directly to, or as directed by, the Loan Trustee at such address or addresses as the Loan Trustee shall specify, for application as provided in this Trust Indenture. The Owner Trustee agrees that promptly upon receipt thereof, it will transfer to the Loan Trustee any and all monies from time to time received by it constituting part of the Trust Indenture Estate, for distribution by the Loan Trustee pursuant to this Trust Indenture, except that the Owner Trustee shall accept for distribution pursuant to the Trust Agreement any

amounts distributed to it by the Loan Trustee under this Trust Indenture.

The Owner Trustee agrees that at any time and from time to time, upon the written request of the Loan Trustee, the Owner Trustee will promptly and duly execute and deliver or cause to be duly executed and delivered any and all such further instruments and documents as the Loan Trustee may reasonably deem necessary or desirable to perfect, preserve or protect the mortgage, security interests and assignments created or intended to be created hereby or to obtain for the Loan Trustee the full benefits of the assignment hereunder and of the rights and powers herein granted.

The Owner Trustee does hereby warrant and represent that it has not assigned or pledged, and hereby covenants and agrees that it will not assign or pledge, so long as the assignment hereunder shall remain in effect, and the Lien hereof shall not have been released pursuant to Section 10.01 hereof, any of its right, title or interest hereby assigned, to anyone other than the Loan Trustee, and that it will not, except as otherwise provided in this Trust Indenture and except with respect to Excluded Payments to which it is entitled, (i) accept any payment from Lessee or any Permitted Sublessee under any Indenture Agreement, (ii) enter into any agreement amending or supplementing any Indenture Agreement, (iii) execute any waiver or modification of, or consent under, the terms of, or exercise any rights, powers or privileges under, any Indenture Agreement, (iv) settle or compromise any claim arising under any Indenture Agreement or (v) submit or consent to the submission of any dispute, difference or other matter arising under or in respect of any Indenture Agreement to arbitration thereunder.

The Owner Trustee does hereby further agree that it will not without the written consent of the Loan Trustee:

(a) except with respect to Excluded Payments, receive or collect or agree to the receipt or collection of any payment of Rent, including Basic Rent, Stipulated Loss Value, Termination Value or any other payment to be made pursuant to Section 9 or 10 of the Lease prior to the date for the payment thereof provided for by the Lease or assign, transfer or hypothecate (other than to the Loan Trustee hereunder) any payment of Rent, including Basic Rent,

Stipulated Loss Value, Termination Value or any other payment to be made pursuant to Section 9 or 10 of the Lease, then due or to accrue in the future under the Lease in respect of the Airframe and Engines; or

(b) except as contemplated by the Trust Agreement in connection with the appointment of a successor owner trustee, sell, mortgage, transfer, assign or hypothecate (other than to the Loan Trustee hereunder) its interest in the Airframe and Engines or any part thereof or in any amount to be received by it from the use or disposition of the Airframe and Engines, other than amounts distributed to it pursuant to Article III hereof.

It is hereby further agreed that any and all property described or referred to in the granting clauses hereof which is hereafter acquired by the Owner Trustee shall ipso facto, and without any further conveyance, assignment or act on the part of the Owner Trustee or the Loan Trustee, become and be subject to the Lien herein granted as fully and completely as though specifically described herein, but nothing contained in this paragraph shall be deemed to modify or change the obligations of the Owner Trustee contained in the foregoing paragraphs.

The Owner Trustee does hereby ratify and confirm the Lease and does hereby agree that it will not violate any covenant or agreement made by it therein, herein or in any other Owner Trustee Agreement.

IT IS HEREBY COVENANTED AND AGREED by and between the parties hereto as follows:

ACCORDINGLY, THIS EQUIPMENT NOTE MAY NOT BE SOLD UNLESS EITHER REGISTERED UNDER THE ACT AND SUCH APPLICABLE STATE LAWS OR AN EXEMPTION FROM SUCH REGISTRATIONS IS AVAILABLE.

FIRST SECURITY BANK, NATIONAL ASSOCIATION, AS OWNER TRUSTEE UNDER TRUST AGREEMENT DATED AS OF \_\_\_\_\_, 199\_.

SERIES [\_\_\_\_\_] LIMITED RECOURSE EQUIPMENT NOTE DUE [\_\_\_\_\_] ISSUED IN CONNECTION WITH THE BOEING MODEL \_\_\_\_\_ AIRCRAFT BEARING UNITED STATES REGISTRATION NUMBER \_\_\_\_\_.

No. \_\_\_\_\_ Date: [\_\_\_\_\_, \_\_\_\_] \$\_\_\_\_\_

INTEREST RATE [\_\_\_\_\_] MATURITY DATE [\_\_\_\_\_, \_\_\_\_]

FIRST SECURITY BANK, NATIONAL ASSOCIATION, not in its individual capacity but solely as Owner Trustee (herein in such capacity called the "Owner Trustee") under that certain Trust Agreement, dated as of \_\_\_\_\_, 199\_, between the Owner Participant named therein and First Security Bank, National Association (herein as such Trust Agreement may be supplemented or amended from time to time called the "Trust Agreement"), hereby promises to pay to \_\_\_\_\_, or the registered assignee thereof, the principal sum of \$\_\_\_\_\_ (the "Original Amount"), together with interest on the amount of the Original Amount remaining unpaid from time to time (calculated on the basis of a year of 360 days comprised of twelve 30-day months)

from the date hereof until paid in full at a rate per annum equal to the Debt Rate. The Original Amount of this Equipment Note shall be payable in installments on the dates set forth in Schedule I hereto equal to the corresponding percentage of the Original Amount of this Equipment Note set forth in Schedule I hereto. Accrued but unpaid interest shall be due and payable in semiannual installments commencing on \_\_\_\_\_, 199\_, and thereafter on \_\_\_\_\_ and \_\_\_\_\_ of each year, to and including \_\_\_\_\_, \_\_\_\_\_. Notwithstanding the foregoing, the final payment made on this Equipment Note shall be in an amount sufficient to discharge in full the unpaid Original Amount and all accrued and unpaid interest on, and any other amounts due under, this Equipment Note. Notwithstanding anything to the contrary contained herein, if any date on which a payment under this Equipment Note becomes due and payable is not a Business Day then such payment shall not be made on such scheduled date but shall be made on the next succeeding Business Day and if such payment is made on such next succeeding Business Day, no interest shall accrue on the amount of such payment during such extension.

For purposes hereof, the term "Trust Indenture" means the Trust Indenture and Mortgage, dated as of \_\_\_\_\_, 199\_, between the Owner Trustee and Wilmington Trust Company (the "Loan Trustee"), as the same may be amended or supplemented from time to time. All other capitalized terms used in this Equipment Note and not defined herein shall have the respective meanings assigned in the Trust Indenture.

This Equipment Note shall bear interest, payable on demand, at the Payment Due Rate (calculated on the basis of a year of 360 days comprised of twelve 30-day months) on any overdue Original Amount, any overdue Make-Whole Amount, if any, and (to the extent permitted by applicable Law) any overdue interest and any other amounts payable hereunder which are overdue, in each case for the period the same is overdue. Amounts shall be overdue if not paid when due (whether at stated maturity, by acceleration or otherwise).

The interest rate borne by this Equipment Note shall be subject to adjustments to the extent, and under the circumstances, specified by the Registration Rights Agreement. For the avoidance of doubt, the interest rate, as so adjusted, shall never exceed 0.50% per annum over the interest rate

initially borne by this Equipment Note save by reason of the application of the Payment Due Rate.

All payments of Original Amount, interest, Make-Whole Amount, if any, and other amounts, if any, to be made by the Owner Trustee hereunder and under the Trust Indenture or the Participation Agreement shall be payable only from the income and proceeds from the Trust Estate to the extent included in the Trust Indenture Estate and only to the extent that the Owner Trustee shall have sufficient income or proceeds from the Trust Estate to the extent included in the Trust Indenture Estate to enable the Loan Trustee to make such payments in accordance with the terms of Section 2.03 and Article III of the Trust Indenture, and each holder hereof, by its acceptance of this Equipment Note, agrees that it will look solely to the income and proceeds from the Trust Indenture Estate to the extent available for distribution to the holder hereof as above provided and that none of the Owner Participant, the Owner Trustee and the Loan Trustee is personally liable or liable in any manner extending to any assets other than the Trust Indenture Estate to the holder hereof for any amounts payable or any liability under this Equipment Note or, except as provided in the Trust Indenture or in the Participation Agreement, for any liability under the Trust Indenture or the Participation Agreement; provided, however, that nothing herein contained shall limit, restrict or impair the right of the Loan Trustee, subject always to the terms and provisions of the Trust Indenture, to accelerate the maturity of this Equipment Note upon occurrence of an Event of Default under the Trust Indenture in accordance with Section 4.04(b) of the Trust Indenture, to bring suit and obtain a judgment against the Owner Trustee on this Equipment Note for purposes of realizing upon the Trust Indenture Estate and to exercise all rights and remedies provided under the Trust Indenture or otherwise realize upon the Trust Indenture Estate.

There shall be maintained an Equipment Note Register for the purpose of registering transfers and exchanges of Equipment Notes at the Corporate Trust Office of the Loan Trustee or at the office of any successor in the manner provided in Section 2.07 of the Trust Indenture.

The Original Amount and interest and other amounts due hereunder shall be payable in Dollars in immediately available funds at the Corporate Trust Office of the Loan Trustee, or as

otherwise provided in the Trust Indenture. Each such payment shall be made on the date such payment is due and without any presentment or surrender of this Equipment Note, except that in the case of any final payment with respect to this Equipment Note, the Equipment Note shall be surrendered promptly thereafter by the Loan Trustee to the Owner Trustee for cancellation.

The holder hereof, by its acceptance of this Equipment Note, agrees that, except as provided in the Trust Indenture, each payment of the Original Amount, Make-Whole Amount, if any, and interest received by it hereunder shall be applied, first, to the payment of accrued interest on this Equipment Note (as well as any interest on any overdue Original Amount, any overdue Make-Whole Amount, if any, or, to the extent permitted by Law, any overdue interest and other amounts hereunder) to the date of such payment, second, to the payment of the Original Amount of this Equipment Note then due, third, to the payment of Make-Whole Amount, if any, and any other amount due hereunder or under the Trust Indenture, and fourth, the balance, if any, remaining thereafter, to the payment of the installments of the Original Amount of this Equipment Note remaining unpaid in the inverse order of maturity.

This Equipment Note is one of the Equipment Notes referred to in the Trust Indenture which have been or are to be issued by the Owner Trustee pursuant to the terms of the Trust Indenture. The Trust Indenture Estate is held by the Loan Trustee as security, in part, for the Equipment Notes. The provisions of this Equipment Note are subject to the Trust Indenture. Reference is hereby made to the Trust Indenture for a complete statement of the rights and obligations of the holder of, and the nature and extent of the security for, this Equipment Note and the rights and obligations of the holders of, and the nature and extent of the security for, any other Equipment Notes executed and delivered under the Trust Indenture, as well as for a statement of the terms and conditions of the Trust created by the Trust Indenture, to all of which terms and conditions in the Trust Indenture each holder hereof agrees by its acceptance of this Equipment Note.

As provided in the Trust Indenture and subject to certain limitations therein set forth, this Equipment Note is exchangeable for a like aggregate Original Amount of Equipment Notes of different authorized denominations, as requested by the holder surrendering the same.

Prior to due presentment for registration of transfer of this Equipment Note, the Owner Trustee and the Loan Trustee shall treat the person in whose name this Equipment Note is registered as the owner hereof for all purposes, whether or not this Equipment Note be overdue, and neither the Owner Trustee nor the Loan Trustee shall be affected by notice to the contrary.

This Equipment Note is subject to redemption as provided in Sections 2.10, 2.11 and 2.12 of the Trust Indenture but not otherwise. This Equipment Note is also subject to exchange and to purchase by the Owner Participant or the Owner Trustee as provided in Section 2.13 of the Trust Indenture but not otherwise. In addition, this Equipment Note may be accelerated as provided in Section 4.04 of the Trust Indenture.

[The indebtedness evidenced by this Equipment Note is, to the extent and in the manner provided in the Trust Indenture, subordinate and subject in right of payment to the prior payment in full of the Secured Obligations (as defined in the Trust Indenture) in respect of [Series A Equipment Notes]1 [Series A and Series B Equipment Notes]2, and this Equipment Note is issued subject to such provisions. The Note Holder of this Equipment Note, by accepting the same, (a) agrees to and shall be bound by such provisions, (b) authorizes and directs the Loan Trustee on his behalf to take such action as may be necessary or appropriate to effectuate the subordination as provided in the Trust Indenture and (c) appoints the Loan Trustee his attorney-in-fact for such purpose.]\*

## SECTION 2.02. Issuance and Terms of Equipment Notes

The Equipment Notes shall be dated the date of issuance thereof, shall be issued in three separate series consisting of Series A, Series B and Series C and in the maturities and principal amounts and shall bear interest as specified in Schedule I hereto. On the date of the consummation of the Transaction, each Equipment Note shall be issued to the Subordination Agent on behalf of the Pass Through Trustees under the Pass Through Trust Agreements. The Equipment Notes shall be issued in registered form only. The Equipment Notes shall be issued in denominations of \$1,000 and integral multiples thereof, except that one Equipment Note of each Series may be in an amount that is not an integral multiple of \$1,000.

Each Equipment Note shall bear interest at the Debt Rate (calculated on the basis of a year of 360 days comprised of twelve 30-day months) on the unpaid Original Amount thereof from time to time outstanding, payable in arrears on \_\_\_\_\_, 199\_, and on each \_\_\_\_\_ and \_\_\_\_\_ thereafter until maturity. The Original Amount of each Equipment Note shall be payable on the dates and in the installments equal to the corresponding percentage of the Original Amount as set forth in Schedule I hereto which shall be attached as Schedule I to the Equipment Notes. Notwithstanding the foregoing, the final payment made under each Equipment Note shall be in an amount sufficient to discharge in full the unpaid Original Amount and all accrued and unpaid interest on, and any other amounts due under, such Equipment Note. Each Equipment Note shall bear interest at the Payment Due Rate (calculated on the basis of a year of 360 days

comprised of twelve 30-day months) on any part of the Original Amount, Make-Whole Amount, if any, and to the extent permitted by applicable Law, interest and any other amounts payable thereunder not paid when due for any period during which the same shall be overdue, in each case for the period the same is overdue. Amounts shall be overdue if not paid when due (whether at stated maturity, by acceleration or otherwise). Notwithstanding anything to the contrary contained herein, if any date on which a payment under any Equipment Note becomes due and payable is not a Business Day then such payment shall not be made on such scheduled date but shall be made on the next succeeding Business Day and if such payment is made on such next succeeding Business Day, no interest shall accrue on the amount of such payment during such extension.

The Owner Trustee agrees to pay to the Loan Trustee for distribution in accordance with Section 3.04 hereof: (i) to the extent not payable (whether or not in fact paid) under Section 6(a) of the Note Purchase Agreement (as originally in effect or amended with the consent of the Owner Participant), an amount equal to the fees payable to the relevant Liquidity Provider under Section 2.03 of each Liquidity Facility and the related Fee Letter (as defined in the Intercreditor Agreement) multiplied by a fraction the numerator of which shall be the then outstanding aggregate principal amount of the Series A Equipment Notes, Series B Equipment Notes and Series C Equipment Notes and the denominator of which shall be the then outstanding aggregate principal amount of all "Series A Equipment Notes", "Series B Equipment Notes" and "Series C Equipment Notes" (each as defined in the Note Purchase Agreement); (ii) (x) the amount equal to interest on any Downgrade Advance (other than any Applied Downgrade Advance) payable under Section 3.07(e) of each Liquidity Facility minus Investment Earnings from such Downgrade Advance multiplied by (y) the fraction specified in the foregoing clause (i); (iii) (x) the amount equal to interest on any Non-Extension Advance (other than any Applied Non-Extension Advance) payable under Section 3.07(a)(i) of each Liquidity Facility minus Investment Earnings from such Non-Extension Advance multiplied by (y) the fraction specified in the foregoing clause (i); and (iv) if any payment default shall have occurred and be continuing with respect to interest on any Series A Equipment Note, Series B Equipment Note or Series C Equipment Note, (x) the excess, if any, of (1) the amount equal to interest on any Unpaid Advance, Applied Downgrade Advance or Applied Non-Extension Advance

payable under Section 3.07(a)(i) of each Liquidity Facility over (2) the sum of Investment Earnings from any Final Advance plus any amount of interest at the Payment Due Rate actually payable (whether or not in fact paid) by the Owner Trustee on the overdue scheduled interest on the Equipment Notes in respect of which such Unpaid Advance, Applied Downgrade Advance or Applied Non-Extension Advance was made multiplied by (y) a fraction the numerator of which shall be the then aggregate overdue amounts of interest on the Series A Equipment Notes, Series B Equipment Notes and Series C Equipment Notes (other than interest becoming due and payable solely as a result of acceleration of any such Equipment Notes) and the denominator of which shall be the then aggregate overdue amounts of interest on all "Series A Equipment Notes", "Series B Equipment Notes" and "Series C Equipment Notes" (each as defined in the Note Purchase Agreement) (other than interest becoming due and payable solely as a result of acceleration of any such "Equipment Notes"). For purposes of this paragraph, the terms "Applied Downgrade Advance", "Applied Non-Extension Advance", "Cash Collateral Account", "Downgrade Advance", "Final Advance", "Investment Earnings", "Non-Extension Advance" and "Unpaid Advance" shall have the meanings specified in each Liquidity Facility or the Intercreditor Agreement referred to therein.

The Equipment Notes shall be executed on behalf of the Owner Trustee by its President or one of its Vice Presidents, Assistant Vice Presidents or Assistant Secretaries or other authorized officer. Equipment Notes bearing the signatures of individuals who were at any time the proper officers of the Owner Trustee shall bind the Owner Trustee, notwithstanding that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Equipment Notes or did not hold such offices at the respective dates of such Equipment Notes. The Owner Trustee may from time to time execute and deliver Equipment Notes with respect to the Aircraft to the Loan Trustee for authentication upon original issue and such Equipment Notes shall thereupon be authenticated and delivered by the Loan Trustee upon the written request of the Owner Trustee signed by a Vice President or Assistant Vice President or other authorized officer of the Owner Trustee; provided, however, that each such request shall specify the aggregate Original Amount of all Equipment Notes to be authenticated hereunder on original issue with respect to the Aircraft. No Equipment Note shall be secured by or entitled to any benefit under this Trust Indenture or be

valid or obligatory for any purposes, unless there appears on such Equipment Note a certificate of authentication in the form provided for herein executed by the Loan Trustee by the manual signature of one of its authorized officers and such certificate upon any Equipment Notes shall be conclusive evidence, and the only evidence, that such Equipment Note has been duly authenticated and delivered hereunder.

The aggregate Original Amount of the Equipment Notes to be issued and outstanding hereunder shall not exceed \_\_\_% of Lessor's Cost.

## SECTION 2.03. Payments from Trust Indenture Estate Only

(a) Without impairing any of the other rights, powers, remedies, privileges, liens or security interests of the Note Holders under this Trust Indenture, each Note Holder, by its acceptance of an Equipment Note, agrees that as between it and the Owner Trustee, except as expressly provided in this Trust Indenture, the Participation Agreement or any other Operative Agreement, (i) the obligation to make all payments of the Original Amount of, interest on, Make-Whole Amount, if any, and all other amounts due with respect to the Equipment Notes, and the performance by the Owner Trustee of every obligation or covenant contained in this Trust Indenture and in the Participation Agreement or any of the other Operative Agreements, shall be payable only from the income and proceeds from the Trust Estate to the extent included in the Trust Indenture Estate and only to the extent that the Owner Trustee shall have sufficient income or proceeds from the Trust Estate to the extent included in the Trust Indenture Estate to enable the Loan Trustee to make such payments in accordance with the terms of Article III hereof, and all of the statements, representations, covenants and agreements made by the Owner Trustee (when made in such capacity) contained in this Trust Indenture and any agreement referred to herein other than the Trust Agreement, unless expressly otherwise stated, are made and intended only for the purpose of binding the Trust Estate and establishing the existence of rights and remedies which can be exercised and enforced against the Trust Estate; therefore, anything contained in this Trust Indenture or such other agreements to the contrary notwithstanding (except for any express provisions or representations that the Owner Trustee is responsible for, or is making, in its individual capacity, for which there would be personal liability of the Owner Trustee), no recourse shall be had with respect to this Trust Indenture or such other agreements against the Owner Trustee in its individual capacity or against any institution or person which becomes a successor trustee or co-trustee or any officer, director, trustee, servant or direct or indirect parent or controlling Person or Persons of any of them, and (ii) none of the Owner Trustee, in its individual capacity, the Owner Participant, the Loan Trustee and any officer, director, trustee, servant, employee, agent or direct or indirect parent or controlling Person or Persons of any of them shall have any personal liability for any amounts payable hereunder, under the Participation Agreement or any of the other Operative Agreements or under the Equipment Notes except as expressly provided herein or in the Participation Agreement; provided, however, that

nothing contained in this Section 2.03(a) shall be construed to limit the exercise and enforcement in accordance with the terms of this Trust Indenture or such other agreements of rights and remedies against the Trust Indenture Estate.

(b) If (i) all or any part of the Trust Estate becomes the property of, or the Owner Trustee or Owner Participant becomes, a debtor subject to the reorganization provisions of the Bankruptcy Code, (ii) pursuant to such reorganization provisions, including Section 1111(b) of the Bankruptcy Code, the Owner Trustee (in its individual capacity) or the Owner Participant is required, by reason of the Owner Trustee (in its individual capacity) or the Owner Participant being held to have recourse liability to any Note Holder or the Loan Trustee, directly or indirectly (other than the recourse liability of the Owner Trustee (in its individual capacity) or the Owner Participant under the Participation Agreement or this Trust Indenture or by separate agreement), to make payment on account of any amount payable as principal, Make-Whole Amount, if any, interest or other amounts on the Equipment Notes and (iii) any Note Holder or the Loan Trustee actually receives any Excess Amount (as hereinafter defined) which reflects any payment by the Owner Trustee (in its individual capacity) or the Owner Participant on account of clause (ii) above, then such Note Holder or the Loan Trustee, as the case may be, shall promptly refund to the Owner Trustee (in its individual capacity) or the Owner Participant (whichever shall have made such payment) such Excess Amount.

For purposes of this Section 2.03(b), "Excess Amount" means the amount by which such payment exceeds the amount that would have been received by a Note Holder or the Loan Trustee if the Owner Trustee (in its individual capacity) or the Owner Participant had not become subject to the recourse liability referred to in clause (ii) above. Nothing contained in this Section 2.03(b) shall prevent a Note Holder or the Loan Trustee from enforcing any personal recourse obligation (and retaining the proceeds thereof) of the Owner Trustee (in its individual capacity) or the Owner Participant under the Participation Agreement or this Trust Indenture (and any exhibits or annexes hereto or thereto) or by separate agreement or from retaining any amount paid by Owner Participant under Section 2.13 or 4.03 hereof.

## SECTION 2.04. Method of Payment

(a) The Original Amount of, interest on, Make-Whole Amount, if any, and other amounts due under each Equipment Note or hereunder will be payable in Dollars by wire transfer of immediately available funds not later than 12:00 noon, New York City time, on the due date of payment to the Loan Trustee at the Corporate Trust Office for distribution among the Note Holders in the manner provided herein. The Owner Trustee shall not have any responsibility for the distribution of such payment to any Note Holder. Notwithstanding the foregoing or any provision in any Equipment Note to the contrary, the Loan Trustee will use reasonable efforts to pay or cause to be paid, if so directed in writing by any Note Holder (with a copy to the Owner Trustee), all amounts paid by the Owner Trustee hereunder and under such holder's Equipment Note or Equipment Notes to such holder or a nominee therefor (including all amounts distributed pursuant to Article III of this Trust Indenture) by transferring, or causing to be transferred, by wire transfer of immediately available funds in Dollars, prior to 2:00 p.m., New York City time, on the due date of payment, to an account maintained by such holder with a bank located in the continental United States the amount to be distributed to such holder, for credit to the account of such holder maintained at such bank. If the Loan Trustee shall fail to make any such payment as provided in the immediately foregoing sentence after its receipt of funds at the place and prior to the time specified above, the Loan Trustee, in its individual capacity and not as trustee, agrees to compensate such holders for loss of use of funds at the Debt Rate until such payment is made and the Loan Trustee shall be entitled to any interest earned on such funds until such payment is made. Any payment made hereunder shall be made without any presentment or surrender of any Equipment Note, except that, in the case of the final payment in respect of any Equipment Note, such Equipment Note shall be surrendered to the Loan Trustee for cancellation promptly after such payment. Notwithstanding any other provision of this Trust Indenture to the contrary, the Loan Trustee shall not be required to make, or cause to be made, wire transfers as aforesaid prior to the first Business Day on which it is practicable for the Loan Trustee to do so in view of the time of day when the funds to be so transferred were received by it if such funds were received after 12:00 noon, New York City time, at the place of payment. Prior to the due presentment for registration of transfer of any Equipment Note, the Owner Trustee and the Loan Trustee shall deem and treat the Person in whose name any Equipment Note is registered on the Equipment Note

Register as the absolute owner and holder of such Equipment Note for the purpose of receiving payment of all amounts payable with respect to such Equipment Note and for all other purposes, and none of the Owner Trustee or the Loan Trustee shall be affected by any notice to the contrary. So long as any signatory to the Participation Agreement or nominee thereof shall be a registered Note Holder, all payments to it shall be made to the account of such Note Holder specified in Schedule I thereto and otherwise in the manner provided in or pursuant to the Participation Agreement unless it shall have specified some other account or manner of payment by notice to the Loan Trustee consistent with this Section 2.04.

(b) The Loan Trustee, as agent for the Owner Trustee, shall exclude and withhold at the appropriate rate from each payment of Original Amount of, interest on, Make-Whole Amount, if any, and other amounts due hereunder or under each Equipment Note (and such exclusion and withholding shall constitute payment in respect of such Equipment Note) any and all United States withholding taxes applicable thereto as required by Law. The Loan Trustee agrees to act as such withholding agent and, in connection therewith, whenever any present or future United States taxes or similar charges are required to be withheld with respect to any amounts payable hereunder or in respect of the Equipment Notes, to withhold such amounts and timely pay the same to the appropriate authority in the name of and on behalf of the Note Holders, that it will file any necessary United States withholding tax returns or statements when due, and that as promptly as possible after the payment thereof it will deliver to each Note Holder (with a copy to the Owner Trustee and the Lessee) appropriate receipts showing the payment thereof, together with such additional documentary evidence as any such Note Holder may reasonably request from time to time.

If a Note Holder which is a Non-U.S. Person has furnished to the Loan Trustee a properly completed, accurate and currently effective U.S. Internal Revenue Service Form 1001 or W-8 (or such successor form or forms as may be required by the United States Treasury Department) during the calendar year in which the payment hereunder or under the Equipment Note(s) held by such holder is made (but prior to the making of such payment), or in either of the two preceding calendar years, and has not notified the Loan Trustee of the withdrawal or inaccuracy of such form prior to the date of such payment (and the Loan Trustee has

no reason to believe that any information set forth in such form is inaccurate), the Loan Trustee shall withhold only the amount, if any, required by Law (after taking into account any applicable exemptions properly claimed by the Note Holder) to be withheld from payments hereunder or under the Equipment Notes held by such holder in respect of United States federal income tax. If a Note Holder (x) which is a Non-U.S. Person has furnished to the Loan Trustee a properly completed, accurate and currently effective U.S. Internal Revenue Service Form 4224 in duplicate (or such successor certificate, form or forms as may be required by the United States Treasury Department as necessary in order to properly avoid withholding of United States federal income tax), for each calendar year in which a payment is made (but prior to the making of any payment for such year), and has not notified the Loan Trustee of the withdrawal or inaccuracy of such certificate or form prior to the date of such payment (and the Loan Trustee has no reason to believe that any information set forth in such form is inaccurate) or (y) which is a U.S. Person has furnished to the Loan Trustee a properly completed, accurate and currently effective U.S. Internal Revenue Service Form W-9, if applicable, prior to a payment hereunder or under the Equipment Notes held by such holder, no amount shall be withheld from payments in respect of United States federal income tax. If any Note Holder has notified the Loan Trustee that any of the foregoing forms or certificates is withdrawn or inaccurate, or if such holder has not filed a form claiming an exemption from United States withholding tax or if the Code or the regulations thereunder or the administrative interpretation thereof is at any time after the date hereof amended to require such withholding of United States federal income taxes from payments under the Equipment Notes held by such holder, the Loan Trustee agrees to withhold from each payment due to the relevant Note Holder withholding taxes at the appropriate rate under Law and will, on a timely basis as more fully provided above, deposit such amounts with an authorized depository and make such returns, statements, receipts and other documentary evidence in connection therewith as required by Law.

#### SECTION 2.05. Application of Payments

In the case of each Equipment Note, each payment of Original Amount, Make-Whole Amount, if any, and interest due thereon shall be applied:

First: to the payment of accrued interest on such Equipment Note (as well as any interest on any overdue Original Amount, any overdue Make-Whole Amount, if any, and to the extent permitted by Law, any overdue interest and any other overdue amounts thereunder) to the date of such payment;

Second: to the payment of the Original Amount of such Equipment Note (or a portion thereof) then due thereunder;

Third: to the payment of Make-Whole Amount, if any, and any other amount due hereunder or under such Equipment Note; and

Fourth: the balance, if any, remaining thereafter, to the payment of the Original Amount of such Equipment Note remaining unpaid (provided that such Equipment Note shall not be subject to redemption except as provided in Sections 2.10, 2.11 and 2.12 hereof).

The amounts paid pursuant to clause "Fourth" above shall be applied to the installments of Original Amount of such Equipment Note in the inverse order of their normal maturity.

SECTION 2.06. Termination of Interest in Trust  
Indenture Estate

No Note Holder nor any other Indenture Indemnatee shall, as such, have any further interest in, or other right with respect to, the Trust Indenture Estate when and if the Original Amount of, Make-Whole Amount, if any, and interest on and other amounts due under all Equipment Notes held by such Note Holder and all other sums then due and payable to such Note Holder, such Indenture Indemnatee or the Loan Trustee hereunder (including, without limitation, under the third paragraph of Section 2.02 hereof) and under the other Operative Agreements by the Owner Trustee (collectively, the "Secured Obligations") shall have been paid in full.

SECTION 2.07. Registration, Transfer and Exchange of  
Equipment Notes

The Loan Trustee shall keep a register (the "Equipment Note Register") in which the Loan Trustee shall provide for the registration of Equipment Notes and the registration of transfers of Equipment Notes. No such transfer shall be given effect unless and until registration hereunder shall have occurred. The Equipment Note Register shall be kept at the Corporate Trust Office of the Loan Trustee. The Loan Trustee is hereby appointed "Equipment Note Registrar" for the purpose of registering Equipment Notes and transfers of Equipment Notes as herein provided. A holder of any Equipment Note intending to exchange such Equipment Note shall surrender such Equipment Note to the Loan Trustee at the Corporate Trust Office, together with a written request from the registered holder thereof for the issuance of a new Equipment Note, specifying, in the case of a surrender for transfer, the name and address of the new holder or holders. Upon surrender for registration of transfer of any Equipment Note, the Owner Trustee shall execute, and the Loan Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Equipment Notes of a like aggregate Original Amount and of the same series.

At the option of the Note Holder, Equipment Notes may be exchanged for other Equipment Notes of any authorized denominations of a like aggregate Original Amount, upon surrender of the Equipment Notes to be exchanged to the Loan Trustee at the Corporate Trust Office. Whenever any Equipment Notes are so surrendered for exchange, the Owner Trustee shall execute, and the Loan Trustee shall authenticate and deliver, the Equipment Notes which the Note Holder making the exchange is entitled to receive. All Equipment Notes issued upon any registration of transfer or exchange of Equipment Notes (whether under this Section 2.07 or under Section 2.08 hereof or otherwise under this Trust Indenture) shall be the valid obligations of the Owner Trustee evidencing the same respective obligations, and entitled to the same security and benefits under this Trust Indenture, as the Equipment Notes surrendered upon such registration of transfer or exchange. Every Equipment Note presented or surrendered for registration of transfer, shall (if so required by the Loan Trustee) be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Loan Trustee duly executed by the Note Holder or such holder's attorney duly authorized in writing, and the Loan Trustee shall

require evidence satisfactory to it as to the compliance of any such transfer with the Securities Act, and the securities Laws of any applicable state. The Loan Trustee shall make a notation on each new Equipment Note of the amount of all payments of Original Amount previously made on the old Equipment Note or Equipment Notes with respect to which such new Equipment Note is issued and the date to which interest on such old Equipment Note or Equipment Notes has been paid. Interest shall be deemed to have been paid on such new Equipment Note to the date on which interest shall have been paid on such old Equipment Note, and all payments of the Original Amount marked on such new Equipment Note, as provided above, shall be deemed to have been made thereon. The Owner Trustee shall not be required to exchange any surrendered Equipment Notes as provided above during the ten-day period preceding the due date of any payment on such Equipment Note. The Owner Trustee shall in all cases deem the Person in whose name any Equipment Note shall have been issued and registered as the absolute owner and holder of such Equipment Note for the purpose of receiving payment of all amounts payable by the Owner Trustee with respect to such Equipment Note and for all purposes until a notice stating otherwise is received from the Loan Trustee and such change is reflected on the Equipment Note Register. The Loan Trustee will promptly notify the Owner Trustee and the Lessee of each registration of a transfer of an Equipment Note. Any such transferee of an Equipment Note, by its acceptance of an Equipment Note, agrees to the provisions of the Participation Agreement applicable to Note Holders, and shall be deemed to have covenanted to the parties to the Participation Agreement as to the matters covenanted by the original Loan Participant in the Participation Agreement. Subject to compliance by the Note Holder and its transferee (if any) of the requirements set forth in this Section 2.07, Loan Trustee and Owner Trustee shall use all reasonable efforts to issue new Equipment Notes upon transfer or exchange within 10 Business Days of the date an Equipment Note is surrendered for transfer or exchange.

SECTION 2.08. Mutilated, Destroyed, Lost or Stolen  
Equipment Notes

If any Equipment Note shall become mutilated, destroyed, lost or stolen, the Owner Trustee shall, upon the written request of the holder of such Equipment Note, execute and the Loan Trustee shall authenticate and deliver in replacement thereof a new Equipment Note, payable in the same Original Amount dated the same date and captioned as issued in connection with the Aircraft. If the Equipment Note being replaced has become mutilated, such Equipment Note shall be surrendered to the Loan Trustee and a photocopy thereof shall be furnished to the Owner Trustee. If the Equipment Note being replaced has been destroyed, lost or stolen, the holder of such Equipment Note shall furnish to the Owner Trustee and the Loan Trustee such security or indemnity as may be required by them to save the Owner Trustee and the Loan Trustee harmless and evidence satisfactory to the Owner Trustee and the Loan Trustee of the destruction, loss or theft of such Equipment Note and of the ownership thereof. If a "qualified institutional buyer" of the type referred to in paragraph (a)(1)(i)(A), (B), (D) or (E) of Rule 144A under the Securities Act (a "QIB") is the holder of any such destroyed, lost or stolen Equipment Note, then the written indemnity of such QIB, signed by an authorized officer thereof, in favor of, delivered to and in form reasonably satisfactory to Lessee, Owner Trustee and Loan Trustee shall be accepted as satisfactory indemnity and security and no further indemnity or security shall be required as a condition to the execution and delivery of such new Equipment Note. Subject to compliance by the Note Holder with the requirements set forth in this Section 2.08, Loan Trustee and Owner Trustee shall use all reasonable efforts to issue new Equipment Notes within 10 Business Days of the date of the written request therefor from the Note Holder.

SECTION 2.09. Payment of Expenses on Transfer;  
Cancellation

(a) No service charge shall be made to a Note Holder for any registration of transfer or exchange of Equipment Notes, but the Loan Trustee, as Equipment Note Registrar, may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any registration of transfer or exchange of Equipment Notes.

(b) The Loan Trustee shall cancel all Equipment Notes surrendered for replacement, redemption, transfer, exchange, payment or cancellation and shall destroy the canceled Equipment Notes.

#### SECTION 2.10. Mandatory Redemptions of Equipment Notes

(a) On the date on which Lessee is required pursuant to Section 10.1.2 of the Lease to make payment for an Event of Loss with respect to the Aircraft, all of the Equipment Notes shall be redeemed in whole at a redemption price equal to 100% of the unpaid Original Amount thereof, together with all accrued interest thereon to the date of redemption and all other Secured Obligations owed or then due and payable to the Note Holders but without Make-Whole Amount.

(b) If the Lease is terminated with respect to the Aircraft by Lessee pursuant to Section 9 thereof, on the date the Lease is so terminated, all the Equipment Notes shall be redeemed in whole at a redemption price equal to 100% of the unpaid Original Amount thereof, together with accrued interest thereon to the date of redemption and all other amounts then due and payable hereunder and under the Participation Agreement and all other Operative Agreements to the Note Holders plus, if such redemption is made prior to the Premium Termination Date, Make-Whole Amount, if any.

#### SECTION 2.11. Voluntary Redemptions of Equipment Notes

All (but not less than all) of the Equipment Notes may be redeemed by the Owner Trustee in connection with a transaction described in, and subject to the terms and conditions of, Section 11 of the Participation Agreement upon at least 30 days' revocable prior written notice to the Loan Trustee and the Note Holders, and the Equipment Notes shall, as provided in Section 11 of the Participation Agreement, be redeemed in whole at a redemption price equal to 100% of the unpaid Original Amount thereof, together with accrued interest thereon to the date of redemption and all other Secured Obligations owed or then due and payable to the Note Holders plus (except as provided in Section 11 of the Participation Agreement), if such redemption is made prior to the Premium Termination Date, Make-Whole Amount, if any.

## SECTION 2.12. Redemptions; Notice of Redemption

(a) Neither any redemption of any Equipment Note nor any purchase by the Owner Trustee of any Equipment Note may be made except to the extent and in the manner expressly permitted by this Trust Indenture. No purchase of any Equipment Note may be made by the Loan Trustee.

(b) Notice of redemption or purchase with respect to the Equipment Notes shall be given by the Loan Trustee by first-class mail, postage prepaid, mailed not less than 25 nor more than 60 days prior to the applicable redemption date, to each Note Holder of such Equipment Notes to be redeemed or purchased, at such Note Holder's address appearing in the Equipment Note Register; provided that, in the case of a redemption to be made pursuant to Section 2.10(b) or Section 2.11, such notice shall be revocable and shall be deemed revoked in the event that the Lease does not in fact terminate on the specified termination date or if notice of such redemption shall have been given in connection with a refinancing of Equipment Notes and the Loan Trustee receives written notice of such revocation from the Lessee or the Owner Trustee not later than three days prior to the redemption date. All notices of redemption shall state: (1) the redemption date, (2) the applicable basis for determining the redemption price, (3) that on the redemption date, the redemption price will become due and payable upon each such Equipment Note, and that, if any such Equipment Notes are then outstanding, interest on such Equipment Notes shall cease to accrue on and after such redemption date, and (4) the place or places where such Equipment Notes are to be surrendered for payment of the redemption price.

(c) On or before the redemption date, the Owner Trustee (or any person on behalf of the Owner Trustee) shall, to the extent an amount equal to the redemption price for the Equipment Notes to be redeemed or purchased on the redemption date shall not then be held in the Trust Indenture Estate, deposit or cause to be deposited with the Loan Trustee by 12:00 noon on the redemption date in immediately available funds the redemption price of the Equipment Notes to be redeemed or purchased.

(d) Notice of redemption or purchase having been given as aforesaid (and not deemed revoked as contemplated in the

proviso to Section 2.12(b)), the Equipment Notes to be redeemed or purchased shall, on the redemption date, become due and payable at the Corporate Trust Office of the Loan Trustee or at any office or agency maintained for such purposes pursuant to Section 2.07, and from and after such redemption date (unless there shall be a default in the payment of the redemption price) any such Equipment Notes then outstanding shall cease to bear interest. Upon surrender of any such Equipment Note for redemption or purchase in accordance with said notice, such Equipment Note shall be redeemed at the redemption price. If any Equipment Note called for redemption or purchase shall not be so paid upon surrender thereof for redemption, the principal amount thereof shall, until paid, continue to bear interest from the applicable redemption date at the interest rate in effect for such Equipment Note as of such redemption date.

#### SECTION 2.13. Option to Purchase Equipment Notes

The Owner Trustee and the Owner Participant may, upon the events and subject to the terms and conditions and for the price set forth in this Section 2.13, purchase all but not less than all of the Equipment Notes outstanding hereunder, and each Note Holder agrees that it will, upon such events and subject to such terms and conditions and upon receipt of such price, sell, assign, transfer and convey to such purchaser or its nominee (without recourse or warranty of any kind except against Liens on such Equipment Notes arising by, through or under such holder), all of the right, title and interest of such Note Holder in and to the Equipment Notes held by it, and such purchaser or its nominee shall assume all of such holder's obligations under the Participation Agreement and hereunder.

Such option to purchase the Equipment Notes may be exercised by the Owner Trustee or the Owner Participant at any time after any of the following events, and in any such event the purchase price thereof shall equal for each Equipment Note, the aggregate unpaid Original Amount thereof, plus accrued and unpaid interest thereon to the date of purchase and all other Secured Obligations owed, or then due and payable hereunder, to the holder thereof (including under the third paragraph of Section 2.02 hereof). Such option to purchase the Equipment Notes may be exercised (x) at any time after a Mortgagee Event or (y) in the event there shall have occurred and be continuing a Lease Event of Default, provided that if such option is exercised pursuant to

this clause (y) at a time when there shall have occurred and be continuing for less than 120 days a Lease Event of Default, the purchase price thereof shall equal the price provided in the preceding sentence plus (subject to Section 4.04(b) hereof) the Make-Whole Amount, if any, [provided further that if such option is exercised pursuant to this clause (y) at any time when there shall have occurred and be continuing a Lease Event of Default only under Section 14.8 of the Lease (in which event the option to purchase the Equipment Notes pursuant to this Section 2.13 may not be exercised for 60 days after the date of notice by the Loan Trustee of such Lease Event of Default to the Note Holders), the purchase price thereof shall equal the price provided in the preceding sentence plus (subject to Section 4.04(b) hereof) the Make-Whole Amount, if any].

Such option to purchase the Equipment Notes may be exercised by the Owner Trustee or the Owner Participant giving written notice of its election of such option to the Loan Trustee, which notice shall specify a date for such purchase within 30 days of the date of such notice. The Loan Trustee shall not exercise any of the remedies hereunder and, without the consent of the Owner Trustee or the Owner Participant, under the Lease, during the period from the time that an exercise by the Owner Trustee or the Owner Participant of such option to purchase becomes irrevocable until the date on which such purchase is required to occur pursuant to the terms of the preceding sentence. Such election to purchase the Equipment Notes shall become irrevocable upon the sixteenth day following the giving of written notice as provided above.

If the Owner Trustee or the Owner Participant on or before the date of such purchase shall so request, the Note Holders will comply with all the provisions of Section 2.07 to enable new Equipment Notes to be issued to the Owner Trustee or the Owner Participant or its nominee in such denominations as the Owner Trustee or the Owner Participant shall request. All taxes, charges and expenses required pursuant to Section 2.09 in connection with the issuance of such new Equipment Note shall be borne by the Owner Participant.

## SECTION 2.14. Subordination

(a) The Owner Trustee and, by acceptance of its Equipment Notes of any Series, each Note Holder of such Series, hereby agree that no payment or distribution shall be made on or in respect of the Secured Obligations owed to such Note Holder of such Series, including any payment or distribution of cash, property or securities after the commencement of a proceeding of the type referred to in Section 4.02(g) hereof, except as expressly provided in Article III hereof.

(b) By the acceptance of its Equipment Notes of any Series (other than Series A), each Note Holder of such Series agrees that in the event that such Note Holder, in its capacity as a Note Holder, shall receive any payment or distribution on any Secured Obligations in respect of such Series which it is not entitled to receive under this Section 2.14 or Article III hereof, it will hold any amount so received in trust for the Senior Holder (as defined in Section 2.14(c) hereof) and will forthwith turn over such payment to the Loan Trustee in the form received to be applied as provided in Article III hereof.

provided, however, that if a Replacement Airframe or Replacement Engine shall be substituted for the Airframe or Engine subject to such Event of Loss as provided in Section 10 of the Lease and in accordance with Section 5.06 hereof, any insurance, condemnation or similar proceeds which result from such Event of Loss and are paid over to the Loan Trustee shall be held by the Loan Trustee as permitted by Section 6.04 hereof (provided that such moneys shall be invested as provided in Section 5.09 hereof) as additional security for the obligations of Lessee under the Lessee Operative Agreements and, unless otherwise applied pursuant to the Lease, such proceeds (and such investment earnings) shall be released to the Lessee at the Lessee's written request upon the release of such damaged Airframe or Engine and the replacement thereof as provided in the Lease.

- (iii) after giving effect to paragraph (ii) above, so much of such payments or amounts remaining as shall be required to pay in full the aggregate unpaid Original Amount of all Series C Equipment Notes, and the accrued but unpaid interest and other amounts due thereon (other than Make-Whole Amount which shall not be due and payable) and all other Secured Obligations in respect of the Series C Equipment Notes (other than Make-Whole Amount) to the date of distribution, shall be distributed to the Note Holders of Series C, and in case the aggregate amount so to be distributed shall be insufficient to pay in full as aforesaid, then ratably, without priority of one over the other, in the proportion that the aggregate unpaid Original Amount of all Series C Equipment Notes held by each holder plus the accrued but unpaid interest and other amounts due hereunder or thereunder (other than the Make-Whole Amount, if any) to the date of distribution, bears to the aggregate unpaid Original Amount of all Series C Equipment Notes held by all such holders plus the accrued but unpaid interest and other amounts due thereon (other than the Make-Whole Amount) to the date of distribution; and

Fourth, the balance, if any, of such payments or amounts remaining thereafter shall be distributed to the Owner Trustee.

No Make-Whole Amount shall be due and payable on the Equipment Notes as a consequence of the acceleration of the Equipment Notes as a result of an Event of Default.

(a) Any payments received by the Loan Trustee for which no provision as to the application thereof is made in this Trust Indenture and for which such provision is made in the Lease, the Participation Agreement or any other Operative Agreement shall be applied forthwith to the purpose for which such payment was made in accordance with the terms of the Lease, the Participation Agreement or such other Operative Agreement, as the case may be.

(b) Notwithstanding anything to the contrary contained in this Article III, the Loan Trustee will distribute promptly upon receipt any indemnity payment received by it from the Owner Trustee or Lessee in respect of the Loan Trustee in its individual capacity, any Note Holder or any other Indenture Indemnitee, in each case whether pursuant to Section 9 of the Participation Agreement or as Supplemental Rent, directly to the Person entitled thereto. (e) Notwithstanding any provision of this Trust Indenture to the contrary, any amounts held by Loan Trustee pursuant to the terms of the Lease or any Permitted Sublease assignment shall be held by the Loan Trustee as security for the obligations of Lessee under the Lessee Operative Agreements and,

SECTION 3.05. Other Payments

Any payments received by the Loan Trustee for which no provision as to the application thereof is made in the Lease, the Participation Agreement, elsewhere in this Trust Indenture or in any other Operative Agreement shall be distributed by the Loan Trustee to the extent received or realized at any time (i) prior to the payment in full of all Secured Obligations due the Note Holders, in the order of priority specified in Section 3.01 hereof subject to the proviso thereto, and (ii) after payment in full of all Secured Obligations, in the following order of priority:

- First, to the extent payments or amounts described in clause "First" of Section 3.03 hereof are otherwise obligations of Lessee under the Operative Agreements or for which the Lessee is obligated to indemnify against thereunder, in the manner provided in clause "First" of Section 3.03 hereof, and
- Second, in the manner provided in clause "Fourth" of Section 3.03 hereof.

(e) except with the consent of the Loan Trustee (acting pursuant to instructions given in accordance with Section 9.01 hereof) or as provided in Sections 2, 11 and 13 of the Participation Agreement, the Owner Trustee will not contract for, create, incur, assume or suffer to exist any Debt, and will not guarantee (directly or indirectly or by an instrument having the effect of assuring another's payment or performance on any obligation or capability of so doing, or otherwise), endorse or otherwise be or become contingently liable, directly or indirectly, in connection with the Debt of any other person; and

(f) the Owner Trustee will not enter into any business or other activity other than the business of owning the Aircraft, the leasing thereof to Lessee and the carrying out of the transactions contemplated hereby and by the Lease, the Participation Agreement and the Trust Agreement and the other Operative Agreements.

## SECTION 4.02. Event of Default

"Event of Default" means any of the following events (whatever the reason for such Event of Default and whether such event shall be voluntary or involuntary or come about or be effected by operation of Law or pursuant to or in compliance with any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

(a) any Lease Event of Default (provided that any such Lease Event of Default caused solely by a failure of Lessee to pay to the Owner Trustee or the Owner Participant when due any amount that is included in the definition of Excluded Payments shall not constitute an Event of Default unless notice is given by the Owner Trustee to the Loan Trustee that such failure shall constitute an Event of Default); or

(b) the failure of the Owner Trustee to pay when due any payment of Original Amount of, interest on, Make-Whole Amount, if any, or other amount due and payable under any Equipment Note or hereunder (other than as a result of a Lease Event of Default or a Lease Default) and such failure shall have continued unremedied for ten Business Days in the case of any payment of Original Amount or interest or Make-Whole Amount, if any, thereon and, in the case of any other amount, for ten Business Days after the Owner Trustee or the Owner Participant receives written demand from the Loan Trustee or any Note Holder; or

(c) any Lien required to be discharged by the Owner Trustee, in its individual capacity pursuant to Section 4.01(b) hereof or in its individual or trust capacity pursuant to Section 7.3.1 of the Participation Agreement, or by the Owner Participant pursuant to Section 7.2.1 of the Participation Agreement shall remain undischarged for a period of 30 days after the Owner Trustee or the Owner Participant, as the case may be, shall have received written notice from the Loan Trustee or any Note Holder of such Lien; or

(d) any representation or warranty made by the Owner Participant or the Owner Trustee herein, in the Participation Agreement or in any certificate furnished by

the Owner Participant or the Owner Trustee to the Loan Trustee or any Note Holder in connection with the transactions contemplated by the Operative Agreements shall prove to have been false or incorrect when made in any material respect and continues to be material to the Loan Trustee or the Note Holders; and if such misrepresentation is capable of being corrected and if such correction is being sought diligently, such misrepresentation shall not have been corrected within 60 days (or, without affecting Section 4.02(f) hereof, in the case of the representation made in Section 6.3.6 or 6.2.6 of the Participation Agreement as to citizenship of the Owner Trustee in its individual capacity or of the Owner Participant, respectively, as soon as is reasonably practicable but in any event within 60 days) following notice thereof from the Loan Trustee or any Note Holder to the Owner Trustee or the Owner Participant, as the case may be; or

(e) other than as provided in (c) above or (f) below, any failure by the Owner Trustee or Owner Participant to observe or perform any other covenant or obligation of the Owner Trustee or Owner Participant, as the case may be, for the benefit of the Loan Trustee or the Note Holders contained in the Participation Agreement, Section 4.2.1 of the Trust Agreement, the Equipment Notes or this Trust Indenture which is not remedied within a period of 60 days after notice thereof has been given to the Owner Trustee and the Owner Participant; or

(f) if at any time when the Aircraft is registered under the Laws of the United States, the Owner Participant shall not be a "citizen of the United States" within the meaning of Section 40102(a)(15) of Part A of Subtitle VII of Title 49, United States Code, and as the result thereof the registration of the Aircraft under the Federal Aviation Act, and regulations then applicable thereunder, shall cease to be effective; provided that no Event of Default shall be deemed to have occurred under this paragraph (f) unless such circumstances continue unremedied for more than 60 days after the Owner Participant has Actual Knowledge of the state of facts that resulted in such ineffectiveness and of such loss of citizenship; or

(g) at any time either (i) the commencement of an involuntary case or other proceeding in respect of the Owner Participant, the Owner Trustee, the Trust or the Trust Estate under the federal bankruptcy Laws, as now constituted or hereafter amended, or any other applicable federal or state bankruptcy, insolvency or other similar Law in the United States or seeking the appointment of a receiver, liquidator, assignee, custodian, trustee, sequestrator (or similar official) of the Owner Participant, the Owner Trustee, the Trust or the Trust Estate or for all or substantially all of its property, or seeking the winding-up or liquidation of its affairs and the continuation of any such case or other proceeding undismitted and unstayed for a period of 60 consecutive days; or (ii) the commencement by the Owner Participant, the Owner Trustee, the Trust or the Trust Estate of a voluntary case or proceeding under the federal bankruptcy Laws, as now constituted or hereafter amended, or any other applicable federal or state bankruptcy, insolvency or other similar Law in the United States, or the consent by the Owner Participant, the Owner Trustee, the Trust or the Trust Estate to the appointment of or taking possession by a receiver, liquidator, assignee, trustee, custodian, sequestrator (or other similar official) of the Owner Participant, the Owner Trustee, the Trust or the Trust Estate or for all or substantially all of its property, or the making by the Owner Participant, the Owner Trustee, the Trust or the Trust Estate of any assignment for the benefit of creditors or the Owner Participant or the Owner Trustee shall take any action to authorize any of the foregoing; provided, however, that an event referred to in this Section 4.02(g) with respect to the Owner Participant shall not constitute an Event of Default if within 30 days of the commencement of the case or proceeding a final non-appealable order, judgment or decree shall be entered in such case or proceeding by a court or a trustee, custodian, receiver or liquidator, to the effect that, no part of the Trust Estate (except for the Owner Participant's beneficial interest therein) and no right, title or interest under the Trust Indenture Estate shall be included in, or be subject to, any declaration or adjudication of, or proceedings with respect to, the bankruptcy, insolvency or liquidation of the Owner Participant referred to in this Section 4.02(g).

## SECTION 4.03. Certain Rights

The Loan Trustee shall give the Note Holders, the Owner Trustee and the Owner Participant prompt written notice of any Event of Default of which the Loan Trustee has Actual Knowledge and, if any such Event of Default results from a Lease Event of Default that can be cured by the payment of money, shall give the Note Holders, the Owner Trustee and the Owner Participant not less than ten Business Days' prior written notice of the date (the "Enforcement Date") on or after which the Loan Trustee may commence and consummate the exercise of any remedy or remedies described in Section 4.04, 4.05 or 4.06 hereof, or the exercise of any remedy or remedies pursuant to the provisions of Section 15 of the Lease; provided, however, that in the event the Loan Trustee shall have validly terminated the Lease, the Loan Trustee shall not sell or lease, or otherwise afford the use of, the Aircraft or any portion thereof to the Lessee or any Affiliate thereof. Without limiting the generality of the foregoing, the Loan Trustee shall give the Owner Trustee and the Owner Participant at least ten Business Days' prior written notice of any termination of the Lease or of the exercise of any remedy or remedies pursuant to Section 15 of the Lease. If an Event of Default shall have occurred and be continuing, the Owner Trustee shall have the following rights hereunder, any of which may be exercised directly by the Owner Participant.

If as a result of the occurrence of an Event of Default in respect of the nonpayment by Lessee of Basic Rent due under the Lease, the Loan Trustee shall have insufficient funds to make any payment of Original Amount and interest on any Equipment Note on the day it becomes due and payable, the Owner Trustee may, but shall not be obligated to, pay the Loan Trustee prior to the Enforcement Date, in the manner provided in Section 2.04 hereof, for application in accordance with Section 3.01 hereof, an amount equal to the portion of the Original Amount and interest (including interest, if any, on any overdue payments of such portion of Original Amount and interest) then due and payable on the Equipment Notes, and, unless the Owner Trustee has cured Events of Default in respect of payments of Basic Rent on each of the three immediately preceding Basic Rent payment dates, or the Owner Trustee has cured six previous Events of Default in respect of payments of Basic Rent, such payment by the Owner Trustee shall, solely for purposes of this Trust Indenture be deemed to cure any Event of Default which would otherwise have arisen on

account of the nonpayment by Lessee of such installment of Basic Rent (but not any other Default or Event of Default which shall have occurred and be continuing).

If any Event of Default (other than in respect of the nonpayment of Basic Rent by the Lessee) which can be cured by the payment of money has occurred, the Owner Trustee may, but shall not be obligated to, cure such Event of Default by making such payment prior to the Enforcement Date as is necessary to accomplish the observance or performance of the defaulted covenant, condition or agreement to the party entitled to the same.

Except as hereinafter in this Section 4.03 provided, the Owner Trustee shall not, as a result of exercising the right to cure any such Event of Default, obtain any Lien on any of the Mortgaged Property or any Rent payable under the Lease for or on account of costs or expenses incurred in connection with the exercise of such right, nor shall any claim of the Owner Trustee against Lessee or any other party for the repayment of such costs or expenses impair the prior right and security interest of the Loan Trustee in and to the Mortgaged Property. Upon any payment by the Owner Trustee pursuant to the first or second preceding paragraphs of this Section 4.03, the Owner Trustee shall be subrogated to the rights of the Loan Trustee and the Note Holders in respect of the Basic Rent which was overdue at the time of such payment and interest payable by the Lessee on account of its being overdue and any Supplemental Rent in respect of the reimbursement of amounts paid by Owner Trustee pursuant to the immediately preceding paragraph (but in either case shall have no rights as a secured party hereunder), and thereafter, the Owner Trustee shall be entitled to receive such overdue Basic Rent or Supplemental Rent, as the case may be, and interest thereon upon receipt thereof by the Loan Trustee; provided, however, that (i) if the Original Amount and interest on the Equipment Notes shall have become due and payable pursuant to Section 4.04(b) hereof, such subrogation shall, until the Secured Obligations shall have been paid in full, be subordinate to the rights of the Loan Trustee, the Note Holders and the Indenture Indemnitees in respect of such payment of overdue Basic Rent, Supplemental Rent and such interest and (ii) the Owner Trustee shall not otherwise attempt to recover any such amount paid by it on behalf of the Lessee pursuant to this Section 4.03 except by demanding of the Lessee payment of such amount, or by commencing an action at law

against the Lessee and obtaining and enforcing a judgment against the Lessee for the payment of such amount or taking appropriate action in a pending action at law against the Lessee (provided, that at no time while an Event of Default shall have occurred and be continuing shall any such demand be made or shall any such action be commenced (or continued) and any amounts nevertheless received by the Owner Trustee in respect thereof shall be held in trust for the benefit of, and promptly paid to, the Loan Trustee for distribution as provided in Section 3.03 hereof).

Neither the Owner Trustee nor the Owner Participant shall have the right to cure any Lease Event of Default or Lease Default except as specified in this Section 4.03.

## SECTION 4.04. Remedies

(a) If an Event of Default shall have occurred and be continuing and so long as the same shall continue unremedied, then and in every such case the Loan Trustee may, subject to Section 4.03 and to the second and third paragraphs of this Section 4.04(a), exercise any or all of the rights and powers and pursue any and all of the remedies pursuant to this Article IV and shall have and may exercise all of the rights and remedies of a secured party under the Uniform Commercial Code and, in the event such Event of Default is also a Lease Event of Default, any and all of the remedies pursuant to Section 15 of the Lease and pursuant to any Permitted Sublease assignment and may take possession of all or any part of the properties covered or intended to be covered by the Lien created hereby or pursuant hereto and may exclude the Owner Participant, the Owner Trustee and Lessee and all persons claiming under any of them wholly or partly therefrom; provided, that the Loan Trustee shall give the Owner Trustee and the Owner Participant twenty days' prior written notice of its intention to sell the Aircraft; provided, however, that in the event the Loan Trustee shall have validly terminated the Lease, the Loan Trustee shall not sell or lease, or otherwise afford the use of, the Aircraft or any portion thereof to the Lessee or any Affiliate thereof. Unless an Event of Default not resulting from or relating to a Lease Event of Default has occurred and is continuing, the Owner Participant may bid at the sale and become the purchaser. Without limiting any of the foregoing, it is understood and agreed that the Loan Trustee may exercise any right of sale of the Aircraft available to it, even though it shall not have taken possession of the Aircraft and shall not have possession thereof at the time of such sale.

Anything in this Trust Indenture to the contrary notwithstanding, the Loan Trustee shall not be entitled to exercise any remedy hereunder as a result of an Event of Default which arises solely by reason of one or more events or circumstances which constitute a Lease Event of Default unless the Loan Trustee as security assignee of the Owner Trustee shall have exercised or concurrently be exercising one or more of the dispossessory remedies provided for in Section 15 of the Lease with respect to the Aircraft; provided, however, that such requirement to exercise one or more of such remedies under the Lease shall not apply in circumstances where the Loan Trustee is,

and has been, for a continuous period in excess of 60 days or such other period as may be specified in Section 1110(a)(1)(A) of the Bankruptcy Code (such 60-day or other period being the "New Section 1110 Period"), involuntarily stayed or prohibited by applicable law or court order from exercising such remedies under the Lease (a "Continuous Stay Period"); provided further, however, that the requirement to exercise one or more of such remedies under the Lease shall nonetheless be applicable during a Continuous Stay Period subsequent to the expiration of the New Section 1110 Period to the extent that the continuation of such Continuous Stay Period subsequent to the expiration of the New Section 1110 Period (A) results from an agreement by the trustee or the debtor-in-possession in such proceeding during the New Section 1110 Period with the approval of the relevant court to perform the Lease in accordance with Section 1110(a)(1)(A) of the Bankruptcy Code and continues to perform as required by Section 1110(a)(1)(A-B) of the Bankruptcy Code or (B) is an extension of the New Section 1110 Period with the consent of the Loan Trustee pursuant to Section 1110(b) of the Bankruptcy Code or (C) results from the Lessee's assumption during the New Section 1110 Period with the approval of the relevant court of the Lease pursuant to Section 365 of the Bankruptcy Code and Lessee's continuous performance of the Lease as so assumed or (D) is the consequence of the Loan Trustee's own failure to give any requisite notice to any person. In the event that the applicability of Section 1110 of the Bankruptcy Code to the Aircraft is being contested by Lessee in judicial proceedings, so long as the Loan Trustee fails to participate in such proceedings, the Owner Trustee shall have the right (without affecting in any way any rights or remedy of the Loan Trustee hereunder) to participate in such proceedings.

It is expressly understood and agreed that, subject only to the preceding paragraph, the inability, described in such paragraph, of the Loan Trustee to exercise any right or remedy under the Lease shall in no event and under no circumstances prevent the Loan Trustee from exercising any or all of its rights, powers and remedies under this Trust Indenture, including, without limitation, this Article IV.

(b) If an Event of Default shall have occurred and be continuing, then and in every such case the Loan Trustee may (and shall, upon receipt of a written demand therefor from a Majority in Interest of Note Holders), subject to Section 4.03 hereof, at

any time, by delivery of written notice or notices to the Owner Trustee and the Owner Participant, declare all the Equipment Notes to be due and payable, whereupon the unpaid Original Amount of all Equipment Notes then outstanding, together with accrued but unpaid interest thereon (without Make-Whole Amount) and other amounts due thereunder, shall immediately become due and payable without presentment, demand, protest or notice, all of which are hereby waived; provided that if an Event of Default referred to in clause (g) of Section 4.02 hereof shall have occurred or a Lease Event of Default under Section 14.5 of the Lease shall have occurred, then and in every such case the unpaid Original Amount then outstanding, together with accrued but unpaid interest and all other amounts due thereunder and hereunder shall immediately and without further act become due and payable without presentment, demand, protest or notice, all of which are hereby waived; provided further that in the event of a reorganization proceeding involving the Lessee instituted under Chapter 11 of the Bankruptcy Code, if no Lease Event of Default (including any Lease Event of Default set forth in Section 14.3 of the Lease) and no other Event of Default (other than the failure to pay the Original Amount of the Equipment Notes which by such declaration shall have become payable) exists at any time after the consummation of such proceeding, such declaration shall be automatically rescinded without any further action on the part of any Note Holder.

This Section 4.04(b), however, is subject to the condition that, if at any time after the Original Amount of the Equipment Notes shall have become so due and payable, and before any judgment or decree for the payment of the money so due, or any thereof, shall be entered, all overdue payments of interest upon the Equipment Notes and all other amounts payable under the Equipment Notes (except the Original Amount of the Equipment Notes which by such declaration shall have become payable) shall have been duly paid, and every other Default and Event of Default with respect to any covenant or provision of this Trust Indenture shall have been cured, then and in every such case a Majority in Interest of Note Holders may (but shall not be obligated to), by written instrument filed with the Loan Trustee, rescind and annul the Loan Trustee's declaration (or such automatic acceleration) and its consequences; but no such rescission or annulment shall extend to or affect any subsequent Default or Event of Default or impair any right consequent thereon.

Any acceleration pursuant to this Section 4.04(b) shall be automatically rescinded and any related declaration of an Event of Default annulled in the event that the Owner Trustee shall have cured, in accordance with Section 4.03 hereof, the Event of Default that resulted in such acceleration or declaration.

(c) The Note Holders shall be entitled, at any sale pursuant to Section 15 of the Lease or this Section 4.04, to credit against any purchase price bid at such sale by such holder all or any part of the unpaid obligations owing to such Note Holder and secured by the Lien of this Trust Indenture (only to the extent that such purchase price would have been paid to such Note Holder pursuant to Article III hereof if such purchase price were paid in cash and the foregoing provisions of this subsection (c) were not given effect).

(d) In the event of any sale of the Trust Indenture Estate, or any part thereof, pursuant to any judgment or decree of any court or otherwise in connection with the enforcement of any of the terms of this Trust Indenture, the unpaid Original Amount of all Equipment Notes then outstanding, together with accrued interest thereon (without Make-Whole Amount), and other amounts due thereunder, shall immediately become due and payable without presentment, demand, protest or notice, all of which are hereby waived.

(e) Notwithstanding anything contained herein, so long as the Pass Through Trustee under any Pass Through Trust Agreement (or its designee) is a Note Holder, the Loan Trustee will not be authorized or empowered to acquire title to any Mortgaged Property or take any action with respect to any Mortgaged Property so acquired by it if such acquisition or action would cause any Trust to fail to qualify as a "grantor trust" for federal income tax purposes.

## SECTION 4.05. Return of Aircraft, Etc.

(a) If an Event of Default shall have occurred and be continuing, subject to Sections 4.03 and 4.04 hereof, at the request of the Loan Trustee, the Owner Trustee shall promptly execute and deliver to the Loan Trustee such instruments of title and other documents as the Loan Trustee may deem necessary or advisable to enable the Loan Trustee or an agent or representative designated by the Loan Trustee, at such time or times and place or places as the Loan Trustee may specify, to obtain possession of all or any part of the Mortgaged Property included in the Trust Indenture Estate to which the Loan Trustee shall at the time be entitled hereunder. If the Owner Trustee shall for any reason fail to execute and deliver such instruments and documents after such request by the Loan Trustee, the Loan Trustee may (i) obtain a judgment conferring on the Loan Trustee the right to immediate possession and requiring the Owner Trustee to execute and deliver such instruments and documents to the Loan Trustee, to the entry of which judgment the Owner Trustee hereby specifically consents to the fullest extent permitted by Law, and (ii) pursue all or part of such Mortgaged Property wherever it may be found and, in the event that a Lease Event of Default has occurred and is continuing, may enter any of the premises of Lessee wherever such Mortgaged Property may be or be supposed to be and search for such Mortgaged Property and take possession of and remove such Mortgaged Property. All expenses of obtaining such judgment or of pursuing, searching for and taking such property shall, until paid, be secured by the Lien of this Trust Indenture.

(b) Upon every such taking of possession, the Loan Trustee may, from time to time, at the expense of the Mortgaged Property, make all such expenditures for maintenance, use, operation, storage, insurance, leasing, control, management, disposition, modifications or alterations to and of the Mortgaged Property, as it may deem proper. In each such case, the Loan Trustee shall have the right to maintain, use, operate, store, insure, lease, control, manage, dispose of, modify or alter the Mortgaged Property and to carry on the business and to exercise all rights and powers of the Owner Participant and the Owner Trustee relating to the Mortgaged Property, as the Loan Trustee shall deem best, including the right to enter into any and all such agreements with respect to the maintenance, use, operation, storage, insurance, leasing, control, management, disposition,

modification or alteration of the Mortgaged Property or any part thereof as the Loan Trustee may determine, and the Loan Trustee shall be entitled to collect and receive directly all tolls, rents (including Rent), revenues, issues, income, products and profits of the Mortgaged Property and every part thereof, except Excluded Payments, without prejudice, however, to the right of the Loan Trustee under any provision of this Trust Indenture to collect and receive all cash held by, or required to be deposited with, the Loan Trustee hereunder. Such tolls, rents (including Rent), revenues, issues, income, products and profits shall be applied to pay the expenses of the maintenance, use, operation, storage, insurance, leasing, control, management, disposition, improvement, modification or alteration of the Mortgaged Property and of conducting the business thereof, and to make all payments which the Loan Trustee may be required or may elect to make, if any, for taxes, assessments, insurance or other proper charges upon the Mortgaged Property or any part thereof (including the employment of engineers and accountants to examine, inspect and make reports upon the properties and books and records of the Owner Trustee), and all other payments which the Loan Trustee may be required or authorized to make under any provision of this Trust Indenture, as well as just and reasonable compensation for the services of the Loan Trustee, and of all persons properly engaged and employed by the Loan Trustee with respect hereto.

#### SECTION 4.06. Remedies Cumulative

Each and every right, power and remedy given to the Loan Trustee specifically or otherwise in this Trust Indenture shall be cumulative and shall be in addition to every other right, power and remedy herein specifically given or now or hereafter existing at Law, in equity or by statute, and each and every right, power and remedy whether specifically herein given or otherwise existing may be exercised from time to time and as often and in such order as may be deemed expedient by the Loan Trustee, and the exercise or the beginning of the exercise of any power or remedy shall not be construed to be a waiver of the right to exercise at the same time or thereafter any other right, power or remedy. No delay or omission by the Loan Trustee in the exercise of any right, remedy or power or in the pursuance of any remedy shall impair any such right, power or remedy or be construed to be a waiver of any default on the part of the Owner Trustee or Lessee or to be an acquiescence therein.

#### SECTION 4.07. Discontinuance of Proceedings

In case the Loan Trustee shall have instituted any proceeding to enforce any right, power or remedy under this Trust Indenture by foreclosure, entry or otherwise, and such proceedings shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Loan Trustee, then and in every such case the Owner Trustee, the Loan Trustee and Lessee shall, subject to any determination in such proceedings, be restored to their former positions and rights hereunder with respect to the Mortgaged Property, and all rights, remedies and powers of the Owner Trustee, the Loan Trustee or Lessee shall continue as if no such proceedings had been instituted.

#### SECTION 4.08. Waiver of Past Defaults

Upon written instruction from a Majority in Interest of Note Holders, the Loan Trustee shall waive any past Default hereunder and its consequences and upon any such waiver such Default shall cease to exist and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Trust Indenture, but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon; provided, that in the absence of written instructions from all the Note Holders, the Loan Trustee shall not waive any Default (i) in the payment of the Original Amount, Make-Whole Amount, if any, and interest and other amounts due under any Equipment Note then outstanding, or (ii) in respect of a covenant or provision hereof which, under Article IX hereof, cannot be modified or amended without the consent of each Note Holder.

SECTION 4.09. Appointment of Receiver

The Loan Trustee shall, as a matter of right, be entitled to the appointment of a receiver (who may be the Loan Trustee or any successor or nominee thereof) for all or any part of the Mortgaged Property, whether such receivership be incidental to a proposed sale of the Mortgaged Property or the taking of possession thereof or otherwise, and the Owner Trustee hereby consents to the appointment of such a receiver and will not oppose any such appointment. Any receiver appointed for all or any part of the Mortgaged Property shall be entitled to exercise all the rights and powers of the Loan Trustee with respect to the Mortgaged Property.

SECTION 4.10. Loan Trustee Authorized to Execute Bills of Sale, Etc.

Subject to the provisions of this Trust Indenture, the Owner Trustee irrevocably appoints the Loan Trustee the true and lawful attorney-in-fact of the Owner Trustee (which appointment is coupled with an interest) in its name and stead and on its behalf, for the purpose of effectuating any sale, assignment, transfer or delivery for the enforcement of the Lien of this Trust Indenture, whether pursuant to foreclosure or power of sale, assignments and other instruments as may be necessary or appropriate, with full power of substitution, the Owner Trustee hereby ratifying and confirming all that such attorney or any substitute shall do by virtue hereof in accordance with applicable law. Nevertheless, if so requested by the Loan Trustee or any purchaser, the Owner Trustee shall ratify and confirm any such sale, assignment, transfer or delivery, by executing and delivering to the Loan Trustee or such purchaser all bills of sale, assignments, releases and other proper instruments to effect such ratification and confirmation as may be designated in any such request.

SECTION 4.11. Rights of Note Holders to Receive Payment

Notwithstanding any other provision of this Trust Indenture, the right of any Note Holder to receive payment of principal of, and premium, if any, and interest on an Equipment Note on or after the respective due dates expressed in such Equipment Note, or to bring suit for the enforcement of any such payment on or after such respective dates in accordance with the terms hereof, shall not be impaired or affected without the consent of such Note Holder.

## ARTICLE V

## DUTIES OF THE LOAN TRUSTEE

## SECTION 5.01. Notice of Event of Default

If the Loan Trustee shall have Actual Knowledge of an Event of Default or of a Default arising from a failure to pay Rent, the Loan Trustee shall give prompt written notice thereof to the Owner Trustee, the Owner Participant, Lessee, and each Note Holder. Subject to the terms of Sections 2.13, 4.03, 4.04, 4.08, 5.02 and 5.03 hereof, the Loan Trustee shall take such action, or refrain from taking such action, with respect to such Event of Default or Default (including with respect to the exercise of any rights or remedies hereunder) as the Loan Trustee shall be instructed in writing by a Majority in Interest of Note Holders. Subject to the provisions of Sections 2.13, 4.03, 4.04 and 5.03, if the Loan Trustee shall not have received instructions as above provided within 20 days after mailing notice of such Event of Default to the Note Holders, the Loan Trustee may, subject to instructions thereafter received pursuant to the preceding provisions of this Section 5.01, take such action, or refrain from taking such action, but shall be under no duty to take or refrain from taking any action, with respect to such Event of Default or Default as it shall determine advisable in the best interests of the Note Holders; provided, however, that the Loan Trustee may not sell the Aircraft or any Engine without the consent of a Majority in Interest of Note Holders. If the Loan Trustee shall at any time declare the Lease to be in default pursuant to Section 15 thereof or shall elect to foreclose or otherwise enforce this Trust Indenture, the Loan Trustee shall forthwith notify the Owner Participant, the Note Holders, the Owner Trustee and Lessee. For all purposes of this Trust Indenture, in the absence of Actual Knowledge on the part of the Loan Trustee, the Owner Trustee or the Owner Participant, the Loan Trustee, the Owner Trustee or the Owner Participant, as the case may be, shall not be deemed to have knowledge of a Default or an Event of Default (except, in the case of the Loan Trustee, the failure of Lessee to pay any installment of Basic Rent within one Business Day after the same shall become due, if any portion of such installment was then required to be paid to the Loan Trustee, which failure shall constitute knowledge of a Default) unless notified in writing by Lessee, the Owner Trustee, the Owner Participant or one or more Note Holders.

SECTION 5.02. Action upon Instructions; Certain Rights and Limitations

(a) Subject to the terms of Sections 2.13, 4.03, 4.04(a) and (b), 4.08, 5.01 and 5.03 hereof, upon the written instructions at any time and from time to time of a Majority in Interest of Note Holders, the Loan Trustee shall, subject to the terms of this Section 5.02, take such of the following actions as may be specified in such instructions: (i) give such notice or direction or exercise such right, remedy or power hereunder as shall be specified in such instructions; (ii) give such notice or direction or exercise such right, remedy or power under the Lease, the Participation Agreement, the Purchase Agreement, the Purchase Agreement Assignment or any other part of the Trust Indenture Estate as shall be specified in such instructions; and (iii) approve as satisfactory to the Loan Trustee all matters required by the terms of the Lease to be satisfactory to the Owner Trustee, it being understood that without the written instructions of a Majority in Interest of Note Holders, the Loan Trustee shall not approve any such matter as satisfactory to the Loan Trustee; provided, that anything contained in this Trust Indenture, the Lease or the other Operative Agreements to the contrary notwithstanding, but subject to the next paragraph hereof:

(1) the Owner Trustee or the Owner Participant may, without the consent of the Loan Trustee, demand, collect, sue for or otherwise obtain all amounts included in Excluded Payments from Lessee and seek legal or equitable remedies to require Lessee to maintain the insurance coverage referred to in Section 11 of the Lease (or the comparable provisions of any assigned Permitted Sublease); provided, that the rights referred to in this clause (1) shall not be deemed to include the exercise of any remedies provided for in Section 15 of the Lease other than the right to proceed by appropriate court action, either at Law or in equity, to enforce payment by Lessee of such amounts included in Excluded Payments or performance by Lessee of such insurance covenant or to recover damages for the breach thereof or for specific performance of any other term of the Lease (or the comparable provisions of any assigned Permitted Sublease);

(2) (A) the Loan Trustee shall not, without the consent of the Owner Trustee, enter into, execute or deliver amendments or modifications in respect of any of the provisions of the Lease, any assigned Permitted Sublease or any Permitted Sublease assignment, and (B) unless a Mortgagee Event shall have occurred and be continuing, the Loan Trustee shall not, without the consent of the Owner Trustee, which consent shall not be withheld if no right or interest of the Owner Trustee or the Owner Participant shall be diminished or impaired thereby, (i) enter into, execute or deliver waivers or consents in respect of any of the provisions of the Lease, or (ii) approve any accountants, engineers, appraisers or counsel as satisfactory to render services for or issue opinions to the Owner Trustee pursuant to the Operative Agreements, provided that whether or not any Mortgagee Event has occurred and is continuing, the Owner Trustee's consent shall be required with respect to any waivers or consents in respect of any of the provisions of Section 5, 7 or 11 of the Lease, or of any other Section of the Lease to the extent such action shall affect (y) the amount or timing of, or the right to enforce payment of any Excluded Payment or (z) the amount or timing of any amounts payable by the Lessee under the Lease as originally executed (or as subsequently modified with the consent of the Owner Trustee) which, absent the occurrence and continuance of an Event of Default hereunder, would be distributable to the Owner Trustee under Article III hereof;

(3) whether or not a Default or Event of Default under the Trust Indenture has occurred and is continuing, the Owner Trustee and the Owner Participant shall have the right, together with the Loan Trustee, (i) to receive from Lessee or any Permitted Sublessee certificates and other documents and information which Lessee is required to give or furnish to the Owner Trustee or the Lessor pursuant to any Operative Agreement and (ii) to inspect in accordance with the Lease the Airframe and Engines and all Aircraft Documents;

(4) whether or not a Default or Event of Default under the Trust Indenture has occurred and is continuing, the Owner Trustee shall have the right to adjust upwards Rent, Stipulated Loss Values and Termination Values as provided in Section 3.2.1 of the Lease;

(5) so long as no Mortgagee Event has occurred and is continuing, the Owner Trustee shall have the right, to the exclusion of the Loan Trustee, to adjust Basic Rent, Stipulated Loss Values and Termination Values as provided in Section 3.2 of the Lease;

(6) whether or not a Default or Event of Default under the Trust Indenture has occurred and is continuing, the Owner Trustee may, without the consent of the Loan Trustee, (i) solicit and make bids with respect to the Aircraft under Section 9 of the Lease in respect of a termination of the Lease by Lessee pursuant to Section 9 thereof, (ii) determine Fair Market Sales Value and Fair Market Rental Value under Section 17 of the Lease for all purposes except following an Event of Default pursuant to Section 15 of the Lease, and (iii) make an election pursuant to and in accordance with the provisions of Sections 9.1(b), 9.2 and 9.3 of the Lease; and

(7) so long as no Mortgagee Event shall have occurred and be continuing, all other rights of the "Lessor" under the Lease or any assigned Permitted Sublease shall be exercised by the Owner Trustee to the exclusion of the Loan Trustee including, without limitation, the right to (i) exercise all rights with respect to Lessee's use and operation, modification or maintenance of the Aircraft and any Engine which the Lease specifically confers on the Lessor, and (ii) consent to and approve any assignment pursuant to Section 13 of the Lease; provided that the foregoing shall not (x) limit (A) any rights separately granted to the Loan Trustee under the Operative Agreements or (B) the right of the Loan Trustee to receive any funds to be delivered to the "Lessor" under the Lease (except with respect to Excluded Payments) and under the Purchase Agreement or (y) confer upon the Owner Trustee the right to adversely affect the validity or enforceability of the lien of this Indenture.

Notwithstanding anything to the contrary contained herein (including this Section 5.02), the Loan Trustee shall have the right, to the exclusion of the Owner Trustee and the Owner Participant, to (A) declare the Lease to be in default under Section 15 thereof (other than with respect to a Lease Event of

Default described in the proviso to Section 14.1 thereof) and (B) subject only to the provisions of Sections 4.03, 4.04(a) and 2.13 hereof, exercise the remedies set forth in such Section 15 (other than in connection with Excluded Payments and provided that each of the Owner Trustee, Owner Participant and Loan Trustee shall independently retain the rights set forth in clause (ii) of Section 15.1.5 of the Lease) at any time that a Lease Event of Default shall have occurred and be continuing. Further and for the avoidance of doubt, and anything to the contrary contained herein (including this Section 5.02), in no event may the Owner Trustee amend or otherwise modify the provisions of Section 3.2.1(e) of the Lease or of the final sentence of the definition of Stipulated Loss Value or Termination Value, in any such case, without the prior written consent of the Loan Trustee.

The Loan Trustee will execute and the Owner Trustee will file or cause to be filed such continuation statements with respect to financing statements relating to the security interest created hereunder in the Trust Indenture Estate as may be specified from time to time in written instructions of a Majority in Interest of Note Holders (which instructions shall be accompanied by the form of such continuation statement so to be filed). The Loan Trustee will furnish to each Note Holder (and, during the continuation of a Mortgage Event, to the Owner Trustee and Owner Participant), promptly upon receipt thereof, duplicates or copies of all reports, notices, requests, demands, certificates and other instruments furnished to the Loan Trustee under the Lease or hereunder, including, without limitation, a copy of any Termination Notice (as defined in the Lease) and a copy of each report or notice received pursuant to Section 9 and Paragraph E of Annex D of the Lease, respectively, to the extent that the same shall not have been furnished to such holder pursuant hereto or to the Lease.

(b) If any Lease Event of Default shall have occurred and be continuing and the Owner Trustee shall not have cured fully such Lease Event of Default under and in accordance with Section 4.03 hereof, on request of a Majority in Interest of Note Holders, the Loan Trustee shall declare the Lease to be in default pursuant to Section 15 thereof and exercise those remedies specified by such Note Holders. The Loan Trustee agrees to provide to the Note Holders, the Owner Trustee, the Owner Participant and Lessee concurrently with such declaration by the Loan Trustee, notice of such declaration by the Loan Trustee.

**SECTION 5.03. Indemnification**

The Loan Trustee shall not be required to take any action or refrain from taking any action under Section 5.01 (other than the first sentence thereof), 5.02 or Article IV hereof unless the Loan Trustee shall have been indemnified to its reasonable satisfaction against any liability, cost or expense (including counsel fees) which may be incurred in connection therewith pursuant to a written agreement with one or more Note Holders. The Loan Trustee agrees that it shall look solely to the Note Holders for the satisfaction of any indemnity (except expenses for foreclosure of the type referred to in clause "First" of Section 3.03 hereof) owed to it pursuant to this Section 5.03. The Loan Trustee shall not be under any obligation to take any action under this Trust Indenture or any other Operative Agreement and nothing herein or therein shall require the Loan Trustee to expend or risk its own funds or otherwise incur the risk of any financial liability in the performance of any of its rights or powers if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it (the written indemnity of any Note Holder who is a QIB, signed by an authorized officer thereof, in favor of, delivered to and in form reasonably satisfactory to Loan Trustee shall be accepted as reasonable assurance of adequate indemnity). The Loan Trustee shall not be required to take any action under Section 5.01 (other than the first sentence thereof) or 5.02 or Article IV hereof, nor shall any other provision of this Trust Indenture or any other Operative Agreement be deemed to impose a duty on the Loan Trustee to take any action, if the Loan Trustee shall have been advised by counsel that such action is contrary to the terms hereof or of the Lease or is otherwise contrary to Law.

**SECTION 5.04. No Duties Except as Specified in Trust Indenture or Instructions**

The Loan Trustee shall not have any duty or obligation to use, operate, store, lease, control, manage, sell, dispose of or otherwise deal with the Aircraft or any other part of the Trust Indenture Estate, or to otherwise take or refrain from taking any action under, or in connection with, this Trust Indenture or any part of the Trust Indenture Estate, except as expressly provided by the terms of this Trust Indenture or as

expressly provided in written instructions from Note Holders as provided in this Trust Indenture; and no implied duties or obligations shall be read into this Trust Indenture against the Loan Trustee. The Loan Trustee agrees that it will in its individual capacity and at its own cost and expense (but without any right of indemnity in respect of any such cost or expense under Section 7.01 hereof), promptly take such action as may be necessary duly to discharge all liens and encumbrances on any part of the Trust Indenture Estate which result from claims against it in its individual capacity not related to the ownership of the Aircraft or the administration of the Trust Indenture Estate or any other transaction pursuant to this Trust Indenture or any document included in the Trust Indenture Estate.

SECTION 5.05. No Action Except Under Lease, Trust Indenture or Instructions

The Owner Trustee and the Loan Trustee agree that they will not use, operate, store, lease, control, manage, sell, dispose of or otherwise deal with the Aircraft or any other part of the Trust Indenture Estate except (i) as required by the terms of the Lease or (ii) in accordance with the powers granted to, or the authority conferred upon, the Owner Trustee and the Loan Trustee pursuant to this Trust Indenture and in accordance with the express terms hereof.

SECTION 5.06. Replacement Airframes and Replacement Engines

At any time an Airframe or Engine is to be replaced under or pursuant to Section 10 of the Lease by a Replacement Airframe or Replacement Engine, if no Lease Event of Default is continuing, the Owner Trustee shall direct the Loan Trustee to execute and deliver to the Owner Trustee an appropriate instrument releasing such Airframe and/or Engine as appropriate from the Lien of this Trust Indenture and the Loan Trustee shall execute and deliver such instrument as aforesaid, but only upon compliance by Lessee with the applicable provisions of Section 10 of the Lease.

#### SECTION 5.07. Indenture Supplements for Replacements

If a Replacement Airframe or Replacement Engine is being substituted as contemplated by Section 10 of the Lease, the Owner Trustee and the Loan Trustee agree for the benefit of the Note Holders and Lessee, subject to fulfillment of the conditions precedent and compliance by Lessee with its obligations set forth in Section 10 of the Lease and the requirements of Section 5.06 hereof with respect to such Replacement Airframe or Replacement Engine, to execute and deliver a Lease Supplement and a Trust Indenture Supplement, as applicable, as contemplated by Section 10 of the Lease.

#### SECTION 5.08. Effect of Replacement

In the event of the substitution of an Airframe or of a Replacement Engine pursuant to Section 10 of the Lease, all provisions of this Trust Indenture relating to the Airframe or Engine or Engines being replaced shall be applicable to such Replacement Airframe or Replacement Engine or Engines with the same force and effect as if such Replacement Airframe or Replacement Engine or Engines were the same airframe or engine or engines, as the case may be, as the Airframe or Engine or Engines being replaced but for the Event of Loss with respect to the Airframe or Engine or Engines being replaced.

#### SECTION 5.09. Investment of Amounts Held by Loan Trustee

Any amounts held by the Loan Trustee as assignee of the Owner Trustee's rights to hold monies for security pursuant to Section 4.5 of the Lease shall be held in accordance with the terms of such Section and the Loan Trustee agrees, for the benefit of Lessee, to perform the duties of the Owner Trustee under such Section. Any amounts held by the Loan Trustee pursuant to the proviso to the first sentence of Section 3.01, pursuant to Section 3.02, or pursuant to any provision of any other Operative Agreement providing for amounts to be held by the Loan Trustee which are not distributed pursuant to the other provisions of Article III hereof shall be invested by the Loan Trustee from time to time in Cash Equivalents as directed by the Owner Trustee so long as the Loan Trustee may acquire the same using its best efforts. Unless otherwise expressly provided in this Trust Indenture, any income realized as a result of any such

investment, net of the Loan Trustee's reasonable fees and expenses in making such investment, shall be held and applied by the Loan Trustee in the same manner as the principal amount of such investment is to be applied and any losses, net of earnings and such reasonable fees and expenses, shall be charged against the principal amount invested. The Loan Trustee shall not be liable for any loss resulting from any investment required to be made by it under this Trust Indenture other than by reason of its willful misconduct or gross negligence, and any such investment may be sold (without regard to its maturity) by the Loan Trustee without instructions whenever such sale is necessary to make a distribution required by this Trust Indenture.

## ARTICLE VI

## THE OWNER TRUSTEE AND THE LOAN TRUSTEE

## SECTION 6.01. Acceptance of Trusts and Duties

The Loan Trustee accepts the duties hereby created and applicable to it and agrees to perform the same but only upon the terms of this Trust Indenture and agrees to receive and disburse all monies constituting part of the Trust Indenture Estate in accordance with the terms hereof. The Owner Trustee, in its individual capacity, and the Loan Trustee, in its individual capacity, shall not be answerable or accountable under any circumstances, except (i) for their own willful misconduct or gross negligence (other than for the handling of funds, for which the standard of accountability shall be willful misconduct or negligence), (ii) in the case of the Loan Trustee, as provided in the fourth sentence of Section 2.04(a) hereof and the last sentence of Section 5.04 hereof, and (iii) for liabilities that may result, in the case of the Owner Trustee, from the inaccuracy of any representation or warranty of the Owner Trustee expressly made in its individual capacity in the Participation Agreement or in Section 4.01(b) or 6.03 hereof (or in any certificate furnished to the Loan Trustee or any Note Holder in connection with the transactions contemplated by the Operative Agreements) or, in the case of the Loan Trustee (in its individual capacity), from the inaccuracy of any representation or warranty of the Loan Trustee (in its individual capacity) in the Participation Agreement or expressly made hereunder. Neither the Owner Trustee nor the Loan Trustee shall be liable for any action or inaction of the other or of the Owner Participant.

## SECTION 6.02. Absence of Duties

In the case of the Loan Trustee, except in accordance with written instructions furnished pursuant to Section 5.01 or 5.02 hereof, and except as provided in, and without limiting the generality of, Sections 5.03, 5.04 and 6.08 hereof and, in the case of the Owner Trustee, except as provided in Section 4.01(b) hereof, the Owner Trustee and the Loan Trustee shall have no duty (i) to see to any registration of the Aircraft or any recording or filing of the Lease or of this Trust Indenture or any other document, or to see to the maintenance of any such registration, recording or filing, (ii) to see to any insurance on the Aircraft or to effect or maintain any such insurance, whether or not Lessee shall be in default with respect thereto, (iii) to see to the payment or discharge of any lien or encumbrance of any kind against any part of the Trust Estate or the Trust Indenture Estate, (iv) to confirm, verify or inquire into the failure to receive any financial statements from Lessee, or (v) to inspect the Aircraft at any time or ascertain or inquire as to the performance or observance of any of Lessee's covenants under the Lease or any of the Permitted Sublessee's covenants under any assigned Permitted Sublease with respect to the Aircraft. The Owner Participant shall not have any duty or responsibility hereunder, including, without limitation, any of the duties mentioned in clauses (i) through (v) above; provided, that nothing contained in this sentence shall limit any obligations of the Owner Participant under the Participation Agreement or relieve the Owner Participant from any restriction under Section 4.03 hereof.

## SECTION 6.03. No Representations or Warranties as to Aircraft or Documents

NEITHER THE LOAN TRUSTEE IN ITS INDIVIDUAL OR TRUST CAPACITY NOR THE OWNER TRUSTEE IN ITS INDIVIDUAL CAPACITY OR AS OWNER TRUSTEE UNDER THE TRUST AGREEMENT, MAKES OR SHALL BE DEEMED TO HAVE MADE AND EACH HEREBY EXPRESSLY DISCLAIMS ANY REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, AS TO THE TITLE, AIRWORTHINESS, VALUE, COMPLIANCE WITH SPECIFICATIONS, CONDITION, DESIGN, QUALITY, DURABILITY, OPERATION, MERCHANTABILITY OR FITNESS FOR USE FOR A PARTICULAR PURPOSE OF THE AIRCRAFT OR ANY ENGINE, AS TO THE ABSENCE OF LATENT OR OTHER DEFECTS, WHETHER OR NOT DISCOVERABLE, AS TO THE ABSENCE OF ANY INFRINGEMENT OF ANY PATENT, TRADEMARK OR COPYRIGHT, AS TO THE ABSENCE OF OBLIGATIONS

BASED ON STRICT LIABILITY IN TORT OR ANY OTHER REPRESENTATION OR WARRANTY WHATSOEVER, except the Owner Trustee in its individual capacity warrants that (i) the Owner Trustee has received on the Delivery Date whatever title was conveyed to it, and (ii) the Aircraft is free and clear of Lessor Liens (including for this purpose Liens that would be Lessor Liens but for the proviso to the definition of Lessor Liens) attributable to the Owner Trustee in its individual capacity. Neither the Owner Trustee, in its individual capacity or as Owner Trustee under the Trust Agreement, nor the Loan Trustee, in its individual or trust capacities, makes or shall be deemed to have made any representation or warranty as to the validity, legality or enforceability of this Trust Indenture, the Trust Agreement, the Participation Agreement, the Equipment Notes, the Lease, the Purchase Agreement or the Purchase Agreement Assignment with the Consent and Agreement and the Engine Consent and Agreement attached thereto, or as to the correctness of any statement contained in any thereof, except for the representations and warranties of the Owner Trustee made in its individual capacity and the representations and warranties of the Loan Trustee in its individual capacity, in each case expressly made in this Trust Indenture or in the Participation Agreement. The Loan Participants, the Note Holders and the Owner Participant make no representation or warranty hereunder whatsoever.

SECTION 6.04. No Segregation of Monies; No Interest

Any monies paid to or retained by the Loan Trustee pursuant to any provision hereof and not then required to be distributed to the Note Holders, Lessee or the Owner Trustee as provided in Article III hereof need not be segregated in any manner except to the extent required by Law or Section 4.5 of the Lease and Section 5.09 hereof, and may be deposited under such general conditions as may be prescribed by Law, and the Loan Trustee shall not be liable for any interest thereon (except that the Loan Trustee shall invest all monies held as directed by Lessee so long as no Lease Event of Default or Lease Default has occurred and is continuing (or in the absence of such direction, by the Majority In Interest of Note Holders) in Cash Equivalents; provided, however, that any payments received, or applied hereunder, by the Loan Trustee shall be accounted for by the Loan Trustee so that any portion thereof paid or applied pursuant hereto shall be identifiable as to the source thereof.

## SECTION 6.05. Reliance; Agreements; Advice of Counsel

Neither the Owner Trustee nor the Loan Trustee shall incur any liability to anyone in acting upon any signature, instrument, notice, resolution, request, consent, order, certificate, report, opinion, bond or other document or paper believed by it to be genuine and believed by it to be signed by the proper party or parties. The Owner Trustee and the Loan Trustee may accept a copy of a resolution of the Board of Directors (or Executive Committee thereof) of any party to the Participation Agreement, certified by the Secretary or an Assistant Secretary thereof as duly adopted and in full force and effect, as conclusive evidence that such resolution has been duly adopted and that the same is in full force and effect. As to the aggregate unpaid Original Amount of Equipment Notes outstanding as of any date, the Owner Trustee may for all purposes hereof rely on a certificate signed by any Vice President or other authorized corporate trust officer of the Loan Trustee. As to any fact or matter relating to Lessee the manner of ascertainment of which is not specifically described herein, the Owner Trustee and the Loan Trustee may for all purposes hereof rely on a certificate, signed by a duly authorized officer of Lessee, as to such fact or matter, and such certificate shall constitute full protection to the Owner Trustee and the Loan Trustee for any action taken or omitted to be taken by them in good faith in reliance thereon. The Loan Trustee shall assume, and shall be fully protected in assuming, that the Owner Trustee is authorized by the Trust Agreement to enter into this Trust Indenture and to take all action to be taken by it pursuant to the provisions hereof, and shall not inquire into the authorization of the Owner Trustee with respect thereto. In the administration of the trusts hereunder, the Owner Trustee and the Loan Trustee each may execute any of the trusts or powers hereof and perform its powers and duties hereunder directly or through agents or attorneys and may, at the expense of the Trust Indenture Estate, advise with counsel, accountants and other skilled persons to be selected and retained by it, and the Owner Trustee and the Loan Trustee shall not be liable for anything done, suffered or omitted in good faith by them in accordance with the written advice or written opinion of any such counsel, accountants or other skilled persons.

#### SECTION 6.06. Capacity in Which Acting

The Owner Trustee acts hereunder solely as trustee as herein and in the Trust Agreement provided, and not in its individual capacity, except as otherwise expressly provided herein, in the Trust Agreement and in the Participation Agreement.

#### SECTION 6.07. Compensation

The Loan Trustee shall be entitled to reasonable compensation, including expenses and disbursements (including the reasonable fees and expenses of counsel), for all services rendered hereunder and shall, on and subsequent to an Event of Default hereunder, have a priority claim on the Trust Indenture Estate for the payment of such compensation, to the extent that such compensation shall not be paid by Lessee, and shall have the right, on and subsequent to an Event of Default hereunder, to use or apply any monies held by it hereunder in the Trust Indenture Estate toward such payments. The Loan Trustee agrees that it shall have no right against the Loan Participants, the Note Holders, the Owner Trustee or the Owner Participant for any fee as compensation for its services as trustee under this Trust Indenture.

#### SECTION 6.08. Instructions from Note Holders

In the administration of the trusts created hereunder, the Loan Trustee shall have the right to seek instructions from a Majority in Interest of Note Holders should any provision of this Trust Indenture appear to conflict with any other provision herein or should Loan Trustee's duties or obligations hereunder be unclear, and Loan Trustee shall incur no liability in refraining from acting until it receives such instructions. Loan Trustee shall be fully protected for acting in accordance with any instructions received under this Section 6.08.

The Owner Trustee, not in its individual capacity, but solely as Owner Trustee, hereby agrees, whether or not any of the transactions contemplated hereby shall be consummated, except as to matters covered by any indemnity furnished as contemplated by Section 5.03 hereof and except as otherwise provided in Section 2.03 and 2.04(b) hereof, to assume liability for, and does hereby indemnify, protect, save and keep harmless the Loan Trustee (in its individual and trust capacities), and its successors, assigns, agents and servants, from and against any and all liabilities, obligations, losses, damages, penalties, taxes (excluding any taxes payable by the Loan Trustee on or measured by any compensation received by the Loan Trustee for its services under this Trust Indenture), claims, actions, suits, costs, expenses or disbursements (including legal fees and expenses) of any kind and nature whatsoever, which may be imposed on, incurred by or asserted against the Loan Trustee (whether or not also indemnified against by any other person under any other document) in any way relating to or arising out of this Trust Indenture or any other Operative Agreement to which it is a party or the enforcement of any of the terms of any thereof, or in any way relating to or arising out of the manufacture, purchase, acceptance, non-acceptance, rejection, ownership, delivery, lease, possession, use, operation, condition, sale, return or other disposition of the Aircraft or any Engine (including, without limitation, latent or other defects, whether or not discoverable, and any claim for patent, trademark or copyright infringement), or in any way relating to or arising out of the administration of the Trust Indenture Estate or the action or inaction of the Loan Trustee hereunder except only in the case of willful misconduct or gross negligence (or negligence in the case of handling funds) of the Loan Trustee in the performance of its duties hereunder or resulting from the inaccuracy of any representation or warranty of the Loan Trustee (in its individual capacity) referred to in Section 6.03 hereof, or as provided in Section 6.01 hereof or in the last sentence of Section 5.04 hereof, or as otherwise excluded by the terms of Section 9.1 or 9.3 of the Participation Agreement from Lessee's indemnities under such Sections. In addition, if necessary, the Loan Trustee shall be entitled to indemnification from the Trust Indenture Estate for any liability, obligation, loss, damage, penalty, claim, action, suit, cost, expense or disbursement indemnified against pursuant to this Section 7.01 to the extent not reimbursed by Lessee or others, but without releasing any of them from their respective agreements of reimbursement; and to secure

the same the Loan Trustee shall have a prior Lien on the Trust Indenture Estate. Without limiting the foregoing, the Loan Trustee agrees that, prior to seeking indemnification from the Trust Indenture Estate, it will demand, and diligently pursue in good faith (but with no duty to exhaust all legal remedies therefor), indemnification available to the Loan Trustee from Lessee under the Lease or the Participation Agreement.

#### ARTICLE VIII

##### SUCCESSOR AND SEPARATE TRUSTEES

###### SECTION 8.01. Notice of Successor Owner Trustee

In the case of any appointment of a successor to the Owner Trustee pursuant to the Trust Agreement including upon any merger, conversion, consolidation or sale of substantially all of the corporate trust business of the Owner Trustee pursuant to the Trust Agreement, the successor Owner Trustee shall give prompt written notice thereof to the Loan Trustee, Lessee and the Note Holders.

SECTION 8.02. Resignation of Loan Trustee; Appointment of Successor

(a) The Loan Trustee or any successor thereto may resign at any time without cause by giving at least 30 days' prior written notice to Lessee, the Owner Trustee, the Owner Participant and each Note Holder, such resignation to be effective upon the acceptance of the trusteeship by a successor Loan Trustee. In addition, a Majority in Interest of Note Holders may at any time (but only with the consent of the Lessee, which consent shall not be unreasonably withheld, except that such consent shall not be necessary if a Lease Event of Default is continuing) remove the Loan Trustee without cause by an instrument in writing delivered to the Owner Trustee, Lessee, the Owner Participant and the Loan Trustee, and the Loan Trustee shall promptly notify each Note Holder thereof in writing, such removal to be effective upon the acceptance of the trusteeship by a successor Loan Trustee. In the case of the resignation or removal of the Loan Trustee, a Majority in Interest of Note Holders may appoint a successor Loan Trustee by an instrument signed by such holders, which successor, so long as no Lease Event of Default shall have occurred and be continuing, shall be subject to Lessee's reasonable approval. If a successor Loan Trustee shall not have been appointed within 30 days after such notice of resignation or removal, the Loan Trustee, the Owner Trustee, the Owner Participant or any Note Holder may apply to any court of competent jurisdiction to appoint a successor Loan Trustee to act until such time, if any, as a successor shall have been appointed as above provided. The successor Loan Trustee so appointed by such court shall immediately and without further act be superseded by any successor Loan Trustee appointed as above provided.

(b) Any successor Loan Trustee, however appointed, shall execute and deliver to the Owner Trustee, the predecessor Loan Trustee and the Lessee an instrument accepting such appointment and assuming the obligations of the Loan Trustee under the Participation Agreement arising from and after the time of such appointment, and thereupon such successor Loan Trustee, without further act, shall become vested with all the estates, properties, rights, powers and duties of the predecessor Loan Trustee hereunder in the trust hereunder applicable to it with like effect as if originally named the Loan Trustee herein; but nevertheless upon the written request of such successor Loan

Trustee, such predecessor Loan Trustee shall execute and deliver an instrument transferring to such successor Loan Trustee, upon the trusts herein expressed applicable to it, all the estates, properties, rights and powers of such predecessor Loan Trustee, and such predecessor Loan Trustee shall duly assign, transfer, deliver and pay over to such successor Loan Trustee all monies or other property then held by such predecessor Loan Trustee hereunder.

(c) Any successor Loan Trustee, however appointed, shall be a bank or trust company having its principal place of business in the Borough of Manhattan, City and State of New York; Chicago, Illinois; Hartford, Connecticut; Wilmington, Delaware; or Boston, Massachusetts and having (or whose obligations under the Operative Agreements are guaranteed by an affiliated entity having) a combined capital and surplus of at least \$100,000,000, if there be such an institution willing, able and legally qualified to perform the duties of the Loan Trustee hereunder upon reasonable or customary terms.

(d) Any corporation into which the Loan Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Loan Trustee shall be a party, or any corporation to which substantially all the corporate trust business of the Loan Trustee may be transferred, shall, subject to the terms of paragraph (c) of this Section 8.02, be a successor Loan Trustee and the Loan Trustee under this Trust Indenture without further act.

## SECTION 8.03. Appointment of Additional and Separate Trustees

(a) Whenever (i) the Loan Trustee shall deem it necessary or desirable in order to conform to any Law of any jurisdiction in which all or any part of the Trust Indenture Estate shall be situated or to make any claim or bring any suit with respect to or in connection with the Trust Indenture Estate, this Trust Indenture, any other Indenture Agreement, the Equipment Notes or any of the transactions contemplated by the Participation Agreement, (ii) the Loan Trustee shall be advised by counsel satisfactory to it that it is so necessary or prudent in the interests of the Note Holders (and the Loan Trustee shall so advise the Owner Trustee and Lessee), or (iii) the Loan Trustee shall have been requested to do so by a Majority in Interest of Note Holders, then in any such case, the Loan Trustee and, upon the written request of the Loan Trustee, the Owner Trustee, shall execute and deliver an indenture supplemental hereto and such other instruments as may from time to time be necessary or advisable either (1) to constitute one or more bank or trust companies or one or more persons approved by the Loan Trustee, either to act jointly with the Loan Trustee as additional trustee or trustees of all or any part of the Trust Indenture Estate, or to act as separate trustee or trustees of all or any part of the Trust Indenture Estate, in each case with such rights, powers, duties and obligations consistent with this Trust Indenture as may be provided in such supplemental indenture or other instruments as the Loan Trustee or a Majority in Interest of Note Holders may deem necessary or advisable, or (2) to clarify, add to or subtract from the rights, powers, duties and obligations theretofore granted any such additional or separate trustee, subject in each case to the remaining provisions of this Section 8.03. If the Owner Trustee shall not have taken any action requested of it under this Section 8.03(a) that is permitted or required by its terms within 15 days after the receipt of a written request from the Loan Trustee so to do, or if an Event of Default shall have occurred and be continuing, the Loan Trustee may act under the foregoing provisions of this Section 8.03(a) without the concurrence of the Owner Trustee; and the Owner Trustee hereby irrevocably appoints (which appointment is coupled with an interest) the Loan Trustee, its agent and attorney-in-fact to act for it under the foregoing provisions of this Section 8.03(a) in either of such contingencies. The Loan Trustee may, in such capacity, execute, deliver and perform any such supplemental indenture, or any such instrument, as may be required for the appointment of any such additional or separate trustee or for the clarification of, addition to or subtraction

from the rights, powers, duties or obligations theretofore granted to any such additional or separate trustee. In case any additional or separate trustee appointed under this Section 8.03(a) shall die, become incapable of acting, resign or be moved, all the assets, property, rights, powers, trusts, duties and obligations of such additional or separate trustee shall revert to the Loan Trustee until a successor additional or separate trustee is appointed as provided in this Section 8.03(a).

(b) No additional or separate trustee shall be entitled to exercise any of the rights, powers, duties and obligations conferred upon the Loan Trustee in respect of the custody, investment and payment of monies and all monies received by any such additional or separate trustee from or constituting part of the Trust Indenture Estate or otherwise payable under any Operative Agreement to the Loan Trustee shall be promptly paid over by it to the Loan Trustee. All other rights, powers, duties and obligations conferred or imposed upon any additional or separate trustee shall be exercised or performed by the Loan Trustee and such additional or separate trustee jointly except to the extent that applicable Law of any jurisdiction in which any particular act is to be performed renders the Loan Trustee incompetent or unqualified to perform such act, in which event such rights, powers, duties and obligations (including the holding of title to all or part of the Trust Indenture Estate in any such jurisdiction) shall be exercised and performed by such additional or separate trustee. No additional or separate trustee shall take any discretionary action except on the instructions of the Loan Trustee or a Majority in Interest of Note Holders. No trustee hereunder shall be personally liable by reason of any act or omission of any other trustee hereunder, except that the Loan Trustee shall be liable for the consequences of its lack of reasonable care in selecting, and Loan Trustee's own actions in acting with, any additional or separate trustee. Each additional or separate trustee appointed pursuant to this Section 8.03 shall be subject to, and shall have the benefit of Articles IV through VIII and Article X hereof insofar as they apply to the Loan Trustee. The powers of any additional or separate trustee appointed pursuant to this Section 8.03 shall not in any case exceed those of the Loan Trustee hereunder.

(c) If at any time the Loan Trustee shall deem it no longer necessary or desirable in order to conform to any such Law

or take any such action or shall be advised by such counsel that it is no longer so necessary or desirable in the interest of the Note Holders, or in the event that the Loan Trustee shall have been requested to do so in writing by a Majority in Interest of Note Holders, the Loan Trustee and, upon the written request of the Loan Trustee, the Owner Trustee, shall execute and deliver an indenture supplemental hereto and all other instruments and agreements necessary or proper to remove any additional or separate trustee. The Loan Trustee may act on behalf of the Owner Trustee under this Section 8.03(c) when and to the extent it could so act under Section 8.03(a) hereof.

## ARTICLE IX

SUPPLEMENTS AND AMENDMENTS TO THIS TRUST INDENTURE  
AND OTHER DOCUMENTS

## SECTION 9.01. Instructions of Majority; Limitations

(a) Except as provided in Section 5.02 hereof, the Owner Trustee agrees it shall not enter into any amendment of or supplement to the Lease, the Purchase Agreement, the Purchase Agreement Assignment, the Consent and Agreement or the Engine Consent and Agreement, or execute and deliver any written waiver or modification of, or consent under, the terms of the Lease, the Purchase Agreement, the Purchase Agreement Assignment, the Consent and Agreement or the Engine Consent and Agreement, unless such supplement, amendment, waiver, modification or consent is consented to in writing by the Loan Trustee and a Majority in Interest of Note Holders. Anything to the contrary contained herein notwithstanding, without the necessity of the consent of any of the Note Holders or the Loan Trustee, (i) any Excluded Payments payable to the Owner Participant may be modified, amended, changed or waived in such manner as shall be agreed to by the Owner Participant and Lessee and (ii) the Owner Trustee and Lessee may enter into amendments of or additions to the Lease to modify Section 5 (except to the extent that such amendment would affect the rights or exercise of remedies under Section 15 of the Lease) or Section 17 of the Lease so long as such amendments, modifications and changes do not and would not affect the time of, or reduce the amount of, Rent payments (except to the extent expressly permitted by Section 5.02 hereof) until after the payment in full of all Secured Obligations or otherwise adversely affect the Note Holders.

(b) Without limiting the provisions of Section 9.01 hereof, the Loan Trustee agrees with the Note Holders that it shall not enter into any amendment, waiver or modification of, supplement or consent to this Trust Indenture, the Lease, the Purchase Agreement, the Purchase Agreement Assignment, the Consent and Agreement, the Engine Consent and Agreement or the Participation Agreement, or any other agreement included in the Trust Indenture Estate, unless such supplement, amendment, waiver, modification or consent is consented to in writing by a Majority in Interest of Note Holders, but upon the written request of a Majority in Interest of Note Holders, the Loan

Trustee shall from time to time enter into any such supplement or amendment, or execute and deliver any such waiver, modification or consent, as may be specified in such request and as may be (in the case of any such amendment, supplement or modification), to the extent such agreement is required, agreed to by the Owner Trustee and Lessee or, as may be appropriate, the Airframe Manufacturer or the Engine Manufacturer; provided, however, that, without the consent of each holder of an affected Equipment Note then outstanding and of each Liquidity Provider, no such amendment of or supplement to this Trust Indenture, the Lease, the Purchase Agreement, the Purchase Agreement Assignment, the Consent and Agreement, the Engine Consent and Agreement or the Participation Agreement or waiver or modification of the terms of, or consent under, any thereof, shall (i) modify any of the provisions of this Section 9.01, or of Article II or III or Section 4.02, 4.04(c), 4.04(d), 5.02 or 5.06 hereof, Section 13.3, 14 (except to add an Event of Default) or 16 of the Lease, Section 16.1 of the Participation Agreement, the definitions of "Event of Default," "Default," "Lease Event of Default," "Lease Default," "Majority in Interest of Note Holders," "Make-Whole Amount" or "Note Holder," or the percentage of Note Holders required to take or approve any action hereunder, (ii) reduce the amount, or change the time of payment or method of calculation of any amount, of Original Amount, Make-Whole Amount, if any, or interest with respect to any Equipment Note, or alter or modify the provisions of Article III hereof with respect to the order of priorities in which distribution thereunder shall be made as among the Note Holders, the Owner Trustee and Lessee, (iii) reduce, modify or amend any indemnities in favor of the Owner Trustee, the Loan Trustee or the Note Holders (except that the Owner Trustee (in its individual capacity) or the Loan Trustee, as the case may be, may consent to any waiver or reduction of an indemnity payable to it), (iv) consent to any change in the Trust Indenture or the Lease which would permit redemption of Equipment Notes earlier than permitted under Section 2.10 or 2.11 hereof or the purchase or exchange of the Equipment Notes other than as permitted by Section 2.13 hereof, (v) except as contemplated by the Lease or the Participation Agreement, reduce the amount or extend the time of payment of Basic Rent, Stipulated Loss Value, or Termination Value for the Aircraft in each case as set forth in the Lease, or modify, amend or supplement the Lease or consent to any assignment of the Lease, in either case releasing Lessee from its obligations in respect of the payment of Basic Rent, Stipulated

Loss Value or Termination Value for the Aircraft or altering the absolute and unconditional character of the obligations of Lessee to pay Rent as set forth in Sections 3 and 16 of the Lease or (vi) permit the creation of any Lien on the Trust Indenture Estate or any part thereof other than Permitted Liens or deprive any Note Holder of the benefit of the Lien of this Trust Indenture on the Trust Indenture Estate, except as provided in connection with the exercise of remedies under Article IV hereof.

(c) At any time after the date hereof, the Owner Trustee and the Loan Trustee may enter into one or more agreements supplemental hereto without the consent of any Note Holder for any of the following purposes: (i) (a) to cure any defect or inconsistency herein or in the Equipment Notes, or to make any change not inconsistent with the provisions hereof (provided that such change does not adversely affect the interests of any Note Holder in its capacity solely as Note Holder) or (b) to cure any ambiguity or correct any mistake; (ii) to evidence the succession of another party as the Owner Trustee in accordance with the terms of the Trust Agreement or to evidence the succession of a new trustee hereunder pursuant hereto, the removal of the trustee hereunder or the appointment of any co-trustee or co-trustees or any separate or additional trustee or trustees; (iii) to convey, transfer, assign, mortgage or pledge any property to or with the Loan Trustee or to make any other provisions with respect to matters or questions arising hereunder so long as such action shall not adversely affect the interests of the Note Holders in its capacity solely as Note Holder; (iv) to correct or amplify the description of any property at any time subject to the Lien of this Trust Indenture or better to assure, convey and confirm unto the Loan Trustee any property subject or required to be subject to the Lien of this Trust Indenture, the Airframe or Engines or any Replacement Airframe or Replacement Engine; (v) to add to the covenants of the Owner Trustee for the benefit of the Note Holders, or to surrender any rights or power herein conferred upon the Owner Trustee, the Owner Participant or the Lessee; (vi) to add to the rights of the Note Holders; and (vii) to include on the Equipment Notes any legend as may be required by Law.

SECTION 9.02. Trustees Protected

If, in the opinion of the institution acting as Owner Trustee under the Trust Agreement or the institution acting as Loan Trustee hereunder, any document required to be executed by it pursuant to the terms of Section 9.01 hereof affects any right, duty, immunity or indemnity with respect to such institution under this Trust Indenture or the Lease, such institution may in its discretion decline to execute such document.

SECTION 9.03. Documents Mailed to Note Holders

Promptly after the execution by the Owner Trustee or the Loan Trustee of any document entered into pursuant to Section 9.01 hereof, the Loan Trustee shall mail, by first class mail, postage prepaid, a copy thereof to Lessee and to each Note Holder at its address last set forth in the Equipment Note Register, but the failure of the Loan Trustee to mail such copies shall not impair or affect the validity of such document.

SECTION 9.04. No Request Necessary for Lease Supplement or Trust Indenture Supplement

No written request or consent of the Loan Trustee, the Note Holders or the Owner Participant pursuant to Section 9.01 hereof shall be required to enable the Owner Trustee to enter into any Lease Supplement specifically required by the terms of the Lease or to execute and deliver a Trust Indenture Supplement specifically required by the terms hereof.

TRUST AGREEMENT SPECIAL

TRUST AGREEMENT SPECIAL

that it has all corporate power and authority to execute, deliver and perform this Trust Agreement and that this Trust Agreement has been, and (assuming due authorization, execution and delivery by Owner Participant of this Trust Agreement) the other Operative Agreements to which it or Owner Trustee is a party have been (or at the time of execution and delivery of any such instrument by it or Owner Trustee under this Trust Agreement or pursuant to the terms of the Participation Agreement that such an instrument will be) duly executed and delivered by one of its officers who is or will be, as the case may be, duly authorized to execute and deliver such instruments on behalf of itself or Owner Trustee, as the case may be, and that this Trust Agreement constitutes the legal, valid and binding obligation of First Security or Owner Trustee, as the case may be, enforceable against First Security or Owner Trustee, as the case may be, in accordance with its terms.

#### 6.4 NO SEGREGATION OF MONIES; INTEREST

Monies received by Owner Trustee under this Trust Agreement need not be segregated in any manner except to the extent required by Law, or except as provided in written instructions from Owner Participant, and shall be invested as provided in Section 4.3 hereof or Section 4.5 of the Lease.

#### 6.5 RELIANCE UPON CERTIFICATES, COUNSEL AND AGENTS

Owner Trustee shall incur no liability to anyone in acting in good faith in reliance upon and in accordance with any signature, instrument, notice, resolution, request, consent, order, certificate, report, opinion, bond or other document or paper reasonably believed by it to be genuine and reasonably believed by it to be signed by the proper party or parties. Unless other evidence in respect thereof is specifically prescribed in this Trust Agreement, any request, direction, order or demand of Owner Participant or Lessee mentioned in this Trust Agreement or in any of the other Owner Trustee Agreements shall be sufficiently evidenced by written instruments signed by the Chairman of the Board, the President, any Vice President or any other officer and in the name of Owner Participant or Lessee, as the case may be. TRUST AGREEMENT SPECIAL

Directors or Executive Committee and that the same is in full force and effect. As to any fact or matter the manner of ascertainment of which is not specifically described in this Trust Agreement, Owner Trustee may, absent Actual Knowledge to the contrary, for all purposes rely on a certificate signed by the Chairman of the Board, the President, any Vice President or any other officer of Lessee, and the Treasurer or an Assistant Treasurer or the Secretary or an Assistant Secretary of Lessee, as to such fact or matter, and such certificate shall constitute full protection to Owner Trustee for any action taken or omitted to be taken by it in good faith in reliance thereon and in accordance therewith. In the administration of trusts under this Trust Agreement, Owner Trustee may execute any of the trusts or powers and perform its powers and duties under this Trust Agreement directly or through agents or attorneys and may, at the expense of the Trust Estate, consult with counsel, accountants and other skilled persons to be selected and employed by it. Owner Trustee shall not be liable for anything done, suffered or omitted in good faith by it in accordance with the advice or opinion of any such counsel, accountants or other skilled persons.

#### 6.6 NOT ACTING IN INDIVIDUAL CAPACITY

In acting under this Trust Agreement, First Security acts solely as Owner Trustee and not in its individual capacity except as otherwise expressly provided in this Trust Agreement or in the other Operative Agreements to which it is a party; and, except as may be otherwise expressly provided in this Trust Agreement, the Lease, the Participation Agreement and the Trust Indenture, all persons, other than the Owner Participant as provided in this Trust Agreement or the Trust Indenture, having any claim against Owner Trustee by reason of the transactions contemplated hereby shall look only to the Trust Estate for payment or satisfaction thereof except to the extent provided in Section 6.1 or otherwise as Owner Trustee shall expressly agree otherwise in writing.

#### 6.7 FEES; COMPENSATION

Lessee shall pay the Transaction Expenses of Owner Trustee. Neither Owner Participant nor the Trust Estate shall have any liability for any such fees and expenses; provided, that the foregoing shall not limit the obligations of Owner Participant under Sections 5.3 and 7; provided, that Owner Trustee shall have a Lien upon the Trust Estate for any such fee not paid by Lessee

TRUST AGREEMENT SPECIAL

as contemplated by Section 9.2 of the Participation Agreement and such Lien shall entitle Owner Trustee to priority as to payment thereof over payment to any other Person under this Trust Agreement; provided, that such Lien shall be subject and subordinate in all events to the Lien of the Trust Indenture; and provided, further, that Owner Trustee shall have no right to exercise, and shall not exercise, any rights or remedies Owner Trustee may have with respect to such Lien unless and until the Secured Obligations have been paid and performed in full.

#### 6.8 TAX RETURNS

Owner Trustee shall be responsible for the keeping of all appropriate books and records relating to the receipt and disbursement of all monies under this Trust Agreement or any agreement contemplated hereby. Owner Participant shall be responsible for causing to be prepared and filed all income tax returns required to be filed by Owner Participant. Owner Participant, upon request, will furnish Owner Trustee with all such information as may be reasonably required from Owner Participant in connection with the preparation of such income tax returns. Owner Trustee shall keep copies of all returns delivered to or filed by it.

#### SECTION 7. INDEMNIFICATION OF FIRST SECURITY BY OWNER PARTICIPANT

Owner Participant hereby agrees, whether or not any of the transactions contemplated hereby shall be consummated, to assume liability for, and hereby indemnifies, protects, saves and keeps harmless, First Security and its successors, assigns, agents and servants, from and against any and all liabilities, obligations, losses, damages, penalties, taxes (excluding any Taxes which are not required to be indemnified by Lessee pursuant to Section 9.1 or 9.3 of the Participation Agreement and excluding any taxes payable by First Security on or measured by any compensation

#### TRUST AGREEMENT SPECIAL

received by First Security for its services under this Trust Agreement), claims, actions, suits, costs, expenses or disbursements (including, without limitation, reasonable legal fees and expenses, but excluding internal costs and expenses such as salaries and overhead, and including, without limitation, any liability of an owner, any strict liability and any liability without fault) of any kind and nature whatsoever which may be imposed on, incurred by or asserted against First Security (whether or not also indemnified against by Lessee under the Lease or under the Participation Agreement or also indemnified against by any other Person; provided, that Owner Participant shall be subrogated to the rights of Owner Trustee against Lessee or any other indemnitor) in any way relating to or arising out of this Trust Agreement or any of the other Operative Agreements or the enforcement of any of the terms of any thereof, or in any way relating to or arising out of the manufacture, purchase, acceptance, nonacceptance, rejection, ownership, delivery, lease, possession, use, operation, condition, sale, return or other disposition of the Aircraft (including, without limitation, latent and other defects, whether or not discoverable, and any claim for patent, trademark or copyright infringement), or in any way relating to or arising out of the administration of the Trust Estate or the action or inaction of Owner Trustee, under this Trust Agreement, except (a) in the case of gross negligence or willful misconduct on the part of First Security, in its individual capacity or as Owner Trustee, in the performance or nonperformance of its duties under this Trust Agreement or under any of the other Owner Trustee Agreements or (b) those Claims resulting from the inaccuracy of any representation or warranty of First Security (or from the failure of First Security to perform any of its covenants) in Section 6.3 hereof, in Section 6.03 of the Trust Indenture, in Section 4 of the Lease, in Section 6.3 of the Participation Agreement or elsewhere in any of the other Operative Agreements or (c) as may result from a breach by First Security of its covenant in the last sentence of Section 5.4.1 or (d) in the case of the failure to use ordinary care on the part of First Security, in its individual capacity or as Owner Trustee, in the receipt or disbursement of funds or in connection with its obligation to invest funds pursuant to Section 4.5 of the Lease or Section 4.3 hereof or in compliance with the provisions of the first sentence of Section 6.8 hereof or (e) any liability on the part of Owner Trustee arising out of its negligence or willful or negligent misconduct in connection with its obligations under Section 5.1, 6.8 or 9.2 hereof or Section 4.01 of the Trust Indenture, or (f) those claims arising

TRUST AGREEMENT SPECIAL

under any circumstances or upon any terms where Lessee would not have been required to indemnify First Security pursuant to Section 9.1 or 9.3 of the Participation Agreement; provided, that before asserting its right to indemnification, if any, pursuant to this Section 7, First Security shall first demand its corresponding right to indemnification pursuant to Section 9 of the Participation Agreement (but need not exhaust any or all remedies available thereunder). The indemnities contained in this Section 7 extend to First Security only in its individual capacity and shall not be construed as indemnities of the Trust Indenture Estate or the Trust Estate (except to the extent, if any, that First Security has been reimbursed by the Trust Indenture Estate or the Trust Estate for amounts covered by the indemnities contained in this Section 7). The indemnities contained in this Section 7 shall survive the termination of this Trust Agreement. In addition, if necessary, First Security shall be entitled to indemnification from the Trust Estate, subject to the Lien of the Trust Indenture, for any liability, obligation, loss, damage, penalty, tax, claim, action, suit, cost, expense or disbursement indemnified against pursuant to this Section 7 to the extent not reimbursed by Lessee, Owner Participant or others, but without releasing any of them from their respective agreements of reimbursement; and, to secure the same First Security shall have a lien on the Trust Estate, subject to the lien of the Trust Indenture and subject further to the provisions of Section 6.7, which shall be prior to any interest therein of Owner Participant. The payor of any indemnity under this Section 7 shall be subrogated to any right of the person indemnified in respect of the matter as to which such indemnity was paid.

SECTION 8. TRANSFER OF OWNER PARTICIPANT'S INTEREST

8.1 TRANSFER OF INTEREST

All provisions of Section 10 of the Participation Agreement applicable to a transfer by the Owner Participant shall (with the same force and effect as if set forth in full in this Section 8.1) be applicable to any assignment, conveyance or other transfer by Owner Participant of any of its right, title or interest in and to the Participation Agreement, the Trust Estate or this Trust Agreement. If there is more than one Owner Participant, no assignment, conveyance or other transfer by an Owner Participant of any of its right, title or interest in and to this Trust Agreement or the Trust Estate shall be valid unless

TRUST AGREEMENT SPECIAL

each other Owner Participant's prior written consent (which consent may be withheld in the sole discretion of such other Owner Participant) is given to such assignment, conveyance or other transfer.

## 8.2 ACTIONS OF OWNER PARTICIPANTS

If at any time prior to the termination of this Trust Agreement there is more than one Owner Participant, then, subject to Section 11.5, during such time, if any action is required to be taken by all Owner Participants and whenever any direction, authorization, approval, consent, instruction or other action is permitted to be given or taken by Owner Participant, it shall be given or taken only upon unanimous agreement of all Owner Participants; provided, that the termination of this Trust Agreement pursuant to Section 11.2 may be effected upon the election of any Owner Participant.

## SECTION 9. SUCCESSOR OWNER TRUSTEES; CO-TRUSTEES

### 9.1 RESIGNATION OF OWNER TRUSTEE; APPOINTMENT OF SUCCESSOR

#### 9.1.1 RESIGNATION OR REMOVAL

Owner Trustee or any successor Owner Trustee (a) shall resign if required to do so pursuant to Section 14.3 of the Participation Agreement or upon obtaining Actual Knowledge of any facts that would cast doubt upon its continuing status as a Citizen of the United States and (b) may resign at any time without cause by giving at least 60 days' prior written notice to Owner Participant, Mortgagee and Lessee, such resignation to be effective upon the assumption of the trusts hereunder by the successor Owner Trustee under Section 9.1.2. In addition, Owner Participant may at any time remove Owner Trustee, with or without cause by a notice in writing delivered to Owner Trustee, Mortgagee and Lessee, such removal to be effective upon the assumption of the trusts hereunder by the successor Owner Trustee under Section 9.1.2, provided, that, in the case of a removal without cause, unless a Lease Event of Default shall have occurred and be continuing, such removal shall be subject to the consent of Lessee (which consent shall not be unreasonably withheld). In the case of the resignation or removal of Owner Trustee, Owner Participant may appoint a successor Owner Trustee by an instrument signed by Owner Participant, with, unless a Lease Event of Default shall have occurred and be continuing, the

TRUST AGREEMENT SPECIAL

consent of Lessee (which consent shall not be unreasonably withheld). If a successor Owner Trustee shall not have been appointed within 30 days after such notice of resignation or removal, Owner Trustee, any Owner Participant, Lessee or Mortgagee may apply to any court of competent jurisdiction to appoint a successor Owner Trustee to act until such time, if any, as a successor shall have been appointed as above provided. Any successor Owner Trustee so appointed by such court shall immediately and without further act be superseded by any successor Owner Trustee appointed as above provided within one year from the date of the appointment by such court.

9.1.2 EXECUTION AND DELIVERY OF DOCUMENTS,  
ETC.

Any successor Owner Trustee, however appointed, shall execute and deliver to the predecessor Owner Trustee, with a copy to Owner Participant, Lessee and Mortgagee, an instrument accepting such appointment and assuming the obligations of Owner Trustee, in its individual capacity and as Owner Trustee, under the Owner Trustee Agreements, and thereupon such successor Owner Trustee, without further act, shall become vested with all the estates, properties, rights, powers, duties and trusts of the predecessor Owner Trustee in the trusts under this Trust Agreement with like effect as if originally named Owner Trustee in this Trust Agreement; but nevertheless, upon the written request of such successor Owner Trustee, such predecessor Owner Trustee shall execute and deliver an instrument transferring to such successor Owner Trustee, upon the trusts herein expressed, all the estates, properties, rights, powers and trusts of such predecessor Owner Trustee, and such predecessor Owner Trustee shall duly assign, transfer, deliver and pay over to such successor Owner Trustee all monies or other property then held by such predecessor Owner Trustee upon the trusts herein expressed. Upon the appointment of any successor Owner Trustee under this Section 9.1, the predecessor Owner Trustee will execute such documents as are provided to it by such successor Owner Trustee and will take such further actions as are requested of it by such successor Owner Trustee as are required to cause registration of the Aircraft included in the Trust Estate to be transferred upon the records of the FAA, or other governmental authority having jurisdiction, into the name of the successor Owner Trustee.

TRUST AGREEMENT SPECIAL

### 9.1.3 QUALIFICATIONS

Any successor Owner Trustee, however appointed, shall be a Citizen of the United States and shall also be a bank or trust company organized under the Laws of the United States or any state thereof having a combined capital and surplus of at least \$100,000,000, if there be such an institution willing, able and legally qualified to perform the duties of Owner Trustee under this Trust Agreement upon reasonable or customary terms. No such successor Owner Trustee shall be located in a jurisdiction which creates material adverse consequences for Lessee (unless such material adverse consequences would be created by substantially all jurisdictions where major banking or trust institutions are located).

### 9.1.4 MERGER, ETC.

Any corporation into which First Security may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which First Security shall be a party, or any corporation to which substantially all the corporate trust business of First Security may be transferred, shall, subject to the terms of Section 9.1.3, be Owner Trustee under this Trust Agreement without further act, provided, that such corporation shall not also be the Mortgagee.

### 9.2 CO-TRUSTEES AND SEPARATE TRUSTEES

(a) If at any time it shall be necessary or prudent in order to conform to any Law of any jurisdiction in which all or any part of the Trust Estate is located, or Owner Trustee being advised by counsel shall determine that it is so necessary or prudent in the interest of Owner Participant or Owner Trustee, or Owner Trustee shall have been directed to do so by Owner Participant, Owner Trustee and Owner Participant shall execute and deliver an agreement supplemental hereto and all other instruments and agreements necessary or proper to constitute another bank or trust company or one or more persons (any or all of which shall be a Citizen of the United States) approved by Owner Trustee and Owner Participant, either to act as co-trustee, jointly with Owner Trustee, or to act as separate trustee under this Trust Agreement (any such co-trustee or separate trustee being herein sometimes referred to as an "additional trustee"). In the event Owner Participant shall not have joined in the

TRUST AGREEMENT SPECIAL

execution of such agreements' supplemental hereto within ten days after the receipt of a written request from Owner Trustee so to do, or in case a Lease Event of Default or Indenture Event of Default shall occur and be continuing, Owner Trustee may act under the foregoing provisions of this Section 9.2 without the concurrence of Owner Participant; and Owner Participant hereby appoints Owner Trustee its agent and attorney-in-fact to act for it under the foregoing provisions of this Section 9.2 in either of such contingencies.

(b) Every additional trustee under this Trust Agreement shall, to the extent permitted by Law, be appointed and act, and Owner Trustee and its successors shall act, subject to the following provisions and conditions:

(i) All powers, duties, obligations and rights conferred upon Owner Trustee in respect of the custody, control and management of monies, the Aircraft or documents authorized to be delivered under this Trust Agreement or under the Participation Agreement shall be exercised solely by Owner Trustee;

(ii) All other rights, powers, duties and obligations conferred or imposed upon Owner Trustee shall be conferred or imposed upon and exercised or performed by Owner Trustee and such additional trustee jointly, except to the extent that under any Law of any jurisdiction in which any particular act or acts are to be performed (including the holding of title to the Trust Estate) Owner Trustee shall be incompetent or unqualified to perform such act or acts, in which event such rights, powers, duties and obligations shall be exercised and performed by such additional trustee;

(iii) No power given to, or which it is provided hereby may be exercised by, any such additional trustee shall be exercised under this Trust Agreement by such additional trustee, except jointly with, or with the consent in writing of, Owner Trustee;

(iv) No trustee under this Trust Agreement shall be personally liable by reason of any action or omission of any other trustee under this Trust Agreement;

(v) Owner Participant, at any time, by an instrument in writing may remove any such additional trustee. In the event that Owner Participant shall not have joined in the

TRUST AGREEMENT SPECIAL

execution of any such instrument within ten days after the receipt of a written request from Owner Trustee so to do, Owner Trustee shall have the power to remove any such additional trustee without the concurrence of Owner Participant; and Owner Participant hereby appoints Owner Trustee its agent and attorney-in-fact to act for it in such connection in such contingency; and

(vi) No appointment of, or action by, any additional trustee will relieve Owner Trustee of any of its obligations under, or otherwise affect any of the terms of, the Trust Indenture or affect the interests of Mortgagee or the Note Holders in the Trust Indenture Estate.

(c) In case any separate trustee under this Section 9.2 shall die, become incapable of acting, resign or be removed, the title to the Trust Estate and all rights and duties of such separate trustee shall, so far as permitted by Law, vest in and be exercised by Owner Trustee, without the appointment of a successor to such separate trustee.

SECTION 10. SUPPLEMENTS AND AMENDMENTS TO TRUST AGREEMENT AND OTHER DOCUMENTS

10.1 SUPPLEMENTS AND AMENDMENTS AND DELIVERY THEREOF

10.1.1 SUPPLEMENTS AND AMENDMENTS

Subject to Section 7.2.2 of the Participation Agreement, this Trust Agreement may not be amended, supplemented or otherwise modified except by an instrument in writing signed by Owner Trustee and Owner Participant. Subject to Section 10.2, Section 9.01 of the Trust Indenture and Section 7.6.8 of the Participation Agreement, Owner Trustee will execute any amendment, supplement or other modification of this Trust Agreement or of any other Owner Trustee Agreement which it is requested in writing to execute by Owner Participant, except that Owner Trustee shall not execute any such amendment, supplement or other modification which, by the express provisions of any of the above documents, requires the consent of any other party unless such consent shall have been obtained; and provided, that, without the prior written consent of Owner Participant, (a) no such supplement, amendment or modification shall (i) modify any of the provisions of Section 4 or this Section 10.1, (ii) reduce, modify or amend any indemnities in favor of Owner Participant as set forth in Section 9 of the Participation Agreement or in the

TRUST AGREEMENT SPECIAL

Tax Indemnity Agreement, (iii) reduce the amount or extend the time of payment of Basic Rent, Supplemental Rent, Stipulated Loss Value or Termination Value as set forth in the Lease (except in accordance with Section 3 of the Lease) or (iv) modify any of the rights of Owner Participant under the Trust Indenture and (b) no such supplement, amendment or modification shall require Owner Participant to invest or advance funds or shall entail any additional personal liability or the surrender of any indemnification, claim or individual right on the part of Owner Participant with respect to any agreement or obligation.

10.1.2 DELIVERY OF AMENDMENTS AND  
SUPPLEMENTS TO CERTAIN PARTIES

A signed copy of each amendment or supplement referred to in Section 10.1.1 to which Lessee is not a party shall be delivered promptly by Owner Trustee to Lessee, and a signed copy of each amendment or supplement referred to in Section 10.1.1 shall be delivered promptly by Owner Trustee to Mortgagee.

10.2 DISCRETION AS TO EXECUTION OF DOCUMENTS

Prior to executing any document required to be executed by it pursuant to the terms of Section 10.1, Owner Trustee shall be entitled to receive an opinion of its counsel to the effect that the execution of such document is authorized under this Trust Agreement. If in the opinion of Owner Trustee any such document adversely affects any right, duty, immunity or indemnity in favor of Owner Trustee under this Trust Agreement or under any other Owner Trustee Agreement, Owner Trustee may in its discretion decline to execute such document unless Owner Trustee is furnished with indemnification from Lessee or any other party upon terms and in amounts reasonably satisfactory to Owner Trustee to protect the Trust Estate and the Owner Trustee against any and all liabilities, costs and expenses arising out of the execution of such documents.

10.3 ABSENCE OF REQUIREMENTS AS TO FORM

It shall not be necessary for any written request furnished pursuant to Section 10.1 to specify the particular form of the proposed documents to be executed pursuant to such Section 10.1, but it shall be sufficient if such request shall indicate the substance thereof.

TRUST AGREEMENT SPECIAL

#### 10.4 DISTRIBUTION OF DOCUMENTS

Promptly after the execution by Owner Trustee of any document entered into pursuant to Section 10.1, Owner Trustee shall mail, by certified mail, postage prepaid, a conformed copy thereof to Owner Participant, but the failure of Owner Trustee to mail such conformed copy shall not impair or affect the validity of such document.

#### 10.5 NO REQUEST NEEDED AS TO LEASE SUPPLEMENT AND TRUST INDENTURE SUPPLEMENT

No written request pursuant to Section 10.1 shall be required to enable Owner Trustee to enter into, pursuant to Section 3.1 and the Lease or the Trust Indenture, as the case may be, the Lease Supplement with Lessee and the Trust Indenture Supplement.

### SECTION 11. MISCELLANEOUS

#### 11.1 TERMINATION OF TRUST AGREEMENT

This Trust Agreement and the trusts created hereby shall be of no further force or effect upon the earlier of (a) both the final discharge of the Trust Indenture pursuant to Section 10.01 thereof and the sale or other final disposition by Owner Trustee of all property constituting part of the Trust Estate and the final distribution by Owner Trustee of all monies or other property or proceeds constituting part of the Trust Estate in accordance with Section 4, provided, that at such time Lessee shall have fully complied with all of the terms of the Lease and the Participation Agreement or (b) 21 years less one day after the death of the last survivor of all of the descendants of the grandparents of David C. Rockefeller living on the date of the earliest execution of this Trust Agreement by any party hereto, but if this Trust Agreement and the trusts created hereby shall be or become authorized under applicable Law to be valid for a period commencing on the 21st anniversary of the death of such last survivor (or, without limiting the generality of the foregoing, if legislation shall become effective providing for the validity of this Trust Agreement and the trusts created hereby for a period in gross exceeding the period for which this Trust Agreement and the trusts created hereby are hereinabove stated to extend and be valid), then this Trust Agreement and the trusts created hereby shall not terminate under this clause (b) but shall extend to and continue in effect, but only

TRUST AGREEMENT SPECIAL

if such nontermination and extension shall then be valid under applicable Law, until the day preceding such date as the same shall, under applicable Law, cease to be valid; otherwise this Trust Agreement and the trusts created hereby shall continue in full force and effect in accordance with the terms hereof. Except as expressly set forth in Section 11.2, this Trust Agreement and the trusts created hereby may not be revoked by Owner Participant.

#### 11.2 TERMINATION AT OPTION OF THE OWNER PARTICIPANT

Notwithstanding Section 11.1 hereof, this Agreement and trust created hereby shall terminate and the Trust Estate shall be distributed to the Owner Participant, and this Agreement shall be of no further force and effect, upon the election of the Owner Participant by notice to the Owner Trustee, if such notice shall be accompanied by the written agreement (in form and substance satisfactory to the Owner Trustee) of the Owner Participant assuming all obligations of the Owner Trustee under or contemplated by the Operative Agreements or incurred by it as trustee hereunder and releasing the Owner Trustee therefrom; provided, however, that such notice may be given only after the time the Lien of the Trust Indenture is discharged under Section 10.01 of the Trust Indenture and after the expiration or termination of the Term of the Lease.

#### 11.3 OWNER PARTICIPANT HAS NO LEGAL TITLE IN TRUST ESTATE

No Owner Participant shall have legal title to any part of the Trust Estate. No transfer, by operation of Law or otherwise, of any right, title and interest of Owner Participant in and to the Trust Estate under this Trust Agreement shall operate to terminate this Trust Agreement or the trusts under this Trust Agreement or entitle any successors or transferees of Owner Participant to an accounting or to the transfer of legal title to any part of the Trust Estate.

#### 11.4 ASSIGNMENT, SALE, ETC. OF AIRCRAFT

Any assignment, sale, transfer or other conveyance of the Aircraft by Owner Trustee made pursuant to the terms of this Trust Agreement or of the Lease or the Participation Agreement shall bind Owner Participant and shall be effective to transfer or convey all right, title and interest of Owner Trustee and Owner Participant in and to the Aircraft. No purchaser or other

TRUST AGREEMENT SPECIAL

grantee shall be required to inquire as to the authorization, necessity, expediency or regularity of such assignment, sale, transfer or conveyance or as to the application of any sale or other proceeds with respect thereto by Owner Trustee.

11.5 TRUST AGREEMENT FOR BENEFIT OF CERTAIN PARTIES ONLY

Except for the terms of Section 10 of the Participation Agreement incorporated in Section 8 and except as otherwise provided in Sections 5.1, 6.7, 9, 10.1 and 11.1, nothing in this Trust Agreement, whether express or implied, shall be construed to give any person other than Owner Trustee and Owner Participant any legal or equitable right, remedy or claim under or in respect of this Trust Agreement; and this Trust Agreement shall be held to be for the sole and exclusive benefit of Owner Trustee and Owner Participant.

11.6 CITIZENSHIP OF OWNER PARTICIPANT

If at any time there shall be more than one Owner Participant, then any Owner Participant who shall cease to be a Citizen of the United States shall have no voting or similar rights under this Trust Agreement and shall have no right to direct, influence or limit the exercise of, or to prevent the direction or influence of, or place any limitation on the exercise of, Owner Trustee's authority or to remove Owner Trustee.

11.7 NOTICES

Unless otherwise expressly permitted by the terms of this Trust Agreement, all notices, requests, demands, authorizations, directions, consents, waivers and other communications required or permitted to be made, given, furnished or filed under this Trust Agreement shall be in writing, shall refer specifically to this Trust Agreement and shall be personally delivered, sent by telecopy, telex or other means of electronic facsimile or telecommunication transmission, sent by registered mail or certified mail, return receipt requested, postage prepaid, or sent by overnight courier service, in each case to the respective telex, telecopy or other number or address set forth for such party in Schedule 1 to the Participation Agreement, or to such other telex, telecopy or other number or address as each party hereto may hereafter specify by notice to the other parties hereto. #### 11.8 SEVERABILITY

If any provision of this Trust Agreement shall be held invalid, illegal or unenforceable in any respect in any jurisdiction, then, to the extent permitted by Law, (a) all other provisions hereof shall remain in full force and effect in such jurisdiction and (b) such invalidity, illegality or unenforceability shall not affect the validity, legality or enforceability of such provision in any other jurisdiction. If, however, any Law pursuant to which such provisions are held invalid, illegal or unenforceable may be waived, such Law is hereby waived by the parties hereto to the full extent permitted, to the end that this Trust Agreement shall be deemed to be a valid and binding agreement in all respects, enforceable in accordance with its terms.

#### 11.9 WAIVERS, ETC.

No term or provision hereof may be changed, waived, discharged or terminated orally, but only by an instrument in writing entered into in compliance with the terms of Section 10; and any waiver of the terms hereof shall be effective only in the specific instance and for the specific purpose given.

#### 11.10 COUNTERPARTS

This Trust Agreement and any amendments, waivers, consents or supplements hereto may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original, and all of which counterparts, taken together, shall constitute one and the same instrument.

#### 11.11 BINDING EFFECT, ETC.

All covenants and agreements contained in this Trust Agreement shall be binding upon, and inure to the benefit of, Owner Trustee and its successors and assigns, and Owner Participant and its successors and, to the extent permitted by Section 8, assigns. Any request, notice, direction, consent,

Each of the New Certificates represents a fractional undivided interest in one of the four Continental Airlines 1997-1 Pass Through Trusts (the "Trusts") formed pursuant to four separate pass through trust agreements (the "Pass Through Trust Agreements") between Continental Airlines, Inc. (the "Company") and Wilmington Trust Company, as pass through trustee (the "Trustee") under each Trust.

In connection with this opinion letter, we have examined: the Registration Statement, including the Prospectus which forms a part of the Registration Statement, the Pass Through Trust Agreements, the forms of Old Certificate and New Certificate, each filed as an exhibit to the Registration Statement, and originals, or copies certified or otherwise identified to our satisfaction, of such other documents, records, instruments and certificates of public officials as we have deemed necessary or appropriate to enable us to render this opinion. In addition, we have assumed: (i) that all signatures are genuine, (ii) that all documents submitted to us as originals are genuine, (iii) that all copies submitted to us conform to the originals, (iv) that each Pass Through Trust Agreement has been duly authorized, executed and delivered by the applicable Trustee and is the legal, valid, binding and enforceable agreement of the applicable Trustee and (v) that the Old Certificates were duly and validly executed, authenticated and delivered by the Trustees pursuant to the terms of the Pass Through Trust Agreements.

We are members of the bar of the State of New York, and the opinion set forth below is restricted to matters controlled by federal laws, the laws of the State of New York and the laws of the state of Delaware. As to aspects of the laws of the State of Delaware relevant to

our opinion other than the General Corporation Law, we have relied on the opinion, dated March 21, 1997, of Richards, Layton & Finger.

Based on the foregoing, it is our opinion that, when (1) the applicable provisions of the Act and such "Blue Sky" or other state securities laws as may be applicable shall have been complied with and (ii) the New Certificates, in the forms filed as exhibits to the Registration Statement, have been duly executed and authenticated in accordance with the Pass Through Trust Agreements, and duly issued and delivered by the Trusts in exchange for an equal principal amount of Old Certificates pursuant to the terms of the Exchange Offer, the New Certificates will be legal, valid, binding and enforceable obligations of the applicable Trust, subject to (i) limitations imposed by bankruptcy, reorganization, moratorium, insolvency, fraudulent conveyance, fraudulent transfer, preferential transfer and other laws of general application relating to or affecting the enforceability of creditors' rights and to general principles of equity, including, without limitation, laches and estoppel as equitable defenses, concepts of materiality, reasonableness, good faith and fair dealing, and considerations of impracticability or impossibility or performance and defenses based upon unconscionability (regardless of whether such enforceability is considered or applied in a proceeding in equity or at law) and (b) the qualification that the remedy of specific performance and injunctive and other forms of equitable relief may be subject to equitable defenses and to the discretion of the court before which any proceeding therefor may be brought.

We hereby consent to the filing of this opinion as an exhibit to the Registration Statement and to the reference to this firm under the heading "Legal Matters" in the Prospectus included in the Registration Statement. In giving such consent, we do not thereby admit that we are "experts" within the meaning of the Act or the rules and regulations of the Securities and Exchange Commission issued thereunder with respect to any part of the Registration Statement, including this exhibit.

Very truly yours,

/s/ Hughes Hubbard & Reed LLP

(e) The relative powers, preferences and rights of each series of Preferred Stock in relation to the relative powers, preferences and rights of each other series of Preferred Stock shall, in each case, be as fixed from time to time by the Board of Directors in the resolution or resolutions adopted pursuant to authority granted in section (b) of this Article FOURTH and the consent, by class or series vote or otherwise, of the holders of such of the series of Preferred Stock as are from time to time outstanding shall not be required for the issuance by the Board of Directors of any other series of Preferred Stock whether or not the powers, preferences and rights of such other series shall be fixed by the Board of Directors as senior to, or on a parity with, the powers, preferences and rights of such outstanding series, or any of them; provided, however, that the Board of Directors may provide in the resolution or resolutions as to any series of Preferred Stock adopted pursuant to section (b) of this Article FOURTH that the consent of the holders of a majority (or such greater proportion as shall be therein fixed) of the outstanding shares of such series voting thereon shall be required for the issuance of any or all other series of Preferred Stock.

(f) Subject to the provisions of section (e), shares of any series of Preferred Stock may be issued from time to time as the Board of Directors of the Corporation shall determine and on such terms and for such consideration as shall be fixed by the Board of Directors.

(g) Shares of Common Stock may be issued from time to time as the Board of Directors of the Corporation shall determine and on such terms and for such consideration as shall be fixed by the Board of Directors. (h) The authorized amount of shares of Common Stock and of Preferred Stock may, without a class or series vote, be increased or decreased from time to time by the affirmative vote of the holders of a majority of the stock of the Corporation entitled to vote thereon.

FIFTH: - (a) The business and affairs of the Corporation shall be conducted and managed by a Board of Directors. The number of directors constituting the entire Board shall be not less than five nor more than twenty-five as fixed from time to time by vote of a majority of the whole Board, provided, however, that the number of directors shall not be reduced so as to shorten the term of any director at the time in office, and provided further, that the number of directors constituting the whole Board shall be twenty-four until otherwise fixed by a majority of the whole Board.

(b) The Board of Directors shall be divided into three classes, as nearly equal in number as the then total number of directors constituting the whole Board permits, with the term of office of one class expiring each year. Any vacancies in the Board of Directors for any reason, and any newly created directorships resulting from any increase in the directors, may be filled by the Board of Directors, acting by a majority of the directors then in office, although less than a quorum, and any directors so chosen shall hold office until the next annual election of directors. At such election, the stockholders shall elect a successor to such director to hold office until the next election of the class for which such director shall have been chosen and until his successor shall be elected and qualified. No decrease in the number of directors shall shorten the term of any incumbent director.

(c) Notwithstanding any other provisions of this Charter or Act of Incorporation or the By-Laws of the Corporation (and notwithstanding the fact that some lesser percentage may be specified by law, this Charter or Act of Incorporation or the ByLaws of the Corporation), any director or the entire Board of Directors of the

Corporation may be removed at any time without cause, but only by the affirmative vote of the holders of two-thirds or more of the outstanding shares of capital stock of the Corporation entitled to vote generally in the election of directors (considered for this purpose as one class) cast at a meeting of the stockholders called for that purpose.

(d) Nominations for the election of directors may be made by the Board of Directors or by any stockholder entitled to vote for the election of directors. Such nominations shall be made by notice in writing, delivered or mailed by first class United States mail, postage prepaid, to the Secretary of the Corporation not less than 14 days nor more than 50 days prior to any meeting of the stockholders called for the election of directors; provided, however, that if less than 21 days' notice of the meeting is given to stockholders, such written notice shall be delivered or mailed, as prescribed, to the Secretary of the Corporation not later than the close of the seventh day following the day on which notice of the meeting was mailed to stockholders. Notice of nominations which are proposed by the Board of Directors shall be given by the Chairman on behalf of the Board.

(f) The Chairman of the meeting may, if the facts warrant, determine and declare to the meeting that a nomination was not made in accordance with the foregoing procedure, and if he should so determine, he shall so declare to the meeting and the defective nomination shall be disregarded.

(g) No action required to be taken or which may be taken at any annual or special meeting of stockholders of the Corporation may be taken without a meeting, and the power of stockholders to consent in writing, without a meeting, to the taking of any action is specifically denied.

SIXTH: - The Directors shall choose such officers, agent and servants as may be provided in the By-Laws as they may from time to time find necessary or proper.

shall require the affirmative vote of the holders of at least two-thirds of the outstanding shares of capital stock of the Corporation entitled to vote generally in the election of directors, considered for the purpose of this Article FIFTEENTH as one class ("Voting Shares"). (3) A person shall be the "beneficial owner" of any Voting Shares:

(A) which such person or any of its Affiliates and Associates (as hereafter defined) beneficially own, directly or indirectly, or

(B) which such person or any of its Affiliates or Associates has (i) the right to acquire (whether such right is exercisable immediately or only after the passage of time), pursuant to any agreement, arrangement or understanding or upon the exercise of conversion rights, exchange rights, warrants or options, or otherwise, or (ii) the right to vote pursuant to any agreement, arrangement or understanding, or

(C) which are beneficially owned, directly or indirectly, by any other person with which such first mentioned person or any of its Affiliates or Associates has any agreement, arrangement or understanding for the purpose of acquiring, holding, voting or disposing of any shares of capital stock of the Corporation.

(6) "Subsidiary" shall mean any corporation of which a majority of any class of equity security (as defined in Rule 3a11-1 of the General Rules and Regulations under the Securities Exchange Act of 1934, as in effect in December 31, 1981) is owned, directly or indirectly, by the Corporation; provided, however, that for the purposes of the definition of Investment Stockholder set forth in paragraph (2) of this section (c), the term "Subsidiary" shall mean only a corporation of which a majority of each class of equity security is owned, directly or indirectly, by the Corporation.

(d) majority of the directors shall have the power and duty to determine for the purposes of this Article FIFTEENTH on the basis of information known to them, (1) the number of Voting Shares beneficially owned by any person (2) whether a person is an Affiliate or Associate of another, (3) whether a person has an agreement, arrangement or understanding with another as to the matters referred to in paragraph (3) of section (c), or (4) whether the assets subject to any business combination or the consideration received for the issuance or transfer of securities by the Corporation, or any Subsidiary has an aggregate fair market value of \$1,00,000 or more.

(e) Nothing contained in this Article FIFTEENTH shall be construed to relieve any Interested Stockholder from any fiduciary obligation imposed by law.

SIXTEENTH: Notwithstanding any other provision of this Charter or Act of Incorporation or the By-Laws of the Corporation (and in addition to any other vote that may be required by law, this Charter or Act of Incorporation by the By-Laws), the affirmative vote of the holders of at least two-thirds of the outstanding shares of the capital stock of the Corporation entitled to vote generally in the election of directors (considered for this purpose as one class) shall be required to amend, alter or repeal any provision of Articles FIFTH, THIRTEENTH, FIFTEENTH or SIXTEENTH of this Charter or Act of Incorporation.

SEVENTEENTH: (a) a Director of this Corporation shall not be liable to the Corporation or its stockholders for monetary damages for breach of fiduciary duty as a Director, except to the extent such exemption from liability or limitation thereof is not permitted under the Delaware General Corporation Laws as the same exists or may hereafter be amended.

(1) One million (1,000,000) shares of Preferred stock, par value \$10.00 per share (hereinafter referred to as "Preferred Stock"); and

(2) Forty million (40,000,000) shares of Common Stock, par value \$1.00 per share (hereinafter referred to as "Common Stock").

(b) Shares of Preferred Stock may be issued from time to time in one or more series as may from time to time be determined by the Board of Directors each of said series to be distinctly designated. All shares of any one series of Preferred Stock shall be alike in every particular, except that there may be different dates from which dividends, if any, thereon shall be cumulative, if made cumulative. The voting powers and the preferences and relative, participating, optional and other special rights of each such series, and the qualifications, limitations or restrictions thereof, if any, may differ from those of any and all other series at any time outstanding; and, subject to the provisions of subparagraph 1 of Paragraph (c) of this Article FOURTH, the Board of Directors of the Corporation is hereby expressly granted authority to fix by resolution or resolutions adopted prior to the issuance of any shares of a particular series of Preferred Stock, the voting powers and the designations, preferences and relative, optional and other special rights, and the qualifications, limitations and restrictions of such series, including, but without limiting the generality of the foregoing, the following:

(1) The distinctive designation of, and the number of shares of Preferred Stock which shall constitute such series, which number may be increased (except where otherwise provided by the Board of Directors) or decreased (but not below the number of shares thereof then outstanding) from time to time by like action of the Board of Directors;

(2) The rate and times at which, and the terms and conditions on which, dividends, if any, on Preferred Stock of such series shall be paid, the extent of the preference or relation, if any, of such dividends to the dividends payable on any other class or classes, or series of the same or other class of stock and whether such dividends shall be cumulative or non-cumulative;

(3) The right, if any, of the holders of Preferred Stock of such series to

convert the same into or exchange the same for, shares of any other class or classes or of any series of the same or any other class or classes of stock of the Corporation and the terms and conditions of such conversion or exchange;

(4) Whether or not Preferred Stock of such series shall be subject to redemption, and the redemption price or prices and the time or times at which, and the terms and conditions on which, Preferred Stock of such series may be redeemed.

(5) The rights, if any, of the holders of Preferred Stock of such series upon the voluntary or involuntary liquidation, merger, consolidation, distribution or sale of assets, dissolution or winding-up, of the Corporation.

(6) The terms of the sinking fund or redemption or purchase account, if any, to be provided for the Preferred Stock of such series; and

(7) The voting powers, if any, of the holders of such series of Preferred Stock which may, without limiting the generality of the foregoing include the right, voting as a series or by itself or together with other series of Preferred Stock or all series of Preferred Stock as a class, to elect one or more directors of the Corporation if there shall have been a default in the payment of dividends on any one or more series of Preferred Stock or under such circumstances and on such conditions as the Board of Directors may determine.

(c) (1) After the requirements with respect to preferential dividends on the Preferred Stock (fixed in accordance with the provisions of section (b) of this Article FOURTH), if any, shall have been met and after the Corporation shall have complied with all the requirements, if any, with respect to the setting aside of sums as sinking funds or redemption or purchase accounts (fixed in accordance with the provisions of section (b) of this Article FOURTH), and subject further to any conditions which may be fixed in accordance with the provisions of section (b) of this Article FOURTH, then and not otherwise the holders of Common Stock shall be entitled to receive such dividends as may be declared from time to time by the Board of Directors.

(2) After distribution in full of the preferential amount, if any, (fixed in accordance with the provisions of section (b) of this Article FOURTH), to be distributed to the holders of Preferred Stock in the event of voluntary or involuntary liquidation, distribution or sale of assets, dissolution or winding-up, of the Corporation, the holders of the Common Stock shall be entitled to receive all of the remaining assets of the Corporation, tangible and intangible, of whatever kind available for distribution to stockholders ratably in proportion to the number of shares of Common Stock held by them respectively.

(3) Except as may otherwise be required by law or by the provisions of such

resolution or resolutions as may be adopted by the Board of Directors pursuant to section (b) of this Article FOURTH, each holder of Common Stock shall have one vote in respect of each share of Common Stock held on all matters voted upon by the stockholders.

(d) No holder of any of the shares of any class or series of stock or of options, warrants or other rights to purchase shares of any class or series of stock or of other securities of the Corporation shall have any preemptive right to purchase or subscribe for any unissued stock of any class or series or any additional shares of any class or series to be issued by reason of any increase of the authorized capital stock of the Corporation of any class or series, or bonds, certificates of indebtedness, debentures or other securities convertible into or exchangeable for stock of the Corporation of any class or series, or carrying any right to purchase stock of any class or series, but any such unissued stock, additional authorized issue of shares of any class or series of stock or securities convertible into or exchangeable for stock, or carrying any right to purchase stock, may be issued and disposed of pursuant to resolution of the Board of Directors to such persons, firms, corporations or associations, whether such holders or others, and upon such terms as may be deemed advisable by the Board of Directors in the exercise of its sole discretion.

(e) The relative powers, preferences and rights of each series of Preferred Stock in relation to the relative powers, preferences and rights of each other series of Preferred Stock shall, in each case, be as fixed from time to time by the Board of Directors in the resolution or resolutions adopted pursuant to authority granted in section (b) of this Article FOURTH and the consent, by class or series vote or otherwise, of the holders of such of the series of Preferred Stock as are from time to time outstanding shall not be required for the issuance by the Board of Directors of any other series of Preferred Stock whether or not the powers, preferences and rights of such other series shall be fixed by the Board of Directors as senior to, or on a parity with, the powers, preferences and rights of such outstanding series, or any of them; provided, however, that the Board of Directors may provide in the resolution or resolutions as to any series of Preferred Stock adopted pursuant to section (b) of this Article FOURTH that the consent of the holders of a majority (or such greater proportion as shall be therein fixed) of the outstanding shares of such series voting thereon shall be required for the issuance of any or all other series of Preferred Stock.

(f) Subject to the provisions of section (e), shares of any series of Preferred Stock may be issued from time to time as the Board of Directors of the Corporation shall determine and on such terms and for such consideration as shall be fixed by the Board of Directors.

(g) Shares of Common Stock may be issued from time to time as the Board of Directors of the Corporation shall determine and on such terms and for such consideration as shall be fixed by the Board of Directors.

(h) The authorized amount of shares of Common Stock and of Preferred Stock may, without a class or series vote, be increased or decreased from time to time by the affirmative vote of the holders of a majority of the stock of the Corporation entitled to vote thereon.

FIFTH: - (a) The business and affairs of the Corporation shall be conducted and managed by a Board of Directors. The number of directors constituting the entire Board shall be not less than five nor more than twenty-five as fixed from time to time by vote of a majority of the whole Board, provided, however, that the number of directors shall not be reduced so as to shorten the term of any director at the time in office, and provided further, that the number of directors constituting the whole Board shall be twenty-four until otherwise fixed by a majority of the whole Board.

(b) The Board of Directors shall be divided into three classes, as nearly equal in number as the then total number of directors constituting the whole Board permits, with the term of office of one class expiring each year. At the annual meeting of stockholders in 1982, directors of the first class shall be elected to hold office for a term expiring at the next succeeding annual meeting, directors of the second class shall be elected to hold office for a term expiring at the second succeeding annual meeting and directors of the third class shall be elected to hold office for a term expiring at the third succeeding annual meeting. Any vacancies in the Board of Directors for any reason, and any newly created directorships resulting from any increase in the directors, may be filled by the Board of Directors, acting by a majority of the directors then in office, although less than a quorum, and any directors so chosen shall hold office until the next annual election of directors. At such election, the stockholders shall elect a successor to such director to hold office until the next election of the class for which such director shall have been chosen and until his successor shall be elected and qualified. No decrease in the number of directors shall shorten the term of any incumbent director.

(c) Notwithstanding any other provisions of this Charter or Act of Incorporation or the By-Laws of the Corporation (and notwithstanding the fact that some lesser percentage may be specified by law, this Charter or Act of Incorporation or the By-Laws of the Corporation), any director or the entire Board of Directors of the Corporation may be removed at any time without cause, but only by the affirmative vote of the holders of two-thirds or more of the outstanding shares of capital stock of the Corporation entitled to vote generally in the election of directors (considered for this purpose as one class) cast at a meeting of the stockholders called for that purpose.

(d) Nominations for the election of directors may be made by the Board of Directors or by any stockholder entitled to vote for the election of directors. Such nominations shall be made by notice in writing, delivered or mailed by first class United States mail, postage prepaid, to the Secretary of the Corporation not less than 14 days nor

more than 50 days prior to any meeting of the stockholders called for the election of directors; provided, however, that if less than 21 days' notice of the meeting is given to stockholders, such written notice shall be delivered or mailed, as prescribed, to the Secretary of the Corporation not later than the close of the seventh day following the day on which notice of the meeting was mailed to stockholders. Notice of nominations which are proposed by the Board of Directors shall be given by the Chairman on behalf of the Board.

(e) Each notice under subsection (d) shall set forth (i) the name, age, business address and, if known, residence address of each nominee proposed in such notice, (ii) the principal occupation or employment of such nominee and (iii) the number of shares of stock of the Corporation which are beneficially owned by each such nominee.

(f) The Chairman of the meeting may, if the facts warrant, determine and declare to the meeting that a nomination was not made in accordance with the foregoing procedure, and if he should so determine, he shall so declare to the meeting and the defective nomination shall be disregarded.

(g) No action required to be taken or which may be taken at any annual or special meeting of stockholders of the Corporation may be taken without a meeting, and the power of stockholders to consent in writing, without a meeting, to the taking of any action is specifically denied.

SIXTH: - The Directors shall choose such officers, agent and servants as may be provided in the By-Laws as they may from time to time find necessary or proper.

SEVENTH: - The Corporation hereby created is hereby given the same powers, rights and privileges as may be conferred upon corporations organized under the Act entitled "An Act Providing a General Corporation Law", approved March 10, 1899, as from time to time amended.

EIGHTH: - This Act shall be deemed and taken to be a private Act.

NINTH: - This Corporation is to have perpetual existence.

TENTH: - The Board of Directors, by resolution passed by a majority of the whole Board, may designate any of their number to constitute an Executive Committee, which Committee, to the extent provided in said resolution, or in the By-Laws of the Company, shall have and may exercise all of the powers of the Board of Directors in the management of the business and affairs of the Corporation, and shall have power to authorize the seal of the Corporation to be affixed to all papers which may require it.

ELEVENTH: - The private property of the stockholders shall not be liable for the payment of corporate debts to any extent whatever.

TWELFTH: - The Corporation may transact business in any part of the world.

THIRTEENTH: - The Board of Directors of the Corporation is expressly authorized to make, alter or repeal the By-Laws of the Corporation by a vote of the majority of the entire Board. The stockholders may make, alter or repeal any By-Law whether or not adopted by them, provided however, that any such additional By-Laws, alterations or repeal may be adopted only by the affirmative vote of the holders of two-thirds or more of the outstanding shares of capital stock of the Corporation entitled to vote generally in the election of directors (considered for this purpose as one class).

FOURTEENTH: - Meetings of the Directors may be held outside of the State of Delaware at such places as may be from time to time designated by the Board, and the Directors may keep the books of the Company outside of the State of Delaware at such places as may be from time to time designated by them.

FIFTEENTH: - (a) In addition to any affirmative vote required by law, and except as otherwise expressly provided in sections (b) and (c) of this Article FIFTEENTH:

(A) any merger or consolidation of the Corporation or any Subsidiary (as hereinafter defined) with or into (i) any Interested Stockholder (as hereinafter defined) or (ii) any other corporation (whether or not itself an Interested Stockholder), which, after such merger or consolidation, would be an Affiliate (as hereinafter defined) of an Interested Stockholder, or

(B) any sale, lease, exchange, mortgage, pledge, transfer or other disposition (in one transaction or a series of related transactions) to or with any Interested Stockholder or any Affiliate of any Interested Stockholder of any assets of the Corporation or any Subsidiary having an aggregate fair market value of \$1,000,000 or more, or

(C) the issuance or transfer by the Corporation or any Subsidiary (in one transaction or a series of related transactions) of any securities of the Corporation or any Subsidiary to any Interested Stockholder or any Affiliate of any Interested Stockholder in exchange for cash, securities or other property (or a combination thereof) having an aggregate fair market value of \$1,000,000 or more, or

(D) the adoption of any plan or proposal for the liquidation or dissolution of the Corporation, or

(E) any reclassification of securities (including any reverse stock split), or

recapitalization of the Corporation, or any merger or consolidation of the Corporation with any of its Subsidiaries or any similar transaction (whether or not with or into or otherwise involving an Interested Stockholder) which has the effect, directly or indirectly, of increasing the proportionate share of the outstanding shares of any class of equity or convertible securities of the Corporation or any Subsidiary which is directly or indirectly owned by any Interested Stockholder, or any Affiliate of any Interested Stockholder,

shall require the affirmative vote of the holders of at least two-thirds of the outstanding shares of capital stock of the Corporation entitled to vote generally in the election of directors, considered for the purpose of this Article FIFTEENTH as one class ("Voting Shares"). Such affirmative vote shall be required notwithstanding the fact that no vote may be required, or that some lesser percentage may be specified, by law or in any agreement with any national securities exchange or otherwise.

(2) The term "business combination" as used in this Article FIFTEENTH shall mean any transaction which is referred to any one or more of clauses (A) through (E) of paragraph 1 of the section (a).

(b) The provisions of section (a) of this Article FIFTEENTH shall not be applicable to any particular business combination and such business combination shall require only such affirmative vote as is required by law and any other provisions of the Charter or Act of Incorporation or By-Laws if such business combination has been approved by a majority of the whole Board.

(c) For the purposes of this Article FIFTEENTH:

(1) A "person" shall mean any individual firm, corporation or other entity.

(2) "Interested Stockholder" shall mean, in respect of any business combination, any person (other than the Corporation or any Subsidiary) who or which as of the record date for the determination of stockholders entitled to notice of and to vote on such business combination, or immediately prior to the consummation of any such transaction:

(C) is an assignee of or has otherwise succeeded in any share of capital stock of the Corporation which were at any time within two years prior thereto

beneficially owned by any Interested Stockholder, and such assignment or succession shall have occurred in the course of a transaction or series of transactions not involving a public offering within the meaning of the Securities Act of 1933.

(3) A person shall be the "beneficial owner" of any Voting Shares:

(A) which such person or any of its Affiliates and Associates (as hereafter defined) beneficially own, directly or indirectly, or

(B) which such person or any of its Affiliates or Associates has (i) the right to acquire (whether such right is exercisable immediately or only after the passage of time), pursuant to any agreement, arrangement or understanding or upon the exercise of conversion rights, exchange rights, warrants or options, or otherwise, or (ii) the right to vote pursuant to any agreement, arrangement or understanding, or

(C) which are beneficially owned, directly or indirectly, by any other person with which such first mentioned person or any of its Affiliates or Associates has any agreement, arrangement or understanding for the purpose of acquiring, holding, voting or disposing of any shares of capital stock of the Corporation.

(4) The outstanding Voting Shares shall include shares deemed owned through application of paragraph (3) above but shall not include any other Voting Shares which may be issuable pursuant to any agreement, or upon exercise of conversion rights, warrants or options or otherwise.

(5) "Affiliate" and "Associate" shall have the respective meanings given those terms in Rule 12b-2 of the General Rules and Regulations under the Securities Exchange Act of 1934, as in effect on December 31, 1981.

(6) "Subsidiary" shall mean any corporation of which a majority of any class of equity security (as defined in Rule 3a11-1 of the General Rules and Regulations under the Securities Exchange Act of 1934, as in effect in December 31, 1981) is owned, directly or indirectly, by the Corporation; provided, however, that for the purposes of the definition of Investment Stockholder set forth in paragraph (2) of this section (c), the term "Subsidiary" shall mean only a corporation of which a majority of each class of equity security is owned, directly or indirectly, by the Corporation.

(d) majority of the directors shall have the power and duty to determine for the purposes of this Article FIFTEENTH on the basis of information known to them, (1) the number of Voting Shares beneficially owned by any person (2) whether a person is an Affiliate or Associate of another, (3) whether a person

The undersigned acknowledges receipt of the Prospectus, dated (the "Prospectus"), of Continental Airlines, Inc., a Delaware corporation (the "Company"), and this Letter of Transmittal (this "Letter"), which together constitute the offer (the "Exchange Offer") to exchange an aggregate principal amount of up to \$707,302,000 of Pass Through Certificates, Series 1997-1, which have been registered under the Securities Act of 1933, as amended (the "New Certificates"), for an equal principal amount of the outstanding Pass Through Certificates, Series 1997-1 (the "Old Certificates"). The Exchange Offer is being made in order to satisfy certain obligations of the Company contained in the Exchange and Registration Rights Agreement, dated as of March 21, 1997, between the Company and the Initial Purchasers named therein (the "Registration Rights Agreement").

For each Old Certificate accepted for exchange, the holder of such Old Certificate will receive a New Certificate having a principal amount equal to that of the surrendered Old Certificate. New Certificates will accrue interest at the applicable per annum rate for such New Certificates as set forth on the cover page of the Prospectus, from the date on which the Old Certificates surrendered in exchange therefor were originally issued (the "Issuance Date"). Interest on the New Certificates is payable on April 1 and October 1 of each year, commencing October 1, 1997, subject to the terms of the Intercreditor Agreement (as defined in the Prospectus). In the event that neither the consummation of the Exchange Offer nor the declaration by the Securities and Exchange Commission of a Shelf Registration Statement relating to the sale of the Old Certificates to be effective (each a "Registration Event") occurs on or prior to the 210th calendar day after the Issuance Date, the interest rate per annum passed through to holders of Old Certificates shall be increased

by 0.50% from and including such 210th day to but excluding the earlier of (i) the date on which a Registration Event occurs and (ii) the date on which all of the Old Certificates otherwise become transferable by Certificateholders (other than affiliates or former affiliates of Continental) without further registration under the Securities Act. In the event that such Shelf Registration Statement ceases to be effective at any time during the period specified by the Registration Rights Agreement for more than 60 days, whether or not consecutive, during any 12-month period, the interest rate per annum passed through to the holders of Old Certificates shall be increased by 0.50% from the 61st day of the applicable 12-month period such Shelf Registration Statement ceases to be effective until such time as such Shelf Registration Statement again becomes effective (or, if earlier, the end of such period specified by the Registration Rights Agreement). The Company reserves the right, at any time or from time to time, to extend the Exchange Offer at its discretion, in which event the term "Expiration Date" shall mean the latest time and date to which the Exchange Offer is extended. The Company shall notify the holders of the Old Certificates of any extension by means of a press release or other public announcement prior to 9:00 A.M., New York City time, on the next business day after the previously scheduled Expiration Date.

This Letter is to be completed by a holder of Old Certificates if Old Certificates are to be forwarded herewith or if a tender of Old Certificates, if available, is to be made by book-entry transfer to the account maintained by the Exchange Agent at The Depository Trust Company (the "Book-Entry Transfer Facility") pursuant to the procedure set forth in "The Exchange Offer" section of the Prospectus. Holders of Old Certificates whose certificates are not immediately available, or who are unable to deliver their certificates or confirmation of the book-entry tender of their Old Certificates into the Exchange Agent's account at the Book-Entry Transfer Facility (a "Book-Entry Confirmation") and all other documents required by this Letter to the Exchange Agent on or prior to the Expiration Date, must tender their Old Certificates according to the guaranteed delivery procedures set forth in "The Exchange Offer -- Guaranteed Delivery Procedures" section of the Prospectus. See Instruction 1. Delivery of documents to the Book-Entry Transfer Facility does not constitute delivery to the Exchange Agent.

The undersigned has completed the appropriate boxes below and signed this Letter to indicate the action the undersigned desires to take with respect to the Exchange Offer.

Ladies and Gentlemen:

Upon the terms and subject to the conditions of the Exchange Offer, the undersigned hereby tenders to the Company the aggregate principal amount of Old Certificates indicated above. Subject to, and effective upon, the acceptance for exchange of the Old Certificates tendered hereby, the undersigned hereby sells, assigns and transfers to, or upon the order of, the Company all right, title and interest in and to such Old Certificates as are being tendered hereby.

The undersigned hereby represents and warrants that the undersigned has full power and authority to tender, sell, assign and transfer the Old Certificates tendered hereby and that the Company will acquire good and unencumbered title thereto, free and clear of all liens, restrictions, charges and encumbrances and not subject to any adverse claim when the same are accepted by the Company. The undersigned hereby further represents that any New Certificates acquired in exchange for Old Certificates tendered hereby will have been acquired in the ordinary course of business of the person receiving such New Certificates, whether or not such person is the undersigned, that neither the holder of such Old Certificates nor any such other person is engaged in, or intends to engage in a distribution of such New Certificates, or has an arrangement or understanding with any person to participate in the distribution of such New Certificates, and that neither the holder of such Old Certificates nor any such other person is an "affiliate," as defined in Rule 405 under the Securities Act of 1933, as amended (the "Securities Act"), of the Company.

The undersigned also acknowledges that this Exchange Offer is being made based upon the Company's understanding of an interpretation by the staff of the Securities and Exchange Commission (the "Commission") as set forth in no-action letters issued to third parties, including Exxon Capital Holdings Corporation, SEC No-Action Letter (available May 13, 1988) (the "Exxon Capital Letter"), Morgan Stanley & Co. Incorporated, SEC No-Action Letter (available June 5, 1991) (the "Morgan Stanley Letter") and Shearman & Sterling, SEC No-Action Letter (available July 2, 1993) (the "Shearman & Sterling Letter"), that the New Certificates issued in exchange for the Old Certificates pursuant to the Exchange Offer may be offered for resale, resold and otherwise transferred by holders thereof (other than a broker-dealer who acquires such New Certificates directly from the Company for resale pursuant to Rule 144A under the Securities Act or any other available exemption under the Securities Act or any such holder that is an "affiliate" of the Company within the meaning of Rule 405 under the Securities Act), without compliance with the registration and

prospectus delivery provisions of the Securities Act, provided that such New Certificates are acquired in the ordinary course of such holders' business and such holders are not engaged in, and do not intend to engage in, a distribution of such New Certificates and have no arrangement with any person to participate in the distribution of such New Certificates. If a holder of Old Certificates is engaged in or intends to engage in a distribution of the New Certificates or has any arrangement or understanding with respect to the distribution of the New Certificates to be acquired pursuant to the Exchange Offer, such holder could not rely on the applicable interpretations of the staff of the Commission and must comply with the registration and prospectus delivery requirements of the Securities Act in connection with any secondary resale transaction. If the undersigned is a broker-dealer that will receive New Certificates for its own account in exchange for Old Certificates, it represents that the Old Certificates to be exchanged for the New Certificates were acquired by it as a result of market-making activities or other trading activities and acknowledges that it will deliver a prospectus in connection with any resale of such New Certificates; however, by so acknowledging and by delivering a prospectus, the undersigned will not be deemed to admit that it is an "underwriter" within the meaning of the Securities Act.

The undersigned will, upon request, execute and deliver any additional documents deemed by the Company to be necessary or desirable to complete the sale, assignment and transfer of the Old Certificates tendered hereby. All authority conferred or agreed to be conferred in this Letter and every obligation of the undersigned hereunder shall be binding upon the successors, assigns, heirs, executors, administrators, trustees in bankruptcy and legal representatives of the undersigned and shall not be affected by, and shall survive, the death or incapacity of the undersigned. This tender may be withdrawn only in accordance with the procedures set forth in "The Exchange Offer -- Withdrawal of Tenders" section of the Prospectus.

Unless otherwise indicated herein in the box entitled "Special Issuance Instructions" below, please deliver the New Certificates (and, if applicable, substitute certificates representing Old Certificates for any Old Certificates not exchanged) in the name of the undersigned or, in the case of a book-entry delivery of Old Certificates, please credit the account indicated above maintained at the Book-Entry Transfer Facility. Similarly, unless otherwise indicated under the box entitled "Special Delivery Instructions" below, please send the New Certificates (and, if applicable, substitute certificates representing Old Certificates for any Old Certificates not exchanged) to the undersigned at the address shown above in the box entitled "Description of Old Certificates."

## INSTRUCTIONS

Forming Part of the Terms and Conditions of the Offer to Exchange Pass Through Certificates, Series 1997-1, which have been registered under the Securities Act of 1933, as amended, for any and all outstanding Pass Through Certificates, Series 1997-1.

## 1. DELIVERY OF THIS LETTER AND OLD CERTIFICATES; GUARANTEED DELIVERY PROCEDURES.

This Letter is to be completed by holders of Old Certificates if certificates are to be forwarded herewith or if tenders are to be made pursuant to the procedures for delivery by book-entry transfer set forth in "The Exchange Offer -- Book-Entry Transfer" section of the Prospectus. Certificates for all physically tendered Old Certificates, or Book-Entry Confirmation, as the case may be, as well as a properly completed and duly executed Letter of Transmittal (or facsimile thereof) and any other documents required by this Letter, must be received by the Exchange Agent at the address set forth herein on or prior to the Expiration Date, or the tendering holder must comply with the guaranteed delivery procedures set forth below. Old Certificates tendered hereby must be in denominations of \$1,000 and any integral multiple thereof.

Holders of Old Certificates whose certificates for Old Certificates are not immediately available or who cannot deliver their certificates and all other required documents to the Exchange Agent on or prior to the Expiration Date, or who cannot complete the procedure for book-entry transfer on a timely basis, may tender their Old Certificates pursuant to the guaranteed delivery procedures set forth in "The Exchange Offer -- Guaranteed Delivery Procedures" section of the Prospectus. Pursuant to such procedures, (i) such tender must be made through an Eligible Institution (as defined below), (ii) prior to the Expiration Date, the Exchange Agent must receive from such Eligible Institution a properly completed and duly executed Letter of Transmittal (or facsimile thereof) and Notice of Guaranteed Delivery, substantially in the form provided by the Company (by facsimile transmission, mail or hand delivery), setting forth the name and address of the holder of Old Certificates and the amount of Old Certificates tendered, stating that the tender is being made thereby and guaranteeing that within three New York Stock Exchange ("NYSE") trading days after the date of execution of the Notice of Guaranteed Delivery, the certificates for all physically tendered Old Certificates, or a Book-Entry Confirmation, as the case may be, and any other documents required by this Letter will be deposited by the Eligible Institution with the Exchange Agent, and (iii) the certificates for all physically tendered Old Certificates, in proper form for transfer, or Book-Entry Confirmation, as the case may be, and all other documents required by this Letter, are received by the Exchange Agent within three NYSE trading days after the date of execution of the Notice of Guaranteed Delivery.

The method of delivery of this Letter, the Old Certificates and all other required documents is at the election and risk of the tendering holders, but the delivery will be deemed made only when actually received or confirmed by the Exchange Agent. If Old Certificates are sent by mail, it is suggested that the mailing be made sufficiently in advance of the Expiration Date to permit delivery to the Exchange Agent prior to 5:00 p.m., New York City time, on the Expiration Date.

See "The Exchange Offer" section of the Prospectus.

## 2. PARTIAL TENDERS (NOT APPLICABLE TO HOLDERS OF OLD CERTIFICATES WHO TENDER BY BOOK-ENTRY TRANSFER).

If less than all of the Old Certificates evidenced by a submitted certificate are to be tendered, the tendering holder(s) should fill in the aggregate principal amount of Old Certificates to be tendered in the box above entitled "Description of Old Certificates -- Principal Amount Tendered." A reissued certificate representing the balance of nontendered Old Certificates will be sent to such tendering holder, unless otherwise provided in the appropriate box on this Letter, promptly after the Expiration Date. All of the Old Certificates delivered to the Exchange Agent will be deemed to have been tendered unless otherwise indicated.

### 3. SIGNATURES OF THIS LETTER; BOND POWERS AND ENDORSEMENTS; GUARANTEE OF SIGNATURES.

If this Letter is signed by the registered holder of the Old Certificates tendered hereby, the signature must correspond exactly with the name as written on the face of the certificates without any change whatsoever.

If any tendered Old Certificates are owned of record by two or more joint owners, all such owners must sign this Letter.

If any tendered Old Certificates are registered in different names on several certificates, it will be necessary to complete, sign and submit as many separate copies of this Letter as there are different registrations of certificates.

When this Letter is signed by the registered holder of the Old Certificates specified herein and tendered hereby, no endorsements of certificates or separate bond powers are required. If, however, the New Certificates are to be issued, or any untendered Old Certificates are to be reissued, to a person other than the registered holder, then endorsements of any certificates transmitted hereby or separate bond powers are required. Signatures on such certificates must be guaranteed by an Eligible Institution.

If this Letter is signed by a person other than the registered holder of any certificates specified herein, such certificates must be endorsed or accompanied by appropriate bond powers, in either case signed exactly as the name of the registered holder appears on the certificates and the signatures on such certificates must be guaranteed by an Eligible Institution.

If this Letter or any certificates or bond powers are signed by trustees, executors, administrators, guardians, attorneys-in-fact, officers of corporations or others acting in a fiduciary or representative capacity, such persons should so indicate when signing, and, unless waived by the Company, proper evidence satisfactory to the Company of their authority to so act must be submitted.

Endorsements on certificates for Old Certificates or signatures on bond powers required by this Instruction 3 must be guaranteed by a firm which is a member of a registered national securities exchange or a member of the National Association of Securities Dealers, Inc., by a commercial bank or trust company having an office or correspondent in the United States or by an "eligible guarantor" institution within the meaning of Rule 17Ad-15 under the Securities Exchange Act of 1934 (an "Eligible Institution").

Signatures on this Letter need not be guaranteed by an Eligible Institution, provided the Old Certificates are tendered: (i) by a registered holder of Old Certificates (which term, for purposes of the Exchange Offer, includes any participant in the Book-Entry Transfer Facility system whose name appears on a security position listing as the holder of such Old Certificates) tendered who has not completed the box entitled "Special Issuance Instructions" or "Special Delivery Instructions" on this Letter, or (ii) for the account of an Eligible Institution.

### 4. SPECIAL ISSUANCE AND DELIVERY INSTRUCTIONS.

Tendering holders of Old Certificates should indicate in the applicable box the name and address to which New Certificates issued pursuant to the Exchange Offer and/or substitute certificates evidencing Old Certificates not exchanged are to be issued or sent, if different from the name or address of the person signing this Letter. In the case of issuance in a different name, the employer identification or social security number of the person named must also be indicated. A holder of Old Certificates tendering Old Certificates by book-entry transfer may request that Old Certificates not exchanged be credited to such account maintained at the Book-Entry Transfer Facility as such holder of Old Certificates may designate hereon. If no such instructions are given, such Old Certificates not exchanged will be returned to the name or address of the person signing this Letter.

### 5. TAX IDENTIFICATION NUMBER.

Federal income tax law generally requires that a tendering holder whose Old Certificates are accepted for exchange must provide the Exchange Agent with such Holder's correct Taxpayer Identification Number

("TIN") on Substitute Form W-9 below, which, in the case of a tendering holder who is an individual, is his or her social security number. If a tendering holder does not provide the Exchange Agent with its current TIN or an adequate basis for an exemption, such tendering holder may be subject to backup withholding in an amount equal to 31% of all reportable payments made after the exchange. If withholding results in an overpayment of taxes, a refund may be obtained.

Exempt holders of Old Certificates (including, among others, all corporations and certain foreign individuals) are not subject to these backup withholding and reporting requirements. See the enclosed Guidelines of Certification of Taxpayer Identification Number on Substitute Form W-9 (the "W-9 Guidelines") for additional instructions.

To prevent backup withholding, each tendering holder of Old Certificates must provide its correct TIN by completing the "Substitute Form W-9" set forth below, certifying that the TIN provided is correct (or that such holder is awaiting a TIN) and that (i) the holder is exempt from backup withholding, (ii) the holder has not been notified by the Internal Revenue Service that such holder is subject to a backup withholding as a result of a failure to report all interest or dividends or (iii) the Internal Revenue Service has notified the holder that such holder is no longer subject to backup withholding. If the tendering holder of Old Certificates is a nonresident alien or foreign entity not subject to backup withholding, such holder must give the Exchange Agent a completed Form W-8, Certificate of Foreign Status. These forms may be obtained from the Exchange Agent. If the Old Certificates are in more than one name or are not in the name of the actual owner, such holder should consult the W-9 Guidelines for information on which TIN to report. If such holder does not have a TIN, such holder should consult the W-9 Guidelines for instructions on applying for a TIN, check the box in Part 2 of the Substitute Form W-9 and write "applied for" in lieu of its TIN. Note: checking this box and writing "applied for" on the form means that such holder has already applied for a TIN or that such holder intends to apply for one in the near future. If such holder does not provide its TIN to the Exchange Agent within 60 days, backup withholding will begin and continue until such holder furnishes its TIN to the Exchange Agent.

#### 6. TRANSFER TAXES.

The Company will pay all transfer taxes, if any, applicable to the transfer of Old Certificates to it or its order pursuant to the Exchange Offer. If, however, New Certificates and/or substitute Old Certificates not exchanged are to be delivered to, or are to be registered or issued in the name of, any person other than the registered holder of the Old Certificates tendered hereby, or if tendered Old Certificates are registered in the name of any person other than the person signing this Letter, or if a transfer tax is imposed for any reason other than the transfer of Old Certificates to the Company or its order pursuant to the Exchange Offer, the amount of any such transfer taxes (whether imposed on the registered holder or any other persons) will be payable by the tendering holder. If satisfactory evidence of payment of such taxes or exemption therefrom is not submitted herewith, the amount of such transfer taxes will be billed directly to such tendering holder.

Except as provided in this Instruction 6, it is not necessary for transfer tax stamps to be affixed to the Old Certificates specified in this Letter.

#### 7. WAIVER OF CONDITIONS.

The Company reserves the absolute right to waive satisfaction of any or all conditions enumerated in the Prospectus.

#### 8. NO CONDITIONAL TENDERS.

No alternative, conditional, irregular or contingent tenders will be accepted. All tendering holders of Old Certificates, by execution of this Letter, shall waive any right to receive notice of the acceptance of their Old Certificates for exchange.

Neither the Company, the Exchange Agent nor any other person is obligated to give notice of any defect or irregularity with respect to any tender of Old Certificates nor shall any of them incur any liability for failure to give any such notice.

9. MUTILATED, LOST, STOLEN OR DESTROYED OLD CERTIFICATES.

Any holder whose Old Certificates have been mutilated, lost, stolen or destroyed should contact the Exchange Agent at the address indicated above for further instructions.

10. REQUESTS FOR ASSISTANCE OR ADDITIONAL COPIES.

Questions relating to the procedure for tendering, as well as requests for additional copies of the Prospectus and this Letter, may be directed to the Exchange Agent, at the address and telephone number indicated above.
