Item 3.02 Unregistered Sales of Equity Securities.

On May 29, 2013, United Continental Holdings, Inc. (“UAL” or the “Company”) entered into an agreement with one of its existing securityholders to issue a total of 3,456,376 shares of UAL common stock in exchange for \$30,029,000 in aggregate principal amount of the Company’s outstanding 6% convertible senior notes due 2029 (the “Notes”) held by such securityholder. The number of shares issued was determined based on a conversion ratio of 115.1013 shares of UAL common stock per \$1,000 principal amount of Notes being exchanged, which is the conversion ratio in the Indenture, dated October 7, 2009 (the “Indenture”), between the Company and The Bank of New York Mellon Trust Company, N.A., under which the Notes were issued. In addition, the Company agreed to make a cash payment to the securityholder to compensate it for accrued interest through the date of settlement and for a portion of the foregone interest that would have accrued, absent the exchange, through the earliest date on which the Company has the option to redeem the Notes under the Indenture. The Company issued the shares of UAL common stock on May 31, 2013 in a transaction exempt from registration pursuant to Section 3(a)(9) of the Securities Act of 1933, as amended, as the exchange of the Notes for UAL common stock was made by the Company with the existing securityholder exclusively in a privately negotiated transaction where no commission or other remuneration was paid. The Notes acquired by the Company in the exchange will be retired by the Company.
