Representatives of the Reporting Persons have engaged, and intend to continue to engage, in discussions with the Issuer's management and members of the Issuer's board of directors (the "Board"), other stockholders of the Issuer, and other interested persons regarding, among other things, the Issuer's business, management, capital structure, capital allocation, corporate governance, Board composition, strategic alternatives and direction, and strategies to enhance shareholder value.

The Reporting Persons intend to review their investment in the Issuer on a continuing basis. Depending on various factors, including, without limitation, the outcome of any discussions referenced above, the Issuer's financial position and strategic direction, actions taken by the Board, price levels of the Common Stock, other investment opportunities available to the Reporting Persons, conditions in the securities market and general economic and industry conditions, the Reporting Persons may in the future take such actions with respect to their investment in the Issuer as they deem appropriate, including, without limitation, purchasing additional shares of Common Stock and/or other equity, debt, notes, instruments or other securities of the Issuer (collectively, "Securities"), disposing of any or all of their Securities, in the open market or otherwise, at any time and from time to time, and engaging in hedging or similar transactions with respect to the Securities. The Reporting Persons reserve the right to change their intention with respect to any and all matters referred to in subparagraphs (a) – (j) of Item 4 of Schedule 13D.

Item 5. INTEREST IN SECURITIES OF THE ISSUER

(a)-(b) As of January 26, 2016, PAR Investment Partners may be deemed to beneficially own 8,960,000 shares of Common Stock, representing approximately 2.4% (determined in accordance with Rule 13d-3 under the Act) of the outstanding Common Stock.

As of January 26, 2016, PAR Group, through its control of PAR Investment Partners as general partner, may be deemed to beneficially own 8,960,000 shares of Common Stock, representing approximately 2.4% (determined in accordance with Rule 13d-3 under the Act) of the outstanding Common Stock.

As of January 26, 2016, PAR Capital Management, through its control of PAR Group as general partner, may be deemed to beneficially own 8,960,000 shares of Common Stock, representing approximately 2.4% (determined in accordance with Rule 13d-3 under the Act) of the outstanding Common Stock.

The percentage of shares of the Common Stock beneficially owned as set forth above are based on 372,810,266 shares of Common Stock outstanding as of October 13, 2015, as disclosed in the Issuer's Quarterly Report on Form 10-Q, for the period ended September 30, 2015, filed on October 22, 2015.

Pursuant to certain cash-settled equity swaps, PAR Investment Partners has economic exposure to an additional 2,923,500 notional shares of Common Stock, representing approximately 0.8% of the outstanding shares of Common Stock, as more fully described in Item 6 of this Schedule 13D.

Representatives of the Reporting Persons have engaged in discussions with Altimeter Capital Management, Inc. ("Altimeter") regarding strategies to enhance shareholder value in the Issuer. As a result, the Reporting Persons may be deemed members of a "group" with Altimeter as defined in Rule 13d-5 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). Pursuant to such definition, the Reporting Persons and Altimeter may be deemed to beneficially own the shares of Common Stock beneficially owned by each other solely for such purposes. Altimeter has advised the Reporting Persons that it is the beneficial owner of 11,500,668 shares of Common Stock, or 3.1% of the outstanding Common Stock. Based upon such advice, the Reporting Persons and Altimeter beneficially own a combined 20,460,668 shares of Common Stock, or 5.5% of the outstanding Common Stock. The Reporting Persons expressly disclaim beneficial ownership of any shares of Common Stock held by Altimeter and/or its affiliates. Accordingly, Items 11 and 13 of the cover pages to this Schedule 13D set forth the aggregate

number and percentage of outstanding shares of Common Stock that are beneficially owned by the Reporting Persons. The Reporting Persons (i) own (and will continue to own) less than 5% of the total outstanding Common Stock for purposes of Treasury Regulation Section 1.382-2T(g), (ii) have the sole right to dividends and/or proceeds from the sale of the Common Stock reported in Item 11 of this Schedule 13D and have no dividend or voting rights in any other shares of Common Stock, and (iii) do not have any formal or informal understanding with Altimeter or any other stockholder of the Issuer to make any coordinated acquisitions of, or investment decisions with respect to, the Common Stock.

(c) Information with respect to all transactions by the Reporting Persons relating to the Common Stock that were effected during the past sixty days is set forth in Annex A hereto and is incorporated by reference herein.

(d) Not applicable.

(e) Not applicable.

Item 6. CONTRACTS, ARRANGEMENTS, UNDERSTANDINGS OR RELATIONSHIPS WITH RESPECT TO SECURITIES OF THE ISSUER

PAR Investment Partners holds a portion of its assets, which may include the Issuer's securities, in prime brokerage accounts at various institutions, which accounts provide PAR Investment Partners with access to margin or other financing. The customer and related agreements governing such accounts generally provide the broker counterparty with security, collateral or similar rights of possession, sale or offset with respect to such account assets in the event of a customer default. Such agreements generally also provide the counterparty with rights to lend assets held in such account, in some cases without advance or other notification to the customer. To the extent the Issuer's securities owned by PAR Investment Partners are held from time to time in such prime broker accounts, they may be subject to such counterparty rights.

PAR Investment Partners has entered into cash settled equity swap and other similar derivatives transactions and contracts with one or more counterparties, the value of which is based in whole or in part on the value of the Common Stock. PAR Investment Partners has modified, added to and/or unwound certain of such contracts, and expects to do so in the future, including at times when it may be purchasing or selling Common Stock that PAR Investment Partners beneficially owns. The profit and loss on such contracts is wholly or partially referenced to, and therefore calculated based on, the market value of the Common Stock, the relative value of such securities in comparison to one or more other financial instruments, indexes or securities, a basket or group of securities in which the Common Stock may be included, or a combination of any of the foregoing.

The equity swap contracts described above do not, and will not at any time, give the Reporting Persons voting or dispositive power over any Securities referenced therein. Accordingly, the Reporting Persons disclaim beneficial ownership in any Securities that may be referenced in such contracts or that may be held from time to time by any counterparties to such contracts.

As of the date of this Schedule 13D, the equity swap contracts described above give PAR Investment Partners economic exposure to an additional 2,923,500 shares of Common Stock. All such swaps mature on July 22, 2019. The reference prices for such swaps range from \$43.71 to \$46.95. The Reporting Persons do not have voting power or dispositive power with respect to the Common Stock referenced in such swaps and disclaim beneficial ownership of the Common Stock underlying such swaps.

The Reporting Persons are parties to an agreement with respect to the joint filing of this Schedule 13D and any amendments thereto. A copy of such agreement is attached as Exhibit 99.1 to this Schedule 13D and is incorporated by reference herein.

Except as set forth herein, there are no contracts, arrangements, understandings or relationships among the Reporting Persons or between the Reporting Persons and any other person with respect to the Common Stock.
