The section in the accompanying prospectus entitled "Selling Holders" is hereby supplemented to include the following information:

SELLING HOLDERS

The TIDES were originally issued by the trust and sold by Credit Suisse First Boston Corporation and UBS Warburg LLC in a transaction exempt from the registration requirements of the Securities Act, to persons reasonably believed by such initial purchasers to be "qualified institutional buyers" (as defined in Rule 144A under the Securities Act). The holders named below and their transferees, pledgees, donees or successors, which we refer to as the selling holders, may from time to time offer and sell pursuant to this prospectus supplement any or all of the TIDES, and any common stock issued upon conversion of the TIDES.

The following table sets forth information, as of June 24, 2002, with respect to the selling holders of the TIDES not listed in the accompanying prospectus and the respective number of TIDES beneficially owned by each selling holder that the selling holder may offer using this prospectus supplement. This table amends and restates in its entirety the table presented in Prospectus Supplement No. 13, dated June 18, 2002.

Selling Holder (1)(2)	Principal Amount of TIDES Beneficially Owned and Offered by this Prospectus Supplement	Number of Shares of Common Stock Owned Prior to the Offering (3)	Number of Shares of Common Stock Offered by this Prospectus Supplement (3)(4)
HFR TQA Master Trust	2,000	1,666	1,666
TQA Master Fund, Ltd.	57,100	47,583	47,583
TQA Master Plus Fund, Ltd.	1,900	1,583	1,583

- (1) May include transferees, pledgees, donees or successors of or from a previously named holder.
- (2) No holders not named in the accompanying prospectus or any prospectus supplement thereto, including this prospectus supplement, may offer TIDES or common stock pursuant to the registration statement of which this prospectus supplement forms a part until such holder is included as a selling holder in a supplement to the accompanying prospectus.
- (3) Comprises the shares of common stock into which the TIDES held by such selling holder are convertible at the initial conversion price. The conversion price and the number of shares of common stock issuable upon conversion of the TIDES are subject to adjustment under certain circumstances. Accordingly, the number of shares of common stock issuable upon conversion of the TIDES may increase or decrease from time to time. Fractional shares will not be issued upon conversion of the TIDES; rather, cash will be paid in lieu of fractional shares, if any.
- (4) Assumes the offering of such shares by such selling holder pursuant to the registration statement of which this prospectus supplement forms a part.

None of the selling holders has, or within the past three years has had, any position, office or other material relationship with the trust or us or any of its or our predecessors or affiliates.

Because the selling holders may, pursuant to this prospectus supplement or the accompanying prospectus, offer all or some portion of the TIDES or common stock they presently hold, no estimate can be given as to the amount of the TIDES or shares of common stock that will be held by the selling holders upon termination of any such sales. In addition, some or all of the selling holders identified above or in the accompanying prospectus may have sold, transferred or otherwise disposed of all or a portion of their TIDES or common stock since the date on which they provided the information regarding their TIDES or common stock, in transactions exempt from the registration requirements of the Securities Act.

Only selling holders identified above or in the accompanying prospectus who beneficially own the TIDES or common stock set forth opposite each such selling holder's name in the foregoing table on or after the effective date of the registration statement of which this prospectus supplement forms a part may sell such TIDES or common stock pursuant to the registration statement. We may from time to time include additional selling holders in further supplements to the accompanying prospectus.

We will pay the expenses of registering the TIDES and common stock being offered by this prospectus supplement and the accompanying prospectus.

The date of this amended prospectus supplement is June 24, 2002.
