Explanation of Responses:

1. Each share unit was the economic equivalent of one share of common stock. In accordance with the terms of the share units, the share units are settled in cash based on the average of the high and low sale prices of a share of the Company's common stock on the date of settlement (or the average of the high and low sale prices of the common stock on the preceding trading day if the settlement date is not a trading day).

2. The share unit award was settled on June 12, 2013 as the Reporting Person did not stand for re-election at the Company's 2013 annual stockholders meeting and, as a result, retired at the end of his term from the Company's Board of Directors, as disclosed in the proxy statement filed on April 26, 2013.
