Item 1.01 Entry into a Material Definitive Agreement.

On May 2, 2010, Continental Airlines, Inc., a Delaware corporation (“Continental”), UAL Corporation, a Delaware corporation (“UAL”), and JT Merger Sub Inc., a Delaware corporation and wholly-owned subsidiary of UAL (“Merger Sub”), entered into an Agreement and Plan of Merger (the “Merger Agreement”), providing for a “merger of equals” business combination of Continental and UAL. The Merger Agreement provides that, upon the terms and subject to the conditions set forth in the Merger Agreement, Merger Sub will be merged with and into Continental (the “Merger”), with Continental continuing as the surviving corporation and as a wholly-owned subsidiary of UAL.

Subject to the terms and conditions of the Merger Agreement, which has been approved unanimously by the boards of directors of the respective parties, if the Merger is completed, each outstanding share of Continental common stock will be converted into the right to receive 1.05 shares of UAL common stock (the “Common Stock”), and Continental stock options, other equity awards (other than profit-based restricted stock units that will be converted into a fixed amount in cash) and convertible debt securities will be generally converted into stock options, equity awards and convertible debt securities with respect to the Common Stock, after giving effect to the exchange ratio. It is expected that the Merger will qualify as a tax-free reorganization for U.S. federal income tax purposes, so that, in general, none of Continental, UAL, Merger Sub or any of the Continental stockholders will recognize any gain or loss in the transaction, except that Continental stockholders will recognize gain with respect to cash received in lieu of fractional shares of the Common Stock.

The Merger Agreement provides that, upon consummation of the Merger, the board of directors of the combined company will consist of 16 members, composed of (i) Jeffery A. Smisek, Continental’s current chief executive officer, (ii) Glenn F. Tilton, UAL’s current chief executive officer, (iii) six independent directors from each of Continental and UAL, (iv) the UAL director who is elected by the Air Line Pilots Association, International, the holder of the UAL Class Pilot MEC Junior Preferred Stock, and (v) the UAL director who is elected by the International Association of Machinists and Aerospace Workers, the holder of the UAL Class IAM Junior Preferred Stock. Upon completion of the Merger, Mr. Tilton will serve as non-executive chairman of the board of directors of the combined company and will serve in that capacity until December 31, 2012 or two years after the date the Merger is consummated, whichever is later. Mr. Smisek will serve as chief executive officer of the combined company, and upon the date Mr. Tilton is no longer the non-executive chairman, Mr. Smisek will succeed to the chairmanship unless a majority of the entire board of directors of the combined company accepts the recommendation of a majority of the members of its entire Nominating/Governance Committee to take action otherwise. Subject to applicable law, prior to the Merger, Messrs. Tilton and Smisek will engage in a planning process for integration purposes, which will include the selection from the management ranks of Continental and UAL, in an equitable and balanced manner, of those managers who will hold key management positions at the combined company following the Merger. The combined company will have its corporate headquarters in Chicago,

Illinois and will maintain a significant presence in Houston, Texas. Specific business functions to be located in Houston will be determined prior to the Merger as part of the integration planning process.

Continental and UAL have made customary representations, warranties and covenants in the Merger Agreement. Each of Continental and UAL is required, among other things: (i) subject to certain exceptions, to conduct its business in the ordinary course in all material respects during the interim period between the execution of the Merger Agreement and the consummation of the Merger, (ii) not to solicit alternative business combination transactions and (iii) subject to certain exceptions, not to engage in discussions or negotiations regarding any alternative business combination transactions. In addition, the Merger Agreement contains covenants that require each of Continental and UAL to call and hold special stockholder meetings and, subject to certain exceptions, require the Continental board of directors to recommend to its stockholders the adoption of the Merger Agreement and the UAL board of directors to recommend to its stockholders the approval of the issuance of the Common Stock as consideration for the Merger and the amendment of UAL's certificate of incorporation.

Completion of the Merger is subject to certain conditions, including, among others: (i) adoption of the Merger Agreement by Continental's stockholders, (ii) approval by UAL's stockholders of the issuance of the Common Stock and the amendment of UAL's certificate of incorporation to, among other things, change UAL's name to "United Continental Holdings, Inc.", (iii) the expiration or termination of the applicable waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, (iv) receipt of other material governmental consents and approvals (both domestic and foreign) required to consummate the Merger, (v) the absence of any material injunction or legal restraint prohibiting the consummation of the Merger, (vi) the registration statement on Form S-4 used to register the Common Stock to be issued as consideration for the Merger having been declared effective by the Securities and Exchange Commission, (vii) the listing of the Common Stock on the New York Stock Exchange or NASDAQ having been authorized and (viii) delivery of customary opinions from counsel to UAL and counsel to Continental that the Merger will qualify as a tax-free reorganization for federal income tax purposes. The obligation of each party to consummate the Merger is also conditioned upon the other party's representations and warranties being true and correct, the other party having performed in all material respects its obligations under the Merger Agreement and the other party's not having suffered a material adverse effect.

The Merger Agreement contains certain termination rights for both Continental and UAL, including if the Merger is not consummated on or before December 31, 2010 (which is subject to extension under certain circumstances but generally not beyond September 30, 2011) and if the approval of the stockholders of either Continental or UAL is not obtained. The Merger Agreement further provides that, upon termination of the Merger Agreement under specified circumstances, including termination of the Merger Agreement by Continental or UAL as a result of an adverse change in the recommendation of the other party's board of directors, Continental may be required to pay to UAL, or UAL may be required to pay to Continental, as applicable, a termination fee of \$175 million.

The foregoing description of the Merger Agreement is not a complete description of all of the parties' rights and obligations under the Merger Agreement and is qualified in its entirety by reference to the Merger Agreement, which is filed as Exhibit 2.1 hereto and is incorporated herein by reference.

The Merger Agreement and the above description of the Merger Agreement have been included to provide investors and security holders with information regarding the terms of the Merger Agreement. It is not intended to provide any other factual information about Continental, UAL or their respective subsidiaries or affiliates. The representations, warranties and covenants contained in the Merger Agreement were made only for purposes of that agreement and as of specific dates; were solely for the benefit of the parties to the Merger Agreement; and may be subject to limitations agreed upon by the parties, including being qualified by confidential disclosures made by each contracting party to the other for the purposes of allocating contractual risk between them that differ from those applicable to investors. Investors should not rely on the representations, warranties and covenants or any description thereof as characterizations of the actual state of facts or condition of Continental, UAL or any of their respective subsidiaries, affiliates or businesses. Moreover, information concerning the subject matter of the representations, warranties and covenants may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in public disclosures by Continental or UAL. Accordingly, investors should read the representations and warranties in the Merger Agreement not in isolation but only in conjunction with the other information about Continental or UAL and their respective subsidiaries that the respective companies include in reports, statements and other filings they make with the Securities and Exchange Commission.

As a member of Star Alliance, Continental has an extensive commercial relationship with UAL and its wholly-owned subsidiary, United Airlines, Inc. ("United"), including a codesharing agreement, reciprocal frequent flyer program participation and reciprocal airport lounge access. Continental is also part of a group of nine carriers, including United, that holds antitrust immunity to work closely together to deliver highly competitive international flight schedules, fares and service, as well as antitrust immunity to establish a trans-Atlantic joint venture with United, Lufthansa and Air Canada.

Item 8.01. Other Events.

On May 3, 2010, Continental and UAL issued a joint press release. A copy of the press release is attached hereto as Exhibit 99.1 and is incorporated by reference into this Item 8.01.

Cautionary Statement Regarding Forward-Looking Statements

This communication contains "forward-looking statements" within the meaning of the safe harbor provisions of the Private Securities Litigation Reform Act of 1995 that are not limited to historical facts, but reflect Continental's and UAL's current beliefs, expectations or intentions regarding future events. Words such as "may," "will," "could," "should," "expect," "plan," "project," "intend," "anticipate," "believe," "estimate," "predict," "potential," "pursue," "target," "continue," and similar expressions are intended to identify such forward-looking statements. These forward-looking statements include, without limitation, Continental's and UAL's expectations with respect to the synergies, costs and other anticipated financial impacts of the proposed transaction; future financial and operating results of the combined company; the combined company's plans, objectives, expectations and intentions with respect to future operations and services; approval of the proposed transaction by stockholders and by

governmental regulatory authorities; the satisfaction of the closing conditions to the proposed transaction; and the timing of the completion of the proposed transaction.

All forward-looking statements involve significant risks and uncertainties that could cause actual results to differ materially from those in the forward-looking statements, many of which are generally outside the control of Continental and UAL and are difficult to predict. Examples of such risks and uncertainties include, but are not limited to, (i) the possibility that the proposed transaction is delayed or does not close, including due to the failure to receive required stockholder or regulatory approvals, the taking of governmental action (including the passage of legislation) to block the transaction, or the failure of other closing conditions, and (ii) the possibility that the expected synergies will not be realized, or will not be realized within the expected time period, because of, among other things, significant volatility in the cost of aircraft fuel, the high leverage and other significant capital commitments of Continental and UAL, the ability to obtain financing and to refinance the combined company's debt, the ability of Continental and UAL to maintain and utilize their respective net operating losses, the impact of labor relations, global economic conditions, fluctuations in exchange rates, competitive actions taken by other airlines, terrorist attacks, natural disasters, difficulties in integrating the two airlines, the willingness of customers to travel by air, actions taken or conditions imposed by the U.S. and foreign governments or other regulatory matters, excessive taxation, further industry consolidation and changes in airlines alliances, the availability and cost of insurance and public health threats.

Continental and UAL caution that the foregoing list of factors is not exclusive. Additional information concerning these and other risk factors is contained in Continental's and UAL's most recently filed Annual Reports on Form 10-K, subsequent Quarterly Reports on Form 10-Q, recent Current Reports on Form 8-K, and other SEC filings. All subsequent written and oral forward-looking statements concerning Continental, UAL, the proposed transaction or other matters and attributable to Continental or UAL or any person acting on their behalf are expressly qualified in their entirety by the cautionary statements above. Neither Continental nor UAL undertakes any obligation to publicly update any of these forward-looking statements to reflect events or circumstances that may arise after the date hereof.

WHEREAS the respective Boards of Directors of United and Continental have determined that such "merger of equals" business combination shall be effected pursuant to the terms of this Agreement through the Merger (as defined in Section 1.1);

WHEREAS the respective Boards of Directors of United, Continental and Merger Sub have approved this Agreement and determined that the terms of this Agreement are in the respective best interests of United, Continental or Merger Sub, as the case may be, and their respective stockholders;

WHEREAS the respective Boards of Directors of Continental and Merger Sub have declared the advisability of this Agreement and recommended adoption of this Agreement by their respective stockholders;

WHEREAS for U.S. Federal income Tax purposes, it is intended that (a) the Merger qualify as a "reorganization" within the meaning of Section 368(a) of the Internal Revenue Code of 1986, as amended (the "Code") (such Tax treatment being referred to as the "Intended Tax Treatment"), (b) this Agreement be, and is hereby, adopted as a "plan of reorganization" for purposes of Sections 354 and 361 of the Code and (c) United, Continental and Merger Sub each be a "party to the reorganization" within the meaning of Section 368(b) of the Code; and

WHEREAS United, Continental and Merger Sub desire to make certain representations, warranties, covenants and agreements in connection with the Merger and also to prescribe various conditions to the Merger.

NOW, THEREFORE, in consideration of the foregoing, the parties hereto agree as follows:

ARTICLE I THE MERGER

1.1 The Merger. On the terms and subject to the conditions set forth in this Agreement, and in accordance with the General Corporation Law of the State of Delaware (the "Delaware Law"), on the Closing Date, Merger Sub shall be merged with and into Continental (the "Merger"). At the Effective Time, the separate corporate existence of Merger Sub shall cease and Continental shall continue as the surviving corporation in the Merger (the "Surviving

Corporation). As a result of the Merger, Continental shall become a wholly-owned subsidiary of United.

1.2 Closing. The closing (the "Closing") of the Merger shall take place at the offices of Cravath, Swaine & Moore LLP, Worldwide Plaza, 825 Eighth Avenue, New York, New York 10019 at 10:00 a.m., Eastern time, on a date to be specified by United and Continental, which shall be no later than the second Business Day following the satisfaction or (to the extent permitted by Law) waiver by the party or parties entitled to the benefits thereof of the conditions set forth in Article VII (other than those conditions that by their nature are to be satisfied at the Closing, but subject to the satisfaction or (to the extent permitted by Law) waiver of those conditions), or at such other place, time and date as shall be agreed in writing between United and Continental; provided, however, that, if any of the conditions set forth in Article VII is not satisfied or (to the extent permitted by Law) waived on such second Business Day, then the Closing shall take place on the first Business Day on which all such conditions shall have been satisfied or (to the extent permitted by Law) waived. The date on which the Closing occurs is referred to in this Agreement as the "Closing Date."

1.3 Effective Time. Subject to the provisions of this Agreement, as soon as practicable on the Closing Date, the parties shall file with the Secretary of State of the State of Delaware the Certificate of Merger and the Restated Charter, in each case in such form as required by, and executed and acknowledged in accordance with, the relevant provisions of the Delaware Law, and, as soon as practicable on or after the Closing Date, shall make all other filings required under the Delaware Law or by the Secretary of State of the State of Delaware in connection with the Merger. The Merger shall become effective at the time that the certificate of merger relating to the Merger (the "Certificate of Merger") has been duly filed with the Secretary of State of the State of Delaware, or at such later time as United and Continental shall agree and specify in the Certificate of Merger (the time the Merger becomes effective being the "Effective Time"). The Restated Charter shall be filed with the Secretary of State of the State of Delaware immediately prior to the filing of the Certificate of Merger and shall become effective at the Effective Time.

1.4 Effects. The Merger shall have the effects set forth in this Agreement and Section 259 of the Delaware Law.

1.5 Certificates of Incorporation and By-Laws.

(a) Surviving Corporation Certificate of Incorporation and By-Laws. The certificate of incorporation of Continental, as in effect immediately prior to the Effective Time, shall be amended and restated at the Effective Time to read in the form of Exhibit A and, as so amended and restated, such certificate of incorporation shall be the certificate of incorporation of the Surviving Corporation until thereafter changed or amended as provided therein or by applicable Law. The by-laws of Continental shall be amended and restated at the Effective Time to be the same as the by-laws of Merger Sub as in effect immediately prior to the Effective Time, until thereafter changed or amended as provided therein or by applicable Law.

(b) United Certificate of Incorporation and By-Laws. Subject to receipt of the United Charter Stockholder Approval, the United Charter (as in effect immediately prior to the

Effective Time), shall be amended and restated as of the Effective Time to read in the form of Exhibit B-1 (the “Restated Charter”) and, as so amended and restated, such certificate of incorporation shall be the certificate of incorporation of United until thereafter changed or amended as provided therein or by applicable Law. The Restated Charter shall provide, among other things, that the name of United shall be changed at the Effective Time to “United Continental Holdings, Inc.” The United Bylaws, as in effect immediately prior to the Effective Time, shall be amended and restated as of the Effective Time to read in the form of Exhibit B-2 and, as so amended and restated, such by-laws shall be the by-laws of United until thereafter changed or amended as provided therein or by applicable Law (the “United-Continental Bylaws”).

1.6 Alternative Structure. The parties agree to cooperate reasonably in the consideration of alternative structures to implement the transactions contemplated by this Agreement that are mutually agreeable to Continental and United, but only with respect to any such alternative structure that does not (a) impose any material delay on, or condition to, the consummation of the Merger, (b) adversely affect any of the parties hereto or either United’s or Continental’s stockholders or (c) result in additional liability to the directors or officers of United or Continental.

ARTICLE II EFFECT ON CAPITAL STOCK; EXCHANGE OF CERTIFICATES

2.1 Effect on Capital Stock.

(a) At the Effective Time, by virtue of the Merger and without any action on the part of United, Continental, Merger Sub or the holder of any shares of Continental Common Stock or any shares of capital stock of Merger Sub:

(i) Capital Stock of Merger Sub. Each share of Common Stock, par value \$0.01 per share, of Merger Sub (the “Merger Sub Common Stock”) issued and outstanding immediately prior to the Effective Time shall be converted into one fully paid and nonassessable share of common stock, par value \$0.01 per share, of the Surviving Corporation.

(ii) Cancellation of Treasury Stock. Each share of Class B Common Stock, par value \$0.01 per share, of Continental (such shares, the “Continental Common Stock”), issued and outstanding immediately prior to the Effective Time that is owned by Continental and each share of Continental Common Stock issued and outstanding immediately prior to the Effective Time that is owned by United or Merger Sub shall no longer be outstanding and shall automatically be canceled and shall cease to exist, and no consideration shall be delivered in exchange therefor.

(iii) Conversion of Continental Common Stock. Subject to Section 2.2(e), each share of Continental Common Stock issued and outstanding immediately prior to the Effective Time (other than shares to be canceled in accordance with Section 2.1(a)(ii)), shall be converted into the right to receive 1.05 (the “Exchange Ratio”) fully paid and

nonassessable shares of Common Stock, par value \$0.01 per share, of United (the “United Common Stock,” and such shares of United Common Stock into which shares of Continental Common Stock are converted pursuant to this Section 2.1(a)(iii), the “Merger Consideration”). All shares of Continental Common Stock converted pursuant to this Section 2.1(a)(iii), when so converted, shall no longer be outstanding and shall automatically be canceled and shall cease to exist, and each holder of a certificate that immediately prior to the Effective Time represented any such shares of Continental Common Stock (each such certificate, whether represented in certificated or non-certificated book-entry form, to the extent applicable, a “Certificate”) shall cease to have any rights with respect thereto, except the right to receive the Merger Consideration and any cash in lieu of fractional shares of United Common Stock to be paid in consideration therefor in accordance with Section 2.2(e) and any dividends or other distributions to which holders become entitled upon the surrender of such Certificate in accordance with Section 2.2(c), without interest.

(b) Certain Adjustments. If, between the date of this Agreement and the Effective Time (and as permitted by Article V), the outstanding shares of United Capital Stock or Continental Common Stock shall have been changed into a different number of shares or a different class of shares by reason of any stock dividend, subdivision, reorganization, reclassification, recapitalization, stock split, reverse stock split, combination or exchange of shares, or any similar event shall have occurred, then the Merger Consideration shall be appropriately and proportionately adjusted to provide to the holders of United Capital Stock and the holders of Continental Common Stock the same economic effect as contemplated by this Agreement prior to such event.

2.2 Exchange of Certificates.

(a) Exchange Agent. Prior to the Effective Time, United and Continental shall appoint a commercial bank or trust company to be mutually agreed upon to act as exchange agent (the “Exchange Agent”) for the delivery of the Merger Consideration. At or prior to the Effective Time, United shall deposit with the Exchange Agent, for the benefit of the holders of Certificates, for exchange in accordance with this Article II through the Exchange Agent, certificates representing the shares of United Common Stock to be delivered as the Merger Consideration (such certificates, whether represented in certificated or non-certificated book-entry form, to the extent applicable, the “United Common Certificates”). In addition, United shall deposit with the Exchange Agent, from time to time as needed, cash sufficient to make payments in lieu of fractional shares pursuant to Section 2.2(e) and to pay any dividends or other distributions which holders of Certificates have the right to receive pursuant to Section 2.2(c). All such United Common Certificates and cash deposited with the Exchange Agent pursuant to this Section 2.2(a) is hereinafter referred to as the “Exchange Fund.”

(b) Exchange Procedures. As soon as reasonably practicable after the Effective Time, United shall cause the Exchange Agent to mail to each holder of record of a Certificate whose shares were converted pursuant to Section 2.1(a)(iii) into the right to receive the Merger Consideration (i) a letter of transmittal in customary form as reasonably agreed by the parties which (A) shall specify that delivery shall be effected, and risk of loss and title to the Certificates shall pass, only upon delivery of the Certificates to the Exchange Agent and (B) shall

have such other provisions as United and Continental may reasonably specify and (ii) instructions for effecting the surrender of the Certificates in exchange for the Merger Consideration. Upon proper surrender of a Certificate to the Exchange Agent, together with such letter of transmittal, duly completed and validly executed in accordance with the instructions thereto, and such other documents as may reasonably be required by the Exchange Agent, the holder of such Certificate shall be entitled to receive in exchange therefor a United Common Certificate representing that number of whole shares of United Common Stock that such holder has the right to receive in respect of the aggregate number of shares of Continental Common Stock previously represented by such Certificate pursuant to Section 2.1 and a check representing cash in lieu of fractional shares that the holder has the right to receive pursuant to Section 2.2(e) and in respect of any dividends or other distributions that the holder has the right to receive pursuant to Section 2.2(c), and the Certificate so surrendered shall immediately be canceled. In the event of a transfer of ownership of Continental Common Stock that is not registered in the transfer records of Continental, a United Common Certificate representing the proper number of shares of United Common Stock pursuant to Section 2.1 and a check representing cash in lieu of fractional shares that the holder has the right to receive pursuant to Section 2.2(e) and in respect of any dividends or other distributions that the holder has the right to receive pursuant to Section 2.2(c) may be delivered to a transferee if the Certificate representing such Continental Common Stock is presented to the Exchange Agent, accompanied by all documents required to evidence and effect such transfer and by evidence that any applicable transfer Taxes have been paid. Until surrendered as contemplated by this Section 2.2, each Certificate shall be deemed at any time after the Effective Time to represent only the right to receive upon such surrender the Merger Consideration that the holder of such Certificate has the right to receive in respect of such Certificate pursuant to Section 2.1 (and cash in lieu of fractional shares pursuant to Section 2.2(e)) and in respect of any dividends or other distributions pursuant to Section 2.2(c). No interest shall be paid or shall accrue on the cash payable upon surrender of any Certificate.

(c) Treatment of Unexchanged Shares. No dividends or other distributions declared or made with respect to United Common Stock with a record date after the Effective Time shall be paid to the holder of any unsurrendered Certificate with respect to the shares of United Common Stock deliverable upon surrender thereof, and no cash payment in lieu of fractional shares shall be paid to any such holder pursuant to Section 2.2(e), until the surrender of such Certificate in accordance with this Article II. Subject to escheat or other applicable Law, following surrender of any such Certificate, there shall be paid to the holder of the Certificate, without interest, (i) at the time of such surrender, the amount of any cash payable in lieu of a fractional share of United Common Stock that such holder has the right to receive pursuant to Section 2.2(e) and the amount of dividends or other distributions with a record date after the Effective Time theretofore paid with respect to such number of whole shares of United Common Stock that such holder has the right to receive pursuant to Section 2.1(a)(iii), and (ii) at the appropriate payment date, the amount of dividends or other distributions with a record date after the Effective Time but prior to such surrender and a payment date subsequent to such surrender payable with respect to such number of whole shares of United Common Stock that such holder has the right to receive pursuant to Section 2.1(a)(iii).

(d) No Further Ownership Rights in Continental Common Stock. The shares of United Common Stock delivered and cash paid in accordance with the terms of this Article II

upon conversion of any shares of Continental Common Stock shall be deemed to have been delivered and paid in full satisfaction of all rights pertaining to such shares of Continental Common Stock. From and after the Effective Time, (i) all holders of Certificates shall cease to have any rights as stockholders of Continental other than the right to receive the Merger Consideration and any cash in lieu of fractional shares of United Common Stock to be paid in consideration therefor in accordance with Section 2.2(e) and any dividends or other distributions that holders have the right to receive upon the surrender of such Certificate in accordance with Section 2.2(c), without interest, and (ii) the stock transfer books of Continental shall be closed with respect to all shares of Continental Common Stock outstanding immediately prior to the Effective Time. From and after the Effective Time, there shall be no further registration of transfers on the stock transfer books of the Surviving Corporation of shares of Continental Common Stock that were outstanding immediately prior to the Effective Time. If, after the Effective Time, any Certificates formerly representing shares of Continental Common Stock are presented to the Surviving Corporation, United or the Exchange Agent for any reason, such Certificates shall be canceled and exchanged as provided in this Article II.

(e) No Fractional Shares. No fractional shares of United Common Stock shall be issued in connection with the Merger, no certificates or scrip representing fractional shares of United Common Stock shall be delivered upon the conversion of Continental Common Stock pursuant to Section 2.1, and such fractional share interests shall not entitle the owner thereof to vote or to any other rights of a holder of United Common Stock. Notwithstanding any other provision of this Agreement, each holder of shares of Continental Common Stock converted pursuant to the Merger who would otherwise have been entitled to receive a fraction of a share of United Common Stock (after aggregating all shares represented by the Certificates delivered by such holder) shall receive, in lieu thereof and upon surrender of such holder's Certificates, cash (without interest) in an amount equal to such fractional amount multiplied by (x) if the United Common Stock is listed on the NASDAQ at the Effective Time, the NASDAQ Official Closing Price of United Common Stock (as reported in The Wall Street Journal (Northeast edition) or, if not reported therein, in another authoritative source mutually selected by United and Continental) or (y) if the United Common Stock is listed on the NYSE at the Effective Time, the last reported sale price of United Common Stock, as reported on the NYSE Composite Transactions Tape (as reported in The Wall Street Journal (Northeast edition) or, if not reported therein, in another authoritative source mutually selected by United and Continental), in each case on the first trading day immediately following the date on which the Effective Time occurs.

(f) Termination of Exchange Fund. Any portion of the Exchange Fund (including any interest or other amounts received with respect thereto) that remains unclaimed by, or otherwise undistributed to, the holders of Certificates for 180 days after the Effective Time shall be delivered to United, upon demand, and any holder of Certificates who has not theretofore complied with this Article II shall thereafter look only to United for satisfaction of its claim for Merger Consideration, any cash in lieu of fractional shares and any dividends and distributions which such holder has the right to receive pursuant to this Article II.

(g) No Liability. None of United, Continental, Merger Sub or the Exchange Agent shall be liable to any Person in respect of any portion of the Exchange Fund or the Merger Consideration delivered to a public official pursuant to any applicable abandoned property, escheat or similar Law. Notwithstanding any other provision of this Agreement, any portion of

the Merger Consideration or the cash to be paid in accordance with this Article II that remains undistributed to the holders of Certificates as of the second anniversary of the Effective Time (or immediately prior to such earlier date on which the Merger Consideration or such cash would otherwise escheat to or become the property of any Governmental Entity), shall, to the extent permitted by applicable Law, become the property of United, free and clear of all claims or interest of any Person previously entitled thereto.

(h) Investment of Exchange Fund. The Exchange Agent shall invest any cash in the Exchange Fund as directed by United on a daily basis, provided that, subject to Section 2.2(g), no such investment or losses will affect the cash payable to holders of Certificates. Any interest or other amounts received with respect to such investments shall be paid to United.

(i) Withholding Rights. Each of United and the Exchange Agent (without duplication) shall be entitled to deduct and withhold from the consideration otherwise payable to any holder of a Certificate pursuant to this Agreement such amounts as may be required to be deducted and withheld with respect to the making of such payment under applicable Tax Law. Any amounts so deducted, withheld and paid over to the appropriate taxing authority shall be treated for all purposes of this Agreement as having been paid to the holder of the Certificate in respect of which such deduction or withholding was made.

(j) Lost Certificates. If any Certificate shall have been lost, stolen or destroyed, upon the making of an affidavit of that fact by the Person claiming such Certificate to be lost, stolen or destroyed and, if required by United, the posting by such Person of a bond, in such reasonable amount as United may direct, as indemnity against any claim that may be made against it with respect to such Certificate, the Exchange Agent (or, if subsequent to the termination of the Exchange Fund and subject to Section 2.2(g), United) shall deliver, in exchange for such lost, stolen or destroyed Certificate, the Merger Consideration, any cash in lieu of fractional shares and any dividends and distributions deliverable in respect thereof pursuant to this Agreement.

ARTICLE III REPRESENTATIONS AND WARRANTIES OF UNITED AND MERGER SUB

Except as disclosed in the disclosure letter (the "United Disclosure Schedule") delivered by United to Continental prior to the execution of this Agreement (which letter sets forth items of disclosure with specific reference to the particular Section or subsection of this Agreement to which the information in the United Disclosure Schedule relates) or in the United SEC Reports filed and publicly available prior to the date of this Agreement, United and Merger Sub hereby represent and warrant to Continental as follows:

3.1 Corporate Organization.

(a) United.

(i) United is a corporation duly organized, validly existing and in good standing under the laws of the State of Delaware. United has the corporate power and authority to own or lease all of its properties and assets and to carry on its business as it is

now being conducted, and is duly licensed or qualified to do business in each jurisdiction in which the nature of the business conducted by it or the character or location of the properties and assets owned or leased by it makes such licensing or qualification necessary, except where the failure to be so licensed or qualified would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect on United.

(ii) True and complete copies of the Restated Certificate of Incorporation of United, as amended through, and as in effect as of, the date of this Agreement (the "United Charter"), and the Amended and Restated Bylaws of United, as amended through, and as in effect as of, the date of this Agreement (the "United Bylaws"), have previously been made available to Continental.

(iii) Each United Subsidiary (i) is duly organized, validly existing and in good standing under the laws of its jurisdiction of organization, (ii) is duly licensed or qualified to do business in each jurisdiction in which the nature of the business conducted by it or the character or location of the properties and assets owned or leased by it makes such licensing or qualification necessary, and (iii) has all requisite corporate power and authority to own or lease its properties and assets and to carry on its business as now conducted, except for such variances from the matters set forth in any of clauses (i), (ii) or (iii) as would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect on United.

(b) Merger Sub.

(i) True and complete copies of the certificate of incorporation and by-laws of Merger Sub, each as in effect as of the date of this Agreement, have previously been made available to Continental.

(ii) Merger Sub is a corporation duly organized, validly existing and in good standing under the laws of the State of Delaware. Except as contemplated by this Agreement, Merger Sub does not hold and has not held any material assets or incurred any material liabilities, and has not carried on any business activities other than in connection with the Merger and the other transactions contemplated by this Agreement. The authorized capital stock of Merger Sub consists of 1,000 shares of Merger Sub Common Stock, all of which have been duly issued, are fully paid and nonassessable and are owned directly by United free and clear of any Liens.

From and after the Measurement Date through the date of this Agreement, United has not issued any capital stock or voting securities or other equity interests other than the issuance of United Capital Stock upon the exercise or vesting of, or pursuant to, United Stock Options and United Stock-Based Awards outstanding as of the Measurement Date and in accordance with their respective terms in effect at such time or upon the conversion of the O’Hare Notes, Labor Notes or United 6% Convertible Notes, in each case outstanding as of the Measurement Date and in accordance with their terms in effect at such time.

Except for Forfeitures and Cashless Settlements in connection with the United Reserve Shares, United Restricted Shares, United Stock Options and United Stock-Based Awards, there are not any outstanding obligations of United or any of the United Subsidiaries to directly or indirectly redeem, repurchase or otherwise acquire any shares of capital stock or voting securities of, other equity interests in or Equity Equivalents of United or any United

Subsidiary. Neither United nor any of the United Subsidiaries is party to any voting agreement with respect to the voting of any capital stock or voting securities of, or other equity interests in, United. United has delivered or made available to Continental true and complete copies of (A) the O'Hare Notes Indenture, (B) the Labor Notes Indenture and (C) the United 6% Convertible Notes Indenture. The consummation of the Merger and the other transactions contemplated hereby or taken in contemplation of this Agreement will not, as of the Effective Time, result in a material breach of any contract that is referenced in Section 3.2(a)(ii) of the United Disclosure Schedule.

(b) As of the date of this Agreement, no bonds, debentures, notes or other indebtedness of United having the right to vote on any matters on which stockholders may vote ("United Voting Debt") are issued or outstanding.

(c) All of the issued and outstanding shares of capital stock or other equity ownership interests of each "significant subsidiary" (as such term is defined under Regulation S-X of the U.S. Securities and Exchange Commission (the "SEC")) of United are owned by United, directly or indirectly, free and clear of any material liens, pledges, charges and security interests and similar encumbrances, other than for Taxes that are not yet due ("Liens"), and free of any restriction on the right to vote, sell or otherwise dispose of such capital stock or other equity ownership interest (other than restrictions under applicable securities Laws), and all of such shares or equity ownership interests are duly authorized and validly issued and are fully paid, nonassessable and free of preemptive rights. Except for the capital stock or other equity ownership interests of the United Subsidiaries, as of the date of this Agreement, United does not beneficially own directly or indirectly any capital stock, membership interest, partnership interest, joint venture interest or other equity interest in any Person that constitutes a Substantial Investment. As used in this Agreement, (i) "Subsidiary," when used with respect to either party, means any corporation, partnership, limited liability company or other organization, whether incorporated or unincorporated, (A) of which such party or any other Subsidiary of such party is a general partner (excluding partnerships, the general partnership interests of which held by such party or any Subsidiary of such party do not have a majority of the voting interests in such partnership) or (B) a majority of the securities or other interests of which having by their terms ordinary voting power to elect a majority of the Board of Directors or others performing similar functions with respect to such corporation or other organization is directly or indirectly owned or controlled by such party or by any one or more of its Subsidiaries, or by such party and one or more of its Subsidiaries, (ii) the term "Subsidiaries" means more than one such Subsidiary, (iii) the terms "United Subsidiary" and "Continental Subsidiary" will mean any direct or indirect Subsidiary of United or Continental, respectively, and (iv) "Substantial Investment," when used with respect to either party, means a stock or other equity investment having a fair market value or book value in excess of \$25 million, directly or indirectly, in any Person.

3.3 Authority; No Violation. (a) United has full corporate power and authority to execute and deliver this Agreement and to consummate the transactions contemplated hereby and to perform its obligations hereunder. The execution and delivery of this Agreement and the consummation of the transactions contemplated hereby have been duly and validly approved by the Board of Directors of United (the "United Board"). The United Board has determined that this Agreement and the transactions contemplated hereby are in the best interests of United and its stockholders, has approved and declared advisable this Agreement and the Restated Charter,

recommended that its stockholders vote in favor of the adoption of the Restated Charter and approval of the issuance by United of United Common Stock as Merger Consideration (the “Share Issuance”) and has directed that the Restated Charter and the Share Issuance be submitted to United’s stockholders for a vote at a duly held meeting of such stockholders for such purposes (the “United Stockholders Meeting”). Except (i) solely in the case of the Restated Charter, for the adoption of the Restated Charter by the affirmative vote of the holders of a majority of the outstanding shares of United Common Stock, Class Pilot MEC Preferred Stock and Class IAM Preferred Stock, voting together as a single class, entitled to vote on such adoption (the “United Charter Stockholder Approval”), (ii) solely in the case of the Share Issuance, for approval of the Share Issuance by the affirmative vote of the holders of a majority of the shares of United Common Stock, Class Pilot MEC Preferred Stock and Class IAM Preferred Stock, represented in person or by proxy at the United Stockholders Meeting, voting together as a single class, as required by Rule 5635(a) of the NASDAQ Manual (the “United Share Issuance Stockholder Approval,” and together with the United Charter Stockholder Approval, the “United Stockholder Approvals”) and (iii) solely in the case of the Merger, for the adoption of this Agreement by United as the sole stockholder of Merger Sub, no other corporate proceedings on the part of United or any other vote by the holders of any class or series of United Capital Stock are necessary to approve or adopt this Agreement or to consummate the transactions contemplated hereby (except for the filing of the appropriate merger documents and the Restated Charter as required by the Delaware Law). This Agreement has been duly and validly executed and delivered by United and (assuming due authorization, execution and delivery by the other parties hereto) constitutes the valid and binding obligation of United, enforceable against United in accordance with its terms (except as may be limited by bankruptcy, insolvency, moratorium, reorganization or similar Laws affecting the rights of creditors generally and the availability of equitable remedies). Without limiting the generality of the foregoing, at the Effective Time, the United Board shall have adopted a resolution that the Continental Directors who are elected to the United Board at the Effective Time in accordance with Section 6.11(c) will be deemed to be “continuing directors” of United.

(b) Neither the execution and delivery of this Agreement by United and Merger Sub nor the consummation by United and Merger Sub of the transactions contemplated hereby, nor compliance by United and Merger Sub with any of the terms or provisions of this Agreement, will (i) assuming (solely in the case of the Restated Charter and the Share Issuance) that the United Stockholder Approvals are obtained, violate any provision of the United Charter or the United Bylaws or result in a Prohibited Transfer (as defined in the Restated Certificate of Incorporation of United, as in effect immediately prior to the Effective Time) or (ii) assuming that the consents, approvals and filings referred to in Section 3.4 are duly obtained and/or made, (A) violate any order, injunction or decree issued by any court or agency of competent jurisdiction or other legal restraint or prohibition (an “Injunction”) or, assuming (solely in the case of the Restated Charter and Share Issuance) that the United Stockholder Approvals are obtained, any statute, code, ordinance, rule, regulation, judgment, order, writ or decree applicable to United, any of the United Subsidiaries or any of their respective properties or assets or (B) violate, conflict with, result in a breach of any provision of or the loss of any benefit under, constitute a default (or an event which, with notice or lapse of time, or both, would constitute a default) under, result in the termination of or a right of termination or cancellation under, accelerate the performance required by, or result in the creation of any Lien upon any of the respective properties or assets of United or any of the United Subsidiaries under, any of the

terms, conditions or provisions of any note, bond, mortgage, indenture, deed of trust, United License, license, lease, agreement or other instrument or obligation to which United or any of the United Subsidiaries is a party, or by which they or any of their respective properties or assets may be bound or affected, except, in the case of clause (ii), for such violations, conflicts, breaches, defaults, terminations, rights of termination or cancelation, accelerations or Liens that would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect on United. Without limiting the generality of the foregoing, as of the date of this Agreement, United is not a party to, or subject to, any standstill agreement or similar agreement that restricts any Person from engaging in negotiations or discussions with United or from acquiring, or making any tender offer or exchange offer for, any equity securities issued by United or any United Voting Debt.

(c) Merger Sub has full corporate or other requisite power and authority to execute and deliver this Agreement and to consummate the transactions contemplated hereby. The execution and delivery of this Agreement and the consummation of the transactions contemplated hereby have been duly and validly approved by the Board of Directors of Merger Sub. The Board of Directors of Merger Sub has determined that this Agreement and the transactions contemplated hereby are in the best interests of Merger Sub and its sole stockholder, has approved this Agreement, recommended that its sole stockholder vote in favor of the adoption of this Agreement and directed that this Agreement be submitted to its sole stockholder for adoption. Except, solely in the case of the Merger, for the adoption of this Agreement by United as the sole stockholder of Merger Sub, no other corporate proceeding on the part of Merger Sub is necessary to approve or adopt this Agreement or to consummate the transactions contemplated hereby (except for the filing of the appropriate merger documents as required by Delaware Law). This Agreement has been duly and validly executed and delivered by Merger Sub and (assuming due authorization, execution and delivery by the other parties hereto) constitutes the valid and binding obligation of Merger Sub enforceable against Merger Sub in accordance with its terms (except as may be limited by bankruptcy, insolvency, moratorium, reorganization or similar Laws affecting the rights of creditors generally and the availability of equitable remedies).

3.4 Consents and Approvals. Except for (a) any application, filing or submission required to be made and any consent, approval, authorization or authority required to be made or obtained under Title 49 of the United States Code or under any regulation, rule, order, notice or policy of the U.S. Federal Aviation Administration (the “FAA”), the U.S. Department of Transportation (the “DOT”), the Federal Communications Commission (the “FCC”) and the U.S. Department of Homeland Security (the “DHS”), including the U.S. Transportation Security Administration (the “TSA”), (b) the filing with the SEC of a Joint Proxy Statement in definitive form relating to the United Stockholders Meeting and the Continental Stockholders Meeting (the “Joint Proxy Statement”) and of a registration statement on Form S-4 in which the Joint Proxy Statement will be included as a prospectus (the “Form S-4”), and declaration of effectiveness of the Form S-4, and the filing with the SEC of such reports under, and such other compliance with, the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and the Securities Act and the rules and regulations thereunder, (c) the filing of the Merger Certificate and the Restated Charter with the Delaware Secretary of State pursuant to Delaware Law and with the relevant authorities in other jurisdictions in which United is qualified to do business, (d) any notices or

filings under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended (the “HSR Act”), or any notices, filings or approvals under any other applicable competition, merger control, antitrust or similar Law or regulation, (e) such filings and approvals as are required to be made or obtained under the securities or “Blue Sky” laws of various states in connection with the Share Issuance, (f) any consent, approval, order, authorization, authority, transfer, waiver, disclaimer, registration, declaration or filing required to be made or obtained from any other Governmental Entity that regulates any aspect of airline operations or business, including environmental (*e.g.*, noise, air emissions and water quality), aircraft, air traffic control and airport communications, agricultural, export/import, immigration and customs, (g) any filings required under the rules and regulations of the Nasdaq Stock Market, Inc. (the “NASDAQ”), and (h) such other consents, approvals, orders, authorizations, registrations, declarations, transfers, waivers, disclaimers, and filings the failure of which to be obtained or made would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect on United, no consents, approvals of, filings or registrations with, or orders, authorizations or authority of any federal, state, local or foreign government, court of competent jurisdiction, administrative agency, commission or other governmental authority or instrumentality (each, a “Governmental Entity”) are necessary in connection with (i) the execution and delivery by United and Merger Sub of this Agreement and (ii) the consummation of the Merger and the other transactions contemplated by this Agreement.

3.5 Reports. United and each of the United Subsidiaries have timely filed all submissions, reports, registrations, schedules, forms, statements and other documents, together with any amendments required to be made with respect thereto, that they were required to file since January 1, 2009 with (i) the FAA, (ii) the DOT, (iii) the SEC, (iv) any state or other federal regulatory authority (other than any taxing authority, which is covered by Section 3.10) and (v) any foreign regulatory authority (other than any taxing authority, which is covered by Section 3.10) (collectively, “Regulatory Agencies”), and have paid all fees and assessments due and payable in connection therewith, except in each case where the failure to file such report, registration, schedule, form, statement or other document, or to pay such fees and assessments, would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect on United. No publicly available final registration statement, prospectus, report, form, schedule or definitive proxy statement filed since January 1, 2009 by United with the SEC pursuant to the Securities Act of 1933, as amended (the “Securities Act”), or the Exchange Act (collectively, the “United SEC Reports”), as of the date of such United SEC Report, contained any untrue statement of a material fact or omitted to state any material fact required to be stated therein or necessary in order to make the statements made therein, in light of the circumstances in which they were made, not misleading, except that information as of a later date (but before the date of this Agreement) will be deemed to modify information as of an earlier date. Since January 1, 2009, as of their respective dates, all United SEC Reports complied in all material respects with the applicable requirements of the Securities Act, the Exchange Act, the Sarbanes-Oxley Act of 2002, as amended (the “Sarbanes-Oxley Act”) and the rules and regulations thereunder with respect thereto.

3.6 Financial Statements. (a) United has previously made available to Continental copies of (i) the consolidated balance sheet of United and the United Subsidiaries as of December 31, 2008 and 2009, and the related consolidated statements of operations, comprehensive income (loss), cash flows and stockholders’ equity for each of the three years in

the period ended December 31, 2009, as reported in United's Annual Report on Form 10-K for the fiscal year ended December 31, 2009, including any amendments thereto filed with the SEC prior to the Measurement Date, filed with the SEC under the Exchange Act, accompanied by the audit report of Deloitte & Touche LLP, the independent registered public accounting firm with respect to United for such periods (such balance sheets and statements, the "Audited United Financial Statements"), and (ii) the unaudited consolidated balance sheet of United and the United Subsidiaries as of March 31, 2010 and the related consolidated statements of operations, comprehensive income (loss), cash flows and stockholders' equity for the three-month periods ended March 31, 2009 and 2010, as reported in United's Quarterly Report on Form 10-Q for the quarterly period ended March 31, 2010, including any amendments thereto filed with the SEC prior to the Measurement Date (such balance sheets and statements, the "Unaudited United Financial Statements" and, together with the Audited United Financial Statements, the "United Financial Statements"). The consolidated balance sheets of United (including the related notes, where applicable) included in the United Financial Statements fairly present in all material respects the consolidated financial position of United and the United Subsidiaries as of the dates thereof, and the other financial statements included in the United Financial Statements (including the related notes, where applicable) fairly present in all material respects the results of the consolidated operations and changes in stockholders' equity and cash flows of United and the United Subsidiaries for the respective fiscal periods therein set forth, subject, in the case of the Unaudited United Financial Statements, to normal year-end audit adjustments that are immaterial in nature and in amounts consistent with past experience; each of such statements (including the related notes, where applicable) complies in all material respects with the published rules and regulations of the SEC with respect thereto; and each of the United Financial Statements (including the related notes, where applicable) has been prepared in all material respects in accordance with generally accepted accounting principles in the United States ("GAAP") consistently applied during the periods involved, except, in each case, as indicated in such statements or in the notes thereto. To United's knowledge, there is no applicable accounting rule, consensus or pronouncement that has been adopted by the SEC, the Financial Accounting Standards Board, the Emerging Issues Task Force or any similar body as of, but is not in effect as of, the date of this Agreement that, if implemented, would reasonably be expected to have a Material Adverse Effect on United (it being agreed that for purposes of this Section 3.6(a), effects resulting from or arising in connection with the matters set forth in clause (vi) of the definition of the term "Material Adverse Effect" shall not be excluded in determining whether a Material Adverse Effect on United would reasonably be expected to occur).

(b) Except for those liabilities that are reflected or reserved against on the United Financial Statements, and for liabilities incurred in the ordinary course of business consistent with past practice since March 31, 2010, since such date, neither United nor any of the United Subsidiaries has incurred any liability of any nature whatsoever (whether absolute, accrued, contingent or otherwise and whether due or to become due and including any off-balance sheet loans, financings, indebtedness, make-whole or similar liabilities or obligations) that would, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect on United.

(b) Except for those liabilities that are reflected or reserved against on the Continental Financial Statements, and for liabilities incurred in the ordinary course of business

consistent with past practice since March 31, 2010, since such date, neither Continental nor any of the Continental Subsidiaries has incurred any liability of any nature whatsoever (whether absolute, accrued, contingent or otherwise and whether due or to become due and including any off-balance sheet loans, financings, indebtedness, make-whole or similar liabilities or obligations) that would, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect on Continental.

4.9 Legal Proceedings. (a) None of Continental or any of the Continental Subsidiaries is a party to any, and there are no pending or, to Continental's knowledge, threatened, legal, administrative, arbitral or other proceedings, claims, actions or governmental or regulatory investigations or reviews of any nature against Continental or any of the Continental Subsidiaries, except as would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect on Continental.

(b) There is no Injunction, judgment or regulatory restriction imposed upon Continental, any of the Continental Subsidiaries or the assets of Continental or any of the Continental Subsidiaries that would, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect on Continental.

Nothing in this Agreement, including any of the actions, rights or restrictions set forth herein, will be interpreted in such a way as to place Continental or United in violation of any rule, regulation or policy of any Regulatory Agency or applicable Law.

5.5 No Solicitation. (a) United will not, and will cause the United Subsidiaries and each officer or director of United or any United Subsidiary not to, and will use its reasonable best efforts to cause each controlled Affiliate and any employee, agent, consultant or representative (including any financial or legal advisor or other representative) of United, any of the United Subsidiaries or any such controlled Affiliate not to, and on becoming aware of it will use its best efforts to stop any such Person from continuing to, directly or indirectly, (i) solicit, initiate or knowingly encourage or facilitate (including by way of furnishing information) or take any other action designed to facilitate any inquiries or proposals regarding, or that would reasonably be expected to lead to, any merger, share exchange, consolidation, sale of assets, sale of shares of capital stock (including by way of a tender offer or exchange offer) or similar transactions involving United or any of the United Subsidiaries that, if consummated, would constitute a Competing Transaction (any of the foregoing inquiries or proposals being referred to herein as a “United Acquisition Proposal”), (ii) solicit, initiate, knowingly encourage or participate in any discussions or negotiations regarding, or furnish to any Person any information in connection with, or otherwise cooperate in any way with, or knowingly facilitate in any way any effort by, any Person in connection with, any United Acquisition Proposal, or (iii) enter into any letter of intent, memorandum of understanding, agreement in principle, acquisition agreement, merger agreement, option agreement, joint venture agreement, partnership agreement or other agreement regarding, or that is intended to result in, or would reasonably be expected to lead to, any United Acquisition Proposal (a “United Acquisition Agreement”).

(b) Continental will not, and will cause the Continental Subsidiaries and each officer or director of Continental or any Continental Subsidiary not to, and will use its reasonable best efforts to cause each controlled Affiliate and any employee, agent, consultant or representative (including any financial or legal advisor or other representative) of Continental, any of the Continental Subsidiaries or any such controlled Affiliate not to, and on becoming aware of it will use its best efforts to stop any such Person from continuing to, directly or indirectly, (i) solicit, initiate or knowingly encourage or facilitate (including by way of furnishing information) or take any other action designed to facilitate any inquiries or proposals regarding, or that would reasonably be expected to lead to, any merger, share exchange, consolidation, sale of assets, sale of shares of capital stock (including by way of a tender offer or exchange offer) or similar transactions involving Continental or any of the Continental Subsidiaries that, if consummated, would constitute a Competing Transaction (any of the foregoing inquiries or proposals being referred to herein as a “Continental Acquisition Proposal” and, together with any United Acquisition Proposal, each an “Acquisition Proposal”), (ii) solicit, initiate, knowingly encourage or participate in any discussions or negotiations regarding, or furnish to any Person any information in connection with, or otherwise cooperate in any way with, or knowingly facilitate in any way any effort by, any Person in connection with, any Continental Acquisition Proposal, or (iii) enter into any letter of intent, memorandum of understanding, agreement in principle, acquisition agreement, merger agreement, option agreement, joint venture agreement, partnership agreement or other agreement regarding, or that

is intended to result in, or would reasonably be expected to lead to, any Continental Acquisition Proposal (a “Continental Acquisition Agreement”).

(c) As used in this Agreement, “Competing Transaction” means, with respect to United or Continental, as the case may be (for this purpose, the “Target Party”), any of (i) a transaction, including any tender offer, exchange offer or share exchange, pursuant to which any third Person (or group) other than the other party to this Agreement (the “Non-Target Party”) or such third Person’s Affiliates, or the stockholders of such third Person, directly or indirectly, acquires or would acquire beneficial ownership (as defined in Rule 13d-3 under the Exchange Act) of 10% or more of the outstanding shares of common stock of the Target Party or of the outstanding voting power of the Target Party (or options, rights or warrants to purchase, or securities convertible into or exchangeable for, such common stock or other securities representing such voting power), whether from the Target Party or pursuant to a tender offer or exchange offer or otherwise, (ii) a merger, share exchange, consolidation or business combination pursuant to which any third Person or group of Persons (other than the Non-Target Party or its Affiliates) party thereto, or the stockholders of such third Person or Persons, beneficially owns or would beneficially own 10% or more of the outstanding shares of common stock or the outstanding voting power of the Target Party, or, if applicable, any surviving entity or the parent entity resulting from any such transaction, immediately upon consummation thereof, (iii) a recapitalization of Target Party or any of its Subsidiaries or any transaction similar to a transaction referred to in clause (ii) above involving the Target Party or any of its Subsidiaries pursuant to which any third Person or group of Persons (other than the Non-Target Party or its Affiliates) party thereto, or its stockholders, beneficially owns or would beneficially own 10% or more of the outstanding shares of common stock or the outstanding voting power of the Target Party or such Subsidiary or, if applicable, the parent entity resulting from any such transaction immediately upon consummation thereof or (iv) any transaction pursuant to which any third Person or group of Persons (other than the Non-Target Party or its Affiliates) directly or indirectly (including by way of merger, consolidation, share exchange, other business combination, partnership, joint venture or otherwise) acquires or would acquire control of assets (including for this purpose the equity securities of, or other ownership interest in, Subsidiaries of the Target Party and securities of the entity surviving any merger or business combination involving any of the Subsidiaries of the Target Party) of the Target Party or any of its Subsidiaries representing 10% or more of consolidated revenues, net income, EBITDAR for the last 12 full calendar months or the fair market value of all the assets of the Target Party and its Subsidiaries, taken as a whole, immediately prior to such transaction; provided, however, that no transaction involving solely the acquisition of capital stock or assets of any United Subsidiary by United, or of any Continental Subsidiary by Continental, will be deemed to be a Competing Transaction. Wherever the term “group” is used in this Agreement, it used as defined in Rule 13d-3 under the Exchange Act.

(d) The Target Party will notify the Non-Target Party promptly (but in no event later than 24 hours) after receipt of any Acquisition Proposal, or any material modification of or material amendment to any Acquisition Proposal, or any inquiry or request for non-public information relating to the Target Party or any of its Subsidiaries or for access to the properties, books or records of the Target Party or any of its Subsidiaries by any Person that is reasonably likely to lead to or contemplate an Acquisition Proposal. Such notice to the Non-Target Party will be made orally and in writing and will indicate the identity of the Person or Persons making

the Acquisition Proposal or inquiry or requesting non-public information or access to the properties, books or records of the Target Party or any of its Subsidiaries, and a copy of the Acquisition Proposal or, if not in writing, a written summary in reasonable detail of the material terms of any such Acquisition Proposal, inquiry or request or modification or amendment to an Acquisition Proposal. The Target Party will (i) keep the Non-Target Party fully informed, on a current basis, of any material changes in the status of, and any material changes or modifications in the terms of, any such Acquisition Proposal, inquiry or request and, if requested by the Non-Target Party, counsel for the Target Party will consult with counsel for the Non-Target Party once per day, at mutually agreeable times, regarding such status and any such changes or modifications, and (ii) provide to the Non-Target Party as soon as practicable after receipt or delivery thereof with copies of all correspondence and other written material sent or provided to the Target Party from any third party in connection with any Acquisition Proposal or sent or provided by the Target Party to any third party in connection with any Acquisition Proposal; provided, however, that any material written material or material correspondence will be sent or provided pursuant to clause (ii) within 24 hours after receipt or delivery thereof. Neither United nor Continental will enter into any agreement on or after the date hereof that would prevent such party from providing any information required by this Section 5.5 to the other party.

(e) Notwithstanding anything to the contrary in this Section 5.5, at any time prior to obtaining the United Stockholder Approvals or the Continental Stockholder Approval, as applicable, the Target Party may furnish or cause to be furnished information to, and enter or cause to be entered into discussions with, and only with, a Person (and its representatives) who has made a bona fide written Acquisition Proposal that was not solicited on or after the date of this Agreement and that did not otherwise result from a breach of Section 5.5(a) or Section 5.5(b), as applicable, if the Target Party's Board of Directors (the "Target Board") has (i) determined in good faith (after consultation with its outside legal counsel and financial advisor or advisors) that (A) such Acquisition Proposal constitutes or is reasonably likely to lead to a Superior Proposal and (B) the failure to enter into discussions regarding the Acquisition Proposal would be a breach of its fiduciary duties under applicable Law, (ii) provided at least five Business Days' notice to the Non-Target Party of its intent to furnish information to or enter into discussions with such Person in accordance with this Section 5.5(e), and (iii) obtained from such Person an executed confidentiality agreement containing terms that are determined in good faith by the Target Party to be substantially similar to and not less favorable to the Target Party in the aggregate than those contained in the Confidentiality Agreement (it being understood that such confidentiality agreement and any related agreements will not include any provision calling for any exclusive right to negotiate with such Person or having the effect of prohibiting the Target Party from satisfying its obligations under this Agreement. Unless such information has been previously provided to the Non-Target Party, all information that is provided by the Target Party to the Person making such Acquisition Proposal will be provided to the Non-Target Party. During the five Business Day period set forth in clause (ii) above, the Non-Target Party will have the right to make a presentation to the Target Board.

(f) As used in this Agreement, "Superior Proposal" means a bona fide written Acquisition Proposal made by a third Person (or group of Persons) to consummate a merger, consolidation, business combination or other similar transaction involving the Target Party pursuant to which the stockholders of the Target Party immediately preceding such transaction would hold less than 65% of the outstanding shares of common stock of, or less than 65% of the

outstanding voting power of, the Target Party, any surviving entity or the parent entity resulting from any such transaction immediately upon consummation thereof that the Target Board (after consultation with its outside legal counsel and its financial advisor or advisors) determines in good faith to be more favorable to the Target Party's stockholders than the Merger, taking into account all relevant factors, including value and other financial considerations, legal and regulatory considerations and any conditions to, and expected timing and risks of, completion, as well as any changes to the terms of the Merger proposed by the Non-Target Party in response to such Superior Proposal.

(g) Except as permitted by this Section 5.5(g), neither the Target Board nor any committee thereof will (i) withdraw or modify in a manner adverse to the Non-Target Party the recommendation, approval or declaration of advisability by the Target Board, or any such committee, of this Agreement, the Restated Charter and the transactions contemplated by this Agreement, including the Merger, (ii) recommend, approve or declare advisable the approval or adoption of any Acquisition Proposal, or (iii) resolve, agree or propose publicly to take any such actions (each such action set forth in this sentence of this Section 5.5(g) being referred to herein as an "Adverse Recommendation Change") or approve, adopt or recommend, or cause or permit the Target Party to enter into, or resolve, agree or propose publicly to do so with respect to, any United Acquisition Agreement (in the case of United) or Continental Acquisition Agreement (in the case of Continental) (other than a confidentiality agreement as referred to in Section 5.5(e)). Notwithstanding anything to the contrary in this Section 5.5, if, at any time prior to obtaining the United Stockholder Approvals or the Continental Stockholder Approval, as applicable, the Target Board, in the exercise of its fiduciary duties, determines in good faith, after consultation with outside legal counsel and financial advisor or advisors, that to do otherwise would be a breach of its fiduciary duties under applicable Law, then the Target Board may make an Adverse Recommendation Change; provided, however, that the Target Board may only make an Adverse Recommendation Change if (A) the Target Party has provided written notice to the Non-Target Party (a "Notice of Adverse Recommendation Change") advising the Non-Target Party that the Target Board intends to take such action, (B) if any Acquisition Proposal has been made prior to the date of the Notice of Adverse Recommendation Change (regardless of whether such Acquisition Proposal is a Superior Proposal), the Notice of Adverse Recommendation Change specifies the material terms and conditions of such Acquisition Proposal, identifying the Person or Persons making such Acquisition Proposal and including a copy of the most current version of the agreement or proposal (if in writing) relating to such Acquisition Proposal, (C) at least five Business Days have elapsed following the Non-Target Party's receipt of such Notice of Adverse Recommendation Change (it being understood that any amendment or modification to any Acquisition Proposal that is the basis for such proposed action shall require a new Notice of Adverse Recommendation Change and a new five Business Day period) and (D) if requested by the Non-Target Party, the Target Party has negotiated in good faith with the Non-Target Party during such five Business Day period (as extended pursuant to clause (C)) with respect to any changes to this Agreement proposed by the Non-Target Party during such period. In determining whether to give a Notice of Adverse Recommendation Change or make an Adverse Recommendation Change, the Target Board shall take into account any changes to the terms of this Agreement proposed by the Non-Target Party. The Target Party will not submit to the vote of its stockholders any Acquisition Proposal, or, except as permitted herein, propose to do so.

(h) (i) Nothing contained in this Section 5.5 will prohibit the Target Party or its Subsidiaries from taking and disclosing to its stockholders a position required by Rule 14e-2(a) or Rule 14d-9 promulgated under the Exchange Act and (ii) no disclosure that the United Board or the Continental Board may determine (after consultation with counsel) that it or United or Continental, as applicable, is required to make under applicable Law will constitute a violation of this Agreement; provided, however, that in any event neither the United Board nor the Continental Board shall make an Adverse Recommendation Change except in accordance with Section 5.5(g). Any disclosure by the Target Party relating to an Acquisition Proposal shall be deemed to be an Adverse Recommendation Change by the Target Party unless the Target Board reaffirms its recommendation and declaration of advisability with respect to this Agreement in such disclosure.

(i) Each of United and Continental and their respective Subsidiaries will immediately cease and cause to be terminated any existing discussions or negotiations with any Persons (other than the other party to this Agreement) conducted heretofore with respect to any Acquisition Proposal, and will use reasonable best efforts to cause all Persons, other than the other party hereto, who have been furnished confidential information regarding such party in connection with the solicitation of or discussions regarding an Acquisition Proposal within the 12 months prior to the date of this Agreement promptly to return or destroy such information.

(j) It is understood that any violation of the restrictions set forth in this Section 5.5 by any director, officer, employee, controlled Affiliate, agent or representative (including financial or legal advisor or other retained representative) of either party or any of its Subsidiaries or controlled Affiliates will be deemed to be a breach of this Section 5.5 by such party.

ARTICLE VI ADDITIONAL AGREEMENTS

6.1 Preparation of the Form S-4 and the Joint Proxy Statement; Stockholders Meetings. (a) As promptly as practicable following the date of this Agreement, Continental and United shall jointly prepare and cause to be filed with the SEC the Joint Proxy Statement, and Continental and United shall jointly prepare and cause to be filed with the SEC the Form S-4, in which the Joint Proxy Statement will be included as a prospectus, and each of Continental and United shall use its reasonable best efforts to have the Form S-4 declared effective under the Securities Act as promptly as practicable after such filing. Each of United and Continental shall furnish all information concerning such Person and its Affiliates to the other, and provide such other assistance, as may be reasonably requested in connection with the preparation, filing and distribution of the Form S-4 and Joint Proxy Statement. The Form S-4 and Joint Proxy Statement shall include all information reasonably requested by such other party to be included therein. Each of United and Continental shall promptly notify the other upon the receipt of any comments from the SEC or any request from the SEC for amendments or supplements to the Form S-4 or Joint Proxy Statement and shall provide the other with copies of all correspondence between it and its Representatives, on one hand, and the SEC, on the other hand. Each of United and Continental shall use its reasonable best efforts to respond as promptly as practicable to any comments from the SEC with respect to the Form S-4 or Joint Proxy Statement. Notwithstanding the foregoing, prior to filing the Form S-4 (or any amendment or supplement

thereto) or mailing the Joint Proxy Statement (or any amendment or supplement thereto) or responding to any comments of the SEC with respect thereto, each of United and Continental (i) shall provide the other an opportunity to review and comment on such document or response (including the proposed final version of such document or response) and (ii) shall include in such document or response all comments reasonably proposed by the other. Each of United and Continental shall advise the other, promptly after receipt of notice thereof, of the time of effectiveness of the Form S-4, the issuance of any stop order relating thereto or the suspension of the qualification of United Common Stock constituting Merger Consideration for offering or sale in any jurisdiction, and each of United and Continental shall use its reasonable best efforts to have any such stop order or suspension lifted, reversed or otherwise terminated. United shall also take any other action (other than qualifying to do business in any jurisdiction in which it is not now so qualified) required to be taken under the Securities Act, the Exchange Act, any applicable foreign or state securities or "Blue Sky" laws and the rules and regulations thereunder in connection with the Merger, the issuance of the Merger Consideration and the issuance of United Common Stock under the Continental Stock Plans. Continental shall furnish all information concerning Continental and the holders of the Continental Common Stock and rights to acquire Continental Common Stock pursuant to the Continental Stock Plans as may be reasonably requested in connection with any such action.

(b) If, prior to the Effective Time, any event occurs with respect to Continental or any Continental Subsidiary, or any change occurs with respect to other information supplied by Continental for inclusion in the Joint Proxy Statement or the Form S-4, which is required to be described in an amendment of, or a supplement to, the Joint Proxy Statement or the Form S-4, Continental shall promptly notify United of such event, and Continental and United shall cooperate in the prompt filing with the SEC of any necessary amendment or supplement to the Joint Proxy Statement and the Form S-4 and, as required by Law, in disseminating the information contained in such amendment or supplement to Continental's stockholders and United's stockholders. Nothing in this Section 6.1(b) shall limit the obligations of any party under Section 6.1(a).

(c) If prior to the Effective Time, any event occurs with respect to United or any United Subsidiary, or any change occurs with respect to other information supplied by United for inclusion in the Joint Proxy Statement or the Form S-4, which is required to be described in an amendment of, or a supplement to, the Joint Proxy Statement or the Form S-4, United shall promptly notify Continental of such event, and United and Continental shall cooperate in the prompt filing with the SEC of any necessary amendment or supplement to the Joint Proxy Statement and the Form S-4 and, as required by Law, in disseminating the information contained in such amendment or supplement to Continental's stockholders and United's stockholders. Nothing in this Section 6.1(c) shall limit the obligations of any party under Section 6.1(a).

(d) Continental shall, as soon as practicable following the date of this Agreement, duly call, give notice of, convene and hold the Continental Stockholders Meeting. Continental shall use its reasonable best efforts to (i) cause the Joint Proxy Statement to be mailed to Continental's stockholders and to hold the Continental Stockholders Meeting as soon as practicable after the Form S-4 is declared effective under the Securities Act and (ii) solicit the Continental Stockholder Approval. Continental shall, through the Continental Board,

recommend to its stockholders that they give the Continental Stockholder Approval and shall include such recommendation in the Joint Proxy Statement, except to the extent that the Continental Board shall have made a Continental Adverse Recommendation Change as permitted by Section 5.5(g). Continental agrees that its obligations pursuant to this Section 6.1 shall not be affected by the commencement, public proposal, public disclosure or communication to Continental of any Continental Acquisition Proposal or by the making of any Continental Adverse Recommendation Change by the Continental Board except to the extent (and only to the extent) expressly stated herein to the contrary.

(e) United shall, as soon as practicable following the date of this Agreement, duly call, give notice of, convene and hold the United Stockholders Meeting. United shall use its reasonable best efforts to (i) cause the Joint Proxy Statement to be mailed to United's stockholders as promptly as practicable after the Form S-4 is declared effective under the Securities Act and to hold the United Stockholders Meeting as soon as practicable after the Form S-4 becomes effective and (ii) solicit the United Stockholder Approvals. United shall, through the United Board, recommend to its stockholders that they give the United Stockholder Approvals and shall include such recommendation in the Joint Proxy Statement, except to the extent that the United Board shall have made a United Adverse Recommendation Change as permitted by Section 5.5(g). United agrees that its obligations pursuant to this Section 6.1 shall not be affected by the commencement, public proposal, public disclosure or communication to United of any United Acquisition Proposal or by the making of any United Adverse Recommendation Change by the United Board except to the extent (and only to the extent) expressly stated herein to the contrary.

6.2 Access to Information; Confidentiality. Upon reasonable notice and subject to applicable Law, each of Continental and United shall, and shall cause each of its respective Subsidiaries to, afford to the other party and to the Representatives of such other party reasonable access during the period prior to the Effective Time to all their respective properties, books, contracts, commitments, personnel and records and, during such period, each of Continental and United shall, and shall cause each of its respective Subsidiaries to, furnish promptly to the other party (a) a copy of each report, schedule, registration statement and other document filed by it during such period pursuant to the requirements of federal or state securities Laws or federal or state Laws applicable to certificated air carriers (other than such documents that such party is not permitted to disclose under applicable Law) and (b) all other information concerning its business, properties and personnel as such other party may reasonably request; provided, however, that either party may withhold any document or information (i) that is subject to the terms of a confidentiality agreement with a third party entered into prior to the date of this Agreement or entered into after the date of this Agreement in the ordinary course of business (provided that the withholding party shall use its reasonable best efforts to obtain the required consent of such third party to such access or disclosure), (ii) the disclosure of which would violate any Law or fiduciary duty (provided that the withholding party shall use its reasonable best efforts to make appropriate substitute arrangements to permit reasonable disclosure not in violation of any Law or fiduciary duty) or (iii) that is subject to any attorney-client privilege (provided that the withholding party shall use its reasonable best efforts to allow for such access or disclosure to the maximum extent that does not result in a loss of attorney-client privilege). Furthermore, the parties acknowledge that with respect to the "Highly Sensitive Information" (as defined in the Confidentiality Agreement), the Confidentiality Agreement imposes additional

restrictions as to the manner in which such information will be exchanged by the parties. If any material is withheld by such party pursuant to the proviso to the preceding sentence, such party shall inform the other party as to the general nature of what is being withheld. Without limiting the generality of the foregoing, each of United and Continental shall, within two Business Days of request by the other party therefor, provide to such other party the information described in Rule 14a-7(a)(2)(ii) under the Exchange Act and any information to which a holder of United Common Stock or Continental Common Stock, as applicable, would be entitled under Section 220 of the Delaware Law (assuming such holder met the requirements of such section). All information exchanged pursuant to this Section 6.2 shall be subject to the confidentiality agreement dated April 12, 2010 between Continental and United (the “Confidentiality Agreement”). The parties agree that the Confidentiality Agreement supersedes that certain confidentiality agreement dated April 15, 2008 between Continental and United (the “Prior Confidentiality Agreement”) and that any information constituting “Evaluation Material” under and as defined in the Prior Confidentiality Agreement shall, from and after the date of this Agreement, be deemed “Evaluation Material” under and as defined in, and subject to the terms of, the Confidentiality Agreement.

6.3 Required Actions. (a) Each of the parties shall take, or cause to be taken, all actions, and do, or cause to be done, and assist and cooperate with the other parties in doing, all things necessary to consummate and make effective, as soon as reasonably possible, the Merger and the other transactions contemplated by this Agreement in accordance with the terms hereof; provided, however, that nothing in this Section 6.3 shall prohibit either party from taking any action expressly contemplated by Section 5.5.

(b) In connection with and without limiting Section 6.3(a), United and the United Board and Continental and the Continental Board shall (x) take all action necessary to ensure that no Takeover Statute or similar statute or regulation is or becomes applicable to this Agreement or any transaction contemplated by this Agreement and (y) if any Takeover Statute or similar statute or regulation becomes applicable to this Agreement or any transaction contemplated by this Agreement, take all action necessary to ensure that the Merger and the other transactions contemplated by this Agreement may be consummated as promptly as practicable on the terms contemplated by this Agreement.

(c) In connection with and without limiting Section 6.3(a), promptly following the execution and delivery by the parties of this Agreement United and Continental shall provide all necessary notices, applications and requests to, and enter into discussions with, the Governmental Entities from whom Consents or nonactions are required to be obtained in connection with the consummation of the Merger and the other transactions contemplated by this Agreement in order to obtain all such required Consents or nonactions from such Governmental Entities and eliminate each and every other impediment that may be asserted by such Governmental Entities, in each case with respect to the Merger, so as to enable the Closing to occur as soon as reasonably practicable. To the extent necessary in order to accomplish the foregoing, United and Continental shall jointly propose, negotiate, commit to and effect, by consent decree, hold separate order or otherwise, the sale, divestiture or disposition of, or prohibition or limitation on, (A) the ownership or operation by United, Continental or any of their respective Subsidiaries of any portion of the business, properties or assets of United, Continental or any of their respective Subsidiaries, (B) the ability of United to acquire or hold, or

exercise full right of ownership of, any shares of the capital stock of the United Subsidiaries or Continental or the Continental Subsidiaries, including the right to vote, or (C) United or any of its Subsidiaries effectively controlling the business or operations of United and the United Subsidiaries or Continental and the Continental Subsidiaries; provided, however, that neither Continental nor United shall be required pursuant to this Section 6.3(c) to propose, commit to or effect any action that is not conditioned upon the consummation of the Merger. If the actions taken by Continental and United pursuant to the immediately preceding sentence do not result in the conditions set forth in Section 7.1(d) and (f) being satisfied, then each of Continental and United shall jointly (to the extent practicable) initiate and/or participate in any proceedings, whether judicial or administrative, in order to (i) oppose or defend against any action by any Governmental Entity to prevent or enjoin the consummation of the Merger or any of the other transactions contemplated by this Agreement and (ii) take such action as necessary to overturn any regulatory action by any Governmental Entity to block consummation of the Merger or any of the other transactions contemplated by this Agreement, including by defending any suit, action or other legal proceeding brought by any Governmental Entity in order to avoid the entry of, or to have vacated, overturned or terminated, including by appeal if necessary, any Injunction resulting from any suit, action or other legal proceeding that would cause any condition set forth in Section 7.1(d) or (f) not to be satisfied, provided that Continental and United shall cooperate with one another in connection with, and shall jointly control, all proceedings related to the foregoing.

(d) In connection with and without limiting the generality of the foregoing, each of Continental and United shall:

(i) make or cause to be made, in consultation and cooperation with the other and as promptly as practicable after the date of this Agreement (but in any event, with respect to clause (A) below, within five Business Days following the date of this Agreement, and with respect to clause (B) below, at a time necessary to ensure that the EU Extension Date occurs prior to the Latest Possible End Date), (A) an appropriate filing of a Notification and Report Form pursuant to the HSR Act relating to the Merger, (B) all appropriate filings required pursuant to European Community Council Regulation No. 139/2004 (the "EU Merger Regulation"), and (C) all other necessary registrations, declarations, notices and filings relating to the Merger with other Governmental Entities under any other antitrust, competition, trade regulation or similar Laws;

(ii) use its reasonable best efforts to furnish to the other all assistance, cooperation and information required for any such registration, declaration, notice or filing and in order to achieve the effects set forth in Section 6.3(c);

(iii) give the other reasonable prior notice of any such registration, declaration, notice or filing and, to the extent reasonably practicable, of any communication with any Governmental Entity regarding the Merger (including with respect to any of the actions referred to in Section 6.3(c)), and permit the other to review and discuss in advance, and consider in good faith the views of, and secure the participation of, the other in connection with, any such registration, declaration, notice, filing or communication;

(iv) respond as promptly as practicable under the circumstances to any inquiries received from any Governmental Entity or any other authority enforcing applicable antitrust, competition, trade regulation or similar Laws for additional information or documentation in connection with antitrust, competition, trade regulation or similar matters;

(v) without limiting the generality of Section 6.3(d)(iv), (A) use its reasonable best efforts to achieve Substantial Compliance as promptly as practicable with any request for additional information or documentary material issued by a Governmental Entity under 15 U.S.C. Sect. 18a(e) and in conjunction with the transactions contemplated by this Agreement (a "Second Request"), (B) certify Substantial Compliance with any Second Request as promptly as practicable after the date of such Second Request, but in no event later than September 30, 2010, (C) take all actions necessary to assert, defend and support its certification of Substantial Compliance with such Second Request and (D) not extend any waiting period under the HSR Act or enter into any agreement with such Governmental Entities or other authorities to delay, or otherwise not to consummate as soon as practicable, any of the transactions contemplated by this Agreement except with the prior written consent of the other parties hereto, which consent may be withheld in the sole discretion of the non-requesting party; and

(vi) unless prohibited by applicable Law or by the applicable Governmental Entity, (A) to the extent reasonably practicable, not participate in or attend any meeting, or engage in any substantive conversation with any Governmental Entity in respect of the Merger (including with respect to any of the actions referred to in Section 6.3(c)) without the other, (B) to the extent reasonably practicable, give the other reasonable prior notice of any such meeting or conversation, (C) in the event one party is prohibited by applicable Law or by the applicable Governmental Entity from participating or attending any such meeting or engaging in any such conversation, keep such party reasonably apprised with respect thereto, (D) cooperate in the filing of any substantive memoranda, white papers, filings, correspondence or other written communications explaining or defending this Agreement and the Merger, articulating any regulatory or competitive argument, and/or responding to requests or objections made by any Governmental Entity, and (E) furnish the other party with copies of all correspondence, filings and communications (and memoranda setting forth the substance thereof) between it and its Affiliates and their respective Representatives on the one hand, and any Governmental Entity or members of any Governmental Entity's staff, on the other hand, with respect to this Agreement and the Merger.

(e) Notwithstanding anything else contained herein, the provisions of this Section 6.3 shall not be construed to require United or any United Subsidiary or Continental or any Continental Subsidiary to undertake any efforts or to take any action if the taking of such efforts or action is or would reasonably be expected to result (after giving effect to any reasonably expected proceeds of any divestiture or sale of assets) in a Material Adverse Effect on either United or Continental, as applicable.

(f) Continental shall give prompt notice to United, and United shall give prompt notice to Continental, of (i) any representation or warranty made by it contained in this

Agreement that is qualified as to materiality becoming untrue or inaccurate in any respect or any such representation or warranty that is not so qualified becoming untrue or inaccurate in any material respect or (ii) the failure by it to comply with or satisfy in any material respect any covenant, condition or agreement to be complied with or satisfied by it under this Agreement; provided, however, that no such notification shall affect the representations, warranties, covenants or agreements of the parties or the conditions to the obligations of the parties under this Agreement; provided further, that a failure to comply with this Section 6.3(f) will not constitute the failure of any condition set forth in Article VII to be satisfied unless the underlying inaccuracy or breach would independently result in the failure of a condition set forth in Article VII to be satisfied.

(g) Immediately following the execution and delivery of this Agreement by each of the parties hereto, United, as sole stockholder of Merger Sub, will adopt this Agreement.

(h) Each of Continental and United shall use its reasonable best efforts to cause the United Common Stock to be listed on either the NASDAQ or the NYSE, as reasonably agreed upon by Continental and United, after the Effective Time and to cause the trading symbol for the United Common Stock on such exchange after the Effective Time to be the trading symbol reasonably agreed upon by Continental and United.

6.4 Stock Plans. (a) Prior to the Effective Time, the Continental Board (or, if appropriate, any committee thereof administering the Continental Stock Plans) shall adopt such resolutions or take such other actions as may be required to effect the following:

(i) except as provided in Section 6.4(a)(iii), adjust the terms of all outstanding Continental Stock Options to provide that, at the Effective Time, each Continental Stock Option outstanding immediately prior to the Effective Time, whether vested or unvested, shall be deemed to constitute an option to acquire, on the same terms and conditions as were applicable under such Continental Stock Option, a number of shares of United Common Stock (rounded down to the nearest whole share) equal to the product of (x) the number of shares of Continental Common Stock subject to such Continental Stock Option multiplied by (y) the Exchange Ratio, at an exercise price per share of United Common Stock (rounded up to the nearest whole cent) equal to quotient of (x) the exercise price per share of Continental Common Stock under such Continental Stock Option divided by (y) the Exchange Ratio (each, a "Continental Rollover Option"); provided, however, that in the case of any option to which Section 421 of the Code applies by reason of its qualification under either Section 422 or 424 of the Code, the option price, the number of shares purchasable pursuant to such option and the terms and conditions of exercise of such option shall be determined in order to comply with Section 424(a) of the Code;

(ii) adjust the terms of all outstanding Continental Stock-Based Awards (other than Continental Stock Options and Cash-Settled Profit-Based RSU Awards), if any, to provide that, at the Effective Time, such Continental Stock-Based Awards outstanding immediately prior to the Effective Time shall be converted into shares of United Common Stock or other compensatory awards denominated in shares of United Common Stock subject to a risk of forfeiture to, or right of repurchase by, United (each, a

“Converted Continental Stock-Based Award”), with the same terms and conditions as were applicable under such Continental Stock-Based Awards, except to the extent otherwise required by the terms of such Continental Stock-Based Awards or pursuant to any Continental Benefit Plan or employment agreement as in effect as of the date of this Agreement, and each holder of Continental Stock-Based Awards shall be entitled to receive a number of Converted Continental Stock-Based Awards equal to the product of (x) the number of Continental Stock-Based Awards held by such holder immediately prior to the Effective Time and (y) the Exchange Ratio;

(iii) (1) no less than 5 days prior to the Effective Time, (A) cause the then-current purchase period under the Continental SPP to end and use the accumulated funds thereunder to acquire shares of Continental Common Stock in accordance with the terms of the Continental SPP, (B) ensure that the shares of Continental Common Stock so purchased are treated in accordance with Article II in the same manner as other outstanding shares of Continental Common Stock issued and outstanding immediately prior to the Effective Time and (C) ensure that no new options to acquire shares of Continental Common Stock are granted under the Continental SPP thereafter and (2) terminate the Continental SPP as of the Effective Time;

(iv) make such other changes to the Continental Stock Plans as it deems appropriate to give effect to the Merger (subject to the approval of United, which shall not be unreasonably withheld, conditioned or delayed); and

(v) ensure that, after the Effective Time, no Continental Stock Options or Continental Stock-Based Awards may be granted under any Continental Stock Plans and that from and after the Effective Time awards under the Continental Stock Plans shall be granted with respect to United Common Stock.

(b) At the Effective Time, and subject to compliance by Continental with Section 6.4(a), United shall assume all the obligations of Continental under the Continental Stock Plans, each outstanding Continental Stock Option, each outstanding Continental Stock-Based Award and the agreements evidencing the grants thereof. As soon as practicable after the Effective Time, United shall deliver to the holders of Continental Stock Options and Continental Stock-Based Awards appropriate notices setting forth such holders’ rights pursuant to the respective Continental Stock Plans, and the agreements evidencing the grants of such Continental Stock Options and Continental Stock-Based Awards shall continue in effect on the same terms and conditions (subject to the adjustments required by this Section 6.4 after giving effect to the Merger).

(c) United shall take all corporate action necessary to reserve for issuance a sufficient number of shares of United Common Stock for delivery upon exercise of the Continental Rollover Options and Converted Continental Stock-Based Awards assumed in accordance with this Section 6.4. As soon as reasonably practicable after the Effective Time, United shall file a registration statement on Form S-8 (or any successor or other appropriate form) with respect to the shares of United Common Stock subject to such Continental Rollover Options and Converted Continental Stock-Based Awards and shall use its reasonable best efforts to maintain the effectiveness of such registration statement or registration statements (and

maintain the current status of the prospectus or prospectuses contained therein) for so long as such Continental Rollover Options and Converted Continental Stock-Based Awards remain outstanding.

6.5 Actions with Respect to Certain Continental Debt. (a) United and Continental shall enter into a supplemental indenture in respect of the 5% Convertible Notes due 2023 (the “Continental Convertible Notes”) issued pursuant to the Indenture dated as of June 10, 2003, between Continental and Bank One, N.A., as trustee, as amended to the date of this Agreement (the “Continental Convertible Notes Indenture”) containing the provisions required by the Continental Convertible Notes Indenture, including a provision that, at the Effective Time, (i) each outstanding Continental Convertible Note shall no longer be convertible into shares of Continental Common Stock and shall be convertible solely into the number of shares of United Common Stock that the holder of such Continental Convertible Note would have received pursuant to the Merger if such holder had converted such Continental Convertible Note immediately before the Effective Time and (ii) United assumes all the obligations of Continental under the Continental Convertible Notes, any coupons appertaining thereto and the Continental Convertible Notes Indenture.

(b) United and Continental shall enter into a supplemental indenture in respect of the 6% Convertible Junior Subordinated Debentures due 2030 (the “Continental Convertible Debentures”) issued pursuant to the Indenture dated as of November 10, 2000, between Continental and Wilmington Trust Company, as trustee, as amended to the date of this Agreement (the “Continental Convertible Debentures Indenture”) containing the provisions required by the Continental Convertible Debentures Indenture, including a provision that, at the Effective Time, (i) each outstanding Continental Convertible Debenture shall no longer be convertible into shares of Continental Common Stock and shall be convertible solely into a number of shares of United Common Stock that the holder of such Continental Convertible Debenture would have received pursuant to the Merger if such holder had converted such Continental Convertible Debenture immediately before the Effective Time and (ii) United assumes the due and punctual payment of principal and interest on the Continental Convertible Debentures and the performance or observance of every covenant of the Continental Convertible Debentures Indenture to be performed or observed on the part of Continental.

(c) United and Continental shall enter into a supplemental indenture in respect of the 4.5% Convertible Notes due 2015 (the “Continental 2015 Convertible Notes”) issued pursuant to the Indenture dated as of December 11, 2009, between Continental and The Bank of New York Mellon Trust Company, N.A., as trustee, as amended to the date of this Agreement (the “Continental 2015 Convertible Notes Indenture”) containing the provisions required by the Continental 2015 Convertible Notes Indenture, including a provision that, at the Effective Time, (i) each outstanding Continental 2015 Convertible Note shall no longer be convertible into shares of Continental Common Stock and shall be convertible solely into the number of shares of United Common Stock that the holder of such Continental 2015 Convertible Note would have received pursuant to the Merger if such holder had converted such Continental 2015 Convertible Note immediately before the Effective Time and (ii) United assumes all the obligations of Continental under the Continental 2015 Convertible Notes, any coupons appertaining thereto and the Continental 2015 Convertible Notes Indenture.

6.6 Indemnification and Directors and Officers Insurance. (a) United agrees that all rights to indemnification, advancement of expenses and exculpation from liabilities for acts or omissions occurring prior to the Effective Time now existing in favor of the current or former directors or officers of Continental and its respective Subsidiaries (each, an “Indemnified Party”) shall be assumed by United and shall survive the Merger and continue in full force and effect in accordance with their terms.

(b) At or prior to the Effective Time, United shall purchase a “tail” directors’ and officers’ liability insurance policy for Continental and its current and former directors and officers who are currently covered by the directors’ and officers’ liability insurance coverage currently maintained by Continental in a form reasonably acceptable to Continental that shall provide Continental and such directors and officers with coverage for six years following the Effective Time of not less than the existing coverage and have other terms not less favorable to the insured persons than the directors’ and officers’ liability insurance coverage currently maintained by Continental; provided, however, that in no event will United be required to expend for any year of such six-year period an amount in excess of 250% of the annual aggregate premiums currently paid by United for such insurance (the “Maximum Premium”). United shall maintain such policy in full force and effect, and continue to honor the obligations thereunder. If such insurance coverage cannot be obtained at all, or can only be obtained at an annual premium in excess of the Maximum Premium, United will cause to be maintained the most advantageous policies of directors’ and officers’ insurance obtainable for an annual premium equal to the Maximum Premium.

(c) The provisions of this Section 6.6 will survive the Effective Time and are intended to be for the benefit of, and will be enforceable by, each Indemnified Party and his or her heirs and representatives. United will pay or cause to be paid (as incurred) all expenses, including reasonable fees and expenses of counsel, that an Indemnified Party may incur in enforcing the indemnity and other obligations provided for in this Section 6.6 (subject to reimbursement if the Indemnified Party is subsequently determined not to be entitled to indemnification under Section 6.6(a)).

(d) If United or any of its successors or assigns (i) consolidates with or merges into any other Person and is not the continuing or surviving corporation or entity of such consolidation or merger or (ii) transfers or conveys all or substantially all of its properties and assets to any Person, then, and in each such case, to the extent necessary, proper provision will be made so that the successors and assigns of United, as the case may be, will assume the obligations set forth in this Section 6.6.

6.7 Fees and Expenses. (a) Except as provided in this Section 6.7, all costs and expenses incurred in connection with this Agreement and the transactions contemplated by this Agreement will be paid by the party incurring such expense; provided, however, that United and Continental shall share equally (i) all fees and expenses in relation to the printing and filing of the Form S-4 and the printing, filing and distribution of the Joint Proxy Statement and (ii) any filing fees required in connection with the Merger pursuant to the HSR Act or any other competition Law, other than, in the case of clause (i) or clause (ii), attorneys’ and accountants’ fees and expenses.

(b) In the event that this Agreement is terminated:

(i) by United pursuant to Section 8.1(h);

(ii) by Continental or United pursuant to Section 8.1(d) and (x) a proposal for a Competing Transaction has been made to Continental or its stockholders or such a proposal (whether or not conditional) or an intention to make such a proposal has been publicly announced or has otherwise become publicly known after the date of this Agreement and prior to the Continental Stockholders Meeting, and (y) (1) within 12 months after such termination, Continental or any of its Subsidiaries enters into any definitive agreement providing for a Competing Transaction or (2) (A) within 12 months after such termination, any Person commences a tender offer or exchange offer with respect to Continental (or any successor to Continental or any parent of Continental) and (B) within 24 months after such termination a Competing Transaction is consummated; provided, however, for purposes of this clause (ii), unless a Competing Transaction described in clauses (x) and (y) is made and consummated by the same Person (or any Affiliate thereof), any reference in the definition of Competing Transaction to 10% shall be deemed to be a reference to 35%; or

(iii) by Continental or United pursuant to Section 8.1(e) and (x) a proposal for a Competing Transaction has been made to Continental or its stockholders or such a proposal (whether or not conditional) or an intention to make such a proposal has been publicly announced or has otherwise become publicly known after the date of this Agreement and prior to the End Date, (y) the Continental Stockholders Meeting did not occur at least 5 Business Days prior to the End Date and (z) (1) within 12 months after such termination, Continental or any of its Subsidiaries enters into any definitive agreement providing for a Competing Transaction or (2) (A) within 12 months after such termination, any Person commences a tender offer or exchange offer with respect to Continental (or any successor to Continental or any parent of Continental) and (B) within 24 months after such termination a Competing Transaction is consummated; provided, however, for purposes of this clause (iii), unless a Competing Transaction described in clauses (x) and (y) is made and consummated by the same Person (or any controlled Affiliate thereof), any reference in the definition of Competing Transaction to 10% shall be deemed to be a reference to 35%;

then, Continental will pay United a fee equal to \$175,000,000 (the "Termination Fee"), by wire transfer of same day funds to an account designated by United, in the case of a termination referred to in Section 6.7(b)(ii) or Section 6.7(b)(iii), upon the earliest to occur of the events referred to in Section 6.7(b)(ii)(y) or Section 6.7(b)(iii)(z), as applicable, and in the case of a termination by United referred to in Section 6.7(b)(i), within two Business Days after such termination.

(c) In the event that this Agreement is terminated:

(i) by Continental pursuant to Section 8.1(i);

(ii) by United or Continental pursuant to Section 8.1(c) and (x) a proposal for a Competing Transaction has been made to United or its stockholders or such a proposal (whether or not conditional) or an intention to make such a proposal has been publicly announced or has otherwise become publicly known after the date of this Agreement and prior to the United Stockholders Meeting, and (y) (1) within 12 months after such termination, United or any of its Subsidiaries enters into any definitive agreement providing for a Competing Transaction or (2) (A) within 12 months after such termination, any Person commences a tender offer or exchange offer with respect to United (or any successor to United or any parent of United) and (B) within 24 months after such termination a Competing Transaction is consummated; provided, however, for purposes of this clause (ii), unless a Competing Transaction described in clauses (x) and (y) is made and consummated by the same Person (or any controlled Affiliate thereof), any reference in the definition of Competing Transaction to 10% shall be deemed to be a reference to 35%; or

(iii) by United or Continental pursuant to Section 8.1(e) and (x) a proposal for a Competing Transaction has been made to United or its stockholders or such a proposal (whether or not conditional) or an intention to make such a proposal has been publicly announced or has otherwise become publicly known after the date of this Agreement and prior to the End Date, (y) the United Stockholders Meeting did not occur at least 5 Business Days prior to the End Date and (z) (1) within 12 months after such termination, United or any of its Subsidiaries enters into any definitive agreement providing for a Competing Transaction or (2) (A) within 12 months after such termination, any Person commences a tender offer or exchange offer with respect to United (or any successor to United or any parent of United) and (B) within 24 months after such termination a Competing Transaction is consummated; provided, however, for purposes of this clause (iii), unless a Competing Transaction described in clauses (x) and (y) is made and consummated by the same Person (or any controlled Affiliate thereof), any reference in the definition of Competing Transaction to 10% shall be deemed to be a reference to 35%;

then, United will pay Continental the Termination Fee, by wire transfer of same day funds to an account designated by Continental, in the case of termination referred to in Section 6.7(c)(ii) or (iii), upon the earliest to occur of the events referred to in Section 6.7(c)(ii)(y) or Section 6.7(c)(iii)(z), as applicable, and in the case of termination by Continental referred to in Section 6.7(c)(i), within two Business Days after such termination.

(d) Each party acknowledges that the agreements contained in this Section 6.7 are an integral part of the transactions contemplated by this Agreement and that, without these agreements, the other party would not enter into this Agreement. Accordingly, if a party fails promptly to pay the amounts due pursuant to this Section 6.7 and, in order to obtain such payment, the other party commences a suit that results in a judgment against the non-paying party for the amounts set forth in this Section 6.7, the non-paying party will pay to the other party interest, from the date such payment was required to be made, on the amounts set forth in this Section 6.7 at a rate per annum equal to the three-month LIBOR (as reported in The Wall Street Journal (Northeast edition) or, if not reported therein, in another authoritative source selected by the party entitled to such amounts) on the date such payment was required to be

made (or if no quotation for three-month LIBOR is available for such date, on the next preceding date for which such a quotation is available) plus 250 basis points. The parties acknowledge and agree that the Termination Fee shall not constitute either a penalty or liquidated damages, and the right of a party to receive, or the receipt of, the Termination Fee shall not limit or otherwise affect such party's right to specific performance as provided in Section 9.10, such party's rights as set forth in Section 8.2 or Section 9.7 or any other remedies that may be available for breaches of this Agreement, including breaches of Section 5.5 of this Agreement.

6.8 Certain Tax Matters. (a) United and Continental shall each use its reasonable best efforts to cause the Merger to qualify for the Intended Tax Treatment, including (i) not taking any action that such party knows would reasonably be expected to prevent such qualification and (ii) executing such amendments to this Agreement as may be reasonably required in order to obtain such qualification (it being understood that no party will be required to agree to any such amendment). For Federal income Tax purposes, each of United, Continental and Merger Sub will report the Merger and the other transactions contemplated by this Agreement in a manner consistent with such qualification.

(b) United and Continental shall each use its reasonable best efforts to obtain the Tax opinions described in Sections 7.2(c) and 7.3(c), including by causing its officers to execute and deliver to the law firms delivering such Tax opinions certificates substantially in the form attached hereto as Exhibits C-2 and D-2 at such time or times as may reasonably be requested by such law firms, including at the time the Form S-4 is filed and at the Closing Date. Each of United, Continental and Merger Sub shall use its reasonable best efforts not to take or cause to be taken any action that would cause to be untrue (or fail to take or cause not to be taken any action which inaction would cause to be untrue) any of the representations included in the certificates described in this Section 6.8. It is understood and agreed that the parties' right to take any action disclosed in Sections 5.1, 5.2 or 5.3 of the United Disclosure Schedule or the Continental Disclosure Schedule, as applicable, will be subject to and subordinate to the parties' respective obligations under this Section 6.8.

6.9 Transaction Litigation. Continental shall give United the opportunity to participate in the defense or settlement of any stockholder litigation against Continental and/or its directors relating to the Merger and the other transactions contemplated by this Agreement, and no such settlement shall be agreed to without the prior written consent of United, which consent shall not be unreasonably withheld, conditioned or delayed. United shall give Continental the opportunity to participate in the defense or settlement of any stockholder litigation against United and/or its directors relating to the Merger and the other transactions contemplated by this Agreement, and no such settlement shall be agreed to without the prior written consent of Continental, which consent shall not be unreasonably withheld, conditioned or delayed. For purposes of this paragraph, "participate" means that the non-litigating party will be kept apprised of proposed strategy and other significant decisions with respect to the litigation by the litigating party (to the extent the attorney-client privilege between the litigating party and its counsel is not undermined or otherwise affected), and the non-litigating party may offer comments or suggestions with respect to the litigation but will not be afforded any decision making power or other authority over the litigation except for the settlement consent set forth above.

6.10 Section 16 Matters. Prior to the Effective Time, United, Continental and Merger Sub each shall take all such steps as may be required to cause (a) any dispositions of Continental Common Stock (including derivative securities with respect to Continental Common Stock) resulting from the Merger and the other transactions contemplated by this Agreement, by each individual who will be subject to the reporting requirements of Section 16(a) of the Exchange Act with respect to Continental immediately prior to the Effective Time to be exempt under Rule 16b-3 promulgated under the Exchange Act and (b) any acquisitions of United Common Stock (including derivative securities with respect to United Common Stock) resulting from the Merger and the other transactions contemplated by this Agreement, by each individual who may become subject to the reporting requirements of Section 16(a) of the Exchange Act with respect to United to be exempt under Rule 16b-3 promulgated under the Exchange Act.

6.11 Governance Matters.

(a) Non-Executive Chairman. United shall take all necessary action to cause, effective at the Effective Time, Glenn F. Tilton to be elected as non-executive Chairman of the United Board unless he is not the Chief Executive Officer of United immediately prior to the Effective Time. If Mr. Tilton is not the Chief Executive Officer of United immediately prior to the Effective Time, then United shall select his replacement, subject to the concurrence of Continental acting in good faith, after receiving the recommendation of the Corporate Governance and Social Responsibility Committee of the Continental Board, which will consider such replacement in good faith, and each of United and Continental shall take all action necessary to cause such replacement to be elected non-executive Chairman of the United Board effective at the Effective Time. Furthermore, if such a replacement occurs, then, where applicable, any references in this Agreement or the United-Continental Bylaws to Mr. Tilton shall instead be to such replacement. On December 31, 2012, or the date that is two years after the Effective Time, whichever is later, Mr. Tilton shall cease to serve as the non-executive Chairman.

(b) Chief Executive Officer. United shall take all action necessary to cause, effective at the Effective Time, Jeffery A. Smisek to be elected the Chief Executive Officer of United unless he is not the Chief Executive Officer of Continental immediately prior to the Effective Time. If Mr. Smisek is not the Chief Executive Officer of Continental immediately prior to the Effective Time, then Continental shall select his replacement, subject to the concurrence of United acting in good faith, after receiving the recommendation of the Nominating/Governance Committee of the United Board, which will consider such replacement in good faith, and each of United and Continental shall take all action necessary to cause such replacement to be elected Chief Executive Officer of United effective at the Effective Time. Furthermore, if such a replacement occurs, then, where applicable, any references in this Agreement or the United-Continental Bylaws to Mr. Smisek shall instead be to such replacement. On December 31, 2012, or the date that is two years after the Effective Time, whichever is later, Mr. Smisek will also become Chairman of the United Board; provided, however, if Mr. Tilton ceases to serve as non-executive Chairman prior to such date, then Mr. Smisek will become Chairman of the United Board on such earlier date.

(c) Board of Directors. United shall take all necessary action to cause, effective at the Effective Time, (i) the size of the United Board to be increased so as to consist of

16 members and (ii) the United Board to be comprised of (A) six Independent United Directors selected by United, (B) Mr. Tilton, (C) six Independent Continental Directors selected by Continental, (D) Mr. Smisek and (E) the two Union Directors.

(i) the United Board to have six board committees: the Executive Committee, the Nominating/Governance Committee, the Compensation Committee, the Finance Committee, the Audit Committee, and the Public Responsibility Committee;

(ii) the Executive Committee to be comprised of Mr. Tilton, Mr. Smisek and the then chair of each of the Nominating/Governance Committee, Compensation Committee, Finance Committee and the Audit Committee and to be chaired by Mr. Tilton;

(iii) the Finance Committee to be comprised of Mr. Tilton, Mr. Smisek and equal numbers of Independent United Directors selected by United and Independent Continental Directors selected by Continental;

(iv) each of the Nominating/Governance Committee, Compensation Committee and the Audit Committee to be comprised of equal numbers of Independent United Directors selected by United and Independent Continental Directors selected by Continental;

(v) an Independent United Director selected by United to chair the Nominating/Governance Committee;

(vi) an Independent Continental Director selected by Continental to chair the Compensation Committee;

(vii) either an Independent United Director selected by United or an Independent Continental Director selected by Continental to chair the Finance Committee;

(viii) (A) an Independent Continental Director selected by Continental to chair the Audit Committee, if an Independent United Director is selected to chair the Finance Committee, and (B) an Independent United Director selected by United to chair the Audit Committee, if an Independent Continental Director is selected to chair the Finance Committee;

(ix) the Public Responsibility Committee to be comprised of two Independent United Directors selected by United, two Independent Continental Directors selected by Continental and the two Union Directors; and

(x) one Independent United Director selected by United and one Independent Continental Director selected by Continental to co-chair the Public Responsibility Committee.

(e) Integration.

(i) Subject to applicable Law, prior to the Effective Time, United and Continental shall cause Mr. Tilton and Mr. Smisek, respectively, to engage in planning for an integration process with respect to the businesses of United and Continental, including selecting from the management ranks of United and Continental in an equitable and balanced manner those managers who will hold the key management positions in United following the Effective Time. The announcement of such key management positions shall be made shortly before the Effective Time.

(ii) In order to facilitate the integration of the operations of United and Continental and their respective Subsidiaries and to permit the coordination of their related operations on a timely basis, and in an effort to accelerate to the earliest time practicable following the Effective Time the realization of synergies, operating efficiencies and other benefits expected to be realized by the parties as a result of the transactions contemplated by this Agreement, prior to the Effective Time, United and Continental shall establish a committee to be co-chaired by the chief executive officers of each of United and Continental and with such other members as they shall mutually agree, which committee shall have responsibility for coordinating and directing the efforts of the parties with respect to (A) the integration of operations and fleet plan of United and Continental and their respective Subsidiaries, (B) obtaining the required consents and approvals from Governmental Entities as contemplated by Section 6.3, (C) communications, public relations and investor relations strategy and approach of the parties regarding the Merger and the other transactions contemplated hereby (other than any party's actions in respect of a United Acquisition Proposal or a Continental Acquisition Proposal, respectively, a Competing Transaction in respect of either United or Continental or an Adverse Recommendation Change by either the United Board or the Continental Board, respectively) and (D) other business and operational matters, including the financing needs of United and Continental and their Subsidiaries following the Effective Time, to the extent not in violation of Applicable Laws, including laws regarding the exchange of information and other laws regarding competition.

(f) Headquarters. Following the Effective Time, the corporate headquarters and related corporate functions for United (which will be located in the United Building), as well as airline operations (which will be located in the Willis Tower), will be in Chicago, Illinois. In addition, United will maintain a significant presence in Houston, Texas. United and Continental shall cause Mr. Tilton and Mr. Smisek, respectively, to determine, prior to the Effective Time, the specific business functions to be located in Houston, Texas following the Effective Time. The non-executive Chairman will have his office at the corporate headquarters in Chicago, Illinois, and the Chief Executive Officer will maintain an office in each of Chicago, Illinois and Houston, Texas. It is intended that a majority of the in-person meetings of the United Board in each calendar year shall be held in the Greater Chicago Metropolitan Area.

6.12 Employee Matters.

(a) During the period from the Closing Date until the six-month anniversary thereof, United shall, or shall cause its Subsidiaries to, provide to each Person who is employed

by Continental or United or any of their respective Subsidiaries immediately prior to the Effective Time, except with respect to any such employees who are represented for purposes of collective bargaining pursuant to the provisions of the Railway Labor Act, as amended (the “Continuing Employees”), compensation (including base salary and incentive and bonus opportunities, but excluding equity-based compensation) and benefits (including vacation, paid time-off and severance) that are not materially less favorable (taken as a whole) than those provided to the Continuing Employees immediately prior to the Effective Time.

(b) The service of each Continuing Employee with Continental or United or any of their respective Subsidiaries (or any predecessor employer) prior to the Effective Time shall be treated as service with United and its Subsidiaries for purposes of each United Benefit Plan (including vacation, paid time-off and severance plans) in which such Continuing Employee participates after the Effective Time, including for purposes of eligibility, vesting and benefit levels and accruals (other than defined benefit pension plan accruals).

(c) Following the Effective Time, for purposes of each United Benefit Plan in which any Continuing Employee or his or her eligible dependents is eligible to participate after the Effective Time, United shall, or shall cause its Subsidiaries to, (i) waive any pre-existing condition, exclusion, actively-at-work requirement or waiting period to the extent such condition, exclusion, requirement or waiting period was satisfied or waived under the comparable Continental Benefit Plan as of the Effective Time (or, if later, any applicable plan transaction date) and (ii) provide full credit for any co-payments, deductibles or similar payments made or incurred prior to the Effective Time for the plan year in which the Effective Time (or such transition date) occurs.

(d) United shall, and shall cause its Subsidiaries to, honor, in accordance with its terms, each Continental Benefit Plan and all obligations thereunder, including any rights or benefits arising as a result of the transactions contemplated by this Agreement (either alone or in combination with any other event), and United hereby acknowledges that the consummation of the Merger constitutes a change of control or change in control, as the case may be, for all purposes under such Continental Benefit Plans.

(e) Nothing in this Agreement shall be construed as requiring United or any of its Subsidiaries to employ any Continuing Employee for any length of time following the Closing Date. Except as provided in Section 6.13, nothing in this Agreement, express or implied, shall be construed to prevent United or any of its Subsidiaries from (i) terminating, or modifying the terms of employment of, any Continuing Employee following the Closing Date or (ii) terminating or modifying to any extent any Continental Benefit Plan, United Benefit Plan or any other employee benefit plan, program, agreement or arrangement that United or any of its Subsidiaries may establish or maintain; provided, however, that to the extent that, and for so long as, a Continuing Employee remains employed by United or any of its Subsidiaries during the six-month period following the Closing, the compensation and benefits payable to such employee during such period shall be subject to Section 6.12(a). Nothing in this Agreement shall be construed as an amendment to any United Benefit Plan or Continental Benefit Plan or any other compensation and benefit plans maintained for or provided to directors, officers or employees of United or Continental prior to or following the Effective Time.

6.13 Collective Bargaining Agreement Commitments.

United hereby acknowledges that it has received copies of all of Continental's collective bargaining agreements listed in Section 4.12 of the Continental Disclosure Schedule, and all amendments thereto (the "Continental CBAs"), as well as copies of letters or employee materials relating to business combination consequences that Continental has sent or provided to certain groups of its employees that are not covered by collective bargaining agreements (the "Continental Non-Union Employee Letters"). Annex B sets forth certain sections of the Continental CBAs and the Non-Union Employee Letters regarding successor transactions, including those sections listed under the heading "Commitments" (the "Continental Employee Commitments") and under the heading "Irrevocable Commitments" (the "Irrevocable Continental Employee Commitments"). Each of United and Continental hereby agrees, and will cause its Subsidiaries to agree, to abide by the terms of the Continental Employee Commitments, as applicable, and each of United and Continental hereby irrevocably agrees, and will cause its Subsidiaries to agree, irrevocably to abide by the terms of the Irrevocable Continental Employee Commitments with respect to the operations and employees of Continental, Merger Sub and the Surviving Corporation.

In rendering such opinion, such advisor shall be entitled to rely upon representations of officers of Continental, Merger Sub and United made in the form attached hereto as Exhibit C-2.

7.3 Conditions to Obligations of Continental. The obligation of Continental to effect the Merger is also subject to the satisfaction, or waiver by Continental, at or prior to the Effective Time, of the following conditions:

(c) Continental Tax Opinion. Continental shall have received an opinion of Jones Day, or such other reputable Tax counsel reasonably satisfactory to Continental, substantially in the form attached hereto as Exhibit D-1, on the basis of certain facts, representations and assumptions set forth in such opinion, dated as of the date on which the Form S-4 is filed and as of the Closing Date, to the effect that (i) the Merger will be treated for Federal income Tax purposes as a “reorganization” within the meaning of Section 368(a) of the Code and (ii) United, Continental and Merger Sub will each be a “party to the reorganization” with respect to the Merger. In rendering such opinion, such advisor shall be entitled to rely upon representations of officers of Continental, Merger Sub and United made substantially in the form attached hereto as Exhibit D-2.

ARTICLE VIII TERMINATION AND AMENDMENT

8.1 Termination. This Agreement may be terminated at any time prior to the Effective Time, whether before or after receipt of the United Stockholder Approvals or the Continental Stockholder Approval, by action taken or authorized by the Board of Directors of the terminating party or parties:

(a) by mutual consent of United and Continental in a written instrument, if the Board of Directors of each so determines;

(b) by either the United Board or the Continental Board if any Governmental Entity of competent jurisdiction shall have issued a final and nonappealable order permanently enjoining or otherwise prohibiting the consummation of the transactions contemplated by this Agreement, except that no party may terminate this Agreement pursuant to this Section 8.1(b) if such party's breach of its obligations under this Agreement proximately contributed to the occurrence of such order;

(c) by either the United Board or the Continental Board if the United Stockholder Approvals shall not have been obtained at a United Stockholders Meeting or any adjournment or postponement thereof at which the vote was taken;

(d) by either the United Board or the Continental Board if the Continental Stockholder Approval shall not have been obtained at a Continental Stockholders Meeting or any adjournment or postponement thereof at which the vote was taken;

(e) by either the United Board or the Continental Board if the Merger shall not have been consummated on or before December 31, 2010, subject to extension by the mutual agreement of United and Continental (the "End Date"); provided, however, that (i) the End Date (A) shall be automatically extended until the later to occur of the EU Extension Date and the Domestic Regulatory Extension Date and (B) shall be extended to the Substantial Compliance Extension Date (if later than the latest of the dates set forth in clause (A) above) at the election of a party that has previously certified its Substantial Compliance at or prior to the time of such election and (ii) notwithstanding any extension provided for in Section 8.1(e)(i), the End Date shall not be extended to any date that is later than September 30, 2011 (the "Latest Possible End Date"); provided further, however, that no party may terminate this Agreement pursuant to this Section 8.1(e) if such party's breach of its obligations under this Agreement proximately contributed to the failure of the Closing to occur by the End Date;

(f) by the United Board if there shall have been a breach of any of the covenants or agreements or any inaccuracy of any of the representations or warranties set forth in this Agreement on the part of Continental, which breach or inaccuracy, either individually or in the aggregate, would result in, if occurring or continuing on the Closing Date, the failure of the conditions set forth in Section 7.2(a) or (b), unless such failure is reasonably capable of being cured, and Continental is continuing to use its reasonable best efforts to cure such failure, by the End Date;

(g) by the Continental Board if there shall have been a breach of any of the covenants or agreements or any inaccuracy of any of the representations or warranties set forth in this Agreement on the part of United, which breach or inaccuracy, either individually or in the aggregate, would result in, if occurring or continuing on the Closing Date, the failure of the conditions set forth in Section 7.3(a) or (b), unless such failure is reasonably capable of being cured, and United is continuing to use its reasonable best efforts to cure such failure, by the End Date;

(h) by the United Board in the event of an Adverse Recommendation Change by Continental; or

(i) by the Continental Board in the event of an Adverse Recommendation Change by United.

8.2 Effect of Termination. In the event of termination of this Agreement by either United or Continental in accordance with Section 8.1, this Agreement shall forthwith become void and have no effect, and none of United, Continental, any of their respective Subsidiaries or Affiliates or any of the officers or directors of any of the foregoing shall have any liability of any nature whatsoever under this Agreement, or in connection with the transactions contemplated by this Agreement, except that (i) Sections 3.7, 4.7 and 6.7, Article IX (other than Section 9.13) and the last sentence of Section 6.2 as well as the Confidentiality Agreement shall survive any termination of this Agreement and (ii) notwithstanding any termination or any contrary provision contained in this Agreement, neither United nor Continental shall be relieved or released from liability for damages of any kind, including consequential damages and any other damages (whether or not communicated or contemplated at the time of execution of this Agreement) and including as damages the value lost by stockholders based on the consideration that would otherwise have been paid and the benefits that would have accrued arising out of, any (a) knowing material breach of any of its representations and warranties in this Agreement or (b) deliberate material breach of any covenant of this Agreement. No party claiming that such breach occurred will have any duty or otherwise be obligated to mitigate any such damages. For purposes of this Section 8.2, (i) a “knowing” breach of a representation and warranty shall be deemed to have occurred only if an executive officer of the other party had actual knowledge of such breach as of the date hereof (without any independent duty of investigation or verification other than an actual reading of the representations and warranties as they appear in this Agreement by the other party’s chief executive officer and chief legal officer and an actual reading by other executive officers of such party of the representations and warranties included in this Agreement on subjects relevant to the areas as to which they have direct managerial oversight responsibility) and (ii) a “deliberate” breach of any covenant shall be deemed to have occurred only if the other party took or failed to take action with actual knowledge that the action so taken or omitted to be taken constituted a breach of such covenant. For purposes of this Section 8.2, an “executive officer” shall have the meaning given to the term “officer” in Rule 16a-1(f) under the Exchange Act.

8.3 Amendment. Subject to compliance with applicable Law, this Agreement may be amended by United, Merger Sub and Continental, by action taken or authorized by their respective Boards of Directors, at any time before or after the Continental Stockholder Approval, the approval of United as stockholder of Merger Sub (the “Merger Sub Stockholder Approval”) or the United Stockholder Approvals; provided, however, that after the Continental Stockholder Approval or either of the United Stockholder Approvals, there may not be, without further approval of the stockholders of Continental or United, any amendment of this Agreement that changes the amount or the form of the consideration to be delivered under this Agreement to the holders of Continental Common Stock, or which by applicable Law otherwise requires the further approval of such stockholders. This Agreement may not be amended except by an instrument in writing signed on behalf of each of the parties.

8.4 Extension; Waiver. At any time prior to the Effective Time, United (on behalf of itself and Merger Sub) and Continental may, to the extent legally allowed, (a) extend the time for the performance of any of the obligations or other acts of the other party, (b) waive any

inaccuracies in the representations and warranties contained in this Agreement, and (c) waive compliance with any of the agreements or conditions contained in this Agreement. Any agreement on the part of a party to any such extension or waiver will be valid only if set forth in a written instrument signed by an authorized officer on behalf of such party, but such extension or waiver or failure to insist on strict compliance with an obligation, covenant, agreement or condition will not operate as a waiver of, or estoppel with respect to, any subsequent or other failure.

**ARTICLE IX
GENERAL PROVISIONS**

9.1 Nonsurvival of Representations and Warranties. None of the representations, warranties, covenants and agreements in this Agreement or in any instrument delivered pursuant to this Agreement shall survive the Effective Time; provided, however, that this Section 9.1 shall not limit any covenant or agreement of the parties which by its terms contemplates performance after the Effective Time.

9.4 Interpretation. When a reference is made in this Agreement to an Article or Section, such reference shall be to an Article or Section of this Agreement unless otherwise indicated. The table of contents, index of defined terms and headings contained in this Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement. Any capitalized term used in any Exhibit but not otherwise defined therein shall have the meaning assigned to such term in this Agreement. Whenever the words “include,” “includes” or “including” are used in this Agreement, they shall be deemed to be followed by the words “without limitation.” The words “hereof,” “hereto,” “hereby,” “herein” and “hereunder” and words of similar import when used in this Agreement shall refer to this Agreement as a whole and not to any particular provision of this Agreement. The term “or” is not exclusive. The word “extent” in the phrase “to the extent” shall mean the degree to which a subject or other thing extends, and such phrase shall not mean simply “if.” The definitions contained in this Agreement are applicable to the singular as well as the plural forms of such terms. Any agreement, instrument or Law defined or referred to herein means such agreement, instrument or Law as from time to time amended, modified or supplemented, unless otherwise specifically indicated. References to a person are also to its permitted successors and assigns. Unless otherwise specifically indicated, all references to “dollars” and “\$” will be deemed references to the lawful money of the United States of America. The term “made available” and words of similar import means that the relevant documents, instruments or materials were (A) posted and made available to the other party on the Intralinks due diligence data site, with respect to United, or on the Bowne due diligence data site, with respect to Continental, as applicable, maintained by either company for the purpose of the transactions contemplated by this Agreement, prior to the date hereof, or (B) publicly available by virtue of the relevant party’s filing of a publicly available final registration statement, prospectus, report, form, schedule or definitive proxy statement filed with the SEC pursuant to the Securities Act or the Exchange Act, prior to the date of this Agreement. No provision of this Agreement will be interpreted in favor of, or against, any of the parties to this Agreement by reason of the extent to which any such party or its counsel participated in the drafting thereof or by reason of the extent to which any such provision is inconsistent with any prior draft of this Agreement, and no rule of strict construction will be applied against any party hereto. The United Disclosure Schedule and the Continental Disclosure Schedule, as well as all other schedules and all exhibits hereto, will be deemed part of this Agreement and included in any reference to this Agreement. The United Disclosure Schedule and the Continental Disclosure Schedule set forth items of disclosure with specific reference to the particular Section or subsection of this Agreement to which the information in the United Disclosure Schedule or Continental Disclosure Schedule, as the case may be, relates; provided, however, that any fact or item that is disclosed in any section of the United Disclosure Schedule or the Continental Disclosure Schedule so as to make its relevance (i) to other representations made elsewhere in the Agreement, (ii) to the information called for by other sections of the United Disclosure Schedule or the Continental Disclosure Schedule or (iii) to the annexes or exhibits to this Agreement reasonably apparent shall be deemed to qualify such representations or to be disclosed in such other sections of the United Disclosure Schedule, the Continental Disclosure Schedule or the annexes or exhibits to this Agreement, as the case may be, notwithstanding the omission of any appropriate cross-reference thereto; provided further that, notwithstanding anything in this Agreement to the contrary, the inclusion of an item in either such disclosure schedule as an exception to a representation or warranty will not be deemed an admission that such item represents a material exception or material fact, event or

circumstance or that such item has had or would reasonably be expected to have a Material Adverse Effect on United or Continental, as the case may be. This Agreement will not be interpreted or construed to require any Person to take any action, or fail to take any action, if to do so would violate any applicable Law. References to the “other party” or “either party” will be deemed to refer to United and Merger Sub, collectively, on the one hand, and Continental, on the other hand. All electronic communications from a Person shall be deemed to be “written” for purposes of this Agreement.

9.5 Severability. If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced by any rule or Law, or public policy, all other conditions and provisions of this Agreement shall nevertheless remain in full force and effect so long as either the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any party or such party waives its rights under this Section 9.5 with respect thereto. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in an acceptable manner to the end that transactions contemplated hereby are fulfilled to the extent possible. Notwithstanding the foregoing, under no circumstances shall the rights of holders of shares of Continental Common Stock as third-party beneficiaries pursuant to Section 9.7 be exercisable, waivable or enforceable by such stockholders or any other Person acting for or on their behalf other than Continental and its successors in interest. Notwithstanding the foregoing, under no circumstances shall the rights of holders of shares of United Common Stock as third-party beneficiaries pursuant to Section 9.7 be exercisable, waivable or enforceable by such stockholders or any other Person acting for or on their behalf other than United and its successors in interest.

9.6 Counterparts. This Agreement may be executed in one or more counterparts, all of which shall be considered one and the same agreement and shall become effective when one or more counterparts have been signed by each of the parties and delivered to the other parties.

9.7 Entire Agreement; No Third Party Beneficiaries. This Agreement, taken together with the Continental Disclosure Letter and the United Disclosure Letter, and the Confidentiality Agreement, (a) constitute the entire agreement, and supersedes all prior agreements (other than the Confidentiality Agreement) and understandings, both written and oral, among the parties with respect to the Merger and the other transactions contemplated by this Agreement and (b) is not intended to confer upon any Person other than the parties any rights or remedies other than (i) as specifically provided in Section 6.6, (ii) the right of Continental, on behalf of its stockholders, to pursue damages and other relief, including equitable relief, in the event of United’s or Merger Sub’s knowing material breach of any of its representations and warranties in this Agreement or deliberate material breach of any covenant in this Agreement (as the terms “knowing” and “deliberate” are defined in Section 8.2), which right is hereby acknowledged and agreed by United and Merger Sub and (iii) the right of United, on behalf of its stockholders, to pursue damages and other relief, including equitable relief, in the event of Continental’s knowing material breach of any of its representations and warranties in this Agreement or deliberate material breach of any covenant in this Agreement (as the terms “knowing” and “deliberate” are defined in Section 8.2), which right is hereby acknowledged and agreed by Continental; provided, however, that the rights granted pursuant to clauses (ii) and (iii) shall be enforceable

on behalf of holders of Continental Common Stock only by Continental in its sole and absolute discretion or on behalf of holders of United Common Stock only by United in its sole and absolute discretion, it being understood and agreed that any and all interests in such claims shall attach to such shares of Continental Common Stock or United Common Stock, as applicable, and subsequently trade and transfer therewith and, consequently, any damages, settlements or other amounts recovered or received by Continental or United, as applicable, with respect to such claims (net of expenses incurred by Continental or United, as applicable, in connection therewith) may, in Continental's or United's, as applicable, sole and absolute discretion, be (x) as applicable, distributed, in whole or in part, by Continental to the holders of shares of Continental Common Stock of record as of any date determined by Continental or by United to the holders of shares of United Common Stock of record as of any date determined by United or (y) as applicable, retained by Continental for the use and benefit of Continental on behalf of its stockholders in any manner Continental deems fit or retained by United for the use and benefit of United on behalf of its stockholders in any manner United deems fit.

9.8 GOVERNING LAW. THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF DELAWARE, REGARDLESS OF THE LAWS THAT MIGHT OTHERWISE GOVERN UNDER ANY APPLICABLE PRINCIPLES OF CONFLICT OF LAWS OF THE STATE OF DELAWARE.

9.9 Assignment. Neither this Agreement nor any of the rights, interests or obligations under this Agreement shall be assigned, in whole or in part, by operation of Law or otherwise by any of the parties without the prior written consent of the other parties. Any purported assignment without such consent shall be void. Subject to the preceding sentences, this Agreement will be binding upon, inure to the benefit of, and be enforceable by, the parties and their respective successors and assigns.

9.10 Specific Enforcement. The parties acknowledge and agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached, and that monetary damages, even if available, would not be an adequate remedy therefor and therefore fully intend for specific performance to be the principal remedy for breaches of this Agreement. It is accordingly agreed that, prior to the termination of this Agreement pursuant to Article VIII, the parties (on behalf of themselves and the third-party beneficiaries of this Agreement) shall be entitled to an Injunction or Injunctions to prevent breaches of this Agreement and to enforce specifically the performance of terms and provisions of this Agreement in any court referred to in Section 9.11(a), without proof of actual damages this being in addition to any other remedy to which they are entitled at law or in equity. The parties further agree not to assert that a remedy of specific enforcement is unenforceable, invalid, contrary to Law or inequitable for any reason, nor to object to a remedy of specific performance on the basis that a remedy of monetary damages would provide an adequate remedy for any such breach. Each party further acknowledges and agrees that the agreements contained in this Section 9.10 are an integral part of the transactions contemplated by this Agreement and that, without these agreements, the other party would not enter into this Agreement. Each party further agrees that no other party hereto or any other Person shall be required to obtain, furnish or post any bond or similar instrument in connection with or as a condition to obtaining any remedy referred to in this Section 9.10, and each party hereto irrevocably waives any right it may have to require the obtaining, furnishing or posting of any such bond or similar instrument.

9.11 Jurisdiction. Each of the parties hereto hereby (a) agrees that any claim, suit, action or other proceeding, directly or indirectly, arising out of, under or relating to this Agreement, its negotiation or the transactions contemplated by this Agreement, will be heard and determined in the Chancery Court of the State of Delaware (and each agrees that no such claim, action, suit or other proceeding relating to this Agreement will be brought by it or any of its affiliates except in such court), subject to any appeal, provided that if jurisdiction is not then available in the Chancery Court of the State of Delaware, then any such claim, suit, action or other proceeding may be brought in any Delaware state court or any federal court located in the State of Delaware and (b) irrevocably and unconditionally submits to the exclusive jurisdiction of any such court in any such claim, suit, action or other proceeding and irrevocably and unconditionally waives the defense of an inconvenient forum to the maintenance of any such claim, suit, action or other proceeding. Each of the parties hereto further agrees that, to the fullest extent permitted by applicable Law, service of any process, summons, notice or document by U.S. registered mail to such Person's respective address set forth in Section 9.2 will be effective service of process for any claim, action, suit or other proceeding in Delaware with respect to any matters to which it has submitted to jurisdiction as set forth above in the immediately preceding sentence. The parties hereto hereby agree that a final judgment in any such claim, suit, action or other proceeding will be conclusive, subject to any appeal, and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by applicable Law. In connection with any such proceeding that results in a judgment, the non-prevailing party will pay the prevailing party its reasonable costs and expenses (including attorney's fees and expenses) incurred in connection with such proceeding.

9.12 Waiver of Jury Trial. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY SUIT, ACTION OR OTHER PROCEEDING, DIRECTLY OR INDIRECTLY, ARISING OUT OF, UNDER OR RELATING TO THIS AGREEMENT, ITS NEGOTIATION OR ANY OF THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT. EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH PARTY WOULD NOT, IN THE EVENT OF ANY ACTION, SUIT OR PROCEEDING, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT, BY, AMONG OTHER THINGS, THE MUTUAL WAIVER AND CERTIFICATIONS IN THIS SECTION 9.12.

9.13 Publicity. Except (a) with respect to any Adverse Recommendation Change made in accordance with the terms of this Agreement and (b) with respect to disclosures that are consistent with prior disclosures made in compliance with this Section 9.13 or any communications plan or strategy previously agreed on by the parties, United and Continental shall consult with each other before issuing, and give each other the opportunity to review and comment upon, any press release or other public statements with respect to the transactions contemplated by this Agreement, including the Merger, and shall not issue any such press release

or make any such public statement prior to such consultation, except as such party may reasonably conclude may be required by applicable Law, court process or by obligations pursuant to any listing agreement with any national securities exchange or national securities quotation system. The parties agree that all formal employee communication programs or announcements with respect to the transactions contemplated by this Agreement shall be in forms mutually agreed to by the parties (such agreement not to be unreasonably withheld, conditioned or delayed); provided, however, that no further mutual agreement shall be required with respect to any such programs or announcements that are consistent with prior programs or announcements made in compliance with this Section 9.13. The parties agree that the initial press release to be issued with respect to the transactions contemplated by this Agreement shall be in the form heretofore agreed to by the parties.

PART II

Class Pilot MEC Junior Preferred Stock

Unless otherwise indicated, any reference in this Article Fourth, Part II to "Section," "subsection," "paragraph," "subparagraph," or "clause" shall refer to a Section, subsection, paragraph, subparagraph or clause in this Article Fourth, Part II.

Section 1. *Issuance; Restrictions on Transfer.* The share of Class Pilot MEC Preferred Stock shall be issued only to, and shall be held only by, (i) the United Airlines Pilots Master Executive Council (the "MEC") of the Air Line Pilots Association, International ("ALPA") pursuant to ALPA's authority as the collective bargaining representative for the crafts or class of pilots employed by United Air Lines, Inc. ("United OpCo") or (ii) a duly authorized agent acting for the benefit of the MEC. Any purported sale, transfer, pledge or other disposition (a "transfer") of the share of Class Pilot MEC Preferred Stock to any person, other than a successor to the MEC by merger or reorganization of ALPA (in any such case, an "ALPA Successor"), or a duly authorized agent acting for the benefit of ALPA or an ALPA Successor, shall be null and void and of no force and effect. Upon any purported transfer of the share of Class Pilot MEC Preferred Stock by the holder thereof other than as expressly permitted above, and without any further action by the Corporation, such holder or any other person or entity, such

share shall, to the extent of funds legally available therefor and subject to the other provisions of this Restated Certificate, be automatically redeemed by the Corporation in accordance with Subsection 9.2 hereof, and thereupon such share shall no longer be deemed outstanding, and neither such holder nor any purported transferee thereof shall have in respect thereof any of the voting powers, preferences or relative, participating, optional or special rights ascribed to the share of Class Pilot MEC Preferred Stock hereunder, but rather such holder thereafter shall only be entitled to receive the amount payable upon redemption in accordance with Section 9. The certificate representing the share of Class Pilot MEC Preferred Stock shall be legended to reflect the restrictions on transfer and automatic redemption provided for herein.

Section 2. *Definitions.* For purposes of this Article Fourth, Part II, the following terms shall have the meanings indicated:

2.1 “*Affiliate*” shall have the meaning defined in Rule 12b-2 under the Exchange Act.

2.2 “*Board of Directors*” shall mean the board of directors of the Corporation or any committee thereof authorized by such board of directors to perform any of its responsibilities with respect to the Class Pilot MEC Preferred Stock.

2.3 “*Business Day*” shall mean any day other than a Saturday, Sunday or a day on which state or federally chartered banking institutions in New York, New York are not required to be open.

2.4 “*Exchange Act*” means the Securities Exchange Act of 1934, as amended, or any successor act thereto.

2.5 “*set apart for payment*” shall be deemed to include, without any action other than the following, the recording by the Corporation in its accounting ledgers of any accounting or bookkeeping entry which indicates, pursuant to a declaration of dividends or other distribution by the Board of Directors, the allocation of funds to be so paid on any series or class of capital stock of the Corporation; provided, however, that if any funds for any class or series of stock of the Corporation ranking on a parity with or junior to the Class Pilot MEC Preferred Stock as to distributions upon liquidation, dissolution or winding up of the Corporation are placed in a separate account of the Corporation or delivered to a disbursing, paying or other similar agent, then “set apart for payment” with respect to the Class Pilot MEC Preferred Stock shall mean, with respect to such distributions, placing such funds in a separate account or delivering such funds to a disbursing, paying or other similar agent.

2.6 “*Transfer Agent*” means the Corporation or such agent or agents of the Corporation as may be designated from time to time by the Board of Directors as the transfer agent for the Class Pilot MEC Preferred Stock.

Section 3. *Dividends.* The holder of the share of Class Pilot MEC Preferred Stock as such shall not be entitled to receive any dividends or other distributions (except as provided in Section 4).

Section 4. *Payments upon Liquidation.*

4.1 In the event of any voluntary or involuntary liquidation, dissolution or winding up of the Corporation, before any payment or distribution of the assets of the Corporation (whether capital or surplus) shall be made to or set apart for payment to the holders of any class or series of stock of the Corporation that ranks junior to the Class Pilot MEC Preferred Stock as to amounts distributable upon liquidation, dissolution or winding up of the Corporation, the holder of the share of Class Pilot MEC Preferred Stock shall be entitled to receive \$0.01 for the share of Class Pilot MEC Preferred Stock (the "MEC Liquidation Preference"), but such holder shall not be entitled to any further payment. If, upon any liquidation, dissolution or winding up of the Corporation, the assets of the Corporation, or proceeds thereof, distributable to the holder of the share of Class Pilot MEC Preferred Stock shall be insufficient to pay in full the MEC Liquidation Preference and the liquidation preference on all other shares of any class or series of stock of the Corporation that ranks on a parity with the Class Pilot MEC Preferred Stock as to amounts distributable upon liquidation, dissolution or winding up of the Corporation, then such assets, or the proceeds thereof, shall be distributed among the holder of the share of Class Pilot MEC Preferred Stock and any such other parity stock if all amounts payable thereon were paid in full. For the purposes of this Section 4, (i) a consolidation or merger of the Corporation with or into one or more corporations, or (ii) a sale, lease, exchange or transfer of all or substantially all of the Corporation's assets, shall not be deemed to be a liquidation, dissolution or winding up, voluntary or involuntary, of the Corporation.

4.2 Subject to the rights of the holders of shares of any series or class of stock ranking prior to or on a parity with the Class Pilot MEC Preferred Stock as to amounts distributable upon liquidation, dissolution or winding up of the Corporation, after payment shall have been made to the holder of the share of Class Pilot MEC Preferred Stock, as and to the fullest extent provided in this Section 4, any series or class of stock of the Corporation that ranks junior to the Class Pilot MEC Preferred Stock as to amounts distributable upon liquidation, dissolution or winding up of the Corporation, shall, subject to the respective terms and provisions (if any) applying thereto, be entitled to receive any and all assets remaining to be paid or distributed, and the holder of the share of Class Pilot MEC Preferred Stock shall not be entitled to share therein.

Section 5. *Shares to be Retired.* The share of Class Pilot MEC Preferred Stock which shall have been issued and reacquired in any manner (other than redemption pursuant to Section 9.1) by the Corporation shall be retired and restored to the status of an authorized but unissued share of Class Pilot MEC Preferred Stock and, in the event of the redemption of such share pursuant to Section 9.1 hereof, shall not be reissued.

Section 6. *Ranking.*

6.1 Any class or series of stock of the Corporation shall be deemed to rank:

(a) prior to the Class Pilot MEC Preferred Stock as to the distribution of assets upon liquidation, dissolution or winding up, if the holders of such class or series shall be entitled to the receipt of amounts distributable upon liquidation, dissolution or winding up in preference or priority to the holder of Class Pilot MEC Preferred Stock;

(b) on a parity with the Class Pilot MEC Preferred Stock as to the distribution of assets upon liquidation, dissolution or winding up, whether or not the liquidation prices per share thereof be different from those of the Class Pilot MEC Preferred Stock, if the holders of such class or series and the Class Pilot MEC Preferred Stock shall be entitled to the receipt of amounts distributable upon liquidation, dissolution or winding up in proportion to their respective liquidation preferences, without preference or priority one over the other; and

(c) junior to the Class Pilot MEC Preferred Stock, as to the distribution of assets upon liquidation, dissolution or winding up, if the holder of Class Pilot MEC Preferred Stock shall be entitled to the receipt of amounts distributable upon liquidation, dissolution or winding up in preference or priority to the holders of shares of such class or series.

6.2 The Class IAM Preferred Stock shall be deemed to rank on a parity with the Class Pilot MEC Preferred Stock as to amounts distributable upon liquidation, dissolution or winding up. The Common Stock shall each be deemed to rank junior to the Class Pilot MEC Preferred Stock as to amounts distributable upon liquidation, dissolution or winding up.

Section 7. Consolidation, Merger, etc.

7.1 In case the Corporation enters into any consolidation, merger, share exchange or similar transaction, however named, involving the Corporation or its subsidiary, United OpCo (or any successor to all or substantially all the assets or business of United OpCo), pursuant to which the outstanding shares of Common Stock are to be exchanged for or changed, reclassified or converted into securities of any successor or resulting or other company (including the Corporation), or cash or other property (each of the foregoing transactions is referred to herein as a "Merger Transaction"), proper provision shall be made so that, upon consummation of such transaction, the share of Class Pilot MEC Preferred Stock shall be converted, reclassified or changed into or exchanged for preferred stock of such successor or resulting or other company having, in respect of such company, the same powers, preferences and relative, participating, optional or other special rights (including the rights provided by this Section 7), and the qualifications, limitations or restrictions thereof, that the Class Pilot MEC Preferred Stock had, in respect of the Corporation, immediately prior to such transaction; specifically including, without limitation, the right, until the ALPA Termination Date (as defined in Section 8.1 below), to elect one member of the board of directors (or similar governing body) of such company.

7.2 In case the Corporation shall enter into any agreement providing for any Merger Transaction, then the Corporation shall as soon as practicable thereafter (and in any event at least fifteen (15) Business Days before consummation of such transaction) give notice of such agreement and the material terms thereof to the holder of the share of Class Pilot MEC Preferred Stock. The Corporation shall not consummate any such Merger Transaction unless all of the terms of this Section 7 and Section 8 have been complied with.

Section 8. Voting. The holder of the share of Class Pilot MEC Preferred Stock shall have the following voting rights:

8.1 Until such time (the "ALPA Termination Date") as (i) there are no longer any persons represented by ALPA (or any ALPA Successor) employed by the Corporation or any of

its Affiliates or (ii) the collective bargaining agreement between the Corporation or any of its Affiliates and ALPA has been amended by the parties thereto so that such agreement no longer provides that ALPA has the right to appoint a director of the Corporation, the holder of the share of Class Pilot MEC Preferred Stock shall have the right (a) voting as a separate class, to (1) elect one director to the Board of Directors at each annual meeting of stockholders for a term of office to expire at the succeeding annual meeting of stockholders, (2) remove such director with or without cause and (3) fill any vacancies in such directorship resulting from death, resignation, disqualification, removal or other cause, and (b) voting together as a single class with the holders of Common Stock and the holders of such other classes or series of stock that vote together with the Common Stock as a single class, to vote on all matters submitted to a vote of the holders of Common Stock of the Corporation (other than the election of Directors), except as otherwise required by law.

8.2 The affirmative vote of the holder of the share of Class Pilot MEC Preferred Stock, voting as a separate class, shall be necessary for authorizing, effecting or validating the amendment, alteration or repeal (including any amendment, alteration or repeal by operation of merger or consolidation) of any of the provisions of this Restated Certificate or of any certificate amendatory thereof or supplemental thereto (including any Certificate of Designation, Preferences and Rights or any similar document relating to any series of Serial Preferred Stock) which would adversely affect the powers, preferences or special rights of the Class Pilot MEC Preferred Stock.

8.3 For purposes of the foregoing provisions of Sections 8.1 and 8.2, the share of Class Pilot MEC Preferred Stock shall have one (1) vote.

Section 9. *Redemption.*

9.1 The share of Class Pilot MEC Preferred Stock shall, to the extent of funds legally available therefor and subject to the other provisions of this Restated Certificate, be automatically redeemed on the ALPA Termination Date, at a price of \$0.01 per share, as provided herein below. As promptly as reasonably possible following the occurrence of the ALPA Termination Date, the Corporation shall give notice thereof and of the redemption under this Section 9 to the record holder of the Class Pilot MEC Preferred Stock. From and after the redemption provided for in this Section 9.1, all rights of the holder of the Class Pilot MEC Preferred Stock as such, except the right to receive the redemption price of such share upon the surrender of the certificate formerly representing the same, shall cease and terminate and such share shall not thereafter be deemed to be outstanding for any purpose whatsoever.

9.2 The share of Class Pilot MEC Preferred Stock shall, to the extent of funds legally available therefor and subject to the other provisions of this Restated Certificate, be automatically redeemed upon any purported transfer thereof other than as expressly permitted under Section 1.2. The redemption price to be paid in connection with any redemption shall be \$0.01 per share of Class Pilot MEC Preferred Stock. Upon any such redemption, all rights of the holder of Class Pilot MEC Preferred Stock as such, except the right to receive the redemption price of such share upon the surrender of the certificate formerly representing the same, shall cease and terminate and such share shall not thereafter be deemed to be outstanding for any purpose whatsoever.

9.3 The holder of the share of Class Pilot MEC Preferred Stock so redeemed pursuant to Section 9.1 or 9.2 shall present and surrender the certificate formerly representing such share to the Corporation and thereupon the redemption price of such share shall be paid to or on the order of the person whose name appears on such certificate as the owner thereof and the surrendered certificate shall be cancelled.

Section 10. *Record Holders.* The Corporation and the Transfer Agent (if other than the Corporation) may deem and treat the record holder of the share of Class Pilot MEC Preferred Stock as the true and lawful owner thereof for all purposes, and, except as otherwise provided by law, neither the Corporation nor the Transfer Agent shall be affected by any notice to the contrary.

PART III

Class IAM Junior Preferred Stock

Unless otherwise indicated, any reference in this Article Fourth, Part III to “Section,” “subsection,” “paragraph,” “subparagraph,” or “clause” shall refer to a Section, subsection, paragraph, subparagraph or clause in this Article Fourth, Part III.

Section 1. *Issuance; Restrictions on Transfer.* The share of Class IAM Preferred Stock shall be issued only to, and shall be held only by, (i) the International Association of Machinists and Aerospace Workers (the “IAM”) pursuant to the IAM’s authority as the collective bargaining representative for certain crafts or classes of public contact employees, ramp and stores employees, food service and security officer employees, Mileage Plus public contact employees, fleet technical instructors and related and maintenance instructor employees employed by United OpCo or (ii) a duly authorized agent acting for the benefit of the IAM. Any purported sale, transfer, pledge or other disposition (hereinafter a “transfer”) of the share of Class IAM Preferred Stock to any person, other than a successor to the IAM by merger or reorganization of the IAM (in any such case, an “IAM Successor”), or a duly authorized agent acting for the benefit of the IAM or an IAM Successor, shall be null and void and of no force and effect. Upon any purported transfer of the share of Class IAM Preferred Stock by the holder thereof other than as expressly permitted above, and without any further action by the Corporation, such holder or any other person or entity, such share shall, to the extent of funds legally available therefor and subject to the other provisions of this Restated Certificate, be automatically redeemed by the Corporation in accordance with Subsection 9.2 hereof, and thereupon such share shall no longer be deemed outstanding, and neither such holder nor any purported transferee thereof shall have in respect thereof any of the voting powers, preferences or relative, participating, optional or special rights ascribed to the share of Class IAM Preferred Stock hereunder, but rather such holder thereafter shall only be entitled to receive the amount payable upon redemption in accordance with Section 9. The certificate representing the share of Class IAM Preferred Stock shall be legended to reflect the restrictions on transfer and automatic redemption provided for herein.

Section 2. *Definitions.* For purposes of this Article Fourth, Part III, the following terms shall have the meanings indicated:

2.1 “*Affiliate*” shall have the meaning defined in Rule 12b-2 under the Exchange Act.

2.2 “*Board of Directors*” shall mean the board of directors of the Corporation or any committee thereof authorized by such board of directors to perform any of its responsibilities with respect to the Class IAM Preferred Stock.

2.3 “*Business Day*” shall mean any day other than a Saturday, Sunday or a day on which state or federally chartered banking institutions in New York, New York are not required to be open.

2.4 “*Exchange Act*” means the Securities Exchange Act of 1934, as amended, or any successor act thereto.

2.5 “*set apart for payment*” shall be deemed to include, without any action other than the following, the recording by the Corporation in its accounting ledgers of any accounting or bookkeeping entry which indicates, pursuant to a declaration of dividends or other distribution by the Board of Directors, the allocation of funds to be so paid on any series or class of capital stock of the Corporation; provided, however, that if any funds for any class or series of stock of the Corporation ranking on a parity with or junior to the Class IAM Preferred Stock as to distributions upon liquidation, dissolution or winding up of the Corporation are placed in a separate account of the Corporation or delivered to a disbursing, paying or other similar agent, then “set apart for payment” with respect to the Class IAM Preferred Stock shall mean, with respect to such distributions, placing such funds in a separate account or delivering such funds to a disbursing, paying or other similar agent.

2.6 “*Transfer Agent*” means the Corporation or such agent or agents of the Corporation as may be designated from time to time by the Board of Directors as the transfer agent for the Class IAM Preferred Stock.

Section 3. *Dividends.* The holder of the share of Class IAM Preferred Stock as such shall not be entitled to receive any dividends or other distributions (except as provided in Section 4).

Section 4. *Payments upon Liquidation.*

4.1 In the event of any voluntary or involuntary liquidation, dissolution or winding up of the Corporation, before any payment or distribution of the assets of the Corporation (whether capital or surplus) shall be made to or set apart for payment to the holders of any class or series of stock of the Corporation that ranks junior to the Class IAM Preferred Stock as to amounts distributable upon liquidation, dissolution or winding up of the Corporation, the holder of the share of Class IAM Preferred Stock shall be entitled to receive \$0.01 for the share of Class IAM Preferred Stock (the “IAM Liquidation Preference”), but such holder shall not be entitled to any further payment. If, upon any liquidation, dissolution or winding up of the Corporation, the assets of the Corporation, or proceeds thereof, distributable to the holder of the share of Class IAM Preferred Stock shall be insufficient to pay in full the IAM Liquidation Preference and the

liquidation preference on all other shares of any class or series of stock of the Corporation that ranks on a parity with the Class IAM Preferred Stock as to amounts distributable upon liquidation, dissolution or winding up of the Corporation, then such assets, or the proceeds thereof, shall be distributed among the holder of the share of Class IAM Preferred Stock and any such other parity stock ratably in accordance with the respective amounts that would be payable on such share of Class IAM Preferred Stock and any such other parity stock if all amounts payable thereon were paid in full. For the purposes of this Section 4, (i) a consolidation or merger of the Corporation with or into one or more corporations, or (ii) a sale, lease, exchange or transfer of all or substantially all of the Corporation's assets, shall not be deemed to be a liquidation, dissolution or winding up, voluntary or involuntary, of the Corporation.

4.2 Subject to the rights of the holders of shares of any series or class of stock ranking prior to or on a parity with the Class IAM Preferred Stock as to amounts distributable upon liquidation, dissolution or winding up of the Corporation, after payment shall have been made to the holder of the share of Class IAM Preferred Stock, as and to the fullest extent provided in this Section 4, any series or class of stock of the Corporation that ranks junior to the Class IAM Preferred Stock as to amounts distributable upon liquidation, dissolution or winding up of the Corporation, shall, subject to the respective terms and provisions (if any) applying thereto, be entitled to receive any and all assets remaining to be paid or distributed, and the holder of the share of Class IAM Preferred Stock shall not be entitled to share therein.

Section 5. *Shares to be Retired.* The share of Class IAM Preferred Stock which shall have been issued and reacquired in any manner (other than redemption pursuant to Section 9.1) by the Corporation shall be retired and restored to the status of an authorized but unissued share of Class IAM Preferred Stock and, in the event of the redemption of such share pursuant to Section 9.1 hereof, shall not be reissued.

Section 6. *Ranking.*

6.1 Any class or series of stock of the Corporation shall be deemed to rank:

(a) prior to the Class IAM Preferred Stock as to the distribution of assets upon liquidation, dissolution or winding up, if the holders of such class or series shall be entitled to the receipt of amounts distributable upon liquidation, dissolution or winding up in preference or priority to the holder of Class IAM Preferred Stock;

(b) on a parity with the Class IAM Preferred Stock as to the distribution of assets upon liquidation, dissolution or winding up, whether or not the liquidation prices per share thereof be different from those of the Class IAM Preferred Stock, if the holders of such class or series and the Class IAM Preferred Stock shall be entitled to the receipt of amounts distributable upon liquidation, dissolution or winding up in proportion to their respective liquidation preferences, without preference or priority one over the other; and

(c) junior to the Class IAM Preferred Stock, as to the distribution of assets upon liquidation, dissolution or winding up, if the holder of Class IAM Preferred Stock shall be entitled to the receipt of amounts distributable upon liquidation, dissolution or winding up in preference or priority to the holders of shares of such class or series.

6.2 The Class Pilot MEC Preferred Stock shall be deemed to rank on a parity with the Class IAM Preferred Stock as to amounts distributable upon liquidation, dissolution or winding up. Section 7. *Consolidation, Merger, etc.*

7.1 In case the Corporation enters into any consolidation, merger, share exchange or similar transaction, however named, involving the Corporation or its subsidiary, United OpCo (or any successor to all or substantially all the assets or business of United OpCo), pursuant to which the outstanding shares of Common Stock are to be exchanged for or changed, reclassified or converted into securities of any successor or resulting or other company (including the Corporation), or cash or other property (each of the foregoing transactions is referred to herein as a "Merger Transaction"), proper provision shall be made so that, upon consummation of such transaction, the share of Class IAM Preferred Stock shall be converted, reclassified or changed into or exchanged for preferred stock of such successor or resulting or other company having, in respect of such company, the same powers, preferences and relative, participating, optional or other special rights (including the rights provided by this Section 7), and the qualifications, limitations or restrictions thereof, that the Class IAM Preferred Stock had, in respect of the Corporation, immediately prior to such transaction; specifically including, without limitation, the right, until the IAM Termination Date (as defined in Section 8.1 below), to elect one member of the board of directors (or similar governing body) of such company.

7.2 In case the Corporation shall enter into any agreement providing for any Merger Transaction, then the Corporation shall as soon as practicable thereafter (and in any event at least fifteen (15) Business Days before consummation of such transaction) give notice of such agreement and the material terms thereof to the holder of the share of Class IAM Preferred Stock. The Corporation shall not consummate any such Merger Transaction unless all of the terms of this Section 7 and Section 8 have been complied with.

Section 8. *Voting.* The holder of the share of Class IAM Preferred Stock shall have the following voting rights:

8.1 Until such time (the "IAM Termination Date") as (i) there are no longer any persons represented by the IAM (or any IAM Successor) employed by the Corporation or any of its Affiliates or (ii) the letter agreement between the Corporation and the IAM, dated as of May 1, 2003, no longer provides that the IAM has the right to appoint a director of the Corporation, the holder of the share of Class IAM Preferred Stock shall have the right (a) voting as a separate class, to (1) elect one director to the Board of Directors at each annual meeting of stockholders for a term of office to expire at the succeeding annual meeting of stockholders, (2) remove such director with or without cause and (3) fill any vacancies in such directorship resulting from death, resignation, disqualification, removal or other cause, and (b) voting together as a single class with the holders of Common Stock and the holders of such other classes or series of stock that vote together with the Common Stock as a single class, to vote on all matters submitted to a vote of the holders of Common Stock of the Corporation (other than the election of Directors), except as otherwise required by law.

8.2 The affirmative vote of the holder of the share of Class IAM Preferred Stock, voting as a separate class, shall be necessary for authorizing, effecting or validating the amendment, alteration or repeal (including any amendment, alteration or repeal by operation of merger or consolidation) of any of the provisions of this Restated Certificate or of any certificate amendatory thereof or supplemental thereto (including any Certificate of Designation, Preferences and Rights or any similar document relating to any series of Serial Preferred Stock) which would adversely affect the powers, preferences or special rights of the Class IAM Preferred Stock.

8.3 For purposes of the foregoing provisions of Sections 8.1 and 8.2, the share of Class IAM Preferred Stock shall have one (1) vote.

Section 9. *Redemption.*

9.1 The share of Class IAM Preferred Stock shall, to the extent of funds legally available therefor and subject to the other provisions of this Restated Certificate, be automatically redeemed on the IAM Termination Date, at a price of \$0.01 per share, as provided herein below. As promptly as reasonably possible following the occurrence of the IAM Termination Date, the Corporation shall give notice thereof and of the redemption under this Section 9 to the record holder of the Class IAM Preferred Stock. From and after the redemption provided for in this Section 9.1, all rights of the holder of the Class IAM Preferred Stock as such, except the right to receive the redemption price of such share upon the surrender of the certificate formerly representing the same, shall cease and terminate and such share shall not thereafter be deemed to be outstanding for any purpose whatsoever.

9.2 The share of Class IAM Preferred Stock shall, to the extent of funds legally available therefor and subject to the other provisions of this Restated Certificate, be automatically redeemed upon any purported transfer thereof other than as expressly permitted under Section 1.2. The redemption price to be paid in connection with any redemption shall be \$0.01 per share of Class IAM Preferred Stock. Upon any such redemption, all rights of the holder of Class IAM Preferred Stock as such, except the right to receive the redemption price of such share upon the surrender of the certificate formerly representing the same, shall cease and terminate and such share shall not thereafter be deemed to be outstanding for any purpose whatsoever.

9.3 The holder of the share of Class IAM Preferred Stock so redeemed pursuant to Sections 9.1 or 9.2 shall present and surrender the certificate formerly representing such share to the Corporation and thereupon the redemption price of such share shall be paid to or on the order of the person whose name appears on such certificate as the owner thereof and the surrendered certificate shall be cancelled.

Section 10. *Record Holders.* The Corporation and the Transfer Agent (if other than the Corporation) may deem and treat the record holder of the share of Class IAM Preferred Stock as the true and lawful owner thereof for all purposes, and, except as otherwise provided by law, neither the Corporation nor the Transfer Agent shall be affected by any notice to the contrary.

(b) *Allocation of Cap Amounts.* The restrictions imposed by the Cap Amount shall be applied pro rata among the holders of Equity Securities who fail to qualify as "citizens of the United States" based on the number of votes the underlying securities are entitled to.

(c) Each certificate or other representative document for Equity Securities (including each such certificate or representative document for Equity Securities issued upon any permitted transfer of Equity Securities) shall contain a legend in substantially the following form:

"The [**type of Equity Securities**] represented by this [**certificate/representative document**] are subject to voting restrictions with respect to [**shares/warrants, etc.**] held by persons or entities that fail to qualify as "citizens of the United States" as the term is defined used in Section 40102(a)(15) of Title 49 of the United States Code. Such voting restrictions are contained in the Restated Certificate of United Continental Holdings, Inc., as the same may be amended or restated from time to time. Section 4. *Stockholder Action*. Any action required or permitted to be taken by the stockholders of the Corporation must be effected at a duly called annual or special meeting of such stockholders and may not be effected by any consent in writing by such stockholders.

A Person will be deemed the “Beneficial Owner” of, and will be deemed to “Beneficially Own,” and will be deemed to have “Beneficial Ownership” of:

(a) any securities that such Person or any of such Person’s Affiliates or Associates is deemed to “Beneficially Own” within the meaning of Rule 13d-3 under the Exchange Act, and any securities deposited into a trust established by or on behalf of the Person or any of its Affiliates or Associates, the sole beneficiaries of which are the shareholders of the Person;

(b) any securities (the “Underlying Securities”) that such Person or any of such Person’s Affiliates or Associates has the right to acquire (whether such right is exercisable immediately or only after the passage of time) pursuant to any agreement, arrangement or understanding (written or oral), or upon the exercise of conversion rights, exchange rights, rights, warrants or options, or otherwise (it being understood that such Person will also be deemed to be the Beneficial Owner of the securities convertible into or exchangeable for the Underlying Securities); and

(c) any securities Beneficially Owned by persons that are part of a “group” (within the meaning of Rule 13d-5(b) under the Exchange Act) with such Person. For purposes of calculating the percentage of Voting Securities that are Beneficially Owned by any Person, such calculation will be made based on the aggregate number of issued and outstanding securities at the time of such calculation, but will not include in the denominator any such securities issuable upon any options, warrants or other securities that are exercisable for such securities.

“Code” means the Internal Revenue Code of 1986, as amended.

“*Corporation Securities*” means (i) shares of Common Stock, (ii) shares of Preferred Stock (other than preferred stock described in Section 1504(a)(4) of the Code), (iii) warrants, rights, or options (including options within the meaning of Treasury Regulation § 1.382-2T(h)(4)(v)) to purchase stock of the Corporation, and (iv) any other interest that would be treated as “stock” of the Corporation pursuant to Treasury Regulation § 1.382-2T(f)(18).

“*Transfer*” means, with respect to any person other than the Corporation, any direct or indirect sale, transfer, assignment, conveyance, pledge or other disposition, other than a sale, transfer, assignment, conveyance, pledge or other disposition to a wholly owned subsidiary of the transferor, or, if the transferor is wholly owned by a Person, to a wholly owned subsidiary of such Person. A Transfer also shall include the creation or grant of an option (including an option within the meaning of Treasury Regulation § 1.382-2T(h)(4)(v)).

“*Voting Securities*” means all securities that by their terms are entitled to vote generally in the election of directors of the Corporation (without giving effect to any contractual limitations on voting).

5.2 Any attempted Transfer of Corporation Securities prior to the earliest of (A) February 1, 2014, or such later date as may be approved by the Board of Directors, (B) the repeal, amendment or modification of Section 382 of the Code (and any comparable successor provision) (“Section 382”) in such a way as to render the restrictions imposed by Section 382 no longer applicable to the Corporation, (C) the beginning of a taxable year of the Corporation (or any successor thereof) in which no Tax Benefits are available, and (D) the date on which the limitation amount imposed by Section 382 in the event of an ownership change of the Corporation, as defined in Section 382, would not be materially less than the net operating loss

carryforward or net unrealized built-in loss of the Corporation (the "Restriction Release Date"), or any attempted Transfer of Corporation Securities pursuant to an agreement entered into prior to the Restriction Release Date, shall be prohibited and void ab initio so far as it purports to transfer ownership or rights in respect of such stock to the Purported Transferee (y) if the transferor is a Five-Percent Shareholder or (z) to the extent that, as a result of such Transfer (or any series of Transfers of which such Transfer is a part), either (1) any Person or group of Persons shall become a Five-Percent Shareholder other than by reason of Treasury Regulation Section 1.382-2T(j)(3) or any successor to such regulation or (2) the Percentage Stock Ownership interest in the Corporation of any Five-Percent Shareholder shall be increased; provided, that this paragraph 5.2 shall not apply to, nor shall any other provision in this Restated Certificate prohibit, restrict or limit in any way, (i) the issuance of Corporation Securities by the Corporation in accordance with the Second Amended Joint Plan of Reorganization of the Corporation dated January 20, 2006 (the "Chapter 11 Plan") or (ii) the issuance of Corporation Securities by the Corporation pursuant to the Agreement and Plan of Merger among UAL Corporation, Continental Airlines, Inc. and JT Merger Sub Inc. dated as of May 2, 2010, but not any subsequent transfer of such Corporation Securities.

5.3 The restrictions set forth in paragraph 5.2 shall not apply to an attempted Transfer that is a 5% Transaction if the transferor or the transferee obtains the prior written approval of the Board of Directors or a duly authorized committee thereof.

As a condition to granting its approval pursuant to this paragraph 5.3, the Board of Directors may, in its discretion, require (at the expense of the transferor and/or transferee) an opinion of counsel selected by the Board of Directors that the Transfer shall not result in the application of any Section 382 limitation on the use of the Tax Benefits. The Board of Directors may exercise the authority granted by this Section 5 through duly authorized officers or agents of the Corporation.

5.4 Each certificate representing shares of Corporation Securities issued prior to the Restriction Release Date shall contain the legend set forth on Exhibit A hereto, evidencing the restrictions set forth in this Section 5 and Sections 6 and 7.

Section 6. *Treatment of Excess Securities.*

6.1 No employee or agent of the Corporation shall record any Prohibited Transfer, and the purported transferee of such a Prohibited Transfer (the "Purported Transferee") shall not be recognized as a stockholder of the Corporation for any purpose whatsoever in respect of the Corporation Securities which are the subject of the Prohibited Transfer (the "Excess Securities"). Until the Excess Securities are acquired by another Person in a Transfer that is not a Prohibited Transfer, the Purported Transferee shall not be entitled with respect to such Excess Securities to any rights of stockholders of the Corporation, including, without limitation, the right to vote such Excess Securities and to receive dividends or distributions, whether liquidating or otherwise, in respect thereof, if any; provided, however, that the Transferor of such Excess Securities shall not be required to disgorge, and shall be permitted to retain for its own account, any proceeds of such Transfer, and shall have no further rights, responsibilities, obligations or liabilities with respect to such Excess Securities, if such Transfer was a Prohibited Transfer pursuant to Section 5.2(z). Once the Excess Securities have been acquired in a

Transfer that is not a Prohibited Transfer, the Corporation Securities shall cease to be Excess Securities. For this purpose, any transfer of Excess Securities not in accordance with the provisions of this Section 6 shall also be a Prohibited Transfer.

6.2 If the Board of Directors determines that a Transfer of Corporation Securities constitutes a Prohibited Transfer then, upon written demand by the Corporation, the Purported Transferee shall transfer or cause to be transferred any certificate or other evidence of ownership of the Excess Securities within the Purported Transferee's possession or control, together with any dividends or other distributions that were received by the Purported Transferee from the Corporation with respect to the Excess Securities ("Prohibited Distributions"), to an agent designated by the Board of Directors (the "Agent"). The Agent shall thereupon sell to a buyer or buyers, which may include the Corporation, the Excess Securities transferred to it in one or more arm's-length transactions (over the New York Stock Exchange or other national securities exchange on which the Corporation Securities may be traded, if possible, or otherwise privately); provided, however, that the Agent shall effect such sale or sales in an orderly fashion and shall not be required to effect any such sale within any specific time frame if, in the Agent's discretion, such sale or sales would disrupt the market for the Corporation Securities or otherwise would adversely affect the value of the Corporation Securities. If the Purported Transferee has resold the Excess Securities before receiving the Corporation's demand to surrender Excess Securities to the Agent, the Purported Transferee shall be deemed to have sold the Excess Securities for the Agent, and shall be required to transfer to the Agent any Prohibited Distributions and proceeds of such sale, except to the extent that the Corporation grants written permission to the Purported Transferee to retain a portion of such sales proceeds not exceeding the amount that the Purported Transferee would have received from the Agent pursuant to Section 6.3 if the Agent rather than the Purported Transferee had resold the Excess Securities.

6.3 The Agent shall apply any proceeds of a sale by it of Excess Securities and, if the Purported Transferee had previously resold the Excess Securities, any amounts received by it from a Purported Transferee as follows: (x) first, such amounts shall be paid to the Agent to the extent necessary to cover its costs and expenses incurred in connection with its duties hereunder; (y) second, any remaining amounts shall be paid to the Purported Transferee, up to the amount paid by the Purported Transferee for the Excess Securities (or the fair market value, (1) calculated on the basis of the closing market price for the Corporation Securities on the day before the Prohibited Transfer, (2) if the Corporation Securities are not listed or admitted to trading on any stock exchange but are traded in the over-the-counter market, calculated based upon the difference between the highest bid and lowest asked prices, as such prices are reported by the National Association of Securities Dealers through its NASDAQ system or any successor system on the day before the Prohibited Transfer or, if none, on the last preceding day for which such quotations exist, or (3) if the Corporation Securities are neither listed nor admitted to trading on any stock exchange nor traded in the over-the-counter market, then as determined in good faith by the Board of Directors, of the Excess Securities at the time of the Prohibited Transfer to the Purported Transferee by gift, inheritance, or similar Transfer), which amount (or fair market value) shall be determined at the discretion of the Board of Directors; and (z) third, any remaining amounts, subject to the limitations imposed by the following proviso, shall be paid to one or more organizations qualifying under Section 501(c)(3) of the Code (or any comparable successor provision) ("Section 501(c)(3)") selected by the Board of Directors; provided, however, that if the Excess Securities (including any Excess Securities arising from a

previous Prohibited Transfer not sold by the Agent in a prior sale or sales), represent a 5% or greater Percentage Stock Ownership in any class of Corporation Securities, then any such remaining amounts to the extent attributable to the disposition of the portion of such Excess Securities exceeding a 4.99% Percentage Stock Ownership interest in such class shall be paid to two or more organizations qualifying under Section 501(c)(3) selected by the Board of Directors. The recourse of any Purported Transferee in respect of any Prohibited Transfer shall be limited to the amount payable to the Purported Transferee pursuant to clause (y) of the preceding sentence. In no event shall the proceeds of any sale of Excess Securities pursuant to this Section 6 inure to the benefit of the Corporation.

6.4 If the Purported Transferee fails to surrender the Excess Securities or the proceeds of a sale thereof to the Agent within thirty days from the date on which the Corporation makes a written demand pursuant to Section 6.2, then the Corporation shall use its best efforts to enforce the provisions hereof, including the institution of legal proceedings to compel the surrender.

6.5 The Corporation shall make the written demand described in Section 6.2 within thirty days of the date on which the Board of Directors determines that the attempted Transfer would result in Excess Securities; provided, however, that if the Corporation makes such demand at a later date, the provisions of Sections 5 and 6 shall apply nonetheless.

Section 7. *Board Authority.*

The Board of Directors shall have the power to determine all matters necessary for assessing compliance with Sections 5 and 6, including, without limitation, (A) the identification of Five-Percent Shareholders, (B) whether a Transfer is a 5% Transaction or a Prohibited Transfer, (C) the Percentage Stock Ownership in the Corporation of any Five-Percent Shareholder, (D) whether an instrument constitutes a Corporation Security, (E) the amount (or fair market value) due to a Purported Transferee pursuant to clause (y) of Section 6.3, and (F) any other matters which the Board of Directors determines to be relevant; and the good faith determination of the Board of Directors on such matters shall be conclusive and binding for all the purposes of Sections 5 and 6.

ARTICLE FIFTH.

Unless otherwise indicated, any reference in this Article Fifth to "Section," "subsection," "paragraph," "subparagraph," or "clause" shall refer to a Section, subsection, paragraph, subparagraph or clause in this Article Fifth.

In addition to the powers conferred expressly by this Restated Certificate and the Restated Bylaws, the Board of Directors may exercise all powers and perform all acts that are not required, by this Restated Certificate, the Restated Bylaws or applicable law, to be exercised or performed by the Stockholders.

2.2 Number. Except as otherwise provided for or fixed by or pursuant to the provisions of Article Fourth hereof relating to the rights of the holders of any class or series of stock to elect Directors and take certain actions with respect to such elected Directors, the number of Directors shall be fixed from time to time exclusively pursuant to a resolution of the Board of Directors (but shall not be fewer than five).

2.3 Term of Office. Except as otherwise provided in this Restated Certificate, each Director shall hold office until the next annual meeting of Stockholders and until his or her successor is elected and qualified, subject to such Director’s earlier death, resignation or removal.

Each Director shall have one vote.

Section 3. *Special Voting Provisions.*

3.1 Election of Directors. Notwithstanding any other provision of this Restated Certificate, and except as otherwise required by law, whenever the holders of one or more series of Preferred Stock shall have the right, voting separately as a class, to elect one or more Directors, the term of office, the filling of vacancies, the removal from office and other features

During any period when the holders of any series of Preferred Stock (other than the Class Pilot MEC Preferred Stock and the Class IAM Preferred Stock) have the right to elect additional Directors as provided for or fixed by or pursuant to the provisions of Article Fourth hereof, then upon commencement and for the duration of the period during which such right continues: (i) the then otherwise total authorized number of Directors of the Corporation shall automatically be increased by such specified number of Directors, and the holders of such Preferred Stock shall be entitled to elect the additional Directors so provided for or fixed by or pursuant to said provisions, and (ii) each such additional Director shall serve until such office terminates pursuant to said provisions, whichever occurs earlier, subject to his or her earlier death, disqualification, resignation or removal. Except as otherwise provided by the Board of Directors in the resolution or resolutions establishing a series of Preferred Stock, whenever the holders of any series of Preferred Stock having a right to elect additional Directors are divested of such right pursuant to the provisions of such series of Preferred Stock, the terms of office of all such additional Directors elected by the holders of such series of Preferred Stock, or selected to fill any vacancies resulting from the death, resignation, disqualification or removal of such additional Directors, shall forthwith terminate and the total authorized number of Directors of the Corporation shall be reduced accordingly.

3.2 Amendment to the Restated Bylaws. The Board of Directors is expressly authorized to make, alter, amend or repeal the Restated Bylaws, and to adopt new bylaws; provided, however, that (i) prior to the Chairman Succession Date (as defined in the Restated Bylaws), the Board of Directors shall not be permitted to alter, amend or repeal Section 5.5(c), Section 5.14, the last sentence of Section 5.6 or the proviso to Section 8.1 and (ii) no bylaws hereafter adopted shall invalidate any prior act of the Board of Directors that would have been valid if such bylaws had not been adopted.

ARTICLE SIXTH.

(a) A director of the Corporation shall not be personally liable to the Corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, except for liability (i) for any breach of the director's duty of loyalty to the Corporation or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under Section 174 of the GCL, or (iv) for any transaction from which the director derived an improper personal benefit.

(b) Each person who was or is made a party or is threatened to be made a party or is involved in any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (hereinafter a "proceeding"), by reason of the fact that he or she, or a person of whom he or she is the legal representative, is or was a director or officer of the Corporation or is or was serving at the request of the Corporation as a director, officer or employee of another corporation or of a partnership, joint venture, trust or other enterprise, including service with respect to employee benefit plans, whether the basis of such proceeding is alleged action in an official capacity as a director or officer or in any other capacity while serving as a director, officer or employee shall be indemnified and held harmless by the Corporation to the fullest extent authorized by the GCL, as the same exists or may hereafter be

amended (but, in the case of any such amendment, only to the extent that such amendment permits the Corporation to provide broader indemnification rights than said law permitted the Corporation to provide prior to such amendment), against all expense, liability and loss (including attorneys' fees, judgments, fines, ERISA excise taxes or penalties and amounts paid or to be paid in settlement) actually and reasonably incurred or suffered by such person in connection therewith. Such indemnification shall continue as to a person who has ceased to be a director or officer and shall inure to the benefit of his or her heirs, executors and administrators; provided, however, that, except as provided in paragraph (c) hereof, the Corporation shall indemnify any such person seeking indemnification in connection with a proceeding (or part thereof) initiated by such person only if such proceeding (or part thereof) was authorized by the Board of Directors. Notwithstanding anything to the contrary herein, the Corporation shall not be obligated to indemnify a director or officer for costs and expenses relating to proceedings (or any part thereof) instituted against the Corporation by such director or officer (other than proceedings pursuant to which such director or officer is seeking to enforce such director's or officer's indemnification rights hereunder). The right to indemnification conferred in this Article Sixth with respect to directors and officers shall be a contract right and shall include the right to be paid by the Corporation the expenses incurred in defending any such proceeding in advance of its final disposition; provided, however, that, if the GCL requires, the payment of such expense incurred by a director or officer in his or her capacity as a director or officer (and not in any other capacity in which service was or is rendered by such person while a director or officer, including, without limitation, service to an employee benefit plan) in advance of the final disposition of a proceeding, shall be made only upon delivery to the Corporation of an undertaking, by or on behalf of such director or officer, to repay all amounts so advanced if it shall ultimately be determined that such director or officer is not entitled to be indemnified under this Article Sixth or otherwise. The Corporation may provide indemnification to employees (other than officers) and agents of the Corporation with the same scope and effect as the foregoing indemnification of directors and officers to the extent (i) permitted by the laws of the State of Delaware as from time to time in effect, and (ii) authorized in the sole discretion any of the Chief Executive Officer, the President, the Chief Financial Officer or the General Counsel of the Corporation; provided, however, that any such indemnification shall not constitute a contract right for any such employee or agent.

(c) If a claim under paragraph (b) of this Article Sixth is not paid in full by the Corporation within thirty days after a written claim has been received by the Corporation, the claimant may at any time thereafter bring suit against the Corporation to recover the unpaid amount of the claim and, if successful in whole or in part, the claimant shall be entitled to be paid also the expense of prosecuting such claim. It shall be a defense to any such action (other than an action brought to enforce a claim for expenses incurred in defending any proceeding in advance of its final disposition where the required undertaking, if any is required, has been tendered to the Corporation) that the claimant has not met the standards of conduct which make it permissible under the GCL for the Corporation to indemnify the claimant for the amount claimed, but the burden of proving such defense shall be on the Corporation. Neither the failure of the Corporation (including its Board of Directors, independent legal counsel, or its stockholders) to have made a determination prior to the commencement of such action that indemnification of the claimant is proper in the circumstances because he or she has met the applicable standard of conduct set forth in the GCL, nor an actual determination by the Corporation (including its Board of Directors, independent legal counsel, or its stockholders) that

the claimant has not met such applicable standard of conduct, shall be a defense to the action or create a presumption that the claimant has not met the applicable standard of conduct.

(d) The right to indemnification and the payment of expenses incurred in defending a proceeding in advance of its final disposition conferred in this Article Sixth shall not be exclusive of any other right which any person may have or hereafter acquire under any statute, provision of this Restated Certificate, by-law, agreement, vote of stockholders or disinterested directors or otherwise.

(e) The Corporation may maintain insurance, at its expense, to protect itself and any director, officer, employee or agent of the Corporation or another corporation, partnership, joint venture, trust or other enterprise against any such expense, liability or loss, whether or not the Corporation would have the power to indemnify such person against such expense, liability or loss under the GCL.

ARTICLE SEVENTH.

Except as expressly provided in this Restated Certificate, the Corporation reserves the right to amend, alter, change or repeal any provision contained in this Restated Certificate, in the manner now or hereafter prescribed by the laws of Delaware and this Restated Certificate, and all rights and powers conferred herein upon stockholders and directors are granted subject to this reservation.

2.2 *Special Meetings*. Subject to the Restated Certificate, a special meeting of the Stockholders may be called only by (a) both the Chief Executive Officer and the Chairman or (b) the Board, and at an hour and date as shall be determined by them. At any special meeting of Stockholders, no business other than that set forth in the notice thereof given pursuant to Section 2.4 may be transacted.

2.3 *Place of Meetings*. All meetings of Stockholders shall be held at such places, within or without the State of Delaware, as may from time to time be fixed by the Board or as specified or fixed in the respective notices. The Board may, in its sole discretion, determine that a meeting of the Stockholders shall not be held at any place, but may instead be held solely by means of remote communication as authorized by Section 211(a)(2) of the DGCL (or any successor provision thereto). Any previously-scheduled meeting of the Stockholders may be postponed by action of the Board taken prior to the time previously scheduled for such annual meeting of Stockholders.

2.4 *Notices of Stockholders’ Meetings*. Except as otherwise provided in Section 2.5 or otherwise required by the Restated Certificate or applicable law, written notice of each meeting of Stockholders, whether annual or special, shall be given to each Stockholder required or permitted to take any action at, or entitled to notice of, such meeting not less than ten (10) nor more than sixty (60) days before the date on which the meeting is to be held, by delivering such notice to him or her, personally, by mail or by electronic transmission in the manner provided by law. If mailed, such notice shall be deemed to be given when deposited in the United States mail, with postage prepaid, directed to the Stockholder at his or her address as it appears on the stock ledger of the Corporation. Every notice of a meeting of Stockholders shall state the place, date and hour of the meeting and the purpose or purposes for which the meeting is called.

2.5 *Waivers of Notice*. Notwithstanding any other provision in these Restated Bylaws, notice of any meeting of Stockholders shall not be required as to any Stockholder who shall attend such meeting in person or be represented by proxy, except when such Stockholder attends such meeting for the express purpose of objecting at the beginning of the meeting to the transaction of any business at such meeting because the meeting is not lawfully called or convened. If any Stockholder shall, in person or represented by proxy, waive notice of any

meeting, whether before or after such meeting, notice thereof shall not be required as to such Stockholder.

2.6 Quorum Requirements and Required Vote at Stockholder Meetings.

(a) Except as otherwise required by applicable law, the Restated Certificate or these Restated Bylaws, at all meetings of Stockholders the presence, in person or represented by proxy, of the holders of outstanding shares representing at least a majority of the total voting power entitled to vote at a meeting of Stockholders shall constitute a quorum for the transaction of business; *provided, however*, that where a separate vote of a class or classes or series of stock is required, the presence in person or represented by proxy of the holders of outstanding shares representing at least a majority of the total voting power of all outstanding shares of such class or classes or series shall constitute a quorum thereof entitled to take action with respect to such separate vote.

(b) Except as otherwise required by applicable law, the Restated Certificate or these Restated Bylaws, each holder of stock of the Corporation entitled to vote on any matter at any meeting of the Stockholders shall be entitled to one vote for each share of such stock standing in the name of such holder on the stock ledger of the Corporation on the record date for the determination of the Stockholders entitled to vote at the meeting. Except as otherwise required by applicable law, the Restated Certificate or these Restated Bylaws, including, without limitation, Section 3.3 hereof, the affirmative vote of a majority in voting power of the shares present in person or represented by proxy and entitled to vote on the subject matter at a meeting of Stockholders at which a quorum is present shall be the act of the Stockholders. Except as required by applicable law, the method of voting and the manner in which votes are counted shall be discretionary with the presiding officer at the meeting.

(c) The holders of a majority in voting power of the shares entitled to vote and present in person or represented by proxy at any meeting of Stockholders, whether or not a quorum is present, may adjourn such meeting to another time and place. At any such adjourned meeting at which a quorum shall be present, any business may be transacted that might have been transacted at the meeting as originally called. Unless otherwise required by applicable law, the Restated Certificate or these Restated Bylaws, no notice of an adjourned meeting need be given.

2.7 Proxies. Each Stockholder entitled to vote at a meeting of Stockholders may authorize another person or persons to act for him or her by proxy executed in writing by the Stockholder or as otherwise permitted by law, or by his or her duly authorized attorney-in-fact, but such proxy shall no longer be valid eleven months after the date of such proxy. alternate has been appointed to act, or if all inspectors or alternates who have been appointed are unable to act, at the meeting of Stockholders, the chairman of the meeting shall appoint one or more inspectors to act at the meeting. Each inspector, before discharging his or her duties, shall take and sign an oath to execute faithfully the duties of inspector with strict impartiality and according to the best of his or her ability. 2.9 *Conduct of Stockholders' Meetings.* The Chief Executive Officer or the Chairman of the Board, as designated by the Board, or, in their absence or the absence of any such designation, the appointee of the presiding officer of the meeting, shall preside at all meetings of Stockholders and may establish such rules of procedure for conducting the meetings as he or she deems fair and reasonable. The Secretary, or in his or her absence an Assistant Secretary, or if none be present, the appointee of the presiding officer of the meeting, shall act as secretary of the meeting.

2.10 *Notice of Stockholder Business and Nominations.*

(a) *Annual Meetings of Stockholders.*

(1) Nominations of persons for election to the Board and the proposal of other business to be considered by the Stockholders may be made at an annual meeting of Stockholders only (A) if brought before the meeting by the Corporation and specified in the Corporation's notice of meeting delivered pursuant to [Section 2.4](#), (B) if brought before the meeting by or at the direction of the Board or (C) if brought before the meeting by a Stockholder who (i) was a Stockholder of record (and, with respect to any beneficial owner, if different, on whose behalf any nomination or proposal is made, only if such beneficial owner was the beneficial owner of shares of capital stock of the Corporation) both at the time of giving of notice provided for in this [Section 2.10](#), and at the time of the meeting, (ii) is entitled to vote at the meeting, and (iii) has complied with this [Section 2.10](#) as to such nominations or other business. Except for proposals properly made in accordance with Rule 14a-8 under the Securities Exchange Act of 1934, as amended, and the rules and regulations thereunder (as so amended and inclusive of such rules and regulations, the "*Exchange Act*"), and included in the notice of meeting given by or at the direction of the Board, the foregoing clause (C) shall be the exclusive means for a Stockholder to propose business to be considered or to propose any nominations of persons for election to the Board at an annual meeting of the Stockholders.

(2) Without qualification, for any nominations of persons for election to the Board or other business to be properly brought before an annual meeting by a Stockholder, in each case, pursuant to clause (C) of paragraph (a)(1) of this [Section 2.10](#), the Stockholder must (x) have given timely notice thereof in writing and in proper form to the Secretary of the Corporation and (y) provide any updates or supplements to such notice at the times and in the forms required by this [Section 2.10](#). To be timely, a Stockholder's notice shall be delivered to, or mailed and received by, the Secretary at the principal executive offices of the Corporation not more than 120 days and not less than

90 days prior to the one-year anniversary of the preceding year's annual meeting; *provided, however*, that in the event that the date of the annual meeting is advanced by more than 30 days, or delayed by more than 60 days, from such anniversary date, notice by the Stockholder to be timely must be so delivered, or mailed and received, not later than the close of business on the tenth day following the day on which public announcement of the date of such annual meeting is first made by the Corporation. In no event shall any adjournment of an annual meeting or the announcement thereof commence a new time period (or extend any time period) for the giving of a Stockholder's notice. For purposes of this Section 2.10, the term "Proposing Person" means (i) the Stockholder providing the notice of a proposed nomination or other business proposed to be brought before a meeting, (ii) the beneficial owner or beneficial owners, if different, on whose behalf the proposed nomination or other business proposed to be brought before a meeting is made, and (iii) any affiliate or associate (for purposes of these Bylaws, each within the meaning of Rule 12b-2 under the Exchange Act) of such Stockholder or beneficial owner.

(3) To be in proper form, a Stockholder's notice (whether given pursuant to paragraph (a)(2) or paragraph (b) of this Section 2.10) shall set forth:

(A) As to each Proposing Person:

(i) the name and address of such Proposing Person (including, if applicable, the name and address that appear on the Corporation's stock ledger); and

(ii) the class or series and number of shares of capital stock of the Corporation that are, directly or indirectly, owned of record or beneficially (within the meaning of Rule 13d-3 under the Exchange Act) by such Proposing Person, except that such Proposing Person shall in all events be deemed to beneficially own any shares of any class or series of the capital stock of the Corporation as to which such Proposing Person has a right to acquire beneficial ownership at any time in the future (the disclosures to be made pursuant to the foregoing clauses (i) and (ii) are referred to as "*Stockholder Information*");

(B) As to each Proposing Person:

(i) any derivative, swap or other transaction or series of transactions engaged in, directly or indirectly, by such Proposing Person, the purpose or effect of which is to give such Proposing Person economic risk similar to ownership of shares of any class or series of the capital stock of the Corporation, including due to the fact that the value of such derivative, swap or other transaction is determined by reference to the price, value or volatility of any shares of

any class or series of the capital stock of the Corporation, or which derivative, swap or other transactions provide, directly or indirectly, the opportunity to profit from any increase in the price or value of shares of any class or series of the capital stock of the Corporation (“*Synthetic Equity Interests*”), which such Synthetic Equity Interests shall be disclosed without regard to whether (x) such derivative, swap or other transactions convey any voting rights in such shares to such Proposing Person, (y) the derivative, swap or other transactions are required to be, or are capable of being, settled through delivery of such shares or (z) such Proposing Person may have entered into other transactions that hedge or mitigate the economic effect of such derivative, swap or other transaction;

(ii) any proxy (other than a revocable proxy or consent given in response to a solicitation made pursuant to, and in accordance with, Section 14(a) of the Exchange Act by way of a solicitation statement filed on Schedule 14A), agreement, arrangement, understanding or relationship pursuant to which such Proposing Person has or shares a right to vote any shares of any class or series of the capital stock of the Corporation;

(iii) any agreement, arrangement, understanding or relationship, including any repurchase or similar so-called “stock borrowing” agreement or arrangement, engaged in, directly or indirectly, by such Proposing Person, the purpose or effect of which is to mitigate loss to, reduce the economic risk (of ownership or otherwise) of shares of any class or series of the capital stock of the Corporation by, manage the risk of share price changes for, or increase or decrease the voting power of, such Proposing Person with respect to the shares of any class or series of the capital stock of the Corporation, or which provides, directly or indirectly, the opportunity to profit from any decrease in the price or value of the shares of any class or series of the capital stock of the Corporation (“*Short Interests*”);

(iv) any rights to dividends on the shares of any class or series of the capital stock of the Corporation owned beneficially by such Proposing Person that are separated or separable from the underlying shares of the Corporation;

(v) any performance related fees (other than an asset based fee) that such Proposing Person is entitled to based on any increase or decrease in the price or value of shares of any

class or series of the capital stock of the Corporation, or any Synthetic Equity Interests or Short Interests, if any; and

(vi) any other information relating to such Proposing Person that would be required to be disclosed in a proxy statement or other filing required to be made in connection with solicitations of proxies or consents by such Proposing Person in support of the nomination for election of Directors or the other business proposed to be brought before the meeting pursuant to Section 14(a) of the Exchange Act (the disclosures to be made pursuant to the foregoing clauses (i) through (vi) are referred to as “*Disclosable Interests*”); provided, however, that Disclosable Interests shall not include any such disclosures with respect to the ordinary course business activities of any broker, dealer, commercial bank, trust company or other nominee who is a Proposing Person solely as a result of being the Stockholder of record directed to prepare and submit the information required by this Section 2.10 on behalf of a beneficial owner.

(C) As to each person, if any, whom a Proposing Person proposes to nominate for election or reelection as a Director:

(i) all information with respect to such proposed nominee that would be required to be set forth in a Stockholder’s notice pursuant to this Section 2.10 if such proposed nominee were a Proposing Person;

(ii) all information relating to such proposed nominee that is required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for election of Directors in a contested election pursuant to Section 14(a) under the Exchange Act (including such proposed nominee’s written consent to being named in the proxy statement as a nominee and to serving as a Director if elected); and

(iii) a description of all direct and indirect compensation and other material monetary agreements, arrangements and understandings during the past three years, and any other material relationships, between or among any Proposing Person, on the one hand, and each proposed nominee and his or her respective affiliates and associates, on the other hand, including, without limitation, all information that would be required to be disclosed pursuant to Item 404 under Regulation S-K if such Proposing Person were the

“registrant” for purposes of such rule and the proposed nominee were a Director or executive officer of such registrant; and

(D) As to any business other than nominations for election of Directors that a Proposing Person proposes to bring before an annual meeting:

(i) a reasonably brief description of the business desired to be brought before the annual meeting, the reasons for conducting such business at the annual meeting and any material interest in such business of any Proposing Person;

(ii) the text of the proposal or business (including the text of any resolutions proposed for consideration); and

(iii) a reasonably detailed description of all agreements, arrangements and understandings (x) between or among any of the Proposing Persons and (y) between or among any Proposing Person and any other record or beneficial owner of capital stock of the Corporation (including their names) in connection with the proposal of such business by such Stockholder.

(4) A Stockholder providing notice of a proposed nomination for election to the Board or other business proposed to be brought before a meeting (whether given pursuant to paragraph (a)(2) or paragraph (b) of this Section 2.10) shall further update and supplement such notice, if necessary, so that the information provided or required to be provided in such notice shall be true and correct as of the record date for the meeting and as of the date that is ten business days prior to the meeting or any adjournment or postponement thereof, and such update and supplement shall be delivered to, or mailed and received by, the Secretary at the principal executive offices of the Corporation not later than five business days after the record date for the meeting (in the case of the update and supplement required to be made as of the record date), and not later than eight business days prior to the date for the meeting or, if practicable, any adjournment or postponement thereof (and, if not practicable, on the first practicable date prior to the date to which the meeting has been adjourned or postponed) (in the case of the update and supplement required to be made as of ten business days prior to the meeting or any adjournment or postponement thereof). The Corporation may also require any proposed nominee for election to the Board to furnish such other information (i) as may be reasonably required by the Corporation to determine the eligibility of such proposed nominee to serve as an independent Director of the Corporation in accordance with the Corporation’s corporate governance guidelines as then in effect or (ii) that could be material to a reasonable Stockholder’s understanding of the independence, or lack thereof, of such proposed nominee.

(5) Notwithstanding anything in paragraph (a)(2) of this Section 2.10 to the contrary, in the event that the number of Directors to be elected to the Board at the annual meeting is increased and there is no public announcement by the Corporation naming all of the nominees for Director or specifying the size of the increased Board made by the Corporation at least ten days before the last day a Stockholder could otherwise deliver a notice of nomination in accordance with such paragraph (a)(2) of this Section 2.10, a Stockholder's notice required by this Section 2.10 shall also be considered timely, but only with respect to nominees for any new positions created by such increase, if it shall be delivered to, or mailed and received by, the Secretary at the principal executive offices of the Corporation not later than the close of business on the tenth day following the day on which such public announcement is first made by the Corporation.

(b) Special Meeting of Stockholders.

Only such business shall be conducted at a special meeting of Stockholders as shall have been properly brought before the meeting in accordance with Section 2.2. Nominations of persons for election to the Board may be made at a special meeting of Stockholders at which Directors are properly to be elected only (1) by or at the direction of the Board or (2) by any Stockholder who (A) was a Stockholder of record (and, with respect to any beneficial owner, if different, on whose behalf any nomination is made, only if such beneficial owner was the beneficial owner of shares of the Corporation) both at the time of giving of notice provided for in this Section 2.10 and at the time of the meeting, (B) is entitled to vote at the meeting and (C) complied with this paragraph (b) and paragraph (a)(3) of this Section 2.10 as to such nominations. Without qualification, in order for a Stockholder to present any nominations of persons for election to the Board at such a special meeting, pursuant to clause (2) of this paragraph (b), the Stockholder must (x) have given timely notice thereof in writing and in proper form to the Secretary of the Corporation (which notice shall include disclosure of the information that is required by the applicable provisions of paragraph (a)(3) of this Section 2.10) and (y) provide any updates or supplements to such notice at the times and in the forms required by paragraph (a)(4) of this Section 2.10. To be timely, a Stockholder's notice shall be delivered to, or mailed and received by, the Secretary at the principal executive offices of the Corporation not earlier than the one hundred twentieth day prior to the date of such special meeting and not later than the close of business on the later of (x) the ninetieth day prior to the date of such special meeting and (y) the tenth day following the day on which public announcement is first made of the date of such special meeting and of the nominees proposed by the Board to be elected at such special meeting. In no event shall any adjournment of a special meeting or the announcement thereof commence a new time period (or extend any time period) for the giving of a Stockholder's notice as described above.

(c) General.

(1) Subject to the rights, if any, of the holders of any series of Preferred Stock to elect additional Directors as may be provided in a designation of rights relating to such series of Preferred Stock, including the holders of the Class Pilot MEC Junior Preferred Stock and the Class IAM Junior Preferred Stock pursuant to Article Fourth, Parts II and III of the Restated Certificate, only persons who are nominated in accordance with this Section 2.10 shall be eligible to serve as Directors and only such business as shall have

been brought before the meeting in accordance with this Section 2.10 shall be conducted at a meeting of Stockholders. Nominations for Union Directors shall be made only by the holders of the Class Pilot MEC Junior Preferred Stock and the Class IAM Junior Preferred Stock, and then only in accordance with the procedures and qualification requirements of the Restated Certificate and any stockholder agreements applicable to such nomination process. Except as otherwise provided by law, the Restated Certificate or these Restated Bylaws, the chairman of the meeting shall have the power and duty to determine whether such nomination or business was made in compliance with this Section 2.10 and, if such proposed nomination or business is deemed not to have been properly made, to declare that such nomination or proposal has not been properly brought before the meeting and shall be disregarded and declared to be out of order.

(2) For purposes of this Section 2.10, “public announcement” shall mean disclosure in a press release reported by the Dow Jones News Service, Associated Press or comparable national news service or in a document publicly filed by the Corporation with the Securities and Exchange Commission pursuant to Section 13, 14 or 15(d) of the Exchange Act.

(3) Notwithstanding the foregoing provisions of this Section 2.10, a Stockholder shall also comply with all applicable requirements of the Exchange Act with respect to the matters set forth in this Section 2.10. This Section 2.10 is expressly intended to apply to any business proposed to be brought before a meeting of Stockholders other than any proposal made pursuant to Rule 14a-8 under the Exchange Act. Nothing in this Section 2.10 shall be deemed to affect any rights of Stockholders to request inclusion of proposals in the Corporation’s proxy statement pursuant to Rule 14a-8 under the Exchange Act.

2.11 List of Stockholders. It shall be the duty of the Secretary or other officer who has charge of the stock ledger to prepare and make, at least ten (10) days before each annual or special meeting of the Stockholders, a complete list of the Stockholders entitled to vote at such meeting, arranged in alphabetical order, and showing the address of each Stockholder and the number of shares registered in such Stockholder’s name. Such list shall be produced and kept available at the times and places required by law. The stock ledger shall be the only evidence as to which Stockholders are the Stockholders entitled to examine the stock ledger or the list required by this Section 2.11, or to vote in person or by proxy at such meeting of the Stockholders.

2.12 Remote Communication. For the purposes of these Restated Bylaws, if authorized by the Board in its sole discretion, and subject to such guidelines and procedures as the Board may adopt, Stockholders and proxyholders may, by means of remote communication:

(a) participate in a meeting of Stockholders; and

3.6 *Stated Meetings.* The Board shall from time to time, by resolution adopted by the affirmative vote of at least a majority of the votes entitled to be cast by the Entire Board, appoint the time and place for holding stated meetings of the Board; and such meetings shall thereupon be held at the time and place so appointed, without the giving of any special notice with regard thereto. Any and all business may be transacted at any stated meeting.

3.7 *Special Meetings.* Special meetings of the Board shall be held whenever called by the Secretary of the Board, at the direction of any three Directors, or by the Chairman, or, in the event that the office of the Chairman is vacant, by the Chief Executive Officer, or in the event that the office of the Chairman and Chief Executive Officer are vacant, by the President. 3.10 *Telephone Meetings.* Directors or members of any committee of the Board may participate in a meeting of the Board or of such committee by means of conference telephone or other communications equipment by means of which all persons participating in the meeting can hear each other, and participation in a meeting pursuant to this [Section 3.10](#) shall constitute presence in person at such meeting.

3.11 *Chairman of the Board Pro Tempore.* In the absence of both the Chairman and the Chief Executive Officer at any meeting of the Board, the Board may appoint from among its members a Chairman of the Board pro tempore, who shall preside at such meeting, except where otherwise provided by law.

Notice of any meeting of a committee of the Board need not however be given to any member of such committee, if waived by him or her in writing or if, subject to applicable law, he or she shall be present at the meeting. Any meeting of a committee of the Board shall be a legal meeting without any notice thereof having been given if all of the members shall be present thereat except when a Director attends a meeting for the express purpose of objecting at the beginning of the meeting to the transaction of any business because the meeting is not lawfully called or convened.

4.4 Place of Meetings. Meetings of any committee of the Board may be held either within or without the State of Delaware.

4.5 *Quorum and Voting Requirements of Board Committees.*

(a) The presence of Directors entitled to cast at least a majority of the aggregate number of votes entitled to be cast by all Directors on a committee of the Board shall constitute a quorum for the transaction of business, and any act of a committee of the Board shall require the affirmative vote of at least a majority of the votes entitled to be cast by the Directors present at a meeting of such committee at which a quorum is present.

(b) The members of any committee of the Board shall act only as a committee of the Board, and the individual members of the Board shall have no power as such.

Glenn Tilton, chairman, president and chief executive officer of UAL Corp., will serve as non-executive chairman of the combined company's Board of Directors through December 31, 2012 or the second anniversary of closing, whichever is later. Jeff Smisek, Continental's chairman, president and chief executive officer, will be chief executive officer and a member of the Board of Directors. He will also become executive chairman of the Board upon Tilton's ceasing to be non-executive chairman.

The combined organization will draw on the talented group of leaders from both companies, and key management positions will be determined prior to the transaction's closing. The combined company's management team is expected to include an equitable and balanced selection of executives from each company with the intention that each company will contribute roughly equal numbers. In addition to Smisek and Tilton, the 16-member Board of Directors will include six independent directors from each of the two companies and two union directors required by United's charter.

The holding company for the new entity will be named United Continental Holdings, Inc. and the name of the airline will be United Airlines. The marketing brand will be a combination of the brands of both companies. Aircraft will have the Continental livery, logo and colors with the United name, and the announcement campaign slogan will be "Let's Fly Together." The new company's corporate and operational headquarters will be in Chicago and it will maintain a significant presence in Houston, which will be the combined company's largest hub. Additionally, the CEO will maintain offices in both Chicago and Houston.

Tilton said, "Today is a great day for our customers, our employees, our shareholders and our communities as we bring together our two companies in a merger of equals to create a world-class and truly global airline with an unparalleled network serving communities worldwide with outstanding customer service. Building on our Star Alliance partnership, we are creating a stronger, more efficient airline, both operationally and financially, better positioned to succeed in a dynamic and highly competitive global aviation industry. This combination will provide a strong platform for sustainable, long-term value for shareholders, opportunities for employees, and more and better scheduled service and destinations for customers. Knowing and respecting our colleagues at Continental as we do, we are confident that together we can compete successfully in what is now, clearly, a global marketplace."

Smisek said, "This combination brings together the best of both organizations and cultures to create a world-class airline with tremendous and enduring strengths. Together, we will have the financial strength necessary to make critical investments to continue to improve our products and services and to achieve and sustain profitability. We have forged a highly collaborative partnership with United over the past two years as we prepared for and executed a seamless transition to Star Alliance, an important achievement that gave us valuable experience in working together and built mutual respect between our two companies. I look forward to working with the employees of both companies around the world, so our airline can become an even stronger global competitor, deliver sustainable profitability, achieve best-in-class customer service under our unified brand, create long-term career opportunities and deliver increased value for shareholders."

The combination of United and Continental brings together the two most complementary networks of any U.S. carriers, with minimal domestic and no international route overlaps. The combined company will offer enhanced service to Asia, Europe, Latin America, Africa and the Middle East from well-placed hubs on the East Coast, West Coast, and Southern and Midwestern regions of the United States. The combined company will have 10 hubs, including hubs in the four largest cities in the United States, and will provide enhanced service to underserved small- and medium-sized communities. The combined carrier will continue to serve all the communities each carrier currently serves. Together, Continental and United serve more than 144 million passengers per year as they fly to 370 destinations in 59 countries.

Employees will benefit from improved long-term career opportunities and enhanced job stability by being part of a larger, financially stronger and more geographically diverse carrier that is better able to compete successfully in the global marketplace. The companies believe the effect of the merger on front-line employees will be minimal, with reductions coming principally from retirements, attrition and voluntary programs. The company will provide employees with performance-based incentive compensation programs focused on achieving common goals. The combined company will be focused on creating cooperative labor relations, including negotiating contracts with collective bargaining units that are fair to the company and fair to the employee.

On a pro forma basis, the combined company would have annual revenues of approximately \$29 billion based on 2009 financial results, and an unrestricted cash balance of approximately \$7.4 billion as of the end of first quarter 2010, including United's recently closed financing transaction.

In the merger, Continental shareholders will receive 1.05 shares of United common stock for each Continental common share they own. United shareholders would own approximately 55% of the equity of the combined company and Continental shareholders would own approximately 45%, including in-the-money convertible securities on an as-converted basis.

The merger is expected to deliver \$1.0 billion to \$1.2 billion in net annual synergies by 2013, including between \$800 million and \$900 million of incremental annual revenues, in large part from expanded customer options resulting from the greater scope and scale of the network, and additional international service enabled by the broader network of the combined carrier. Expected synergies are in addition to the significant benefits derived from the companies' existing alliance and expected from their future joint venture relationships. The combined company is also expected to realize between \$200 million and \$300 million of net cost synergies on a run-rate basis by 2013. One-time costs related to the transaction are expected to total approximately \$1.2 billion spread over a three-year period.

The combined airline will have the most modern, fuel-efficient fleet (adjusted for cabin mix) and the best new aircraft order book among major U.S. network carriers. It will have the financial strength to enhance customers' travel experience by enabling it to invest in globally competitive products, upgrade technology, refurbish and replace older aircraft, and implement the best-in-class practices of both airlines.

The merger will create the industry's leading frequent flyer program, offering vast opportunities for customers to earn and redeem miles, including on Star Alliance partners.

United and Continental are members of Star Alliance, the world's largest airline network. Star Alliance customers will continue to benefit from service to over 1,000 destinations, more connecting opportunities, additional scheduling flexibility and access to leading reciprocal frequent flyer and airport lounge benefits with Star Alliance's 24 other member airlines around the world.

The merger, which has been approved unanimously by the Boards of Directors of both companies, is conditioned on approval by the shareholders of both companies, receipt of regulatory clearance, and customary closing conditions. The companies expect to complete the transaction in the fourth quarter of 2010. During the period between signing and closing of the merger, the CEOs of both companies will lead a transition team, which will develop a specific integration plan.
