CONTINENTAL AIRLINES, INC.

We are the world's sixth largest airline (as measured by the number of scheduled miles flown by revenue passengers, known as revenue passenger miles, in 2005). Together with ExpressJet Airlines, Inc. (operating as Continental Express), a wholly-owned subsidiary of ExpressJet Holdings, Inc., from which we purchase seat capacity, and our wholly owned subsidiary, Continental Micronesia, Inc., each a Delaware corporation, we operate more than 2,500 daily departures. As of December 31, 2005, we flew to 132 domestic and 126 international destinations and offered additional connecting service through alliances with domestic and foreign carriers. We directly served 23 European cities, nine South American cities, Tel Aviv, Delhi, Hong Kong, Beijing and Tokyo as of December 31, 2005. In addition, we provide service to more destinations in Mexico and Central America than any other U.S. airline, serving 41 cities. Through our Guam hub,

Continental Micronesia provides extensive service in the western Pacific, including service to more Japanese cities than any other United States carrier.

We are a Delaware corporation, with executive offices located at 1600 Smith Street, Houston, Texas 77002. Our telephone number is (713) 324-2950.

USE OF PROCEEDS

Unless otherwise indicated in an accompanying prospectus supplement, we intend to use the proceeds from the sale of the securities for general corporate purposes, which may include repayment of indebtedness and the funding of a portion of our pension liabilities, and our working capital requirements.

RATIO OF EARNINGS TO FIXED CHARGES

The ratio of our “earnings” to our “fixed charges” for the year 2003 was 1.14. For the years 2001, 2002, 2004 and 2005, “earnings” were inadequate to cover “fixed charges”, and the coverage deficiency was \$161 million in 2001, \$658 million in 2002, \$490 million in 2004 and \$102 million in 2005.

The ratio of earnings to fixed charges is based on continuing operations. For purposes of the ratio, “earnings” means the sum of:

- our pre-tax income (loss) adjusted for undistributed income of companies in which we have a minority equity interest; and
- our fixed charges, net of interest capitalized.

“Fixed charges” represent:

- the interest expense we record on borrowed funds;
- the amount we amortize for debt discount, premium and issuance expense and interest previously capitalized; and
- that portion of rentals considered to be representative of the interest expense.

DESCRIPTION OF DEBT SECURITIES

The following description sets forth certain general terms and provisions of our debt securities, consisting of notes, debentures or other evidences of indebtedness, that we may offer by this prospectus. We will describe the particular terms of debt securities, and provisions that vary from those described below, in one or more prospectus supplements.

We may issue the debt securities offered under this prospectus and related prospectus supplements in registered or bearer form. The debt securities we offer pursuant to this prospectus will be unsecured obligations unless otherwise specified in the applicable prospectus supplement. We may issue the debt securities as unsubordinated or senior debt securities, or as subordinated debt securities. The senior debt securities will rank equally in right of payment with all our current and future unsubordinated indebtedness, and the subordinated debt securities will be subordinated in right of payment to all our senior indebtedness, as described below under “— Subordination of Subordinated Debt Securities.”

As required by U.S. law, debt securities are governed by a document called an “indenture.” The indenture is a contract between us and an entity named in this prospectus or a prospectus supplement which acts as trustee. The trustee has two main roles:

- the trustee can enforce your rights, including rights you have against us if we default; and
- the trustee performs administrative duties for us, such as sending you interest payments, transferring your debt securities to a new buyer if you sell and sending you notices.

[Table of Contents](#)

Senior debt securities will be issued under a senior debt indenture entered into between us and J.P. Morgan Trust Company, National Association (as successor in interest to Bank One, N.A.), as trustee, dated as of July 15, 1997. Subordinated debt securities will be issued under a subordinated debt indenture between us and a trustee we name when the subordinated debt securities are issued. The senior debt indenture and the subordinated debt indenture are sometimes collectively referred to in this prospectus as the “indentures.” We have filed the senior indenture and a form of the subordinated indenture as exhibits to this registration statement of which this prospectus is a part.

The following description is a summary of selected provisions relating to the debt securities and the indentures. The summary is not complete. You should not rely on this summary, because the indentures define your rights as a holder of the debt securities.

General

The indentures do not limit the total principal amount of debt securities that may be issued and provide that debt securities may be issued from time to time in one or more series. We will set forth in a prospectus supplement a description of the series of debt securities being offered, including some or all of the following:

- the title of such debt securities;
- any limit upon the aggregate principal amount of such debt securities;
- the date or dates on which principal will be payable or how to determine such dates;
- the rate or rates of interest or the method of determination of interest rate; the date from which interest will accrue or the method by which such date may be determined; the dates on which interest will be payable (“Interest Payment Dates”); and any record dates for the interest payable on such Interest Payment Dates;
- any obligation or option we may have to redeem, purchase or repay debt securities, or any option of the holder to require us to redeem or repurchase debt securities, and the terms and conditions upon which such debt securities will be redeemed, purchased or repaid;
- any rights of the holders of the debt securities to convert the debt securities into other securities or property and the terms and conditions governing such conversion or exchange;
- the denominations in which such debt securities will be issuable (if other than denominations of \$1,000 and any integral multiple thereof for registered securities or if other than denominations of \$5,000 for bearer securities);
- whether such debt securities are to be issued in whole or in part in the form of one or more global debt securities and, if so, the identity of the depository for such global debt securities;
- the currency and denominations of the debt securities;
- the principal amount of the debt securities payable upon declaration of the acceleration of the maturity of the debt securities, if other than 100% of the principal amount;
- the person to whom any interest on any debt security will be payable, if other than the person in whose name the debt security is registered on the applicable record date;
- any addition to, or modification or deletion of, any event of default or any covenant with respect to the debt securities;
- the application, if any, of defeasance or covenant defeasance discussed below;
- any provisions relating to the registration and exchange of the debt securities; and
- any other terms of the series of debt securities.

The holders of our debt securities (whether senior or subordinated debt securities) will be effectively subordinated to the creditors of our subsidiaries because such creditors will have a direct claim against any

assets of such subsidiaries upon their liquidation or reorganization. By contrast, as a holder of our debt securities (whether senior or subordinated debt securities), you will have only an indirect claim against the assets of our subsidiaries that derives through our ownership of the capital stock of our subsidiaries. Consequently, as a holder of debt securities, your right to participate in those assets will be effectively subordinated to the claims of that subsidiary's creditors (including trade creditors). In addition, the holders of our debt securities (whether senior or subordinated debt securities) will be effectively subordinated to the holders of our secured debt to the extent of the collateral securing such debt.

Except as may be set forth in a prospectus supplement, the indentures also do not limit the aggregate amount of unsecured indebtedness that we or our subsidiaries may incur.

Unless we indicate differently in a prospectus supplement, the debt securities will not be listed on any securities exchange and will be issued in fully registered form without coupons. If debt securities are issued in bearer form, we will set forth the special restrictions and considerations applicable to such debt securities in a prospectus supplement. Bearer debt securities will be transferable by delivery of the security by the transferring holder to the new holder, and the transfer will not be registered or recorded by the trustee or us.

We may sell the debt securities for an amount less than their stated principal amount, bearing no interest or bearing a below market rate of interest. We will provide you with information on the federal income tax consequences and other special considerations applicable to any of these debt securities in a prospectus supplement.

If the purchase price of any debt securities is payable in one or more foreign currencies or currency units or if any debt securities are denominated in one or more foreign currencies or currency units or if the principal of, premium and/or interest, if any, on any debt securities is payable in one or more foreign currencies or currency units, the restrictions, elections, federal income tax considerations, specific terms and other information with respect to the debt securities and such foreign currency or currency units will be set forth in a prospectus supplement.

Denominations, Payment, Registration, Transfer and Exchange

We will issue registered debt securities in denominations of \$1,000 and multiples of \$1,000, and we will issue bearer debt securities in \$5,000 denominations or, in each case, in such other denominations and currencies established by the terms of the debt securities of any particular series. Unless we provide otherwise in a prospectus supplement, we will make payments in respect of the debt securities, subject to any applicable laws and regulations, in the designated currency and at the office or agency as we may designate from time to time. At our option, however, we may make interest payments on debt securities in registered form:

- by checks mailed by the trustee to the holders of the debt securities entitled to payment at their registered addresses; or
- by wire transfer to an account maintained by the person entitled to payment as specified in the register of the debt securities maintained by the trustee.

We will pay installments of interest on debt securities:

- in registered form to the person in whose name the debt security is registered at the close of business on the regular record date for such interest, unless otherwise provided in a prospectus supplement; or
- in bearer form at such paying agencies outside the United States as we may appoint from time to time, in the currency and in the manner designated in a prospectus supplement, subject to any applicable laws and regulations.

The paying agents outside the United States, if any, whom we initially appoint for a series of debt securities will be named in a prospectus supplement. We may at any time designate additional paying agents or rescind the designation of any paying agents, provided that, in the case of:

- registered debt securities, we will be required to maintain at least one paying agent in each place of payment for any series; and

[Table of Contents](#)

- bearer debt securities, we will be required to maintain a paying agent in a place of payment outside the United States where debt securities of any series and any related coupons may be presented and surrendered for payment.

We will have the right to require a holder of any debt security, in connection with the payment of the principal of, premium and/or interest, if any, on any debt security, to certify certain information to us for tax purposes. In the absence of such certification, we will be entitled to rely on any legal presumption to enable us to determine our duties and liabilities, if any, to deduct or withhold taxes, assessments or governmental charges from such payment.

Unless we provide otherwise in a prospectus supplement, you may transfer debt securities in registered form at the agency we designate from time to time. You will not be required to pay a service charge to transfer or exchange the debt securities, but you may be required to pay for any tax or other governmental charge imposed in connection with the transfer or exchange.

If we redeem the debt securities of any series, we will not be required to:

- issue, register the transfer of, or exchange debt securities of that series during a period beginning at the opening of business 15 days before any selection of debt securities of that series to be redeemed and ending at the close of business on (A) the day of mailing of the relevant notice of redemption, if debt securities of the series are issuable only as registered debt securities, and (B) the day of the first publication of the relevant notice of redemption, if debt securities of the series are issuable as bearer debt securities, or the mailing of the relevant notice of redemption, if debt securities of the series are also issuable as registered debt securities and there is no publication;
- register the transfer of or exchange any registered debt securities called for redemption, except the unredeemed portion of any registered security being redeemed in part; or
- exchange any bearer security called for redemption, except to exchange such bearer security for a registered security of that series and like tenor which is simultaneously surrendered for redemption.

Subordination of Subordinated Debt Securities

Unless otherwise indicated in the applicable prospectus supplement, the following provisions will apply to the subordinated debt securities.

The payment of the principal of, premium, and/or interest, if any, on, and the redemption or repurchase of, the subordinated debt securities and coupons will be subordinated and junior in right of payment, as set forth in the subordinated indenture, to the prior payment in full of all our "senior indebtedness" (as defined below). Generally, the subordinated debt securities will rank equally in right of payment with all of our existing and future subordinated indebtedness other than any future subordinated indebtedness or other subordinated obligations which we specify will rank junior to the subordinated debt securities. Notwithstanding the preceding, payment from the money or the proceeds of U.S. government obligations held in any defeasance trust described under "— Defeasance; Satisfaction and Discharge" below is not subordinate to any senior indebtedness or subject to the restrictions described herein.

Senior indebtedness consists of the following types of obligations, in each case subject to the exceptions enumerated below:

- the principal of, premium, if any, interest, if any, and other amounts in respect of (A) our indebtedness for money borrowed and (B) our indebtedness evidenced by securities, debentures, bonds or other similar instruments issued by us, in each case that is not, by its terms, subordinated to other indebtedness;
- all of our capital lease obligations;
- all of our obligations issued or assumed as the deferred purchase price of property;
- all of our conditional sale obligations;

[Table of Contents](#)

- all of our obligations under any title retention agreement (excluding trade accounts payable arising in the ordinary course of business);
- all of our obligations for the reimbursement on any letter of credit, bankers acceptance, security purchase facility or similar credit transaction;
- all obligations (of the type referred to in the first six bullet points above) of other persons for which we are responsible or liable as obligor, guarantor or otherwise; and
- all obligations (of the type referred to in the first six bullet points above) of other persons secured by any lien on any of our properties or assets (whether or not such obligation is assumed by us).

Except as set forth in the applicable prospectus supplement, senior indebtedness will not include the following:

- indebtedness that is subordinated to or pari passu with the subordinated debt securities;
- indebtedness between or among us and our affiliates that ranks pari passu with, or junior to the subordinated debt securities;
- our \$100 million of Floating Rate Secured Subordinated Notes due December 2007;
- our guarantee of certain payments under the 6% Convertible Preferred Securities, Term Income Deferrable Equity Securities (TIDES) of Continental Airlines Finance Trust II; and
- our 6% Convertible Junior Subordinated Debentures due 2030.

The senior indebtedness will continue to be entitled to the benefits of the subordination provisions irrespective of any amendment, modification or waiver of any term of the senior indebtedness. Except as set forth in the applicable prospectus supplement, the payment of the principal of, premium, if any, and interest, if any, on the subordinated debt securities and coupons will rank senior in right of payment to our guarantee of certain payments under the 6% Convertible Preferred Securities, Term Income Deferrable Equity Securities (TIDES) of Continental Airlines Finance Trust II and our 6% Convertible Junior Subordinated Debentures due 2030.

No payment on account of principal of, premium, if any, or interest on, or redemption or repurchase of, the subordinated debt securities or any coupon or any deposit pursuant to the provisions described under “— Defeasance; Satisfaction and Discharge” below may be made by us if there is a default in the payment of principal, premium, if any, sinking funds or interest (including a default under any repurchase or redemption obligation) or other amounts with respect to any senior indebtedness. Similarly, no payment may be made if any other event of default with respect to any senior indebtedness, permitting the holders of senior indebtedness to accelerate the maturity thereof, has occurred and has not been cured, waived or ceased to exist after written notice to us and the trustee by any holder of senior indebtedness. Upon any acceleration of the principal due on the subordinated debt securities or payment or distribution of our assets to creditors upon any dissolution, winding up, liquidation or reorganization, all principal, premium, if any, sinking funds and interest or other amounts due on all senior indebtedness must be paid in full before the holders of the subordinated debt securities are entitled to receive any payment. Because of such subordination, if we become insolvent, our creditors who are holders of senior indebtedness may recover more, ratably, than the holders of the subordinated debt securities. Furthermore, such subordination may result in a reduction or elimination of payments to the holders of the subordinated debt securities.

The subordinated indenture does not limit our ability to incur senior indebtedness or any other indebtedness.

Global Debt Securities

The debt securities of a series may be issued in whole or in part in global form that will be deposited with a depository or with a nominee for the depository identified in a prospectus supplement. In such case, one or more registered global securities will be issued in a denomination or aggregate denominations equal to the

portion of the total principal amount of outstanding debt securities of the series to be represented by such registered global security or securities. Unless and until it is exchanged in whole or in part for debt securities in definitive form, a registered global security may not be registered for transfer or exchange except as a whole by the depository, the depository's nominee or their respective successors as described in the applicable prospectus supplement.

The specific terms of the depository arrangement with respect to any portion of a series of debt securities to be represented by a registered global security will be described in a prospectus supplement. We expect that the following provisions will apply to depository arrangements.

Upon the issuance of any registered global security, and the deposit of such security with or on behalf of the appropriate depository, the depository will credit, on its book-entry registration and transfer system, the respective principal amounts of the debt securities represented by such registered global security to the accounts of institutions or participants that have accounts with the depository or its nominee. The accounts to be credited will be designated by the underwriters or agents engaging in the distribution of the debt securities or by us, if we offer and sell such debt securities directly.

Ownership of beneficial interests in a registered global security will be limited to participants of the depository (which are usually large investment banks, retail brokerage firms, banks and other large financial institutions) and persons that hold interests through participants. Ownership of beneficial interests by participants in a registered global security will be shown on, and the transfer of those ownership interests will be effected only through, records maintained by the depository for that security or its nominee. Ownership of beneficial interests in a registered global security by persons who hold through participants will be shown on, and the transfer of those ownership interests within that participant will be effected only through, records maintained by that participant. The laws of some jurisdictions require that certain purchasers of securities take physical delivery of securities in certificated form. The preceding limitations and such laws may impair the ability to transfer beneficial interests in registered global securities.

So long as the depository for a registered global security, or its nominee, is the registered owner of a registered global security, that depository or nominee, as the case may be, will be considered the sole owner or holder of the debt securities represented by that registered global security. Unless otherwise specified in a prospectus supplement and except as specified below, owners of beneficial interests in a registered global security will not:

- be entitled to have the debt securities of the series represented by the registered global security registered in their names;
- receive or be entitled to receive physical delivery of the debt securities of such series in certificated form; or
- be considered the holders of the debt securities for any purposes under the indentures.

Accordingly, each person owning a beneficial interest in a registered global security must rely on the procedures of the depository and, if such person is not a participant, on the procedures of the participant through which such person owns its interest, to exercise any rights of a holder under the indentures.

The depository may grant proxies and otherwise authorize participants to give or take any request, demand, authorization, direction, notice, consent, waiver or other action which a holder is entitled to give or take under the indentures. Unless otherwise specified in a prospectus supplement, payments with respect to principal, premium and/or interest, if any, on debt securities represented by a registered global security registered in the name of a depository or its nominee will be made to such depository or its nominee, as the case may be, as the registered owner of such registered global security.

We expect that the depository for any debt securities represented by a registered global security, upon receipt of any payment of principal, premium or interest, will immediately credit participants' accounts with payments in amounts proportionate to their respective beneficial interests in the principal amount of the registered global security as shown on the records of such depository. We also expect that payments by participants to owners of beneficial interests in a registered global security held through participants will be

governed by standing instructions and customary practices in the securities industry, as is now the case with the securities held for the accounts of customers registered in “street names,” and will be the responsibility of such participants. Neither we nor the trustee or any agent of ours will have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial ownership interests of a registered global security, or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

Unless otherwise specified in a prospectus supplement, if the depositary for any debt securities represented by a registered global security is at any time unwilling or unable to continue as depositary and a successor depositary is not appointed by us within 90 days, we will issue debt securities in certificated form in exchange for the registered global security. In addition, the indentures provide that we may at any time and in our sole discretion determine not to have any of the debt securities of a series represented by one or more registered global securities and, in such event, will issue debt securities of such series in certificated form in exchange for all of the registered global securities representing such debt securities. Further, if we so specify with respect to the debt securities of a series, an owner of a beneficial interest in a registered global security representing such series of debt securities may receive, on terms acceptable to us and the depositary for such registered global security, debt securities of such series in certificated form registered in the name of such beneficial owner or its designee.

Consolidation, Merger and Conveyance of Assets as an Entirety

Each indenture provides that we will not merge or consolidate with or into any other entity or sell, convey, transfer, lease or otherwise dispose of all or substantially all our assets unless:

- in the case of a merger or consolidation, we are the surviving corporation or the entity formed by such consolidation or into which we are merged or consolidated or the entity which acquires or which leases all or substantially all our assets is a corporation organized and existing under the laws of the United States of America or any state thereof or the District of Columbia, and expressly assumes, by supplemental indenture, all our obligations under the debt securities, any related coupons and under the indenture;
- immediately after giving effect to such transactions, no Default or Event of Default shall have occurred and be continuing; and
- certain other conditions are met.

If a successor corporation assumes our obligations, the successor will succeed to and be substituted for us under the indentures, the debt securities and any related coupons. Consequently, all of our obligations will terminate, except in the case of a lease. If any such permitted consolidation, merger, sale, conveyance, disposition or other change of control transaction occurs, the holders of the debt securities will not have the right to require redemption of their securities or similar rights unless otherwise provided in a prospectus supplement.

Events of Default

An “Event of Default” occurs with respect to debt securities of any series if any of the following occurs:

- we fail to pay any interest on any debt securities of that series or any related coupon or any other amount applicable to such series as specified in the applicable prospectus supplement within 30 days of the due date;
- we fail to pay principal or premium on any debt securities of that series on its due date;
- we fail to deposit any sinking fund payment when and as due by the terms of the debt securities of that series;

[Table of Contents](#)

- we default for 60 days after notice to us by the trustee for such series, or by the holders of 25% in aggregate principal amount of the debt securities of such series then outstanding, in the performance of any other agreement applicable to the debt securities of that series; and
- certain events in bankruptcy, insolvency or reorganization occur; or
- any other Event of Default specified in the prospectus supplement applicable to such series occurs.

An Event of Default with respect to a particular series of debt securities will not necessarily be an Event of Default with respect to any other series of debt securities.

The indentures provide that, if an Event of Default occurs with respect to the debt securities of any series and is continuing, the trustee for the series or the holders of 25% in aggregate principal amount of all of the outstanding debt securities of that series, by written notice to us (and to the trustee for such series, if notice is given by the holders of debt securities), may declare the principal (or, if the debt securities of that series are original issue discount debt securities or indexed debt securities, such portion of the principal amount specified in the prospectus supplement) of all the debt securities of that series to be due and payable.

The indentures provide that the trustee for any series of debt securities will give to the holders of the debt securities of that series notice of all uncured Defaults (as defined below) within 90 days after the occurrence of a Default. However, such notice will not be given until 60 days after the occurrence of a Default with respect to the debt securities of that series involving a failure to perform a covenant other than the obligation to pay principal, premium, and/or interest, if any, or make a mandatory sinking fund payment. Further, except in the case of default in payment on the debt securities of that series, the trustee may withhold the notice if and so long as a committee comprised of certain officers of the trustee determines in good faith that withholding such notice is in the interests of the holders of the debt securities of that series. "Default" means any event which is, or, after notice or passage of time or both, would be, an Event of Default.

Under the indentures, the trustee is under no obligation to exercise any of its rights or powers at the request of any of the holders, unless such holders have offered to the trustee reasonable indemnity. Subject to such provision for indemnification, the indentures provide that the holders of not less than a majority in aggregate principal amount of the debt securities of each series affected with each series voting as a class, may direct the time, method and place of conducting any proceeding for any remedy available to the trustee for such series, or exercising any trust or power conferred on such trustee. We are required to file annually with the trustee a certificate as to our compliance with all conditions and covenants under indentures.

By notice to the trustee, the holders of not less than a majority in total principal amount of any series of debt securities may waive any past Default or Event of Default with respect to that series and its consequences, except a Default or an Event of Default based on the payment of the principal of, premium, if any, or interest, if any, on any debt security of a series and certain other defaults. Further, such majority holders may rescind and annul a declaration of acceleration with respect to that series (unless a judgment or decree based on such acceleration has been obtained by the trustee), if all existing Defaults and Events of Default with respect to that series (other than the non-payment of the principal of that series that has become due solely by the declaration of acceleration) have been cured or waived.

Modification of Indenture

Without Holder Consent. Without the consent of any holders of debt securities, we and the trustee may enter into one or more supplemental indentures for any of the following purposes:

- to evidence the succession of another entity to our company and the assumption of our covenants by the successor; or
- to add one or more covenants for the benefit of the holders of all or any series of debt securities, or to surrender any right or power conferred upon us; or
- to add any additional Events of Default for all or any series of debt securities; or

[Table of Contents](#)

- to add or change any provisions to such extent as necessary to facilitate the issuance of debt securities in bearer or in global form; or
- to provide security for the debt securities of any series; or
- to establish the form or terms of debt securities of any series; or
- to evidence and provide for the acceptance of appointment of a separate or successor trustee; or
- to add to, change or eliminate any provision affecting debt securities not yet issued; or
- to cure any ambiguity, to correct any mistake or inconsistency or to facilitate the defeasance or discharge of any series of debt securities or make any other changes that do not adversely affect the interests of the holders of debt securities of any series in any material respect.

With Holder Consent. Except as provided above, the consent of the holders of a majority in aggregate principal amount of the debt securities of each series affected by such supplemental indenture is generally required for the purpose of adding to, or changing or eliminating any of the provisions of, the indentures or debt securities pursuant to a supplemental indenture. However, no amendment may, without the consent of the holder of each outstanding debt security directly affected thereby,

- change the stated maturity of the principal or interest on any debt security, or reduce the principal amount, interest rate or premium payable with respect to any debt security or change the currency in which any debt security is payable, or impair the right to bring suit to enforce any such payment; or
- reduce principal payable upon acceleration of the maturity of an original issue discount debt security; or
- reduce the percentages of holders whose consent is required to amend the indentures or to waive compliance with certain provisions of the indentures or certain defaults; or
- change our obligation to maintain an office or agency in the places and for the purposes specified in the indentures; or
- modify any of the preceding provisions.

A supplemental indenture which changes or eliminates any provision of the indenture expressly included solely for the benefit of holders of debt securities of one or more particular series of debt securities will be deemed not to affect the rights under the indenture of the holders of debt securities of any other series.

Defeasance; Satisfaction and Discharge

If indicated in the applicable prospectus supplement, we will have two options to discharge our obligations under a series of debt securities before their stated maturity date. We may elect either:

- to defease and be discharged from any and all obligations with respect to the debt securities of or within any series (except as described below) (“defeasance”); or
- to be released from our obligations with respect to certain covenants applicable to the debt securities of or within any series (“covenant defeasance”).

To elect either option, we must deposit with the trustee for such series an amount of money and/or government obligations sufficient to pay the principal of, premium and/or interest, if any, on such debt securities to stated maturity or redemption, as the case may be, and any mandatory sinking fund payments.

Upon the occurrence of a defeasance, we will be deemed to have paid and discharged the entire indebtedness represented by the debt securities of or within any series and any related coupons and to have satisfied all of our other obligations with respect to such debt securities and coupons, except for:

- the rights of holders of the debt securities to receive, solely from the trust funds deposited to defease such debt securities, payments in respect of the principal of, premium, and/or interest, if any, on the debt securities or any related coupons when such payments are due; and

[Table of Contents](#)

- certain other obligations as provided in the indentures.

Upon the occurrence of a covenant defeasance, we will:

- be released only from our obligations to comply with certain covenants contained in the indentures;
- continue to be obligated in all other respects under the defeased debt securities; and
- continue to be contingently liable with respect to the payment of principal, premium and/or interest, if any, with respect to the defeased debt securities.

Unless otherwise specified in the applicable prospectus supplement and except as described below, the conditions to both defeasance and covenant defeasance are as follows:

- the defeasance or covenant defeasance must not result in a breach or violation of, or constitute a Default or Event of Default under, the applicable indenture;
- certain bankruptcy related Defaults or Events of Default must not have occurred and be continuing during the period commencing on the date of the deposit of the trust funds to defease the debt securities and ending on the 91st day after such date;
- we must deliver to the trustee an opinion of counsel to the effect that the holders of the defeased debt securities will not recognize income, gain or loss for federal income tax purposes as a result of the defeasance or covenant defeasance and will be subject to federal income tax on the same amounts and in the same manner and at all the same times as would have been the case if the defeasance or covenant defeasance had not occurred; and
- any additional conditions to the defeasance or covenant defeasance which may be imposed on us pursuant to the applicable indenture.

A nationally recognized firm of independent public accountants must deliver a written certification to the trustee as to the sufficiency of the trust funds deposited for the defeasance or covenant defeasance of the debt securities. As holders of the debt securities, you will not have any recourse against such firm. If government obligations deposited with the trustee for the defeasance of the debt securities decrease in value or default subsequent to their being deposited, we will have no further obligation, and you will have no additional recourse against us, as a result of such decrease in value or default.

We may exercise our defeasance option notwithstanding our prior exercise of our covenant defeasance option. If we exercise our defeasance option, payment of the debt securities may not be accelerated because of an Event of Default. If we exercise our covenant defeasance option, payment of the debt securities may not be accelerated by reason of an Event of Default with respect to the covenants to which such covenant defeasance is applicable. However, if such acceleration were to occur, the realizable value at the acceleration date of the money and government obligations in the defeasance trust could be less than the principal and interest, if any, then due on the defeased debt securities, because the required deposit in the defeasance trust is based upon scheduled cash flow rather than market value, which will vary depending upon interest rates and other factors.

A prospectus supplement may further describe the provisions, if any, applicable to defeasance or covenant defeasance with respect to debt securities of or within a particular series.

In addition, we may satisfy and discharge either indenture with respect to any series of debt securities and as a result we will be relieved of our obligations with respect to the debt securities of that series, other than our obligations with respect to registration of transfer and exchange of such debt securities and the replacement of lost, stolen or mutilated debt securities, provided that either:

- (1) we deliver all debt securities of that series previously authenticated and delivered and any related coupons (other than (a) coupons pertaining to certain bearer securities, (b) debt securities and coupons that have been replaced as destroyed, lost or stolen and (c) debt securities and coupons for which payment amounts have been deposited in trust and after two years repaid to us) to the trustee for cancellation; or

(2) all such debt securities and any related coupons not so delivered for cancellation have either become due and payable or will become due and payable at their stated maturity within one year or are to be called for redemption within one year under arrangements satisfactory to the trustee and, in the case of this clause (2), we have deposited with the trustee in trust an amount of the currency in which that series is payable sufficient to pay the entire indebtedness on such debt securities and coupons, including interest to the date of deposit (in the case of debt securities that have become due and payable) or to their stated maturity or applicable redemption date.

The Trustee

The trustee under the senior debt indenture is J. P. Morgan Trust Company, National Association (as successor in interest to Bank One, N.A.). The trustee under the subordinated debt indenture will be named when the subordinated debt securities are issued. If more than one series of debt securities is outstanding under an indenture, a trustee may serve as trustee with respect to the debt securities of one or more of such series. If more than one series of debt securities is outstanding under an indenture, the holders of a majority in total principal amount of each such series at any time outstanding may remove the trustee with respect to such series (but not as to any other series) by notifying the trustee and us and may appoint a successor trustee for such series with our consent.

Each indenture contains certain limitations on the right of the trustee, should it become a creditor of ours, to obtain payment of claims in certain cases, or to realize for its own account on certain property received in respect of any such claim as security or otherwise. The trustee is permitted to engage in certain other transactions; however, if after an Event of Default has occurred and is continuing, the trustee acquires any conflicting interest (as specified in the Trust Indenture Act of 1939) it must eliminate such conflict or resign.

Governing Law

The indentures and the debt securities will be governed by the laws of the State of New York.

DESCRIPTION OF COMMON STOCK AND PREFERRED STOCK

Our authorized capital stock currently consists of 200 million shares of Class B common stock, which we refer to as the common stock, and 10 million shares of preferred stock. As of March 31, 2006, we had outstanding 87,214,617 shares of Class B common stock and one share of Series B preferred stock.

This section contains a description of our common stock and preferred stock that we may offer by this prospectus as well as the terms of our Series B preferred stock which may affect our common stock and preferred stock that we may offer by this prospectus. The following discussion is not meant to be complete and is qualified by reference to our certificate of incorporation, bylaws and the rights agreement that we describe in this section. For more information, you should read "Where You Can Find More Information."

Description of Common Stock

Rights to Dividends and on Liquidation, Dissolution or Winding Up. Common stockholders participate ratably in any dividends or distributions on the common stock. In the event of any liquidation, dissolution or winding up of our company, common stockholders are entitled to share ratably in our assets available for distribution to the stockholders, subject to the prior rights of holders of any outstanding preferred stock.

Preemptive and Other Subscription Rights. Common stockholders do not have preemptive, subscription, conversion or redemption rights, and are not subject to further capital calls or assessments.

No Cumulative Voting Rights. Common stockholders do not have the right to cumulate their votes in the election of directors.

Voting. Holders of common stock are entitled to one vote per share on all matters submitted to a vote of stockholders, except that voting rights of non-U.S. citizens are limited as described under "— Limitation on Voting by Foreign Owners."

Description of Preferred Stock

The following summary describes certain general terms of our authorized preferred stock.

We may issue preferred stock from time to time in one or more series. Subject to the provisions of our certificate of incorporation and limitations prescribed by law, our board of directors may adopt resolutions to issue the shares of preferred stock in one or more series, to fix the number of shares of the series and to establish the designations, powers, preferences and relative, participating, optional or other special rights of the preferred stock. Our board of directors may also fix the qualifications, limitations or restrictions, if any, of the preferred stock, including dividend rights (including whether dividends are cumulative), dividend rates, terms of redemption (including sinking fund provisions), redemption rights and prices, conversion or exchange rights and liquidation preferences of the shares of the series, in each case without any further action or vote by our stockholders.

If we offer preferred stock, a description will be filed with the SEC and the specific terms of the preferred stock will be described in the prospectus supplement, including the following terms:

- the series, the number of shares offered and the liquidation value of the preferred stock;
- the price at which the preferred stock will be issued;
- the dividend rate, the dates on which the dividends will be payable and other terms relating to the payment of dividends on the preferred stock;
- the voting rights of the preferred stock;
- the liquidation preference of the preferred stock;
- whether the preferred stock is redeemable or subject to a sinking fund, and the terms of any such redemption or sinking fund;
- whether the preferred stock is convertible into or exchangeable for any other securities, and the terms of any such conversion or exchange; and
- any additional rights, preferences, qualifications and limitations of the preferred stock.

Limitation on Voting by Foreign Owners

Our certificate of incorporation provides that shares of capital stock may not be voted by or at the direction of persons who are not citizens of the United States unless the shares are registered on a separate stock record. Applicable restrictions currently require that no more than 25% of our voting stock be owned or controlled, directly or indirectly, by persons who are not U.S. citizens, and that our president and at least two-thirds of our directors or other managing officers be U.S. citizens. For purposes of the certificate of incorporation, "U.S. citizen" means:

- an individual who is a citizen of the United States; or
- a partnership each of whose partners is an individual who is a citizen of the United States, or a corporation or association organized under the laws of the United States or a state, the District of Columbia, or a territory or possession of the United States, of which the president and at least two-thirds of the board of directors and other managing officers are citizens of the United States, and in which at least 75% of the voting interest is owned or controlled by persons that are citizens of the United States.

Our bylaws provide that no shares will be registered on the foreign stock record if the amount so registered would exceed the restrictions described above or adversely affect our operating certificates or authorities. Registration on the foreign stock record is made in chronological order based on the date we receive a written request for registration.

Preferred Stock Purchase Rights

General. One preferred stock purchase right is currently associated with each outstanding share of our common stock. Each of these preferred stock purchase rights entitles the registered holder to purchase from us one one-thousandth of a share of our Series A junior participating preferred stock at a purchase price of \$200 per one one-thousandth of a share, subject to adjustment.

The preferred stock purchase rights will have anti-takeover effects. The preferred stock purchase rights could cause substantial dilution to a person or group that attempts to acquire us and effect a change in the composition of our board of directors on terms not approved by our board of directors, including by means of a tender offer at a premium to the market price. Subject to restrictions and limitations contained in our charter, the preferred stock purchase rights should not interfere with any merger or business combination approved by our board of directors, because we may redeem the preferred stock purchase rights at the redemption price prior to the time that a person has become an acquiring person or amend the preferred stock purchase rights to make them inapplicable to the approved transaction.

The following summary of the material terms of the preferred stock purchase rights is not meant to be complete and is qualified by reference to the rights agreement that governs the issuance of the rights. See “Where You Can Find More Information.”

Evidence and Transferability of Preferred Stock Purchase Rights. The preferred stock purchase rights will be evidenced by the certificates representing shares of common stock until the earlier to occur of:

- 10 days following a public announcement or public disclosure of facts made by us or an acquiring person that a person or group of affiliated or associated persons has become an acquiring person, which occurs, generally, when that person or group has acquired beneficial ownership of common stock representing 15% or more of the total number of votes entitled to be cast by the holders of common stock then outstanding; and
- 10 business days, or a later date established by our board of directors before the time any person or group becomes an acquiring person, following the commencement of, or the first public announcement of an intention of any person or group to make, a tender offer or exchange offer that, if completed, would result in the beneficial ownership by a person or group of shares of common stock representing 15% or more of such number of votes.

Until the rights distribution date or the earlier redemption or expiration of the preferred stock purchase rights:

- the preferred stock purchase rights will be transferred only with the transfer of shares of common stock;
- certificates representing shares of common stock which become outstanding after the record date for the initial distribution of the rights, will contain a notation incorporating the terms of the preferred stock purchase rights by reference; and
- the surrender for transfer of any certificate representing shares of common stock will also constitute the transfer of the preferred stock purchase rights associated with the shares of common stock represented by that certificate.

As soon as practicable following the rights distribution date, separate certificates evidencing the preferred stock purchase rights will be mailed to holders of record of the shares of common stock as of the close of business on the rights distribution date and those separate preferred stock purchase rights certificates alone will evidence the rights.

Exempt Persons. We and certain persons affiliated with us are exempt from the definition of acquiring person. An exception to the definition of acquiring person in the rights agreement permits an institutional investor to be or become the beneficial owner of our common stock representing 15% or more of the voting power of the common stock then outstanding, subject to certain limitations described below, without becoming

[Table of Contents](#)

an acquiring person, as long as the institutional investor continues to be an institutional investor. Generally, an institutional investor is a person who, as of January 31, 2000:

- beneficially owned more than 14% of the voting power of our common stock then outstanding;
- had a Schedule 13G on file with the SEC with respect to its holdings;
- is principally engaged in the business of managing investment funds for unaffiliated securities investors;
- acquires the common stock pursuant to trading activities undertaken in the ordinary course of such person's business not with the purpose or effect of exercising or influencing control over us; and
- is not obligated to and does not file a Schedule 13D with respect to our securities.

If our board of directors determines that a person is no longer an institutional investor, then this person will be required to divest itself as promptly as practicable of a sufficient number of shares of common stock so that this person beneficially owns less than 15% of the voting power of our common stock then outstanding.

If our board of directors determines that this person does not divest itself of common shares as required, then this person will be or become an acquiring person under the rights agreement.

Exercisability of Rights. The preferred stock purchase rights are not exercisable until the preferred stock purchase rights distribution date. The preferred stock purchase rights will expire on November 20, 2008, unless the expiration date is extended or unless the preferred stock purchase rights are earlier redeemed or exchanged by us, in each case, as described below.

If any person becomes an acquiring person, each holder of a preferred stock purchase right (other than preferred stock purchase rights beneficially owned by the acquiring person, which will be void) will, after the date that any person became an acquiring person, have the right to receive, upon exercise of those preferred stock purchase rights at the then current exercise price, that number of shares of common stock, or cash or other securities or assets in certain circumstances, having a market value of two times the exercise price of the preferred stock purchase right. If, at any time on or after the date that any person has become an acquiring person, we are acquired in a merger or other business combination transaction or 50% or more of our consolidated assets or earning power are sold, each holder of a preferred stock purchase right will, after the date of that transaction, have the right to receive, upon the exercise of those preferred stock purchase rights at the then current exercise price of the preferred stock purchase right, that number of shares of common stock of the acquiring company which at the time of that transaction will have a market value of two times the exercise price of the preferred stock purchase right.

The purchase price payable, and the number of shares of junior preferred stock or other securities or property issuable, upon exercise of the preferred stock purchase rights are subject to adjustment from time to time to prevent dilution in some circumstances.

Until a preferred stock purchase right is exercised, the holder of a preferred stock purchase right will have no rights as a stockholder of our company, including the right to vote or to receive dividends.

From and after the occurrence of an event described in Section 11(a)(ii) of the rights agreement, if rights are or were, at any time on or after the earlier of (1) the date of such event and (2) the distribution date, acquired or beneficially owned by an acquiring person or an associate or affiliate of an acquiring person, such rights shall become void, and any holder of such rights shall thereafter have no right to exercise such rights.

Terms of Junior Preferred Stock. Shares of junior preferred stock, which may be purchased upon exercise of the preferred stock purchase rights, will not be redeemable. Each share of junior preferred stock will be entitled to receive when, as and if declared by the board of directors, out of funds legally available for the purpose, an amount per share equal to 1,000 times the cash or non-cash dividend declared per share of common stock. In the event of liquidation, the holders of the junior preferred stock will be entitled to receive an aggregate payment equal to 1,000 times the payment made per share of common stock. Each share of junior preferred stock will have 1,000 votes, together with the common stock. Finally, in the event of any

merger, consolidation or other transaction in which the common stock is exchanged, each share of junior preferred stock will be entitled to receive an amount equal to 1,000 times the amount received per share of common stock. The rights are protected by customary antidilution provisions.

Exchange or Redemption. At any time after any person becomes an acquiring person, and prior to the acquisition by any person or group of a majority of the voting power, our board of directors may exchange the rights (other than rights owned by such acquiring person which have become void), in whole or in part, at an exchange ratio of one share of common stock per right (subject to adjustment). We may, at our option, substitute preferred shares or common stock equivalents for common stock, at the rate of one one-thousandth of a preferred share for each share of common stock (subject to adjustment). No fractional share of common stock will be issued and in lieu thereof, an adjustment in cash will be made based on the market price of the share of common stock on the last trading day prior to the date of exchange.

At any time prior to any person becoming an acquiring person, our board of directors, by the required board vote, may redeem the rights in whole, but not in part, at a redemption price of \$.001 per right. The redemption of the rights may be made effective at the time, on any basis and subject to the conditions which our board of directors may establish. Immediately upon any redemption of the rights (or upon a later date specified by our board of directors in the resolution approving a redemption), the right to exercise the rights will terminate and the only right of the holders of rights will be to receive the redemption price. The redemption of the rights may be subject to certain restrictions and limitations contained in our charter.

Our board of directors, by the required board vote, may amend the terms of the rights without the consent of the holders of the rights, except that from the time any person becomes an acquiring person, no amendment may adversely affect the interests of the holders of the rights (other than the acquiring person and its affiliates and associates). The right of our board of directors to amend the rights agreement may be subject to certain restrictions and limitations contained in our charter.

Series B Preferred Stock

We have one outstanding share of Series B preferred stock, which is owned by Northwest Airlines, Inc. Set forth below is a description of some of the material provisions of the Series B preferred stock.

Ranking. The Series B preferred stock ranks junior to all classes of our capital stock other than our common stock upon liquidation, dissolution or winding up of our company.

Dividends. No dividends are payable on our Series B preferred stock.

Voting Rights. The holder of the Series B preferred stock has the right to block certain actions we may seek to take, including:

- certain business combinations and similar changes of control transactions involving us and a third party major air carrier;
- certain amendments to our rights plan (or redemption of those rights);
- any dividend or distribution of all or substantially all of our assets; and
- certain reorganizations and restructuring transactions involving us.

Redemption. The Series B preferred stock is redeemable by us at a nominal price under the following circumstances:

- Northwest Airlines, Inc. transfers or encumbers the Series B preferred stock;
- there is a change of control of Northwest Airlines Corporation or Northwest Airlines, Inc. (or certain related entities that own a majority of the airline assets of Northwest Airlines Corporation or Northwest Airlines, Inc.) involving a third party major air carrier;
- our alliance with Northwest Airlines, Inc. terminates or expires (other than as a result of a breach by us); or

- Northwest Airlines Corporation or Northwest Airlines, Inc. (or certain related entities) materially breaches their standstill obligations to us or triggers our rights agreement (described above under “— Preferred Stock Purchase Rights”).

Corporate Governance and Control

Our certificate of incorporation provides that our board of directors will consist of a number of directors as may be determined from time to time by the board of directors in accordance with the bylaws. Our board of directors currently consists of 11 directors elected by common stockholders, subject to the rights of preferred stockholders to elect additional directors as set forth in any preferred stock designations.

Business Combinations

Our certificate of incorporation provides that we are not governed by Section 203 of the General Corporation Law of Delaware which, in the absence of such provisions, would have imposed additional requirements regarding mergers and other business combinations.

Procedural Matters

Our bylaws require stockholders seeking to nominate directors or propose other matters for action at a stockholders’ meeting to give us notice within specified periods in advance of the meeting and to follow certain other specified procedures.

Change of Control

Because a separate class vote is required pursuant to the terms of the Series B preferred stock in connection with some changes of control requiring stockholder approval as described under “— Series B Preferred Stock — Voting Rights,” a change of control of our company could be delayed, deferred or prevented.

In addition, the existence of the preferred stock purchase rights may have the effect of delaying or preventing a change of control of our company. See “— Preferred Stock Purchase Rights” above.

Limitation of Director Liability and Indemnification

Our certificate of incorporation provides, to the full extent permitted by Delaware law, that directors will not be liable to us or our stockholders for monetary damages for breach of fiduciary duty as a director. As required under current Delaware law, our certificate of incorporation and bylaws currently provide that this waiver may not apply to liability:

- for any breach of the director’s duty of loyalty to us or our stockholders;
- or acts or omissions not in good faith or that involve intentional misconduct or a knowing violation of law;
- under Section 174 of the Delaware General Corporation Law (governing distributions to stockholders); or
- for any transaction from which the director derived any improper personal benefit.

However, in the event the Delaware General Corporation Law is amended to authorize corporate action further eliminating or limiting the personal liability of directors, then the liability of any of our directors will be eliminated or limited to the fullest extent permitted by the Delaware General Corporation Law, as so amended. Our certificate of incorporation further provides that we will indemnify each of our directors and officers to the full extent permitted by Delaware law and may indemnify certain other persons as authorized by the Delaware General Corporation Law. These provisions do not eliminate any monetary liability of directors under the federal securities laws.

DESCRIPTION OF DEPOSITARY SHARES

We may offer fractional shares of preferred stock, rather than full shares of preferred stock. If we decide to offer fractional shares of preferred stock, we will issue receipts for depositary shares. Each depositary share will represent a fraction of a share of a particular series of preferred stock, and the prospectus supplement will indicate that fraction. The shares of preferred stock represented by depositary shares will be deposited under a deposit agreement between our company and a depositary that is a bank or trust company that meets certain requirements and is selected by us. The depositary will be specified in the applicable prospectus supplement. Each owner of a depositary share will be entitled to all of the rights and preferences of the preferred stock represented by the depositary share. The depositary shares will be evidenced by depositary receipts issued pursuant to the deposit agreement. Depositary receipts will be distributed to those persons purchasing the fractional shares of preferred stock in accordance with the terms of the offering.

We have summarized selected provisions of the deposit agreement and the depositary receipts, but the summary is qualified by reference to the provisions of the deposit agreement and the depositary receipts. The particular terms of any series of depositary shares will be described in the applicable prospectus supplement. If so indicated in the prospectus supplement, the terms of any such series may differ from the terms set forth below.

Dividends

The depositary will distribute all cash dividends or other cash distributions received by it in respect of the preferred stock to the record holders of depositary shares relating to such preferred shares in proportion to the numbers of depositary shares held on the relevant record date. The amount made available for distribution will be reduced by any amounts withheld by the depositary or us on account of taxes.

In the event of a distribution other than in cash, the depositary will distribute securities or property received by it to the record holders of depositary shares in proportion to the numbers of depositary shares held on the relevant record date, unless the depositary determines that it is not feasible to make such distribution. In that case, the depositary may make the distribution by such method as it deems equitable and practicable. One such possible method is for the depositary to sell the securities or property and then distribute the net proceeds from the sale as provided in the case of a cash distribution.

Withdrawal of Shares

Upon surrender of depositary receipts representing any number of whole shares at the depositary's office, unless the related depositary shares previously have been called for redemption, the holder of the depositary shares evidenced by the depositary receipts will be entitled to delivery of the number of whole shares of the related series of preferred stock and all money and other property, if any, underlying such depositary shares. However, once such an exchange is made, the preferred stock cannot thereafter be redeposited in exchange for depositary shares. Holders of depositary shares will be entitled to receive whole shares of the related series of preferred stock on the basis set forth in the applicable prospectus supplement. If the depositary receipts delivered by the holder evidence a number of depositary shares representing more than the number of whole shares of preferred stock of the related series to be withdrawn, the depositary will deliver to the holder at the same time a new depositary receipt evidencing the excess number of depositary shares.

Redemption of Depositary Shares

Whenever we redeem the preferred stock, the depositary will redeem a number of depositary shares representing the same number of shares of preferred stock so redeemed. If fewer than all of the depositary shares are to be redeemed, the depositary shares to be redeemed will be selected by lot, pro rata or by any other equitable method as the depositary may determine.

Voting of Underlying Shares

Upon receipt of notice of any meeting at which the holders of the preferred stock of any series are entitled to vote, the depositary will mail the information contained in the notice of the meeting to the record holders of the depositary shares relating to that series of preferred shares. Each record holder of the depositary shares on the record date will be entitled to instruct the depositary as to the exercise of the voting rights represented by the number of shares of preferred stock underlying the holder's depositary shares. The depositary will endeavor, to the extent it is practical to do so, to vote the number of whole shares of preferred stock underlying such depositary shares in accordance with such instructions. We will agree to take all action that the depositary may deem reasonably necessary in order to enable the depositary to do so. To the extent the depositary does not receive specific instructions from the holders of depositary shares relating to such preferred shares, it will abstain from voting such shares of preferred stock.

Amendment and Termination of Deposit Agreement

The form of depositary receipt evidencing the depositary shares and any provision of the applicable deposit agreement may at any time be amended by agreement between us and the depositary. We may, with the consent of the depositary, amend the deposit agreement from time to time in any manner that we desire. However, if the amendment would materially and adversely alter the rights of the existing holders of depositary shares, the amendment would need to be approved by the holders of at least a majority of the depositary shares then outstanding.

The deposit agreement may be terminated by us or the depositary if:

- all outstanding depositary shares have been redeemed; or
- there has been a final distribution in respect of the shares of preferred stock of the applicable series in connection with our liquidation, dissolution or winding up and such distribution has been made to the holders of depositary receipts.

Resignation and Removal of Depositary

The depositary may resign at any time by delivering to us notice of its election to do so. We may remove a depositary at any time. Any resignation or removal will take effect upon the appointment of a successor depositary and its acceptance of appointment.

Charges of Depositary

We will pay all transfer and other taxes and governmental charges arising solely from the existence of any depositary arrangements. We will pay all charges of each depositary in connection with the initial deposit of the preferred shares of any series, the initial issuance of the depositary shares, any redemption of such preferred shares and any withdrawals of such preferred shares by holders of depositary shares. Holders of depositary shares will be required to pay any other transfer taxes.

Notices

Each depositary will forward to the holders of the applicable depositary shares all notices, reports and communications from us which are delivered to such depositary and which we are required to furnish the holders of the preferred shares.

Limitation of Liability

The deposit agreement contains provisions that limit our liability and the liability of the depositary to the holders of depositary shares. Both the depositary and we are also entitled to an indemnity from the holders of the depositary shares prior to bringing, or defending against, any legal proceeding. We or any depositary may rely upon written advice of counsel or accountants, or information provided by persons presenting preferred

shares for deposit, holders of depositary shares or other persons believed by us or it to be competent and on documents believed by us or them to be genuine.

DESCRIPTION OF WARRANTS

We may issue warrants to purchase any of our securities. We may issue warrants independently or together with any other securities offered by any prospectus supplement and the warrants may be attached to or separate from those securities. Each series of warrants will be issued under a separate warrant agreement, to be entered into between us and a warrant agent specified in a prospectus supplement. The warrant agent will act solely as our agent in connection with the warrants of such series and will not assume any obligation or relationship of agency or trust with any of the holders of the warrants. We will set forth further terms of the warrants and the applicable warrant agreements in the applicable prospectus supplement relating to the issuance of any warrants, including, where applicable, the following:

- the title of the warrants;
- the aggregate number of the warrants;
- the number and type of securities purchasable upon exercise of the warrants;
- the designation and terms of the securities, if any, with which the warrants are issued and the number of the warrants issued with each such offered security;
- the date, if any, on and after which the warrants and the related securities will be separately transferable;
- the price at which each security purchasable upon exercise of the warrants may be purchased;
- the date on which the right to exercise the warrants will commence and the date on which the right will expire;
- the minimum or maximum amount of the warrants which may be exercised at any one time;
- any circumstances that will cause the warrants to be deemed to be automatically exercised; and
- any other material terms of the warrants.

DESCRIPTION OF STOCK PURCHASE CONTRACTS AND STOCK PURCHASE UNITS

We may issue stock purchase contracts, including contracts obligating holders to purchase from us, and obligating us to sell to the holders, a specified number of shares of common stock or other securities at a future date or dates, which we refer to in this prospectus as "stock purchase contracts." The price per share of the securities and the number of shares of the securities may be fixed at the time the stock purchase contracts are issued or may be determined by reference to a specific formula set forth in the stock purchase contracts. The stock purchase contracts may be issued separately or as part of units consisting of a stock purchase contract and debt securities, preferred securities, warrants or debt obligations of third parties, including U.S. treasury securities, securing the holders' obligations to purchase the securities under the stock purchase contracts, which we refer to herein as "stock purchase units." The stock purchase contracts may require holders to secure their obligations under the stock purchase contracts in a specified manner. The stock purchase contracts also may require us to make periodic payments to the holders of the stock purchase units or vice versa, and those payments may be unsecured or refunded on some basis.

The applicable prospectus supplement will describe the terms of the stock purchase contracts or stock purchase units. The description in the prospectus supplement will not necessarily be complete, and reference will be made to the stock purchase contracts, and, if applicable, collateral or depositary arrangements, relating to the stock purchase contracts or stock purchase units, which will be filed with the SEC each time we issue stock purchase contracts or stock purchase units. Material United States federal income tax considerations

applicable to the stock purchase units and the stock purchase contracts will also be discussed in the applicable prospectus supplement.

DESCRIPTION OF SUBSCRIPTION RIGHTS

General

We may issue subscription rights to purchase common stock, preferred stock, depositary shares or warrants to purchase preferred stock, common stock or depositary shares. Subscription rights may be issued independently or together with any other offered security and may or may not be transferable by the person purchasing or receiving the subscription rights. In connection with any subscription rights offering to our stockholders, we may enter into a standby underwriting arrangement with one or more underwriters pursuant to which such underwriters will purchase any offered securities remaining unsubscribed for after such subscription rights offering. In connection with a subscription rights offering to our stockholders, we will distribute certificates evidencing the subscription rights and a prospectus supplement to our stockholders on the record date that we set for receiving subscription rights in such subscription rights offering.

The applicable prospectus supplement will describe the following terms of subscription rights in respect of which this prospectus is being delivered:

- the title of such subscription rights,
- the securities for which such subscription rights are exercisable,
- the exercise price for such subscription rights,
- the number of such subscription rights issued to each stockholder,
- the extent to which such subscription rights are transferable,
- if applicable, a discussion of the material United States federal income tax considerations applicable to the issuance or exercise of such subscription rights,
- the date on which the right to exercise such subscription rights shall commence, and the date on which such rights shall expire (subject to any extension),
- the extent to which such subscription rights include an over-subscription privilege with respect to unsubscribed securities,
- if applicable, the material terms of any standby underwriting or other purchase arrangement that we may enter into in connection with the subscription rights offering, and
- any other terms of such subscription rights, including terms, procedures and limitations relating to the exchange and exercise of such subscription rights.

Exercise of Subscription Rights

Each subscription right will entitle the holder of the subscription right to purchase for cash such amount of shares of preferred stock, depositary shares, common stock, warrants or any combination thereof, at such exercise price as shall in each case be set forth in, or be determinable as set forth in, the prospectus supplement relating to the subscription rights offered thereby. Subscription rights may be exercised at any time up to the close of business on the expiration date for such subscription rights set forth in the prospectus supplement. After the close of business on the expiration date, all unexercised subscription rights will become void.

Subscription rights may be exercised as set forth in the prospectus supplement relating to the subscription rights offered thereby. Upon receipt of payment and the subscription rights certificate properly completed and duly executed at the corporate trust office of the subscription rights agent or any other office indicated in the prospectus supplement, we will forward, as soon as practicable, the shares of preferred stock or common

stock, depositary shares or warrants purchasable upon such exercise. We may determine to offer any unsubscribed offered securities directly to persons other than stockholders, to or through agents, underwriters or dealers or through a combination of such methods, including pursuant to standby underwriting arrangements, as set forth in the applicable prospectus supplement.

PLAN OF DISTRIBUTION

Any of the securities being offered hereby and any accompanying prospectus supplement may be sold in any one or more of the following ways from time to time:

- directly to purchasers;
- through agents;
- to or through underwriters;
- through dealers;
- directly to our stockholders; or
- through a combination of any such methods of sale.

In addition, we may issue the securities as a dividend or distribution to our stockholders.

The distribution of the securities may be effected from time to time in one or more transactions at a fixed price or prices, which may be changed, at market prices prevailing at the time of sale, at prices related to such prevailing market prices or at negotiated prices.

We may solicit offers to purchase directly. Offers to purchase securities also may be solicited by agents designated by us from time to time. Any such agent involved in the offer or sale of the securities in respect of which this prospectus is delivered will be named, and any commissions payable by us to such agent will be set forth, in the applicable prospectus supplement. Unless otherwise indicated in such prospectus supplement, any such agent will be acting on a reasonable best efforts basis for the period of its appointment. Any such agent may be deemed to be an underwriter, as that term is defined in the Securities Act of 1933, of the securities so offered and sold.

If securities are sold by means of an underwritten offering, we will execute an underwriting agreement with an underwriter or underwriters at the time an agreement for such sale is reached, and the names of the specific managing underwriter or underwriters, as well as any other underwriters, the respective amounts underwritten and the terms of the transaction, including commissions, discounts and any other compensation of the underwriters and dealers, if any, will be set forth in the applicable prospectus supplement which will be used by the underwriters to make resales of the securities in respect of which this prospectus is being delivered to the public. If underwriters are utilized in the sale of any securities in respect of which this prospectus is being delivered, such securities will be acquired by the underwriters for their own account and may be resold from time to time in one or more transactions, including negotiated transactions, at fixed public offering prices or at varying prices determined by the underwriters at the time of sale. Securities may be offered to the public either through underwriting syndicates represented by managing underwriters or directly by one or more underwriters. If any underwriter or underwriters are utilized in the sale of securities, unless otherwise indicated in the applicable prospectus supplement, the underwriting agreement will provide that the obligations of the underwriters are subject to certain conditions precedent and that the underwriters with respect to a sale of such securities will be obligated to purchase all such securities if any are purchased.

We may grant to the underwriters options to purchase additional securities, to cover over-allotments, if any, at the initial public offering price (with additional underwriting commissions or discounts), as may be set forth in the prospectus supplement relating thereto. If we grant any over-allotment option, the terms of such over-allotment option will be set forth in the prospectus supplement for such securities.

If a dealer is used in the sale of the securities in respect of which this prospectus is delivered, we will sell such securities to the dealer, as principal. The dealer may then resell such securities to the public at varying

prices to be determined by such dealer at the time of resale. Any such dealer may be deemed to be an underwriter, as such term is defined in the Securities Act, of the securities so offered and sold. The name of the dealer and their terms of the transaction will be set forth in the prospectus supplement relating thereto.

Offers to purchase securities may be solicited directly by us and the sale thereof may be made by us directly to institutional investors or others, who may be deemed to be underwriters within the meaning of the Securities Act of 1933 with respect to any resale thereof. We may also offer securities through agents in connection with a distribution to our stockholders of rights to purchase such securities. The terms of any such sales will be described in the prospectus supplement relating thereto.

We may offer our equity securities into an existing trading market on the terms described in the applicable prospectus supplement. Underwriters and dealers who may participate in any at-the-market offerings will be described in the prospectus supplement relating thereto.

Pursuant to any standby underwriting agreement entered into in connection with a subscription rights offering to our stockholders, persons acting as standby underwriters may receive a commitment fee for all securities underlying the subscription rights that the underwriter commits to purchase on a standby basis. Additionally, prior to the expiration date with respect to any subscription rights, any standby underwriters in a subscription rights offering to our stockholders may offer such securities on a when-issued basis, including securities to be acquired through the purchase and exercise of subscription rights, at prices set from time to time by the standby underwriters. After the expiration date with respect to such subscription rights, the underwriters may offer securities of the type underlying the subscription rights, whether acquired pursuant to a standby underwriting agreement, the exercise of the subscription rights or the purchase of such securities in the market, to the public at a price or prices to be determined by the underwriters. The standby underwriters may thus realize profits or losses independent of the underwriting discounts or commissions paid by us. If we do not enter into a standby underwriting arrangement in connection with a subscription rights offering to our stockholders, we may elect to retain a dealer-manager to manage such a subscription rights offering for us. Any such dealer-manager may offer securities of the type underlying the subscription rights acquired or to be acquired pursuant to the purchase and exercise of subscription rights and may thus realize profits or losses independent of any dealer-manager fee paid by us.

Securities may also be offered and sold, if so indicated in the applicable prospectus supplement, in connection with a remarketing upon their purchase, in accordance with a redemption or repayment pursuant to their terms, or otherwise, by one or more firms ("remarketing firms") acting as principals for their own accounts or as agents for us. Any remarketing firm will be identified and the terms of its agreement, if any, with us and its compensation will be described in the applicable prospectus supplement. Remarketing firms may be deemed to be underwriters, as that term is defined in the Securities Act of 1933, in connection with the securities remarketed thereby.

If so indicated in the applicable prospectus supplement, we may authorize agents, dealers or underwriters to solicit offers by certain institutions to purchase securities from us at the public offering price set forth in the applicable prospectus supplement pursuant to delayed delivery contracts providing for payment and delivery on the date or dates stated in the applicable prospectus supplement. Such delayed delivery contracts will be subject to only those conditions set forth in the applicable prospectus supplement. A commission indicated in the applicable prospectus supplement will be paid to underwriters and agents soliciting purchases of securities pursuant to delayed delivery contracts accepted by us.

Agents, underwriters, dealers and remarketing firms may be entitled under relevant agreements with us to indemnification by us against certain liabilities, including liabilities under the Securities Act, or to contribution with respect to payments which such agents, underwriters, dealers and remarketing firms may be required to make in respect thereof.

Any underwriter may engage in stabilizing and syndicate covering transactions in accordance with Rule 104 under Regulation M. Rule 104 permits stabilizing bids to purchase the underlying security so long as the stabilizing bids do not exceed a specified maximum. The underwriters may over-allot shares of the securities in connection with an offering of securities, thereby creating a short position in the underwriters'

[Table of Contents](#)

account. Syndicate covering transactions involve purchases of the securities in the open market after the distribution has been completed in order to cover syndicate short positions. Stabilizing and syndicate covering transactions may cause the price of the securities to be higher than it would otherwise be in the absence of such transactions. These transactions, if commenced, may be discontinued at any time.

Unless otherwise specified in the applicable prospectus supplement, each series of securities will be a new issue and will have no established trading market. We may elect to list any series of securities on an exchange but, unless otherwise specified in the applicable prospectus supplement, we shall not be obligated to do so. No assurance can be given as to the liquidity of the trading market for any of the securities.

Agents, underwriters, dealers and remarketing firms may be customers of, engage in transactions with, or perform services for, us and our subsidiaries in the ordinary course of business.

The anticipated date of delivery of securities will be set forth in the applicable prospectus supplement relating to each offer.

LEGAL MATTERS

Unless otherwise specified in the applicable prospectus supplement, the validity of the securities will be passed upon for us by Vinson & Elkins L.L.P., Houston, Texas, and will be passed upon for any agents, dealers or underwriters by counsel named in the applicable prospectus supplement.

RATIO OF EARNINGS TO FIXED CHARGES

The ratio of our "earnings" to our "fixed charges" for the year 2003 was 1.14. For the years 2001, 2002, 2004 and 2005, "earnings" were inadequate to cover "fixed charges", and the coverage deficiency was \$161 million in 2001, \$658 million in 2002, \$490 million in 2004 and \$102 million in 2005.

The ratio of earnings to fixed charges is based on continuing operations. For purposes of the ratio, "earnings" means the sum of:

- our pre-tax income (loss) adjusted for undistributed income of companies in which we have a minority equity interest; and
- our fixed charges, net of interest capitalized.

"Fixed charges" represent:

- the interest expense we record on borrowed funds;
- the amount we amortize for debt discount, premium and issuance expense and interest previously capitalized; and
- that portion of rentals considered to be representative of the interest expense.

With the exception of the SEC registration fee, all costs and expenses set forth below are estimates.

SEC Registration fee	\$ *
Fees and expenses of accountants	75,000
Fees and expenses of legal counsel	150,000
Fees of rating agencies	75,000
Blue Sky fees and expenses (including counsel)	5,000
Printing and engraving expenses	75,000
Miscellaneous	18,700
Total	<u>\$485,000</u>

* The registrant is deferring payment of the registration fee in reliance on Rule 456(b) and Rule 457(r), except for \$93,653 that has already been paid with respect to \$1.0 billion aggregate initial offering price of securities that were previously registered pursuant to Registration Statement No. 333-128289 and were not sold thereunder.

Item 15. Indemnification of Directors and Officers.

The Company's Amended and Restated Certificate of Incorporation (the "Certificate of Incorporation") and bylaws provide that the Company will indemnify each of its directors and officers to the full extent permitted by the laws of the State of Delaware and may indemnify certain other persons as authorized by the Delaware General Corporation Law (the "GCL"). Section 145 of the GCL provides as follows:

"(a) A corporation shall have power to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation) by reason of the fact that the person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by the person in connection with such action, suit or proceeding if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe the person's conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which the person reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had reasonable cause to believe that the person's conduct was unlawful.

(b) A corporation shall have power to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor by reason of the fact that the person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against expenses (including attorneys' fees) actually and reasonably incurred by the person in connection with the defense or settlement of such action or suit if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the corporation and except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the corporation unless and only to the extent that the Court of Chancery or the court in which such action or suit was brought shall determine upon application

that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the Court of Chancery or such other court shall deem proper.

(c) To the extent that a present or former director or officer of a corporation has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to in subsections (a) and (b) of this section, or in defense of any claim, issue or matter therein, such person shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by such person in connection therewith.

(d) Any indemnification under subsections (a) and (b) of this section (unless ordered by a court) shall be made by the corporation only as authorized in the specific case upon a determination that indemnification of the present or former director, officer, employee or agent is proper in the circumstances because the person has met the applicable standard of conduct set forth in subsections (a) and (b) of this section. Such determination shall be made, with respect to a person who is a director or officer at the time of such determination, (1) by a majority vote of the directors who are not parties to such action, suit or proceeding, even though less than a quorum, or (2) by a committee of such directors designated by majority vote of such directors, even though less than a quorum, or (3) if there are no such directors, or if such directors so direct, by independent legal counsel in a written opinion, or (4) by the stockholders.

(e) Expenses (including attorneys' fees) incurred by an officer or director in defending any civil, criminal, administrative or investigative action, suit or proceeding may be paid by the corporation in advance of the final disposition of such action, suit or proceeding upon receipt of an undertaking by or on behalf of such director or officer to repay such amount if it shall ultimately be determined that such person is not entitled to be indemnified by the corporation as authorized in this section. Such expenses (including attorneys' fees) incurred by former directors and officers or other employees and agents may be so paid upon such terms and conditions, if any, as the corporation deems appropriate.

(f) The indemnification and advancement of expenses provided by, or granted pursuant to, the other subsections of this section shall not be deemed exclusive of any other rights to which those seeking indemnification or advancement of expenses may be entitled under any bylaw, agreement, vote of stockholders or disinterested directors or otherwise, both as to action in such person's official capacity and as to action in another capacity while holding such office.

(g) A corporation shall have power to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against any liability asserted against such person and incurred by such person in any such capacity, or arising out of such person's status as such, whether or not the corporation would have the power to indemnify such person against such liability under this section.

(h) For purposes of this section, references to "the corporation" shall include, in addition to the resulting corporation, any constituent corporation (including any constituent of a constituent) absorbed in a consolidation or merger which, if its separate existence had continued, would have had power and authority to indemnify its directors, officers, and employees or agents, so that any person who is or was a director, officer, employee or agent of such constituent corporation, or is or was serving at the request of such constituent corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, shall stand in the same position under this section with respect to the resulting or surviving corporation as such person would have with respect to such constituent corporation if its separate existence had continued.

(i) For purposes of this section, references to "other enterprises" shall include employee benefit plans; references to "fines" shall include any excise taxes assessed on a person with respect to any employee benefit plan; and references to "serving at the request of the corporation" shall include any service as a director, officer, employee or agent of the corporation which imposes duties on, or involves services by, such director, officer, employee or agent with respect to an employee benefit plan, its participants or beneficiaries; and a person who acted in good faith and in a manner such person reasonably believed to be in the interest of the participants and beneficiaries of an employee benefit plan shall be deemed to have acted in a manner "not opposed to the best interests of the corporation" as referred to in this section.

(j) The indemnification and advancement of expenses provided by, or granted pursuant to, this section shall, unless otherwise provided when authorized or ratified, continue as to a person who has ceased to be a director, officer, employee or agent and shall inure to the benefit of the heirs, executors and administrators of such a person.

(k) The Court of Chancery is hereby vested with exclusive jurisdiction to hear and determine all actions for advancement of expenses or indemnification brought under this section or under any bylaw, agreement, vote of stockholders or disinterested directors, or otherwise. The Court of Chancery may summarily determine a corporation's obligation to advance expenses (including attorneys' fees)."

The Certificate of Incorporation and bylaws also limit the personal liability of directors to the Company and its stockholders for monetary damages resulting from certain breaches of the director's fiduciary duties. The bylaws of the Company provide as follows:

"No Director of the Corporation shall be personally liable to the Corporation or its stockholders for monetary damages for breach of fiduciary duty as a Director, except for liability (i) for any breach of the Director's duty of loyalty to the corporation or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under Section 174 of the GCL, or (iv) for any transaction from which the Director derived any improper personal benefit. If the GCL is amended to authorize corporate action further eliminating or limiting the personal liability of Directors, then the liability of Directors of the Corporation shall be eliminated or limited to the full extent permitted by the GCL, as so amended."

The Company maintains directors' and officers' liability insurance.

Item 17. Undertakings

The undersigned registrant hereby undertakes:

1. To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Securities and Exchange Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the

maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) above do not apply if the registration statement is on Form S-3 and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Securities and Exchange Commission by the registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

2. That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

3. To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

4. That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(i) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. *Provided, however,* that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

5. That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and

(iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

6. For purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to section 13(a) or section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

7. To supplement the prospectus, after the expiration of the subscription period, to set forth the results of the subscription offer, the transactions by the underwriters during the subscription period, the amount of unsubscribed securities to be purchased by the underwriters, and the terms of any subsequent reoffering thereof. If any public offering by the underwriters is to be made on terms differing from those set forth on the cover page of the prospectus, a post-effective amendment will be filed to set forth the terms of such offering.

6. To file an application for the purpose of determining the eligibility of the trustee under the Subordinated Debt Indenture to act under subsection (a) of Section 310 of the Trust Indenture Act ("Act") in accordance with the rules and regulations prescribed by the Securities and Exchange Commission under Section 305(b)(2) of the Act.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the provisions set forth in response to Item 15, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.

We have examined originals or copies, certified or otherwise identified to our satisfaction, of (i) the Amended and Restated Certificate of Incorporation and Bylaws of the Company, each as amended to the date hereof; (ii) resolutions adopted by the Board of Directors of the Company (the Board of Directors, or to the extent permitted by Section 141 of the Delaware General Corporation Law (the “DGCL”), a duly constituted and acting committee thereof, being referred to herein as the “Board”); (iii) the Registration Statement; (iv) the Senior Debt Indenture between the Company and J. P. Morgan Trust Company, National Association (as successor in interest to Bank One, N.A.), as trustee, dated July 15, 1997 (the “Senior Indenture”) relating to the senior Debt Securities, in the form incorporated as an exhibit to the Registration Statement; (v) a form of the Indenture to be entered into between the Company and a trustee to be determined (the “Subordinated Indenture”, and together with the Senior Indenture, the “Indentures”) relating to the subordinated Debt Securities, in the form incorporated as an exhibit to the Registration Statement; and (vi) such other certificates, statutes and other instruments and documents as we considered appropriate for purposes of the opinions hereafter expressed. In addition, we reviewed such questions of law as we considered appropriate.

As to any facts material to the opinions contained herein, we have made no independent investigation of such facts and have relied, to the extent that we deemed such reliance proper, upon certificates of public officials and officers or other representatives of the Company.

In rendering the opinions set forth below, we have assumed that (i) all information contained in all documents reviewed by us is true and correct; (ii) all signatures on all documents examined by us are genuine; (iii) all documents submitted to us as originals are authentic and all documents submitted to us as copies conform to the originals of those documents; (iv) each natural person signing any document reviewed by us had the legal capacity to do so; (v) each person signing in a representative capacity (other than on behalf of the Company) any document reviewed by us had authority to sign in such capacity; (vi) the Registration Statement, and any post-effective amendments thereto, will be effective and comply with all applicable laws; (vii) one or more prospectus supplements will have been prepared and filed with the Securities and Exchange Commission describing the Securities offered thereby; (viii) all Securities will be issued and sold in compliance with applicable federal and state securities laws and in the manner stated in the Registration Statement and an applicable prospectus supplement; (ix) each of the Senior Indenture and the Subordinated Indenture, together with any supplemental indenture or other instruments establishing a series of Debt Securities to be issued under either of the Indentures, has been (in the case of the

Senior Indenture) or will be (in each other case) duly authorized, executed and delivered by the parties thereto in substantially the form reviewed by us or with changes that do not affect the opinions given hereunder; (x) at the time of any offering or sale of any shares of Common Stock or Preferred Stock, that the Company will have at least such number of shares of Common Stock or Preferred Stock authorized, created and, if appropriate, reserved for issuance; (xi) a definitive purchase, underwriting or similar agreement with respect to any Securities offered will have been duly authorized and validly executed and delivered by the Company and the other parties thereto; and (xii) any Securities issuable upon conversion, exchange or exercise of any Security being offered or sold will at the time of such offering or sale have been duly authorized, created and, if appropriate, reserved for issuance upon such conversion, exchange or exercise.

Based on the foregoing, and subject to the assumptions, qualifications, limitations and exceptions set forth herein, we are of the opinion that:

(a) With respect to Debt Securities to be issued under the Senior Indenture, when (i) the Senior Indenture has been duly qualified under the Trust Indenture Act of 1939 (the "TIA"); (ii) the Board has taken all necessary corporate action to approve the issuance and terms of such Debt Securities, the terms of the offering thereof and related matters; (iii) the terms of such Debt Securities and of their issuance and sale have been established so as not to violate any applicable law or result in a default under or breach of any agreement or instrument binding upon the Company or any of its assets or properties and so as to comply with any requirement or restriction imposed by any court or governmental body having jurisdiction over the Company or any of its assets or properties; and (iv) such Debt Securities have been duly executed, authenticated, issued and delivered in accordance with the provisions of the Senior Indenture and in accordance with the applicable definitive purchase, underwriting or similar agreement approved by the Board, then upon payment of the consideration provided for therein, such Debt Securities will be legally issued and will constitute valid and binding obligations of the Company, enforceable against the Company in accordance with their terms and will be entitled to the benefits of the Senior Indenture.

(b) With respect to Debt Securities to be issued under the Subordinated Indenture, when (i) the Subordinated Indenture has been duly qualified under the TIA; (ii) the Board has taken all necessary corporate action to approve the issuance and terms of such Debt Securities, the terms of the offering thereof and related matters; (iii) the terms of such Debt Securities and of their issuance and sale and the terms of the Subordinated Indenture have been established so as not to violate any applicable law or result in a default under or breach

of any agreement or instrument binding upon the Company or any of its assets or properties and so as to comply with any requirement or restriction imposed by any court or governmental body having jurisdiction over the Company or any of its assets or properties; and (iv) such Debt Securities have been duly executed, authenticated, issued and delivered in accordance with the provisions of the Subordinated Indenture and in accordance with the applicable definitive purchase, underwriting or similar agreement approved by the Board, then upon payment of the consideration provided for therein, such Debt Securities will be legally issued and will constitute valid and binding obligations of the Company, enforceable against the Company in accordance with their terms and will be entitled to the benefits of the Subordinated Indenture.

(c) With respect to shares of Common Stock, when (i) the Board has taken all necessary corporate action to approve the issuance and terms of the offering thereof and related matters; and (ii) certificates representing the shares of Common Stock have been duly executed, countersigned, registered and delivered either (A) in accordance with the applicable definitive purchase, underwriting or similar agreement approved by the Board, then upon payment of the consideration therefor (not less than the par value of the Common Stock) provided for therein; or (B) upon conversion, exchange or exercise of any other security in accordance with the terms of the security or the instrument governing the security providing for the conversion, exchange or exercise as approved by the Board, for the consideration approved by the Board (not less than the par value of the Common Stock), such shares of Common Stock will be validly issued, fully paid and non-assessable.

Re: Continental Airlines, Inc.
Registration Statement on Form S-3

Ladies and Gentlemen:

We have acted as your counsel in connection with the form of prospectus relating to pass through certificates (the "Pass Through Certificates") expected to be issued by one or more trusts (each, a "Trust") to be formed by Continental Airlines, Inc. (the "Company") included in the Registration Statement on Form S-3 (the "Registration Statement") to be filed by the Company with the Securities and Exchange Commission pursuant to the Securities Act of 1933, as amended (the "Act"). The Pass Through Certificates are expected to be issued and sold from time to time pursuant to Rule 415 under the Act.

The Pass Through Certificates will be issued in one or more series under the Pass Through Trust Agreement dated as of September 25, 1997, between the Company and Wilmington Trust Company ("WTC"), the trustee thereunder (the "Basic Pass Through Trust Agreement"), the form of which has been filed as an exhibit to the Registration Statement, as supplemented by a separate trust supplement (each, a "Trust Supplement") relating to each such series.

We have examined the Certificate of Incorporation and By-Laws of the Company and the Basic Pass Through Trust Agreement, and we have assumed that the Basic Pass Through Trust Agreement was duly authorized, executed and delivered by, and is the valid and binding obligation of, WTC, as trustee. In addition, we have examined, and have relied as to matters of fact upon, originals or copies, certified or otherwise identified to our satisfaction, of such corporate records, agreements, documents and other instruments and such certificates or comparable documents of public officials and of officers and representatives of the Company, and have made such other and further investigations as we have deemed relevant and necessary as a basis for the opinion hereinafter set forth.

Based upon and subject to the foregoing, we are of the opinion that, with respect to each series of Pass Through Certificates, when (i) the applicable provisions of the Act and

such “blue sky” or state securities laws as may be applicable shall have been complied with, (ii) the Trust Supplement relating to such series has been duly authorized and validly executed and delivered by the Company and WTC, as trustee under the Basic Pass Through Trust Agreement, (iii) the Board of Directors of the Company has taken all necessary corporate action to approve the terms of the offering of such series of Pass Through Certificates and related matters and (iv) the Pass Through Certificates of such series have been duly executed, authenticated, issued and delivered in accordance with the provisions of the Basic Pass Through Trust Agreement, as supplemented by the related Trust Supplement, and the applicable definitive purchase, underwriting or similar agreement approved by the Board of Directors of the Company and upon payment of the consideration therefor provided for therein, such series of Pass Through Certificates will be legally issued and binding obligations of WTC, as trustee of the applicable Trust.

We are members of the Bar of the State of New York, and we do not express any opinion herein concerning any law other than the law of the State of New York, the federal law of the United States and the Delaware General Corporation Law. We have assumed that each Trust Supplement will be governed by the laws of the State of New York.

We hereby consent to the filing of this opinion as an exhibit to said Registration Statement and we further consent to the use of our name under the caption “Legal Opinions” in the form of prospectus relating to Pass Through Certificates included in the Registration Statement. In giving this consent, we do not thereby admit that we are in the category of persons whose consent is required under Section 7 of the Act, or the rules and regulations of the Securities and Exchange Commission thereunder.

Very truly yours,

At such election, the stockholders shall elect a successor to such director to hold office until the next election of the class for which such director shall have been chosen and until his successor shall be elected and qualified. No decrease in the number of directors shall shorten the term of any incumbent director.

(c) Notwithstanding any other provisions of this Charter or Act of Incorporation or the By-Laws of the Corporation (and notwithstanding the fact that some lesser percentage may be specified by law, this Charter or Act of Incorporation or the By-Laws of the Corporation), any director or the entire Board of Directors of the Corporation may be removed at any time without cause, but only by the affirmative vote of the holders of two-thirds or more of the outstanding shares of capital stock of the Corporation entitled to vote generally in the election of directors (considered for this purpose as one class) cast at a meeting of the stockholders called for that purpose.
